## Second School Board Member Censured

By Anne Trautner

The Kewaskum School Board voted 5-2 to censure Board Member Timothy Ramthun at Monday night's board meeting for violating two board policies.

A censure is a written statement of the board's disapproval of a board member's behavior, according to Tony Renning, the school district's attorney.

The board spent about an hour discussing whether Ramthun had broken policies regarding public expression of board members and board-staff communications.

The first incident the board discussed occurred at a Kewaskum Village Board meeting on August 20. At the

meeting, the Village Board voted down a proposed ordinance that would enable village police to issue citations to Kewaskum High School students who violated the school's cell phone policy. The School Board Monday night questioned whether Ramthun had properly expressed that he was not speaking on behalf of the School Board when he spoke at the August 20 village meeting.

The second issue the board considered was that Ramthun brought a metal grate that was in need of repair to the high school. The board questioned whether board policy had been broken when Ramthun spoke directly with Principal Scott Stier, and

whether he was trying to obtain a benefit by having students fix the grate.

## County Board Supports Wisconsin 9/11 Memorial

— Kewaskum Remembers, Inc. Has Been Organizing Memorial Since 2014

The Washington County Board unanimously passed a resolution to designate the Wisconsin 9/11 Memorial as the official memorial in Washington County to commemorate the terrorist attacks. The resolution asks the State of Wisconsin to also make the monument the official memorial of the state.

Supervisor William Symicek of Kewaskum represents the memorial and moved to approve the resolution.

The board heard a presentation from members of Kewaskum Remembers, Inc., who have been planning the memorial designed around a piece of I-beam from the north twin tower. Kewaskum Remembers was organized by Gordon Haberman, who lost his

Memorial will remember all who have lost their lives on 9/11 and since due to the ensuing conflicts," said County Board Chairman Don Kriefall. "The memorial will serve to educate Washington County residents and beyond of the terrorist attacks that changed our country nearly 18 years ago. This resolution ensures Washington County will never forget those who died nor those who volunteered at ground zero or to wear a uniform in the aftermath."

At the September 2018 memorial event, Kewaskum Remembers committee members approached County Administrator Joshua Schoemann to secure county support.

"State designation would certainly help us to get the word out to a larger populous that this Memorial is a place to learn about both the events of 9/11, and the sacrifice's made by so many, after, the most deadly attack in this country's history," Haberman said.

## Dancing On The Big Screen

— Local Couple Polka Dance In New Clint Eastwood Movie "The Mule"

By Anne Trautner

Randy and Ashley Thull never thought they would be in a movie.

But the Kewaskum couple are in the Clint

Eastwood movie "The Mule," which is currently in theaters.

The Thulls, who are avid polka dancers, are no strangers to performing. Although they are

not stars in the film, the movie gave them an opportunity to polka dance for the first time on the silver screen.

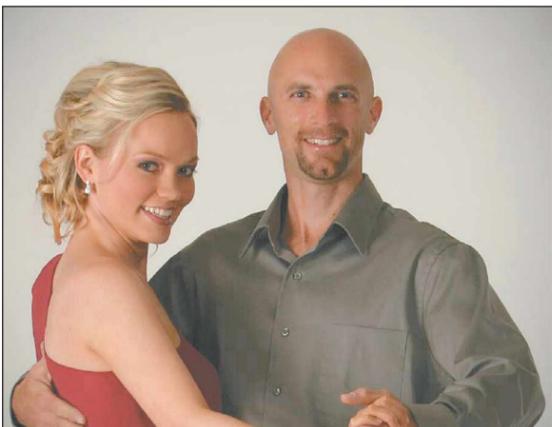

"We never dreamed we would have a chance at being in a Clint Eastwood movie. It was an experience that I don't think we will every forget," Randy said.

### The Call

"Clint Eastwood enjoys watching and listening to polka music," Randy said.

Eastwood started watching the show "Mollie B Polka Party" on RFD-TV. He quickly became a fan of show's host, Mollie Busta, who is more commonly known by her stage name Mollie B.

**County Board  
Supports Wisconsin  
9/11 Memorial**

County staff and Kewaskum Remembers already have started working with State Senator Duey Stroebel (R-Cedarburg) who commented, "The Wisconsin 9/11 Memorial is an excellent opportunity to honor and remember those who lost their lives on 9/11, including Andrea Haberman. I look forward to working with Washington County and Kewaskum Remembers

on this important project." Kewaskum is located within two hours of over 80 percent of Wisconsin's population making the memorial easily accessible. The Haberman's story was featured in the book *Just a Few Sleeps Away* by Mike Nichols. Recently, the "Raise the Beam" campaign was recently featured on WTMJ radio.

Supporters of the Wisconsin 9/11 Memorial gather after the county board passed a resolution in support of the memorial. Pictured (from left) are: Jerry Gosa, Tom Fabitz, Gordon Haberman, Kathy Haberman, Andrew Johnson, Laura Johnson, Addison Melzark, Dustin Melzark, Fuzz Martin and Mike Geidel.

## So It Goes

**By Andrew Johnson  
Gold Star father,  
9/11 committee  
member, Publisher**

On behalf of the 9/11 committee, I want to thank the county board for unanimously approving the resolution designating the Kewaskum Remembers Memorial that will be built in front of the Annex as the official 9/11 Memorial for Washington County at their meeting last Wednesday evening.

It should be noted that the resolution motion was made by Supervisor William Symicek of Kewaskum.

Our committee is also grateful for the television coverage (as well as online) about the resolution by TMJ4 and radio coverage by 620 a.m., the largest radio station in the state.

What is the big deal? The official designation gives special recognition and credibility to the project and to the Village of Kewaskum. This is not just a 9/11 Memorial. Instead, it is the official 9/11 Memorial. This is an incredibly big public first step for the project.

The next step is to have the memorial designated by the Wisconsin legislature as the state's official 9/11 Memorial. Senator Duey Stroebel is leading the effort to get this done. As far as I know, there is no other community in Wisconsin that has a direct loss of one of its own (Andrea Haberman) and has an actual piece of steel from the twin towers.

There are other 9/11 memorials and that is good. However, this is distinctly and uniquely "the" 9/11 Memorial. It should be the place where active and retired military, police, fire, EMS personnel, survivors, public officials and school children gather on each September 11th to reflect on what happened and its effects moving forward.

The memorial in Kewaskum points to the past, but it is really about the future. It is a place where we remember, get educated, and positively move forward. Americans always respond and move forward.

Kewaskum Remembers 9/11 Memorial will represent a resilient people who were hurt but move forward stronger than ever before.

We have raised more than \$200,000 plus many in-kind donations so far. We need \$350,000 to start the first phase of construction which we would like to start this year. We hope that this designation will prompt those foundations, organizations, and or large businesses, that are considering an investment into our community to come forward to finish up this short-term goal so construction can start.

# Governor Evers Announces More Than \$118 Million In Payments To Local Governments

Governor Tony Evers announced that local governments received quarterly payments this week totaling \$118,205,118 for General Transportation Aids, Connecting Highway Aids and Expressway Policing Aids from the Wisconsin Department of Transportation (WisDOT).

January payments to Wisconsin's 1,924 local units of government include: \$114,933,268 in General Transportation Aids; \$3,015,874 to 117 municipalities entitled to receive Connecting Highway Aids; and \$255,975 to Milwaukee County for Expressway Policing Aids.

Area municipalities will receive the following in general transportation aids: Washington County, \$553,205.41; Town of Farmington, \$38,892.92; Town of Kewaskum, \$22,725.36; Town of Wayne,

\$34,240.34; and Village of Kewaskum, \$44,519.18.

General Transportation Aids help defray the costs of constructing, maintaining, and operating roads and streets under local jurisdiction. Connecting Highway Aids reimburse municipalities for maintenance and traffic control of local roads that connect segments of the state highway system.

For calendar year 2019, local governments will receive an estimated \$473 million from the state transportation fund to build and maintain local roads and bridges, which includes Expressway Policing Aids to the Milwaukee County Sheriff Department for patrol of Milwaukee expressways.

Quarterly payments for cities, towns and villages are sent the first Monday in January, April, July and October.

County payments are made in three installments, with 25 percent of the total annual payment on the first Monday in January; 50 percent on the first Monday in July; and 25 percent on the first Monday in October.

Communities also re-

ceive state transportation fund revenues for public transit, elderly and disabled transportation, and airport and harbor development. Local communities may also receive state and federal funds for specific highway and bridge construction projects.

# Governor's Business Plan Contest Held For Students

Looking for a self-directed project this semester that can lead to prizes, mentoring and live connections to the business world? The 16th annual Wisconsin Governor's Business Plan Contest will accept entries online for the 2019 competition until 5 p.m. Thursday, Jan. 31.

The contest is designed to encourage entrepreneurs in the startup stage of tech-enabled businesses in Wisconsin. It links up-and-coming entrepreneurs with a statewide network of community resources, expert advice, management talent and possible sources of capital.

It also leads to valuable public and media exposure for the top business plans and helps spur economic growth in the state. Plans submitted by students or recent graduates in the past have included UConnect, which is known today as EatStreet; Hyde Sportswear; NovoMoto; Pyran; NanoRed and many more.

Finalists will share in more than \$150,000 in cash and service prizes. There is no cost to enter.

For their initial entries, contestants will submit a 250-word (or 2,000-character) idea abstract online at [www.govsbizplancontest.com](http://www.govsbizplancontest.com). That's where contestants will also find business plan templates and other information, such as the Entrepreneurs' Toolkit. The toolkit provides business startup information and assistance, networking contacts and technical resources.

Contestants who advance to subsequent contest rounds will expand their plan in stages. About 80 judges drawn from the finance, sales, marketing, research and technology sectors across Wisconsin will score the entries and provide feedback on submissions.

To get started, con-

testants will need to create a simple account at [www.govsbizplancontest.com](http://www.govsbizplancontest.com). All entries are submitted through the website. Contestants use their account to gain access to mentors throughout the process, as well as review the judges' comments and feedback.

Since its inception in 2004, more than 3,700 entries have been received and about \$2.2 million in cash and services (such as legal, accounting, office space and marketing) have been awarded. Contest categories are Advanced Manufacturing, Business Services, Information Technology and Life Sciences.

Wisconsin residents 18 years old and older are eligible, as are teams from Wisconsin-based businesses and organizations. Businesses or teams from outside the state are also eligible to compete if they demonstrate intent to base their business in Wisconsin. Entrepreneurs may also enter multiple ideas, though each idea must be separate and distinct.

Companies or individuals that have raised less than \$25,000 in private equity for their plans in a current form are eligible to enter. Generally, private equity refers to angel and venture capital.

As with past contests, the 2019 competition will take place in stages:

In Phase One, which is open until 5 p.m. Thursday, Jan. 31, the contest will accept idea abstracts on the website. Entries should be roughly 250 words (or no more than 2,000 characters, including spaces) and will be graded by the pool of BPC judges. The top 50 idea abstracts will advance to Phase Two.

In Phase Two, which runs from Feb. 18 to 5 p.m. March 11, the top 50 idea abstracts will submit an executive

summary. The top 20 executive summaries will advance to Phase Three. A mentored "boot camp" for contestants will be held in early March.

In Phase Three, which runs from April 1 to 5 p.m. April 22, the top 20 executive summaries will prepare full business plans. Judges will review the plans and pick three finalists from each of the four categories to advance to the final presentation round. Mentored practice sessions will be offered to the top 12 in late May.

The top 12, or "Diligent Dozen," will square off with oral presentations during the Wisconsin Entrepreneurs' Conference on June 4 at Venue 42 in Milwaukee.

Past finalists have launched companies that have raised more than \$200 million in angel, venture, grants and venture debt over time — all while creating jobs and economic value for Wisconsin. The contest's major sponsors include the Wisconsin Economic Development Corp.

The 2018 grand prize winner was NovoMoto, a Madison company led by UW-Madison students. The model is being implemented in the western provinces of the Congo, where the opportunity for cheaper, reliable power will improve lives and provide a profitable business platform over time. Category winners in 2018 were Shockray Self Defense (Advanced Manufacturing), NovoMoto (Business Services), DataChat (Information Technology) and AmebaGone (Life Sciences).

Produced by the Wisconsin Technology Council, the contest's major sponsor is the Wisconsin Economic Development Corp. To enter, become a judge or learn about sponsorship opportunities, visit [www.govsbizplancontest.com](http://www.govsbizplancontest.com).

# Kewaskum HS Peers 4 Peers Helping Students

By Abby Matthies

The Peers 4 Peers program at Kewaskum High School is helping students with issues that are happening in their lives. With these peers helping others, students are feeling supported and feeling heard.

"The Peers 4 Peers program is a group of students available to help other students work through their concerns and issues as a way of support through the process. Also as a resource for students to be supported, cared about, and being there to listen," says Rachel Hassler, the Peers 4 Peers advisor for Kewaskum High School.

If students are uncomfortable going to an adult, they can go to the Peers. One of these students includes a current Peer involved in the program for two years at Kewaskum High School and has appreciated being involved in the program.

Maggie Singer states "Peers 4 Peers is a good opportunity to help the people around you and I just love helping people."

Singer also spoke about the Peers program being helpful to the students overall. "I think that the Peers 4 Peers program is helpful depending on what the student really thinks of it. If we reach out to the student who's struggling, the student also has to accept the help. If we extend our hand out, the student has to want to grab our hand. We can't just force them to get help."

KHS students receive plenty of opportunities to know about the program and see Peers themselves.

Singer adds, "The peers have gone to the health classes for the freshman to help them find an outlet to go to

when in need. We also have activities we do with the health classes to live a healthy life without drugs and alcohol with numerous reminders for the student body. This year we also took clothespins and wrote kind messages on them and put them on the lockers in the school to spread kindness around the school."

These students that are picked are properly trained numerous times

each year. Hassler states, "Peers are trained on various topics and issues that affect teenagers and others. Some trainings are at West Bend Mutual. Some are at the high school. We even have some team building trainings at various locations."

With these peers trained, they are helping students even more at Kewaskum High School one person at a time.

# Kiwanis January Students Of The Month

**Courtney Butzlaff**

Courtney Butzlaff is the daughter of Debbie and Bill Butzlaff. Throughout her years in Kewaskum High School, she has been a member of the school's track and field program (three years, and she earned her way to state for the 4 x 4-meter relay and placed eighth in team's heat) and Future Farmers (four years, where she currently is the president). Outside of school, she has been a member of the 4-H Wayne Crusaders for the past eight years and is the group's officer and reporter. Courtney has

received Reserve Grand Champion in ceramics and oil painting. Next fall, she is attending Concordia University pursuing a degree in K-12 Education.

**Grace Marchello**

Grace Marchello is the daughter of Amy and Mark Marchello. She has been an avid member of the Kewaskum High School Drama Club, Noteables and school musicals (four years); girls tennis, Peers 4 Peers, (president), track and field and school plays (three years); and Spanish Club and a freshman

mentor (two years). In her junior year, Grace was inducted into the National Honor Society, for which she was selected to be the Head of the Leadership Committee. Last summer, she was selected to represent our school at the Badger Girls State in Oshkosh. Outside of school, Grace is a member of the St. Matthew's parish in Campbellsport, where she is a church choir member. Grace volunteers her time working with special needs students at Kewaskum High School during her ELT period. She is currently undecided on which four-year university she will attend, but she is interested in getting a degree in psychology or criminology.

Ash tree removal will take place along 2.5 blocks of Riverview Drive in Kewaskum. Kewaskum High School H.O.P.E. Club members Austin Valley, Caleb Duren and Hunter Roehrig were at Monday's meeting to present the phases of the project, along with Peggy Kober of the Bridget Center.

Questions and ideas were exchanged among those who attended. A Facebook page and GoFundMe campaign will be launched in Febru-

ary. This project has several phases and will run until June 2020, when many celebrations will recognize the great river Kewaskum was founded on 125 years ago. The project is designed to inspire, engage and enroll villagers in appreciation and care of the Milwaukee river-shed, a fresh water resource.

The project begins with the removal of the dead ash trees along Riverview from Habeck

Street to just north of the welcome to Kewaskum sign.

More information can be obtained by attending the Village Board Meeting scheduled for Monday, Jan. 21, at 7 p.m. at the Kewaskum Village Hall.

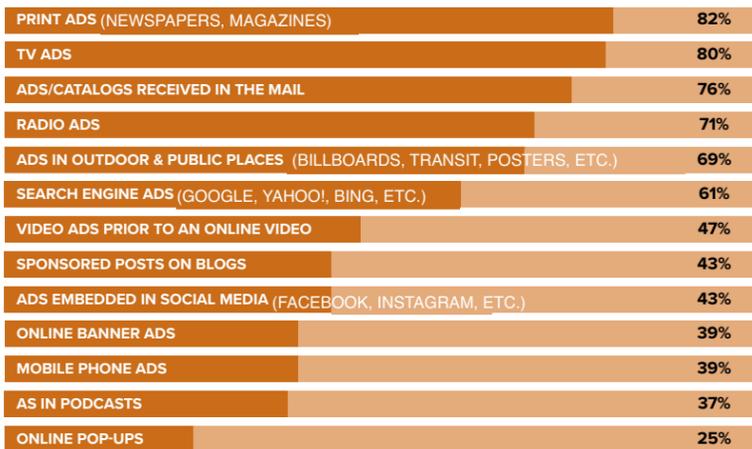

Bridget Center Peggy Kober invites all environmental stewards to help with many needs, including grant writing. For information, contact Peggy at 414-333-3689.

## Continued From... Dancing On The Big Screen

### – Local Couple Polka Dance In New Clint Eastwood Movie “The Mule”

So when Eastwood started working on the film “The Mule,” he suggested that Warner Brothers contact Mollie B to see if she would be interested in performing in the movie.

In May, Mollie B contacted the Thulls, who perform regularly with Mollie B, and suggested they audition for the film.

The Thulls submitted their photos and wrote a little about themselves. The casting directors were able to view their dancing on clips from the “Mollie B Polka Party” show, as well as their website, [www.thepolkadancers.com](http://www.thepolkadancers.com).

After finishing all the paperwork, the Thulls had to wait to find out whether or not they had been accepted into the movie.

Odds were not in their favor. Ideal candidates for the film were veterans over the age of 45. The Thulls are younger than that. And only about 25 couples were being selected for the show.

But in June they received the call. They had been chosen to be in the movie, which was being filmed in Atlanta, Georgia.

At first, the Thulls were not sure that they should go. They had a lot of work to do on their farm.

“We had a lot of rain in May, so I didn’t know how I was going to be able to get all of my work done, because it was still raining when they asked us. We still had to plant corn and soybeans. And we also had to get our hay made before the filming, and at that time I wasn’t sure if

it was ever going to stop raining,” Randy recalled.

But the Thulls decided to accept the offer.

“I thought it would be a good incentive to work hard to get our stuff done so we could be a part of something like that,” Randy said.

To make it even more exciting, Ashley’s parents, Al and Sue Hembel, who are polka dancers from Richfield, were selected to be in the movie as well.

#### Filming

Randy and Ashley, along with Ashley’s parents, drove down to Atlanta on Tuesday, June 12, so they could be in place for one full day of filming on Wednesday, June 13.

They each brought three different outfits to be used as potential costumes. From those, the directors selected what the couple would wear in the movie.

When they arrived on the set, they were given simple instructions:

Stay very quiet. Eastwood doesn’t like any noise on the set.

No pictures. Eastwood doesn’t like people taking pictures on the set.

Be ready for whatever Eastwood told them to do.

Don’t go up to him and bombard him because he doesn’t like that.

Before Eastwood came out onto the set, Randy asked Mollie if she had met him yet.

“Nope,” Mollie replied. “He will probably be as starstruck as we are.”

Shortly after that, Eastwood stepped onto the set.

Everyone was quiet. Eastwood looked around at the cast and said, “I think I have seen all of you before.”

Randy was thrilled. “It just was really neat that we all look at Clint as someone who is famous, and at the same time he has been watch-

ing us for all these years on the ‘Mollie B Polka party.’ So he kind of looks at us as stars, even though we don’t consider ourselves that. We just enjoy dancing to polka music,” Randy said.

The rest of the day, everyone did a good job of respecting Eastwood’s wishes, according to Randy.

Everyone sat quietly. Then when it was time to polka, they got up and danced. Then they sat quietly again until the next time they would be filmed.

While many of the people on the set could not necessarily know how to dance had applied just to be in the movie.

“The whole time you are dancing, the people who are there just because they want to be in a movie try to crowd you out. It’s challenging because you want to be in the movie, but you don’t want to look like you are pushing people. You want it to look natural,” Randy said.

Cameras were all over the set, so the dancers did not know which shots would be selected for the movie.

“You just have to have

fun and try to be as natural as possible,” Randy said.

The Thulls did make the final cut. Ashley’s yellow dress stands out and they can be seen near Eastwood.

#### The Music Video

One scene from the movie that the Thulls are in is featured on a Toby Keith music video for the song “Don’t Let the Old Man In.”

Keith wrote the song after he and Eastwood went golfing together this summer, Randy explained.

“That was the first time Toby Keith had ever been with Clint Eastwood,” Randy said.

“How do you do it? You’re 88, in good shape, and you just keep going. What is the secret?” Keith asked Eastwood during that outing.

Eastwood responded, “You don’t let the old man in.”

With that, Keith went home and wrote a song, “Don’t Let the Old Man In.”

“Clint really liked the song, so he included it in the movie,” Randy said.

For the past seven years, Missoula Children's Theatre has provided the youth of Kewaskum an opportunity to audition, act and perform a play in six days (five this year due to weather). Kepler Corriea, supervisor for MCT, said, "Part of the success of it is we are a novelty. It is interesting and it doesn't become routine, to become stagnant. It is a whirlwind adventure."

A 55-year old Village of Kewaskum man was arrested and faces his second OWI charge after what police called a road rage incident Monday, Jan. 20. Washington County Sheriff's deputies responded to the area of the Highway 45 northbound and Highway H intersection and believe the Kewaskum man intentionally struck a 28-year-old Town of Wayne man's vehicle. Police believe the collision took place while the vehicles were traveling at a speed of around 40 miles per hour. The Wayne man's vehicle spun around the Kewaskum man's vehicle, then entered the ditch.

To her loyal customers, Sarah Swift is known for her attention to detail and eye for style. When her salon, La Salette Hair Studio, opened in Kewaskum this past September, Swift wanted it to be known for what it doesn't have - harsh chemical hair and body care products.

Cassidy Enright, daughter of Laurie Enright and David Enright, and Kayla Oelhafen, daughter of Shelly and Brian Oelhafen, were named Kiwanis Students of the Month.

Robert Reinhold Kern, 67, of Lake Orion, Michigan, passed away on January 5.

The Kewaskum Village Board will be hearing ideas on having a sister city in the Town of Bingham, England at

their meeting Monday evening.

Erica Christie has been selected for the Daughters of the American Revolution (D.A.R.) Good Citizen Award. The student selected as the school's D.A.R. Good Citizen must have the qualities of dependability, service, leadership and patriotism. Erica was selected by the high school faculty and administration. She has been on the student council for four years and is currently the president, she is the senior class president, participated in golf, tennis and soccer. Erica has been a member of the National Honor Society for two years and is an extremely gifted musician who participated in the school musicals, symphonic band, jazz band, concert choir, swing choir and solo ensemble. Miss Christie has been involved in the Habitat for Humanity for two years, Big Brothers/Big Sisters of Washington County and is very active in her church.

Bethany Boedeker, daughter of Judy and Scott Boedeker, and Kyle Lickel, son of Lisa and Bill Lickel, were named Kiwanis Students for the Month of January.

Members of the Kewaskum Fire Department held their annual stag party at the fire station on Saturday night, Jan. 4. Honorary firemen, members of the village board, village police and county traffic officers were invited guests. About 70 men attended. Delicious roast beef, baked ham and swiss steak were served, together with refreshments. Numerous door prizes, most of them donated by local firms and businessmen, were given away. A number of hot card games were in session and others just spent the evening sociably. Active firemen also received their annual checks.

Not wanting to be known only as senior citizens of our community, the group has adopted the name of "The XYZ Club" (Xtra Years of Zest Club).

The St. Lucas Evangelical Lutheran Church held its annual meeting Sunday afternoon in the parish school hall. Officers for the coming year were elected. August Bilgo Sr. was elected president of the church council, succeeding Fred Belger Sr. Other officers are Alfred Seefeldt, treasurer; Norton Koerble, secretary; William Techman Sr. and Paul Belger, trustees; Christian Backhaus and John Etta, school committee; Otto Backhaus, William Schultz and Marvin Martin, cemetery committee.

Staff Sgt. Howard Schmidt, son of the George H. Schmidts, who is with the signal corps somewhere in China, has been transferred to a different part of that country according to word received by his parents the past week.

Only about three weeks ago, Pvt. Frederick Buss, member of an alert crew at base flight, Paine Field, Washington, qualified as a marksman with a .22 caliber rifle. Now, word comes from the public relations officer there, that he has qualified as a sharpshooter, entitling him to wear an appropriate silver badge with a bar denoting the arm.

Pvt. Buss, son of Mr. and Mrs. Fred Buss, has been in the Army Air Corps since June 18, 1942. The next step is expert and men qualifying with the bayonet are rated as experts only.

At the village hall on Monday evening, the newly organized Kewaskum Fire Department held their annual meeting. The following officers were elected: Foreman - Jacob Schlosser, Assistant Foreman - Arthur Koch, Secretary - Erwin Koch, Treasurer - Val Peters. At a previous meeting of the department, John F. Schaefer was appointed Chief and H.W. Ramthun, assistant chief. Both appointments were approved by the Village Board. The company now has a total membership of 22. Eight more members are needed to have a full company before it will be recognized by the state.

It has been reported that August Voeks of St. Michaels, who was seriously wounded on the battlefields in France, has been brought back to the states and is now in the hospital at Camp Grant, however his parents have been unable to learn the extent of his injury.

A survey made since the armistice was signed, by the Red Cross research service, places the total bill which Germany ought to pay at \$13,000,000,000. It is estimated that Belgium alone suffered from destruction about \$2,000,000,000 and more than \$1,000,000,000 in loss of machinery stolen by the Germans. Twelve hundred churches, 500 schools, 1,000 manufacturing plants and 580 public buildings have been obliterated. Slightly more than 1,000 towns suffered 80 percent destruction.

# Public Input Sought For County's Multi-Jurisdictional Comprehensive Plan 2050

The public is invited to an open house on Wednesday, Jan. 23, to comment on the Preliminary Draft Washington County Multi-jurisdictional Comprehensive Plan.

The open house will be held from 4 to 6 p.m. in Room 3224 at the Washington County Public

Agency Center at 333 East Washington St. in West Bend. A presentation of the preliminary draft recommendations will be given followed by an opportunity to provide comments and feedback.

On April 15, 2008, the Washington County Board of Supervisors adopted A Multi-Jurisdictional Comprehensive

Plan for Washington County: 2035. Three amendments to the Comprehensive Plan were made in 2014 and 2015. The county is required to update the plan no less than once every 10 years.

Washington County is working with the South-

eastern Wisconsin Regional Planning Commission (SEWRPC) to update the Comprehensive Plan to the year 2050.

Washington County Land Use and Planning Committee in cooperation with the Multi-Jurisdictional Comprehensive Plan Advisory Committee, the Wash-

ington County Technical Workgroup, the Southeastern Wisconsin Regional Planning Commission, and 14 participating local governments, has updated the County Comprehensive Plan that meets the requirements set forth in Section 66.1001 of the Wisconsin Statutes.

A copy of the Multi-Jurisdictional Comprehensive Plan for Washington County: 2050 is available for viewing at the Washington County Planning & Parks Department and on the County website at [www.co.washington.wi.us/CP2050](http://www.co.washington.wi.us/CP2050).

**Thursday, Jan. 24.** - Little Explorers Playgroup. Chase the Chill. Join us for an hour of nature play and share the wonder of winter through outdoor play. We will sled down hills, imaginary ice fish on the pond, build snow forts, and have a winter campfire. Cost: Non-Members \$7.00 per child. Trail Pass Members \$5.00 per child. All-Access Members: Free. Little Explorers is a drop-in style playgroup which allows children to be engaged in unstructured, outdoor play and gives parents a chance to meet other adults. A staff member or volunteer will be available to answer questions, supply equipment, or lead a hike if desired. Children must be accompanied by an adult. Playgroup explores in rain, wind, sun, and snow. Playgroup will be canceled if there is a risk of severe weather. Watch the website for updates. Any age is welcome to attend playgroup. Our average age range is 2-5 years old, but everyone benefits when there are children of all ages. Our yard is stroller friendly near our play area. If we choose to go on a hike, we will also choose trails which are stroller friendly. Both parents and children should be dressed for the weather. This might include: rain pants, rain coat, waterproof boots, hat, mittens, snow pants, thermal underwear, and wear anything which can get dirty. Extra change of clothes for each child (can be left in the car). Snack and water bottle (optional, but strongly recommended). 10 - 11 a.m.

**Friday, Jan. 25** - Night Ski, Snowshoe and Candle-Lit Hike. Start your weekend right. Enjoy the beauty and serenity of a crisp snowy evening on skis or snowshoes. Traverse our trails, lighted by the soft glow of lanterns, or those trails lit only by the light of the moon and stars. Refreshments will await you at the end of the trail. It's an experience you won't soon forget. (Please call or check our website for current snow conditions before venturing out - event may need to be canceled due to ice or weather conditions.) Fee: Non-Members: \$5, Trail & All-Access Members: Free. Price does not include equipment. You are absolutely welcome to bring your own snowshoes or skis, or make it easy and rent a pair of our snowshoes. (\$10 per hour for non-members, \$5 per hour for Trail Pass members, and free for All-Access Members). Please call 262-375-2715 ahead of time to reserve a pair- we have a limited amount of snowshoes they will be reserved on a first-come, first-served basis. Pre-registration recommended. 4:30 - 8 p.m.

**An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...**

**Friday, Jan. 18** - Whooo's Awake? Owls! Nature Storytime. Listen! Whoo, whoo, who, who, who! The owls are awake while we sleep. Discover remarkable facts about these nighttime hunters. This hour of nature fun awaits 3 to 6 year olds with accompanying adults. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 9:30 - 10:30 a.m.

**Saturday, Jan. 19** - Get Outdoors! Learn to Ice Fish. Learn the tricks of winter fishing with experienced ice anglers. We will start inside the Mauthe Lake picnic shelter for a presentation on safety tips and appropriate gear and tackle. Then it's off to Mauthe Lake to try our best at luring those fish out of the water. Equipment, tackle, and bait will be provided. This program is best for people over 6 years old. Special surprises await all who pre-register. To register, call (920) 533-8322 by January 16. No fishing licenses required, since it is Free Fishing Weekend. A State Park System vehicle admission sticker is required. Mauthe Lake Recreation Area Picnic Shelter (located off County Road GGG south of County Road SS near New Prospect). 12:30 - 2:30 p.m.

*All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.*

# It Should Be About The Kids In 2019

By Andrew Johnson  
Publisher

It is time for a change. As the publisher of the local paper for the past three years, I have observed the coverage of the school board meetings and related elections.

It is time politics should take a back seat on the agendas at Kewaskum School board meetings. Instead, the

topic of discussion should be about the children's education.

I certainly will not allow my newspaper to be used as a pawn to take a political position about "things" going on in the district. We will still cover the meetings and elections.

More importantly, we will be covering the many awesome students and teachers in the district and the posi-

tive things they are doing.

I strongly urge the members of this community to take a strong stand with me to focus on what really matters... the education of the kids and all of the possibilities that go along with that! Two thousand-nineteen should be a fun and exciting year at the Kewaskum School District!

## Cedar Community Hosts Martin Luther King, Jr. Celebration

Cedar Community is hosting a service of celebration honoring Martin Luther King, Jr. on Monday, Jan. 21, at 10:30 a.m. at Cedar Community, Cedar Ridge Campus, 113 Cedar Ridge Drive in West Bend.

Come to the Grand Hall for this community-wide intergenerational event and welcome students from the West Bend High School's Multicultural Club offering personal reflections and selections of Martin Luther King's writings, as well as the school's Concert and Honors Choirs. Additional musicians include the Cho-

rists of Cedar Community and EcuMen, an ecumenical mens choir from area churches of Washington County.

Local clergy and ministry representatives from several area churches, members of Cedar Community's Diversity Group, and many people from the community will also be in attendance. The event is open to the public.

Refreshments will be available following the service. For more information, contact Colleen Mas, chaplain, at 262-306-4202.

# Building Female Entrepreneurs One Cookie At A Time

It isn't every day that you can buy something delicious and sweet to eat knowing you are helping build the next generation of female entrepreneurs, but that time is here. Girl Scouts kicked off their 102nd cookie sale in early January, and are offering two new varieties: S'mores and Toffee-Tastic, in addition to the classic favorites this year.

Girls began masterfully marketing the sweet treats online on January 4 and face-to-face on January 10, and will deliver cookies to customers February 17-March 8. The Girl Scout Cookie Sale not only teaches girls essential entrepreneurial skills, but the earnings also power service given by Girl Scouts to those in need right here in our area. With each box you purchase, you are investing in the community and helping prepare girls for a lifetime of leadership and success.

Almost two million Girl Scouts participate in the cookie sale each year, and all of the proceeds raised — 100 percent — stay in the local area. Troops and girls use their proceeds for com-

munity projects and a variety of badge activities or trips that build G.I.R.L.s (Go-getters, Innovators, Risk-takers, Leaders.).

Girl Scouts earning the highest award, the Girl Scout Gold Award, rely on the Cookie Sale proceeds to fund their 80-hour community service projects. Councils use cookie proceeds to power amazing experiences for girls through support to volunteers, camping experiences for girls and financial assistance to girls in need.

"The Girl Scout Cookie Sale is a quintessential Girl Scout experience, right up there with community service, attending camp and earning badges. Girls learn about goal setting, decision making, money management, people skills, business ethics and marketing when they sell cookies, and these skills will set them up for a lifetime of success," said Denise Schemenauer, CEO of Girl Scouts of Manitou Council.

In addition to the classic favorites, this year, Manitou Council Girl Scouts will be selling two new varieties of

cookies: S'mores and Toffee-Tastic. Girl Scout S'mores is a crunchy graham sandwich cookie with creamy chocolate and marshmallowy filling. Toffee-Tastic is gluten free and is a rich, buttery cookie packed with golden toffee bits.

Girl Scouts will sell cookies door-to-door and at booth sales as well as through the Digital Cookie® platform, a web-based addition that allows girls to take their cookie businesses online. The Digital Cookie platform continues to bring Girl Scout programming into the future by providing girls with business, online marketing and technology skills that prepare them for 21st century leadership.

If no Girl Scout sends you an email, calls you or comes to your door, don't despair. You can submit your cookie order at <https://www.123form-builder.com/form-531197/Cookie-Order-Form> and a local Girl Scout will deliver your cookies, or you can find a cookie booth at

<http://m.cookielocator.littlebrownie.com>, or use the official Girl Scout Cookie Finder app, free on iOS and Android devices, or contact Jennifer at 262-627-0352 or [gstroop8398@yahoo.com](mailto:gstroop8398@yahoo.com).

About Girl Scout Cookies:

Girl Scout Cookies have been sold since 1917. Every Girl Scout Cookie meets FDA guidelines with zero trans-fat per serving. The cookies are baked by Little Brownie Bakers, a Girl Scout Cookie baker for more than 37 years.

## Want To Know What The New Scouts BSA Program For Young Women Is All About?

Want to know what the new Scouts BSA program for Young Women is all about?

Join the Boys Scouts February 1-3 at Camp Rokilio, 14404 Rokilio Road in Kiel, for a winter event.

Registered Scouts can spend one to two nights in heated buildings. Those that just want to see if Scouts BSA is for them can come out and participate on Saturday. (Participants do not need to be registered Scouts to attend Saturday only, but if under 18, they must be accompanied by parent or guardian).

Saturday's program will be similar to five weekly troop meetings with the station's activities designed around rank advancement and basic Scout skills needed to advance toward being a First Class Scout.

Saturday's lunch and snacks will be provided to all participants. This event is for young women only from the ages of 11 - 18.

Go to [scoutingevent.com/635-scoutmein](http://scoutingevent.com/635-scoutmein) to register and find more details, or call John Rouse at 920-583-9516.

## Check It Out!

### A Column By Kewaskum Librarian Lori Kreis

I was in a recent discussion with my peers about early literacy. As professionals in our field, we know the value of reading and the importance of introducing babies to this skill as early as at birth. We promote early literacy in our libraries by keeping books and materials for the very young in our collections, offering valuable programs such as preschool story times and providing access to resources beyond what can be housed in our buildings.

I am proud to say that Kewaskum Public Library does all that and more. Activities that Miss Kim runs here are not just fun for children, but provide positive interactions with books that build reading readiness.

One of my favorite times of the week here is Wednesday mornings watching the children come in for story time. They run to the children's area excited for what the morning will bring and then leave with their finished craft and a stack of books, sometimes towering over their heads. This excitement for books and learning is something everyone needs to experience.

I encourage you to come in on a Wednesday either at 10:30 a.m. or 6:15 p.m. and observe these little minds cultivated to form life-long readers.

I am thrilled to announce that the library now participates in the program *1,000 Books Before Kindergarten*. If you have not heard of it, this program encour-

ages parents to read 1,000 books to their children before they start school. When the child reaches the awesome milestone of 1,000 books, besides getting a jumpstart on being successful in school, they will receive a book and a certificate of completion. Along the way to 1,000, the participant will receive small prizes until reaching their goal. And... there is an app for that! Come into the Kewaskum Public Library and we will show you how to download the free app to your device and track the books you read with your child. We also offer paper logs if you choose not to record the books that way. It's simple, free and easily attainable.

By reading just three story books to your child each day, together you will reach 1,000 in one year.

We know that children's brains develop faster in the first three years of their lives than any other time. The simple task of reading with your child aids them in the many skills taught in kindergarten. Most importantly, it instills a love of life-long learning and reading in their precious minds.

*"The single most important activity for building the knowledge required for eventual success in reading is reading aloud to children."* – *Commission on Reading, Department of Education*

# Continued From... **Second School Board Member Censured**

Ramthun maintains that he did not break board policy in either case. Rather, he said he feels he was targeted for standing up for being a "service-oriented board member who is conservative, asks questions, seeks accountability, transparency and works of, by and for the community."

"These policy allegations are an unjust attack on me and my character," Ramthun said.

"The issue at hand is multifaceted. I'm kind of at my patience intolerance max for dealing with this sort of stuff. It has been multiple issues. The last time this was addressed with you, Mr. Ramthun, was at a closed session, so I have to keep the details quiet. But you know as well as anybody that this in't the first time that you have been addressed for being in violation of board policy as a board member and your behavior as a board member," School Board President Troy Hanson said to Ramthun at Monday's meeting.

In his own defense, Ramthun explained Monday night what hap-

pened during the two incidents in question.

Ramthun said that at the August 20 Village Board meeting, Village Board President Kevin Scheunemann sought feedback from "anyone from the school district."

"Everyone seated at the entire Village Board table was looking directly at me. Everyone," Ramthun said.

"I announced myself with both public service titles I had, primarily for those in the room that may not have known me. After my expression, which took issue with this ordinance matter not obtaining formal board approval during the July 16 board meeting when only a one-for-one Chromebook report was provided that did not include any comments about requesting an ordinance," Ramthun said.

"I then stated at the 36 minute 14 second-36 minute 25 seconds mark that I was speaking only for myself and not the board," Ramthun said.

Village Trustee Dave Spenner said that he did not interpret Ramthun's remarks as being representative of the School Board.

"I, along with others, recognized Mr. Ramthun in the audience. I never had the impression he was the School Board's spokesperson because [the proposed ordinance] was presented in the past jointly with police and school staff administration. Mr. Ramthun clearly said he was representing himself. Mr Ramthun did not co-present with Chief Bishop," Spenner said at Monday night's School Board meeting.

As to the other incident, Ramthun said he brought a metal grate for students in a metals shop at Kewaskum High School to work on as an educational project and planned to donate \$100 to the program.

Ramthun said that when he arrived at the high school, Stier met him at the door. Stier began to escort Ramthun to the metals class, and as they walked, Ramthun asked if class was in session. When Stier replied that it was, Ramthun stopped in his tracks and stated that he did not want to interrupt the educational process and would return another time, according to Ramthun.

Geidel's Piggly Wiggly donated a total of \$10,000 to the Wisconsin 9/11 Memorial. Pictured (from left) are Jerry Gosa, Mike Geidel and Gordon Haberman. photo by Anne Trautner

"Mr. Stier then indicated he would take my item to Mr. Morchien for me. I asked if that was OK and was told yes," Ramthun said.

Ramthun said he was in the school approximately three minutes. He said that when he checked on the project the week of Thanksgiving, he was told that Stier now said that if he had any questions about his project that he should speak to the su-

perintendent.

"If I would have known my desire to participate in the metals program to benefit students and to donate to the program would have caused any discomfort to anyone, I would not have done it. My desire was to help them, not myself," Ramthun said.

Each of the board members was given an opportunity to speak about how they felt about Ramthun's ac-

tions.

Board Member Mary Miller said that she took objection to the fact that Ramthun felt he was being degraded because she said Ramthun had followed her around to see which sessions she had attended at a conference when he was board president about six years ago.

## FEATURE BUSINESS OF THE WEEK

### Little Folks School House

Little Folks School House is owned by Dodie Sargent. She brings 33 years of experience, receiving her training at U.N.H. and UW-Milwaukee. The Assistant Director, Jennifer Melzark has 16 years in the field and received her training at Marian College. Along with Dodie and Jennifer are 23 employees.

Little Folks is rated 5 stars by the Wisconsin Youngstar program and Nationally Accredited. The majority of the teachers have two or four year degrees and are dedicated to providing quality childcare.

Dodie provided licensed family childcare from 1983-1997 and opened the group center (Little Folks School House) in 1997 in the Town of Wayne. After outgrowing the Wayne building, they built a bigger center in Kewaskum which opened in 2006. There are five classrooms, three age separated fenced playgrounds, a coded secured entry and camera monitored classrooms. They also provide before and after school care at Little Folks and Kewaskum Elementary School. Little Folks also serves as a teaching center for Moraine Park Technical College. Students are placed with them every semester for their practicum experience where the Little Folks teachers mentor them.

Little Folks strives to form working partnerships with families. They respect the parent's insights and concerns and want them to feel comfortable leaving their children in their care, knowing they will be safe and nurtured as they help to develop and grow.

# Second School Board Member Censured

Board Member Mark Sette, who made the motion for censure, told Ramthun, "It is my opinion, that based on your comments, that you were speaking on behalf of the board....and the district as a whole [at the Village Board meeting]." "With respect to the grate, I wasn't there with what transpired with Mr. Stier. However, there was an issue in the past with a tractor you had fixed in the past, and then something went awry, and you threatened to sue the school district over a project you had done for your own personal gain," Sette said, referring to an incident that occurred about six years ago.

Jim Leister, a board member who was censured by the board in November for his behavior at football games, spoke in support of Ramthun.

"You guys are tearing the board apart," Leister said to the board. "When you say we are not allowed to talk to Mr. Steier or any staff member, other board members from other districts look at you like you are goofy in the head," Leister said. "This is unprecedented."

"It's almost like this is

the gotcha game. Gotcha this time, gotcha that time. There is no benefit to children of anything in the school district of what we are talking about here. It is almost embarrassing just to be sitting here," Board Member Jay Fisher stated.

Board Member Sue Miller commented on Ramthun's behavior at School Board meetings.

"Over the course of time, there has been distrust and twisting of words. Countless times [Ramthun has had] questions regarding accounts payable, and we are saying bring those questions forward prior to a board meeting. Tim's smart and he knows he should be doing that. Time after time after time he just goes back to start the speculation, start the conspiracies, throw it out publicly," she said.

Superintendent James Smasal, who said that the board should look at facts and data, played two video recordings of news footage of the August Village Board meeting. Ramthun spoke on one of the clips.

"I'm concerned about the administration and how we move forward.

There were two episodes that went across the greater Milwaukee area that were totally embarrassing to this school district. Obviously, it undermined seven, eight, nine months of work that our high school administration did in concert the entire time with the school resource officer. There wasn't anything that we were trying to hide," Smasal said.

Ramthun said he believes the censure is a form of retaliation for how he voted on previous issues.

"Could it be that due to unanswered questions, I have voted no on several monthly expense report motions, no on short-term borrow of \$1.8 million, no on capital expense overrun of \$1.725 million, no on annual school district budget of \$38-plus million and no for alcohol on school grounds that sets me apart?" Ramthun suggested.

"I am here to tell you from my perspective as board president, there is no retaliation in this whatsoever. I have been trying to deal with you since August on issues. You refuse to handle anything with email. You refuse to handle anything man to man in person. Refuse. That's your choice. And you consistently have done that," Hanson said to Ramthun.

## Reaction To November Censure

Monday night's censure was the second time the School Board has censured a board member since November, when Board Member Jim Leister was censured for comments he made at high school football games.

Leister said at Monday night's meeting that he was surprised and shocked when the

school district's lawyer suggested that he resign.

Rather than resigning, Leister voiced his response to the censure during the public comments portion of Monday night's School Board meeting.

"What were my actions that would cause such a harsh sentence, which also now penalizes my family? Was it a speeding ticket, an OWI, perhaps a domestic violence charge, tax evasion, or drugs? No, it was none of these. It was all about reprimanding me for a few comments made at football games, which I am sorry for if I offended anyone. When my football game behavior was brought to my attention formally, I apologized for the actions and guaranteed they wouldn't happen again, and they won't. None of my actions ever included cursing, important to know because that would cross a line," Leister said.

Leister said he feels the censure was unjust.

"A life sentence with no reprieve? Really? In all my years of community service, volunteering and supporting in all manners, including financially for Holy Trinity, public schools and any other event, my passion never resulted in me being asked to leave an event. I was never thrown out and never has any citation ever been issued," Leister said.

"I look back over the last 18 years of my involvement with the district and think of all the shenanigans other board members pulled, and nothing ever happened with their issues, or to them. Why? Who decides what issues are wrong that needs to be formally addressed?" Leister said. "Prejudging board members be-

cause you don't like them or you have a ax to grind is not the way a board should operate. What board members should remember is how the decisions we make affect the children and the impression it leaves."

## Other School Matters

Monday night marked the first time the Kewaskum School Board met in the school district's new administrative building. Located at 1455 School St. in Kewaskum, the administrative offices are now situated in the former Kewaskum Career Academy. The building was recently renovated as part of the capital project.

Other action at Monday night's meeting included:

- The board voted to approve both payroll and accounts payable. Ramthun abstained from voting on both issues while all other board members voted in favor.

- Ramthun also abstained for voting on teacher compensation. The other board members voted to approve

the teacher compensation model that was put in place in the 2016-17 year. Under the plan, teachers in good standing will receive a \$1,000 supplemental pay increase each year, up to a yearly salary of \$70,000. After \$70,000, teachers will receive an annual \$500 increase. Teachers who earned their first master's degree or National Board Certification will receive a \$3,000 increase that year in addition to their yearly increase. The board approved increasing the pool of funds for teacher salary by 2.5 percent each year, for the next three years.

- The board voted to not limit the number of seats available to new non-resident regular education students under the Open Enrollment program. Up to 277 additional new students may be open enrolled into the district for the 2019-2020 school year.

- The board approved the school calendar for 2019-2020. The first day of school for students will be Tuesday, Sept. 3, 2019, with the school year ending for students on Friday, June 5, 2020.

## Letters To The Editor Policy For Elections

We welcome Letters to the Editor, but we do have some rules that apply.

\*All letters must be signed and a telephone number and address included so the writer can be verified. Phone numbers and addresses will not be published.

\*Names will not be withheld from a letter except at the editor's discretion and only if including the name could cause harm or other consequences to the writer.

\*Letters should be concise and to the point. Letters should be limited to 750 words. The editor has the right to publish longer letters chosen on interest, history, merit, and/or relevance.

\*No letters will be printed that are not in good taste, are defamatory or libelous.

\*Letter writers are required to provide any documentation needed to prove facts and figures used in a letter are correct before the letter can be published.

\*A writer is allowed to write on a particular subject one time only, unless the editor allows additional letters.

\*Candidates for office are not allowed to run letters during the election season. They will all be allowed a chance to get their points to the readers with candidate profiles the Kewaskum Statesman publishes the week before the election.

\*Letters relating to the election will not be published in the issue right before the election.

\*We do not publish letters of thanks or poetry.

\*No mass-mailed letters or letters from far out of our readership area will be printed.

# Moraine Park Skills Academy Holds Fall 2018 Graduation Ceremony

Moraine Park Technical College held its bi-annual Manufacturing Skills Academy graduation on Thursday, Dec. 13. The College had 23 students graduate from the program; 10 from the Computer Numerical Control (CNC) machinist boot camp and 13 from the welding boot camp.

This program was designed to combat the skilled worker shortage by offering a variety of boot camp sessions. The boot camp sessions are free to participants, teach skills that are unique to a particular pathway, and connect students with area employers.

The program also combines a 144-hour paid internship with coursework, including occupational math, print reading, team building, problem solving, and program-specific courses. Participating internship sites for this session were Amerequip Corporation, Apache Stainless, Fives Giddings & Lewis, Integrity Saw & Tool, Mayville Engineering Company, Metalcraft of Mayville, Mid States Aluminum, Signicast, Wabash National, and Weasler Engineering.

Since the induction of these sessions in 2012, Moraine Park has had 298 students graduate from the welding and CNC boot camp programs.

Those who completed the most recent CNC boot camp include: Darlene Anderson of Fond du Lac, Nicole Busack of West Bend, Robert Fisher of North Fond du Lac, Ryan Gaus of Fond du Lac, Cory Herrmann of Fond du Lac, Kyle Jenquine of Fond du Lac, Montgomery Kikkert of Fox Lake, Carissa Metz of Waupun, Rick Ro-

driguez of Fond du Lac, and Alex Russart of Fond du Lac.

Those who completed the welding boot camp include: Brennan Bryan of Fond du Lac, Nita Cook of Beaver Dam, Jennifer Donahue of Beaver Dam, Jordan Finley of DeForest, Dave Finn of Fond du Lac, Michelle Flanagan of Plymouth, Casey Hermann of Fond du Lac, Frank Huber of Juneau, Amy Mann of Fond du Lac, Noah Prost of Wauwatosa, Cecilia Tovar of Beaver Dam, Jeremiah Vanderkin-Jus of Fond du Lac, and Brian Wilcox of Fond du Lac.

The graduation ceremony included speeches from students Busack and Mann.

Busack, a CNC graduate, is grateful for the experience Moraine Park gave her through the boot camp program.

"A lot of us have worked dead end jobs, and didn't know our hidden potential," said Busack. "Thanks to Moraine Park and our instructors, we all have a chance to find it. This has opened so many doors for a lot of us."

Busack served her program internship at Signicast in Hartford and was hired full-time prior to graduation.

Mann, a welding graduate, came to Moraine Park in search of a career she could be passionate about. She completed her internship at Mayville Engineering Company (MEC) and was also hired on as a full-time employee prior to graduation.

"The boot camp program taught me that if there's something I really want to accomplish, I can do it," Mann said. "I am standing here today as a welder, a high school graduate, and a newly hired employee of

Mayville Engineering Company."

Moraine Park's Skills Academy boot camps are free to participating students, thanks to grant dollars from Wisconsin Fast Forward and financial support from area businesses including Amerequip, Apache Stainless, Elkay Interior Systems, Fives, Integrity Saw & Tool, Inc., John Deere Horicon Works, John Crane, Mayville Engineering Company, Midstates Aluminum Corporation, Signicast, SJI/Busse, and Wabash National.

"We are very pleased to participate with Moraine Park's CNC boot camp again this semester," Paul Reetz, owner of Ingetrity Saw & Tool, Inc. said. "We have been able to gain quality employees who are advanced on the learning curve. The program teaches them to become a valuable member of our company by the time they become full-time employees at the end of the semester. It's a rare win-win-win situation for all involved in the partnership!"

In addition, welding training is also funded, in part, through a GPR grant that incorporates both adult basic education and welding. The purpose of this training is to allow students seeking their High School Equivalency Diploma (HSED), the opportunity to take the welding boot camp in conjunction. This training opportunity is open to anyone interested in pursuing their HSED.

Individuals interested in learning more about the CNC and welding boot camp opportunities are encouraged to attend a Boot Camp Test Drive event scheduled at Moraine Park's Fond du Lac campus on January 23 and 24. Registration is recommended.

## Indian Boys Post Back-to-Back Victories

By Judy Harlow

While the Kewaskum and Campbellsport wrestling teams were battling January 10 to stay in the East Central title race, the boys basketball teams from the two schools were playing in Kewaskum, trying to get out of the cellar in the standings.

After a slow-moving first half, the host Indians exploded for 47 points and a 62-42 victory, their first in the EC this year and the first conference win under coach Don Gruber since the 2,015-16 season when they went 5-9.

"We had some good shots in the first half. We just didn't make any," Gruber said. In the second half, "Our defense sparked the offense."

"We played good basketball," Gruber went on, reporting the Indians kept their turnover number under 10.

KHS was up 57-42 when the subs came in and gave up 10 points in the final minute.

Junior forward Josh Bocher led all scorers with 24 points on eight of 12 shooting on two-point baskets and one of three from beyond the arc. Bocher's statistics also included 10 rebounds, two assists, four steals and just one turnover for a good overall effort.

Senior Talon Ralph, playing in just his second game, scored 14 points on three of five shooting and seven of eight free throws, zero rebounds and two assists.

Gruber said John Mark Bocher came up with a great save, diving out of bounds to save a ball which ended up with an Indian bucket.

"It was a great hustle play," Gruber said.

Kade Walsh had an even 10 points for the Cougars, while Nick Narges added nine.

"All of his (Narges') points came in the second half," Gruber said. "They were going to him down low."

With the win, the Indians improved to 1-5 in EC play and 3-10 overall. Campbellsport is 0-6 and 2-9. The Indians end the first round of conference action Friday (January 18) when they entertain Kettle Moraine Lutheran.

KEWASKUM 15-47—62, CAMPBELLSPORT 13-39—52

Kewaskum: Toree Ralph 4, Josh Bocher 24, John Mark Bocher 2, Brad Buechel 6, Talon Ralph 14, Michael Daniel 6, Carson Dogs 1, Isaiah Cochrane 2, Hunter Grady 2, Thomas Klemme 1. 3-point goals—Josh Bocher, Talon Ralph. FTs—26x33. Fouls—16. Fouled out—John Mark Bocher.

Campbellsport: Kade Walsh 10, Cole Neis 4, Nick Fleischman 9, Jacob McCarty 8. Lucas Gierach 4, Nick Narges 9, Drake Fleischman 4. Kyle Koltz 4. 3-point goals—Walsh, Nick Fleischman, Drake Fleischman. FTs—14x22. Fouls—19. Technical foul—coach Kyle Twohig.

Current EC Standings: 1. Waupun 6-0; 2. (tie) Berlin, Winneconne and Plymouth, 4-2; 5. Ripon 3-3; 6. KM Lutheran, 2-4; 7. Kewaskum, 1-5; 8. Campbellsport, 0-6.

### January 9 Game

On January 9, the Indians jumped out to a 15-point lead in the first

half and cruised to a 63-50 victory over Cedar Grove, a team it has had trouble with in recent years.

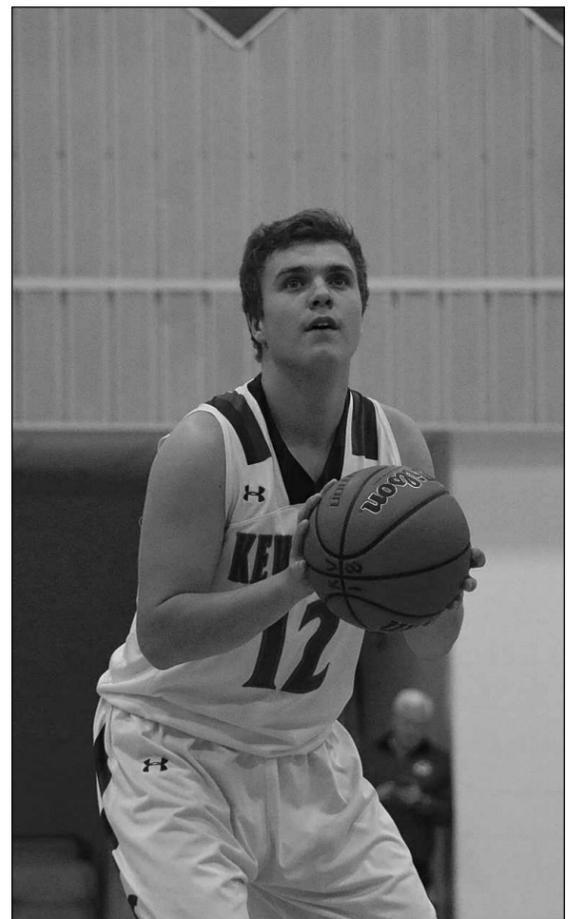

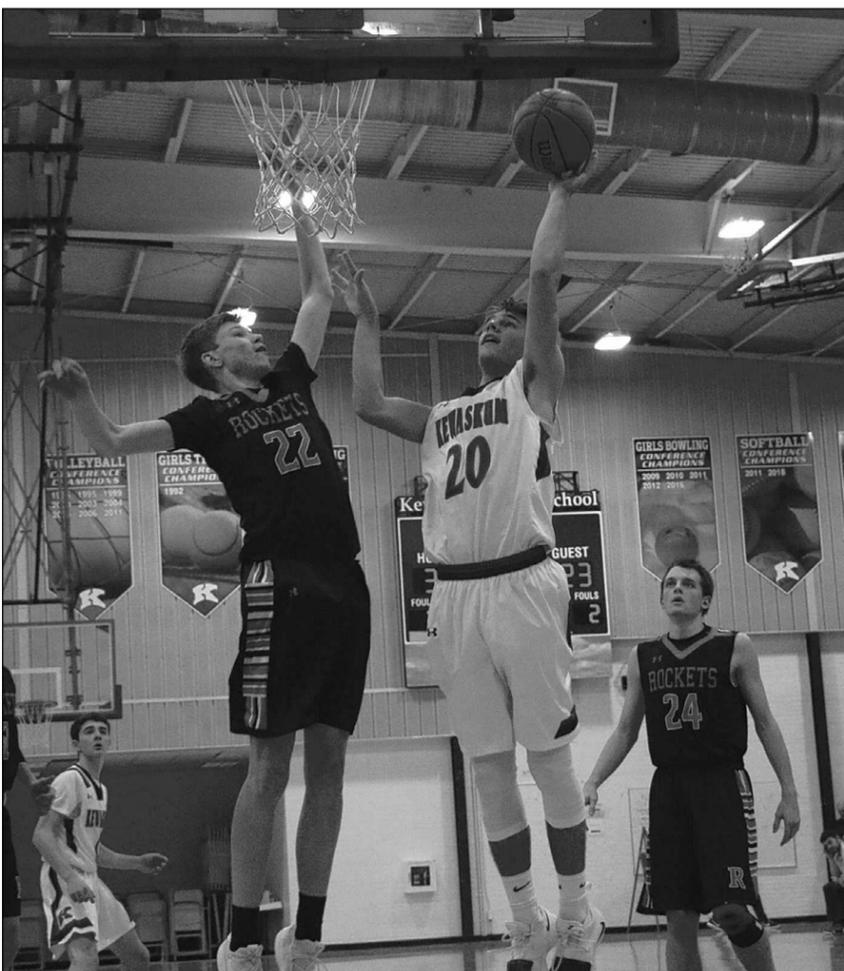

The Indians had very balanced scoring with Joshua Bocher and Jacob Schlosser leading the way with 16 and 10 points, respectively.

Cedar Grove (5-7) normally has a couple of good shooters, but in this game the Rockets were just 1x10 on threes and only made 17 of 28 free throws.

KEWASKUM 35-28—63, CEDAR GROVE 20-30—50

Kewaskum: Toree Ralph 9, Joshua Bocher 16, John Mark Bocher 5, Joe Bocher 4, Brad Buechel 4, Jacob Schlosser 10, Talon Ralph 9, Michael Daniel 6; 3-point goals—Toree Ralph, Schlosser (2), Talon Ralph 9, Daniel. FTs—14x23. Fouls—22. Fouled out—John Mark Bocher.

Cedar Grove: Scoring leaders — Ethan Wonsor 19, Mike Navis 13.

# KHS Matmen Top Cougars In A Thriller

By Judy Harlow

Campbellsport has dominated the series, but the Kewaskum High wrestlers have had the upper hand in recent years, winning the last two matches over their arch rival Cougars, the latest a thrilling 36-35 victory on January 10 that was secured by sophomore Nathan Heberer's loss to Cade Heisdorf.

When Heberer was ready to take the mat for the 138-pound match, KHS coach Scott Rhoads had just told him, "You absolutely cannot get pinned," and he did just that, fighting off his back three times to take a 13-1 major decision loss but securing the team win because Heisdorf was unable to pin him or secure a technical fall.

"We sure had heard out there," Rhoads said afterward. "The matches I want to point out were Kannon Muckerheide's and Nathan Heberer's. They were both losers, but it could have been worse," referring to the fact had they lost by a couple more points or gotten pinned, Kewaskum would have lost.

"They fought hard," he said, explaining Muckerheide, a sophomore, lost to Matt Koelbl by 15-0 tech fall a year ago in the regional. This time he lost just 8-2.

The match started out at 138 pounds, and quickly KHS jumped out to 6-0 lead with decisions by Alex Butler and Braden Maertz. That lead was stretched to 24-6, thanks to pins by Sam Larson (170) and Tanner Goeman (182) and a forfeit to Eric Bauer (160), but the Cougars came back, using a major decision by Chris Zimdahl at 220, a pin by Elijah O'Laughlin and two forfeits to a 31-26 advantage.

Rhoads bumped senior Nathaniel Droese up to 120 and he received a

forfeit, then freshman Josh Vogt got his first varsity victory, pinning Jerid Waddle, giving KHS a 36-31 advantage, setting the stage for the last bout.

Heberer was down 11-0 in the second period when he got an escape, then dove in to grab one of Heisdorf's legs and hung on for dear life. The same was true in the third period, and the Indians went wild on the sideline as the final seconds ticked off the clock, and they mobbed Heberer coming off the mat.

With the win, Kewaskum improved to 4-1 in East Central action and 8-2 overall. Campbellsport dropped to 3-2 in EC action in what will be Mark Peterson's final season as head coach. Peterson has been with the program for the past 31 years, continuing a legacy started by Gerald "Sarge" Marking. The two schools have faced each other 47 times with CHS winning 35 of those matches. (Kewaskum and Campbellsport have split the last four matches, with the Cougars winning 39-29 in 2015-16 and 52-25 in 2016-17 and the Indians on top in 2017-18 by a score of 47-21 and now this year 36-35.)

"We had to get tricky with our lineup," Rhoads said. "It's just become so much of a game when you don't have a full lineup," indicating the situation will improve when February rolls around.

Hopefully by that time Alex Deheck and Mason Pomeroy will be back. Pomeroy is recovering from a broken collar bone and broken toe, while Deheck has a shoulder situation and has been out since December 14.

# Panthers Tip KHS Girls On Buzzer Beater

By Judy Harlow

Kewaskum was leading Plymouth 48-46 with 0:2.3 seconds remaining. Would this be the game the Lady Indians would finally get a "W" against a traditionally strong East Central basketball program?

The ball was inbounded by the Panthers, who had Sierra Grimm on the right wing, heavily guarded by Nicole Butz. Grimm knew she didn't have time to dribble or pass the ball, so she heaved a 3-point desperation shot, and it hit nothing but net as the buzzer was going off.

End results, Plymouth 49, KHS 48 and another heart-breaking loss for the Indians, who are 1-6 in the EC and 3-10 overall after losing several games in the final minutes.

"They just threw it up, and it went in," a disappointed KHS coach Russ Thull said, "We played it perfectly."

After the first half ended with Plymouth holding a slim, 23-22 lead, the Indians seemed to catch fire midway through the second half. Ashley Trapp's three tied the score at 33-all, then Plymouth went up 38-34 before Courtney Zarda swished a trifecta, and in the next three minutes, the Indians outscored the visitors nine to three to take a 46-41 advantage.

Zarda hit a jumper, then freshman Anna Christenson took over, first scoring on a drive and then a three-pointer from the top of the key, and the Indians had their

five-point lead.

The teams traded misses before Alesha Kast-Fohr scored on a drive, and at the 2:06 mark, Addie Plate made one of two free throws. The Indians still led 46-42, however, on the play, the Indians lost Brooke Rayburn on fouls, and that hurt because she was doing well on the defensive boards.

With 1:44 remaining, Kast-Fohr hit a free throw to draw within a point of the Indians, who scored their final two points on two free throws by Trapp with :17.4 remaining to put the score at 48-45.

KHS fouled Kalani Smith while she was shooting from beyond the arc, giving her three free throws, but she made just one, making the score 48-46.

Trapp missed a bonus free throw with 0:5.5 left to play, setting the stage for Plymouth to have a couple of chances in the closing seconds, and Grimm came through for them, scoring her one and only three-pointer.

"Courtney shot the ball well," Thull said about Zarda's three treys, and he added, "Annie played some big minutes for us."

Maxine Paulowske, Christenson and Zarda led the team with 13, 12 and 11 points, respectively.

"That's as close as we are (to beating EC teams) ... We're competing," the coach said, praising the Indians for their improvement. "It hurts a lot, but we've got to bounce back next week."

January 8 Game At Waupun on Janu-

ary 8, Kewaskum was the victim of very good shooting by the host Warriors, who also turned in a strong defensive effort. The Indians lost the game 46-28.

"They've got a real good freshman, Abbey Aalsma. She had six threes," KHS coach Russ Thull said, reporting Aalsma, the team's point guard who is already being looked at by D-1 colleges, wound up with 20 points.

Defensively, "They shut Max (Paulowske) down," Thull went on, noting his leading scorer was able to get off just six shots in scoring a season-low three points.

"We had eight three-point goals, but only made two two-point field goals. We couldn't get anything inside," the coach said.

The Indians were led by Kennedy Adams and Ashley Trapp, who scored 11 and eight points, respectively.

# Open Weight Classes Are A Problem For KHS Wrestlers

By Judy Harlow

Even though they were outnumbered by Wisconsin teams seven to one, the Minnesota-based Scott West Panthers were pretty dominant in winning the Rick Lawinger Invitational hosted by River Valley High School on January 12.

Behind three champions, six second-place finishes and four thirds, Scott West piled up 244.0 points, 32 more than Waunakee. No other team scored over 200 points, Arrowhead took third with 143.5, followed by River Valley, 138.5.

Kewaskum, with no wrestlers at five weight classes, placed fifth out of the eight teams with 106 points, led by senior Eric Bauer, who added a third individual title to his 2018-19 resume at 160 points. He went 3-0 on the day with a pair of pins and a comfortable 6-3 win over Jace Demmers of Scott West in the finals.

The tournament did appear to match its early billing as there were just four weight classes that had eight wrestlers. There were just four heavyweights and five wrestlers at 132, and most of them had fewer than 10 matches.

"It was a good tournament, but a lot of teams had a lot of kids out," KHS assistant coach Charlie Deaton said Monday afternoon, substituting for coach Scott Rhoads who was out sick. "Chilton had kids out (injured), and Arrowhead had kids out."

"Eric looked good. He was in control the whole

tournament," Deaton said.

Bauer pinned his first two opponents in the first period, the first in 1:19 and the next in 1:33. The final match went the distance with Bauer comfortably defeating Demmers by a score of 6-3.

With the three latest wins, Bauer improved to 26-1 and boosted his career record to 152-10.

Tanner Goeman (20-5) also reached the finals, then lost a sudden victory by a score of 3-1. Goeman had a bye in the first round, then won a 10-5 decision over Trent Bruckheimer from Chilton/Hilbert to move into the finals.

Goeman and Waunakee's Colton Grindle (24-5 Jr.) were all knotted up at 1-1 at the end of six minutes. In OT, Grindle won the match with a takedown, but Deaton couldn't recall what kind of move he used to beat Goeman.

"It was two good wrestlers out there," Deaton said.

The third KHS finalist was sophomore Nathan Heberer, who came into the meet with a 3-3 record and was the second seed among the five 132-pounders. He received a bye, then pinned Waunakee's Brian Gittens in 3:49 but got beat 10-5 in the finals by Justin Backlund (5-4) of Scott West.

"We're seeing good growth out of him," Deaton said of Heberer.

Senior Nathaniel Droese (19-10) finished fourth at 113, starting with a 7-3 loss but coming back to win two of his next three matches to end up 2-2 on the day.

Andrew Neu and Skylar Donath were awarded the 2018 scholarships from the Kewaskum Athletic Association (KAA). Pictured (from left) are: Pam May (KAA treasurer), Andrew Neu, Skylar Donath and Heather Eichsteadt (KAA director).

Wrestling at 220, Nathan Lawrenz (9-12) also earned a fourth place, going 2-2 with two pins.

The Indians were missing junior Braden Maertz at 145, and Alex Deheck at 152.

"In his match against Campbellsport, he pulled a muscle," Deaton said about Maertz, and Deheck is still awaiting results from tests on his injured shoulder.

The other KHS wrestlers and their finishes are as follows: 120 pound — Josh Vogt 5th place, 0-2 record; 138 — Alex Butler, seventh, 1-2; 182 — Sam Larson, sixth, 1-2 and a medical forfeit after getting injured; and 195 — Kannon Muckerheide, seventh, 1-2. KHS had no entrants at 106, 126, 145, 152, and 285.

The Indians are at the Terry Kramer Open in Fort Atkinson on January 19.

"That's a really good tournament," Deaton said, adding, "Right now, it's about getting better and getting ready for the (conference, state series) tournaments."

## Early Registration Discount For Soccer Ends January 31

Registration is now open for the Fond du Lac Soccer Association's Summer Recreational League. The 2019 season will run from May 13 through July 14, and is available for U5-U19 age groups.

For U5-U14 players, the early-bird registration fee is \$75 if registered by January 31 (pricing increases to \$90 on February 1 and \$100 on March 11). The rate for U15-U19 players is \$50, with a later start date to accommodate high school games. Registration is available

online by visiting [www.fondysoccer.com](http://www.fondysoccer.com).

The Fond du Lac Soccer Association is a 501(c)(3) non-profit organization that offers soccer programs to more than 1,700 players. Founded in 1974, FDLSA now includes 120 recreational, 14 competitive league, and 12 adult league teams,

as well as an academy program to develop players transitioning from recreational to select teams. The club maintains a 30+ field, 53-acre complex without additional support from government or school resources. THE CLASSIFIEDS ARE AN

While danger from severe and winter weather varies, individuals and families may face challenges with heat, power and communications services. Currently, the National Oceanic and Atmospheric Administration (NOAA.gov) reports that deadly winter storms are expected to affect approximately 80 million people from portions of the deep south, central and eastern U.S. with snow, ice, sleet, and more.

It is important to be prepared for family safety and to also protect your property from damage. Paul Davis, a leading provider of fire and water damage clean up and restoration services offers the following winter weather safety

tips.

- Stay indoors and keep dry. If you must go outside, wear several layers of loose-fitting, lightweight, warm clothing rather than one layer of heavy clothing. Wear mittens, a hat, and cover your mouth with a scarf to protect your lungs.

- Walk carefully on snowy, icy walkways. Avoid overexertion when shoveling snow.

- Drive only if absolutely necessary. Let someone know your destination, your route, and when you expect to arrive.

- If a blizzard or cold weather traps you in the car, pull off the highway. Turn on hazard lights and hang a distress flag from the radio antenna or window.

- Watch for signs of frostbite and hypothermia which include loss of feeling, pale appearance, uncontrollable shivering, memory loss, disorientation, incoherence, slurred speech, drowsiness, and apparent exhaustion.

- In case of power outage, have a battery or

hand-crank powered weather radio and flashlights available if needed. Never use candles as a source of heat or light.

- When using electric heaters keep at least three feet from flammable objects. Conserve fuel by keeping your home and office cooler than normal. Temporarily close off heat to some rooms. If you will be going away, leave the heat no lower than 55°F.

- Do not use the stove, oven or grill as a source of heat for your home.

- Go to a designated public shelter if your home loses power or heat during periods of extreme cold. Text SHELTER + your ZIP code to 43362 (4FEMA) to find the nearest shelter in your area.

- If a pipe bursts, shut off the water supply to the building.

- Take Action — Know the specific hazards and risks in your area.

- Create a Family Emergency Plan — Know how to communicate during an emergency.

- Build an Emergency Ready Kit — both at home and in the car — that includes at least three days of water, food and first aid supplies to help you survive if you lose power or get stranded in your car.

- Be an example — Be a positive influence in your community by sharing your preparedness story on social media to help others learn how to prepare for an emergency.

- Get involved — Find out how you can promote preparedness in your community through the American Red Cross and Community Emergency Response Team (CERT).

- Contact a property damage restoration expert for damaged pipes and repairs along with checking the structural ability of the roof to sustain unusually heavy weight from the accumulation of snow or water.

Paul Davis also recommends the following items to have on hand and prepared for a basic emergency kit:

- Water — one gallon

per person per day for at least three days

- Food — include packaged, non-perishable food

- Clothing — change of clothing and a sleeping bag for each person

- Radio — battery-powered or hand crank radio, a NOAA Weather Radio

- Cell phone and charger

- Flashlight

- Batteries — for the flashlight, radio and any other electronics

- First aid kit — sterile gloves, adhesive bandages, antibiotic ointment, gauze pads, iodine/alcohol pads, medical tape, pain reliever, emergency Mylar blanket, thermometer, prescription medications and supplies

- Portable waterproof containers — for IDs, insurance policies, bank account records, site maps, employee contacts, computer backup files, emergency and law enforcement information, and priority documents. Store a second set of records off-site.

# Learn To Ice Fish

You love to fish, but in winter the lakes are frozen. What's an angler to do? Well, drill a hole and fish right through the ice.

On Saturday, Jan. 19, head out to the Kettle Moraine State Forest - Northern Unit to learn the ins and outs of how to go ice fishing. Meet at the Mauthe Lake recreation area picnic shelter (located off County Road GGG south of County Road SS near New Prospect) at 12:30 p.m.

We will start inside the shelter to cover cold-weather safety tips, and the appropriate gear and tackle. Then it's off to Mauthe Lake to try our best to lure some of those fish out of the water. We will wrap up the fishing adventure at 2:30 p.m.

Equipment, tackle, and bait will be provided. Come dressed for the winter weather.

Bring something to sit on like a folding chair or bucket.

This program is best for people over the age of six years old. Children must be accompanied by adults. This is Free Winter Fishing Weekend, so no fishing licenses are required. You will need to have a Wisconsin State Park System vehicle admission sticker.

To register, call the Ice Age Visitor Center at (920) 533-8322 by January 18. We need participants to register to ensure plenty of gear and because there will be special surprises for all who attend the workshop.

If you have any questions, contact staff at the Ice Age Visitor Center (920-533-8322). The center's winter hours are 8:30 a.m. to 4 p.m. Wednesday through Friday, and 9:30 a.m. to 5 p.m. on Saturdays.

# What Does The Government Shutdown Mean For College Students?

With the federal government's partial shutdown, Moraine Park Technical College is focusing on how its students will get the federal funding (FAFSA) they need for their education.

The IRS has been closed, and many students have had difficulty receiving the appropriate documents. Fortunately, the college has new guidance on col-

lecting tax documents. As of now, students should bring signed copies of their 2016 tax forms to serve as verification of income for 2018-19 FAFSA applications, and students will no longer have to provide transcripts. This will also be the protocol for 2019-20.

However, there is one remaining issue that has not received as much at-

tention. The Department of Homeland Security (DHS) and Selective Service are two of the offices/departments that are affected by the shutdown. As a result, there is no way to verify the citizenship of any new applicants for federal aid. This means those new FAFSA applications cannot be processed and funding cannot be awarded. The most af-

ected students will be first time FAFSA applicants.

Moraine Park is currently working with students that may be affected by the government shutdown to make sure that their FAFSA is ready to submit once federal business resumes.

For more information on financial aid, visit [morainepark.edu/financial-aid](http://morainepark.edu/financial-aid).
