## Community Gives A Hoot And Supports Local Food Pantry

By Anne Trautner

Tom Knorr could not believe his eyes when he read his email. He immediately called his wife, Barb, to give her the good news.

The Kewaskum Community Pantry was receiving a donation of \$8,485 from the Kewaskum School District. The money was generated from pins and magnets that fourth- and fifth graders had made.

With a theme of "Give a Hoot," the students made pins and magnets from clay in the shape of owls. The pins and magnets were then sold for \$5 each, with all the proceeds going to the food pantry.

Tom and Barb Knorr have been volunteering for the pantry since it started over eight years ago. Time and time again, they have

been overwhelmed by the kindness and generosity of people in the community.

But they still marvel that such small pins and magnets that fourth- and fifth-grade students make can bring in such support.

"I hope they know how much we appreciate what they do and how many people they help by the little thing they do by making pins. Who would think that a \$5 pin would come out with that kind of profit every year?" Barb Knorr said. "It is a wonderful program. Oh my goodness, who would have thought."

Peggy Henke, an art teacher at Kewaskum Elementary School, started the Pins and Magnets program seven years ago.

## Kewaskum Middle School To Present *Junie B. Jones, The Musical*

By Anne Trautner

Abigail Gerhartz grew up reading about Junie B. Jones.

"I read all those books as a kid, so it's really neat to be that character," said Abigail, a sixth-grader who plays the lead character in Kewaskum Middle School's production of *Junie B. Jones*.

"It is a really fun show. You get to pretend like you are yourself, five years back. It is fun to be childish," she added.

The one-act musical tells the story of what Junie B. Jones endures when she begins first grade. The outspoken character is a beloved icon for many of the students in the play.

"She can be quite a troublemaker," explained Abigail.

Fortunately, Abigail was not typecast into the part. She admitted that she usually is well behaved, unlike Junie B. Jones.

"I mean, I have my times," she explained.

Though she is in just sixth grade, Abigail is no newcomer to the theater.

She performed in such shows as *Beauty and the Beast* and *The Little Mermaid* with the Kewaskum Theatre Company.

Kiera McFarlan, an

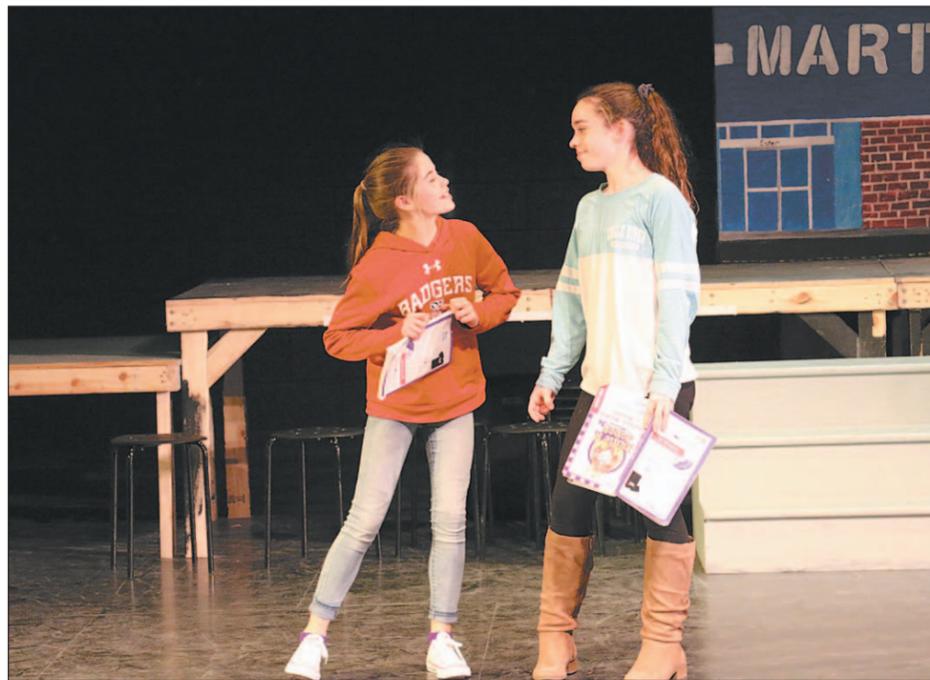

eighth-grader who plays the role of first-grader Lucille, Junie B.'s former best friend, has enjoyed being in the production.

"There are a lot of great people in this show, and it

is really fun bonding with everyone," she said.

It also is fun being part of show that she grew up reading about, Kiera said.

Continued on Page 9

Abigail Gerhartz and Kiera McFarlan rehearse the musical *Junie B. Jones*. The show will be presented in the Kewaskum High School theater on Friday, March 2, at 7 p.m., and on Saturday, March 3, at 1 and 7 p.m. A senior citizen performance will be March 1 at 1 p.m.

## School District To Start Fundraising For Athletic Fields

By Anne Trautner

The Kewaskum School District plans to start a campaign to raise funds for the district's athletic fields.

The fundraising efforts will help support improvements of the Doc Mitchell Athletic Complex, as well as building new baseball and softball fields on school property.

Details of the campaign still need to be decided. At the School Board meeting on Monday night, board members discussed breaking down the fundraising campaign into two areas: business and family/personal donations.

The board would like the fundraising campaign to include sponsorship opportunities with various

tiers, or levels, of giving. Sponsorship could include things such as signage and field naming rights.

The board did not discuss Monday night how much the district needs to raise for the athletic fields. The actual pricing of the projects is not yet known, Superintendent James Smasal said.

Administration is expected to bring back various pricing and sponsorship ideas to the board next month. The timeline for fundraising efforts is unclear for the athletic fields.

"Over the next years, I don't know that there will ever be a timeline that will have a definitive end," Smasal said.

## WASHINGTON COUNTY SHERIFF'S OFFICE REPORT

### OWI Case

On Sunday, Feb. 11, at 12:16 a.m. the sheriff's office received a call reporting a dark colored Ford Explorer was "all over the road," swerving across both lanes of traffic southbound on Interstate 41 from State Highway 28.

Deputies were able to stop the vehicle near County Highway K after also observing erratic driving. Deputies also noted indicators of intoxication and asked the driver, identified as a 27-year-old rural Campbellsport man, to submit to field sobriety testing.

The man advised he was willing to complete the standardized field sobriety tests on scene, but later advised he was cold and requested the tests be completed somewhere warmer. Deputies brought the driver to a local fire station, where the driver then refused to complete any testing or provide a breath sample into a PBT. The driver successfully stalled the inevitable while simultaneously demonstrating that officers try to accommodate; he was taken into custody for operating while intoxicated first offense. He was turned over to the jail for a 12-hour hold.

### Fifth Offense OWI

A 48-year-old Town of West Bend woman remains in custody of the Washington County Jail for fifth offense drunk driving after the sheriff's office received a 911 call about her erratic driving on State Highway 33 on Sunday, Feb. 11, at 12:46 a.m.

The 911 caller reported the woman was driving onto the center median near County Highway Z and then traveling on the wrong side of State Highway 33. Deputies were able to get the driver stopped on Alpine Drive south of State Highway 33.

The driver failed sobriety testing and was arrested and brought to jail.

### Vehicle Accident Report

On Saturday, Feb. 10, at

10:22 p.m. the sheriff's office received a call from a passerby reporting a vehicle in the ditch in the area of County Highway E and County Highway CC in the Town of Polk. Deputies located a vehicle up against a utility pole with minor damage. One set of footprints in the snow was located leading into a wooded area north of the scene.

While deputies were searching the area, the driver's father arrived and indicated his son, identified as a 30-year-old Town of Hartford man, had called family members looking for a ride home, but his cell phone battery died. Since the outside temperature was about 10 degrees, two deputies began to follow the tracks in the snow. During the two-mile hike deputies even located one of the subject's shoes in the snow.

Eventually the driver made phone contact with his family members and indicated he was safe, but was not willing to tell law enforcement where he was. Deputies completed an accident report and multiple citations will be issued.

### Injury Report

On Thursday, Feb. 8, at approximately 8:56 p.m., the Washington County Sheriff's Office received a report of a male employee trapped by a conveyor belt at the Sunburst Ski Area located at 8355 Prospect Drive in the Town of Kewaskum. Washington County Deputies along with the Kewaskum Police Department and members of the Kewaskum Fire Department and West Bend Intercept responded to assist in the investigation and extrication of the person.

An investigation into the incident determined that an employee of the ski area was performing maintenance underneath the conveyor belt when his arm was trapped. Kewaskum Fire Department was able to free the employee who

was transported to a local hospital for treatment of non-life threatening injuries.

### Lost Person

On February 7 at 10:28 p.m., a concerned family member contacted the Washington County Sheriff's Office to report his father, identified as an 85-year-old Town of Polk man, had left a friend's home in the City of West Bend and did not arrive home. The man was last seen at 8:20 p.m. when he stopped and asked for directions at a Village of

Jackson gas station. The family went out searching for the man and contacted authorities.

The sheriff's office sent out a notification to surrounding counties. At 3:03 a.m. a deputy sheriff sergeant located the vehicle entering the Village of Slinger on State Highway 175. The supervisor made contact with the man, who was not injured, and indicated he was "just very lost." The sheriff's office made contact with relatives, who responded to the scene and the man was turned over to family.

### ACTIVITIES AT THE KEWASKUM PUBLIC LIBRARY

The Kewaskum Public Library, 206 1st St. in Kewaskum, is offering the following programs. For more information, contact the library at (262) 626-4312.

#### Newsletter

A library newsletter is now available through email. To sign up to receive the newsletter, visit the library's website at [www.kewaskum.lib.wi.us](http://www.kewaskum.lib.wi.us)

**Check out** five items for a chance to win a gift basket full of Valentine's Day treats.

**Gale Courses** is a free online resource that provides access to exceptional classes on multiple topics of interest including career training programs. We hope you consider exploring the offerings for personal and professional development.

## Letters To The Editor Policy For Elections

We welcome Letters to the Editor, but we do have some rules that apply.

\*All letters must be signed and a telephone number and address included so the writer can be verified.

\*Letters should be concise and to the point. Letters should be limited to 750 words. The editor has the right to publish longer letters chosen on interest, history, merit, and/or relevance.

\*No letters will be printed that are not in good taste, are defamatory or libelous.

\*Letter writers are required to provide any documentation needed to prove that facts and figures used in a letter are correct before the letter can be published.

\*A writer is allowed to write on a particular subject one time only, unless the editor allows additional letters.

\*Candidates for office are not allowed to run letters during the election season. They will all be allowed a chance to get their points to the readers with candidate profiles the Kewaskum Statesman publishes before the election.

\*Letters relating to the election will not be published in the issue right before the election.

\*We do not publish letters of thanks or poetry.

\*No mass-mailed letters or letters from far out of our readership area will be printed.

Send your letters to:  
 Kewaskum Statesman  
 1032 Fond du Lac Ave.  
 Kewaskum, WI 53040  
 fax 920-533-5579

## OBITUARIES

Paul E. Dean

Paul E. Dean, 85, of Kewaskum, was called home on Monday, Feb. 12, 2018, at the Samaritan Health Center in West Bend.

Paul was born on October 19, 1932, in West Bend, the son of the late Paul and Anita (nee Dreher) Dean.

On May 10, 1958, he was united in marriage to Joan Miller at Holy Trinity Catholic Church in Kewaskum. Joan preceded Paul in death on October 28, 2011.

Paul worked for many years as a salesman for Amity Leather in West Bend. In his free time, Paul enjoyed golfing and bowling.

Those Paul leaves behind to cherish his memory include four children, James Dean of Kewaskum, Denise (Michael) Miketnac of Green Bay, David (Linda) Dean of Grafton, and Gregg (Marie) Dean of Brookfield; four grandchildren, Devan, Lauren, Everett (Halle), and Sienna; two step grandchildren, Rebecca and Ruger; five sisters-in-law, Rose Marie Dean of Fond du Lac, Isabelle Straub of West Bend, Clare (William C.) Lehmann, Sharron Miller, and Patricia Miller all of Kewaskum; nieces, nephews, other relatives and friends.

In addition to his wife and parents, Paul was preceded in death by a son, Daniel Dean; his siblings, Joyce (Henry) Kempf, Lloyd Dean, and Thomas Dean; five brothers-in-law, Hugo Straub, Robert, David, Edward J. and Theodore Miller; two sisters-in-law, Sr. Donna Miller O.S.F. and Mary Ellen (John) McElhatton; his mother and father-in-law, Edward E. "Pat" and Mary "Mae" Miller, and his step mothers-in-law, Virginia Miller and Lucina "Lu" Miller.

A prayer vigil for Paul will be held at 7 p.m. on

Friday, Feb. 16, at the Myrhum Patten Miller & Kietzer Funeral Home, 215 Forest Ave., in Kewaskum with Rev. Edwin Kornath officiating. Burial in Holy Trinity Cemetery will be on Saturday, Feb. 17, at 11 a.m.

The Dean family will greet relatives and friends at the funeral home on Friday from 4 p.m. until the time of service.

The family would like to extend their heartfelt appreciation to the Samaritan Health Center and staff for the wonderful care they provided to their father.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Paul's arrangements. Additional information and online guest book may be found at [www.myrhum-patten.com](http://www.myrhum-patten.com).

Marianne Wondra

Marianne Wondra of Ashford passed away peacefully on Sunday, Feb. 11, 2018, at Hope Health and Rehab in Lomira.

She was born in the Town of Byron on August 9, 1930, the daughter of Benjamin and Clara (Hayes) Unferth.

On February 26, 1949, Marianne married Alfred "Fritz" Wondra at St. Martin's Church in Ashford.

She worked at Regalware in Kewaskum for 30 years before retiring and was a member of St. Matthew Catholic Parish-St. Martin's Chapel. She also was a member of the Christian Mothers, the American Legion Auxiliary and the 25 Year Club at Regalware.

Marianne enjoyed traveling, watching baseball, gathering with friends and family and had an amazing penguin collection.

Marianne is survived by her sons Steve of Lomira, Scott (Sharon) of Lomira, Shawn of Campbellsport and Shane (Amy) of Pickett, her daughters

Sheryl (Jerry) Day of Madison and Sally (James) Schrauth of Campbellsport, her grandchildren Kyle (Jody) Wondra, Chad (Julie) Wondra, Christopher (special friend Alicia) Wondra, Dennis (Katey) Schrauth, Kimberly (Jake) Panzer and Katie (Jason) Gruber, eleven great grandchildren with one on the way, her sister Linda (Lloyd) Bonlender of Lomira, many nieces and nephews, other relatives and friends.

She was preceded in death by her parents, husband Fritz on July 29, 1988, siblings and their spouses, Kenneth and Lucille Unferth, Betty and Franklin Schabel, Jenny and Francis Fochs, Earl Unferth and Sandra Soeller.

A Mass of Christian Burial will be held Tuesday, Feb. 20 at 6 p.m. at St. Martin's Chapel, Ashford (N1271 Minnie Lane, Campbellsport). Rev. Mark Jones will officiate.

Visitation will be Tuesday, Feb. 20 from 3 p.m. until time of service at Chapel. In lieu of flowers, memorials are appreciated to Agnesian Hospice or Hope Health and Rehabilitation Center.

The family extends a special thank you to the nurses and staff of Hope Health and Rehab and the Agnesian Hospice for the loving care she received during her time at Hope.

Twohig Funeral Home is serving the family with online guestbook and condolences are at [www.twohigfunerals.com](http://www.twohigfunerals.com).

Mary C. Wiesner

Mary C. Wiesner, 83, a resident of Hope Health and Rehab Center in Lomira, passed away peacefully on Saturday, Feb. 10, 2018, with her nieces at her side.

She was born in New Fane on November 24, 1934, the daughter of Anton and Nora (Wilke) Wiesner.

Mary worked at various canning factories and at Amity in West Bend.

For most of her life, Mary was a member and attended St. John's Ev. Lutheran Church in New Fane.

In her younger years, she raised horses and also chickens. Mary loved music; she played the piano and accordion and was in a senior citizens band. She enjoyed fishing, doing crafts, bird watching and walking thru the woods and parks.

Mary is survived by her sister-in-law Marilyn Wiesner, her nieces Colleen (Charles) Guell and Jean (Kevin) Rach, her nephew Michael Wiesner, great nieces and nephews, cousins, other relatives and friends.

She was preceded in death by her parents, Anton and Nora, and her brother, Marvin Wiesner.

A memorial service will be held Sunday, Feb. 18 at 3 p.m. at the Twohig Funeral Home, 109 W. Main St. Campbellsport. Rev. Mark Eckert will officiate.

Visitation will be Sunday, Feb. 18 from 1 p.m. until time of service at the funeral home. In lieu of flowers, memorials are appreciated to Hope Health and Rehabilitation Center.

The family extends a special thank you to the nurses and staff of Hope Health and Rehab for their care and concern shown Mary over the years.

Twohig Funeral Home is serving the family with online guestbook and condolences are at [www.twohigfunerals.com](http://www.twohigfunerals.com).

Rita Schwinn

Rita Schwinn (nee Mrazik) age 93 of the Town of Farmington, passed away Wednesday, Feb. 7, 2018, at her residence with her husband at her side.

She was born July 6, 1924, to Frank and Agnes (nee Fechter) Mrazik in the Town of Trenton where she was raised.

On June 10, 1950 she was united in marriage to

Willard Schwinn at Holy Angels Catholic Church in West Bend.

Rita was employed at Wisconsin Electric and later at the West Bend Company for 45 years, retiring as the paymaster in 1987. She was a member of the 25 Year Club, the Golden Vagabond Club and the Christian Women's Society at Holy Trinity Catholic Church in Newburg.

Rita loved gardening and seeing things grow. Her kindness and generosity were evident by her willingness to share the fruits of her labor with family, friends, neighbors and nursing homes.

Rita was a hard-working, honest person always busy and on the go. While working at the West Bend Company, she also worked side by side with her husband Bill on the farm. Together they fed the animals, planted crops, baled hay and enjoyed the farm life.

Rita is survived by her husband of 67 years, Willard, her brother Franklin Mrazik and his significant other Dee Kilby. She is further survived by nieces and nephews: Paul (Sarah) Ansay, Bernard (Jeannie) Mrazik, Mary (Robert) Neuman, Gary (Peggy) Furger, Nancy (Jerry) Mehring, Michael (Jimmy Lee Trautwein) Mrazik, Alice (Karl) Johanan, Richard Mrazik, David (Robert Krutke) Mrazik, Jane (Ralph) Bauer, Elizabeth (William)

Ermer and Thomas (Linda) Schwinn, Cole and Jimmy Griffin.

She is preceded in death by her parents, Frank and Agnes Mrazik, two sisters: Dorothy Ansay and Kathryn Furger, two brothers: James Mrazik and Gilbert Mrazik, sisters-in-law Dorothy Mrazik and Florence Mrazik, brothers-in-law Clem Ansay and Ed Furger. One nephew James Furger, two nieces Margaret (Phil) Schmidt and Lin (Pat) Griffin, as well as her husband's siblings: Elmer Schwinn, Arvin (Marian) Schwinn and Delores (Frank) Loichinger.

We would like to express our sincere and heartfelt gratitude to all neighbors, Annie Schneider and the aides at Brightstar.

A Mass of Christian Burial was held Saturday, Feb. 10, at 1 p.m. at Holy Trinity Catholic Church in Newburg, Rev. Kevin Kowalske presided. Burial took place in Holy Trinity Cemetery on Monday at 11 a.m.

The family greeted visitors on Saturday, at the church only from 11 a.m. until 12:45 p.m. In lieu of flowers memorials to Holy Trinity Catholic Church are appreciated.

The Schmidt Funeral Home in West Bend is serving the family. Online guestbook and condolences are available at [www.schmidtfuneral-home.com](http://www.schmidtfuneral-home.com).

Celebrating 49 Years of Quality Home Improvements

## DAYS GONE BY

**5 Years Ago  
February 14, 2013**

Beechwood Cheese will go on the auction block next month. The company, which has been in business since 1894 in the southwest corner of Sheboygan County, filed for receivership in August last year.

A Port Washington man was arrested for suspicion of drunken driving after spinning out of control and hitting another car on Highway 144 Thursday, Feb. 7. According to the accident report from the Washington County Sheriff's Office, the crash occurred about 10 p.m. near the intersection of Highways 144 and 28.

A 22-year-old Kewaskum man was killed following a snowmobile crash Saturday, Feb. 9, in Forest County.

Kewaskum High School social studies teacher Jeffrey Steers achieved his national board certification in Social Studies/History, Adolescents and Young Adulthood.

Roy A. Garbisch, 59, of the town of Auburn, passed away on February 8.

Nicholas R. Giese, 22, of Kewaskum, passed away on February 9.

Eugene H. Anderson, 65, of Dundee, passed away on February 9.

Ann O. Weston, 74, of West Bend, passed away on February 6.

Beverly J. Dettmann, 84, of Madison, passed away on February 3.

Gilbert P. Ultsch, 83, of New Fane, passed away on February 12.

**15 Years Ago  
February 13, 2003**

Kewaskum High School will hold its annual Sadie Snowball Dance on Saturday.

Kewaskum residents were stunned to learn that their only major employer is closing down shop and moving to their neighbor to the south.

Four Town of Auburn residents have decided they would like to take a stab at being the town's clerk. After a 36 year career Camilla "Millie" Butzke has decided to hang up her cap and is not running for another term. Candidates include: Bonnie Berg, Karen Ramthun, Rita Small and Walter Ferber.

Kewaskum resident, Chad Maertz, who was convicted December 19 of attempting forceful abduc-

tion of a child was sentenced Monday to spend 20 years in prison. Maertz was also ordered 10 years of extended supervision. Since the beginning he has maintained his innocence and an appeal is in the works.

St. Lucas School, Kewaskum, would like to introduce their new teacher, Mrs. Karen Yttri.

Linda A. Schoenrock, (nee Benz), 90, of Beechwood died on February 4.

Sophie Kreis, (nee Bichanich), 76 of Sioux Falls died February 6.

Irona P. Butler, 91, formerly of Harmony, went to be with her Lord on February 3.

Frank J. Miller, 24, of West Bend, died on February 5.

Shelby J. Weasler, (nee Bockorny), 65, of West Bend, passed away on February 3.

Virginia E. Moser, (nee Bauer), 72, of West Bend, went to her Eternal Rest on February 7.

**25 Years Ago  
February 18, 1993**

On January 31, 1993, Chad Trzecinski of Troop 744, Kewaskum, received his Eagle Scout Award.

The four Kewaskum wrestlers who made it through the Regionals will now set their sights on the Sectional competition to be held here this Saturday.

Good luck at the Sectionals: Josh Kurtz, Mark Dziedzic, Todd Muckerheide, Chad Muckerheide.

Senior Sandra Schmidt, daughter of Jim and Gwen Schmidt, has been named as the Kewaskum Board of Education's February Student of the Month.

Marcella Beisbier became the proud grandmother of Jessica Erin Beisbier, a newborn daughter of Gerald and Linda Beisbier, living near Eden on February 1, 1993. On the same day, February 1, 1993, Marcella became the great-grandmother of Alexander Edwin Buehler, the grandson of Cornelius and Evelyn Beisbier of Kewaskum, and the newborn son of Edwin and Patricia Buehler of Stevens Point.

With the "same day" arrival of both "new additions", Marcella, 80, a resident of Kewaskum for nearly 12 years, is now the mother of 12, the grandmother of 60, and the great-grandmother of 61.

A daughter, Kelsey Jo, to

Buffy and Mike Goslinowski of Kewaskum on February 9.

A son to Patti and Matthew Gradinjan of Campbellsport on February 6.

A son to Christine and Jeffrey Kofler of Theresa on February 6.

Earl W. Manthei, 61, of Campbellsport, died February 9.

Mary E. Jacklin, (nee Degner), 52, of West Bend, died February 8.

Edna M. Wrzesinske, 76, of Fond du Lac, died February 9.

Iremina C. Schairer, (nee Linden), 73, of St. Lawrence, died February 9.

Robert Kreif, 47, of West Bend, died February 12.

Lyle Lester Burnett, 80, of Fond du Lac, died February 13.

**50 Years Ago  
February 16, 1968**

The Kewaskum Fire Department's newly purchased 1967 Chevrolet ambulance to replace the former 1950 model was recently put into use. Because of an increase in the number of calls and added duties, the ambulance service has been kept busy. Therefore, better, more dependable and modern equipment was necessitated. The new ambulance and equipment was purchased for approximately \$5,000 with funds raised wholly from the annual summer picnic sponsored by the firemen and from funds collected on patient calls. The volunteer fire department started the ambulance service 18 years ago. Kewaskum was the first fire department in Washington County to offer a service of this kind, during the time when Harry J. Schaefer served as fire chief.

Chief Armin Oppermann reported this week that the Kewaskum Fire Department answered 31 calls during 1967, 13 of which were in the village and the remaining 18 in surrounding townships. Only two of the fires were serious, one of them at the Gerald Stoffel farm in the Town of Kewaskum, where a large hay storage barn was destroyed on August 3, and the other at the rural home owned by Lee Honeck, west of the village which was gutted by fire last winter. The worst blaze in the village was at the Lee Fellenz home on First Street on June 2, when damage amounting to

\$1,036.46 was caused by fire.

Boys who climbed to the pinnacle of scouting and attained eagle rank during 1967 were honored along with their parents and scoutmasters last Wednesday evening in Fond du Lac. The 19 award winners were special guests at the annual Badger Council of Boy Scouts eagle recognition dinner at the 101 Club. Nine of the 19 Eagle Scouts are from Kewaskum. They include Kenneth Ogi, Explorer Post 44, and the following members of Troop 44: Stuart McEwen, Kenneth Kreif, James Staehler, Brian Hron, James Gnacinski, Glen Staehler, Charles Gross and John Milewski.

Three Kewaskum Indian wrestlers survived WIAA regional tournament competition at Port Washington over the weekend to qualify for the sectional meet at Brown Deer this Friday night and all day Saturday. Sectional winners will advance to the state meet. The three Kewaskum matmen who qualified for the sectional were: Chuck Bindrich, the Indians' undefeated ace, now 21-0 for the season, who beat Brochman of Cedarburg, 5-4 at 165 pounds; Leo Gundrum, runnerup at 127 pounds, bowing to Schmidt of Port, 10-0, and his brother, Tom Gundrum, runnerup at 180 pounds, losing finally to Watry of Port, 11-5.

**75 Years Ago  
February 19, 1943**

Mr. and Mrs. Elwyn Romaine received word recently from the Americanism-legislative chairman of the order of the Purple Heart that the military order of the Purple Heart, limited to those members of the Armed Forces who have been granted the meritorious service citation or who have been wounded in action against the enemy in any war, will be awarded posthumously to their son, Robert G. Romaine. The Romaines were informed last November 9 by the Navy department that their son, a second class seaman in the U. S. Naval Reserve had been killed in action somewhere in the Atlantic while aboard an armed merchant vessel "in the performance of his duty and in the service of his country." His death was the first casualty of

Washington County in the present war. The Purple Heart will be presented to Seaman Romaine's parents in the near future. Bob is the first Kewaskum man and as far as we know the first Washington County man to be awarded the Purple Heart.

George and Tillie Bauer, who operated the Marine Bar in the Skupniewitz building since last July, have left Kewaskum and have gone to Campbellsport, where they have been engaged by the former's brother, Ed. M. "Mush" Bauer, world's largest bartender, to operate his tavern and motel business. George has been at Campbellsport for several weeks, during which time Tillie Bauer operated the tavern here. She left for Campbellsport last Thursday. The Bauers still have charge of the Marine Bar and they have engaged Mr. and Mrs. Mike Skupniewitz, owners of the building, to manage the business temporarily until another manager can be secured or until further arrangements can be made. Mr. and Mrs. Mitchell, brother-in-law and sister of "Mush" and George Bauer, who formerly managed the business at Campbellsport, have gone to Plymouth where they have taken over the former Laack hotel and tavern.

A daughter was born to Mr. and Mrs. Joseph Staehler of St. Michaels born at their home on February 19.

A son was born to Pvt. and Mrs. Wesley Kuehl of Kewaskum at the Maternity Hospital in West Bend on February 11. Pvt. Kuehl is stationed at Camp Gordon Johnston, Florida. Mrs. Kuehl, the former Adelyne Fellenz, is residing with her parents, Mr. and Mrs. Philip Fellenz, while her husband is in service.

Ralph J. Marx, son of Mr. and Mrs. John Marx, has been transferred from Camp Gordon Johnston, Florida to Fort Benning, Georgia, where he now is attending officers' training school. With the transfer, he was promoted from a private to the rank of corporal. Only recently Cpl. Marx was transferred to Camp Gordon Johnston from Camp Livingston, Louisiana with a group including a number of Kewaskum boys, all of whom had been together since entering service.

**100 Years Ago  
February 23, 1918**

Elmer Eberhardt of the West Bend Motor Co., was a caller here Sunday. Nothing out of the ordinary, you may say, but Mr. Eberhardt made the trip from West Bend over here in a rebuilt Ford runabout, and considering the fact that the country roads are in condition at present that makes it a hard task for a good team of horses to travel, we must take our hat off to the man that dares to venture over the highways in an automobile at the present time. The machine in which Mr. Eberhardt made the trip was rebuilt at the company's service station at West Bend with the axel cut down to a 36-inch thread making it the same size as ordinary sleigh runners, and thus allowing the car to remain in the tracks of those made by the horses and sleighs.

In our issue of February 9th, we stated that there was a baby boy born to Mr. and Mrs. Andrew Martin at Wayne. This was untrue and we hereby wish to correct the error.

A baby girl was born to Mr. and Mrs. John Stellpflug of Kewaskum last Sunday.

A baby girl was also born to Mr. and Mrs. Fred Kempf of New Fane on February 6.

A baby boy was born to Mr. and Mrs. Henry Oppermann of New Fane last week.

**Weekly  
HEALTH TIP****GOOD NEWS FOR  
EGG LOVERS**

For a time, eggs were given a bad rap because of their high cholesterol, but recent studies appear to have exonerated the egg. Research has found the cholesterol in eggs has little effect on blood cholesterol. Also, a recent study followed middle-aged men without dementia for 22 years. They were given cognitive tests and surveys about their diets. There was an association between higher egg consumption and better scores on a number of cognitive function tests. The study also showed no increased risk of dementia for egg eaters. Other research also found that people who ate about 7 eggs a week have a 12% lower risk of stroke than those who ate fewer than 2 eggs per week.

**Saturday, Feb. 24** - Tapping The Sugar Bush. Help us prepare for the sugarin' season by tapping the maple trees in Riveredge's sugar bush. We need people to drill the holes, tap in the spiles and hang the buckets. When it's maple sugarin' time, spring can't be far behind. Cost \$5 per non-member, Free for all members. Pre-registration required. 1-2:30 p.m.

**Saturday, Feb. 24** - Children's Library Storytime - How Groundhog's Garden Grew. Drop in for this delightful, volunteer led story hour. All families welcome. Little Groundhog, in trouble for stealing from his friends' gardens, is taught by Squirrel to grow his very own. Free, but please pre-register. 10-11:30 a.m.

**Saturday, Feb. 24** - Maple Sugaring for Fun and Profit. Maple sugaring on a small scale is a great way to welcome spring. It's easy, fun and a great educational activity. Even with just a few trees, you can make enough syrup for gifts for friends and family. Cost: Non-members \$15; Riveredge members: \$10. 9:30-11:30 a.m.

**Friday, March 2** - Maple Syrup Supper. Members and guests are invited to eat, drink and be merry while learning more about the sugaring season. Menu includes Maple Baked Pork Loin Roast, Roasted Potatoes, Maple Roasted Beets, Tossed Green Salad and Vanilla Ice Cream topped with Maple Granola and a drizzle of maple syrup. The first beer, wine, or soda is free. The band Embedded Reported with entertain. After dinner will be a special night-time visit to the evaporator to see where and how the maple magic happens. Cost: Adults \$20, Children 12 and under \$10, Children 3 and under free. 5:30 p.m.

**Saturday, March 3** - Maple Syrup Supper. Members and guests are invited to eat, drink and be merry while learning more about the sugaring season. Menu includes Maple Baked Pork Loin Roast, Roasted Potatoes, Maple Roasted Beets, Tossed Green Salad and Vanilla Ice Cream topped with Maple Granola and a drizzle of maple syrup. The first beer, wine, or soda is free. The band Embedded Reported with entertain. After dinner will be a special night-time visit to the evaporator to see where and how the maple magic happens. Cost: Adults \$20, Children 12 and under \$10, Children 3 and under free. 8:30 p.m.

## An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

**Thursday, Feb. 15** - An Evening with Nature: The First 12,000 years of Native American History. With Herman Bender, independent researcher and writer, delve into first 12,000 years of Native American history of the upper Great Lakes area from the end of the Ice Age to the very beginning of European contact. This includes pre-historic climate change, early migrations, and transforming artifact styles from petroforms and mounds to other cultural/landscape traits. This program is most appropriate for people over the age of 12 years. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 7-8:30 p.m.

**Friday, Feb. 16** - Moon Faces Nature Storytime. Has the moon ever smiled at you? Come uncover the many faces of the moon. This hour of nature fun awaits 3 to 6 year olds with accompanying adults. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 9:30-10:30 a.m.

**Saturday, Feb. 17** - Read and Explore. Drop in to read a book about tracking animals with a caring adult. Afterwards, head outside to explore for animal tracks and the stories they tell. This is a great opportunity for early elementary students to practice their reading skills. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 1-2:15 p.m.

**Friday, March 2** - Blowing Winds Nature Storytime. Spring winds blow away the last of winter's cold and snow. Have some fun as we learn why the wind blows and what's blown by the wind. This hour of nature fun awaits 3 to 6 year olds with accompanying adults. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 9:30-10:30 a.m.

*All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.*

# Common Ground Healthcare Cooperative Adds To Executive Team

Common Ground Healthcare Cooperative (CGHC), a fast-growing, nonprofit health insurance cooperative, announced the following additions to its executive team:

- CGHS welcomes **Toni Bonde** as its new chief operating officer (COO). Bonde came to CGHC with over 25 years of healthcare and health insurance experience spe-

cializing in the areas of operations and IT consulting for public and private sector clients. Bonde is an expert in the design, development and implementation of business and technology solutions and policy, and has in-depth experience with the Affordable Care Act (ACA) and the public exchange marketplaces.

As COO, Bonde will lead CGHC's claims, enrollment and billing and

member services departments. Bonde received her Bachelor of Science in political science and Masters in public policy. Her education combined with years of experience allows Bonde to provide insight to promote efficiency and quality in company operations.

-CGHS welcomes **Mark Xistris** as its new chief administrative officer (CAO). Xistris has over

two decades of experience working closely with healthcare providers, developing strategic and innovative provider relationships with the goal of achieving improved cost and quality outcomes for patients. Xistris has in depth knowledge of managed care contracting and health care analytics. He has served on the Board of Directors of the Wisconsin Health Information Organization, Wisconsin's all-payer claims database, from 2005 to 2017 and currently serves on the Board of Directors for Access Community Health Centers, a Federally Qualified Health Center and safety-net provider in Madison and other southern Wisconsin communities.

As CAO, Xistris will lead CGHC's information technology, business analytics and provider relations functions. Xistris most recently served as the Vice President of Provider Relations at Wisconsin Physicians Service Health Insurance Corporation (WPS). During his career, Xistris has also worked for UW Health and The Alliance, a Madison based cooperative, where he was responsible for the provider relations, cost and quality measurement, and business development functions. He earned his Bachelor of Science in Accountancy from Arizona State University, and

Master of Accountancy with a Health Care Fiscal Management concentration from UW-Madison School of Business.

-**Tom Lawless** was recently promoted to Chief Financial Officer after a 26-year career working in both the public and nonprofit sectors to deliver high quality and cost-effective health care and long-term care services to vulnerable populations. Lawless brings expertise in data warehousing and analysis, financial analysis and forecasting, budgeting and resource planning to the CFO position.

Lawless previously served as the company's vice president of information services and business analytics, where his dedication to the company's mission and his leadership skills helped CGHC grow exponentially in 2018.

-**Dr. David Plocher**, a board-certified internist, was recently promoted to Chief Medical Officer. Plocher has had experience in a variety of health care leadership roles within health insurance companies and hospital systems. One of his many noteworthy achievements includes his pioneering efforts to create one of the first nationwide Centers of Excellence networks of facilities with the highest organ transplant survival rates.

Most recently, Plocher

served as the chief medical officer at Blue Cross Blue Shield Minnesota where he played a key role in helping the organization work towards financial stability. He has also served as the vice president of Optum and partner at Ernst and Young, a private professional services firm where he worked to save costs for several health systems.

CGHC provides health insurance to thousands of small businesses, nonprofits, individuals and families living and working in eastern Wisconsin. As a nonprofit, member-governed cooperative, CGHC is committed to changing the health insurance experience through open dialogue, powerful advocacy and the delivery of trusted and understandable information to members and stakeholders.

CGHC's headquarters are based in Brookfield, Wisconsin and its products are available in 19 Wisconsin counties including Brown, Calumet, Door, Fond du Lac, Kenosha, Kewaunee, Manitowoc, Marinette, Milwaukee, Oconto, Outagamie, Ozaukee, Racine, Shawano, Sheboygan, Walworth, Washington, Waukesha and Winnebago counties. # 2018 Conservation Poster Contest Announces Winners

"Watersheds - Our Water, Our Home" was announced last fall as the 2018 National Conservation Poster Contest theme. Open to all public, private and homeschooled students in grades K-12, children had the opportunity to express their artistic talents with more than just words. Washington County Land & Water Conservation received nearly 300 posters from eight county schools. First place winners will receive a medal, a gift card and an

art supply, while all second and third place winners receive medals and art supplies. All top finishers of each category, and their teachers, are also given a 2018-2019 school calendar highlighting a winner each month. The Southeastern Area competition will be held in February, with opportunity for advancement to State (March) and Nationals (December)! The following students were county winners: Kindergarten through first grade winners were:

first place - Liam Bierter, first grade, Holy Angels (Hofschulte); second place - Miah Blazek, first grade, Plat (Kostuch); third place - Gianna Reisweber, first grade, Holy Angels (Hofschulte). Second through third grade winners were: first place - Addison Melzark, second grade, Holy Trinity (Hofschulte); second place - Tristyn Makowski, second grade, Plat (Kostuch); third place - Sadie Krogman, third grade, Richfield (Kostuch). Fourth through six grade winners were: first place - Riya Kalluvila, fifth grade, Richfield (Kostuch); second place - Rebecca Sherman, fifth grade, Richfield (Kostuch); third place - Paige Boden, fourth grade, Allenton (Schuett). Seventh through ninth grade winners were: first place - Becca Stoeckmann, eighth grade, St. Kilian (Cain); second place - Jessica Schoettel, eighth grade,

St. Kilian (Cain); third place - Katherine Peters, eighth grade, St. Kilian (Cain). Tenth through 12th grade winners were: first place - Haley Ehn, 12th grade, WB West (DeLain). A watershed is land that sheds water. Water from rain or snow can flow over the land it falls on. The water can flow to a river, lake, stream or ocean. All of the water under or draining off of a particular watershed goes into the same place. Watersheds come in all shapes and sizes. They cross county, state and national boundaries. Some are millions of square miles, others are just a few acres. Homes, farms, ranches, forests, small towns, big cities and more can make up watersheds. You and everyone you know lives in a watershed. We share the water in our watershed with other people, with animals and with plants.

<b>Thursday:</b> Whole Grain Spicy Chicken Sandwich, Potato Wedges, Fresh Baby	

## Continued From... KMS To Present *Junie B. Jones, The Musical*

"I would read it every night before I went to bed. I had my own little journal that was just like Junie B. Jones," Kiera said.

Like Abigail, Kiera is no stranger to the theater. She has performed with the Missoula Children's Theatre and was in the middle school musical *Honk!* last year.

Andrew Dahlberg, who is directing the musical, said that the show offers the students a good introduction to the theater. The students learn what the theater is all about and learn what it is like to be on stage.

Even the scripts help the students learn about theater. A glossary is located in the back of the scripts so that students can learn the theater lingo, things like stage right and stage left.

Since the show is a musical, it allows the students to learn if they like singing and dancing, or if they prefer an acting role.

"This way by the time they get to high school, they can choose which things they want to do. If they don't like the singing part, they can get a part that doesn't have singing. If they like the music part, then they can have music," Dahlberg said.

High school students have been involved with the show as well. The

Kewaskum High School Drama Club has helped with props, lighting, choreography and directing the show.

"It's fun to help the middle school kids, but you wish you were up there with them," KHS student Matthew Krautkramer said.

"I think the high school kids are learning that there is a lot more that goes into a show. Being on the production side of it, there just is a lot to do and not a lot of time to do it," Dahlberg said.

The one-hour show is family friendly.

"It is like the book," he said. "The book is for elementary school kids, and so is the show."

"I think the audience will like it. There is a lot of humor in it with the characters," Abigail added.

### The Cast

Junie B. Jones: Abigail Gerhartz  
Daddy: Logan Weyer  
Mother: Alexia Polzin  
Tickle the dog: Josie Volesky  
Lucille: Kiera McFarlan  
Camille: Melody Humphreys

## FEATURE BUSINESS OF THE WEEK

### Tuttle Creek Learning Center, Inc.

Tuttle Creek Learning Center, Inc. is proud to be in business for over 18 years. After purchasing the established center in 1997, Mike and Audra Beyer began molding the business, adding their own unique touches and continued the growing process to accommodate the communities changing needs. Over the past 15 years an infant, toddler and two year old room have been added to the already existing preschool room at the main site, as well as adding before and after school programs in Kewaskum Elementary School and Farmington Elementary School. They have been providing quality childcare for Kewaskum and the surrounding area for over 18 years, while continually improving and adding new features!

Audra brings 27 years of experience to the business and the Administrator, Shelly Marx, brings 23 years of experience. Along with them, there are 10-14 employees depending on the time of year. Mike and Audra Beyer are supportive of their staff going back to school through funding in conjunction with TEACH.

Thank you to all of the parents who have shared their precious children with us! We feel truly blessed to have met each and every one of you. We look forward to many more years of helping your children grow!

## CAMPUS NEWS

**– Butler University**

Nicole Henrich, an International Business major from West Bend, has been named to the Dean's List at Butler University in Indianapolis for the fall 2017 semester.

Any degree-seeking undergraduate student earning at least 12 academic hours of grade credit in a given semester may be placed on the Dean's List of the college of enrollment if the semester grade point average is in the top 20 percent of all eligible students in that college. Courses taken under the pass/fail option do not count toward 12 academic hours of grade credit.

**The University of Alabama**

Rebekah Blakley Trigg of Kewaskum received the following from The University of Alabama: Bachelor of Science in Human Environmental Sciences.

UA awarded some 2,077 degrees during winter commencement Dec. 16.

**DePauw University**

DePauw University congratulates David Rosene, from West Bend, on being named to the Fall 2017 Dean's List. Rosene was among 766 students named to the Fall 2017 Dean's List. The Dean's List recognizes students who achieve a semester grade point average of 3.5 or higher on a 4.0 scale.

**UW-Platteville**

The University of Wisconsin-Platteville celebrated nearly 300 students who earned perfect 4.0 grade-point averages to earn Chancellor's List honors.

Included on the Chancellor's List were the following local students from Campbellsport:

Christian Dorst, Elementary Education  
Kyle Samann, Civil Engineering.

The University of Wisconsin-Platteville awarded diplomas to approximately 550 graduates after the fall 2017 semester.

The College of Business, Industry, Life Science and Agriculture ceremony was in the morning of Dec. 16, while students in the College of Liberal Arts and Education and the College of Engineering, Mathematics and Science graduated in the afternoon. The day marked UW-Platteville's 199th commencement ceremony.

Included among the graduates were the following local students:

**Campbellsport:**  
Christian Dorst, Elementary Education  
Jared Luedtke, Mechanical Engineering

**This Is Your  
Hometown  
Paper!**

Matthew Osgood, Mechanical Engineering

**Kewaskum:**

Sarah Peterson, Agricultural Business and Animal Science  
Devon Sanborn, Civil Engineering

**West Bend:**

Zachary Anderson, Criminal Justice  
Patrick Budoff, Electrical Engineering  
Joshua Fritz, Industrial Technology Management  
Sarah Herman, Engineering Physics

**UW-Stout**

The following students from the area have received the University of Wisconsin-Stout Chancellor's Award for the fall 2017 semester.

The award is presented to students who have a grade point average of 3.5 or above.

**Campbellsport:**

Alex Lutz, BS technology education  
Hannah Mrochinski, BS psychology

**West Bend:**

Tyler Bodart, BS construction

Nicholas Casper, BS construction

Brian Dassow, BS applied mathematics and computer science, BS computer engineering

Andrew Mecus, BS supply chain management

Keegan Motzkus, BS Cross-Media Graphics Management, BS information and communication technologies

Bradley Rindfleisch, BS Health Wellness & Fitness  
Hannah Schenk, BFA Game Design & Development-Art

Courtney Schmitt, BS apparel design and development, BS business administration

Andrew Schraufnagel, BS engineering technology

Jacob Skrobis, BFA Game Design & Development-Art

Brodrick Slaughenhoup, BS construction.

**Drake University**

The following local students have been named to the Dean's List at Drake University in Des Moines, Iowa. This academic honor is achieved by earning a grade-point average of 3.5 or higher during the fall 2017 semester at Drake.

Meghan Walters, West Bend.

**Concordia University, Nebraska**

Sarah Benz of Campbellsport and the University A Cappella Choir from Concordia University, Nebraska, will travel to Kansas, Oklahoma, Texas and Louisiana for its annual tour on March 2 - 11. The choir will conclude the tour with two local-area concerts on Sunday, March 18 at 2 p.m. at St. Thomas Aquinas (Newman Center) in Lincoln and at 7 p.m. at St. John Lutheran Church in Seward.

"The A Cappella Choir strives to perform music at

a high artistic level - music which inspires, instructs and entertains the listener," said Dr. Kurt von Kampen, conductor. "But the mission of the choir goes beyond mere artistry. The University A Cappella Choir exists to proclaim the Gospel of Christ in song and to honor God with the musical talents the students have been given."

The internationally acclaimed choir will perform concerts at churches and schools in nine cities on their ten day tour. Concert sites include Holy Trinity Lutheran Church in Edmond, Oklahoma; Trinity Klein Lutheran Church in Spring, Texas; Trinity Downtown Lutheran Church in Houston, Texas; St. Paul Lutheran Church in Austin, Texas; Crown of Life Lutheran Church in San Antonio, Texas; St. John Lutheran Church in Lake Charles, Louisiana; Faith Lutheran Church in Plano, Texas; Holy Cross Lutheran Church in Wichita, Kansas; First Lutheran Church and St. John's Lutheran Church in Topeka, Kansas.

The choir performs full-length concerts, school assemblies and church worship services. The repertoire of sacred and secular choral compositions spans all historical periods and is representative of many cultures. This year's concert features choral music by Johann Pachelbel, Felix Mendelssohn, Samuel Barber, Robert Lucas Pearsall, Anthony Bernarducci, Gwyneth Walker, Eric William Barnum and others.

The A Cappella Choir has toured the country each year and internationally approximately every four years since its inception in 1939, performing throughout Europe, the Middle East, Australia, Asia and Mexico, and most recently, South Africa. It has also participated in international choral festivals in Australia and Austria, placing first and third respectively while under the direction of Dr. von Kampen.

Von Kampen earned a bachelor's degree in music from Concordia University, Nebraska, a master's degree in choral conducting from Oakland University and a doctorate in choral music education from the University of Nebraska.

Admission to the concerts is free. Free-will offerings will be taken at evening concerts to help defray tour expenses.

The United Way of Washington County collected more than \$1.5 million in 2017 to help people in the community. ## United Way Of Washington County Announces Record-Breaking Campaign Results

More than 200 donors and volunteers attended United Way of Washington County's Team Celebration at the Prairie Center on February 1. The event highlighted the 2017 United Way campaign, which was led by Kevin Steiner, president and CEO of West Bend Mutual Insurance.

Following a rousing performance by the West Bend High School Drumline, Steiner announced that United Way of Washington County exceeded their 2017 fundraising goal, bringing in \$1,550,326 for local health and human service programs.

"This has been a real team effort," Steiner said. "Community means more than just living in one area. It's about bringing people together to improve people's lives. We are fortunate to live in such a generous and caring community. Thank you to everyone that made this campaign a success. It has been an honor to serve my neighbors."

Since 2010, United Way of Washington County's campaign giving has increased by 43 percent. This year's fundraising total also tops the organization's previous record, set in 2016, by 6.96 percent.

Kristin Brandner, executive director, addressed the donors and volunteers in attendance, saying, "You can take pride in knowing that the funds you provide United Way will deliver meaningful and results-driven programming throughout our local

community. Because of your hard work, generosity, and dedication, our local United Way can continue to grow its impact and improve more lives and community conditions."

United Way of Washington County invests in more than 25 prevention and intervention programs that improve Education, Financial Stability, and Health. Funds are allocated by panels of community volunteers. Program applications are evaluated based on alignment with United Way goals and focus areas, and strength of outcome results.

In addition to the record-breaking total, United Way shared the following campaign highlights:

- Menasha Packaging had the highest percentage increase at 566%.

- Delta Defense had the highest dollar increase, raising more than \$50,000 in new employee and corporate giving.

- West Bend Mutual Insurance topped \$300,000 in corporate and employee giving for the first time.

- There was a 9 percent increase in participation at the Leadership Level (Individuals giving over \$1,000).

- 37 Pacesetter companies held early campaigns and raised over \$619,000.

- With a dollar-for-dollar match from West Bend Mutual Insurance, Emerging Leaders (age 40 and under) raised more than \$82,000.

Local companies with a

giving total of \$10,000 or more were highlighted as part of the Leaderboard:

- Affiliated Clinical Services
- BMO Harris Bank
- Broan
- DACO Precision-Tool
- Delta Defense
- First National Bank of Hartford
- Froedtert & the Medical College of Wisconsin
- Kerry
- Kewaskum School District
- Legendary Whitetails
- Manitou Americas
- Maysteel
- Menasha Packaging
- R & R Insurance Services
- Serigraph
- Washington County Employees
- Wendorff Companies - Hartford Finishing, Snow-Way, and Steel Craft
- West Bend Mutual Insurance
- West Bend School District
- Wisconsin Energy Foundation

The event concluded with the announcement of 2018 United Way campaign leaders: Joe Fazio, Tom Hopp, and Kevin Volm of Commerce State Bank.

"We are so excited to have not only one campaign chair this year—but a trifecta of leaders," Brandner said. "Joe, Tom, and Kevin are already so involved throughout our community; United Way will definitely benefit from their leadership and support."

The 2018 United Way campaign begins this fall.

## Salem UCC Celebrates Mardi Gras

The Salem United Church of Christ in Wayne appreciated everyone who came out to the all-you-can-eat Mardi Gras Chili and Soup Brunch on February 11. The church also enjoyed an unexpected visit from Rep. Jim Sensenbrenner and two of his aides, Joseph Bates from the Brookfield District

Office and Christopher Krepich from the Washington, D.C., Office.

Dining to classic New Orleans jazz, attendees chose from meat chili with or without noodles, vegetarian chili, wild rice and vegetable soup, and French onion soup; many people tried several selections. Bake sale items

ranged from sweet breads and cookies to brownies, bars, cupcakes and cakes.

Basket raffle winners were Russell Coulter, Phyllis Faber, Jim Gutjahr, the Rev. Ruth Hansen, Kathy Mertz, Joe and Linda Lidington, Darleen Rochwite, Luan Sabish and Carole Zehren. Raffle basket sponsors included:

Coulter Century Farms, Wendi Dreher and Hair on Main, Gateway Cafe, Grand Larsony, Pastor Ruth Hansen, Carol Maul, Kewaskum Piggly Wiggly, Luan Sabish, Sandpiper Inn, Village Flower Shoppe and the West Bend Elevator.

Kewaskum Boys and Girls Club enjoys Lego Adventures. Lego Adventures is a program that is run by Boys and Girls Club staff that explains how buildings are built and the different ways to build them. Boys and Girls Club members are pictured having a great time building their own home.

St. Lucas Lutheran School in Kewaskum participated in the McFarland VEX IQ Robotics Tournament on February 2 and took home a Judges Award trophy. Only two of 16 teams were honored with this prestigious award. St. Lucas also qualified for the 2018 Wisconsin VEX IQ Middle School State Championship, which will be held May 4 at the Milwaukee School Of Engineering. Congratulations to the St. Lucas robotics students. Pictured are: (from left) Ian Janz, Caleb Zima, Emmett Homuth, Bill Ryno (REC director), Braedan Cerny and Nicolai Jenkins.

**School District To Start Fundraising Campaign For Athletic Fields**

Money raised from the fundraising campaign will be added to money that the School Board already approved for the athletic fields.

On January 22, the School Board unanimously approved spending up to \$1.2 million on a new baseball field and a new softball field on school property. The baseball infield, which will be covered with synthetic turf, will be located where the current middle school stands, with the outfield extending east toward the Milwaukee River. The softball field will be situated just south of the baseball field.

On October 9, the School Board unanimously approved spending up to \$1.4 million the Doc Mitchell Athletic Complex. That project will include installing artificial turf on the football field, resurfacing the track and adding additional bleachers.

The football field already has some funds coming its way. The Kewaskum Booster Club voted at its October 16 meeting to give \$2,000 per year up to \$20,000 as long as the Booster Club is fluid.

On Monday night, the School Board discussed presenting the fundraising possibilities to businesses within the district as well as to businesses outside the district, where residents work.

"Whatever we do, we

need to go all in. I think as board members we need to take an active role. We could each take five names to get this off the ground. I would be comfortable with that if everyone else is," School Board President Troy Hanson said. "It takes momentum to get these work."

Smasal said that the fundraising campaign would need to be driven by board members.

"We [the district] are not built for fundraising. That is not what we do here, so we are going to really need your help if you want to hit this hard," Smasal told the board Monday night.

The school's fundraising campaign is separate from the one that is currently underway by the Kewaskum Athletic Association and the Kewaskum Youth Soccer Organization. Those two nonprofit organizations recently started a campaign to raise funds to build soccer and baseball fields at Reigle Family Park in the Village of Kewaskum.

In other matters Monday night, the School Board discussed:

**Capital Project**

The capital project, which entails building a new middle school and updating the current high school, is running on schedule, Smasal said.

In March, the tech ed department will move from its current location in the high school to the new building so that work can begin on the new middle school gym floor.

The district plans to offer more tours of the new facility once the weather become milder and there are roofs on the new building areas, Smasal said.

In addition, Doug Franzen, facilities director for the district, plans to provide a tour for students from the middle school and high school who are interested in the construction business.

During the capital project discussion, School Board Member Tim Ramthun asked what the status was of the preliminary approval the district had received from the Wisconsin Department of Natural Resources for the baseball field.

Smasal replied that a DNR representative had walked the area with members of the school district and indicated that the DNR would approve the permit if the school district does what it says it is going to do. The DNR won't give final approval until the work is complete, Smasal said.

**New Furniture**

As part of the capital project upgrades, representatives from Emmons Business Interiors (EBI) presented furniture

New furniture in Kewaskum Middle School's library and gathering spaces will feature flexible seating that can be easily reconfigured.

image submitted

options for both the middle school and high school to the School Board Monday night. Designers have been working with Kewaskum Middle School Principal Julie Skelton to develop the color scheme and appropriate furniture.

With "soft" seating covered in vinyl, the furniture palette provides splashes of retro shades of avocado green, rust orange and steel blue. Tones of grey, black and brown also will be used in carpeting and furniture.

The middle school library will feature curved bookcases and tables made of various shapes that can be easily

rearranged to meet different needs. Gathering spaces throughout the new school will include flexible seating that can be easily reconfigured.

For the cafeterias in both the middle school and high school, designers wish to create a coffee shop look to make the space more inviting for students. In addition, movable chairs and tables will be more user friendly than traditional fold down tables with attached benches, explained Kevin Dillon of EBI.

The board also looked at proposed furniture options for both students and staff at both schools.

**Early Graduation**

Kewaskum High School Principal Scott Stier reported to the board that there are 21 students

graduating early this year from Kewaskum High School. Of those, seven have reported they are joining the job force, one is joining the military, four have apprenticeships, one is continuing in college courses already started and eight indicated they will attend college in the fall. The district will continue tracking those students in the future.

The plan for the new library in Kewaskum Middle School includes comfortable seating that can be rearranged to meet different needs.

SPORTS

# Wrestlers Hit The Jackpot; 10 Place First Or Second And Team Moves On To Sectional

By Judy Harlow

With four first places and six seconds, the Kewaskum High wrestling team easily turned back Campbellsport in the battle for the championship of the Division 2 regional tournament hosted by Waupun on February 10.

Kewaskum piled up 258.5 points to earn a spot in the D-2 team sectional which was held at East Troy on February 13, while Campbellsport, which scored 232.5, had to be content with sending eight athletes to the Cedar Grove Sectional.

"We had a great weekend!" KHS coach Scott Rhoads said about his team's victory, explaining he preached the importance of posting pins the entire week, and the Indians "soaked up the information," getting a total of 14 and one technical fall which helped them win the tournament.

Getting to team sectional and team state — if the Indians can win two matches at East Troy — have been goals since the start of the season.

Ten Indians will be going to Cedar Grove in their bids to earn trips to the individual state tournament.

KHS junior 106-pounder Nathaniel Droese got the finals off to a good start for with a win over Roman Skorupa of Campbellsport in one of the best matches of the night. Droese's escape gave him a 4-3 victory by UBT (Ultimate Tie-breaker) after neither man scored in a one-minute overtime, and Droese managed to ride Skorupa for his 30 second period in the down position.

What made the match close was, "They're (Cougars) learning to defend our power moves," Rhoads said. "On offense, Nathaniel really dominated."

Campbellsport's Dylan Bublitz beat Adam Bruss for top honors at 113 pounds. It was the third time he has beaten Bruss this year, this time by a 6-0 decision.

Steadily Mason Pomeroy is becoming a very solid contributor for the Indians, and he was again, winning the 120-pound weight class, pinning Trevor Roecker of Waupun in 4:36.

Kewaskum's Braden Maertz escaped with a close win over Logan Kreuser in the finals of the East Central Conference Tournament, but Kreuser was the winner this time around by a score of 6-5, riding Maertz the entire

third period.

"I wouldn't call it a surprise, He's been having some close matches with Logan," Rhoads said of the outcome, reporting "Braden was really positive about it. He said everything happens for a reason" as the two might meet again in the sectionals.

The finals at 138 was also a KHS-CHS matchup, with the Indians' Eric Bauer dominating Taylor Heltemes by major decision, 18-6. Heltemes still advances to sectional because he had beaten third-place Noah Danner of Lomira in the semis.

Bauer got a bit of good news with Aiden Medora of St. John's Military dropping from 138 to 132 for the tournament. Medora beat Bauer by major decision at Fort Atkinson recently. "That will lighten the shoulders of Eric," the coach went on, indicating now he will be aiming for defending state champion, Scott Stihl of Ellsworth, who beat him last year 7-2 in the semis at 132.

The combined North Fond du Lac/St. Mary's Spring team does not have a lot of talented athletes, but Andrew Forsythe proved he is can hold his own against good competition. Forsythe shut out Alex Deheck 6-0 for the 145 title, and Deheck won his wrestleback over Lomira's Adam Sauer, 9-3 to take second place.

As expected, KHS' Tanner Goeman finished first at 152, winning the title over Devyn Urban of Campbellsport, but the Cougar sophomore game him a battle in the 5-4 match.

That was the last title Kewaskum would win. Sam Larson at 160, Eduardo Padilla at 170 and Nathan Lawrenz at 285 took seconds and will move on to Cedar Grove sectional, which will include the winners and runner-ups from Sheboygan Falls, East Troy and Jefferson.

Larson advanced to the finals where he was pinned by Dalton Fritsch of North Fondy/St. Mary's Springs in 2:47. Larson got the second place because he had already beaten Nick Giese of Mayville in the semis.

At 170, Padilla came through the wrestleback to earn second place. CHS' Joe Lindsley was the champion, pinning Montana Bingen of Mayville in 5:27 while Padilla was pinning Abe Hellsell of Lomira in 2:57.

That gave Padilla's shot at Bingen, and he pinned

On Saturday, Feb. 10, Kewaskum High School wrestlers placed first as a team in the regionals competition in Waupun. The team headed to sectionals on February 13 in East Troy. Ten out of the team's 14 wrestlers placed individually and are headed to individual sectionals in Cedar Grove/Belgium this Saturday, Feb. 17. The 10 sectional qualifiers are: Nathaniel Droese, Tanner Goeman, Adam Bruss, Mason Pomeroy, Brayden Maertz, Eric Bauer, Alex Deheck, Sam Larson, Eduardo Padilla and Nathan Lawrenz.

photo by Chandra Schubring

the Mayville athlete in a quick 1:47.

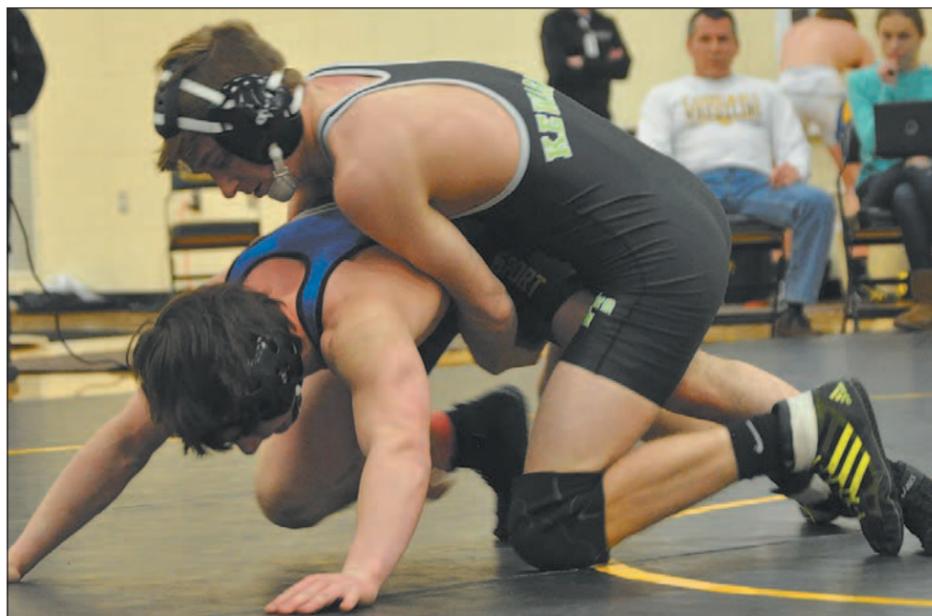

In order to have a full team for the competition, Lawrenz moved back up to heavyweight and advanced to the finals by beating Campbellsport's Elijah O'Laughlin in Sudden Victory, 2-0. In the finals, he was pinned by Kelly Paulsen of St. Lawrence in 2:40, and when O'Laughlin took third, Lawrenz was in.

Although not advancing, Isaiah George (126), Kannon Muckerheide (182) and newcomer Tristan Rayburn (195), who just recently moved to Kewaskum, helped the team with wins/pins in the early rounds.

In the team sectional, Kewaskum was slated to face Jefferson first while East Troy battled Chilton/Hilbert at 6 p.m., and the winners square off at 8 p.m. for the right to go to the State Team Tournament in Madison on Saturday, March 3.

"It actually looks pretty comfortable. We have a chance against all these teams," Rhoads said, but looking ahead he said Luxemburg-Casco looks unbeatable, pointing out the Spartans beat Slinger by 30 points in an early dual.

First-round match-ups for the Cedar Grove Sectional involving KHS wrestlers are as follows: Droese, 32-10 vs. Cole Mattek, 19-16, Sheboygan Falls; Bruss, 31-13, vs. Jacob Greidanus of Delavan-Darien, 13-25; Pomeroy (34-11) has a bye; Maertz vs. Jaden Salmieri of Whitewater, 29-13; Bauer, 32-3 vs. Ben Kalata, Lake Mills, 33-4; Deheck vs. Max Ward, Elkhart Lake/Glenbeulah, 40-1; Goeman vs. Andel Cortes, Martin Luther, 21-16; Larson, 27-15 vs. Nick Rapp of Grafton, 39-5; Padilla, 13-12 vs. Ben Anzia of Cedar Grove, 30-

11; and Lawrenz, 8-18 vs. Jacob Mast of East Troy, 27-14.

The first, second and third place winners earn berths in the Wisconsin Individual State Wrestling Tournament, which will be held at the Kohl Center

February 22-24.

When asked how many of his Indians have a chance to get to state, Rhoads said, "I would like to say six, but some have tough sectional brackets ... They're going to have to have a good day."

**Waupun Regional Team Scores:** 1. Kewaskum, 258.5; 2. Campbellsport, 232.5; 3. (tie) Lomira and North Fond du Lac/St. Mary's Springs, 175; 5. Mayville, 89; 6. Waupun, 67; 7. St. Lawrence Seminary 63.

# Lady Indians Show Signs Of Improvement

By Judy Harlow

After suffering two, lopsided losses, the Kewaskum High girls basketball team found its offense again, resulting in good efforts against the two teams tied for third place, Waupun and Berlin. Neither produced a win, but the Indians had to be pleased and so was their coach, Russell Thull.

About the 56-39 loss to Waupun, Thull said, "Offensively, we saw drastic improvements against a very tough Waupun defense. We scored 39 points compared with 23 points in the first matchup."

The Indians were on target with their three balls, hitting nine of them, including four by Maxine Paulowske, who scored 16 points, and three by Ashley Trapp en route to her 11 points.

"Great to see Ashley have a solid offensive game. She is a great kid who has worked extremely hard this year," Thull said. "Very happy for her!"

Thull went on, "As a team we really ran a lot of sets and tried to get our girls in position where we felt they can contribute. I thought the girls had one of their best offensive games in terms of execution."

While the offense was good, Kewaskum struggled trying to stop the tall and talented Warriors. "We had a rough first half defensively, had too many breakdowns and struggled

to finish with rebounds," Thull said, noting Waupun has two very good inside players/rebounders in Sydney Flier and Elyse Stelsa.

"Giving up 41 points in a half is not something that we can overcome on most days considering that we average under 41 points per game," Thull said. "We came out in the second half with a different defensive mindset and allowed only 15 points. It was good to see the bounce back."

With the loss, the Indians fell to 0-13 in the East Central Conference and 0-19 overall. The Indians host Plymouth tonight (February 15) in the regular-season final, which is senior night for Star Below-Kopf, Megan Marx and Taylor Cook.

Brackets have been set for the upcoming D-2 regional, and Kewaskum will face host West Bend West on Tuesday, February 20. West Bend East will play Nicolet in the opener at 6 p.m., with the Spartans and Indians squaring off at 8 p.m.

WAUPUN 41-15-56  
KEWASKUM 16-23-39

Kewaskum: Kenzie Schneider 5, Ashley Trapp 11, Megan Marx 2, Star Below-Kopf 2, Kaitlyn Leitheiser 3, Maxine Paulowske 16. 3-point goals—Schneider, Trapp (3), Leitheiser, Paulowske (4). FTs—0 of 0. Fouls—6.

Waupun: Kylie Hraban 2, Elyse Stelsel 7, Erin

Schmitt 3, Meghan Flier 9, Claire Harder 4, Peyton McGinnis 14, Sydney Flier 15, Jacey Davis 2. 3-point goals—Schmitt, M. Flier, McGinnis. FTs—3 of 7. Fouls—5.

Current EC Standings:  
1. KM Lutheran, 12-1; 2. Plymouth, 11-2; 3. (tie) Berlin and Waupun, 8-5; 5. Winneconne, 6-7; 6. Campbellsport, 4-9; 7. Ripon, 3-10; 8. Kewaskum, 0-13.

## Berlin Game

It took the Indians a while to get going in their 65-50 loss to host Berlin. KHS matched Berlin 39-all in the second, which was encouraging.

Sophomore Maxine Paulowske and freshman Kennedy Adams combined for 28 points, and Anna Surprenant chipped in with six points on a pair of three-pointers.

BERLIN 33-32-65  
KEWASKUM 18-32-50

Kewaskum: Abby Meidl 2, Anna Surprenant 6, Megan Winkler 2, Ashley Trapp 6, Megan Marx 2, Star Below-Kopf 4, Maxine Paulowske 17, Kennedy Adams 11. 3-point goals—Surprenant (2), Trapp, Paulowske (3). FTs—4 of 10. Fouls—18.

Berlin: Myah Jodarski 9, Kara Block 4, Mackenzie Kurczek 14, Mari Beltran 12, Emily Klawitter 19, Maddy Naparalla 7. 3-point goals—Beltran (2), Kurczek (2), Naparalla. FTs—10 of 23. Fouls—not available.

Quinn McElhatton skis down the hill at Sunburst on February 8 for the West Bend varsity team. He placed 27th overall in the giant slalom race.

photo by Anne Trautner

# McElhatton, Quissek Are Part Of West Bend Ski Team's Success

By Judy Harlow

The West Bend co-op alpine boys and girls ski team will be heading for La Crosse on February 18-19 to compete in the Wisconsin State High School Ski and Snowboard Championships, and a couple of Kewaskum skiers will be part of the contingency.

Quinn McElhatton and Everett Quissek have skied all season for the West Bend boys team, according to Jon Sison, one of the team's coaches.

The two specialize in different events, according to Sison, who said McElhatton is fast in the giant slalom while Quissek does well in the slalom.

"Both of them have come a long way in their development this season and are getting stronger with each race," Sison said, reporting the varsity team consists of six rac-

ers with the fastest four times added up for the overall time.

McElhatton and Quissek are generally in the fifth and sixth seeds, according to Sison, who said, "When the top four seeds cannot provide the fastest times, we have relied on these two to count as time for the team positions during a race."

The West Bend co-op team has been fairly successful this winter, posting three firsts and two seconds. In its latest meet, held on February 8 at the Sunburst Ski Hill, the team had to settle for fourth places in the boys competition in the field with defending state champion Hartland Arrowhead and Mukwonago, Brookfield East and Menomonee Falls.

McElhatton placed 27th overall in the event, which was a giant slalom race. McElhatton had a good time of 24.83 seconds in his second run after

apparently missing a gate on the first.

Quissek had times of 24.36 and 25.41 for a 49.77, good for 12th overall in the JV competition.

Officials of the Midwest High School Ski Conference have announced the field for the upcoming state meet to include Arrowhead, Kettle Moraine, Marquette, Mukwonago, Menomonee Falls, Oconomowoc, Whitefish Bay, Nicolet, ULS/Brookfield Academy/Lake County Lutheran/Trinity Academy, Brookfield East and Brookfield Central. West Bend goes in as the fourth place finisher overall from all the races held this winter.

Cody Marks, Will Walters and Robbie Walls made it through the last round of bowling that was held in Cedarburg on February 12 and will be head to state for boys singles as well as the team state competition that is held in Weston the first weekend in March. Pictured (from left) are: JV coach Nick Walters, Cody Marks, Will Walters, varsity coach Art Marquet, and Robbie Walls.

Three Kewaskum High School students signed to play football in college. Pictured (from left) are: Tony Steger, who will play for UW-Oshkosh; Riley Donovan, who will play for Augustana University; and Cade Peterson, who signed on early signing day to play for University of North Dakota.

photo submitted

## Steger Decides UW-Oshkosh Is The Place For Him

By Judy Harlow

After originally giving an oral commitment to Southwest Minnesota State University, Kewaskum High's all-state utility player Tony Steger had a change of heart and will be headed to play football for UW-Oshkosh come August.

Steger signed a "celebratory letter" to attend UW-Oshkosh on February 7, which is National Signing Day. Because UW-Oshkosh is an NCAA D-3 program, there are no athletic scholarships at the school, but athletes going there have the opportunity to take part in the letter signing, according to KHS Athletic Director Jason Piittmann.

Just recently, Steger was invited by the Titan coaching staff to come to the campus for a private visit, and he liked what he heard and what he saw.

"I really liked the coaching staff, and how good their program has been the past couple of years," he said.

The other factor that played a key role in Steger's decision was Oshkosh's proximity to Kewaskum. "Being close to home was a pretty big deal for me," he said, indicating he made his final decision last week.

When asked if he spoke with former KHS teammate Beret Elmazi, who is currently a reserve tight end on the Titan squad, Steger said, "Yes, I did actually. He told me how great the program is, how good the coaching staff is ... He said it would be a perfect fit for me."

Elmazi's brother, Faton, a starting fullback/linebacker for the Indians the past two seasons, also plans to try out for football at UW-Oshkosh.

Concerning what he plans to major in, Steger said, "I'm not sure. I'm undecided."

As far as the position he might play for the Titans, the three-sport athlete said the coaches indicated it would probably be wide receiver.

This past fall, Steger

started at quarterback for the Indians and also played wide receiver. He rushed for 1,401 yards and 19 touchdowns, passed for 1,051 yards and nine touchdowns and caught 10 passes, for 287 yards and four more touchdowns.

For his efforts in leading the Indians to a 10-1 season, Steger was named as the East Central Conference's Most Valuable Player, and he received all-state acclaim from the Wisconsin Football Coaches Association.

The Titans have a similar offense to Kewaskum's, according to Steger, who said, "They have so many offensive packages."

Soon Steger will turn his attention to getting in shape for the spring track season. Last June, he was part of the 4-by-100-meter relay team that finished second in the D-2 Wisconsin State Track and Field Meet in La Crosse, losing to Catholic Memorial of Waukesha by

.13 of a second, 42.77 to 42.90.

"Baseball and track I am doing," Steger said, quick to add, "It will be a busy spring."

Saturday, July 21, is another date Steger has circled on his calendar. It's the day of the annual Wisconsin All Star Football Game on the UW-Oshkosh field. Steger recently got a call from one of the North team's coaches, who informed him he had been selected to play in the event.

"It will be fun," Steger said, indicating players report to the campus the week before the game for conditioning.

Also signing his letter of intent on February 7 was two-way lineman Riley Donovan, who had already announced he would be attending Augustana University in Sioux Falls, South Dakota. Donovan has also been invited to play in the All Star game.

Previously, Cade Peterson signed with North Dakota University where he hopes to be the team's punter or kicker.

## KHS Boys Struggle In Classic Game Against Vikings

By Judy Harlow

The Kewaskum High basketball team was happy for the opportunity to play in the annual John Chekouras Classic at Homestead High on February 9, but it might have been a lot more fun had the Indians faced an opponent without three players over 6 foot 5 inches, and without a shooter like Mason Herkstroeter.

Herkstroeter hit six three-point baskets toward a game-high 22 points, and Winnebago Lutheran got several second- and third-chance baskets en route to a 73-42 win over the Indians, who are now 3-16 on the year. WLA is 16-3.

Chekouras was a highly successful basketball coach at Homestead for 17 years before he died of a heart attack in 2002. Each year, the school puts on this tournament in his memory, using its multiple basketball courts for seven varsity and seven JV games.

The Vikings doubled up on the Indians with five minutes to play in the first half and never looked back.

In addition to Herkstroeter, 6-foot 7-inch Alex Kuehl chipped in with 13 points, while 6-foot 7-inch Noah Lorenz added 11.

Senior forward Jared

Chesak was the high scorer for KHS with 14 points on a seven of 13 shooting effort. Kewaskum's Brent Goeden added six on drives to the basket, and reserve Ryan Prochnow helped out with back-to-back baskets in the first half for five points. KHS was just one of 13 on three-point tries while the Vikings hit 10 of 22.

After hosting Campbellsport on February 13, the Indians make their last long road trip of the season to Winneconne on February 16.

WINNEBAGO LUTHERAN 44-29—73  
KEWASKUM 21-19—42

Kewaskum: Jared Chesak 14, Jordan Carlton 4, Talon Ralph 4, Brent Goeden 6, Brad Buechel 0, Ryan Prochnow 5, Ty Cook 4, Carson Dogs 2, Jacob Schlosser 2, Joe Bocher 1. three-point goals—Prochnow. FTs—7 of 10. Fouls—not available.

WLA: Alex Kuehl 13, Ryan Weigand 2, Luke Schlavensky 3, Brennan Kulibert 6, Mason Herkstroeter 22, Peyton Jones 2, Donovan Schwartz 7, Noah Lorenz 11, Gabe Pruss 7. 3-point goals—Kuehl, Herkstroeter (6), Schlavenski, Kulibert (2), Schwartz. FTs—12 of 17. Fouls—not available.

## County Partners With Town Of Addison

– County Will Administer Erosion Control And Stormwater Management Ordinance

The Public Works Committee approved an Intergovernmental Agreement with the Town of Addison at its January 24th meeting. The agreement authorizes the Land and Water Conservation Division of the Planning and Parks Department to administer the Town's Erosion Control and Stormwater Management Ordinance.

This Intergovernmental Agreement aligns well with the County's Strategic Plan and its goal of being a Well-Governed and Administered County. One of the County's priorities is to seek opportunities for collaboration and shared services with public or private entities. Even dating back to the 2013-2015 Strategic Initiatives document, the Board has advocated the creation of shared services with neighboring counties and partner municipalities through intergovernmental agreements.

The Intergovernmental Agreement was presented to the Committee by Paul Sebo, County Conservationist.

"This is an identical agreement that was brought before this committee in August of 2017, but that one was with the Town of West Bend," Sebo reported.

In both instances, the town officials initiated the discussion with the county in response to personnel changes at each township. The county has its own Erosion Control and Stormwater Management

ordinance that overlays all unincorporated areas in the county unless a township adopts a similar ordinance and administers that ordinance themselves. Most townships in the county have adopted the County's as a model and through an Intergovernmental Agreement like this, the county becomes their administering authority.

"There is no cost to the Township for having the County administer their Erosion Control and Stormwater Management ordinance; the County recoups its expenses through permit fees which we retain," explained Sebo. "There can be significant cost to a municipality if they do not recoup their cost through permit fees."

Administration for the two townships is estimated to yield roughly \$2,000 to further offset County personnel costs.

The Erosion Control and Stormwater Management ordinance applies to new land development activities to prevent water pollution both during and after construction. The code requires the installation of erosion control practices and timely stabilization to control erosion during construction. For development activities that increase impervious surfaces by over 20,000 square feet, permanent stormwater management practices must be installed and maintained to protect downstream property owners.

Molly Riebe, Campbellsport, RN on the Modified Care Unit, has been recognized with the Froedtert & the Medical College of Wisconsin St. Joseph's Hospital third quarter DAISY Award for her "huge heart" and compassion.

photo submitted

## Molly Riebe Honored With DAISY Award

Molly Riebe, of Campbellsport and a registered nurse on the Modified Care Unit, has been recognized with the Froedtert & the Medical College of Wisconsin St. Joseph's Hospital third quarter DAISY Award for her "huge heart" and compassion.

"When we arrived to the hospital, (Molly) treated us like we were her welcomed guests," said the nominator, the daughter of a patient. "Her warmth, her caring, her smile put us at ease. Her tender and soothing way with my mother was remarkable and a blessing. (My mother) has Alzheimer's and can be very, very difficult when it comes to anyone caring for her. (Molly) was so patient with our many questions and with my father as he struggled to navigate the hospital room due to his very limited vision. It is obvious that (Molly) has a huge heart for nursing and genuinely cares about her patients and their families. We appreciate all of the staff at St. Joe's, but she definitely went above and beyond."

The DAISY Foundation, an acronym for Diseases Attacking the Immune System, recognizes nurses as unsung heroes of our society who deserve more recognition and honor than they receive. More than 1,900 hospitals throughout the United States participate in The DAISY Award program.

The DAISY Foundation provides each recipient with a sculpture, "A Healer's Touch," which is hand-carved for the foun-

ation by artists of the Shona Tribe in Zimbabwe. The sculpture is made of Serpentine stone that comes from the mountains "where the most powerful shaman" live in Zimbabwe. The foundation chose this design not only because it depicts the relationship nurses have with their patients, but also because the Shona people hold their healers in a position of great importance to the community and feel about their healers the way The DAISY Foundation and St. Joseph's Hospital feel about nurses.

At St. Joseph's Hospital, Molly was honored at a recent ceremony at which she received a certificate, pin and the sculpture.

Froedtert & the Medical College of Wisconsin St. Joseph's Hospital, founded in 1930 by local doctors, community leaders and the Sisters of the Divine Savior, is a full-service hospital serving residents of West Bend and Washington County. St. Joseph's Hospital specializes in women's health and birthing services, cancer care, surgical procedures and rehabilitation services. It's part of the Froedtert & the Medical College of Wisconsin health care network, which includes four community hospital campuses, more than 1,600 physicians and nearly 40 health centers and clinics, drawing patients from throughout the Midwest and the nation.

## New Leaders Appointed At Wisconsin DNR

Wisconsin Department of Natural Resources (DNR) Deputy Secretary Kurt Thiede is leaving the administration for a chief of staff position at the EPA's Region 5 office in Chicago. Ed Eberle, the current assistant deputy secretary, is appointed to the deputy secretary's role and Patrick Stevens, now the division administrator for the agency's Environmental Management division, is appointed as the new Assistant Deputy Secretary.

These appointments will be effective Monday, Feb. 19. Eberle and Stevens will now join Secretary Dan Meyer in leading the agency on its mission of protecting and enhancing the state's natural resources for all.

"I look forward to working with these two accomplished people in their new leadership roles," said Meyer. "Their knowledge, experience and dedication to our mission and values will help guide us as we move forward."

Eberle has been with the administration since 2011 and joined DNR as assistant deputy secretary two years ago, bringing 20 years of knowledge and experience in state service in both the legislative and executive branches. Prior to DNR, Eberle was the division administrator of Intergovernmental Relations at the Department of Administration, where he was active with stakeholders, local governments and state agencies as well

as being the liaison between the governor's office and the eleven sovereign tribal governments.

Stevens was appointed division administrator at DNR in February 2011, overseeing many of the department's environmental programs. Prior to his service at DNR, Pat worked for several different associations and in those roles, including that of legal counsel, worked closely with DNR on a wide range of environmental issues. Pat also served as an assistant attorney general in North Dakota from 1988-1992, working with that state's Natural Resources and Indian Affairs Division and the Tax Commissioner's office.

Kurt Thiede has been with the DNR for 19 years in various capacities.

"Kurt has played an integral role here at the DNR and has been a valuable member of the leadership team," said Meyer. "We appreciate Kurt's dedication to public service and wish him well in his new position."

Kurt was appointed deputy secretary in March 2015. He led the department through the recent two-year alignment process that has the agency working more effectively and efficiently for the citizens of Wisconsin. He has been instrumental in helping the agency become more customer service focused and willing to help citizens and businesses find solutions to their issues within the law.

### PUBLIC NOTICES

VILLAGE OF KEWASKUM, WISCONSIN NOTICE OF PUBLIC HEARING

Notice is hereby given that the Village Board of the Village of Kewaskum, Washington County, Wisconsin, will conduct a public hearing at 7 p.m., Monday, March 5, 2018 in the Council Room of the Municipal Building, 204 First Street.

The public hearing will address district users of commercial services facilities located in M-1 Limited Manufacturing zoning areas as provided for in 95-42(c)(8) of the Village of Kewaskum zoning ordinances.

All interested persons will be given an opportunity to be heard.

2-15(2) WNAXLP  
Tracie Sette, Village Clerk

## UW-Extension Annual Cattle Feeders Workshop Slated For Feb. 27

The University of Wisconsin-Extension will be holding the annual Cattle Feeders Workshops on February 27 at Chissy's in Waldo. This year's workshop includes a variety of useful information for farmers finishing both dairy and beef breed steers.

Dr. Randy Shaver, UW-Extension and UW-Madison Dairy Nutritionist, will discuss how kernel starch properties, fermentation, and particle size, can affect cattle performance, and Dr. Brenda Boetel, UW-Extension and UW-River Falls Livestock Economist, will present the market outlook for 2018.

Bill Halfman, UW-Extension, will demonstrate and provide an overview of several decision making tools from the Wisconsin Beef Information Center including cow/calf, stocker, and feedlot enterprise budg-

ets, a yardage calculator, and close out budget.

Safety for people and cattle during hauling, bruising minimization, and biosecurity are important components of successful cattle transportation. UW-Extension Agriculture Agent Adam Hady will discuss transportation quality assurance and how to incorporate these best practices on farm.

Detailed agenda and registration information for the Cattle Feeders meeting can be found at the Wisconsin Beef Information Center website: <https://fyi.uwex.edu/wbic/>. Online registration can be completed at <http://goo.gl/oejNdg>.

For additional information or to register for the meeting via phone or email, please contact UW-Extension Agriculture Agent Steph Plaster at [stephanie.plaster@uwex.edu](mailto:stephanie.plaster@uwex.edu) or 262-284-8292.

2-15(2) WNAJLP

## NOTICE OF SPRING PRIMARY AND SAMPLE BALLOTS FEBRUARY 20, 2018

### OFFICE OF THE WASHINGTON COUNTY CLERK TO THE VOTERS OF WASHINGTON COUNTY

Notice is hereby given of a spring primary election to be held in Washington County on February 20, 2018, at which the officers named below shall be nominated. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

### INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter presents proof of residence in a form specified by law. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

### Where Optical Scan Voting is Used

The voter shall fill in the oval or connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote, and fill in the oval next to the write-in line. On referendum questions, the voter shall fill in the oval next to "yes" if in favor of the question, or the voter shall fill in the oval or connect the arrow next to "no" if opposed to the question.

When using an electronic ballot marking device ("ImageCast Evolution-ICE") to mark an optical scan ballot, the voter shall touch the screen or use the keypad to select the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen or use the keypad to select "yes" if in favor of the question, or the voter shall touch the screen or use the keypad to select "no" if opposed to the question.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in casting his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If the voter spoils an optical scan ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initiated by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

### After Marking the Ballot

After an official optical scan ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. If a central count system is used, the voter shall insert the ballot in the ballot box and discard the sleeve, or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

The following is a sample of the official ballot:

Copyright © 2018 Dominion Voting Inc. All Rights Reserved

Ballot ID: 5626 Village of Kewaskum W1-5, 7

**Official Primary Ballot**  
**Nonpartisan Office**  
**February 20, 2018**

**Notice to voters:** If you are voting on Election Day, your ballot must be initiated by two election inspectors. If you are voting absentee, your ballot must be initiated by the municipal clerk or deputy clerk. Your ballot may not be counted without initials. (See end of ballot for initials.)

<p><b>Instructions</b></p> <p>If you make a mistake on your ballot or have a question, ask an election inspector for help. (Absentee voters: Contact your municipal clerk.)</p> <p>To vote for a name on the ballot, fill in the oval next to the name like this: ●</p> <p>To vote for a name that is not on the ballot, write the name on the line marked "write-in" and fill in the oval next to the name like this: ●</p> <p style="text-align: center;"><b>Judicial</b></p> <p><b>Justice of the Supreme Court</b> Vote for 1</p> <p><input type="radio"/> Rebecca Dallet</p> <p><input type="radio"/> Michael Screnock</p> <p><input type="radio"/> Tim Burns</p> <p><input type="radio"/> write-in: _____</p>	<p><b>Official Primary Ballot</b> <b>Nonpartisan Office</b> <b>February 20, 2018</b> for <b>Village of Kewaskum W1-5, 7</b> <b>Washington County, WI</b></p> <p><b>Ballot issued by</b> _____</p> <p>Initials of election inspectors _____</p> <p><b>Absentee ballot issued by</b> _____</p> <p>Initials of municipal clerk or deputy clerk, (if issued by SVDs, both SVDs must initial.) _____</p> <p><b>Certification of Voter Assistance</b> I certify that I marked or read aloud this ballot at the request and direction of a voter who is authorized under Wis. Stat. §6.82 to receive assistance. Signature of assistor _____</p> <p style="text-align: center;"><b>For Official Use Only</b></p> <p><b>Inspectors: Identify ballots required to be remade.</b></p> <p><b>Reason for remarking ballot:</b></p> <p><input type="checkbox"/> Overvoted</p> <p><input type="checkbox"/> Damaged</p> <p><input type="checkbox"/> Other</p> <p>Original Ballot No. or Duplicate Ballot No. _____</p> <p>Initials of inspectors who remade ballot _____</p>

## Road Salt FAQs And Snowplow Safety

As winter weather and driving are upon us, here is some information about the salt that is put on the roadways and snow plow safety to help motorists stay safer while on the roads.

### Why is liquid being sprayed on the road before a storm?

It may seem dangerous to add liquid to a road that might freeze, but the liquid is a salt and water mixture used to prevent snow, called anti-icing, from sticking to the road. This is also a very economical solution as it costs approximately 17 cents a gallon to manufacture compared to over \$70 per ton for salt. Typically, bridge decks

and trouble areas (intersections, hills, curves) are sprayed before a storm to allow time for crews to get out and apply additional chemicals.

### Why don't plows apply salt before it snows?

Putting salt on road surfaces prior to a snowfall wastes time and money since salt bounces from the dry road during application. The portion that manages to land in the right location is subject to wind and vehicles blowing it off the road before it can do its job.

Salt is most effective after snow has accumulated and the temperature is 20 F or higher. Under these conditions, the salt and snow will mix, melting snow into slush that can be plowed off the pavement.

### Why do snowplows sometimes apply chemicals after a snowstorm is over?

The projected roadway temperatures have a lot to do with the final treatment of a road. After plowing operations have finished, there is sometimes the danger of the water on the road refreezing. This post-storm treatment of roads is typically needed at night and when the sun first rises in the morning (typically the coldest part of the day).

### Why isn't sand used when it's too cold for salt to be effective?

Sand is often used on County and Town roads when it is too cold for salt to work. The sand provides additional grit, or traction, for vehicles and works great on low traffic/speed roads.

On highways where the speeds are higher (Interstate 41, Highway 151), as few as eight to 12 vehicles can sweep sand from the pavement. This makes sanding not very cost effective or practical.

### What are the tanks on the back of the plow trucks used for?

The tanks on the back of the plow trucks are called "brine tanks." These tanks hold between 120 and 800 gallons of salt brine (a mixture of salt and water) and is used to spray on the salt as it drops onto the spinner (pre-wet salt). Pre-wet salt has less tendency to bounce and scatter once it hits the road and begins to melt snow immediately. Compared to dry salt application, an additional 25 percent of prewet salt remains on the road allowing the operator to use less salt with the same effects as dry salt.

### Why isn't the snowplow salting?

There could be numerous reasons for this. Depending on the temper-

ature, it could be too cold for salt to be effective. When salt is used when it's very cold, it melts some of the snow and refreezes before an additional application can be applied which makes the road even more hazardous.

There are also times when plows will not apply salt when it is very windy. By salting when it is windy, the snow will then stick to the road rather than blowing across, creating even a bigger traffic hazard.

Operators must know when to salt, and when not to salt, as salt doesn't always have a positive effect on road conditions.

### Did You Know?

The minimum practical application range for salt is a pavement temperature of 15-20 F. While salt will melt snow and ice down to a pavement temperature of -6 F, it can melt over five times as much ice at 30 F as it can at 20 F.

Highway crews will attempt to apply only the amount required for temperature, time, and use. Too little and the roadway will refreeze, too much is a waste of money and resources.

### Snowplow Safety

**Keep a Safe Distance**  
During plowing operations, visibility can be reduced by blowing snow. Keeping a safe distance

(minimum 200 feet) allows plow operators the space they may need to move over, or stop, for stranded vehicles or other hazards. Keeping a safe distance between your vehicle and the plow is very important in order to avoid accidents.

### Give 'em Room

Allow plenty of room when around a snowplow. If you decide to pass, do not cut back into the lane ahead of the plow too quickly since the blade extends several feet ahead of the truck. Most snowplows are equipped with a "wing plow," which typically extends 10-12 feet off the side, or both sides, of the truck.

### Slow Down or Move Over

Wisconsin law requires you to slow down or move over when approaching emergency or maintenance vehicles (346.072(1)(a)). This includes snowplows parked/stopped on the side of the road when they have their flashing lights turned on.

If you approach a parked emergency or maintenance vehicle during a winter storm and decide to change lanes be extra careful. The passing lane may be in worse condition than the driving lane. There may also be a snow ridge between the two lanes. Avoid making an

abrupt lane change.

### Move Away From Centerline

When you see an approaching snowplow on an undivided highway, or passing on a divided highway, move as far away from the center line as you safely can. Use caution as blowing snow may obscure the actual width of the snowplow's blade.

Also, remember snowplows with their side wings are wide vehicles and have a tendency to hug the centerline. Slow down and make sure to provide enough room.

### The "Do's And Don'ts" Don'ts

•Don't stop too close (minimum 20 feet) behind a stopped snowplow. The driver could be preparing to back up and may not see you.

•Don't pass a snowplow on the right by driving on the shoulder of the road. The snowplow's wing blade can extend up to 10 feet beyond the width of the truck.

### Do's

•Be Patient! Snowplows typically travel at speeds between 25-35 MPH. Leave room for the snowplows to do their job.

•Buckle Up! Watch out for the snowplow blade along the centerline and leave plenty of room for stopping.

CAXCA

Kewaskum High School fielded three Mock Trial teams for the first time in school history and had a total of 31 students compete. The group is coached by Luke Piwoni and attorney coaches Jon Sacks and Amanda Follett.

photo submitted

The following Kewaskum High School students qualified for the state Mock Trial competition: Taylor Cook, Nikki Bruss, Jill Braatz, Austin Fischer, Destiny Kudelko, Genna Alexander, Katie Vorwerk, Berit Kirkegaard, Max Stowers, Kyle Loehr, Hunter Roehrig, and Dominic Zillmer.

## KHS Students Qualify For State Mock Trial Competition

One of Kewaskum High School's Mock Trial teams qualified for state on Saturday, Feb. 10, at the Regional Tournament held at the Outagamie County Courthouse in Appleton.

This year Kewaskum fielded three teams for the first time in school history and had 31 students compete. All three teams and 31 individuals represented Kewaskum well. Every

year the teams continue to improve.

This year all the hard work paid off when one of our teams received third place at the regional and qualified for the State Tournament held in Madison on March 9, 10 and 11. This is the first time in school history that a Kewaskum Mock Trial team has qualified for the State Tournament. The

state qualifiers finished with a record of 3-1 and eight total ballots, both of which are the best ever for Kewaskum.

State qualifiers included: Taylor Cook, Nikki Bruss, Jill Braatz, Austin Fischer, Destiny Kudelko, Genna Alexander, Katie Vorwerk, Berit Kirkegaard, Max Stowers, Kyle Loehr, Hunter Roehrig and Dominic Zillmer.

Kewaskum High School students participate in a Mock Trial scrimmage at the Washington County Justice Center. Kewaskum had two teams at the scrimmage and competed against teams from West Bend, Hartford and Mayville. Judges and Lawyers offered feedback to the students after each round to help prepare them for the Wisconsin Mock Trial Regional Competition on Saturday, Feb. 10.

## Continued From... Community Gives A Hoot And Supports Local Food Pantry

The first year, the students made house-shaped pins and magnets from cardboard and scrapbook paper. After that first year, students began using clay to create the pins and magnets.

Each year, a different theme was featured. Students have created pins in the shapes of various things, such as hearts, stars, circles and flowers.

This year, the students made owls. Fourth- and fifth-grade students at Kewaskum Elementary, Farmington Elementary and the i4Learning Community School all participated in the program.

The money raised will be used to purchase perishable food for the pantry.

"It is such a good thing, and it helps so many people for so long. We can purchase things that we otherwise would not be able to buy, because your meats and your perishable foods are a lot more expensive. They don't come in with our regular donations from drives and things like that," Barb Knorr said.

The Kewaskum Community Pantry currently serves an average of 30 families a week.

The students were glad to be able to help. But they

also enjoyed the project.

"The owls were fun to make," Madison Klemme said.

The Knorrs credit this year's Pins and Magnets success to a variety of things.

"The display at Piggly Wiggly was set up so nice. It caught your eye right away when you came in," Barb Knorr said.

The theme helped as well.

"Owls are popular right now," Barb said.

Students' family members purchased the colorful owls. People attending school functions throughout the district purchased the owls. Shoppers purchased the owls when then went to Geidel's Piggly Wiggly.

In the end, the owls pins and magnets brought in a record amount for the Kewaskum Community Pantry.

"It is just amazing to see that kind of a response from the community," Tom Knorr said.

Plus there is the process of putting it all together.

"Peggy Henke and the school, and these kids do a tremendous job," Tom Knorr said.

It is a learning process for the students. The students learn to help others

through the project.

It has been a message that students have been learning year after year.

Tom Knorr remembers visiting students in the classroom about three years ago.

"You don't understand how the important this is to help young people help their fellow man, doing these things. Without, this, we wouldn't be able to help all the families at the food pantry," Tom told the students at that time.

Since the Pins and Magnets program started seven years ago, it has brought in over \$44,000. Last year, Henke and fellow art teacher Jane Mongin were recognized for running the program when they received the Promising Practice Award from the Wisconsin Education Partnership.

"The dollar amount that you kids helped provide to our food pantry is way beyond any of our expectations," Kewaskum Community Pantry Board President Aaron Laatsch told the students.

"It is a team effort, it really is," Kewaskum Principal Jody Heipp said. "What a great community we have."

Kewaskum students in fourth and fifth grade created owl pins and magnets from clay to raise funds for the Kewaskum Community Pantry.

# Celebrate National FFA Week With The Kewaskum FFA!

## FEBRUARY 17-24, 2018

WE ARE KEWASKUM FFA! We are so excited to share with all of our community members the amazing opportunities we get to experience year round within FFA! The FFA is a national leadership organization that offers agricultural related opportunities to local high schools and middle schools. It establishes many leadership qualities and teaches students across the country how to help their local communities through volunteering and other positive ideas.

The Kewaskum FFA would like to thank all of the

families of our loyal FFA members in Kewaskum. Without the support and contribution from many generous people, FFA's success would not be possible! We also want to give a huge thank you to all of the businesses and families that advertised in Kewaskum FFA's supplement.

There is FFA for adults as well; the FFA Alumni offers the same amount of fun activities and opportunities as FFA for middle school and high school. Check out the back page of this supplement for the

Kewaskum FFA Alumni.

If you have any interest in learning more about agriculture, the Kewaskum FFA, or the Kewaskum FFA Alumni, check out this supplement that the Kewaskum FFA Officer Team put together. You can also find out more information by contacting the FFA Advisor, Shelly Oelhafen, at 262-626-8427, Ext. 4802.

*-The Kewaskum FFA*

The Kewaskum FFA Officer Team includes: (from left) Evelyn Beschta, William Tyler Butzlaff, Kristy Peters, Cody Oelhafen, Teagan Herman, Leah Resch and Carlee Strack.

photo by Empire Photography

The following are members of the Kewaskum FFA: (front row, from left) Andrew Beine, Cameron Ratzel, Kristy Peters, Faith McNabb, Brianna Augustin, Emma Preder, Taylor Zuehlke, Brittany Herrera, Shelby Kraus, Kailee Duschene, Eli Bartelt and Melanie Winkler; (second row) Nathaniel Lawrenz, Jonathan Fischer, Donny Schmidt, Ben Schellinger, Cody Oelhafen, Abigail Drewitz, Hailey Schiebel, Leah Resch, Carlee Strack, Lauren Kirschbaum, Courtney Butzlaff, Ashley Trapp, Brittany Wenzlaff and Mrs. Shelly Oelhafen; and (back row) Mitchell Weir, Owen Budny, Collin Keller, Bo Keller, William Tyler Butzlaff, Cade Smith, Brandon Schreffler, Jonathan Steger, Teagan Herman, Ryan Resch, Evelyn Beschta, Colin DeYoung and Ben Menzel.

### Kewaskum STATESMAN

1032 Fond du Lac Ave., Kewaskum • 262-626-2626

[www.kstatesman.com](http://www.kstatesman.com)

## PROUD TO SUPPORT THE KEWASKUM FFA!

CONFIDENCE • EFFORT • PRIDE • PASSION • MOTIVATION • LEADERSHIP • PERFORMANCE • IMPROVEMENT

# 2017-2018 KEWASKUM FFA OFFICERS

## CODY OELHAFEN

Cody Oelhafen is the president of the Kewaskum FFA Chapter. He is a senior, and this is his fourth year on the officer team. He has been a member for six years. Cody enjoys snowmobiling, four wheeling, raising and showing steers, deer hunting, shooting trap and working. He lives on a horse farm in the town of Wayne and spends his summers raising his steers for the Washington County Fair and also helps his family with daily farm operations. He is also in the school-to-work program and youth apprenticeship program, and he works at Trade Tech Inc. in Hartford. He is attending Moraine Park Technical College in the fall to study CNC and Tool and Die Technologies. FFA has taught Cody many valuable skills and he uses them in his everyday life.

## TEAGAN HERMAN

Teagan Herman is the treasurer for the 2017-2018 year. It is his first year on the officer team and his fourth year in FFA. He is currently a junior. Teagan enjoys working on his uncle's farm doing almost anything that needs to be done. He also spends lots of time four-wheeling and snowmobiling up north. He loves raising steers to show at the at the Washington County Fair. Teagan plans on furthering his education in agriculture after high school. FFA is a very good organization for learning many life skills.

## TYLER BUTZLAFF

This is Tyler Butzlaff's first year on the FFA officer team. He wanted to get more involved in FFA so he became the FFA's sentinel. He is a senior at KHS and was in FFA since freshman year. Tyler enjoys taking pigs to the Washington County Fair every year. Some of his hobbies are collecting antiques and playing guitar. Working at DACO Precision Tool in Kewaskum takes up most of his mornings during the summer. He plans to attend Moraine Park Technical College for tool and die.

## LEAH RESCH

Leah Resch is the 2017-2018 Kewaskum FFA vice president. Leah is a senior at Kewaskum High School and has been a member for four years. Leah also is involved with the Kewaskum National Honor Society. Leah enjoys spending free time with family, friends and her livestock. Some of her favorite hobbies include watching baseball and hockey, kayaking, traveling, and raising and showing steers and pigs for Washington County Fair. Following graduation, Leah will attend Winona State University in Minnesota to major in marketing and minor in Spanish. FFA has given Leah many new opportunities to explore the agriculture world and she is thankful for all the friends and memories made within FFA.

## CARLEE STRACK

Carlee Strack is one of the 2017-2018 officers. She serves as the Kewaskum FFA historian. She is a junior at Kewaskum High School and has been in FFA for three years. Carlee enjoys many different hobbies such as photography, fishing, riding and driving horses, and hanging out with friends. After her sophomore year of high school she spent her summer job-shadowing at the Kewaskum Veterinary Clinic. After high school she plans on going to a two-year technical college to be a large animal vet tech. This past fall, one of Carlee's horses tore open its shoulder, and Carlee was right there, side-by-side helping the vet. Carlee also plans to have photography as her second side job.

## EVELYN BESCHTA

Evelyn Beschta is the 2017-2018 Kewaskum FFA secretary. Evelyn is a junior at Kewaskum High School. Her supervised agricultural experience is showing dairy steers and showing hogs at the Washington County Fair. Evelyn enjoys finding new places she has never been before with family and friends, and doing outdoors things like hiking and camping. She spends most of her time working at Jug's Hitching Post, working with food and serving customers. In her spare time she works with her fair animals and works on her truck. Evelyn plans to serve in the military for a few years immediately following high school. Then she plans to attend a two-year college. FFA has broadened her horizons to become a better leader and has opened many doors for her to new opportunities.

## KRISTY PETERS

Kristy Peters is one of the 2017-2018 Kewaskum FFA officers and serves as FFA reporter. Kristy is a senior at Kewaskum High School and this is her third year as an officer. Kristy enjoys spending free time with family, friends and animals. Some of her favorite hobbies include hunting, snowmobiling, raising and showing steers for the Washington County Fair, and shooting sporting clays with her friends. She works for KT Organic Farms. All year she spends her time working with her steers to raise them for Washington County Fair. After high school, Kristy plans on going to college, but is not sure yet what she wants to major in. FFA has opened many opportunities for her.

# A WORD FROM YOUR FFA PRESIDENT

and conferences throughout the year to keep us growing in both of those fields.

Each fall our club attends the National FFA Convention in Indianapolis. It's an experience that no FFA member will ever forget. At that convention we get to see all of the latest and greatest in agriculture technology, as well as new leadership skills.

There is another conference we attend once or twice a year, the 212/360 conference. This is a statewide conference where we discuss how our clubs are doing and what we can do to improve. FFA members have tons of fun at these conventions and learn tons of stuff to bring back to the club and community.

What our club likes doing most is helping out our community. You guys support us, and we like to give back in every way we can. We like to educate people about agriculture. We do this at a couple different petting zoos. In late May our club organizes a petting zoo for the elementary school students. It's great to see how interested they are in the farm animals and the machinery. We do the same thing at Early Farm Days and at the Washington County Fair.

The fair is the highlight of the summer for all the FFA members. They work hard year round on raising their livestock to sell at the Junior Livestock Auction. Thank you to all the supporters of the Junior Livestock Auction, the support over all the years is truly appreciated! I would also like to thank all the local businesses that support this amazing organization, and a huge thank you to Menasha Corporation for your donation of \$2,500 last fall.

**-Cody Oelhafen, president of Kewaskum FFA Chapter**

Hello everybody, thank you for taking the time out of your day to read about our organization! Without the community's support, we wouldn't be able to have this great organization. My name is Cody Oelhafen and I am this year's chapter president. Being involved with FFA has been a great experience to say the least. It is great to see so many young people interested in the future of agriculture. We are one of the largest clubs in the high school!

When people think of FFA, they usually think that it's all about farming. Farming and agriculture is what this organization is based on, but leadership has now become a large part of the organization as well. Our goal as a club is to educate people on agriculture and develop great leaders. We attend many different events

## GREETINGS FROM THE FFA ADVISOR

FFA as you can see throughout this supplement. Many new friendships and fun memories have been made the first half of this school year. We are very excited to have 20 new members join this year, which makes our total membership, 65 members.

It is extremely satisfying to watch all the FFA members work well together at all of our events. New members have been welcomed by all in the membership and have found their place within our awesome leadership organization. All members seem to have a good time, no matter if they are working at a community event or attending one of our "fun" outings, and that makes me very proud to be the advisor of such an amazing group.

We still have many fun events to come this spring, which include: National FFA Week Celebration, Fox Valley Career Development Events (judging contests), Annual Awards Banquet, Food for America Program, State FFA Convention and, of course, the Washington County Fair.

As the agriculture instructor, I am currently teaching the following classes throughout the school year: Wildlife 1, Wildlife 2, Agriscience, Small Animal Care, Modern Livestock Production, and Horticulture & Landscaping. I provide many unique learning experiences in all of my classes, which include: interesting projects and labs, guest speakers and field trips. I enjoy working with all of my students and the FFA members to make a positive difference in our school and community.

I am really looking forward to next

FFA Advisor, Mrs. Shelly Oelhafen (right) poses with her son, Cody, 2017-18 president of the Kewaskum FFA Chapter.

Hello Everyone,

My name is Shelly Oelhafen and I am the agriculture instructor and FFA advisor at the Kewaskum High School.

It has been a pleasure working closely with the current FFA officers. This year's officers continue to work well with each other and have done a fantastic job sharing their many duties and responsibilities so far this year. I am particularly proud of my son, Cody, who is this year's FFA president and is doing a great job leading our chapter. Being an FFA member is a bit of a family tradition with the Oelhafens. My husband, Brian, my daughter, Kayla, and I are all past officers of the Kewaskum FFA Chapter. FFA has been a way of life for us and certainly has taken us to many great places.

Many members have enjoyed a variety of fun activities organized through the

school year and the move into the new agriculture department. My newly remodeled classroom, which most closely resembles a science classroom with a brand new animal lab and greenhouse attached. Students will be able to experience animal care and management techniques as part of their class topics. The greenhouse, dedicated to the memory of Brent Schultz (former FFA officer), will offer many plant production and market-

ing experiences for many students throughout the high school.

I would like to thank everyone in our community for your continuous support over the years. It truly takes a "village" to raise our children! Thanks for your help.

I look forward to the rest of the school year with the entire Kewaskum FFA Chapter!

**-Mrs. Shelly Oelhafen, FFA advisor**

# COMMUNITY SERVICE: SMALL ACTS...BIG IMPACT

Cody Oelhafen, Kristy Peters, Leah Resch, Evelyn Beschta and Ryan Resch finish another busy day serving ice cream at the Wisconsin State Fair ice cream booth.

photo submitted

### ICE CREAM BOOTH

On an annual basis, the Kewaskum FFA and other surrounding FFAs in Washington County travel to the State Fair in Milwaukee to help run the annual Ice Cream Booth, the FFA's main fundraiser. There are many members from the Kewaskum, Hartford and Slinger FFA chapters that go down and serve customers cold, refreshing ice cream, along with many different toppings.

The Kewaskum FFA Chapter had many dedicated members go down to the Wisconsin State Fair for the 10-day duration. Each chapter takes shifts that are a total of 10 hours a day. With as many as eight members from each chapter working each day, and two chapters working together each day, the long, hard days went by quickly and many new friendships were formed.

Members from the Kewaskum FFA volunteer on this beautiful Sunday afternoon to show their animals and teach others about them.

photo submitted

### EARLY FARM DAYS

Early Farm Days took place on September 10, at River Hill Park. The Kewaskum FFA set up a petting zoo for all the spectators. It was a great turnout to see all the antique equipment, which included the threshing machine that comes every year. Kewaskum FFA members Teagan Herman, Ryan Resch, Nic Limberg and Donny Schmidt all brought a tractor of their own.

Jonathan Steger, Leah Resch, Seth Bartelt, Owen Budny, Abby Ashauer, Evelyn Bestcha and Cody Oelhafen work together through the heat to clean all the trash off the side of Highway 28.

photo submitted

### 2017 SPRING AND FALL HIGHWAY CLEANUP

In May and September, Kewaskum FFA members volunteer to clean up Highway 28, west of Kewaskum. The FFA sponsors this portion of the highway along with the HOPE Club.

Cody Oelhafen and Andrew Beine help load a cart full of fruit to deliver to a customer's car.

photo submitted

### FRUIT SALE

The FFA would like to thank everyone who supported us and bought product from our fundraiser! The proceeds from this will go towards many leadership conferences, field trips, charities and many more Ag and FFA-sponsored events. This year at the fruit sale many of the Ag students sorted and inspected the fruit to make sure that it was of a high quality standard. FFA members distributed the products and did carry-outs during the second week in December. The fruit sale was lots of fun for FFA members and was very productive.

The FFA officer team was excited to collect many items to donate to the Kewaskum Community Food Pantry from the FFA November meeting.

# LEADING BY EXAMPLE

### KETTLE MORAIN GARDENS

FFA members planned an "Ag. Day" at the Kettle Moraine Gardens Assisted Living Facility. Members brought their pets for the folks to enjoy. Many residents were able to enjoy their time with the animals and also had a chance to visit with the FFA members about their tractors, farms, and pets. Members enjoyed hearing about many stories about farming back in the "olden" days. It was great to see the smiles on so many faces that day.

### JUDGING TEAMS

In late March, the FFA sent judging teams to Fox Valley Technical College in Appleton. The Kewaskum FFA also sent teams to compete in Livestock Evaluation, Ag Mechanics & Technology, and Wildlife Management. Each team did a great job. The Kewaskum Ag. Mechanics team placed fourth at Fox Valley and made it to the State Career Development Contest, where the team took second place.

### WORLD DAIRY EXPO

At the World Dairy Expo this year, FFA members and Ag. class students had the opportunity to browse all the new additions in the dairy industry. This year Kewaskum sent judging teams to compete in dairy cattle evaluation and crops evaluation contests. The dairy cattle team evaluated four classes of dairy cattle. The crops evaluation team identified many types of crops and analyzed their quality. This field trip was both fun and highly educational.

### RABIES CLINIC

The annual Rabies Clinic is coming up on Wednesday, March 21, from 6 to 8 p.m. Kewaskum Veterinary Clinic helps put on this fundraiser to fund scholarships for the Kewaskum FFA. Dr. Ogi's family has graciously supported the Kewaskum FFA for over 40 years. Help us thank them for their contributions and bring your pets out for \$25 rabies shots, open to the public. Help spread the word.

### SUMMER PICNIC

Members enjoyed gathering together in summer for our summer picnic for some fun kayaking, swimming and games at Yahr Park.

# CONVENTIONS: I CAN, WE WILL

Teagan Herman, Tyler Butzlaff, Abigail Drewitz, Ryan Resch, Courtney Butzlaff, Owen Budny, Carlee Strock, Faith McNab, Camren Ratzel and Evelyn Beschta attend a Rascal Flatts concert at the 90th annual National FFA Convention.

photo submitted

## 90th Annual National Convention

The 90th annual National FFA Convention and expo was held in Indianapolis, Indiana on October 25-28. FFA members attended recognition and awards presentations, motivational speakers, a Rascal Flatts concert and a tour of the Indianapolis Motor Speedway. Kewaskum students also ate at The Hard Rock Cafe and wrapped up the convention with a rodeo. This unique experience is something every member should attend.

## State Convention

State FFA convention is a statewide event that was held June 11-14. Five Kewaskum FFA members attended the convention. Evelyn and Leah were delegates, so they got to vote for new section 10 state officer. The convention was held in Madison at the Alliant Energy Center. shops where they learned how to work together and improve their chapter. FFA members' artwork was on display. For the display, students restored old tractors, created pictures, and even painted a Harley blue and gold. This mini national convention is a great experience for any member to see.

Teagan Herman, Tyler Butzlaff, Keaton Flanders, Taylor Zuehlke, Camren Ratzel, Evelyn Beschta and Leah Rech attend the State FFA Convention.

# LOCAL CONFERENCES

## 212 And 360 Conferences

In November, the 212 and 360 conferences were held in Green Bay at the Hyatt. The conferences are about learning leadership skills and are a great opportunity to meet new people in other FFA chapters.

The 212 conference is for the freshmen and sophomores, and the 360 conference is for juniors and seniors. Some of the things participants get to do is go into ballrooms and participate in multiple interactive and fun ways to learn leadership. They also play games with table partners. For example, one game included trying to use all the resources one had by building the tallest tower with note cards. The note cards

were written on by members of what their favorite hobby was. The activity showed that a mixture of hobbies can create something strong.

Also, at each section, books to fill out were handed out at each session. In all, there were six sessions for each virtue of leadership. During the overnight trip, a dance and pizza party were held at night. There was a big pool for anyone who wanted to swim afterward with the new friends they had made. The 212 and 360 leadership conferences are a great experience and are a great chance to get to know the other chapters around Wisconsin.

The Kewaskum FFA officer team attends the Sectional Leadership Workshop at Big Foot High School in Walworth.

photo submitted

## Sectional Leadership Workshop

In September, the FFA officer team from Kewaskum attended the Sectional Leadership Workshop at Big Foot High School in Walworth. Here, team members were introduced to the

new state officers and had the chance to meet one of the national officers. Participants split up into groups, depending on which office they held, and were taught different ways they can better

involve current members and introduce new ones. This was a great experience for them and was the first trip they went on as an officer team.

Courtney Butzlaff, Abigail Drewits and Tyler Butzlaff prepare to answer questions in their leadership workbook.

# 2017 ANNUAL FFA BANQUET

After many members contributed their time and effort, the cafeteria looked great for the 2017 banquet, where the Kewaskum FFA Chapter celebrated 65 years. Thank you to all who helped with the banquet setup.

photo submitted

FFA members created a backdrop at the banquet, including displaying FFA jackets from different generations. At the banquet, attendees celebrated the 65th anniversary of the Kewaskum FFA. Many past FFA officers attended the banquet.

photo submitted

At the banquet, FFA members presented the sponsors of the Kewaskum FFA with plaques of appreciation. Without our sponsors we would not be able to do all the great events we do. Thank you to all of our sponsors - your support is greatly appreciated.

photo submitted

**NATIONAL FFA WEEK**

FEBRUARY 17-24

Kewaskum FFA members Seth Bartelt and Abby Ashauer received scholarships in memory of Leon Thull. The scholarships were presented by Craig and Kevin Thull. There are many scholarships presented through the FFA, such as the Kewaskum FFA Alumni, Kewaskum Vet Clinic, Kewaskum Frozen Foods, Brent Schultz Memorial and the Travis Trapp Memorial scholarships.

photo submitted

# THE KEWASKUM FFA ALUMNI

## Advocates For Agriculture

Never an FFA member you say? Well you don't have to be! We are a group of adults that are passionate about agriculture, how it's a part of the classroom, as well as the community and we care about the future of agriculture here in Kewaskum.

We are always looking for new ideas to bring to the Alumni or new community events to be part of promoting agriculture. We hold meetings typically every other month to

discuss topics like conventions, workshops, fundraising or events going on with the student FFA and what events we can partake in with them or support them.

You will see many of the alumni members helping in various ways at the Washington County Fair alongside the youth.

If you think you are up to the challenge of being an advocate for agriculture education... Join the Kewaskum FFA Alumni today!

## Wine & Beer Tasting Event

The Kewaskum FFA Alumni will again be sponsoring a Wine and Beer Tasting Event for our many friends who support agriculture.

We had a great turnout last year and we would like to do it again this year.

This event will be held on Thursday, Apr. 12, at Jug's Hitching Post in Kohlsville from 6 p.m. to 9 p.m.

The cost of the event is \$20, which includes a commemorative glass and a variety of wine, beer and cheese samples, as well as a nacho bar.

Several raffles, including a gun raffle, 50/50 raffle

and "bucket raffles" will be held throughout the evening.

If you would like to enjoy a casual night out, this event is for you. Bring

your friends and family and come on out to Kohlsville and support agricultural education. (Must be 21 or older to attend.)

## Piggly Wiggly Brat Fry

Every year Geidel's Piggly Wiggly has different organizations run the brat fry at the store every Saturday.

Kewaskum FFA Alumni has been one of those organizations who has been very fortunate to run that brat fry and we cannot thank the community enough for stopping for a quick bite to eat and supporting agriculture education.

## KHS Greenhouse

We have been very excited to see the greenhouse taking shape and much progress happening at KHS.

Structural walls for the animal lab will continue to be built in the coming weeks along with the actual greenhouse building being installed.

We cannot thank the community enough, along with many special donors who have helped make this possible for the

Kewaskum community. Mrs. Oelhafen, the agricultural advisor, has been busy working to be sure it's going to be beneficial in many ways for the agricultural classes starting in fall of 2018.

The animal lab will be able to house small and some large animals for teaching and learning purposes. This is a tremendous accomplishment that the FFA Alumni is proud to be a part of.

## Christmas Parade

If you have ever attended the Kewaskum Christmas Parade the first Sunday in December, you may have smelled the aroma of brats, hot dogs, cookies and hot chocolate near the Eisenbahn Trail.

Kewaskum FFA Alumni members set up a tent and those walking by

looking for the perfect spot to watch the parade usually stop to grab a bite to eat along the way.

We would like to recognize everyone who has stopped at our tent to support the agriculture education program in Kewaskum.

## State Fair Ice Cream Booth

Every year during the Wisconsin State Fair the Kewaskum, Slinger & Hartford FFA Chapters have a booth selling ice cream sundaes.

This was the 36th year that the booth has been open and continues to be one of the biggest fundraisers for all three of these clubs.

The Kewaskum FFA Alumni members take one

of those days during the fair and work in the booth, with all our wages being donated towards scholarships for Kewaskum FFA students. It is one of the most popular booths at the Wisconsin State Fair and it's a busy day selling and scooping ice cream, but Alumni members look forward to helping at the state fair each year.
