Judges' Choice Awarded To 9/11 Committee

By Andrew Johnson

Volunteers on the Kewaskum Remembers 9/11 Committee were recognized for their work with the Judges' Choice award at the annual Volunteer Center Champions of Change event held on June 14 at the West Bend Mutual Prairie Center.

The Judges' Choice award is distinguished by the judges as a nominee deserving of additional recognition.

The Judges' Choice award was presented by Paul Price, who represented JJ & Annette Ziegler. Price said the committee is "building a memorial not only to honor those that were lost on September 11, 2001, but to also teach the community about the events on that fateful day."

The memorial is not yet built. Over the year, the committee has worked to gain community support for this memorial, which will be a space of reflection with a 2,200 pound steel beam recovered from the North Tower of

the World Trade Center as its center piece. This memorial will also serve to honor both those who responded to the atrocity and those who perished including Kewaskum High School graduate Andrea Lyn Haberman.

"This group's efforts will ensure we will never forget this day in history and will respect and honor those who were lost on 9/11," Price said.

Upon accepting the award, Kewaskum Remembers 9/11 committee member Dustin Melzark made the following statement on behalf of the committee: "It is an honor and privilege to be in a room with many extraordinary volunteers and community servants. Kewaskum Remembers 9/11 Memorial applauds and commends every ones efforts in making the Washington County community a beautiful place!"

The memorial project has been a 15-year journey thus far.

Dancing For Decades

– Country Dancing Club Celebrates 25 Years In Kewaskum

By Anne Trautner

As the music streamed through the speakers, dancers lined up, weaved to the right, chasséd and scuffed in unison.

Such has been the scene every Monday night at the Amerahn in Kewaskum for the past 25 years, ever since the non-

profit "Country Club Dancers" was formed.

"It is just a really fun place. We love the dancing and the great people here," said Jean Colgate, who has been dancing with her husband, Jim, since the 1990s.

Shirley Perkins started coming to the "Country Club Dancers" at the

Amerahn in 1994.

At the time, Perkins was working at Kewaskum Frozen Foods, where country music played near the front counter.

As she listened to the music, Perkins commented to a younger coworker, "I bet you can't stand hearing this country stuff all the time."

"No, I like it," the coworker said and then told Perkins about dancing at the Amerahn.

Party On The Pavement To Be Held This Tuesday, June 27

Party On The Pavement will be held in Kewaskum this Tuesday, June 27.

Festivities will run from 10 a.m. to 11 p.m. There is no entry fee. All proceeds benefit the community.

The street festival, which is sponsored by the Kewaskum Area Chamber of Commerce, will take place primarily in the village's downtown parking lot, but will stretch up and down Railroad Street as well.

The day features a wide variety of food, refreshments, vendors, crafts, bouncy house, face paint-

ing, hands-on activities and live entertainment.

The day features fun for all ages. Kettle Moraine Carriages, which has become a statewide attraction, will offer rides around the village throughout the day.

There also will be a dunk tank and assorted activities and games for children.

WTKM 104.9 (the Voice of the Kettle Moraine) will broadcast live from the event's location from 10:30 a.m. to 12:30 p.m.

More entertainment includes dance performances from 12:30 to 3 p.m.

Dance groups include the Shining Stars, the Campbellsport Dance Team and "Gotta Dance," a national dance team from Lancaster.

Live music includes Carrie Labiewski, a local talented musician performing on acoustic guitar and vocals from 3 to 4:30 p.m.; Twang Dragons performing country rock from 4:30 to 7:30 p.m.; and the locally popular band Riding Shotgun on stage from 7:30 to 11 p.m., mixing classic country with today's top hits as well as some southern and classic rock.

Dirt is moved outside Kewaskum Middle School on Monday, June 19, to create a temporary drive for buses. The new drive will be used as construction crews renovate the high school and build a new middle school adjacent to the high school. Check out next week's paper for architectural drawings of the capital project.

Benefit To Help Dennis Brath Planned

A benefit is being held this weekend for Dennis Brath. He is fighting pancreatic cancer.

The benefit will be held this Sunday, June 25, at Bahr Time in Elmore from 11 a.m.-6 p.m. Elmore is located southwest of Campbellsport.

There will be raffles, food, refreshments and much more throughout the day. All proceeds will be

given to Dennis and his family to help with expenses.

The top prize in the raffle will be a Royall 1000 pellet/smoker grill.

Brath was diagnosed with pancreatic cancer in April 2017. He is a loving husband and father.

For more information on how you can help, call 262-339-0061.

NEW ARRIVALS

Jolene June Kohlwey born June 12, 2017, at 8:04 a.m., 6 pounds 15 ounces, 20 1/2 inches long. Parents Ben and Amanda Kohlwey of Beechwood, three siblings Leo, Porter and Marshall, Grandparents Bill and Sue Kohlwey of Boltonville and Gary and Doris Schladweiler of St. Michaels.

KKKK Car Show To Be Held Sunday

By Anne Trautner

The Kettle Moraine Classic Kar Klub (KKKK) will hold its annual car show on Sunday, June 25, from 10 a.m. to 3 p.m. at the Moose Lodge, located at 1721 Chestnut St. in West Bend.

Organizers expect between 125 and 250 cars to take part in this weekend's show.

Sunday's event will do more than showcase the cars.

"We try to help the community with our car show and do some fund raising for the community," said Richard Thieme, board chairman for the KKKK.

All proceeds from Sunday's event will go to local charities.

Last year's proceeds were donated to the Albrecht Free Clinic, Special Olympics, Threshold, West Bend Food Pantry, Kewaskum Food Pantry, Campbellsport Food Pantry, Abused Family Shelter, Alzheimer's Association of West Bend, Puppyland, Humane

Society in West Bend and Fond du Lac, Kurly's Grand Larsony Car Show and National Alliance on Mental Illness.

Cash prizes and raffles will be held throughout the day. Radio personality "Bob Bonenfant" will serve as deejay.

Over the past 42 years, the show has grown. But the underlying theme remains the same.

"It is a preservation of keeping cars on the roads that are classic," Thieme said.

The KKKK was founded in 1975 by Normie Dogs, who worked as a salesman at Schwartzberg Oldsmobile in West Bend.

Dogs and six other car buffs formed the KKKK

and came up with the club's motto:

"Preservation and enjoyment of classic, antique and special interest vehicles."

In 1975, the first KKKK Car Show was held at Schwartzberg. It was a small show with no trophies; just a chance to show off the classic cars they all enjoyed. Since then, the KKKK Car Show has grown to become what it is today.

In addition to its annual signature car show, the group has held several car shows with the Hockey Association at the ice rink in West Bend. In 1998, the KKKK started holding an annual car show at the Washington County

Samaritan Health Center.

The group also held car shows at the West Bend airport from 2000 to 2004. In 1992, 1993 and 1997 the KKKK, along with the West Bend Jaycees, sponsored "Funfest" at Regner Park in West Bend.

Today, the KKKK has 42 members. The group holds monthly meetings and gathers for social events, parades and various opportunities to show off their vehicles, as well as to hold its fundraising car show.

Registration for Sunday's show will be held from 8 to 11 a.m., with a \$10 entry fee for cars. There is no charge for spectators.

The KKKK Car Show will be held outside the Moose Lodge in West Bend on Sunday, June 25. The club has been hold car shows since 1975.

LOOK ALIKE WINNERS

Kewaskum STATESMAN

1032 Fond du Lac Ave., Kewaskum
(262) 626-2626

Chief's Corner

By Kewaskum Police Chief Tom Bishop

Let me start by taking a moment to congratulate all of our 2017 high school graduates. As you move forward from this chapter of your life, I am hopeful that as a community we have equipped you with the necessary tools to achieve success in your future endeavors. Celebrating graduation means summer is finally upon us! We are looking forward to vacations, parties and other fun outdoor activities. When partaking in these activities make sure you are following the laws that are in place for everyone's safety.

Outdoor recreational fires are allowed in the village; however you are not allowed to burn any yard waste or any kind of rubbish. You may only burn natural wood or a manufactured fire log and it must be in a fire pit or in a commercially sold outdoor fire place. Fires are allowed until 2 a.m., but please be mindful of your neighbors; being allowed to have a fire until 2 a.m. does not mean you can be loud and create a disturbance.

On July 3, Kewaskum will once again have an awesome fireworks display for all to enjoy. This event is held at Riverhill Park and the fireworks display is organized and run by the Kewaskum Fire Department. Although we all enjoy watching fireworks, it is important to note that the possession or use of fireworks in the State of Wisconsin and the Village of Kewaskum is illegal. In order to legally possess or use a firework, you need a permit to be issued from the local municipality. The Kewaskum Fire Department attends yearly specialized training and is issued a permit by the village; however the village

does not issue permits for individuals to possess or use fireworks; therefore it is illegal to possess or use fireworks in the village. This is regardless of where you purchased your fireworks. When purchasing items at a fireworks store, you are generally issued a permit to possess the fireworks in that municipality only. This permit also has a date and time that you may return to that store (or other location) to light off your fireworks. This permit does not allow you to bring fireworks into Kewaskum and discharge them. The use of fireworks is very dangerous and creates a nuisance for those around you who do not wish to listen to fireworks. In the Village of Kewaskum, if you are using illegal fireworks you WILL be issued a citation.

When it comes to figuring out which fireworks are illegal versus legal, the basic rule of thumb is this -- if the firework leaves the ground or explodes it is illegal. Sparklers, sparkler fountains, snakes and snaps are legal. Although some fireworks, such as sparklers, are legal, they are not allowed in Riverhill Park during the July 3rd fireworks event. There are too many people who can get burned or hurt due to the use of these types of fireworks; therefore they are not allowed and could result in a citation being issued.

Alcohol consumption seems to be a commonality at any gathering in Wisconsin. It also seems to be involved in a large amount of our calls for service. Please remember to drink alcohol wisely and do not drink and drive. Graduation parties are a time to celebrate, but they are not an event to promote underage

drinking. Providing alcohol to minors carries severe criminal penalties as well as civil liabilities.

Lastly, summer vacation means that children will be out playing and riding their bicycles. Please slow down and watch for children at play. Young children will chase balls and other items out into the roadway so it is imperative to slow down and be observant, especially in residential neighborhoods. There isn't a text important enough to put lives in jeopardy, so put the phone down and just focus on driving your automobile.

Summer will fly by as it always does, so let's take some time to slow down and enjoy all it has to offer. The Kewaskum Chamber of Commerce's annual Party on the Pavement with vendors and live music will be held on June 27 and the annual Independence Day fireworks display, hosted by the Kewaskum Fire Department, will once again take place in Riverhill Park on July 3. Remember, tarps may be placed on the hill starting at 6 a.m. on July 1. Tarps put down before that will be removed. Music in the Park will occur on Tuesday evenings throughout the summer and don't forget to visit the Kewaskum Pool and enjoy the new inflatables.

Take time this summer to attend and support all of our local events because before you know it, I'll be writing an article about shoveling your sidewalks!

Thank you and have a safe month,

Tom Bishop

WASHINGTON COUNTY SHERIFF'S REPORT

Injury Accident

The Sheriff's Office was notified at 12:13 p.m. on June 16 of a single vehicle motorcycle crash in the Town of Barton. Authorities were notified by passing motorists driving down the rural road who discovered the victim lying in the northbound lane of traffic.

Sheriff's officials were able to determine that the cycle was northbound on Townline Road when the lone occupant/operator applied the brakes, and was ejected from the cycle.

Statements from the operator indicate a deer

crossing Townline Road was the cause of the crash.

There is no reason to believe speed or alcohol were involved in the crash. The operator was wearing a helmet when the crash occurred.

Assisting at the scene were the Allenton and West Bend fire departments. The operator a 54 year old West Bend man was flown from the scene by Flight for Life and transported to Froedtert Medical Center in Milwaukee for what are believed to be non-life threatening injuries.

Early deadline is Friday, June 30 at 2 p.m.

The Kewaskum Statesman office will be closed on July 3rd & 4th.

If you need assistance, the Campbellsport office will be open July 3rd from 8am-5pm.

OBITUARIES

Lloyd H. Spaeth

Lloyd H. Spaeth, 80, of Kewaskum, passed away on Wednesday, June 14, 2017, at Froedtert Memorial Hospital in Wauwatosa.

Lloyd was born on September 26, 1936, the son of the late Clarence and Adela (Hentz) Spaeth in West Bend.

On April 19, 1958, he was united in marriage to Katherine "Kathy/Dolly" Braun at St. Michael's Catholic Church in St. Michael's.

Lloyd was a member of Holy Trinity Catholic Church in Kewaskum and was a member of the Knights of Columbus Fr. Casper Rehl Council #1964 in West Bend.

He was the second of four generations that graduated from Holy Angels Grade School in West Bend and graduated from West Bend High School in 1954 where he was a standout track athlete. Lloyd then attended Marquette University and was a proud "Warrior" fan.

Lloyd proudly served his country in the U.S. Navy from 1955 to 1957.

He was an Engineer at West Bend Company for over 25 years and retired from Bemis in 1998, over the years, acquiring many patents.

Most recently, Lloyd was instrumental in getting life jackets and inflatable rafts and slides for the Kewaskum Kiwanis Park Pool. He was a very active

volunteer in local governments and organizations including Meals on Wheels and the Tootsie Roll Drive for the disabled.

Lloyd was an avid sports fan, particularly the Packers and Marquette. You could always find him at his grandchildren's activities.

Above all else he loved his family get-togethers and was an amazing role model for all of his children, grandchildren, and great grandchildren.

Those Lloyd leaves behind to cherish his memory include his love of his life of 59 years, Kathy; eight children, Terry (Mike) Melaney of West Bend, Jack Spaeth of Belgium, Mary (Tom) Loduha and Karen (Tom) Wilde both of West Bend, Donna (Don) Scharfenberg of Hartford, Bob Spaeth of North Carolina, Andy (Janice) Spaeth of Random Lake, and Pete (Sheila) Spaeth of West Bend; 21 grandchildren, Amber (Josh) Stock, Sarah, Shannon, and Brandon Melaney, Nathan, Justin (Caitlin), and Katelyn Loduha, Stephanie, Nicole, and Kyle Wilde, Eric and Alex Scharfenberg, Elizabeth (Lee) Benfield, Jenni (Travis) Markiewicz, Zachary, Jacob, and Mitchell Spaeth, Dakota and Paityn Spaeth, and Jennica and Mackenzie Newkirk; seven great-grandchildren; a brother, Allen (Diane) Spaeth of Richfield; a sister, Ruth (Jim) Rady of Kewaskum; two brothers-in-law, Frank and Al Braun; a sister-in-law, Priscilla Bierterz; many nieces, nephews, other relatives and friends.

In addition to his parents, Lloyd was preceded in death by several brothers and sisters-in-law.

A Mass of Christian Burial for Lloyd was held at 6 p.m. on Monday, June 19, at Holy Trinity Catholic Church, 331 Main Street, in Kewaskum. Rev. Edwin Kornath officiated and burial took place on Tuesday at 10 a.m. in the parish

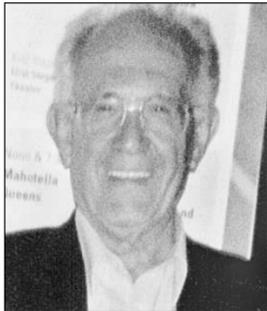

cemetery.

Lloyd's family greeted relatives and friends at the church on Monday, from 2 p.m. until the time of Mass.

In lieu of flowers, memorials to Holy Trinity Catholic Church in Kewaskum or charity of your choice is appreciated.

The family would like to thank the staff at Froedtert Hospital of Wauwatosa and the Kewaskum Rescue Squad for the wonderful care and compassion provided to Lloyd and his family.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Lloyd's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

Joseph "Joe" Gruber

Joseph "Joe" Gruber, 85, of the town of Auburn, passed away on Sunday, June 18, 2017, at Kettle Moraine Gardens, Kewaskum.

He was born on November 3, 1931, to the late John and Mary Ann (nee Goretzki) Gruber in Kewaskum.

He attended Kewaskum high school before joining the United States Army where he honorably served during the Korean War.

On July 5, 1951 he was united in marriage to Taeko Takamine in Okinawa. Together they raised ten children.

Joe was always tinkering on things trying to fix them right. He was very

active in the Union.

Joe liked fishing, hunting golfing and playing cards. He loved music, singing, playing the squeeze box, and harmonica. He will be missed by all who knew him.

Those Joseph leaves behind to cherish his memory include his ten children, Hatsue (Hisao) Yoshimoto of Okinawa, Mary Richards of Port Washington, Cathy Engelman of Superior, Patricia Takamine of Mukwonago, Tony (Pam) Gruber of North Fond du Lac, Monica (Dennis) Kelley of Fond du Lac, Lena (Tom) Hennessy and John Gruber both of Campbellsport, Gene (Pam) Gruber of Milwaukee and Rick (Michelle) Gruber of Oshkosh; 35 grandchildren, 34 great-grandchildren, a sister, Mary Joyce (Alan) Stutzman; a brother, Harlan (Dolly) Gruber; four sisters-in-law, Alice Gruber, Yaeko of Waukesha and Harue and Shizue both of Okinawa; other relatives and friends.

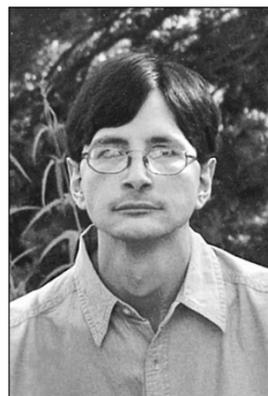

In addition to his parents, Joseph was preceded in death by two grandchildren, Benjamin and Joseph Jerominski; three brothers, Walter Gruber, Robert (Jeanette) Gruber, and Andrew Gruber; his father and mother-in-law, Spikishi and Ushi Takamine; two brothers-in-law, Osamu and Minoru and five sisters-in-law, Teruko, Nobuko, Hideo, Nae and Seiei.

A Funeral service for Joseph will be held on Thursday, June 22, at 4 p.m. at the Myrhum Patten Miller & Kietzer Funeral Home, 215 Forest Ave., Kewaskum. Father Edwin Kornath officiating and burial to follow at Holy Trinity Catholic Church Cemetery in Kewaskum.

The family will greet relatives and friends at the funeral home Thursday from 1 p.m. until the time of services.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Joseph's arrange-

ments. Additional information and guest book may be found at www.myrhum-patten.com.

Richard W. "Rick" Metz

Richard W. "Rick" Metz, 41, of Kewaskum, passed away on Tuesday, June 6, 2017, while at home with his mother at his side.

He was born on October 24, 1975, in West Bend, the son of Diann Klein and Kenneth (Linda) Metz.

Rick was raised in Kewaskum and attended Kewaskum Schools.

He was an avid sports fan and followed his teams closely. Rick enjoyed WWE Wrestling, video games, and watching nature.

Those Rick leaves behind to cherish his memory include his loving

mother Diann Klein of Kewaskum; his father, Kenneth (Linda) Metz of Arizona City, AZ; a brother, Michael Metz of Racine; a sister-in-law, Corina Metz of Kewaskum; a grandmother, Margaret Metz of West Bend, nieces, nephews, cousins, and other relatives.

Rick was preceded in death by a brother, Charles "Chuck" Metz; his maternal grandparents, Willard and Burnette Klein, and his paternal grandfather, Mathias Metz.

A private family service for Rick was held at 2 p.m., Thursday, June 22, at St. Peter's Ev. Lutheran Church, 4930 Beaver Dam Rd, in West Bend with Rev. Paul Reede officiating.

In lieu of flowers, memorials to St. Peter's Ev. Lutheran Church or Kettle Moraine Lutheran High School are appreciated.

The Metz family would like to extend their heartfelt appreciation to Pastor, Mrs. Reede, the church council, and all the members of St. Peter's Ev. Lutheran church for their prayers and concern.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Rick's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

DAYS GONE BY

5 Years Ago June 21, 2012

Shed at Elbe farm lost in early morning blaze Friday. The flames and smoke of a burning shed storing equipment and hay/straw were visible from several miles away. A total of nine fire departments assisted Fillmore Firefighters extinguish the blaze.

A son, Ryker Jamison, born to Bob and Casey Gigstead of Kewaskum on June 11.

15 Years Ago June 20, 2002

The concerns of 15 village residents fell upon deaf ears at Monday's Kewaskum Village Board meeting.

The hot topic at the board meeting was for RAMKO's Brian Kober to get a rezoning request passed. The request asked for a lot in RAMKO's R-1 subdivision to be changed to R-2 because the lot with the R-1 zoning would not allow a home to be built on it. Changing the zoning would allow that and then the lot could be sold.

25 Years June 18, 1992

A Town of Auburn accident which claimed the life of a Campbellsport man is still under investigation said a spokesperson for the Fond du Lac County Sheriff's Department, Monday.

Hanson Air Force Base, Bedford, Mass. - Air Force 2nd Lt. Jeffrey C. Squier has arrived for duty here.

A son to Jayne and Steven Charles, Kewaskum, on June 5.

A son to Judith and William Neu, Kewaskum, on June 10.

50 Years June 16, 1967

Another area landmark will soon be only a memory as the old Kewaskum depot of the Chicago and Northwestern railway is being torn down. Workers began removing the roof section on Saturday, June 3 and by Wednesday of this week, only a skeleton of the historic 97 foot structure remained as the razing neared completion. Constructed before the turn of the century, the depot was once a busy place and gathering site for area residents who congregated to watch train arrivals and departures, especially on weekends. This was in the years B.C. (before cars) when everyone traveled by train and all the news could be picked up simply by waiting at the depot for trains to arrive and leave.

Kewaskum will host a special celebration to announce the opening of its new post office and Sunday, June 25, is the date set for the dedication ceremonies according to Harry E. Koch, postmaster.

Two Kewaskum youths and one from rural West Bend were injured Saturday night in a mishap at Lake Bernice in the Town of Ashford, which occurred at 10:50 p.m. Hurt were Kenneth Biertzer, Rural West Bend, possible dislocated shoulder, Debbie Schlosser, cuts and bruises, Antonia Key, Kewaskum, bruises. They were passengers in a car driven by Richard Laubach, Kewaskum, which left the road at an intersection, struck a guard rail, crashed on through it and plunged into the lake according to reports. The auto, a 1964 convertible, sank over its top in the water but fortunately slowly so all occupants were able to escape through the windows. Two local skin divers went to the scene Sunday afternoon and after clearing away the muck from the bottom of the car were able to fasten hooks to the vehicle so it could be pulled out by two tow trucks.

75 Years June 19, 1942

President Roosevelt has ordered an intensive two weeks drive throughout the nation to collect from homes, farms, offices and factories, all articles of rubber which have been or can be discarded. Thus, on Monday, Washington County residents joined the nation in another scramble for rubber salvage, and as this was written, about 15 tons had already been turned in to various gasoline dealers in the county.

The local fire department answered a call to Holy Trinity School at 10:30 a.m. Tuesday, where smoke was seen pouring out of an upstairs window in the sisters residence quarters. Fire in a stove downstairs caused the chimney to burn. The fire burned out by itself before the firemen arrived and no damage resulted. The chimney was cleaned out.

The infant son of Mr. and Mrs. William Benson, Dundee, was baptized Sunday, by the Rev. Walter Strokschien and received the name William Theodore. Sponsors were Mr. and Mrs. Victor Pieper of Milwaukee.

Delores Mae Stoffel, daughter of Mr. and Mrs.

The Goodtime Dutchmen Trio perform at the Beechwood Volunteer Fire Department's 104th annual picnic on June 9.

Nicholas Stoffel of Kewaskum, and a member of this year's graduating class of which she was salutatorian, was among the class of 31 students admitted to the St. Agnes Hospital School of Nursing, Fond du Lac for the regular three-year program. Others from this vicinity enrolled in the class are Betty Barnes, Helen Bayung, Marion Gonnering and Dorothy Peters of West Bend and Pauline Schommer of Campbellsport.

100 Years June 16, 1917

Last Wednesday evening, the Angel of Death entered the home of Mr. and Mrs. Jos Mayer of the village and took therefrom, the tender life of their little son Joseph Nicholas. Although the little one had only reached the age of one month and thirteen days, he had endeared himself to all who had known him. For some time the child had been suffering with spinal meningitis.

On last week Saturday, June 9, the Angel of Death called away Mrs. Anna Klockenbush, who after a lingering illness of two months duration with Brights disease, passed away at her home in St. Kilian.

A number of ladies gathered at the home of Mrs. George Kohl on Tuesday in honor of her birthday anniversary.

Born to Mr. and Mrs. Peter Jaegar, Ashford, a baby boy on June 6.

Fred Seefeld, South Eden, had a barn raising last Friday.

Born to Mr. and Mrs. Herman Schrauth, Elmore, a son last Friday.

New Fane is being improved by a new cement sidewalk.

Hundreds Come Out To Support Beechwood Fire Department

The Beechwood Volunteer Fire Department celebrated its 104th annual picnic Friday and Saturday, June 9 and 10.

Friday's festivities included a fish fry from 4:30 to 8:30 p.m. More than 500 people were served fish dinners, up from last year's total of

480 dinners.

Floyd and Laura Klug sponsored the Goodtime Dutchmen Trio, which entertained the crowd from 5 to 9 p.m. on Friday, before another band performed for the crowd.

The Klugs also sponsored Fairest of the Fair Makayla Klumppen, who

promoted the 2017 Sheboygan County Fair.

Miller's Service of Random Lake donated a trailer to serve as a stage at the event.

Saturday's highlights included a car show, which started at 10 a.m. Lunch and refreshments were available throughout the day.

Water fights were held in the afternoon, followed by a live band performance.

"All festivities were well attended," organizer Floyd Klug said.

Floyd Klug and Fairest of the Fair Makayla Klumppen address the crowd at the Beechwood Fire Department's 104th annual picnic.

Weekly HEALTH TIP

VOLUNTEERING HELPS MENTAL HEALTH

Why volunteer? Because it's good for your community and it's good for you! Many studies have reported the benefits of volunteering, and they're not just social. Those who volunteer experience better health, increased longevity, higher functional ability, less depression and reduced incidence of heart disease. New research suggests it's particularly beneficial to the health and well-being of seniors. The volunteering threshold to reach to experience the benefits seems to be about two hours per week. Volunteering can also give you a sense of accomplishment and purpose, and allay feelings of loneliness.

An Upcoming Calendar of Events for River Edge Nature Center

Thursday, June 22 - Little Explorers Playgroup, 10 a.m. - 11:30 a.m., Summer At Last! Let's gather in the Natural Play Area and share the wonder of nature through outdoor play. We will make mud pies, hang out in the hammocks, and test what sinks and floats and venture into forests, fields, ponds and more. Nature sensory bins for babies and exploration tools for older children will be available. Indoor activities will be planned in case of inclement weather. Non-members & Trail Pass Members: \$5.00 per child, Adults Free. All-Access Members: FREE.

Friday, June 23 - Escarpment - Film by Roger Kuhns, 7 p.m. - 8:30 p.m., "Escarpment" is the natural history story of Eastern Wisconsin and the Niagara Escarpment region of the Great Lakes. The film was shot on location along the entire length of the Niagara Escarpment, with a Door County focus. It is a fast-paced fun voyage through billions of years of Eastern Wisconsin natural history. The film reconstructs ecosystems that existed when the dolomitic rocks of the Niagara Escarpment were formed, considers if dinosaurs ever walked in Door County, follows the path of glaciers, and many other major events in our geologic journey. Q+A Session with the filmmaker, Roger Kuhns, after the showing. Cost: \$5 per adult

Saturday, June 24 - MAPS Banding, 7 a.m. - 10 a.m., Witness the Riveredge bird banding station in action. See how resident song birds are mist-netted, extracted and banded by licensed bird banders. Find out how their research is providing us with estimates of the number of resident and migrant birds who call the Center their home. Observers are welcome at any of the banding sessions (weather permitting). Call Mary Holleback at 262-416-1224 to register and get additional information. Rain date for this program is Sunday, June 25.

Saturday, June 24 - Butterfly Bonanza, 8:30 a.m. - 3 p.m., Learn to identify and document butterflies while participating in the annual Butterfly Count! Contribute to over 25 years of research about the butterflies that call this area their home. Wear walking shoes and pack a bag lunch if you're staying for the day. Adults and children ages 12 & up with a parent are welcome- join us for all or part of the day. Contact Mary Holleback at 262-375-2715 for more information. 8:30-9:30: Review of Riveredge butterfly species, 9:30-3:00: Butterfly count, Cost: free, however a \$5 suggested donation helps cover these research and conservation efforts.

Saturday, June 24 - Sumner Adventures: Pond Fishing, 10 a.m. - 11:30 a.m., Spend a summer morning on the dock of Farm Pond with a pole in your hand and hopefully a few bites on your line! Learn how to tie a hook on your line, bait your hook, and safely cast your line into the water. We'll try to catch and identify the fish of Farm Pond before releasing them back into their home at Riveredge Nature Center. Bait and poles provided OR bring your own for this special experience. Pre-registration required as we have limited supplies and space will be limited. Children ages 8 and under must be accompanied by an adult. Fee: \$5 per person for Trail Pass Members and Non-Members, All Access Members: Free.

Monday, June 26 - Parent/Grandparent Child Trek-River Rambling, 9:30 a.m. - 11:30 a.m., Ages 5 and up with an adult, Join a naturalist and step into the Milwaukee River! We'll explore this wonderful, watery, world and seek out the creatures that call the river home. Bring your favorite wading shoes (old sneakers work best), a towel and a change of clothes. Expect to get wet! Children must be accompanied by an adult. Feel free to pack a lunch and stay for a picnic after the program. Fee (per person): Member \$5 Non-member \$7.

Saturday, July 8 - Children's Library Adventure: Turtle's Race with Beaver, 10 a.m. - 11:30 a.m., Turtle is in for a surprise, when she wakes from the winter to find that Beaver has moved into her beloved pond! Join us for a classic tale of wisdom versus physical strength brought to us by Seneca origins. After our story, we'll visit a few ponds at Riveredge in search of turtles and race each other with an interactive game. Fee: \$5 per person for Trail Pass Members and Non-Members; All Access Members: Free

Saturday, July 8 - MAPS Banding, 7 a.m. - 10 a.m., Witness the Riveredge bird banding station in action. See how resident song birds are mist-netted, extracted and banded by licensed bird banders. Find out how their research is providing us with estimates of the number of resident and migrant birds who call the Center their home. Observers are welcome at any of the banding sessions (weather permitting). Call Mary Holleback at 262-416-1224 to register and get additional information. Rain date for this program is Sunday, July 9.

For more information about Riveredge Nature Center, please go to their website at riveredgenature-center.org or call (262)375-2715. The Center is located about a mile northeast of Newburg off of County Highway Y/Hawthorne Drive. The center is open seven days a week.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

Thursday, June 22 - Canoe Adventure, 6:30 p.m. - 8:30 p.m., Mauthe Lake Recreation Area Boat Launch (located off County Road GGG south of County Road SS near New Prospect), Venture with us by canoe around Mauthe Lake and up the East Branch of the Milwaukee River. Get a close look at the natural communities within and surrounding the lake and river. Basic canoe skills will be covered. To register, call (920) 533-8322 by June 21. Class limit is 24 to 30 people without canoe equipment. No experience is necessary. In the event of threatening weather, the program will be canceled. This adventure is for people over the age of 12 years.

Saturday, June 24 - Saturday Morning Nature Sleuths, 10 a.m. - 11 a.m., Picnic Shelters at Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake Recreation Area (located off Division Road north of County Road F near Dundee), Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, June 24 - Alien Attack Drop in at the Beach, 1 p.m. - 4 p.m., Mauthe Lake Recreation Area Beach (located off County Road GGG south of County Road SS near New Prospect), We're being invaded not by outer space aliens but by alien plants and animals. Find out what foreign species can take over our native communities and what people can do to help control their spread. Make several unique crafts including a smashed-plant bandanna. Bring your own bandanna or purchase one for a small fee. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Saturday, June 24 - Twilight Paddle, 6:30 p.m. - 8:30 p.m., Mauthe Lake Recreation Area Boat Launch (located off County Road GGG south of County Road SS near New Prospect), Join Jackie Scharfenberg, Forest Naturalist, for an evening canoe trip around Mauthe Lake and up the Milwaukee River. As we paddle, we will keep our eyes and ears open for evening birds and other wildlife. To register, call (920) 533-8322 by June 23. Class limit is 24 to 30 people without canoe equipment. Basic canoe skills will be covered. No experience is necessary. In the event of threatening weather, the program will be canceled. This program is most appropriate for people over the age of 8 years old.

Sunday, June 25 - Alien Attack Drop in at the Beach, 12 p.m. - 3 p.m., Long Lake Recreation Area South Beach (located off Division Road north of County Road F near Dundee), We're being invaded not by outer space aliens but by alien plants and animals. Find out what foreign species can take over our native communities and what people can do to help control their spread. Make several unique crafts including a smashed-plant bandanna. Bring your own bandanna or purchase one for a small fee. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Wednesday, June 28 - Ice Age Trekkers, 6 p.m. - 7:15 p.m., Meet at the County Road U Ice Age Trail Crossing (located east of the Parnell Tower parking lot located between County Road A and Hwy 67 near Parnell), Join us for a refreshing 3.06-mile evening hike along the Ice Age National Scenic Trail between County Road U and County Road V. A shuttle will be available between the starting and finishing spot.

Saturday, July 1 - Nature Sensations, 11:30 a.m. - 12:30 p.m., Long Lake Recreation Area South Beach (located off Division Road north of County Road F near Dundee), Join us as we use all our senses to decipher the mysteries of nature by participating in the Wisconsin Explorers program! This program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. This hour of discovery is geared towards special needs youth with accompanying adults.

Saturday, July 1 - Wings of Colorful Scales Drop in at the Beach, 1 p.m. - 4 p.m., Long Lake Recreation Area South Beach (located off Division Road north of County Road F near Dundee), On wings of colorful scales, butterflies flutter through the daylight while moths float through the night. You will be amazed at the lives these incredible insects lead. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.

Mason Schommer, 11, is all smiles as he rides on his newly modified trike, courtesy of the engineering and mechanical design students at Moraine Park Technical College.

photo submitted

Wheels Of Fortune: Moraine Park Trike Project Helps Boy With Health Troubles

Moraine Park Technical College mechanical design and engineering students had many great things to say after completing a special bike project to end the school year: "It was fun to do [something so] meaningful," said Tyler Hess from Random Lake.

"I'm just glad we got the opportunity to help," said Jonathan Schalow of Farmington.

"I love being outside and am glad I could help someone enjoy the outdoors a little more," said Jacob Fendt of Hartford.

But in the end, nothing said more on a cloudy May afternoon than the roaring laughter of 11-year-old Mason Schommer of West Bend; his wide smile utterly contagious as he sat alongside his mother, Megan, on a specially modified, two-person trike.

"Mason can now experience something he really enjoys and gets to do what his cousins do and join in on bike rides. I can't thank the students and teachers that helped with this enough. They went way above and beyond. I wish I could say more to thank them, but there ... aren't enough words," Megan said before loading up the trike at the College's Fond du Lac campus.

Mason has cerebral palsy and had the left side of his brain removed at age 4 due to epilepsy. He is autistic, non-verbal and is considered to be at roughly a three-to-four-year old age level. One of

Mason's greatest joys in life is going for bike rides, but this was becoming an increasingly difficult activity to participate in as an older child with special needs - especially considering Mason is unable to pedal and never will be able to.

Around Christmas time, however, an anonymous man donated money for the Lions Club of West Bend to buy Mason a special passenger-style trike where he could ride along next to someone else that could pedal for him.

Mason's grandmother, Elizabeth, said the used trike was wonderful and had great "bones," but there were a few problems:

"He can't peddle, so his legs just hung down, which worried me. The handlebars were difficult to use. The seating position for the adult peddler is hard on the back and made peddling hard, especially on any kind of incline or dirt or gravel pavement."

Short on money and options, Elizabeth turned to Moraine Park's instructors - seeking either help or a recommendation on who else could lend a hand.

Mechanical design and engineering instructors Tom Roehl and Jeff Quackenboss immediately took it on as a student project of their own.

Throughout the spring semester, their students used their budding skills to redo the gears on the bike, add a plated footrest for

Mason so his feet won't drag down anymore, redo the handle bars to make it easier for the driver of the bike to navigate, and, perhaps most noticeably, lighten the bike considerably by removing extra equipment.

"I heard the guys spent about 15 hours working on this, and it definitely shows. It's just amazing. It works so much better now. We're just truly grateful," Elizabeth said.

Elizabeth said Mason has been enjoying the bike immensely since picking it up from Moraine Park last month and is looking forward to many more rides now that summer is here. For these cherished opportunities to see Mason's wide smile, and hear his constant laughter, Elizabeth said her family couldn't be more grateful to everyone who made this possible.

"I'm not sure anyone realizes how much this means to us. Everything 'special needs' is outrageous in price. We have the cost of raising a special needs child and then adding 10 times the price for most basic items. So Moraine Park's instructors and students and the man who donated the bike to Mason will forever hold a place dear in our hearts," Elizabeth said. "We just want [Mason] to enjoy what so many take for granted."

So It Goes

By Andrew Johnson

ANDREW JOHNSON

People who volunteer for the right reasons usually don't want to be recognized publicly. Their motivation to help others has more to do with a greater purpose.

These volunteers are usually the same people who are interested in making positive differences in our community. Their reward is the satisfaction of helping someone or some worthwhile organization.

These people seem to recognize that a life of serving others is much richer than a life lived to serve one's self. These people are usually very busy even if they are not employed. They are the type of people that you can count on. They are

the strong strands in the fabric that make up our families and community. Everything that has true value would fall apart without them.

Is the era of volunteers fading away? Perhaps there are fewer volunteers available because

of the fast passed lifestyles and new demands of life now lived by many people.

I hope that the good things that are being done by many fantastic volunteers inspires others to also volunteer. I believe that the work of volunteers will determine and shape this community in the years to come. Many volunteers in the right place at the right time can have a huge positive impact. However, the lack of volunteers could have devastating and long lasting negative effects on this community.

The only way to ensure future success of any community is to ensure that there is an army of volunteers on hand serving many different worth-

while organizations of interest.

True volunteering is a conscience decision and not just an after thought. I would contend that there are still many of these quiet heroes in our community. Many of them are getting older and new volunteers are needed to come forward.

I think it is important to recognize our current volunteer heroes from time to time so others can see what it means to make a difference. We need example volunteers to lead the way to show others how to achieve real meaning in life.

The Champions of Change event held last week was an event that was designed to do exactly that. Several hundred community volun-

teers from all across Washington County had dinner together and cheered at the recognition of 11 volunteer award winners including our very own Kewaskum Remembers 9/11 committee. Actually, everyone at the event was an award winner in my book. There was no shortage of volunteers at the event. These people inspired me to be a better person, to give more of myself to others and to give until I can't.

I felt a little awkward for being recognized with the 9/11 committee. I only recently joined the group and want to pass on the recognition to those who have been working on this memorial for the past 16 years. Like many volunteer

efforts, it takes lots of time before things come together. Big volunteer projects require a big volunteer effort. I am confident that this group will do whatever it takes to build a memorial in just the right location without taxpayer funds. This memorial will be a marker of past sacrifices and also a symbol of inspiration for the many good things that can and should be done by the many wonderful volunteers in our community.

One of the greatest things about volunteering is it can start at anytime and the dividends are usually proportionate to the effort given. Congratulations to all who have volunteered to make this a better community.

Daniel's Landscaping LTD

Daniel's Landscaping was established in 1987 by Daniel Stukenberg and is located in Campbellsport, WI. For 30 years, he has provided high quality, artistic landscapes for residential and commercial settings. Dan is a registered landscape architect who will collaborate with other skilled tradesmen such as carpenters, electricians, and masons to provide the very best results for his clients.

Our staff is experienced and qualified. They take pride in the quick and efficient completion of every landscape design regardless of the challenge it may present. Daniel's Landscaping has won numerous awards thanks to their creative ideas, keen eye for detail, and excellence in construction.

Dan is a landscape architect, but he is also an artist. Every design he creates is a custom fit, tailored to the individual tastes and needs of his client. Dan is devoted to his work and his aim is to bring natural luxury at affordable prices. Contact Daniel's Landscaping for unique outdoor living spaces - we will strive to exceed your expectations!

Continued From... Judges' Choice Awarded To 9/11 Committee

"While each of us remembers exactly where we were that day, and we will never forget the atrocity that has since changed our world and out every day lives, we remember those who lost their lives, the heroes who sacrificed, and ordinary community members who came together and did extraordinary things in a great time of need. This spirit of volunteerism, community service, and us as human being that brings us together today," Melzark said.

The Kewaskum Remembers 9/11 Memorial project is comprised of volunteers with a goal to build a memorial within the community, for the community, and by the community to create an inclusive, reflective space to remember the victims of 9/11, honorable and brave service men and women and emergency first responders. This memorial part will include a teaching platform and amphitheater to help educate our youth and community members about our nation's history and the events of 9/11. It will be designed for the use by the schools, civic organizations, volunteer groups, churches, businesses, and nonprofits and we would be proud to partner with every group, according to Melzark.

"We would like to give special recognition to the Volunteer Center of Washington County, West

Volunteers on the Kewaskum Remembers 9/11 Committee are recognized for their work with the Judges' Choice award at the annual Volunteer Center Champions of Change event. Committee members include: (from left) Gordon Haberman, Dustin Melzark, Jeffrey Kastner, Jessica Osenbrugge, Amanda Follett, Monica Schultz and Andrew Johnson; and (not pictured) Jerry Gosa, Matt Heiser and Tom Fabitz.

photo by Laura Johnson

Bend Mutual Insurance Company, Sharon Ziegler, and all the sponsors and donors of the annual 'Champions of Change' for this inspiring evening. We are grateful and humbled by this award. We appreciate each of you who have made an impact in your projects and initiatives," Melzark said.

The 9/11 Committee was also nominated for the Ziegler Team Spirit award along with the Allenton Volunteer Fire Department and Spotlight Productions at the event.

The Ziegler award recognizes the work of three or more volunteers and was awarded to Spotlight Productions this year.

There was a total of 11 volunteer categories recognized at the banquet. Each of the category winners were given \$500 to be given to the charity of their choice. The 9/11 Committee directed their \$500 towards the Hub Project of the Volunteer Center of Washington County. This was the third year that the Volunteer Center hosted a

Champions of Change banquet. The Center was started in 1983.

The Kewaskum Remembers 9/11 Memorial committee is currently working with Village of Kewaskum officials on specific location options for the memorial and on the fundraising effort. The committee also anticipates completing their 501c3 not-for-profit application before the end of this week. No taxpayer funds will be used in the building of this memorial.

Ask the Dentist

Why Don't I Just Get All My Teeth Pulled Out And Get Dentures?

Dr. Sara Klasinski

We hear this comment a lot from patients who have struggled with their teeth, let it be from cavities or gum disease. I tell my patients day in and day out, it is very important to invest in your mouth because it can be very difficult to adjust to a life with removable prosthetics like dentures or partial dentures.

If one had to choose between which arch to invest in, it would be the mandible, or lower arch. With the maxilla, or upper

arch, the palate acts like a suction cup for a denture to adhere to and allows for better retention when replacing all teeth. The mandible does not have that; the tongue and cheeks that border the prosthesis move constantly with speech and eating causing poor retention.

If there are teeth that can be saved on the lower arch, the quality of life with a partial denture will be much higher.

Do you have a dental question? If so, email: dcon53040@jdconnor.com

Kondex Holds Sweet Celebration Of National Dairy Month

As a manufacturer of agricultural harvesting components, Kondex Corporation is an enthusiast of National Dairy Month – and every year, it holds a very sweet event to celebrate the contributions of U.S. farmers. For more than a decade, the ice cream truck has come to visit Kondex, and associates receive a company-paid treat. This tradition has become one of the most anticipated workdays at Kondex.

"Kondex production picks up considerably in the spring and summer months, making the timing of our ice cream truck visit a well-deserving reward

for our hard-working associates," commented Kondex VP of Human Resources and Organizational Development Mike Frydryk.

While this is the company's most recent celebration, it's one of many extra food bonuses associates have access to throughout the year. From Fat Tuesday paczkis in February to cookouts in May, a holiday luncheon in December, monthly catered lunch options, and several associate-coordinated lunches, Kondex has created an employee-minded culture.

"We do a lot to keep our

associates happy at Kondex, and have found that these investments can have a significant impact on morale, retention, and success," noted Frydryk. "Whether it's food, events, or working in an air-conditioned plant, our associates appreciate the small-town compassion that's very evident in our culture."

National Dairy Month started out as National Milk Month in 1937 to promote drinking milk. It was initially created to stabilize the dairy demand when production was at a surplus, but has since developed into an annual tradition that celebrates the

contributions the dairy industry has made to the world.

Kondex, a manufacturer of cutting and wear-resistant components, uses new technologies to improve product life by two-three times and manufacturing innovations to strengthen product functionality. For our OEM customers, this elevates market share; for end users, it extends the life of their machinery. With the majority of our products agriculturally based, these efforts support our mission of helping to feed and fuel the world. For additional information, please visit www.kondex.com.

New Weather Station Gives Local Data

By Anne Trautner

School is out for summer, but the weather station that was recently installed at the i4Learning Community School is still at work.

According to the weather station, a wind gust reached 43 mph at the school, located on Highway H in Wayne, last Monday, June 12.

That same storm knocked out power for over 24 hours in a section of the Village of Kewaskum. The storm knocked down numerous trees in the area and tore off a barn roof in Beechwood.

Students in grades three through five learned about weather this year, and the \$600 weather station was purchased to enhance the learning experience.

The weather station reveals the temperature,

wind speed and even the phases of the moon.

The solar-powered gadget was funded through the charter school's PTO and governance council. MGS Manufacturing donated another \$300 through a

matching donation from a pizza sale.

The weather station provides updated weather information that can be accessed online at the Weather Underground site at <https://www.wunderground.com/personal-weather-station/dashboard?ID=KWIALLLEN3>.

weather-station/dashboard?ID=KWIALLLEN3.

In addition, a Weather Underground app can be downloaded to an iPhone or Android phone so that users can add it to their favorites and bookmark it.

Anna Duckwall, 6, has fun learning about American Girls during the Kewaskum School District's summer school program.

SPORTS

Washington County Hosts U.S. Open

By Anne Trautner

Washington County became the world's stage last week as the 2017 U.S. Open was held at Erin Hills.

Brooks Koepka, a 27-year-old golfer from West Palm Beach, Fla., won the U.S. Open on Sunday, shooting 16-under par.

With a final score of 272, Koepka finished four strokes ahead Brian Harman and Hideki Matsuyama.

Tens of thousands of people came out to the golf tournament each day. Nate Kenworthy of Kewaskum was in the mix throughout the entire week.

"I've been telling my wife for at least five years how excited I was for the U.S. Open to be 35 minutes from Kewaskum and what an awesome opportunity it was," Kenworthy said.

Kenworthy especially enjoyed walking with Steve Stricker's group.

"It was evident from early on Monday that he would be recognized and cheered for more than even Dustin Johnson, Rory McIlroy or Jordan Spieth. He handled the week with such class and appreciation for the fans who wanted nothing more than to see him play well," Kenworthy said.

Jordan Carlton, who plays golf for Kewaskum High School also spent several days as a spectator.

"It was a sweet opportunity to be out there," Carlton said.

Koepka acknowledged and thanked all the fans during the awards ceremony on Sunday.

Throughout the week, other players noted the fans, as well as an appreciation for the course.

"I enjoyed the walk," Jason Day said on Friday. "The golf course is actually really beautiful."

USGA president Diana Murphy thanked all of Washington County for its part in hosting the event.

Event Security

The Washington County Sheriff's Office was in charge of security for the event. With the large crowd, that was a big job. "Kudos to the Sheriff's

Office. They really did an outstanding job handling everything," said Kewaskum Police Chief Tom Bishop, who toured the Joint Operations Center at Erin Hills on Sunday.

Inside the center were representatives from federal, state and local law enforcement, private security, USGA officials, Wisconsin DOT, National Weather Service, Federal Aviation Administration, Emergency Management, and hospitals. The center also included a 24/7 dispatch center staffed by both Washington County Sheriff's Office and Wisconsin State Patrol dispatchers.

"From my perspective as the public safety officer in charge, I felt things went very well. This was a large-scale event, with a large attendance, over a long period of time, on a large geographic footprint which included off-site parking lots," Sheriff Dale Schmidt said.

Blimp Crash

On Thursday, June 15, at about 11:15 a.m. an advertising blimp caught fire and crashed east of the event grounds.

Hartford Fire Department and Ashippun Fire Department both responded to the 1400 block of State Highway 83.

The pilot, the only occupant of the aircraft, sustained serious injuries as a result of the crash and was medically transported via Flight for Life with serious burns and injuries.

The initial investigation revealed the blimp may have experienced mechanical problems prior to the crash. The Federal Aviation Administration as well as the National Transportation Safety Bureau assisted with the onsite investigation.

The blimp had been airborne for several hours prior to the incident and the Sheriff's Office had been in contact with FAA representatives earlier in the day and determined the aircraft was lawfully operating at the proper altitude.

Health Issues

On Thursday, June 15, the Washington Ozaukee

Health Department identified E. coli bacteria in a drinking water sample collected from one hydration station connected to a well near hole number 12, and the public was alerted to the issue.

The water line to the affected hydration station on hole number 12 was shut off, and bottled water was used to replenish the supply to all hydration stations at the golf course.

On Friday, June 16, at approximately 1:25 p.m., Hartford Rescue Personnel and Washington County Sheriff's Deputies stationed at the 2017 U.S. Open, were dispatched to the grandstand at Green 6, for a 94-year-old Wauwatosa man who was reported to be pulseless and non-breathing. Rescue personnel arrived within approximately three minutes of the call and began CPR. The man was later transferred to an on-site ambulance, where he was pronounced deceased. The Washington County Medical Examiner's Officer responded to the scene to assist in the investigation. No foul play is suspected and the death appears to be of natural causes.

A number of people were treated throughout the week for heat-related issues, especially on Friday. There also were some transports to hospitals for heat-related issues and a couple of possible fractures due to missteps/falls.

"The Hartford Fire Department and assisting agencies, had a good plan, and their staffs rose to the challenges and workload all week," Schmidt said.

Daily Operations On And Off Course

The Wisconsin State Patrol and the USGA worked together to manage traffic. There were some backups around the red and blue lots at times, but no major traffic jams were reported. Adjustments were made throughout the week due to weather and capacity issues.

"The plan and resources were present so they

could do these kinds of things. I felt the Wisconsin State Patrol was prepared and executed well. They were a good group to work with all week," Schmidt said.

Security dealt with a very small number of alcohol-related issues at the event. Some deputies were assigned to escort players throughout the competition.

"Deputies who served as player escorts had long days of walking but were enthusiastic about their work," Schmidt noted.

While the U.S. Open was going on, the

Sheriff's Office was still responsible for handling day-to-day events throughout the county.

"We had a couple of serious injury accidents, a person possessing a firearm while suicidal (resolved peacefully) and many other normal calls for service that were handled well," Schmidt said.

"Overall, I'm very proud of the Sheriff's Office staff performance during the week. Whether they worked at the event or in normal operations, they met all the expectations and served the public well," he added.

Indians Post Back-To-Back Wins After Close Loss At Cedarburg

By Judy Harlow

A five-run rally in the bottom of the third inning propelled the Kewaskum High baseball team to a 9-3 victory over Grafton in a game played in Kiwanis Park on June 16.

With the win, KHS improved to 3-6 in North Shore action and 7-9 overall.

The Indians sent 11 to the plate in their big inning, with Tony Steger leading off with a line drive single and getting another hit after his teammates all took their turns at the plate. Joining in the fun were Jared Chesak, Cole Surprenant, John May, Dalton Pole and Ryan Prochnow, who all singled, and designated hitter, Kyle Bath, who hit a ground rule double to left to bring home one of the runs.

Five runs scored on eight hits, giving the Indians and Surprenant, their ace pitcher, a 7-1 lead.

The Indians added another two runs in the sixth when Chesak stroked his third hit of the night, a single to left, Jacob Loehr followed with a single; Gabe Christenson smashed an RBI double to left and Brent Goeden brought in the ninth run with a ground out to deep short.

Surprenant had an excellent outing, giving up just one hit in five and 2/3 innings of work. He struck out seven and walked

none before being lifted because he was closing in on the 75-pitch limit, and it irked KHS coach Doug Gonring that he had to pull him.

"I think it's a dumb rule," Gonring said afterward. "The old rule worked out fine for 40 years."

He did have plenty of praise for Surprenant's effort. "The first 14 batters, he started out with strikes," the coach said. "He dominated the strike zone."

And would this win and the one over Whitefish Bay be the beginning of a winning trend for KHS? "Yeah, I hope so," Surprenant said. "Yesterday, we started to turn it around, but we've got some tough games ahead."

Concerning the key to his good effort? "I was able to get a lot of first-pitch strikes, and that helped a lot," the big right-hander said after recording his first conference win of the year.

Jacob Loehr relieved Surprenant, throwing 1 and 1/3 inning and giving up just one hit, then Gonring called on J.J. Heberer to finish off the seventh. He gave up a 2-run homer to Jack Pwalak before getting Zack Merkle on strikes to end the game.

When he was told nine different players drove in runs, Gonring said, "I didn't know ... I'm just glad it happened," indicating

hitting becomes contagious and hopeful it ended a recent batting slump.

Chesak, Bath and May each had three hits, while Brad Buechel singled in one of the two runs in the bottom of the second.

On June 15, the Indians got back on track with a thrilling 7-6 come-from-behind win over Whitefish. They were down 7-3 going into the bottom of the seventh when they pushed four runs across the plate to get the victory.

The tally started when Ryan Prochnow and Dalton Poole drew walks from two different pitchers. After Luke Lemont came in, Tony Steger also walked to load the bases, then Jared Chesak delivered a big, two-run double to close the gap to one at 6-5, setting the table for John May, who came through with a two-run single to right field for the walkoff victory.

Chesak and May each had two hits while Brent Goeden smashed a double in the bottom of the second, driving in a run to tie the game at 1-1. J.J. Heberer was called out at home on the play.

Kyle Pamperin earned the win for the Indians. He pitched two innings, allowing one run and a pair of hits, while striking out three and walking just one.

Lucas Christenson started for the Indians, giving up five runs on six hits with one strikeout.

On June 13, senior Dalton Poole pitched good enough to win but received little offensive support, leading to a 2-1 loss to host Cedarburg.

Poole gave up five hits over five and 1/3 innings, with three of them coming in the bottom of the second when the Bulldogs scored both of their runs. After a ground out, Alex Bray singled but was wiped out by a fielder's choice by Will Schlingman. Alex Kluck joined Schlingman on base after getting a base hit, then the two moved to second and third on a passed ball by Kyle Bath and scored when Jared Antonneae hit a two-out single to left field.

The Indians had runners on base in the first three innings but could not score. In the first, Ryan Prochnow doubled after one out, but winning pitcher, Nathan Hucko got Jared Chesak to fly out to center field and Cole Surprenant to pop out to the pitcher.

In the second, John May reached on a fielder's choice after Bath led off with a single. May stole second, but seconds later was picked off, and that ended another threat.

Two Indians, Brad Buechel (single) and J.J. Heberer (walk) were left on base in the third as Huck got a fly out and two ground outs to end the inning.

KHS finally scored in the sixth via a well-placed single by Chesak, a single past second by Bath, and an error by Antonneae on a ball hit by May. With runners still at first and second, pinch hitter Kyle Pamperin struck out swinging on three pitches.

The Indians went three-up, three-down in the sev-

enth.

North Shore Standings as of June 16: 1. West Bend West, 9-0; 2. Germantown, 8-1; 3. West Bend East, 8-2; 4. Nicolet, 5-4; 5. (tie) Homestead and Grafton, 4-5; 7. Kewaskum, 3-6; 8. Cedarburg, 3-8; 9. Whitefish Bay, 1-5; 10. Port Washington, 0-9

Rock River League Old-Timers Plan Two Summer Events

The Rock River League Old-timers are planning two summer events for 2017. The Annual RRL Old-timers Summer Outing will be held in conjunction with the RRL All Star Game on Saturday, June 24 at Ashippun Firemen's Park. There will be drink coupons and plenty of door prizes for the Old-timers in addition to watching some of the best players in the Rock River League battle it out for division supremacy. All Old-timers should join in the fun and camaraderie.

On July 22, The RRL Old-timers are planning a trip to Appleton to watch the Brewers' Class A Affiliate, the Wisconsin Timber Rattlers play the West

Michigan Whitecaps. The bus will leave the Hustisford Community Hall parking lot at 4 p.m. sharp. The cost of a ticket will be \$50.00 which includes a deluxe coach bus ride to and from the game, plenty of refreshments and snacks on the bus, Bar Top seating along the first base line at the game and an All-You-Can-Eat Buffet through the seventh inning. Please make plans to attend this fun filled event with the RRL Old-timers. Make your reservations today by contacting President Kirk Kaul (262-389-5021) or kirkkaul@okrealty.biz) or Secretary Bob Schulz (920-285-3736) or bobschulz@charter.net).

One Big Inning Ends Kewaskum Hopes Of Third Straight Win

By Judy Harlow

When North Shore baseball coaches and fans think about Homestead pitching, Joe Panella's name comes up first, but Austin Jeffrey isn't bad either as the Kewaskum High Indians learned Monday night.

In a rain-shortened game, Kewaskum managed just two hits, singles by Jared Chesak and Brad Buechel, off Jeffrey, who picked up the win and a shutout in the 5-0 decision that ended in the top of the sixth when the skies opened.

KHS fans were thinking their team was going to have the advantage because they had ace Cole Surprenant on the mound, but the right hander was frustrated by a very small strike zone, which led to four walks and a couple well-placed hits in the five-run second.

After getting Dylan Moser to ground out,

Surprenant walked three straight on some pitches that appeared to be right over the plate.

At one point, Surprenant gestured to the umpire in an effort to find out what he had to do to get a strike call, and KHS coach Doug Gonring took a time out to settle his pitcher and ask about the calls. When play resumed, Cole Destefanis singled on a 1-and-2 offering, sending one Highlander teammate home and another scored one a fielder's choice for a 2-0 lead.

Surprenant got Ben Price to ground out for the second out, but then Erik Zoeller drew a walk to load the bases again, and Andrew White followed with a single that cleared the bases when the right fielder missed the cutoff man and the ball got by the third baseman, allowing Zoeller to score all the way from first.

The inning ended when Surprenant got Sandro

Kulutbonis to ground out to second baseman Brent Goeden.

Surprenant had 58 pitches after just two innings, so Gonring called on Kyle Pamperin to pitch the third and fourth. Good defensive plays by third baseman Dalton Poole and shortstop Buechel (6 to 3 double play) helped Pamperin keep his pitch count at six pitches in the third, and he needed just nine in the fourth when he gave up one single.

After two outs in the fifth, Pamperin's pitch count reached 27, so Gonring brought in Jacob Loehr to get the final out.

Tony Steger drew a walk to start the sixth for the Indians but after Chesak hit into a fielder's choice. The game was suspended for 10 minutes, then called.

With the loss, the Indians fell to 3-7 in North Shore play while the Highlanders climb to the .500 mark at 5-5.

Families of the Kewaskum Boys & Girls Club participated in the Boys & Girls Clubs of Washington County's Silver Lining 5K for Kids. Cater Heimermann brought home a second place rock for his age group at the event. Pictured are: (front row, from left) Declan Heimermann, Carter Heimermann, Brooke Pritchard and Abigail Pritchard; and (back row) Kelly Heimermann and Jennifer Pritchard.

Trio Of KHS Kickers Honored By League Coaches

By Judy Harlow

As expected, co-champions Plymouth and Winneconne dominated the all-East Central soccer team, but the conference coaches rewarded three veteran Kewaskum High players, Molly Schulteis, Hailey Herriges and Elisabeth "Lizzy" Bauer by selecting them for second team honors.

KHS coach Luke Piwoni "seconded" the motion of the other coaches, agreeing this trio was the core of his team, not just this year but in years past as they all were four-year varsity players, who continued to improve over their careers even though the Indians' win-loss record this year was not impressive at 4-9 (fourth place).

Schulteis, a second team attacker, was honored for the fourth straight year. She was an honorable mention picked as a freshman and a second team forward as a sophomore in the old Eastern Wisconsin Conference.

"Then, for the past two seasons, she was a second team attacker in the EC. Molly has been a very

dangerous threat at forward for all four of her seasons." Piwoni said. "She was our biggest threat on offense this season and forced opposing defenses to game plan for her. We relied on her for our offense and when she was not in there, you could see a huge difference. Her speed and aggressiveness up top really put defenses on their heels and gave us a great scoring threat every time she touched the ball."

Schulteis, who plans on playing for Carroll University in the fall, scored 10 goals this spring with four assists. Four of the goals and three of the assists came in conference play.

Herriges had a good year in basketball and in soccer. This was her second year of conference recognition in the EC league, having been selected for the second team as a defender a year ago.

"Hailey was our rock. She was a four year starter on defense and was relied on each season to lead the defense. This year she showed excellent leadership and really helped our younger players improve," Piwoni said. "Hailey is almost impossible to beat in a one-on-one situation. Her speed and smart play were critical for our defense this season, especially due to our inexperience on the back line and having a new goalie. Hailey played all over the defense, depending on the game

situation and was the leader on our back line. She was also voted team MVP by her teammates."

Against EC opponents, she scored two goals and provided two assists, and overall she had four goals and three assists.

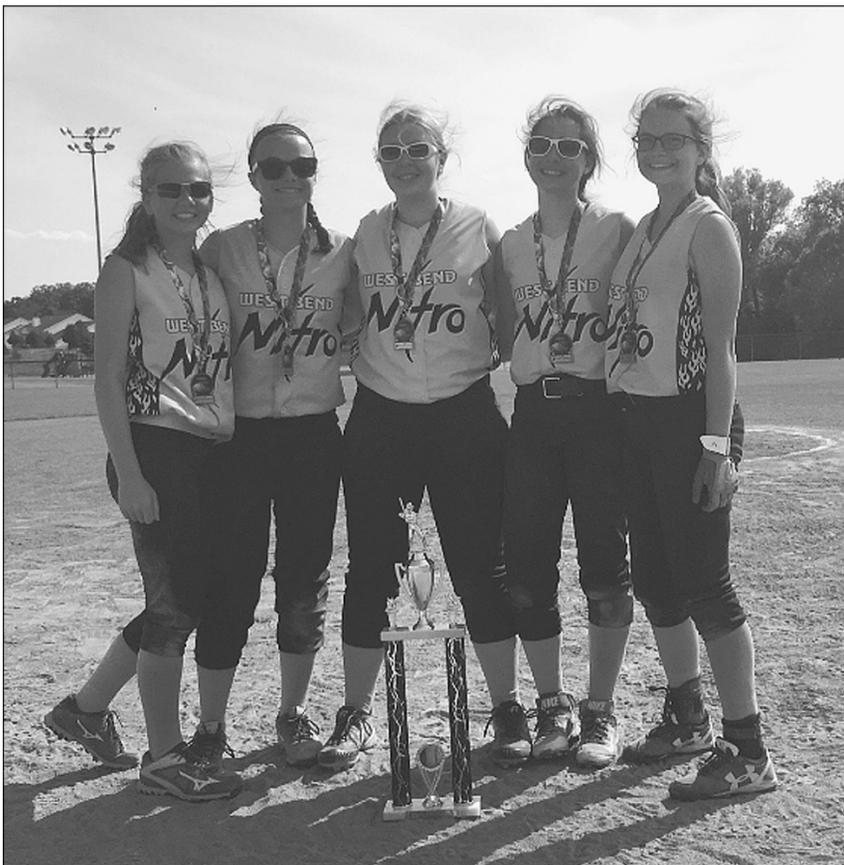

"This is her first all-conference recognition," Piwoni said about Bauer. "Lizzy played mostly in the midfield this season and was responsible for holding possession and building our attack. She did a great job of setting up her teammates and building our attack. She also took advantage of scoring opportunities when she had them."

Bauer wound up with five goals and three assists in conference matches and had three more assists in other games for a total of six.

"It was great to see her be recognized by the other conference coaches," Piwoni said about Bauer, who will be going to Wisconsin Lutheran College next year where she plans to continue her soccer career.

Plymouth had five, first-team picks and one on the second unit while Winneconne was rewarded with three, first-team picks and four second-team picks. Plymouth attacker Kaylee Koenig was selected as the player of the year.

Kewaskum lost goalie Courtney Aker to an off-season injury, and her loss definitely affected the Indians' record this season.

During the weekend of June 9-11, West Bend Nitro U14 Gold participated in the West Bend Lightning Tournament and took first place in the Silver Bracket. Kewaskum Girls on the team are: (from left) Haley Krejarek, Amayah Thomas, Ashley Ellefson, Olivia Adornato and Brianna Augustin.

All Hands Are On Deck This Fourth-Of-July Weekend To Stop Aquatic Invasive Species In Wisconsin

Thousands of Wisconsinites will take to the water this fourth-of-July weekend for the state's busiest boating holiday, and many will be greeted at boat landings by volunteers sharing a simple but powerful message: You have the power to protect lakes and rivers from aquatic invasive species. The weekend will be host to the ninth annual Landing Blitz, a statewide effort to remind boaters and other water lovers to take action to stop the spread of aquatic invasive species, which pose great risks to the health of our lakes and fisheries.

"This campaign has become a mainstay of our prevention efforts, since the holiday draws both frequent and infrequent boaters to the water, allowing us to empower a lot of people," says Bob Wakeman, statewide aquatic invasive species coordinator for the Wisconsin Department of Natural Resources. Volunteer inspectors will be on hand at landings around the state from June 30 through July 4 to give demonstrations of the prevention steps or answer questions about

invasive species. Their efforts will build on the success of last year's campaign, when volunteers inspected over 14,000 boats and spoke with over 32,000 people. "One of the most exciting things about this campaign is the strong volunteer effort. Every year hundreds of concerned citizens participate as volunteers to help us raise awareness and empower boaters," says Wakeman.

New this year is a coordinated way for boaters to share the campaign's message. For those who use social media, they can help spread the word about the importance of aquatic invasive species prevention by posting photos and messages using the hashtag #CleanBoatsCleanWaters. Boaters can also contribute to a crowdsourced Story Map that will showcase their photos and messages about how they protect Wisconsin's waters from aquatic invasive species. Contributions can be made at this link: <http://arcg.is/2o9YIU9>.

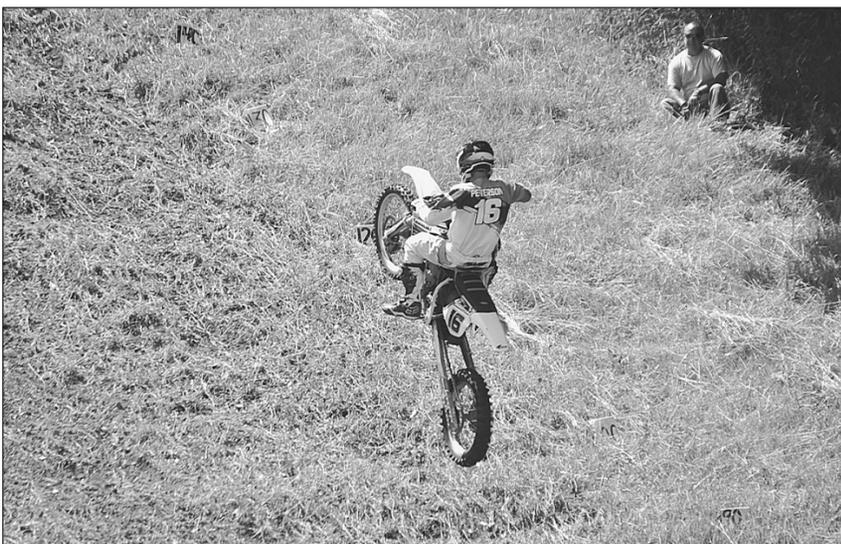

Invasive plants and animals, like Eurasian water-milfoil, spiny water fleas and zebra mussels, can

spread easily by hitching a ride on boats and other equipment, including trailers, anchors, livewells, buckets and bilges. But boaters can also easily prevent this by taking the following simple steps before they leave a boat landing:

- ◆ Inspect your boat, trailer and equipment
- ◆ Remove all attached plants or animals
- ◆ Drain all water from boats, motors, livewells and other equipment
- ◆ Never move live fish away from a waterbody
- ◆ Dispose of unwanted bait in the trash
- ◆ Buy minnows from a Wisconsin bait dealer, and use leftover minnows only if you will be using them on that same waterbody or if no lake or river water or other fish have been added to the container.

Following these steps also helps boaters comply with Wisconsin state law, which prohibits the transport of aquatic invasive species.

To learn more about invasive species and their impacts to Wisconsin's waters and economy, visit DNR.wi.gov and search "Invasive Species."

Logan Peterson charges up the hill during the Motorcycle Hillclimb at Sunburst on Father's Day.

ADVERTISEMENT FOR BIDS TOWN OF FARMINGTON, WISCONSIN 2017 PAVEMENT MAINTENANCE PROGRAM

Sealed proposals will be received until 7 p.m., local time, on July 11, 2017, by the Town of Farmington at the Town Hall located at 9422 Hwy 144, Kewaskum, WI 53040, at which time and place all proposals received will be publicly opened and read aloud.

The principal items for which proposals are invited are:

- | | | |
|--------|----|----------------------------------|
| 4,500 | LB | Bituminous Pavement Crack Sealer |
| 55,000 | SY | Boiler Slag Seal Coat |
| 60 | EA | Infrared Seamless Patching |

All proposals shall be submitted on bidding forms included in the Project Manual furnished by Kunkel Engineering Group, LLC, and in accordance with the provisions of the Project Manual. Specifications and other Contract Documents are on file at the Town of Farmington at the Town Hall located at 9422 Hwy 144, Kewaskum, WI 53040. Bidders MUST purchase Bid Documents from Quest CDN or Engineer to submit a bid. Reproduction of Bid Documents will not be accepted from Bidders.

Complete digital project bidding documents are available at www.questcdn.com. You may download the digital plan documents for \$25.00 each, non-refundable by inputting Quest Project No. 5214522 into the website's Project Search field. Please contact QuestCDN.com at 952-233-1632 or info@questcdn.com for assistance in free membership, downloading of documents and working with this digital project information.

Bidding documents are also available for pickup from Kunkel Engineering Group, located within the City of West Bend City Hall, 1115 S. Main St., West Bend, WI 53095, (920) 210-6330, upon a non-refundable payment of \$40.00 per set.

Bids shall be accompanied by a Certified Check or Bid Bond payable to the Town of Farmington in an amount equal to 5% of the Bid, as a guarantee that if the Bid is accepted, the Bidder will execute and file the Contract, the Contract Performance Bond and Payment Bond, and the Insurance Certificate(s), as required by the Contract Documents, within 15 days after the Notice of Award of the Contract by the Town of Farmington. Failure on the part of the Bidder to do so will result in forfeiture of the Bidder's Certified Check or Bid Bond to the Town of Farmington as liquidated damages.

The Town of Farmington reserve the right to accept or reject any or all bids and to waive any informalities in bidding. No bid may be withdrawn for a period of 60 days after the scheduled time for opening bids. Letting of the contract is subject to Sections 61.54 and 62.15 of the Wisconsin Statutes as applicable.

Published by authority of the Town Board.

SCHOOL DISTRICT OF KEWASKUM REGULAR MEETING KEWASKUM, WISCONSIN 53040-0037 MAY 8, 2017 MINUTES

The meeting was called to order at 6 p.m. by President Hanson.

Board members present: Jay Fisher, Troy Hanson, Jim Leister, Mary Miller, Tim Ramthun

Members excused: Sue Miller, Mark Sette

Following a moment of silence, Superintendent Smasal verified that the meeting had been posted pursuant to §19.84(1)(2)(3)(4).

Leister/M. Miller motion to approve the agenda with the deletion of 14.c.i. All aye.

Pledge of Allegiance was recited and led by Mr. Leister.

Recognition: Title I School of Recognition: Kewaskum Elementary School received the Title I School of Recognition Award for High Progress from the Department of Public Instruction. The award is given to the top 10 percent of schools experiencing student growth in reading and math while also decreasing gaps. On May 1st, district representatives received the award during a ceremony at the state capitol.

Kohl's Grants: KES, KMS, KHS and i4L applied for, and received at total of \$12,000 in Kohl's grants for the 2017-18 school year.

Josh Michlig: Mr. Michlig has been selected for a three year commitment as the Percussion Coach for the Middle Level State Honors Band.

Hometown Pharmacy: Ho-

metown Pharmacy donated facial tissue and hand sanitizer. The donation was distributed to each school for use by students.

Spiros Donation – Spiros Industries donated \$10,364.50 to i4L. The funds will be used to fund a robotics project unit. I4L students will be visiting Spiros on May 18.

Public Relations: a. Spring Concerts for all schools will be held this month.

b. i4L Grandparents Day will take place May 9

c. Gallery Night will be held at KMS on May 10

d. FFA Awards Banquet takes place on May 11

e. KHS Blood Drive will be held at KMS on May 17

f. Scholarship Night - \$220,000 of local scholar-

ships will be awarded on May 17 to members of the class of 2017.

Comments/Concerns: None

Re-organization of School Board \$120.05

Election of Board President: Ms. M. Miller nominated Mr. Hanson. Mr. Ramthun nominated Mr. Leister. A hand vote was cast, three votes for Mr. Hanson and two votes for Mr. Leister. Mr. Hanson was re-elected as President.

Election of Board Vice-President: Ms. M. Miller nominated Mr. Leister. A unanimous vote was cast for Mr. Leister.

Election of Board Clerk: Mr. Leister nominated Ms. M. Miller. A unanimous vote was cast for Ms. M. Miller.

Election of Board Treas-

urer: Ms. M. Miller nominated Mr. Fisher. A unanimous vote was cast for Mr. Fisher.

Policy 0155 – President Distribute to Board Members concerning Committees: A discussion ensued about the need for committees. Members agreed with Mr. Hanson's recommendation to move finance and buildings and grounds committees into the whole board. Members also agreed with Mr. Hanson's recommendation to keep policy committee separate.

Starting with the June 2017 meeting, the committees as a whole will take place after public comments and before consent agenda, old business and new business.

Mr. Hanson appoints Ms. M. Miller to lead the policy committee.

Appointment of CESA 6 Representative: Mr. Hanson appoints Mr. Fisher to be the CESA 6 Representative

Appointment of WASB Delegate: Mr. Hanson appoints Ms. M. Miller to be the WASB Delegate

Leister/M. Miller motion to approve the Consent Agenda with deletion of 14.c.i. Motion passed. All aye.

Old Business:

Capital project update. Mr. Schieve from Bray Architects presented and discussed the most up to date design of the capital project. Board members gave positive feedback on the progress and agreed the design was ready to become the construction document on which Bray would begin receiving bids for the project.

Capital Project Bids – maximum dollar approved amount. Leister/Fisher motion for administration to approve capital project bids up to \$50,000.

New Policy review/approve second reading. After short question and answer period M. Miller/Leister motion to approve second reading of new policies 0151.2 Required Student Academic Standards Agenda Item, 1619 Group Health Plans, 1619.02 Privacy Protections of Fully Insured Group Health Plans, 1619.03 3419.03 4419.03 Patient Protection and Affordable Care Act, 2460.03 Independent Educational Evaluation (IEE), 5111.03 ESSA Children and Youth in Foster Care.

Revised policies review/approve second reading. M. Miller/Ramthun motion to approve second reading of revised policies 0100 Definitions, 1460, 3160, 4160 Physical Examination, 1461, 3161, 4161 Unrequested Leaves of Absence/Fitness for Duty, 2370 Educational Options, 2413 Health Education, 3120 Employment of Professional Staff, 3120.01 4120.01 Job Descriptions, 3124 Employment Contract, 3140 Termination, Non-Renewal and Resignation, 3310 4310 Employee Expression in Noninstructional Settings, 3419 4419 Group Health Plans, 3419.02 4419.02 Privacy Protections of Fully Insured Group Health Plans, 3420 4420 Health Insurance Benefit, 3430 4430 Leaves of Absence, 3431 4431 Employee Leaves, 4120 Employment of Support Staff, 5111.01 Homeless Students, 5341 Emergency Medical Authorization, 5530 Drug Prevention, 5780 Student/Parent Rights, 6145 Borrowing, 6150 Tuition Income, 6350 Prevailing Wage Coordinator, 6680 Recognition, 6700 Fair Labor Standards Act (FLSA), 7540 Computer Technology Network, and Internet Acceptable Use and Safety, 7540.01 Technology Privacy, 7540.02 District Web Page, 8330 Student Records, 8340 Letters of Reference, 8451 Pediculosis (head lice), 8500 Food Services, 8531 Free and Reduced-Price Meals, 9160 Public Attendance at School Events.

Conflict of interest policy review. A discussion ensued about voting by board members on issues that are a potential conflict of interest.

Members agreed to bring the topic back to the agenda at the June 2017 meeting.

Fisher/Leister motion to approve payroll in the amount of \$1,206,630.43. Motion passed 5-0. Mr. Hanson made note that Mr. Ramthun did not recuse himself.

Fisher/ M. Miller motion to approve accounts payable in the amount of \$588,834.32. Motion passed 5-0. Mr. Hanson made note that Mr. Ramthun did not recuse himself.

Mr. Smasal informed members the long-term health and dental insurance will not see increases for 2017-18. The district remains in negotiations with Wisconsin County Association and Network Health for bids on health insurance provider. Any change to the health provider would be brought to the board for approval.

After conversation/discussion about the 2016-17 budget variances and an expected report (in July) of the funds use Leister/Ramthun motion to approve the use of 2016-17 budget variances to address capital improvement and technology needs. Motion passed 4-0 with Ramthun abstaining.

M. Miller/Leister motion to approve Builders Risk Insurance Bids. Motion passed 5-0.

Superintendent's Report:

Mr. Smasal took a moment to remember Mr. Larry Ammel, retired teacher, long-time community member and a friend of education. Sympathies are extended to Mr. Ammel's family.

Mr. Hanson and Mr. Leister represented the School District at a Village/School District joint meeting to discuss upcoming projects and Kiwanis Park. Future meetings are expected.

WASB Academy will be holding spring workshops for interested Board members.

Graduation day is June 4 at 2 p.m. Board members present all expressed plans to attend the ceremony.

Staff monetary increases for 2017-18 will include 1.5 – 2% for performance of staff at all sectors.

Student Learning Report: Mr. Bazata reported the majority of assessment testing has been completed. Data will not be available until July and will not be shared with the public until October. ESSA plan has been released by the DPI. Changes are expected to the Wisconsin report card. Educator Effectiveness and evaluations of staff will be taking place for probationary and three year cycle staff.

Business Manager's Report: Ms. Thoreson summarized the Business Managers report. Renewals of regular annual purchases will take place at the June meeting. The 2017-18 working budget was presented and reviewed. A preliminary budget will be reviewed in July prior to going to the annual meeting in August.

KHS Improvements Update: Mr. Franzen gave an update on the improvements taking place at KHS as they prepare for the capital project. Floor abatement at KHS, geo-technical and survey work has begun. Computer labs have been updated. Ceiling tiles in the 100, 200 and 300 hallways at KHS have been removed to allow engineers a better visual of needs/costs.

Pupil Services Report: Mrs. Chapman gave an update on current special education enrollment for the 2017-2018 school year. Transition services/programs were also discussed. Indicators 7, 12 and 13, are indicators that have all been met.

This places the district in great standings for the upcoming DPI self-assessment which starts July 2018.

Mr. Hanson adjourned the meeting at 8:28 p.m.

Continued From... Dancing For Decades

– Country Dancing Club Celebrates 25 Years In Kewaskum

So Perkins attended the dance and has been coming back ever since.

Eventually, Perkins became a volunteer instructor, teaching line dancing to the group. Back then, Perkins taught with a handheld microphone and a cord.

“You can imagine how that was when I would turn,” Perkins said.

Perkins now teaches by calling out the steps through a cordless mike.

Every Monday evening begins with lessons, alternating weekly between line dance and partner dance lessons at about 6:15 p.m.

Then the regular dancing commences at 7 p.m. until about 9:30 p.m.

An average of 60 to 80 dancers attend each week.

They come from all over the area, hailing from places such as Brandon,

Iron Ridge, Fond du Lac, Sheboygan, Colgate, West Bend, Grafton, Allenton, Germantown, Horicon, Hartford, Campbellsport, Randolph, North Prairie, Mayville, Mequon, Cedarburg, Rosendale, Rubicon, New Berlin, Juneau, Waukesha, Lomira, Cambria, and Port Washington.

“They don’t mind the drive because they love to dance,” country dancer Barb Weinert explained.

Eileen Kennedy and Charles Hansmann started attending the club in January after retiring to Fond du Lac from New York.

“We thought we would be polka dancing when we came to Wisconsin, and we ended up country dancing,” Hansmann said.

There is a lot more to country dancing than what they expected.

Dancers take part in country dancing at the Amerahn every Monday evening. The Amerahn has hosted the dances for the past 25 years.

“Every time we do a dance, the steps are different. There are basic steps that dances are all based on, but they are all put together differently,” Perkins explained.

So in addition to getting exercise, people have to concentrate when they country dance, she said.

“It’s good for both the brain and the body, and I think that’s one of the advantages of doing this,” Perkins said.

The Kewaskum dance club runs through the work of volunteers.

One volunteer does all the bookkeeping, while another sends out notices to let people know when the next dance is. Someone else in charge of the club’s website.

Paul Hergert picks out music and deejays for the club.

“It’s not all country music, there is pops music also. We choose whatever has a good beat that we think people will like,” said Hergert, who also teaches partner dances to the group with his wife, Sharon.

In addition to the weekly dances, the club holds summer and winter dances on some Sunday afternoons. Dances are also typically held the third Friday evening of the month at the Amerahn.

“The Amerahn is a nice dance facility. If we ever lost this place, it would be

Sharon and Paul Hergert teach a country dance step at the Amerahn. The two volunteer their time to teach dancing lessons each week.

very difficult to duplicate it,” Paul Hergert said.

Marie Kleinke, owner of the Amerahn, enjoys hosting the dances.

“They are very nice people. I think they enjoy being together. Some do it for the exercise, some do it for the love of dancing. But they are all like a big family,” Kleinke said.

Comments from the dancers reflected that sentiment.

“Everybody is friendly and fun,” said Brenda Neill, who has been dancing

at the Amerahn for the past year. “Everybody welcomes each new person in with open arms.”

And the group is not judgmental of one another.

“It’s a fun thing. It’s not like *Dancing With the Stars*, where you have to be perfect and the greatest dancers. We have a lot of good dancers, but they have been doing this for 20 years, a lot of them.

We all started the same way, and we all make mistakes, or variations,” Paul Hergert said.

For more information about the Country Club Dancers, visit www.countryclubdancers.com.

Dancers step together during a line dance at the Amerahn. Many of the dancers have been coming to the weekly dances for years, but all are welcome.

Kewaskum School District Begins Building Projects

By Anne Trautner

The first piece of dirt was moved outside of Kewaskum High School on Monday, June 19.

The capital project to improve the high school and middle school facilities in Kewaskum has started. Work is underway to construct a temporary drive to allow buses and other school personnel to get to the north side of the high school.

Inside the high school, work is also being done, as workers prepare to take down the 700 wing of the high school. The special education and art classes that have traditionally met in that wing will be relocated to the 300 hallway of the high school this fall.

These are all steps that are being done to complete a \$28.42 million building project that voters approved last November to improve the high school and middle school.

The district is expected to release the latest drawings for the capital project next week.

Last week, work also started at the i4Learning Community School to cor-

rect an ongoing leak that school has experienced on its western wall.

After several years of enduring the leak, the Kewaskum School District is able to afford to do complete the work this year, due to good fiscal management, Superintendent James Smasal said.

For the fourth year in a row, the district ended its academic year with an increase in its fund balance. Over the past three years, the district increased its fund balance from about 15 percent of its budget to 21 percent, Smasal said.

Money in the fund balance is used for short-term borrowing throughout the year and to cover expenses that are not normally in the budget, such as repairing a boiler.

The School Board strives to keep its fund balance at a minimum of 10 percent, but has a goal of keeping it at least 16 percent, Smasal said. Last month, when it looked like the amount would reach 21 percent, the board approved spending money on needed capital projects.

One of those projects is repairing the leak at the i4Learning Community School.

A crew from C.D. Smith Construction, the company that is doing the work on the high school and middle school, is removing the affected exterior wall, brick by brick. The crew will fix the leak and then put the bricks back on the building.

The interior area of that wall will be repainted and recarpeted.

In addition, construction workers are renovating interior walls to make the learning space larger for the K-2 classroom in the i4Learning School, Kewaskum's only charter school.

"We are reaching our maximum of 50 students in the K-2 cohort, so we had our eye on making their learning area bigger. That will be a nice area for them," Smasal said.

Doing the work now is cost effective because the construction crew is already here to begin work on the high school and new middle school, Smasal said.

Work has begun on the interior hallways of Kewaskum High School as the district begins its capital project.
