Local Artist's Work Gets Permanent Hang Time At Lambeau Field

By Anne Trautner

Almost two years ago, Daniel Gerhartz of Kewaskum received an email about creating paintings for Lambeau Field.

Gerhartz admits he didn't know what to think of at first.

"We get a lot of interesting business inquiries, and a lot of it is fluff or really doesn't amount to anything," the local artist explained.

So Gerhartz didn't reply to the email. Then he received a second email, and he decided that he should respond.

It turned out that the request was legitimate. The company Sports & The Arts was compiling a collection of more than 500 paintings, drawings photographs and other artwork to display in Lambeau Field, and Gerhartz had been chosen to be one of the featured artists. In all, Gerhartz created four pieces for the collection.

"It was humbling to be a part of it," he said.

Lifelong Packer Fan

Having his work in Lambeau Field is special for Gerhartz.

"I have been a Packer fan my whole life, so it was a neat honor," Gerhartz said.

When he was young, Gerhartz would go with his Aunt Theresa to Packers games.

"She had access to some season tickets, and so I have been to Lambeau Field quite a few times as a young kid. We used to go to the games and then we would stay and get autographs. I have so many good memories just being at Lambeau as a kid," Gerhartz said.

Kewaskum Statesman Holds Ultimate Packer Fan Contest

Kewaskum Statesman subscribers have a chance to win a pair of tickets to a 2018 Green Bay Packers preseason game.

The Kewaskum Statesman, along with The Campbellsport News, is holding an Ultimate Packer Fan Giveaway contest. The contest is based on the Green Bay Packer's 2017 schedule. There is

no charge to enter.

The top two contest winners will each win a pair of preseason tickets for 2018.

How To Play

To be eligible for the contest, entrants must be at least 18 years of age. Only one entry per person is allowed per week. There is no fee to enter.

To enter the contest, log on to the Kewaskum Statesman's website at www.kstatesman.com and click on the Ultimate Packer Fan Giveaway contest link. Click on a game listed on the right side of the page to enter the contest for that week.

Town Hall Meeting Scheduled For September 6 For Proposed Park

The Kewaskum Village Board will hold a Town Hall/Listening Session to hear input from village residents and businesses about a proposal for a new park.

The special board meeting will be on Wednesday, Sept. 6, at 7 p.m. in the Kewaskum Municipal Annex, located at 1308 Fond du Lac Ave. in Kewaskum.

The proposal is for 31 acres of wooded land off

of Edgewood Road to be donated by the James D. Reigle family to the village and developed by the Kewaskum Athletic Association (KAA) and Kewaskum Youth Soccer Organization (KYSO).

The land has an assessed value of \$649,700. If it accepts the offer, the village would agree that the land would serve as a public park for the next 25 years.

Under the terms the Village Board is currently considering, the cost of developing and maintaining the public park would be covered by KAA and KYSO.

James D. Reigle, 91, wanted his family to donate the land after reading a Kewaskum Statesman article about the community's need for more athletic fields.

Village Of Kewaskum Approves Agreement For 9/11 Memorial Site

By Andrew Johnson

The Village of Kewaskum Board unanimously approved a letter of understanding between the Kewaskum Remembers 9/11, Inc. and the village Monday night.

The agreement allows the construction of a memorial on the land in front of the Municipal Annex Building. The centerpiece of the memorial will be a piece of 2,200-pound steel artifact obtained from the North Tower of the World Trade

Center in New York.

In the agreement, the village would retain ownership of the land and negotiate a 10-year potentially renewable lease with the Kewaskum Remembers organization for \$1 per year. The 9/11 group will be responsible for the construction and maintenance of the new memorial.

The agreement states that the "memorial would be to honor the public safety responders' sacrifices and senseless victimization resulting from

the terrorist attacks of September 11, 2001."

Gordon Haberman, father of Andrea Haberman, who was killed in the attacks, leads the Kewaskum Remembers 9/11 organization. Haberman informed the Village board on Monday night that the organization just received its notification that it was approved for a 501 (C)(3) not-for-profit status from the Department of Treasury.

New members are always welcome. Cards are played from 8:15 a.m. - 11:15 a.m. every Wednesday.

Tuesday Night Sheephead Winners

Five-handed winners on Tuesday, Aug. 22, were: Tom Kohn, 63-9-54, 18-4-14; Pat Heaslip, 70-18-52, 22-7-15; Dave Dayton, 62-11-51, 26-7-14; Sylvester Stern, 63-13-50, 21-7-14; Scott Stern, 54-5-49, 22-3-19; Robert Aufdermauer, 52-5-47, 21-3-18; Joe Reimer, 50-8-42, 14-5-9; Jeanette Guillaume 21 most losses and Jerry Rosenthal 3 low points.

The next five-handed call-an-ace will be Tuesday, Sept. 5, at 7 p.m. sharp. New players are always welcome at the Kewaskum Labor Center.

Vorpahls Celebrate 25th Annual Family Reunion

The children of the late Dorothy Katherine (Theusch) and John Anthony Vorpahl Sr. and their families celebrated their 25th Annual Family Reunion on Sunday, July 30, at the Kewaskum Kiwanis Community Park. Ninety-one people attended this year's reunion.

A small 90th birthday celebration also took place during the reunion in honor of Dorothy & John's daughter Dorothy Isabelle (Vorpahl) Buddenhagen who turned 90 on June 10. She has now joined her sister Dolores T. Kertscher in the 90s club.

Dorothy Theusch was born in Milwaukee on November 15, 1904 and was the daughter of the late Theresa (Grassold) and Anton Theusch. Dorothy passed away on January 16, 1992 at the age of 87.

John A. Vorpahl Sr. was born in the town of Farmington on December 14, 1896 and was the son of the late Wilhelmina "Minnie" (Piltzkow) and Louis Vorpahl Sr. John passed away on August 17, 1968 at the age of 71.

Dorothy and John were united in marriage on February 18, 1924 at St. Michael's Catholic Church

This year's host family for the Vorpahl Family Annual Reunion, the family of Teresa C. (Coulter) Vorpahl and the late John H. Vorpahl, Sr., includes: (front row, from left) Donna Mae T. (Vorpahl) Crass and Teresa C. Vorpahl; and (back row) John Henry Vorpahl, Jr., Jeffrey R. Vorpahl and Lawrence R. Vorpahl; and (not pictured) Thomas A. Vorpahl.

photo submitted

in St. Michaels.

Their union was blessed with ten children: Dolores Theresa Kertscher (widow of the late Allen E. Kertscher), the late Frederick James "Fritz" Vorpahl Sr. (the late Audrey J. nee Seltrecht), Dorothy Isabelle (Floyd F. Buddenhagen Sr.), the late Anthony John "Tony"

Vorpahl (the late Louise V. nee Grabski), the late Adeline Loraine Footland (the late Elmer J. Footland), the late John Anthony "Johnnie" Vorpahl Jr. who died in infancy, the late Ronald Chester "Ronnie" Vorpahl (Ann C. nee Viesselmann), the late Patricia Helen Vorpahl who also died in infancy, Theresa Anne (Gerald W. Brockman), and the late John Henry Vorpahl Sr. (Teresa C. nee Coulter).

Dorothy and John were also the proud grandparents of thirty two grandchildren. Their first born grandchild was born on May 13, 1945, the son of Dorothy and Floyd Buddenhagen Sr, and was given the name of Floyd F. "Butch" Buddenhagen Jr. and the youngest grand-

child was born on October 20, 1972, the daughter of Audrey and Fritz Vorpahl Sr. and was given the name of Stephanie Renee Vorpahl (now Miller).

Anyone with information on either the Vorpahl, Piltzkow,, Theusch or Grassold Families' Ancestors can feel free to contact family genealogist: John Henry Vorpahl Jr. at 262-338-0000 or e-mail at john-henry02@sbcglobe.com.

Chief's Corner

By Kewaskum Police Chief Tom Bishop

Our football season may already be underway, (2-0, looking for win number three against rival Campbellsport tomorrow night) but the school year doesn't officially start until Tuesday, Sept. 5. This school year will be different than previous years due to the construction and renovation projects going on around the high school and middle school. Traffic patterns for student drop off and pick up are different as well as parking locations. Visit the Kewaskum School District website, and click on "Capital" to learn more about these changes. Although these changes may not create an ideal situation for parking and traffic flow, please be patient and mindful that this is part of the process to create a better future for our school district.

Keeping children safe in our community is my top priority. That is why we are implementing a new speed enforcement campaign called "15 Means 15!" This campaign focuses on speed enforcement in school zones. Per Wis. State Statute 346.57(4)(a), "no person shall drive a vehicle at a speed in excess of... fifteen miles per hour when passing a schoolhouse at those times when children are going to or from school or are

playing within the sidewalk area at or about the school." The Kewaskum Police Department will be diligent in this enforcement as we work to slow traffic down in these zones.

As we work to slow drivers down in school zones, they also need to be mindful at school crossing guard locations. Our crossing guards assist children who have to cross Fond du Lac Avenue and it is imperative that drivers follow the commands of the crossing guards. Drivers, who are reported by our guards as violating their directives, will receive a citation. Warnings will not be issued in these types of situations.

It is important for the safety of all our children that they cross the street at locations where we have crossing guards assigned. The Village has crossing guards assigned to three locations in the Village: Fond du Lac Avenue at Highway H West, Fond du Lac Avenue at Main Street and Fond du Lac Avenue at Second Street.

Crossing guards perform two morning crossings and two afternoon crossings:

Fond du Lac Avenue at Main Street and at Second Street:
6:50 a.m. – 7:20 a.m.

8:15 a.m. – 8:35 a.m.
2:50 p.m. – 3:10 p.m.
3:45 p.m. – 4 p.m.

Fond du Lac Avenue at Highway H West:

6:40 a.m. – 7:10 a.m.
8:00 a.m. – 8:25 a.m.
3:05 p.m. – 3:30 p.m.
3:50 p.m. – 4:10 p.m.

As parents, please instruct your children as to when and where they should be crossing utilizing the crossing guard corners to get to school safely. It is also important to note that the crossing guards follow the schedule of the Kewaskum Public School District. Therefore, on days when the public schools do not have school, there will not be any crossing guards at those locations to assist children attending our private schools.

September 5th, 2017 will begin another great school year for students in Kewaskum. I will be giving my annual ride to school for the winners of our Back to School Scavenger Hunt as well as greeting other students as they come to school that morning. Together we can have another fun and safe school year. Remember - "15 Means 15!"

Go Indians!

Tom Bishop
Chief of Police

Continued From... Village Of Kewaskum Approves Agreement For 9/11 Memorial Site

Haberman told board members that "we are in perfect agreement on memorial design methodology...this is a tremendous agreement. All of us truly appreciate it."

After the meeting, 9/11 committee member/designer Dustin Melzark made the following statement about the next steps for the group: "We are going to get a survey and will reengage the landscape architect who will design the park to engage in the various aspects and benefits that the Annex site has to offer this memorial."

In addition to the 9/11 Memorial, the village will explore the idea of renovating and renaming the

Annex property into the Village of Kewaskum Memorial Center that may include other public safety-related memorials at a future time.

Village Matters

In other business, the Village Board Monday night did the following:

- The board approved a motion that enables Village Administrator Matt Heiser to switch the village's phone carrier and negotiate a contract with Charter. Heiser reported to the board that the switch could have a potential savings of \$400 per month for the village.

- The board discussed painting the road for parking stalls on Main Street,

with no action taken.

- The board approved closing of Reigle Drive and Railroad Street on October 8 for the 24th annual Keys 5K Run/Walk event.

- The board went into closed session with village administrator Matt Heiser to discuss his evaluation including future goals and compensation. The board agreed to give Heiser a three-year contract with a 1.5 percent increase in pay, effective January 1, with the following two years of the contract to be discussed each year after his evaluation. The board also demands quarterly updates on Heiser's goals, as well as an annual update.

DNR Seeks Public Comment On Approval Of Storing Municipal Sludge In Manure Pit

The Department of Natural Resources is seeking public comment on a request to approve a plan to store municipal sludge in an existing manure storage pit prior to application on agricultural lands.

The request is from Badger State Waste, which would like to store the sludge in a two million

gallon concrete-lined manure pit located on the Greg Goeller Farm, 5960 Hwy U, Hartford, Washington County.

While this type of action normally does not involve significant environmental effects, the department is soliciting public comments regarding the impacts of the proposal.

Public comments will be

accepted through September 7. Written or verbal comments are encouraged; all public comments on the project can be directed to Gerry Novotny, Water Quality Bureau, Department of Natural Resources, Box 7921, Madison, Wisconsin 53707 or e-mail to Gerry.Novotny@wisconsin.com.

Great Need For Blood Donations In The Aftermath Of Hurricane Harvey

What: Blood centers around the country were alerted over the weekend that the flooding caused by Hurricane Harvey is impacting the blood supply in Texas. This will significantly impact their ability to collect enough blood to maintain what is needed at hospitals they serve.

BloodCenter of Wisconsin is assisting, and is sending a shipment of blood products later today. We anticipate there will be additional need later this week.

Why: All blood collections in Houston have been cancelled; donor

centers are closed and most blood drives canceled due to vehicles being unable to reach blood drive locations.

Blood is being sent to Texas from independent blood centers - like BloodCenter of Wisconsin - throughout the country. They have provided nearly 1,000 units of blood products already, but another 1,000 more are needed.

Who: Individuals with O blood are critically important. We are told that O negative and O positive

blood types are needed - as well as platelets.

If you are asking yourself how to help in the face of this disaster, please consider scheduling an appointment to donate blood so that we can continue to provide the needed support to patients in need in Southeast Texas.

Where: Any of BloodCenter of Wisconsin's 10 donation centers. To schedule an appointment, call 1-877-BE-A-HERO or visit

<https://www.bcw.edu>

Washington County Sheriff's Fugitive

The Washington County Sheriff's Department is seeking:

Name: Daniel Robert Kiltinen
Age:
Race: White
Sex: Male
Height: 5'09"
Weight: 149
Hair: Brown
Eyes: Hazel

LETTERS TO THE EDITOR

Dear Editor:

As a lifelong village resident I could not be more excited about the possibility of having a third major recreational park in our village.

The history of our village parks is quite interesting. Over the past century, the village has added a new park approximately every 40 years. North Side Park was located where Reigle Drive meets Wildlife Drive. This privately owned park was popular from the late 1890s through the 1920s. It served locals and guests that would arrive on the train. The village would swell to over 10,000 people during events ran by Joe Eberle.

River Hill Park, known then as South Side Park, had its beginnings in the early 1900s. This park, owned by Groeschels, Backus and others, was home to dances, graduation gatherings, proms and firemen picnics. In December of 1933, Louis Bunkelman and Killian Honeck sold portions of their land to the village to form River Hill Park. Because of the foresight of our village leadership and generosity of the Kewaskum Fire Department and civic groups, this park, complete with shelters, concessions and a bandstand, is still an important part of our park system over 80 years later.

Kiwanis Park, founded in the late 1970s, a gift from the Kewaskum Kiwanis Club, was brand new as I was growing up. Our summers were spent playing baseball as part of the Kewaskum Jaycees program and swimming at the community pool. Through the years, with improved and additional baseball diamonds, new concession stands, a pavilion, new playground equipment, a lighted softball diamond and most recently new basketball hoops and pool inflatables, our village park has become an important part

of recreation in our community. Again, because of the foresight of our village leadership and generosity and drive of local civic and athletic groups, Kiwanis Park is an important part of our park system over 40 years later.

Now the village and the surrounding residents can benefit from a generous 31-acre donation from the James D. Reigle family. The opportunity for more diamonds, playing and practice fields and green space within the heart of our village exists. Add a walking trail and an existing two-acre pond, and this would be a beautiful park. The village currently owns undeveloped land adjacent to the property, which creates the possibility of linking River Hill Park and this new park by trail. This park is not a duplicate of Kiwanis Park, but an expansion of facilities.

River Hill Park and Kiwanis Park were built on an idea, a lot of hard work and commitment from groups like and including the Kewaskum Athletic Association and the Kewaskum Youth Soccer Organization. As appointed lease holders and stewards to this proposed park, the drive of the KAA and KYSO for the success of this project is unquestionable.

Now, about 120 years after Kewaskum's first park was created, our parks are coming full circle. The former site of North Side Park sits at the end of Reigle Drive, a road named after the family that has now come forward to provide a wonderful gift to the community. With our new school facilities, a new main street and now an additional park, Kewaskum is one of the most attractive communities in our area. Please show support for your hometown on September 6 at 7 p.m. at the Kewaskum Village Annex.

Aaron Laatsch,
Kewaskum

Dear Editor:

Did you know that the Kewaskum Athletic Association serves, on average, 516 kids annually? This number is derived from the current participants in their baseball, volleyball and flag football programs. The Kewaskum Youth Soccer Organization has an average of 245 kids participating in each of its fall and spring seasons. Combined, that number is 761 youth of our community that utilize the space we currently have available.

To meet the needs of all the youth sports, we have had to be creative with available field space. Young athletes play baseball in the ball diamonds while soccer is practiced in the outfields at Kiwanis Park. We have simply outgrown the current accommodations.

We are in desperate need of more field space to serve the youth of our community.

As a solution, the Village of Kewaskum was recently offered a generous donation of 31 acres to serve as a village community park. The new park, which would be donated by the James D. Reigle family, would truly be a godsend for the community.

Both the KAA and KYSO plan to continue using Kiwanis Park, even after a new park is created. The new park would simply help meet the need we have for additional recreational space in addition to help other organizations.

In order for this new park to become a reality, we need people in the community to come and voice their support for the new park. The Village Board wants to hear from you.

The Village Board will hold a meeting on Wednesday, Sept. 6, at 7 p.m. in the Village Annex to get input from the community on whether it should accept the Reigle family's donation.

If you are unable to attend the September 6 meeting, please write a letter and drop it off at the Village Hall prior to the meeting.

A new community park would be a wonderful and much needed addition to the Village of Kewaskum. Thank you for your help in supporting the youth of Kewaskum.

KAA and KYSO Park
Committee Members

OBITUARIES

Merle Laatsch

Merle Laatsch, 74, of Kewaskum, passed away on Saturday, August 26, 2017, at the Samaritan Health Center in West Bend.

Merle was born on November 12, 1942, in West Bend, the son of the late Lawrence and Marie (Uelmen) Laatsch.

On June 6, 1968, he was united in marriage to Barbara Radtke at St. Johns U.C.C. in Boltonville. Barbara preceded Merle in death on February 21, 1992.

Merle was proud of his work as a union plumber Local 75. He was a town chairman for the Town of Auburn for many years after he retired. Merle enjoyed hunting, going fishing up north, and gardening.

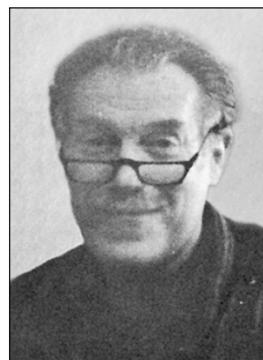

Those Merle leaves behind to cherish his memory include his son, Erik Laatsch of New Fane; three brothers, Donald Laatsch of West Bend, Eugene (Bette) Laatsch of Phoenix, Arizona, and Leon (Chris) Laatsch of West Bend; six sisters, Myrna Laatsch of West Bend, Eileen (Gerald) Yearling of Boltonville, Karen Radtke of West Bend, Ruth (Edwin) Boomer of Antigo, Carolyn (Walter) Landvatter of West Bend, and Shirley Ryan of Port Washington; a sister-in-law, Mary Laatsch of Kewaskum; a brother-in-law, Richard Radtke of Kewaskum; nieces, nephews, other relatives and friends.

In addition to his wife and parents, Merle was preceded in death by a brother, Lloyd Laatsch; a sister, Marilyn (David) Jung; a brother-in-law, Mike Ryan and an infant brother-in-law.

Funeral services for Merle will be held at 6 p.m. on Thursday, August 31, at Immanuel Lutheran Church, W8497 Brazelton Drive, in the town of Scott, with Rev. Brian Krueger officiating. Burial will take place at Immanuel Lutheran Church Cemetery in the town of Scott.

Merle's family will greet relatives and friends at the church on Thursday from 3 p.m. until the time of service.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Merle's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

Jeffrey D. Keller

Jeffrey D. "Jeff" Keller, 66, of Milwaukee, entered eternal life on Friday, August 25, 2017, at The Kathy Hospice in the town of Polk.

He was born on July 6, 1951, in Green Bay. Jeff was the son of Martin and Rosemary (nee Dewsenberry) Keller of Kewaskum.

He graduated West Bend High School in 1969 and attended the University of Wisconsin Milwaukee where he received his Bachelor's Degree in business. Jeff worked as a security guard in Milwaukee for many years.

Jeff enjoyed sports, especially football and baseball. He was a very independent and spiritual person with a good sense of humor who appreciated his friends.

Those Jeff leaves behind to cherish his memory include his mother, Rosemary Keller of Kewaskum; a sister, Karen (Nathan) Glassman of West Bend; a brother, Mike (Tammy) Keller of Little Chute; a godfather, Willis Dewsenberry; three nephews, two nieces, a great-nephew, other relatives and many friends.

Jeff was preceded in death by his father, Martin Keller, and a sister, Linda Keller.

A memorial for Jeff will be held at 6:30 p.m. on Thursday, Aug. 31, at the Myrhum Patten Miller & Kietzer Funeral Home, 215 Forest Ave., in Kewaskum.

The Keller family will greet relatives and friends at the funeral home on Thursday from 5 p.m. until the time of memorial.

The Keller family would like to extend their heartfelt appreciation to the staff at The Kathy Hospice and nurse Tess at Froedtert Hospital for the wonderful care they provided to Jeff.

They Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Jeff's arrange-

ments. Additional information and guest book may be found at www.myrhum-patten.com.

Harold Kurth

Harold Kurth passed away after a short illness at St. Agnes Hospital in Fond du Lac on August 23, 2017.

He was born October 9, 1945, in West Bend, the only child of Myron and Aneita (Kluever).

Harold grew up around the Kewaskum and Kohlsville area attending Kewaskum High School.

After high school he worked a short time at Danielson Manufacturing in West Bend after which he was employed at the West Bend Company for almost 37 years. He was a member of the 25 year club.

On November 14, 1970, he married Diane Wondra, the daughter of Lambert and Joyce Wondra of Campbellsport. They lived in Campbellsport for one year before moving to their present home near Kohlsville.

Over the years Harold helped area farmers. He started working on lawn mowers and small engines turning it into a small business. Harold and Diane also did lawn cutting turning it into a small business. Harold was never one to sit around. He was always on the go.

In his spare time he loved watching car racing and playing sheephead. Also, he enjoyed listening and dancing to polka music. During Germanfest in downtown West Bend he could be found there almost all three days.

Harold and Diane were always together. They would have been married 47 years this November.

Harold is survived by his wife and two children: Lee (Wendy) and Annette and her love Everett "Skip" Betts. He is further survived by his grandchildren Emily, Maranda, Paige (fiancé Jordan) and Michael and his four legged friends, his cats.

Funeral services were held Monday, Aug. 28, at 7 p.m. at the Schmidt Funeral Home in West Bend. Burial took place on Tuesday at 11 a.m. in St. Peter's Cemetery in the Township of Addison.

The family greeted relatives and friends on Monday, at the funeral home from 4 p.m. until 6:45 p.m.

Memorials to Harold's grandchildren are appreciated.

Harold had many friends and relatives that he held near and dear to his heart. He will be missed sadly. We all love you dearly.

The Schmidt Funeral Home in West Bend is serving the family. Online guest book and condolences are available at www.schmidtfuneral-home.com.

DAYS GONE BY

5 Years Ago August 30, 2012

The Washington County Multi-Jurisdictional Drug Enforcement Group (Drug Unit) is requesting charges on a 42-year-old Village of Kewaskum man after removing 80 marijuana plants from behind his residence on August 21.

A son, Wyatt Daniel, was born to Trista and Torey Bringa of Kewaskum on July 26.

Vivian Bowmann, nee Farrand of Kewaskum, died on Sunday, August 19.

15 Years Ago August 29, 2002

The Washington County Highway Department has just completed the surface course of asphalt on Highway B in the Town of Kewaskum. The project will be completed September 15 when the final course of asphalt is laid.

Marion M. Erdmann, 84, of Kewaskum, passed away on Friday, August 23.

Rose Butschlick, 80, of Kewaskum, passed away on Sunday, August 25.

Lloyd C. Schmidt, 82, of Kewaskum, died Monday, August, 26.

25 Years Ago August 27, 1992

The Kettle Moraine Agency Inc., a well known local insurance agency will soon be moving to the Kewaskum Mall.

Vincent D. Kohn, 62, of Kewaskum, passed away on Monday, August 24.

Anna Ida Ebert, 74, of Kewaskum passed away on Friday, August 21.

50 Years Ago August 25, 1967

A four-car accident on

County Trunk G, north of Kewaskum Saturday morning resulted when two drivers stopped to help another and the cars were hit by a fourth vehicle. Henry V. Oppermann of rural Campbellsport and Steven Bradfield of Milwaukee were assisting Lester M. Schaub of Kewaskum get his car out of the ditch at the time of the mishap. A car driven by John J. Sramek hit Bradfield's auto in the rear, sideswiped Oppermann's and hit Schaub's car in the left front. The accident occurred at 1:50 a.m.

B.R. Nelthorpe, president of the Bank of Kewaskum, announced Saturday, the appointment of W. Tessar, 42, to the board of directors of the bank. Tessar is vice president and cashier of the bank and has been in its employ 19 years. He fills the vacancy created by the death of M.W. Rosenheimer, who served the bank for 50 years.

The Kewaskum beach will close for the summer on Aug. 27. After this day the lifeguards will not be present and swimming will be at your own risk. Weather-wise this summer was a bad one for swimming lessons. There were 191 children signed up, but largely due to the cold weather, only 100 were present enough times to be tested of these, 74 passed.

75 Years Ago August 28, 1942

Washington County will hold its first test blackout Tuesday evening, Sept. 1, unless Army approval is not obtained. It will start at 10 p.m. and extend for a 15-minute duration. This will be what is termed as a first blackout trial, with the

purpose of testing the system of control centers, communications, and efficiency of the warde services and other protective services to accustom people to their duties and responsibilities during a blackout.

A large number of local young people were to Wilson's Round Lake Resort Tuesday night to hear and dance to the music of Art Kassel and his "Kassels in the Air", radio favorites.

A group of the younger mass servers of Holy Trinity Church, namely Robert and Daniel Staehler, Harold Perkins, Harold Bath, and Allen Schoofs, were taken to Milwaukee by the pastor, Father LaBuwi, on Tuesday, where they were treated to the State Fair.

Banns of marriage for Vernon Sarauer of St. Kilian and Miss Nather Davies of Horicon were announced Sunday in St. Kilian's Church.

Old time dance at Gonring's Resort, Big Cedar Lake, Sunday, Aug. 30. Music by Rube's Westerners. Admission 40¢ per person including tax. Soldiers free.

100 Years Ago August 25, 1917

Nicholas Remmel wishes to announce that he has again opened his foundry and expects to run same steady from now on. He has engaged the services of two good molders and is prepared to make

castings of every description. Anyone desiring castings made, leave your orders with him and get your work done right.

A deal was made in this village last Thursday whereby the firm of Lochen and Heindl of West Bend, leased the livery of Westermann Brothers, for a term of two years. The new firm intends to remodel the building and make it into a modern garage. They intend to make this plant a branch of their West Bend agency and handle the Ford cars exclusively. These gentlemen are well known in this community and are hustlers and we can see no reason why they should not make a success of the undertaking. The Westermann Brothers will give up the livery business, and Ed, the senior member of the firm has purchased a farm and is working same, and Carl, the junior member, has been called in the Army draft. We regret to see the livery business go from our village but welcome the new business.

The approaching marriage of Rose Gitter to John Kern was announced in church last Sunday.

Born to Andrew Bonlender and wife, a baby girl last week Wednesday.

Wm. Dreichosen and crew are building a silo for Reuben Backhaus this week.

Library Happenings

ACTIVITIES AT THE KEWASKUM PUBLIC LIBRARY

The Kewaskum Public Library, 206 1st St. in Kewaskum, is offering the following programs. For more information, contact the library at (262) 626-4312.

Storytimes
Storytime takes place every Wednesday at 10:30 a.m. and 6:15 p.m. (the same stories each session), year-round.

September 7: Alphabet

September 14: Silly Monkeys

September 21: Welcome Fall

September 28: Going to the Apple and Pumpkin Farm

Upcoming Events
September 19: We're excited to be showing the new Captain Underpants movie, 4:30 p.m.

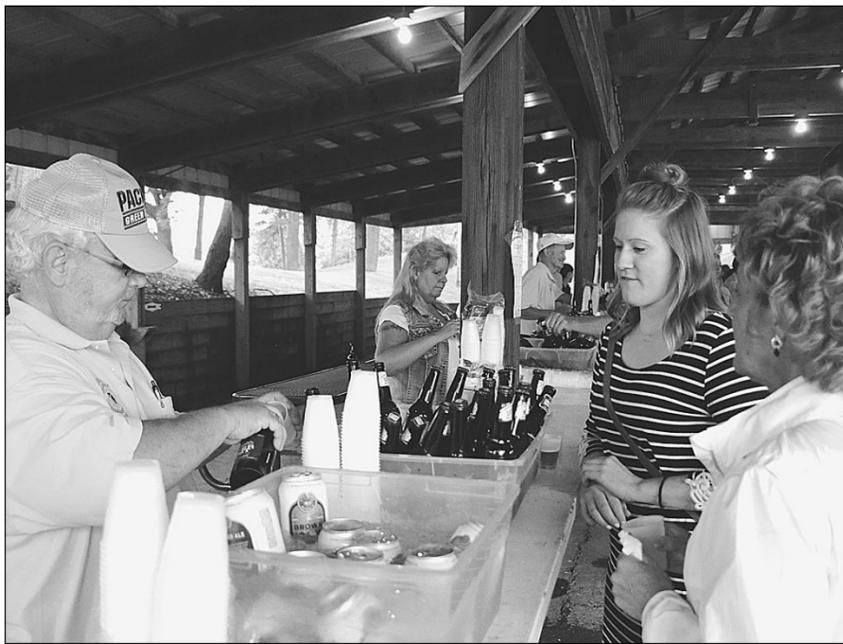

September 28: QPR:

Question, Persuade, Refer, A Suicide Prevention Training, 6 p.m. Mark your calendar, share this opportunity with others, and join us for this life saving educational event. QPR Certification Training is an evidence based training designed to help you gain an awareness of statistics, known risk factors, recognizable behaviors, and the proven, 3-step process for suicide intervention. You will be encouraged to ask questions and actively participate in the presentation practice exercise.

Volunteer Drivers Needed

The Washington County Senior Dining Home Delivered Meal program needs volunteer drivers in the Jackson area on weekdays. Volunteers would give approximately 1½ hours to take noon meals to homebound

persons. Anyone willing to deliver meals and have your mileage reimbursed should call the Aging and Disability Resource Center of Washington County at 262-335-4497 or 1-877-306-3030 for more information.

Attendees enjoy a beer and wine tasting that the Kewaskum Kiwanis Club hosted at River Hill Park on August 2. The Kiwanis Club will hold a Turkey Shoot on September 9 at West Bend Barton Sportsmen Club. All proceeds benefit the community.

Weekly HEALTH TIP

STABILITY BALL BENEFITS

If you sit for long periods throughout the day, you may want to consider replacing your chair with a stability ball sometimes. Sitting on the ball requires balance; it forces your spine into proper alignment and strengthens core muscles. This can help reduce back pain. It also causes you to switch positions frequently, which can reduce damage caused by sitting in the same position for a prolonged time. You can do mini-workouts, and the additional movement burns more calories. Using an exercise ball can improve circulation and may help you feel more energetic. For a proper fit, your upper legs should be parallel to the floor when seated.

An Upcoming Calendar of Events for River Edge Nature Center

Thursday, September 14 - Little Explorers Playgroup, 10 a.m. - 11:30 a.m., Hello Fall! Let's gather in the Natural Play Area and share the wonder of nature through outdoor play. We will taste the harvest's bounty in the Children's Organic Garden, hunt for patterns in nature, play camouflage hide and go seek, and venture into forests, fields, ponds and more. Nature sensory bins for babies and exploration tools for older children will be available. Indoor activities will be planned in case of inclement weather. Fee: \$5.00/child for Non-Members & Trail Pass Members/Riveredge All Access Members: FREE.
Thursday, September 14 - Sound Off- Bat Monitoring Night Hike, 7:30 p.m. - 9 p.m., We know that bats use echolocation to sound off echoes that build up a sonic map of their surroundings, but it's hard to hear the bats unless conditions are just right. Join us to SEE the bat calls come to life as we hike through Riveredge at night and visualize their sound waves on an iPad that uses Echo Meter Touch technology. Hikers will learn how echolocation works in bats and get hands on with technology that helps humans learn so that we can conserve and restore an important species...all while under the Harvest Moonlight. Cost: Non-Members & Trail Pass Members: \$10.00 per family, All-Access Members: \$5.00 per family
Thursday, September 14 - Community Conversation: Developing a State of Engaged Water Thinkers, 1 p.m. - 4 p.m. - Free. Join individuals around southeastern WI as we discuss water related issues that this region of the state is currently dealing with. Discussion topics will include issues involving the Region's drinking water and the status of the Milwaukee River, in addition to an introduction of systems thinking by Jeremy Solin, Wisconsin's ThinkWater Coordinator and National Program Manager. This free workshop is intended for anyone interested in regional water issues. Please RSVP for this event.
Friday, September 15 - Great Outdoors Club: Hiking The Riveredge Forests, 1 p.m. - 2:30 p.m., Join us on the Riveredge trails to enjoy the beauty of autumn with a special hike through our beautiful forests from our Director of Research and Conservation, Mandie Zopp. Fee: Free for Great Outdoors Club Members. Pre-registration by Thursday, September 14th is required. Please contact Mandy Zopp at mzopp@riveredge.us or call 262-375-2715 if you wish to participate.
Saturday, September 16 - Pop In Program- Family Geocaching, 10 a.m. - 11:30 a.m., Looking for something to do with the whole family? Swing by our Pop In Program anytime between 10am-2:00pm and begin the search for our 8 hidden caches throughout the Riveredge property. Bring an object to swap along your discovery mission. Handheld GPS units provided on a first come, first served basis. Naturalist will be on hand to get you started- the rest of the journey is up to you! All ages welcome. Cost: Non-Members & Trail Pass Members: \$5.00/person, Riveredge All Access Members: FREE.
Sunday, September 17 - Fly Fishing For Salmon, 12 p.m. - 3 p.m., Learn about fly-fishing for those chinook and coho salmon that are entering our local rivers to spawn with Riveredge's fly fishing expert, Jerry Kiesow! Spend a few hours learning about the equipment and lures needed to catch these big fish and find out the wheres, whens, and hows of this exciting season. Jerry will also show you how to create some simple flies; so simple you need not know how to tie. Unfortunately, we will not be able to actually fish - salmon cannot get this far upriver, but you'll be all ready to head out on your own adventure afterwards. Cost: Non-Members: \$35, Members: \$30
Wednesday, September 20 - Nature Tots: Power of Pollinators, 10 a.m. - 11:30 a.m., Discover the power of pollination and the creatures that make pollination possible in our world. Learn how bats, ants, birds, and bees all help in the make some of our favorite foods possible. We'll focus on flowers and even buzz over to our honey bee hive to take a peek at the busy bees. Fee: Non-Members & Trail Pass Members: \$5.00 per child (adults are free), All-Access Members: FREE.
Saturday, September 23 - Nature Detectives: Seeds on the Move, 10 a.m. - 11:30 a.m., As autumn draws closer, plants are moving into the seed phases of their lifecycle. How many different seeds can you uncover in the prairies and forests of Riveredge? Investigate the different modes of movement that seeds will use in order to disperse and start a life of their own! Create your very own seed inspired necklace. Cost: Non-Members & Trail Pass Members: \$5.00/person, All-Access Members: FREE.
Thursday, September 28 - Little Explorers Playgroup, 10 a.m. - 11:30 a.m., Hello Fall, Let's gather in the Natural Play Area and share the wonder of nature through outdoor play. We will taste the harvest's bounty in the Children's Organic Garden, hunt for patterns in nature, play camouflage hide and go seek, and venture into forests, fields, ponds and more. Nature sensory bins for babies and exploration tools for older children will be available. Indoor activities will be planned in case of inclement weather. Fee: Non-Members & Trail Pass Members: \$5.00 per child (Adults Free), All-Access Members: FREE. Playgroup Tips for Families: Little

Explorers is a drop-in style playgroup which allows children to be engaged in unstructured, outdoor play and gives parents a chance to meet other adults. A staff member or volunteer will be available to answer questions, supply equipment, or lead a hike if desired. Children must be accompanied by an adult. Playgroup explores in rain, wind, sun, and snow. Playgroup will be canceled if there is a risk of severe weather. Watch the website for updates. Any age is welcome to attend playgroup. Our average age range is 2-5 years old, but everyone benefits when there are children of all ages. Our yard is stroller friendly near our play area. If we choose to go on a hike, we will also choose trails which are stroller friendly. What to Bring: Both parents and children should be dressed for the weather. This might include: rain pants, rain coat, waterproof boots, hat, mittens, snow pants, thermal underwear, and wear anything which can get dirty, Extra change of clothes for each child (can be left in the car), Snack and water bottle (optional, but strongly recommended), Summer: Sunscreen, bug spray, and sunhat.

Saturday, September 30 - Sturgeon Fest, 11 a.m. - 3 p.m. - Free, It's not every day you get to release a baby sturgeon into Lake Michigan. Head to Lakeshore State Park in downtown Milwaukee for the 12th annual Sturgeon Fest on September 30, 2017 and enjoy a day of free, family fun and make a huge difference while doing it. Sturgeon Fest celebrates Riveredge's 25 year partnership with the Wisconsin DNR to bring back Lake Sturgeon, a critically important species both environmentally and culturally, to the Milwaukee River, where they haven't been seen in over 100 years. Be a part of this amazing comeback story and join thousands of other community members when you sponsor a young sturgeon and hand release them into Lake Michigan. You'll even get a tracking code to register your fish so you can be notified if the DNR finds your fish in the future. Some sturgeon can live up to 150 years, so you've got plenty of chances. The festivities continue all day with games and activities for kids, kayak demonstrations, prairie tours, educational booths, delicious local food trucks, and so much more. Sturgeon sponsorship for 2017 is now open! Check out our brand spanking new Sturgeon Fest website for all the details on this awesome family festival, the sturgeon project, and how you can help bring back a prehistoric species.

For more information about Riveredge Nature Center, please go to their website at riveredgenature-center.org or call (262)375-2715. The Center is located about a mile northeast of Newburg off of County Highway Y/Hawthorne Drive. The center is open seven days a week.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

Friday, September 1 - Ladybugs Everywhere Nature Storytime, 9:30 a.m. - 10:30 a.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). Ladybugs are friendly beetles that help gardeners and farmers. Find out what these tiny insects do that is of such importance to all of us. This hour of nature fun awaits 3 to 6 year olds with accompanying adults.
Friday, September 1 - Journey into Darkness Night Hike, 8 p.m. - 9:30 p.m., Zillmer Trails Area (located off County Road SS between County Road G and Hwy 67 near New Prospect). As the sun sets and the light fades from the sky, the day animals retire and a new group of animals awakens. We will explore the darkening world for nocturnal insects. Bring your bug spray and sense of adventure. This night hike is best for families/groups with children at least 5 years old.
Saturday, September 2 - Saturday Morning Nature Sleuths, 10 a.m. - 11 a.m., Picnic Shelters at Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake Recreation Area (located off Division Road north of County Road F near Dundee). Calling all youth to unravel the mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.
Saturday, September 2 - Get Outdoors! Play Day, 1 p.m. - 4 p.m., Long Lake Recreation Area South Beach (located off Division Road north of County Road F near Dundee). Bring the whole family for an afternoon of nature and outdoor fun! Try your hand at tracking animals, honing your fishing skills, taking the eco-explorer challenge, matching young critters with their parents, and creating original nature art. Everyone is invited to drop in for a few minutes or more than an hour. Adults are encouraged to participate with their children.
Saturday, September 2 - Deep Sky Objects, Summer Saturday Evening Event, Sponsored by Friends of the Kettle Moraine, 7:30 p.m. - 8:30 p.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). What objects lie beyond our solar system? What are a nebula, an "M" object, and globular cluster? Join Jeff Setzer, a member of the Northern Cross Science Foundation, as he describes these and other extraordinary deep sky objects. This program is most appropriate for people more than 8 years old.
Saturday, September 2 - Summer Star Gazing, Summer Saturday Evening Event, Sponsored by Friends of the Kettle Moraine, 8:45 p.m. - 11 p.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). Look through a telescope or binoculars to bring into focus the wonders of the night sky. With the help of experienced night sky observers from the Northern Cross Science Foundation, spy distant planets, dumb-bell nebulas, globular clusters, and so much more. The program will be held only if the skies are clear. This program is best for anyone more than 8 years old. Drop in any time and stay as long as you like.
Sunday, September 3 - Get Outdoors! Play Day, 12 p.m. - 3 p.m., Mauthe Lake Recreation Area Beach (located off County Road GGG south of County Road SS near New Prospect). Bring the whole family for an afternoon of nature and outdoor fun! Try your hand at tracking animals, honing your fishing skills, taking the eco-explorer challenge, matching young critters with their parents, and creating original nature art. Everyone is invited to drop in for a few minutes or more than an hour. Adults are encouraged to participate with their children.
Wednesday, September 6 - Ice Age Trekkers, 7 a.m. - 8:15 a.m., Meet at the Ice Age Trail parking lot off Hwy 28 (located west of Kettle Moraine Drive near Kewaskum). Join us for a stimulating 2.79-mile morning hike along the Ice Age National Scenic Trail between Kettle Moraine Drive and Hwy 28. A shuttle will be available between the starting and finishing spot.
Saturday, September 9 - Monarchs, Milkweeds and Mexico Exploring Nature Program, 12:30 p.m. - 2 p.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). Find out the connection between monarch butterflies, milkweeds, and Mexico. Discover ways you can help these magnificent butterflies survive. This program is best for families/groups with children between the ages of 6 and 12 years.
Wednesday, September 13 - Ice Age Trekkers, 6 p.m. - 7:15 p.m., Meet at the Ice Age Trail parking lot off Hwy 28 (located west of Kettle Moraine Drive near Kewaskum). Join us for a refreshing 2.79-mile evening hike along the Ice Age National Scenic Trail between Kettle Moraine Drive and Hwy 28. A shuttle will be available between the starting and finishing spot.
Thursday, September 14 - An Evening with Nature, 7 p.m. - 8:30 p.m., Eight-legged Wonders: Spiders, Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). Hundreds of spider species call Wisconsin home. Learn about their unique biology and the niches they fill in state's natural communities. This program is most appropriate for adults and youth over the age of 10 years.
Friday, September 15 - Chattering Chipmunks Nature Storytime, 9:30 a.m. - 10:30 a.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). With cheeks filled with nuts, chipmunks are a comical sight. Find out what these "chatter boxes" do with all those gathered nuts and seeds. This hour of nature fun awaits 3 to 6 year olds with accompanying adults.
Saturday, September 16 - Get Outdoors! Go... Find Your Way, 9 a.m. - 11 a.m., Long Lake Recreation Area Picnic Shelter (located off Division Road north of County Road F near Dundee). Would you like to venture off the beaten path, but don't feel comfortable leaving the familiar trail behind? Then join us to learn how to use an orienteering compass, determine your pace, and keep yourself from becoming lost. This program is best for families/groups with children more than 8 years old.
Wednesday, September 20 - Ice Age Trekkers, 7 a.m. - 8:15 a.m., Meet at the Ice Age Trail parking lot off County Road H (located east of the Milwaukee River near Kewaskum). Join us for a brisk 1.95-mile morning hike along the Ice Age National Scenic Trail between Hwy 28 and County Road H. A shuttle will be available between the starting and finishing spot.
Saturday, September 23 - Sensational Seeds Exploring Nature Program, 12:30 p.m. - 2 p.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). From as tiny as a dust fleck to larger than a softball, seeds come in all shapes and sizes. Figure out how seeds help plants to grow and thrive. This program is best for families/groups with children between the ages of 6 and 12 years.
Wednesday, September 27 - Ice Age Trekkers, 6 p.m. - 7:15 p.m., Meet at the Ice Age Trail parking lot off County Road H (located east of the Milwaukee River near Kewaskum). Join us for an unwinding 1.95-mile evening hike along the Ice Age National Scenic Trail between Hwy 28 and County Road H. A shuttle will be available between the starting and finishing spot.

All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.

Fall Festival To Be Held At St. Michael Parish

St. Michael Parish east of Kewaskum will be hosting a Fall Festival on Sunday, Sept. 24. Festivities start with a Polka Mass at 9 a.m. at 8883 Forest View Road and Highway. 28. The public is invited.

A buffet style turkey and beef dinner with homemade stuffing and

desserts will be served from 10:30 a.m. to 2:30 p.m. It is \$10 for adults, \$5 for children under 12, and free for children under 4. Carry-outs are available. Handicapped accessible.

There will be a Music Tent with music by The Goodtime Dutchmen and Carol & the Keynotes.

Brats, burgers, fries and adult beverages served in the tent.

There will be a raffle with Packer tickets as first prize, a huge Silent Auction, games, crafts, fresh bakery and a tractor pedal pull. The Packer game will be shown on a big screen TV. Have family fun at reasonable prices.

Girl Scouts Ensures Success For Girls Now And In The Future

As parents and girls begin planning for the school year, Girl Scouts of Manitou Council is inviting girls to join the fun by becoming Girl Scouts. Girls can participate in outdoor activities like hiking and camping, and have exciting, girl-only adventures while learning important life skills. Plus, with 23 new badges built in partnership with NASA, SETI, Goldieblox, and Palo Alto Cybersecurity in science, technology, engineering and math, every Girl Scout has an opportunity to take the lead in STEM through hands-on learning by doing.

According to a new study by the GSRI Research Institute, compared to non-Girl Scout peers in co-ed settings, Girl Scouts earn better grades, have higher academic aspirations, and are more likely to build a career in STEM, business, or law; professions in which women are under-represented. Former Girl Scouts have higher educational attainment, are more likely to vote, give service in the community, make more money, and have more satisfying relationships. This new Impact Report provides compelling evidence that the girls-only environment of Girl Scouts is helping girls grow into women who are responsible, caring and engaged - and prepared for a lifetime of leadership.

To join Girl Scouts parents of girls should contact:

Kindergarten Kewaskum and Kindergarten/First grade Farmington (Daisy) Contact: Jennifer Loser 262-627-0352 or gstroop8398@yahoo.com

First Grade (Daisy) Kewaskum contact:

Angie Krejcarek 262-689-2606 or akrejcarek@gmail.com, Meetings are second & fourth Monday after school at Annex Building (supervised walking) until 6 p.m.

Second Grade (Brownie) Kewaskum Contact: Jennifer Melzark 262-365-3614 or troop8231@gmail.com. Meetings are third Thursday after school until 5 p.m. at Kewaskum Elementary School.

Second Grade (Brownie) Farmington Contact: Nicole Gurrola 262-689-7213 or nschinker@hotmail.com. Meetings are first Wednesday of each month after school until 5 p.m. in the Art Room

Third Grade (Brownie) Kewaskum and Farmington Contact: Natasha Butzlaff 262-689-0209 Jenni Ciriacks 262-305-9478 Christine Hartnett 262-384-9252, Meetings are first & third Tuesday of each month 6 - 7:30 p.m. in Kewaskum School cafeteria

Sixth - Eighth Grade (Cadette) Kewaskum and Farmington contact: Jessica Sternig 262-707-7984 or

jsternig05@gmail.com Meetings are first Friday of every month 6-7 p.m. at Kewaskum Annex Building (school year only). Will also have field trips intermittently during the year.

All Grades Holy Trinity contact: Jennifer Loser gstroop8398@yahoo.com 262-627-0352

"It is no surprise to us that Girl Scouts provides part of the "secret sauce" for girls to grow to be strong women. The fact is, most of a girl's life is experienced in co-ed settings. Only Girl Scouts is time-tested and research-backed to address the growth patterns and leadership needs of girls only. Girl Scouts inspires girls to take risks and stretch beyond their limits - habits they carry into adulthood. This makes them far more likely to be successful," said Amber Lamers, President of the Girl Scouts of Manitou Council.

According to the new study, compared to their peers in co-ed organizations, Girl Scouts are more likely than non-Girl Scouts to:

- Have confidence in themselves and their abilities (80 percent versus 68 percent)
- Act ethically, responsibly, and show concern for others (75 percent versus 59 percent)
- Seek challenges and learn from setbacks (62 percent versus 42 percent)
- Develop and maintain healthy relationships (60 percent versus 43 percent)
- Identify and solve problems in their communities (57 percent versus 28 percent)

Girl Scouts of Manitou is the largest girl-serving organization in the Lake Michigan western shoreline area.

Teen Connections Group Meets In Kewaskum

- Group Offers Support For Teens With Mental Health Condition

A Teen Connections group is being held on Tuesdays from 4-5 p.m. at Peace United Church of Christ, 343 First St. in Kewaskum.

The group is a free resource for teens in grades seven through 12 who live with or suspect a mental health condition such as anxiety, depression, ADHD, etc.

Teen Connections is a social support group that is facilitated by trained adults under the Washington County United Way and sponsored by NAMI (National Association of

Mental Illness). Snacks/refreshments are provided at the meetings.

In addition to the Kewaskum group, a Teen Connections group meets on Wednesdays, 4:30-5:30 p.m. at Jack Russell Memorial Library, 100 Park Ave. in Hartford. For more information about the Hartford group, contact Carmen at Carmen.namiwashington@gmail.com or 262-355-4456.

A third Teen Connections group meets on Thursdays, 4:15 to 5:30 p.m. at NAMI Welcome

Center, 2030 Stonebridge Road in West Bend. For more information about the West Bend Group, contact Suzanne at Suzanne.namiwashington@gmail.com or 262-629-5187.

For more information about the Kewaskum group, contact Peggy at Peggy.namiwashington@gmail.com or 517-927-7630 or Kimberly Bocher at kbocher@kewaskum-schools.org, 262-685-7798 or 262-626-8427, ext. 8002.

Kewaskum School District Tax Levy To Increase 3.37 Percent

By Anne Trautner

The Kewaskum School District plans to have a 3.37 percent increase in its tax levy for 2017-18 from last year's levy.

With 26 electors attending the school district's annual meeting and budget hearing on Monday, Aug. 28, a tax levy of \$11,515,571 was unanimously approved for the 2017-18 preliminary budget. The tax levy for 2016-17 was \$11,139,901.

The increase is due to the new debt from the district's capital project and decreased state aid, said Julie Thoreson, business manager for the district.

The budget will not be finalized until October, when the budget is updated to reflect changes in enrollment and state information. At that time, as other school boards do across Wisconsin, the Kewaskum Board of Education will set the final tax levy.

The salary of the School

Board members will remain at its current rate of \$3,150.

The fund balance is currently at an all-time high, Thoreson said. The general fund for 2016-17 ended with a surplus of \$9,577, creating a fund balance of \$4,164,691 as of June 30, 2017.

The fund balance is used to provide funds for emergencies, shortfalls and special projects. It also is used to reduce the amount of cash flow loan and maintains/improves bond rating.

The Kewaskum School Board's policy is to have a minimum fund balance of 10 percent. The district has more than doubled that, with a fund balance of 21.2 percent at the end of the 2016-17 fiscal year.

The district has \$18,393,380 in its fund balance for capital projects and has set aside \$1,002 in Fund 46, which can be used for future capital projects.

The Kewaskum School District welcomes the following new teachers/professional staff: (front row, from left) Briana Reid, Hannah Cassidy, Carmen Klenner, Stefanie Eggert, Bethann Ambrose, Abby Brendemuehl, Janice Peterson and Jill Bentsdahl; and (back row) Chelsea Boyd, Amber Vervacke, Christopher Neseemann, Ann Lemons, Eugene Peterson, Hannah Lindell and Erik Gotthart.

Kondex Launches Maintenance Mechanic Apprenticeship Program

In response to a growing demand for maintenance professionals within the manufacturing industry, Kondex recently launched a Maintenance Mechanic Apprenticeship program. This four-year, State-mentored program consists of 8,000 combined hours of classroom and on-the-job training working under the Company's experienced maintenance mechanics. Schooling can be completed at any participating Wisconsin Technical College, with all tuition, books, and fees paid by Kondex. Upon completion, participants will be recognized as Journeyman Maintenance Mechanics, and be fully prepared for a variety of tasks associated with installing, servicing, and maintaining the proper working condition of production equipment and machinery.

Chad Reinke is Kondex's first maintenance apprentice to participate in the program. Reinke joined Kondex in 2013 as an advanced machine operator, and transferred to a maintenance role in 2015. Gaining journeyman status will not only benefit Reinke in advancing his career and responsibilities, but will also allow him to be a mentor to future maintenance mechanic apprentices.

"Kondex offers a variety of training and career advancement opportunities to its associates, and we're excited to add this apprenticeship as another career learning path," commented HR Representative Kelly Peterson. "We're pleased that Chad has embraced this opportunity to further develop his skills, and encourage others to

explore maintenance as a career option." Kondex, a manufacturer of cutting and wear-resistant components, uses new technologies to improve

product life by 2-3 times and manufacturing innovations to strengthen product functionality. For our OEM customers, this elevates market share; for

end users, it extends the life of their machinery. With the majority of our products agriculturally based, these efforts support our mission of helping

to feed and fuel the world. For additional information, please visit www.kondex.com.

FEATURE BUSINESS OF THE WEEK

Tuttle Creek Learning Center, Inc.

Tuttle Creek Learning Center, Inc. is proud to be in business for over 18 years. After purchasing the established center in 1997, Mike and Audra Beyer began molding the business, adding their own unique touches and continued the growing process to accommodate the communities changing needs. Over the past 15 years an infant, toddler and two year old room have been added to the already existing preschool room at the main site, as well as adding before and after school programs in Kewaskum Elementary School and Farmington Elementary School. They have been providing quality childcare for Kewaskum and the surrounding area for over 18 years, while continually improving and adding new features!

Audra brings 27 years of experience to the business and the Administrator, Shelly Marx, brings 23 years of experience. Along with them, there are 10-14 employees depending on the time of year. Mike and Audra Beyer are supportive of their staff going back to school through funding in conjunction with TEACH.

Thank you to all of the parents who have shared their precious children with us! We feel truly blessed to have met each and every one of you. We look forward to many more years of helping your children grow!

Continued From... Local Artist's Work Gets Permanent Hang Time At Lambeau Field

As an adult, Gerhartz still likes to cheer on the Pack with his family.

"We enjoy watching the games. Like the rest of the state, we sit around and scream at the TV," Gerhartz said.

As they root for their team, people are doing more than just cheering on the Packers, he said. There is something bigger happening.

"Everybody has got heartache. And everybody has stress and pressure," Gerhartz said. "When we cheer for our home team, we are kind of putting it all on the line. So we kind of let it all out at the Packers game, or at the Indians game, or whatever. Really, we are all rooting for everything else we have going on in life."

Oil Paintings For Packers

Gerhartz was selected to create three oil paintings of Vince Lombardi and a charcoal drawing of Mike Holmgren for the Lambeau Field collection.

Much of what Gerhartz regularly creates is with oil paints, but he hasn't done any sports paintings since his early years.

"The Packer stuff is really kind of an anomaly for what I have done," he said.

Organizers told Gerhartz what they wanted him to paint for the Packers collection. His guess is that he was selected to create the Lombardi pieces because his classical style would lend itself to nostalgic Lombardi imagery.

The main Lombardi piece measures 4 feet tall by 5 feet wide. Entitled "The Only Thing," it features Lombardi being hoisted up by Packers players, with his fist raised in the air.

To create the painting, Gerhartz had a picture to look at, but in the picture, Lombardi's fingers went straight up into the air. Gerhartz wanted to create a stronger fist. So, Gerhartz's father-in-law, Howard Zemlicka, as well as Gerhartz's friend Paul Sargent served as hand models.

The large color painting is flanked by two smaller black-and-white paintings that measure about 4 feet

Daniel Gerhartz, an artist from Kewaskum, poses with his wife, Jennifer.

photo submitted

tall by 2 1/2 feet wide. The charcoal drawing of Holmgren also measures about 4 feet tall by 2 1/2 feet wide.

The artwork is currently displayed near some of the suites at Lambeau Field. The Packers organization plans to possibly offer tours for visitors to see the art in the future.

Gerhartz hopes his work will inspire others.

"I'm painting beautiful things. Whether it be a grandpa and his grandson, or a field with sunlit trees. Or Vince Lombardi. I'm painting air and light and the atmosphere. All that beauty that comes from a source. I believe it is from God," Gerhartz said.

"To me, it's such an obvious testimony to God's beauty and God's goodness and His mercy and love. If I can paint something, even a Lombardi piece, I hope that when people see that, it takes them to a sense of wonder, which ultimately points them to hope. And not hope in me, not hope in Vince, but hope in the Lord," Gerhartz added.

Gerhartz Art

Gerhartz did not start drawing until he was about 14 years old.

He remembers hanging

out with his friend Steve Seitz and going hunting, fishing and playing ball. One afternoon, it was pouring rain outside.

"Hey, do you want to some drawing?" Seitz asked Gerhartz.

"I had never done any drawing before," Gerhartz admitted.

But Seitz had some books that showed how to draw animals, and Gerhartz used those books to learn how to draw.

"I basically just copied from what was in the book," he explained.

Gerhartz had a knack for it, and when he was in eighth grade, he entered a drawing he had made of a duck into a contest and won an award.

"That was encouraging," Gerhartz said.

So he took art classes throughout high school. His art teacher, John Baitinger, stressed the fundamentals of drawing and design through the courses that he taught.

Gerhartz went on to study at the American Academy of Art in Chicago. After college, Gerhartz worked for about two years in commercial art, working as an illustrator.

"All the while I was doing that, I was becoming more

photo submitted

and more dissatisfied with that whole career," Gerhartz said.

Gerhartz began developing some oil paintings on the side. He interviewed with some galleries and moved back to Kewaskum. Not long after that, he met his soon-to-be wife, Jennifer, and they got married.

Jennifer worked as a physical therapist and supported the couple for about five years as Gerhartz developed his business.

Then the couple had their first child, and Jennifer quit her job. That was about 30 years ago, and Gerhartz has worked in fine art ever since. The couple now has five children.

Most of Gerhartz's work is in private collections, but he does have one

large painting in a museum in Alabama and one painting in the Albrecht Free Clinic in West Bend. Now he has added Lambeau Field to his repertoire.

Family Support

Gerhartz has always had a lot of support from his family.

"My parents never put doubt in my mind that I actually could do it. They never asked: Are you sure you want to do that? Do you think you can make a living? I never once heard that, which is astounding," Gerhartz said.

It helped that Gerhartz knew some people who were making a living as artists.

"I could see there was a path to that. It wasn't like I was jumping into a big abyss and not really know-

ing what was out there, although even today there are no guarantees," Gerhartz said.

He also is grateful to his wife, Jennifer.

"She has been a huge support for me for all these years. I rely on her for design critiques and we talk through all the business decisions. She is there every step of the way," Gerhartz said.

The support Gerhartz has received through his life has encouraged him to use his gifts to the best of his ability.

"That's what I strive for with every painting. And it is what we try to teach our kids. Everybody can do that with whatever gift they have. Whatever you are doing, do it to the best of your ability," Gerhartz said.

Kewaskum School District Gives Update On Capital Project

By Anne Trautner

Matthew Wolfert, president and architect for Bray Architects, gave a presentation on the district's capital project during Kewaskum School District's annual meeting and budget hearing on Monday, Aug. 28.

When he finished, Wolfert received the evening's only round of applause from the crowd.

Wolfert has been working with the district for the past two and a half years to improve learning facilities. Last fall, voters approved a \$28.42 million project to improve the facilities at the middle school and high school.

Earthwork began this summer to prepare the facilities for new construction and renovation. The project is currently out to bid.

During his presentation Monday night, Wolfert showed renderings of the new two-story middle school which will be built on the north side of the high school.

The interior of the new middle school will have tiered steps that go from

the first floor up to the second story. The steps will be carpeted and will serve as a learning space. Large groups will be able to assemble in the space for presentations, Wolfert said.

Wolfert also showed drawings of the new library, which will have an unobstructed view of the river and the rolling hills that are located to the north of the school grounds.

The new middle school will have a secure main entrance, as well as a separate entrance that can be used for special events. Designers have been sensitive to parking needs at both the middle school and the high school as they have developed a plan for the parking lot around the schools, Wolfert said.

This year, on-site student parking will be reduced as the building project is underway. Regal Ware has allowed the district to lease 100 spaces in its lot this year. Those spaces will be marked and will be part of the KHS student-purchased parking passes. Students are

encouraged to utilize the bus service and to carpool whenever possible.

Construction of the new middle school is expected to begin this fall. Plans are to replace and improve the HVAC system, electrical and utilities in the existing high school next summer.

A groundbreaking ceremony for the new middle school and high school renovations will be held on Wednesday, Aug. 30, at 5 p.m. behind Kewaskum High School. The community is invited to attend.

An architectural rendering shows how the cafeteria in Kewaskum's new middle school will offer plenty of light and open space.

Ask the Dentist "Ask The Patient"

Dr. Sara Klasinski

Today's article has a twist to it as it is our last piece we will be issuing for a while. For those who are considering our office as their new dental home, we asked current patients what they liked about our office and here is what they had to say.

"Everyone is so friendly and helpful. Dr. Sara is very passionate, she has excellent bedside manner and a positive attitude!" —Cece W., Kewaskum, WI

"Dr. Connor's experience is what I like, I have had issues with my teeth and he always has been able to help me overcome them. I enjoy coming to see him and his team. Everyone is so friendly!" —George P., West Bend, WI

"The office manager is very caring, friendly, and they always get me in quick to take

care of all my dental needs! Dr. Sara is amazing, she is the best dentist." —Sheila D., Appleton, WI

"For me, I have never had any issues with getting an appointment, even when I've had to call Dr. Connor at home for an emergency. I have always been able to get in to see the doctor in a timely manner. The convenience is great, never a problem, and I have always been treated very well as a patient. Dr. Sara recently fixed one of my dental needs, I have not had any issues with it and I think she is great!" —Gary G., Kewaskum, WI

Please feel free to contact our office with any questions. We are always accepting new patients. Thank you for your kind support, I look forward to serving this community for years to come!

SPORTS

Big Plays Earn Kewaskum Another Big Victory

By Judy Harlow

Perhaps the jerseys of the Kewaskum High football players should read — DANGER, this team's offensive unit could be hazardous to your defense's health.

The Indians (2-0) piled up 505 total yards in their non-conference game against Merrill (0-2) on August 25. Included in that figure was 448 yards rushing, helping to propel them to a 42-21 win over the Blue Jays.

When he heard the yardage total, KHS coach Jason Piittmann commented, "Holy crap is all I can say," and while he was not real excited about his defense giving up 382 yards, added, "We gave up a lot, but we kept them out of the end zone at key times."

As had been the case last week against Milwaukee Lutheran, Kewaskum scored on its first possession, this time a seven-play drive that covered 71 yards, capped by Tony Steger's touchdown from the four-yard line.

The key play in the drive was an alley-oop pass to Dan Kreis, covering 35 yards to the Blue Jays four-yard line. On the extra point, the Indians lined up in their split formation and wound up scoring when Gabe Christenson passed the ball to Faton Elmazi for a 8-0 lead.

Not to be outdone, Merrill also scored the first time it had the ball, moving 88 yards in 10 plays with quarterback Zach Mootz throwing a strike to Chase Bonnell for the final 27 yards. The Blue Jays also tried a two-point conversion and made it when Nevada Laabs picked up a fumble, reversed his field and darted into the left corner of the end zone.

KHS broke the tie on its first play after the kickoff on Cole Surprenant's 65-yard reverse to the end zone, and added to that lead on a 64-yard scamper by Tony Steger early in the second quarter, and later

on a 70-yard drive that ended with Christenson taking the snap from center and scrambling the final five yards after not finding anyone open to pass to.

After all three touchdowns, Cade Peterson was good on the PATs (point after touchdown kicks), giving the Indians a 28-8 lead with just over three minutes left in the first half.

The two teams traded interceptions in the time remaining. After Bonnel picked off a Steger pass at the Kewaskum 45, and the Indians were hit with an unsportsmanlike conduct call, the Blue Jays moved 30 yards in six plays, with Mootz getting the two-yard touchdown on an option run with just :09 remaining.

So instead of being down by 20, the Blue Jays were just 13 points behind (28-15) at the break, and just seven points (28-21) after opening the second half with a seven-play, 65-yard drive, the final three on a run by Nevada Laabs right after Mootz found Hunter Hintze for a 53-yard pass.

Momentum was shifting in the Blue Jays' favor after they forced Kewaskum to punt after picking up just one first down, but Merrill couldn't take advantage of the stop, moving 68 yards to the Kewaskum 7 before a botched snap on a field goal try ended the drive.

It was at this point, the Indians needed some ball control, and found the answer by handing off to fullback Patrick Krier who was eager to oblige. First he carried for 11 bruising yards, then powered for seven and nine and another seven to the KHS 44.

Tony Steger threw an incomplete pass that went through Surprenant's hands, and on the next play, the Indians went back to Krier. Going right up the middle, the 205-pound Krier bounced off a couple of would-be tacklers for about eight yards when he was surrounded by Blue Jays and seem-

ingly stopped.

But wait, all of a sudden Krier broke away from the pack and darted down the left sideline for a 57-yard touchdown, putting the Indians out front 35-21.

"I just do what the coach tells me," Krier said afterward. "If he puts the ball in my hands, I want to make him proud ... I do it for my team and my coaches."

Krier wound up with 151 yards in 15 carries and now has 288 in just two games, but he didn't want to hear about any individual stats. "It doesn't matter who many yards I have. I just have to bring home the win," he said.

About that drive, Piittmann said his offensive coordinator, Nick Kreif, saw Merrill "wasn't loading the box, so we just kept giving it (the ball) to him (Krier)."

Kreis and Jerod Otto each had interceptions for KHS, Otto's coming halting a Blue Jay drive at the Indians' seven-yard line and returning it to the 10 where the Indians started a 90-yard march — highlighted by a 46-yard Steger run — that iced the contest. Krier took it in from the two for his second touchdown of the night.

Steger rushed for 210 yards in 17 carries and was 6x12 passing for another 83 yards. Surprenant had 86 yards rushing and one, 20-yard catch. For Merrill, Mootz passed for 209 yards, and Dominic Leistikow rushed for 68 of the Blue Jays 173 yards on the ground.

Defensively, Elmazi was credited with 13 tackles, including six solos while Eli Bartelt had nine total tackles as did Jon Leister.

"The kids answered the bell. We didn't panic and fold up. We kept fighting ... against a good team, too," Piittmann said.

Kewaskum opens East Central play Friday night (September 1) hosting Campbellsport.

Combined Golfers Hold Their Own In North Shore Debut

By Judy Harlow

Gone are powerhouses Beaver Dam and Oconomowoc, but replacing them in the new North Shore girls golf conference are Homestead and Cedarburg, who easily took top honors in the first meet of the year from 9-hole matches held at Hartford CC and Hon-E-Kor Country Club in Kewaskum on August 23-24.

In a somewhat unusual format, playing two different courses on two different days, Homestead finished

at the top of the standings with 345 strokes, 12 ahead of Cedarburg's 357.

Hartford, a holdover from the Little Ten, took third with 373, followed in order by: Whitefish Bay, 398; Kewaskum/Campbellsport combined team, 408; the West Bend combined team, 417; Nicolet, 439; and the newly formed Slinger team, 504.

Kewaskum-Campbellsport coach Amy Uhlig explained several of the old North Shore teams want to continue their tra-

dition of playing in certain tournaments and to keep at the maximum allowable number of meets, there will be a couple mini-tour events that will be counted as one instead of two.

Homestead, paced by its aces at Number 1 and 2, Speedy Kent and Isabelle Maleki, posted a 173 total at Hartford and a 172 on the Blue Nine at Hon-E-Kor. Maleki shot a 2-over-par 38 at Kewaskum, while Kent was just one shot back at 39.

Kewaskum was led by Alyssa Dreher's 46 and

the 47 by Alivia Wisnefski. Dreher started on Number 3 with a 10, then battled back with 4s, 5s and one six (on Number 9) on her card the rest of the way.

After getting the 10, the left-handed Dreher said, "I was a little mad. I wanted to do better because I had the 10."

"I was doing pretty well putting," Dreher said, reporting she didn't have a single 3-putt. And how did the sophomore like playing in the new conference? "I like it ... I feel it's more competitive," she

said. "My driving saved me tonight and my 100-yard shots were actually pretty accurate," Wisnefski said about her round. She attributed both to more practice on these areas leading up to matches.

Wisnefski's only bad hole was Number 6 where she hit the ball out of bounds and had to take an eight. Her best holes was Number 3 and 7 where she made pars.

The other counters were Taylor Cook, who had a 52 and Grace Kober, who

carded a 62. At Hartford, the Indians-Cougars had a 207, which Uhlig said was "our best score in perhaps five years."

Dreher posted the low score, a 45, followed by Cook's 50, a 51 by Wisnefski and 55 by Tina Bolek.

About the new league, Uhlig said, "Talented ... Homestead is very solid. I would say Homestead, Cedarburg and Hartford was the top three. We wound up fifth out of eight. I'm happy with that."

Grace Kober keeps an eye on her ball during a home golf match on Thursday, Aug. 24 at Hon-E-Kor.

-Sincerely,
KAA & KYSO

Reck, Olla To Lead KHS CC Teams

By Judy Harlow

In each of his two years as head coach, Kris Evans has mentored good runners on his Kewaskum High cross country teams, but there haven't been enough of them for the team to compete with area powers.

It looks like 2017 will be about the same as Evans returns three good runners in senior Justin Reck, sophomore Andrew Carlton and junior Kyle Toth. Most of the others are young and inexperienced in high school running.

Reck turned in a personal best time of 17 minutes, 20.18 seconds (17:20.18) in the 2016 regional meet but missed qualifying for state by a couple places.

"This year I really think he'll go under 17 (minutes)," Evans said. "He was diligent this summer with getting in his summer runs."

Carlton also did well in the regional, finishing in 17:36.07. "I'm excited to see these two compete with each other. The two push each other, which is great for each one," Evans said.

Toth made strides with his times in 2016 and is expected to move closer to the other veteran runners.

Seniors Lance Grosskopf and Blake Mueller are two other returning letter winners, and newcomers Gannon Kreuser and Clayton Kapper look promising.

Evans noted in the past the number of girls topped the boys out for the sport, but not this year. He has just eight girls and a dozen boys.

The girls will be led by junior Maela Olla, a home school student who lives in the Kewaskum district and has been a consistent place winner for the CC and track teams.

Help will come from freshman Alyssa Butz. Evans is confident she will adjust quickly to the longer distance the high schoolers run. "I actually think the longer the distance, the better she'll

be," Evans said of Butz. Along with Olla, Emma Pennfield and Courtney Zarda are returning letter winners.

In the first meet of the season on August 24, the Indians got several good individual efforts but did not have enough depth to threaten any of the top teams.

The KHS boys, behind a fourth place by Justin Reck, finished fifth out of nine teams with 141 points. Chilton and Winneconne were 1-2 with 53 and 66 points, respectively.

On the girls' side, it was Winneconne winning the title with 48 points and Random Lake five back at 53. Kewaskum wound up fifth out of seven teams with 131 points.

Reck started off the year with an excellent effort, touring the 5,000-meter course in a time of 18 minutes, 44.70 (18:44.70). He was just 20 seconds behind the winner, Chilton's Dominic Steiner, who hit the finish line in 18:24.35.

Sophomore Andrew Carlton also ran well, taking 11th overall in 19:14.34, three seconds in back of the 10th place runner.

The other KHS counters were: Kyle Toth, 44th, 21:11.62; Blake Mueller, 49th, 21:36.46; and Lance Grosskopf, 50th, 21:44.00.

Just as she had done all last season, Maela Olla led the KHS girls contingent. Olla placed fifth in 22:08.13.

Winning the individual title was Random Lake senior Elise Large, who covered the 5,000 meters in 20:38.94.

Freshman, Alyssa Butz was Kewaskum's Number 2 runner, finishing 15th in 23:34.64. Then there was a big gap until Courtney Zarda's 47th place in 26:05.45. The final counters were Emma Pennfield (49th, 26:10:86) and Erika Bolek (74th, 30:28.22).

Kewaskum is at the Kiel Invitational this afternoon (August 31.)

Tennis Team Notches Two Easy Wins

By Judy Harlow

The past week was very successful for the Kewaskum High tennis team, which won Eastern Wisconsin dual meets over Two Rivers and Kewaunee.

"Two Rivers had only seven varsity members and forfeited at 4-S (singles) and 3-D (doubles)," KHS coach Peter Garcia said after the long trip to Two Rivers, where his girls came away with a 5-2 victory.

At Number 2 singles, Emma Preder picked up a convincing 6-3, 6-2 victory over Claire Meyers behind "superior ground strokes," while Brandi Geldnich and Ariaahna Grossenbacher improved to 3-0 in dual meets with a 6-2, 6-1 win over Hannah Shimanek-McKenzie Kornely. "They used an aggressive, attacking style," Garcia said, praising the great net play of his Number 1 duo.

The match of the night came at Number 3 singles

where Amanda Krolski outlasted Lonnie Gauthier in a marathon match, 7-6 (7-4), 5-7, and 7-6 (7-2)

"Both athletes were on the verge of exhaustion," Garcia said of the match, which lasted three hours and saw the momentum go back and forth with Krolski down 6-5 in the third set when she won her serve and forced the second tie-breaker, which she took 7-2.

While Grace Marchello fell at Number 1 singles, Garcia was excited how she played. "Grace played well against Two Rivers' returning Number 1," he said. "The match was very competitive but she was ultimately defeated in straight sets, 6-3, 6-3."

Kewaskum 5, Two Rivers 2

Singles: Number 1 Grace Marchello lost to Lauren Sosnosky, 3-6, 3-6; Number 2, Emma Preder def. Claire Meyers, 6-3, 6-2; Number 3, Amanda Krolski def. Lonnie Gauthier, 7-6 (4), 5-7, 7-6 (2); Number 4

Megan Krolski won by forfeit.

Doubles: Number 1 Brandi Geldnich-Ariaahna Grossenbacher def. Hannah Shimanek-McKenzie Kornely, 6-2, 6-1; Number 2 Sydney Donath-Kallie Hoefft lost to Christen Mikeal-Sharon Yang, 6-7 (4), 4-6; Number 3 Nikki Bruss-Nicole Brzozowski won by forfeit.

All KHS players are listed first.

On August 22, the Indians were on top of their games, shutting out Kewaunee 7-0 in an EWC match where they all won decisively in straight sets.

"Any time your varsity team wins 84 out of 96 games, it is a good night," coach Peter Garcia said. "The lopsided victory is tempered somewhat by the fact that Kewaunee had a young team, with eight of their 12 athletes out for tennis for the first time."

The Krolski sisters, Amanda and Megan, "were a powerful one-two

punch (winning 6-0, 6-0 and 6-2, 6-0)," according to Garcia, who also reported Brandi Geldnich started feeling dizzy in the second set but wanted to continue and won a 6-0, 6-3 decision with her partner, Ariaahna Grossenbacher at Number 1 doubles.

Kewaskum 7, Kewaunee 0

Singles: Number 1 Grace Marchello def. Ariel Johaneck, 6-0, 6-0; Number 2 Emma Preder def. Maya Kunkel, 6-1, 6-2; Number 3 Amanda Krolski def. Jasmine Teller, 6-0, 6-0; Number 4 Megan Krolski def. Kaitlyn Maurer, 6-2, 6-0.

Doubles: Number 1 Brandi Geldnich /Ariaahna Grossenbacher def. Bailey Kinjerski, /Vanessa Guillen, 6-0, 6-3; Number 2 Kallie Hoefft/Sydney Donath def. Emma Hrivnak, 6-1, 6-2; Number 3 Nikki Bruss/Nicole Brzozowski def. Alexa Schimanek /Morgan Hrivnak, 6-0, 6-1.

All KHS players are listed first.

Top Spiker Is Out; Still Indians Score Well In The Dells

By Judy Harlow

By winning finishing 3-3, the Kewaskum High volleyball team was very respectable in the annual Adams Friendship Invitational held in Wisconsin Dells on August 25-26.

"It was a deceptively strong weekend for us," KHS coach Laine Leitzke said about the competition, which saw the Lady Indians defeat Riverdale 25-15 and 25-13, lose to Antigo 25-19, 21-25, 10-15, lose to Wauwatosa East 14-25, 17-25 and get nipped by Oshkosh North 25-20, 21-25 and 15-17 on the first day of action.

On the second day, Kewaskum went 2-0, defeating Wittenberg-Birnamwood 25-15 and 25-18 and beating Wisconsin Dells 25-17 and 25-18.

What Leitzke meant about the weekend being "deceptively strong," was the fact his team was

missing its top middle blocker, senior Liz Lightner. "(This) pushed the S 1 (Number 1 setter) to the middle, which lead to many new lineups and rotations," he said, but, "We took it in stride."

Senior Sarah Butschlick was the setter who moved to the middle, and looking at statistics from the tournament, she did a pretty admirable job. Butschlick was the block leader with nine, and she had 16 kills and four aces.

"I'm not a fan of the middle. I prefer to play at setter, but I was willing to do whatever he (Leitzke) needed me to," Butschlick said Sunday evening.

The kill leaders for the day were Amanda Schaller and Brellynn Scoles with 56 and 32; the ace leaders were Scoles and Denlinger with eight and six, respectively; and in assists it was Denlinger with 64 and Brooke Espitia, 50.

Four players have good

efforts digging opponents' hits. Hailey Hasenberg topped the list with 68, followed by Tara Theusch, 36; Scoles, 32; and Schaller, 21.

"We were five points away from making the Gold/Silver matches and two points away on the last match of day one from making the Bronze," Leitzke said. "We pushed through the adversity and went out on day two winning the two matches we had and taking the Copper bracket championship."

Leitzke reported Waunakee defeated Lake Mills to take the championship of the 22-team event. This was Waunakee's fourth title in the 12-year history of the event. Defending champion Kettle Moraine tied for third with Pewaukee.

The Indians had little trouble with Cristo Rey Jesuit School in its home opener played on August 22, sweeping all three

games, 25-20, 25-7 and 25-14.

"We had a tough time bringing atmosphere into the match. We were in control of the match from the first serve, but we had some marks that we wanted to hit as a team that we just did not reach," coach Laine Leitzke said. "It was good to get a match under our belt, and it definitely pinpointed some weaknesses that we need to address for the Friendship tournament this weekend."

Seniors led the way to victory, with Amanda Schaller, Elizabeth Lightner and Morgan Kappler coming up with eight, six and six kills, respectively, while Lightner, Sarah Butschlick, and Hailey Hasenberg came up with three, two and two aces, respectively. Junior Tara Theusch added a pair of ace serves.

Morgan Denlinger topped the assist list with 16.

Birdie On White Number 8 Gives Rohlinger His First Club Title

By Judy Harlow

While he enjoyed winning his two Kettle Moraine Amateur titles, Jim Rohlinger always felt like he had some unfinished business when it came to the Hon-E-Kor Men's Club Championship.

Until this past weekend, Rohlinger was close but never got the cigar. Thanks to some smart play on the final nine of his 27-hole match with Michael Korth, Rohlinger won that coveted first title at Hon-E-Kor, a course he has played on for over four decades, starting even before his days at Kewaskum High School.

"It was fun. It was a good match," Rohlinger said about the 2-and-1 win while celebrating in the clubhouse with friends, reporting he started slow on the first (Red) nine, falling 1-down early while shooting a 40.

At that point, Rohlinger just kept thinking "I know it was a marathon ... I didn't get excited."

On the Blue Nine, "I started to settle in," Rohlinger went on. "It didn't go up until the third hole. I parred, and he took a bogey."

By Number 6, the 1-up lead changed to two-up, but Korth came back by the time they finished on the Blue, and the two golfers headed to the White Nine with the match all even.

Neither man gave up anything on the White as the match stayed tied through Number 5. On hole 6, a par-4, Korth's second shot found the

trap, and he chipped onto the green and two-putted for a bogey. When Rohlinger saw his opponent's ball find the bunker, he figured the best plan was to aim for the middle of the green, which he did and two-putted for a par and a 1-up lead.

Both players made pars on Number 7, and then on Number 8, "He had some tree trouble," Rohlinger said. Korth hit a tree to the left of the fairway, and then he hit a tree on his second shot, with the ball settling in the rough.

The veteran Rohlinger saw an opening and went for the middle of the green again, putting his ball some 20 feet from the cup. Korth's first putt went past the hole by about 10 feet, and Rohlinger drained his for a birdie to clinch the 2-and-1 victory.

Korth, son of the owner of Hon-E-Kor and a greenskeeper on the course, was pleased with the way he played in his first appearance in the finals. "I shot 78 the first 18, then was 3-over on the White," he said. "It was up and down."

There were 11 men who started in the Club Championship flight, with five or six players capable of winning the crown. In other first-round matches, Jeff Anderson defeated Sam Schlosser 4 and 3; and Korth defeated Ryan Doherty, 5 and 4.

In the quarterfinals, it was Anderson beating defending champion Jay Krueger 4 and 3; Rohlinger beating Jim "Jonesy" Korth by forfeit; Michael Korth beat Ethan Geidel 2-up; and Joe

Doherty beat his son Evan (no score was available.)

In the semis, Rohlinger eliminated Anderson while Michael Korth posted a convincing 6 and 5 win over Joe Doherty.

In the First Flight finals, Larry Sterr defeated Ryan Wietor, 4-and-3, while Rob Bertram captured the Second Flight title with a 1-up victory over Tim Filtz, and Eric Muller won the Third Flight over John Backhaus (no score available).

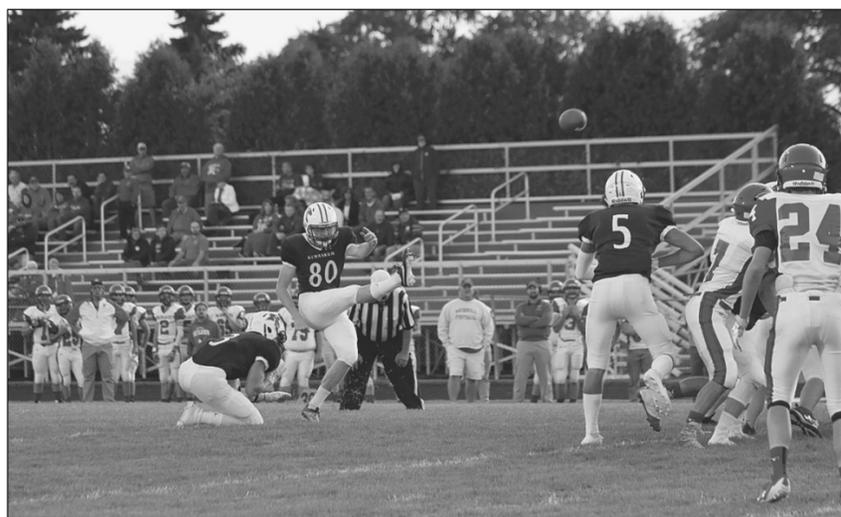

The Senior Men's title has come down to Pete Kostelac and Mike Winicki. They were scheduled to play this match on August 29.

In the handicapped women's competition, Jane Korth claimed the title, shooting a 53-54—107 minus her 38 handicap for a net 69, the same scored shot by Julie D'Angelo. Korth won with a better score on the highest handicap hole.

In the Junior competition, Talon Ralph shot a solid 40-34—74 minus his nine handicap for a net 65 but was edged by Tyler D'Angelo, who came in with a 51-53—104 minus his 40 handicap for a net 64.

The last tournament on Hon-E-Kor's schedule is the Kettle Moraine Amateur which is scheduled for September 9-10. Application blanks are available in the clubhouse.

Writer's note: Jim Rohlinger is the son of Norb Rohlinger, the last remaining charter member of Hon-E-Kor from the time it was a 9-hole course.

Cade Peterson scores an extra point for Kewaskum on Friday, Aug. 25. Kewaskum went on to claim a 42-21 win over Merrill.

KHS Soccer Team Wins Opener, Finishes 1-2 At Berlin

By Judy Harlow

The Kewaskum High Soccer team didn't win the Berlin Tournament on August 26, but the Indians certainly were competitive in the three matches they played.

The Indians (2-2) started off with a convincing 3-1 win over Random Lake, then lost close matches to Ripon and host Berlin, both by just one goal.

Against the Random Lake Rams, the Indians got off 13 shots, connecting on two in the first half and another after the break. Hunter Schmitt, Isaiah Cochran and Hunter Kuehl each had a goal, with Cochran credited with an assist in the 50 minutes (25-minute halves) of play.

Goalie Brenden Rice made nine saves.

KHS lost a 2-1 decision to the Ripon Tigers in a game that was tied 1-1 at the end of the first half. The Indians had nine shots on goal, with Kuehl scoring the lone goal.

Ripon didn't have that many shots, just eight, but came through with the game-winner in the second half. The Tigers won the tournament by going 3-0 on the day.

Kewaskum closed out the tournament with another close loss, a 3-2 decision to Berlin, and in this game, the Indians scored a pair of goals in a 3:51 span, the first coming at 35:09 and the other at 39:00. Hunter Kuehl and Matthew Krautkramer got the goals. For Krautkramer, it was his first goal of the season.

Rice was credited with making six saves. He

gave up two goals in the first half and just one in the second.

"Operation Turnaround" got off to a good start on August 22 with the Indians outscoring visiting Columbus, 3-2 after playing the Cardinals to a 1-1 draw last year.

Sophomores Will Jens and Isaiah Cochran scored for the Indians as did Justin Anderson. The Indians got off 21 shots in the contest, and their goalie Brenden Rice stopped 17 shots.

Defenders Gavin Curtain, Jared Thierfelder and Tanner Jacak played all 90 minutes for KHS.

The Statesman was unable to reach Kewaskum coach John Kenworthy for comments on the games.

Kewaskum Tribe Club Baseball And Softball

The Kewaskum Tribe is targeting 10U and 14U tournaments and age groups to participate in club tournaments in spring and summer.

The purpose of the Kewaskum Tribe is to provide an opportunity to expand baseball/fastpitch softball skills, compete at a higher level, and prepare for future opportunities through participation in club level tournaments. This is not a league, it is tournaments only.

The Kewaskum Tribe is not a replacement for the Kewaskum Athletic Association or Farmington Athletic Club recreation activities, it is a supplement. The Kewaskum Tribe will also reach out to other local communities within the Kewaskum School District such as Farmington and Beechwood to create connections amongst these kids as early in life as possible.

Teams will practice as the coach sees fit, but each coach will do their best to not overlap with KAA or FAC recreation team activities. Each team estimates that they will join three to four club tournaments a year through the

summer and spring. Being on a youth tournament team requires a commitment of both athlete and family. Families will also need to help with fundraising to keep the program operating at a high level.

The cost to participate in the Kewaskum Tribe is not yet finalized and will not be until spring. Fees will be needed to cover costs related to tournament entry fees, uniforms, equipment, etc. The coaches will be volunteering all of their time to the team. We estimate that costs will be in the \$200 range, but that can fluctuate. A deposit of \$125 may be required within two weeks of the athlete making the team.

Age cutoff date for boys is May 1. For example, if a boy turns 11 on April 30, he would not be eligible for 10U. The cutoff date for girls is January 1. Eight- and nine-year-olds are welcome to try out for the 10U team if they have the desire, skills and attitude to play at this level.

Tryouts will be held this fall. Fastpitch softball tryouts will be on September 10 and 16 from 12:30 to 2:30 p.m. at the Kiwanis Park.

Hardball tryouts will be held September 10 and 16 from 3:30 to 5:30 p.m. at Kiwanis Park.

Registration and waiver forms will be made available once tryouts are complete. Teams per age level will be determined after tryouts.

For more information, please contact Chris Sabish at 920-948-3449 or csabish@cdsmith.com.

Continued From... **Kewaskum Statesman Holds Ultimate Packer Fan Giveaway Contest**

All entries must be received by 5 p.m. on the Thursday preceding the game.

Winners will be published in the following week's newspaper.

How To Win

Winners will be selected by the following criteria each week. If there is a tie at a level, then it gets narrowed down by going to the next step. If there is still a tie at Step 4, then everyone who ties wins for that week.

1. Guess correct winning team for the Packer game that week.
2. Guess correct score for

the Packer game that week.

3. Guess closest to the Packer team score that week.

4. Guess closest to the Packer opponent's team score that week.

Names of the winners from each week will be published in the *Kewaskum Statesman* and *The Campbellsport News*.

Winners from each week will be entered into a drawing for the grand prize winners at the end of the season.

Prizes

Prizes are all donated

by Wayne Sargent, "The Ultimate Packer Fan." Sargent is a member of the Professional Football's Ultimate Fans Association, an elite national club that focuses on sportsmanship and raising money for charities.

For information about the Ultimate Packer Fan, Inc., or to contact Sargent about player appearances, go to www.theultimatepackerfan.com.

Be sure to check the *Kewaskum Statesman* each week for winners and information about the contest!

PUBLIC NOTICES

TOWN OF FARMINGTON NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a Public Hearing will be held before the Town Board of the Town of Farmington, Washington County, WI, on September 12, 2017 at 7 p.m., or soon thereafter.

The matters may be heard at the Town Hall located at 9422 STH 144, Kewaskum, WI 53040.

The Public Hearing will be held to consider issuing a Conditional Use Permit to a business allowing them to operate at 8719 Hwy 144 Kewaskum, WI 53040.

The Public Hearing will be held to consider a Conditional Use Permit for Richard & Sandra McKee and Michael & Kathrine McKee (McKee Building Inc. & McKee Woodwork LLC) to operate a Construction Company and Cabinet Shop at the 8719 Hwy 144 location.

The requests fall under Town of Farmington Agricultural District Sec. 13-1-45 (d) (10)

All interested persons wishing to comment on the hearing should appear at the hearing.

Notice sent to property owners within 200 feet of the property.

Fire Safety Tips Supporting Fire Prevention Week from Paul Davis

Paul Davis Restoration and Remodeling of Southeast Wisconsin and the Fox Valley, a leading national provider of water, fire and mold damage cleanup and restoration services for residential and commercial properties, supports the National Fire Protection Association's (NFPA) Fire Prevention Week, October 8-14.

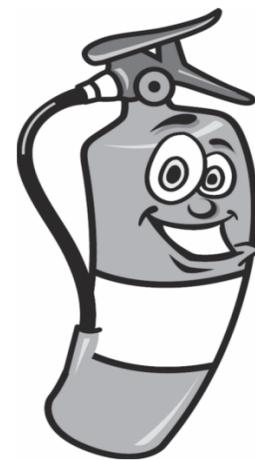

Fire Prevention Week is the longest running public health and safety observance on record, established in 1922 following the Great Chicago Fire that killed hundreds and left hundreds of thousands homeless. This year's fire safety campaign theme, "Every Second Counts, Plan 2 Ways Out," focuses on reinforcing why everyone needs to have an escape plan.

According to the NFPA, here are campaign tips:

- Draw a map of your home with all members of your household, marking two exits from each room and a path to the outside from each exit. Visit the website for pdf and map at <http://www.nfpa.org/public-education/campaigns/fire-prevention-week-audience>.
- Practice your home fire drill twice a year. Conduct one at night and one during the day with everyone in your home, and practice using different ways out.
- Teach children how to

escape on their own in case you can't help them.

- Make sure the number of your home is clearly marked and easy for the fire department to find.

- Close doors behind you as you leave — this may slow the spread of smoke, heat, and fire.

- Once you get outside, stay outside. Never go back inside a burning building.

- For more information, visit the NFPA website at www.nfpa.org.

Paul Davis suggests the following tips to help keep homeowners and families safe:

- Smoke alarms should be installed throughout the home including the kitchen, basement, and every bedroom and outside sleeping area.
- Never remove or dis-

able smoke alarms.

- Test smoke alarms at least once per month by pushing the test button.

- Interconnect smoke alarms so if one sounds, they all do.

- If smoke alarms don't work, replace the correct size battery or the entire smoke alarm unit.

- Don't let children play with fire.

- Don't leave cooking items or clothing irons unattended.

- Place a portable ladder in each second-floor room.

- Have an updated, emergency first aid kit.

- Develop a family plan and conduct a home "Fire Drill" at least twice a year.

- Check fire extinguishers for expiration and replace as needed.

- Handle gasoline or propane-powered equipment cautiously.

- Install carbon monoxide detectors.

Paul Davis and fire industry professionals will help spread the word in their communities about the importance of fire safety. Contact a licensed professional or restoration and emergency services company if damage to your home or business is significant. All technicians are certified from The Institute of Inspection, Cleaning and Restoration Certification (IICRC).

Continued From... Town Hall Meeting Scheduled For September 6 For Proposed Park

The KAA and KYSO currently have about 761 youth participating in youth sports at Kiwanis Park. The park has become so overcrowded that while some children play baseball on the ball diamonds, other youngsters play soccer simultaneously in the outfield.

The KAA and KYSO have developed a conceptual plan to outline how fields could be created on the Reigle land.

The groups are prepared to begin a fundraising campaign to make the park a reality. It would not be the first time they undertook such an endeavor. The KAA was instrumental in developing baseball fields at Kiwanis Park, which it now helps maintain.

Even if a new park is created, both the KAA and KYSO would continue using fields at Kiwanis Park.

In addition to creating athletic fields, the plan for the new park is to incorporate a playground and walking paths in the park.

If the village accepts the Reigle family's offer, there is potential for the new park to offer fishing and nature activities. The Reigle land contains a two-acre pond and has a creek that runs along the eastern border of the property.

The village currently owns about 6.27 acres adjacent to the Reigle property. The village's parcel extends from the eastern side of the Reigle property to Fond du Lac Avenue.

That setup offers the possibility of creating a path that goes along the creek to provide access from River Hill Park to the new park. Sidewalks currently provide easy access from the Reigle land to Kiwanis Park as well.

A sanitary sewer main already cuts through the Reigle property. However, if a park is created, a water main would need to be added.

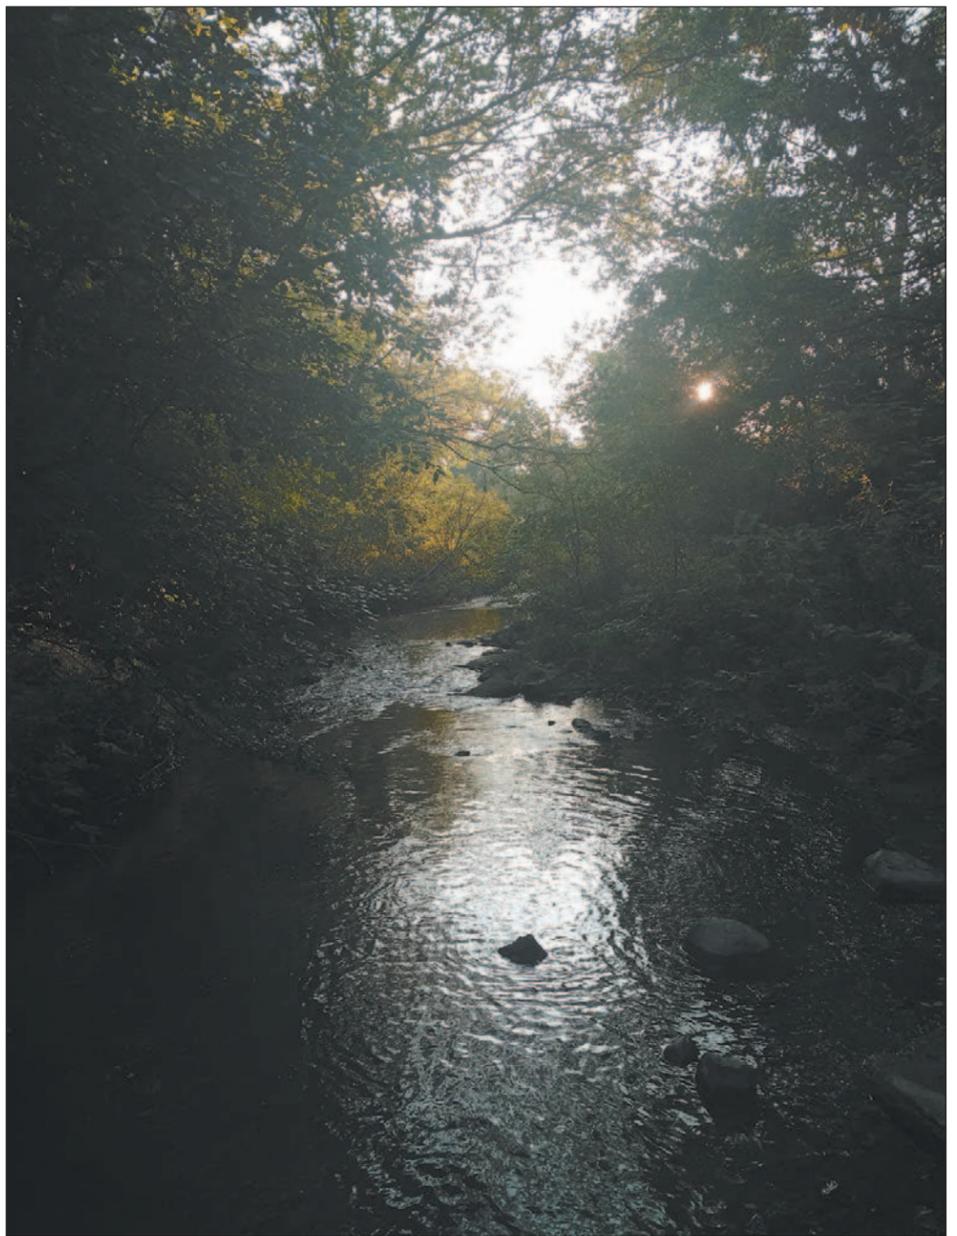

There is no plan to add lighting, but electricity would need to be installed for the concession stand.

The Reigle property is currently zoned single family residential. To build anything else on the land would require a change in zoning, which would warrant approval from the plan commission and the village board.

The public is encouraged to attend the September 6 meeting to find out details about the proposed park and to voice questions, concerns and opinions.

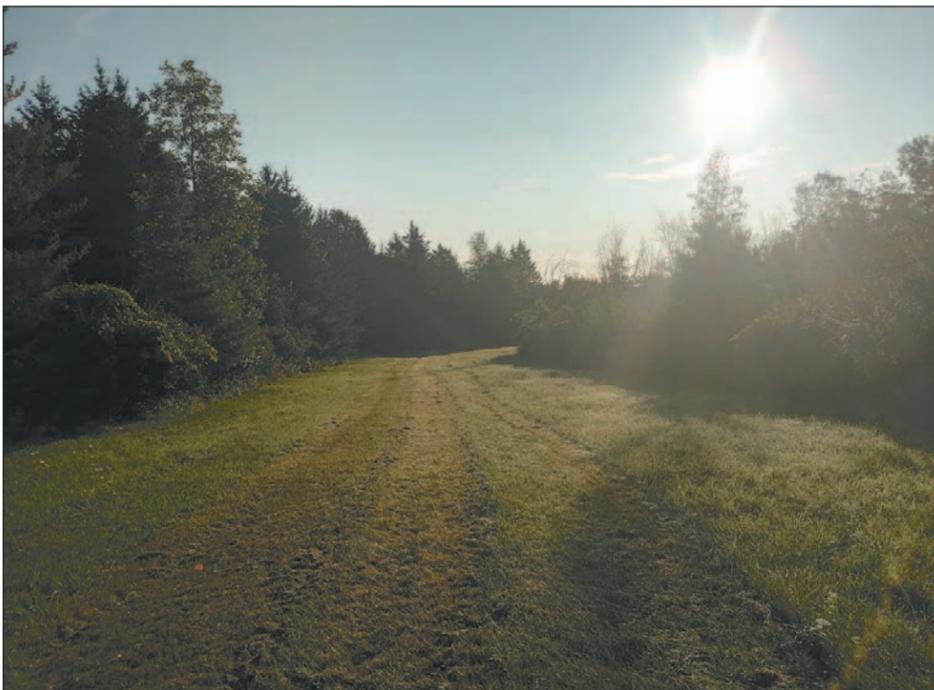

Written comments can also be submitted ahead of time or at the meeting itself. Any comments should include the person's name and address. Comments can be dropped off at the Village Hall prior to the September 6 meeting.

For more information about the proposed park, email kewaskumsoccer@yahoo.com or kewaskumathletics@gmail.com, or call 414-640-5500 or 262-689-0478. The Village Hall can be reached at 262-626-8484.

A creek winds its way through village property and along the eastern border of the Reigle property that is being offered to the Village of Kewaskum to serve as a park. The offer provides the potential of creating a path that links River Hill Park to the new park.

Trees have been cleared through portions of the 31 acres that the Reigle family has offered to the Village of Kewaskum to serve as a public park. If the village accepts the offer, the land could provide needed athletic field space for area youth. The property is located off Edgewood Road in the heart of the village.

An island is located in the two-acre pond that is situated on the Reigle property. If the property is converted into a public park, the pond could offer fishing for area residents. The Village Board will hold a townhall meeting at 7 p.m. on Wednesday, Sept. 6, in the Municipal Annex.
