Kewaskum School District Looks At Improving Athletic Fields

– School Board Discusses Artificial Turf For Football And Baseball

By Anne Trautner

The Kewaskum School Board unanimously agreed Monday night to take action on improving athletic field space at the Doc Mitchell Athletic Complex, the baseball field at Kiwanis Park and the softball field at Kewaskum Elementary School.

“I think the time is right to not just talk about this, but to actually put a plan in place,” School Board Member Tim Ramthun said. “We’ve got great people in place to make a difference. This is not something you want to slow dance here.”

The board discussed adding artificial turf to the football field and improving the track at the Doc Mitchell Athletic Complex. In addition, the board discussed possible improvements to the baseball field at Kiwanis Park, such as rotating or moving the field, and installing arti-

cial turf on the infield of the ball diamond. The board also directed administration to look at improving the softball field at Kewaskum Elementary School.

The board unanimously agreed that the district should get pricing and find out its options for the various field improvements.

The potential field improvements are not part of the capital project that voters approved last fall.

“The capital project, the referendum money, cannot be spent on building a baseball field or putting turf on Doc Mitchell or building a softball field or buying the track. It is specifically designed for site improvements at the middle school and high school levels and new construction, furnishings and equipment that go with those improvements,” School Superintendent James Smasal said.

Kewaskum Receives New Park

– Village Board Accepts Reigle Family Offer

By Anne Trautner

The Village of Kewaskum is getting a new park.

The Village Board Monday night voted unanimously to accept a donation of 31 acres of unde-

veloped land from the James D. Reigle family to serve as a village park. The property, which is assessed at \$649,000, is located off Edgewood Road in Kewaskum.

“I am excited to work with the community and make this thing happen. I think all the trustees are,” Village Trustee Dave Spenner said, echoing sentiments of the entire board.

Monday night’s vote came after a townhall meeting was held on September 6 to hear input about the new park from the community. With about 160 people in attendance, the park was overwhelmingly supported by those at the townhall meeting.

An agreement approved by the board states that the land will serve as a village park for 25 years. The plan is for the Kewaskum Athletic Association (KAA) and Kewaskum Youth Soccer Organization (KYSO) to develop and maintain the park.

“We want to thank Mr. Reigle and the entire Reigle family for their gener-

ous donation. We also want to thank the board members for giving the public the opportunity to weigh in and for listening to everyone’s opinions,” said Nathan Scheel, KAA president. “It’s a great gift. It will be used not only for our generation, but for many generations to come.”

The opportunity for the new village park came about after Jim Reigle, 91,

read an article that ran in the *Kewaskum Statesman* on April 27 about the community’s need for more athletic fields. The article explained that the KAA and KYSO were considering purchasing property outside the village to build athletic fields to meet the needs of the 761 young athletes involved in their programs.

American Legion Holds Clothing Drive For Veterans

The Kewaskum American Legion Post 384 is holding a clothing drive for the Veterans Home in King.

Men's and women's clothing will be collected, including jackets, shirts, pants, sweat shirts and shoes. Clothing can be gently used, but socks and underwear must be new. Clean blankets also will be accepted. Personal toiletry

items such as shampoo, toothpaste, deodorant and cosmetics are also needed.

Donations will be accepted at the American Legion Hall, located at 1538 Fond du Lac Ave. in Kewaskum, on Wednesday, Sept. 27, from 11 a.m. to 3 p.m., and on Saturday, Oct. 7, from 10 a.m. to 3 p.m.

Kewaskum Receives New Park

After reading the article, Reigle reached out to the KAA and KYSO to see if they would be interested in the Reigle family's property, and the Reigle family offered the gift to the village.

Reigle was happy Monday night to hear that the board had unanimously supported accepting the

land, which he would like to be named Reigle Family Park.

"It is most gratifying to have this kind of support on apparently a controversial issue," Reigle said. "We have lived here since 1949, and all three of our children went to school here. We have been treated very well by the village all the way along, and our company [Regal Ware] has also," Reigle said.

"I have been very fortunate and blessed in many ways, and still am. I'm glad to be able to do something for the future of the community," he added.

Reigle has been involved with the

Kewaskum community for decades. He served on the Village Board for over 10 years and was village president from 1955 to 1963. He also served one term on the Kewaskum School Board.

Reigle was a member of the Kiwanis Club for more than 50 years. He still is a member of the American Legion, which he joined about 67 years ago.

The KAA and KYSO have developed a conceptual plan for the new park, which contains softball, baseball and soccer fields. There are also plans for a playground, concession stand and walking path to be located on the property.

The two youth sports organizations are open to forming partnerships with other groups interested in the park, and hope the park becomes a community park in the full sense of the term.

The conceptual plan will continue to be tweaked to meet the needs of the community, according to KAA vice president Chad Cook. The KAA and KYSO plan to work with community members, particularly those who live adjacent to the property, as the plan evolves. The Village Board will need to approve the final plan before the land is developed.

The land is currently owned by the family of Jim and Patty Reigle: their children Jeff Reigle, Jenny Zack and Doug Reigle; and their grandchildren Matt Reigle, Ryan Reigle, Scott Reigle, Colin Reigle, Nathan Reigle, Meghan Cramer, Caitlin Wilson and Colleen Campbell.

The entire family agreed to donate the land after hearing about the community's need.

Exodus House Plans To Hold A Community Event

Exodus House is celebrating 40 years of support from the Kewaskum area community on Saturday, Sept. 30 from 11 a.m. - 3 p.m. Stop by for some family fun. We'll have yard games, a bounce house, free pumpkins, food, music, yard games and giveaways! Meet our staff and volunteers and take a tour of our beautiful Victorian home.

We're excited to show our sincere appreciation to our neighbors who have supported us in helping families for 40 years. We look forward to seeing you there.

Contact Exodus House with any questions at 262-626-4166 or info@exodus-house.org. And follow us on Facebook for updates: @ExodusTransitionalCareCenter.

No Parking Zone To Be Placed In Front Of Holy Trinity Church

By Anne Trautner

People will no longer be allowed to park directly in front of Holy Trinity Catholic Church in Kewaskum.

The Village Board unanimously agreed Monday night to no longer allow parking directly in front of the church, which is located on Main Street, after discussing safety issues.

The church had not approached the board with any issues, but Village Trustee Dave Zehren had witnessed pedestrians going into the street between parked cars

rather than crossing at a crosswalk.

"When people come and drop someone off to go into the church, the parking stalls are full, so they stop in the road. If there was no parking there, they would be pulling up on the side of the road, picking up and unloading," Zehren said.

There had been no parking directly in front of the church for many years prior to the Main Street road project about three years ago.

"We would be eliminating two or three spaces that they didn't have

before we redid the road," Zehren said.

Others have noticed the hazard as well.

"We did have an older gentleman about three years ago that got hit on the road after one of our services. There was also a close call with one of the school kids going out to a car," said Andy Pesch, a Holy Trinity parishioner who attended Monday night's meeting.

Now that parish has built a new gym, the facility is a lot of activity in the facility, Pesch said.

WASHINGTON COUNTY SHERIFF'S REPORT

Structure Fire

On September 16 at 8:08 a.m., authorities were notified of a structure fire at W199 N 13791 Fond du Lac Avenue in the Town of Germantown. The call was made by one of the five people who were home at the time of the fire. All of the residents evacuated the home with one of the adults being treated and released at the scene for smoke inhalation. The family requested and received assistance from the Red Cross who responded to the scene.

The structure was a two-story farmhouse built in approximately 1890 and sustained heavy damage with the loss estimated at \$150,000 by the owner. The cause of the fire remains under investigation by Richfield Fire Department and the Sheriff's Office. It does not appear suspicious at this time.

Richfield Fire and Rescue received help fighting the fire by 13 other area Fire Departments that included Germantown, Hartford, West Bend, Allenton, Newburg, St. Lawrence, Slinger, Jackson, Thiensville, Sussex, Merton, Lisbon and North Lake. They were further assisted by Lifestar Ambulance.

Firefighters rotated fighting the blaze due to weather-related temperatures, with one firefighter being transported to an area hospital due to heat related, non-life threatening injury. State Highway 145 / Fond du Lac Avenue was closed for approximately six hours while the fire was fought.

Structure Fire

On Saturday, Sept. 16, at 5:15 p.m. the Washington County Sheriff's Office was notified of a shed fire at 5545 State Highway 28 in the Town of Wayne, Washington County. The fire was reported by an owner of Beck Dairy Farms located at that address. Beck Dairy advised of a tractor and two additional pieces of equipment still in the shed. All other equipment and animals had been evacuated.

Upon Sheriff's Office

deputies arrival, heavy black smoke was coming from the shed. Employees of the Dairy were moving equipment and advised they deployed a fire suppression tool into the shed in hopes to extinguish the fire but unsure if the tool deployed properly. The Dairy believed the fire started in the engine compartment of the tractor. Kohlsville Fire arrived and extinguished the fire containing fire damage to the shed and its contents.

Investigation found the shed to be approximately 100 feet by 42 feet and used for equipment and animal shelter. It appears the fire originated in/near the engine compartment of the Case IH tractor. The tractor, a second piece of farm equipment and the shed were damaged as a result with damage estimates exceeding \$100,000.

West Bend, Boltonville, St. Lawrence, Kewaskum, Allenton, Slinger, Theresa, Eden, Jackson, Lomira and Campbellsport Fire Departments assisted Kohlsville Fire as well as the Wisconsin State Patrol assisted with traffic control.

The fire is under investigation by the Washington County Sheriff's Office Detective Division.

Fourth Offense OWI

On Sunday, Sept. 17, at 1:50 a.m. the Washington County Sheriff's Office received two separate 911 calls relating to a white SUV "all over the road" on County Trunk NN near Church Drive in the Town of Jackson. The vehicle was last seen by the callers north bound on 18th Avenue from County Trunk NN. West Bend Police observed the vehicle on Paradise Drive near Peters Drive in the Town of West Bend and attempted to stop the vehicle based on the Sheriff's Office request.

A five-mile pursuit at low speeds began in the southern portion of the Town of West Bend and the northern part of the Town of Polk. The white SUV became stuck in a ditch at

2:13 a.m. after deputies were able to successfully deploy tire deflation devices.

The driver, later identified as a 51-year-old Milwaukee man, refused officer's commands to exit the vehicle and a standoff ensued after he told deputies, "Come and get me." He denied having any weapon with him.

Deputies were able to determine the man was a convicted felon with a lengthy criminal history including weapon violations. Deputies were also able to determine he had an outstanding Temporary Restraining Order from his wife that had not yet been served.

After about 45 minutes of non-compliance, the suspect was able to power out his SUV from the ditch and the pursuit continued. The secondary low speed pursuit lasted another six miles, ending when the vehicle went into the ditch again near Mayfield Road south of Pleasant Valley Road and the suspect could not get the vehicle out of the ditch. The suspect, who once again refused to exit the vehicle, told law enforcement, "This will end in death."

At 3:23 a.m. the Washington County SWAT Team was summoned to the location. At 4:32 a.m. the suspect was taken into custody using the armored rescue vehicle.

After the arrest, investigators located a handgun on the front floorboard and spent casings throughout the vehicle.

Milwaukee Police were subsequently contacted to check on the welfare of the man's wife, who had taken out a restraining order only days prior. Upon arrival at the residence, no one would answer the door and empty shell casings were located in the driveway. The wife was located several hours later, unharmed.

The suspect remains in custody at the Sheriff's Office on several weapons charges, felony eluding and fourth offense OWI.

Notables

On August 1, National Night Out was hosted by St. Lucas Church. The Kewaskum Police Department attended the event, as it does annually. This year the department had its "Drunk Buster" goggles and peddle cart on hand to enhance awareness to how alcohol or drugs affects a person's ability to operate a motor vehicle.

Police Chief Tom Bishop attended the Kewaskum Public Library's annual Summer Picnic along with Fire Chief Mark Groeschel and had the departments' vehicles on display.

The third annual Back to School Scavenger Hunt took place on August 14. The winners, who located a hidden junior police badge, found the badge the first day of the hunt after looking throughout the Village for over two hours. Jett Schreiber and Alayna Lambrecht won a ride to school on September 5.

The Kewaskum Police Department assisted in teaching A.L.I.C.E. to the Kewaskum School District

Staff on August 29. A.L.I.C.E.'s goal is to provide preparation and a plan on how to handle the threat of an aggressive intruder or active shooter event. This training improves the safety of the students and staff in our school system. We will also be training the staff at Holy Trinity and St. Lucas schools later this fall.

OBITUARIES

†

Mathias L. "Mush" Serwe, Jr.

Mathias L. "Mush" Serwe, Jr., 82, of Campbellsport went home to his heavenly Father with his family by his side on Saturday, September 16, 2017, at his home.

He was born on January 8, 1935, the son of Mathias W. and Frances (Volz) Serwe.

On October 4, 1958, he married the love of his life Janet R. Sabel at St. Mary's Catholic Church, Fond du Lac.

Matty proudly served his country in the U.S. Navy in Guam as a Seabee.

After serving in the military, Matty worked for Jackson Roofing, Miller's Machine Shop, Twohig's Flooring and Funeral Home and as a mail carrier for Campbellsport Postal Service.

In July 1962, Matty and Janet purchased King Pin Lanes from the Hoffman family and in 1985 he incorporated the business with his two sons and worked there until age 65. Matty loved working!!!

He enjoyed bowling, golfing and pitching horseshoes. He loved his grandchildren and great grandchildren dearly and enjoyed attending his grandchildren's sporting events.

Matty was a member of St. Matthew Catholic Church, Campbellsport Lions Club, the Knights of Columbus, the VFW Post #8339 and was a volunteer fire fighter for the Village of Campbellsport. He was inducted into the Rock River Baseball Hall of Fame in 1983, the West

Bend Association Bowling Hall of Fame in 1995 and the Campbellsport High School Athletic Hall of Fame in 2013.

Matty loved his community and was loved by his community. He was always there for any cause, community event or function.

Survivors include his loving wife of 59 years Janet, son Cary (Lynn) Serwe, daughters Kim (Mark) Mueller, Sharon (Patrick) Brantner, Cindy (Tim) McGray, Sandy (Jim) Benike and son Rick (Jodie) Serwe all of Campbellsport. 14 grandchildren Carissa (Adam) Donath, Brandon (Trish) Serwe, Leah (Jeremy) Bode, Rick (Casey) Mueller, Luke (fiancée Arielle) Mueller, Josh Mueller, Eli (special friend Emily) Mueller, Alyssa (Brett) Birkholz, Kassie Benike, Kallie (Nick) Cusack, Kelsie (Brian) Herriges, Hayley (Josh) Fell, Hayden (Brittney) Serwe and Holden (special friend Michaela) Serwe, and 14 great grandchildren and two on the way Addison and Alannah Donath, Genevieve and Coralie Bode, Miley Mueller, Graham and Griffin Birkholz, Grayson and McKella Cusack, Logan, Kinsley and Kylee Herriges and Waylon and Wyatt Fell. Matty is further survived by his siblings Frank (Pat) Serwe, Cyril (Pat) Serwe and Kathy (Ralph) Herriges, brother-in-law LeRoy Sabel, sisters-in-law Donna Serwe, Gloria Serwe and Sally Serwe, many nieces, nephews, other relatives and friends.

Matty was preceded in death by his parents, his in-laws Clarence and Leona Sabel, siblings, brothers-in-law and sisters-in-law Rosemary and Carl Sether, Virginia and Al Ruf, Sylvester and Susie Serwe, Jeanette and Robert Gruber, Gerald Serwe, Catherine Serwe, Norbert Serwe, Norman Serwe, Joann and Roy Galligan and Rosemary Sabel.

A Mass of Christian Burial will be held Thursday, September 21

at 6 p.m. at St. Matthew Catholic Church, 406 E. Main St. Campbellsport. Rev. Mark Jones will officiate with burial Friday in St. Matthew's Cemetery. Following the mass, there will be a continuation of the Celebration of Matty's Life at King Pin Lanes.

Visitation will be Thursday, September 21 from 1 p.m. until time of Mass at the Church.

In lieu of flowers memorial are appreciated to St. Matthew Church, Aurora Hospice, the Campbellsport Fire Department or the Campbellsport Cougar Club.

The family extends a special thank you to the nurses and staff of Aurora Hospice for their compassionate care and all the wonderful family and friends for their visits, love and support during Matty's illness.

Twohig Funeral Home is serving the family with guestbook and condolences at www.twohigfunerals.com.

†

Sherry L. Kemp (nee Blumer)

Sherry L. Kemp (nee Blumer), 58 of Theresa, was called by God to her heavenly home on Monday, September 11, 2017, with husband Randy and family at her side.

She was born on February 22, 1959, to the late Paul and Lucille (nee Butzke) Blumer in West Bend.

She grew up in Kewaskum and graduated from Kewaskum High School in 1977.

On May 31, 1986 she was united in marriage to

Randy Kemp.

Sherry enjoyed her horses and various animals. Sherry liked traveling, gardening, cooking, going on motorcycle rides, but most of all her family and fun.

Those Sherry leaves behind to cherish her memory include her loving husband of 31 years, Randy Kemp; two children, Stacie Zwick (nee Rodenkirch) of Lomira and Nickolas (Heather) Kemp of Lomira; three grandchildren, Evan Zwick, Casandra Zwick, and Aubree Lynn Kemp; a brother, Steven (Bonnie) Blumer of Orlando FL.; three sisters-in-law, Chris Kuechler of West Bend, Sarah Mann of West Bend, and Jessie O'Laughlin of Oklahoma; a brother-in-law, Brad Kemp of San Tan Valley AZ.; many nieces, nephews, and other relatives and friends.

In addition to her parents, she is preceded in death by her grandson, Brayden Kemp and a brother-in-law, Rick Kemp.

A memorial service in remembrance of Sherry will be held on Saturday, September 23, at 2 p.m. at St. Peter's Ev. Lutheran Church, 113 E. Bonduel St., Theresa.

The family will greet relatives and friends at the church Saturday from 11 a.m. until the time of service.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Sherry's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

†

David Peter Betrovski Hummel

David Peter Betrovski Hummel, 46, of Winter, WI, passed away Friday, September 1, 2017.

He was born September 29, 1970.

He graduated from Lancaster High School and attended Suomi College, MI, John Brown University, AR, and UW Stout.

August 14, 2004, he and Jennifer Beimborn were united in marriage.

Funeral services were held Saturday, Sept. 9, at 3 p.m. at St. John's United Church of Christ in Random Lake.

Visitation was from 11 a.m. until the time of the service. Burial was in the Beechwood Union Cemetery, Beechwood.

A Memorial service will be held at Zion Lutheran Church in Winter, WI, and a Celebration of Life will be held in the Lancaster, WI area, dates and time for both are pending.

UW-WC Faculty Receives Top Teaching Award

Dr. Jennifer Heinert, Associate Professor of English at UW-Washington County, received the 2017 Chancellor's Award for Excellence in Teaching by a Faculty Member. The prestigious award was presented at the UW Colleges' Convocation ceremony held at UW Fox Valley, where faculty from across the state had gathered for the start of a new academic year.

Dr. Heinert's "thoughtful reflection on and continual improvement to her teaching in response to meticulously researched best practices proves that she embodies a true teacher-scholar," according to Provost Karen Schmitt who presented the award. It was noted that Heinert's use of "writing portfolios and specific feedback empower students to make fundamental revisions and actually see their personal growth while her carefully scaffolded and sequenced activities make literary learning approachable despite its complexity."

Students recognize and appreciate this, and in a letter of support for this award, one student pointed out, "you can tell that this is Dr. Heinert's passion in the way she teaches class and engages with student inquiry. The learning that has been cultivated in me by Dr. Heinert is knowledge that I will take with me for the rest of my academic career and on into my field of work."

Dr. Heinert's research that leads to constant improvements in her teaching is often collaborative, embraced by her

departmental colleagues, and widely shared through numerous publications and presentations. Dr. Heinert also played a critical role in revising the UW Colleges Writing program learning outcomes. This revised program has not only benefitted students throughout the UW Colleges, but also received two national awards. Her passion for effective teaching and for support of her colleagues is evident in her significant service work with the UW System Office for Professional and Instructional Development, the Associate's Degree Reimagining Task Force, and the Student Survey of Instruction Working Group, among others. The reading circles, workshops, and online discussions she provides as the Virtual Teaching and Learning Center Director inspire and shape the teaching practices of her colleagues across the Colleges. Dr. Heinert's department recognized her leadership by recently electing her to the position of Department Chair.

UW-Washington County is located at 400 S. University Drive in West Bend. The campus offers freshman and sophomore level classes in over 250 majors, providing a local start on a University of Wisconsin degree. The campus has approximately 700 students and offers small class sizes, top-notch faculty and affordable tuition.

For more information about the campus, visit the [website](http://www.washington.uwc.edu), washington.uwc.edu or email: wsh-info@uwc.edu.

DAYS GONE BY

5 Years Ago September 20, 2012

Kewaskum firefighters and emergency medical technicians tend to victims involved in a two-vehicle crash that killed an Eden couple early Thursday evening. Alcohol is presumed to be a factor in the crash's cause.

Parents having difficulty helping their children with math homework will soon have help. The Kewaskum Board of Education last week approved switching the district's math textbooks to Math Expressions starting in the 2013/14 school year.

15 Years Ago September 19, 2002

A property revaluation program, aimed at equalizing real estate and personal property valuation throughout the Village of Kewaskum for tax purposes, will get under way this month. The purpose is to update amendment records to be in compliance with State of Wisconsin full value law.

A son, Derrick Joseph, to Tina Knaus and Garrett Mlejnek of Kewaskum, on Aug. 2.

25 Years Ago September 17, 1992

Construction of the new high school service road, two new tennis courts and resurfacing of the four original tennis courts has

been completed. Construction of the road, lower than the courts, and the addition of curbs and gutter is expected to eliminate the water run-off problem which has damaged the courts in the past.

A one-car crash early Thursday morning involving four teenagers injured two of them when the vehicle they were riding in left the road and traveled down a steep, heavily wooded embankment in the Town of Farmington.

50 Years Ago September 15, 1967

The appointment of Mark D. Rosenheimer, son of Mr. and Mrs. Henry B. Rosenheimer of Kewaskum, as Assistant Trust officer of Hackley Union National Bank and Trust Company, Muskegon, Mich., was announced by Wm. R. Munrol, chairman of the board of directors. Rosenheimer assumed his duties on Sept. 5.

The appointment of Aldwin Seefeldt, son of Alfred H. Seefeldt of Kewaskum, as chairman of the unreserved ticket sales for the Republican State fundraising dinner Sept. 30, in the Milwaukee Arena, was announced Tuesday. Principal speaker of the evening will be California Governor Ronald Reagan, former movie star.

The body of a man found beaten and shot in the head, found on vacant farm near Kewaskum Tuesday afternoon, was identified by authorities as that of Herbert McKinney, 26, of Chicago. The slain man was identified by fingerprints taken from him. Chicago police notified the Fond du Lac County Sheriff's Department Thursday that they had interviewed two of McKinney's sisters who lived with McKinney. They said they had gone to a tavern with McKinney and his girlfriend Saturday. The three left him there and returned to the McKinney home and that was the last they saw of him. They reported him missing Tuesday morning. The farm is listed in the county plat book as owned by C and B Dombrowski of Chicago, who it was reported, formerly lived there.

Births - A daughter to Mr. and Mrs. William

Kober, Kewaskum, Wednesday, Sept. 6. A daughter to Mr. and Mrs. Leonard Meyer, Kewaskum, Saturday, Sept. 9.

75 Years Ago September 18, 1942

Mrs. Anna Ferber, 76, wife of William F. Ferber, and well known native of the Town of Auburn, died Friday, Sept. 11, at her home in Campbellsport.

William J. Koepke, 68, Adell, was fatally injured at 11 p.m. Sunday night when he was struck by a car driven by Fred Beyer, 18, Kewaskum, on country trunk A, at the north end of the village of Beechwood. According to the coroner and other Sheboygan County authorities called to the scene, Beyer was driving north on A, and Koepke was walking in the same direction. They met a car traveling south, driven by Robert Struebing of Adell, and both drivers were as it was raining at the time. Beyer failed to see Koepke walking at the side of the road in time to avoid striking him. Beyer testified he was driving about 30 miles an hour at the time, as did Struebing. Carl Liermann of Kewaskum, was a passenger in Beyer's auto.

LeRoy O. Gessner, Kewaskum, enlisted in the U.S. Navy at Milwaukee this week. Births - Mr. and Mrs. Otto Ramthun of this village are the parents of a son, born Thursday, Sept. 17. A son was also born to Mr. and Mrs. Phillip McLaughlin, Tuesday, Sept. 15. Mr. and Mrs. Vincent Fellenz, Kewaskum are the parents of a son born Wednesday, Sept. 9.

100 Years Ago September 15, 1917

Herman Krueger, son of Mrs. August Krueger of Dundee, has a narrow escape from being seriously injured last week while returning home in his Ford runabout from this village. When a short distance north of Chas Klabuhn's farm, one of the tires on the front wheel blew out, causing the car to swerve to one side of the road where it turned turtle. Mr. Krueger, losing control of the machine, was thrown headlong to the ground, where he received a few cuts about the head, but no serious injury. The only damage to the car was a broken windshield.

Joseph Eberle, son of Mrs. Kathryn Eberle, who conducts a saloon on Main Street, and Edwin Miller, son of Mr. and Mrs. August Miller, Town of Kewaskum, who has been employed at the A.G. Koch store, were the first two young men from this area to be called into the United States Army by the selection draft. They left on the 4 a.m. Sunday train for Camp Grant, Rockford, Ill., where they will be in training.

All arrangements for the opening in our village, of the Kewaskum Pocket Book Factory, a subsidiary of the Enger-Kress Pocket Book Company of West Bend, were consummated. The Altenhofen building on Main Street has been made to accommodate 30 employees at the very offset and as the demand arises provisions for many more will be made. Beyond question the local plant will prove a flourishing asset to our village and give employment to a great many.

After January 1, there can be no more common law marriages without a marriage license.

Cedar Community's Heritage House Hosts Open House & Ice Cream Social

Visit Heritage House, Cedar Community's restored turn-of-the-century farmhouse, located at their main campus, 5595 County Road Z, West Bend, on Saturday, Sept. 23 from 1 p.m. to 3 p.m. for an open house and ice cream social.

Tour Heritage House and Ye Olde School, celebrating its 100th anniversary; enjoy golf cart rides around the grounds and trails; visit the bake sale and vintage clothing sale and enjoy ice cream sundaes for \$2.

This event is open to the public and free to attend. Free-will donations are happily accepted.

For more information

about this special event, please call 262-338-0471.

Heritage House is the former homestead of Cedar Community's original benefactor, William Koehl, and was built in 1865. Visitors relive history, playing an 1884 pump organ in the parlor, learning about pumping cistern water, using homemade soap to hand-wash and line-dry laundry, listen to a crank telephone and work a Victrola.

A visit to Cedar Community's fully restored, functioning one-room schoolhouse, Ye Olde School, brings the experience of 1920s school days to life.

KEWASKUM YOUTH BASKETBALL REGISTRATION

Kewaskum Youth Basketball (KYB) is a non-profit organization that provides local kids with the opportunity to experience the fun of competitive basketball while improving their basketball skills and learning life skills such as teamwork, sportsmanship, commitment and responsibility. Participation is open to kids in grades 3-6 who reside in the Kewaskum School District. KYB is the only youth basketball organization that works with Kewaskum's High School Varsity Basketball Coaches to ensure the philosophies and skills required at the High School level are being taught.

We also have a program designed for 7th and 8th graders (Kewaskum Tribe) that gives kids the opportunity to play above and beyond our Middle School program in a competitive tournament environment. Our Tribe program is designed to be a bridge between the Middle School and High School programs where participants will continue to develop their skills but also learn more about the philosophies and systems being run at the Varsity levels here in Kewaskum. The Tribe program will NOT conflict with the Middle School basketball season.

We are proud to announce that KYB will be an affiliate of the Milwaukee Bucks this season. As a Junior Bucks affiliate, each KYB and Tribe participant will get:

- 1 ticket to a Milwaukee Bucks game*
- Discounted tickets for parents, friends and family to that same Bucks game*
- A Junior Milwaukee Bucks duffie bag
- A summer skills clinic in Kewaskum conducted by the Milwaukee Bucks

*KYB is planning on offering transportation (buses) to/from the Bucks game.

IN PERSON REGISTRATION FROM 5:30-7:00PM:
Sunday, Oct. 1 @ KHS Fieldhouse
Wednesday, Oct. 4 @ KHS Cafeteria
Registration Deadline: October 6, 2017

Forms are available at www.kybhoops.org. If you have any questions, please contact Kory Dogs at (262) 853-3912 or kdogs10@frontier.com.

Weekly HEALTH TIP

ARE YOU SITTING TOO MUCH?

Prolonged sitting every day appears to increase the risk of several health issues, including diabetes and cardiovascular disease. In recent research, being sedentary has also been linked to a greater risk of premature death. Studies have been inconsistent about whether exercise can offset the negative effects of prolonged sitting. However, new research seems to show that 60 to 75 minutes a day of moderate exercise or activity (e.g., brisk walking) may help counter the increased risks and eliminate the risk of premature death linked to sitting more than 8 hours a day.

An Upcoming Calendar of Events for River Edge Nature Center

Saturday, September 23 - Nature Detectives: Seeds on the Move, 10 a.m. - 11:30 a.m., As autumn draws closer, plants are moving into the seed phases of their lifecycle. How many different seeds can you uncover in the prairies and forests of Riveredge? Investigate the different modes of movement that seeds will use in order to disperse and start a life of their own! Create your very own seed inspired necklace. Cost: Non-Members & Trail Pass Members: \$5.00/person, All-Access Members: FREE.

Tuesday, September 26 - Photo Club, 7 p.m. - 8:30 p.m., Are you looking for a friendly group of photo hobbyists who enjoy both shooting and sharing their photos? This Photo Club brings together those who enjoy photography and wish to take better pictures through practice. Meetings are free and open to the public, and you'll be welcomed as a photographer, regardless of your skill level. They are informal and include time for "shop talk" and networking with other members. Bring any pictures you want to share (prints, album, or digital files on a USB flash drive). You do not need to bring your camera equipment or a computer. Free. No pre-registration required.

Thursday, September 28 - Little Explorers Playgroup, 10 a.m. - 11:30 a.m., Hello Fall, Let's gather in the Natural Play Area and share the wonder of nature through outdoor play. We will taste the harvest's bounty in the Children's Organic Garden, hunt for patterns in nature, play camouflage hide and go seek, and venture into forests, fields, ponds and more. Nature sensory bins for babies and exploration tools for older children will be available. Indoor activities will be planned in case of inclement weather. Fee: Non-Members & Trail Pass Members: \$5.00 per child (Adults Free), All-Access Members: FREE. Playgroup Tips for Families: Little Explorers is a drop-in style playgroup which allows children to be engaged in unstructured, outdoor play and gives parents a chance to meet other adults. A staff member or volunteer will be available to answer questions, supply equipment, or lead a hike if desired. Children must be accompanied by an adult. Playgroup explores in rain, wind, sun, and snow. Playgroup will be canceled if there is a risk of severe weather. Watch the website for updates. Any age is welcome to attend playgroup. Our average age range is 2-5 years old, but everyone benefits when there are children of all ages. Our yard is stroller friendly near our play area. If we choose to go on a hike, we will also choose trails which are stroller friendly. What to Bring: Both parents and children should be dressed for the weather. This might include: rain pants, rain coat, waterproof boots, hat, mittens, snow pants, thermal underwear, and wear anything which can get dirty, Extra change of clothes for each child (can be left in the car), Snack and water bottle (optional, but strongly recommended), Summer: Sunscreen, bug spray, and sunhat.

Saturday, September 30 - Sturgeon Fest, 11 a.m. - 3 p.m. - Free, It's not every day you get to release a baby sturgeon into Lake Michigan. Head to Lakeshore State Park in downtown Milwaukee for the 12th annual Sturgeon Fest on September 30, 2017 and enjoy a day of free, family fun and make a huge difference while doing it. Sturgeon Fest celebrates Riveredge's 25 year partnership with the Wisconsin DNR to bring back Lake Sturgeon, a critically important species both environmentally and culturally, to the Milwaukee River, where they haven't been seen in over 100 years. Be a part of this amazing comeback story and join thousands of other community members when you sponsor a young sturgeon and hand release them into Lake Michigan. You'll even get a tracking code to register your fish so you can be notified if the DNR finds your fish in the future. Some sturgeon can live up to 150 years, so you've got plenty of chances. The festivities continue all day with games and activities for kids, kayak demonstrations, prairie tours, educational booths, delicious local food trucks, and so much more. Sturgeon sponsorship for 2017 is now open! Check out our brand spanking new Sturgeon Fest website for all the details on this awesome family festival, the sturgeon project, and how you can help bring back a prehistoric species.

Saturday, October 7 - Family Weekend For Corporate Members, Employees (and their immediate families) of businesses/organizations with Riveredge Corporate Memberships can visit Riveredge for free on select weekends. Opportunity includes unlimited access at the Trail Pass Family Memberships level. Corporate members can email Natalie Dorrier to take advantage of this special offer.

Saturday, October 7 - Wild Animal Finders: Spiders, 10 a.m. - 11:30 a.m., 'Tis the season of spiders, bats, creepies and crawlies. Seek out spiders in various habitats and learn fact and fiction about spiders. Peek as spiders up close with hand lenses and a microscope. Create a spider frame to welcome spiders to your garden. Children under 6 must be accompanied by an adult, Fee: Non-Members & Trail Pass Members: \$5.00/person, All-Access Members: FREE.

Sunday, October 8 - Family Weekend For Corporate Members, Employees (and their immediate families) of businesses/organizations with Riveredge Corporate Memberships can visit Riveredge for free on select weekends. Opportunity includes unlimited access at the Trail Pass Family Memberships level. Corporate members can email Natalie Dorrier to take advantage of this special offer.

Sunday, October 8 - Community Rivers Project: Kayaking the Milwaukee River, 9 a.m. - 2:30 p.m., Join Riveredge and our partners at Milwaukee Riverkeeper to see Newburg and Riveredge Nature Center from a whole new view, the Milwaukee River Watershed. We will start out at Fireman's Park in Newburg and meander to Waubedonia Park in Fredonia. Along the way we will see some river critters, fun Riveredge sites, and the wonders of the Milwaukee River. All you need is a water bottle, sunscreen, lunch and a great attitude. Learn all about the Community Rivers Project this event is a part of here, Cost: Residents living within 5 miles of Newburg can attend FREE all others \$45. Call Riveredge at 262-375-2715 for Newburg coupon code.

Thursday, October 12 - Little Explorers Playgroup, 10 a.m. - 11:30 a.m., Hello Fall! Let's gather in the Natural Play Area and share the wonder of nature through outdoor play. We will taste the harvest's bounty in the Children's Organic Garden, hunt for patterns in nature, play camouflage hide and go seek, and venture into forests, fields, ponds and more. Nature sensory bins for babies and exploration tools for older children will be available. Indoor activities will be planned in case of inclement weather. Fee: Non-Members & Trail Pass Members: \$5.00 per child (adults are free); All-Access Members: FREE!

For more information about Riveredge Nature Center, please go to their website at riveredgenature-center.org or call (262)375-2715. The Center is located about a mile northeast of Newburg off of County Highway Y/Hawthorne Drive. The center is open seven days a week.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

Saturday, September 23 - Sensational Seeds Exploring Nature Program, 12:30 p.m. - 2 p.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). From as tiny as a dust fleck to larger than a softball, seeds come in all shapes and sizes. Figure out how seeds help plants to grow and thrive. This program is best for families/groups with children between the ages of 6 and 12 years.

Wednesday, September 27 - Ice Age Trekkers, 6 p.m. - 7:15 p.m., Meet at the Ice Age Trail parking lot off County Road H (located east of the Milwaukee River near Kewaskum). Join us for an unwinding 1.95-mile evening hike along the Ice Age National Scenic Trail between Hwy 28 and County Road H. A shuttle will be available between the starting and finishing spot.

Saturday, September 30 - Nature's Recyclers Autumn Drop In Program, 11 a.m. - 2 p.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). Nature has been recycling for millions of years. Learn what organisms help recycle all the dead stuff of nature. It's sure to be a creepy crawly experience! Drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.

Fall Festival To Be Held At St. Michael Parish

St. Michael parish, situated east of Kewaskum, will host a Fall Festival on Sunday, Sept. 24. Festivities start with a Polka Mass at 9 a.m. at the church, located at 8883 Forest View Road and Highway 28. The public is invited.

A buffet style turkey and beef dinner with homemade stuffing and

desserts will be served from 10:30 a.m. to 2:30 p.m. The meal is \$10 for adults, \$5 for children under 12, and free for children under 4. Carryouts are available. The facility is handicapped accessible.

There will be a Music Tent with music by The Goodtime Dutchmen and Carol & the Keynotes.

Brats, burgers, fries and adult beverages will be served in the tent.

The day will also feature a raffle with Packers tickets as first prize, a huge silent auction, games, crafts, fresh bakery and a tractor pedal pull. The Packers game will be shown on a big screen TV. Have family fun at reasonable prices.

BloodCenter Of Wisconsin Hosts October Blood Drive

This year, BloodCenter of Wisconsin is celebrating its 70th anniversary of saving lives, serving communities and seeking cures. The center is able to advance our life-saving mission thanks to the loyal support of blood donors in Washington and Fond du Lac counties.

Heading into fall, blood supplies have reached critically low levels, particularly for O negative blood. Levels have hovered at or below one day supply, when a three day supply is preferred in order to help patients in traumas and emergency situations. While 37 percent of the U.S. population is eligible to donate blood, less than 10% donate every year. Patients in need of blood tomorrow rely on the life-saving generosity of blood donors today.

Washington County blood donors can help patients in need at BloodCenter of Wisconsin's upcoming

blood drives:

- Wednesday, Oct. 4 from 12:30 p.m. to 5:30 p.m. at Hartford Senior Center, 730 Highland Ave., Hartford

- Wednesday, Oct. 18 from 1 p.m. to 6 p.m. at Florian Park Conference & Event Center, N 111 W18611 Mequon Rd., Germantown

- Monday, Oct. 23 from 2 p.m. to 7 p.m. at St. Frances Cabrini Parish, 1025 S. 7th Ave., West Bend.

Fond du Lac County blood donors can help patients in need at BloodCenter of Wisconsin's upcoming blood drive Saturday, Oct. 14 from 7:30 a.m. to 11:30 a.m. at Holy Family Catholic Community Church, 271 Fourth Street Way, Fond du Lac.

Donors can schedule an appointment by calling 1-877-BE-A-HERO (1-877-232-4376), or visiting www.bcw.edu.

To help show our appreciation to blood donors across the state, all attempting blood donors will be automatically entered in our Green & Gold Sweepstakes. Winners will receive two tickets to the Green Bay football game Sunday, Dec. 3 against Tampa Bay, along with transportation to and from Lambeau Field and access to an exclusive tailgate party. One winner will be selected each week through October 31.

Anyone 17 or older who is in good health and meets eligibility requirements is encouraged to donate blood. Appointments are preferred, but walk-in donors are also welcome. Parental consent is required for 16-year-olds to donate. The entire process takes about an hour. Donors should bring a photo ID that includes birth date.

The Catholic Community Foundation Announces Board Leadership And New Board Members

The Catholic Community Foundation board of directors elected David M. Morris, First Vice President, Financial Consultant, with RBC Wealth Management as their Chairman of the Board. Dave is part of the Financial Advising Consulting Group and has over 37 years of professional investment experience. The other officers elected are Mary Ellen Markowski, President of the Foundation; Ann Rieger, Vice Chairperson/Vice President, an attorney with Davis & Kuelthau, SC; Thomas J. Fischer, Vice President/Treasurer, of Fischer Financial Consulting LLC; and Maureen Stapleton, Secretary, President of Stapleton Realty and Appraisal for 2017/2018.

In addition to these officers, the board of directors also elected the following individuals to the Foundation's board: Matthew B. Fahey, former Managing Director/Equity Portfolio Manager for BMO Global Asset Management and investment professional with over 30 years of investment management experience; Brian L. Lucareli, Director of FOLEY Private Office with Foley & Lardner, LLP who is responsible for the strategic development of trust and wealth administration services; and Tony Nguyen, Regional Banking Area President Greater Wisconsin, Wells Fargo, N.A. who is the president for the Greater Wisconsin market and manages 37 banking

stores. The Foundation's board of directors is comprised of Catholic business and community leaders from the ten counties of southeastern Wisconsin who are committed to growing the Foundation.

The Foundation, which began operation on July 1, 2001, funds organization and causes in line with the mission of the Catholic Church in southeastern Wisconsin. To date, the Foundation has awarded over \$8 million in grants to organizations that support causes consistent with its priorities of primary and secondary education, leadership development, community building and health care for the disadvantaged in the Milwaukee area. The Foundation currently has assets under management of \$100 million.

Florida Asks For Blood Donations From Around The Country

- "Significant Need" Cited In Aftermath Of Hurricane Irma

On the heels of the urgent request that came from Texas just two weeks ago, blood donors are now being asked to extend their generosity once again - this time to help save lives in Florida.

Through its affiliation with Blood Centers of America, BloodCenter of Wisconsin is shipping 170 donations to Florida today (September 13), and is encouraging donors to schedule appointments to ensure the local blood need can be met - in addition to the assistance we are providing to our neighbors in Florida.

The blood center serv-

ing Florida was forced to suspend blood donations last Saturday. So, nearly 2,000 blood donations are being requested by blood centers around the country in the wake of the devastation brought on by Hurricane Irma.

Transportation of blood products is difficult, but blood centers are shipping life-saving donations by working through the Department of Health & Human Services, the military, and state and government agencies.

Individuals with O positive and O negative blood are critically important.

Tragic incidents such as

the ones that occurred in Texas and Florida, emphasize the critical need of having an ample blood supply to save lives not only in our own state, but for others who look to us for help.

Please do not wait for a tragedy to occur. We need eligible donors throughout the year in order to fulfill our life-saving mission.

To schedule an appointment at any of BloodCenter of Wisconsin's 10 donation centers, call 1-877-BE-A-HERO or visit <https://www.bcw.edu>.

Continued From... School District Looks At Improving Athletic Fields

– School Board Discusses Adding Artificial Turf To Football And Baseball Fields

Even though the football and baseball fields were not part of the referendum, they have been on the district's radar for years, Smasal said. Nearly six years ago, strategic planning sessions were held on a couple of Saturday mornings, he said. It was then that facility needs at the high school and middle school and athletic field space needs were first identified, according to Smasal.

"And out of that morphed a visionary committee, which in turn turned into a Long Range Planning Committee, which then turned into surveys being sent on two different occasions, to the bulk of our community and what they were looking for and what direction they wanted us to go into," Smasal said.

The last survey was done about a year ago, and from there the district decided to go to referendum to address facility needs at the middle school and the high school.

"Now that we are finish-

ing up the design phase of the capital project and moving into the construction phase, we can now turn our sights into seeing what we can do for field space, and try to solve the third pillar of what was identified by the Long Range Planning Committee, and quite frankly, even that Saturday morning five and a half years ago," Smasal said.

The school district has not been the only entity that has recognized athletic field needs.

On Monday night, the Village Board voted unanimously to accept a donation of 31 acres from the James D. Reigle family to be converted into a village park. Plans are to create soccer and baseball fields for youth sports at that new park.

The school district fully supports the new park, Smasal said.

"We support the other efforts being done by good people throughout this community in the different initiatives that they are

doing," Smasal said. "As a school district, we support anything that is good for our community and for our children. By putting turf on the field, it goes directly back to our kids and can help our community."

Improving the school district's field spaces ties into the community's efforts to add field spaces at the new village park, School Board Member Jim Leister said.

"You look at Reigle, Kiwanis, our facility, everything is blended together. It's going to dovetail and benefit everybody," Leister said.

The School Board agreed that financially, now is a good time to improve the district's athletic field spaces.

"This district has been running financially over the past couple three years, we have built up our fund balance to be the most amount of money that it ever has in the history of the school district," Smasal said.

In addition, about

\$850,000 will be freed up in the district's short term borrowing fund when it finishes paying off a short-term debt in March 2019.

In addition, the district does not foresee any other capital issues in the next 10 years.

"So I would suggest to you that this is a perfect time for the board to take a look at that short term borrowing money for field space, as well as there is potentially the use of fund balance," Smasal told the board.

Also, now is a good time to get bids, Smasal advised.

"With all the building currently going on in the district and with the different contractors here tearing everything up, it could be really cost effective to try and bid that out now," Smasal said.

Potential Improvements

The school board discussed various improvements for the athletic fields.

At Kiwanis Park, the var-

sity baseball field is currently positioned incorrectly and the outfield is not level. The district is looking into how much it would cost to rotate the field so that home plate would face northeast and the sun would become less of an issue. The district will also price out how much it would cost to move the field to the other side of the creek in Kiwanis Park.

The district also will look at the cost of putting artificial turf on the infield of the baseball field. This would be beneficial if baseball shifts to spring rather than summer baseball, a trend that many Wisconsin high schools have been shifting toward.

Kewaskum is not currently planning on shifting to spring baseball, but it is monitoring the trend.

"Looking at a baseball field, knowing that in 20 years, we will most likely be playing spring baseball, we should probably look at turf infield rather than a ground. That is the way to go," Smasal said. "It can

rain, pour or snow, and half an hour later you can be playing. It cuts down on rainouts significantly."

Likewise, artificial turf on the football field will enable more people to use the field throughout the year, whether it be for football, soccer or physical education classes, Smasal said.

In addition, the artificial turf is much safer for athletes, School Board President Troy Hanson said.

"It is much safer to play on turf than on grass. You can put in extra padding, an extra shock absorption," said Smasal, and indicated that is the route the district would go.

The district also will find out the cost of rectifying the track, which was installed incorrectly around the football field, as well as improving the softball field at Kewaskum Elementary School.

The board hopes to be able to install artificial turf on the football field next summer.

FEATURE BUSINESS OF THE WEEK

Tuttle Creek Learning Center, Inc.

Tuttle Creek Learning Center, Inc. is proud to be in business for over 18 years. After purchasing the established center in 1997, Mike and Audra Beyer began molding the business, adding their own unique touches and continued the growing process to accommodate the communities changing needs. Over the past 15 years an infant, toddler and two year old room have been added to the already existing preschool room at the main site, as well as adding before and after school programs in Kewaskum Elementary School and Farmington Elementary School. They have been providing quality childcare for Kewaskum and the surrounding area for over 18 years, while continually improving and adding new features!

Audra brings 27 years of experience to the business and the Administrator, Shelly Marx, brings 23 years of experience. Along with them, there are 10-14 employees depending on the time of year. Mike and Audra Beyer are supportive of their staff going back to school through funding in conjunction with TEACH.

Thank you to all of the parents who have shared their precious children with us! We feel truly blessed to have met each and every one of you. We look forward to many more years of helping your children grow!

Light Up The Night Set For October 5

This year's annual Light Up the Night: Domestic Abuse Awareness Event has been scheduled at 6 p.m. on Thursday, Oct. 5 at the Essential Rock Church, 40 E. Division Street in Fond du Lac.

Light Up the Night is held as part of National Domestic Violence Awareness Month, which is October.

Door opens for the event at 6 p.m. with "Hear My Story" set at 6:30 p.m. At 7 p.m., participants can join the Allies Against Domestic Violence Walk.

The program and walk are free and open to the public.

"Light Up the Night brings awareness to the

typically hidden issue of domestic violence," according to Tiffany Wiese, Agnesian Domestic Violence Services supervisor. "Fond du Lac's Light Up the Night event provides awareness every year dedicated to domestic violence. There are those who live within our own community here in Fond du Lac who may experience physical abuse, sexual abuse or emotional abuse on a regular basis. In fact, one out of three women, and one out of seven men, has been abused sometime in their lifetime."

For more information, call 920-926-4207.

Wayne Crusader 4-H Club Holds Meeting

By Rachel Etta, Wayne Crusaders 4-H Club Reporter

The Wayne Crusaders 4-H Club held its meeting on Tuesday, Sept. 12, at i4Learning Community School.

It was called to order at 6:32 p.m. by President Andrew Beine, and pledges were led by Henry Wolf and Olivia Strupp. Attendance was taken by Ambassador Eric Rodell. Treasurer Tyler Gildemeister provided a treasurer's report. General Co-Leader Julie Etta presented awards to "Outstanding Leaders and Members."

Alexandra Taylor and Bridget Dean led a Special Emphasis activity using a matching game to familiarize members about the many 4-H opportunities and experiences. Nina Wood and Bridget Dean gave a presentation highlighting their Citizenship Washington Focus (CWF)

experience.

The club looked back at recent activities; Puppyland donations; Piggly Wiggly brat fry, 4-H Open House, members' experiences at County Fair and State Fair. The club also looked forward to upcoming activities: Fruit and Nut sale, club picnic, National 4-H Week.

New officers for Wayne Crusaders 4-H Club for 2017-2018 will be: President Andrew Beine, Vice President Eric Rodell, Secretary Allison Loosen, Treasurer Bridget Dean, Ambassadors Paul Loosen and Alexandra Taylor, Reporter Rachel Etta, and Historians Elizabeth Beine, Sadie Fidler and Abigail Kopffhammer.

The September meeting was adjourned at 8:05 p.m. The next meeting of Wayne Crusaders 4-H Club will be Tuesday, Oct. 10, at 5:45 p.m. at i4Learning Community School.

Van Horns Excited For New Venture In Lomira

By Zach Cook

The Ford dealership in Lomira is now officially under new ownership.

The Von Schledorn dealership will now be under the direction of the Van Horn automotive group. The sale was made final at the beginning of this month.

"My brother Chuck, myself and Eric [Von Schledorn] knew each other pretty well so we've had conversation," Teresa Van Horn said. "His dad passed away so that was a big adjustment for Eric. He just had too many things going on and this location wasn't a very good fit for him anymore [because] he didn't have the time necessary to make it successful, so he thought it was in his best interest to turn it over."

Teresa and her family have been in the car business since 1966 when their family purchased their first Chevrolet dealership in Plymouth in 1966. With the addition of Lomira, the family now has 12 locations as part of their automotive group.

They added a location in Oconomowoc last year and just closed on another location in Iowa in the last two months.

"It has been a very busy summer, but it has been fun," Van Horn said. "The locations we end up purchasing we don't add unless it is a good fit. We found a niche in mid-sized locations."

Van Horn added that, among other aspects, the location of this dealership was very appealing.

"We were really excited about this because it is a Ford location between Milwaukee and Green Bay," she said. "It's also right on 41 and it's a beautiful building. It's a nice lot in a nice town."

Although Teresa currently resides in Plymouth, she said she and her family were somewhat familiar

with the area prior to the purchase.

"The community itself we don't know a ton about yet, but what is funny is we attended Springs high school in Fond du Lac, so we competed against these guys all the time," she said. "We've been here enough yet, but we are guessing it is similar to Plymouth, a close-knit, conservative midwest town which is a great fit for us. The biggest attraction is probably 41 and the Ford franchise is a really strong franchise."

Van Horn said their purchases in other similar-sized communities should help them adapt to Lomira with ease.

"We've learned from our previous acquisitions in similar communities that one, we want to reassure the staff we aren't going to broom everybody and we want to keep them because they probably know the community better than we do and you can't get anywhere without a decent staff," she said. "Second, we like to bring the inventory up and found that you'll attract more customers if you have a nice selection of used and new cars. Thirdly, when we come into a town we want to try and be a part of the town and want to be active in the community where our customers live and work."

The Van Horns have already been active in the community as they were a sponsor for the recent Appreciation Day celebration at Sterr Park.

"We've been very fortunate to be successful so we are happy to give back to individuals or communities that are struggling or just getting started," Van Horn said. "If the community you are in doesn't stay healthy, then there is a pretty good chance your business won't stay healthy either. We want to see Lomira and surrounding areas grow along with

us. We've been in business in Plymouth for 50 years and we couldn't have done that unless the community stayed strong, so we want to support the people that have supported us."

Van Horn said the group is committed to staying active in the community while they are in business in Lomira.

"We're excited about getting to know the people within the community as we want to be a nice addition here," she said. "If you look at some of the examples we've done in Plymouth, we are very active in the local chamber, in a lot of churches and some of the non-profits. It's not only a good way to support the community, but it's also a great way to get to know who makes up the whole community."

The Van Horns are in the process of adding inventory to the lot, but Teresa said she thinks, at a minimum, they will be able to have the potential of a 100-car store.

"We would like to have the store reach its full potential," she said. "We see this big beautiful showroom and lot and want to fill it up, but we still want to keep that small, hometown feel."

Now two weeks into ownership, Van Horn said part of the keys to success in Lomira will be centered around creating a great experience for customers and employees.

"We want our employees to amaze our customers and we want customers to have the same great experience, whether it be service or buying a car," she said. "We want them to feel welcome and know we are going to be here if they have a problem. We want our employees to go out in the community and be proud of where they work."

Froedtert And The Medical College Of Wisconsin West Bend Health Center Expand Hours

The Walk-In Clinic at Froedtert & the Medical College of Wisconsin West Bend Health Center is now open seven days a week — consistent with the daily walk-in and urgent care access offered to patients across Froedtert & MCW health network locations.

As of September 1, the new hours are Monday to Thursday from 8 a.m. to 7 p.m., Friday from 8 a.m. to 5 p.m., and Saturday and Sunday will remain 8 a.m. to 4 p.m. The expansion of the Walk-In Clinic and the May opening of FastCare Meijer in West Bend are

both ways the Froedtert & the Medical College of Wisconsin health network is working to better meet the needs of new and existing patients who are looking for more convenient access and evening hours for same-day care, and also want the benefit of knowing they are connected to the Froedtert & MCW health network for broader primary care and specialty needs.

Froedtert & the Medical College of Wisconsin St. Joseph's Hospital, founded in 1930 by local doctors, community leaders and the Sisters of the

Divine Savior, is a full-service hospital serving residents of West Bend and

Washington County. St. Joseph's Hospital, specializing in women's health and birthing services, cancer care, surgical procedures and rehabilitation services, is part of the Froedtert & the Medical College of Wisconsin health care network, which also includes Froedtert Hospital, Milwaukee; Community Memorial Hospital, Menomonee Falls; and more than 30 primary and specialty care health centers and clinics.

SCORE Seeks Mentors To Assist Entrepreneurs

If you are an active, semi-retired, retired or working business executive, entrepreneur, banker, accountant, or consultant, SCORE, the leading organization committed to helping small businesses grow and thrive, is looking for you.

SCORE mentors work in their own communities and assist existing small businesses, as well as new startup businesses. SCORE mentors are needed to serve Sheboygan County, as well as Northern Washington and Ozaukee Counties.

Mentors are part of a

network of 80 volunteers dedicated to helping businesses in Southeastern Wisconsin grow and succeed from Kenosha to Sheboygan

SCORE mentors have business knowledge and real-world experience in a broad base of industries. Ideal mentors are current or former business owners or those with banking, legal, marketing, human resource, sales, operations, manufacturing, retail, restaurant, service, social media or relevant corporate experience.

Volunteer mentors assist start-ups and existing small businesses to

identify problems, opportunities, find solutions and develop action plans. Mentors work one on one and in workshop settings. There is no cost for the mentoring services offered through SCORE.

Those interested in becoming a mentor are asked to forward a resume and bio to m.theusch@scorevolunteer.org or call 262-689-9056.

For more information on SCORE Chapter 28 of Southeastern Wisconsin, visit www.sewisconsin.score.org. SCORE is a not-for-profit 501c3 organization.

Washington County Farm Bureau Hosts Annual Meeting

Members of the Washington County Farm Bureau will hold their annual meeting on Tuesday, Oct 3, at 6 p.m. at The Columbian in West Bend.

All Farm Bureau members are encouraged to attend this important meeting to help create policy resolutions and vote in elections for county board directors. Also being selected will be the county's voting delegates for the WFBF Annual Meeting in Wisconsin Dells,

December 2-4.

As a grassroots organization, it is Farm Bureau's members on the county level who set the policy goals of the state's leading farm organization. The Wisconsin Farm Bureau is often asked to get involved in issues affecting production agriculture and rural Wisconsin both in Madison and Washington, D.C.

This fall, Farm Bureau members across the state will be crafting, discussing and forwarding policy rec-

ommendations on emerging agricultural issues including water quality, labeling and marketing of agricultural products and the 2018 Farm Bill.

Made up of 61 county Farm Bureaus, the Wisconsin Farm Bureau Federation is the state's largest general farm organization representing farms of every size, commodity and management style.

For more information, call Judy Kasten at 262-573-8339.

The old EVS Ford location in Lomira is now under new ownership as the Van Horn Automotive Group bought the location earlier this month. This is the 12th location the group owns and operates.

National Hunting And Fishing Day

— A Great Tradition, Source Of Pride Since 1972

In the 1960s, hunters and anglers embraced the era's heightened environmental awareness but were discouraged that many people didn't understand the role that sportsmen played—and continue to play—in the conservation movement.

In 1972, with urging from the National Shooting Sports Foundation, Congress unanimously authorized National Hunting and Fishing Day on the fourth Saturday of every September. On May 2, 1972, President Richard M. Nixon signed the first proclamation of the annual celebration.

Today, National Hunting and Fishing Day remains a great promotion for outdoor sports and conserva-

tion—as well as a source of pride for hunters and anglers nationwide.

FAST FACTS

Funding from hunters helped America restore:
Whitetail Deer
1900: Only 500,000 left
Now: Over 30 million

Wild Turkey
1900: Only 100,000 left
Now: Over 7 million

Funding from anglers helps manage America's 3.5 million miles of rivers, 40.8 million acres of lakes, 34,400 square miles of estuaries, 58,000 miles of ocean shoreline and 277 million acres of wetlands.

Celebrate it Everyday.

Richard Childress Selected To Serve As NHF Day Chair

—NASCAR Legend's Outdoor Passion Goes Beyond The Track

When the name Richard Childress is mentioned, most think NASCAR legend but what many don't know is his undying passion for the outdoor sports.

Childress is venturing into a new service during 2017. He has been selected to serve as the honorary chairman for National Hunting and Fishing Day. The annual celebration is set for Saturday, Sept. 23, 2017.

Childress currently serves as chairman and CEO of Richard Childress Racing, a world-class high performance auto racing team based in Welcome, North Carolina. Childress drove for his one-car team during the 1970s, but turned the keys over to legendary driver Dale Earnhardt in 1981 where the duo won six championships together. Today, RCR has over 200 victories and 17 championships and will field eight full time NASCAR teams during the 2017 season.

Also in 2017, Childress will be celebrated throughout the stock car racing community as he is inducted into the NASCAR Hall of Fame.

“Richard Childress has a true passion for the outdoor sports and is an huge supporter of our many conservation programs across the nation. NHF Day is excited to have such a great leader serve NHF Day as the honorary Chair,” said Misty Mitchell, director of conservation programs for Wonders of Wildlife. “He is constantly out there promoting good stewardship and conservation for a brighter future for future outdoorsman, which coincides what NHF Day is all about.”

Childress joins an elite fraternity of entertainment and sports figures that have served as honorary chairs, including Bill Dance, Hank Williams Jr., Travis Tritt, Tracy Byrd, Jeff Foxworthy, Jay Novacek, Robert Urich, Wade Boggs, Ward Burton, Arnold Palmer, Terry Bradshaw, the USA Olympic Shooting Team, Tony Stewart and many others.

“What an honor to be selected to serve as honorary chair for National Hunting and Fishing Day,” said Childress. “This is a very important day to

reflect and participate in activities that celebrate conservation efforts by sportsmen around the country. There is only one way to create a better future for upcoming generations in the outdoor sports and that is conservation. Join me in celebrating this year.”

Congress established National Hunting and Fishing Day to recognize hunters and anglers for their leadership in fish and wildlife conservation. Since launching in 1971, the day has been formally proclaimed by every U.S. President and countless governors and mayors.

Led by sportsman Theodore Roosevelt, early conservationists urged sustainable use of fish and game, created hunting and fishing licenses, and lobbied for taxes on sporting equipment to provide funds for state conservation agencies. These actions were the foundation of the North American wildlife conservation model, a science-based, user-pay system that would foster the most dramatic conservation successes of all time.

Each year sportsmen and women are funding more projects that enable more public access areas to be open. Through license sales and excise taxes on equipment, hunters and anglers pay for most fish and wildlife conservation programs. On average, hunters spend \$1,638 every year on the sport. Portions of these funds are allocated to support conservation.

National Hunting and Fishing Day is dedicated to celebrating those efforts. Bass Pro Shops has been very supportive and goes above and beyond its ability to voice their values as an organization for the sportsman.

The list of sponsors for National Hunting and Fishing Day 2017 includes Wonders of Wildlife, National Shooting Sports Foundation, Cabela's, Yamaha, Bass Pro Shops, Realtree, Smith and Wesson, Gunbroker, Ducks Unlimited, Keep America Fishing, Congressional Sportsmen's Foundation and Izaak Walton League.

How Hunting And Angling Help Wildlife And Wild Places

With birdwatchers, hikers, mountain bikers, canoeists, snorkelers, backpackers, ATV riders, photographers and other recreationists, lots of Americans love wildlife and wild places.

Hunters and anglers love them, too—and together they do more than all the others for conservation.

How?

Hunters and anglers provide leadership in many ways, but the simplest answer is...cash. And lots of it!

Today there are 34 million hunters and anglers in the U.S. By purchasing hunting and fishing licenses, and paying special taxes on firearms and ammunition, bows and arrows, and rods and reels, hunters,

anglers and shooters generate \$100,000 every 30 minutes!

This annual total, \$1.75 billion, pays for the vast majority of the conservation work of fish and wildlife agencies in every state.

These public agencies serve the citizens of their state by overseeing all fish and wildlife, both hunted species like deer

and non-hunted species like robins, as well as all aquatic and terrestrial habitats.

In this way, hunters and anglers benefit all Americans who love wildlife and wild places. In fact, among the many groups of people recreating in the great outdoors, nobody does more for conservation than hunters and anglers!

Tigers Can't Tame Steger, Krier, Christenson And Company

By Judy Harlow

It turns out the Ripon defense wasn't that tough after all...at least not against the Kewaskum High offense which scored on its first possession and rolled to a 35-0 victory over the host Tigers on September 15.

With the win and the defense's first shutout, the Indians improve to 3-0 in East Central play and 5-0 overall, while Ripon slips to 1-3. (The Tigers had to forfeit their win over Winneconne after school officials discovered an ineligible player played in the game.)

When asked if this win put his team in the playoffs, KHS coach Jason Piittmann said, "We still have to win one more," and that shouldn't be difficult because Kettle Moraine Lutheran and Waupun are two of the four teams the Indians still have to face.

Very methodically, Kewaskum marched 70 yards down the field on its first offensive series, scoring on a 3-yard run by 205-pound bulldozer Patrick Krier, who was on his way to a 77-yard rushing game.

"We just mixed it up," Piittmann said about the play calls on the first drive.

While Krier is Mr. Inside for the Indians, senior quarterback Tony Steger is Mr. Outside, and his speed and ability to change directions were very impressive in his game.

Early in the second quarter, Steger capped a good drive with an 11-yard run, and he pretty much broke the game open with a 70-yard scamper with 8:58 remaining in the third quarter.

"That was a one-play drive," Piittmann said

about Steger's long run. "We stopped them, and then Tony ... That was a great run."

To go with his 104 rushing yards, Steger connected on eight of 13 passes for 99 yards but threw one interception for a quarterback rating of 53.0, while Gabe Christenson, who starts at tight end but also plays quarterback for certain designed plays, was a perfect 3x3 for 114 yards and one touchdown for a rating of 158.3.

Christenson's touchdown pass was a 32-yarder to Cole Surprenant who returned to the lineup after missing two games because of an injury. "Tony was playing receiver on that series," Piittmann said. "He made a tremendous, acrobatic catch to set up that score. He went over the defender and tipped the ball to himself."

KHS went back to the ground for its final score, a 5-yard run by Faton Elmazi, who carried the ball three times for 12 yards.

Sophomore Eli Bartelt got a chance to carry the ball in the fourth quarter and responded with 37 yards on eight carries.

The Indians rushed for 260 yards and passed for 213 for another 450-yard plus outing while Ripon managed just 32 yards rushing and 121 passing. The Tigers were forced to punt eight times in the game, while Cade Peterson, who connected on all five point after touchdown kicks (PATs), had to punt only twice.

KHS had just eight more offensive plays than Ripon, 48 to 40, but averaged 7.0 yards rushing compared to 1.3 for the Tigers and the Indian pass plays netted 19.4 yards per play compared to 7.6 for Ripon.

Bartelt was the Indians' leader on defense, with seven tackles including three solos, while Jerod Otto, Dan Kreis, Shawn O'Keefe and freshman Kannon Muckerheide were all in on five tackles.

"We were able to get good pressure on their quarterback," Piittmann said, adding, "The d-backs did a tremendous job of tackling. I was really impressed with our tackling, especially in the second half."

Kewaskum entertains third place Plymouth (2-1) on Friday night and when asked if he thought the Panthers will be gunning for his Indians, Piittmann said, "I'm sure they are, especially after last year when we beat them twice."

Piittmann said the Panthers are 50-50 in running and passing. "The (Derek) Novotny kid is really fast," he said about Plymouth's top running back, adding Cade Knaus, the coach's son, is an experienced quarterback who "makes good decisions."

Plymouth and Kewaskum are the only schools in the conference with enough players for varsity, JV and JV2 teams, while the others struggle with numbers in their programs. Along with Berlin, they ended in a 3-way tie for the title in 2016.

Scores from September 15: Plymouth 55, KML 0; Berlin 46, Waupun 21; Winneconne 37, Campbellsport 6.

Current EC standings: 1. (tie) Kewaskum and Berlin, 3-0; 3. (tie) Plymouth and Winneconne, 2-1; 5. (tie) Ripon and Waupun, 1-2; 7. (tie) Campbellsport and Kettle Moraine Lutheran, 0-3.

Not The Best Of Weeks For KHS Tennis Team

By Judy Harlow

Tennis is a sport that can always go down to the wire, and that was the case on September 14 when Kewaskum faced Waupun and just couldn't come up to the fourth win to take the match.

"Given the experience of our opponent, as a coach, I guess that I should have been satisfied with the closeness of the match and the final 3-4 score," KHS coach Peter Garcia said. "But, losing four matches in the last week by identical 3 to 4 scores sends off alarm bells."

With the match tied at 3-1, Brandi Geldnich and Ariaahna Grossenbacher were in position to win but lost a "back-and-forth" final set 5-7 to lose the match.

The lone doubles winners were Nikki Bruss and Nicole Brzozowski at Number 3. "They got off to a quick start with a more spirited effort this night, and then hung on for a convincing 6-4, 6-2 win," the coach said.

At Number 3 singles, Megan Krolski "once again showed maturity beyond her years," Garcia said about her 6-2, 6-0 victory over senior Kaitlyn Schomisch.

The other win was produced by Kaitlyn Miller who moved up from the JV team for the match and defeated Katelyn Kell, 6-1, 6-4. "She made a real statement about her abilities," the coach said.

Grace Marchello lost to one of the Warrior veterans, Erin Schmitt, but gave a good account of herself in the 6-7, 2-6

match. At times, the girls volleyed back and forth 10-12 times before the point was decided, and the two were at deuce in five of the six games in the second set.

Concerning being at Number 1, Marchello said, "It's what I always wanted, but I knew coming in, I wouldn't have the best record" because she continually faces the opponent's top player.

Still, "Whenever I go against tougher players, I always play better," she said. "I like it (Number 1), and I'm really grateful I get to play it."

With the loss, KHS falls to 3-2 in Eastern Wisconsin Conference action and 5-7 overall.

"All we can do now is re-focus on fundamentals and try our best to get our team chemistry back," Garcia said, pointing out three tough opponents remain on the schedule.

WAUPUN 4, **KEWASKUM** 3

Singles: Number 1 Grace Marchello lost to Erin Schmitt, 6-7, 2-6; Number 2 Emma Preder lost to Madeline Keach, 1-6, 6-7 (4); Number 3 Megan Krolski def. Kaitlyn Schomisch, 6-2, 6-0; Number 4 Kaitlyn Miller def. Katelyn Keel, 6-1, 6-4

Doubles: Number 1 Ariaahna Grossenbacher/Brandi Geldnich lost to Elyse Stelsel/Katrina Pokorny, 6-3, 3-6, 5-7; Number 2 Sydney Donath/Kallie Hoelt def. Sydney Donath/Kallie Hoelt lost to Camryn Frye/Janell Kounelis, 1-6, 2-6; Number 3 Nikki Bruss/Nicole Brzozowski def. Ashley Kwakkell/Katelyn Van

Vuren, 6-4, 6-2. In a non-conference dual meet with Mayville on September 12, the Indians struggled, losing 5-2 after getting nipped by the Cardinals 4-3 in the Brown Deer Invitational.

"It was a tough loss," coach Peter Garcia said, reporting his team gave "an improved effort," but, "illness trumped the effort tonight." He was referring to the fact both Krolski girls were under the weather, and Emma Preder also was not feeling well.

Once again, Grace Marchello defeated Taylor Trost at Number 1 singles. "Grace was on her game," Garcia said about the 6-0, 6-0 victory.

The other KHS win came at Number 2 doubles where Sydney Donath and Kallie Hoelt combined for a 6-2, 7-5 victory.

Mayville 5, Kewaskum 2
Singles: Number 1 Grace Marchello def. Taylor Trost, 6-0, 6-0; Number 2 Emma Preder lost to Alaina Hazelberg, 1-6, 1-6; Number 3 Amanda Krolski lost to Olivia Boelk, 6-2, 4-6, 2-6; Number 4 Megan Krolski lost to Sierra Schellpfer, 2-6, 3-6

Doubles: Number 1 Brandi Geldnich/Ariaahna Grossenbacher lost to Theresa Liska/Kasey Wandling, 2-6, 3-6; Number 2 Sydney Donath/Kallie Hoelt def. Whitney Steger/McKenna Podbrscek, 6-2, 7-5; Number 3 Nikki Bruss/Nicole Brzozowski lost to Emily Boeck/Lexi Janzer, 3-6, 7-5, 1-6.

Grace Marchello hits the ball in a home match against Waupun on September 14.

Spikers Claim Fall River Title, Top Ripon In EC Action

By Judy Harlow

The Kewaskum volleyball team exhibited a "Jekyll and Hyde" personality on September 16, but even their "down" performances ended up as wins for the Indians, who went a perfect 4-0 to claim the annual Fall River title.

"We were two different teams for most of the day," KHS coach Laine Leitzke said. "We would take big wins, but then in the other set, we'd play point for point or fall behind and have to outwork the opponent to the end. We were able to turn the tide and win each set, but we caused some scares that were unnecessary."

The Indians defeated Oshkosh Valley Christian 28-26, 25-15, Dodgeland 25-12 and 25-23, Horicon 25-17 and 25-10 and in the finals, Falls River 25-20 and 27-25.

Seniors Liz Lightner, Amanda Schaller and Sarah Butschlick had big days. Schaller was a jumping jack at the net, with an impressive 30 kills, and she also chipped in with three blocks.

In addition to being the block leader with 12.5, Lightner topped the KHS contingent in aces with eight and contributed 16 kills, while Butschlick's numbers included nine kills, 47 assists and 11 digs.

There was also senior Morgan Denlinger in the

back row, assisting on 27 kills and digging up 13 balls.

Sophomore Brelynn Scoles played well, with 18 kills and 28 digs where Hailey Hasenberg was the team leader with 44. Transfer Tara Theusch helped the cause with her six aces.

"There are a lot of names in the stat leader categories, which is a testament to the team effort this weekend," Leitzke said. "We had only one goal going into this tournament — to win it, and we did."

Leitzke said it is nice having the 6-foot Lightner back. With her, "We've had the ability to get players back into more normal positions. We didn't necessarily play flat without her, but different players did have to work harder to play out of position."

With these wins, Kewaskum improved to 12-4 on the year.

Looking ahead, Leitzke said the team would have three days to build off the weekend and get ready for Plymouth, which is currently 2-1 like the Indians.

After being out of action for three weeks, senior middle hitter Liz Lightner returned to the lineup on September 14 and helped the Indians to a convincing 27-25, 25-9 and 25-20 East Central victory over host Ripon.

Lightner came up with six kills, three aces and an amazing eight blocks in her first appearance since August 22 and was a big key to the victory.

"We had some slow, chaotic play in the first two sets. We trailed for the majority," KHS coach Laine Leitzke said. "We changed our approach towards the end of each set and were able to fight back to get the win in each."

Leitzke went on that, "The second set, we did a lot right. We pushed the ball, kept the tempo up and outworked Ripon. They defend very well; we kept our errors much lower than in our loss to Winneconne, and it helped us get the conference win."

Brelynn Scoles led KHS in kills with seven while Sara Butschlick, Lightner and Morgan Kappler all had six.

Butschlick contributed a pair of aces, 2.5 blocks and 23 assists, while Carolyn Stockhausen had three blocks. Dig leaders included Hailey Hasenberg and Scoles, each with seven.

With the with, the Indians improved to 2-1 in EC play and 8-4 overall. Current standings are as follows: 1. (tie) Kettle Moraine Lutheran and Winneconne, 3-0; 3. (tie) Kewaskum and Plymouth, 2-1; 5. (tie) Ripon and Berlin, 1-2; 7. (tie) Campbellsport and Waupun, 0-3.

Busy Week On The Links Produces A Pair Of Fifths, Individual Highlights

By Judy Harlow

Fire Ridge is now the home course for the Cedarburg High School girls golf team, and the North Shore teams certainly beat up on the shorter 2,687-yard layout on September 13.

Homestead, with three scores at 37 or under, came in with a sizzling 148 to win the meet by 17 shots over the host's 165. Hartford was in third at 182, followed by Whitefish Bay, 187; Kewaskum-Campbellsport, 191; the West Bend team, 194; Nicolet, 195; and Slinger, 246.

Homestead's Speedy Kent carded a two-under-par 34, while teammates Trinity Pate and Isabelle Maleckit were close behind with 36 and 37, respectively.

Homestead won all six North Shore competitions — two included nine-hole scores from different courses on back-to-back days — while Cedarburg was always second.

"Our goal was to break 200 this season, and this was our first time doing that," coach Amy Uhlig beamed. "It was a really nice team effort."

Leading the Kew-Cats was sophomore Alyssa Dreher with a solid 43 on her card that included a pair of threes and two fours. "An awesome round by Dreher," Uhlig said. "She's really hav-

ing a remarkable season as a sophomore."

Mandy Goeman, from her Number four spot in the lineup, shot a 48, while Alivia Wisniewski and Taylor Cook shot 49 and 51, respectively.

"Goeman had her low round of the season," Uhlig said. "She's an athletic kid and a competitor. So happy to see her break through."

In a meet played at the Mee-Kwon Golf Course on September 11, host Homestead was the winner for the fifth time in a row, posting a 169 for a seven-shot lead on Cedarburg and 20 in front of Hartford (189).

The meet medalist was Speedy Kent of Homestead with a two-over-par 38.

The Kewaskum Campbellsport counters all finished between 49 and 54 for a nice round of 206 for fifth place. Leading the Kew-Cats was Alivia Wisniewski with a 49, then came Alyssa Dreher, who had an up-and-down round for 51, followed by Grace Kober and Ashley Trapp with 53s.

"It was nice to see Alivia have a solid round. She has the ability to break 50 every time, so hopefully her confidence continues," Uhlig said, indicating Trapp is starting to contribute to the varsity, which is good as tournament time is right around the corner.

The annual Washington County Scramble was held September 15 at the prestigious Erin Hills, with the Kew-Cats coming in fourth out of the five teams with an 84, with the teams of Allyssa Dreher and Mandy Goeman and Grace Kober and Ashley Trapp both posting 42s.

The combined West Bend team won the tournament with an 80.

The Kew-Cats played in the annual Terror Invitational in Appleton on September 16 and placed a very respectable 14th out of 25 teams with a score of 392.

Brookfield Central and Franklin finished 1-2 with 311 and 329, and Mallary Swartz won the medal with a one-over-par 73 on the Winagamie Golf Course.

Leading the Kew-Cats was Alyssa Dreher, who carded a 45-46-91, good for a tie for 29th overall in the field of 117 girls.

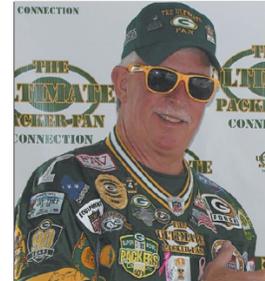

"Another superb round by Dreher," Uhlig said, adding "Kober had a career low. She's the most accurate kid on the team. Doesn't hit it real long, but she hits fairways more than 75 percent of the time."

The other scorers were: Alivia Wisniewski, 48-48-96; Grace Kober, 52-49-101 and Taylor Cook, 48-56-104, whose 48 was a season-low score for her.

"Bengay" Before Bengals!

By Wayne Sargent

WAYNE SARGENT

The Green Bay Packers, (1-1) will host the Cincinnati Bengals, (0-2) this Sunday at Lambeau Field. Kickoff is scheduled for 3:25 p.m.

The Packers, coming off a controversial but convincing loss to the Atlanta Falcons on Sunday left the Mercedes-Benz Stadium with 10 players injured.

If starting the game without starting offense tackles David Bakhtiari and Bryan Bulaga wasn't devastating enough, Jordy Nelson, Mike Daniels, Randall Cobb, Kendall Brice, and Damarius Randal also left the game with injuries. A couple of questionable penalties may have been game changing, but the bottom line is the Atlanta Falcons were the better team. The Atlanta offense clearly overcame the Packers defense both with the ability to run the ball and complete the pass. The Packers ran the ball 15 times for 59 yards, while the Falcons ran the ball 27 times for 141 yards.

The offensive line of the Packers was trying desperately to protect Aaron Rodgers but were all too often over taken by the speed and power

of the Atlanta defensive front. Rodgers was sacked three times for a loss of 35 yards. Although Aaron threw for two touchdowns on 33/50 for 308 yards, he still managed to set the record as the fastest quarterback to throw for 300 touchdowns, although he was constantly under pressure.

The Packers defense, led by Clay Mathews, did all they could. They sacked Matt Ryan three times for 29 lost yards but with the loss of Mike Daniels, Matt Ryan came out on top.

Now, the Bengals are coming back to Lambeau Field. They're hoping to take advantage of the injury-plagued Packers and are anxious to come away with their first win. Coming off two consecutive losses, the Bengals are desperate for a win. The Bengals have been

coached by Marvin Lewis since 2003. Head Coach Lewis has the second longest tenure as a head coach only behind Bill Belichick of the New England Patriots.

The Packers first played the Bengals back in 1971, the Pack won 20-17. The last meeting was back in 2015 when the Bengals came out on top 34-30. Since the start these teams have met 12 times with the Bengals leading the Pack (7-5-0).

The Bengals were founded in 1966 and have won the AFC Championship twice, once in 1981 and again in 1988. They have been to two Super Bowls losing both to the San Francisco 49ers. They are one of 13 teams to never have won a Super Bowl and one of nine teams to have played in a Super Bowl and not won. Following the 1990 season, the Bengals went 14 seasons without a winning record. However, they have won nine division championships and have appeared in 14 playoff games with the last appearance in 2015.

This week at home I'm again taking the Packers with "The Ultimate" prediction 20-17.

Congratulations to this week's winner, Jack Kern!

Jack's name will be put in the drawing to win Packers tickets for next season.

Each week that the Packers play, the Campbellsport News and Kewaskum Statesman are holding an Ultimate Packer Fan Giveaway contest. There is no charge to enter.

There will be two winners announced at the end of the season. Each winner will receive a pair of tickets to a 2018 Packers home preseason game.

For your chance to win and complete details, go to www.kstatesman.com or www.thecampbellsportnews.com and make your picks by 5 p.m. on the Thursday preceding the game. Winners will be announced in next week's paper.

KHS Kickers Come Together In Win Over Messmer

By Judy Harlow

Officially, the Kewaskum High soccer team went 1-1 the past week, but anyone who knows what happened in the game against Ripon on September 12 would say the Indians and their coach John Kenworthy were winners in every sense of the word in both.

Thirty three minutes into the game, with the visiting Indians down 1-0, Ripon's Ferdie Wagner, a junior midfielder/forward, collapsed on the field in what was a scary situation for players, coaches and all who were watching the contest.

"Tuesday is a night we're hoping will never happen again," Kenworthy said of the situation. The Ripon coach and trainer, along with Kenworthy, were the first on the field to help the young man. According to the Ripon Commonwealth Press, Wagner was taken by ambulance to the Ripon Medical Center and then flown to the Children's Hospital in Madison.

"Obviously, it's no longer a game. It's about the young man's life," Kenworthy said, indicating he has been in touch with the Ripon coach, and "He's (Wagner) in stable condition. He's talking," and the family is hoping for a full recovery.

With the severity of the situation, Kenworthy said, "At that point, I made the decision we would not continue the game ... Some things are bigger than sports. That was one."

"I'm so proud of how they did everything ... the amount of compassion they showed," Kenworthy went on about how his Indians handled the situation.

Four days later, Kewaskum was back on their home field for what

was scheduled as a three team tournament, but the Milwaukee School of Languages backed out of its commitment, leaving the Indians to play just one game against Messmer.

Kewaskum won 3-1, with Kenworthy commenting, "I thought we played our game for the first time this season. We were very disciplined on defense, and we moved the ball well on offense."

For the first goal, "Isaiah Cochran made a beautiful cross to Hunter Kuehl in front of the goal," Kenworthy said, reporting sophomore Justin Anderson scored the other two.

"We call Justin 'the Natural.'" Kenworthy said, indicating the sophomore earned the nickname by scoring a goal in his first game with the JVs and now, "For us (the varsity), he has four goals." In the second half, Anderson scored goal Number three "on a beautiful pass from Will Jens. Justin just touched it in. He was there to clean up."

With a 3-0 lead, Kenworthy was able to sub in a lot of the reserves and depend on good play by the defenders, including seniors Gavin Curtin and Tanner Jacak. "I thought Gavin Curtin had his best game, and Tanner Jacak played very well."

Two other cited for their good play were Matt Krautkramer and Hunter Schmitt. "They moved the ball really well and passed real well," according to the coach.

The Indians had 15 shots, and goalie Brenen Rice made 20 saves, which was another key to the victory.

Kewaskum, now 4-7 on the year, is at Campbellsport this afternoon (September 21) after playing games against Ozaukee and Plymouth.

Reck Is A Man On A Mission

By Judy Harlow

20:23.12.

He's getting closer. After Saturday's Kris Greening Invitational in Ripon, KHS senior Justin Reck is within 13 seconds of a season goal, dipping under the 17-minute mark.

KHS coach Kris Evans had stated before the season started he was confident Reck would dip into the 16s, and he's closing in on that mark.

Reck finished fourth at Ripon with a time of 17 minutes, 13.42 seconds (17:13.42).

The race winner was Nathan Fox of East Troy, who covered the 5,000 meters in 15:55.04.

KHS finished eighth in the field of 12 teams with 185 points. The top two teams were Wautoma and Ripon, with 77 and 97, respectively.

Sophomore Andrew Carlton had a good race, too. He placed 12th with a time of 18:08.67, and Kyle Toth was third for the Indians, placing 47th with a season-best time of 19:33.22.

The other counters were Blake Miller and Gannon Kreuser, who finished 54th and 90th with times of 19:50.65 and 20:48.15.

In the girls' competition, Maela Olla led the KHS runners, finishing ninth with a time of 21:28.77, three places ahead of teammate Alyssa Butz, who was clocked in 21:58.45. Then came Courtney Zarda, 36th in 23:32.29; Emma Penfield, 50th in 24:42.20; and Abby Meidl, 78th, 27:40.40.

East Troy easily won the team title with 37 points, while the Indians finished sixth out of 10, with 160 points.

The race winner was East Troy sophomore Madison Desing, who came in with a time of

Justin Reck led the field in the Waupun Invitational on September 12. Reck won the race in the six-team competition and was the only runner to dip under 18 minutes, hitting the finish line in 17:54.20, 13 seconds ahead of the runner-up.

This was the first win by a KHS runner during Evans' tenure, and perhaps for the past decade.

"I'm really proud of him," Coach Kris Evans said about his ace. "His hard work is paying off. He's very focused on going to state this year."

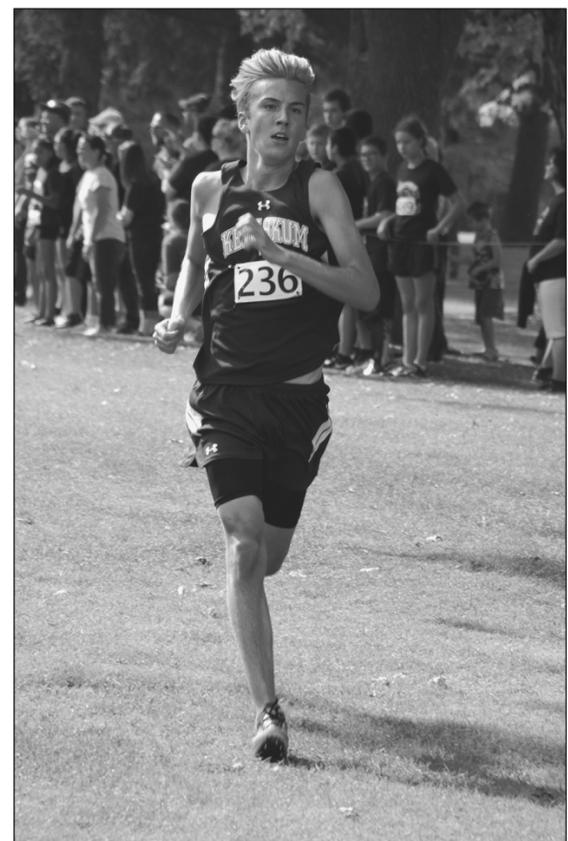

Watertown Prep won the meet with 32 points, seven ahead of Waupun. Kewaskum, running without Number 2 man, Andrew Carlton, placed fourth with 85. "For the Waupun meet, he was sick," Evans said of Carlton, reporting a bug has been going around the high school and kept Kenzie Schneider and Erika Bolek from running.

Kyle Toth had a nice race, placing 12th with a season mark of 19:36.93, then came Blake Miller, 17th in 20:17.90; Gannon Kreuser, 25th, 20:57.38 (season record); and Lance Grosskopf, 29th, 22:06.53.

The Lady Indians were third in the field of five, scoring 79 points behind the second and seventh by Maela Olla (21:45.25) and Alyssa Butz (22:27.60).

"She's a rock," Evans said of Olla. "Her goal is to go under 21 minutes, and I think she can absolutely do it."

The other counters included: Courtney Zarda, 19th in 24:36.80; Emma Penfield and Abby Meidl, 27th and 28th, 26:52.06 and 27:42.30) and Erika Bolek, 32nd, 29:52.40.

Poole Scores For Concordia

By Judy Harlow

Kewaskum High alum Dalton Poole scored a touchdown on a 1-yard run for Concordia University (1-2) in the Falcon's 79-7 loss to Albion College (Mich) on September 16.

Poole had played one play in each of Concordia's previous two

games, but started in this one as the team's Number 1 quarterback is injured. He completed 12 of 22 passes for 168 yards, including a 43-yarder.

Poole rushed for -25 yards in 11 carries, but scored the Falcons' long touchdown with 12:03 remaining in the fourth quarter, capping a six-play, 65-yard drive.

Schlosser, Otto Help Falcons To A 19th Place Finish

By Judy Harlow

Sam Schlosser and Andrew Otto, former KHS golf standouts, helped Concordia University to a 19th place finish in the 35-team Midwest Region Classic held at the Eagle Ridge Resort- North in Galena, Illinois, on September 15-16.

Schlosser shot an 82

the first day and came back with an 80 for a 162 total, good for a tie for 57th in the field of 175 players. Andrew Otto posted an 85-83—168, which put him in a tie for 97th place.

Earlier this fall, Otto led the Falcons with a pair of 78s to tied for 43rd in the Tim Kopka Memorial Tournament hosted by Carthage College.

The Kettle Moraine Amateur was held at Hon-E-Kor September 9 and 10. Pictured (from left) are: Pat Kent, Fourth Flight champ; Dick Scott, Third Flight; Joe Volesky, First Flight; and Craig Anderson, Championship Flight. photo submitted

Anderson's Heroics In Extra Holes Net Him A 12th KMA Title

By Judy Harlow

West Bend's Craig Anderson did not play in the Hon-E-Kor Club Championship this year, but he certainly made his presence known in the Kettle Moraine Amateur that was held at the course the weekend of September 9-10.

Behind back-to-back scores of 71-78 on the Blue and White Nines and

a fantastic chip-in on the third extra hole, Anderson won another KMA title, his 12th since 1996.

Anderson, a mathematics teacher at West Bend West High school, was tied with Larry Sterr at 149 after 36 holes. The two men tied the first two holes, then on Blue Number 3, Anderson chipped in from the left-side bunker to win the event over Sterr, who shot

a sizzling two-under-par 68 on the second day, a personal best for him. Sterr's nine-hole scores were 35 and 33.

Young Max Rohlinger, who graduated from West Bend West in June, placed third with a 79-71—150, one shot ahead of Jason Jahne, who carded 76 and 75 for a 151.

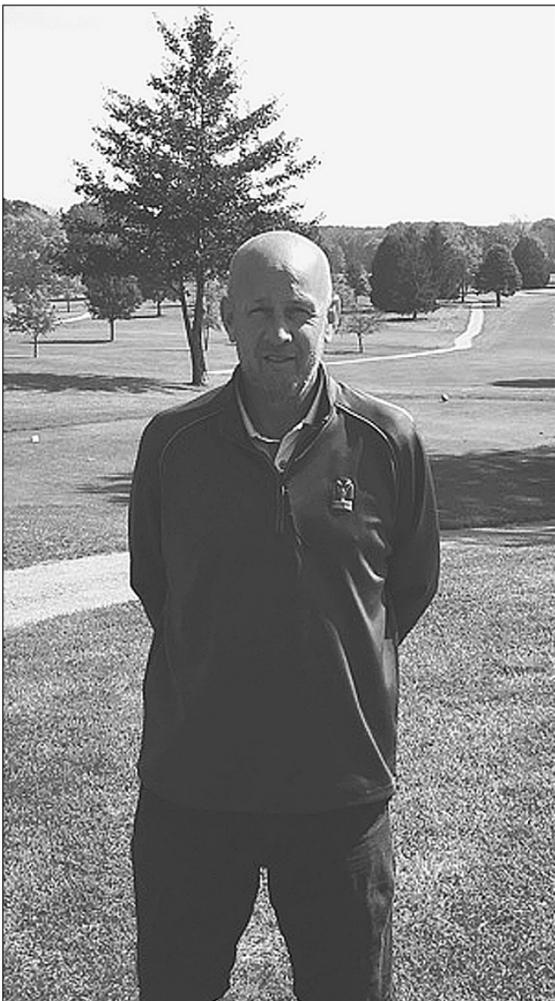

The winner of the First Flight was Joe Volesky, who posted a 158, 10 shots ahead of Bob Cristan and 11 in front of Jim Gardner. Taking fourth place in that division was Pat Falkowski with a 171.

Scott Leitheiser captured the Second Flight title by five shots, 161 to 166, over Bob Roloff, while James Livingston was third at 172.

Dick Scott was the top man in the Third Flight with a 174, three shots in front of Tim Dykstra. Al Bohn and Tom Miller placed third and fourth with 179 and 182, respectively.

In the Fourth Flight, it was Pat Kent in the winners' circle after shooting 176 for the two days, nine in front of Bob Deters.

There were 54 men in this year's tournament.

Scott Leitheiser is the Second Flight winner at the Kettle Moraine Amateur, which was held at Hon-E-Kor September 9 and 10. photo submitted

Kewaskum Youth Soccer Results From September 16

U10 Slinger Cougars 10, Cyclones 1

U10 Cyclones blew onto the field on Saturday against the tough Slinger Cougars on a very warm September afternoon hoping to get off to a quick start. The Cyclones were under pressure quickly with some good defensive plays by Mia Dornacker, Cate Stram, Bryce Wildt, Jadelyn Stoltzmann, Eli Van Beek. Malora Maluf and Kingston Grisolono had some great upfield-charges but were stopped by the Cougars except the last shot on goal by Colton Rabe in the fourth quarter. The Final score was 10 to 1 but the team is beginning to better understand the flow and should get on the winning side next week.

U12 Aztecs 2, Hartford Hydra 1

A strong start for the U12 Aztecs against a solid Hartford Hydra team. After giving up a first half goal and being down 1-0 at half time the Aztecs never deflated and fought back to a 1-1 score early in the second half with a nice individual effort from Gavin Schneider with a drive down the left side of the field and a powerful shot through the goalies hands and across the goal line. A strong defensive effort, particularly from Oliver Haydin, held off numerous attacks from the aggressive Hartford opponents. Offensively the Aztecs created quite a few quality goal scoring

chances and with about one minute left in the game Luke Grover received a crossing pass from Adam Deppert and was able to maneuver around the goalie and put home the game winner. With a 2-1 victory the U12 Aztecs are 1-0-0 on the season.

U10 Hurricanes 6, Slinger Badgers 2

U10 Hurricanes took on the Slinger Badgers today and won 6-2. The Hurricanes had three goals by Elias Steinbauer, one by Jonathan Gudex, one by David Brown, and one by William Haydin.

U10 Twisters 9, Slinger Badgers 4

The Kewaskum U10 Twisters had a great game against the Slinger Badgers this Saturday coming out ahead in 9-4 offensive slugger. Offense was once again lead by Liam Stoffel and Carson Maine. Cooper Saeger and Emerson Schmidt also contributed to the scoring in the fourth quarter. Defensively, Keeper Isaac Michlig was helped out by Ruby Gerhartz and Kaysen Stange. The 2-0 Twisters face off against the Slinger Cougars on September 23rd at Slinger.

U12 Warriors 6, Kewaskum Venom 0

U12 girl Warriors beat Kewaskum Venom 6-0. Great defense was played by Abigail Gorton and Ashlyn Aker to hold

Venom scoreless. Goals scored by Emilie Steinbauer-1, Abby Gehartz-1, Brooke Gruen-2 and Jadin Czuppa-2.

U12 Aztecs 3, Slinger Gladiators 1

Another great effort by the U12 Aztecs. With great passing and hustle on both sides of the ball the Aztecs managed a 3 - 1 victory against a tough Slinger Gladiators squad. After falling behind 1-0 in the first half Luke Grover got the Aztecs on the board with a blast from just inside the 18-yard box. With a good assist from Gavin Schneider, Tyler Kehres got the lead with a tricky shot that the opposing goalie had trouble handling. Going against a stiff wind in the second half Wyatt Tye executed a brilliant pass from the middle of the field right on the trusty left foot of Austin Jantz who lofted it over the goalies out stretched hands.

U14 Storm 4, Richfield Warriors 2

The U14 Storm out fought the Richfield Warriors Saturday to win 4-2. Kiera MacFarlan, Aubrey Magray, Mikaela Marquardt and Tierney Herman each tallied a goal in the victory. The girls never trailed during the game. Sophia Gerhartz, Molly Freund, Morgan Adams and Kate Butschlick were strong in a supporting role setting up the goal scorers.

Youth Football

Saturday, Sept. 16

Eighth Grade Gridiron Pewaukee Pirates 22 Indians 8

Saturday, September 16 was another day of football for the Kewaskum Gridiron Indians against the Pewaukee Pirates.

The eighth grade again got off to a slow start. Pewaukee scored on their first possession and with turnovers and penalties, Kewaskum was behind 22-8 at halftime. The Indians had an 89-yard touchdown drive with Ben Butler keeping the ball to score the touchdown. Andrew Bolek kicked the extra points. The second half was a defensive battle with no scoring. Highlights: On offense, Matthew Buechel had a 35-yard catch from Ben Butler. Max Melzer ran the ball hard. Reegen Marx had a 45 yard catch as well. On defense, Brady Bastian, Jacob Brzozowski, Damareyon Taylor, and Matthew Blank all had tackles for loss.

Final score was 22-8 Pewaukee over the Indians. MVPs of the game were Max Melzer

and Matthew Buechel.

Seventh Grade Gridiron Pewaukee Pirates 20 Indians 0

It was another tough day for the seventh grade as their quarterback Ryan Cook got injured on a keeper and was sidelined for the rest of the day. Great runs by Dillan Steger and Carson Rolf helped the offense move the ball, but could not get into the endzone. At half-time the score was 14-0 Pewaukee. In the second half the defense gave up one touchdown as Hunter Loser had a sack and the defense had two fourth down stops. Pewaukee prevailed in this game with a 20-0 score. MVP of this game was Hunter Loser.

Sixth Grade Gridiron Indians 13 Pewaukee Pirates 6

With the only win of the day, the sixth grade seemed to come together on both the offensive and defensive sides of the ball. On offense, Dylan Soyk had a great day running the football. Bruce Penfield had a good day

with a 40-yard run. Jayce Rhoads also helped out the offense with some nice runs. The plays of the game were on the defensive side of the ball. Matthew Oelhafen had a sack, and Jacob Ebert recovered a fumble. The defense also had two fourth down stops, but the play of the game was Ashton Poppy's touchdown saving tackle on a kickoff. Final score was 13-6 Indians. MVP of the game was Ashton Poppy.

Fifth Grade Gridiron Pewaukee Pirates 52 Indians 6

Our youngest Indians had a rough game as Pewaukee won 52-6. The only score made by the Indians was a 31-yard run by Landon Daniel. Turnovers and penalties again plagued the team. Zachary Jacoby and Nathan Vlotho played hard on defense.

Next Saturday the Gridiron Indians are on the road. The sixth, seventh and eighth grade teams play at Greenfield and the fifth grade will be at West Allis Central.

Racers from the Southeastern Wisconsin Short Track attend the Hall of Fame car show on Saturday, Sept. 16.

photo by Fay Hendricks

The following members of the Southeastern Wisconsin Short Track Hall of Fame have been inducted to the Hall of Fame between 2007 and 2016 and attended the Hall of Fame car show on Saturday, Sept. 16: (front row, from left) Dan Bantins, Gene Schwister, Mouse Melius and Willie Goeden; and (back row) Jim Hendricks, Jim Pretzel, Carl Schultz, Dick Colburn, Jerry Mueller, Jim Blazek and Gib Wiser.

Washington County Mountain Bike Team Improves Times

This past weekend the Washington County Mountain Bike Team members camped, hoteled it or drove straight up to Nordic Mountain for their second race of the season.

The pre-ride on Saturday started with hot temperatures and Sunday, race day, started out with rain, which delayed the races. The course was cleared safe and the races began.

The weather turned and it became another perfect weekend. Sam Carlson, Larry Schilling, and Gabe Rogaczewski did their first race of the season and did a nice job. Most Washington County racers took at least a minute off of their time at a course

that was more difficult than last weekend.

Nick Vogel even took 10 minutes off of his time. Fiona Shaw, who is in her second year of racing, got her first mountain biking podium finish and was very excited. The team came home with four more medals. Congratulations to all racers.

Here are the results for the Mt. Morris race.

Medalists for their age group:
Fiona Shaw (West Bend)- fifth place, 34:36.
Hunter Schmitt (Kewaskum)- fourth place, 1:02.58.
Kendra Schmitt (Kewaskum)- second place, 28:56.
Anja Lanser (West Bend)-

fifth place, 30:45.

Top 10 in their age group:
Jan Lanser (West Bend)- seventh, 25:09.
Gabe Rogaczewski (Slinger)- ninth, 30:25.

Other team athletes:
Tanner Schultz (West Bend)- 23rd 59:02.
Tommy Spangenberg (West Bend)- 46th, 1:29.46.
Quentin Willmas (West Bend)- 22nd, 30:11.
Nick Vogel (West Bend)- 32nd, 33:34.
Sawyer Bussey (Slinger)- 18th, 28:10.
Sam Oliver (West Bend)- 33rd, 33:35.
Sam Carlson (West Bend)- 42nd, 1:21:42.
Larry Schilling (West Bend)- 49th, 1:42:24.

The Capitol Report

-Tougher Drunken Driving Penalties Sought

By WisPolitics.com

A state Senate committee heard emotional testimony on a series of bills looking to tighten penalties on drunken drivers, as citizens and legislators called on members to further safeguard the roads.

Bill author Rep. Jim Ott noted while the number of alcohol-related crashes has been going down, giving the impression the current penalties are a sufficient deterrent for drunken driving, the numbers don't show how "many, many families in our state have been devastated by drunk drivers."

"What you read in the papers, the stats, the numbers, the facts don't just tell the whole story of how this problem impacts people in Wisconsin," the Mequon Republican told Judiciary and Public Safety Committee members on September 5. "I think every step that we take to cut down on drunk driving makes our roads safer."

Two of those bills passed an Assembly committee this spring. One would send a person convicted of killing someone while driving drunk to prison for at least five years, while the other bill would increase the mini-

mum incarceration time for fifth and sixth OWI offenders.

The third bill, which passed the full Assembly in May, would make changes to ignition interlock device requirements and require the operating restriction takes effect immediately, rather than when the Department of Transportation re-issues the offender a driver's license.

Nearly 10 people, whose lives were all affected by family members, friends or coworkers who were killed by drunken drivers, testified in support of the bills.

Among them was Paula Patoka, whose husband, Roger, was killed while riding his motorcycle in August 2015 near Shawano when a drunken driver, who had four OWIs on his record at the time, hit him after crossing the centerline. Patoka and her two kids, then ages 12 and 14, were following behind Roger in their Suburban and were also injured in the crash.

"I beg of you to vote yes on this bill because why wouldn't you? This is all that's left of him," she said through tears, as she showed committee members a picture of the remains of the motorcycle

her husband had been driving.

Meanwhile, Democratic Sen. Fred Risser of Madison asked bill co-author Sen. Alberta Darling, R-River Hills, if the Joint Finance Committee would be willing to allocate the necessary funds for higher costs, including at the Department of Corrections.

"Yes," Darling said, adding the pain families feel "is also felt by the state."

"What would it say about us to say we're against drunken driving, but we won't do what it takes to (combat it)?" asked Darling, co-chair of the Finance Committee.

Members also heard testimony on a bill from committee chair Sen. Van Wanggaard, R-Racine, that would permanently revoke someone's driver's license if they've committed at least four OWI offenses.

That bill has yet to be taken up in the Assembly committee it was referred to.

It remains unclear which OWI-related bills are most likely to pass both chambers and get Gov. Scott Walker's signature.

Kewaskum High School students Colin DeYoung and Brenden Rice take down the American flag after a home soccer game last week. Both students are Boy Scouts, on their way to becoming Eagle Scouts.

UW-WC Presents Fall Lectures On United Kingdom

UW-Washington County will be focusing on the United Kingdom this fall as it kicks off their annual community lecture series next week. Admission is free for the six Wednesday evening lectures (September 20 - October 25). Each one-hour lecture begins at 6:30 p.m. and is followed by a question/answer session. Topics for this year's popular series include the History of England, Healthcare in the UK, Scottish Photography, Women Philosophers, Shakespeare and Brexit. Additional outreach includes a social planned by the Friends of Matt Zillig, an art display, and a book discussion. All events are free and open to the public. The first lecture is held in room 201 with all remaining lectures in room 228. An overview of the series and outreach includes:

September 20: History of England with speaker Dr. Johann Sommerville, Professor of History at UW-Madison. According to Dr. Sommerville, "This lecture will discuss how the inhabitants of some small islands (Britain is smaller than Oregon) off the coast of northwest Europe came to form themselves into a single state, and then to explore the world, and to become a global superpower. It will also suggest some of the ways in which the history of Britain continues to shape its present - for example, pulling it both towards and away from Europe."

The Friends of Matt Zillig sponsor the first lecture as well as a social (immediately following) that features British food and beverage samples. Zillig was a University of Wisconsin graduate, a world traveler and an active community supporter. After his death in 2008, an endowment was established by his friends and colleagues to sponsor an annual lecture relating to global citizenship at UW-Washington County.

Other topics and speakers include:

September 27: Health Care in the U.K. with Patricia Conry, Certified Legal Nurse Consultant.

October 4: Survey of Scottish Photography with Graeme Reid, Director of Collections/Exhibitions at Museum of Wisconsin Art in West Bend.

October 11: Women Philosophers in England with Dr. Margaret Atherton, Philosophy Department at UW Milwaukee.

October 18: Shakespeare at 400 - with speaker Dr. Anne Widmayer, English Department at UW-Washington County.

October 25: Brexit with speaker Tom Portz, Moloney Securities, Senior Advisor, Milwaukee.

Book Discussion: "How It All Began" a contemporary novel by Penelope Lively will be discussed on two Wednesday evenings, September 27 and October 4 from 4:45 p.m. - 6:15 p.m. (just prior to the evening's lecture) in Room 101. UW-WC English Professor, Dr. Anne Widmayer will lead discus-

sion of the 229-page insightful and entertaining book that demonstrates how one random event precipitates an ensuing ripple effect of lifealtering events. Described by Goodreads as "funny, humane, touching, sly and sympathetic" the book is a "brilliant sleight of hand from an author at the top of her game." There is no cost to participate in the book discussion. To register or for more information, phone 262-335-5214 or e m a i l : lee.wagner@uwc.edu. Interested participants should purchase the book on their own. A limited number of books are available for loan from the UW-WC library.

UW-Washington County is located at 400 University Drive in West Bend (exit Hwy. 33 East). Visitors should use the main entrance and follow the interior directional signs. Free parking is available. More information is available on the campus website at washington.uwc.edu.

Community Feedback Results In New Fall Courses

Community feedback has resulted in new fall programs for Continuing Education at UW-Washington County in West Bend. In the personal enrichment category, an Essential Oils 101 class will guide participants in learning the wellness benefits and basics of how to use. For those who dabble in writing, several new classes are now available including, The Art of Creative Writing, Fiction Writing and Digital Publishing. For those nearing or recently retired, A Working Professional's Transition into Retirement class will focus on the emotional changes that go

along with retirement, learning how to cultivate hobbies and rediscover your identity.

Holly Wehrhahn, Regional Director of Continuing Education, applauded the West Bend community response: "We've had numerous requests for more professional niches like emotional retirement and affordable CPR certification as well as requests for writing, themed art, and healthy living courses. With these new course offerings, Continuing Education progresses to be the professional learning and personal enrichment staple to serve in the

southeast region communities of Sheboygan, Waukesha, and Washington County," Wehrhahn said.

To learn more about class dates and times or to register for any of the fall Continuing Education classes, visit the website, washington.uwc.edu/community/continuing-ed or phone 262-335-5208 for a catalog. UW-Washington County is located at 400 S. University Drive in West Bend. The campus offers freshman and sophomore level classes in over 250 majors, providing a local start on a University of Wisconsin degree.

Mental Illness Awareness Week Program

"Is my moody teen just being a teenager, or is there something else going on?" This is a question many parents ask themselves. NAMI Washington County's Mental Illness Awareness Week Program will address those concerns. This free program is scheduled for 7 p.m. on Tuesday, Oct. 3, at the Maurin Center, Lac Lawrann, 300 Schmidt Road, in West Bend. The target audience is parents, grandparents, and other caregivers of school-aged

children and teens.

Attendees will learn common warning signs of mental health conditions that can arise during the upper elementary through high school years. They will learn why addressing a child's mental health early matters, the risks of not intervening, how to partner with schools, resources available through the schools, and resources through NAMI. A mother and her daughter will present their personal stories of how the daughter developed a severe

mental illness while in high school. They will relate how they partnered with the schools to help the young woman to not only recover but to succeed in high school. A resource person from the West Bend Schools will also be available. For further information, contact the NAMI Welcome Center, 262-339-1235. NAMI Washington County is the local affiliate of the National Alliance on Mental Illness.

Give Perennial Gardens A Boost This Fall In Two Easy Steps

By Melinda Myers

Give your perennials a boost this fall with a top-dressing of organic matter. It's a great way to revive tired gardens, improve a garden's overall health, and keep vibrant perennials healthy and blooming at their best.

Research found top-dressing your garden with compost every year or two provides most, if not all the nutrients most perennials need. It feeds the soil, which in turn feeds your plants.

Pull the mulch back if needed. Keep it handy, so you can put it back in place once you finish amending the soil.

Topdressing is the first step in the process. Simply spread a one- to two-inch layer of compost like Hsu Leaf Compost (hsugrowingsupply.com), a 100 percent USDA certified biobased product, over the soil surface. Be careful not to bury the crown of your plants.

You can leave the compost sitting on the soil surface or lightly mix it into the top inch with a hand cultivator. The earthworms, ground beetles and other organisms will move it down into the soil and around the plant roots

soil surface and travel to the root zone.

Return the mulch to the garden or add mulch if needed. Maintaining an inch or two of organic mulch not only conserves moisture and suppresses weeds; it also continues to improve the soil. As the organic mulch breaks down, it adds organic matter and nutrients to the soil.

Investing some time to create and maintain healthy soil goes a long way in making your garden a beautiful part of the landscape.

—Melinda Myers has more than 30 years of horticulture experience and has written over 20 gardening books, including Small Space Gardening and the Midwest Gardener's Handbook. She hosts The Great Courses "How to Grow Anything: Your Best Garden & Landscape in Six Lessons" DVD set and the nationally syndicated Melinda's Garden Moment TV & radio segments.

Myers is a columnist and contributing editor for Birds & Blooms magazine and was commissioned by Hsu Growing Supply for her expertise to write this article. Myers' web site is www.melindamyers.com.
