Paper Bags Wrapped In Art

-Students Decorate Bags To Promote Gallery Night

By Anne Trautner

Last week, a lot of people around town added a unique new item to their grocery list.

They wanted to find a grocery bag that had been decorated by their child at school.

"People were looking through the all the bags trying to find the ones their kids had made. They would stop in to seek out the bags or call us. It was

fun," said Aaron Laatsch of Geidel's Piggly Wiggly in Kewaskum.

Students had decorated brown paper bags with colorful pictures for the local Piggly Wiggly store, advertising the Gallery Night that the Kewaskum School District was holding on Wednesday, May 10.

Some of the decorated bags caught customers by surprise.

"I know this kid!" one

customer exclaimed as he watched his groceries get placed in a bag decorated with a vibrant design.

"This was made by a little neighbor boy!" another customer said at the next register.

"It is always exciting when they get a bag made by someone they know or by someone who is a relative," Laatsch explained.

Neighboring Business Gives To Kohlsville Fire Station

By Anne Trautner

Last year, Spiros Industries underwent some construction as an addition was built to its facility in Kohlsville.

During the eight months of construction, workers at Spiros used the parking lot next door that belongs to the Kohlsville Volunteer Fire Department.

Jim Maronde and Dennis Backhaus, owners of Spiros Industries, wanted to do something for the fire department to show their appreciation.

So Backhaus called Fire Chief Curt Martin asked

what the fire department would like.

Martin said that the fire department had been talking about getting a JAWS unit for the past two or three years. But the unit was expensive.

"Get me the final quotes by the end of December, and we will see what we can do for you," Backhaus told Martin.

So Martin got estimates and hoped the company could cover part of the cost.

The following week, Backhaus called Martin and said, "Come down here before 4 p.m. I've got

a check for the fire department."

Martin did as requested, and Backhaus presented him with a check for \$9,725, enough money to pay for the entire JAWS unit.

"It was like an early Christmas present to the fire department," Martin said.

It was not the first time Spiros Industries had contributed to the volunteer fire station. Each year the company donates about \$400 or \$500 to the department's smoker fundraiser.

School District Continues Work On Conceptual Plan

By Anne Trautner

The Kewaskum School District continues working on its conceptual plan for the middle and high school building project, and architects are getting close to creating construction designs.

Nathan Schieve, project team leader for Bray Architects, presented the latest conceptual drawing to the Kewaskum School Board Monday night, and it was met with favorable reviews across the board.

The plan has continued to develop as advisory committees have met to fine tune the drawings over the last five months.

District representatives have met with the bus company, plan commission and area organizations in an attempt to get feedback and keep all concerned parties informed throughout the process.

The district plans to do some further tweaking and then release the conceptual drawing to the public in the next few weeks, Superintendent James Smasal said.

Planning started after voters approved a \$28.42 referendum last

November to fund site improvements, new construction, renovation and modernization of Kewaskum Middle School and Kewaskum High School.

The plan calls for tearing down the current middle school and attaching a new two-story, 85,000-square foot middle school building to the current high school.

The new middle school will be located on the north side of the high school, and will include a two-court gymnasium, new classrooms, a kitchen, a cafeteria and an office with secure entrance.

The middle school's library is located on the second floor overlooking the Milwaukee River. The second floor also includes science labs, and English, social studies, world language and special education classrooms.

There is about a seven-foot variance in elevation between the two schools, so architects created a drawing with a courtyard between the two buildings to create more natural light and an area that students from both schools can utilize. That space will include tiered areas, creating an

amphitheater that can hold about 100 people, Schieve said.

The plan has developed over the last couple of weeks so that bus drop-off and pickup for both schools are currently planned to be along the west side of the building. The new lot calls for about 10 more parking spaces than are currently located at the site.

Maintenance crews have already begun preparing the buildings for the project, and some demolition of the existing high school building will occur this summer, Schieve said.

"Likely in August or September, as students come back to school, instead of taking the school year, the goal is to have the construction area mobilized in terms of site fencing and temporary drives that would be necessary," Schieve told the Plan commission April 25.

Foundations will probably be put in after the 2017-18 school year begins, he said.

"The plan continues to change as we fine tune things, so it will remain conceptual pretty much until it is built," Smasal said.

Members of the Kohlsville Fire Department receive a check from Spiros Industries for the purchase of a new JAWS unit. Pictured (from left) are: Deanna Keding, first responder; Mat Keding, firefighter and first responder; Stephanie Martin, first responder/EMT; Ralph Martin, honorary member; Gerald Rosenthal, treasurer who has been on the department for 50 years; Aaron Martin, second assistant chief; Curt Martin, chief/first responder; Jim Maronde, owner of Spiros Industries; Dennis Backhaus, owner of Spiros Industries; Dave Beck, first assistant chief; Lyle Ernisse, vice president/first responder; and Bill Rate, president.

What If Kiwanis Didn't Exist?

What is the Kiwanis club? What do Kiwanis members do? What if there were no Kiwanis clubs, anywhere?

I ask these questions because I'm concerned for the future of the Kewaskum Kiwanis Club. My name is Bret Richards, current president of the club. I'm not president by choice, at least not now. We recently lost our past president, Larry Ammel, this past Easter Sunday. Larry was a wonderful person, mentor, friend, and a great president of our club.

According to statistics, Kiwanis membership was highest in the early 1990s, approximately 275,000 strong. Since that time membership has dwindled, consistently downward. Currently, there are about 140,000 members in the United States and Canada. Kiwanis membership decreasing is not new or germane just to the Kiwanis; many other service groups are losing membership numbers as well.

So why are service groups like Kiwanis losing members? Perhaps it's many things, time, commitment, when older members are no longer members, those memberships are not being filled. Busy schedules with work or children and I'm sure there are many more reasons folks won't commit to joining.

Now days, instead of attending meetings and fundraising events, you can do so by not leaving the comforts of your house. You can give electronically, texting, or by entering your credit card into a web-site, so why would one attend a meeting anymore?

The U.S. Bureau of Labor Statistics research shows a decline of volunteer rate of 0.4 percent in the year ending

September 2015.

Recently the Kiwanis Club of Steamboat Springs, Col., relinquished its charter after 68 years of service. This club sighted "aging membership and lack of interest from younger residents," as the reason for the club's demise. It's not easy for a community losing a Kiwanis Club; however, many communities around the United States are.

So, what is a Kiwanis Club? It's people, men and women like you. It's men and women who know the greatest success we can achieve is building a better Kewaskum and the community that surrounds it. It's dedicated to the betterment and well-being of our youth. It's being involved in the community, actions that benefit their spouses and children.

What do Kiwanis members do? Well, there is a lot of work, of course, but it's satisfying work. And when it's done, there's something to show for it: happy people, healthy kids, a better village and a safer community.

It's not all work, though. There are parties, recreation, and conventions, too. The motto of Kiwanis is, "We Serve the Children of the World." That's because the main emphasis for Kiwanians is children. Most of our projects and financial contributions are directed in support of youth.

OK, so by now I'm hoping that I have piqued your interests in our club. If so, we would love to have you attend one of our meetings. We meet each Monday except the second Monday of the month. Our meetings are held at the American Legion Hall, located at 1538 Fond Du Lac Ave. in Kewaskum. We meet at 6 p.m. Please arrive

early so we can get acquainted.

This is a group of friendly men and women, and it's a relaxed atmosphere setting with great food. We have a catered meal each meeting. Just for coming in and attending one of our meets, dinner will be on the club!

Hope to see you soon!

These are some, but not all, of the community projects the Kewaskum Kiwanis Club is involved in:

- Kewaskum Kiwanis Community Park.
 - Shelter building at the park.
 - High School Students of the month.
 - Purchased two "jaws of life" for the village fire department.
 - Purchased difibulator equipment for the fire department's second ambulance.
 - Sponsor of Boys and Girls Scouting programs.
 - Provided matching funds for thermal imaging camera for the fire department.
 - Funds for remodeling the kitchen at River Hill Park and the ice cream stand.
 - Funds toward building the Kewaskum Theatre
 - Purchased a new gator for the baseball diamond use, in memory of Wayland Tessar.
 - New roof on the Band Stand at River Hill park, Kewaskum.
 - Raised more than \$500,000 since 1952 from the Turkey Shoot, which happens the first Saturday after Labor Day.
- These are just some of the projects the Kewaskum Kiwanis are involved in. If you are interested in making our community better, ONE CHILD AT A TIME, please consider joining this fine group of men and women. Just think: What if there were no Kiwanis Clubs?

A sign went up on Fond du Lac Avenue in the Village of Kewaskum to publicize the Boltonville Fire Department's Rain Days, which will be held May 26, 27 and 28. The Boltonville Fire Department is celebrating its 100th anniversary this year.

photo by Anne Trautner

Boltonville Rain Days Planned For Memorial Day Weekend

– Fire Department Celebrates 100th Anniversary

The start of the picnic season is underway.

Mike Rodenkirch and Dennis Fechter were recently spotted putting up the sign for the Boltonville Annual Fireman's picnic.

This year the department will be celebrating its 100th anniversary. There will be lots of exciting entertainment with live music all weekend long in the Fireman's Park.

Friday, May 26, will mark the third year the department has held fireworks. Last it was compared to the fireworks at the Village of Kewaskum's 4th of July bash. This year it is expected to be even better.

Wenzel Amazements is back for their second year for the coolest games and rides all weekend long for youngsters and anybody else that is a kid at heart.

Saturday, May 27, at 3:30 p.m. the celebration will again have the fire-

men's water fights at the Boltonville Pond, with area firefighters competing against each other for bragging rights and a nice trophy.

On Sunday, May 28, there will be a couple of changes to make the day even better. The day will start with some awesome acoustic guitar music by Bob and Andy James and a Bloody Mary bar and all the fixin's in front of Tom's Country Mill at 10:30 a.m.

The huge prize parade starts up Sunday, May 28, at noon. There will be extra cash prizes for the best ideas on the design of a float.

At 3 p.m. there will be a duck derby off the bridge in the park. Buy a rubber ducky for \$5 each all weekend long and cheer on to see who will be the big cash winners on which duck makes it to the finish line first. There will be lots of great music, food and fun for the whole family.

The music lineup includes:

Friday, May 26- Ozaukee Country Jam Band, 5 to 8:30 p.m.; and Vic Ferrari, 9 p.m. to 1 a.m.

Saturday, May 27- Badger Crew, 3:30 to 7:30 p.m.; and Saving Savannah and Riding Shotgun, 9 p.m. to 1 a.m.

Sunday, May 28- Acoustic Night with Bob and Andy James, 10 a.m. to noon; Goodtime Dutchmen and Carol and the Keynotes, 1 to 6 p.m.; Pink Houses, 1 to 5:30 p.m.; and Rebel Grace, 8:30 p.m. to 12:30 a.m.

The department has been working for the past year to create an event everyone will remember. It is set to be the best Rain Days in the past 100 years.

More details to come next week, so mark your calendar. It all starts in two weeks.

This time of year, CPAs are "deep in the art of taxes."

XYZ Card Results

The winners of cards played at the Municipal Building Annex on Wednesday, May 4, were:

Darleene Rochwite, Jan Smith, Gordon Held, Eileen Petri, Reiny Follmann, Fred Lettow, Gary Straub, Janet Jaeger and Evie Reichart.

New members are always welcome. Cards are played from 8:15 a.m. - 11:15 a.m. every Wednesday.

Tuesday Night Sheephead Winners

Five-handed winners on Tuesday, May 2, were: Roger Kudeil, 73-10-63, 23-7-16; Del Groth, 54-10-44, 23-7-16; Robert Kauffman, 50-7-43, 18-5-13; Tiny Hansen, 45-4-41, 18-3-5; Scott Stern, 49-12-37, 15-7-8; Suzette Stern, 46-12-34, 16-7-9; Sherrie Olsen, 43-9-34, 13-5-8; Pat Heaslip 18 most losses and 6 low points.

The next five-handed call-an-ace will be Tuesday, May 16, at 7 p.m. sharp. New players are always welcome at the Kewaskum Labor Center.

SENIOR DINING MENU

Meadowcreek Complex
(262) 483-2056

Monday, May 15 - Creamy Baked Chicken Breast, Herbed Stuffing, Caribbean Blend Veggies, Chilled Peaches, Multigrain Bread, Angel Food Cake with Strawberries.

Tuesday, May 16 - Salisbury Steak, Macaroni and Cheese, Green Beans, Apple Slices with

Caramel Dip, Whole Wheat Bread, Chocolate Chip Cookie. Alt: Diet Cookie.

Wednesday, May 17 - French Dip Sandwich, Parslied Potatoes, Tomato and Onion Salad, Brownie. Alt: Vanilla Wafers.

Thursday, May 18 - Roast Pork, Mashed Potatoes with Gravy, Red Cabbage, Marble Rye

Bread, Pecan Pie, Chocolate Milk. Alt: Diet Pie.

Friday, May 19 - Baked Salmon, Wild Rice Blend, Peas and Pearl Onions, Mandarin Oranges, Multigrain Bread, Blueberry Muffin. Alt: Diet Jello.

To make reservations, please call (262) 335-4497 or 1-877-306-3030 one day in advance by noon.

WASHINGTON COUNTY SHERIFF'S REPORT

Motor Vehicle Crash

On May 7, at 2:36 a.m., the Washington County Sheriff's Office was notified of a single vehicle rollover accident where the driver was ejected from the vehicle in the 4000 block of Elmwood Road.

Upon arrival deputies found that the sole occupant, a 25-year-old Village of Menomonee Falls resident, had been ejected from the vehicle and was unconscious. The Richfield fire department responded to the scene and immediately requested that Flight for Life respond and transport the driver due to serious life-threatening injuries.

The initial investigation indicates that the vehicle was east bound on Elmwood Road traveling at a high rate of speed when the vehicle left the roadway striking a retaining wall in the south ditch. The vehicle continued to travel in the ditch line striking a utility pole and then several trees.

This accident remains under investigation by the Washington County Sheriff's Office. Speed and alcohol appear to be contributing factors.

Stolen Vehicle

Over the weekend the Sheriff's Office began taking multiple reports of entries to motor vehicles in the Village of Richfield. The thefts occurred on Stonegate Pass, Linda Drive, Rosie Court, Upper and Lower Woodland Drive and Red Fox Circle. Local law enforcement officers believe the above-mentioned incidents are related to a stolen vehicle complaint that occurred in the 4200 block of Lamplighter Lane in the Village of Richfield on Thursday, May 4, at 5:55 p.m. A gold minivan, which was later determined to be stolen from the City of Milwaukee, was seen in the area of Lamplighter Lane during the theft of the victim's car in Richfield.

A homeowner entered her attached garage from the house and observed two black males, about 20 years of age wearing sunglasses committing a burglary in her garage. She observed the individuals get into her car and back it out of the garage and flee the area. A canvas of the area determined the gold minivan and the victim's vehicle, a grey 2008

Honda Accord, left the area together. The gold minivan was also occupied by two younger black male.

On Saturday, May 6, at about 8:42 a.m. a resident in the 500 block of Stonegate Pass contacted the Sheriff's Office reporting that he saw a dark colored smaller sedan leaving his driveway at about 8 a.m. and realized that several items from his car, that was parked in his driveway, were stolen.

Later that morning, a deputy observed a grey Honda Accord with temporary license plates on it westbound on Willow Creek in the Village of Germantown at about 10:45 a.m. The vehicle was occupied by two younger black males. The deputy attempted to stop the suspect vehicle at which time it fled the area at speeds well over 100 mph southbound on Interstate 41. The deputy terminated the pursuit just into Milwaukee County out of safety concerns.

The stolen gold minivan has been recovered in the City of Milwaukee but the Honda Accord remains missing.

Area residents are encouraged to minimize crimes of opportunity by keeping vehicles and buildings locked. They are also encouraged to contact local law enforcement if they see any suspicious activity.

Stolen Vehicle

The City of Fond du Lac Police contacted the sheriff's office on Thursday, May 4, at 1:56 a.m.,

reporting they received a tip via social media that a stolen vehicle from Fond du Lac was abandoned on Interstate 41 north of County Trunk D in the Town of Wayne. It was reported that a delivery driver left his vehicle running while delivering a pizza when two males took his vehicle.

Upon the deputies' arrival, two vehicles were on the scene. The only occupant, a 37-year-old Village of Newburg man, was briefly detained while both vehicles were cleared. It was learned that Newburg man observed a Facebook post stating that the vehicle was stolen and coincidentally found it on the side of Interstate 41 while on his way home to Newburg from Fond du Lac.

The Newburg man then contacted the person who posted the story on Facebook. That person then contacted their local law enforcement and advised the sheriff's office of the found vehicle, and somewhere along the line the owner of the vehicle was also notified. The owner arrived on scene before Fond du Lac police.

During the conversation with Fond du Lac investigators, it also was revealed that the Fond du Lac Police Department had become involved in a pursuit with the vehicle before it left their jurisdiction. After speaking with the owner, the vehicle likely ran out of gas.

Deputies were not able to locate the suspects on foot.

Washington County Sheriff's Fugitive

The Washington County Sheriff's Department is seeking:

Name: Ashley M Burke
Also Known As:
Age: 31
Race: White
Sex: Female
Height: 5'3"
Weight: 160
Hair: Brown

Eyes: Green
Scars/Tattoos: Tattoo chest, back and left wrist
Last Known Address: Horicon, Hartford
Warrant Entry Date: 05/08/2017

Warrant: #1 - Washington County (Felony failure to appear, poss narcotics 2 counts.) Ct#2 FTA poss drug paraphernalia. Ct #3 - FTA poss of cocaine.

Anyone with information on this person's whereabouts should call the Washington County Sheriff's Department at 262-335-4411 or Washington County Law Enforcement Tip Line at 800-232-0594. Residents should not attempt to apprehend this suspect.

Remembering A Local Hero

By Anne Trautner

The Kewaskum community lost a beloved leader when Larry Ammel passed away on April 16, Easter Sunday.

Larry was a longtime band director at Kewaskum High School and was known throughout the community for his involvement with music, theater and civic organizations.

Larry was one of the first people I met when I moved to Kewaskum and started writing for the Statesman nearly two years ago.

He quickly became a person I turned to for information. He knew about everything I wanted to write about. After all, he had been involved with nearly every organization I covered. In fact, he himself had started many of the organizations.

Larry was instrumental in the formation of the Kewaskum Big Band, the Kewaskum Area Arts Council, the "Ecumen" Men's Choir and Music in the Park. He also worked to bring Missoula Children's Theatre to Kewaskum every year.

He had served on the village board and was serving his third nonconsecutive year as president of the Kewaskum Kiwanis Club. He also was a choir director at Peace United Church of Christ in Kewaskum.

More than just a mere news source, Larry became someone I went to when I was seeking the goodness in humanity.

I communicated with Larry about once a week, and was always struck by what a good heart he had.

LARRY AMMEL

I never heard him say a bad thing about anyone, which is a rarity in the newspaper business.

I knew that Larry had some health issues, but his death was unexpected.

Still, over the past several months, Larry seemed to be getting things in order. He organized the summer music schedule this past winter.

While I am used to throwing information together on deadline, Larry made sure I had all the information I might possibly need months ahead of time.

And he had persistent messages that he wanted me to spread to the community.

Help. Donate time. Support local causes.

Larry never said these things in a demanding manner. But in his quiet, humble way, he persistently asked that others step up. With that smile and laugh that you can't forget.

In what now seem like rather prophetic comments, Larry kept saying he wanted to make sure everyone knew how to keep things running.

Since Larry's death, I have heard many people talk about how he had

touched their lives. He had a profound effect on his students: listening and believing in them. Even students who didn't have Larry as a teacher commented on how he always encouraged them.

Members of the Kiwanis Club have remarked that Larry's positive outlook on life seemed to rub off on all those he was in contact with. They recognize that Larry had a vision for things that the community needed and was not afraid to act on those things.

My heart goes out to Larry's wife, Cheryl, and his children, grandchildren and family members. To echo a sentiment that was given at his funeral, I thank Larry's family for sharing Larry with the entire community.

My hope is that Larry's legacy continues in Kewaskum.

I am writing this column today to extend Larry's overriding message that each of us are called to help those around us.

There are others in the community who also hope people follow Larry's example and volunteer for local organizations.

In this week's paper, there is a column by Bret Richards, the new president of Kewaskum Kiwanis Club, asking for new members.

There is another article requesting nominations for board members for the Kewaskum Area Arts Council, for which Larry had served as president.

Consider getting involved. There is no better way to keep Larry's spirit alive.

Kewaskum Area Arts Council Election Of Officers

The Kewaskum Area Arts Council will accept nominations for board officers for the positions of

president, vice president and treasurer.

Officers will be voted on at the council's meeting on Saturday, Aug. 12, at 8:30 a.m. in the Kewaskum High School library.

Any community members interested in promoting the arts in any area are

welcome to attend and vote.

Nominations can be placed with Bruce Towell at 414-698-8464 or btowell2012@gmail.com, or with Andrew Dahlberg at 763-913-9327 or dahlbergk8music@gmail.com.

Banns of marriage were announced in Holy Trinity Church Sunday by Thomas Spartz and Janet Dreher.

75 Years
May 8, 1942

Damages estimated at between \$1,000 and \$1,500 resulted from a fire at the Driessel estate home on the corner of Main and West Water Streets early Wednesday evening. Most of the damage was confined to the upstairs rooms, attic and roof of the house. The fire was discovered by neighbors who saw flames and smoke pouring out of a sun room located on the second story. Mrs. Ursula Runte and Mr. and Mrs. Wilbert Schlosser, occupants of the house were unaware of the fire when the siren sounded and the latter two came out to find out where it was. Mrs. Runte, who is convalescing from a stroke, was carried from the house. The fire is believed to have been caused by a kerosene heater left unattended in the sun room.

Three Kewaskum High School boys and one young lady were injured when a 1926 Model T Ford driven by Lynes Fellenz collided with a 1937 V-8 Ford, driven by Mrs. Leonard Ferber in front of the high school Wednesday. Injured were Lloyd and Orville

Petermann, passenger, Miss Eleanor Bartelt escaped injury. The accident occurred when Fellenz, who failed to see the Ferber car, made a sharp turn in the street and rammed into the Ferber machine. Both Petermann boys suffered severe lacerations of the legs cutting the tendon to the foot. It is reported the Petermanns had their feet on the dashboard, which resulted in the lacerations from the shattered windshield.

A total of 364,000 pounds, or 182 tons of salvage needed to "scrap the Axis" was collected in Washington County during "MacArthur Week," according to D.J. Kenny, West Bend, chairman of the County Salvage Committee.

100 Years
May 5, 1917

A very pretty double wedding was solemnized at the Ev. Peace parsonage last week Saturday, April 28, by Rev. Mohme, when Miss Mary Eggert of the Town of Barton became the bride of Mr. Martin Bremser of St. Martin Bremser of St. Michaels and Miss Anna Eggert, also of Barton, became the wife of Mr. Arthur Goll of Milwaukee. The brides are twin sisters

and were dressed alike in gowns of white silk crepe chine. The former couple was attended by Miss Anna Bremser, maid of honor. Carl Eggert acted as best man and Mike Scheid as groomsman.

A very quiet wedding took place last Saturday evening at the Ev. Peace parsonage when Rev. Mohme united in marriage Miss Hilda Weddig, daughter of Mr. and Mrs. Chas Weddig, Town of Kewaskum, and Frank Gonnering. The young couple will reside on a farm in the Town of Kewaskum.

The bad news was circulated around Boltonville Sunday morning that Mrs. Oscar Schultz had departed this life the night before after a long and painful illness of Typhoid Fever. Deceased was a resident of this village since last fall when her husband became owner of the cheese factory.

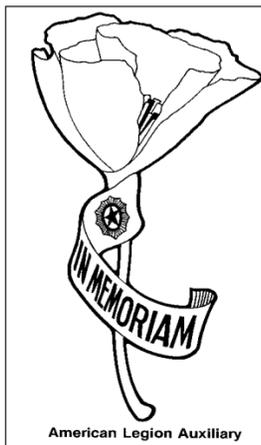

John Diels, Kohlsville, has traded his farm for the John Kreilkampf hotel at Allenton.

Born to Mr. and Mrs. Jos Kohler, St. Kilian, a baby boy last Monday. Congratulations.

Poppy Days To Be Held May 19-20

The American Legion Auxiliary Unit 384 of Kewaskum will be sponsoring their volunteer distribution of the Veteran made, hand-crafted memorial crepe paper poppies on Friday, May 19 and Saturday, May 20 at local businesses in Kewaskum.

Members of Kewaskum American Legion Auxiliary Unit 384 understand the sacrifices that our armed forces have made to preserve freedom and to honor past and current service members. The members of the Kewaskum Legion Auxiliary will wear a red Memorial Day poppy, the

American Legion Auxiliary symbol of the price of war and the sacrifices of millions, as a sign of their appreciation to the

upcoming Memorial Day.

The 900,000 members of the American Legion Auxiliary, the world's largest women's patriotic service organization, is asking everyone to wear a poppy on Memorial Day weekend. Wear it in honor of the millions of American who have willingly served our nation, all too many of whom made the ultimate sacrifice.

The poppy also honors Wisconsin's disabled veterans at the Zablocki VA Medical Center in Milwaukee who make the red crepe paper poppies. Wisconsin red poppies provide financial and therapeutic benefits to those veterans, as well as thousands of veterans and their families who benefit from the donations collected from the distribution of the Memorial Day Poppy.

In the battlefields of Belgium during World War I in 1921 poppies grew wild amid the ravages of war. The soldiers who died in battle were buried in cemeteries with the poppies growing all around the crosses on the graves.

The Legion Auxiliary reads the Poppy Story to the second grade students at all local district elemen-

tary schools and sponsors a poppy poster contest for the students. Awards will be given to each class and the posters will be on display at the Legion Hall on the Memorial Day Service Program on Monday, May 29.

The American Legion Auxiliary will also present their Flag Garden on the front lawn of the Legion Hall. Sponsor a 12"x18" flag for \$2 in memory of a loved one or just because you care. To purchase a flag, contact Charleen Barutha at 262-626-4244.

Please join the American Legion Auxiliary on May 19-20 in recognizing the sacrifices of veterans by making a donation to the poppy fund and wearing a red memorial poppy on May 29.

The Kewaskum American Legion and Auxiliary also invites you to attend their Memorial Day Parade at 9:30 a.m. on Monday, May 29. Following the parade will be a service program at 10 a.m. at the Legion Hall, 1538 Fond du Lac Ave.

Come and enjoy the parade, the service program, food and refreshments served by the Legion and Auxiliary members.

Alzheimer's Association Presents In-Depth Series With Chronic Medical Conditions

The Alzheimer's Association will offer a seven-week program designed to help individuals living with dementia and chronic conditions enjoy a healthier life. "Living Well with Chronic Conditions" will be held on seven consecutive Tuesdays beginning May 16, from 1 p.m. to 3:30 p.m. The series will conclude on June 27. The program will be held at the Alzheimer's Association, 620 N. 76th Street, Suite 160, Milwaukee. This class is open to individuals living with mild cognitive impairment (MCI) or early-stage Alzheimer's disease and their care partners.

The diagnosis of a cognitive condition like MCI, Alzheimer's disease or a related dementia is life-changing and requires support and information

to best manage and cope with chronic health conditions. This program will help you identify practical ways to deal with fatigue and pain, discover better nutrition and exercise choices, and learn best practices for communicating with your doctor and family about your health. Coping with other co-existing health conditions like arthritis, asthma, diabetes, heart disease, mild depression, obesity, cancer and osteoporosis will also be discussed.

Advance registration is required. To register, please contact Jennifer McAlister at 414-479-8800 or 800-272-3900.

The Alzheimer's Association is the leading voluntary health organization in Alzheimer's care, support and research whose mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health. For more information about Alzheimer's disease and local services visit www.alz.org/sewi or call the Alzheimer's Association 24/7 Helpline at 800-272-3900.

UW-WC Announces Commencement Plans

– Judge Todd Martens Is Keynote Speaker

JUDGE TODD MARTENS

Washington County Circuit Court Judge, Todd Martens, will deliver UW-Washington County's commencement address on Wednesday, May 24. Martens completed his law degree at Harvard Law School and his undergraduate degrees at UW-Madison. Martens served 19 years as a prosecutor for Washington County, including 11 years as District Attorney, prior to being appointed to Branch 3 judge in 2010. Active in the community, Judge Martens is a Past Board President of United Way of

Washington County, Washington County Bar Association and Elevate. Martens and his wife Lori, who live in the area, said he "cares deeply about maintaining the great quality of life we enjoy here." The student speaker is Mary Gruel of West Bend, a Film Studies major who plans to complete her studies at UW-Milwaukee. Active on campus, Mary serves as President of SGA (Student Government Assn.) and Secretary of PTK (Phi Theta Kappa Honor Society). She also works

in the campus library and serves as a peer mentor in CLEC (College Life Exploration Center). Off campus, she works as a customer service representative at Westbury Bank in Jackson. Mary is already living up to her career goal of "influencing change within the community I live in," by organizing a 5K for Kids walk, with proceeds going to two non-profit children's charities.

MARY GRUEL

The evening's focus will be to recognize the accomplishments of graduating UW-WC students, along with department award winners. The ceremony begins at 7pm in the campus theatre with a bagpiper led processional

and a color guard. Kathryn Flynn, a current UW-WC student majoring in music, will sing the National Anthem.

Department awards will be presented to outstanding student(s) by the nominating faculty member. They include: Sarah Burger (Anthropology), Amanda Fairly (Biological Sciences), Rachel House, Rebekah McKinley and Thomas Wendler (Business & Economics), Benjamin Kelln and Rachel Uhren (Chemistry), Elizabeth Garcia (Communication/Theatre Arts), Ana Komro (English) and Kathryn Flynn (Music). UW-Oshkosh transfer scholarships of \$1,000 each will be presented to Holly Hamm, Fredonia and Gabe Verfuert, Port Washington.

A complete list of graduates will be released at a later date.

No tickets are needed to attend the event. For more information about the campus, visit the website, www.washington.uwc.edu. UW-Washington County offers freshman and sophomore level classes in over 250 majors and is located at 400 University Drive in West Bend.

CAMPUS NEWS

Nicole Chernohorsky, from West Bend, Wis., who is studying psychology, has been selected to serve as an orientation leader on the 2017 Hawk Squad for the University of Wisconsin-Whitewater. Hawk Squad members help prospective students and their parents learn about campus, academics, student services, extracurricular activities, and serve as a resource

during the transition to college.

"Our 2017 Hawk Squad is very excited to welcome new students and families to campus," said Marie Hornickel, assistant director of First Year Experience. "We will wrap up training in May and we look forward to the orientation programs this summer."

Not only do Hawk Squad members assist

with all Plan-It Purple orientation days during the summer, but they also help with running the fall welcome program, "Club U-Dub-Dub," and much more. Hawk Squad members continue to serve as a resource and ambassador to all new and transfer students during their first semester at UW-Whitewater.

Learn To Understand Dementia Related Behavior

The Alzheimer's Association will host a two-hour presentation called "Understanding and Responding to Dementia-Related Behavior" on Tuesday, May 23 from 10 a.m. to 12 p.m. at the Washington County Public Agency Center, 333 E. Washington Street, West Bend.

Behavior is a powerful form of communication and is one of the primary ways for people with dementia to communicate their needs and feelings as the ability to use language is lost. However,

some behaviors can present real challenges for caregivers to manage. This two hour presentation teaches family caregivers to decode behavioral triggers and learn strategies to help intervene with some of the most common behavioral challenges of Alzheimer's disease.

The program is free of charge. Registration is required. To register contact Deborah Klement at 414-479-8800, 800-272-3900 or dklement@alz.org

The Alzheimer's Association is the leading voluntary health organiza-

tion in Alzheimer's care, support and research whose mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health. For more information about Alzheimer's disease or local services visit www.alz.org/sewi or call the Alzheimer's Association 24/7 Helpline at 800-272-3900.

Weekly HEALTH TIP

GOOD POSTURE = GOOD MOOD

Good posture may help improve mood in those with mild to moderate depression. In a small study, half of the participants were told to sit up with a straight back and the other half could sit naturally. Those sitting up straight had a stiff piece of tape on their backs, which would pull tight if they slouched. The groups were asked to complete a stressful task and then recorded their feelings and mood. Those in the goodposture group reportedly had more energy and enthusiasm and performed better than the slouchers. Results confirmed a previous study that found slouching can crush mood and sitting up straight did the opposite.

Thursday, May 18 - Teen Book Club, 4:30 p.m., West Bend Library.
Thursday, May 18 - Thursday Book Club, 10 a.m., People of the Book by Geraldine Brooks, West Bend Library.
Thursday, May 18 - Readventurers Book Club, 6:30 p.m., Finding Nouf by Zoe Ferraris, West Bend Library.
Thursday, May 18 - Document Shredding Community Event, Protect your Identity and benefit the Kewaskum Food Pantry, 3 p.m. - 6 p.m., The Silbernagel Group, 114 Main Street, parking lot in Kewaskum.
Friday, May 19 - Night Sounds Hike, 8:30 p.m. - 9:30 p.m., During the day, Horicon Marsh is a relaxing and tranquil place to enjoy nature, but the dark mysteries of the marsh at night can be chilling to those not accustomed to the sounds of nocturnal creatures. Hike leader and Department of Natural Resources educator Liz Herzmann will dispel the myths of the night and help participants identify the many nocturnal from within the cattails. This program will take place outdoors with easy walking, but possible uneven terrain. Participants should dress warm and bring a low-powered flashlight.
Friday, May 19 - Washington County separated, divorced and widowed men and women, meetings at Kettle Moraine YMCA, 1111 W. Washington St., Potluck, 6:30 p.m.
Friday, May 19 - Slinger On-Base Club's youth Baseball Tournament.
Saturday, May 20 - Jackson Village-Wide Rummage Sale.
Saturday, May 20 - Wildflowers for Wildlife, 9 a.m. - 1 p.m., Wildflowers for Wildlife will teach participants how to create a beautiful garden with colorful flowers to attract butterflies, birds and pollinating insects. This event, held at the Horicon National Wildlife Refuge, is sponsored by the Friends of Horicon Marsh Education and Visitor Center and Friends of Horicon National Wildlife Refuge in partnership with Taylor Creek Restoration Nurseries and Applied Ecological Services. A native plant sale will help enhance your backyard, schoolyard, park or natural area and benefit Wisconsin's wildlife. Throughout the day, there will be displays and wildflower walks. Native landscaping helps restore ecosystems that once flourished in the Midwest United States. Native plants are great for birds, mammals, reptiles and beneficial insects and also enrich the soil and decrease run-off and filter pollution. Native landscaping can save money in maintenance costs due to less watering, fertilizer and time commitment required. The Horicon National Wildlife Refuge visitor center is located off County Road Z, roughly 3.5 miles south of state HWY 49. For more information, contact 920-923-6891 or 920-387-7893.
Saturday, May 20 - Slinger On-Base Club's youth Baseball Tournament.

Sunday, May 21 - Slinger On-Base Club's youth Baseball Tournament.
Tuesday, May 23 - Spring Migrant hike, 7:30 a.m. - 9 a.m., Join the Horicon Marsh bird club on a hike to search for songbirds and other spring migrants. Binoculars will be provided. The Horicon Marsh Education and Visitor Center is located between Horicon and Mayville on Highway 28. For a detailed list of all Horicon Marsh Education and Visitor Center special events, please visit the Friends of Horicon Marsh website at www.horiconmarsh.org or call 920-387-7893.
An Upcoming Calendar of Events for River Edge Nature Center
Saturday, May 13 - Children's Library Storytime: Cradle in the Trees, 10 a.m. - 11:30 a.m., Join us and find out how various bird species build their nests! The story Cradle in the Trees by Patricia Brennan Demuth gives us a close-up look at the architectural and engineering wizardry of various bird species details the different techniques used to construct nests. A craft and light snack will be provided. Fee: Free, donations appreciated. Recommended for Ages 7 and under.
Sunday, May 14 - Earth Awakenings Walk, 7:30 a.m. - 9 a.m., Adults on Boardwalk. As the earth awakens from winter slumber, journey across the landscape with naturalist, Phyllis McKenzie, and reflect on the subtle and sudden changes that occur. Adults will enjoy brisk strolls combined with meditative moments allowing us to connect with the earth's rhythms and patterns. Non-Members and Trail Pass Members: \$5.00/person, All Access Members: FREE.
Wednesday, May 17 - Nature Tots: Yuuuuuuuck! Toads, 10 a.m. - 11:30 a.m., Wisconsin's chorus of frogs and toads begins in early spring, which makes this a great time to visit Riveredge's ponds, wetlands, and garden to look for frogs and toads. Learn how frogs and toads are similar yet different. This yucky adventure is inspired by Ruth Brown's decadent children's book, TOAD. Please remember to wear your galoshes and old clothes, because according to Ms. Brown, TOAD is always gooeey, dripping in muck, covered in warts and hungrily crunching bugs. Non-Members and Trail Pass Members: \$5.00/person, All Access Members: FREE.
Sunday, May 21 - Earth Awakenings Walk, 8 a.m. - 5 p.m., As the earth awakens from winter slumber, journey across the landscape with naturalist, Phyllis McKenzie, and reflect on the subtle and sudden changes that occur. Adults will enjoy brisk strolls combined with meditative moments allowing us to connect with the earth's rhythms and patterns. Non-Members and Trail Pass Members: \$5.00/person. All Access Members: FREE.
 For more information about Riveredge Nature Center, please go to their website at riveredgenaturecenter.org or call 262-375-2715. The Center is located about a mile northeast of Newburg off of County Highway Y/Hawthorne Drive. The center is open seven days a week.
An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...
Thursday, May 11 - Ticks and Lyme - What You Need to Know, 7 p.m. - 8:30 p.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). Ah, those tiny eight-legged critters - ticks. They creep along and then burrow into our skin. Some call them nature's dirty needles. Find out from Wisconsin Lyme Network members the best way to keep ticks at bay and the latest on the diseases they can transmit including Lyme disease. This program is most appropriate for adults and youth over the age of 12 years.
Saturday, May 13 - Water Life Exploring Nature Program, 1 p.m. - 2:30 p.m., Mauthe Lake Recreation Area Fishing Pier (located off County Road GGG south of County Road SS near New Prospect), Armed with nets, buckets, and hand lenses, explore the shores of Mauthe Lake. We may encounter backswimmers, striders, and tadpoles. Be prepared to get your feet wet. Wear old shoes for trudging in the mud. This program is best for families/groups with children between the ages of 6 and 12 years.
Wednesday, May 17 - Ice Age Trekkers, 7 a.m. - 8:15 a.m., Meet at the Greenbush Group Camp (located off Kettle Moraine Drive between County Road T and Hwy 67 near Greenbush). Join us for an energizing 2.1-mile morning hike along the Ice Age National Scenic Trail between the Greenbush Group Camp and Hwy 67. A shuttle will be available between the starting and finishing spot.
Thursday, May 18 - Pond Life Nature Storytime, 6 p.m. - 7 p.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). A pond may seem like a quiet spot until you explore more closely. Find out what animals and plants call ponds their homes. This hour of nature fun awaits 3 to 6 year olds with accompanying adults.
Friday, May 19 - Pond Life Nature Storytime, 9:30 a.m. - 10:30 a.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). A pond may seem like a quiet spot until you explore more closely. Find out what animals and plants call ponds their homes. This hour of nature fun awaits 3 to 6 year olds with accompanying adults.
Saturday, May 20 - Get Outdoors! Go... Survive Outdoors, 9:30 a.m. - 11:45 a.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). Oh no. You find yourself lost in the woods. What are you to do? Become skilled at easy techniques to help you survive in the outdoors. Program topics include hike preparations, orienteering compass, simple shelters, water collection, fire building, and rescue aids. This program is most appropriate for people over 8 years old.
Wednesday, May 24 - Ice Age Trekkers, 6 p.m. - 7:15 p.m., Meet at the Greenbush Group Camp (located off Kettle Moraine Drive between County Road T and Hwy 67 near Greenbush). Join us for an energizing 2.1-mile morning hike along the Ice Age National Scenic Trail between the Greenbush Group Camp and Hwy 67. A shuttle will be available between the starting and finishing spot.
 All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.

Document Shredding Community Event Offered Free Of Charge

Document shredding will be offered free of charge on Thursday, May 18, 3 to 6 p.m., in the Silbernagel Group parking lot, 114 Main St. in Kewaskum.

A donation of one non-perishable item or \$1 for the Kewaskum Food Pantry for every box or

large bag is suggested. Shredding is a quick and easy way to dispose of personal information, provides added security against identify theft and is great for the environment.

All documents will be shredded on site. Participants may watch if

they want. There is no need to remove staples, paper clips or rubber bands. Papers may be in boxes, bags, etc. Please note, the shredding vendor is unable to accept X-rays, CDs or three-ring binders.

Cedar Community Receives Honor at Loyalty Day Parade

Cedar Community was honored to be a part of West Bend's Loyalty Day Parade on Saturday, April 29.

Several residents and staff participated in the event, along with Grace Braeager and her 57 Lady, a Chevy Bel Air; Edith Schultz, who was recently

inducted into the 2017 Wisconsin Senior Olympics Hall of Fame; and Howard Knox, a World War II veteran and member of the River City Irregulars.

Cedar Community graciously accepted the award from the Veterans of Foreign Wars &

Auxiliary Department of Wisconsin for first place in Best Commercial Unit.

"It was a wonderful event and our residents and staff were truly honored to participate in the parade," said Holli Thierer, Independent Living Life Enrichment staff member.

Lac Lawrann's plant sale will be held on Saturday, May 13, from 9 a.m. to 1 p.m. There is a pre-sale on Friday for LLC members. Lac Lawrann Conservancy is at 300 Schmidt Road in West Bend.

Crazy Worm Means No Business For Plant Sales

- Lac Lawrann's Plant Sale Is On

Some organizations in southern Wisconsin have cancelled their plant sales this year to avoid spreading the Asian Jumping worm. Gardeners are warned to purchase plants from reliable sources to protect their property from an infestation of this new invasive species.

Plant sales where gardeners dig and divide their perennials are thought to be the likely best way the worms will spread to new areas. Homeowners in counties where the worm is widespread say dramatically 'you don't want this worm on your property!' The Asian Jumping worm is very active, sometimes described as hyper active. When the worm population becomes dense, the soil is changed to become less favorable to desirable plants. In order to continue the 30 yr. tradition, Lac

Lawrann volunteers are digging and potting hundreds of plants each week. Plant sale chairperson Linda Juech has developed a protocol beginning with the soilless mix and then rinsing roots of the plants multiple times before potting. Gardeners can shop the Lac Lawrann plant sale on Saturday, May 13 confident that the LLC plant sale committee has been diligent in addressing this foreign invader.

The Lac Lawrann plant sale always features a large selection of plants native to Wisconsin. Some plants to look for are dramatic and hardy in full sun and real butterfly magnets. Check out several varieties of Liatris or Blazing Star with their tall purple spikes that all the pollinators and even birds are drawn to.

There will be perennials for sun and shade. Fun plants like Globeflower and Balloon Flower, Speedwell and Sneezeweed! Ferns to add to your shade garden and grasses to add interest to the sunny beds are also available.

Lac Lawrann's Plant sale is the main fund raiser for the educational programs at the Conservancy. All of the work is done by eager volunteers. The sale is held on the Saturday before Mother's Day on May 13 from 9 a.m. to 1 p.m. There is a pre-sale on Friday for LLC members. More information about the plant sale and how to become a member is at the website: Laclawrann.org. Lac Lawrann Conservancy is at 300 Schmidt Road, West Bend.

American Metal & Paper Celebrates Earth Week

This was the second best year for the most cans collected at American Metal & Paper Recycling, with a total of 157,284 pounds recycled during this year's Earth Week.

That comes out to around 5,033,000 cans, according to Dennis Fechter, general manager of American Metal & Paper.

Recycling aluminum cans saves 95 percent of the energy required to make the same amount of aluminum from its virgin source.

The amount recycled in

- that one week:
- saved 1,100,988 kilowatt hours (Kwh) of energy.
 - saved 3,145 barrels of oil.
 - saved 18,716 BTUs of energy.
 - saved 786 cubic yards of landfill space.

FEATURE BUSINESS OF THE WEEK

Daniel's Landscaping LTD

Daniel's Landscaping was established in 1987 by Daniel Stukenberg and is located in Campbellsport, WI. For 30 years, he has provided high quality, artistic landscapes for residential and commercial settings. Dan is a registered landscape architect who will collaborate with other skilled tradesmen such as carpenters, electricians, and masons to provide the very best results for his clients.

Our staff is experienced and qualified. They take pride in the quick and efficient completion of every landscape design regardless of the challenge it may present. Daniel's Landscaping has won numerous awards thanks to their creative ideas, keen eye for detail, and excellence in construction.

Dan is a landscape architect, but he is also an artist. Every design he creates is a custom fit, tailored to the individual tastes and needs of his client. Dan is devoted to his work and his aim is to bring natural luxury at affordable prices. Contact Daniel's Landscaping for unique outdoor living spaces-we will strive to exceed your expectations!

Neighboring Business Gives To Kohlsville Fire Station

"They felt it was more appropriate to make a bigger donation because they utilized the parking lot for eight months last year," Martin said. "But how often does a neighboring business support a local fire department?"

The new battery-operated JAWS unit is a combination cutter and spreader.

"We decided to go with a combination unit that didn't have the hydraulics and the pump because we don't have room for those in any of our rigs," Martin said.

The JAWS unit is not the only recent new addition for the firefighters.

Last month, the Kohlsville Fire Department acquired a new first

responder rig.

The new rig is replacing a 1991 ambulance that had 38,000 miles on it. Kohlsville had purchased the used vehicle about 16 years ago from the Allenton Fire Department.

"The old ambulance was starting to nickel and dime us, so we decided to get a group of people together and work on finding a new rig," Martin said.

The new first responder rig, a 2017 Ford E-450 Chassis Type III Medix, was purchased from Foster Coach in Illinois.

The rig goes out to about 98 percent of the department's calls, Martin said. Last year, the department had a total of 134 calls, up from 69 total calls in 2015.

During its first week at the station, the new rig responded to four rescue calls.

The fire department, which relies on the generosity of the community, does its part in giving to others as well.

Kohlsville firefighters work with Ron Naab of the Allenton Fire Department, who is now selling the old 1991 rig to a fire department in Latin America.

"We give all of our old fire equipment and gear to Ron, and then he sells them across the pond to Latin American countries. We donate them to people who are less fortunate than we are. It's a good feeling when you can donate stuff like that," Martin said.

Curt Martin, chief/first responder for the Kohlsville Fire Department sits in the department's new first responder rig with his daughter, Stephanie Martin, who is a first responder/EMT, and First Assistant Chief Dave Beck. The new JAWS unit is displayed in front of the firefighters.

KHS Students Participate In State Solo Ensemble Festival

By Anne Trautner

Stephanie Juech, a senior at Kewaskum High School, received Best at Site honors at the State Solo and Ensemble Festival held on Saturday, April 29, at the University of Wisconsin- Milwaukee.

"That means that she was the best/most prepared singer that the judge heard that day. This is an awesome achievement for her and our school," said KHS choir director Andrew Dahlberg.

The judge commented on Juech's diaphragmatic control, which is getting through passages on one vowel sound, with individual notes being audible and not sounding slurred.

For the state contest, Stephanie sang "Vitoria Mio Core," by Giacomo Carissimi.

This year, KHS saw a record number of students participate at the state level, Dahlberg said.

To qualify for state, the students first competed at a regional contest on March 11 in Campbellsport. The students had to perform a piece that was ranked "A," the most difficult level. Pieces are rated A, B or C, with A being advanced and C being entry level.

After each performance, judges rated the students anywhere from 1 to 5, with 1 being the best score. Students who performed an A-level piece could receive a 1*, which qualified them for state.

Most of the judges are currently working as music teachers or are retired

music teachers, Dahlberg said.

In addition to judging the students, the judges offer advice after each performance.

"They want you to be successful, so they are going to do everything they can to make you successful," Dahlberg said.

The contest has other benefits besides improving musical skills.

"It promotes study skills. I think it also helps out with things you face later in life also. You have to get up in front of an audience and it takes you out of your comfort zone. In your job, you are going to have to speak in front of people, you will have to do presentations. It even helps with the interview process for jobs, and thinking on your feet. What happens if you mess up? Can you cover that up?" Dahlberg said.

The following scores were awarded to KHS students at the state competition:

Kallie Hoeft, Soprano Solo- 1.

Hannah Lehner, Soprano Solo- 1.

Destiny Kudelko, Music Theater-Female Solo- 1.

Alek Gerhartz, Music Theater-Male Solo- 1.

Matthew Krautkramer, Music Theater-Male Solo- 1.

Hannah Lehner, Music

Theater-Female Solo- 2. Isaac Wagner, Tenor Solo- 2.

Grace Marchello, Music Theater-Female Solo- 2.

Alek Gerhartz, Tenor Solo- 2.

Tina Bolek, Piano Solo- 1.

Mindy Janesch, Alto Solo- 1.

Mckenna Jens, Soprano Solo- 2.

Stephanie Juech, Soprano Solo- 1.

Kayla Toivonen, Alto Solo- 2.

Emily Gonnering, Alto Solo- 2.

Matthew Krautkramer, Baritone or Bass Solo- 2.

Logan Weyer, Baritone or Bass Solo- 2.

Grace Marchello and Tina Bolek, Flute/Clarinet Duet- 2.

Hannah Preder and Marissa Zarda, Flute/Clarinet duet- 2.

Alexandria Heiser, Alto Sax Solo- 2.

Jesse Jones, Alexandria Heiser and Zach Hutchins, Saxophone Trio- 1.

Erin Sette, Euphonium Solo- 1.

Lydia Stern, French Horn Solo- 1.

Andrew Ries, Trumpet Solo- 2.

Kyle Pamperin, French Horn Solo- 2.

Zach Hutchins, Tenor Saxophone Solo- 2.

Lydia Stern and Emily Gonnering, French Horn Duet- 1.

KEYS To Award Record \$126,300 In Scholarships On May 17

The Board of Directors for Kewaskum Youth Scholarships, Inc. will award a record 44 scholarships totaling \$126,300 to the Kewaskum High School Class of 2017.

Much progress has been made since 1986 when KEYS awarded just one \$500 scholarship. The \$126,300 in scholarships awarded this spring will bring the total dollar amount to \$1,841,650 awarded to 631 graduates of Kewaskum High School by KEYS since spring 1986.

The following is a list of scholarships administered by KEYS that are new this year:

- New for this year, the KEYS Bernice Trapp Memorial Scholarship-\$8,000. Trapp was a first-generation immigrant to the United States. Her father, Eugene Biruta Tropikas, and her mother Marcella, emigrated from Lithuania. Trapp's father became a United States citizen in 1945 and his wife in 1960. Trapp was one of three children. With her art experience, Trapp was employed in the commercial design for Regal Ware her entire working career. Trapp had no children and never married. The money for this endowed scholarship was provided by the estate of Bernice Trapp.

- Also new this year is the Liz Clark Johnson Memorial Scholarship-\$1,000. Liz Clark Johnson was a teacher at Kewaskum Middle School. Her husband, Korey Johnson, will fund the \$1,000 scholarship for the

next five years.

- In addition, the Elizabeth Koser Memorial Scholarship for \$1,000 will be presented to a student who attended Kewaskum Elementary School the same year Elizabeth was in first grade. Elizabeth passed away at the age of seven on June 5, 2006. She would have been a member of the KHS Class of 2017. The money for this scholarship was provided by her grandmother, Mary Ingles.

- The Wesley and Pearl Darmody Scholarship was established by Timothy P. Stoffel and Nancy Stoffel (Darmody). They would like to award the \$1,000 scholarship to a student going into Agriculture, Ag Business, or Science area. They would like to make this an endowed scholarship in memory of their parents.

- The Jim Schaub Memorial Scholarship was established this year by Tracey Schaub. She would like the \$500 scholarship awarded to a student who has been an active KHS Trap Shooting Club member for four years. Her husband, Jim, was a member of the Kewaskum Fire Department for over 30 years and enjoyed coaching the Kewaskum High school Trap Team.

- The KHS Class of 2016 also will award two College Scholarship at \$800 each.

The following are established scholarships that will be awarded this year:

- The Tessar

The Kewaskum School District Literature Study Group is a dedicated group of educators who met after school each month to read and discuss children's literature, with a focus on studying texts that feature diverse characters, authors and illustrators. Teachers shared ideas for using the books in their classrooms to support the district focus on improving literacy achievement and creating a love of reading.

Scholarship- \$16,000.

- The Oscar C. and Augusta Schlegel Foundation Scholarship-\$12,000.

- KEYS College Scholarship-\$10,000.

- The James and Ella Andre Memorial Nursing Scholarship-\$10,000.

- KEYS College Scholarship-\$6,000.

- KEYS College or Technical College Scholarship-\$4,000.

- The Michael H. Strelka Memorial Scholarship-\$4,000.

- Two Marlene Domasky Scholarships for FES Alumni- \$4,000 each.

- The Jerry and Mary Ann Secor Memorial Scholarship-\$4,000.

- The John "Spike" Schmitt Memorial Ride Scholarship-\$4,000.

- The Jacak and Lavarda Memorial Scholarship-\$3,000.

- KEYS College or Technical College Scholarship-\$2,000.

- KEYS Technical College Scholarship-

\$2,000.

- The Nick J. Vogt Memorial Scholarship-\$2,000.

- The William L. McCarty Memorial Scholarship-\$2,000.

- The Lucille M. McCarty Memorial Scholarship-\$2,000.

- Two Judy (Dettmann) and Bob Bloom Memorial Scholarships-\$2,000 each.

- The L.N. and Pat Peterson/Kiwanis Memorial-\$2,000.

- The Walter Bade Memorial Scholarship-\$2,000.

- The Class of 2015 College Scholarship-\$1,200.

- West Bend Mutual Insurance Scholarship-\$1,000.

- The Dr. Anthony and Elizabeth Strigenz Scholarship-\$1,000.

- Norbert and Louella Dettmann FES Alumni Scholarships-\$1,000.

- The Tim McKee Memorial Scholarship-\$1,000.

photo submitted

- The Elizabeth and Raymond Keno Memorial Scholarship-\$1,000.

- RMR Spindle Repair Scholarship for Technical College-\$1,000.

- Ann-Marie Horner Memorial-\$1,000.

- Andrea Haberman Memorial-\$1,000.

- Christa Fleischman Memorial-\$1,000.

- Evelyn Joyce Gruber Scholarship-\$1,000.

- FHA/HERO Scholarship-\$1,000.

- Norbert and Louella Dettmann FES Alumni Scholarships-\$500.

- The Kevin Joseph Neese Memorial Scholarship-\$500.

- Sarah A. Schmitt Memorial Scholarship-\$500.

- The Sarah Boettcher Class of 2013 Memorial Scholarship-\$500.

KEYS encourages the whole community to continue supporting local youth through this scholarship organization. All money contributed to KEYS is used directly for scholarships. The work by the members of KEYS, Inc. is done strictly on a volunteer basis.

Interested individuals can make a contribution to KEYS by making out a check payable to KEYS, Inc. and sending your donation to: KEYS, Inc., P.O. Box 124, Kewaskum, WI 53040.

Anyone interested in establishing a new scholarship should contact Jerry Gosa at Kewaskum High School at 626-8427, ext. 4562, or by email at keys.scholarships@gmail.com.

Put Your GRADUATE In The SPOTLIGHT

The Kewaskum Statesman will be publishing Kewaskum High School Graduation Pages on June 1st. Parents, grandparents and friends will have the chance to pay special recognition to the graduates in their lives. Spotlights for Kewaskum High School graduates will be included on these pages.

Ask the Dentist

Why Do I Need To Have My Wisdom Teeth Removed?

Dr. Sara Klasinski

Every person is unique, but in general, wisdom teeth may need to be removed when there is evidence of changes in the mouth such as pain, infection, damage to neighboring teeth, gum disease and/or tooth decay.

The dentist may also recommend removal of wisdom teeth as apart of orthodontic treatment or other dental care. With wisdom teeth gone, access to cleaning the last tooth in the mouth im-

proves significantly reducing the chance of gum disease.

Wisdom teeth that are not removed should continue to be monitored because the potential for developing problems later on still exists. As people age, they are at greater risk for health problems and that includes potential problems with their wisdom teeth. Be sure to floss around your wisdom teeth and visit your dentist regularly.

Do you have a dental question? If so, email: dcon53040@jdconnor.com

SPORTS

Schulteis Scores Twice Toward 2-0 Victory

By Judy Harlow

It was the Molly Schulteis and Hailey Herriges show in Kewaskum High's 2-0 win over Jefferson in the second game of the May 6 soccer quad hosted by Waupun.

Kewaskum split in the event, first falling to Omro 2-0 but then finishing on a high note.

"They worked great together," KHS coach Luke Piwoni said Sunday about the senior duo, reporting he had to move Herriges up to the front line because "Lizzy (Bauer) hurt her hamstring, so she couldn't play in the tournament."

The first goal came in the 35th minute, according to Piwoni, who said, "Hailey played a great through ball to Molly," who was able to "use her speed to get past the defense and finish."

The two teamed up for their second goal at 65 minutes.

Defensively, Piwoni cited freshman Tayllor Fischer for her good play at center defender. "She's real aggressive and keeps improving every game," he said.

The win broke a four-game losing streak and gives the Indians an overall record of 3-6.

"We just keep plugging away," Piwoni said, indicating it has been challenging because of injuries, inclement weather and having to put young players in the lineup against some experienced teams.

About the Omro game, Piwoni said, "That one was actually a pretty tight game. We had 10 shots in that game, and they had six."

The game was scoreless until the 58th minute when the Wolves scored, and they added the second nine minutes later.

Freshman Arianna Krueger turned in some good play for Kewaskum,

according to Piwoni, who said, "She played very well up at forward," and created some opportunities for the Indians.

While a 3-0 score looks like domination, Kewaskum's loss to Campbellsport on May 4 was fairly close until the final eight minutes.

The Cougars led 1-0, on a first-half goal by Hailey Wagner, until the 82nd minute when Kalista Hodorff blasted a shot that got by Taylor Cook, and then Toni Hundertmark added another score right at the end of the game for the final margin.

"In the first half, we had some chances," coach Luke Piwoni said. Again, the Indians could not finish.

The Plymouth Panthers showed May 2 why they are in the top spot in the EC Conference, scoring five goals in the first 45 minutes toward a 7-0 shutout win.

KHS goalie Taylor Cook got peppered with shots, stopping 10 of them while giving up six before Paige Airaudi took over in the next for the last 20 minutes.

"They are tough," Piwoni said, indicating he was disappointed by his team's effort in the first half.

EC Standings: 1. Plymouth, 8-0; 2. Winneconne, 6-1; 3. (tie) KML and Campbellsport, 4-3; 5. Waupun, 3-3; 6. Kewaskum, 1-6; 7. Ripon, 0-5; 8. Berlin, 0-6.

Indians Take Care Of Business Against Waupun And Others

By Judy Harlow

What a week it was for the Kewaskum softball team.

First, Kewaskum broke into the top 10 ranking among Division 2 softball teams in the state. Then, after losing to Waupun 10 times in the last six years, including two in extra innings, the Indians turned the tables on the perennial power.

Scoring four runs in the bottom of the sixth inning, the Lady Indians posted a thrilling 5-1 victory over Waupun in a game played in Kiwanis Park on May 3, knocking the Warriors from the unbeaten ranks in the East Central Conference.

The top of the order came through in a big way for Kewaskum in the textbook rally, started by Bre Trepes, who drilled the first pitch to center field for a single. She took second on a passed ball, and then Maddie Geidel, like "Mighty Casey" of poetry fame, stepped to the plate, only Geidel did not strike out like Casey did. The KHS power hitter took one ball and fouled off another five pitches before she got the one she wanted from Waupun pitcher, Megan Van Ruiswyk. Geidel took a mighty swing, sending the ball sailing into the gap in left center for a single, and Trepes dashed home to give the Indians a 2-1 lead.

While that would have been enough to win the game, the Indians wanted more runs and got them via a clutch single to right field by Ashley Trapp after Kennedy Lehn drew a walk. Geidel scored for a 3-1 lead, and then Megan Marx delivered a double to right, scoring Lehn and Trapp. Marx was tagged out in a rundown for the third out, but the Indians had a four-run lead and were confident Lehn would get the three outs needed to end the game.

The sophomore pitcher was sharper in the seventh than she had been all night, striking out Hailey Plium, Yvette Navis and Rachel White to earn the victory.

"It goes back a while," KHS coach Jeff Gosse said about the last time the Indians beat Waupun. A check of the record shows that was May 8 of 2012 when the current seniors were in the seventh grade.

"They came through at the end. The sixth inning, then went out and got the hits," the coach said about

his girls, adding, "Then Kennedy got them out at the end."

Lehn homered in the bottom of the second, giving her team a 1-0 lead. Waupun got its lone run in the third via a 2-out, RBI single by Kylie Hraban after Megan Gerber walked and stole second.

Geidel, the leading hitter in the conference, was determined to get the key hit when Trepes got her single. "I was thinking Bre is on base, and she's looking for me to get her home ... I had to protect her," she said. The sophomore outfielder went on Van Ruiswyk, who was "throwing a lot of change-ups, but the one I got the double on was an inside pitch."

And was it fun to beat Waupun? "Oh, so much fun!" Geidel beamed.

Gosse was thrilled with the victory and the fact his team is ranked. "In the last week, they played all ranked teams, and they beat them all," he said.

WAUPUN 001 000 0
— 1-4-0

KEWASKUM 010 004 -
5-7-0

Winner— Kennedy Lehn, Loser—Megan Van Ruiswyk

Berlin, which has just one win in EC action this spring, was no match for the Indians in a doubleheader played at Kiwanis Park on May 4. KHS won both games, 11-0 and 14-0.

Kennedy Lehn pitched two, no-hit games, striking out 12 and 10 respectively. Both games ended after five innings via the 10-run "mercy rule."

The Indians had 11 hits in the opener, including a home run by Maddie Geidel, who now has five for the year. Bre Trepes went 3x3 in this game, with two runs batted in (RBI).

Current EC standings: 1. Waupun, 9-1; 2. Winneconne, 7-2; 3. Kewaskum, 6-2; 4. Campbellsport, 6-3; 5. KML, 2-5; 6. Plymouth, 3-7; 7. Berlin, 1-5; 8. Ripon, 0-9.

On May 6, Kewaskum finished 2-1 in a tournament held in West Bend. The Indians defeated West Bend East 8-3, lost a 2-0 decision to West Bend West and beat Cedarburg 5-1 to improve its season

mark to 12-3.

In the win over East, Bre Trepes pitched six innings, giving up three runs, all unearned. "Kennedy Lehn came in to shut the door on them in the seventh," KHS coach Jeff Gosse said, reporting, "Maddie Geidel was 4x4 that game. She hit a home run in the first inning and had three singles."

Skylar Donath was another hitting star, blasting a 2-run homer in the second inning.

"We didn't play very well this weekend," Gosse said, noting the Indians committed three miscues against East in the seventh inning. "We lost our focus ... Seven games in a week. They're feeling it."

The game against West was a real pitchers' duel between Lehn and the Spartans' Marie Ferris. "West got its two runs in the fourth after two outs. Both were unearned," Gosse said, reporting Lehn gave up three hits, struck out a dozen and walked none.

Gosse said, "To West's credit, they made some great defensive plays," including two by left fielder Nicole Gonring, who made one nice running catch to rob one of the Indians of an extra base hit and threw out a KHS runner at the plate.

Kewaskum wound up with nine hits but could not get the one needed to bring in runs.

About the win over Cedarburg, Gosse said, "The girls had a tough time getting up for this one," but not Lehn, who struck out 15 and scattered three hits. Lehn gave up one earned run and her earned run average (ERA) currently is a sparkling 0.98 at this point.

KHS scored a single run in the third on an RBI single by Brittany Williams, who drove in Bre Trepes, who had single and moved around via a passed ball and stole third.

Skylar Donath, Leah Theusch and Geidel (RBI) all had singles for a run in the fifth, and the Indians added three more in the sixth on two errors, a sacrifice fly by Lehn, and RBI single by Skylar Donath and a fielder's choice by Sydney Donath.

Kennedy Lehn gets a pep talk after hitting a single in a home game on May 3 against Waupun.

Schlosser Continues To Stay Around Par

By Judy Harlow

It doesn't seem to matter where Kewaskum High sophomore Jacob Schlosser is golfing. Most of the time he is right near par.

Take his results in the Lawsonia Invitational on May 2 on the Lawsonia Links Golf Course in Green Lake. Schlosser carded a 4-over-par 76 to finish third overall in the Division 1 competition for larger schools.

KHS first-year coach Casey Scheel reported this tournament uses a rather unique format, with the Number 1 and Number 4 golfers from each team (based on scoring average) playing together and the Number 2 and 3 players together. The two-man totals determine the final scoring, while the individuals can still battle for medalist honors.

Schlosser and his partner, James Banks, who came in with a 96, com-

bined for a 172 and were not among the leaders. The Indians' second team, comprised of Brad Buechel and Jordan Carlton, finished at 167, which was good for second place in Division 1. Carlton fired an 82, while Buechel was at 85.

"The conditions for Lawsonia were near ideal, with very little wind on the Links course. A lot of scores in the 70's were a result," Scheel said.

Dan Dunn of Oshkosh Lourdes (D-3) turned in the low round of the day, a 73, one shot ahead of Colin Ahern of St. Mary's Springs.

This will be a busy week for the Indians, with the Berlin Invitational, an East Central mini-tour event at Quite Qui Oc and an EC

"doubleheader" on May 12, with the teams playing the Auburn Bluffs course in Campbellsport at noon and at Hon-E-Kor CC in Kewaskum at 3 p.m.

Lawsonia Invitational Division 1 scores: 1. Reedsburg, 163, Dylan Brown and Ben Fuhrman; 2. Kewaskum 167 Carlton and Buechel; 3. Rhinelander, 167, Nick Twite and Matthew Reinthaler.

Individuals: 1. Landon Elsner, New London, 74; 2. Nick Baker, Oshkosh West, 74; 3. Schlosser, KHS, 76. Overall low scores for D-1, D-2 and D-3: 1. St. Mary's Springs, 154, Owen Ahern and Ben Hintze; 2. St. Mary's Springs, 157, Colin Ahern and Dawson Sarauer; 159: Cambridge, Ryan Janson and Quinn O'Connor.

KHS Boys Take Second At Deerfield; Bigger Meets Are On The Horizon

By Judy Harlow

Kewaskum's track stars, Derrek Brock, the members of the 4x100 and 4x400-meter relays and Cade Peterson, shone again in the annual Deerfield Classic held May 5 with a mix of Division 2 and 3 schools competing.

The Indians, behind four first places, a pair of seconds and two thirds, scored 93 points to finish second to Omro, which won the title with 150 points. The KHS girls struggled to score points and finished 16th with 15 points.

"Deerfield was a great meet for us," KHS coach Kris Evans said about his boys team. "Getting second to Omro is no shame at all. They're a great team."

Kewaskum's first places came from Brock in the 300 hurdles, Tony Steger, Brady Hanson, Kyle Pamperin and Cameron Dodge in the 4x100 relay, Hanson in the high jump and Brock, Jake Hrica, Hanson and Cade Peterson in the 4x400 relay.

In the finals of the 110 high hurdles, Brock had to settle for third place with a time of 15 and .42 seconds (15.42), .14 behind Jacob Lautenschlager of Omro and .07 in back of Tanner Perry of Columbus. This must have really fired him up because he was clocked in a sizzling 39.92 in the 300 hurdles, which is a new personal record (PR) for him and shaves .05 off his current school record, according to Evans.

"It goes on the (record) board," Evans said, noting Brock had a great time in the high hurdles, but, "Those guys just had his number this time."

The 4x100 relay runners continued their winning ways, and for the third straight meet, turned in a time under 45 seconds, this one a 44.20, which is currently third best among

Division 2 teams in the state.

"They did an incredible job" with a new PR, Evans said, adding, "We still see room for improvement on the handoffs."

The 4x400 also did well again, combining for a 3:32.76, 1.57 seconds ahead of the runner-up Omro team. Their 3:29.27 from the Altheimer Invitational is second best in the state, behind Catholic Memorial's 3:23.11.

Hanson cleared 6 feet, 4 inches (6-4) in the high jump, two inches higher than the next best finisher. Hanson made 6-5 earlier this year.

Peterson was a busy man in the meet, running the relay and two 200s (preliminaries and finals) and competing in the discus. He placed second in with 200 with a PR 22.48 behind Omro speedster, Erik Schwandt, who won with a 22.32, and fourth in the discus with a new PR of 137-08.

Kewaskum's other second place was contributed by senior Tony Leister in the pole vault (11-06), while Riley Donovan earned a third place in the discus (140-04) and Pamperin placed fourth in the 100 finals (11.41).

Distance runners Ben Frase, Kyle Toth, Hunter Kuehl and Andrew Ries earned team points for their fifth place in the 4x800 relay (9:16.05), this after Toth and Ries both had PRs in the open 800 with respective times of 2:14.53 and 2:15.52 for 14th and 15th places.

Also reaching top-six status in the meet were Gabe Christenson, who hit 19 feet (19-0) for the first time in the long jump where he placed sixth, and Jon Leister in the shot put. He had a PR of 43-02 good for sixth.

For the girls, the top place was a third by Romaela Olla in the tough 3,200 race where she came in with a time of

12:21.34, her all-time best. Abby Meidl cleared 8-0 in the pole vault, which was good for fifth place, while freshman Maddy Thull continues to improve in the 100 hurdles. She ran a PR time of 17.82 for eighth place.

Junior Breanna Rice had a successful day, placing sixth in the 400 meters (1:05.89).

Kewaskum was missing distance runner Grace Marchello, who was in the school play the night of the meet. "I know Grace would have scored points for us in the mile," the coach said.

The KHS boys teams finished seventh with 54.95 points in the recent East Central Relays while the girls were sixth with 50.99. In both cases, not all the regular varsity athletes participated. "We want to focus on the meets that matter," Evans said.

After a home quad meet on May 9, the Indians are at Winneconne for the EC Conference Meet on Tuesday, May 16.

Deerfield Track Invitational

Boys scores: 1. Omro, 150; 2. Kewaskum, 93; 3. Darlington, 76; 4. Columbus, 73; 5. Cambridge, 65; 6. Belleville, 58; 7. Wisconsin Heights, 51; 8. Lake Mills, 49; 9. Marshall, 25; 10. Deerfield, 23; 11. Albany, 15; 12. Randolph/Cambria, 10; 13. Pardeeville, 7; 14. Princeton/Green Lake, 4; 15. Monticello, 3.

Girls scores: 1. (tie) Rio and Belleville, 82; 3. Darlington, 62.5; 4. Columbus, 58; 5. (tie) Princeton/Green Lake and Albany, 52; 7. Marshall, 49; 8. Omro, 45; 9. Deerfield, 41; 10. Lake Mills, 35.5; 11. Cambridge, 31; 12. Wisconsin Heights, 25; 13. Pardeeville, 21; 14. Madison Tri-op, 17; 15. Randolph/Cambria, 16; 16. Kewaskum, 15; 17. Monticello, 14. 18. Wayland Academy, 4.

Derrick Schraufnagel hands off the baton in a meet on April 25 at Kettle Moraine Lutheran.

photo by Dan Miller

KHS Tennis Team Has A Good Week

By Judy Harlow

In its first warm-weather competition of the season, the Kewaskum High tennis team romped over host Waupun 6-1 in Eastern Wisconsin Conference action on May 4.

Starting with convincing wins by the Number 1 singles and doubles players, the Indians wound up with a doubles sweep and only lost one singles match to go 2-0 for the week.

KHS junior Devin Schneider posted a convincing 6-1, 6-2 over Waupun's Sam Reilley, and assistant coach Peter Garcia said, "It was a nice win for Devin. It is hard to be the best player on your team. You play the top tennis player at the other school and often sacrifice your record so the other members can succeed."

At Number 1 Jared Chesak and Brent Goeden looked sharp serving and placing their shots to win 6-0, 6-0 and improve to 7-2 on the season.

At Number 2, Zackary Brogaard and Tyler Schellinger only lost one game, while Gavin Curtin and Zachary Fahrenkrug only lost three at Number 3.

"Sweeping doubles is the key to our success this year," Garcia went on. "We

go into each match hoping to sweep the doubles and pick up at least one singles victory, and we never know which singles player is going to give us that win. Our athletes compete as an individual or as a pair, but we win as a team."

One singles highlight was the comeback by Kyle Loehr, who dropped the first set to Blakely Wiesman in a tie-breaker, then came flying back to win 6-0, 6-2.

Current EWC standings: 1. Kohler, 5-0; 2. Roncalli, 5-1; 3. Kewaskum, 2-1; 4. Sheboygan Falls, 3-2; 5. (tie) Two Rivers and Ripon, 2-2; 7. Plymouth, 2-3; 8. Howards Grove, 0-4; 9. Waupun, 0-6.

Kewaskum 6, Waupun 1

Singles: No. 1 Devin Schneider def. Sam Reilley, 6-1, 6-2; 2. Kyle Loehr def. Blakely Wiesman, 6-7 (4), 6-0, 6-2; No. 3. Matthew Krautkramer lost to Keegan Schregardus, 1-6, 4-6; No. 4 Bryce Halvorsen def. David Reilly, 6-1, 6-1.

Doubles: No. 1 Brent Goeden/Jared Chesak def. Tristan Schmitt/Dylan Sauer, 6-0, 6-0; 2. Zackary Brogaard/Tyler Schellinger def. Ethan Lombardo/Carter Flegner, 6-1, 6-0; No. 3 Gavin Curtin/Zachary Fahrenkrug def. Willie Brewer/David Vandeigh, 6-1, 6-3.

All KHS players are list-

ed first.

Kewaskum led its match over Ripon 3-2 and needed a win from either Kyle Loehr or Bryce Halvorsen at No. 2 or 4 to get the team victory. Loehr survived a three-set match, so the Indians prevailed 4-3.

Even though he did not win, junior Devin Schneider played well at No. 1 vs. veteran Connor Banerjee. The two had many long volleys and games of multiple deuces.

Tyler Schellinger was not in the KHS lineup because of illness so Gavin Curtin was moved up to No. 2 doubles with Zackary Brogaard, and the two won in straight sets.

Kewaskum 4, Ripon 3
Singles: No. 1 Devin Schneider lost to Connor Banerjee, 2-6, 2-6; No. 2. Kyle Loehr def. Preston Wurtz, 6-2, 2-6, 6-3; No. 3 Matt Krautkramer def. Chris Long, 6-2, 6-4; No. 4 Bryce Halvorsen lost to Andrew Redmond, 4-6, 2-6.

Doubles: No. 1 Jared Chesak/Brent Goeden def. Jensen Will/Dalton Weigel, 6-0, 6-3; No. 2 Zackary Brogaard/Gavin Curtin def. Ben Retzlaff/Theo Rauch, 6-0, 6-1; No. 3 Zachary Fahrenkrug/Donald Keaton lost to Aaron Forslund/Jordan Whitrock, 3-6, 0-6.

Kewaskum Youth Soccer Results

April 29th U8 Fireballs 4, Richfield 2

The U8 Fireballs won a great game against Richfield, 4-2. Milli Kreif had a hat trick with three goals, with an assist from Shaye Bartelt. Brooke Pritchard also scored a goal. Kaylee Flood won on defense by not letting the other team have possession of the ball. Delia McHenry had a great cornerkick and Eleanor Schulz and Addison Butchlick played great all around and had some close opportunities to score.

April 29th U10 Venom 13, Richfield 2

U10 Venom played strong despite the gusting winds and cold temps, winning 13-2 at Richfield. Scoring were Lidia Handke (3), Ayla Stucht (2), Emma Sieski (2), Emily Melzer (2), Rowan Bell (2) and Maddie Marquardt (2). Great game.

April 29th Kewaskum U14 2, Hustisford 3

The Kewaskum U14 girls played valiantly against an aggressive Hustisford team but fell 2-3 on Saturday. Lydia Steinbauer tallied both goals for Kewaskum in the loss. Several players played key roles in keeping the score close including Emma Rinzel, Elena Vlotho, Sophia Gerhartz and Kiera McFarland.

May 1st

U14 Girls 3, Richfield 1

The U14 girls conquered the rain, mud and Richfield 3-1 on Monday. Lydia Steinbauer, Tierney Herman and Emma Rolf tallied goals on the way to the victory bringing the team to a 2-1 record. The weather didn't dampen the team's spirit on their way to victory.

May 6th

U8 Phoenix 6, Slinger Jaguars 12

The KYSO U8 Phoenix soccer team played in a fast paced and high scor-

ing game this weekend against the Slinger Jaguars. Final score 6-12. Both teams moved the ball well on offense leading to a barrage of goals for both teams. The Phoenix played hard all quarters and scoring came from a multitude of players. Scoring: Kingston Grisologo (2), Colton Rabe (2) Oliver Grover (1).

May 6th U8 Fireballs 6, U8 Stars 5

This week the U8 Fireballs won over the Kewaskum U8 stars, 6-5. Shaye Bartelt had a hat trick with three goals. Goals were also made by Kaylee Flood, Millie Kreif and Addison Butchlick. Brooke Pritchard had two goal assists.

May 6th U9 Kewaskum Twisters 2, Jackson Leopards 5

The U9 Kewaskum Twisters met the Jackson Leopards in Jackson. The Leopards came out with a decisive score early in the first quarter. The Twisters', Liam Stoffel, answered with a goal of his own soon after. Liam scored once again early in the second quarter. Unfortunately, this would be Kewaskum's last goal. Jackson scored twice more in the second quarter and once each in the third and fourth quarters, leaving the final score, 5-2. Despite the loss, there were notable performances. Kaysen Stange and Eric Jungers demonstrated aggressive attack on the ball at the sweeper position, and Emerson Schmidt displayed hustle and heart on offense. The Twisters' first loss of the spring season brings their record to 2-1-1.

May 6th U9 Hurricanes, Kewaskum Cyclones

The Kewaskum U9 Hurricanes played against the Kewaskum Cyclones. Eli Steinbauer and Jett Schreiber scored a goal off a corner kick. Alayna Lambrecht scored a goal with an assist from Jett Schreiber. Will Haydin

scored a goal with an assist from Brooke Muckerheidi. Blake Stevenson scored a goal. Marisol Gurrola scored a goal with an assist from Elli Caliar. Both teams played really well.

May 6th U10 Venom 2, Jackson Cheetahs 1

U10 Venom took to the field against the Jackson Cheetahs with a 2-1 win. Scoring were Caitlyn Finger and Mara Butschlick with assist from Maddie Marquardt. There was some great defensive playing on the field.

May 6th U10 Riptide 6, Richfield 3

U10 Riptide had two games this week. Both matches were close but we couldn't catch Richfield 6-3 and let a halftime lead against Jackson get away. Riley Kuehl was excellent in the goal box in both games and scored goals in both as well. Luke Pendowski contributed all over the field with determined play and Nathan Vlotho powered some shots in net. The team looked sharp in both games.

May 6th U12 Warriors 8, Slinger Storm 2

Girl U12 Warriors beat Slinger Storm 8-2. Great overall play by the whole team. Goals scored by Emilie Steinbauer, Emma Schultz, Ally Heipp, Abby Gerhartz, Brooke Gruen and Jadin Czuppa 3.

May 6th U12 Kewaskum Spartans 1, U12 Kewaskum Aztecs 0

U12 Kewaskum Spartans won against the U12 Kewaskum Aztecs as they went head-to-head for a battle to win. With the only goal of the game being an early penalty shot made by Carter Curtin; the Spartans came out with the 1-0 Win. Both teams played an incredible offense and neither teams' defense let in a shot.

Jason Hanson Places First In High Jump At Horizon League Outdoor Championships

Jason Hanson of Kewaskum placed first in the high jump for the University of Wisconsin-Milwaukee on Sunday, May 7, at the Horizon League Outdoor Championships in Youngstown, Ohio.

The 2016 Kewaskum High School graduate broke a facility record at

Farmers National Bank Field, clearing the bar at 2.09 meters (6 feet 10 ¼ inches) on his second attempt.

The UWM team finished third at the meet with 180 points overall. Host Youngstown State won the meet with 216 points, while Oakland came in second with 203 points.

UIC placed fourth with 101 points, coming in ahead of Valparaiso (54), Northern Kentucky (38) and Detroit Mercy (23).

GOLF SCORES

Hon-E-Kor Golf Course – Men's Senior Golf Monday, May 8
Gross Score: 38 Rick Averill, 39 Joe Volesky.
Points Over Average: 8 Rick Averill; 6 Kim Kohl; 4 Dan Gibbon; 3 Gary Dexter; 2 Dale Squier, Andy Pesch, Don Zerfus.
Long Putt: Mike Winicki, Dave Domaasky.

PUBLIC NOTICES

Kennel License to house 4 dogs per 3.06(B) of the Zoning Ordinance.

Upon the following described property:
W5751 Mohawk Road, Campbellsport, Town of Wayne, Washington County, Wisconsin.

Dated: April 27, 2017
5-4(2) WNAXLP
Cindy Shaske, Town Clerk

NOTICE OF BOARD OF REVIEW STATE OF WISCONSIN TOWN OF FARMINGTON WASHINGTON COUNTY

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Farmington, Washington County, Wisconsin shall hold its first meeting on May 31, 2017, from 6 p.m. to 8 p.m. at the Town of Farmington Town Hall, 9422 STH 144, Kewaskum, WI 53040.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

1. No person will be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to view the property.
2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first

scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first two hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the fifth day of the session or up to the end of the final day of the session if the session is less than five days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first two hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first two hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the fifth day of the session or up to the end of the final day of the session if the session is less than five days. The board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in

writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor with all the information about income and expenses, as specified in the assessor's manual under s.73.03 (2a), Wis. stats., that the assessor requests. The Town of Farmington has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. * The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35(1), Wis. stats.

7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.

8. No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s.70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

Notice is hereby given this 11th day of May, 2017
5-11 WNAXLP
Chris Schellinger,
Town Clerk

AG Schimel Announces Record-Breaking Drug Take Back Day Collection

Attorney General Brad Schimel announced a record-breaking 66,039 lbs. of unused medications were collected at Drug Take Back events on Saturday, April 29, and at more than 300 permanent drug collection receptacles located throughout the state. To show what more than 66,000 pounds of unused medications looks like, the Wisconsin Department of Justice shared this time lapse of the drugs' processing.

"I am so proud of the many thousands of Wisconsin families who are committed to ending prescription drug abuse by getting unused medications out of their homes and disposing of them on Drug Take Back Day or year round at one of more than 325 permanent disposal boxes throughout our state," said Attorney General Schimel. "We could not over and over again be among the top three states in America for drug disposal without the

coalition of private partners like Fuchs Trucking and Covanta Energy, and public partners like the hundreds of local law enforcement agencies and the DEA. These partners do the heavy lifting, literally, to ensure these drugs are disposed of in an environmentally safe way and that these potentially dangerous drugs don't fall into the wrong hands."

Police and sheriffs' departments statewide hosted 150 Drug Take Back events on April 29, and have provided 328 permanent drug disposal boxes, giving citizens a convenient, environmentally-friendly, and anonymous way to dispose of unused medications all year long. Earlier this year, AG Schimel announced the installation of a permanent drug collection site in the lobby of the Risser Justice Center in downtown Madison. Proper drug disposal is essential to preventing prescription painkiller abuse. Seventy

percent of initial painkiller abuse starts when drugs are obtained improperly from family members or friends.

"The highly successful Wisconsin Drug Take Back Initiative is due to the hard work of the Wisconsin Department of Justice and the tremendous cooperation of law enforcement across the state," said Drug Enforcement Administration (DEA) Assistant Special Agent in Charge Robert Bell. "The large volume of pharmaceutical drugs collected is clear indication of the overabundance of these substances within our communities. Take-Back sensitizes the public to the hazardous pharmaceutical drugs pose and helps make a healthier and safer Wisconsin."

Drug Take Back Day is a collaborative effort between public and private sector partners and would not be possible without the support of Covanta Energy, Fuchs Trucking,

Indiana State Police, Waukesha County, Waukesha County Sheriff's Office, Wisconsin Department of Agriculture, Trade and Consumer Protection, Wisconsin Department of Health Services, Wisconsin Department of Natural Resources, Wisconsin National Guard, Wisconsin State Patrol, U.S. DEA, and the 267 law enforcement agencies, representing 69 Wisconsin counties, who participated in this April's Drug Take Back Day.

The 66,039 pounds of prescription drugs have been boxed, palletized, shrink wrapped, and secured in three Fuchs Trucking semi-trailers for transportation to Covanta Energy Corporation in Indianapolis, where the drugs will be incinerated.

The weight of unused medications reported is preliminary. An official weight will be assigned by Covanta Energy prior to destruction.

Continued From... Paper Bags Wrapped In Art

Young students used bright colored crayons to create different animals. Others used paints and made artistic scenes on the large bags.

Older students had photographs taken of masterpieces they had created and then attached the photos to a bag.

This was the second year in a row that students decorated Piggly Wiggly bags for Gallery Night. But it's a tradition that was started years ago.

Laatsch found some bags that had been deco-

rated about two decades ago, and last year asked Peggy Henke, who teaches art at Kewaskum Elementary School, if she would like to have students decorate bags once again.

"We did it years ago, so this was kind of like a throwback," Henke said.

Many of Henke's former students remember the bags.

In fact, Kayla Kumrow still has the bag that she decorated in 1994 when Henke was her art teacher at KES and the grocery

store in town was Geidel's Sentry.

Now, Kumrow's son, Liam, is a second-grader at Farmington Elementary School and has carried on the tradition.

This year, for the first time, some of the students wrote messages and placed them in the bags.

The messages said things like: "Dear fellow shopper, I hope you like my picture!" or "Have a nice day. I hope you come to Gallery Night."

Gallery Night was started 37 years ago.

"I started it my first year, with the middle school art teacher, but it's changed a few times," said Henke, who is retiring this year.

The first year, there were about 32 people who attended the art show.

"It just kept growing after that," Henke said.

Last year, about 1,000 people attended Gallery Night.

All art students in the district, from elementary school through high school, create art pieces for Gallery Night.

The artwork, which includes both two-dimensional and three-dimensional pieces, are displayed at Kewaskum Middle School.

The family event features hands-on activities, such as face painting, balloon animals, glow-in-the-dark painting, a Play Doh station and jewelry making.

Gallery Night is Wednesday, May 10, at Kewaskum Middle School, from 5 to 8 p.m. The event is free of charge.

Peggy Henke, art teacher at Kewaskum Elementary School, created boards promoting Gallery Night and displayed them at Geidel's Piggly Wiggly in Kewaskum.

photo by Anne Trautner

A wide variety of grocery bags decorated by area students were available at Geidel's Piggly Wiggly in Kewaskum last week.

photo by Anne Trautner

Cathy Wilson is happy to receive a decorated grocery bag when the tradition of advertising Gallery Night at the grocery store was started back up again last year.

photo submitted

Kayla Kumrow holds the bag she decorated for Gallery Night when she attended Kewaskum Elementary School in 1994. Her son, Liam, holds the bag he decorated last year at Farmington Elementary School.

The Kettle Moraine Is A Great Area To Visit

The Kettle Moraine area is a great place to visit. It boasts some of the best physical features in the state and some of the most friendly neighboring villages.

Known as the Kettle Moraine State Forest-Northern Unit, this area can thank the glaciers for the unique characteristics. The northern unit of the forest is only a portion of what is sometimes called the Kettle Range.

This range was created when the Green Bay Lobe of the glacier on the west, collided with the Lake Michigan Lobe of the glacier on the east, depositing sediment. The western glacier formed the Bay of Green Bay, Lake Winnebago and the Horicon Marsh while the eastern one formed Lake Michigan.

This area contains

very hilly terrain and glacial landforms, such as kettles, kames and eskers. The forest is divided into two large and three small units, which are spread across a hundred miles.

The Kettle Moraine State Forest-Northern Unit consists of an area covering the western part of Sheboygan County, the southeastern part of Fond du Lac County and the northern portion of Washington County. It includes more than 29,000 acres. The forest itself was established in 1936 to help preserve this unique area and its features.

The forest is managed for multiple uses, including recreation management, sustainable forest products, water quality and soil protection, terrestrial and aquatic wildlife, native biological diversity, and aesthetics.

The forest headquar-

ters is located near Campbellsport. Features of the Northern Unit are the Greenbush Recreation Area, with a group camping area and hiking trails; Parnell Observation Tower; the Long Lake Recreation Area, with a campground, a beach and boat launch; Henry S. Reuss Ice Age Visitor Center; and the Mauthe Lake Recreation Area, with a campground, a beach and boat launch.

About 145 miles of trails can be found in the northern unit. These trails are used for biking, hiking, horseback riding, cross country skiing and snowmobiling. (See color map on page 2 for the different trails in the forest)

Other facilities in the area include 336 family campsites with modern facilities, nine group campsites, six backpack shelters, a horse riders campground, three swimming beaches, five boat launches and an observation tower.

It is estimated that approximately 800,000 people visit the forest every year. Annual camper nights equal about 91,599.

You will definitely be able to find something fun to do in the Kettle Moraine State Forest-Northern Unit. There is something for everyone.

To find out more information, go to the DNR website at www.dnr.state.wi.us. You can also call the forest headquarters at 262-626-2116 or call the Ice

Age Visitor Center at 920-533-8322.

The forest is open from 6 a.m.-11 p.m. daily. The forest headquarters is located on Highway G and is open 8 a.m.-4:30 p.m. Monday-Friday.

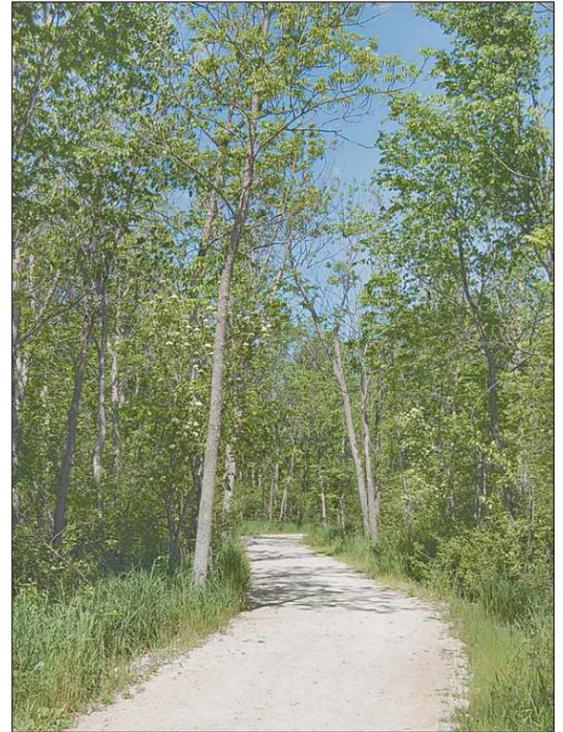

The Mauthe Lake recreation area entrance station is open from 10 a.m.-7 p.m. Saturdays-Thursdays and 10 a.m. to 10:30 p.m. on Fridays from Memorial Day through Labor Day. These hours will vary during the off-season. Call (262) 626-4305 for more information.

The Long Lake Recreation area entrance station is open from 10 a.m.-7 p.m. Saturdays-Thursdays and 10 a.m. to 10:30 p.m. on Fridays from Memorial Day through Labor Day. The hours vary during the off-season. Call (920) 533-8612 for more information.

The Henry S. Reuss Ice Age Visitor Center is open seven days-a-week April through October from 8:30 a.m.-4 p.m. Mondays-Fridays and 9:30 a.m.-5 p.m. weekends. Winter hours go into effect November through March. The center is one-half mile west of Dundee on State Highway 67 and offers forest information, interpretative displays, and a 20-minute Ice Age film.

Area Villages

Don't forget to visit the area villages and towns that surround the Kettle Moraine Forest. They are all welcoming and

helpful.

Campbellsport is on the west side of the forest. You can get to Campbellsport by taking Highway 67.

Kewaskum is on the southwestern side of the forest. You can get to Kewaskum by taking Highway 45 or Highway 28.

Dundee is within the forest on the western side. It is located along Highway 67. The Henry S. Reuss Ice Age Visitor Center is just outside of Dundee on Highway 67.

New Prospect is a small town located within the forest. You can get there by traveling along Highway SS. The horseriders camp is located in New Prospect.

Greenbush is near the northern portion of the

forest. You can get to Greenbush by taking County Highway A.

Glenbeulah is also on the northern corner of the forest. It can be found by taking County Highway A or County Highway P.

Plymouth is a short drive to the east of the forest. You can take Highway 67 to get to Plymouth.

Cascade is also a short drive to the east of the forest. You can get to Cascade by taking Highway 28.

Fond du Lac is a short drive to the northwest. You can get to Fond du Lac by taking Highway 45 north.

West Bend is a short drive south of the forest. You can get to West Bend by taking Highway 45 south.

ICE AGE VISITOR CENTER

Ice Age Center Great Resource

By Andrea Hansen Abler

The Henry S. Reuss Ice Age Visitor Center is a great resource for anyone visiting the Kettle Moraine State Forest-Northern Unit. It is located just outside of Dundee on Highway 67.

Its purpose is to introduce and orient visitors to the forest about the area and the special features of the area. The glaciers that covered this area about 10,000 years ago left some unique terrain and features in this area.

The Kettle Moraine was created when the Green Bay Lobe of the glacier, on the west, collided with the Lake Michigan Lobe of the glacier, on the east, depositing sediment. The western glacier formed the Bay of Green Bay, Lake Winnebago and the Horicon Marsh while the eastern one formed Lake Michigan.

As the glaciers melted and moved, they left behind many different features like moraines, kames, eskers, drumlins, and kettles. The Ice Age Visitor Center explains these features, how they were formed and gives examples of

these features in the area.

"You can get a good idea of how the glaciers affected this area and the treasures it left," said Jackie Scharfenberg, DNR naturalist at the Ice Age Center. "A lot of groups come here as a jumping off point."

After visiting the center, you can then go out into the forest to see these different formations. Many trails can be found in the forest to get you to these features. A short trail is also accessible from the Ice Age Visitor Center.

Another feature of the center is the information you can receive about the forest activities. The center has maps of all the trails in the forest, campgrounds, information about Mauthe and Long Lakes and the campgrounds in the forest.

"We can provide information about the forest and its multitude of things to do," Scharfenberg said.

The Henry S. Reuss Ice Age Visitor Center was opened in January of 1981 and dedicated in May of 1981. It was named after a Wisconsin congressman. The Zillmer Trail was also

named after a Wisconsin congressman

"They got some of the initial money passed (for the center and trails)," Scharfenberg said.

The center is open year-round. From April through October, it is open Monday-Friday from 8:30 a.m.-4 p.m. and on weekends from 9:30 a.m.-5 p.m. During the months from November through March, the hours will vary, so please call ahead at (920) 533-8322. About 25,000-30,000 people stop at the Ice Age Visitor Center every year.

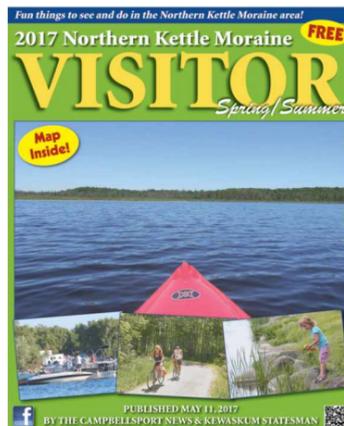

Every week educational programs are held at the center. These programs teach young and old about the forest wildlife, vegetation and other fun nature-related things. Programs are generally free to the public, with some exceptions. A calendar of these educational programs can be found on pages 16 through 22.

The Henry S. Reuss Ice Age Visitor Center is a great place to start your visit to the Kettle Moraine State Forest-Northern Unit. It will help educate you about the forest and give you information about more opportunities in the forest.

Campgrounds In The Kettle Moraine

Benson's Century Camping Resort, Inc.

250 sites with water and electric, separate tenting areas, seasonal sites, and overnight sites. Services offered include limited groceries, LP gas, two dump stations, two shower buildings, wood for sale.

For recreation, the grounds offer a swimming beach, two playgrounds, horseshoe pits, volleyball court, recreation hall, game room, lake boat launch, and fishing. Boats and canoes available to rent.

For more information, go to their website at bensonscampground.com or call 920-533-8597 or 920-533-8150. N3845 State Road 67, Campbellsport.

Mr. Ed's Campground

Over 1,000 feet of lake frontage. Offers 100 seasonal-only sites on three levels with full hookups including 30- and 50-amp electric,

water, sewer, limited accessibility for people with disabilities, call for specifics.

These scenic campgrounds offer Timberlake Lodge Bar and Restaurant, a swimming beach, horseshoes, basketball, nature trails, boat launch, fishing, camper get togethers, private docking and launching for campers only.

Call to reserve the beautiful cabin on the lake. For more information, go to their website at www.mredscampground.com or call 920-533-4342. N3554 Highway 67, Campbellsport.

Hoef's Resort and Campground

135 seasonal sites and 70 campsites with four different grassy and wooded areas including lakefront sites and the most popular and unique sites on a peninsula. Some sites with water and electric (20-, 30- and 50-amp serv-

ice); some tent sites with no electric hook-up.

On-site services include WI-FI hotspot, laundry facilities, firewood for sale, snack bar, bar, camp store with limited groceries, credit card accepted. There is a swimming beach, playground area, horseshoes, basketball, recreation hall, trails, lake boat launch, and fishing bait. Rental items include six housekeeping cottages (some on waterfront), boats, paddle boats and canoes.

Call 262-626-2221 for reservations or go to www.hoefresort.com for more information. W9070 Crooked Lake Drive, Cascade.

Breezy Hill Campground

Breezy Hill offers 85 sites, 15 with full hookups (30/50 amp), 70 with water and electric (30/50 amp), 35 pull throughs, separate tenting areas, and eight cabins. Amenities include heated pool, hot tub,

photo by Andrea Hansen Abler

general store, pavillion and arcade, basketball, tetherball, volleyball, playground, two jumping pillows, weekend movies, wagon rides, themed weekends, catch and release fishing pond, extra clean shower facilities, full hook-ups and campsite-wide WIFI.

Breezy Hill Campground is a family oriented campground near Eden. New owners, Jon and Jennifer Wiltzius, offer fun activities for campers of all ages.

For rent, there are eight camping cabins, one rental unit, bikes and paddle boats.

Breezy Hill also offers a full-service overnight horse boarding facility. Hay, water, large stalls, pasture and paddocks are available.

Call 920-477-2300 or visit www.breezyhillcamp.com for more information. N4177 Cearn's Lane, (off County Road B in Eden) Fond du Lac.

Mauthe Lake Campground

The campgrounds at Mauthe Lake have 135 sites, including 51 elec-

trical sites. There is one shower building with flush toilets and several vault toilets. Campsites accessible to people with disabilities are available.

The beach area features playground equipment and concessions available for food, camping supplies, and watercraft rental. A private concessionaire provides firewood when the entrance station is open. A sanitary dump station and recycling/garbage station are provided for registered campers.

An authentic Native American plains teepee is available for rent. Enjoy the unique opportunity to camp in a canvas reproduction of a Native American plains teepee from mid-May through September. The teepee is 16 feet in diameter and supported by 25-foot-long wooden lodge poles. Four cots are provided. If you have more than four members in your camping party, there is room on the site to accommodate an additional tent if desired.

Mauthe Lake is open for camping year round. For more information call (262)626-4305.

Reservations may be made up to 11 months in advance either online or by calling toll-free (888) 947-2757, TTY (800) 274-7275. N1490 County Rd GGG, Campbellsport.

Long Lake Campground

The campgrounds at Long Lake provide 200 sites, flush and vault toilets, and showers. A private concessionaire provides firewood when the entrance station is open. Campsites are available for campers with disabilities. A sanitary dump station and recycling/garbage station are provided for registered campers.

Long Lake Campground is open for camping the first weekend in May through mid-October.

For more information call 920-533-8612.

Reservations may be made up to 11 months in advance either online or by calling toll-free 888-947-2757, TTY 800-274-7275. N3450 Division Rd, Cascade.

Campgrounds In The Kettle Moraine

Greenbush Group Campground

The Greenbush Group Campground offers nine outdoor sites which accommodate groups up to 40 individuals. Only tent camping is allowed on the actual campsite. Sites are near the Greenbush Trails, where campers can enjoy hiking or off-road biking.

An enclosed shelter building, drinking water, and vault toilets are available nearby.

Reservations are required and can be made up to 11 months in advance either online or by calling toll-free 888-947-2757, TTY 800-274-7275. Discounted camping rates are available for resident chartered non-profit youth groups.

Greenbush group campground is open for camping April through November. N5854 Kettle Moraine Dr., Glenbeulah.

Backpack Shelters

Five backpack shelters are available year-round for rustic camping along the 31 miles of the Ice Age National Scenic Trail. One backpack shelter is available

from April 1 through November at the Zillmer Trail area.

Each site offers a roofed trail shelter, fire ring, and pit toilet. Drinking water is available less than a mile from each site.

These sites are not accessible by vehicle. All camping equipment must be backpacked in and all refuse packed out. A camping permit is required and you must camp at a designated shelter campsite.

One reservation (camping party) is allowed per site per night. Reservations are limited to 10 persons per site and are limited to one night per site. Another site may be reserved for a second night and a third night at a third site.

To reserve a backpack site, call Reserve America at (888) 947-2757, TTY (800) 274-7275. Shelters cannot be reserved online.

If you do not have a reservation, you must stop in at either the Forest Headquarters, Ice Age Visitor Center or Mauthe/Long Lake entrance stations (when open) to obtain a camping permit. Site availability is limited for spring and fall weekends and reservations

are recommended. A reservation is required for stays longer than two nights along the trail.

If all the backpack sites are reserved for a weekend night on your hiking trip, consider staying one night at the Mauthe Lake campground.

New Prospect Horse Riders Campground

The New Prospect Horse Riders Campground has 22 family campsites with 20/30/50 amp electric service and three group sites. Campers must be accompanied by a horse to stay at the campground.

In the family camping area, each site has a picnic table, fire ring and a 30-by-30-foot graveled area with picket posts and/or pipe corrals where horses are to be kept. The camp area has one drinking water source, an open air picnic shelter, vault toilet, covered stable with 24 box stalls and manure pits.

In the group camp area, each site has a drinking water source, fire ring, four picnic tables and a manure pit. Group sites A and C

each have nine, 10-by-10-foot metal pipe corrals. Group Site B has two tether post areas and 12 pipe corrals. The group camp has a vault toilet. No more than 20 people may occupy a group site.

Campers are responsible to place all hay and manure in the manure pits which are located throughout the campground; wheel barrows and forks are provided. Horses are to be kept in designated areas to protect the green space of the campground.

The campground is centrally located in the state forest and provides easy access to the 33-mile bridge trail which traverses the length of the forest. There also are two loop trails, the 2.5-mile Crooked Lake Loop and the four-mile Forest Lake Loop. All horse riders 16 years and older must have a state trail pass while using the designated bridge trails in the state forest.

The campground opens the first weekend in May and closes the last weekend in October.

For more information call 262-626-2116. N1765 Highway G,

Campbellsport.

Lake Lenwood Beach and Campground

130 total sites, 130 water/electric hookups, 10 pull throughs, dump station, pay showers, offsite storage, credit cards accepted.

Recreation, swimming beach, playground, kiddie beach with slide.

7053 Lenwood Dr, West Bend, 262-334-1335, www.lakelenwood.com.

Lazy Days Campground

79 acres for summer fun and recreation, 313 extra large sites in 3 different grassy or wooded areas.

Spring fed lake for great swimming and GREAT fishing - Bass, Northern, Crappie and Perch waiting to be lured onto your hook.

Live bait and tackle available. Amenities include, grocery store, beach, volleyball, park area, arcade, mini golf, firewood, ice, LP gas, bike rental, laundromat, shower building, boat rentals and trailer rentals. We are a pet friendly campground!

1475 Lakeview Road

West Bend, 262-675-6511 or email lzd@charter.net.

Timber Trail Campground

Timber Trail contains spacious campsites providing unusual privacy beneath a canopy of maple and beechwood trees. We are geared toward family camping with an emphasis on fun, 120 acres of fun. Our picturesque hiking trails are included as part of the Kettle Moraine Ice Age Trail.

Amenities, whirlpool and heated swimming pool, recreation building with a fireplace, snack bar and ice, hot showers, bottled gas, playground, dumping station, firewood for sale, laundry and groceries, big screen tv and video games, ping pong and pool tables, basketball and tennis courts, ball field and sand volleyball, hiking and fishing, and horse-shoes.

7590 Good Luck Lane, West Bend, 53090. (262) 338-8561 (during season), (414) 235-4247 (off season). timbertrail7590@aol.com

W921 Kettle Moraine Lane, Campbellsport • 920-533-8445 • www.tikibeachresort.net

Lakes Of The Kettle Moraine

The Kettle Moraine State Forest-Northern Unit has more than a dozen lakes and ponds — mostly kettles, but also two impoundments of the Milwaukee River.

The Mauthe Lake and Long Lake recreation area entrance stations, when open, lend fishing equipment free of charge. Several private vendors within the forest sell bait and other fishing supplies.

The eight lakes listed below range in size from 427 acres (Long Lake) to less than seven acres, accounting for a total of 786 acres.

The primary fish species in these lakes include largemouth bass, bluegill, crappies, and northern pike.

Auburn Lake (Lake Fifteen) — A medium-sized kettle lake, Auburn Lake provides a diverse fishery. A paved boat launch and trailer parking area are across from the Forest Headquarters entrance road. Access to launch is a narrow gravel road not suitable for large boat trailers. A local wake ordinance, posted at the landing, is in effect. State park vehicle admission sticker required.

Expect to catch bluegills—most small, some larger; crappies—present, but generally

not quality size; northern Pike—often found near outlet stream mouth and on north end across from boat landing; and yellow bass—fish are stunted, but abundant.

Butler Lake — Butler Lake is the smallest of the easily-accessible Kettle Moraine Lakes. It is a kettle lake with an emergent wetland fringe around most of the lake. The Ice Age Trail meanders through the Butler Lake area and there is a loop hiking trail system near the lake. Butler Lake is spring-fed and the water remains fairly cold and oxygenated.

There is a paved parking lot and gravel launch area for canoes or small rowboats. Gas motors are not allowed. A water pump is available near the parking lot. State park vehicle admission sticker required.

Expect to catch bluegills—small, but abundant; and yellow perch—small, but abundant.

Crooked Lake — This medium-sized kettle lake has relatively clear water and a diverse aquatic plant community. Gravel access road and parking area are off of County Highway SS. Launch, suitable for canoes and small boats, is shallow

and weedy.

Expect to catch bluegills—some nice size, many smaller; yellow perch—numerous small perch; crappies—population fluctuates widely with very good fishing some years; northern pike—fair population, but not abundant; and largemouth bass—a small population of nice-sized fish. Catch and release is recommended.

Forest Lake — Forest Lake is a small kettle lake with a mostly-developed shoreline. A marked and fairly steep walk-in public access is off of County Highway GGG. The lake is only suitable for canoes, small rowboats or paddleboats. No motors are allowed.

Game fish, such as northern pike, walleyes, and bass, are catch and release only.

Expect to catch bluegills—good numbers of smaller bluegills; sunfish—good numbers of smaller sunfish; crappies—some, smaller; northern pike—larger, catch and release only; walleye—some, catch and release only; and largemouth bass—good population, catch and release only.

Kettle Moraine Lake (Round Lake) — The second-largest lake in

the Kettle Moraine area, Kettle Moraine Lake has relatively clear water. Many parts of the lake are weedy and shallow. There is no state forest access, but the public can launch at Nan Sea's Tiki Bar and Grill on the east side. Obey the local wake ordinance posted at landing.

Expect to catch bluegills—although not large fish, bluegills are abundant; yellow perch—some present, generally small; crappies, not abundant, but average size; northern pike—large population for a lake this size, commonly found in the 17-inch to 21-inch size range, no minimum size limit; largemouth bass—common, and of quality size; and bullheads—bullhead fishing is the highlight of Kettle Moraine Lake in summer.

Lake Seven — This small, mostly undeveloped kettle lake has clear water and a diverse aquatic plant community. It is historically known as a tremendous bluegill lake.

No gas motors allowed. Fairly shallow gravel boat launch for canoes and small rowboats.

Expect to catch bluegills—predation has decreased the population, but fish up to 12 inches reported; crappies—a few present; and largemouth bass—very abundant, but small average size.

Long Lake — Long Lake is a three-mile long impoundment of the East Branch of the Milwaukee River. The lake has relatively clear water and is stocked by DNR and the Long Lake Fishing Club. Heavy recreational use in the summer may make fishing difficult.

An accessible fishing pier and shoreline fishing opportunities are in the Long Lake Recreation Area.

It has a developed boat launch and parking for more than 20 vehicles and trailers. The boat launch fills on summer weekends. Obey the local wake ordinance posted at landing. State park vehicle admission sticker required.

Expect to catch bluegills—six- to seven-inches common in summer, best fishing along mid-depth weedlines and in deeper water on vegetated mid-depth flats; crappies—seldom active at mid-day, best time to fish is an hour after dark; walleyes—not common, those present are larger; northern pike—a good population with larger pike found near vegetated drops, no minimum size limit; largemouth bass—common in summer, the lake has a very good population with a nice size structure of fish available, anglers are encouraged to catch and release bass; and bullheads—one of the most popular summer fish to

catch, especially near boat launch area.

Mauthe Lake — Mauthe Lake is a 78-acre impoundment of the East Branch of the Milwaukee River and is entirely within the state forest boundaries.

Accessible fishing pier, trail to dam, and shoreline fishing opportunities are within the recreation area. Paved launch for canoes and small boats. No gas motors allowed; electric trolling motors are allowed.

State park vehicle admission sticker is required.

Expect to catch bluegills—many smaller fish, some larger; crappies—occasionally the highlight of the fishery; largemouth bass—Mauthe Lake is a very good bass lake; northern pike—although not a large lake, some pike in the 30-inch range are caught every season; and walleyes—occasionally caught.

Mauthe Lake and Long Lake Recreation Areas have fishing piers that are accessible to people who are mobility-impaired.

Free fishing equipment is available for loan at Mauthe Lake and Long Lake recreation area entrance stations (when open). A fishing license is required for anyone 16 years or older.

For The Horseriders

The Kettle Moraine State Forest-Northern Unit is a beautiful place to visit. It is relaxing and also has lots of different activity options. This beautiful sunset was captured on one of the many lakes in the forest.

photo by Tracy Dieckman

Lakes Of The Kettle Moraine

Boating

Public access is provided on these lakes by either a developed boat landing or walk-in access. Boats are available for rent from a private concessionaire under agreement with the state forest. Several private vendors within the forest sell fishing licenses, bait, and other fishing supplies.

Lake Seven, Mauthe, Forest and Butler Lakes prohibit the use of gas-powered motors.

Other boating restrictions may apply. Check at landings for posted information regarding wake/no wake rules and whether or not a state park vehicle admission

sticker is required.

All watercraft must be equipped with a wearable Coast Guard approved personal flotation device for each person on board. Consult the Wisconsin fishing and boating regulations before going fishing.

For more information or for boat regulations and registration forms, visit one of the forest offices.

Swimming

The state forest has three swimming beaches, one at Mauthe Lake and two at Long Lake. Swimming areas are designated by marker buoys. Lifeguards are **not** provided.

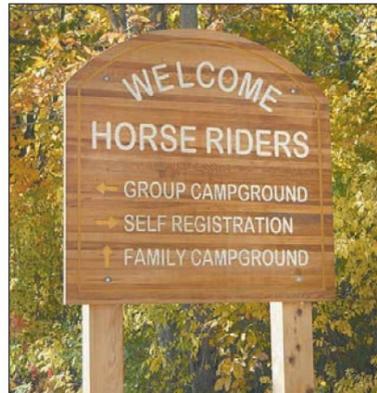

vided.

Pets, soaps, food and beverages are prohibited in marked swim areas.

Mauthe Lake and Long Lake Recreation Areas are open from 6 a.m. to 11 p.m. year round. Picnic tables, grills and toilets are available near the beaches. A carry-in, carry-out policy applies at these day-use areas.

Mauthe Lake's beach area and Long Lake's south beach include playground equipment suitable for young children and a reservable picnic shelter.

Water quality is tested regularly from Memorial Day to Labor Day and any advisories will be posted at the beaches.

The Northern Kettle Moraine Horse Trail Association (NKMHTA) was established in 2003 to provide area equestrians an opportunity to make an impact working with the Wisconsin Department of Natural Resources preserving, improving, and developing equestrian facilities in the Northern Kettle Moraine State Forest.

The Northern Kettle Moraine State Forest is dedicated to serving horseback riders and is known throughout Wisconsin as one of the most beautiful natural areas.

Trails are designated for horseback riders but you may see some hikers. Vehicle passes are required and trail passes are required for all riders 16 years and older. Trails get muddy and slick when wet. Riders are urged to wait four to six hours after rain to ride.

New Prospect Horseriders' Campground

The New Prospect horseriders' campground has 22 family campsites and three group sites. In the family camping area, each site has a picnic table, fire ring and a 30-by-30-foot graveled area with picket posts and/or pipe corrals where horses are to be kept. The camp area has one

drinking water source, an open air picnic shelter, vault toilet, covered stable with 24 box stalls, and manure pits.

In the group camp area, each site has a drinking water source, fire ring, four picnic tables and a manure pit. Group sites A and C each have nine, 10-by-10-foot metal pipe corrals. Group Site B has two tether post areas and 12 pipe corrals. The group camp has a vault toilet. No more than 20 people may occupy a group site.

Campers are responsible to place all hay and manure in the manure pits which are located throughout the campground; wheel barrows and forks are provided. Horses are to be kept in designated areas to protect the green space of the campground.

The campground is centrally located in the state forest and provides easy access to the 33-mile bridle trail which traverses the length of the forest. There also are two loop trails, the

2.5-mile Crooked Lake Loop and the four-mile Forest Lake Loop. All horse riders 16 years and older must have a state trail pass while using the designated bridle trails in the state forest.

The campground opens the first weekend in May and closes the last weekend in October.

Bridle Trails

Equestrians can enjoy 41 miles of bridle trails which are traditionally open late April through mid November depending on trail conditions.

The main bridle trail winds the linear length of the forest for 33 miles. Two loop trails, Crooked and Forest Lake, provide shorter routes totaling more than seven miles.

Trails are rolling with a few steep hills, some rocky places, well-maintained and generally kept clear of debris.

Volunteers from the Northern Kettle Moraine Horse Trail Association, in cooperation with the state forest, partner working on projects and special events to enhance the horseback riding experience in the state forest.

For more information, go to the Northern Kettle Moraine Horse Trail Association's website at www.nkmhta.org.

Kettle Moraine State Forest- Northern Unit

This 29,000-acre forest is a glacial panorama of rolling, wooded hills dotted with serene lakes. Year-round camping, nature programs and recreation for all seasons. Ice Age Visitor Center open daily (920) 533-8322. Forest Headquarters, N1765 Cty Hwy G, Campbellsport, (262)626-2116.

Firemen's Park

In 1939, the Campbellsport Fire Department purchased the first parcel of land that would become Campbellsport's first park.

The grounds include a baseball diamond, a nice playground for the children, a concession stand, shelter area and picnic area. Newly remodeled bathrooms can also be found in the park.

Every year, the park is home to the village's Fourth of July picnic. Festivities include music, games, food, waterfights and many other fun filled activities for all ages. The money raised during this event main-

tain the park and the fire and ambulance services in the area.

Columbus Parc

This newer edition to Campbellsport was developed in 1991. The park was built on the site that used to house the Columbus School. This helped make up part of the name. The letters in the word parc stand for pleasure, activities, recreation and community. Thus Columbus Parc was named. A concession stand and shelter area was built in 1993. The Parc has three baseball diamonds, volleyball courts, basketball courts, and a children's area. Whispering Trails winds along the Milwaukee River and gives you some wonderful scenery to look at while you get some exercise.

Dundee Sportsmen's Club Park

The Dundee Sportsmen's Club was formed in April of 1973. It consists of the club house, pavilion, bathrooms, brat stand, baseball diamond, volleyball court, playground equipment,

and a mud pit for the annual hog wrestling.

The brat stand may be used by area clubs for fundraisers. The club house and pavilion can be rented for weddings and family activities. The club house can accommodate up to 200 people.

The park is located at N3019 Highway 67, Campbellsport. Please contact them by email at DundeeSportsmensClub@live.com.

Kewaskum Kiwanis Community Park

Kiwanis Park is a thirty-four acre public park located at 1599 Brooklane Drive, Kewaskum.

Park amenities include basketball courts, tennis courts, a swimming pool, horseshoe pits, hiking trails, playgrounds, and ball diamonds with concession stand.

Reservations can be made for baseball diamonds, tennis courts and party shelter.

Regner Park

Regner Community Park is a mecca for outdoor recreation. The nat-

Kiwanis Park in Kewaskum is always fun time with their sand pool. The village is in the process of purchasing some new inflatables and shaded seating areas for the pool. Stop by when you are in the area.

photo by Anne Trautner

ural landscape is interwoven with activity. Playgrounds, nature trails, open play area, swimming, tennis, soccer, softball, and baseball serve the many recreational interests within the community.

The Carl M. Kuss Memorial baseball field, grandstand, and concession facility is home to adult leagues and tournaments. Spectators are given the opportunity to spend an evening in the park, while enjoying the all-American

game. In summer, the beach, pond, and bathhouse bustle with activity. In winter, the area is transformed into a winter wonderland with ice skating, hockey, and warming house.

Among woodlands, ponds, open grasslands, and scenic Silver Creek are the camp lodge, Centennial shelter, and pavilion, concessions, bandstand area, as well as numerous picnic groves. As rental facilities they cater to special

events, family gatherings, and other group activities. Park entrances are located on North Main Street and Park Avenue.

Activities include, swimming, baseball diamond, two softball diamonds, three lighted tennis courts, five horseshoe courts, one soccer field, two play structures, fishing pond, nature trails, ice skating, six picnic groves and half basketball court. Located at 800 N. Main St., West Bend.

Trails In The Kettle Moraine

One of the great things about the Kettle Moraine State Forest-Northern Unit is the many trails that are available within the forest. You can walk, bike, picnic, ride horses and have a lot of fun on these trails.

The Kettle Moraine State Forest-Northern Unit has more than 132 miles of trails, varying in difficulty, length, and permitted uses. Steep climbs or descents are common. Parking lots are provided throughout the forest. All-terrain vehicles (ATVs) are not allowed at any time.

To see a full forest map with all of the trails highlighted, turn to page 2.

Butler Lake Loop:

On Butler Lake Road, 1.5 miles east of the Long Lake Recreation Area, the Butler Lake Trail winds more than three miles through the 158-acre Butler Lake and Flynn's Spring State Natural Area.

A portion of the loop trail is shared with the Ice Age Trail. Interpretive displays are set at the base of the esker and overlook Butler Lake. A picnic table, grill and drinking water are at the trail head.

Greenbush Loop System:

On Kettle Moraine Drive, 2.5 miles north of State Highway 67, the Greenbush Trail is a combination of four loop trails totaling nine miles. Hiking is not allowed on the mountain bike trails which are also located in this area for safety reasons.

In winter, the trails are groomed for cross-country skiing. Hiking is prohibited when snow is present. A heated picnic shelter, picnic tables, grill, drinking water and vault toilets are near the trailhead.

New Fane Loop System:

On County Line Road, 1.5 miles east of Kettle Moraine Drive, the New Fane Trail is a series of four loops of moderately-challenging mountain bike trails totaling 5.5 miles, interwoven with four loops of hiking trails totaling 7.7 miles. A short connector trail allows access to the Ice Age Trail.

Hiking is not allowed on the bike trails, and biking is not allowed on the hiking trails. An open-air reservable shelter is located near the trail head, and drinking water and vault toilets are available year-round. Cross-country skiing arrives with snow. Hiking is prohibited when snow is present.

Parnell Tower Loop:

On County Highway U, one-quarter mile west of County Highway A, the Parnell Tower Trail begins its 3.5-mile loop with a series of steps leading to the highest point of elevation in the forest. There a 60-foot observation tower rises above the treetops for a birds-eye view of the glacial landscape.

The trail follows the Ice Age Trail near a rustic backpack shelter. Picnic tables, grills, drinking water and vault toilets are adjacent to the trailhead.

Tamarack Loop:

This trail is near the Forest Headquarters off of Highway County G, this two mile trail loops around Mauthe Lake. Pets are not allowed on this trail. Flush toilets are available year-round on the headquarter's side.

Zillmer Loop System:

On County Highway SS, one-quarter mile west of County Highway G, the Zillmer Trail Area consists of four loop trails for a total

of 11 miles. The south trail head has picnic tables, grills and drinking water.

Visitors can also access the trail from the Ice Age Visitor Center. A rustic backpack shelter is along the trail.

In winter it is a groomed cross-country ski trail. Hiking is prohibited when snow is present. Closed to hunting with firearms, except during deer gun and spring turkey seasons.

Lake to Lake Bike Trail:

This 6.5-mile limestone surfaced trail connects the Mauthe and Long Lake recreation areas and passes by the village of Dundee.

This gentle trail winds through hardwood forests, prairies, conifer plantations, and lowland swamps. The trail includes a boardwalk over low areas east of Dundee Mountain.

Off-Road Bike Trails:

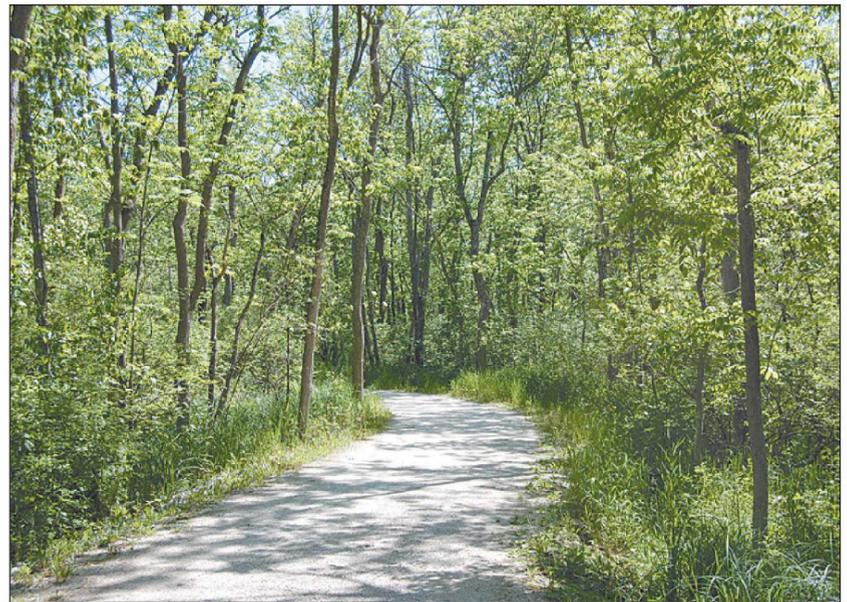

Off-road biking is only permitted on the Greenbush (nine miles) and New Fane (5.5 miles) loop trails. Normally these trails are opened in late April through November, depending on trail conditions.

It is highly recommended that you not ride while it is raining or within four to six hours after rain has stopped.

A trail pass is required for riders 16 years of age and older. See the current conditions page on the DNR website and/or call ahead to check trail conditions and to make sure trails are open.

Bridle Trails:

Equestrians enjoy 41 miles of bridle trail which are traditionally open late April through mid November depending on trail conditions. The main bridle trail winds the linear length of the forest of 33 miles. Two loop trails,

The Kettle Moraine State Forest-Northern Unit has miles of trails for people use at all times of the year. During the summer months, these trails are always busy. Check out page 2 for a map of all the trails in the forest.

photo by Andrea Hansen Abler

Crooked and Forest Lake, provide shorter routes totaling seven miles.

A trail pass is required for riders 16 and older. See the current conditions page on the DNR website and/or call ahead to check trail conditions and to make sure trails are open.

Ice Age Trail: About 31 miles of the Ice Age National Scenic Trail travels the length of the forest. The moderate to difficult course follows sinuous eskers and tumbled moraines descending into bogs and deep kettles.

The Ice Age Trail is a National Scenic Trail located entirely within Wisconsin. The trail is also one of 42 designated Wisconsin State Trails, and the only one specifically designated as a "State Scenic Trail." From Interstate State Park on the Minnesota border to Potawatomi State Park on Lake Michigan, the Ice Age Trail winds for more than 1,000 miles, following the edge of the last continental glacier in Wisconsin.

One of only eight National Scenic Trails, the

Ice Age Trail is intended to be a premier hiking trail and conservation resource for silent sport and outdoor enthusiasts. The trail traverses some of Wisconsin's most scenic landscapes and helps tell the story of the last Ice Age by highlighting Wisconsin's unique glacial features.

The Ice Age Trail travels through 30 counties on state, federal, county and private lands, connecting dozens of communities. There are hundreds of trailheads and access points located along the trail route. More than 600 miles of trail are open. The completed sections of the trail are connected by less-traveled roadways and other temporary routes.

Moraine Nature Trail:

This 0.75 mile, easy nature-trail loop begins at the Ice Age Visitor Center. A self-guided booklet links to the numbered posts along the trail and identifies the common trees of the Kettle Moraine. Picnic tables are available at the trail head. Pets are not allowed on this trail.

Summit Trail: Ac-

cessed from the Long Lake Campgrounds (upper 900s loop), the Summit trail is a one-mile nature trail loop which scales Dundee Mountain. Glacial geology interpretive signs mark this challenging trail to the top of the highest kame in the forest, with panoramic views of the Campbell-sport drumlins and other ice age topography. Pets are not allowed on this trail.

Eisenbahn Trail: The Eisenbahn Trail, which opened in 2006, runs from West Bend, in Washington County, to the Fond du Lac County line in Eden. The trail is on an old railroad track. It is paved through West Bend and unpaved the rest of the way.

The trail has kiosks placed along the way. These serve as markers for information on the area. Trail users can also rest on benches placed by various service organizations.

*Pets allowed on designated trails and must be on a leash (no longer than eight feet long).

Visit The Kettle Moraine Northern Unit

The Kettle Moraine State Forest – Northern Unit owes its unique landscape to glaciers of the Wisconsin Stage of the last Ice Age, which ended approximately 10,000 years ago.

Geological History

Some 20,000 years ago, two lobes of a great ice sheet met along a line extending northeast from Richmond in Walworth County through the Oconomowoc Lake country to Kewaunee County. One lobe moved down what is now the Green Bay-Lake Winnebago area. Spreading under tremendous pressure, the two lobes met and in the encounter, large blocks of ice were broken off and buried in the glacial deposit or till. As the ice melted, “kettles” were formed, some only a few yards across, others 100 to 200 feet deep.

The ice moved under great pressure, changing shape rather than sliding across the face of the land. As it changed shape, large amounts of rock, gravel, sand and silt were picked up and carried along by the glacier. When the ice melted, this material was deposited, in some instances, across glacier-formed valleys. Some “kettles” were formed this way.

The Kettle Moraine is an area of varied topography – parallel, steep-sided ridges, conical hills and flat outwash plains, mostly composed of sand and gravel. Many of the conical hills are conspicuous. Holy Hill reaches an elevation of 1,361 feet above sea level and some 340 feet above the stream valley to the east. Sugar Loaf or Pulford Peak (elevation 1,320 feet) is 320 feet above Pike Lake. Lapham Peak (elevation 1,233 feet), where there is a picnic area and observation tower, is 343 feet above Nagawicka Lake.

Similar detached sand and gravel conical hills, called kames, characterize the moraine throughout much of its extent. Some of these kames are cones formed beneath the glacier by surface streams which fell through holes in the ice. The undulating level-topped, narrow ridges called eskers were probably deposits in open cracks (crevasses) in the ice. In some areas the outwash terraces are pitted due to the melting of buried ice masses.

The Kettle Moraine area rises to 300 or more feet above the lands to the east and west yet is not a continuous divide. Maximum thickness of the drift is not known because few wells reach bedrock. It is possible that the drift reaches a thickness of 500 feet in some places.

Limestone underlies much of the Kettle Moraine. This formation is 450 to 800 feet thick and dips gently eastward. Its western edge or escarpment extends from Washington Island to the Illinois line near Walworth. It lies 20 miles to the west of Kettle Moraine at Greenbush, is completely covered by the moraine in the Waukesha County area, and is eight miles east of the moraine at Elkhorn. Because of the cover of drift, there are few outcrops in the moraine.

Lakes, of several origins, add greatly to the attrac-

tiveness of the Kettle Moraine. With the exception, of Pewaukee Lake, which lies in a preglacial valley blocked on the west and east by drift, all lakes in the Oconomowoc area occupy kettles. Long Lake, Big Cedar Lake and Elkhart Lake occupy preglacial valleys between morainic ridges. These valleys were probably occupied by ice blocks and escaped being filled by glacial drift.

State Forest History

After the period of glaciation, most of the highland surface became forested with fine hardwood timber and the swampy or low areas with softwoods.

Before the 17th century, small bands of roving Indians inhabited the area. With exploration and development of the area during the 18th and 19th centuries by the white settlers, a great change took place.

Fifty percent or more of the land in the northern Kettle Moraine was cleared and turned into farms. Sixty to 70 per cent of the land in the southern Kettle Moraine was farmed. A substantial proportion of the cleared land was submarginal.

Over the years plantings of conifers, such as white and red pine and spruce, have been made in all units of the forest. The pine and spruce will convert to northern hardwood species of maples, cherry, ash and basswood.

With the increase in Wisconsin's population, particularly in the southeastern 16 counties, the need for a large acreage devoted to public outdoor recreation and forestry became evident as early as 1920.

In the 1920s, there were horrific floods in the city of Milwaukee and the city's population was rapidly growing. A group of foresighted people thought that if they could protect the headwaters of the Milwaukee River, this would help reduce the flooding in Milwaukee. They also wanted to provide a large tract of public land for Milwaukee's growing population.

After almost a decade, legislation along with funding became available for the creation of the Kettle Moraine State Forest. In 1936, the Conservation Congress (predecessor to the Department of Natural Resources) acquired 850 acres around Moon Lake (now Mauthe Lake) from the Milwaukee Chapter of the Izaak Walton League. This marked the start of the Northern Unit. Today, the Northern Unit encompasses nearly 30,000 acres within its 36,000 project boundary.

In the 1950s a lawyer from Milwaukee, Ray Zillmer, began a campaign to bring his dream of a National Park protecting the glacial features of Wisconsin to life. With the help of his friends, Congressman Henry S. Reuss and Senator Gaylord Nelson, his dream came to fruition with the creation of the Ice Age National Scientific Reserve and the Ice Age National Scenic Trail. On a sad note, Ray Zillmer died before he could see the creation of the reserve and the Ice Age Trail.

A 1964 Act of Congress established the Ice Age National Scientific Reserve to “assure protection, preser-

vation, and interpretation of the nationally significant values of Wisconsin continental glaciation... and other reminders of the ice age.” The reserve consists of nine units scattered throughout the state and the northern 20,000 of the Northern Unit is one of those reserves. Each reserve site protects a unique glacial feature. The Northern Unit contains some of the finest features of continental glaciation in the state and the world including the interlobate moraine, kame fields, eskers, dry and wet kettles and crevasse fills.

In 1980 the Ice Age Trail was designated as a National Scenic Trail and later as a State Scenic Trail. The trail follows the southern extent of the last glaciers in the state of Wisconsin and is the only National Scenic Trail that is found entirely in only one state. Today about sixty percent of the 1000 mile trail is now complete. The nucleus of the Ice Age National Scenic Trail was the 30-mile “Glacial Trail” that ran through the Northern Unit from north to south.

The Northern Unit's glacial features set the ground work for wide diversity of biological communities and the geographical position of the forest adds to this diversity. The Northern Unit is situated along the “tension zone” which runs in a diagonal path from near Eau Claire to northern Milwaukee. The tension zone marks where the northern forest meets the southern and eastern forest, and the prairies and oak savannahs of the south and west.

A person traveling through the area will encounter such natural communities as northern red oak forests, eastern hardwoods with beech trees, cedar swamps, flood plain forests, kettle wetlands, remnant prairies and northern bogs. The Northern Unit also supports one of the largest intact forests in southeast Wisconsin. This wide array of communities leads to rich diversity of plant and animal life including many threatened and endangered species and species of special concern. Twelve areas within the forest have been set aside as State Natural Areas protecting ten biological communities that were not or slightly disturbed by European settlement and two outstanding geological landmarks.

Today, it takes a team of managers and forest staff to manage all the resources found in the Northern Unit from forestry to fisheries, wildlife, endangered resources and water resources. But, the number one management goal is providing outdoor recreational opportunities with minimal conflicts for the nearly 900,000 annual visitors to the forest. People come to the Northern Unit to participate in a plethora of outdoor pursuits including hiking, hunting, camping, picnicking, swimming, horseback riding, snowmobiling, snowshoeing, cross-country skiing, fishing (year-round), canoeing, boating, geocaching, backpacking, wildlife observing, off-road biking, dog training, spirit renewing, and learning.

Kiwanis Park Swim Pond Offers New Amenities This Summer

The Village of Kewaskum is home to a 1.25-acre swim pond at Kiwanis Community Park that features new amenities this summer.

Kiwanis Community Park is a 34-acre public park located at 1599 Brooklane Drive in Kewaskum.

New this summer at the park's swim pond are a 10-foot tall water slide in the deep end of the pool and an obstacle course in the pond's medium depth area that is composed of individual slides and pieces that swimmers can crawl over and around.

For younger children,

a new floating raft and splash area is located in the pond's shallow end.

Life jackets will be on hand for swimmers to use.

The swim pond still has its iconic giant mushroom sprinkler water feature for swimmers to run through.

This summer there will be new shade umbrellas for families to sit beneath. Those, in addition to the two covered picnic areas provide shelter from the sun.

The swim pond is divided into three different depth areas, ranging zero depth in the shallow section to 20 feet in

the deep area, where two diving boards are located.

The pond is surrounded by a sandy beach that offers some permanent playground equipment.

A concession stand is located adjacent to the swim pond's bath house.

Kiwanis Park also offers tennis courts, horseshoe pits, basketball courts, volleyball courts, baseball diamonds, playgrounds and a covered picnic shelter.

Swim Pond Hours

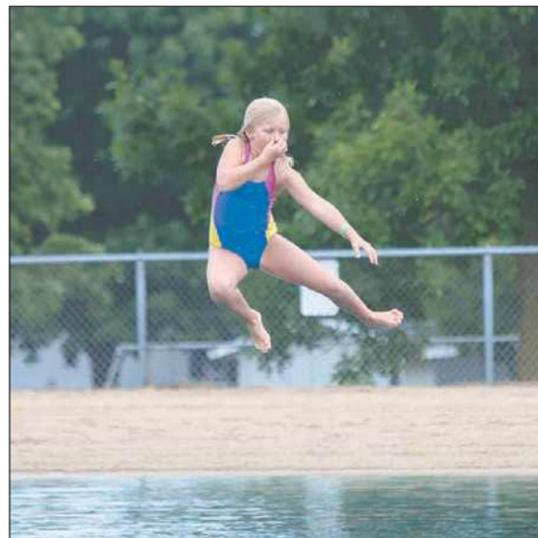

The Kiwanis Community Park Pool's regular

hours will begin Sunday, June 11. Limited hours of operation will begin Tuesday, June 6, through Saturday, June 10. Limited hours on these dates will depend on the weather. Call the pool at 262-626-8011 for opening/closing times.

Beginning June 11, regular beach hours will be: Mondays-Saturdays, 11 a.m.-7 p.m.; and Sundays, 11:30 a.m.-7 p.m.

Hours of operation are subject to weather conditions and/or number of swimmers. For pool closings, call 262-626-8011.

The last day the pool will be open is tentatively August 24, depending on the weather and/or availability of life-guard staff.

Kiwanis Park in Kewaskum is always fun time with their sand pool. The village is in the process of purchasing some new inflatables and shaded seating areas for the pool. Stop by when you are in the area.

photo by Anne Trautner

Swim Passes

Swim season passes will be on sale at the Municipal Building through May 31 during regular office hours. Swim passes also will be sold at the Kiwanis Park Bath House May 15-31, from 11 a.m. to 3 p.m.

A pass for individual residents in grades seven-12 to enjoy 10 separate swim occa-

sions is available for \$10. This is a one-time purchase per person.

New this year for non-residents is a 10 for 15 pass, which allows individual non-residents in grades seven-12 to enjoy 10 separate swim experiences for \$15.

Daily swim passes are available for the following fees: ages under 2, free; ages 3-17, \$3; and

ages 18 and older, \$5.

Individual season swim pass fees are as follows: resident ages 3-17, \$29.75; and non-Resident, ages 3-17, \$45.

Family season swim passes cost \$51 for residents and \$70 for non-residents. A family may consist of two adults and all children in the household ages 17 and younger.

Kiwanis Park in Kewaskum will have some new inflatables like this one for everyone to enjoy.

Kettle Moraine State Forest – Northern Unit Public Programs

Thursday, May 11 — Ticks and Lyme - What You Need to Know An Evening with Nature at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. Ah, those tiny eight-legged critters - ticks! They creep along and then burrow into our skin. Some call them nature's dirty needles. Find out from Wisconsin Lyme Network members the best way to keep ticks at bay and the latest on the diseases they can transmit including Lyme disease. This program is most appropriate for adults and youth over the age of 12 years.

Saturday, May 13 — Water Life Exploring Nature Program at the Mauthe Lake recreation area fishing pier (located off County Road GGG south of County Road SS near New Prospect), 1 p.m.-2:30 p.m. Armed with nets, buckets, and hand lenses explore the shores of Mauthe Lake. We may encounter backswimmers, striders, and tadpoles. Be prepared to get your feet wet. Wear old shoes for trudging in the mud. This program is best for families/groups with children between the ages of six and 12 years.

Wednesday, May 17 — Ice Age Trekkers meet at the Greenbush Group Camp (located off Kettle Moraine Drive between County Road T and Hwy 67 near Greenbush), 7 a.m.-8:15 a.m. Join us for an energizing 2.1-mile morning hike along the Ice Age National Scenic Trail between the Greenbush Group Camp and Highway 67. A shuttle will be available between the starting and finishing spot.

Thursday, May 18 — Pond Life Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. A pond may seem like a quiet spot until you explore more closely. Find out what animals and plants call ponds their homes. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, May 19 — Pond Life Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. A pond may seem like a quiet spot until you explore more closely. Find out what animals and plants call ponds their homes. This hour of nature fun awaits three to six year olds with accompanying adults.

Saturday, May 20 — Get Outdoors! Go... Survive Outdoors at the Ice Age Visitor Center, 9:30 a.m.-11:45 a.m. Oh no! You find yourself lost in the woods. What are you to do? Become skilled at easy techniques to help you survive in the outdoors. Program topics include hike preparations, orienteering compass, simple shelters, water collection, fire building, and rescue aids. This program is most appropriate for people over eight years old.

Wednesday, May 24 — Ice Age Trekkers meet at the Greenbush Group Camp (located off Kettle Moraine Drive between County Road T and Hwy 67 near Greenbush), 6 p.m.-7:15 p.m. Join us for a relaxing 2.1-mile evening hike along the Ice Age National Scenic Trail between the Greenbush Group Camp and Highway 67. A shuttle will be available between the starting and finishing spot.

Friday, May 26 — Journey into Darkness Night Hike at the Zillmer Trails area (located off County Road SS

between County Road G and Hwy 67 near New Prospect), 8:30 p.m.-10 p.m. As the sun sets and the light fades from the sky, the day animals retire and a new group of animals awakens. We will explore the darkening world for sounds of the night. Bring your bug spray and sense of adventure. This night hike is best for families/groups with children at least five years old.

Saturday, May 27 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, May 27 — Birds of a Feather Drop In at the Beach at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 1 p.m.-4 p.m. Have you ever dreamed of flying like a bird? Drop in to learn about the unique adaptations birds possess that help them to fly and survive in a great variety of habitats. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Saturday, May 27 — Night Fliers: Bats Summer Saturday Evening Event at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. Bats are often shrouded in mystery and misunderstandings. Join Barbara and Ken Bowman of Bat Conservation of Wisconsin as they unravel the mysteries and share fascinating facts about these night-time flying mammals and the hazards they face. You may get to meet a live bat up close. This program is best for people over eight years old and is sponsored by the Friends of the Kettle Moraine.

Sunday, May 28 — Birds of a Feather Drop In at the Beach at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 12 p.m.-3 p.m. Have you ever dreamed of flying like a bird? Drop in to learn about the unique adaptations birds possess that help them to fly and survive in a great variety of habitats. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Thursday, June 1 — Wiggling Worms Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. What has no legs, lives underground, and eats dirt? You guessed it - a worm! Unearth the details about the secret lives of these wiggling critters. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, June 2 — Wiggling Worms Nature Storytime

at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. What has no legs, lives underground, and eats dirt? You guessed it - a worm! Unearth the details about the secret lives of these wiggling critters. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, June 2 — Journey into Darkness Night Hike at the Mauthe Lake recreation area picnic shelter (located off County Road GGG south of County Road SS near New Prospect), 8:30 p.m.-10:15 p.m. As the sun sets and the light fades from the sky, the day animals retire and a new group of animals awakens. Bring your bug spray and sense of adventure as we solve the mysteries of the night lights. This night hike is best for families/groups with children at least five years old.

Saturday, June 3 — Fish Fest at the Long Lake recreation area picnic shelter (located off Division Road north of County Road F near Dundee), 9 a.m.-3 p.m. Let the fishing fun begin! Learn how to fish at the Learn to Fish Rodeo or sign up for a Learn to Fly Fish session. Marvel at the unique adaptations of fish. Create your own fish print T-shirt or bandana. Take in a fish cooking demonstration and find out ways to impede the spread of aquatic exotics. Even drop a line in the water to try to catch a fish or two. Fishing equipment provided. To register for learn to fly fishing, call (920) 533-8322 by June 1. No fishing license needed, since it is Free Fishing Weekend, and no admission sticker required as it is Wisconsin State Park System's Open House Weekend.

Saturday, June 3 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, June 3 — Nature Sensations at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 11:30 a.m.-12:30 p.m. Join us as we use all our senses to decipher the mysteries of nature by participating in the Wisconsin Explorers program! This program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. This hour of discovery is geared towards special needs youth with accompanying adults.

WISCONSIN CHEESE

Kettle Moraine State Forest – Northern Unit Public Programs

Saturday, June 3 — Bring Back the Pollinators Summer Saturday Evening Event at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. Did you know native pollinators are essential for worldwide food production? In some cases, wild pollinators improve fruit set of plants at twice the rate of honey bees. But native pollinators face serious declines with some on the brink of extinction. Whether you are a gardener, farmer, beekeeper, or just interested, join Carrie Caselton-Lowe, an ecologist and organic farmer, to find out ways to help bring back the pollinators. Plan to make and take home a simple bee nest to start building pollinator habitat in your yard and community. This program is best for people over eight years old and is sponsored by the Friends of the Kettle Moraine

Sunday, June 4 — Cache Quest A Wisconsin Geocaching Event at the Mauthe Lake recreation area (located off County Road GGG south of County Road SS near New Prospect), Long Lake recreation area (located off Division Road north of County Road F near Dundee), and the Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee), 9 a.m.-3 p.m. Use your geocaching and riddle solving skills to complete three quests to rescue the Glacier King, Water Queen, and Forest Prince. Special prizes awarded to the teams that finish all three quests the quickest. Teams can register at any of the three locations. The Cache Quest is open to all ages. Learn to geocache lessons provided at 9 a.m. and 12 p.m. at the Ice Age Visitor Center. No vehicle admission sticker required, since it is Wisconsin State Park System's Open House Weekend.

Wednesday, June 7 — Ice Age Trekkers meet at the County Road U Ice Age Trail Crossing (located east of the Parnell Tower parking lot located between County Road A and Hwy 67 near Parnell), 7 a.m.-8:15 a.m. Join us for a revitalizing 2.56-mile morning hike along the Ice Age National Scenic Trail between Highway 67 and County Road U. A shuttle will be available between the starting and finishing spot.

Thursday, June 8 — Journey to Spruce Lake Bog Evening Exploration at the Ice Age Visitor Center and the Spruce Lake Bog, 6:30 p.m.-8 p.m. Bogs are very special communities with a lot of uncommon plants and animals. Explore Spruce Lake Bog, a National Natural Landmark, for carnivorous plants, "bouncing soils," and rare flowers. Wear old shoes in case you get your feet wet. We will meet at the Ice Age Visitor Center and then car pool the three miles over to Spruce Lake Bog. This exploration is for people over the age of 12 years.

Canoeing and boating are popular activities on many of the lakes in the Kettle Moraine State Forest-Northern Unit. You can rent boats, canoes and kayaks to use while visiting the forest. The DNR hosts Learn to Kayak and Learn to Canoe programs throughout the summer months.

photo by Andrea Hansen Abler

Saturday, June 10 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, June 10 — Animals of the Forest and City Drop In at the Beach at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 1 p.m.-4 p.m. Discover what animals feel as comfortable living in the

forest as they do in our human populated cities. Pick up tips on how to reside with wild animals in urban and suburban areas. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Saturday, June 10 — The Dragons and Damsels of Summer, Summer Saturday Evening Event at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. Dragonflies and damselflies are true flying gems of summer. Join Freda van den Broek from the Wisconsin Dragonfly Society to gain an understanding about their astonishing life cycles and of how to identify some of the more common families. Find out how you can become involved with the statewide dragonfly citizen monitoring program. This program is most appropriate for people over the age of eight years old and is sponsored by the Friends of the Kettle Moraine.

Sunday, June 11 — Animals of the Forest and City Drop In at the Beach at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 12 p.m.-3 p.m. Discover what animals feel as comfortable living in the forest as they do in our human populated cities. Pick up tips on how to reside with wild animals in urban and suburban areas. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Wednesday, June 14 — Ice Age Trekkers meet at the County Road U Ice Age Trail Crossing (located east of the Parnell Tower parking lot located between County Road A and Highway 67 near Parnell), 6 p.m.-7:15 p.m. Join us for a calming 2.56-mile evening hike along the Ice Age National Scenic Trail between Highway 67 and County Road U. A shuttle will be available between the starting and finishing spot.

Thursday, June 15 — Home Sweet Home Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. Did you ever wonder what lives underground, in the grass, or in a tree? We'll uncover where the animals of the Kettle Moraine call home. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, June 16 — Home Sweet Home Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Did you ever wonder what lives underground, in the grass, or in a tree? We'll uncover where the animals of the Kettle Moraine call home. This hour of nature fun awaits three to six year olds with accompanying adults.

Crave is a trendy eating and drinking establishment that provides good food, good drinks, and good company in a casual setting.

Kettle Moraine State Forest – Northern Unit Public Programs

Saturday, June 17 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, June 17 — Summer Sun Celebration Drop In at the Beach at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 1 p.m.-4 p.m. Come celebrate the sun reaching its annual zenith. Discover what work the sun can do for us from cooking food to powering a car or flashlight. Create a special solar piece of art. Try a cool few sun experiments. Drop in for a few minutes or more than an hour for some sunny nature fun. Adults are encouraged to participate with their children.

Saturday, June 17 — Slippery, Slimy Salamanders Summer Saturday Evening Event at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. Under the cloak of darkness, the secretive salamanders go on the prowl. With a forest naturalist unearth the fascinating life cycle of these remarkable amphibians and the important roles they play in forest ecosystems. This program is most appropriate for people over the age of eight years old and is sponsored by the Friends of the Kettle Moraine.

Sunday, June 18 — Summer Sun Celebration Drop In at the Beach at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 12 p.m.-3 p.m. Come celebrate the sun reaching its annual zenith. Discover what work the sun can do for us from cooking food to powering a car or flashlight. Create a special solar piece of art. Try a cool few sun experiments. Drop in for a few minutes or more than an hour for some sunny nature fun. Adults are encouraged to participate with their children.

Wednesday, June 21 — Ice Age Trekkers meet at the County Road U Ice Age Trail Crossing (located east of the Parnell Tower parking lot located between County Road A and Hwy 67 near Parnell), 7 a.m.-8:15 a.m. Join us for a stimulating 3.06-mile morning hike along the Ice Age National Scenic Trail between County Road U and County Road V. A shuttle will be available between the starting and finishing spot.

Thursday, June 22 — Canoe Adventure at the Mauthe Lake recreation area boat launch (located off County Road GGG south of County Road SS near New Prospect), 6:30 p.m.-8:30 p.m. Venture with us by canoe around Mauthe Lake and up the East Branch of the Milwaukee River. Get a close look at the natural communities within and surrounding the lake and river.

Fishing on a beautiful summer day is always a great way to spend some time. There are more than a dozen lakes around the Kettle Moraine State Forest-Northern Unit to fish. Some have fishing piers and bridges like this one near Mauthe Lake to use.

photo by Andrea Hansen Abler

Basic canoe skills will be covered. To register, call (920) 533-8322 by June 21. Class limit is 24 to 30 people without canoe equipment. No experience is necessary. In the event of threatening weather, the program will be canceled. This adventure is for people over the age of 12 years.

Saturday, June 24 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books

Saturday, June 24 — Alien Attack Drop In at the Beach at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 1 p.m.-4 p.m. We're being invaded not by outer space aliens but by alien plants and

animals. Find out what foreign species can take over our native communities and what people can do to help control their spread. Make several unique crafts including a smashed-plant bandanna. Bring your own bandanna or purchase one for a small fee. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Saturday, June 24 — Twilight Paddle at the Mauthe Lake recreation area boat launch (located off County Road GGG south of County Road SS near New Prospect), 6:30 p.m.-8:30 p.m. Join Jackie Scharfenberg, Forest Naturalist, for an evening canoe trip around Mauthe Lake and up the Milwaukee River. As we paddle, we will keep our eyes and ears open for evening birds and other wildlife. To register, call (920) 533-8322 by June 23. Class limit is 24 to 30 people without canoe equipment. Basic canoe skills will be covered. No experience is necessary. In the event of threatening weather, the program will be canceled. This program is most appropriate for people over the age of eight years old and is sponsored by the Friends of the Kettle Moraine.

Kettle Moraine State Forest – Northern Unit Public Programs

Sunday, June 25 — Alien Attack Drop In at the Beach at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 12 p.m.-3 p.m. We're being invaded not by outer space aliens but by alien plants and animals. Find out what foreign species can take over our native communities and what people can do to help control their spread. Make several unique crafts including a smashed-plant bandanna. Bring your own bandanna or purchase one for a small fee. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Wednesday, June 28 — Ice Age Trekkers meet at the County Road U Ice Age Trail Crossing (located east of the Parnell Tower parking lot located between County Road A and Hwy 67 near Parnell), 6 p.m.-7:15 p.m. Join us for a refreshing 3.06-mile evening hike along the Ice Age National Scenic Trail between County Road U and County Road V. A shuttle will be available between the starting and finishing spot.

Saturday, July 1 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, July 1 — Nature Sensations at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 11:30 a.m.-12:30 p.m. Join us as we use all our senses to decipher the mysteries of nature by participating in the Wisconsin Explorers program! This program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. This hour of discovery is geared towards special needs youth with accompanying adults.

Saturday, July 1 — Wings of Colorful Scales Drop In at the Beach at the Long Lake Recreation Area South Beach (located off Division Road north of County Road F near Dundee), 1 p.m.-4 p.m. On wings of colorful scales, butterflies flutter through the daylight while moths float through the night. You will be amazed at the lives these incredible insects lead. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Saturday, July 1 — An Evening of John Denver Music with Brett Hall Summer Saturday Evening Event at the Mauthe Lake recreation area picnic shelter (located off of County Road GGG south of County Road SS near New Prospect), 6:30 p.m.-8:30 p.m. Take a step back in musical time to enjoy the unforgettable songs of John Denver performed by Brett Hall. This is an outside concert, so remember to bring your blankets and lawn chairs. In the event of inclement weather, the concert will be held at the Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). This program is great for all ages from preschoolers through grandparents and is sponsored by the Friends of the Kettle Moraine.

Saturday, July 1 — S'more Contest and Campfire at the Mauthe Lake recreation area picnic shelter (located off of County Road GGG south of County Road SS near New Prospect), 6:30 p.m.-8:30 p.m. Let your imagination run wild and create your most unique and delicious s'more. A panel of judges will award prizes to the best s'mores of the evening during the family concert intermission. Official contest rules available by June 1 at a Forest office or on the Friends of the Kettle Moraine website. A campfire will be blazing for folks to make their own tasty treats. In the case of inclement weather, the contest will move to the Ice Age Visitor Center (located off Highway 67 half mile west of Dundee). Sponsored by the Friends of the Kettle Moraine.

Sunday, July 2 — Wings of Colorful Scales Drop In at the Beach at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 12 p.m.-3 p.m. On wings of colorful scales, butterflies flutter through the daylight while moths float through the night. You will be amazed at the lives these incredible insects lead. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Wednesday, July 5 — Ice Age Trekkers meet at the Ice Age Trail intersection with Division Road (located south of the Shelter 3 parking lot which is south of County Road F near Dundee), 7 a.m.-8:15 a.m. Join us for a brisk 3.43-mile morning hike along the Ice Age National Scenic Trail between County Road V and Division Road. A shuttle will be available between the starting and finishing spot.

Thursday, July 6 — Long Jumpers: Frogs Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. Able to leap over a lily pad in a single bound! A tongue faster than a fly! It's, it's, it's a frog! Learn truly surprising facts about these long jumpers. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, July 7 — Long Jumpers: Frogs Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Able to leap over a lily pad in a single bound! A tongue faster than a fly! It's, it's, it's a frog! Learn truly surprising facts about these long jumpers. This hour of nature fun awaits three to six year olds with accompanying adults.

Thursday, July 7 — Journey into Darkness Night Hike at the Long Lake recreation area picnic shelter (located off Division Road north of County Road F near Dundee), 8:30 p.m.-10 p.m. As the sun sets and the light fades from the sky, the day animals retire and a new group of animals awakens. We will explore the darkening world for nocturnal insects. Bring your bug spray and sense of adventure. This night hike is best for families/groups with children at least five years old.

Saturday, July 8 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, July 8 — Awesome Amphibians and Radical Reptiles Drop In at the Beach at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 1 p.m.-4 p.m. Many snakes, turtles, frogs, toads, and salamanders make Wisconsin their home. Meet several of these marvelous creatures up close and learn about their unique adaptations. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Saturday, July 8 — Snakes of Wisconsin Summer Saturday Evening Event at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. A wide variety of snakes calls Wisconsin

home. Join Randy Hetzel, naturalist, to uncoil the unique adaptations of these remarkable reptiles and what habitat requirements they need to survive. You may have the opportunity to meet a few live snakes. This program is most appropriate for people over eight years old and is sponsored by the Friends of the Kettle Moraine.

Sunday, July 9 — Create Upscaled Art Drop In at the Beach at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 12 p.m.-3 p.m. Let your creative juices flow! Using materials usually thrown away, fashion several fabulous upscaled art projects including jewelry pieces. Everyone is invited to drop in for a few minutes or more than an hour for artistic fun. Adults are encouraged to participate with their children.

Wednesday, July 12 — Ice Age Trekkers meet at the Ice Age Trail intersection with Division Road (located south of the Shelter 3 parking lot which is south of County Road F near Dundee), 6 p.m.-7:15 p.m. Join us for an unwinding 3.43-mile evening hike along the Ice Age National Scenic Trail between County Road V and Division Road. A shuttle will be available between the starting and finishing spot.

Thursday, July 13 — Dealing with Pesky Wildlife Evening Exploration at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. We enjoy the antics of and respect wildlife as long as they don't become a problem such as woodpeckers destroying cedar siding, geese and turkeys creating messes, and raccoons digging through our garbage. With Dianne Robinson, Wisconsin Dept. of Natural Resources Wildlife Biologist, delve into the benefits and detriments of living in close quarters with these wild critters, and the different ways humans can live in harmony with them. This exploration is for people over the age of 12 years.

Saturday, July 15 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, July 15 — Get Outdoors! Play Day at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 1 p.m.-4 p.m. Bring the whole family for an afternoon of nature and outdoor fun! Try your hand at tracking animals, honing your fishing skills, taking the eco-explorer challenge, matching young critters with their parents, and crafting original nature art. Everyone is invited to drop in for a few minutes or more than an hour. Adults are encouraged to participate with their children.

Saturday, July 15 — Silent Fliers: Owls Summer Saturday Evening Event at the Ice Age Visitor Center, 7 p.m.-8:15 p.m. Wisconsin is home to several species of owls from the large great horned to the tiny screech. Join the staff from the Schlitz Audubon Nature Center to discover the many extraordinary adaptations owls possess to hunt in the darkness of night including large eyes, soft feathers, incredible hearing, and sharp talons. Come examine owl artifacts and meet live owls. This program is most appropriate for people more than eight years old and is sponsored by the Friends of the Kettle.

Kettle Moraine State Forest – Northern Unit Public Programs

Sunday, July 16 — Get Outdoors! Play Day at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 12 p.m.-3 p.m. Bring the whole family for an afternoon of nature and outdoor fun! Try your hand at tracking animals, honing your fishing skills, taking the eco-explorer challenge, matching young critters with their parents, and crafting original nature art. Everyone is invited to drop in for a few minutes or more than an hour. Adults are encouraged to participate with their children.

Wednesday, July 19 — Ice Age Trekkers meet at the Mauthe Lake Recreation Area Entrance Station (located off County Road GGG south of County Road SS near New Prospect), 7 a.m.-8:15 a.m. Join us for an invigorating 3.3-mile morning hike along the Ice Age National Scenic Trail between Division Road and County Road GGG. A shuttle will be available between the starting and finishing spot.

Thursday, July 20 — Fluffy, Puffy Clouds Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. Lay back and watch the clouds float by. Find out how these fluffy, puffy clouds are formed and what may fall from them. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, July 21 — Fluffy, Puffy Clouds Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Lay back and watch the clouds float by. Find out how these fluffy, puffy clouds are formed and what may fall from them. This hour of nature fun awaits three to six year olds with accompanying adults.

Saturday, July 22 — Outdoors! Go... Learn to Kayak at the Mauthe Lake recreation area boat launch (located off County Road GGG south of County Road SS near New Prospect), 9:30 a.m.-12 p.m. or 1 p.m.-3:30 p.m. This is the perfect program for people who have never kayaked and would like to learn. Join American Canoe Association instructors to learn the tricks and fun of flat water kayaking. We will kayak around Mauthe Lake and up the Milwaukee River. To register, call (920) 533-8322 by July 21. A \$25 deposit must be paid to hold at registration which will be refunded at the workshop. No experience is necessary. The program is for people at least 10 years old. In the event of threatening weather, the program will be canceled.

Saturday, July 22 — Saturday Morning Nature Sleuths

at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, July 22 — Birds of a Feather Drop In at the Beach at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 1 p.m.-4 p.m. Have you ever dreamed of flying like a bird? Drop in to learn about the unique adaptations birds possess that help them to fly and survive in a great variety of habitats. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Saturday, July 22 — Whoopers and Sandhills: Wisconsin's Cranes Summer Saturday Evening Event at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. Whooping and sandhill cranes both call Wisconsin home. The whooping crane is one the most endangered cranes of the world while sandhills the most abundant. Join the International Crane Foundation staff to learn about their fascinating life histories and specific habitat requirements, how people can help them to survive, and how they compare to the other 13 crane species found throughout the world. This program is most appropriate for people over the age of eight years old and is sponsored by the Friends of the Kettle.

Sunday, July 23 — Birds of a Feather Drop In at the Beach at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 12 p.m.-3 p.m. Have you ever dreamed of flying like a bird? Drop in to learn about the unique adaptations birds possess that help them to fly and survive in a great variety of habitats. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Wednesday, July 26 — Ice Age Trekkers meet at the Mauthe Lake Recreation Area Entrance Station (located

off County Road GGG south of County Road SS near New Prospect), 6 p.m.-7:15 p.m. Join us for a casual 3.3-mile evening hike along the Ice Age National Scenic Trail between Division Road and County Road GGG. A shuttle will be available between the starting and finishing spot.

Thursday, July 27 — Wisconsin's Mighty Mussels Evening Exploration, 6:30 p.m.-8 p.m. Contact the Ice Age Visitor Center for meeting location. Warty purpleback, monkeyface, and creek heelsplitter sound like kids' nicknames, but they are just a few of Wisconsin's 51 species of mussels. These clam-like animals (bivalves) have truly intriguing life cycles, which include finding a host animal for their young, and play fascinating roles in our past and present economy. Weather permitting, Lisie Kitchel, Wisconsin Department of Natural Resources Conservation Biologist, will lead a mussel hunt in a local river, so bring your water shoes. This exploration is for people over the age of 12 years.

Saturday, July 29 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, July 29 — Get Outdoors! Go... Learn Outdoor Cooking at the Long Lake recreation area north beach (located off Division Road north of County Road F near Dundee), 1 p.m.-4 p.m. Brush up on your outdoor cooking skills or learn a new technique. The naturalists will be baking cakes, toasting pudgy pies, and whipping up some other tasty treats. You'll be surprised at how easy cooking in the outdoors can be. We'll also cover fire building/safety. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Kettle Moraine State Forest – Northern Unit Public Programs

Saturday, July 29 — Black Bears in Wisconsin Summer Saturday Evening Event at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. Black bears are thriving in Wisconsin. Join Maggie Steward, Wisconsin Dept. of Natural Resources Assistant Big Game Ecologist, as she shares facts about black bear natural history, ecology, and management. Discover ways for humans to better co-exist with these incredible animals. This program is most appropriate for people more than eight years old and is sponsored by the Friends of the Kettle Moraine.

Sunday, July 30 — Get Outdoors! Go... Learn Outdoor Cooking at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 12 p.m.-3 p.m. Brush up on your outdoor cooking skills or learn a new technique. The naturalists will be baking cakes, toasting pudgy pies, and whipping up some other tasty treats. You'll be surprised at how easy cooking in the outdoors can be. We'll also cover fire building/safety. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Wednesday, August 2 — Ice Age Trekkers meet at the Shelter 2 Parking Lot (located off County Road S southwest of County Road GGG near New Fane), 7 a.m.-8:15 a.m. Join us for an energizing 2.13-mile morning hike along the Ice Age National Scenic Trail between County Road GGG and County Road S. A shuttle will be available between the starting and finishing spot.

Thursday, August 3 — Going Batty Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. Come enter a bat's world to learn about these nighttime bug eaters and why they are our batty friends. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, August 4 — Going Batty Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Come enter a bat's world to learn about these nighttime bug eaters and why they are our batty friends. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, August 4 — Journey into Darkness Night Hike at the Mauthe Lake recreation area picnic shelter (located off County Road GGG south of County Road SS near New Prospect), 8 p.m.-9:45 p.m. As the sun sets and the light fades from the sky, the day animals retire and a new group of animals awakens. We will

explore the darkening world for sounds of the night. Bring your bug spray and sense of adventure. This night hike is best for families/groups with children at least five years old.

Saturday, August 5 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, August 5 — Nature Sensations at the Long Lake Recreation Area South Beach (located off Division Road north of County Road F near Dundee), 11:30 a.m.-12:30 p.m. Join us as we use all our senses to decipher the mysteries of nature by participating in the Wisconsin Explorers program! This program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. This hour of discovery is geared towards special needs youth with accompanying adults.

Saturday, August 5 — Get Outdoors! Go... Learn Archery at the Mauthe Lake recreation area (located off County Road GGG south of County Road SS near New Prospect), 1 p.m.-4 p.m. What do Robin Hood, Katniss Everdeen, and Hawkeye have in common? Bows and arrows! Try your hand at shooting a bow and arrow and gain the basic skills of archery. Everyone is invited to drop in for a few minutes or more than an hour. Adults are encouraged to participate with their children.

Saturday, August 5 — Flying for the Wisconsin DNR Summer Saturday Evening Event at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. From spotting fires to tracking whooping cranes, no day is ever the same in the life of a DNR pilot. Learn about the varied missions a DNR pilot flies throughout the year and how the Aeronautics Team supports not only the DNR, but local agencies and university research partners as well. Beverly Paulan, Wisconsin Department of Natural Resources Pilot, photographer, and field biologist, will

share photos she has taken from the plane while flying. This program is best for people over eight years old and is sponsored by the Friends of the Kettle Moraine

Sunday, August 6 — Animals of the Forest and City Drop In at the Beach at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 12 p.m.-3 p.m. Discover what animals feel as comfortable living in the forest as they do in our human populated cities. Pick up tips on how to reside with wild animals in urban and suburban areas. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Wednesday, August 9 — Ice Age Trekkers meet at the Shelter 2 Parking Lot (located off County Road S southwest of County Road GGG near New Fane), 6 p.m.-7:15 p.m. Join us for a relaxing 2.13-mile evening hike along the Ice Age National Scenic Trail between County Road GGG and County Road S. A shuttle will be available between the starting and finishing spot.

Thursday, August 10 — An Ice Age Sunset Evening Exploration at the Parnell Trail parking lot (located off County Road U between Hwy 67 and County Road A near Parnell), 6:30 p.m.-8 p.m. Hike to the Ice Age National Scenic Trail to catch a beautiful Ice Age sunset. Along the way investigate the surrounding woods and gain an understanding of the area's glacial legacy. Make sure to wear sturdy footwear. In the event of threatening weather, the program will be canceled. This exploration is for people over the age of 12 years.

Saturday, August 12 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Kettle Moraine State Forest – Northern Unit Public Programs

Saturday, August 12 — Get Outdoors! Go... Learn to Fish Rodeo at the Mauthe Lake Recreation Area Fishing Pier (located off County Road GGG south of County Road SS near New Prospect), 1 p.m.-4 p.m. Let the fishing fun begin! The rodeo includes games and activities such as Backyard Bass Casting, Fill the Tackle Box, Fishing Regulations Quiz, Avoiding Hazards, Knots Tie-up, What's that Fish? and Baiting your Hook. After completing the rodeo, experienced anglers on the fishing pier will help hone your newly acquired skills. Special surprises and prizes await all who participate. Fishing gear will be provided for those who need it, or bring your own gear. Drop in at any time. People age 16 and older need a fishing license to fish.

Saturday, August 12 — Paper Making with Prairie Grass Summer Saturday Evening Event at the Ice Age Visitor Center, 6:30 p.m.-8 p.m. Did you know you can make paper from dried plants and grasses from your garden or prairie? Mel Kolstad, artist/certified paper-maker, will instruct participants on how gorgeous handmade paper can be made by combining plants, soda ash, boiling water, and pressure. This program is most appropriate for people more than 10 years old. Sponsored by the Friends of the Kettle Moraine

Sunday, August 13 — Create Upscaled Art Drop In at the Beach at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 12 p.m.-3 p.m. Let your creative juices flow! Using materials usually thrown away, fashion several fabulous upscaled art projects including jewelry pieces. Everyone is invited to drop in for a few minutes or more than an hour for artistic fun. Adults are encouraged to participate with their children.

Wednesday, August 16 — Ice Age Trekkers meet at the Shelter 2 Parking Lot (located off County Road S southwest of County Road GGG near New Fane), 7 a.m.-8:15 a.m. Join us for a revitalizing 2.94-mile morning hike along the Ice Age National Scenic Trail between County Road S and Kettle Moraine Drive. A shuttle will be available between the starting and finishing spot.

Thursday, August 17 — Slow Moving Snails Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. Silvery trails in the morning light tell us where the snails have been. Join us as we explore the slow-moving world of the snail. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, August 18 — Slow Moving Snails Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Silvery trails in the morning light tell us where the snails have been. Join us as we explore the slow-moving world of the snail. This hour of nature fun awaits three to six year olds with accompanying adults.

Saturday, August 19 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, August 19 — Wings of Colorful Scales Drop In at the Beach at the Mauthe Lake Recreation Area Beach (located off County Road GGG south of County Road SS near New Prospect), 1 p.m.-4 p.m. On wings of colorful scales, butterflies flutter through the daylight while moths float through the night. You will be amazed at the lives these incredible insects lead.

Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Saturday, August 19 — Nature's Cuisine: Wild Edibles Summer Saturday Evening Event at the Ice Age Visitor Center, 6:30 p.m.-8 p.m. If you know where to look, nature can provide a whole smorgasbord of food. Find out from a forest naturalist what plants are safe to eat and let your tastebuds decide which are "good" to eat. This program is most appropriate for people over the age of eight years old. Sponsored by the Friends of the Kettle Moraine

Sunday, August 20 — Wings of Colorful Scales Drop In at the Beach at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 12 p.m.-3 p.m. On wings of colorful scales, butterflies flutter through the daylight while moths float through the night. You will be amazed at the lives these incredible insects lead. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Wednesday, August 23 — Ice Age Trekkers meet at the Shelter 2 Parking Lot (located off County Road S southwest of County Road GGG near New Fane), 6 p.m.-7:15 p.m. Join us for a calming 2.94-mile evening hike along the Ice Age National Scenic Trail between County Road S and Kettle Moraine Drive. A shuttle will be available between the starting and finishing spot.

Thursday, August 24 — Behind the Scenes of a Timber Harvest Evening Exploration, 6:30 p.m.-8 p.m. Contact the Ice Age Visitor Center for meeting location. With Adam Zirbell, Wisconsin Dept. of Natural Resources Forester, take a behind the scenes tour of an active timber harvest. Learn how foresters manage the forest and determine which trees to cut, and check out the latest equipment lumber harvesters use. Make sure to wear sturdy footwear. In the event of threatening weather, the program will be canceled. The adventure is for people over the age of 12 years.

Saturday, August 26 — Saturday Morning Nature Sleuths at the picnic shelters at the Mauthe Lake recreation area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, August 26 — Summer Sun Celebration Drop In at the Beach at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 1 p.m.-4 p.m. Come celebrate the summer sun! Discover what work the sun can do for us from cooking food to powering a car or flashlight. Create a special solar piece of art. Try a few cool sun experiments. Drop in for a few minutes or more than an hour for some sunny nature fun. Adults are encouraged to participate with their children.

Saturday, August 26 — Family Concert with Randy Peterson at the Mauthe Lake recreation area picnic shelter (located off County Road GGG south of County Road SS near New Prospect), 6:30 p.m.-8:30 p.m. Randy Peterson, an award winning children's musician, invites folks to sing-along, laugh-along, clap-along, and have fun! His catchy original songs possess universal appeal and spotlight a variety of musical styles - from folk to rock, to reggae, to polka. This is an outdoor concert so remember to bring your lawn chairs and blankets.

In case of inclement weather, the concert will be held at the Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). Sponsored by the Friends of the Kettle Moraine

Sunday, August 27 — Summer Sun Celebration Drop In at the Beach at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 12 p.m.-3 p.m. Come celebrate the summer sun! Discover what work the sun can do for us from cooking food to powering a car or flashlight. Create a special solar piece of art. Try a few cool sun experiments. Drop in for a few minutes or more than an hour for some sunny nature fun. Adults are encouraged to participate with their children.

Friday, September 1 — Ladybugs Everywhere Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Ladybugs are friendly beetles that help gardeners and farmers. Find out what these tiny insects do that is of such importance to all of us. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, September 1 — Journey into Darkness Night Hike at the Zillmer Trails area (located off County Road SS between County Road G and Hwy 67 near New Prospect), 8 p.m.-9:30 p.m. As the sun sets and the light fades from the sky, the day animals retire and a new group of animals awakens. We will explore the darkening world for nocturnal insects. Bring your bug spray and sense of adventure. This night hike is best for families/groups with children at least five years old.

Saturday, September 2 — Saturday Morning Nature Sleuths at the picnic shelters at Mauthe Lake recreation area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake recreation area (located off Division Road north of County Road F near Dundee), 10 a.m.-11 a.m. Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, September 2 — Get Outdoors! Play Day at the Long Lake recreation area south beach (located off Division Road north of County Road F near Dundee), 1 p.m.-4 p.m. Bring the whole family for an afternoon of nature and outdoor fun! Try your hand at tracking animals, honing your fishing skills, taking the eco-explorer challenge, matching young critters with their parents, and creating original nature art. Everyone is invited to drop in for a few minutes or more than an hour. Adults are encouraged to participate with their children.

Saturday, September 2 — Deep Sky Objects Summer Saturday Evening Event at the Ice Age Visitor Center, 7:30 p.m.-8:30 p.m. What objects lie beyond our solar system? What are a nebula, an "M" object, and globular cluster? Join Jeff Setzer, a member of the Northern Cross Science Foundation, as he describes these and other extraordinary deep sky objects. This program is most appropriate for people more than eight years old and is sponsored by the Friends of the Kettle Moraine

Saturday, September 2 — Summer Star Gazing, Summer Saturday Evening Event at the Ice Age Visitor Center, 8:45 p.m.-11 p.m. Look through a telescope or binoculars to bring into focus the wonders of the night sky. With the help of experienced night sky observers from the Northern Cross Science Foundation, spy distant planets, dumb-bell nebulas, globular clusters, and so much more. The program will be held only if the skies are clear. This program is best for anyone more than eight years old. Drop in any time and stay as long as you like. Sponsored by the Friends of the Kettle Moraine.

Sunday, September 3 — Get Outdoors! Play Day at the Mauthe Lake recreation area beach (located off County Road GGG south of County Road SS near New Prospect), 12 p.m.-3 p.m. Bring the whole family for an afternoon of nature and outdoor fun! Try your hand at tracking animals, honing your fishing skills, taking the eco-explorer challenge, matching young critters with their parents, and creating original nature art. Everyone is invited to drop in for a few minutes or more than an hour. Adults are encouraged to participate with their children.

Area's History Comes Alive At Local Museum In Kewaskum

A little piece of local history sits right next to the scenic Milwaukee River on Parkview Drive in Kewaskum, just waiting to be seen.

Actually, it's closer to a gazillion pieces, not many are aware of the

breadth of the collection the Kewaskum Historical Society has built up.

The society's museum has the only milk can washer in the state and an authentic log house next door that takes you back to life in the 1840s.

The museum features a blacksmith shop, carpenter shop and an old printing press. A second floor houses a miniature farm, a cheese factory, a doll house based on a house in Beechwood, trains and steam en-

gines, a school room from an old country school, a parlor, doctor's/dentist's office and a general store.

"It's a lot of everything," Dan Schmidt, founder of the Historical Society and vice president.

"I think it's something we need to save. Otherwise our children and grandchildren aren't going to know how things were," he said. "If you want to know where you're going in the future, you have to know where you went in the past," stated Schmidt.

Schmidt said items come from society members, people in the surrounding area and from across the country. Someone in California may have grandparents who pass away who had ties to Kewaskum, and will send photos or other remnants of past generations.

Sometimes, modern technology and the kindness of local businesses pitch in. The milk can washing machine came from the Beechwood Cheese Factory after it was ordered to stop using cans and go to bulk. The factory sold the washer for scrap and then found out the His-

torical Society was interested. The Heise family promptly bought it back from the scrap dealer and donated it.

The museum opened in 1976, year of the country's bicentennial, and quickly received a unique honor. The society became affiliated with the Wisconsin Historical Society and received a certificate of commendations the same year the museum opened. Normally, affiliation for three years is the standard before commendations are given.

The log house opened in 1982, the culmination of a three-year project. It was donated by the Reysen family, which planned on tearing it down before building a new home on the family farm. Marshal Reysen and his son, Randy, are active society members and have both served as president.

The society hosts a couple of events to take people back to a simpler time. In late May, Pioneer Days invites 175+ area fourth-graders to experience life as their great grandparents lived it. They play a game of old baseball called field ball, shell corn, braid

jump rope, make hand-dipped candles over an open fire outside and make corn bread over an open fire in a Dutch oven.

The society's signature event marks the closing of the museum and log cabin for winter. Each year on the Sunday after Labor Day, Early Farm Days packs in 60-80 exhibitors showing off old equipment and machinery along the Milwaukee River. Antique steam engines, gas engines, cars, trucks, threshers, sawed lumber and processed grain can be taken in firsthand. In addition, the event includes refreshments and horse-drawn wagon rides and a small farm animals to pet.

Early farm was originally held in conjunction with the formation of the society before the museum was opened.

While you are visiting the Kettle Moraine Forest, take a drive to Kewaskum to check out the museum. Before you leave, also stop at the Coffee Corner to check out the historical society's display. They have pictures and recollections hung up on the wall through the beginning of July.

This was one of the antique displays at the Historical Society's annual Old Farm Days held at the end of the summer.

Boltonville Rain Days Celebrates 100 Years

The Boltonville Volunteer Fire Department is celebrating its 100th anniversary this year with a huge celebration: Boltonville Rain Days will be held Friday, May 26, through Sunday, May 28.

The event will feature entertainment all weekend on the fire department's grounds, located at 9336 Bolton Drive in Boltonville.

The celebration will include:

Carnival

A carnival with rides, games, food, music and beer will be held through the weekend.

Wristband specials to ride all the rides for one low price will be available Friday, from 6 to 10 p.m.; Saturday, from 1 to 5 p.m.; and Sunday, from noon to 4 p.m.

Fireworks

A huge fireworks display will be held Friday, May 26, at dusk, weather permitting.

Water Fights

Water fights will occur on Saturday, May 27, at 3:30 p.m.

Parade

The annual Boltonville Prize Parade will begin on Sunday, May 28, at

noon.

Bloody Mary Bar

New this year will be a special Bloody Mary Bar, available at the fire house on Sunday, May 28, before the parade starts.

Turkey And Ham Dinner

A turkey and ham dinner will be served on Sunday, May 28, from 11 a.m. to 2 p.m.

Live Music

Friday, May 26 - Ozaukee Country Jam Band, 5 to 8:30 p.m.; and Vic Ferrari, 9 p.m. to 1 a.m.

Saturday, May 27 - Badger Crew, 3:30 to 7:30 p.m.; and Saving Savannah and Riding Shotgun, 9 p.m. to 1 a.m.

Sunday, May 28 - Acoustic Night with Bob and Andy James, 10 a.m. to noon; Goodtime Dutchmen, and Carol and the Keynotes, 1 to 6 p.m.; Pink Houses, 1 to 5:30 p.m.; and Rebel Grace, 8:30 p.m. to

12:30 a.m.

100th Anniversary Souvenirs

Special mementos will be available for purchase throughout the weekend, including a booklet, T-shirts and cups honoring the fire department's 100th anniversary.

Raffle Prizes

Raffle tickets for more

than 100 prizes will be sold during the Rain Days celebration. The tickets are also available at Marshall's Country Corner, Enright's Tap, The Alibi in Boltonville and from any Boltonville firefighter.

The drawing will be on Thursday, June 1, at 9 p.m. at the Boltonville Fire House. Winners need not be present.

Boltonville Rain Days will be held Friday, May 26, through Sunday, May 28, to celebrate the Boltonville Volunteer Fire Department's 100th anniversary. Entertainment will be provided throughout the celebration.

Boating is always a fun and relaxing activity in the Kettle Moraine State Forest. This sailboat was cruising around Mauthe Lake.
photo by Andrea Hansen Abler

Friends Of The Kettle Moraine

The Friends of the Kettle Moraine is a non-profit organization dedicated to promoting a greater appreciation and enhancement of the Kettle Moraine State Forest-Northern Unit.

The group was created in the mid 1980s to inform and educate the public. The general goal was to develop a greater appreciation and environmental awareness of Wisconsin natural resources. Specific goals were to enlist public involvement in the activities and future direction of the Forest and to provide financial assistance directly to the Kettle Moraine State Forest – Northern Unit for new programs and activities.

The first meeting of the Friends group, held in July 1984 at the Ice Age Center, was hosted by William Moorman of the DNR Bureau of Parks and Recreation. Local press releases resulted in a large turnout of local citizens who were very receptive. The group elected Gus Christ, Byron Gessner, Jerry Ninnemann, William Stoffel, Irene O’Laughlin, Jerry Schanen, and John Zillmer as board members.

The Northern Unit of the Kettle Moraine State Forest is located 45 minutes north of Milwaukee. The group’s mission is to aid in the understanding of the human and natural history of the forest, so that visitors can enjoy and appreciate the heritage of the Kettle Moraine area.

The Friends of the Kettle Moraine has more than 100 individual members and around 10 business members.

They are always welcoming new memberships.

The group holds three or four meetings a year and a large year-end informational meeting that includes a meal. Representatives from the DNR are also in attendance at the year-end meeting. The group, along with the DNR, discuss any upcoming projects for the next year.

The Friends have volunteers called trail watchers, who also walk the many trails and relate any concerns or trouble spots back to the DNR. These trail watchers are a valuable resource for the DNR.

Visitors can explore 30,000 acres of rolling hills, lakes, forests, grasslands, and parks. There are many trails open all year round for your enjoyment. A great place to start your outdoor adventure is at the Henry S. Reuss Ice Age Visitor Center. You may purchase a state park sticker and park merchandise from the center’s gift shop. Your purchase helps support the Friends of the Kettle Moraine Forest. The forest hosts approximately one million visitors a year.

The Friends of the Kettle Moraine inform people about the Northern Unit by volunteering at the Ice Age Visitor Center. They help publicize the unique recreational and educational opportunities available within the forest.

They assist with recruiting volunteers for special events and give input for the future direction of the forest. The group raises funds to

provide financial assistance for educational programs, invasive species control, and special projects.

Some of the projects the Friends group has completed include the heated shelter at the Zillmer Trails, playground equipment at Mauthe Lake, wood sale sheds at both Mauthe and Long Lakes, prairie plantings near Long Lake, and the butterfly garden at the Ice Age Visitor Center. The next big undertaking for the group will be raising the funds for new exhibits at the Ice Age Visitor Center.

The Friends of the Kettle Moraine provide a variety of events in the Northern Unit. Many of these events are held at the Ice Age Center. They sponsor a yearly Candlelight Ski in January and Earth Week Litter cleanup in April. They also provide a Halloween Hike in November at Long Lake. This is an educational hike for young children.

The Friends are continuing with many improvements in and around the Ice Age Center. They also have a Land Fund set up. This fund will help with the purchase of more private land in the Kettle Moraine Forest when the land becomes available.

For more information about the Friends of the Kettle Moraine, contact a Northern Unit staff member, write the Friends at P.O. Box 143, Campbellsport, WI 53010, or visit www.fwsp.org/fotkm.

Blankets line the hill by the Milwaukee River in Kewaskum before the annual fireworks that are held on July 3rd. It is a great way to celebrate Independence Day every year.

photo by Anne Trautner

Independence Day Celebration In Kewaskum

Fireworks will be held at dusk on Monday, July 3, at River Hill Park, located between Parkview Drive and Riverview Drive in the Village of Kewaskum. The rain date is July 4.

People can begin laying down blankets at the park to reserve their spots for the fireworks at 6 a.m. on July 1.

On July 3, music will be performed at 7 p.m.

in the large shelter on top of the hill. The band will play again after the fireworks display, until about midnight.

Food and beverages will be served at the park, beginning at 5:30 p.m. Hamburgers and beer are among the offerings. Proceeds benefit the Kewaskum Firefighters Association.

In addition, the Kiwanis Club will sell popcorn

and ice cream.

No carry-ins are allowed, and sparklers are prohibited.

Following the fireworks display, cars parked in the grass lot or on the west side of the Milwaukee River will be directed west on Highway 28.

Traffic will be directed for about an hour after the fireworks ends.

Music In The Park

Music In The Park will be held at River Hill Park, located between Parkview Drive and Riverview Drive in the Village of Kewaskum.

The free concerts will be held from 6:30 to 8:30 p.m., on Tuesdays, June 20 through August 8. Concessions stands open at 5:30 p.m.

This five-week series will feature music by the following groups:

June 20– The Whiskeybelles will perform country music.

July 11– Kewaskum Big Band, a 25-piece band that plays good old swing music from the 1930s and 1940s, is made up of performers from Kewaskum, West Bend, Grafton, Slinger, Richfield and Sheboygan.

July 18– Big Cedar Blue Grass Band plays

some of the best bluegrass music in the area.

July 25– Sun Rays, made up of area musicians, perform classic rock music and other fun stuff.

August 8– Goodtime Dutchmen, a polka band that is an annual favorite in Kewaskum.

Each week, the Kewaskum Fire Department will serve burgers, brats, beer, soda and more.

Party On The Pavement

Party on the Pavement will be held in downtown Kewaskum on Tuesday, June 27, from 10 a.m. until 11 p.m.

Held in the municipal parking lot on Main Street, the Party on the Pavement festival features continuous live music and family activities.

The day will feature vendors and crafts, as well as plenty of games and children's activities.

A wide range of food and beverages will be served, from pork sandwiches and hot dogs to cotton candy, popcorn and beer.

New this year is a one-mile fun run/walk that will begin at the Finish Line Training Studio at 1010 Fond du Lac

Ave. and finish near the Party on the Pavement grounds. There will be cash prizes awarded to the top three overall male and female finishers and other fun give-

aways for all participants, including a T-Shirt.

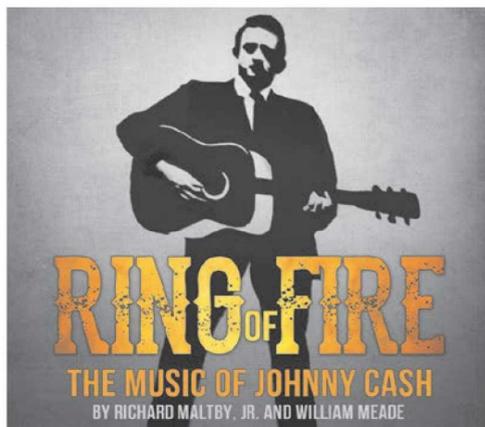

Party on the Pavement is sponsored by the Kewaskum Area Chamber of Commerce.

These girls were having fun riding ponies at the Party on the Pavement event last summer.

Campbellsport Firemen's Picnic And Parade

If you are looking for something fun to do while you are in the Kettle Moraine area over the Fourth of July holiday, take the drive to Campbellsport. The Campbellsport Volunteer Fire Department's (CFD) annual picnic and parade is celebrated on July 3rd and 4th. Fireworks, food, music, and a large parade are just a few of the traditions passed down from generation to generation.

Some of the events will include fire department waterfights, children's waterfights, bands, games for the kids, food and refreshments.

The events will kick-off on July 3rd at 3 p.m. with the children's waterfights. Teams of three to four children will compete against each other to see who can move the barrel the farthest.

They will definitely get wet, but they always love every minute of it.

The adult waterfights will follow. Area fire departments will test their skills to see which department will come out on top.

End the night listening to a popular Wisconsin band. Every year the fire department hosts a good band that will keep everyone entertained all night.

The festivities will be just as exciting on the Fourth of July.

Events will start at 8 a.m. with the annual Cougar Dash. This is a 5K run/walk sponsored by the Cougar Booster Club. Runners and walkers will start and end the race at Firemen's Park. A kids half-mile run will begin at 9:15 a.m.

A car show is held at the park during the pic-

nic on the Fourth. It starts at 10 a.m.

The July 4th parade begins at noon and marches down Main Street.

More musical entertainment will take place in the park throughout the day. Polka music and rock and roll will be heard from the different stages.

Both days will be a great time to bring your family as there will be many events for children. There will also be inflatable games and rides for children of all ages.

A huge fireworks display will be held at 10 p.m. This great display will end the two-day event with a bang.

For a complete event listing or for more information on all the events, go to www.campbellsportfire.com.

The annual Fourth of July parade in Campbellsport is always a fun way to enjoy the holiday. The Campbellsport Fire Department holds its picnic and parade every year on July 3rd and 4th. Stop by and enjoy the festivities

Main Street Mania Coming To Campbellsport

The Campbellsport Chamber of Commerce hosts a Main Street Mania event every year in August. This year it will be held on Thursday, Aug. 10.

It will be held on the west end of Main Street between Fond du Lac Avenue and Railroad Street. It runs from 10 a.m.-10 p.m. You will be able to check out a number of different vendors for various items, listen to great music, check out some barbecue geniuses, sample some delicious local food, play some great games and

much, much more.

All of the vendors who attend the weekly Farmers' Market are invited to participate in Main Street Mania along with many other different types of vendors and crafters.

There will be entertainment most of the day.

A highlight of the day is always the barbecue contest. Many area grill masters will be on site cooking their favorite barbecue recipes for the competition. This is sure to be a mouth-watering event. You may even be

able to sample some of the entries.

Food and refreshments will be available throughout the day from Chamber businesses. Make sure you try some of their delicious food.

Games for children will be set up at the event. Food and refreshments will also be available all day.

It will be a great day with lots of fun and events for the whole family. Stop down on West Main Street in Campbellsport on Thursday, Aug. 10, to check it out.

Beer And Wine Tasting Event

The Kewaskum Kiwanis Club will hold a beer and wine tasting event on Wednesday, Aug. 2, at River Hill Park, located between Parkview Drive and Riverview Drive in the Village of

Kewaskum, 5:30 to 7:30 p.m.

Tickets cost \$30, which includes dinner and beer/wine tasting.

The event will feature craft beers for sampling, plus a table of wine and

a table of ciders to sample.

Kiwanians are selling tickets. For information, call Dr. Dennis Connor at 262-707-5858.

Corn Roast In Dundee

Every year the Northern Kettle Moraine Snowmobile Club hosts an annual Corn Roast and Snowmobile Swap meet at the Dundee Sportsmen's Park. This year it is being held on Saturday, Aug. 12.

Free sweet corn on the cob is available from 12:30 p.m. until it is gone. The corn tastes great every year!

A snowmobile swap meet is also held

through-out the day starting at 10 a.m. Kids games and activities are available from 11 a.m.-3 p.m. Food and refreshments are available from 11 a.m.-7 p.m.

Live music or a DJ is usually provided in the afternoon and early evening.

The club uses the profits of the event to keep the trails in the area and around the forest well-groomed during

the snowmobiling season.

You can locate the Dundee Sportsmen's Park Pavilion on Highway 67 across from the Exxon gas station in Dundee. Just follow the large yellow signs in the area. Since everyone is welcome at this free event, why not come and enjoy the day while supporting the trails in and around Dundee.

Eden Firemen's Picnic And Parade

The annual Eden Firemen's Picnic and Parade will take place August 4th-6th. If you are in the area at this time, this would be a great event to attend. All activities are held at Eden Firemen's Park.

Everything begins on Friday night with a fish fry. Members of the Eden Fire Department cook and serve a traditional Wisconsin Fish Fry. It is sure to be a real treat.

To round out Friday night, Driftwood will entertain everyone from 7 p.m.-11 p.m.

On Saturday, carnival

rides and food are available all day. The main events kick-off later in the afternoon. A kids' pedal tractor pull will be held.

Musical entertainment from Johnny Wad will end the Saturday festivities. They will play from 8:30 p.m.-12:30 a.m.

Sunday kicks off at noon with the annual parade. Many area organizations, businesses, bands and groups participate in this parade.

Musical entertainment will be available all afternoon. The Jerry Schneider Orchestra will play polka music after the pa-

rade. Bingo is always played on Sunday afternoon during the picnic.

All weekend, the fire department will be serving food and refreshments. Don't miss the pies cooked every year by the women of the fire association auxiliary.

Also, all weekend, rides and games will be provided for the young and old.

Admission to all the bands is free.

Make sure you stop in Eden this weekend for all the fun and entertainment. This is sure to be a great weekend for everyone in the family.

Area Fairs Provide Lots Of Entertainment

If you are visiting the Kettle Moraine State Forest Area this summer and are looking for some fun family entertainment, check out one of the nearby county fairs. The state forest borders three counties that all host fairs in the summer months.

Each one offers games, rides, food and refreshments, animals and lots of other family-friendly activities. Area youth exhibit their animals and projects for judging.

The area fairs will be held:

Fond du Lac County Fair — The Fond du Lac County Fair will be held July 19-23. It is held at the fairgrounds in Fond du Lac, just 16 miles north of Campbellsport at 17th Street & Martin Avenue, Fond du Lac.

This year, the fair will host headliners Martina McBride and Ted Nugent. On Thursday night, professional bull riding and barrel racing will make its debut at the fair. It will also feature the always popular tractor pull, horse pull, truck pull and demolition derby.

For more information on this fair, go to www.fond-du-lac-county-fair.com.

Washington County Fair — The Washington County Fair will be held July 25-30. It is held at the Washington County Fair Park in West Bend, just 20 miles south of Campbellsport at 3000 Pleasant Valley Road (Hwy PV), West Bend.

The Washington County Fair will feature headliners Montgomery Gentry, Ann Wilson of Heart and Dustin Lynch. It will also feature the always popular tractor and truck pulls, horse pulls and fireworks.

For more information, go to www.wcfairpark.com.

Sheboygan County Fair — The Sheboygan County Fair will be held Labor Day weekend, August 31 - September 4. It is held at the fair park in Plymouth, just 20 miles east of Campbellsport at 229 Fairview Dr., Plymouth.

The Sheboygan County Fair will feature a farm tractor pull, bull riding & barrel racing, a demolition derby, IRA Sprint Car and PDTR 360 Sprint racing and Badger State Tractor Pulls.

To find more information and the names of the headlines, go to www.shebcofair.com.

Empire Threshing Association's Annual Thresheree August 26

The Empire Threshing Association is hosting its annual Thresheree on Saturday, Aug. 26. It will take place on the John Wettstein farm, six miles east of Eden on County B, from 10 a.m.-7 p.m. No admission is charged for this event.

Many different activities will be held throughout the day. You can also walk around and look at the different displays.

You will be able to see old-time steam threshing, cutting, plowing, baling, chopping and silo filling. There will also be antique tractors, garden tractors, equipment and engines on display.

The day begins with threshing using a 1906 Case steam engine at 11 a.m. Then they will begin corn binding and silo filling with Farmall tractors.

Baling straw with John Deere and Case wire-tie balers are usually next on the schedule.

The kids can get involved by participating in the annual kids pedal pull at 12:30 p.m. They will use pedal tractors to pull a weight as far as they can. Awards will be given out to the top performers in the different weight classes.

The action will continue with some horse plowing. You can see how the area farmers did the plowing before they had tractors. At this time, they will also be chopping corn with a vintage GEHL self-propelled chopper.

The action will continue with plowing using a steam engine and plowing with tractors. Many different models of tractors and plows will be used for this event.

There will be plenty of events going on throughout the day to watch and learn about some farming history.

You can treat yourself to food and refreshments, sponsored by the Campbellsport FFA Alumni.

All day, tractors, equipment and garden tractors will be on display. Blacksmith demonstrations will also be held during the afternoon along with engine displays.

Music will entertain from 3 p.m.-7 p.m.

So, make sure you come out to rural Eden for the Empire Threshing Association's 30th annual Thresheree.

In case of inclement weather, the rain date will be Sunday, Aug. 27.

Special Interest Areas In The Kettle Moraine

The Kettle Moraine State Forest has a lot to offer in its almost 30,000 acres. Approximately 800,000 people visit the forest each year.

The forest can thank the glaciers for its unique characteristics. This gives the forest some interesting areas that visitors should try to see while visiting the Kettle Moraine State Forest-Northern Unit.

Some of these areas include:

Greenbush Kettle — On Kettle Moraine Drive, one mile north of State Highway 67. This is an outstanding example of a glacial kettle hole. A scenic overlook, viewing deck and interpretive display is just a short walk from the parking lot.

Haskell Noyes Memorial Woods — On County Highway GGG just south of Highway SS. A historical marker greets visitors to this 67-acre State Natural Area. This area is designated as a Wisconsin Wildlife Viewing Area and is included in the national "Watchable Wildlife" program.

Haskell Noyes Memorial Woods is a classic example of southern dry-mesic forest dominated by sugar maple and red oak, with smaller amounts of basswood, white ash, bitternut hickory, and ironwood. The land was purchased in 1947 to prevent imminent logging. Haskell Noyes Memorial Woods is owned by the DNR and was designated a State Natural Area in 1952.

Vista Trail Overlook — At the Henry S. Reuss Ice Age Visitor Center. A short climb up some stairs and you arrive at a viewing platform overlooking a beautiful vista from which you can see drumlins, eskers and ground moraines.

The Visitor Center offers forest information, interpretive displays, and a 20-minute film explaining how the glaciers shaped most of Wisconsin's landscape. You can buy nature books, clothing, admission stickers, and trail passes there. Public programs are scheduled throughout the year and group programs on request.

Jersey Flats Prairie — On County Highway SS, a quarter-mile west of the village of New Prospect. This restored prairie is a glacial outwash plain. This area is designated as a Wisconsin Wildlife Viewing Area and is included in the national "Watchable Wildlife" program.

Little Mud Lake — On County Highway SS, one-half mile east of County Highway GGG. This site is a State Habitat Preservation Area and is vital for the long-term survival of the red-spotted, blue-spotted, spotted, and tiger salamanders that thrive here. A picnic table and grill are provided at the small parking lot.

Dundee Kame (White Kame) — On County Highway F, a quarter-mile east of Dundee. This conical moulin kame lies within a 468-acre State Natural Area. The kame is known throughout the world by geology students and is often pictured in geology textbooks because of its near perfect form.

Kame Field — Near the intersection of Highway V and Deer Road looking north. The mile-wide view of this spectacular kame field is breathtaking. Visitors can view and experience the rock and rubble and gravel "insides" of a kame up close.

Spruce Lake Bog State Natural Area — North of Dundee on Airport Road, one-half mile west of Vista Drive. This area is designated as a Wisconsin Wildlife Viewing Area and is included in the national "Watchable Wildlife" program. Visitors must stay on the boardwalk trail due to the fragile nature of the bog plants, the presence of poison sumac, and the unstable bog surface.

Spruce Lake Bog features an undisturbed shallow seepage bog lake situated in one of the many kettle holes characteristic of the interlobate glacial deposits scattered throughout the area. The 35-acre lake has moderately hard water

with a pH of 7.5 and supports a dense, floating-leaved aquatic flora of water shield and water lilies.

Milwaukee River Tamarack Lowlands — From the intersection of U.S. Highways 45 and State Highway 28 East in Kewaskum, go east on 28 1.9 miles, then south on Oak Drive Road 1.2 miles. The site lies about 0.1 mile west of the road.

The Milwaukee River Floodplain Forest features a bottomland hardwood forest with small upland islands located along the East Branch of the Milwaukee River. The site also contains dry-mesic forest and shrub-carr.

The well-structured floodplain forest is dominated by large silver maple and green ash with other lowland trees including hackberry, black ash, and burr oak. Just east of the river are small upland islands with sugar maple and beech. Several spring runs are also present.

Butler Lake and Flynn's Spring — East of Long Lake on Butler Lake Road, a seven-acre lake surrounded by sedge meadow. Butler Lake and Flynn's Spring features a seven-acre shallow hard-bottom lake surrounded by sedge meadow. Previously, the site contained a tamarack hardwood swamp but a few years of high water levels has killed off most of the trees. Nearby Flynn's Spring is a small, spring brook flowing into the south end of Butler Lake.

Adjacent to the lake is Parnell Esker, a geologic feature known worldwide and used extensively for education. The esker is five to 35 feet in height and runs northeast southwest for about four miles. Of particular interest at this site is the presence of two rare species — the unicorn club-tail dragonfly (*Arigomphus villosipes*), and the swamp spreadingwing (*Lestes vigilax*).

Milwaukee River And Swamp — This area is along the Milwaukee River north of Mauthe Lake and includes a large spring that feeds the river.

Milwaukee River and

Swamp features an unusual combination of southern and northern wet-mesic forests situated along 0.75 mile of a slow, meandering warm water stream with accompanying shrubs zones and communities including lowland hardwood forest, conifer swamp, and a small bog lake.

The river bottom is mucky with sand and gravel and there are good populations of northern pike, black crappie, walleye, and several smaller forage species. Aquatic plants include water-lilies, water-milfoil, coon's-tail, waterweed, giant duckweed, water nymph, and several pondweeds.

One large spring, 1,000 feet long, feeds the river in the north portion of the site. Bordering the river is a dense shrub zone that changes abruptly to a yellow birch, white birch, American elm, black ash, and basswood lowland forest. East of the small lowland forest is a more dense conifer swamp of mainly white cedar but also tamarack and black spruce.

A small bog lake occurs in the eastern portion of the natural area.

Spring Lake — Southwest of New Prospect west of County Highway G, this clear, shallow lake has many fish. Various warblers nest in the area.

Spring Lake is a clear, alkaline lake surrounded by fen and northern wet forest with an unusual flora and fauna. Aquatic vegetation is sparse and consists of yellow water-lily, bladderworts, pondweeds, and chara. The shoreline is an undercut bog shelf under which fish find refuge. Northern pike, large mouth bass, perch, bullhead, and green sunfish are found in spite of a maximum water depth of 1.5 feet.

Crooked Lake Wetlands — East of New Prospect on the north side of County Highway SS, this area includes three lakes and various kinds of woods and wetlands. It is home to many kinds of birds.

Crooked Lake Wetlands is a diverse complex of communities including

northern wet forest, southern dry-mesic forest, southern sedge meadow, shrub-carr, open bog, and two shallow seepage lakes. The 65-acre Crooked Lake is one of the larger natural lakes in the county and has a maximum depth of 34 feet. The inlet provides a spawning ground for northern pike while the outlet forms a small tributary of the East Branch of the Milwaukee River.

Kettle Hole Woods — Northeast of New Fane on County Highway S, then north on Forest View Road, this area has woods, shrubs, wildflowers, birds, and frogs.

Located in southeastern Wisconsin's glacial kettle topography is Kettle Hole Woods, an isolated hill forested with southern mesic and dry-mesic hardwoods. Ephemeral ponds are scattered throughout the site.

The mature forest features an excellent canopy of very large trees, primarily red oak and sugar maple with associated beech, basswood, white ash, white oak, and bitternut hickory. Most saplings are sugar maple and beech suggesting that the red oaks will eventually be replaced by other more mesophytic species.

Kewaskum Maple-Oak Woods — Southeast of Kewaskum via State Highway 28 and South Mill Road, two parcels with interesting wild plants and birds.

Kewaskum Maple-Oak Woods consists of two parcels separated by old field and pine plantation that contain southern dry-mesic and mesic forest dominated by sugar maple, red oak, white ash, and basswood with some beech. Located just east of the Milwaukee River, the southern tract is hilly with southern, eastern, and western exposures and contains a very rich herb layer.

The northern tract is flatter and generally lower, containing very large red oak, white oak, sugar maple, and black cherry. Both parcels have kettle depressions that hold water seasonally.

Kettle Moraine Red Oaks — The Ice Age Trail goes through this area southeast of Greenbush. It has more than 100 kinds of trees, shrubs, and other plants.

Kettle Moraine Red Oaks is a mature second-growth southern dry-mesic forest which originated in 1889. Composed of red oak, basswood, sugar maple and white ash, it is one of the richest oak forests in the region and contains over 100 species of trees, shrubs, and herbs.

Other canopy species present include big-tooth aspen, white oak, black cherry, and shagbark hickory while the subcanopy is composed of ironwood, sugar maple, basswood, and ash saplings. The forest is situated on the high interlobate moraine and contains several outstanding dry kettle holes, which provide some diversity in exposure.

Johnson Hill Kame — South of Highways 67 and U near Woodside and Shamrock roads, a cone-shaped hill formed by water pouring down through a hole in a melting glacier.

Johnson Hill Kame is a "moulin" kame, a conical hill of sand and gravel formed near the edge of the wasting glacial ice sheet by subglacial meltwater streams that poured downward through cylindrical holes in the glacier. The swirling motion of the debris-laden water reminded early French mountaineers of a moulin (mill in French).

Hundreds of spectacular glacial features can be found within the Kettle Moraine and the Northern Unit contains one of the best displays of moulin kames in the country. Surrounding the kame is both southern and northern dry-mesic forest. The southern slope is composed of red oak, big-tooth aspen, beech, ironwood, sugar maple, butternut hickory, basswood, white oak, and eastern hop-hornbeam.

The cooler north slope consists of basswood and sugar maple with beech, red oak, and eastern hop-hornbeam.
