## Kewaskum School District Tax Rate Expected To Go Down

By Anne Trautner

The Kewaskum School District tax levy for 2018-19 is expected to decrease by 0.95 percent, or \$110,064 from last year's levy.

The total levy for 2018-19 is expected to be \$11,468,921, compared to a levy of \$11,578,985 in 2017-18, Julie Thoreson, business manager for the district, reported at Monday night's annual meeting and budget

hearing. If property values remain constant, the total tax rate is expected to decrease by 0.95 percent for a total tax rate of 8.9.

If property values increase by four percent as predicted by the state, rates will go down even more, Superintendent James Smasal said Monday night at the annual School District Meeting and Budget Hearing.

The budget will not be finalized until October,

when the budget is updated to reflect changes in enrollment and state information. At that time, as other school boards do across Wisconsin, the Kewaskum Board of Education will set the final tax levy.

A total of 30 electors voted on the budget at Monday night's meeting, which was held in the Kewaskum Elementary School gymnasium.

In addition to setting the budget, attendees learned that the district's total enrollment is expected to increase this year.

"I am excited to share with you that the current student enrollment numbers indicate a net 60 increase. Our 2014 student enrollment study indicated a drop of 30 students this year. Current numbers have us increasing by 30 instead, thus a net 60. Obviously, this is an indication that folks are starting to take notice of all our hard work with increasing student learning as well as improving our learning environments," Smasal said.

## Sports Section In This Paper

It is that time of the year when school is about to start and fall sports at Kewaskum High School are in full swing. This year at the Kewaskum Statesman, we have decided to print our sports sections at the beginning of each sports season.

So, this week we are publishing our Fall Sports Section. This section highlights all of

the sports at Kewaskum High School during the fall season.

Another change to the section starting with this issue is that it is located inside the newspaper. You will find it in the very middle of the paper on pages 11-22. It has been put together as a separate pull-out section within the paper.

We hope you enjoy it!

## Heavy Rains Cause Flooding And Electrical Outages

By Anne Trautner

The Kewaskum area started the week out with some severe weather, with heavy rain causing flooding and electrical outages.

The Kewaskum area experienced up to 6 inches of rain Sunday night, with more rain adding to the total on Monday and Tuesday, according to Paul Collar, meteorologist for the

National Weather Service's Milwaukee/Sullivan Weather Forecast Office.

"This stuff came down in a relatively short order. The problem is that the rate of rainfall being as intense as it is, it is overwhelming," Collar said. "Ozaukee County had the heaviest rain, where they saw as high as 9 inches of rain Sunday night," Collar said.

The Washington County Sheriff's Office responded to over 50 weather-related calls on Monday following the heavy rains Sunday night and subsequent flooding throughout the county. Most of the calls involved trees and power lines down, causing hazards, according to the Sheriff's Office.

The Kewaskum community gathers for a groundbreaking ceremony at Reigle Family Park in Kewaskum on Sunday, Aug. 26. The park was created last year when the family of Jim Reigle donated 31 acres to create a village park. The park is being developed by the Kewaskum Athletic Association and the Kewaskum Youth Soccer Organization. About 80 people gathered for the ceremony. The crowd included Jim Reigle and his family, donors, volunteers, youth athletes, construction workers and neighbors of the park. For more pictures see page 10.

# Vorpahls Celebrate 26th Annual Family Reunion

The children of the late Dorothy Katherine (Theusch) and John Anthony Vorpahl Sr. and their families celebrated their 26th annual Family Reunion on Sunday, July 29, at the Kewaskum Kiwanis Community Park. A total of 76 people attended this year's reunion.

Dorothy Theusch was born in Milwaukee on November 15, 1904, and was the daughter of the late Theresa Anne (Grassold) and Anton J. Theusch. Dorothy died on January 16, 1992 at the age of 87.

John A. Vorpahl Sr. was born in the town of

Farmington on December 14, 1896, and was the son of the late Wilhelmina "Minnie" (Plitzkow) and Louis Vorpahl Sr. John died on August 17, 1968, at the age of 71.

Dorothy and John were united in marriage on February 18, 1924, at St. Michael's Catholic Church in St. Michaels.

Their union was blessed with 10 children: Dolores Theresa Kertscher (widow of the late Allen E. Kertscher), the late Frederick James "Fritz" Vorpahl Sr. (the late Audrey J. nee Seltrecht), Dorothy Isabelle (Floyd F. Buddenhagen Sr.), the late Anthony John "Tony" Vorpahl (the late Louise V. nee Grabski), the late Adeline Lorraine Footland (the late Elmer J. Footland), the late John Anthony "Johnie" Vorpahl Jr. who died in infancy, the late Ronald Chester "Ronnie" Vorpahl (Ann C. nee Viesselmann), the late Patricia Helen Vorpahl

who died in infancy, Theresa Anne (Gerald W. Brockman), and the late John Henry Vorpahl Sr. (Teresa C. nee Coulter).

Dorothy and John were also the proud grandparents of 32 grandchildren. Their first born grandchild was born on May 13, 1945, the son of Dorothy and Floyd Buddenhagen Sr., and was given the name of Floyd F. "Butch" Buddenhagen Jr., and the youngest grandchild was born on October 20, 1972, the daughter of Audrey and Fritz Vorpahl Sr. and was given the name of Stephanie Renee Vorpahl (now Miller).

Anyone with information on the Vorpahl, Plitzkow, Theusch or Grassold families' ancestors can contact Family Genealogist John Henry Vorpahl Jr. at 262-338-0000 or john-henry02@sbc-global.net.

### THANK YOU

We would like to express our deepest, sincere thanks to everyone for all their support & friendship we have made in the past 27 years. We have made a lot of great new family "friends." But all good things must come to an end. As of September 3rd, 2018, C.C. Cody's Restaurant 'N Pub will be closing due to personal health conditions. We can not express enough how much we enjoyed making our "family" a lot larger. All of your company has been greatly appreciated. Your business was awesome. We are so glad we had the chance to meet all of you. We are working on some plans to re-open in the future. God bless all of you. We met so many great & caring people, you will forever be in our hearts & thoughts.

Thanks again!

# New Lead In Jane Doe Case

As part of the ongoing investigation to determine the identity of Jane Doe, the Fond du Lac County Sheriff's Office submitted samples to a laboratory for chemical isotope analysis.

In turn, historical data was delivered to investigators that provided a geographical region where Jane Doe may have previously resided. The results from those tests showed that Jane Doe was a resident of the regions spanning from Las Cruces and Albuquerque, NM, to Flagstaff, AR, for the majority of her life. The test results also indicated that she likely resided in the regions of South West Wisconsin, Southern Minnesota, and Northern Iowa for less than a year prior to her death.

Her remains were discovered by deer hunters in a shallow

creek in the southern part of Fond du Lac County, near St. Kilian, on November 23, 2008.

Jane Doe was petite, approximately 15-21 years of age, stood approximately five-feet, one-inch tall, and weighed around 120 pounds. Her hair was light brown to dark blonde in color, 12 to 14 inches in length, and she is believed to be Caucasian; however, she may be of Hispanic, Asian, or Native American descent.

This information has been widely disseminated and posted on numerous websites. Jane Doe's DNA is entered into the National DNA Database and her dental records are also on file. These records are routinely checked against missing persons as well as other databases.

The Fond du Lac County Sheriff's Office is working closely with

the National Center for Missing and Exploited Children (NCMEC), and with other jurisdictions to disseminate Jane Doe's information in hopes of identifying her. Someone out there knows Jane Doe. She has family and friends somewhere.

Everyone can help in these efforts and the Sheriff's Office hopes the public will disseminate her information throughout social media. It only takes one person to recognize her and assist us in reuniting her with her loved ones. Anyone with information is encouraged to contact the Fond du Lac County Sheriff's Office or NCMEC tip lines.

# Dundee Mill Day To Be Held September 8

Come on down to the Dundee Mill and Park on Saturday, Sept. 8, for the return of Dundee Mill Day. This event will help celebrate the old mill and raise money for improvements to the park.

The mill is located on Highway F, just east of Highway 67 in Dundee, six miles east of Campbellsport.

Dundee Mill Day will include a craft and bake sale, raffles, family fun activities, food and bev-

erages, the second annual duck race and live music by Sass from 2 p.m.-6 p.m.. Stop in any time between 9 a.m.-7 p.m., rain or shine.

The bake sale and craft sale will be going on all day. Raffles will take place throughout the day.

Live music will be provided by Sass from 2 p.m.-6 p.m.

A highlight of the day will be the second annual duck race. Pur-

chase a duck in advance from any Mill director or buy one that day and see if your duck wins the race.

Handicap parking is available by the mill. Regular parking can be found at the Dundee Sportsman's Club, which is a short walk from the mill.

All proceeds will be used to continue to maintain the mill and the park.

OBITUARIES

**Myrtle E. Kumrow**

Myrtle E. Kumrow (nee Lueke), age 83 years, of Random Lake was called home to be with the Lord on August 22, 2018 at Aurora Medical Center Grafton.

Myrtle was born on February 21, 1935 in Sheboygan County to Walter and Clara Lueke (nee Klabuhn).

She was united in marriage to Vernon O. Kumrow on August 21, 1954 at Immanuel Lutheran Church in the Town of Scott.

Myrtle was a graduate of Random Lake High School.

After high school, she worked for K & W Mutual Insurance and also A & K Catering. Later, Myrtle operated Kumrow's Mink Ranch for many years with Vernon.

Myrtle had a passion for 4-H. She was a 4-H leader for over 50 years and enjoyed raising poultry and rabbits. Myrtle always inspired and encouraged 4-H members that she worked with to do their best.

Myrtle was the Poultry Superintendent at the Sheboygan County Fair for many years. She was very instrumental in establishing the Blue-Ribbon Small Animal Auction that is held yearly at the Sheboygan County Fair.

Myrtle volunteered at Valley Manor Nursing Home and Rocky Knoll Nursing Home, both in Plymouth.

She taught Sunday School, Vacation Bible School, and was a Youth Group Leader at Immanuel Lutheran Church in Town of Scott. Myrtle was also a member of the Ladies Evening Guild.

Those Myrtle leaves behind to cherish her memory include her 3 children, Violet (Daniel) Pfeifer, Gerald (Cheri) Kumrow, and Susan (Tony) Deheck; 5 grandchildren, Heather Pfeifer, Jade Pfeifer, Gary Kumrow, Katie Deheck and Sarah Deheck. Further survived by special cousin, Martha Cordes (who was like a sister to her); sister-in-law, Joyce Butler; brother-in-law, Ivan (Janet) Kumrow; as well as nieces, nephews, other relatives and friends.

In addition to her parents, Myrtle was preceded in death by her husband, Vernon; and brother-in-law, Jerome (Geraldine) Kumrow and Richard "Butch" Butler.

Private funeral service was held on August 25, 2018. Interment was at Immanuel Lutheran Church Cemetery in the Town of Scott.

Please send memorials to Sharon S. Richardson Hospice (W2850 State Rd. 28 - Sheboygan Falls, WI 53085) or the charity of your choice.

The Myrhum Patten Miller & Kietzer Funeral Home of Kewaskum has been entrusted with Myrtle's arrangements. Additional information and guest book may be found at [www.myrhum-patten.com](http://www.myrhum-patten.com).

## Alzheimer's Association Awarded \$500,000 Grant

The Alzheimer's Association Wisconsin Chapter Network is pleased to announce it has been awarded a one-time \$500,000 grant from the Wisconsin Department of Health Services. These funds will be used to increase awareness of Alzheimer's disease and dementia in rural and underserved urban counties throughout Wisconsin.

The grant, made available through the state legislature's passage of the 2017 Wisconsin Act 186 Alzheimer's Disease Awareness Grant, will be used to immediately mount a major media-driven Alzheimer's awareness campaign designed to increase understanding of the disease and highlight available resources in underserved communities and reduce stigma associated with a dementia diagnosis. The campaign will be supported by diverse programmatic partner organizations across the state, including county Aging & Disability Resource Centers, that are well positioned to: provide information and referral services or education; care and support to diverse audiences in underserved communities; or boost awareness of Alzheimer's and dementia within the communities they serve.

"Alzheimer's disease is one of the nation's largest public health crises," said Dave Grams, executive director, Alzheimer's Association Southeastern Wisconsin. "As the nation's leading voluntary health organization in Alzheimer's care, support and research, the Alzheimer's Association is very well positioned and extremely honored to lead the Wisconsin Campaign for Alzheimer's Awareness."

The Association has engaged the services of two committed media partners for this creative campaign. Cramer-Krasselt, one of the largest independent advertising agencies in America, will bring their innovative creative thinking and deep knowledge base of Alzheimer's disease advertising and messaging to develop the campaign creative. Haworth Marketing + Media will lead the media buying strategy. These professional services, valued at \$115,000 will be entirely pro bono due to the existing relationship the agencies already have with the Alzheimer's Association home office.

for a Dementia Capable Wisconsin developed by the Department of Health Services an estimated 115,000 people with dementia resided in Wisconsin in 2015, and that number is expected to grow to 242,000 by 2040. State public health surveys and referrals to county human service programs confirm that as many as 50% of people with dementia do not have an accurate diagnosis. Ninety percent of people with dementia live in the greater community. Nearly 30 percent live alone. Two-thirds of those individuals report receiving no help from family or friends.

Multicultural populations are hit hardest, with African Americans twice as likely to have Alzheimer's as older whites, and Hispanics about one and one-half times as likely to have Alzheimer's as older whites. According to the Down Syndrome Society, 50 percent or more of people with Down syndrome will develop Alzheimer's as they age. While LGBT older adults are not necessarily at greater risk for this disease, they face significant health disparities due to stigma, discrimination and fear. Native Americans and other individuals living in poor rural areas of the state have little access to healthcare resources, transportation or the internet.

"The vast resources being committed to the Wisconsin Campaign for Alzheimer's Awareness through the partnership between the Alzheimer's Association, Cramer-Krasselt and Haworth Marketing + Media will be brought to bear in ways that may have natural opportunities for Alzheimer's awareness initiatives across the nation, making Wisconsin the groundbreaking state in these efforts," said Grams.

The Alzheimer's Association is the leading voluntary health organization in Alzheimer's care, support and research. Our mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health.

## DAYS GONE BY

**5 Years Ago  
September 5, 2013**

A new library could be in Kewaskum's future. On August 30, the newly formed Kewaskum Public Library Foundation purchased neighboring property at 218 First Street. After owner Shirley Fellenz passed away, her four daughters decided to sell the house and approached the village - Shirley wanted them to have the right of first refusal.

Three women have joined forces in order to keep their clients looking good and feeling relaxed. Four Seasons Tanning, Mocha Nails and Shade Tree Massage share space in the strip mall at the intersection of Highway H and Fond du Lac Avenue in Kewaskum. "I feel like we are three sisters - we love it. We get along like we've known each other forever," said Cathy Busalacchi, owner of Four Seasons Tanning.

Dianne K. Lujan, (nee Zingsheim), 66, passed away on August 26.

**15 Years Ago  
August 28, 2003**

The roar of two wheel visitors has been evident this week as Kewaskum and the surrounding area welcomes its Harley-Davidson visitors from around the world.

On August 1, Kewaskum police were advised to attempt to locate a vehicle that appeared to have juveniles in the possession of alcohol and drinking while driving. The officer located the vehicle and initiated a traffic stop. The driver stated he had a beer. The passengers, who were underage, denied drinking, but then later took breathalyzer tests. They revealed both had alcohol in their systems. The officer searched the car, with the permission of the owner, and the officer found marijuana in the car. He also found other drug paraphernalia. Each of the suspects were issued citations.

Kapp of St. Francis and Karen Kapp of West Bend, and Reinhard and Rosalie Follmann of Kewaskum.

Kewaskum girls tennis coach Glenn Eichstedt has tried to cement in his players' heads that the only team that should win on the Indians' new courts is the hosts. That motivation may have worked here last Tuesday as the Lady Indians opened their 1993 campaign with a 4-3 win over visiting Ripon.

One game into the season, and Kewaskum football coach Clark Pearson's pre-season analysis of his team is making him look like a prophet. The Indian boss pointed to his defense as being a strength this season, while the offense, with just a couple of starters returning, may struggle at times, he said. Case in point here, last Friday night in the Indians' season opener against rival Campbell-sport. The KHS defense dominated the Cougars, allowing the guests just four first downs and no points in the game. That

stellar effort was barely enough for the offense, which got a one-yard touchdown run from Beau Coulter in overtime, allowing the Indians to come out on top, 6-0.

**Tuesday, September 4** - Noel J. Cutright Bird Club - Attracting and Feeding Birds with Dan Panetti. More than 52 million Americans feed wild birds or other wildlife around their homes. Why do they do it? In a recent major survey more than 80% said they feed birds because they want to bring nature and beauty to their area, or hope to enjoy the sound of birds in their yard. Almost as many reported that they pursue the hobby for the fun of it, or because they want to help birds. Dan Panetti, owner of Wild Birds Unlimited in Mequon and a board member of Milwaukee Audubon, makes his living helping folks attract and feed birds in the most intelligent manner. In his talk to us he will touch on food, water, cover and places to shelter and raise young. Dan will explain types of feeders, bird houses and seed mixes. Pre-meeting bird hike at 6 PM. Meeting at 7 PM.

**An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...**

# Renewal Pruning

By Darlene Stern

Any gardener, ar-  
 borist, vintner or horticul-  
 turist will tell you that  
 trees, shrubs and  
 bushes benefit greatly  
 from renewal pruning.

This process involves  
 removing overgrowth  
 and dead wood from the  
 plant to promote more  
 healthy and vigorous  
 growth. It is not trimming  
 or grooming the plant,  
 but removing portions of  
 the plant in order to stim-  
 ulate it to put out vibrant  
 new growth — to revive  
 it.

Renewal pruning of  
 shrubs, bushes and  
 trees accomplishes sev-  
 eral objectives — more  
 air flow, more sunlight,  
 better fruit and flowers  
 and more eye appealing  
 plants. There is another  
 form of pruning called  
 rejuvenation which more  
 dramatically thins the  
 vegetation by removing  
 up to one third of the old-  
 est growth in order for  
 new growth to fill in the  
 space.

Occasionally our lives  
 need some pruning.  
 Identifying and eliminat-  
 ing or 'pruning' those  
 things that have created  
 death and sickness in us  
 — whether it be in body,  
 mind or spirit — will give  
 us the ability to get on  
 with what we're sup-  
 posed to be doing and  
 who we were created to  
 be. It may be something  
 as simple as a hobby  
 that has become so all-  
 consuming that the rest  
 of our life is obsessed by  
 it; it may be a vice that  
 has compromised our  
 health and ability to

function; it may be a re-  
 lationship that sucks the  
 life out of us; it may be  
 how we treat others; it  
 may be (you can fill in  
 the blank).

As the gardener, it is  
 up to us to identify and  
 take action on what  
 needs to be pruned out  
 of our lives and how dra-  
 matically to prune. This  
 is all determined by the  
 outcome we are seek-  
 ing; and outcome de-  
 fines the 'tools' we use  
 to accomplish the task at  
 hand. Sometimes we  
 need a saw or lopping  
 shears to prune way  
 back to earlier in our  
 lives to remove the ef-  
 fects of life-sucking  
 events or individuals —  
 that's called rejuvenation  
 pruning; sometimes  
 there is more recent  
 overgrowth of less than  
 ideal circumstances; oc-  
 casionally it's just a snip  
 here or there that will  
 make a dramatic impact.

We do not have to be  
 held captive or suffo-  
 cated by the dead wood  
 and overgrowth in our  
 lives. Always keep in  
 mind the goal is to bring  
 fresh air and more light

into our lives to effect a  
 more vibrant existence.  
 God made provision  
 through His Son, Jesus  
 Christ, the Light of Life,  
 for this purpose to be ac-  
 complished. We find His  
 instrument, which has  
 stayed sharp down  
 through the centuries,  
 near the end of the Bible  
 in 1 John 1:9, "If you  
 confess your sins and  
 repent of them, He (God  
 through Jesus) will not  
 only forgive you, but for-  
 get your sins."

Every cutting away  
 opens our lives up to the  
 new renewed us. Some-  
 times there is a season  
 of readjusting and recov-  
 ery until we can be re-  
 vived and renewed. In  
 those times it's good to  
 take a deep breath of  
 that fresh air and bask in  
 the sunlight we've ac-  
 cessed which promote  
 healthy living.

When we invite the  
 Son Light and the  
 Breath of Life, Holy  
 Spirit, into our lives  
 through renewal and re-  
 juvenation pruning,  
 there is an amazing  
 transformation. Sud-  
 denly we become alive  
 again with lush new  
 growth and produce  
 tasty fruit. We look and  
 feel vibrant and begin  
 again to grow toward  
 everything we were cre-  
 ated to be.

If we allow the Son  
 and the Breath to pene-  
 trate into our lives we'll  
 never fail to prune out  
 the deadwood and re-  
 stricting branches that  
 prevent us from becom-  
 ing the most fruitful  
 beautiful plantings in His  
 garden on the earth.

# Governor's Blue Ribbon Meat Products Auction Raises More Than \$100,000 for Wisconsin 4-H Youth

The Governor's Blue Ribbon Meat Products Auction at the Wisconsin State Fair celebrated its 27th year. In total, this year's auction raised more than \$100,000. Proceeds from the auction benefit the Wisconsin 4-H Foundation, which supports Wisconsin 4-H activities including 4-H conferences, teaching materials and workshops, and overall development of 4-H youth.

Gov. Scott Walker hosted the auction, with Mistress of Ceremonies Pam Jahnke, radio and TV agricultural reporter and host. Auctioneers for the evening were Bob Johnson from Milton and Kathy Packard, 2018 Champion of the Wisconsin Auctioneer's Association Competition, from Antigo. In addition, serving as the auction's ringmen were Rodney Freymiller, 2010 Wisconsin Ringman Champion; Tim Slack, Wisconsin Auctioneers Association Past President, WAA Hall of Fame and 2004 Wisconsin State Champion Auctioneer; Dave Koning, 2012 President, 2014 State Champion and 2007 State Champion Ringman; and Gary Finley of Gary Finley Auction Service out of Walworth.

Among those attending the auction were: Kathleen O'Leary, CEO Wisconsin State Fair Park, Ray Cross, President of the UW System,

Sheila Harsdorf, Wisconsin Secretary of Agriculture, and other dignitaries and supporters of 4-H.

One of the items that was auctioned off benefiting the Wisconsin 4-H Foundation and Wisconsin 4-H youth was a Wisconsin-shaped Summer Sausage, courtesy of Kewaskum Frozen Foods of Kewaskum. The sausage was purchased by Wisconsin Farm Bureau Foundation and Rural Mutual Insurance for \$3,750.

Throughout the day of the sale various Wisconsin State Fair vendors donated a portion of their sales to the Meat Productions Auction and Wisconsin 4-H Foundation. In total, nearly \$1,000 was donated by these generous vendors.

The auction is produced in partnership with the Wisconsin 4-H Foundation, Wisconsin State Fair and the Wisconsin Association of Meat Processors (WAMP). Generous supporters include Meijer Inc., Frost PLLC, Klement Sausage Company, Inc., Salm Partners LLC, Wells Fargo Bank, Rupena's Fine Foods of Milwaukee and WAMP.

The Wisconsin 4-H Foundation, based in Madison, WI, provides essential funding for 4-H programs throughout Wisconsin. By partnering with individuals, corporations and foundations, the Foundation supports more than 150,000 youth who take part in various 4-H leadership, development, and community-building activities throughout the state. Learn more about the Wisconsin 4-H Foundation by visiting [www.Wis4HFoundation.org](http://www.Wis4HFoundation.org).

## SCHOOLS 50TH ANNIVERSARY

Mark and Connie Schoofs, nee Kohn, of the Village of Kewaskum recently celebrated their golden wedding anniversary. Mark grew up on a farm in the town of Kewaskum and Connie grew up in the Village of Campbellsport.

The couple first met in the fall of 1967 at Club 18, a minor bar in Campbellsport. They happened to be wearing the same orange sweater which kicked off their lifelong relationship. They had their first date at the Hitching Post in Kohlsville a short time later.

On August 17, 1968, they were united in marriage at St. Matthew's Catholic Parish in Campbellsport. They were blessed with three children and three grandchildren — Jacqueline Pipes, nee Schoofs, and daughter Sage Pipes (Barrington IL), Christopher Schoofs with children Jacob and Evelyn Schoofs (West Bend), and Angelynn Stemberg, nee Schoofs, (Chicago, IL).

They celebrated their 50th wedding anniversary with their family at the Bristol Renaissance Faire on Saturday, Aug. 18.

# Gabelmann Joins Cedar Community As Vice President Of Resident Experience

Cedar Community is pleased to welcome Julie Gabelmann as its first Vice President of Resident Experience.

This move marks the organization's continued dedication to excel as the premiere engaged living retirement community for adults aged 55 and better. She will focus on several key aspects of overall resident experience including leadership of the independent living locations in Washington and Sheboygan Counties.

"Julie brings more than 25 years of leadership experience in senior level corporate and non-profit settings, proven success in generating growth and customer experience solutions on both a regional and global scale. She is also very familiar with Cedar Community, as she recently served as a corporate board member, making her uniquely qualified for this position," said Lynn Olson, chief executive officer at Cedar Community.

Gabelmann joins Cedar Community after completing her tenure with Economic Development Washington County (EDWC) as business services director since 2015. Prior to this, she served as chief

operating officer at the American Society for Quality (ASQ), division president at Fiserv, a Fortune 500 company, and senior manager at KPMG.

"I am deeply honored to join the executive team at Cedar Community and look forward to helping to grow and enhance the overall experience of our current and future residents, as we help seniors enjoy, explore and embrace their best life," said Gabelmann.

Even though Gabelmann has lived and worked for many years outside Wisconsin, she has strong roots in Washington County where she spent most of her childhood. She relocated back to the area in 2002 to be closer to family and lifelong friends. Since then, she has served as a board member for the United Way of Washington County, TEMPO Washington County and Cedar Community.

Cedar Community is a non-profit community in Washington County that offers homes and apartments for active and independent adults, as well as assisted living, short-term care and rehabilitation, skilled nursing and memory loss services.

# Common Ground Healthcare Cooperative Names Chief Business Development Officer

Common Ground Healthcare Cooperative (CGHC), Eastern Wisconsin's largest provider of individual health insurance, has named Brian McDonald as its Chief Business Development Officer overseeing marketing and sales.

McDonald comes to CGHC with a wealth of experience in the healthcare provider and insurance industries specializing in strategy execution, market analysis and business development. He worked for Aurora Health Care for a decade, serving in increasingly influential

roles within the organization. Prior to that he held positions in the Milwaukee-based Jackson Harbor Group as well as regional health plans in Milwaukee and Madison.

McDonald said he is honored to serve the members of a non-profit, member-driven cooperative.

"Common Ground Healthcare is known for its steadfast commitment to its mission and its commitment to helping people navigate the complexities of health care," he said. "I feel privileged to be a part of

this organization's future and I'm excited to think about where we will go next."

McDonald started in his new role on August 6.

CGHC provides health insurance to those that have been traditionally underserved by health insurance companies, including individuals, small employers and non-profits. Its mission as a non-profit cooperative is to change the health insurance experience through open dialogue, powerful advocacy and the delivery of trusted and understand-

able information to members and stakeholders.

CGHC's headquarters are based in Brookfield, Wisconsin. It now serves 20 Wisconsin counties including Brown, Calumet, Door, Fond du Lac, Kenosha, Kewaunee, Manitowoc, Marinette, Milwaukee, Oconto, Outagamie, Ozaukee, Racine, Shawano, Sheboygan, Washington, Waukesha, Waupaca, Waushara and Winnebago counties. # Continued From... Heavy Rains Cause Flooding And Electrical Outages

In the Town of Farmington, Shalom Drive, just east of Indian Lore Road, the rain washed out the roadway and two large culverts that were about 8 feet in diameter. The road was expected to be closed for a week.

The tornado siren sounded around 6:15 p.m. Sunday in the Village of Kewaskum, but a tornado did not touch down anywhere in the area.

"There was no tornado touchdown, but we did find straight line wind damage," Collar said.

Rain continued on Tuesday, and flash flood warnings went into effect early Tuesday morning.

The area experienced power outages on Monday. Monday afternoon, there were still about 500 WE Energies customers without service from Sunday night's storm, according to Amy Jahns, spokesperson for WE Energies.

"It was a very lightning-filled storm last night," Jahns said on Monday. "We had some direct lightning that did hit some of our equipment, and we did see trees and branches that came into contact with our equipment and cause those outages. There was some wind that also impacted the system."

By Monday afternoon, WE Energies had restored power to over

31,000 customers in Southeastern Wisconsin in the Fox Valley area after the storms moved through Sunday night into Monday morning.

"So there were quite a few customers that were impacted, and we have been making progress working throughout the night and today getting the rest of those customers' power back," Jahns said on Monday.

Jahns encourages customers to contact WE Energies whenever they experience power outages.

"Don't always assume that we know about your outage. If you have a power outage, give us a call at 1-800-662-4797 or you can go to our website [we-energies.com](http://we-energies.com) to report your outage," Jahns said. "Never hesitate to call us because we don't always know there is an outage, so it is very important to get that message out there so that we can address those power outages as soon as we can."

It is important to remember the following safety precautions:

-If you come upon a downed power line, stay at least 25 feet away and call WE Energies at 1-800-662-4797.

-Exercise caution when traveling on roadways and do not drive or walk through standing water.

## Continued From... Kewaskum School District Tax Rate Expected To Go Down

Smasal started his district administrator's report at Monday's meeting by showing a video of the capital projects.

"Over the last 30 years various groups have met in an attempt to create a better learning experience for Kewaskum School District children. A number of community committees were formed and sur-

veys were sent out to get input from as many folks as possible," Smasal said.

Improvements started 20 years ago with building Kewaskum Elementary School. That improvement continued with the new middle school and remodeling of the high school, according to Smasal.

"Over the same period

space was also identified as an area of need. This fall we will finish the updating of Doc Mitchell Field Complex, redoing the track and making the field playable for soccer with the turf project. Student use during the school day will also significantly increase for all grade levels as well. We also accomplished bringing baseball and softball back on our campus as well as making grassy areas safer and more user friendly," Smasal said.

The district has been able to afford making improvements to the facili-

ties and athletic fields by waiting for debt to expire and wrapping new debt around it, as well as by taking advantage of low interest rates, according to Smasal.

Smasal expressed his gratitude to the 70-plus people who served on the Long Range Planning Committee, as well as all the people who have worked on the building projects.

An open house will be held for the entire community to tour the new facilities at the end of September or beginning of October, Smasal said.

## Coach Wants CC Teams To Move Up In EC Standings – Butz, Carlton Will Lead Indian Effort

By Judy Harlow

There are certainties and uncertainties connected with this year's Kewaskum High cross country teams.

On the "certainty" side, Kris Evans, starting his fourth season as head coach, knows he will miss Justin Reck, who graduated after placing 37th in the WIAA D-2 State Cross Country Meet last fall. He is just as convinced he has several very strong runners returning, including junior Andrew Carlton and sophomore Alyssa Butz, both state qualifiers.

On the flip side, the big questions are whether the Numbers 3, 4 and 5 runners can cut the gap between themselves the top two boys, Carlton and sophomore

Gannon Kreuser, and if the shortage in numbers will hamper the girls' team effort.

Evans recently greeted 14 candidates for the boys team and eight for the girls squad. "I think we've got good talent on the boys team, and Andrew is going to be great," Evans said about his top returnee, who finished 67th in the 5,000 meter state test in Wisconsin Rapids with a time of 17 minutes, 41.35 seconds (17:41.35).

Kreuser has made great improvement since last year and has moved up in the team's order. "It's funny, last year he was Number 7," the coach said, indicating he will be Number 2 this fall. Evans reported Kreuser was the first freshman runner he has

had at KHS who dipped under five minutes in the 1,600-meter run in track.

Another veteran runner is senior Kyle Toth, who can always be counted on to give a good effort. "We've got to get him under 18 minutes," Evans said about his probably Number 3 runner.

Two other returnees are Lance Grosskopf and Bryce Halvorson, according to Evans, who said they look to be the team's fourth and fifth men.

Others on the team are promising freshman Isaac Schmidt and home-schooler Logan Haydin.

As far as who will be strong in the East Central Conference, Evans points to Waupun. "I think they've got a shot," Evans said, adding the

battle for the title might come down to Waupun and Winneconne.

Concerning the girls team, Butz and the veteran Maela Olla, a home schooler who lives in the Kewaskum School District, will be the team's leaders. Butz finished 126th (21:58.23) at state as a freshman, while Olla led the Lady Indians in many of the invitationals and in the East Central Conference test where she placed fifth and the Indians finished sixth among the eight teams.

"Maela's amazing. She's a hard worker," Evans said about Olla, a regular on the team for the past three seasons.

Evans said he had Butz take off several weeks after the end of the track season and since then, "She's put in

well over 100 miles" to be ready for her sophomore season.

Other veteran returnees include Emma Penfield, Courtney Zarda, Erika Bolek, along with Abby Meidl, who had a very good track season, both in the pole vault and the 4x400-meter relay.

Another promising runner is sophomore Rhea Dricken, who missed last year with a leg injury, and Evans is happy to report junior Faith Mertzig is out for the sport after participating in track for two years.

Right now, Evans says there is a three-minute gap between his top two runners and the next three. "If we could get that cut in half, I would be overjoyed," he said.

"We had hoped to have Lisa Bolek but she got a knee injury over the summer, and we won't be getting her," the coach said.

The Statesman requested names of the other participants on the boys and girls teams but still have not received them from the athletic director.

Looking at the top EC contenders this season, Evans circles Plymouth because of its traditionally strong program. This year's EC Conference test will take place on Thursday, Oct. 11 at Winneconne High School.

Mayville will host the D-2 sectional that the Indians will compete in. It will be held either on Friday, Oct. 19 or Saturday, Oct. 20.

## Pieces Are In Place For Indian Kickers To Have A Good Year

By Judy Harlow

It's always nice to start a high school soccer season with an experienced goalie and having experienced scorers doesn't hurt either.

That is the situation coach John Kenworthy finds himself in as he begins his fifth season. He has senior Brenden Rice back to protect the Indians' net, and he has several good offensive players, including William Kens, Isaiah Cochran, Hunter Kuehl and Matthew Krautkramer, who are capable of being consistent goal scorers.

"I think Brenden looked good in our first two games," Kenworthy said during a 6:30 a.m. interview before the Indi-

ans got on the bus heading for the Berlin Invitational on August 25. Rice was the Player of the Game in the season-opener against Living Word, according to Kenworthy, who said, "He and Kyle Loehr played really well. We just have to clean up some things."

Looking at the offense, "We have most of the attackers back," Kenworthy said. "Our top five (attackers) are back. We're expecting them to get on line and do that again this year."

Kuehl scored 12 goals and had three assists to lead the team with 27 points, five ahead of Cochran (22 points) and six in front of Jens (21 points).

Hunter Schmitt is an-

other Indian with goal-scoring ability. He had four goals and four assists as a junior, and Kenworthy is looking at him to be another offensive weapon.

Krautkramer, a senior midfielder who earned second team All East Central Conference honors last year, went to a soccer camp in the off-season. He scored five goals and added two assists for 12 points in the Indians' 23 games.

"On the flip side, we lost two top defenders," Kenworthy said, reporting "We won't have all of our players for the first third of the season" so right now, "We're trying to establish our defense."

Kewaskum has a total of 23 candidates, includ-

ing just three freshmen and five sophomores, so the school will not have a JV team. Kenworthy said this freshman class has never had many boys involved in soccer, but next year there could be as many as 20 first-year players.

The team did get two newcomers from the wrestling team, including juniors Mason Pomeroy and Kaeden Capozzo. Kenworthy said Pomeroy "has speed, is learning the game and is already establishing himself."

Concerning the battle for the East Central crown, Kenworthy said, "Of course, Plymouth will be the pre-season favorite" and after that "This may be a year Waupun can sneak in

and contend" because "Some teams are struggling this year and Kettle Moraine Lutheran lost a lot of good players."

Kenworthy said Ripon "is on the upswing, while Winneconne and Campbellsport are about the same." He's hoping the Indians will continue to develop and make a bid to finish among the top four.

A year ago, the Indians finished with a mark of 6-14, including a 2-7-1 record in the East Central Conference. Plymouth and Kettle Moraine Lutheran battled neck and neck to the wire, with the Panthers winning the EC titles with 17 points, one ahead of KML.

Kenworthy will be assisted this fall by Chuck

Grove. The Indians opened the EC season on August 28, hosting Waupun.

# Lady Golfers Look For An Upper Division Finish

## – Uhlig Is Optimistic About Her Thirteenth Season

By Judy Harlow

With Homestead losing the majority of its players and a couple other teams not as strong as they were in 2017, the combined Kewaskum-Campbellsport girls golf team could be among the contenders this season in the North Shore Conference.

"This is our year to do something," veteran coach Amy Uhlig said after a recent practice with her Kew-Cats. She was a little amazed to find this is her 13th year as head coach.

"Homestead may be down a little after losing four seniors," Uhlig went on, referring to the fact "Speedy" Kent and Isabelle Maleki, who

placed in a tie for 10th and 14th respectively in the WIAA D-1 State Tournament, are gone.

That doesn't mean there isn't a clearcut favorite this fall. That honor will go to Cedarburg, according to Uhlig, who said, "Cedarburg looks untouchable." After that, three or four teams, including the Kew-Cats, have good chances to finish second, third and fourth.

Uhlig is optimistic because she has three veteran players, Alyssa Dreher, Ashley Trapp and Grace Kober, returning. Two others, Tina Bolek and Karissa Lange, have shown much improvement in the pre-season practices and in the early

matches.

"We have 10 (girls) this year ... a little lighter than last year but still enough to make a go with two teams," Uhlig said, reporting there were 15 for a meeting last spring but several opted not to try the sport.

Playing at Number 1 for the Kew-Cats will be Dreher, who is from Campbellsport High and sported a 47.4, nine-hole average her sophomore season. "I think she's pretty level-headed," Uhlig said about Dreher, indicating, "She stays away from big numbers."

Trapp and Kober, both seniors from KHS, will play either Number 2 or 3, according to the coach, who said Trapp, a three-sport athlete at

KHS, "had a nice finish to her junior year," to post a 51.5 stroke average. "She can hit the ball a long way and is a patient and methodical golfer."

About Kober, Uhlig said, "Her driving distance is better," which will help her improve on her 55.2 stroke average. "She and Alyssa played several tournaments this summer," and the experience will help both.

The other frontrunners are Lange and Bolek who shot 100 and 101 in the opening competition, the Watertown Invitational. Bolek is a senior and Lange a junior.

Uhlig also sees potential in junior Madelyn Thull and says sophomore Rachel Anderson

could push for a varsity spot.

The other girls out for the sport are Megan Streaan, a senior from Campbellsport, Kendra Hewitt, a sophomore from Campbellsport, along with KHS freshman Grace Lee, who is "brand new to the sport" and enthused about learning the game.

The North Shore golf conference includes eight teams from three different conferences, in-

cluding the Kew-Cats, Cedarburg, Slinger, Hartford, Whitefish Bay, Nicolet, Homestead, and the combined West Bend East and West team.

Kewaskum finished fifth in the NS a year ago. This season, Uhlig is confident, "There is a good chance for us to hang around the middle of the conference" and advance to a D-1 sectional again.

## Seniors Set To Have A Successful Tennis Season

By Judy Harlow

From all early indications, this could be a very successful year for the Kewaskum High girls tennis team.

The “rise ‘n shine” girls — the Indians have been practicing from 7 a.m. to 9 a.m. each morning — have experience, depth and a good amount of talent, which could mean they will improve from last year’s tie for fourth-place finish in the Eastern Wisconsin Conference.

“I’ve got 21 players,” Peter Garcia, starting his fourth season as head coach, said about his squad. Especially encouraging is the fact there are seven seniors and six freshmen on the squad.

“It’s a nice, older

team,” Garcia said, considering seniors Grace Marchello, Emma Preder, Nicole Brzozowski and Nikki Bruss, were all regulars a year ago, and Kaitlyn Miller also saw action in varsity matches. The other two, Katie Vorwerk and Jillian Braatz, are pushing for starting roles.

Marchello played Number 1 against very tough opponents from EWC powers, Kohler, Roncalli and Sheboygan Falls, finishing with a mark of 8-11, but has stepped up her skills to go with a very competitive mindset, which should help her win more matches this season.

“Grace and Emma are battling for Number 1 (singles),” Garcia said, reporting the two re-

cently played for an hour and 45 minutes in their first head-on-head match in practice before he suggested they finish the second set with a tie-breaker.

Marchello had won the first set, 6-3 and the second was 5-5, and she won the tie-breaker 7-5 to win the right to play Number 1 in the team’s first match against Mayville (August 13). Garcia plans to have more challenges to determine starting players.

Preder will start at Number 2 while junior Megan Krolski looks secure at Number 3 and Miller will start in the Number 4 spot.

“Normally I like to be strong at doubles ... This year it might be turned around,” Garcia said about the strength of the

Indians.

Bruss and Brzozowski will move up from Number 3 doubles to Number 1, taking the place of Arianna Grossenbacher and Brandi Geldnich, who graduated after having good senior years. Sophomores Sydney Ostranger and Carly Meyer have the nod at Number 2 for the early matches.

“Right now, the big question is who will be at Number 3 doubles,” Garcia said, indicating Katie Vorwerk and Jillian Braatz are possibilities, but so are Elizabeth Beine and Abby Kopfhammer who show promise.

“I can’t believe what the freshmen have done is just three days of practice,” the coach said, especially considering the

team has been practicing with just four courts at the high school and did not have an assistant coach for the first week.

Garcia said a huge crack has developed on the courts where the Number 1 singles and doubles play, so he has been told not to use them. Reportedly, a contractor was going to look at the situation to come up with a solution for fixing the courts

Concerning the new team in the league, Garcia said in recent years, a couple of girls have been on the boys team at Howards Grove, and now, “They must have enough for their own team.”

As far as who will be strong in the EWC this fall, Garcia looks at defending champion

Kohler, Sheboygan Falls and Roncalli, which will combine with Two Rivers for girls tennis this fall. “It’s going to be interesting,” Garcia said about the combination.

As far as his Indians, Garcia said, “I think it could be a good year.”

## Leitzke Has Lots Of Holes To Fill In Fifth Year

By Judy Harlow

Replacing the core group of veteran players from a team that finished third in the East Central Conference is the big challenge facing Kewaskum High volleyball coach Laine Leitzke, who is starting his fifth season as the school.

"We lost six seniors," Leitzke said after a recent practice at the Kewaskum Elementary School where the Lady Indians have been preparing for the 2018 season while construction continues at the high school.

Gone are Liz Lightner, Sarah Butschlick, Morgan Kappler, Amanda Schaller, Morgan Denlinger and Paige Airaudi, and of that group Leitzke said Lightner and Butschlick will be missed the most.

"Lightner was our six-foot middle," Leitzke said about the team's solo block leader in 2017 with 59 despite the fact she missed the early part of the season due to illness. The coach noted she is currently a freshman at Madison Edgewood College where she hopes to contribute to the success of the Lady Eagles squad.

Butschlick, a setter and at times an outside hitter, was "very versatile and a good leader," Leitzke said, pointing out she also is trying to play collegiate volleyball, at Concordia University. As a senior, she had 415 assists to lead the Indians.

The departure of the six leaves the team with just one senior, five-foot, five-inch Hailey Hasenberg, who was the East Central leader in digs a

year ago. She had 418 on the year. "Right now she's going to be our Libero," Leitzke said, quick to add, "That could change... She'll go where we need her."

Other returning letterwinners include Brellynn Scoles and Carolyn Stockhausen, two talented juniors. Scoles topped the Indians in service aces a year ago with 56 and also contributed 168 kills. Stockhausen is expected to be a force at the net. She is just about six feet tall, according to Leitzke, who said freshman Jenna Butschlick also has good height.

Junior Anna Peterson could also help the team. She transferred to KHS after going to Kettle Moraine Lutheran for her freshman year. She was the team's manager last season, and Leitzke said, "She's got

a good power swing at times."

"We're not going to be a tall team. We usually aren't," the coach said, indicating Plymouth is usually one of the taller groups in the EC. Quickness is going to be one of the Indians' strong assets, and Leitzke said he could see that in a recent scrimmage the team was involved in with Middleton, Monroe, Cuba City, Iowa Grant and Lodi.

"I think it's a good group. We've got a lot of athleticism," Leitzke said, reporting, "We were playing with them (scrimmage opponents) ... Our plan is to wear them (opponents) down."

The Indians were scheduled to play in a big tournament in Wisconsin Dells on August 24-25, opening with

pool play against teams from Antigo, Holmen and Bruce. Leitzke said the 23-team event will help him find out a lot about his team and the combinations that might work well together.

Leitzke is going into the tournament, certain of four of six starters. Hasenberg, Stockhausen, Scoles and sophomore Holly Henck are those four, and, "I'm not sure who the others will be," he said.

As far as who will be good in the East Central this fall, Leitzke looks to "Kettle (Moraine Lutheran) and Plymouth. They'll both be good. The rest it's going to be who's good on that day."

The schedule certainly will not favor KHS. "We only have three home games this year" because of the construction project, Leitzke

said, adding one of those matches may have to be played at Kewaskum Elementary School.

Again this year, the EWC uses a combination of dual matches and the conference tournament to determine final standings.

Leitzke is assisted by Glenn Grisologo (JVs) and Heather Eichstaedt (JV2).

## Despite Losing Many Talented Seniors, KHS Football Team Should Be Good

By Judy Harlow

How do you replace a breakaway rusher/passer who was responsible for 2,400 yards of offense, an all-state, two-way tackle, several tough linebackers and an entire defensive secondary? Oh yes, and a three-year special teams player who made 35x36 of his PATS (points after touchdown) and all five field goals he tried?

Kewaskum football coach Jason Piittmann and his 10-man staff are already in the process of developing replacements from the recently departed senior class that led the 2017 squad to a 10-1 record, including a perfect 7-0 in the East Central Conference.

While this year's senior class is smaller — there are 11 seniors

listed on the program — and with less experience, Piittmann has some excellent underclassmen to help rebuild and make another run at a fourth straight EC title (In 2016, Plymouth, Kewaskum and Berlin all tied for the title).

Piittmann is confident in his returnees, enough to place the Indians in a top contender role along with Plymouth and Berlin.

Concerning this year's strengths, Piittmann said, "Overall program success, and some experience in the offensive and defensive lines." The latter refers to 280-pound two-way senior tackle Jon Leister, 225-pound sophomore center Jonathan Steger and 220-pound senior guard Colten Miller. (6-2, 225).

The three returning starters also have senior

Hunter Grady (6-3, 200) and junior Hunter Brzozowski (6-2, 235) to help out on the line, along with sophomore Ben Leister, a 240-pounder and sophomore Sam Amerling, who tips the scales at 210.

As far as the question marks, the veteran coach, starting his 13th year at the school, says a "lack of overall experience" and the loss of most of the offense, including quarterback Tony Steger, who rushed for 1,400 yards and passed for another 1,100 yards.

Prior to the first game, Piittmann said, "The offense, on the other hand, is a work in progress. It's coming along, but we lost a lot of excellent players."

Starting linemen on offense for the first game included Steger,

Miller, Jon Leister and Grady, and others saw action.

Both varsity quarterbacks, junior Ty Cook and sophomore Michael Daniel, played extensively in the season opener, but Jermaine "J.J." Thull stole the spotlight, scoring three touchdowns while rushing for 236 yards. Eli Bartelt showed good power in his 10 carries for 53 yards as did Kyle Bath, who has not played football since he was a freshman.

Joshua Bocher, a six-foot, four-inch end, caught two passes for 63 yards, including a 41 yarder for a touchdown, while his brother, Joseph, who is two inches taller, was not in uniform for the game.

Defensive leaders included Bartelt with 11 tackles, including five

solos, and Kannon Muckerheide, with four solos and four gang tackles, while Bath and Trevor Degnitz each had interceptions.

Piittmann lists Campbellsport and Winneconne as the next grouping after his own team, then Plymouth and Berlin, and feels Kettle Moraine Lutheran may be a little better after going 0-14 in the last two years.

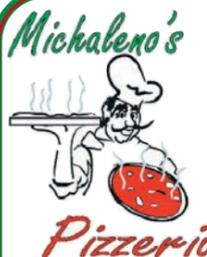

Most of the EC schools will field just two teams this fall, varsity and JV. Two teams, Waupun and Ripon, may have difficulty filling those two teams as one of them has just 30 boys out for the sport and the other 37, Piittmann said.

The Indians have from 22-24 on the freshman

and sophomore classes and are looking for separate games for the freshman unit.

Piittmann, who has directed his team to play-offs in 13 straight seasons as head coach, is assisted by Nick Kreif, Jason Last, Bobby Bannasch, Gary Mays, Josh Towner, Byron Vandlen and Josh O'Brien-Flasch. Volunteer coaches included Dennis Butz, Tim Rohlinger and Erik Gotthart.

The August 17 opener against Milwaukee Lutheran was a big success, with the Indians piling up points in the 48-30 victory on the new artificial surface. The Indians open the EC season at Winneconne on August 30.

## Indians Go To The Air To Earn Victory Over Merrill

By Judy Harlow

Host Merrill was able to hold Kewaskum's running game to just 79 yards, but the Blue Jays couldn't stop the Indians' passing attack, which included two touchdowns to notch a 21-14 victory in a non-conference game cut short by lightning on August 24.

Senior wide receiver Dylan Maechtle hooked up with quarterback Ty Cook for the two touchdown passes, including a 15-yard reception with 4:51 left in the second quarter, giving the Indians the lead.

Neither team managed to score after intermission as the defenses took control of the game.

With the win, the Indians finished the pre-season at 2-0. Kewaskum High School is one of only two East Central Conference teams to win both non-conference games, and KHS coach Jason Piittmann is pleased to be unbeaten after falling 14 points behind the Blue Jays.

"They came out and took it to us right away," Piittmann said about the early stages of the game. "We were a little sluggish," and, "The next thing you know, they were up 6-0."

Using their option running game, Merrill had success running the ball, then quarterback Quinn Steckbauer faked a handoff and found receiver Holden Smith open for a 29-yard touchdown pass. Kole Meyer's PAT try was unsuccessful so the score stayed at six-zip, but not for long.

"Soon after that, we were running a sweep. The whistle hadn't blown yet and one of the Merrill players took the ball and ran 66 yards for a touchdown," Piittmann said about Jed Ermer's fumble, which was returned by Chase Bonnell. This time the Blue Jays went for the two-point conversion and made it via a Steckbauer to Pierson Pyan pass for a 14-0 lead.

"After that, our kids responded real well," Piittmann said, reporting Maechtle had a real good night because Merrill was concentrating on the 6-foot 4-inch Joshua Bocher. Cook, who finished the game with 11 completions for 16 attempts for 148

yards, did a good job of finding Maechtle and others when they were open. Maechtle had three catches for 49 yards, while Bocher had two catches for 52 and J.J. Thull two for 35 yards.

KHS is still missing its tallest receiver, Joseph Bocher, who is out because of grades, according to Piittmann.

"They were double covering Josh Bocher. That left Maechtle open," the KHS coach said.

Being down by just seven points was a lot more manageable, and a couple minutes later, Triston Rayburn galloped 61 yards with a fumble recovery for the tying touchdown. "We returned the favor (of their fumble recovery), going in the same direction," Piittmann said.

On their next possession, the Indians moved the ball to the Merrill 15-yard line when Maechtle hauled in another Cook pass for Kewaskum's first lead with 4:51 remaining in the half.

The Blue Jays responded with a drive of their own, but it ended when Ermer picked off a Steckbauer pass in the end zone. "He made a great play on the ball," Piittmann said of Ermer.

Neither team managed to score in the second half, and bad weather was partly responsible for the slowdown. "Rain moved in, and it was like a monsoon," Piittmann said, reporting with 7:22 left in the fourth quarter, there was a big clap of thunder, and, "They cleared everyone off the field."

The two coaches met with officials about how long they would wait to re-start the game and decided on 9:30 p.m., but a minute before the deadline, lightning was sighted and the game was called.

Piittmann was very pleased with his team's defense, noting Jon Leister and Colten Miller did a nice job in the line, and "Rayburn had a very good game" at linebacker as did Eli Bartelt before he hurt his ankle. The coach also cited linebacker Lucas Christenson. "They tried picking on him," Piittmann said, but it didn't work.

Rayburn finished with 10 total tackles, including four solos, while

## Offense Is Starting To Click; Indians Take Second at Berlin

By Judy Harlow

Just as coach John Kenworthy had predicted, the Kewaskum High soccer team matched up with its first two opponents in the Berlin Tournament on August 25. The Indians defeated Adams-Friendship 2-0 in the opening round and cruised past Random Lake 4-1 in the semifinals but unfortunately they came up short in the finals, losing to Ripon 1-0.

"I was real pleased with how we did," Kenworthy said, adding, "We are real competitive with Ripon. There's a lot of respect there between our kids and their kids, our coaches and their coaches ... We just can't get over the hump with Ripon."

The lone goal in the championship match was scored in the second half by Tyler Granados on an assist by Ferdie Wagner. If that name sounds familiar, it's because Wagner was the Tiger player who collapsed in a game against KHS a year ago and was hospitalized for a time after the incident occurred.

"That would be him," Kenworthy said about Wagner. "He played well. It was nice to see."

KHS had five shots on goal in the finale, including three by Will Jens, but they couldn't connect on any of them. "We were a little spent at that time," Kenworthy

said.

The Random Lake game really showed the Indians are capable of scoring. Four Indians, Jens, Matthew Krautkramer, Hunter Kuehl and Isaiah Cochran joined in the fun, scoring one goal apiece while Jens had a pair of assists and Krautkramer had one.

Brenden Rice was perfect in the nets, turning back all six shots fired at him.

To open the tournament, the Indians scored one goal in each half to eliminate Adams-Friendship. The two Hunters, Hunter Schmitt and Hunter Kuehl were the goal-scorers, with Schmitt also credited with an assist.

Kenworthy was happy to see Kuehl get a goal since he had been working hard creating shots for his teammates.

Once again, Rice had a good outing, turning back four shots.

### August 23 Game

Kewaskum opened the 2018 campaign with a 4-0 loss to Living Word in Jackson, then bounced back to tie host Columbus 3-3 in a game played on August 23. Scoring the first goal of the season just 18 seconds into the game was Cochran, with assists from Jens and Trevor Geldnich.

Right after that goal, Jens beat the Columbus keeper with a pass coming from Kuehl. The score stayed at 2-0 until the second half when Cochran scored goal number two at 46.23 on a play set up by Kuehl and Jens.

Kewaskum, currently 2-2-1, is at Martin Luther this afternoon (August 30).

## CC Coach Is Satisfied With Teams' First Outings

By Judy Harlow

It was a good start! With top-10 individual finishers in both races, Kewaskum's cross country teams both took fourth place at the Sheboygan Falls Invitational held on August 23.

Winneconne was the winner in the boys' competition, beating Chilton by seven points, 59-66. Kewaskum High School placed fourth with 92. On the girls' side, Plymouth was easily the top team, scoring 28 points, 31 ahead of runner-up Winneconne's 59. KHS came in with 103.

Junior Andrew Carlton gave coach Kris Evans plenty to cheer about as he won the boys end of the race, covering the 5,000 meters in 18 minutes, 21.4 seconds (18:21.4), seven seconds in front of Chilton's

Wyatt Schmitz (18:28.9).

"He looked great. He looked confident," Evans said about Carlton. "We're going to try to get him down to the low 17s or even under 17 minutes this year. That's the goal."

Sophomore Gannon Kreuser also had a good outing, placing 10th after crossing the finish line in 19:43.8, and senior Kyle Toth placed 18th in 20:09.3. The other two KHS counters were Benny Frase and Clayton Kappler in 30th and 34th (out of 113 runners) with respective times of 20:53.3 and 20:58.5.

"A first top-10 finish for him," Evans said about Kreuser, whose time was "under his last year's PR (personal record) by 20 seconds."

Macey Clark of Winneconne won the girls race with her 21:06.7

clocking. The Indians had two in the top 10, including Maela Olla and Alyssa Butz, who were ninth and 10th respectively at 22:48.7 and 22:59.4.

"A similar story to last year. We had Maela and Alyssa right near each other," Evans said.

Newcomer Faith Mertzig had a good outing in her first varsity CC race, placing 23rd with a time of 24:49.3, with Emma Penfield right behind her in 24th (23:50.3) and the final counter was Courtney Zarda, 40th in 26:40.0.

Evans was pleased with Mertzig's effort. "I think Faith is going to be a girl to keep an eye on this year," he said.

The Indians are at the Kiel Invitational today (August 30).

## Dreher Leads The Way To Third Place Tie At HEK

By Judy Harlow

After three North Shore matches, members of the combined Kewaskum-Campbellsport girls golf team have certainly shown they are a bunch of fighters.

Playing at Hon-E-Kor on August 23, three of the Kew-Cats battled through a couple of rough holes to help their team finish in a tie for third place with Homestead, moving up one place from the fourths they posted in the first two meets at the Mee-Kwon Golf Course and Hartford Country Club.

"I was a little concerned about today because we started a little shaky," K-C coach Amy Uhlig said, referring to early reports from her girls after their first couple of holes.

Number one player, junior Alyssa Dreher, started with a nine on the first hole, according to Uhlig, who said, "I give her credit. She battled back to shoot 47." Also Grace Kober had to take an unplayable lie on number eight, her fifth hole of the round, but managed to fill her cards with fours and sixes for a 50.

When asked what was the best part of her game in the meet at Hon-E-Kor, Dreher, who is from Campbellsport, said, "I'd say putting," figuring she had 15 for the nine holes.

Dreher's driving was also very good on most holes. On number one, a 316-yard, par four, she had just 90 yards to the green after booming her tee shot past her three opponents. "Just a couple of them (drives) got me in trouble," she said.

Concerning her plans to dip into the low 40s, Dreher said she needs to be more consistent and, "My short game de-

termines what I shoot."

Kober, a KHS senior who always seems to play with a smile on her face, likes the way her team has started this year. "I think it's going pretty well," she said. "I feel real good about this season. We've got a lot of good golfers."

About her round with all the fours and sixes, Kober said "Very consistent," crediting her good driving for a successful round.

Ashley Trapp also battled back after hitting two balls out of bounds on number six. "I told her, you've got to get it together," Uhlig said, indicating Trapp did just that, chipping in on number eight toward a 59.

The Kew-Cats came in at 203, two shots behind runner-up West Bend. The counters were Dreher, Kober, Madelyn Thull, who shot a steady 51 and Tina Bolek, who carded a 55.

"I'll take it," Uhlig said, confident her golfers will continue to improve.

Cedarburg is definitely living up to its pre-season billing, winning with a sizzling 172, behind a one-over-par 37 by Elise Hoven, who was even par going into the par-three, number three hole, her final hole.

The Lady Bulldogs also won the first two meets with respective scores of 178 and 173, which somehow counted as just one meet though it was played on two different days at the two different courses.

At Mee-Kwon, the Kew-Cats shot a 208 and at Hartford they came in with a 202 for a 410 and fourth place. Scores of the team's counters were: Dreher, 43 and 47; Kober, 52 and 52; Trapp 54 and 50; Karissa Lange, 51 and 63; Tina Bolek, 54 and 59 Thull, 55 and 63.

The Indians were scheduled to play at Brown Deer Golf Course this afternoon (August 29) for another NS event.

# Harvest And Dry Flowers For Year-Round Enjoyment

MELINDA MYERS

Enjoy your flower garden's beauty all year long. Harvest and dry a few flowers to use in flower arrangements, craft projects or as gifts for friends and family.

Pick the flowers when they are at peak bloom and blossoms are dry. Cut flowers for drying mid-day when they contain less moisture in order to reduce the dry time.

Use a bypass pruner or scissors to cut the stems. Remove the foliage and gather them into small bundles. Secure the stems with rubber bands that contract as the stems shrink and continue holding them tight. Use a spring-loaded clothespin to hang the bundles from a hanger, clothes line or nail. Allow the flowers to dry in a warm, dark, dust-free location.

Flat-faced flowers like daisies tend to close a bit when dried upside down. Try laying them face down on a flat surface. Simply cut off the stem and place the flowers face down on newspaper in a warm, dry location. Once dried, you can glue them in place or use florist wire to create stems for arranging.

And don't forget to pick a few seedpods from perennials and ornamental grasses. These have dried, for the most part, on the plants and make great additions to your dried flower arrangements and projects.

Consider taking a trip to your local florist or craft store for more ideas and materials for drying delicate flowers. Silica sand works well for delicate blossoms like iris as well as roses, mums and more. Simply

fill the bottom inch of a container with silica sand. Remove all but an inch of the flower stem. Place the flower, stem side up or on its side, on the surface of the silica sand. Gently pour silica sand over the flowers until completely covered. Follow label directions. Most flowers dried this way maintain their beauty when dried in the silica sand. Just use a small paint brush to gently remove any remaining sand.

Test flowers for dryness before putting them in an arrangement or storing for future use. Carefully rub a piece of the flower between your fingers. If it feels dry it is ready to use. If it still feels moist, continue letting them dry. Store extra dried flowers in a location with low humidity and away from direct sunlight. Consider wrapping with newspaper or kraft paper to prevent crushing and place in a box until needed.

Whichever drying method you choose, the result is the same - year-round enjoyment of your garden's beauty.

Melinda Myers is the author of more than 20 gardening books and is the host of The Great Courses' How to Grow Anything DVD series. Her website, [www.MelindaMyers.com](http://www.MelindaMyers.com), offers gardening tips and videos.

# Kewaskum High Netters Get Off To A 3-0 Start

By Judy Harlow

With road wins over Howards Grove and Kewaunee, both by 6-1 scores, the Kewaskum High tennis team is off to a 3-0 start in Eastern Wisconsin Conference action.

The timing of these meets was perfect for the Indians, who are gaining confidence and experi-

ence, preparing to face the perennial powers in the league, including Kohler and Roncalli, which is now a combined team with Two Rivers.

"Our senior Big Two of Grace Marchello at number one singles and Emma Preder at number two singles defeated Howard Grove's two freshmen sensations (both co-op players from

Elkhart Lake) 6-0, 6-0 and 6-0, 6-3 respectively," KHS coach Peter Garcia said, reporting junior Meghan Krolski at number three singles also picked up her third conference win in convincing manner 6-0, 6-1.

"Kaitlyn Miller struggled early but wins set number one by a 7-5 score and then completes Kewaskum's Big Four sin-

gles sweep with a convincing 6-1 score in set number two," Garcia said, adding he was proud of the "heart" shown by Nikki Bruss and Nicole Brzozowski at number one doubles. Even though they are small in stature, the two win matches, using sheer determination. In this match, they were down 0-4 but came back to win 6-4, 7-

6 (4).

While Carly Meyer and Sydney Ostranger still haven't won at number two, Garcia is certain their "confidence will grow and wins will come."

This afternoon (August 20) the Indians travel to a match at Kohler, and finally on September 6, the Lady Indians, 3-1 overall, host their first home match against Sheboygan Falls.

## August 21 Match

On August 21, the Indians made the long trip to Kewaunee and came away with a solid victory behind a singles sweep by Garcia's "big three," Marchello, Preder and Krolski.

Sabrina Lor, subbing for Kaitlyn Miller, completed the straight set sweep with a 6-4, 6-2 victory.

They will be asked to turn off cell phones and keep them in their lockers during the school day. Communication will be sent to parents and students.

**Drug impairment assessment** - Mr. Stier reported the district will implement a new administrative guideline on how to assess students who appear to be drug impaired. The process was discussed with board members.

**Random drug testing** - Mr. Smasal reported after speaking with legal counsel the district must go through several steps before implementing random drug testing of students. A report of these steps will be provided to the Board at the August meeting.

**Superintendents' Report**  
Mr. Smasal provided an update on the Capital Project with a slide show of current progress. Turf for Doc Mithcell is expected to arrive this week. The donated video scoreboard will now be located on the north west corner of the complex. There will be one point of entry to

the complex for ticketed events. The entrance will have an ornamental archway and brick pillars.

Mr. Smasal thanked board members for their attendance at the July 9 Board Retreat. There was great conversation, debate and dialogue between all. PMA reviewed the proposed resolution with board members.

Mr. Smasal reviewed the three main goals of the Strategic Plan 2017-18 and 2018-19 Update and informed members that all goals were accomplished. The 2018-19 Strategic Plan will be reviewed by administration on July 24.

**Student Learning Report**  
Mr. Bazata provided members with the required annual notices per Wisconsin Act 55 - Student Academic Standards, School Accountability Reports, Educational Options, Special Education Voucher Program and Notice of Child Find Activity. He also reported that AP Test results are in. The passing rate at KHS has increased by 25%. KHS surpassed the national rate by 7%. Staff at KMS and KHS are preparing students well for these tests.

**Business Manager Report**  
Ms. Thoreson reported that per annual notification Tuition Income, if needed will be charged at the amount legally allowed by law. The 2017-18 Financial Report was provided. There are still many dollars that need to be booked for the 2017-18 school year. The 2018 Annual Meeting Agenda was presented to members. The date of the meeting is August 27 at 7:00 p.m. The location is still to be determined.

**i4Learning Annual Report**  
Mr. Flood, Ms. Peterson and Ms. Ebert presented the i4Learning Annual Report per the charter agreement. ELA, math and enrollment goals were presented. Parent satisfaction survey results were also reviewed. i4L staff will focus on writing curriculum in the 2018-19 school year and continue to work on math assessment training with staff.

**Pupil Services - School Nurse Report**  
Ms. Bocher provided the annual report of the health and wellness activities of students and staff. She discussed the role many staff members play in ensuring health and wellness needs of students are met. The district has 99% compliance rate for immunizations.

**VISION SCREENING**  
Vision screening of third and fifth grade students was performed this year. Dr. Priesler continues to be the district medical director. Ms. Bocher and other staff continue to work with the community to reach areas of wellness needs including hands only CPR and AEDs in community spaces.

Mr. Hanson adjourned meeting at 7:34 p.m.

# Davis, McGrath, Weber, Sheppard, Collins Score PDTR A-Main Triumphs

## —Justin Schmidt Secures First PDTR Late Model Title

A pair of veteran racers visited victory lane for the first time in Plymouth Dirt Track Racing A-main competition and another earned his first career PDTR points title, during an action-packed night of competition at the Plymouth Dirt Track at the Sheboygan County Fairgrounds in Plymouth on Saturday, Aug. 25.

Kurt Davis of South Milwaukee racked up his third Richard's of Dunbar Sprint Car A-main victory of the 2018 season. Mitch McGrath of Waukesha earned his first Gasroots Project Late Model A-main victory of the year.

Plymouth's Steven Weber notched his first career Klips & Tips Grand National A-main win. Cellcom B Mod points leader Tim Sheppard of Beaver Dam padded his advantage by posting his first career PDTR B Mod A-main victory. Dave Collins of Lake Mills collected his second Kristine Hartmann Pleasant View Realty Micro Sprint A-main victory of the 2018 campaign.

After coming into the night third in the PDTR

Late Model point standings, eight points out of the lead, Cleveland's Justin Schmidt secured his first PDTR Late Model points championship on the strength of a heat race victory and a fourth-place showing in the A-main. Schmidt, who posted four PDTR Late Model A-main victories this season, edged out his father, Jim, by just two points, in the final 2018 standings.

Two of the most experienced drivers in the pit area lined up on the front row of the 25-lap Sprint Car A main as Jim Melis of Glenbeulah held the pole position with 2010 PDTR Sprint Car champion Kurt Davis lined up on the outside.

Melis got the jump on the drop of the green flag and held down the top spot along the low groove in the early going while Davis worked the high groove of the wide and smooth racing surface.

After hounding Melis along the cushion for several laps, Davis shot into the lead with a bold high move in turn one on lap five. As 2017

PDTR Sprint Car champion Brandon McMullen of Oshkosh who started eighth, and Plymouth's Josh Walter, who started fifth, dueled hard for fifth, the leaders began to encounter slower traffic on lap 10.

With lapped cars in the mix, Melis was able to close the gap on Davis using the high groove, while two-time PDTR Sprint Car champ Danny Schlafer of Sussex, who started third, moved in to make it a three-car battle up front.

Just as it appeared the action was going to get heated in lapped traffic, a red flag appeared on lap 11 when Doug Wondra and Robbie Pribnow collided on the frontstretch, sending Wondra flipping. Both drivers emerged uninjured.

On the restart, Schlafer made an aggressive move to power past Melis in second in turn two, while McMullen slipped past Walter to assume fourth on lap 12.

The final 14 laps clicked off quickly as the majority of the field held tight to the preferred high groove. Schlafer

was able to close the gap slightly on Davis in the closing laps, but he was never able to mount a serious threat for the lead.

Davis went on to post his 20th career PDTR Sprint Car A-main victory and the 57th overall Midwest Sprint Car Association main event triumph of his long career. Schlafer finished second, Melis was third, McMullen placed fourth and Walter rounded out the top five.

Dan Schlieper of Milwaukee led the field to the green flag in the 25-lap Late Model A main from the pole position. The former Eldora Speedway World 100 winner and Lucas Oil Late Model Series regular held the top spot in the early stages of the race as 2014 PDTR Late Model champion Mitch McGrath made his way to the front from the sixth starting spot utilizing the outside line to secure second on lap two.

By lap 10, McGrath had closed in to challenge Schlieper for the top spot along the cushion, as title contenders Justin Schmidt, who

started eighth, and 2016 PDTR Late Model champ Tim Buhler of Greenbush, who started fifth, dueled for fifth.

On lap 13, Schmidt made what proved to be a championship-sealing move as he split Buhler and fourth-starting Chad Vetting of Valders to pass both drivers in turn three and vault into fourth.

After running the high groove throughout the first half of the race, McGrath dropped down low to challenge Schlieper on lap 18. Over the next six laps, McGrath tried several

different lines in an attempt to seize the lead before diving under Schlieper in turn two on the final lap and surging ahead over the final circuit to notch his 10th career PDTR Late Model A-main victory in the caution-free race.

Schlieper had to settle for second, third-starter Tom Naeyaert of Shawano, finished third in his first appearance of the year at Plymouth, Justin Schmidt finished fourth to secure his first PDTR Late Model championship and Buhler placed fifth.

## Young KHS Volleyball Team Finishes At .500 In Major Tournament

By Judy Harlow

With just one senior player returning, Kewaskum volleyball coach Laine Leitzke was approaching the 2018 season with a cautious optimism.

It turns out he has good reason to think the Indians will do well. They ended up an even 4-4 in the 23-team Adams-Friendship Invitational, finishing right in the middle of the field in 13th place.

"It was a nice opening weekend for us. We played very well defensively throughout the tournament," Leitzke said about the two-day competition held in Wisconsin Dells August 24-25.

The Indians opened with a 23-25, 25-13 and 6-15 loss to Antigo and lost their second match to Holmen 21-25 and 10-25 before getting win number one 1 over Bruce, 26-24 and 25-8. In match number four, the Indians beat conference foe Ripon by identical 25-18 scores, then dropped the next two matches, first to Kettle Moraine 18-25 and 23-25, then to Prairie du Chien in three games, 18-25, 26-24 and 9-15.

Kewaskum bounced back to win their final two matches, besting Clintonville 26-24 and 25-17 and finishing off the day with a 25-16 and 25-22 victory over Wisconsin Dells.

One impressive sta-

tistic was the dig total by Hailey Hasenberg, the team's lone senior, who came up with a whopping 118 in the team's 18 games, meaning she was averaging 6.5 digs per game. Next high for the Indians in this department was Holly Henk with 55.

Leading the way in kills was junior Brellyn Scoles, who hammered down 44 spikes while Henk was next with 29. Ace leaders included Hasenberg with 13, Scoles, Amayah Thomas and Carolyn Stockhausen came up with nine, six and six, respectively.

Stockhausen used her 6-foot frame to block seven shots, while Scoles and Kiley May had four and three, respectively, while Miller was far and away the assist leader with 70.

"We have a lot of youth, so there is constant learning during a tournament like this at the beginning of the season," Leitzke said. "I felt the team performed well and competed in every match. It is a great starting point, as we look to refine our game going forward."

After competing in the Green Lake/Princeton Tournament on August 28, the Indians open East Central Conference play against Winneconne tonight (August 30) at Winneconne.

## Anderson Claims Hon-E-Kor Men's Title For A Record 14th Time

By Judy Harlow

Craig Anderson may have recently retired from teaching, but he has no plans to give up competitive golf, and he shouldn't.

The West Bend resident showed on August 25 he still has what it takes to play good golf, defeating first-time finalist Tony Gonring in the Hon-E-Kor Men's Club Championship, 5-and-4. The title was Anderson's 14th, which is a record, and includes a run of four straight from 2002 to 2005.

"I think I played pretty well," Anderson said after winning the 23-hole competition, closing out the match with a par three on number 14 hole, hitting the green and two-putting. Gonring put his tee shot to the right and short of the green, and his par putt rimmed around the hole and out.

Anderson was one-up after finishing the Blue Nine, and then had a rocky start on Red numbers one and two, but still managed to tie both holes. Anderson said Gonring drove number

one, while he was 70 yards short, but he chipped to inside 10 feet and made his birdie putt, while Gonring two-putted for birdie from eight feet.

"We both took bogeys on number two," Anderson said, but by number eight on Red, had built a four-up lead and with a birdie on number nine Red, his lead was five-up lead, which was too much for Gonring to overcome. Gonring did get one back with a birdie three on number 10, but Anderson just kept hitting greens and two-putting on numbers 10 and 12. On both holes, he had birdie putts but wasn't able to convert.

On the long, par-four, 13th hole, Anderson needed three shots to reach the green, then drained a 10-foot side hiller for a bogey to tie Gonring's five.

"I knew I had to win it (number 13)," Gonring said, after watching Anderson dub his second shot coming out of a terrible lie in the right rough. "Then I missed the green. That didn't help," Gonring went on,

noting, "Craig's a pretty solid player. You can't make a lot of mistakes against him."

"I made a couple good putts when I needed to," Anderson said about the round and specifically the 10 foot bogey putt on number 13. "That putt was good!" he said. "To tie a hole you should have lost, that's big in match play."

Even though he did not win, Gonring felt he played well in his first run at the club title. "I think I drove the ball well," adding "I didn't think I putted bad. They were all around the hole ... They just didn't go in ... It just wasn't my day."

Gonring, who defeated Jay Krueger and Michael Korth on his way to the finals, will undoubtedly get other chances at winning the HEK title. After graduating at UW-Stout, he had an internship in Washington and returned to Wisconsin in May. "I'm back for good now, back from Seattle," Gonring, who is working as an electrician for MCS Services in Richfield, said. "I'll be here (on the course) a lot more."

In other matches, Dan Gibbon Jr. defeated Larry Sterr to win the First Flight title. The two men played the Blue, Red and White Nines, then had to go two extra holes before Gibbon won.

Eric Swanson won the Second Flight and Eric Mueller won the Third Flight in 18-hole matches.

Ken "Swede" Erickson edged Al Bohn in a 19-hole match for the Senior title. Bohn, who 50 years ago helped Kewaskum High School win the first Scenic Moraine title in 1968, was leading one-up going into the 18th hole, but hit his drive out of bounds, prompting the playoff.

The Women's Club Championship went to Amy Uhlig, coach of the Kewaskum-Campbell sport combined girls golf team. She shot 44-40—84 to defeat Theresa Dreher by one.

The final major event at Hon-E-Kor is the Kettle Moraine Amateur, a 36-hole event which will take place September 8-9.

## An Evening With The Summer Stars

The Friends of the Kettle Moraine's Saturday Summer Evening Events concludes with a night of planets and stars at the Kettle Moraine State Forest - Northern Unit.

The evening will start with the program, Deep Sky Objects, at 7:30 p.m. and end with Summer Star Gazing running from 8:45 p.m. to 11 p.m. These programs will be held on Saturday, Sept. 2, at the Ice Age Visitor Center located off Highway 67 half mile west of Dundee. The program is free, but do-

nations are always gratefully accepted.

What objects lie beyond our solar system? What are a nebula, an "M" object, and globular cluster? At 7:30 p.m., join Jeff Setzer of the Northern Cross Science Foundation as he describes these and other extraordinary deep sky objects.

The astronomers from the Northern Cross Science Foundation will be setting up their telescopes of all sizes from four inch diameters to more than 12 inches and pointing them into

the night sky. Between 8:45 p.m. and 11 p.m., drop in any time and stay as long as you like to peer through the scopes to bring into focus the wonders of the night sky.

With the help of these experienced sky observers, you will be able to spy distant planets, marvel at far away galaxies, and be awed by the beauty of a dumb-bell nebula or globular cluster. The members of the Northern Cross Science Foundation truly enjoy sharing their hobby and

helping people just getting started in astronomy. This part of the evening will be held only if the skies are clear.

For further information, contact staff at the Ice Age Visitor Center. They may be reached at (920) 533-8322, Monday through Friday, 8:30 a.m. to 4 p.m., and on Saturday and Sunday from 9:30 a.m. to 5 p.m. Make sure to mark your calendars to join us for a wondrous night among the stars.

## Immediate Need For Life-Saving Gifts From Washington County Blood Donors

Together, BloodCenter of Wisconsin and blood donors across the state make a life-saving impact through the gift of blood donation. Patients in need of blood tomorrow rely on the generosity of blood donors today.

Entering September, BloodCenter continues to have a critical need for life-saving blood donations. Donors of all

blood types are needed, but especially O negative blood donors who carry the universal blood type given to patients in emergency situations.

Washington County blood donors can help patients in need at BloodCenter of Wisconsin's upcoming blood drives:

- Wednesday, Sept. 5 from 12:30 to 5:30 p.m. at Hartford Senior Cen-

ter, 730 Highland Ave., Hartford.

- Tuesday, Sept. 11 and Wednesday, Sept. 12 from 2 to 7 p.m. at Shepherd of the Hills Lutheran Church, 1350 Hwy. 175, Hubertus.

Donors can schedule an appointment by calling 1-877-BE-A-HERO (1-877-232-4376) or visiting [versiti.org](http://versiti.org).

Anyone 17 or older who is in good health

and meets eligibility requirements is encouraged to donate blood. Appointments are preferred, but walk-in donors are also welcome. Parental consent is required for 16-year-olds to donate. The entire process takes about an hour. Donors should bring a photo ID that includes birth date.

## What Is The Coolest Thing Made In Wisconsin?

Wisconsin Manufacturers & Commerce (WMC) and Johnson Financial Group announced that the Coolest Thing Made in Wisconsin contest will be back for a third straight year. The annual competition aims to highlight the state's manufacturing industry — which employs nearly one in five Wisconsinites

— and ultimately determine the Coolest Thing Made in Wisconsin.

"We make some really cool things in Wisconsin," said Kurt R. Bauer, WMC president & CEO. "This contest is a fun way to showcase manufacturers from every corner of the state who make a wide range of different products."

The rules are simple:

any product manufactured in Wisconsin qualifies for the contest. Nominations will be accepted starting Monday, Aug. 20, at [www.madeinwis.com](http://www.madeinwis.com).

Last year, roughly 150 products were nominated, and nearly 200,000 votes were cast. The winner claiming last year's trophy went to Oshkosh Corporation and their Joint Light Tactical Vehicle. A myriad of products were nominated across the Badger State ranging from cheese, boats, food carts, iron castings, beer, motors, snow blowers and much, much more.

"The Coolest Thing Made in Wisconsin is an exciting contest that brings well-deserved recognition to the products we make right here," said Jim Popp, Johnson Financial Group CEO. "Johnson Financial Group is proud to partner with the WMC to showcase such a critical industry in our state's economy."

The contest will house the same rules, as last year beginning with a popular vote to determine the Top 16 products. From there, the Top 16 will be placed into a bracket-style tournament called, Manufacturing Madness.

Products will compete against one another in head-to-head match-ups and the products who receive the highest votes in each match-up will advance to the next round.

Here's the breakdown: August 20 to August 31 — Nominations Accepted

September 10 to September 16 — Popular Vote to Determine the Field of 16

September 17 — Announce the Top 16

September 18 to September 23 — 1st Round of the Bracket

September 24 — Announce the Top 8

September 25 to September 30 — 2nd Round of the Bracket

October 1 — Announce Top 4

October 2 to October 9 — Final Round

October 9 — Winner Announced

The winner will be announced on October 9 at WMC Foundation's State of Wisconsin Business & Industry Luncheon at the Monona Terrace Community and Convention Center in Madison.

Please visit [www.madeinwis.com](http://www.madeinwis.com) for more information on the contest and to begin nominating a product on Monday, Aug. 20.

# Starry Stonewort Found In Two Southeast Wisconsin Lakes

By Anne Trautner

The invasive aquatic plant starry stonewort was recently discovered in Little Cedar Lake in Washington County and Geneva Lake in Walworth County. Starry stonewort was discovered in Little Cedar Lake by a Washington County staff person conducting an aquatic plant survey.

The discovery in Geneva Lake was made by a lake management consultant conducting some aquatic plant control work. Experts at the DNR and the New York Botanical Gardens confirmed the discoveries.

Though the specific impacts of starry stonewort are largely unknown, anecdotal evidence suggests that the macro-algae can grow in thick mats at high densities, potentially impacting recreational and aesthetic uses. The DNR is working with partners around the country to determine effects of starry stonewort.

Little is known about these specific populations at this time. The DNR and local partners will assess the popula-

tions soon to determine potential management options for both lakes.

"A thoughtful and coordinated approach to managing these new populations will ultimately be most successful in limiting their impacts," said Amy Kretlow, the DNR aquatic invasive species specialist for southeast Wisconsin. "The DNR and UW-Extension staff will work together with local partners on Geneva Lake and Little Cedar Lake to develop a response plan."

At this time, there are no known effective eradication measures for starry stonewort. Chemical treatment has been attempted but did not effectively reduce the reproductive bulbils that are in the sediment. Mechanical treatments such as hand-removal and diver-assisted suction harvesting (DASH) have seen short-term success followed by re-growth.

Wisconsin and other neighboring states are continuing to research control options that can kill or remove the plant while reducing harm to

native plant communities. Removing vegetation and mud from your watercraft, trailer, anchor, and other equipment is effective at preventing the spread of all invasive species. As a reminder, boaters can prevent the spread of invasive species through these Stop Aquatic Hitchhiker steps:

- **INSPECT** your boat, trailer, and equipment including anchors.

- **REMOVE** any attached aquatic plants or animals (before launching, after loading, and before transporting on a public highway).

- **DRAIN** all water from boats, motors and all equipment.

- **NEVER MOVE** live fish away from a body of water.

Starry stonewort remains a prohibited species in a limited number of Wisconsin's lakes and the opportunity to prevent its spread still exists. DNR rapid response grants are available to communities that are dealing with new invasions and the Clean Boats Clean Waters watercraft inspection program keeps boats free of invasive species as they travel between lakes.

## RECIPE OF THE WEEK

August 30, 2018

### SOUTHERN POTATO SALAD

makes about 4 servings

Adapted from [www.allrecipes.com](http://www.allrecipes.com)

#### INGREDIENTS

- 4 potatoes
- 4 eggs
- 1/2 stalk celery, chopped
- 1/4 cup sweet relish
- 1 clove garlic, minced
- 2 tablespoons prepared mustard
- 1/2 cup mayonnaise
- salt and pepper to taste

#### DIRECTIONS

Bring a large pot of salted water to a boil. Add potatoes and cook until tender but still firm, about 15 minutes; drain and chop.

Place eggs in a saucepan and cover with cold water. Bring water to a boil; cover, remove from heat, and let eggs stand in hot water for 10 to 12 minutes. Remove from hot water; peel and chop.

In a large bowl, combine the potatoes, eggs, celery, sweet relish, garlic, mustard, mayonnaise and salt and pepper. Gently mix together and serve warm.
