New Scoreboard May Be On Horizon

– Local Companies Offer To Donate New LED Scoreboard To School

By Anne Trautner

Dennis Butz of Smith and Hatch Insurance is looking forward to the new school building and athletic facilities coming to Kewaskum.

“With a brand new facility and a brand new field, and now that soccer is going to be played there too, we could use a new scoreboard,” Butz thought to himself.

So he approached Jason Piittmaan, athletic director for the school district. Piittmaan directed Butz to Daktronics, a sports marketing company that creates scoreboards.

Butz wasn't thinking of a major upgrade at first.

“Our regular scoreboard is OK, but everyone is going with the replay boards now,” he said.

As others heard about Butz's idea, Joel Fleischman of Drexel Building Supply came forward to help cover the cost of purchasing a new scoreboard.

“Things got a little bigger,” Butz said. “The school is going to get a nice addition to the field there.”

Depending on finances,

the scoreboard will measure either about 11 by 19 feet or 13 by 24 feet, according to Butz. The digital board will feature LED lighting with replay capabilities, as well as a sound system.

“It is all one speaker that is going to be on the scoreboard, but it is plenty loud and quite clear,” Butz said. “I did request that they play the 80s music on it that I enjoy, but my kid, she didn't think that was such a good idea.”

The Kewaskum School Board voted Monday night to accept the donation. No taxpayer money will be spent on the scoreboard.

However, additional money will need to be raised before a new scoreboard can be installed.

“We have enough to cover the cost of the board. We are trying to find what the price is to put in the ground,” Superintendent James Smasal said at Monday night's meeting.

The board directed Smasal to find donations to cover that cost before the new scoreboard can become a reality.

Eli Ogi, Adreanna Eickermann and Alayna Lambrecht play on the playground at Kewaskum Elementary School during the Boys & Girls Club afterschool program on Tuesday. The Kewaskum School Board approved an agreement Monday night for the Boys & Girls Club of Washington County to lease the district's school facilities for a total of \$200,000 for the next 20 years. West Bend Mutual donated \$100,000 toward the agreement.

Federal Newsprint Tariffs Hit Community Newspapers Hard

By Andrew Johnson

A series of tariffs put on newsprint paper by the U.S. Department of Commerce earlier this year have worked down the supply chain to hit small community newspapers hard in recent weeks, including the Dodge County Pioneer, Campbellsport News and

the Kewaskum Statesman.

Ripon Printers, who has printed this paper for many years, announced two weeks ago that they had to raise their printing prices for newspapers over 20 percent beginning July 1 due to the tariffs.

Printers throughout the country have had to make similar price adjustments or face going out of busi-

ness. Community newspapers in rural America are still primarily distributed by printed product as opposed to digital outputs like some of the big metro or national newspapers.

Small newspapers are becoming a more important source of local news as other media outlets have cut back coverage in rural areas in recent years.

They are by far the most trusted vehicle for local advertising and news. After labor, printing is still the single largest expense for a community newspaper.

Millennials are the fastest growing segment of community newspaper readers.

Quad/Graphics Staying Relevant In Ever-Changing Market

By Zach Cook

Located in a village that is home to roughly 2,500 people is the largest single print-production facility in the western hemisphere.

Quad/Graphics has more than four dozen facilities across the country, but none bigger than its 2.2 million square-foot facility located in Lomira. While the company is commonly associated

with the printing industry, it continues to offer more services in response to the ever-changing market.

“It's essential to be able to change because as things evolve and we went into the digital era, there was a lot of jockeying around for ad dollars,” Plant Director Joe Gitter said. “Print is really driven by ad dollars and Quad is in an excellent position because we are doing

what is referred to as Quad 3.0 and that really refers to being an overall marketing solutions provider that offers a wide range of services for different advertising channels - both in print and online. We've adapted.”

The latest change in the industry Quad has adapted to is the newsprint tariff set to take place later this year. “The newsprint tariff has tightened up the paper market consider-

ably,” Gitter said. “It could cause a shift from traditional print to other forms of media. However, we are prepared.”

Gitter said while the changes have been challenging to adapt to at times, they haven't been all negative as it has given the company an opportunity to expand its brand across different platforms.

Continued on Page 11

A Quad employee preps a large roll of paper before sending it to the printer for an upcoming project.

Boltonville Rain Days To Be Held May 25-27

– Wristbands Available For Carnival Rides

Boltonville Rain Days will be held on May 25, 26 and 27.

Wristbands will be offered to go on carnival rides at a special rate. The carnival ride wristbands can be used on Friday from 1 to 10 p.m., Saturday from 1 to 5 p.m. and Sunday from 1 to 5 p.m. This is the third year Wenzel Amazements have

provided the carnival rides for Rain Days.

Wristbands may be purchased in advance at Marshall's Country Corner, the Citgo in Boltonville, Kohn's Corner Mart Citgo in Kewaskum and Kohn's Filling Station BP in Kewaskum.

To place an entry in the Prize Parade, call 262-692-6066.

XYZ Card Results

The winners of cards played at the Municipal Building Annex on Wednesday, May 9, were: Marvin Marquardt, Fred Lettow, Verla Bilgo, Gordon Held, John Severance, Eileen Petri and Marilyn Martin. New members are always welcome. Cards are played from 8 a.m. - 11:15 a.m. every Wednesday.

Tuesday Night Sheepshead Winners

Five-handed winners on Tuesday, May 8 were: Gerold Stern 63-3-60 16-2-14, Raymond Zimmerman 65-7-58 25-3-22, Duane Plath 56-7-49 23-4-19, Chick Flynn 61-12-49 19-6-13, Joe Reimer 52-4-48 13-4-9, Charlie Wagner 53-7-46 18-5-13, Rochelle Stoffel 50-5-45 20-5-15, Scott Stern 19 most losses and Vern S. 7 low points.

The next five-handed call-an-ace will be Tuesday, May 22, at 7 p.m. sharp. New players are always welcome at the Kewaskum Labor Center.

Week's Wit...

The reason why people who mind their own business succeed so well is that they have so little competition.

Albrecht Free Clinic Receives \$25,000 Donation

The Albrecht Free Clinic received a donation of \$25,000 from the Brees Dream Foundation last Thursday, May 10.

Jason Risley and Amelia Lalli traveled from Texas to present the check to the clinic, which provides health and dental care to Washington County residents in need. As part of the presentation, they explained how other nonprofit organizations can receive funds from the Super Service Challenge.

Founded in 2011, the Super Service Challenge is a national program that can benefit any registered 501(c)(3) nonprofit organization.

To receive funding, two or more volunteers can record a video that is two minutes or less about the service organization. After uploading the video to the superservicechallenge.com, viewers need to "like" the video.

For 25 "likes" on a video, the organization

can earn \$25 in matching funds; 250 likes equals \$125; and 2,500 likes will earn \$1,250. Videos receiving 2,500 likes or videos with 500 votes that also at least \$2000 in

donations also get a chance at winning \$5,000 to \$25,000 in funding.

For more information, visit superservicechallenge.com.

Memorial Day Program To Be Held In Fillmore

The public is invited to a Memorial Day Program in Fillmore on Monday, May 28.

The annual Memorial Day Program in Fillmore will include the exhibit "A Face for Every Name." The exhibit features a photo for every Vietnam veteran from Wisconsin who is remembered on the Vietnam War Memorial in Washington, D.C.

The Fillmore Turner Hall, located at 523 Highway H, just 3.5 miles east of Highway 144 north of West Bend, will be open for viewing the exhibit at 11 a.m. on Memorial Day, Monday, May 28.

The traditional Memorial Day Program will begin in Turner Hall at 12:30 p.m.

Refreshments, brats and burgers will be available beginning at 11 a.m.

Andrew Johnson, publisher of the Kewaskum Statesman, The Campbellsport News and the Dodge County Pioneer, will share his story of working with community newspapers to locate the photos for the memorial. He has been recognized by the National Newspaper Association for his work on the project. Johnson, whose son David was killed in 2012 in Afghanistan, is a Gold Star Father, and is committed to having a face for the all veterans on the Memorial.

The Farmington Historical Society is sponsoring the event. The traveling exhibit is made available by the Wisconsin Veterans Museum.

Memorial Day Program To Be Held In Kewaskum

The public is invited to share in Kewaskum's longstanding tradition of holding a Memorial Day ceremony.

This year's Memorial Day program will be held at 10:30 a.m. on Monday, May 28, outside the American Legion Hall, 1538 Fond du Lac Ave. in Kewaskum.

There will be no parade this year, because of construction occurring at

Kewaskum High School. However, the public is encouraged to still take part in the regular ceremony at the Legion Hall, which will include speakers and a 21-gun salute.

Immediately following the program, members of the American Legion and the American Legion Auxiliary Unit 384 of Kewaskum will serve hamburgers, brats and refreshments.

WASHINGTON COUNTY SHERIFF'S REPORT

Stolen Motor Vehicle/ High Speed Chase

On Saturday, May 12, at approximately 5:08 a.m. a Village of Kewaskum resident contacted the Washington County Sheriff's Communication Center to report that her vehicle had just been stolen from her driveway. The victim advised that she had been warming up the vehicle prior to leaving for work. The victim provided a description of the vehicle and the direction of travel. A Kewaskum police officer was dispatched to the residence on Bel-Ric Drive.

At about 5:12 a.m., a Washington County sheriff's deputy observed the stolen vehicle southbound on U.S. Highway 45 in the area of Friendly Drive. The Deputy attempted to initiate a traffic stop of the vehicle. The operator refused to stop and continued southbound at speeds in excess of 100 mph. The operator, at times, was also veering back and forth between both southbound lanes. In the area of U.S. Highway 45 and Park Avenue, the operator lost control and entered the center grass median. After, the operator drove through the median and proceeded back northbound on U.S. Highway 45.

A citizen witness reported that the vehicle had exited U.S. Highway 45 at County Highway D and was now eastbound. Multiple officers from the Sheriff's Office and West Bend Police Department responded to the area. At approximately 5:20 a.m. a deputy located the stolen vehicle eastbound on State Highway 33 from Schmidt Road. The deputy followed the vehicle, but did not immediately attempt to stop it. Ultimately, the operator turned south onto Trenton Road and stopped on his own. With the assistance of West Bend officers, deputies took the operator into custody without incident.

There were no injuries associated with the pursuit or subsequent arrest. The suspect, a 17 year-old City of Milwaukee teen, is currently being held in the Washington County Jail. Felony charges of Knowingly Fleeing an Officer and Operating a Vehicle without Owner's Consent, and forfeitures of Operating without a Driver's License and Reckless Driving will be forwarded to the Washington County District Attorney's Office for consideration.

It is not believed the teen acted alone in the theft. No further information will be released at this time as the incident remains under investigation by the Washington County Sheriff's Office and Kewaskum Police Department.

Semi Accident

On May 13 at approximately 10:55 p.m. the Washington County Sheriff's Office was notified of a semi-tractor trailer that rolled over in the median of Interstate 41 south of State Highway 28 in the Town of Wayne. Washington

County Sheriff's deputies, as well as the Kohlsville and Kewaskum fire departments, were dispatched.

The driver of the semi was transported by Kewaskum Rescue to the hospital, where he was treated for minor injuries and released. The investigation revealed that the driver swerved to avoid striking a deer and lost control of the semi-tractor trailer which then rolled onto its side in the median.

The trailer was loaded with 39,000 pounds of sausage. Crews worked for four hours to off load the sausage so the truck could be up righted. One lane remained open overnight on Interstate 41 during cleanup. An entire freeway closure occurred at approximately 5:15 a.m. so that the truck could be removed. The detour for Interstate 41 southbound was to exit on State Highway 28 and go east to Midland Road and then south to County Highway D and then back onto Interstate 41 southbound.

The interstate was reopened about an hour after the full closure started.

Arrest Made In Armed Robbery Case

Brian James Scragg Smyczek has been charged with the armed robbery that occurred on May 2 at the Romies BP in Allenton. Scragg Smyczek made an appearance in Circuit Court on May 10 and remains in the Washington County Jail on a \$20,000 cash bond.

With the assistance of a witness and an Allenton business surveillance video, authorities were able to identify the vehicle used by the suspect. The vehicle owner was not involved with the robbery; however, authorities were able to identify the actor who had been using the vehicle at

the time of the robbery. Smyczek was ultimately arrested without incident and made a full confession to the crime.

Motor Vehicle Crash

On Wednesday, May 9, at approximately 8:49 a.m., the Washington County Sheriff's Office was notified of a single vehicle accident involving a Washington County Taxi bus in the area of County Highway E and Rolaine Parkway in the Town of Hartford. Sheriff's deputies, a state trooper, and members of the Hartford Fire Department were subsequently dispatched to the scene.

Upon their arrival, rescue personnel located the bus in the north ditch line, just west of Glassgo Drive. The bus was occupied by a driver and two passengers. The driver, a 58-year-old City of West Bend man, and one of his passengers, a 73-year-old Village of Germantown man, were transported via Hartford Rescue to Aurora Hospital in the City of Hartford for non-life threatening injuries. The remaining passenger, a 94 year-old Village of Richfield man was not injured.

The bus driver indicated that he had been westbound on County Highway E, when an eastbound older white Buick sedan crossed the centerline in the area of Rolaine Parkway. To avoid striking the sedan, the bus driver veered right, entered the north ditch line, and continued westbound until the bus came to a stop just west of Glassgo Drive. The crash remains under investigation and the Sheriff's Office is seeking the public's assistance in identifying the operator of the white sedan car. Any witnesses to the crash are requested to contact the Washington County Sheriff's Office at

On Thursday, May 10, three new Washington County deputies graduated from the Waukesha County Technical College Recruit Academy. Sheriff Dale Schmidt, Captain Bruce Theusch and the Primary Field Training officers joined the recruits at the graduation ceremony. The sheriff welcomes Deputy Zachary Anderson, Deputy Daniel Ruhnke and Deputy Joseph Conery to the force. Deputy Joseph Conery received two awards for his performance at the Academy for Firearms Proficiency and Academic Achievement. Pictured (from left) are: FTO Deputy Matthew Dourn, Sheriff Dale Schmidt, Deputy Zachary Anderson, Deputy Daniel Ruhnke, Deputy Joseph Conery, FTO Deputy Alex Herriges, FTO Deputy Bradley Rodich and Captain Bruce Theusch. **photo submitted**

262-335-4420.

OWI Case

On May 6 at 5:32 p.m. a deputy was on routine patrol when he saw a motorcycle come to a stop at the end of the off ramp

on U.S. 45 and County Highway D. As the motorcycle came to a stop, both the operator and passenger fell off.

The deputy stopped the motorcycle a short distance away and found the opera-

tor, a 55-year-old City of West Bend man, intoxicated. He was arrested for third offense OWI and taken to jail. The passenger, who was not hurt, was turned over to a friend that responded to the scene.

Washington County's Most Wanted

The Washington County
Sheriff's Department is seeking:

Name: Raymond Lloyd McGregor
Also Known As: Lloyd McGregor, Raynd McGregor, Ray McGregor
Age: 27
Race: White
Sex: Male
Height: 5'11" **Weight:** 190
Hair: Brown **Eyes:** Hazel
Scars/Tattoos: Scar-discoloration on neck and right arm. Tattoo on neck.
Last Known Address: Slinger, Jackson

Warrant Entry Date: 05/14/2018

Wanted for #1 - Washington County - disorderly conduct (domestic abuse), battery (domestic abuse), intentionally contact victim; #2 - Department of Corrections - probation violation.

Anyone with information on this person's whereabouts should call the Washington County Sheriff's Department at 262-335-4411 or Washington County Law Enforcement Tip Line at 800-232-0594. Residents should not attempt to apprehend this suspect.

DAYS GONE BY

5 Years Ago May 16, 2013

After two years of work, the Kewaskum Area Arts Council Inc. is pleased and excited to announce that two pieces of steel from the World Trade Center has been designated for Kewaskum. These artifacts from the tragedy of 9/11 will soon have a permanent home here in memory of Andrea Haberman and all those that were lost on that infamous day in New York City.

A Kewaskum man has been charged with his eighth OWI after Kewaskum Police responded to a call and found the man lying on the ground near his home next to a pile of vomit.

Deacon Philip James Schumaker of rural Kewaskum is one of four men who will be ordained this coming Saturday, May 18, at St. John the Evangelist Cathedral in Milwaukee.

Nicholas Bier has been named the recipient of the Regal Ware Academic Scholarship for 2013. He will receive \$2,000 for each of his four years of college studies.

A son, Bentley Jay, was born to Brandon and Amanda Kuhfuss of Kewaskum on April 11.

Louella I. 'Lou' Dettmann, 83, of the Town of Farmington, passed away on May 11.

Susan Roberta Merkt, 58, passed away on May 10.

15 Years Ago May 15, 2003

Campbellsport Firefighters responded to a fire at N2359 Triple S Road in the Town of Auburn the evening of Wednesday, May 7. Eden Fire Department was also called to provide aid with tanker trucks. The Fond du Lac County Sheriff's Department provided traffic assistance. The Sheriff's Department was notified of the call at 10:17 for a furnace that was on fire in the basement of the Gregory and Delores Loehr residence.

On Friday, May 2, Sara M. Dreher was inducted into the Delta of Wisconsin Chapter of Beta Gamma Sigma. Beta Gamma Sigma is the honor society recognizing outstanding achievement in business programs accredited by AACSB International - The Association to Advance Collegiate Schools of Business.

First Class Midshipman, Lucas John Martin, son of Larry and Louise Martin of Kewaskum, will graduate on May 23, 2003, from the U.S. Naval Academy in Annapolis, Maryland, where he has attended college the last four

years. Lucas is a 1995 graduate of Holy Trinity Catholic Grade School in Kewaskum and was valedictorian of the 1999 graduating class of St. Lawrence Seminary, Mount Calvary.

The winners of the Modern Woodmen Civic Speaking Contest at Holy Trinity School were: first place, Lauden Belongia; second place, Allison Kowalczyk; and third place, Karissa Dums. Lauden and Allison participated in the district contest at Random Lake on May 6. Allison took second place there and will be participating in the state contest on May 13 in Pewaukee.

Kiwanis Students of the Month were Kyra Meyer, daughter of Carl and Susan Meyer, and Jenny Harter, daughter of Gerald and Joan Harter.

The aroma of a delicious fish fry can be enjoyed throughout the town of Fillmore thanks to a restaurant called the Fire Escape. Wendy Kudek has owned the Fire Escape for the past year and is extremely proud of what her restaurant has to offer.

A daughter, Alexis Danielle, was born to Corey and Rene Garbisch of Grafton on April 28.

A son, Tucker Michael, was born to Chris and Mike Schmidt of the town of Wayne on May 1.

Mable M. Kolkema, nee Maaske, 93, of West Bend, passed away on May 7.

Alois C. Pastors, 89, of West Bend, passed away on May 8.

Arlene Marcella Fell, 70, of Campbellsport, passed away on May 9.

25 Years Ago May 20, 1993

Steven J. Dilling of Fond du Lac was extremely lucky to escape from a vehicle-train collision with minor injuries late Thursday, May 13. The 1988 GMC Jimmy Dilling was driving was struck by a southbound Fox River Valley train at the Main Street crossing in Kewaskum around 10:19 p.m. The vehicle was pushed down to Railroad Street and Prospect before the train could come to a complete stop. Dilling escaped through the sun roof, suffering only minor cuts to the forehead and arm. Witnesses to the accident called 911 and the Kewaskum Rescue Squad and Fire Department was dispatched to the scene, however, Dilling refused transport to the hospital. The "wig-wag" signals at the Main Street crossing were working at the time of the collision.

A Kewaskum area man was seriously injured in a

freak biking accident near River Falls last Thursday. Eric Pearson, a 1988 Kewaskum High School graduate, suffered severe spinal injuries when he lost control of his mountain bike and struck a tree head-first. The accident occurred when Pearson was riding with two other friends from the University of River Falls football team.

Each year the Kewaskum Juniors deliver a Mother's Day gift basket filled with items for mom and baby to the mother of the first born baby on Mother's Day. Items are donated by club members and the project is coordinated by the Home Life Department. This year, the gift basket was given to Lynn and Steven Schneider of Jackson who are the proud parents of twin girls born on May 10.

Recently winners of Sentry's March Match and Win contest picked up their prizes. Herb Thorn of Kewaskum won a new VCR. Howard Martinson of Kewaskum won a big cash prize of \$1,000. Debbie Weisner of Kewaskum was the lucky winner of a microwave.

Kewaskum golf coach Joe Harlow wanted improvement from his troops this year and that's exactly what the Indian linksters provided him with last Monday night at the Quit Qui Oc Country Club. The Indians knocked 20 strokes off their previous best team total, and the marked improvement was good enough to post a 187-192 win over Kiel in an Eastern Wisconsin Conference match.

A son was born to Dawn and Michael Petri of Kewaskum on May 12.

Jean L. Johann, nee Chapman, 50, passed away on May 15.

Harold J. Anders, 68, of Campbellsport, passed away on May 11.

Lyle E. Troedel, 72, of West Bend, passed away on May 4.

50 Years Ago May 17, 1968

Alvin Krewald, 41, Kewaskum, was injured when his car was struck by a Chicago and North Western passenger train at the Kettle Moraine Drive crossing to the rear or east of Lighthouse Lanes bowling alley, south of Kewaskum last Friday. The crossing is located a short distance east of Highway 45.

The mishap occurred when Krewald's auto, traveling in a generally westerly direction across the tracks, was struck in the right rear by the southbound train. The impact swung the car around, throwing it against the railroad crossing marker on the west side of the tracks, breaking it off. Krewald was reported to have suffered extensive lacerations to his forehead, head injuries and lacerations to his arms and abrasions and contusions to his knees.

Lee H. Theusch, son of Mr. and Mrs. Leonard Theusch, Kewaskum, and a student at Kewaskum High School has been named among a group of 56 gifted students in science to attend a National Science Foundation training program this summer at Lawrence University, Appleton.

This coming Sunday, May 19, 31 eighth graders will be received into communicant membership in St. Lucas Lutheran congregation through the Rite of Confirmation. Members of the call are: Debra Backhaus, Steve Backhaus, Terry Backhaus, Peggy Bartelt, Deborah Behnke, Debra Bilgo, Janet Bunkelman, Charlie Buss, Craig Carr, Julie Ebert, Mary Edwards, Darla Fellenz, Mary Galabinske, Thomas Gudex, Jacqueline Justman, Yvonne Kleinke, Jerome Kuehl, Sylvester Marquardt, Debra Norskog, Terry Schaub, Sandra Schleif, Susan Schleif, Jeffrey Schulz, Bethana Seefeldt, David Stern, Julie Stern, Michael Stern, Nancy Tolonen, Peter Uhlig, Sandra Weddig and Steve Weddig.

Miss Carol Volm, daughter of Mr. and Mrs. Aloysius Volm, Route 2, Kewaskum, became the bride of Kenneth Ramthun, son of Mr. and Mrs. Harry Ramthun, Route 6, West Bend, on Saturday, May 4.

The Kewaskum Indians golf team won the Scenic Moraine conference's first championship in a match held at Scenic View Country Club near Slinger on Wednesday of this week. Five conference schools participated in the 18-hole meet. Kewaskum won the title with a total of 340 strokes, followed by Slinger with 354. Members of the Kewaskum varsity team are George Martin, Al Bohn, Clark Eichstedt, Perry Koth and Jim Tessar.

A son was born to Mr. and

Mrs. Harry Brodzeller, Route 2, Kewaskum, on May 8.

75 Years Ago May 21, 1943

Sunday, May 23, will be observed as confirmation Sunday by the members and friends of the St. Lucas Evangelical Lutheran church. Ten children have completed their instruction of the six chief parts of Luther's Small Catechism and are ready to make a public confession of their faith. These children are as follows: Gertrude Okrusch, Lizzie Lubitz, Gertrude Pagel, LaVerne Kirchner, Robert Faber, Ray Keller, Donald Backhaus, Junior Kaniess, August Bilgo Jr. and Lester Schaub.

The cyclone-like wind which struck this community Sunday morning did quite a bit of minor damage throughout this section. At some places shingles were torn off roofs and even the tar paper covering on other roofs was ripped off. Some trees were uprooted and other destruction resulted. The wind was more damaging south of here. The unseasonably chilly weather which has prevailed has held back farm crops and seeding as well as victory garden progress.

Five little children will receive their First Holy Communion during Mass starting at 8 a.m. Sunday at St. Bridget's Church. The communicants are Rita Mary Boegel, Lorraine Barbara Westerman, Harold Francis Strohmeier, Robert Renner and George Hanrahan.

Palms, ferns and white and gold gladioli formed the setting for the marriage of Miss Hope Reimer, daughter of Mr. and Mrs. Joseph Reimer, Fond du Lac, and Francis Joseph Roden, son of Mr. and Mrs. Albert G. Hron, Kewaskum, on Saturday, May 15, in St. Mary's Church, Fond du Lac.

A daughter was born to Mr. and Mrs. Edward Theusch, Route 3, Kewaskum, on May 15.

A baby girl was born to Mr. and Mrs. Lloyd Lynn of Milwaukee on May 11. Mrs. Lynn in the former Henrietta Backhaus, daughter of Mrs. Herbert Backhaus Sr. of this village.

A daughter was born to Mr. and Mrs. Gregory Wettstein of Allenton on May 17. Mrs. Wettstein is the former Alvera Bonlender of St. Killian.

A son, Thomas Ray, was born to Mr. and Mrs. Donald

Odekirk, Route 1, Campbellsport, on May 15. Mrs. Odekirk is the former Lucille Dieringer of Campbellsport.

100 Years Ago May 18, 1918

By an act of the Legislative in 1846, the Town of Kewaskum was part of West Bend. In 1847, it was divided and named Kewaskum in honor of an old Indian Chief of the Pottawatomies, who owned this land before the white man settled here. The town is watered by the Milwaukee River and a few tributary streams and has a dearth of lakes. The first election of the Town of Kewaskum was held at the home of Nathan Wheeler, April 2, 1850. The first settlers here were Mr. P. Barnes and wife who settled here in 1844. The first post office was established in Kewaskum Village in 1847, with James Thompson as first Postmaster. The first school was established in 1851 with L. Clarke, Supt. and Calista Colvin, teacher. In 1852, J.H. Myer built the first log house on the banks of the Milwaukee River. He then built a sawmill in 1854 and a grist mill in 1856. The first frame house in the village was built by Henry P. Eames, near the river on the south side of Main Street, opposite West Water. The nearest settler was William Pickel, a half mile away. The first store was built by William Spicer. In 1852 F.W. Buchtel started a blacksmith shop. In the spring of 1854 the first religious society was organized, the Dutch Reformed with Rev. M. Davenport as Pastor. There were four attendants at the first meeting. The first church was built by the Catholics. The first Sunday school was organized in 1855 with Mrs. Eames as Supt. The school was very successful and was maintained until 1879. The village has grown to be the thriving business center of the surrounding county. The C.&N.W. Railroad passes through the town and village. We now have several stores, butcher shops, blacksmith shops, garages, elevators, milliners, etc. The Catholic Church was built in 1862. The Lutheran Church in 1868, and the German Methodist in 1866. The latter congregation has disbanded and a new congregation has been organized, known as the Ev. Peace.

An Upcoming Calendar of Events for Riveredge Nature Center, 4458 County Hwy Y, Newburg, WI. Visit: www.riveredgenaturecenter.org for further information.

Friday, May 18 - Friday Morning Bird Walks with Paul Boyer. Start your Fridays with an early morning walk at Riveredge. Join veteran birder, Paul Boyer, to see (and hear) a wide variety of migrating spring birds. Walks take place rain or shine. Meet in front of the Visitor's Center. Fee: Free (\$5 suggested donation) 7:30 - 9 a.m.

Saturday, May 19 - Frothy Forage 2018. What could be better than drinking delicious beer and wine from local breweries and wineries? Drinking delicious local beer and wine while in the great outdoors. The Frothy Forage is a unique microbrew festival where the surroundings are just as refreshing as the drinks. Surrounded by Riveredge Nature Center's 379 acres of wild Wisconsin, Frothy Foragers will sample offerings from some of our favorite Wisconsin producers, enjoy live bluegrass music from the incredible The Honeygoats, challenge friends (or a strangers) to games of skill, and devour delicious eats from local food trucks. Oh, and did we mention the special Beer Trek trail through the woods and prairies complete with additional sampling stations for you to enjoy as you hike and explore? Noon - 4 p.m.

Sunday, May 20 - Evening Kayak at Mequon's Villa Grove Park. Paddling takes a mix of knowledge and skills. Join a Riveredge Adventure Guide to paddle the Milwaukee River. We will meet at Villa Grove Park in Mequon for an unforgettable paddling experience that will begin with safety and end with a splash. Great for beginners. We will use 1 person kayaks.

Ages 10+. Fee: Non-Members: \$35/person, Members: \$25/person. 5 - 7 p.m.

Thursday, May 24 - Garlic Mustard Pull-a-thon. Help Riveredge control garlic mustard and Dame's rocket throughout the sanctuary. In partnership with the Southeastern Wisconsin Invasive Species Consortium, the Pull-a-thon is a competition, a fundraiser, and a way for people to join together and have a positive impact on their environment. Riveredge was 2016's competition winner, so we'll need your help to return the trophy to Riveredge again this year. Adults and families (with children aged 10 and up) are encouraged to participate. Come for either part or the entire time. Participants should wear long sleeves, non-synthetic pants, boots/shoes that can get dirty, good-fitting gloves, and a hat. We will provide water but please bring a water container for refilling. Schedule- 9:00-9:15 Volunteers gather in the Main Center, 9:15-9:30 Hike to project site (mouth of Riveredge creek, 9:30-12:00 Pull, 12:00-12:30 Lunch Time, 12:30-2:50 Pull, 2:50- 3:00 Hike out with bags and group photo. If you cannot join us, you can still support our efforts in invasive species education by donating to SEWISC. Pre-registration is not required; however, if you have a group that would like to participate, please contact Matt Smith at msmith@riveredge.us or call us at 262-375-2715.

Wednesday, May 30 - Community Rivers Program Community Meeting. Riveredge Nature Center, the villages of Newburg, Saukville, and Grafton, in addition to other water stakeholders in the Milwaukee River watershed are partnering through the Community Rivers Program to improve the water quality of the Milwaukee River. We welcome your ideas for how local citizens, governments, farmers, and businesses can work together to improve the River's health. Please join the conversation on May 30 at 6:00 PM during a community meeting at the Riveredge Nature Center. The meeting is supported by the U.S. EPA and the Institute of Museum and Library Services.

Saturday, June 2 - Riveredge's watery worlds are bursting with life in Spring. Join Riveredge naturalists and search for frogs, tadpoles, salamanders and other creatures that live in our wetlands. Get a close up look at live reptiles and amphibians while learning more about their fascinating lives; from their calls to their lifecycles. Wander from pond to pond and then make a stop to peek through a microscope, hear a short story, and enjoy refreshments with a quick craft all focused on discovering pond life from frogs, to turtles, and even arthropods. Bring the whole family for all or part of the program; you won't want to miss this special celebration of spring! Dress for the weather and don't forget your boots. Pre-registration suggested; required for groups. Don't miss the Madison Herpetology Society. This group of passionate volunteers will be on site to educate herp enthusiasts and the general public about frequently misunderstood reptiles and amphibians. Unfortunately, these animals get a negative image due to fear, movies, and misconceptions. Stop by their station to dispel those myths and learn the truth about these animals and how amazing they really are. Plus you'll get to meet the loveable Tank- a black and white Argentine Tegu. Non-Member: \$8 per child (adults free of charge). Members: \$5 per child (adults free of charge). Online registration will be open until 9 a.m. on Saturday- pre-registration helps you get to the frogs faster, but otherwise please feel free to walk-in and register day of. This event is designed to be festival style, so please feel free to join us whenever best works with your schedule. Be sure to save plenty of time for all the fun, though. See you Saturday. 1 - 4:30 p.m.

Saturday, June 2 - Tree Climbing Open Climb. Explore Riveredge at a new elevation. This isn't your childhood tree climbing. With the help of our trained facilitators, you'll get up in the trees like never before. Using the same professional equipment that arborists and scientists use when they ascend into the treetops, our highly trained and experienced facilitators will teach you everything you need to know to get harnessed up, in the saddle, and headed toward the treetops. Once you're at a height that's comfortable for you, you'll be free to swing, spin, bounce, walk the branches, or just hang out in a tree. It's your adventure. Our tree climbing programs are meant for youth and adults, age 7 and above, with little to no tree climbing skills. All equipment is supplied; all you need is loose clothing (T-shirt and long pants recommended), closed toe shoes (hard soles recommended), and an adventurous spirit. To learn more about tree climbing and other open climb dates, please visit our tree climbing page. Pre-registration is highly recommended. These tree climbing programs often fill quickly. A minimum of six climbers is required to climb, so please be sure to register if you're planning on coming so we don't have to unnecessarily cancel any climbs. Cost per climber (all ages 7 or older welcome!): Non-members: \$35 / Riveredge members: \$20. 10 a.m. - noon.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

Friday, May 18 - Silent Salamanders Nature Storytime. Salamanders don't say much and they live where it's dark. Travel with us to a salamander's home to learn about these wondrous creatures. This hour of nature fun awaits 3 to 6 year olds with accompanying adults. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 9:30 - 10:30 a.m.

Saturday, May 19 - Tough-shelled Turtles Exploring Nature Program. Wisconsin is home to eleven species of turtles. Uncover how these tough-shelled reptiles are adapted to survive in a wide variety of habitats. You may even get to meet some live turtles. This program is best for families/groups with children ages 6 to 12 years old. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 1 - 2:30 p.m.

Wednesday, May 23 - Ice Age Trekkers. Meet at the Ice Age Trail crossing on County Road S near St. Matthias Church (located southwest of County Road GGG near New Fane). Join us for a calming 2.94-mile evening hike along the Ice Age National Scenic Trail between County Road S and Kettle Moraine Drive. A shuttle will be available between the starting and finishing spot. 6 - 7:30 p.m.

Friday, May 25 - Night Hike on Zillmer Trails. We will be exploring the darkening world using all our senses. Located off County Road SS between County Road G and Highway 67 near New Prospect. 8:30 p.m.

Saturday, May 26 - Discover the Secrets of Nature. Youth will uncover many of nature's secrets as part of the Wisconsin Explorer program for ages three and up. Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect), or the Long Lake Recreation Area (located off Division Road north of County Road F near Dundee). 10 a.m.

Saturday, May 26 - Drop in to use a variety of tools to explore at the Nature Up Close Drop In at the Beach. Long Lake Recreation Area (located off Division Road north of County Road F near Dundee). 1 - 4 p.m.

Saturday, May 26 - Scott Spoolman, author of "Wisconsin State Parks: Extraordinary Stories of Geology and Nature History" presents the program, "Topography Turned Upside Down." Find out how the glaciers of the last Ice Age left us with a landscape turned upside down. Ice Age Visitor Center (located off Highway 67 half mile west of Dundee). 7 p.m.

Sunday, May 27 - Drop in to use a variety of tools to explore at the Nature Up Close Drop In at the Beach. Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect). Noon - 3 p.m.

All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.

OBITUARIES

Harold L. King

Beloved husband, father, brother, uncle, grandpa, cousin, and friend, Harold L. King, 77, peacefully entered God's Kingdom on May 13, 2018.

Harold, known to all as 'Harry', was born on June 10, 1940 in McHenry, IL to Leo & Mae King.

Harry was the oldest of three siblings who learned about the value of hard work, family, faith, and community at an early age. Harry was raised on a dairy farm, working side-by-side with his family to milk Holstein dairy cows and tend the fields.

Harry attended McHenry High School and was an active member of Future Farmers of America. More recently he was a proud member of Empire Threshing Association and a participant in the Illinois Farm Bureau Tractor Trek.

In the spring of 1961, Harry met Lynn C. Sturdy over a bucket of lime. Harry kindly carried the heavy pail across the road so Lynn could finish her chores. They were married on April 4, 1964, started their own dairy farm, and soon were proud parents of four children: Brian, Rob, Kelly, and Brett.

In 1976, the family relocated to Brownsville, where Harry expanded his farm. He was an early riser and continued to be so even after the dairy cows were sold, allowing him to focus solely on growing corn, soybeans, wheat and peas.

Occasionally, Harry found time away from the farm and ventured to the lakes of northern Wisconsin and Canada to fish and camp. He loved to hunt deer and turkey.

He was always on the lookout for the next new piece of modern farm equipment to add to his

THANK YOU

The family of Helen McCarty wishes to thank everyone for your support and love during this difficult time.

Special thanks to Fr. Neil Zinthefer, Bob and Mary Twohig, Heartfelt Floral, St. Matthew Christian Women, St. Matthew Resurrection Choir, Donny Schrauth, Hope Nursing Home, Hospice Home of Hope, and Gateway Catering. Extra special thanks to Donna Markgraf and Jeanne Retzer for special visits while Mom was homebound.

collection.

He enjoyed a daily breakfast which started with a piping hot cup of coffee, a dash of fresh cream, and stories shared with his breakfast friends. But nothing gave Harry more joy and pride than time with his seven grandchildren. Whether it was attending a grade school play or concert, his grandsons' baseball and football games, or watching his granddaughters show their blue-ribbon pigs at the local fair, these moments were his most treasured. "Grandpa King" was famous for rounding up his grandkids and escaping for homemade custard served car-side at Gillies in Fond du Lac. To be honest, turtle sundaes were not on his diet!

In 2012, Harry and Lynn began to spend winters in Winter Haven, FL where he enjoyed fishing, having dinner with friends, and driving about the neighborhood in a souped-up golf cart. Harry and Lynn loved to travel with longtime friends on their famous road trips.

Harry is survived by his wife of 54 years Lynn, his children Brian King (Chris) of Washington, DC; Rob King (Janel) of Brownsville; Kelly Griesemer (Tom) of Kewaskum; and Brett King (Donna) of Brownsville; his grandchildren, Trent, Travis & Connor Griesemer, Katelyn & Madelyn King, and Cooper & Tucker King. He is also survived by his sister Donna Schaefer of McHenry, IL and brother-in-law Dave Sturdy (Libby) of Clarendon Hills, IL.

He is preceded in death by his parents Leo & Mae King, his brother Tom King, his in-laws Alan & Lee Sturdy, brother-in-law Ted Schaefer and nephews Ron Schaefer, Dan Schaefer and niece Linda Clark (Schaefer).

Visitation will take place on Thursday, May 17 from 3 p.m. to 7 p.m. and continues on Friday, May 18 from 9:30 a.m. to 10:30 a.m. at Myrhum Patten Miller Kietzer Funeral Home, 350 Main Street, Lomira.

A Celebration of Life Mass will be held on Friday, May 18 at 10:30 a.m. at St. Mary's Catholic Church, 699 Milwaukee Street, Lomira. Interment immediately following.

In lieu of flowers, donations can be made to any of the following organizations:

Future Farmers of America Lomira Alumni Chapter - all donations will support a scholarship fund dedicated to growing the next generation of agricultural leaders.

Heifer International - dedicated to supplying livestock end world hunger and poverty globally (www.heifer.org)

St. Mary's Catholic Church, 699 Milwaukee St., Lomira, WI 53048

His family would like to offer their personal gratitude to the doctors, nurs-

es, and staff of ThedaClark Regional Hospital of Neenah, for the compassionate care administered to Harry in his final days.

The Myrhum Patten Miller Kietzer Funeral Home of Lomira have been entrusted with Harold's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

Anne M. Panzer

Anne M. Panzer, 83, went to her eternal home with the presence of family on May 14, 2018.

Anne was born in New York, NY on March 22, 1935 to her parents Paul and Anna Hallmann. She met the love of her life, Eugene Panzer at her cousin's house in Connecticut, while Eugene was on Navy leave with her cousin.

In 1954, Anne moved to Wisconsin to Eugene's home town and was married on April 16, 1955. The couple later bought a farm in St. Michaels.

Ann worked at Chemical Corn Exchange Bank in New York, Bank of Nevada, Johnson Tool & Engineering, and Valley Bank for which she retired from.

During retirement, Anne enjoyed card making with friends and volunteering for Kewaskum School District with art class and reading with children. She also enjoyed singing in the choir group Sound Celebration for many years.

Anne was always trying to bring a smile to someone's face whether it was a funny joke, a simple smile, or a homemade card with a heartfelt saying for the special occasion. Anne was also an active member of Farmington Historical Society.

Those Anne leaves behind to cherish her memory include her husband, Eugene; two sons, Douglas (Annette) Panzer of Plover and Jeffery Panzer of Kewaskum; five grandchildren, Jessica Panzer (fiancé, Craig Sumter), Jake (Kim) Panzer, Ian (Reanne) Panzer, Ashley Panzer (fiancé, Edward Johnson), and Heather Sprifke; seven great-grandchildren, Kylee Sprifke, Karlee Albert, Ava Schrauth, Kamryn Albert, Anna Panzer, Flynn Panzer, and Maggie

Panzer; one brother, Paul (Phylis) Hallmann; a sister, Louise Devine; three brothers-in-law, Herman (Nancy) Panzer, Dan (Diane) Panzer, and Alvin Panzer; a sister-in-law, Stella Hallmann; other relatives and friends.

Anne was preceded in death by her parents, Paul and Anna Hallmann; two brothers, Charles Hallmann and Willie

Hallmann; two brothers-in-law, Jack Devine and Ronald (Sally) Panzer; a sister-in-law, Janet Panzer; and her parents-in-law, Herman and Vera Panzer.

The family is thankful to the Boltonville and Kewaskum First Responders, paramedic teams, and Washington County Sheriff's Department. The family

wants to thank St. Joseph's Hospital for all the kindness and compassion that went into making Anne's last days comfortable.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Anne's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

The History Of The Poppy

In the months of combat of World War I, the men of all nations who engaged in the conflict noticed and symbolized the Poppy, because in the midst of the horrors and death of war, the Poppy of the fields of France and Flanders grew wild with a freshness and strength untouched by the strife surrounding it. Poppies grew abundantly in the fields and cemeteries of Verdun and Chateau Thierry and were on the graves of men of all nations. With the picture of the white crosses in the fields of Poppies, Colonel John McCrae visualized his poem, the immortal "In Flanders' Fields."

So a symbol was born, to be used later in New York City on November 9, 1918 when Miss Monina Michael of Athens, Georgia distributed the Poppies to men attending the 25th convention of the

YMCA. In 1920 Poppies were sold publicly by American Legion Posts of Milwaukee, Wisconsin, during the convention of the 32nd Infantry Division to secure funds for disabled veterans.

On September 29, 1920, at the National Convention of the American Legion the Poppy was proclaimed the memorial flower of the American Legion. Simultaneously it became the memorial of the British Legion. Other Veterans organizations in the English national followed the Legion and Auxiliary in adopting it as their official flower of remembrance.

The nationwide sale of memorial Poppies was begun by the Legion and Auxiliary in 1921. At first, silk Poppies made in France by French widows and orphans were used. In 1922 the first Poppies

made by American veterans were produced in the hospitals in Minnesota.

The crepe paper Poppy stands for his right among men to produce with his hands an object immortalized by the men of wars that will enable him to provide for his family the necessities by which we, who are physically able, find our greatest comfort in doing.

The single Poppies are handmade by veterans and their families. The Poppy boards are assembled by veterans and their families. All funds derived from the distribution of American Legion and American Legion Auxiliary Memorial Poppy, Poppy Boards, Poppy Wreaths, except for the purchase of materials, shipping and similar expense, are used for assistance to veterans and their families.

Volunteer Days In The Northern Kettle Moraine State Forest In Haskell Noyes State Natural Area

Among the greatest conservation concerns today is the threat from invasive species that have the ability to overrun our native ecosystem and crowd out native plants and wildlife.

Native to Eurasia, garlic mustard is a biennial herb that made its way to North America in the late 1800s and is currently distributed in 37 states, including Wisconsin. Early settlers introduced this plant for cooking and medicinal purposes where it escaped from cultivation into the natural environment and began to spread from the East Coast.

Garlic mustard affects woodland forests and wildlife by displacing undergrowth vegetation

and monopolizing the entire forest floor in only a few years. It can thrive both in shade and full sun, upland and flood plains, along trails, roadsides and other habitats.

Please help to control the spread in one of the premier state natural areas, Haskell Noyes, in the Northern Kettle Moraine State Forest. Since it is the finest example of southern mesic forest in this part of the state, we need to make sure garlic mustard doesn't take it over and displace the abundant native wildflowers.

Six volunteer days will be held from 5 p.m. until 8 p.m. on Wednesday evenings, May 16 and May 23, Thursday

evenings, May 17 and May 24, and from 9 a.m. until noon on Saturdays, May 19 and May 26. If the workday is cancelled due to rain, a message will be left at 920-960-3803 at least two hours prior to the event.

We will meet at the parking lot on County Road GGG just off of County Road SS east from New Prospect. If unable to come for the whole time, directions will be posted at the parking lot. Please wear long sleeves, sunscreen, hat and bring drinking water.

Let's make a difference in our Kettle Moraine State Forest! Please call Connie at 920-960-3803 with questions or concerns.

FEATURE BUSINESS OF THE WEEK

Little Folks School House

Little Folks School House is owned by Dodie Sargent. She brings 33 years of experience, receiving her training at U.N.H. and UW-Milwaukee. The Assistant Director, Jennifer Melzark has 16 years in the field and received her training at Marian College. Along with Dodie and Jennifer are 23 employees.

Little Folks is rated 5 stars by the Wisconsin Youngstar program and Nationally Accredited. The majority of the teachers have two or four year degrees and are dedicated to providing quality childcare.

Dodie provided licensed family childcare from 1983-1997 and opened the group center (Little Folks School House) in 1997 in the Town of Wayne. After outgrowing the Wayne building, they built a bigger center in Kewaskum which opened in 2006. There are five classrooms, three age separated fenced playgrounds, a coded secured entry and camera monitored classrooms. They also provide before and after school care at Little Folks and Kewaskum Elementary School. Little Folks also serves as a teaching center for Moraine Park Technical College. Students are placed with them every semester for their practicum experience where the Little Folks teachers mentor them.

Little Folks strives to form working partnerships with families. They respect the parent's insights and concerns and want them to feel comfortable leaving their children in their care, knowing they will be safe and nurtured as they help to develop and grow.

Check us out at www.littlefolksschoolhouse.com or call 626-4023 to schedule a tour.

Federal Newsprint Tariffs Hit Community Newspapers Hard

These tariffs are opposed by businesses and organizations in the U. S. newspaper, printing and paper industry, including this newspaper, the Wisconsin Newspaper Association (WNA), the National Newspaper Association (NNA), and QuadGraphics.

The tariffs on uncoated grounded paper (UGW) or newsprint are the result of a petition by a single newsprint mill, North Pacific Paper Company (NORPAC), located in Longview, Washington, which was submitted to the Department of Commerce last year.

The mill was purchased by a New York hedge fund, One Rock Capital Partners, just two weeks prior to the petition. The petition resulted in the Commerce Department and the International Trade Commission (ITC) investigating Canadian imports of UGW to determine whether paper production was subsidized and/or shipments were being "dumped" into the United States and thus jeopardizing the 250 jobs at NORPAC.

The preliminary findings of the Department of Commerce uncovered that there was the possibility of injury to domestic paper producers. This resulted in an initial tariff of UGW from Canada in January of nearly 6.5% and up to 22% in March.

The Trump

Administration did not initiate this action. Approximately 75% of UGW used in the U.S. is from Canada. The tariff is now working its way down the supply chain to heavily tax small community newspapers.

According to Tonda Rush, NNA Director of Public Policy, an investigation is required following an initial find by trade laws. Both the ITC and the Department of Commerce play roles in developing evidence for or against the NORPAC allegations. Rush said that the preliminary tariffs will remain in place until a final determination by the agencies is made. The ITC will start taking testimony on July 17 and the final determination about the tariffs is anticipated by the end of September.

The News Media Alliance, which represents larger newspapers, initiated a Stop Tariffs on Printers and Publisher (STOPP) coalition and was joined by the NNA which is comprised of community newspapers, printers and suppliers. The STOPP coalition has stated that rapid decline in demand for newsprint by larger newspapers, which have lost about half of their revenue in the past decade, is responsible for the falling newsprint prices that NORPAC attributes to trade practices. It alleges that NORPAC is trying to

manipulate trade laws for its own profit and its action will cause a loss of jobs in newspapers and bring companies that will, in turn, accelerate a downward spiral in newsprint prices.

The case has attracted the attention of many members of Congress, including local Representative Glenn Grothman of the sixth district. Last Thursday, Grothman agreed to be a lead signer on a Wisconsin Congressional delegation letter being circulated by the Wisconsin Newspaper Association (WNA) in opposition to newsprint tariffs that threaten more than 600,000 jobs across the country.

It is the hope of the WNA that every Wisconsin Congressman and both Senators will sign the letter and testify at the ITC hearings.

More information about the case against trade sanctions in the North American newsprint market can be found StopNewsprintTariffs.org.

Andrew Johnson is the publisher of three small weekly newspapers: the Dodge County Pioneer, the Campbellsport News, and the Kewaskum Statesman. He is also the president of the Wisconsin Newspaper Association Foundation and the vice president of the National Newspaper Association. Tonda Rush, NNA Director of Public Policy, contributed to this article.

QuadGraphics is one of the largest users of uncoated grounded paper (UGW) or newsprint to print various flyers, mailers, catalogs, and other advertising material in North America. The Lomira plant consumes between nine and 12 million pounds of paper per day. It maintains between 70 to 90 million pounds of inventory. This is a recent photo taken at the Lomira plant to show what paper rolls look like. The plant is the largest printing plant in the Western Hemisphere with approximately 2.2 million square feet and employing approximately 900 people. The entire QuadGraphics company employs over 22,000 people.

photo by Andrew Johnson

So It Goes

By Andrew Johnson

Newsprint Tariff Is A Real Threat To This Newspaper

The newsprint tariff is the single biggest challenge this newspaper has faced in the past 30 years or ever. It seems like community newspapers have to fight to defend themselves.

Last year we were fighting to keep legal notices and this year we are fighting to get tariffs on newsprint removed. Next year it appears we will be fighting to keep postal delivery standards up in rural communities.

It seems that the biggest obstacles for community newspapers come from the government. However, valuable things like community newspapers are worth fighting for.

The most frustrating thing about the tariff case is that it is a result of some greedy investment bankers who took advantage of the federal commerce system (administrative law) for personal financial gain with no regard to the devastating downstream effects on thousands of businesses and communities, not to mention the possible loss of many thousands of jobs. The case is not about saving 250 jobs at a single paper mill or about the paper industry but about investment bankers making money.

A new issue created by the tariffs is now a supply issue. There was no real problem of newsprint supply before the tariffs were enacted. Except for the greedy investment bankers who own NORPAC, all other newsprint mills in the U.S. were at 97 percent capacity.

Since the tariffs, some mills are changing from making newsprint to craft paper (same machine makes both) which is used to make boxes Amazon uses. This is causing a supply problem. I know newspaper publishers who print their own papers that cannot get confirmation that they will be able to get paper

next month. If they cannot get newsprint, there will be no paper in those communities no matter what the price.

I don't believe it is fair or right that a tariff on newsprint was created by a few investment bankers who hired really good lawyers to manipulate the Department of Commerce system in order to make a quick profit.

What does this tariff mean to this "tiny" newspaper is rural Wisconsin? Most papers in Wisconsin as well as in the country (over an estimated 6,000) are community hometown papers like this one. There are 172 weeklies and 30 dailies in our state.

Depending on the source, it is estimated that the newspapers provide between 85 to 90 percent of original reported local and state news. If a newspaper closes due to a tariff tax it will jeopardize the public's access to information at the local level. This will put democracy at risk since this form of government is dependent on informed citizens. Online social media posts and blogs do not replace professional journalism.

This newspaper is not in danger of closing but may have to make adjustments if the tariffs become permanent. I welcome Congressman Glenn Grothman's support of stopping this unfair tariff. The people in the newspaper as well as the printing industry will fight hard and will hopefully win. It is in the public's sincere interest that they win.

There is a lot more to a community newspaper than just ink on paper or fonts on a phone or computer screen. A community newspaper is the "face" of the community. It is a trusted place where local information, ideas, and advertising that community members care about is exchanged.

It is the goal of this column and stories about the tariff in this week's edition to make our readers, Wisconsin Congressional members, and other influen-

tial government officials informed about this issue. It will be up to them to eliminate the newsprint tariff.

Quad Graphics

There is no coincidence that we ran the Quad Graphics story this week. Their story needs to be told. They are the number one user of newsprint stock in North America, so the tariff issue is a really big deal to them.

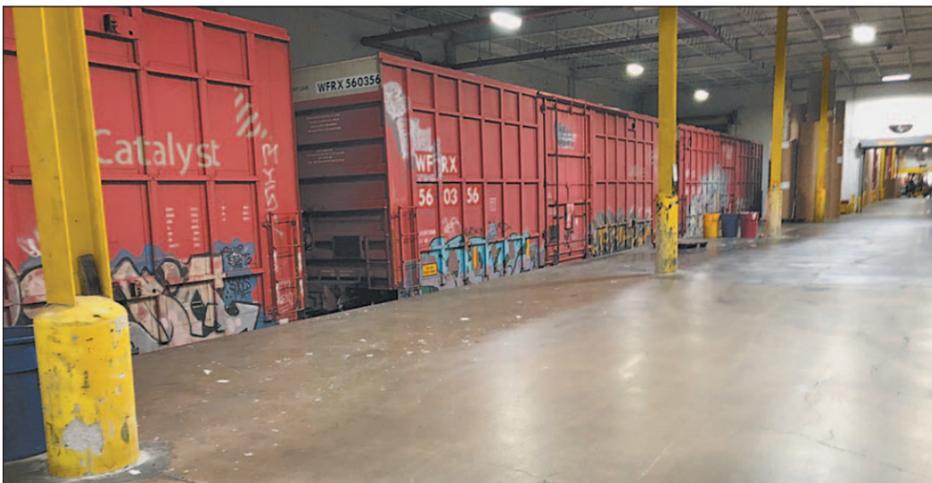

I have developed a relationship with several Quad executives that led to our tour of the Lomira plant a couple of weeks ago. Lomira Plant director Joe Gitter spent several hours showing us the largest printing plant in the western hemisphere.

Joe, a local person, leads one of the most sophisticated plants in the world. He graduated from Campbellsport High School and married a lady who graduated from Kewaskum High School. He started at Quad in Lomira many years ago with little experience or education and worked his way up.

There is no question that Joe worked really hard and did work at several different Quad plants over the years. He told me that he always felt that the Lomira plant was his home. He wanted to make it very clear that anyone who is willing to work at Quad will have many career opportunities.

The Lomira plant employs over 900 people. The highest percentage of employees come from Fond du Lac and second from Lomira. The entire Quad company is sincerely interested in their employees, the industry, and this community.

They are even going to host the National Newspaper Association (NNA) Convention gala event at their Pewaukee headquarters in October 2019 when I am president of the NNA. The Lomira plant currently has about 100 job openings. I want to publicly thank Quad for their strong support of newspapers and our community.

The QuadGraphics plant in Lomira receives much of its paper stock by railroad cars that come inside the plant. The railroad spur was previously used by a canning company that was at the same location in Lomira until 1986.

photo by Andrew Johnson

The Campbellsport News is printed on uncoated grounded paper and is negatively affected by the newsprint tariff imposed by the U.S. Department of Commerce. The paper is currently printed at Ripon Community Printers each Wednesday morning. It is then stuffed, labelled and prepared for mailing and newsstands in the Campbellsport office. Although the paper's digital edition is growing, 95 percent of current readers prefer the printed edition.

After touring the company's largest facility earlier this month, Andrew Johnson (right) and his wife Laura posed for a photo with Quad/Graphics plant director Joe Gitter.

photo by Zach Cook

Continued From... Quad/Graphics Staying Relevant In Ever-Changing Market

"We are really marketing ourselves more as a marketing solutions provider where certainly we offer traditional print, but also be into digital media and mobile solutions," he said. "We are creating an integrated marketing platform that helps clients produce content and campaigns more efficiently and effectively across all channels. This approach offers stable jobs for our employees."

With more than 900 full-time employees in its Lomira plant alone - and more than 1,300 during its seasonally busy time in the back half of the year - Gitter said his nearly three decades of experience at Quad has helped prepare him as he oversees the company's largest plant and now an additional plant.

"I came from the operations end and that's what I love because I like being connected with the people," he said. "I've had to learn more about the overall operations at our large

facility, but I understand the nuts and bolts and how products are made and manufactured. I will now also be managing our Franklin, Kentucky, plant." Gitter, a Campbellsport High School graduate, resides in the area with his wife Sandra, a Kewaskum native. Being with Quad for so many years has allowed Gitter to appreciate the unique opportunities he's had with the company.

"That's one thing Quad has done for me is they have given me opportunities that I would have never gotten anywhere else with the training and traveling I've done," he said. "Living less than 10 miles where I went to high school, I know there is no other company that could have given that to me. If I had to leave today, I would be thankful that I've had this opportunity."

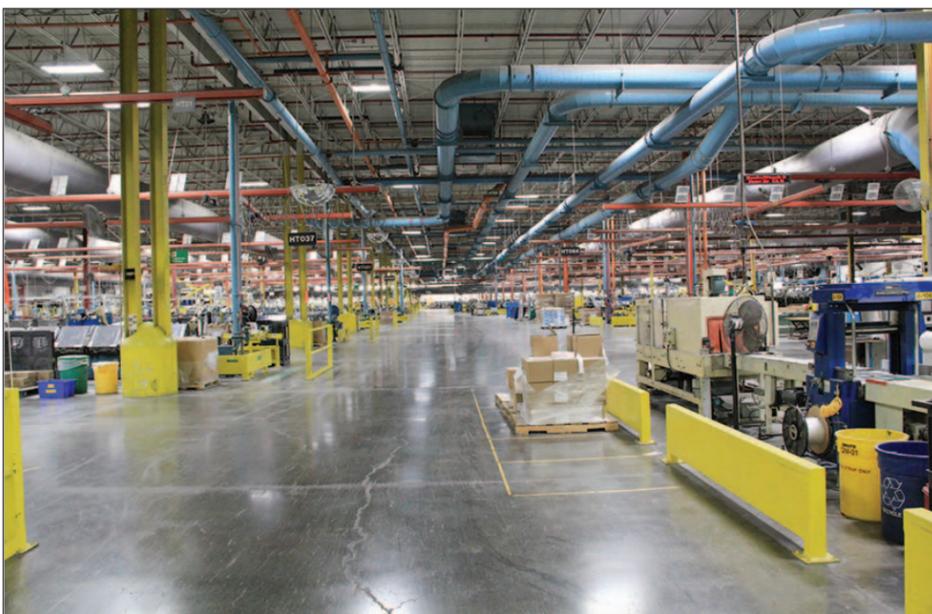

When Quad is not keeping up with the latest industry trends or finishing projects for companies all over the world, it is contin-

uing to give back to the community it has called home since 1985.

"Living in the area is more than paying taxes, building a building and having somebody show up for their work schedule," Gitter said. "We enjoy the opportunity of being a good community steward. Some of the things we do, like the recent 5k run, allow families to get involved and partner up. You'll continue to see our name out there more."

As Quad continues to integrate the latest technology and trends into its business model, Gitter said the company is always looking for the next generation of workers.

"It's still challenging for us to find employees like many other employers in the area, but we give employees the chance of being a part of something that is bigger than themselves," he said. "That's really what Quad does for you."

One of the largest areas in Quad's 2.2 million square-foot facility in Lomira is the saddle stitch room, which is pictured here.

photo by Zach Cook

Continued From... New Scoreboard May Be On Horizon

The new scoreboard would benefit the football program, but also soccer and track.

"You are talking about having another 20 soccer games there a year," Butz said.

For track meets, upcoming events and results could be listed on the scoreboard.

"It will be pretty nice for the kids when they are doing sports," Butz said.

The LED screen has a lifetime of 15 years, according to Butz. The screen would be capable

of showing replays.

Smasal said that down the road, there would be some costs associated with the scoreboard, such as hiring someone to video record games and purchasing equipment to hook up the video with the scoreboard.

The scoreboard could even be used as a teaching tool in classrooms, Butz said. Daktronics provides schools with curriculum to teach students how to operate and program the board. Because the scoreboard is the same

model that most colleges and professional sports teams use, it can provide students some hands-on experience, according to Butz.

The scoreboard could also be used every day to display school messages.

It could help generate revenue by showing advertisements and commercials for local businesses.

"With the big screen you could even have a drive-in movie night," Smasal said. "The opportunities are infinite."

School District Begins Search For Marketing Firm

By Anne Trautner

At the Kewaskum Board of Education meeting Monday night, the School Board approved a request for proposal (RFP) to solicit bids for marketing services.

The school district is in the early phase of developing a fund development and marketing services plan, to not only promote the district to new families but also to provide advertising opportunities to local businesses.

The goal is to hire an

individual or firm that would market Kewaskum schools in order to increase open enrollment into the district. The individual or firm would create brochures and assist with grant writing, Superintendent James Smasal said.

The plan is to send the RFP out to about eight different agencies, Smasal said. He expects bids to come in around \$25,000 to \$30,000.

Smasal said this is a good time to go forward with hiring a marketing

firm because of the advertising possibilities that the district's new scoreboard offers for area businesses, coupled with the possibility of other legacy gifts that are possible with the district's new athletic fields.

The district is hoping to move forward with the marketing plan right away.

"We would like to get this done as quickly as possible," Smasal told the school board Monday night.

All proposals are due to the Kewaskum School District on May 30.

Boys & Girls Club At Home In Kewaskum Schools

By Anne Trautner

The Kewaskum School Board approved an agreement for the Boys & Girls Club to lease the district's facilities for the next 10 years for a total of \$200,000. Half of that amount was donated by West Bend Mutual.

"We really appreciate what West Bend Mutual is doing," Superintendent James Smasal said.

The Boys & Girls Club has been offering after-school care in Kewaskum for the past 10 years.

"It started out as a favor to the school district when there were early release days, and it morphed into more," Smasal said.

The program became a place parents trusted.

"It worked so well in the elementary school, and

now in the middle school as well, where parents could drop their children off in the morning, pick them up at night and not have to worry about transportation. It has been very much a win-win situation," Smasal said.

The longterm lease equates to \$10,000 a year that the club will pay the school district.

"The only caveat is if they do negotiate something with another school in the county, then we would want that to be similar to what we are getting, either way, if it is more or less, we may have to redo it," Smasal said.

The Kewaskum Boys & Girls Club serves approximately 110 to 130 children a day. It is the most attended club in the county, according to Max Roy,

who was the unit director in Kewaskum from 2014 to 2017.

"It is an integral part of this community, and it will be for the next 20 years," Roy said. "Parents are not going to have to worry. They know their kids are going to be engaged in programs that actually do something for their lives."

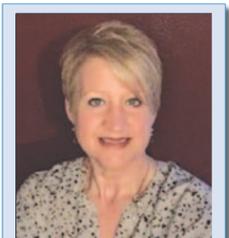

The program offers child care at a minimal cost to parents.

"It has been a really great experience for us," said Abby Dexter, whose children attend the Kewaskum Boys & Girls Club. "Our boys get help with homework, reading, whatever they need. They can use the computer lab. It is a great place for them to be with their friends. We greatly appreciate it."

Peoples Home Equity Welcomes New Mortgage Loan Partner

Peoples Home Equity Inc. (NMLS# 63371) is happy to welcome Katie Geidel (NMLS 1739316) to the Port Washington team as a new Mortgage Loan Partner/Mortgage Adviser. Katie comes to Peoples with 25 years of banking experience and is very excited to help local individuals and families accomplish the dream of home ownership.

Golfers Stay Close To Par – Team Wins Two More EC Meets

By Judy Harlow

Finally. After being postponed twice, the annual Washington County Golf Tournament was held on May 12 at the Washington County Golf Course, and the results showed this year's Kewaskum High team can play with the "big boys" in Division 1.

The Indians, led by junior Jacob Schlosser, shot a 310 to finish tied for fifth out of 22 teams in the field, most of which were D-1 teams. KHS was easily the best team among the five county teams. Kettle Moraine Lutheran finished a distant second in that competition with a 320 and Slinger was third at 331.

Several teams finished between 305 and 312. Then there was Milwaukee Marquette which turned in an amazing 276 with three Hilltoppers dipping into the 60s. Drew Sagrillo captured the medal with a six-under-par 66, while Jack Blair fired a 68 and Brandy LeMongs a 69 toward Marquette's score.

This was just the kind of competition KHS coach Casey Scheel wanted for his team as it approaches the East Central Conference Tournament and the regional and sectional.

"Our goal going in was to shoot under a 320 and place in the top five overall. We were able to make that happen. We finished tied for fifth overall, three strokes away from second

place." KHS coach Casey Scheel said. "Marquette High ran away with the tournament with a 276, shooting a combined 12 under par for the 4 scores that counted. They threw away a 74. I have never seen a score like that."

Schlosser started out with a two-over-par 38 on the front side and was one shot better on the back for his 75. He was tied with four others for 13th place.

"Jacob Schlosser had a great day going through 12 holes where he was even par, but back to back double bogeys put him at four-over-par. He was able to birdie his 15th hole to put him at three over, which he finished at," Scheel said.

Next low for the Indians were Brad Buechel and Talon Ralph, who both carded 78s. Buechel's came through with a 36 and 42, while Ralph started with a 41 and came back with a 37.

Travis Griesemer "had a steady day," and was the final counter for the Indians with his 40-39-79.

Washington County Invitational

Top 10 Teams: 1. Marquette, 276; 2. (tie) Notre Dame Academy and Sheboygan North, 307; 4. Homestead, 309; (tie) 5. Kewaskum, and Wauwatosa East, 310; Menomonee Falls, 312; Nicolet, 312.

Kewaskum put a stronghold on the East Central

Conference lead with back-to-back first place finishes in mini-tour matches played at Auburn Bluffs in Campbellsport and Hon-E-Kor in Kewaskum.

The golfers played the first nine holes at Auburn Bluffs, starting at noon, and Kewaskum finished with a three-shot lead on Plymouth, 151 to 154. Waupun was next at 157, with the host team next at 167, followed by KML and Winneconne tied for fifth at 172. Ripon and Berlin were far back with 189 and 204, respectively.

"The guys shot very well, and we took first with a score of 151, which I was told was one shot off school record for nine holes," KHS coach Casey Scheel said.

Talon Ralph led the Indians with a one-under-par 35. Brad Buechel shot an even par 36, while Jacob Schlosser shot a 38 and Jordan Carlton shot a 42.

"This was a great start to the day," Scheel said. "Talon Ralph had a great meet, with an eagle on the par five, seventh hole. He hit a three-iron from 230 yards out with 15 feet and made the putt."

The Indians did even better when they got to Hon-E-Kor, shooting a sizzling 148 to beat Kettle Moraine Lutheran (157) by nine strokes. Waupun finished third at 160, and Plymouth, a contender in the earlier meets, had to settle for fourth at 163.

The medalist was Zach Kraus of KML with an even par 35 on the Red Nine. Jacob Schlosser and Jordan Carlton were tied with Bryce Peters of Winneconne and KML's Solomon Zarlino for second place at 36.

The other KHS counters were Talon Ralph at 37 and Travis Griesemer, 39.

"We kept the momentum rolling by setting a school record team score of 148," Scheel said. "It is great to have four scores in the 30s. That doesn't happen often, and not sure if it's ever happened here."

"The kids golfed extremely well, and took advantage of great scoring conditions on a soft course after all the rain," Scheel said, adding, "We increased our conference lead to nine points over Waupun with three matches left."

Jordan Carlton hits a good shot during a golf meet at Hon-E-Kor on Thursday, May 10. Carlton and Jacob Schlosser tied for second place in the meet.

Meidl Soars To New Height – Trio Finishes 1-2-3 In Men's 100

By Judy Harlow

With the East Central Conference Meet looming — it was held May 15 at Berlin — the Kewaskum track coaches didn't want to push their top-line athletes in the quad meet held May 8 at Plymouth.

The meet did provide some highlights, however, starting with Abby Meidl's effort in the pole vault and the 1-2-3 finish by Tyler Heus, Cameron Dodge and Trevor Degnitz in the men's 100-meter dash.

For the record, the Indians finished second in both ends of the meet. The men scored 97.5 points, second to Plymouth's 109.5 while the Lady Indians scored 78 points, taking runner-up honors to Plymouth (103).

"That's the nature of a quad," KHS co-head coach Kris Evans said about getting to use more athletes and different athletes in the meet. This is one of the first opportunities Evans said he has had a chance to do so, noting the first quad was canceled because of weather and most other meets only allow teams to have just two entries in each event.

Meidl started the outdoor season with a jump of 9 feet 6 inches (9-6) and now she added an entire foot and three inches more after clearing an even 10 feet 9 inches (10-9).

"A huge night for her," Evans said about the junior jumper, who currently has the third best jump in the sectional KHS will be in. "We went up one size in

the pole for her, and it really worked," he said.

The Indians scored big points in the 100. Evans inserted Tyler Heus in the event for the first time, and he wound up first with a time of 11 and 0.97 seconds (11.97), with Cameron Dodge second in 12.32, and Trevor Degnitz next with a 12.54.

"He's an incredible athlete ... he's really coming into his own," Evans said, reporting he may try Heus in the 4x100 in the conference meet.

As usual, the Indians won the 4x100 relay with three regulars, Tony Steger, Cade Peterson and Cole Surprenant, carrying the baton along with Heus. They combined to run a time of 44.63.

Also, sophomore Sam Schultz cleared 5-10 to win the high jump.

Maddy Thull was a double winner for the Lady Indians, taking the 100 hurdles in 18:28 and the 300s with a personal record (p.r.) of 51.45.

Romela Olla, Alyssa Butz and Ellie Spalding were 1-2-4 in the 3200 with respective times of 12:57.27, 13:02.02 and 14:40, and Olla and Butz combined with Marchello and Faith Mertzig to win the 4x800 relay in 11:01.89.

Emily Halterman finished second in the discus with a toss of 105-09 while Lizzie Lightner tied for third in the high jump at 4-08, a p.r. for her.

Top-four individual finishes by the KHS men are as follows: 400 — Carson

Thull, 2nd, 56.53; 800 — Ben Frase, 2nd, 2:16.69; 1,600 — Gannon Kreuser, 3rd with a personal record (p.r.) 5:08.69; 4th by Blake Miller, 5:23.23; 3,200 — Kreuser, 3rd, 12:11.53 4. Clayton Kappler, 4th, 12:42.49; 300 hurdles — Dylan Maechtle, 2nd, 46.59; 4. Jed Emmer, 4th, 47.42; shot put — Jon Leister, 40-04.50; discus — Leister, 4th, 101-05; pole vault — Sam Melzer, 11-0; Kyle Toth, 3rd, 10-0; long jump — Eli Bartelt, 2nd, 18-05.00, Gabe Christenson, 17-05.75; triple jump — Maechtle, 36-10; 3. Christenson, 36-01.50.

For the women, top-four finishers included: 100 — Hannah Debelak, 4th, 14.20; 200 — Anna Peterson, 27.97 p.r.; 400 — Courtney Butzlaff, 4th, 1:03.67 p.r.; 1600 — Grace Marchello, 6:11.82; pole vault — Jill Braatz, tied for 2nd, 8-0; long jump — Jillian Rettler, tied for 4th, 12-07.50.

Following the EC meet, the Indians will compete in a D-2 regional at Ripon on Monday, May 21, with the top four place winners advancing to the sectional at UW-Whitewater on Thursday 24.

Plymouth Track Quad Men's Team scores: 1. Plymouth, 109.5; 2. KHS, 97.5; 3. Kettle Moraine Lutheran, 39; 4. Campbellsport, 21.

Women's Team scores: 1. Plymouth, 103; 2. KHS, 78; 3. Kettle Moraine Lutheran, 68; 4. Campbellsport, 14.

KHS Softball Team Tips Waupun In Ten Inning Thriller

By Judy Harlow

If softball games received ratings, the recent East Central showdown between Kewaskum (13-0) and host Waupun would have been given five stars.

The Indians and Warriors stood toe to toe with each other for 10 innings before the Indians scored a pair of runs and held on for a 3-1 victory.

"It was a fantastic game ... a great chess match," KHS coach Jeff Gosse said about the battle of EC powers and two terrific pitchers, Kennedy Lehn for KHS and Waupun's Megan Van Ruiswyk.

The Indians got 10 hits and five walks off Van Ruiswyk but couldn't come up with the clutch hit when they needed it during regulation.

"We left a lot of runners on base," Gosse said. "Waupun played the best defense we've seen all year," using double plays in fourth and fifth innings to end KHS threats.

In the fourth, Kewaskum had runners at first and second with Leah Theusch at the plate. "She was 'slug bunting,'" according to Gosse, who said Waupun's pitcher made a great play on the ball and doubled up the runner at first.

In the fifth, the Indians had the bases loaded with one out when Tara Theusch ripped a liner that was caught by the left fielder, who made a fine running catch. With the runners going, the Warriors had no trouble getting the ball into second place for the double play.

KHS did score right away in the first inning on an unusual play. "We had the bases loaded and there was a pop up that ended up dropping in. The umpire called it the infield fly rule, and Morgan

Goeden, Kennedy's Lehn's courtesy runner, scored from third."

Then it was zeroes on the board for both teams for the second, third, fourth, fifth and sixth frames and the top of the seventh.

The Warriors had their backs to the wall in their last at-bat in regulation. After Lehn got the first out, Katrina Pokorny singled, and then Lehn walked three Warriors in a row, forcing in a run and sending the game into extra innings.

Neither team managed to push a run across in the eighth or ninth, and finally Kewaskum struck in the 10th when Kaitlyn Miller came through with a one-out single to drive in two runs. Tara Theusch opened the inning with a double, Lehn singled, and Waupun intentionally walked Kewaskum's power hitter, Maddie Geidel to load the bases for Miller.

Waupun threatened in its half of the 10th, using an error, a single by Megan Gerber and an intentional walk to load the bases before Lehn posted a strikeout for the final out. Lehn, Miller, Kaitlyn Leitheiser and Skylar Donath each had two hits for the winners.

"They're a top-10 team, too," Gosse said about the match up, noting the Indians were sitting at Number 2 in D-2 last week while Waupun was Number 7.

KEWASKUM 100 000
000 2 - 3-10-0
WAUPUN 000 000
100 0 - 1-7-2

Winner — Lehn, Loser — Van Ruiswyk
East Central standings:
1. Kewaskum, 11-0; 2. Waupun, 10-2; 3. Campbellsport, 8-4; 4. (tie) KM Lutheran and Winneconne, 5-5; 6. Plymouth, 6-7; 7. Ripon, 11;

8. Berlin, 1-13.

The Indians amassed 26 hits in their double header against Berlin on May 10, coming home with lopsided 14-0 and 12-0 victories.

In the opener, Leitheiser had a double and Ashley Trapp a triple while the following girls had runs batted in (RBIs) — Miller (3), Goeden, Leitheiser, Tara Theusch, Megan Winkler and Trapp. Geidel, Leitheiser, Miller and Trapp all had two hits.

Lehn gave up one hit, struck out 12 and walked none in the five innings she pitched before the game ended via the "mercy rule."

In Game 2, Lehn walked 0 and struck out 10 in a four-inning no-hitter, bringing her strikeout total to 186. Gosse said this game ended in the fourth because of a new conference mercy rule, ending the game if a team is ahead by 12 runs.

There was plenty of offense by the Indians. Trapp was a perfect 3x3 with an RBI; Geidel went 2x2 with a double and an RBI; Tara Theusch was 2x3 with a double and two RBIs; Leitheiser went 2x2 with a double and 2 RBIs; and Lehn had two hits with a double and an RBI.

Kewaskum is at Ripon for a doubleheader on May 18, and the following day, the Indians play in the Oakfield Tournament, which starts at 10 a.m.

Doubles Team Lead KHS Tennis Team To Quad Win

By Judy Harlow

With its three doubles team going a perfect 9-0, the Kewaskum High tennis team won top honors in the first-ever Waupun Quad held May 12 on the host school's new tennis courts.

The Indians improved to 8-2 on the year, starting with a 5-2 victory over Ripon, then shutting out Waupun 7-0 and finishing up with a 4-3 win over North Shore Conference member Port Washington.

At Number 1 doubles, the senior duo of Jared Chesak and Brent Goeden improved to 10-3 on the year with a 6-0, 6-0 shutout over the pair from Ripon, a 6-1, 6-4 effort against Waupun's Dylan Sauer and Gabe Keach and ended the day with a 6-3, 6-1 victory over Port's Matt Huebner/Neil Schlessinger.

The first-year varsity team of sophomore Isaiah Cochran and freshman Bret Fahrenkrug (8-5) was on its game, winning all its matches in straight sets to improve to 8-5.

"Bret Fahrenkrug really looked good, especially around the net," KHS coach Andrew Dahlberg said.

Seniors Tyler Degnitz and Patrick Krier (7-5), out

for the sport for the first time, also had a good day. They beat Ripon in a tie-breaker, and in their second match against Waupun, the two lost the first set 3-6, before roaring back to win 7-6 and 10-6 in the tie-breaker.

The Indians were scheduled to entertain Waupun on May 15, then will host Howards Grove in a makeup meet on May 17 or 18 before heading to the D-2 sub-sectional at Watertown Luther Prep on Monday, May 21.

KEWASKUM 5, RIPON 2

Singles: No. 1 Devin Scheider lost to Connor Bannerjee, 1-6, 2-6; No. 2 Kyle Loehr lost to Preston Wurtz, 2-6, 3-6; No. 3 Matthew Krautkramer def. Dalton Weigel, 5-7, 7-5, 10-6; No. 4 Bryce Halvorsen def. Tyler Granados, 6-2, 6-1.

Chesak And Goeden Break Up Kohler's Bid For Another Sweep

By Judy Harlow

Perennial power Kohler has posted seven shutout tennis wins this season, including four in Eastern Wisconsin Conference action.

Playing at the Kohler Sports Core on May 10, the Blue Bombers didn't get a shutout against Kewaskum as the Indians Number 1 doubles team of Brent Goeden and Jared Chesak outplayed Evan Udovich and Ben Guesenau, 6-1, 6-1.

"Kohler showed once again why they are perennial EWC Conference champs," KHS assistant coach Peter Garcia said, but "The match was not without some positives."

"They (Chesak and Goeden) probably played their best match of the year with all around great play. Most times wins can be attributed to impressive serves, excellent ground strokes and exciting net play. These three things were quite evident in the match, but the key may have been an often under

utilized skill... the lob," Garcia said. "Jared and Brent utilized that stroke to perfection the entire match to force errors or set up their winners."

Garcia went on to say most players from the Eastern Wisconsin are happy to win one varsity match against Kohler, while Chesak and Goeden were a perfect 3-0 against the Blue Bombers.

The two seniors agreed about their lobs keeping Kohler off balance. "Sometimes we are too aggressive," Chesak said, but, "Today I feel we played very calm," keeping the ball in play and "putting the pressure on them."

"Lobs and our alley shots," Goeden said were keys to the win, adding, "Those guys were pretty good, too."

While he didn't have much of a chance to win, senior Devin Schneider played well against Casey Johnson, who is Kohler's two-time state champion and has a chance to win another this year.

Schneider won one game in each set of their match.

Garcia was also pleased with the play of reserve Ben Read, who was subbing for Bryce Halvorsen, who was sick. The final 0-6, 2-6 did not indicate the closeness of some of the games.

After the match, KHS is 4-2, good for third place in the EWC, and 5-2 overall.

KOHLER 6,

KEWASKUM 1

Singles: No. 1 Devin Schneider lost to Casey Johnson, 1-6, 1-6; No. 2 Kyle Loehr lost to Avinash Murthy, 0-6, 0-6; No. 3 Matt Krautkramer lost to George Palof, 1-6, 1-6; No. 4 Ben Read lost to John Vallo, 0-6, 2-6.

Doubles: No. 1 Jared Chesak/Brent Goeden def. Evan Udovich/Ben Guesenau, 6-1, 6-1; No. 2 Isaiah Cochran/Bret Fahrenkrug lost to Joe Conklin/Leo Fink, 1-6, 0-6; No. 3 Patrick Krier/Tyler Degnitz lost to Carter Gebler/Tyler Roeder, 0-6, 2-6.

The Kewaskum Tribe U10 girls fastpitch softball team played went undefeated in the Merten Mayhem tournament last weekend. Team members include: Julia Prochnow, Maya Beistle, Emily Melzer, Tru Weseman, Macy Sabish, Olivia Beck, Kaelyn Rettler, Julia Steier, Katie Singer, Kailey Rusher, Lauren Rettler and co-head coaches Christopher D. Sabish, and Eric P. Beck.

YOUTH SPORTS RESULTS

Kewaskum Youth Baseball Results

May 12-13

Kewaskum Tribe U10
The Kewaskum Tribe U10 girls fastpitch softball team played in the Merten Mayhem tournament on May 12 and 13 and went undefeated over the weekend.

This year marks the first year of the organization's existence and was quite a debut. The Tribe got outstanding pitching performances from Macy Sabish, Olivia Beck and Julia (JP) Prochnow. Katie Singer hit the first home run in Girls Tribe history and the team also got incredible offensive and defensive performances from Tru Weseman, Emily Melzer, Maya Beistle, Kaelyn Rettler, Julia Steier and Lauren Rettler. The team

is led by co-head coaches Christopher D. Sabish, and Eric P. Beck.

Kewaskum Youth Soccer Results

May 12

U12 Aztecs 2, Kewaskum Arsenal 0
The U12 Aztecs continued their undefeated streak Saturday with a 2-0 shutout over a tough Kewaskum Arsenal team.

Austin Jantz and Adam Deppert did the scoring with assists from Emily Burmeister and Luke Grover respectively. With a standout defensive performance from Dan Hoogvorst, the Aztecs were able to secure the shutout.

May 8
U8 Kewaskum Fire 4, Erin Celtics 1

On Tuesday, May 8, the U8 Kewaskum Fire won 4-1 against the Erin Celtics. Ella Schmidt, Cade Jaeger, Landon Scheel and Leviathan Whitfield all scored, and Joel Maas and Dana Jacobson had the assists. There was great defense from Quin Dornacker and Owen Alles.

May 12
U8 Kewaskum Fire 4, Kewaskum Bandits 1

On Saturday, May 12, Kewaskum Fire won 4-1 against the Kewaskum Bandits. Cade Jaeger scored twice, and Leviathan Whitfield and Quin Dornacker also added goals. The Fire played another great game as a team. Everyone on the team contributed as they went up against a tough team.

Indian Kickers Still Struggling Offensively

By Judy Harlow

Despite the rainy conditions, the soccer game between Kewaskum and Kettle Moraine Lutheran went on as planned in Jackson on May 11, with the hosts posting a 6-0 victory.

"They came out and scored a goal in the first nine minutes," Kewaskum High School coach Luke Piwoni said. "We just did not have the energy we needed. They took it to us."

The Chargers scored two goals in the first half and another four after the break.

Piwoni cited freshman Gwynn Manteufel for her effort.

"She played awesome on defense the whole 90 minutes. She gave everything she had," he said.

With the loss, the Indians finished 1-4-2 in East Central play and 3-7-2 overall. Now the top four teams in the league play each

other and the fifth- through eighth-place teams play each other to determine finals standings. Piwoni reported the Indians will host Ripon this afternoon, starting at 4:45 p.m, then travel to Berlin for a game on May 22 and finish up with a game at Campbellsport on May 24.

Final EC regular-season standings: 1. (tie) Winneconne and Plymouth, 6-0-1; 3. Waupun, 5-3; 4. KM Lutheran, 4-3; 5. Kewaskum, 1-4-2; 6. (tie) Campbellsport and Berlin, 1-5-1; 8. Ripon, 1-6

May 8 Game

On May 8, the Indians found out firsthand just how powerful Winneconne is this year. The Lady Wolves, who are currently a perfect 6-0 in East Central Conference action and had outscored league opponents 44-2, defeated the Indians 9-1.

"They 10-goaled four teams in the conference," KHS coach Luke Piwoni said to point out Winneconne's offensive prowess. The loss put his team's conference record at 1-3-2, good for fifth place.

The winners had one girl, Dayton Lenz, score a three-goal "hat trick," while Morgan Fenrich had two goals and Katie Friedrich added one goal and one assist. Winneconne, which is currently ranked third in Division 3 behind Catholic Memorial and Notre Dame, had 28 shots on goal.

The score was 3-0 at the break, and Kennedy Adams got the Indians on the board at the 73-minute mark.

"She got free and played a real nice ball," Piwoni said. "It was one of the few opportunities we had."

Piwoni felt Nicole Butz played well in goal.

"She communicated well and brought some energy to the team," he said.

Take advantage of energy savings by replacing your old windows!

PUBLIC NOTICES

NOTICE OF BOARD OF REVIEW STATE OF WISCONSIN TOWN OF FARMINGTON WASHINGTON COUNTY

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Farmington, Washington County, Wisconsin shall hold its first meeting on June 4, 2018, from 6 p.m. to 8 p.m. at the Town of Farmington Town Hall, 9422 STH 144, Kewaskum, WI 53040.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

1. No person will be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view such property being assessed.

2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board. Open book shall occur no less than seven days prior to the board of review.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first two hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the fifth day of the session or up to the end of the final day of the session if the session is less than five days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first two hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first two hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the fifth day of the session or up to the end of the final day of the session if the session is less than five days. The board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but

no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor with all the information about income and expenses, as specified in the assessor's manual under s.73.03 (2a), Wis. stats., that the assessor requests. The Town of Farmington has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court.* The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35(1), Wis. stats.

7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.

8. No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s.70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

Notice is hereby given this 17th day of May, 2018
5-17 WNAXLP
Chris Schellinger, Town Clerk,

We strive to improve the quality of life of all our residents through our skills, understanding and compassion. We can provide Peace of Mind for you and your family.

Kettle Moraine Northern Unit Kicks Off Summer

Memorial Day Weekend marks the official start to summer season at the Kettle Moraine State Forest - Northern Unit. Every weekend from Memorial Day weekend through Labor Day is filled with entertaining and educational nature programs for preschoolers through adults. Almost all the programs are free, except some event locations require a Wisconsin State Park System vehicle admission sticker.

These 15 weeks of marvelous summer fun begin on Friday, May 25, at 8:30 p.m. with a night hike on the Zillmer Trails (located off County Road SS between County Road G and Highway 67 near New Prospect). We will be exploring the darkening world using all our senses.

On Saturday morning at 10 a.m. wander over to the Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect), or the Long Lake Recreation Area (located off Division Road north of County Road F near Dundee) to discover the secrets of nature. Youth will uncover many of nature's secrets as part of the Wisconsin Explorer program for ages three and up.

On Saturday afternoon from 1 to 4 p.m. at the

Long Lake Recreation Area, or on Sunday from noon to 3 p.m. at the Mauthe Lake Recreation Area, drop in to use a variety of tools to explore at the Nature Up Close Drop In at the Beach. You can stop in for a few minutes or stay for an hour.

For the 21st year, the Friends of the Kettle Moraine are sponsoring the Summer Saturday Evening Events. On Saturday evening, May 26, at 7 p.m., come to the Ice Age Visitor Center (located off Highway 67 half mile west of Dundee) as Scott Spoolman, author of "Wisconsin State Parks: Extraordinary Stories of Geology and Nature History," presents the program, "Topography Turned Upside Down." Find out how the glaciers of the last Ice Age left us with a landscape turned upside down.

Venture to the Kettle Moraine State Forest - Northern Unit, and join us for our fun-filled, educational summer programs. For further information or to request a complete summer schedule, contact the staff at the Ice Age Visitor Center (920-533-8322). The center is open Monday through Friday from 8:30 a.m. to 4 p.m., and on Saturday and Sunday from 9:30 a.m. to 5 p.m.

Second grade students at Kewaskum Elementary School study life cycles. One of the life cycles they become experts at is the life cycle of the chicken. The students started their study of chickens by putting eggs into an incubator. Students learned that the incubator needs to be at 99.5 degrees for 21 days in order for the eggs to hatch. After the 21-day incubation period, the chicks finally hatched! The students learned what was needed to care for the chicks, including food, water and heat.

Washington Ozaukee Public Health Department Earns National Achievement Award

The Washington Ozaukee Public Health Department has been recognized with an Achievement Award from the National Association of Counties (NACo). The awards honor innovative, effective county government programs that strengthen services for residents.

Washington County and Ozaukee County regionalized public health services in 2016 with the formation of the Washington Ozaukee Public Health Department. The Counties collectively serve 220,000

residents.

NACo is recognizing the new entity and its efforts to promote intergovernmental cooperation and coordination in addressing shared problems. This is the only program in Wisconsin to be recognized by the organization in 2018 and the first Achievement Award given to a Wisconsin County in the category of Health since the implementation of NACo's online Achievement Award Search Program.

"We are honored to be recognized by the National

Association of Counties (NACo) naming our initiatives with exceptional efforts throughout the nation," stated Health Officer Kirsten Johnson.

NACo President Roy Charles Brooks said, "Counties seize opportunities to deliver services more efficiently and build stronger communities every day. Achievement Award-winning programs are examples for counties that are determined to enhance services for our residents."

Nationally, awards are given in 18 different cate-

gories that reflect the vast, comprehensive services counties provide. The categories include children and youth, criminal justice, county administration, information technology, health, civic engagement and many more.

Started in 1970, NACo's annual Achievement Awards program is designed to recognize county government innovations. Each nominee is judged on its own merits and not against other applications received.
