## Giant Pumpkin Reaps Great Rewards

By Anne Trautner

Neighbors and friends stopped at Craig Watry's home to help him harvest his pumpkin on Friday, Sept. 14.

It was no easy task. After all, the pumpkin weighed 767 pounds.

Watry used large ropes to create a strap system to lift the pumpkin with a forklift.

As cars drove by the pumpkin, located in front of Watry's house on Moraine Drive in the Town of Kewaskum, they paused to see what the commotion was. Motorcyclists stopped to take selfies with the large gourd.

Once Watry and his crew of friends removed the massive pumpkin from the pumpkin patch,

Watry measured its 152-inch circumference.

He had been hoping the pumpkin would be larger, but he was satisfied with the size, especially since he got a late start growing it.

"I had issues early this year. The plant just wasn't doing good," Watry said.

It is best to pollinate pumpkin plants in mid to late June, he said. Unfortunately, this pumpkin did not start until the last week of June.

He lost the main pumpkin he had been raising, but then a new pumpkin started on a secondary vine.

"It was about a month behind," he said.

Continued on Page 21

Craig Watry (left) grew a 767-pound pumpkin in his front lawn in the Town of Kewaskum. The pumpkin has become the talk of his neighborhood. Pictured with Watry are his wife, Amanda Watry, and their son, 15-month-old Wally Watry.

## Board Approves Reigle Family Park Enhancements

By Anne Trautner

Reigle Family Park will one day be home to a lighted trail around a fully stocked fish pond.

The Kewaskum Village Board on Monday, Sept. 10, unanimously approved a fish pond management plan for the pond located on the east side of the new park, as well as a lighting plan for a footpath that will go around the pond.

"A business owner came forward who would like to take care of the pond management indefinitely," Aaron Laatsch, a volunteer who is helping develop Reigle Family Park, told the Village Board at last week's meeting.

The private donor hired a fish biologist, who identified the needs to create a catch-and-re-

lease pond, Laatsch said. It will be an estimated investment of \$2,000 to \$5,000 each year if the pond needs restocking, according to Laatsch.

"This is an excellent thing to get acquired for the village," Village President Kevin Scheunemann said.

Another donor also stepped forward to install lighting along the path that goes around the pond, Laatsch said.

The local electrician proposed to install 42-inch tall light poles with 30-watt LED lights along the path. Altogether, there will be about 20 lamps placed approximately 75 feet apart.

"There would not be a large amount of light pollution; they would not be bright like baseball lights. We could put

them on a timer and have a manual shutoff," Laatsch said.

The lights could be used for various events throughout the year.

"Really, the purpose of them would be for small events that we would have at the park, whether it be something like what the state parks do like a snowshoe hike in the winter or maybe a Halloween hike in October. So there are lots of little different events we could do with the kids," Laatsch said.

The Village Board also approved using funds that the village collected in impact fees to cover the cost of installing a water main in Reigle Family Park.

The new village park was created last fall. It is located on Edgewood Road, just north of Highway H.

Anna Piittmann makes her way up a climbing wall at Kewaskum High School on Friday, Sept. 14. The Wisconsin National Guard brought in the climbing wall as part of the school's PBIS Bash to kick off the new school year.

# School Board Discusses First Day Of School, Approves Loan

By Anne Trautner

The Kewaskum Board of Education met last Monday, Sept. 10.

That day was also the first day of school, and the overall feeling of the school administrators who attended the meeting was that the day had been successful.

"All the reports are that it went very well," Superintendent James Smasal said.

It was an exciting day especially at the new

middle school which opened for the first time last week and the high school, which underwent renovations this summer.

"We had an exciting day today," said Julie Skelton, principal at Kewaskum Middle School. "The middle schoolers coming into their new space today was like nothing we have ever seen before. They were so excited. They said they had been waiting for months for this. You

don't hear that often from middle school students."

At the high school, students were proud of the new space.

"It is basically a brand new building. We went from two to three lunches. So there were a lot of changes, and with all that happening, everything went very smoothly, which is a credit to our staff," said Kewaskum High School Principal Scott Stier.

### \$1.8 Million Loan

The School Board voted on September 10 to approve a taxable temporary loan of \$1.8 million. The loan will be paid off on August 26, 2019.

Timothy Ramthun was the only school board member to vote against

the loan. School Board Member Jay Fisher was absent from the meeting.

The loan is needed because the district does not receive aid from the state until November and does not receive any of the levy until January, Julie Thoreson, business manager for the district, explained to the board last Monday night.

This loan amount is down from five years ago, when the district borrowed \$2.7 million, but up from last year, when the district borrowed \$1 million.

To determine how much it should borrow, the district performs a cash flow analysis, according to Thoreson.

"The cash flow analysis said that we are

going to have cash flow shortfalls at three different times in the school year. Part of it is because of the timing of our payments, part of it because the board gave us permission to use some of the fund balance for [athletic] fields. So between those two we are looking at \$1.8 to make sure that we can make payroll," Thoreson said.

Each year the district receives about \$8 million in general funds from equalization aid, according to Thoreson.

"If we had that payment in July, we wouldn't be having this conversation because we could make payroll. But we don't get our money in a timely fashion. So until then, we have to borrow," she said.

### Other School Matters

Other action at the September 10 meeting included:

- The School Board approved a trip for six to eight FFA students to travel to Indianapolis, Indiana.

- Several parents voiced concern that they had not been informed that Spanish classes are no longer offered for students in kindergarten through second grade.

- Board Member Timothy Ramthun voted no on approving accounts payable. He questioned why some of the expenditures were in excess of \$15,000. Other board members said the board had previously approved those expenditures.

## XYZ Card Results

The winners of cards played at the Municipal Building Annex on Wednesday, Sept. 12, were: Cliff Gallecke, Fred Lettow, Jerry Schneider, Dolores Eder, John Severence, Dennis Kleinke and Marvin Marquardt.

New members are always welcome. Cards are played from 8 - 11:15 a.m. every Wednesday.

## Tuesday Night Sheephead Winners

Five-handed winners on Tuesday, Sept. 11, were: Ted Corey 76-10-66 18-6-12, Sylvester Stern 68-5-63 19-5-14, Richard Techtmann 58-5-53 17-4-13, Robert Aufermaure 55-6-49 19-3-16, Dennis Proeber 55-7-48 16-4-12, Raymond Kirchner 53-7-46 19-6-13, Pat Heaslip 28 most losses and Rochelle Stoffel 7 low points.

The next five-handed call-an-ace will be Tuesday, Sept. 25, at 7 p.m. sharp. New players are always welcome at the Kewaskum Labor Center.

### Week's Wit...

You won't notice the splinters on the ladder of success unless you're sliding down.

donated by Kewaskum Frozen Foods: .....Turner Ramsey

# Heavy Rains Lead To Increased Mosquito Populations

An unusual amount of rainfall in Wisconsin has resulted in lots of standing water in places that are normally dry. Unfortunately for people, mosquito larvae, sometimes called wigglers, develop in standing water, so their populations have surged over the last few weeks.

Mosquitoes can develop in flood water but also in surprisingly small volumes of water in standing containers, abundant in our yards and neighborhoods in the form of rain barrels, fish ponds, bird baths, old tires, planters, tree cavities, gutters or anything that holds water.

To help control the outdoor mosquito population on your property, eliminate their breeding

places:

Remove and dispose of trash that is holding water such as old tires, sagging plastic bags, or any water-holding containers.

Make weekly inspections of water in flower pots and plant containers for stagnant, standing water or the presence of wigglers.

Change the water in bird baths and wading pools frequently. Drain them when not in use.

Unclog rain gutters so water doesn't pool.

Drain and fill stagnant, puddles, ditches, or any wet areas around your home and property.

Clear weeds and vegetation away from the edges of ponds, near houses, and in nearby lots - adult mosquitoes

hide in them.

Biological control products containing Bti, a natural mosquito larvicide, may be purchased online and at most lawn and garden stores. These products, which are usually donut-shaped or come as pellets, are placed in standing water to kill mosquito larvae. They control mosquito larvae for up to 30 days but are harmless to people, pets, birds, fish, and other wildlife. Always follow directions on labels.

Cover cisterns, cesspools, septic tanks, fire barrels, rain barrels and tubs tightly.

Use sand to fill in tree holes.

Remove tree stumps that hold water.

Inside the house, keep window and porch screens in good repair.

Use weather-stripping to fill gaps around windows and doors. Remember that mosquitoes also bite animals; provide pets refuge inside the house or in screened-in areas.

If you must go outside at dawn or dusk when mosquitoes are most active, take precautions to avoid being bitten.

Wear long-sleeved shirts and long pants thick enough to prevent mosquito mouthparts from reaching skin.

Wear light tones - dark colors attract mosquitoes.

Use repellents on exposed skin.

Citronella can be helpful if the air is still.

For more information, see "Mosquitoes in and Around the Home" at <https://extension.entm.purdue.edu/publications/E-26/E-26.pdf>.

## WASHINGTON COUNTY SHERIFF'S OFFICE REPORT

### Community Notification Of Sex Offender's Release

The Washington County Sheriff's Office is releasing the following information pursuant to WI Statute 301.46(2m) which authorizes law enforcement agencies to inform the public of a sex offender's release when, in the discretion of the agency, the release of information will enhance public safety, awareness and protection. The individual who appears on this notification has been convicted of a sex offense. Further, his criminal history places him in a classification level which reflects the potential to re-offend.

**PAUL A. LISOWSKI**

Paul A. Lisowski, 35, will be released from a Florida prison on September 13. After his re-

lease he will be moving back to Wisconsin and reside on Mockingbird Lane in the Town of Jackson. Paul Lisowski was convicted in the State of Florida of Use of the Internet to Lure a Child, Lude or Lascivious Battery, and Interference with the Custody of a Minor. Paul's victim was known to him prior to the incident. Paul Lisowski will be on probation until September 12 and will be monitored closely by WIDOC Division of Community Corrections agents. Paul Lisowski will have numerous rules and restrictions to follow including wearing a live tracking GPS unit.

This sex offender has served the prison sentence imposed on him by the courts. He is NOT wanted by law enforcement at this time. This notification is not intended to increase fear, but rather it is our belief that an informed public is a safer public.

Sex offenders have always lived in our communities; but it was not until the Sex Offender Registration and Community Notification Law was enacted that law enforcement was able to share this information with the community.

More information can be located at <https://appsdoc.wi.gov/public/faq>.

For information, contact Probation/Parole Agent Jessica Latzl at 262-335-5665, Sex Offender Registration Specialist Monica Lukach at 414-491-5850 or Sgt. Michael Hennes at 262-365-5054.

### Scam Phone Calls

On September 12 the Washington County Sheriff's Office was notified of numerous suspicious phone calls that were made to citizens throughout southeast Wisconsin in which the caller claimed to be a member of our agency.

The scammers are identifying themselves by using actual names of deputies in our agency. The scammers are telling citizens that there is an open civil case against them or that there is an active warrant out for their arrest and that they should call immediately. In at least one case a citizen was told to go and purchase gift cards. The number that is provided to the citizens is constantly changing but does go to a phone tree voicemail that claims to be the Washington

County Sheriff's Office. The Washington County Sheriff's Office does not typically call people on the telephone to tell them that they have a warrant. Law enforcement would never advise anyone to go and purchase gift cards or solicit payment for a warrant over the telephone. If you receive a call from someone claiming to be an officer and you have questions as to the validity, you are encouraged to contact the Washington County Sheriff's Office at (262) 335-4378 and can ask to speak to the officer or a shift supervisor.

### Semi-Tractor Trailer Accident

On September 12 at approximately 3:58 p.m. the Washington County Sheriff's Office was notified of a semi-tractor trailer that had gone into the median on U.S. Highway 45 southbound at Pleasant Valley Road and struck the bridge pier. Callers reported that the driver of the semi was injured. Washington County sheriff's deputies, along with the Jackson Fire and Rescue, were dispatched to the scene.

The investigation revealed that the driver

was southbound when the new semi-truck suffered a significant failure in the steering system. The truck began heading for the median at which point it struck the median guardrail which prevented it from going into oncoming rush hour traffic. The semi continued along the median guardrail until it struck the bridge pier and came to a rest. No other vehicles were damaged

in the accident. The driver of the semi was transported by ambulance with minor injuries to Froedtert St. Josephs Hospital in the Town of Polk.

Both lanes of U.S. Highway 45 southbound were closed at Pleasant Valley Road for one and a half hours while the semi was being removed. The bridge was inspected by the Washington County Highway Shop and deemed safe.

## Washington County's Most Wanted

*The Washington County Sheriff's Department is seeking:*

**Name:** Stephen Robert Lombard  
**\*\*\*Use Caution - Violent Tendencies\*\*\***

**Age:** 28  
**Race:** White  
**Sex:** Male  
**Height:** 5'08" **Weight:** 210  
**Hair:** Brown **Eyes:** Blue  
**Scars/Tattoos:** Scar on Chest. Tattoos on face, chest, back, right arm, upper right arm, right leg left arm, and left forearm.

**Last Known Address:** Jackson, Horicon

**Warrant Entry Date:** 09/17/2018

**Wanted for #1-** Washington County Sheriff - disorderly conduct - domestic abuse related. **Warrant #2** Dodge County Sheriff - operate after revocation.

*Anyone with information on this person's whereabouts should call the Washington County Sheriff's Department at 262-335-4411 or Washington County Law Enforcement Tip Line at 800-232-0594. Residents should not attempt to apprehend this suspect.*

## OBITUARIES

†

Arleen C. Schultz

Arleen C. "Pickles" Schultz, 81, of Waucousta passed away Sunday, September 16, 2018 at her home with her beloved family gathered around her.

She was born on August 27, 1937 in Barton, the daughter of Frank and Eleanor Gengler.

She was raised in Barton and graduated from West Bend High School.

On September 22, 1956, Arleen married Harold Schultz at St. Marys Immaculate Conception Church in Barton.

They farmed in the Town of Osceola, she worked at Barton Washer and Reliable Knitting and drove school bus for many years.

She was a member of Shepherd of the Hills Parish in Eden and active in the women's groups at the parish.

Arleen was a great cook and enjoyed watching her children and grandchildren's activities; especially softball, gardening, cranberry fest and going to Arizona in the Spring.

Arleen is survived by her husband Harold, daughter Maxine (Mark) Hahn, sons Mike (Sandi) Schultz and Mark (special friend Gayle Drehmel) Schultz, grandchildren Erin (special friend David Wege) Schultz, Joe (Katie) Schultz and Peter Schultz, great granddaughters Paige and Lexi Schultz, brothers Francis "Butch" (Barb) Gengler and Ralph (Carla) Gengler, sister Carol Averill, sister-in-law Helen Leiknes, nieces, nephews, other relatives and friends.

Preceding her in death were her parents, daughter Mary, grandson Michael, sister Rosie (Norbert) Wickman, brothers-in-law

Ralph Averill, Melvin (Dorothy) Schultz and Frank Schultz and sister-in-law Dorothy (Bob) Johnson.

Mass of Christian Burial will be Friday, September 21 at 2 p.m. at Shepherd of the Hills Catholic Church, 1562 County Rd B, Eden. Rev. Mark Jones will officiate and burial will be Saturday at 11 a.m. in Ledgerview Memorial Park, Fond du Lac.

Visitation will be Friday, September 21 from 12 p.m. until the time of Mass at Shepherd of the Hills Church.

Memorials are appreciated to Shepherd of the Hills Parish or Heartland Hospice.

Twohig Funeral Home, Campbellsport, is serving the family with online condolences and guestbook: [www.twohig-funerals.com](http://www.twohig-funerals.com).

†

Augie Wilks

Augie Wilks, age 80, passed away peacefully on Friday, September 14, 2018 in his home with family by his side.

He was born on July 18, 1938 in Milwaukee, WI to August and Stephanie (nee Mordeszewski) Wilks.

Augie is survived by his loving wife of 58 years, Carol (nee Zakeske) Wilks; his daughter, Sheryl (Vaughn) Bopp and son, Steve Wilks; granddogs Rueben and Humphrey. He is further survived by other relatives and friends.

Augie is preceded in death by his parents.

A Memorial Service was held at 5:30 p.m. on Wednesday, September 19, 2018 at the Phillip Funeral Home Chapel (1420 W. Paradise Dr. West Bend, WI 53095) with Pastor John C. Bass presiding.

Visitation was Wednesday, September 19th from 4 p.m. until the time of service.

A special thank you to Pastor John C. Bass, Horizon Home Hospice and especially Stacy.

The Phillip Funeral Home of West Bend assisted the family.

(262) 338-2050 / [www.phillipfuneral-home.com](http://www.phillipfuneral-home.com).

## Kewaskum School Board Discusses Community Baseball

By Anne Trautner

At the September 10 School Board meeting, Superintendent James Smasal reintroduced the topic of whether the district should allow the Kewaskum A's men's baseball team to use school facilities and sell beer on school grounds.

"Community baseball and the sale of beer at the games is something that was done here in the district for many years," Smasal said.

Smasal said that if the board approves the sale of beer during Kewaskum A's games, beer would never be sold on any day that school is in session. Also, if any problems occur, the ability to sell beer would be taken away immediately, Smasal said.

In order for beer to be sold on school grounds during Kewaskum A's games, the school district would need to change a couple of its policies.

Board Policy 9160 prohibits alcohol from being possessed, consumed or distributed on school premises.

In addition, Board Policy 5530 prohibits the

use, possession, concealment, or distribution of all drugs and alcoholic beverages at any time on district property or at any district-related event.

The board unanimously approved the second reading of both policies at last week's meeting. Jay Fisher was absent from the meeting.

The district contracts with a company called Neola to help develop its policies.

Smasal requested that at the next School Board meeting, the board vote on whether the policies should be sent back to the district's policy committee to be changed in order to permit beer sales during A's games.

"Does Neola stand behind this? Does that take us out of their protection if we change their policy?" School Board Member Jim Leister asked.

Smasal said that every school district has latitude to interpret policies the way they want to, as long as they aren't breaking state or federal law, but agreed to look into it.

The School Board discussed community baseball last month after Smasal recommended

that the district allow the Kewaskum A's men's baseball team to play on the school's new baseball field and sell beer during their games.

"I have to be the first one to admit that I did not do a very good job that night of trying to explain things," Smasal said at last week's meeting.

Smasal said that his presentation at the August meeting lacked clarity.

"It was never intended to be an administrative decision without board approval," Smasal said.

Smasal said that after the August board meeting, he sent an email to all the board members with five bullet points that he felt needed to be clarified. He shared those items with the public at last week's meeting.

"The concept of bringing baseball onto the school district's campus began after a joint meeting between the School Board and the Village Board concerning Kiwanis Park last October," Smasal said.

After that meeting, the School Board directed him to research and present the feasibility of hav-

ing ball fields brought back onto the school district's campus, according to Smasal.

"I explained to the School Board that if this is something they wanted the district to do, that it is nonnegotiable that the A's be allowed to play on this field, just like it was in Kewaskum for decades," Smasal said.

He said he did not receive any concern from any school board members at that time, so the district moved forward with creating ball fields on school grounds.

Leister apologized for not speaking up right away when Smasal said that allowing the A's to play and sell beer on school grounds was non-negotiable.

"Why is this nonnegotiable? What ties does the school have with the A's?" Leister asked. "The A's are not part of the school. I don't know the connection."

"I will simply ask that we call ourselves the Kewaskum Community School District. The A's program is part of our community," Smasal replied.

## Village Allows Off-Premises Advertising On Electronic Boards

By Anne Trautner

The Village Board on Monday, Sept. 10, unanimously approved an ordinance that allows off-premise advertising on electronic message centers.

It means that businesses with an electronic messaging sign can now advertise for other businesses. It also means that off-premise advertising is allowed on the school district's new elec-

tronic scoreboard.

"It's a new technology and our code had not caught up with that technology. This ordinance addresses that," Village President Kevin Scheunemann said.

The issue was brought to light several months ago when local businesses donated an electronic scoreboard to the Kewaskum School District. The school district wanted to advertise for area businesses on the

scoreboard, Scheunemann said.

However, at the time, area businesses were not allowed to display off-premise advertising on their electronic signs.

"These changes to the ordinance will allow off-premise advertising for businesses in town who have electronic messaging centers and it allows the school district to do off-premise advertising," Scheunemann said.

The village's Plan Commission gave its stamp of approval to proposals for an updated sign ordinance in July.

Because the sign ordinance is part of the zoning code, a public hearing was required before changes can be made. The public hearing was held on September 10. There was no opposition to the proposal.

Off-premise signs are also permitted on adjacent properties with proper permission from said property owner(s) and are subject to Plan Commission review and approval. In addition, official signs, temporary rummage sale signs and signs located at village boundaries identifying civic or other nonprofit community service organizations located within the village are allowed.

The village now has the following exceptions to the restriction on off-

premise advertising:

- Athletic venues, parks, memorials and other institutionally zoned facilities that are sponsored may display signs of the contributing businesses. Design and location of these signs shall require a sign permit and Plan Commission approval. Approval will be based on the compatibility of such signs with the adjacent land uses and the character of the neighborhood. Scoreboards and other facilities without commercial logos or advertisements at schools and parks are allowed in such districts and do not require a sign permit.

- Electronic Message Centers (video screens). Electronic message centers are allowed and regulated in [village ordinance] 95-95. Electronic message centers must be permitted by the business occupying the parcel and cannot be on a vacant lot. Electronic Message centers may contain video advertisements for off-premise businesses.

Electronic message centers need to be approved before they can be installed at businesses. There are still the same setbacks and size restrictions as there were previously, according to Village Administrator Matt Heiser.

### ACTIVITIES AT THE KEWASKUM LIBRARY

The Kewaskum Public Library, 206 1st St. in Kewaskum, is offering the following programs. For more information, contact the library at (262) 626-4312.

#### Newsletter

A library newsletter is now available through email. To sign up to receive the newsletter, visit the library's website at [www.kewaskum.lib.wi.us](http://www.kewaskum.lib.wi.us)

**Gale Courses** is a free online resource that provides access to exceptional classes on multiple topics of interest including career training pro-

grams. We hope you consider exploring the offerings for personal and professional development.

#### Storytime

Storytimes are on Wednesdays at 10:30 a.m. and 6:15 p.m.

Every week, learn about a new theme through fun books, activities and a special craft project.

## DAYS GONE BY

### 5 Years Ago September 26, 2013

Sitting around lunch tables in the high school cafeteria, more than 40 people, including those from the Board of Education, district administration, teachers and community members, discussed the educational future of Kewaskum's youth. The newly formed Visionary Committee assembled on September 16 for the first time.

The Village of Kewaskum is without a director for their Department of Public Works after the abrupt retirement of Jerry Gilles. The retirement comes days after it was revealed Village Trustees would discuss eliminating the position.

While there is always some trepidation when it comes to opening a report card, the Kewaskum School District is celebrating the state Department of Public Instruction's District Report Card rating. Four of the district's five schools - Kewaskum High School, Kewaskum, Farmington and Wayne elementary schools all attained an "exceeded expectations" rating while the middle school earned a "meets expectations."

Sylvester "Skee" and Jean (Slavik) Krahn will celebrate their 50th wedding anniversary on October 5.

Catholic Financial Life presented Holy Trinity School graduate Jack Felten their Outstanding Student Award by local agent Kathie Ramthun.

Mary H. Rahn, 93, of the town of Auburn, passed away on September 24.

Linda L. Young, 50, of West Bend, passed away on September 16.

Lillian M. Pfeiffer, nee Bumiller, 105, of West Bend, passed away on September 18.

### 15 Years Ago September 18, 2003

The recent hot days and cool nights produced some very foggy weather, especially during the morning rush hour along STH 144. They say bad things happen in threes; for the Boltonville Fire Department and their First Responder unit, this myth recently has some merit. The recent fog left the department with three major accidents along Highway 144, three days in a row, and each more traumatic than the last. The first call was on STH 144 and CTH H, for a rear end collision. One of the vehicles caught fire during loading on a flat bed tow truck. The fire department extinguished the fire. The next call was a two-car rollover crash. That crash occurred as William D. Gabrich, Fredonia, was driving west-

bound on CTH A and failed to stop at the CTH A and STH 144 intersection. He collided with Bruce Theusch of Boltonville. The last call happened Thursday morning just before 7 a.m., one half mile north of CTH H, when a car ran into the back of a dump truck towing a 10 ton flat bed trailer. The driver, Nicholas A. Walters, 30, Kewaskum, was transferred to Froetdert Hospital by Lifestar Ambulance after being extricated by Boltonville First Responders and Fire Department and then transported to St. Joseph's Community Hospital in West Bend by Kewaskum EMS. Walters is said to have suffered head and internal injuries. The operator of the truck, Richard McKee of the Town of Farmington was uninjured.

David L. (Dave) Walker, 58, of Grafton, passed away on September 6.

Marvin E. "Ozzie" Bohn, 51, passed away on September 3.

Beverly J. Grichtmeier, nee Seim, 74, of Fort Myers, Florida, passed away on September 5.

Rudolf Weber, 79, of Campbellsport, passed away on September 15.

George C. Weiss, 88, of Eden, passed away on September 10.

### 25 Years Ago September 23, 1993

State Rep. Mary Panzer (R-West Bend) handily won the 20th District Senate seat over her Democratic opponent, Kimberly A. Dumas, in Tuesday's special election.

The Kewaskum Board of Education has announced that KHS junior Jamie Van Den Heuvel, daughter of James and Mary Jo Van Den Heuvel, has been chosen as the Student of the Month for September.

Kewaskum High School graduate Sheldon Oppermann of rural Campbellsport, has been awarded a scholarship from the Two/Ten International Footwear Foundation. Sheldon was chosen from more than 1,900 applicants to this year's program.

From start to finish, senior running back/defensive back Beau Coulter was the main man for the Kewaskum football team here last Friday night. Coulter scored a pair of touchdowns, added three two-point conversions and knocked down a pass late in the fourth quarter to seal a 24-22 Indian victory over Fox Valley Lutheran.

Mary "May" E. Koenig, 88, of Fond du Lac, passed away on September 17.

Helen J. Winninghoff, nee Koll, 77, of West Bend, passed away on September 14.

George J. Wyland, 77, of West Bend, passed away on September 15.

Hilda S. Land, nee Schneider, of West Bend, passed away on September 17.

Ralph G. Petri, 69, of Liverpool, New York, passed away on September 17.

### 50 Years Ago September 20, 1968

The Kewaskum Kiwanis Club will sponsor its 16th annual Live Turkey Shoot on Sunday, Sept. 22, at the Bar-N-Dude Ranch, six miles northeast of Kewaskum on County Trunk GGG.

Five Kewaskum area girls have entered the Capitol Drive City College of Cosmetology in Milwaukee. They are Carol Zacho, daughter of Mr. and Mrs. William Zacho, Route 2 Kewaskum; Sharon Volm, daughter of Mr. and Mrs. Carl Volm, Route 2, Kewaskum; Carol Ann Thiemer, daughter of Mr. and Mrs. Richard Thiemer, Route 2, Kewaskum; Bonnie Staeger, daughter of Vernon Staeger, Beechwood; Donna Darmody, daughter of Mr. and Mrs. Jerry Darmody, Route 1, Allenton.

Aviation Ordinance-man Third Class Thomas A. Rinzel, USN, 21, son of Mr. and Mrs. Edmund A. Rinzel, is serving aboard the attack aircraft carrier USS Hancock on Yankee Station off the coast of North Vietnam.

A daughter was born to Mr. and Mrs. Douglas Strupp, Route 2, Kewaskum, on September 15.

A son was born to Mr. and Mrs. Kenneth Wiskirchen, Kewaskum, also on September 15.

### 75 Years Ago September 17, 1943

Hoy Hanrahan, 31, died on Saturday morning, Sept. 11, on the farm of his parents, in the Town of Mitchell, northeast of Dundee, after being gored by a bull. The body was found by his mother at noon when Hoy failed to come home for lunch. The bull had gotten into a cornfield on the farm and after Hanrahan had returned the animal to the right field, he went to the house and told his mother he was going to do other work. When he did not return at noon, Mrs. Hanrahan went to look for her son. Coroner Wesley VanZanten of Sheboygan County stated that Hanrahan was killed at about 10 a.m. He added that the bull apparently butted him all around an area about 100 by 50 feet in the cornfield. His chest was caved in and his head was badly bruised.

Alvin E. Koehn, 32, Route 3, Campbellsport, a member of the Dundee softball team, died at St. Agnes Hospital, Fond du

Lac, early Monday, Sept. 13, of injuries sustained Sunday afternoon, while playing ball at Ashford. The Kewaskum Holy Name softball team is in the same league as these teams and played a doubleheader at Ashford Last Sunday. Koehn was playing with Dundee in the final league game of the year against Ashford. The injury occurred in the fourth inning when Koehn collided with Bernard "Bensy" Wondra, centerfielder of the Ashford team, at second base. It is reported that Wondra, who was on first base, attempted to go to second base, and the players collided when Koehn bent down on the baseline to catch a ball thrown by the Ashford catcher in an effort to throw Wondra out. Koehn sustained an abdominal injury, possibly caused by a broken rib penetrating a lung.

Before an altar decorated with pink gladiola, Miss Helen Theresa Mezera, daughter of Mr. and Mrs. John Mezera of Prairie du Chien, became the bride of Joseph Weinert of Kewaskum Route 2, son of the late Mr. and Mrs. Jacob Weinert, on September 8, at Prairie du Chien.

Miss Agnes Marie Bowers of Campbellsport, Route 1, daughter of Mr. and Mrs. Rex Bowers of Fond du Lac, and Ralph Leo Sabish, son of Mrs. Helen Sabish, Campbellsport, were married on Saturday, Sept. 4, in Fond du Lac.

Mr. and Mrs. Paul Halfmann of Campbellsport are the parents of a baby daughter, Mary Jane, born Thursday, Sept. 9. Mrs. Halfmann is the former Helen Schlosser, daughter of Mrs. Jennie Scholsser of this village.

### 100 Years Ago September 21, 1918

On Registration Day all saloons in the village were closed, and flags were displayed from all business places, as 71 of Kewaskum's fighting men between the ages of 18 and 45 registered.

In spite of the war or rather on account of it, all of our immediate concern should now be turned on the Washington County Fair which will be held at West Bend next Monday.

All members of Separate Company No. 30, Wisconsin State Guards Reserve are ordered to report for assembly at the Village Hall, at 8 o'clock sharp on Friday evening, Sept. 27, for the first semi-annual roll required by the state. Bear in mind that this is not a request, but a command which must be obeyed.

Miss Cecelia A. Ludwig, daughter of Mr. and Mrs. Fred Ludwig of Waucousta and Arthur Bartelt were united in marriage Wednesday

## National Campaign Combats Fraudulent Veterans Charities

Wisconsin Department of Financial Institutions (DFI) Secretary Jay Risch joined the Federal Trade Commission (FTC), law enforcement officials, and charity regulators nationwide in announcing "Operation Donate with Honor," a sweeping new donor education campaign to help donors spot and avoid fundraising solicitations that falsely promise their donations will help veterans and service members.

"With all of the misuse of the Internet and criminals using fake names, we should be very careful about checking and verifying who the solicitor is and what organization they represent," said Secretary Risch, "and we shouldn't assume anything even if a name sounds or looks legitimate."

"Operation Donate with Honor," developed by the FTC and the National Association of State Charity Officials (NASCO), pairs enforcement actions with an education campaign, in English and Spanish, to help consumers recognize charitable solicitation fraud and identify legitimate charities.

"It's very important to remember that there are many legitimate veterans charities in our state which do great work for all of our Wisconsin veterans and making donations to them is vital for them

to continue their mission," Secretary Risch added, "just work with someone you know."

to continue their mission," Secretary Risch added, "just work with someone you know."

•Ask how much of any donation will go to the charitable program you want to support;

•Go to this link to check whether the charity/fundraiser is registered: <http://www.wdfi.org/CharitableOrganizations/HowToQuicklyResearchWisconsinCharitableOrganizations.pdf>

•Search the charity's name online with the word "scam" or "complaint," see what others are saying;

•Check out the charity's ratings at the Wise Giving Alliance, Charity Watch, or Charity Navigator;

•Never pay with cash, a gift card, or by wiring money; and

•Consider paying by credit card, which is the safest option for security and tax purposes.

Before giving to a charity, if you have questions, please go to this link for answers — <http://www.wdfi.org/CharitableOrganizations/faqDonors.htm>.

Complaints may be directed to DFI by going to the following link and printing the

f o r m : <http://www.wdfi.org/CharitableOrganizations/forms/dfi-dccs-2255.pdf>, or by contacting the FTC Consumer Response Center (877-382-4357).

morning at Evangelical Lutheran Church in Waucousta. Mr. Bartelt, son of Mr. and Mrs. Herman Bartelt, is employed as a cheesemaker at Waucousta.

A tablet has been placed in the lobby of the Holy Trinity Church containing the names of the young men of the congregation who are in the service of Uncle Sam.

In order to save gas by requesting all automobilists to stop running

their cars on Sundays, the Fuel Administrator announces that the shortage of kerosene is just as acute and all car owners burning kerosene are also requested to stop operating their cars on Sundays.

Jacob Schaefer of West Bend last week Thursday, purchased the August Schaefer 80 acre farm, located just wo miles south of this village, together with all personal property.

### NEW ARRIVALS

—Rosalind Jane Nalepinski was born on June 22 at St Joseph's Hospital in West Bend. She weighed in at 7 pounds 6 ounces and measured 20.5 inches long.

Her parents are Daniel Nalepinski and Colleen (Gosa) Nalepinski of West Bend. Rosalind's maternal grandparents are Jerry and Mary Gosa of Kewaskum. Her paternal grandparents are Kim and John Nalepinski.

Rosalind joins two sisters: Viola, age 4, and Cecilia, age 3.

Four generations of Henry Schacht's gathered this past Labor Day weekend to attend a family reunion. Pictured are (from oldest to youngest) Henry Peter Schacht, Henry Lee Schacht, Henry Andrew Schacht and Henry Griffin Schacht. Henry Peter is 91 years old. Henry Griffin is in kindergarten at St. Lucas Lutheran School in Kewaskum. He is the seventh generation to be named Henry Schacht.

## Washington County

# A New Name, a World of Possibilities

The University of Wisconsin-Milwaukee is proud to welcome the two-year UW campuses in Waukesha and Washington County to the UWM family. Our partnership means that students now have the resources of a research university at their fingertips, while maintaining the qualities that make these campuses great: small classes, close relationships with professors and affordable tuition. **Together, we can enhance opportunities for our students and communities.**

[uwm.edu/washingtoncounty](http://uwm.edu/washingtoncounty)

The Kewaskum High School Class of 1950 held its 68th class reunion at Hon-E-Kor on September 6. Those attending the reunion include: (front row, from left) La Verne Spaeth Doll, Frank Krueger and Betty Siegfried Backhaus; and (back row) Betty Koerble Homuth, Patricia Campbell Bernhagen and Ione Schladweiler Kohlman.

## September Is National Preparedness Month: Are You Ready For An Emergency?

This September is National Preparedness Month and Wisconsin Safety Council (WSC) is partnering with the National Safety Council and other organizations to bring awareness to Wisconsinites about how everyone can be better prepared for an emergency.

WSC — along with the Federal Emergency Management Agency (FEMA) and Ready.gov — will use National Preparedness Month as an opportunity to share tips about what to do in an emergency and help Wisconsinites learn the life-saving skills that might be needed during a flood, tornado, fire or other emergency situation.

Check out these tips from Ready.gov to be better prepared for potential emergencies:

### Floods

Do not walk, swim, or drive through flood waters.

Just six inches of moving water can knock you down, and one foot of moving water can sweep your vehicle away.

If told to evacuate, do so immediately. Never drive around barricades. Local responders use them to safely direct traffic out of flooded areas.

### Tornadoes

If you can safely get to a sturdy building, then do so immediately.

Go to a safe room, basement, or storm cellar.

If you are in a building with no basement, then get to a small interior room on the lowest level.

Do not get under an overpass or bridge. You're safer in a low, flat location.

### Active Shooter

Run: Getting away from the shooter or shooters is the top priority.

Hide: Get out of the shooter's view and stay very quiet if you cannot escape.

Fight: As an absolute last resort, you may need to aggressively act against the shooter by using makeshift weapons, ambushing them with others around you and potentially causing a severe or lethal injury to them.

### Fire

Crawl low under any smoke to your exit - heavy smoke and poisonous gases collect first along the ceiling.

Before opening a door, feel the doorknob and door. If either is hot, or if there is smoke coming around the door, leave the door closed and use your second way out.

If you can't get to

someone needing assistance, leave the home and call 9-1-1 or the fire department. Tell the emergency operator where the person is located.

More tips are available by visiting Ready.gov.

WSC encourages everyone to have a plan in place for emergencies and to practice that plan regularly. While many unexpected events happen inside the home, a large number also happen at work. That is why WSC works regularly with businesses to help keep their employees safe. Either at home or at work, a plan will better prepare your family or employees for when an emergency actually happens.

As a part of National Preparedness Month, WSC is hosting an Emergency Preparedness training course on Wednesday, Sept. 19, at their headquarters in Madison. The course will discuss how to keep

The Kewaskum High School Class of 1952 held its 66th reunion lunch at the Hon-E-Kor clubhouse on Thursday, Sept. 6. Class members attending the reunion include: (front row, from left) Richard Romaine, Donna (Ferber) Bier, Joanne (Loomis) Baker and Dorothy (Hoffman) Westover; and (back row) Bill Sipple, Janette (Krueger) Loomis, Ruth (Domann) McKenna, Janice (Liepert) Kempf and Floyd Stautz.

photo submitted

employees safe during inclement weather and natural disasters, what to do in a workplace violence situation (including active shooter) and how to develop a communications plan before, during and after an event.

Registration for WSC's Emergency Preparedness training course is available by going to <https://www.wmc.org/event/emergency-preparedness/>.

**An Upcoming Calendar of Events for Riveredge Nature Center, 4458 County Hwy Y, Newburg, WI. Visit: [www.riveredgenaturecenter.org](http://www.riveredgenaturecenter.org) for further information.**

**Saturday, Sept. 29** - Sturgeon Fest. It's not every day you get to release a baby sturgeon into Lake Michigan. Head to Lakeshore State Park in downtown Milwaukee for the 13th annual Sturgeon Fest on September 29 and enjoy a day of free, family fun and make a huge difference while doing it. Sturgeon Fest celebrates Riveredge's 25 year partnership with the Wisconsin DNR to bring back Lake Sturgeon, a critically important species both environmentally and culturally, to the Milwaukee River, where they haven't been seen in over 100 years. Be a part of this amazing comeback story and join thousands of other community members when you sponsor a young sturgeon and hand release them into Lake Michigan. You'll even get a tracking code to register your fish so you can be notified if the DNR finds your fish in the future. Some sturgeon can live up to 150 years, so you've got plenty of chances. The festivities continue all day with games and activities for kids and adults alike, educational booths, delicious local food trucks, and so much more. Sturgeon sponsorship for 2018 will open on September 1st. Keep an eye on our Sturgeon Fest website for all the details on this awesome family festival, the sturgeon project, and how you can help bring back a prehistoric species. 11 a.m. - 3 p.m.

**Tuesday, Oct. 2** - Noel J. Cutright Bird Club - Birdscaping in the Midwest. Is your yard bird friendly? Just in time for winter, learn from Mariette Nowak, author of the widely read "Birdscaping in the Midwest," how you can increase the variety of birds in your yard by growing native plants offering birds their natural habitat and a year-long smorgasbord of berries, nuts, seeds and insects. Gardeners and native plant enthusiasts can play a vital role in restoring & preserving native communities that support not only birds, but also other wildlife including butterflies, bees, and bats. Mariette was director of the Wehr Nature Center in Milwaukee County for 18 years. As an avid birder, she is newsletter editor for the Lakeland Audubon Society and a past board member of the Wisconsin Society of Ornithology. She also is founder and president of the Kettle Moraine chapter of Wild Ones: Native Plants, Natural Landscapes and was vice-president of the national organization. In Walworth County, she serves on the Park Committee and the Town of Troy Planning Commission. 7-9 p.m.

**An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...**

**Friday, Sept. 21** - Soaring Hawks Nature Storytime. High above hawks soar through the sky with a keen eye looking down towards the earth. Come explore the high-flying lives of hawks. This hour of nature fun awaits 3 to 6 year olds with accompanying adults. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 9:30 - 10:30 a.m.

**Saturday, Sept. 22** - Amazing Forest Mammals Exploring Nature Program. What do humans have in common with bears, bats, raccoons, and mice? They're all mammals. Uncover what characteristics mammals share and how they are adapted for survival. This program is best for families/groups with children between the ages of 6 and 12 years. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 10 - 11:30 a.m.

**Wednesday, Sept. 26** - Ice Age Trail Trekkers. Join us for a lovely 3.45-mile evening hike between Hwy 23 and County Road P. A shuttle will be available between the starting and finishing spot. Meet at the County Road P Ice Age Trail Parking Lot (located south of Glenbeulah). 6 - 7:30 p.m.

**Saturday, Sept. 29** - Ssssnakes Fall Drop In. Slithering across the ground with their tongues flicking, snakes arouse our curiosity or on occasion our fears. Uncover truly astonishing facts about these legless reptiles and the habitats where they live to gain an appreciation of their role in nature. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 10 a.m. - 2 p.m.

*All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.*

## St. Michael Parish To Hold Fall Festival September 30

St. Michael Parish will hold its annual Fall Festival on Sunday, Sept. 30. The event will begin with a Polka Mass at 9 a.m., with the Goodtime Dutchmen providing music.

A turkey and roast beef dinner with stuffing and homemade desserts will be served from 10:30

a.m. to 2:30 p.m. Dinners cost \$12 for adults and \$5 for children under 12. Children younger than 4 are free. Carryouts are available for \$13.

Brats, burgers and refreshments also will be available for purchase.

Live music will be performed in the afternoon by Carol & the Keynotes

and the Goodtime Dutchmen.

The festival will feature games, a bakery, silent auction and a tractor pedal pull. Come cheer on the Packers as the game is shown on a big-screen TV.

St. Michael is located on Highway 28, three miles east of Kewaskum.

The grand prize winner of Holy Trinity's 24th annual Social Fest is Lloyd Westerman. Pictured (from left) are: Jennifer Crombie (Holy Trinity principal), Lloyd Westerman and Fr. Jacob Strand (parish administrator).

## Kewaskum Fire Department Observes Fire Prevention Week

The Kewaskum Fire Department is teaming up with the National Fire Protection Association (NFPA), the official sponsor of Fire Prevention Week for more than 90 years, to promote this year's Fire Prevention Week campaign "Look. Listen. Learn. Be aware. Fire can happen anywhere." The campaign works to educate the public about basic but essential ways to quickly and safely escape a home fire.

NFPA statistics show that the number of U.S. home fires has been steadily declining over the past few decades. However, the death rate per 1,000 home fires that are reported to fire departments was 10 percent higher in 2016 than in 1980.

"These numbers show that while we've made significant progress in teaching people how to prevent fires from happening, there's still much more work to do in terms of educating the public about how to protect themselves in the event of one," said Lorraine Carli, NFPA's vice president of outreach and advocacy. "This is particularly critical given the increased speed at which today's home fires grow and spread."

Carli also notes that although people feel safest in their home, it is also the place people are at greatest risk to fire, with four out of five U.S. fire deaths occurring at home. That over-confidence contributes to a complacency toward home escape

planning and practice.

"Working in the fire service for many years, we know that people often make choices in fire situations that jeopardize their safety or even cost them their lives," said Lt. Amy McCartney of the Kewaskum Fire Department. "We need to do a better job of teaching people about the potentially life-saving difference escape planning and practice can make and motivating them to action."

McCartney says this year's "Look. Listen. Learn." campaign highlights three steps people can take to help quickly and safely escape a fire:

- Look for places fire could start.
- Listen for the sound of the smoke alarm.
- Learn two ways out of every room.

While NFPA and the Kewaskum Fire Department are focusing on home fires, these fire safety messages apply to virtually anywhere.

"Situational awareness is a skill people need to use wherever they go," said McCartney. "No matter where you are, look for available exits. If the alarm system sounds, take it seriously and exit the building immediately."

The Kewaskum Fire Department will be hosting activities for area day-care and grade school students during Fire Prevention Week. Through these educational presentations and activities, your students can learn more about the importance of having a fire escape plan

and practicing it.

Also, the Kewaskum Fire Department is hosting an Open House at the Kewaskum Fire Station at 1106 Fond du Lac Ave on October 11, 6:30 to 8:30 p.m., in support of Fire Prevention Week and this year's campaign. Please come with family, friends and neighbors for an evening of fun, learning and fire prevention materials for all ages.

Everyone will have a chance to meet firefighters in gear, get guided station tours and inspect the department's facility and equipment. There also will be EMS staff available to assess your blood pressure if you choose.

For the kids, the department will host pretend fire drills. The department will sound a real smoke detector and practice two ways out. The lights will be out and we will simulate smoke with blankets overhead. Children will learn the proper way to crawl, check doors for heat and find a way out. Next, they will be taught to dial 911 and talk to a dispatcher to call for help.

Children will also practice stop, drop and roll and even use a small fire hose while putting out a pretend fire. There will be many other activities for all ages. Be sure to come visit the fire station to find out what all the department has in store for you.

For more information about Fire Prevention Week and home escape planning, visit firepreventionweek.org.

# Kewaskum Women's Club To Kick Off New Year

## – Club Needs Your Help To Continue Serving Our Community

The Kewaskum Women's Club extends an invitation to community women to its round-up meeting for the 2018-2019 year. The

meeting will be held at 5 p.m. on Thursday, Sept. 27, at the Kewaskum Municipal Building Annex, 1330 Fond du Lac Avenue, Kewaskum.

The club officers will serve a light supper, after which the 2018-2019 schedule of meetings and club functions will be presented.

The Kewaskum Women's Club is beginning its 106th year of service to the community, but the group needs your help and input as its

membership is suffering from age and health concerns.

The club holds only five regular meetings with short programs per year, two fundraising events and a Founder Day Luncheon in January to celebrate its establishment on January 13, 1913.

The club gives back to the community by helping support the summer Music in the Park concerts, five elementary schools, the Kewaskum

Public Library and Summer Library Program, the Albrecht Free Clinic, the Girl Scouts, local summer beautification and home holiday decoration projects, and two Kewaskum High School scholarships in the amounts of \$700 and \$300.

The Kewaskum Women's Club is very sincere in this invitation to area women to help them and join the group in "making a difference" in its contribution to this community.

## "Discover Moraine Park" Opens Up Opportunities For Community

Moraine Park Technical College will host its annual community event, "Discover Moraine Park," to help attendees jumpstart their education and career. High school students, displaced workers, and individuals looking to for a career change are encouraged to attend this event at any of the College's three campuses.

"Discover Moraine Park" is scheduled for Wednesday, Oct. 10 at the West Bend campus; Wednesday, Oct. 17 at the Fond du Lac campus; and, Wednesday, Oct. 24 at the Beaver Dam cam-

pus. Participants may stop in anytime between 4 and 6 p.m.

Attendees will have the opportunity to engage in activities such as trying out the virtual welder, sampling culinary recipes, and touring an ambulance. The event will allow individuals to explore different programs of study offered at the College and tour the campus, labs, and classrooms. Program instructors and staff will be available to explain program details, admissions requirements and more.

"This event showcases

a variety of programs from fields in healthcare to trades and manufacturing to human services," Erin Wierenga, recruitment specialist at Moraine Park, said. "It serves as an opportunity for attendees to see the College from a new perspective."

The event is also designed to familiarize attendees with resources outside the classroom, including diversity relations, student life, veteran resources, tutoring, and counseling. One-on-one assistance from Financial Aid specialists will be available to help atten-

dees submit their FAFSA. This service is available anytime between 3:30 p.m. and 6:30 p.m. on each of the designated "Discover Moraine Park" evenings.

"We work to provide a foundation that allows individuals the opportunity to grow," Wierenga said. "There are great things happening at the College, and we are excited to share them with our community."

For more information about the event and to register, visit [morainepark.edu/discover](http://morainepark.edu/discover).

## Are You Ready For Some Movies?

Former Kewaskum High School English teacher and coach Jim Westphal is ready to begin hosting Wednesday Afternoon at the Movies for area residents. The first movie, "North By Northwest," will be shown on Wednesday, Sept. 26, in the high school auditorium, beginning at 2 p.m.

The movies are free, and refreshments are served during the intermission.

Westphal will also provide a listing of the future movies he will be showing and critiquing this year.

## Werbelow Construction LLC

Werbelow Construction is owned by Dan Werbelow. Dan has over 28 years of experience in construction and has been proudly serving all of southeastern Wisconsin for over 10 years. Along with Dan's experience, he also has 17 employees.

Werbelow Construction does a huge variety of high quality custom carpentry. They can handle anything from renovations on old and historic buildings to extensive home remodels. They also build new homes, decks, windows, doors, outbuildings, timber frame structures, log additions and renovations, condos, custom cabinetry, kitchen and bath remodels.

A number of the projects done with Werbelow Construction have been featured in magazines and newspapers.

Call or email Dan at 262-689-1243  
or [werbelowconstructionllc@gmail.com](mailto:werbelowconstructionllc@gmail.com).

## How A Good Idea Became A Great Tradition

Over 100 years ago, hunters and anglers were the earliest and most vocal supporters of conservation and scientific wildlife management. They were the first to recognize that rapid development and unregulated uses of wildlife were threatening the future of many species.

Led by fellow sportsman President Theodore Roosevelt, these early conservationists called for the first laws restricting the commercial slaughter of wildlife. They urged sustainable use of fish and game, created hunting and fishing licenses, and lobbied for taxes on sporting equipment to provide funds for state conservation agencies.

These actions were the foundation of the North American wildlife conservation model, a science-based, user-pay system that would foster the most dramatic conservation successes of all time. Populations of white-tailed deer, elk, antelope, wild turkey, wood ducks and many other species began to recover from decades of unregulated exploitation.

During the next half-century, in addition to the funds they contributed for conservation and their diligent watch over the returning health of America's outdoors, sportsmen worked countless hours to protect and improve millions of acres of vital

habitat — lands and waters for the use and enjoyment of everyone.

In the 1960s, hunters and anglers embraced the era's heightened environmental awareness but were discouraged that many people didn't understand the crucial role that sportsmen had played, and continue to play, in the conservation movement.

The first to suggest an official day of thanks to sportsmen was Ira Joffe, owner of Joffe's Gun Shop in Upper Darby, PA. In 1970, Pennsylvania Gov. Raymond Shafer adopted Joffe's idea and created "Outdoor Sportsman's Day" in the state.

With determined prompting from the National Shooting Sports Foundation, the concept soon emerged on the floor of the U.S. Senate. In June 1971, Sen. Thomas McIntyre, N.H., introduced Joint Resolution 117 authorizing National Hunting and Fishing Day on the fourth Saturday of every September. Rep. Bob Sikes, FL, introduced an identical measure in the House. In early 1972, Congress unanimously passed both bills.

On May 2, 1972, President Nixon signed the first proclamation of National Hunting and Fishing Day, writing, "I urge all citizens to join with outdoor sportsmen in the wise use of our natural resources and in insuring their proper management for the

benefit of future generations."

By late summer, all 50 governors and over 600 mayors had joined in by proclaiming state and local versions of National Hunting and Fishing Day. The response was dramatic.

National, regional, state and local organizations staged some 3,000 "open house" hunting- and fishing-related events everywhere from shooting ranges to suburban frog ponds, providing an estimated four million Americans with a chance to experience, understand and appreciate traditional outdoor sports.

Over the years, National Hunting and Fishing Day boasted many more public relations successes, assisted by celebrities who volunteered to help spotlight the conservation accomplishments of sportsmen and women. Honorary chairs have included George Bush, Tom Seaver, Hank Williams Jr., Arnold Palmer, Terry Bradshaw, George Brett, Robert Urich, Ward Burton, Louise Mandrell, Travis Tritt, Tracy Byrd, Jeff Foxworthy and many other sports and entertainment figures.

National Hunting and Fishing Day, celebrated the fourth Saturday of every September, remains the most effective grassroots efforts ever undertaken to promote the outdoor sports and conservation.

## Critter Trivia

 <p>1. Once rare, now plentiful, it provides fine food for millions of hunting families.</p> <p>Its meat is called:</p> <p>a. Beef b. Venison c. Veal</p>	 <p>2. This fish requires cold, clear water. Anglers pay to keep its water clean, too.</p> <p>What is it?</p> <p>a. Bluegill b. Catfish c. Trout</p>	 <p>3. With a wingspan up to six feet, this longtime hunting favorite can weigh how much?</p> <p>a. 14 pounds b. 17 pounds c. 20 pounds</p>	 <p>4. It can threaten people, livestock and pets. Hunters control populations.</p> <p>What is it?</p> <p>a. Puma b. Mountain lion c. Cougar</p>
 <p>5. America's most popular freshwater gamefish and the official state fish of how many states?</p> <p>a. 4 states b. 5 states c. 6 states</p>	 <p>6. In 1901, only a few of these were left, but hunters brought them back.</p> <p>Today there are:</p> <p>a. 11 million b. 21 million c. 31 million</p>	 <p>7. The most plentiful bear species, hunted annually by 400,000 Americans, is the:</p> <p>a. Black bear b. Polar bear c. Grizzly bear</p>	 <p>8. This species once was nearly extinct. Hunters led restoration efforts.</p> <p>Now it's found in:</p> <p>a. 48 states b. 49 states c. 50 states</p>

**ANSWERS:** 1. B (whitetail deer), 2. C, 3. A (Canada goose), 4. All are correct names for this species, 5. A (largemouth bass; Alabama, Florida, Georgia, Mississippi) 6. C (ducks in U.S. and Canada), 7. A, 8. B (wild turkey; every state except Alaska). Learn more at [www.nhfd.org](http://www.nhfd.org).

# Fishing Day

## Dale Earnhardt Jr. To Serve As 2018 National Hunting And Fishing Day Honorary Chair

National Hunting and Fishing Day (NHF Day) announces Dale Earnhardt Jr. will serve as this year's honorary chair. NHF Day brings together sportsmen and women to celebrate the rich tradition of fishing and hunting with national, state, regional and local organizations hosting fishing- and hunting-related events. The annual celebration is set for Saturday, Sept. 22.

Earnhardt Jr. began his racing career in 1999 and amassed 26 victories, including two Daytona 500 crowns and two championships, before retiring from driving last year. The third generation NASCAR driver is one of the sport's most beloved drivers, as race fans selected him a record 15 consecutive times as NASCAR's Most Popular Driver. Earnhardt Jr. is also an active contributor to youth-oriented charities and non-profit organizations.

"While Dale Jr. is best known for his success on the track, his widespread popularity and down-to-earth charm make him a great ambassador for National Hunting and Fishing Day," said Misty Mitchell, director of conservation programs for Wonders of Wildlife. "Our goal is to bring as much attention to the importance of encouraging new people to enjoy the outdoors and Dale Jr. is dedicated to delivering our message to

ensure our proud outdoor heritage continues for coming generations."

Earnhardt Jr. joins an elite fraternity of entertainment and sports figures that have served as honorary chairs, including Bill Dance, Richard Childress, Hank Williams Jr., Travis Tritt, Tracy Byrd, Jeff Foxworthy, Jay Novacek, Robert Ulrich, Wade Boggs, Ward Burton, Arnold Palmer, Terry Bradshaw, the USA Olympic Shooting Team, Tony Stewart and many others.

"I am grateful for the opportunity to serve as honorary chair for National Hunting and Fishing Day," said Earnhardt Jr. "It's our duty as outdoorsmen and women to introduce someone to the outdoors so they too understand how our activities help fund and drive conservation. I encourage anyone who goes outdoors to take someone with them on National Hunting and Fishing Day."

Even though Earnhardt Jr. retired from driving, he will remain in the world of NASCAR as a broadcast commentator in 2018. When not in the broadcast booth, Earnhardt Jr. will be scouring his Ohio hunting land for big bucks.

Congress established National Hunting and Fishing Day to recognize hunters and anglers for their leadership in fish

and wildlife conservation. Since launching in 1971, the day has been formally proclaimed by every U.S. President and countless governors and mayors.

Led by sportsman President Theodore Roosevelt, early conservationists urged sustainable use of fish and game, created hunting and fishing licenses, and lobbied for taxes on sporting equipment to provide funds for state conservation agencies. These actions were the foundation of the North American wildlife conservation model, a science-based, user-pay system that would foster the most dramatic conservation successes of all time.

Each year sportsmen and women are funding more projects that enable more public access areas to be open. Through license sales and excise taxes on equipment, hunters and anglers pay for most fish and wildlife

conservation programs. On average, hunters spend \$1,638 every year on the sport. Portions of these funds are allocated to support conservation.

National Hunting and Fishing Day is dedicated to celebrating those efforts. Bass Pro Shops has been very supportive and goes above and beyond its ability to voice their values as an organization for the sportsman.

NHF Day is made possible through the sponsorship and generous support of these well-respected companies and brands: National Shooting Sports Foundation, Bass Pro Shops, Yamaha, Realtree, GunBroker, Ducks Unlimited, NWTF, Cabela's, Keep America Fishing, Izaak Walton League, My Outdoor TV and the Congressional Sportsmen's Foundation.

To learn more about NHF Day, please visit <http://www.nhfd.org/>.

## How Hunting And Angling Help Wildlife And Wild Places

With birdwatchers, hikers, mountain bikers, canoeists, snorkelers, backpackers, ATV riders, photographers and other recreationists, lots of Americans love wildlife and wild places.

Hunters and anglers love them, too — and together they do more than all the others for conservation.

How? Hunters and anglers provide leadership in many ways, but the simplest answer is... cash. And lots of it!

Today there are 34 million hunters and anglers in the U.S. By purchasing hunting and fishing licenses, and paying special taxes on firearms and ammunition, bows and arrows, and rods and reels, hunters, anglers and shooters generate

\$100,000 every 30 minutes!

This annual total, \$1.75 billion, pays for the vast majority of the conservation work of fish and wildlife agencies in every state.

These public agencies serve the citizens of their state by overseeing all fish and wildlife, both hunted species like deer and non-hunted species like robins, as well as all aquatic and terrestrial habitats.

In this way, hunters and anglers benefit all Americans who love wildlife and wild places. In fact, among the many groups of people recreating in the great outdoors, nobody does more for conservation than hunters and anglers!

## Commerce State Bank Appoints Lori Stortz To Board Of Directors

After an extensive search and review process, Lori L. Stortz, chief audit executive of University of Wisconsin System was appointed to Commerce State Bank's Board of Directors.

"We are excited to have Lori Stortz join our Board of Directors," said Joe Fazio, CEO and co-founder of Commerce State Bank. "She brings extensive experience and knowledge in several key areas of importance to the bank. Her career uniquely qualifies her to be a bank director."

Lori is prominently involved in the community including Community Care, Inc, board of directors; Sojourner Family Peace Center,

finance committee and past board of directors; St. Charles Catholic Parish and School in Hartland, secretary of Pastoral Council; Professional Dimensions, women business owner's group; University of Wisconsin-White-water, president elect, accounting advisory board.

Lori has received numerous awards including the Woman of Influence-Mentoring, Milwaukee Business Journal Tempo International Distinguished Service Award, and the RSM Achievement Award.

"I am excited to serve and be a resource to Commerce State Bank. With my experience in accounting, serving

clients, auditing, risk management, compliance, and growing a business I hope to contribute to the bank's impressive success," stated Lori.

Opened in August 2005, Commerce State Bank is a full-service state chartered bank headquartered in West Bend with additional offices in Cedarburg, Elm Grove and Sheboygan. Today, the bank has total assets of more than \$645 million. The bank is dedicated to helping communities through its Random Acts of Commerce program.

For more information, please contact Joe Fazio at 262-247-2802 or [jfazio@commerce.com](mailto:jfazio@commerce.com).

Ethan Hollenberger is the new public affairs coordinator for Washington County. Hollenberger began working for the county on September 10.

photo submitted

## Washington County Hires Ethan Hollenberger As Public Affairs Coordinator

Washington County Administrator Josh Schoemann announced the hiring of Ethan Hollenberger as the County's first Public Affairs Coordinator.

Hollenberger most recently served as communications director for State Sen. Duet Stroebel and the committee clerk for the Senate Committee on Government Operations, Consumer Protection and Technology. He will serve as the county's ambassador with area legislators, municipal officials, entrepreneurs, and non-profit leaders.

"Over the past five years, Washington County has established a culture of delivering economical and effective core government services by partnering with key stakeholders," stated Schoemann. "We are excited to have Ethan on our team to even more proactively demonstrate our core values of 'Innovation' and 'Collaboration' in pursuit of our mission to

'create an environment for residents and businesses to enjoy our authentic quality of life...'

The Public Affairs Coordinator position was authorized by the County Board at its August meeting. The position is charged with relationship building as the county leads Wisconsin local government in collaboration and consolidation of services with public and private sector partners alike. The County Board will look to the Coordinator to help build upon recent collaboration successes, and has set a goal to propose \$400,000 in new taxpayer savings by the end of 2020.

Recent collaboration successes in Washington County include:

- Washington and Ozaukee counties merged health departments (2015)

- County partnered with West Bend Mutual Insurance to build the Silver Lining Amphitheater at the Washington County Fair Park (2016)

- The county and city

of West Bend opened an onsite health clinic with QuadMed (2017)

- Washington County Parks launched its "Counties without Borders" campaign with Waukesha County Parks (2018)

- The county, in partnership with five local municipalities and the state of Wisconsin are finalizing a jurisdictional transfer of over ten miles of road (2018)

"Having worked in the legislature for two sessions, it is exciting to start a new role," said Hollenberger. "In the three plus years with Sen. Stroebel, I worked with many of the same local leaders and officials. I look forward to working with our partners to continue to lead Wisconsin local government in collaboration and consolidation of services."

Hollenberger began his duties on Monday, Sept. 10, and was introduced to the county board on Wednesday, Sept. 12.

## Nominations Open For Herb Kohl Foundation Leadership And Fellowship Awards

Nominations of Wisconsin pre-kindergarten through 12th grade teachers and principals can now be submitted online at [www.kohleducation.org](http://www.kohleducation.org) for the 2019 Herb Kohl Educational Foundation Teacher Fellowship and Principal Leadership awards. The deadline for submission is Monday, Oct. 8.

Awards are \$6,000, with an additional \$6,000 grant going to the school of each selected teacher and principal. Established in 1990, the Herb Kohl Educational Foundation awards 100 Fellowship and 16 Leadership awards annually from among all applicants throughout the state.

Teachers or principals must be nominated by a parent, student, other teacher, community member, or school administrator. To be eligible,

Wisconsin teachers and principals in grades pre-kindergarten through 12th grade must plan to continue in their current capacity for at least one year.

The Herb Kohl Educational Foundation Fellowship rewards teachers who have demonstrated superior ability to inspire a love of learning in their students, have motivated others, and have provided meritorious service both in and outside the classroom. The Leadership awards recognize and support principals who demonstrate administrative leadership and positively influence school culture.

Online nominations must be submitted at [www.kohleducation.org](http://www.kohleducation.org) by the Monday, Oct. 8, deadline. Selection of recipients will be made by a state-level panel composed of representatives

from the Wisconsin Newspaper Association, cooperative educational service agencies, Wisconsin Council of Religious and Independent Schools, several education-related associations, and community representatives. Since the program was established in 1990, the Herb Kohl Foundation has awarded 2,964 grants to teachers and principals, and 2,964 grants to their schools throughout the state for a total of \$9.2 million.

The Herb Kohl Educational Foundation Fellowship and Leadership programs are co-sponsored by the Wisconsin Newspaper Association Foundation, Wisconsin Department of Public Instruction, Wisconsin Council of Religious and Independent Schools, and the state's 12 cooperative educational service agencies.

## KHS Spikers Fall To Panthers, Then Take Second In Pulaski Test

By Judy Harlow

The defense was OK, according to coach Laine Leitzke, but the Kewaskum High volleyball team had difficulty generating much offense at Plymouth on September 14, leading to an 0-3 finish against the powerful Panthers.

"Tough night for us. We couldn't get a handle on their outside (number 10)," Leitzke said after watching his team lose by scores of 18-25, 18-25 and 15-25. "On the night, we hit .010, which is just too many errors against a top team in the conference."

Junior Brelynn Scoles had a good night at the net with a team-high 13 kills. After that the number dropped

to four from Holly Henk and three by both Carolyn Stockhausen and Anna Peterson.

The Indians also didn't serve as well as they had been. Henk and Hailey Hasenberg led in that department with two each.

Block leaders included Kiley May and Stockhausen with seven and five, respectively, while Hasenberg topped the "diggers," credited with 18 and Amanda Miller contributed a team high 16 assists.

The loss puts Kewaskum's record at 1-2 in East Central Conference action and 6-6 overall. Plymouth earned a sweep, posting 3-0 victories in JV1 and JV2 competitions.

"We defended well all night, and our serve receive was strong for us," Leitzke said, adding, "We had the fight, but in the end just made to many un-

forced errors."

Current EC standings: 1. KM Lutheran, 5-0; 2. Winneconne, 3-1; 3. Plymouth, 2-1; 4. Waupun, 2-2; 5. (tie) Campbell-sport, 1-2; 7. (tie) Berlin and Ripon, 0-2.

### Pulaski Tournament

On September 15, the Indians won four straight matches before losing a close match to Southern Door, 23-25 and 22-25 in the battle for first place in the Pulaski Tournament.

"Against Southern Door in the championship, we started to look a little gassed at times," KHS coach Laine Leitzke said. "We still fought, and we were right there, only five points from the victory, but we just couldn't get the ball to the floor."

In Pool play, the Indians beat Green Bay NEW Lutheran, 25-22 and 25-20, West De-Pete, 25-21 and 25-14 and Pulaski 32-34, 25-18 and 17-15.

"In the Pulaski match, we started to pick up some confidence and

energy, leading us to hit .205 as a team in a marathon of a match," Leitzke said. "It is tough to come out for the second set with energy after falling 32-34."

What helped, he said was "playing just tremendous defense led by (Hailey ) Hasenberg and (Holly) Henk able to win the next two sets and get our trip to gold."

KHS defeated Oconto Falls 19-25, 25-20 and 15-10 in the Gold semi-final before falling to Southern Door.

Brelynn Scoles led the team in Kills with 37, while Henk was next with 17. The leaders in other categories were: Aces — Hasenberg, 10; Scoles and Henk, 9 each; blocks — Carolyn Stockhausen, 13; Assists — Amanda Miller, 40; and Amayah Thomas, 30; and Digs — Hasenberg, 100 and Henk, 41.

The Lady Indians will host Kettle Moraine Lutheran tonight (September 20) for Parents Night.

## KHS Ends First Half Of The Season At .500

By Judy Harlow

Had the draw been different, the Kewaskum High soccer team might have finished higher than fifth place it took in the Kiel Tournament held on September 16.

The Indians finished 2-1 with a 3-0 loss to the eventual champion from Winnebago Lutheran Academy in the first round, followed by a 3-1 victory over an old Eastern Wisconsin Conference foe, New Holstein, and lastly, a 5-0 win over Random Lake.

Winnebago Lutheran won the tournament for the second year in a row. They have a good team," KHS coach John Kenworthy said, reporting the score was 1-0 at half, then the Vikings scored twice more in the second half.

"For that game, I would said Mason Pomeroy, our defensive midfielder, had a good effort," Kenworthy said.

KHS did not get a single shot off against WLA, but that changed in the first half of the game vs. New Holstein. Will Jens got goal number one on an assist from Hunter Kuehl. Still, at this point Kenworthy was not happy with the effort he was getting from his starters so he inserted some reserves in the lineup.

Then Matt Krautkramer helped to bring all the momentum to the KHS side with a long goal from near the circle.

The starters came back in, and Kenworthy said, "It was nice to see Will pass the ball to Cole Schleiter ... He got another goal," the Indians' third.

Kenworthy praised his senior goal keeper, Brenden Rice, for the job he did against the Huskies, "He's been playing great all year," the coach said. "He's smart and a great leader."

Also praised was reserve Jared Thierfelder who "stepped up and played well," according to Kenworthy.

In the finale, the Indians dominate against the Rams, whom they had beaten earlier in the season. Just four minutes into the game, Isaiah Cochran fed Hunter Kuehl, who successfully finished off an offensive surge with the first score.

A minute later, it was Krautkramer who "came up through the middle and hit a rocket of a shot" which found the back of the net, and before the half ended, freshman Ryan Buechel got into the act with a goal. "That was great to see," Kenworthy said.

Up 3-0 at the break, the Indians kept pushing in the second half with Krautkramer "who had one of his best days offensively," scoring off an assist from Justin Anderson, "our pressure guy." Kenworthy said the players wanted Anderson to get a goal, but he was unable to get several tries past the RL keeper.

The final goal was scored by Jens off a steal.

After the tournament, the Indians are 5-5-2, and at the halfway point of the regular season, and Kenworthy said he can't recall a time when the Indians were .500 at the midway mark.

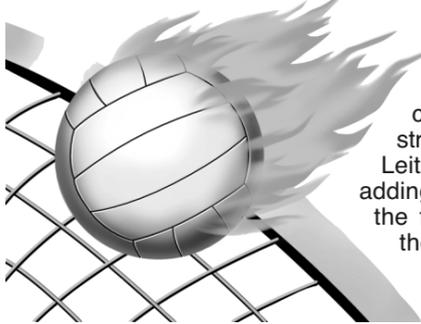

### September 11 Game

On September 11, the Indians suffered another heart-breaking 1-0 loss to Ripon in East Central Conference action.

"We match up real well with Ripon," Kenworthy said, "We played a really good game, but we couldn't buy a goal."

The lone score came late in the first half when "The ball was bouncing around and Ferdie Wagner bounced it off the back side," Kenworthy said.

KHS, currently 5-5-2 overall, travels to Plymouth this afternoon to take on the powerful Panthers. "We'll hang in there and see if we can make some good things happen," Kenworthy said.

## KHS Tennis Team Gets Fifth Win In EWC

By Judy Harlow

The Kewaskum High tennis players came through when they had to in an Eastern Wisconsin Conference match at Waupun, winning the September 13th match 6-1.

"The final score does not reflect just how close this match was," KHS coach Peter Garcia said. "We picked up our fifth conference win out of six conference matches by a 6-1 score, solidifying our second place position in the EWC."

The Indians won three of four singles matches and swept the doubles, something that hasn't happened often this season.

At number two singles, Emma Preder "played brilliantly against a much taller opponent," winning 6-1, 6-1 to pick up the first team points, and Megan Krolski and Kaitlyn Winkler also were winners. Winkler was convincing with a 6-2, 6-1 victory, while Krolski turned on the jets in the third set, shutting out

her opponent, 6-0 after splitting the first two, 6-4 and 6-7 (5).

While the victory was still not clinched, Garcia appealed to his doubles teams to get the match win for themselves, which in turned means the team wins. The three units did just that.

At number one Nicole Brzozowski and Sydney Ostranger continued to play well together. Yes, they lost the first set 2-6 to McKennah Schneider and Kaitlyn Schomisch but came flying back to even the score by taking the second 6-2, then took a 6-4 "nail biter" for the victory.

At number two, Nikki Bruss and Carly Meyer, who have only been playing together for a couple weeks, were dominant, winning 6-3, 6-1, and the day was completed when Elizabeth Beine and Abby Kophammer "squeaked out a 7-6 (5) tie-breaker in the first set" and had to endure another tie-breaker in Set 2, winning 7-6 (5).

The only player to lose

was Grace Marchello at number one singles. She came up short in a 3-6, 2-6 match.

"Grace Marchello once again went against the opposing school's best tennis player at number one singles," Garcia said. "At the end of the match after giving her best effort, she had three things to show for it, including a scraped knee, and the gratitude of her team mates."

With the win, KHS is 5-1 in EWC action and 8-3 overall.

"We have three big conference matches remaining, away at Roncalli/Two Rivers next Tuesday (September 18), away at Plymouth next Thursday, and in what should be Kewaskum's only home conference meet

# Lady Indians Win Cross Country Title At Waupun

By Judy Harlow

The KHS girls cross country team finished in the middle of the pack, while the boys, still without junior Andrew Carlton, had to settle for 10th place out of 14 teams in the Kris Greening Invitation in Ripon on September 15.

Freedom won both ends of the meet, with the boys a 20-point, 51 to 71 winner over Wautoma, while the Freedom girls had a little more breathing room, winning with a total of 41 points to 63 for East Troy.

The Lady Indians were sixth out of the 13 teams, with 174 points as Maela Olla was the top runner this time, placing 12th with a time of 21 minutes, 15.65 seconds (21:15.65) and Alyssa Butz back in 27th with a 22:17.17.

Coach Kris Evans said the two have been "leap-frogging," meaning they have switched their places in recent meets, which helps them push each other.

The other KHS counters were: Emma Penfield in 39th place (23:03); Faith Mertzig in 44th (23:28.50) and Courtney Zarda, 55th (24:05.58).

Carlton is out with "a little tendonitis in his foot," according to Evans, who figured it was best to rest him for the major meets which are coming up in the next several weeks.

That puts a little extra pressure on sophomore Gannon Kreuser, and he

ran a good race at Ripon, covering the 5,000 meters in 18:04.00, just four seconds away from his goal of being in the 17s.

"He was pretty happy with his time" Evans said.

Also coming through for KHS was senior Kyle Toth, who finished 38th in 18:29.73, followed by Benny Frase, 57th (19:27.62), Logan Haydin, 63rd (19:33.03) and Connor Toth, 67th (19:50.93). Although he didn't count, freshman Adam Walls came in 70th with a time of 19:53.02.

"We had a lot of great performances," Evans said.

## September 11 Invitational

Behind a 1-2 finish by Alyssa Butz and Maela Olla, the Lady Indians were champions of the Waupun Invitational on September 11 at Waupun High School. KHS finished with 33 points, four ahead of runner-up Mayville (37).

The sophomore Butz toured the 5,000 meters in a time of 21 minutes, 54.92 seconds (21:54.92) with her teammate right behind her, taking second in 22:24.92. What also helped the Indians was having Emma Penfield in the ninth spot with a 23:40.70 clocking.

"This is the first time the girls have won a meet in a long time," KHS coach Kris Evans said, indicating with a healthy Andrew Carlton, "We could have come

home with two plaques."

The other three Lady Indian placers were: Emma Penfield, 9th (23:40.70) Faith Mertzig, 11th (24:00.47), and Courtney Zarda, 13th (24:54.82).

Kewaskum's boys finished in second place with 66 points, 37 points behind the host Warriors, who came in with an impressive 29 points. Waupun also had the individual winner, Rhyer Smit, who posted an impressive time of 18:11.09, 30 seconds ahead of the second-place finisher.

Leading the Indians was senior Kyle Toth, who cracked the top five, finishing fifth in 19:26.64. Sophomore Gannon Kreuser taking seventh in the field with a 19:48.81, which was not one of his better times.

The other two KHS counters were Isaac Schmidt, 18th (20:56.19), Logan Haydin, 20th, (21:13.72) and Benny Frase, 21st (21:21.22).

## Waupun Invitational

Girls Team scores: 1. Kewaskum, 33; 2. Mayville, 37; 3. Waupun, 51; 4. Horicon, 110; 5. Markesan, 119; Wayland and Oshkosh Valley Christian, incomplete Boys Team scores: 1. Waupun, 27; 2. Kewaskum, 66; 3. Horicon, 87; 4. Mayville, 90; 5. Oshkosh Valley Christian, 92; 6. Wayland, 167; Markesan, incomplete.

penalty also took away a potential game-winning interception.

Cousins went on an impressive comeback in the fourth quarter forcing the game into overtime. Then in overtime, the Vikings missed what could have been the game winning field goal. That was later matched by Mason Crosby as the clock ran out resulting in a tie game. The Vikings kicker was fired on Monday and was replaced by ex-Dallas Cowboy kicker Dan Bailey. Ironically, the last time the Packers ended up with a tie score was against the Vikings a few years ago.

The Redskins are coming off a loss to the Indianapolis Colts with a score of 21-9. Quarterback Alex Smith threw for 292 yards but went 5/15 on third downs and 0/2 in the red zone. Aaron Rodgers against the Vikings threw for 281 yards and was 30/42.

These two teams have

met 36 times with the Packers leading 20-15-1. That also includes three postseason games. They also tied back on November 13, 1932. The last time these two met up they played on November 20, 2016 with the Packers losing 42-24. Interesting enough is that both Alex Smith and Aaron Rodgers were drafted in the 2005 NFL Draft. Smith was the number one pick while Rodgers was the 24th, both in the first round.

This may be a showboat of arm strength and accuracy of both quarterbacks but the Ultimate pick this week has the Packers coming out on top 30 -24.

# Injuries Keep Piling Up; Indians Struggle Against Plymouth

By Judy Harlow

Injuries continue to pile up for the Kewaskum football team, and, uncharacteristically, so do the Indians' losses in the East Central Conference, the latest, a 35-0 defeat to arch rival Plymouth on September 14.

The loss puts the Indians' EC record at 0-3. Overall they are 2-3.

Two key linebackers, Reagan Dricken (broken foot) and Eli Bartlet (broken fibula), had already been lost for the season, then quarterback Ty Cook joined the walking wounded when he injured his shoulder in the loss to Ripon and linebacker/running back Kyle Bath was out for this game.

What else could go wrong? Well, the Indians could not afford to lose its breakaway runner, Jermaine, J.J. Thull, but that's exactly what happened in the September 14 matchup. Early in the second quarter, Thull was helped off the field, leaving the Indians without their number one running threat.

Thull had hauled in a swing pass from sophomore quarterback Michael Daniel and started to run upfield. With a good second effort, he picked up a first down but when he got tackled, came down in an awkward position on his leg. He ended the game with two runs for two yards and one pass reception for 10 yards.

"That (losing Thull) really limited us, and obviously starting a sophomore quarterback didn't help ... We're a young team right now," assistant head coach Nick Kreif said about the situation. Kreif filled in Friday night for head coach Jason Pittmann who was out sick on game day.

Another thing to consider was the strength of the Plymouth defense, which Kreif called "possibly the best defense we

have seen all year."

KHS was only down 14-0 at this point, but the injury may have taken a little bit of wind out of the Indians' sails. Until the fourth quarter, they struggled to put any drives together.

On their first possession, the Panthers struck on a quick, two-play drive, with quarterback Cole Booth scoring on a draw play from the 19-yard line, and Booth adding the PAT (Point After Touchdown). The TD was set up by a 36-yard halfback option pass from Cooper Gosse to Josh Koll.

"Every year, Plymouth comes up with a trick play," Kreif said, adding he never expected they would try one on the first series.

The second TD was scored on an eight-yard run by Koll, capping a 43-yard drive, set up by Gosse's nifty punt return.

Plymouth, which had lost four straight games to the Indians including one playoff game, went on to score two more touchdowns before the break, including a 'pick-six' interception for a touchdown by Gosse, covering 55 yards.

Near the end of the quarter, the Panthers moved 51 yards in seven plays with Sam Shutter catching a 28-yard touchdown pass from Booth for the score. Once again, Booth was good on the PAT try.

After the break, Plymouth was successful on its first drive, marching 66 yards for the touchdown, which was scored by Josh Koll. Koll's number was called eight times in the drive, and Booth carried the ball just once, picking up a first down on a fourth down run from the two.

With the score at 35-0, the game used a running clock the rest of the way and neither team scored, although Kewaskum was better offensively after the break, picking up 52 yards and five first downs. After a roughing the punter call, the Indians moved to Ply-

mouth's 34 before two passes fell incomplete to end the drive.

On their final possession, Daniel gained 11 yards on one run and 17 on another, hit Sam Schultz with a 12 yard pass and hooked up with Dylan Maechtle for two passes. After getting a first down at the Plymouth 19, three straight passes fell incomplete, and the Panthers took over and ran out the clock.

Kreif was pleased with the defensive effort. "My main goals were to have them give a 100 percent effort, which I think they did," he said, also indicating he was pleased the defensive players maintained their composure.

Kannon Muckerheide, Sam Lemler and Lucas Christenson led the defense. Muckerheide had one sack, three solos and eight team tackles, while Lemler had a total of 10, including four solos, and Christenson had nine tackles.

Plymouth, which had 307 yards of total offense, improved to 3-0 in EC action and 4-1 overall.

Kewaskum will host Kettle Moraine Lutheran (1-3) tomorrow night (September 21). It will be a banded up team of Indians set to face the Chargers. Kreif said Thull is out for the season, Cook will be out another week "and possibly longer," and Muckerheide is now in "concussion protocol."

"What do we have out right now, seven starters?" Kreif said. "I've never seen anything like it."

Results of other EC games: Winneconne 15, Berlin 14; Campbellsport 22, KM Lutheran 9; Ripon 56, Waupun 19

Current EC standings: 1. (tie) Plymouth and Winneconne, 3-0; 3. (tie) Campbellsport and Ripon, 2-1; 5. (tie) Berlin and KM Lutheran, 1-2; 7. (tie) Kewaskum and Waupun, 0-3.

After trapshooting back-to-back Wednesday nights of 125 straight at the New Fane Sportsmen's Club, the following people had 250 straight: (from left) Dale Reigle, Jim Vetter Jr., Jim Vetter, Jim Liebermann, Ron Kempf and Les Gessner; and (not pictured) Mike Engleman.

## New Fane Sportsmen's Club

### – Top Finishers Announced For Wednesday Night Trap Shooting

New Fane Sportsmen's Club announced the following people had 250 Straight – Trap Shooting - (Back to Back Wednesday Nights of 125 Straight): Dale Reigle, Jim Vetter Jr., Jim Vetter, Jim Liebermann, Ron Kempf, Les Gessner and Mike Engleman.

Shooting 125 straight is a tough task. There are only one or two teams per year that shoot 125 straight. This year, Team Beechwood Sportsmen's Club shot two nights in a row of 125 targets without missing a single clay target. Team Beechwood also took first place total birds out of 25 teams. Congratulations to League High Gun, Dale Reigle, who missed only three targets out of 425 targets.

#### Wins/Losses

First Place - Blue Division: MGS

Second Place – Blue Division: Heberer's Home Improvement

First Place – White Division: TNT Autobody

Second Place – White Division: Gateway Cafe

First Place – Red Division: Townline Trees

Second Place – Red Division: BHF Pumping

#### Individual

First Place – League High Gun: Dale Reigle 24.82

Second Place – League High Gun: Ethan Vetter 24.5

Women's League High Gun: Teri Rochwite 21.94

Junior League High Gun: Matt Neuman – 23.20

#### Final Year Standings

##### Total Birds

First Place - Blue Division: Beechwood Sportsmen's Club

Second Place – Blue Division: Rusty Spur

First Place – White Division: Lake Bernice Taxidermy

Second Place – White Division: Fischers Dragline

First Place – Red Division: EH Wolf

Second Place – Red Division: Amerahn

#### Fall League Starting Sept 13

-Two man teams, 50 birds per event on Thursday nights.

-50 16 yard targets.  
-50 standard doubles targets.

-50 wobbles doubles targets.

-50 international (wobbles singles 20 yard line)

-50 hunt and cover. (25 called each person) 27 yard line

-50 25-yard targets

-Shoot six events by Oct 18.

## GRIDIRON GAME RESULTS

The Gridiron Indians went two-for-two on Saturday, Sept. 15.

The eighth grade Gridiron Indians held on for a thrilling 20-19 victory against the Greenfield Hawks this past Saturday to move their record to 2-0 on the season.

In the first quarter the Hawks were able to get the ball inside the Indians' 10 yard line, but the Indians' defense held strong to keep the game scoreless at the end of the first. To begin the second quarter the Indians were lining up to punt deep in their own territory when an errant snap occurred. Punter Dillan Steger seemed to be bottled up by the Hawks but then broke three or four tackles and was able to escape for a 35 yard run for an Indians' first down. The Indians were able to move the ball well on that possession with some tough running by running back Donovan Zillmer and the drive was capped off when quarterback Ryan Cook threw a perfect pass over the middle to tight end Hunter Loser for a 25 yard touchdown. Kicker Carson Rolf's two-point kick was good, making the score 8-0.

The Hawks answered right back with a nice kickoff return and then on their first play of the drive, broke off a long touchdown run. The two-point kick was no good, so the Indians still held an 8-6 advantage.

The Indians were able to put together another nice time-consuming drive that was again capped off by an eight yard touchdown pass from Cook to Loser with under 10 seconds left in the half. The two-point kick was no good, giving the Indians a 14-6 advantage at halftime.

The second half started with some fireworks as the Hawks

were able to return the opening kickoff for a touchdown. After a couple of penalties during the conversion attempt, the Hawks chose to go for one point and converted to make the score 14-13 in favor of the Indians.

The Indians were able to answer right back with another great drive that was capped off by a one yard touchdown run by Zillmer. The big play of the drive was a 26 yard pass from Cook to wide receiver Carson Rolf. The two-point kick was blocked making the score 20-13.

The Hawks again answered right back on their first play from scrimmage throwing a receiver screen pass and taking it all the way for long touchdown. The two-point kick attempt was blocked by defensive lineman Antoine Coleman to preserve a 20-19 Indians' advantage at the end of the third quarter.

The Indians put together another good drive in the fourth quarter including a fantastic 28 yard catch by Rolf from Cook, but the drive ended when Cook was intercepted inside the Hawks' 10 yard line. The Hawks were able to threaten a little bit, getting the ball near the 50 yard line but the Indians defense held strong shutting down a final fourth down attempt with about 1:30 left in the game.

Offensively the Indians were able to accumulate 277 total yards. Cook finished 6/11 for 99 yards passing with two touchdown throws, with his leading receivers being Loser with four catches for 45 yards and two touchdowns, while Rolf had two catches for 54 yards. Zillmer did the dirty work on the ground for the Indians with 20 carries for 88 tough yards and a

touchdown, while Steger had four carries for 53 yards.

The seventh grade struggled early on with two straight kickoff fumbles which resulted in two Greenfield touchdowns. The only Kewaskum score was a 40 yard touchdown run in the fourth quarter by Dylan Soyk. Other highlights included Bailey Ralf becoming an offensive weapon on the ground and Mitchell Becker through the air.

Defensively Casey Schmidt had an interception in the second quarter. Hard tackling and great work on the defensive side was shown by Nicholas Deheck, Ralf and Schmidt.

The team could not get past the early mistakes in the game and lost 51-7. Coach Rhoads said the offensive line did better, but the team needs to work together to improve.

The sixth grade also started off with a fumble on the opening kickoff, but the staunch defense led by Corbin Dexter, Carter Fell, and Elijah McChain kept Greenfield out of the end zone. Other defensive highlights were Alex Lenzen-dorf's interception and more great tackles by Cooper Petermann and Carter Fell.

On the offensive side, Landon Daniel scored on 26 and 28 yard runs for the only scores of the games, as sixth grade won 14-0. A couple other offensive highlights were Andrew Reichert's running and an extra point catch by Dresden Fritsch.

Greenfield did not have a fifth grade team, so the fifth grade Gridiron team went to Cedar Grove-Belgium to play their game. The youngest Indians are still working on the finer

points of the game.

Offensive highlights were a touchdown by Max Sadowniko, and carries by Alex Boyer, Kingston Grisolono, and Eli Ogi.

The defense recovered two fumbles and Anthony Coleman had two nice punts, but the young Indians lost 34-6.

This Saturday the Gridiron Indians will be at home. Eighth grade plays at 9 a.m. and seventh grade at approximately 10:30 a.m.

There is a schedule change, so the fifth grade will play at noon and the sixth grade will play the last game at approximately 1:30 p.m.

## KYSO RESULTS

### September 15 Kewaskum U7 Predators

The U7 Kewaskum Predators suffered a loss with a score of 6-1.

Charlotte Lange score the only goal and Evalyn Dourn with the assist.

### September 16 Kewaskum U7 Predators

The U7 Kewaskum Predators won their game by a score of 7-1.

Goals were scored by Walker Sabish, Owen Brandt and Evalyn Dourn.

### September 8 Slinger U8 Rain, 7 Kewaskum U8 Thunder, 3

In the season opener for the all-girl U8 Kewaskum Thunder team, the girls came out toe-to-toe with a well-matched Slinger Rain team. Claire Broughton, Payton Stange and Evelyn Jungers were able to connect for scores making them down by a goal at the half.

Despite keeping the Slinger team scoreless in the third quarter, the Rain was able to connect three times in the fourth

quarter ending the game with the Thunder losing 7 to 3.

### September 15 Jackson U8 Lions, 6 Kewaskum U8 Thunder, 1

In the second game of the season, the U8 Kewaskum Thunder team had to deal with not only sparrow-sized mosquitos, but with a tough Jackson Lions team.

In the second quarter, Aniston Schmidt had a bee line pass to Evelyn Jungers for the Thunders only score of the game.

The Jackson Lions were able to score two goals in the first, second and fourth quarters.

Excellent defense by Stella Gurrola kept the Lions out of the goal in the third quarter. The 6 to 1 loss drops the Thunder to 0-2 on the season.

### September 15 Kewaskum U9 Comets

The U9 Kewaskum Comets played a great game. They hustled to the ball all game long with several players getting breakaway opportunities including Easton Sabish with three shots on goal, two of which

were on breakaways.

Evan Bird and Michael Missall each and one save a piece and Kara Hesse came up with two saves.

Brady Flood scored two goals in the game along with one goal from Jason Vogt with assists from Michael Missall and Kara Hesse to help the U9 Comets to a 3-1 win.

## GOLF SCORES

### Hon-E-Kor Wednesday Ladies Honey Bees Golf League September 12 Blue Course

**Day Event: Low Putts**  
Winners: Helen Wolf and Marolyn Kell, 15

**Class Event: Net Minus Hole Nine**

Class B Winner: Betty Hallen, 31  
Class C Winner: Helen Wolf, 25

**Blind Bogey Winner:**  
Betty Hallen

# Kew-Cats Have An Off Day, Slip To Fifth In NS Tourney

By Judy Harlow

After playing good golf the entire last week, the Kewaskum-Campbell-sport co-op golf team was unable to duplicate the effort in the North Shore Conference Tournament held on September 17 at the Washington County Golf Course.

The Kew-Cats wound up fifth with a 390 total in the 18-hole test. As expected, Cedarburg and Hartford wound up 1-2 with 344 and 357 strokes, counting the four best scores of their six-player teams. Cedarburg's Madie Wilkie captured the medal with a very nice round, a 41-40—81.

The combined West Bend team finished third with a 376, then came Whitefish Bay at 384. After the Kew-Cats, Homestead with sixth with a 394, followed by Nicolet and Slinger with 409 and 429, respectively.

"We struggled a bit today. The back nine was definitely better for us, but we were missing that 'low' number today," coach Amy Uhlig said, reporting, "I felt overall we left a lot of extra strokes on the course

today (three-putts). That's golf, and that's why we need to keep battling. We have the ability to do better and know that we can."

Leading the team was Karissa Lange, who has been red hot the past week or so. She came in with a 49-44—93, good for 12th overall. Junior Alyssa Dreher shot a 47-48—85, which put her in 17th place overall.

The other two counters were Grace Kober and Madelyn Thull, who both shot 102s. Kober had a good round going on the front nine until she took a 10 on number eight, which led to a 55 on that nine. She battled back nicely for a 47 on the back nine. Thull started with a 58, then roared back with a 44 for her total.

"I was very pleased with the performances of my number three through the number six spot. Karissa and Madelyn had PR's, which was awesome," Uhlig said. "We still finished in third place for the regular season, but it would've been more satisfying if we could've posted a better result today. Tomorrow is a new day as we prepare for post season play."

The Kewaskum-Campbell-sport girls golf team played in the Washington County Scramble at Erin Hills on September 13. Pictured (from left) are: Alyssa Dreher, Ashley Trapp, Grace Kober, Tina Bolek and Karissa Lange.

## Kew-Cat Golfers Post Good Numbers In Multiple Meets

By Judy Harlow

The Kewaskum-Campbell-sport co-op golfers must have felt like they were on tour last week, competing in four events. It's safe to say the "tour" was pretty successful as the Kew-Cats finished fourth in the Sheboygan Invitational, third in the final North Shore match, tied for second in the Washington County Scramble and ninth in the strong Appleton West Invitational.

In the September 16 meet in Appleton, the Kew-Cats combined for

a 376 total, with junior Alyssa Dreher carding a sizzling 80 to finish in a tie for seventh place. Grace Kober was next with an 89, while Karissa Lange and Tina Bolek were the other counters with 100 and 107, respectively.

"Despite the unbearable mosquitoes in the early morning hours, the girls hung in there and posted some solid scores," coach Amy Uhlig said. "Alyssa and Grace continue to pave the way for us. They both had PR's (personal records) today with 80 and 89. Extremely pleased with their ability to shoot consistent scores week after week."

"Nice showing for Karissa as well. She battled through a couple tougher holes, but they didn't rattle her," Uhlig went on, adding, "It was also nice to see Tina have a very consistent front 9. This will help build her confidence as we enter conference tournament play."

### September 12 Meet

At the Fire Ridge Golf Course near Cedarburg on September 12, the Kew-Cats placed third with a season-best 183. Hartford won the match with an excellent 175, ending Cedarburg's string of seven straight North Shore wins. The Lady Bulldogs were second at 177.

The medalist was West Bend's Lexi Fiorentino who came in with a 39. The Kew-Cats number one player,

Alyssa Dreher, was third overall with a 42, and Karissa Lange shot her best round of the year, a 44. The other KHS counters were Grace Kober and Ashley Trapp with 48 and 49.

Dreher's card included one three, a pair of fours, five fives and one six.

With the NS Conference Tournament to go (September 17), the Kew-Cats are sitting in third place with 44.5 points, 5.5 ahead of West Bend. Cedarburg and Hartford are 1-2 with 63 and 54.5, respectively.

### September 14 Meet

The Kew-Cats' itinerary included a stop in Richfield on September 14 when they played in the five-girls Washington County Scramble at the Erin Hills Golf Course, placing in a tie for second place with the combined West Bend team.

Hartford won the meet with a 32, then came the Kew-Cats, comprised of Alyssa Dreher, Grace Kober, Ashley Trapp, Karissa Lange and Tina Bolek, and West Bend at

36.

Such a cool opportunity for the girls," coach Amy Uhlig said. "We played the front nine and were able to birdie number seven, but unfortunately took a bogey on the very tough number nine. If you don't hit the green on that hole, it's daunting to get it up and down."

### September 10 Meet

On September 10, the Kew-Cats placed fourth out of 21 teams with 395 strokes in the annual Sheboygan Invitational played at the Town and Country Golf Course. Kaukauna won with 345.

Leading the way for the co-op team was junior Alyssa Dreher, who turned in a beautiful round of golf, a 42-42—84, good for a tie for the silver medal.

The other three Kew-Cat counters hovered right around 100 strokes. Senior Grace Kober started with a 49 and came back with a 53 for 102, while Karissa Lange posted a 54-50—104 and Maddy Thull was a shot back with a 50-55—105.

# New Restaurant “KCK’s” Opens Outside Of Campbellsport

By Ariana Strupp

On June 12th, KCK’s Krazy Corner opened up on Highway 45, just outside of Campbellsport. The family-run, home-style restaurant is located where the “Lunchbox” used to be.

Almost immediately after opening, the nearby bridge construction diverted traffic away from the business. Now that the bridge is open, KCK’s has experienced a slew of new customers

previously unaware of its opening.

The influx of new customers has brought a loyal following to the restaurant’s daily breakfast options.

Since opening, KCK’s has added an outdoor seating area. Soon they will be bringing in a collection of antiques to decorate the space.

As the restaurant continues to grow, they hope to add on to the space. “We have plans already for five years down the

line,” says owner Kathryn Burgett. Right now, they are working on “bringing more of a southern homestyle and smokehouse variety” to their menu. All of their menu items are locally sourced.

Keep an eye out for KCK’s plans for Saturday car shows as fall approaches.

For more information, call (920)533-3443 or check out their Facebook page at KCK’s Drive In & Diner.

The owners and managers of KCK’s Krazy Corner stand in front of the restaurant. The business opened this June on Highway 45 just outside of Campbellsport. From left: Kevin Egelseer, Brandon Winter. Front row: Cameron Langhoff, Kathryn Burgett, and Erica Hughes.

## Vacancy On Moraine Park District Board

—Applications Due October 5

Moraine Park Technical College is currently accepting applications for one open employee member position on the Moraine Park Technical College District Board.

The application deadline is Friday, Oct. 5, with the vacancy term ending June 30, 2019. In order to fulfill gender equity requirements, the individual appointed to this position must be a female. Additionally, the employee member must reside within the Moraine Park District, within one of these geographic regions: west of the east shore of Lake Winnebago; west of the east boundary of the towns of Fond du Lac and Oakfield in Fond du Lac County; west of the east boundary of the towns of Leroy, Williamstown, Oak Grove, and Lowell in Dodge County.

Interested individuals can receive application materials from the county board chairperson or clerk of any of the following counties: Calumet, Columbia, Dodge, Fond du Lac, Green Lake, Marquette, Sheboygan, Washington, Waushara, and Winnebago, or by contacting Valerie Krueger, Moraine Park Technical College, 235 North National

Avenue, P. O. Box 1940, Fond du Lac, Wisconsin 54936-1940, telephone (920) 924-3445, e-mail vkrueger@morainepark.edu.

Applicants should mail their completed application to Mr. Lowell Prill, secretary, Moraine Park Technical College District Board, 235 North National Avenue, P. O. Box 1940, Fond du Lac, WI 54936-1940. Their submission must include at least two written references supporting their nomination and be received by 4:30 p.m. on Friday, Oct. 5.

Applicants are also required to attend the public hearing of the district board appointment committee tentatively scheduled for 4:30 p.m. on Monday, Nov. 5, at Moraine Park Technical College. A legal notice announcing the exact date, time, and location of this meeting will be published sometime during the week of October 8 or 15, 2018.

For more information on this open employee member position, please contact Val Krueger at (920) 924-3445 or vkrueger@morainepark.edu.

For information on the Moraine Park, visit morainepark.edu.

**DEADLINE**  
For News Items  
& Ads Is Monday  
at 2:00 p.m.

## Continued From... **Giant Pumpkin Reaps Great Rewards**

Still, once it started growing in Watry's front yard, the pumpkin put on about 30 to 35 pounds a day.

"I think for the date I got it going, I'm pretty happy with it," Watry said.

The pumpkin was the talk of the neighborhood. And it was a major excitement for Watry's 15-month-old son, Wally.

"This week we got to come out here like five times a day to look at it," Watry's wife, Amanda, said.

The key to growing a large pumpkin is having good soil and seeds, according to Watry.

"Beyond that, it is maintenance throughout all the growing season," Watry said.

To grow the pumpkin, Watry spent time removing yellow flowers from the plant and pruning the vine.

"Those vines get so

out of control," Watry noted.

The excessive amount of rain this summer did not help matters.

"With the rain, I couldn't do anything for three weeks. The pumpkin was starting to get some soft spots because it was so humid," Watry explained.

"So I set up a box fan outside, and when it wasn't raining, which was hardly ever, I would run that fan on it all night and all day to dry out those soft spots. It kind of scabbed over and healed up. It really helped," he said.

Watry has been growing large pumpkins for several years now. His largest pumpkin weighed 861 pounds.

This year, he mentored his friend Ron Yocum, who raised a pumpkin that grew to be about 400 pounds.

Craig Watry (left) moves harvests his 767-pound pumpkin with the help of family and friends on Friday, Sept. 14.

photo by Anne Trautner

"He did a great job," Watry said.

On Saturday, Watry brought the huge pumpkin to the Cedarburg Wine and Harvest Festival to compete against other large pumpkins in a weigh-in contest.

Watry's pumpkin placed 13th out of 17 pumpkins.

"It was not bad at all for only six weeks of growing since pollination," Watry said. "This is a month behind and growing off a secondary

vine. I am pretty happy with the product I got off of basically a third of a plant."

In the contest, there was a tie for first place at 1,540 pounds. A world record bushel gourd weighed in at the Cedar-

burg contest as well.

Watry is already making plans for next year.

"Next year, I will try growing one in the woods; I have to switch spots. I clearly don't have the room," he said.

## PUBLIC NOTICES

### SCHOOL DISTRICT OF KEWASKUM BOARD OF EDUCATION REGULAR MEETING MONDAY, AUGUST 13, 2018 MINUTES

The meeting was called to order at 6:01 p.m. by President Hanson.

#### ROLL CALL

Board members present: Jay Fisher, Troy Hanson, Jim Leister, Mary Miller, Tim Ramthun, Mark Sette, Sue Miller
