School Board Leadership Reorganized

By Anne Trautner

There was standing room only in the district office conference room as the Kewaskum School Board met Monday for the first time since the April election.

At the meeting, board members cast written ballots to elect school board officers.

Mark Sette is the new board president. He replaces Troy Hanson, who was voted as the new vice president. Sue Miller is the new clerk and Jay Fisher remains board treasurer.

The new reorganization occurred on the heels of public comments about the need for new leadership.

"I think that it's important that the next president be a little more careful with how they talk in the paper," community member Scott Wollner said. "I think we need to pick somebody who is level headed and probably new at it, that we can get somebody that represents everybody."

New Street Banners Celebrate Kewaskum

By Anne Trautner

Last Thursday, village workers were seen hanging new banners from light poles along Main Street in Kewaskum. The banners, which identify Kewaskum as the "Gateway to the Kettle Moraine," were created in anticipation of the village's 125th anniversary in 2020.

"We are excited to celebrate our great village. Kewaskum has a lot to be proud of with our rich heritage and bright fu-

ture," said Aaron Laatsch, a volunteer for the Kewaskum Historical Society.

The banners display Kewaskum's new logo, which depict the Kettle Moraine State Forest in the background. The feathers and arrowhead on the logo are a subtle nod to Chief Kewaskum of the Potawatomi nation, whom the Village of Kewaskum was named after. In the foreground is a farm field, which represents Kewaskum's rich agricultural past and present.

The logo also includes a parent and child in a canoe, enjoying time on the Milwaukee River, representing the many outdoor activities modern day Kewaskum has to offer. The colorful logo includes "Kewaskum green."

Jennifer Sterr designed the winning logo in a contest held by the Kewaskum Historical Society.

Contest judges chose the winning entry based on how the overall concept reflects Kewaskum, its history and the spirit of the village, with a sense of moving forward.

The Village Board unanimously approved the logo for the street banners in January. Trend Setters of Kewaskum made the banners.

Kewaskum's new logo will be printed in a new book that is being written and designed by Kewaskum Historical

Society volunteers. Titled *Kewaskum, Wisconsin: The Making of a Village*, the 300-page, hardcover book will contain a comprehensive history of the village. It is slated to be released in

March 2020.

The logo also will be used to promote a weekend celebration when the Village of Kewaskum will turn 125 years old.

The celebration will be held June 12 and 13 in

2020. Among the festivities will be a parade, historical re-enactors, a 5K run, pancake breakfast, live music, entertainment, food, games and Native American dancers.

Awards Presented For Nursing And Support Personnel

Ginger Knapp, Emergency Department RN from Hubertus, and Stephanie Luepnitz, lead Emergency Department technician from West Bend, have been awarded the 2019 St. Joseph's Hospital Excellence in Nursing Award and Excellence in Nursing Support Personnel Award, respectively.

Knapp was selected for role modeling for other nurses, her calmness and coolness under pressure, her friendly and courteous manner, professionalism in various roles, and for her leadership, teaching and continuing education.

"Not only is she always kind and friendly to patients and their families but to staff and the people she oversees," said Ginger's nominator, Tony Scholten, STAT RN, Nursing Administration. "This is not an easy task to do, considering the chaos, overflowing capacities at times, the difficult family situations and circumstances and the degree of acuity and illness patients present with. Working in this department is not for the mild, meek or faint of heart -- getting sworn or yelled at, getting hit, dealing with those individuals needing restraints or those needing security or police intervention are an everyday occurrence. Patients' ages range from over 100 years old to newborns. Acute strokes, heart attacks, severe traumatic injuries, suicide attempts/ideations, drug overdose, severely intoxicated individuals, behavioral issues, pediatric populations with illnesses and injuries are readily seen. Ginger has a calmness and cool-

ness about her to get the job done under the most pressing and difficult circumstances. She is a model nurse of how a nurse should act and react in an unpredictable environment."

Knapp has held roles as charge RN, triage RN and staff RN. She has been a trainer for new nurse orientees and preceptors to nursing students. She teaches several courses for Froedtert and Children's Hospital nurses, and assists at the nursing skills fair. She achieved Level III as a nurse in 2011 and is currently pursuing her BSN.

Luepnitz was selected for her involvement in many committees and quality teams, and her leadership with patient care improvements, including creating training orientation binders; reorganizing the department's drawers to condense, categorize, and eliminate what is not being used; replacing blood pressure cuffs with new, disposable blood pressure cuffs for each patient; and reorganizing the PAR wall and sub-categorizing the stock so it's easier to find supplies.

"This is only a small fraction of what this Stephanie has done in projects," said her nominator, Janelle Wiczorek, Emergency Department RN. "She wanted her other support staff coworkers to be recognized for the great patient care and their never-ending and thankless duties they preform by creating an award that is strictly for support staff. This award is being adopted by other states. Stephanie inspires team effort and enthusiasm when it

Ginger Knapp (left), and Stephanie Luepnitz received awards for their work at St. Joseph's Hospital. **photo submitted**

comes to projects that improve patient care and department flow. Stephanie is a resource for all, from patients, to nurses and support staff, to leadership and to the multiple committees she is on. She is a mentor and encourages support staff and nurses. This department would be lost if it was not for her. I cannot thank Stephanie enough for everything she does."

The Excellence in Nursing Award recognizes the outstanding skills and contributions of individual members of the hospitals' nursing staff. Candidates for the award have demonstrated excellence in their area of practice and in the delivery of quality care to patients and their families. They role-model teamwork and demonstrate leadership skills that positively influence patient care.

The Excellence in Nursing Support Personnel Award is designed to recognize the

outstanding skills and contributions of individual members of the hospital's nursing support personnel. The award provides an opportunity to celebrate the special care and important work of support personnel.

Froedtert & the Medical College of Wisconsin St. Joseph's Hospital, founded in 1930 by local doctors, community leaders and the Sisters of the Divine Savior, is a full-service hospital serving residents of West Bend and Washington County. St. Joseph's Hospital specializes in women's health and birthing services, cancer care, surgical procedures and rehabilitation services. It's part of the Froedtert & the Medical College of Wisconsin health care network, which includes four community hospital campuses, more than 1,600 physicians and nearly 40 health centers and clinics, drawing patients from throughout the Midwest and the nation.

Check It Out!

A Column By Kewaskum Librarian Lori Kreis

During the month of May, it can seem that the library is not as busy. Our story times go on a hiatus, there are not as many programs and things seem slow to the public eye. However, the opposite is true. You may not see a lot of extra activity in the library proper, but things are abuzz behind the scenes.

We are gearing up for our summer reading program. This year's theme is "A Universe of Stories" and we will have star laden activities to keep children, teens and adults reading throughout the summer. I am excited to be participating in the summer reading program this year. I have, of course, been involved in these programs since I have been a librarian, but this year is extra special to me. One reason is that the fiftieth celebration of the moon landing will be highlighted with superior programming. There are also some amazing presenters planned such as a bubble party, a special event with a real live bald eagle and more.

For children, beside what was previously mentioned, there will be space themed story times, with two special ones during the summer. The reading logs will be ready to be given out next month and we are amassing prizes from some wonderful and generous places. Monday movies will continue, and Miss Kim has been planning new, galactic activities to help promote STEAM.

There is a teen summer reading contest planned with a bingo to

be completed for prizes. Teens will also be treated to a Monday afternoon movie several times this summer. Look for the spa day, art night and escape room at the library coming soon.

I am especially thrilled about the adult summer reading challenge I have planned with two ways to play and infinite ways to win. Either complete a special celestial bingo for raffle tickets or a simple book review where you can also earn raffle tickets. You can even do both. There will be weekly prize drawings.

Additionally, we will be having a special basket raffle; the more tickets you enter, the better your chances of winning. Some summer programs for adults include a memory screening, black out poetry night and Xpressions will be back in July for some jewelry making.

The summer reading program has been a collaboration of public libraries throughout the nation for many years. It combines resources to keep costs low to promote reading when school is not in session. Besides reducing the loss of skills over the summer months, this program encourages reading as a life-long habit.

I hope to see you and your families participate in our summer reading program this year. I promise it will be out-of-this world.

Lori Kreis,

Sheriff's Office Gets New Police Canine

Deputy Jonathan Doran poses with Ryker, the newest addition to the Washington County Sheriff's Office.

photo submitted

The Washington County Sheriff's Office is pleased to announce a new addition to its team that will help combat crime more effectively and has a positive impact on the community. The newest addition to the force is a canine named Ryker.

According to Sheriff Martin R. Schulteis, "The deployment of a canine that is effective in narcotics detection as well as searching and tracking will enhance the

safety and security for citizens throughout Washington County. Ryker is an important element of problem-solving policing that will be available to every law enforcement agency within Washington County."

Ryker is a 70-pound black and brown colored 17-month-old Belgian Malinois. He was born on December 1, 2017, in Ontario, Canada. Ryker is trained in narcotics detection, tracking and

area searches. Ryker's tracking abilities will drastically improve the agencies' search capabilities whether we are looking for a criminal who is attempting to elude capture or a missing person that is in need of help. This resource will be invaluable for our agency and the community we serve as well as our law enforcement partners around us. Ryker will be assigned to the patrol division.

Deputy Jonathan Doran was selected to be Ryker's handler. Deputy Doran has been with the Washington County Sheriff's Office for four years. Ryker will be residing with Deputy Doran in Washington County.

Ryker was trained by "Working K9" in Ontario, Canada. Head Trainer Tony Pallotta has spent over 25 years training law enforcement canines and is highly regarded in the field. The Sheriff's Office would like to thank Tony for his dedication and commitment to training law enforcement canines. Ryker was recently joined by Deputy Doran for a one-week training which allowed them to get familiar and bond with one another. Ryker has now started his first patrol shift in Washington County.

Washington County Sheriff's Office Reports

Residence Searched For Internet Crimes Against Children -No Charges Filed

On Thursday, May 9, law enforcement officials searched the lower unit of the duplex at 1530 Riverview Drive in Kewaskum.

The investigation is being led by the Washington County Sheriff's Office which is an affiliate of an organization called ICAC, Internet Crimes Against Children.

ICAC is a task force that is made up of federal, state and local law enforcement agencies that are continually engaged in both proactive and reactive investigations involving the exploitation of children on the internet.

"We had a search warrant that related to that at that residence," Washington County Sheriff Martin Schulteis said. "We are in the process of forensically analyzing electronic media that was obtained through that search warrant."

No criminal charges have been filed.

"We did not arrest

anyone because we don't necessarily have a specific target for sure, we just know that it originated from there," Schulteis said.

The search last Thursday included people from the Washington County Sheriff's Office, the Kewaskum Police Department and the Wisconsin Department of Justice.

No Threat To Kewaskum Middle School

The Washington County Sheriff's Office is investigating a possible threat that may have occurred against Kewaskum Middle School on Thursday, May 9.

"We have determined there is no threat to the student body at all," Washington County Sheriff Martin Schulteis said.

The Sheriff's Office worked in conjunction with Kewaskum Police Department on the case.

The Sheriff's Office is interviewing several students to determine the origin of any possible threats against the school. The threats themselves could be ru-

mors, Schulteis said.

"We have no reason to believe that anyone is now, or was then, in danger," Schulteis said.

Suspicious Situation At Hospital

The Washington County Sheriff's Office was called to St. Joseph's Hospital at 3200 Pleasant Valley in the Town of Polk at 11:45 a.m. on May 7 in reference to a suspicious situation. Staff at the hospital reported seeing a male person lying on the ground next to a vehicle in the parking lot with a long gun.

St. Joseph's Hospital was immediately placed on lock-down in coordination between the

Chief's Corner

By Kewaskum Police Chief Tom Bishop

Finally, spring is here and summer is right around the corner. As it warms up, drivers should be more alert to pedestrian and bicycle use of the roads or crosswalks. We frequently get asked questions about pedestrian crosswalks and how to legally use them.

Quite frankly, the main issue is a combination of speed and the lack of attention given by motor vehicle drivers. In larger cities, or cities with a college or university, such as Madison for example, pedestrians are abundant, drivers are generally mindful of their presence and operate their vehicles in a manner consistent with safe pedestrian passage. In other towns, such as Kewaskum for example, pedestrians are not nearly as prevalent and as drivers we forget to prioritize them like we should. We are also inclined to operate with a mindset that pedestrians are always 'able-bodied' adults. We must remember that pedestrians also consist of children, elderly, and disabled individuals, or those who are blind or hearing impaired. The amount of time it takes for any of these individuals to cross a street is much different than of the typical able-bodied adult.

Wisconsin State Statutes have two main points to get across in the law: 1 — the operator of a vehicle shall yield the right-of-way to a pedestrian who is in the crosswalk, and 2 — pedestrians must cross in a manner which is consistent with the safe use of a crosswalk. In other words, a pedestrian cannot just dart out into traffic; they must cross when it is safe and prudent to do so. When reading state statutes, the word 'shall' leaves no room for ambiguity; the law here is very clear — pedestrians have the right-of-way once in the crosswalk. The safest place to

cross a street is at a controlled intersection (an intersection that has traffic and pedestrian lights or a stop sign) with marked crosswalks. A marked crosswalk will either have two white lines or may have "ladder marks." When crossing in a crosswalk at an intersection controlled by traffic lights, pedestrians and traffic must all obey the lights. Pedestrians have the right of way to cross with the green light.

We also see crosswalks at uncontrolled intersections (intersections where pedestrians cross the street at an intersection without a stop sign or traffic lights). The laws are the same, vehicles SHALL yield to pedestrians who are in the crosswalk and are crossing in a manner which is consistent with the safe use of the crosswalk. Pedestrians who are merely standing on the sidewalk are not considered "in the crosswalk" for legal purposes. The Wisconsin Department of Transportation, in cooperation with WE BIKE, etc., LLC, recommends that pedestrians place one foot into the crosswalk and place one hand out into traffic to alert motorists of their desire to cross the street. Upon performing this act, the pedestrian and vehicles legally need to stop and allow the pedestrian to cross.

Many crosswalks do not contain white paint markings and are considered an unmarked crosswalk. Any sidewalk that 'crosses' the street at an intersection and is not marked is still considered a crosswalk and holds the same legal standing as marked crosswalks.

My greatest concern with crosswalks are pedestrians crossing at uncontrolled intersections. These are dangerous because of vehicles who pass a vehicle stopped to allow pedestrians to cross. Generally,

they will get passed on the right because the driver ASSUMES that the car is making a left hand turn. This can have fatal consequences. It is against the law to overtake any vehicle that is stopped to allow pedestrians to cross. Again, drivers need to slow down and pay attention to what is happening beyond just the other cars on the roadway.

Pedestrians also bear some responsibility when crossing the street. As stated before, pedestrians may only cross the street when it is safe and prudent to cross. They must follow signals at controlled intersections, such as the traffic lights or pedestrian control signals. Pedestrians who cross mid-block (commonly known as jaywalking) must yield the right of way to vehicles and when walking on a highway without a sidewalk, pedestrians must walk facing traffic.

I also would recommend that pedestrians wear bright clothing, always look for other vehicles who may not be paying attention and never cross the street until 100 percent confident it is safe.

Kewaskum may not be a large city or have a university setting, but it is a town that utilizes recreational and outdoor activities, as well as many health conscious residents who run, walk or bike. Drivers of motor vehicles need to slow down and be alert to the presence of pedestrians when driving in order to keep Kewaskum a safe community for non-motorists to utilize.

Next month I will continue discussing non motorist safety by focusing on laws associated with bicycles.

Thank you and have a safe month,

Tom Bishop
Kewaskum Chief of Police

Washington County Sheriff's Office and St. Joseph's security staff. Upon arrival at St. Joseph's Hospital it was quickly learned that there was no public safety threat and the lock-down was lifted.

A death investigation is being conducted by the Washington County Sheriff's Office as well as the Washington County Medical Examiner's Office.

There is no further information being released at this time. The public was not in danger at any time during this incident.

Effective responses to emergency situations on the hospital campus is a priority of both agencies

and St. Joseph's Hospital staff and the Washington County Sheriff's Office routinely work together to ensure safety on the campus. This type of coordination allows for a quick and timely lock-down in the case of an emergency.

Vicki D. Gross, 46, of West Bend, passed away on May 9.

Sister Marcinette Krueger, 90, passed away May 5 at St. Joseph's Convent, Campbellsport.

25 Years Ago May 19, 1994

Despite the recent trend toward political correctness in regard to school mascots, Kewaskum High School's "Indian" nickname and accompanying logo will not be changed in the

near future. That was the consensus of School Board members at last Monday's monthly meeting. District Administrator David Heather had asked that there be some discussion on the matter, after Kewaskum was one of 60 school districts in the state to receive a letter from State Superintendent John Benson regarding the matter.

There were several Kewaskum area residents among the more than 2,000 graduates taking part in the University of Wisconsin-Milwaukee spring commencement ceremony held last Saturday, May 14. Among the spring 1994 graduates receiving bachelors degrees were: Dawn Jandre, Allied Health Professions; Mike Kirst, Engineering and Applied Sciences; Gina Olmsted, Letters and Science; Cesar Sison Jr., Allied Health Professions; Noel Stollenwerk, Letters and Sciences; Paula Wilson, Engineering and Applied Sciences.

A daughter, Josephine Marie, was born to David and Carmen Merkt, Campbellsport, on May 7.

A daughter, Heather Ann, was born to Donald and LuAnn Schrauth, Campbellsport, on May 7.

James R. Kern, 39, of Brookfield, passed away on May 10.

Albert H. Kutz, 72, of Fox Lake, passed away on May 10.

Amanda M. Russell, nee Everson, 91, of West Bend, passed away on May 12.

50 Years Ago May 16, 1969

In an accident which occurred on CTH H several miles west of Kewaskum or about 1 3/4 miles east of Wayne last Friday afternoon, a rural Hartford trucker narrowly escaped death or serious injury when he swerved the large milk tank truck he was driving and it entered the ditch and struck a tree shearing the milk tank from the truck chassis. The

crash took place as Reuben T. Couch, 21, R. 2, Hartford, was driving a Nick Goos Milk Cartage truck of Kenosha and Hartford. An approaching vehicle veered over the center line and Couch swerved his truck onto the rain-softened shoulder where the heavily laden truck went into the ditch and, in a tilted position, the tank struck a tree, shearing it off the chassis. The truck tank came to rest in the ditch and partially on the highway while the truck came to a halt a short distance away. The truck, loaded with approximately 27,500 pounds of milk was enroute to Fairmont Foods Co. in Kewaskum. Couch suffered lip, mouth and chin injuries in the mishap.

Thirteen youth of Peace United Church of Christ, Kewaskum, have participated in a program of training in preparation for church membership. They were given opportunity to testify to their faith on Sunday evening, May 4, in the Fellowship rooms of the church. They will be received into the membership of Peace United Church of Christ by confirmation on Sunday, May 11, at the 10:15 a.m. service. These youth are as follows: Karen Bade, Kristy Honneck, Kathy Kreif, Connie Krewald, Pamela Manthei, Joan Merwin, Mitchell Ogi, Jennifer Reigle, Kim Rodenkirch, Doreen Rumsey, Ellen Secor, Jay Tassar and Jeanne Yeadeke.

A daughter was born to Mr. and Mrs. Elmer Miller, Kewaskum, on May 8.

A son was born to Mr. and Mrs. Otto Bartelt, Kewaskum, on May 10.

A son was born to Mr. and Mrs. Gerald Voss, Brookfield, on May 13.

Mrs. Charles Eisentraut, nee Mabel Marshman, 85, of Random Lake, passed away on May 11.

scholastics to obtain first honors in their senior graduating class. David Bartelt and James Bartelt are valedictorian and salutatorian respectively of the class of '44. The last two boys to hold a male monopoly on honors were Robert Rosenheimer and Earl Kohler of the class of '34.

Two Kewaskum boys had the honor to battle it out for the championship in the finals of the county marble tournament which was held Saturday at the McLane School playground in West Bend. John McElhatton, Holy Trinity School pupil defeated Gerald Gottowske, Kewaskum Public School pupil. As a result, both McElhatton and Gottowske will represent Washington County in the district finals at West Bend on May 20.

Miss Maryann Uchitil, daughter of Mr. and Mrs. A.J. Uchitil of Milwaukee, became the bride of Melvin John Koepke M.M. 1/c U.S. Navy, son of Mr. and Mrs. Charles Koepke of Route 3, Kewaskum, in a nuptial ceremony April 29.

Given in marriage by her father in a lovely nuptial rite, Miss Mildred Johnson, daughter of Mr. and Mrs. Harold Johnson, Campbellsport, became the bride of Milton F. Kreif, son of Mr. and Mrs. Albert Kreif Sr. of Kewaskum, Route 1, on Saturday, May 6.

Miss Margaret Bach of Campbellsport, Route 1, daughter of Mr. and Mrs. Frank Bach of Farmersville, and Claver Simon, son of Mr. and Mrs. Kilian Simon of Ashford, were united in marriage on Saturday, May 6.

Stork Market - A seven-pound daughter, Barbara Ann, was born to Mr. and Mrs. Lester Ehnert of New Fane at their home Wednesday morning, May 10.

A son was born to Mr. and Mrs. Alfred Fellenz of Route 1, Kewaskum at St. Joseph's Hospital, West Bend, Wednesday, May 3.

A son was born to Mr. and Mrs. Calvin Schaub of near St. Kilian on Fri-

day, May 5.

100 Years Ago May 17, 1919

On Friday evening, May 23, the senior class play, "Cupid at Vassar," will be presented by the senior class at the Opera House. The cast of characters is as follows: Ella Bunkelmann, Belinda Belger, Florence Groeschel, Rose Hawig, Ruth Petri, Agnes Stoffel, Cecil Runte, Edna Brunner, Fred Mohme, Leo Brodzeller, Chester Perschbacher and Erwin Gritzmacher.

On Thursday evening, May 29, the Kewaskum High school Commencement exercises will be held in the Opera House. The following class will graduate: Leo Brodzeller, Erwin Gritzmacher, Florence Groeschel, Ella Bunkelmann, Belinda Belger, Rose Hawig, Ruth Petri and Agnes Stoffel. The Salutatory Address will be presented by Ella Bunkelmann.

A very pretty wedding took place at St. Michael's Church on May 13, 1919, when Miss Margaret Schiltz, daughter of Mrs. John Mertes of New Fane, was united in matrimony to Jacob Harter, son of Mr. and Mrs. John Harter of this village.

A very pretty wedding was solemnized at the Reformed Church at Wayne on May 14, 1919, when Miss Lelia Sophia Kibbel, daughter of Mr. and Mrs. George Kibbel, Sr., became the bride of Mr. Erwin Schmidt, son of Mr. and Mrs. Willie Schmidt, Sr., of the Town of Auburn.

A quiet wedding was solemnized at Milwaukee May 8, when Miss Ella Guenther, daughter of Mr. and Mrs. John Guenther of Wayne, became the bride of Mr. William Eberle, son of Mrs. Kathryn Eberle of this village.

OBITUARIES

Carl Q. Hohlweck

Carl Q. Hohlweck, 96, of West Bend, passed away at Kathy Hospice in the town of Polk on

Tuesday, April 30, 2019, with his family at his side.

Carl was born on June 29, 1922, the son of the late Carl and Theresa (nee Bressman) Hohlweck. On July 1, 1944, he was united in marriage to Ruby Menger at Salem United Church of Christ in Wayne. Ruby preceded Carl in death on June 14, 2015.

Carl graduated from Rufus King High, class of 1940. He purchased the farm in the Town of Wayne where he met Ruby Menger. In addition to farming, Carl worked for Piper Bros. Farms and Carnation

Farms as a cattle tech. In the early 60's, Carl co-purchased the Hitching Post in Kohlsville. Later he became sole owner of the Post. He was also a part-time postal carrier and later co-formed a carpentry business known as HFK Builders. Carl then formed Hohlweck's Tub and Showers. Also during his career he dabbled in politics acting as Town of Wayne Chairman for many years. All of his business ventures were very successful. His heart was always with his family and his church.

Those Carl leaves be-

hind to cherish his memory include his four daughters, Carol (Bill) Butzlaff of Kewaskum, Judith (Duane) Sabish of Campbellsport, Joanne (Gene) Schuppel of Kohlsville and Joy (Dan) Kudek of West Bend; seven grandchildren, William (Debbie) Butzlaff, Brian (Debbie) Butzlaff, Steven (Luan) Sabish, Lisa (Tim) Schraufnagel, Melissa Schuppel-Riley, Michael Schuppel and Amy Schuppel (fiancé, Chad); 13 great-grandchildren; four great-great grandchildren; other relatives and friends.

In addition to his wife and parents, Carl was

preceded in death by a brother, Edward Hohlweck; a sister, Elizabeth (Chester) Shevey; a nephew, Charles Shevey; two brothers-in-law, Frederick (Lucy) Menger and Ken Klein; and a sister-in-law, Ruth (Ewald) Rauch.

Funeral services for Carl were held at 3 p.m. on Saturday, May 4, 2019, at Salem United Church of Christ (8925 County Rd W, Campbellsport) in Wayne. Pastor Ruth Hansen officiated and burial followed in the church cemetery.

Carl's family greeted relatives and friends at the church on Saturday

from noon until the time of service.

In lieu of flowers, memorials to Salem United Church of Christ are appreciated.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Carl's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

A special thank you to Amy and New Perspective Living for many years of compassionate care and St. Joseph's Hospital and the staff's loving care at Kathy's Hospice.

Kewaskum Middle School Awarded “Riding For Focus” Grant

Kewaskum Middle School has been announced as a recipient of a 2019 Riding For Focus Grant from The Specialized Foundation.

The Specialized Foundation is a 501c3 nonprofit organization that promotes cycling as a tool for middle-school-aged children. Through these programs—along with the research—the foundation is advancing

the understanding of how riding bikes can help improve the social, emotional and physical wellbeing of children, with a particular focus on those with learning differences like ADHD.

Riding for Focus is a school-based program designed to provide schools with everything they need to get middle school students riding, including a turnkey

physical education curriculum, comprehensive teacher training, and a fleet of bike and safety equipment.

Along with access to the Riding for Focus curriculum, Kewaskum Middle School was awarded 21 bikes, 21 helmets, and basic maintenance tools.

Jeff Grotenhuis, grant writer/submitter and middle school physical

education teacher stated, “I am overjoyed with the opportunity to be one of a select group of schools to participate in this program. It’s exciting to form this partnership with The Specialized Foundation and we are looking forward to providing more opportunities for our students to be lifelong movers.”

Northern Unit Kicks Off Summer

Memorial Day Weekend marks the official start to summer season at the Kettle Moraine State Forest - Northern Unit. Every weekend from Memorial Day weekend through Labor Day comes filled with entertaining and educational nature programs for preschoolers through adults. Almost all the programs are free, except some event locations require a Wisconsin State Park System vehicle admission sticker.

These fifteen weeks of sensational summer fun begin on Friday, May 24, at 8:30 p.m. with a night hike on the Zillmer Trails (located off County Road SS between

County Road G and Hwy 67 near New Prospect). We will be exploring the darkening world for nocturnal insects.

On Saturday morning at 10 a.m. wander over to the Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect), or the Long Lake Recreation Area (located off Division Road north of County Road F near Dundee) to explore the extremes of nature. Youth will delve into many of nature’s extremes as part of the Wisconsin Explorer program for ages three and up. On Saturday afternoon from 1 to 4 p.m. at

the Mauthe Lake Recreation Area, or on Sunday from noon to 3 p.m. at the Long Lake Recreation Area, drop in to find out all the things trees provide wildlife and humans at the “Tree”-mendous Trees Drop In at the Beach. You can stop in for a few minutes or stay for an hour.

For the twenty-second year, the Friends of the Kettle Moraine are sponsoring the Summer Saturday Evening Events. On Saturday evening, May 25, at 7 p.m., come to the Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee) to join Jackie Scharfenberg, Forest Naturalist,

to learn about Lady’s Slipper orchids and bogs and travel to the Spruce Lake Bog, a State Natural Area and a National Natural Landmark.

Travel to the Kettle Moraine State Forest - Northern Unit, and join us for our fun-filled, educational summer programs. For further information or to request a complete summer schedule, contact the staff at the Ice Age Visitor Center (920-533-8322). The center is open Monday through Friday from 8:30 a.m. to 4 p.m., and on Saturday and Sunday from 9:30 a.m. to 5 p.m.

ACTIVITIES AT THE KEWASKUM LIBRARY

The Kewaskum Public Library, 206 1st St. in Kewaskum, is offering the following programs. For more information, contact the library at (262) 626-4312.

Tuesday, May 21 Kewaskum Library Recipe Club

Tired of the same old recipes? Looking for some culinary inspiration? Join the Kewaskum Public Library’s Recipe Club. Our theme for May is salad. Bring your dish ready to eat. We will provide paper products and beverages. We also welcome non-cooks to stop in and sample. 6 - 7 p.m.

Volunteer At The Library

Volunteers at the Kewaskum Public Library benefit the library and community in many ways. The library welcomes your involvement and offers a variety of volunteer opportunities for you. Some areas of need

are helping with The Friends of the Library group, assisting with programs or applying as a Library Board Trustee. Contact Library Director Lori Kreis for more information.

Pronunciator

Pronunciator is a fun and free way to learn any of 98 languages with Personalized Courses, movies, music and more. Access this database through the library’s website under online resources and databases.

Storytimes

Storytimes are on Wednesdays at 10:30 a.m. and 6:15 p.m. Storytimes resume on June 12.

THE NEWS OFFICE WILL BE CLOSED ON MAY 27.

EARLY DEADLINE IS FRIDAY, MAY 24 AT 2 P.M.

Free Substitute Teacher Training For Veterans

– CESA 6 Offers Free Session June 3

CESA 6 is offering military veterans free substitute teacher training amid high demand for substitute teachers at Wisconsin school districts.

Veterans who present a military ID can attend substitute teacher training for free on Monday, June 3, from 8:30 a.m. to 3:30 p.m. at the CESA 6 (Cooperative Educational Service Agency 6) Conference Center, 2300 State Road 44 in Oshkosh. Training sessions include a substitute teaching learning guide. Registration links are found at bit.ly/veterans-subs.

“School districts are struggling to find enough qualified substitute teachers and veterans who have served, and are currently serving, our country deserve our support,” said Nancy Jaeger, CESA 6 director of educator licensing and residency in teacher education (RITE). “We hope our free training makes a difference to veterans, encouraging and supporting them to

become a part of our school districts. Veterans have a wealth of knowledge and skills to share with students and districts.”

Qualified veterans also are eligible for Wisconsin Department of Public Instruction initial licensure fee waivers. Learn more at dpi.wi.gov/tepd/programs/veterans.

To be issued a three-year, short term substitute teacher license, individuals must hold an Associate degree or higher and receive appropriate training. CESA 6 training is geared to those NEW to substitute teaching and/or those interested in growing their skills as a substitute teacher.

CESA 6 has trained more than 500 substitute teachers from throughout Wisconsin since August 2018. Instructors model a variety of teaching strategies that substitute teachers can use in the classroom. Participants also gain a deeper understanding of effective

teaching principles in order to prepare for future substitute teaching assignments.

Participants have praised CESA 6’s one-day training and learning guide.

“Instructor was incredible,” said one November 2018 training session attendee. “Well informed, animated and kept the workshop moving at a comfortable pace. Information was relevant, current and clear.”

For additional upcoming training dates or more information, visit cesa6.org/services/substitute-teachers or contact sub@cesa6.org or 920-236-0534.

CESA 6 is a non-profit organization that provides solutions to school systems to maximize success. The agency makes it possible for schools, regardless of size, to work together to share staff, save money and extend educational opportunities to all children. For more information, visit CESA 6’s website at cesa6.org.

Heberer Brothers Celebrate 50 Years

By Anne Trautner

Roger, Norm and Bill Heberer started fixing up houses in their free time.

They would work on different projects during the week after they finished at their regular jobs. And they worked together on the projects over the weekend.

Pretty soon, the three brothers had built up quite a business. They decided to quit their regular jobs and work full-time doing home improvements.

That was 50 years ago.

Today, Heberer Bros. Home Improvements, LLC, is still going strong, with the second generation of Heberer brothers running the business. Norm's three sons, Randy, Mike and Tim, now own the business.

A third generation is coming up the ranks, with Jerod and Austin Heberer both working fulltime for the organization.

Heberer Bros. Home Improvements, LLC, located at 9340 Highway 45 in Kewaskum, will hold an open house and brat fry to celebrate 50 years in the business on Saturday, May 18, from 10 a.m. to 2 p.m.

"Anybody can stop by

— past customers, future customers. We want to thank everyone in the community for all they have done for us," Mike Heberer said.

The Beginnings

Roger, Norm and Bill Heberer grew up in the Kewaskum area. They did not start out with plans to build a home improvement business.

"When they started, they didn't really have a lot of training. They grew up on a farm, and they all had different jobs, and other people helped here and there. And they learned as they went along," Randy said.

By the time Heberer Bros. was officially created in 1969, the three brothers had become home improvement specialists.

The handymen started out installing siding on buildings, and then moved to doing all kinds of other things.

In the 1970s, they built a lot of houses.

They rebuilt a barn one time after it had been destroyed by fire.

The business began focusing more on things like windows, siding, decks, bathrooms, kitchens and other general home improvement projects.

Originally, the brothers worked out of what had been a pig barn off of Highway 45 on Auburn-Ashford Road.

Then, around 1985, the business moved to where Dairy Queen is now situated.

"There was a milk hauling pole shed there, and then our dads bought that and an outer shop," Randy said.

Then, in 1990, the business moved to its current location at 9340 Highway 45 in Kewaskum. The Heberer Bros. moved into the shop, which used to belong to the Town of Kewaskum, and added on an office to the building.

Today

Today, the Heberer Bros. offers a variety of services.

The business is run by Randy, Tim and Mike, who have been working with the company since their youth.

Some of the services the company offers are: replacement windows; aluminum, vinyl, steel and LP Smartside siding; custom-built entrance doors; aluminum soffit and fascia; custom-made aluminum window and door trim; overhead garage doors; garage door openers; seamless aluminum gutters; custom-sized shutters; aluminum awnings; additions/garages; attic

insulation; decks; and kitchen, bath and basement remodels.

Most of the customers are in Kewaskum, Campbellsport and West Bend, but the brothers are known for traveling to jobs farther away as well.

In addition to the three owners, the business has five employees: Don Menzel, who has worked for the company since 1987; Kevin Rodenkirch, who has worked at Heberer Bros. since 1994; Jenny Heberer, who is Mike's wife; Jerod Heberer, who is Tim's son; and Austin Heberer, who is Mike's son.

Rewards

The Heberers enjoy their jobs.

"Every day is different," Randy said.

They see many places they have helped build as they drive around the area. There is a sense of pride seeing things they have built or fixed.

"It is satisfying seeing a finished job," Mike said.

In addition to Saturday's open house, Heberer Bros. is making a sizable donation for the fireworks display in Kewaskum on July 3.

"We want to give back to the community in appreciation of 50 years of support," Randy said.

Randy, Mike and Tim Heberer will host an open house this Saturday, May 18, from 10 a.m. to 2 p.m. to celebrate their company's 50th year in business.

photo by Anne Trautner

New Judge Appointed To Mid-Moraine Municipal Court

By Anne Trautner

In April, area municipal judge Steven Cain defeated Angela Foy in the race for an open seat on the Ozaukee County Circuit Court.

Cain, who was re-elected judge for the Mid-Moraine Municipal Court in April, will start in his new position in Ozaukee County on August 1.

Representatives for the Mid-Moraine Municipal Court system selected Christine Ohlis to

serve as the new judge.

"She is a deputy district attorney in Waukesha and used to be corporate counsel for Washington County as well," Village Administrator Matt Heiser told the Kewaskum Village Board on Monday, May 6.

Ohlis, who lives in West Bend, will begin her duties as judge for the Mid-Moraine Municipal Court on August 1.

She will be up for election next April.

Moraine Park Recognizes Retirees, Staff

Moraine Park Technical College's 2019 Retirement and Service Recognition event on Thursday, May 2, honored retirees and staff who have reached service anniversaries during the 2018-2019 academic year.

"These individuals have been an essential

part in the success of Moraine Park. They have benefited our organization and the communities that we serve," said Bonnie Baerwald, president of Moraine Park. "This year we had 120 combined years of service from our retirees and 655 combined years from our staff members that received service recognition awards."

In all, the college recognized six retirees and 62 staff members. The retirees include Pam Erickson of Fond du Lac, student support representative; Sandy Justman of Kewaskum, contract training operations manager; Jay Peartree of Oconomowoc, fire training instructor; Steve Reinke of West Bend, building and grounds maintenance worker; Jodie Schneider of Fond du Lac, executive assistant-president's office; Terri Wilkens of Morri-

son, IL, social science instructor.

Staff members recognized for years of service included Linda Harmsen of Waupun, 40 years; Sherry Hackbarth of Watertown, 30 years. Celebrating 25 years of service were Tammy Freund of North Fond du Lac, Bruce Hahn of Fond du Lac, and Mary Nyhouse of West Bend. Staff recognized for 20 years of service were Cynthia Bernhard of Campbellsport, James

Hokenson of Slinger, Christine Kuhaupt of Kewaskum, Daurren McCarthy of Fond du Lac, Beth Mendoza of Combined Locks, Dee Schmitz of Fond du Lac, Tami Smith of Fond du Lac, and Debra Stoffel of West Bend.

Moraine Park also recognized 49 employees for service to the College at the 5-, 10-, and 15-year levels.

For more information on Moraine Park, visit morainepark.edu.

An Upcoming Calendar of Events for Riveredge Nature Center, 4458 County Hwy Y, Newburg, WI. Visit: www.riveredgenaturecenter.org for further information.

Tuesday, May 21 - Science for Everyone: Moths: Unknown Pollinators. Moths are essential to both our animal kingdom as a food source for many predators and our plant kingdom as major flower pollinators. Our day moth presentation focuses on 70 of the most common species in the upper Midwest region, their identifiers, habitats, plant uses and predators. Join moth expert Randy Powers to learn more about these unknown pollinators. Free, suggested \$5 donation. 7 - 8:30 p.m.

Thursday, May 23 - Little Explorers Playgroup - by the River. Our final spring meeting will take place at Connie's Classroom, nestled in the prairie off of our west parking lot access point. We will hike down to the edge of the river, explore the tall grass prairie and play pretend in the historical ruins at Riveredge. Indoor activities will be planned in case of inclement weather. Cost per child: \$7 for Non-Members | \$5 for Trail Pass Members | Free for All-Access Members. 10 - 11:30 a.m.

Saturday, May 25 - Wild Animal Finders: Turtles. Discover the world from inside a shell. Meet our Ornate Box Turtle. Glitter, then head outdoors in search of wild turtles at Riveredge. Learn as you hike around the pond, through the forest and near the prairie. Please wear sturdy walking shoes. Children under 6 must accompanied by an adult. COST: Non-Members: \$7 per child, Trail Pass Members: \$5 per child, All-Access Members: Free. 10 - 11:30 a.m.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

Friday, May 17 - Slow Poke Porcupines Nature Storytime. Listen! Do you hear that mumbling? It's a slow-poke porcupine. You'll be surprised as we uncover the amazing facts about these forest dwellers. This hour of nature fun awaits 3 to 6 year olds with accompanying adults. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 9:30 - 10:30 a.m.

Saturday, May 18 - Birding the Hot Spots of the Kettle Moraine State Forest Exploring Nature Program. More than 230 bird species have been identified in the Kettle Moraine State Forest - Northern Unit. Travel with the Forest Naturalist to search for all those late spring migrants at the birding hot spots of the Northern Unit. We will carpool from Mauthe Lake to the Jersey Flats and then to the Parnell Tower Trail. This program is best for people over 12 years old. Meet at the Mauthe Lake Recreation Area Picnic Shelter (located off County Road GGG south of County Road SS near New Prospect). 8 - 11:30 a.m.

Wednesday, May 22 - Ice Age Trail Trekkers. Join for a lovely 2.56-mile evening hike along the Ice Age National Scenic Trail between Hwy 67 and County Road U. A shuttle will be available between the starting and finishing spot. Meet at County Road U west of the Parnell Tower parking lot (located between County Road A and Hwy 67 near Parnell). 6 - 7:30 p.m.

Friday, May 24 - Step into the Night Hike. As the sun sets and the light fades from the sky, the day animals retire and a new group of animals awakens. Bring your bug spray and sense of adventure as we explore the darkness for nocturnal insects. This night hike is best for families/groups with children at least 5 years old. Zillmer Trails Area (located off County Road SS between County Road G and Hwy 67 near New Prospect). 8:30 - 10 p.m.

Saturday, May 25 - Extreme Saturday Morning. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program. The program involves completing a required number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books. Picnic Shelters at Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake Recreation Area (located off Division Road north of County Road F near Dundee). 10 - 11 a.m.

Saturday, May 25 - "Tree"mendous Trees Drop In at the Beach. Stop in to find out how the "tree"mendous trees touch almost all parts of our lives. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children. Mauthe Lake Recreation Area Beach (located off County Road GGG south of County Road SS near New Prospect). 1 - 4 p.m.

Saturday, May 25 - Lady's Slippers and Bogs Summer Saturday Evening Event. Sponsored by Friends of the Kettle Moraine. With Jackie Scharfenberg, Forest Naturalist, unearth the secrets of a bog from its bouncing soils to its rare blooms. After a short presentation, we will carpool three miles to Spruce Lake to walk the boardwalk in search of lady's slipper orchids and other bog treasures. This program is best for folks over 8 years old. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 6:30 - 8 p.m.

All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.

The Kewaskum Statesman staff is now located at 101 N. Fond du Lac Ave., Campbellsport. The phone number to reach the staff is 920-533-8338.

Continued From...

School Board Leadership Reorganized

Another community member, Lisa Sullivan, echoed those sentiments when she addressed the board.

"There are a lot of us out here ... that are really frustrated, and I hope that can change moving forward," Sullivan said.

She said that students at the high school call the school board meetings a "circus."

"It's sad. It's embarrassing," she said. "Especially that the kids know about the incredible amount of dysfunction here. I hope that changes. This is another chance to hit the reset button, to try to put all the things that have happened in the past into the past and move forward. There are no other teams on this other than Team Kids."

Sullivan and another community member, Sue Goeden, commented about the need for teacher retention in the district. They requested that the board conduct exit interviews when teachers resign.

"I hope that you are doing exit interviews and you are listening to these people," Goeden said. "You need to do everything you can to retain these very, very good teachers."

Sanctions Lifted

Applause broke out in the room Monday night as community members reacted when the school board voted 6-1 to rescind sanctions on Board Member Jim Leister and allow him on school grounds. Leister has not been allowed on school grounds, except to attend school board meetings, since December 10.

Leister was censured by the board in November for making inappropriate comments at a football game held in Campbellsport. The board decided at that time that if the district received any further complaints about Leister, he would be barred from attending school events.

During a closed session on December 10, the board voted to not allow Leister on school grounds, except for attending school board meetings.

The board acknowledged Monday night that there have been no complaints against Leister from the public since the Campbellsport incident.

"I would like to participate in my children's activities. I didn't know my children would be used as pawns," Leister said.

Board member Sue Miller expressed empathy toward Leister.

"Being that I have children myself, and knowing you can't get those experiences back, my head and heart go out to you," Miller told Leister.

Hanson was the only board member who voted against lifting the sanction.

"This was not one issue. There was an attitude that was taken that seems to still be here," Hanson said. "My opinion hasn't changed.

Accounts Payable

Prior to the meeting, Board member Timothy Ramthun had sent Superintendent James Smasal an email with 17 questions regarding accounts payable for the April invoices totaling 664,421.19.

Smasal said he replied to the email with answers to the questions.

"We don't have any problems answering questions, it just takes time and energy away from other things," Smasal said.

Sette thanked Ramthun for putting the questions in writing prior to the meeting, as the board has requested.

"Thank you for putting the questions in an email," Sette said.

However, the new board president had some concerns with the amount of time it required staff to answer the questions.

Ramthun said at Monday's meeting that because there was no finance committee, there was nowhere to discuss the invoices except at board meetings.

"When we look at a \$600,000 report, a \$1.3 million report, that is expenditure based, and nobody ever has any questions, I am alarmed by that," Ramthun said.

Ramthun said that every governmental board he has witnessed looks at expenditures line by line.

"How we appropriate it month by month, has to be discussed. If anyone has any questions, it is the board's duty to bring those questions forward, even if they are trivial in the minds of others. You need to be able to get to the point to say yes to a motion. If I can't get clarification, even if it is a small little thing that you

might think is irritating, the questions should be answered." Ramthun said.

"It is our job to question along the way. All of us should have the right to have that opportunity," Ramthun added. "If you don't want to answer the question and get clarity and transparency, for me or anyone else sitting at this table who is elected, I don't know how they can vote yes. That has been my position for months."

If discussion occurs at the board meeting, the public will be able to hear the conversation, Ramthun pointed out.

"I have no problem with the questions, but I think there needs to be a balance between all of these perfunctory items here with the amount of time that we are asking our district resources to go through all these things," Sette said.

No one is discounting Ramthun's questions, Smasal said.

"At some point, where is the line between what you need to know to pass the budget and to do your job and represent the people versus what is that you have to trust that the people that are paid for these positions are going to do their due diligence in doing them," Smasal said. "The board has to decide where that line is."

Following the discussion, the board voted to approve the budget. Ramthun voted no and Gonring, who is new to the board, abstained from voting.

Board Assignments

Along with its reorganization, board members received new assignments.

Fisher will remain the chair of the Finance Committee and will serve as the board's CESA 6 representative. Sue Miller will chair the Policy Committee. Fisher and Ramthun also will serve on the Policy Committee. Hanson will head the Building and Grounds Committee, and Gonring will be the district's representative for the Wisconsin Association of School Boards.

CAMPUS NEWS

- Graceland University

The honor roll lists for Graceland University's 2019 spring term have been announced, and Hope Humphreys of Kewaskum has been named to the honors list.

Graceland University students with a GPA between 3.65 and 3.99 are named to the honors list.

- University Of Wisconsin - Whitewater

Brendon Kranz from West Bend, who is majoring in Entrepreneurship, competed in the annual UW-Whitewater Warhawk Business Plan Competition held in Timmerman Auditorium on April 3.

Kranz and his partners won third place with their business plan presentation for Omni Speakers.

First launched by the UW-Whitewater Collegiate Entrepreneurs' Organization in 2007, the Warhawk Business Plan competition supports student entrepreneurs by not only awarding cash prizes, but ensur-

ing they have a fundamentally solid business plan and are prepared to explain their startup idea to prospective employees, investors, and customers. Each student or team had six minutes to present their business idea to the panel of judges, who asked follow-up questions, provided feedback, and evaluated the presentations for content and delivery.

- Northland College

Taylor Pichler of West Bend, a senior at Northland College, has been named to the Dean's List for outstanding academic performance during the winter 2018-2019 term.

To qualify for the Dean's List, full-time students must have a grade point average of at least 3.5 on a 4.0 scale with no grade less than a "C." Northland College is a private liberal arts college located in northern Wisconsin.

- Graceland University

Hope Humphreys of

Kewaskum, graduated with a Bachelor of Science in Nursing (Nursing) from Graceland University, celebrated in a ceremony on April 28, in Lamoni, Iowa.

- Columbia College

Katie Espen of West Bend was recently named to the Columbia College Dean's List for the spring semester 2019.

- St. Norbert College

On Sunday, May 12 the following students received degrees at the commencement ceremony held at St. Norbert College.

Campbellsport

Emily Simon, Bachelor of Arts, Honors Program, Magna Cum Laude.

Kewaskum

Nathan Warnkey, Bachelor of Arts.

West Bend

Elizabeth Carlson, Bachelor of Science; Kiera Matthews, Bachelor of Music, Honors Program, Summa Cum Laude.

The News Office will be closed on Monday, May 27.

Early deadline is Friday, May 24 at 2 p.m.

USDA Reminds Producers To Report Prevented Planting And Failed Acres

U.S. Department of Agriculture (USDA) Wisconsin Farm Service Agency (FSA) State Executive Director Sandy Chalmers reminds producers to report failed or prevented planting acres in order to establish or retain FSA program eligibility.

"FSA offices have been receiving reports of winterkill alfalfa and mixed forage throughout the state. Producers must report those losses before replanting," said Chalmers.

Failed acreage is acreage that was timely planted with the intent to harvest, but because of disaster related conditions, the crop failed before it could be brought to harvest. Prevented planting is the inability to plant the intended crop acreage with proper equipment by the final planting date for the crop type because of a natural disaster.

For losses on crops covered by the Noninsured Crop Disaster Assistance Program (NAP) or crop insurance, producers must file a notice of loss within 15 days of the occurrence of the disaster or when losses become apparent. Producers must file a

timely notice of loss on form FSA-576, Notice of Loss, for failed or prevented plant acreage.

To be approved as failed acreage, the acreage must have been reported as failed acreage before the disposition of the crop. Risk Management Agency (RMA) data may be used for failed acreage when reported after the disposition of the crop, if the failed acreage was reported timely to RMA and supports the failed acreage information reported on the FSA-578, Report of Acreage. Prevented planting acreage must be reported on form FSA-576, Notice of Loss, no later than 15 calendar days after the final planting date as established by FSA and the Risk Management Agency.

The final planting dates for crops vary by crop and location. To find final planting dates for insurable crops use the RMA website: rma.usda.gov. For final plant dates for non-insurable crops (NAP) please contact your local county office.

Please contact your local office to schedule an appointment to file a notice of loss. To find your local FSA office, visit farmers.gov.

The new street banners for Kewaskum are printed at Trend Setters in Kewaskum.

United Cooperative Awards Scholarships

United Cooperative, a farmer-owned cooperative based in Beaver Dam with locations throughout Wisconsin, awarded 50, \$1,000 scholarships to high school seniors and college students continuing their education in both agricultural or nonagricultural majors.

"Each year we receive many applications from talented people for scholarships," said David Cramer, United Cooperative president and CEO. "We started the scholarship program in 2008 to support students and their development for future careers in the communities where we do business." Since the program's

inception, United Cooperative has awarded \$368,000 in scholarships to Wisconsin students furthering their education. "We believe in supporting these young adults and are optimistic that some of these students will seek careers in Wisconsin agriculture and the businesses that support agriculture," Cramer added.

Applicants were reviewed by a representative of the Federated Youth Foundation, and were judged on their leadership skills, scholastic achievement, extra-curricular activities, motivation, and academic and personal goals. To be eligible, the

student or the parent is an active patron member of United Cooperative; the student must attend an accredited college, university, or technical school in 2019-2020; and the student must maintain a GPA of 2.0 or above on

a 4.0 scale at their chosen school.

Courtney Butzlaff and Teagan Herman of Kewaskum were awarded \$1,000 scholarships.

For more information, visit www.unitedcooperative.com.

Storck Brewery History

John Storck presents the history of his family's brewery once located in Slinger. Don't miss this fun and informative event at The History Center Washington County, 320 South 5th Avenue, West Bend. This event starts at 6:30 p.m. on Tuesday, May 21.

The Stork Brewery is one of the many businesses highlighted in the temporary exhibit from the 150 years of Slinger, complementing the Village of Slinger's celebrations.

The John Storck presentation and admission to the Slinger exhibit are free.

Continued from page 13

Wisconsin Statutes, the Village of Kewaskum is authorized to prepare, adopt, and amend a comprehensive plan as defined in Sections 66.1001(1)(a) and 66.1001(2) of the Statutes.

Section 2. The Village Board, by the enactment of an ordinance, formally adopted the document titled, "A Comprehensive Plan Update for the Village of Kewaskum: 2050," on May 6, 2019 as Chapter 86 of the Village code of ordinances.

Section 3. The Village Plan Commission, by a majority vote of the entire Plan Commission at a meeting held on March 26, 2019, recommended to the Village Board approving and adopting the Comprehensive Plan Update to the Village comprehensive plan required by Section 66.1001(2)(i) of the Wisconsin Statutes.

Section 4. The Village of Kewaskum published a Class 1 public notice and held a public hearing on March 26, 2019 to obtain public comments regarding the comprehensive plan amendment and update.

Section 5. The Village Board hereby adopts this Ordinance No. 19-05 as the 10-year update to the Village of Kewaskum comprehensive plan.

Section 6. The Village Clerk is directed to send a copy of the plan update to the parties listed in Section 66.1001(4)(b) of the Statutes.

Section 7. Severability. The several sections of this Ordinance are declared to be severable. If any section or portion thereof shall be declared by a court of competent jurisdiction to be invalid, unlawful or unenforceable, such decision shall apply only to the specific section or portion thereof directly specified in the decision, and shall not affect the validity of any other provisions, sections or portions thereof of the Ordinance. The remainder of the Ordinance shall remain in full force and effect. Any other Ordinances whose terms are in conflict with the provisions of this Ordinance are hereby repealed as to those terms that conflict.

Section 8. This Ordinance shall take effect upon passage by a majority vote of the full membership of the Village Board and publication as required by law.

Adopted by the Village Board of the Village of Kewaskum this 6th day of May, 2019.

5-16 WNAXLP

ORDINANCE NO. 19-02**ORDINANCE TO REPEAL AND RECREATE SECTION 72 OF CHAPTER 6 OF THE MUNICIPAL CODE ALCOHOL BEVERAGE FEES**

THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM, WASHINGTON COUNTY, WISCONSIN, DO ORDAIN AS FOLLOWS:

Section 1. That Section 72 of Chapter 6 of the Municipal Code of the Village of Kewaskum, relating to Alcohol Beverage Fees, should be repealed and adopted as follows:

Sec. 6-72. - Fees.

Unless otherwise indicated, fees for licenses issued under this article shall be as follows:

(1) Class "A" fermented malt beverage retailer's license, \$150.00.

(2) Class "B" fermented malt beverage retailer's license, \$100.00.

(3) Temporary.

a. Temporary class "B" retailer's license to sell fermented, malt beverages at picnics, meetings or gatherings, a fee as permitted by § 125.226(6), Wis. Stats. \$10.00 per occurrence.

b. Temporary class "B" retailer's license to sell wine not more than six percent alcohol by volume at picnics, meetings or gatherings, \$10.00 per occurrence. (Note: Per § 125.51(10), Wis. Stats., both types of temporary licenses (beer and wine) for the same \$10.00 fee.)

(4) Wholesaler's fermented malt beverage license, \$25.00.

(5) Retailer "class A" intoxicating liquor license, \$300.00.

(6) Retailer regular "class B" intoxicating liquor license, \$300.00.

(7) Retailer reserve "class B" intoxicating liquor license, \$300.00 per licensing year, plus initial \$10,000.00.

a. 1997 Wisconsin Act 27, effective December 1, 1997, established a new alcohol beverage license called a retail reserve "class B" intoxicating liquor license, and required all who granted such a license pay an initial fee of \$10,000.00 in addition to the retail regular "class B" license fees. The number of retail reserve "class B" intoxicating liquor licenses available to a municipality is determined by a series of calculations described in § 125.51(4), Wis. Stats. The village board finds that businesses such as restaurants, hotels and taverns make important contributions to the village's economy and serve important public purposes, including, but not limited to, increasing the village's property tax base, providing employment and promoting tourism. The village board also finds that the new initial fees for a retail reserve "class B" intoxicating liquor license far exceeds the actual cost of licensing the activity, and the excessive license fee deters new business and is contrary to the above-stated public purposes. It is the purpose of this section to utilize the excess revenue generated by 1997 Wisconsin Act 27 to assist new retail reserve "class B" licenses in order to achieve the important public purposes identified herein:

1. The village board may provide a grant to a retail reserve "class B" licensee if the conditions of subsection 2., as follows, are met.

2. Following the issuance of an original retail reserve "class B" license and upon application, the village board may provide a grant to the licensee in an amount not to exceed \$500.00 less than the amount actually paid by licensee to the Village of Kewaskum for the new (initial) retail reserve "class B" license. Prior to awarding the grant, the village board and/or the village clerk shall make

such determination that the licensee is in compliance with the approved license. If it is found not in compliance with the approved license, no economic development grant may be authorized by the village board and/or village clerk, such finding in writing and cause thereof shall be delivered to the licensee as to the village findings.

3. The economic development grant shall be used to improve the interior or exterior of the licensed premises and to increase the taxability of the licensed premises.

4. The renewal of the retail reserve "class B" license will be subject to the normal annual fee as so noted within this section.

(8) Operator's. See § 125.17, Wis. Stats. Regular operator's license, \$70.00 (new license) per two years, temporary operator's license, \$25.00 per year; and conversion of a provisional operator's license to regular operator's license, \$10.00.

a. Operator's licenses may be granted to individuals by the village board for the purposes of complying with §§ 125.32(2) and 125.68(2), Wis. Stats.

b. Operator's licenses may be issued only on written application on forms provided by the village clerk.

c. Regular operator's licenses shall be valid for two years and shall expire on June 30.

d. Provisional operator's licenses may be granted to a person enrolled in a responsible beverage server course under § 125.17(6)(a), Wis. Stats., and shall be revoked if the applicant fails successfully to complete the course in which he enrolls. The provisional operator's license will be valid for a period of 15 days following the date of the course. Proof of course completion must be provided.

Section 2. Severability. The several sections of this Ordinance are declared to be severable. If any section or portion thereof shall be declared by a court of competent jurisdiction to be invalid, unlawful or unenforceable, such decision shall apply only to the specific section or portion thereof directly specified in the decision, and shall not affect the validity of any other provisions, sections or portions thereof of the Ordinance. The remainder of the Ordinance shall remain in full force and effect. Any other Ordinances whose terms are in conflict with the provisions of this Ordinance are hereby repealed as to those terms that conflict.

Section 3. This Ordinance shall take effect immediately upon passage and posting or publication as provided by law.

Passed and adopted by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, this 15th day of April, 2019.

Kevin Scheunemann

Village President

BOARD OF REVIEW
TOWN OF WAYNE
WASHINGTON COUNTY
STATE OF WISCONSIN

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Wayne, Washington County shall hold its first meeting on June 5, 2019 from 5:00pm to 7:00pm at the Wayne Town Hall, 6030 Mohawk Road, Campbellsport, WI 53010.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

1. No person will be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view of such property being assessed.

2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact, or provide information to a member of the board about the person's objection, except at a session of the board. Open book shall occur no less than 7 days prior to the board of review.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require such objections to be submitted on forms approved by the department of revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who owe land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person

who owns land and improvements to that land. No person shall be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in writing, the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board, or by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor all the information about income and expenses, as specified in the assessor's manual under s 73.03 (2a), Wis stats., that the assessor requests. The Town of Wayne has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph, which provides exceptions for person using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (1), Wis stats.

7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other person may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.

8. No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s.70-47(3)(a), Wis. stats, that the person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

9. Notice is hereby given this 4th day of May, 2019.

5-16(3) WNAXLP
Carol Gonwa, Clerk
Town of Wayne

NOTICE OF
BOARD OF REVIEW
STATE OF WISCONSIN
TOWN OF FARMINGTON
WASHINGTON COUNTY

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Farmington, Washington County, Wisconsin shall hold its first meeting on **June 3, 2019, from 6:00 p.m. to 8:00 p.m.** at the **Town of Farmington Town Hall, 9422 STH 144, Kewaskum, WI 53040.**

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

1. No person will be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view such property being assessed.

2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board. Open book shall occur no less than 7 days prior to the board of review.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require objections to the amount or valuation of property to be

Town of Farmington

PUBLIC NOTICES

Continued from page 14

submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or

proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in writing the per-

son's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor with all the information about income and expenses, as specified in the assessor's manual under s.73.03 (2a), Wis.

stats., that the assessor requests. The Town of Farmington has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court.* The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35(1), Wis. stats. 7. The board shall hear

upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.

8. No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first

meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s.70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take. Notice is hereby given this 16th day of May, 2019

Chris Schellinger,
Town Clerk, Town of Farmington

2018 CONSUMER CONFIDENCE REPORT DATA KEWASKUM WATERWORKS, PWS ID: 26701125

Water System Information

If you would like to know more about the information contained in this report, please contact Matt Heiser at (262) 626-8484. Maintenance performed on the water utility in 2018 included new mains installed for the Habeck/Keller street project.

Opportunity for input on decisions affecting your water quality

The Village Board meets the first and third Monday of the month in the Council Chambers of the Municipal Building at 204 First Street. The meetings start at 7:00 PM.

Health Information

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune systems disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbial contaminants are available from the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

Source(s) of Water

Source ID	Source	Depth (in feet)	Status
2	Groundwater	503	Active
3	Groundwater	460	Active
4	Groundwater	360	Active
5	Groundwater	280	Active

To obtain a summary of the source water assessment please contact, Matt Heiser at (262) 626-8484.

Educational Information

The sources of drinking water, both tap water and bottled water, include rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity. Contaminants that may be present in source water include:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations and wildlife.
- Inorganic contaminants, such as salts and metals, which can be naturally- occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff and septic systems.
- Radioactive contaminants, which can be naturally occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, EPA prescribes regulations that limit the amount of certain contaminants in water provided by public water systems. FDA regulations establish limits for contaminants in bottled water, which shall provide the same protection for public health.

Definitions

Term	Definition
AL	Action Level: The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.
Level 1 Assessment	A Level 1 assessment is a study of the water system to identify potential problems and determine, if possible, why total coliform bacteria have been found in our water system.
Level 2 Assessment	A Level 2 assessment is a very detailed study of the water system to identify potential problems and determine, if possible, why an E. coli MCL violation has occurred or why total coliform bacteria have been found in our water system, or both, on multiple occasions.
MCL	Maximum Contaminant Level: The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
MCLG	Maximum Contaminant Level Goal: The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
MFL	million fibers per liter
MRDL	Maximum residual disinfectant level: The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
MRDLG	Maximum residual disinfectant level goal: The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.
mrem/year	millirems per year (a measure of radiation absorbed by the body)
NTU	Nephelometric Turbidity Units
pCi/l	picocuries per liter (a measure of radioactivity)
ppm	parts per million, or milligrams per liter (mg/l)
ppb	parts per billion, or micrograms per liter (ug/l)
ppt	parts per trillion, or nanograms per liter
ppq	parts per quadrillion, or picograms per liter
TCR	Total Coliform Rule
TT	Treatment Technique: A required process intended to reduce the level of a contaminant in drinking water.

Detected Contaminants

Your water was tested for many contaminants last year. We are allowed to monitor for some contaminants less frequently than once a year. The following tables list only those contaminants which were detected in your water. If a contaminant was detected last year, it will appear in the following tables without a sample date. If the contaminant was not monitored last year, but was detected within the last 5 years, it will appear in the tables below along with the sample date.

Inorganic Contaminants

Contaminant (units)	Site	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2018)	Violation	Typical Source of Contaminant
ARSENIC (ppb)	n/a	10	n/a	6	0 - 6	7/10/2017	No	Erosion of natural deposits; Runoff from orchards; Runoff from glass and electronics production wastes
BARIUM (ppm)	n/a	2	2	0.180	0.098 - 0.180	7/10/2017	No	Discharge of drilling wastes; Discharge from metal refineries; Erosion of natural deposits
FLUORIDE (ppm)	n/a	4	4	0.1	0.1 - 0.1	7/10/2017	No	Erosion of natural deposits; Water additive which promotes strong teeth; Discharge from fertilizer and aluminum factories
NICKEL (ppb)	n/a	100	n/a	3.4000	1.8000 - 3.4000	7/10/2017	No	Nickel occurs naturally in soils, ground water and surface waters and is often used in electroplating, stainless steel and alloy products.
NITRATE (NO3-N) (ppm)	n/a	10	10	0.31	0.00 - 0.31	None	No	Runoff from fertilizer use; Leaching from septic tanks, sewage; Erosion of natural deposits
SODIUM (ppm)	n/a	n/a	n/a	68.00	39.00 - 68.00	7/10/2017	No	n/a
THALLIUM TOTAL (ppb)	n/a	2	0.5	1.0	0.0 - 1.0	7/10/2017	No	Leaching from ore-processing sites; Discharge from electronics, glass, and drug factories

Contaminant (units)	Action Level	MCLG	90th Percentile Level Found	# of Results	Sample Date (if prior to 2018)	Violation	Typical Source of Contaminant
COPPER (ppm)	AL=1.3	1.3	0.1900	0 of 20 results were above the action level.	7/19/2017	No	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives
LEAD (ppb)	AL=15	0	4.30	0 of 20 results were above the action level.	7/12/2017	No	Corrosion of household plumbing systems; Erosion of natural deposits

Radioactive Contaminants

Contaminant (units)	Site	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2018)	Violation	Typical Source of Contaminant
GROSS ALPHA, EXCL. R & U (pCi/l)	n/a	15	0	6.1	3.3 - 6.1	6/5/2014	No	Erosion of natural deposits
RADIUM, (226 + 228) (pCi/l)	n/a	5	0	2.5	1.5 - 2.5	6/5/2014	No	Erosion of natural deposits
GROSS ALPHA, INCL. R & U (n/a)	n/a	n/a	n/a	6.1	3.3 - 6.1	6/5/2014	No	Erosion of natural deposits

Additional Health Information

While your drinking water meets USEPA's standard for arsenic, it does contain low levels of arsenic. USEPA's standard balances the current understanding of arsenic's possible health effects against the costs of removing arsenic from drinking water. USEPA continues to research the health effects of low levels of arsenic, which is a mineral known to cause cancer in humans at high concentrations and is linked to other health effects such as skin damage and circulatory problems.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Kewaskum Waterworks is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at www.epa.gov/safewater/lead.

SPORTS

Track Quad Serves As Tuneup For Upcoming Meets

By Judy Harlow

The tradition of a strong track program continues for the Berlin boys team. It overpowered three other teams in the final East Central quad meet of the year on May 7.

Berlin won with 106 points, with Kewaskum in the second spot with 64, and Ripon and Win-

neconne in a near photo finish, 52-50.

On the girls side of the ledger, Winneconne scored 83 points to claim the top spot in what was a very competitive meet. Berlin was just three points back with 80, and Kewaskum was a close third with 78, while Ripon was last with 29.

"We were just priming

up for conference," KHS co-head coach Kris Evans said, explaining this was the final time he could do a little experimenting because in the upcoming meets. "People are going to be in more fixed roles."

The 100-meter dash was a good event for Kewaskum with a 1-2-3 finish from Tyler Heus, Trevor

Degnitz and Jermaine Thull, who were clocked in 11 and .36 seconds (11.36), 11.73 and 11.91. The win was the only one the Indians would get.

Heus, who has the fastest 400 time in the EC this spring, did not run any other individual events as Evans put him in the 4x200 relay (Dylan Maechtle, Donny Derosia

and Andrew Bolek), which placed third with a 1:38.00.

Degnitz also ran the 200 for the first time, and finished second at 24.04 to become one of Kewaskum's double placers. Jon Leister also placed in two events, taking a second in the discus with a toss of 122 feet, 1 inch (122-01) and third in the shot (42-05.00).

Ben Frase dipped under 2:06 in the 800 again, finishing second at 2:05.42. Another good event was the 1,600 with sophomores Gannon Kreuser and Adam Walls second and sixth at 4:58.84 and 5:11.63.

Maechtle, the team's top hurdler, continued to do well in the 110 highs, taking fourth in 17.45 and third in the 300s (45.98). Eli Bartelt contributed a second in the long jump (19-11), with the sophomore Walls adding a fifth with a personal best of 18-04.25.

Sam Melzer produced a highlight in the pole vault, taking second after clearing a personal best 12-6. Freshman Reagen Marx and Kyle Toth chipped in with fourth and fifth places. Both cleared 10-06.

The KHS girls posted three individual firsts, including the pole vault where Abby Meidl cleared 9-06, the high jump where her sister Brenna made 4-10, and the 100 with Anna Peterson winning in 13.40. The latter was a good event for the Indians with

Hailey Hasenberg (14.22), Jill Braatz (14.37), Josie Baker (14.58) and Natalie Krueger (15:28) finishing 3-4-5-6.

Haley Densow and Courtney Butzlaff had good efforts in the 200, in third and fourth with times of 28.45 and 28.85.

Romela Olla ran in the 800 for the first time outdoors and took second in 2:43.22, right ahead of teammates, Faith Mertzig and Lisa Bolek, who were clocked in 2:45.57 and 2:51.06. Olla also ran the 1,600, finishing third in 5:56.82, right behind Grace Marchello, 5:52.04.

Later Marchello took second in the 3,200 with a time of 12:45.92, less that two seconds ahead of sophomore Alyssa Butz, who hit the tape in 12:47.46.

Madelyn Thull got places in both hurdle events, third in the 100s with a season-best 18.68 and fourth in the 300s (55.36).

KHS finished the day with a win in the 4x400 race, with Butzlaff, Brenna Meidl, Peterson and Lindsey Landvatter combining for a 4:20.90, nearly six seconds in front of runner-up Berlin. Olla, Butz, Mertzig and Marchello easily won the 4x600 in 10:53.23.

In the weights, the top place was a second by Emily Halterman in the discus (96-01).

Berlin hosted the East Central Conference Meet on May 14. Ripon will host the regional on Monday, May 20.

Split Against Waupun Throws EC Standings Into A Two-Way Tie For The Lead

By Judy Harlow

The stage was set. A sweep in the Kewaskum-Waupun doubleheader would mean the East Central Conference championship for the winning team, while a split would mean sharing the title with each other and perhaps even with Kettle Moraine Lutheran and Campbellsport, who were one game back of the leaders.

The host Indians jumped all over Waupun pitcher Delany Stelsel in the first inning of game one, sending 16 batters to the plate for an 11-0 lead and eventually a 12-2 victory. There were no white flags waved by the Warriors, however, who used a two-run home run by Hailey Huenink in the eighth inning for a 4-2 win.

"I understood what he (coach Tom Hagstrom) was doing ... good strategy on his part," KHS coach Jeff Gosse said about saving Katrina Pokorny for the second game. Indian ace Kennedy Lehn wound up going 1-1, giving up just four hits in the opener but eight in the nightcap, while the Warriors used two pitchers, Stelsel and Hayes in game one, then turned to Pokorny.

The Indians' first inning was perhaps their best of 2019. Lehn, moving up to the leadoff spot, singled, Tara Theusch beat out a hard shot off the third baseman, then after they moved up a base on a passed ball, Maddie Geidel was intentionally walked to load the bases.

Cleanup hitter Ashley Clausing got credit for a run batted in (RBI) when she was walked, and Kaitlyn Miller drove in two

runs with her single up the middle for a 3-0 lead. After that, Kaitlyn Leitheiser had a single; Abby Baumann's double to left-center brought in two more runs for a 7-0 advantage.

Stelsel was replaced by Elizabeth Hayes, who gave up a double to Lehn before striking out Tara Theusch for the first out. Before getting three, Clausing (single) and Miller (double) and Leitheiser (single) got their second hits of the inning.

Lehn, who struck out nine, gave up two runs in the third, making the score 11-2, but Geidel got the lead back to 10 runs with her solo home run in the bottom of the third. The blast, which came off an 0-and-1 count, was a no-doubter, hitting the middle of a tall tree behind the outfield fence. "That was a shot," Gosse said.

Lehn put the Warriors down in order in the fourth, then struck out the side in the fifth, ending the game because of the 10-run "mercy rule."

About the homer, her first of the year, Geidel said, "That was a good time for it to come ... I've been in a little slump lately."

Geidel also commented about the free pass she received to take first. While she would prefer to hit, she said, "I think it's very respectful of them ... I don't mind."

In game two, Waupun took a 1-0 lead in the bottom of the first on three singles. KHS tied it up in the third on a double by Tara Theusch and a single by Geidel, then both teams scored single runs in the sixth. No one scored in the seventh, so it was on to extra innings.

Pokorny didn't allow the

Indians to score in the seventh, and in their half of the inning with one runner aboard, Huenink delivered the game-winner hit that cleared the fence in left field.

KHS, 10-3, concludes its EC season against Plymouth, while Waupun is finished at 11-3. "If we beat Plymouth, we are co-champions," Gosse said.

KML (9-3) hosts Winneconne in its conference finale. Depending on the outcomes, there could be one, two, or three teams sharing the title.

GAME ONE
WAUPUN 002 00 — 2-4-0
KEWASKUM (11)00 1X — 12-12-0
Winner-Kennedy Lehn,
Loser-Delaney Stelsel

GAME TWO
KEWASKUM 001 001 00
—2-10-0
WAUPUN 100 001 02
—4-8-1
Winner-Katrina Pokorny,
Loser-Lehn

Current EC standings: 1. Waupun, 11-3; 2. Kewaskum, 10-3; 3. (tie) Campbellsport and KM Lutheran, 10-4; 5. Winneconne, 8-6; 6. Plymouth, 4-9; 7. (tie) Berlin and Ripon, 1-13.

May 11 Action

At Lomira on May 11, the Indians defeated the host Lions 7-3 and Wauwatosa West, 9-5 to improve to 16-3.

In the game against Lomira, KHS scored three runs in the first and never looked back. Kaitlyn Miller produced three hits, while Tara Theusch and Kennedy Lehn each had two hits. Miller led off the sixth with a triple and scored on Megan Winkler's ground out.

Lehn went the distance, striking out nine.

The Indians were down against West but came

back thanks to good hitting by Lehn, who had three hits, and Tara Theusch, who had a double and a two-run homer.

Miller started this game, pitching five innings, giving up five runs, only two of them earned. Lehn took over for the sixth and seventh and "closed the door" on the Trojans.

KHS, now 16-3, gets a first round bye in the Division-2 regional. The Indians will host the winner of the Shorewood-Milwaukee Lutheran game on Tuesday, May 21.

Kewaskum Youth Soccer Results

May 11 Hartford Mustangs 3 Kewaskum U9 Rays 2

A great game just slipped away on a last second goal from the Hartford Mustangs for a 3-2 loss for the U9 Kewaskum Rays. With some excellent team play and great passing from everyone on the pitch the Rays took a 2-0 lead into halftime.

The defense was under a great deal of pressure from Hartford, but Lily Prost and Chayce VanAssche really stepped up defensively. Lily was aggressive and stepped up to cut out passes on Hartford's attacks and Chayce repositioned himself goal side of their attackers to not allow Hartford any one-on-one opportunities for them and the goalie. Some great crosses and early passes saw some great chances created for the Rays.

Great Athletic Moments In The History Of KHS

By Judy Harlow

Coach John Bliese and his Grafton boys basketball team had a good thing going in the mid-1960s.

Behind sharp-shooting Jeff Sewell, one of the state's top scorers, the Blackhawks went undefeated in the Scenic Moraine Conference two years in a row and ran their win streak to 34 games, until one cold January night in 1965 when they ran into a Kewaskum High team that was determined to beat them.

According to the writeup in the Kewaskum Statesman, the Indians, who came into the game with a 4-3 conference record, won 71-66 behind

“a tremendous team effort.” Coach Walt Bade had a good game plan for his Indians that night.

At half, the Blackhawks were leading 32-28, but the Indians outscored the visitors 22-19 in their third quarter to climb within a point of the Grafton squad at 51-50. Then Kewaskum got hot down the stretch, outscoring Grafton, 21-15 in the fourth quarter to win by five, and “Pandemonium broke loose among the Kewaskum rooters.”

Sophomore Bill Backhaus led all scorers with 20 points, while Bob Miller chipped in with 17, and Bob Coulter helped out by hauling down 15 rebounds.

Sewell, an all-state selection who wound up playing for Marquette Uni-

versity, was held to 19 points while Jerry Gleason added 14. Both of them fouled out, as did Kewaskum's Jim Oelhafen. Kewaskum used its 23-10 free throw edge to seal the victory.

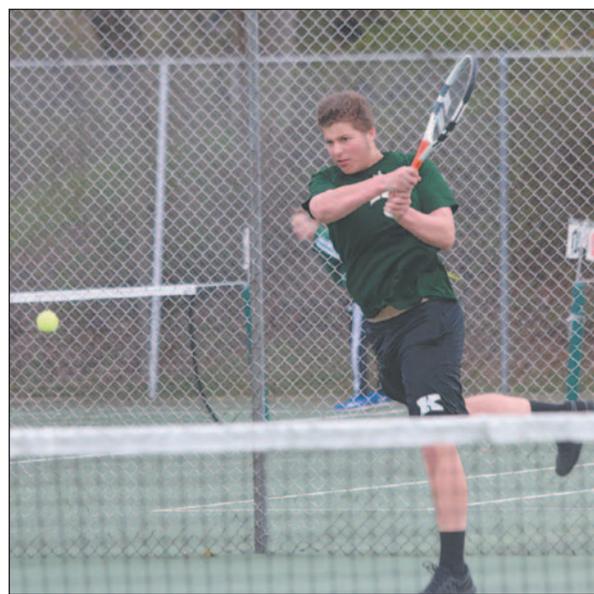

“Jimmy (Oelhafen) played a really good game though,” Dick Wieter, one of the five KHS starters, along with Coulter, Miller, Backhaus and the late Oelhafen said. Others on the team included: Paul Kohler, Ed Czaja, Larry Coulter, Ralph Bier, Steve Otten, Harry Krueger and Hiram Justman.

When asked what coach Bade said in his pep talk to the team at halftime, Wieter said, “I really don't remember. I wish I did.” He went on,

“We felt good. We thought we had a good team. We knew they had a good team ... Things just kind of fell our way.”

Note: Oelhafen passed away in 2016; Coach Bade died in February, 2016; and Sewell died in 2016.

Writer's note: A committee is currently working on establishing a Hall of Fame at KHS. Interested parties are invited to an open meeting on June 12 in the KHS Library. Until then, the Statesman will be featuring accomplishments of former KHS athletes and teams.

Kyle Loehr hits the ball during a home match against Kohler on Thursday, May 9.

Roncalli, Kohler Have Too Much Firepower For Indians

By Judy Harlow

The Kewaskum High tennis team had a rough week, facing the number one and two teams in the Eastern Wisconsin Conference and an improved St. Mary's Springs team.

The conference week ended with a 6-1 loss to Roncalli, with sophomore Ben Read the only winner. He topped Ethan Isselmann in straight sets, 6-2, 6-3.

Roncalli 6, Kewaskum 1

Singles: No. 1. Kyle Loehr lost to Jacob Linzmeier, 1-6, 0-6; No. 2. Matthew Krautkramer lost to Nick Weinetz, 3-6, 2-6; No. 3 Bryce Halvorsen lost to Ethan Nguyen, 2-6, 3-6; No. 4 Ben Read def. Ethan Isselmann,

6-2, 6-3.

Doubles: No. 1. Isaiah Cochran/Bret Fahrenkrug lost to Steffan Lipski/Alec Schermetzler, 1-6, 2-6; No. 2 Aaron Singer/Connor Toth lost to Drew Giesen/John Bettag, 3-6, 6-3, 3-6; No. 4 Hunter Roehrig/Dawson Zillmer lost to Brenden Bettag/Joseph Ehmke, 3-6, 3-6.

Unbeaten Kohler was too much for the Indians to handle and won 7-0. Still KHS coach Andrew Dahlberg said, “Kewaskum was able to steal some games.”

At number two singles, Matthew Krautkramer was leading but eventually lost a tie-breaker, then lost the second set 1-6. “Mathew fought hard in the first set but after diving for a ball seemed to drop in energy,” Dahlberg said, adding his number one doubles unit also started strong but eventually lost.

Bryce Halvorsen, the regular at number three, was not in school, so Ben Read had to move up and Anthony Marchello faced a tough task, filling in at number four in his first varsity match.

KHS is now 3-2 in EWC action and 4-3 overall.

Kohler 7, Kewaskum 0

Singles: No. 1 Kyle Loehr lost to George Paloff, 2-7, 1-6; 2. Matt Krautkramer lost to Alex Unger, 6-7 (2), 1-6; No. 3 Ben Read lost to Ben Fuesnau, 0-6, 0-6; No. 4 Anthony Marchello lost to Evan Udovich, 0-6, 0-6.

Doubles: No. 1 Isaiah Cochran/Bret Fahrenkrug lost to Johnny Vallo/Xavier Kekeme, 3-6, 1-6; No. 2 Aaron Singer/Connor Toth lost to Joe Conklin/Leo Fink, 2-6, 0-6; No. 3 Hunter Roehrig/Dawson Zillmer lost to Carter Gebler/Tyler Roecker, 3-6, 0-6.

In recent years, Kewaskum has had the upper hand on St. Mary's Springs, but the Ledgers changed that trend on May 7, sweeping the doubles toward a 4-3 win over the Indians.

After playing very well in his first four matches, senior Kyle Loehr lost for the first time. Max Vande Slunt defeated him in three sets, 6-2, 1-6, 7-6 (1).

“Doubles struggled, and Kyle Loehr fell in an awesome match to watch,” KHS coach Andrew Dahlberg said. “Ben Read persevered through sickness to pull out the victory but it wasn't enough.”

St. Mary's Springs 4, Kewaskum 3

Singles: No. 1 - Kyle Loehr lost to Max Vande Slunt, 2-6, 6-1, 6-7 (1); No. 2 - Matthew Krautkramer def. Robert Miller, 7-6 (3), 6-1; No. 3 - Bryce Halvorsen def. Sam Baus, 7-5, 6-3; No. 4 - Ben Read def. Andrew Loehr, 2-6, 7-6 (6), 7-6 (3).

Doubles: No. 1 - Isaiah Cochran/Bret Fahrenkrug lost to Dale Michels/Michael Mcguire, 2-6, 2-6; No. 2 - Aaron Singer/Connor Toth lost to Luke Vander Koy/Owen Kirkwood, 4-6, 4-6; No. 3 - Hunter Roehrig/Dawson Zillmer lost to Vincent Burns/ Owen Baumhardt, 6-1, 1-6, 2-6.

All KHS players listed first.

Matthew Krautkramer prepares to return the ball during a home singles match against Kohler on Thursday, May 9.

Indians Go Courtin' To Waupun

By Judy Harlow

Because Waupun does not have a full team this spring, the second annual Waupun Tennis Invitational, held May 11, used a different format to determine a winner. Kewaskum got the nod because it had 13 individual victories, one ahead of Port Washington's 12. Totals for Ripon and Waupun were not available.

“It was a good day for tennis,” KHS coach Andrew Dahlberg said, reporting in duals his team lost to Port Washington 3-4, blanked Ripon 7-0 after beating them 5-2 earlier this year and beat Waupun 6-1.

At number two and three singles, Matthew Krautkramer and Bryce Halvorsen were 3-0 on the day, while Kyle Loehr finished 2-1 at number one as did Ben Read at number four. “Krautkramer looked good all day,” Dahlberg said, adding “Halvorsen overcame adversity to pull out some wins.”

Against Ripon, the Indians' number two and

three doubles teams picked up their first wins of the year. At number two, Aaron Singer and

Conner Toth defeated Ethan Voss and Dylan Schattschneider, 6-1, 6-3, while the Hunter

Roehrig/Dawson Zillmer duo beat Jonah Roeper/Nick Retzlaff, 6-2, 6-4.

Isaiah Cochran plays for Kewaskum on Thursday, May 9, during a home match against Kohler.

KHS Golfers Use Back-To-Back 147s To Maintain First Place

By Judy Harlow

Kewaskum's win streak in East Central golf came to an end on May 9 at Auburn Bluffs in Campbellsport, but the Indian golfers rebounded within the next three hours, setting a school record 147 on their home Hon-E-Kor Country Club Red Nine and followed that sizzling total with another 147 at Quit Qui Oc in Elkhart Lake the following day.

"The streak of winning the ECC mini meets finally came to an end. After winning all of them last year, and the first four this year, we fell to Plymouth by four strokes," KHS coach Casey Scheel said about the 165 his team had. "It was definitely a rougher day than what we have been accustomed to, but I really think it just came down to the decisions we made," reporting the four counters had an eight, two sevens, and three sixes.

Scheel congratulated Plymouth for having three golfers shoot in the 30s toward a 160. Brad Buechel led the Indians with a 39, while Travis Griesemer posted a 40; Jacob Schlosser at 42 and Talon Ralph 32.

"This probably sounds cliché, but taking second place in a conference meet may have been a good thing for us," Scheel said. "I think it definitely refocused us on the importance of minimizing mistakes in a round."

Scheel said that prior to the second nine, he talked to the Indians about the importance of minimizing the mistakes. "We know Hon-e-Kor better than any team in our conference, and it definitely showed. We cruised to set a school record by shooting a 147."

Buechel led the team again, shooting a one-under 34. "He played very well once again, birdieing

Number 8, and Number 1, which was his final hole of the day," Scheel said, reporting Jacob Schlosser shot a great round of 36 after a shaky start by getting into some trees on two shots on the first hole.

Talon Ralph shot a 38, with a bad break on his fourth hole of the day where he hit a rake in a bunker and it bounced a good 15 yards backward into water that cost him a stroke. Ralph recovered really well by birdieing his last two holes. Andrew Carlton came back after his 45 at Auburn Bluffs round. He was four over through his first five holes, and then battled to par his last four holes to shoot his 39.

"We came back the following day and matched the school record of 147," Scheel said, reporting, "We were led by Jacob Schlosser who had another very consistent round of nine pars, shoot-

ing a 35." Plymouth finished second in the meet with a 165.

Buechel maintained his steady play shooting a 37, which was good enough to finish third in the meet. Toree Ralph had a great round of 37. Scheel decided to give Toree Ralph a chance to play on varsity because he's been performing really well on JV level, and he responded.

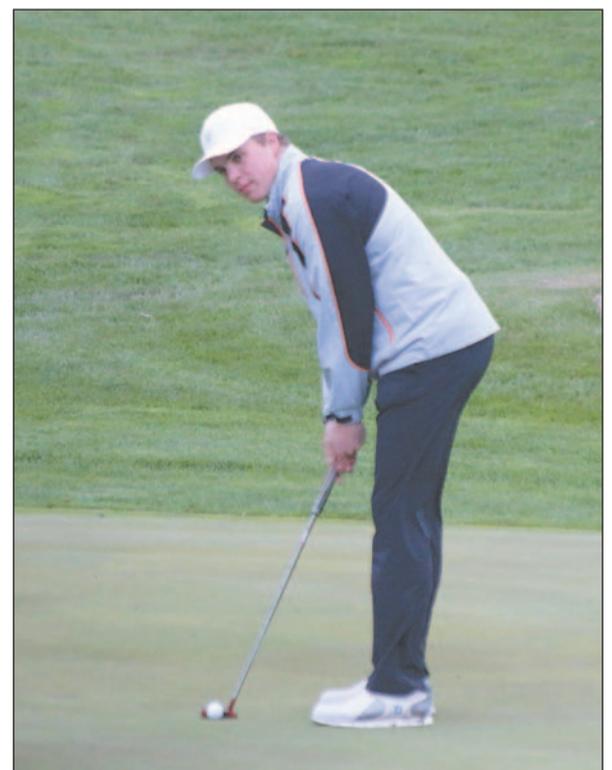

Talon Ralph rounded out the scoring with a round of 38. Now Scheel has to make a tough decision of which five players will compete in the conference meet on May 15 at the Rock in Waupun. KHS currently has a six-point lead on Plymouth, with Buechel currently in first place for Player of the Year, 3.5 points ahead of Schlosser.

Currently, KHS has a 6-point conference lead over Plymouth.

Brad Buechel plays golf for Kewaskum at a home meet at Hon-E-Kor on Thursday, May 9.

Indians Score Whopping 56 Runs In Last Four Games

By Judy Harlow

Until this past week, the Kewaskum High baseball team had just one shutout, but they added two more via 23-0 and 11-0 East Central Conference victories over Berlin (1-20) on May 7.

The two lopsided wins give the Indians a 7-4 record in EC action, with the 4-4 game against Winneconne still to be finished.

"We pounded the ball pretty good ... We hit the ball hard," KHS first-year coach Mike Heisdorf said about those games and the two against New Holstein.

The starting pitcher in game one was Brad Buechel, who threw five innings of two-hit ball before the game ended via the 10-run "mercy rule." Buechel struck out seven and walked one.

KHS scored seven runs in the top of the first and 11 in the third to take a commanding lead. The Indians had 21 hits off four Berlin pitchers, including five by Peyton Donath (one double), and three by Eric Bauer (two doubles), Mathew Gliniecki, Nathan Heberer (one double) and Buechel.

In game two, lefty Carson Dogs tossed a two-hitter, struck out six and

walked one in the five-inning contest.

There were new stars offensively, with outfielder Colten Miller getting two hits, both doubles, while driving in three runs, Ryan Prochnow tripled and drove in three runs. Kaeden Cappozzo and Dogs both doubled. The Indians wound up with nine hits.

Defensively, Kewaskum committed a single error in each of the two contests.

"They're young and they don't have much pitching," Heisdorf said about Berlin.

East Central Standings: 1. Waupun, 11-1; 2. Ripon, 10-2; 3. (tie) Kewaskum and Winneconne, 7-4; 5. Campbellsport, 4-7; 6. Plymouth, 3-7; 7. KM Lutheran, 2-7; 8. Berlin, 0-12.

New Holstein Game

On May 14, the Indians traveled to New Holstein (9-7) for a non-conference doubleheader and added two more wins to its total, 11-0 and 11-3.

In game one, the Indians jumped out to a 9-0 lead after two innings, and the game ended after five via the 10-run "mercy rules." Colten Miller was the hitting star, going three for three, including a double for three runs batted in, while Brad Buechel

and Mason Pomeroy each had two hits.

"Colten was hot," Heisdorf said. "He's on a tear the past week," with 10 hits in his last 13 at bats and eight RBIs.

The Huskies had seven hits, including three by Brad Schroeder.

Buechel started, pitching 4 2/3 innings, giving up seven hits while striking out two and walking two. Kaeden Cappozzo came and got the final out.

In the second game, the Indians held a 3-2 lead going into the sixth inning when they pushed five runs across the plate for a more comfortable 8-2 lead. They scored three more runs in the seventh.

Miller again had the hot bat, going three for four with a double and one RBI. Ryan Prochnow chipped in with two hits and had two RBIs. Prochnow also got the win, pitching 5 2/3 innings, giving up two runs on four hits, striking out four and walking one.

Carson Dogs finished up the final inning and a third, giving up one run on two hits, striking out one.

With these wins, KHS has a six-game winning streak and is 13-5 overall with some big games coming up against Ripon on May 14 (home) and 16 (away).

KHS Soccer Team Rebounds After Two Tough Losses

By Judy Harlow

Kewaskum girls soccer coach Luke Piwoni knew it was going to be tough going up against number six-rated Winneconne, and he was right.

The Indians held their more experienced opponents — the Wolves are still unbeaten in East Central play and 14-2 overall — to two goals in the first half but gave up four more in the second during the 6-0 loss.

"They are definitely at another level right now," Piwoni said about the Wolves. "We hung in there as well as we could."

Kati Friedrich, one of the Wolves stars from 2018, scored two goals and assisted on another while Morgan Fenrich also scored twice and assisted on two goals. Winneconne took 33 shots in the contest. Currently Friedrich leads the conference with 26 goals, while Fenrich has 16 goals and 13 assists.

The Indians' Kennedy Adams is third in assists with 11 and fourth in goals with 14 for 34 points, while Arianna Krueger is in the number six spot with 26 points on 10 goals and six assists.

Nicole Butz had 26 saves in the game. "She was tested," the coach said.

May 9 Game

In Jackson on May 9, the Indians lost a 1-0 heart-breaker to host Kettle Moraine Lutheran. The lone goal in the game was scored by Megan Sina at the six minute mark in the first half. "It was a real good shot that got just beyond Nicole's (Butz) fingertips," the coach said.

Kewaskum got off to a slow start, with few scoring chances in the first half. "In the second half, we had more opportunities, but we just couldn't finish," Piwoni said.

With the two losses,

KHS dropped to 4-3 in East Central play and 11-5 overall.

East Central soccer standings: 1. Winneconne, 7-0; 2. Plymouth, 56-1; 3. KM Lutheran, 5-2; 4. Kewaskum, 4-3; 5. (tie) Campbellsport, Waupun and Ripon, 2-5; 8. Berlin, 0-7.

May 11 Tournament

In the Kiel Tournament on May 11, the Indians went 2-1 but unfortunately the loss came in the first round, sending them into the losers' bracket.

Kewaskum and Sheboygan Lutheran Christian ended in a 1-1 tie at the end of regulation, and, "We lost in the shootout. It went nine deep," Piwoni said about the 6-5 loss.

"It was definitely a hard one to lose. We scored a goal with 5:00 left, then gave one up in the final minute," Piwoni said, reporting Tierney Herman scored for his club.

Kewaskum won its next two games, 4-0 over Mayville and 4-0 over Ozaukee. In the win over the Cardinals, Kennedy Adams scored at 23 seconds, according to Piwoni, who reported Lydia Steinbauer made the score 2-0 at 5:00, then Lillith Schlosser scored at 20 minutes, and Andrea Butz finished off the scoring at 31:00, with an assist from Steinbauer.

Goalie Alena Denman got the shutout for KHS.

In the win over Ozaukee, Adams scored twice, one at 12:43 and the next at 33:32. Two minutes later, Arianna Krueger got in the act, giving the Indians a 3-0 lead, and Schlosser scored at 44:22.

Nicole Butz was not threatened much in goal. She made two saves.

Piwoni praised the defensive play of Emma Penfield. "She's been playing real tough ... physical," Piwoni said, reporting Schlosser had to

fill in on defense in part of the tournament and "ending up saving a couple goals."

The EC Tournament gets started today (May 16) with KHS, now 13-5-1 hosting Winneconne in a 6:45 p.m. game, then on May 21, the Indians travel to Jackson to face KML, and on May 23, the Indians host Plymouth at 6:45.

A Breath Of Fresh Air DNR Celebrates Clean Air Month As Wisconsin's Air Quality Continues To Improve

Join the Wisconsin Department of Natural Resources in celebrating Clean Air Month. Throughout the month of May, the department's Air Program is highlighting ongoing air quality improvements across the state.

Clean Air Month is held annually each May. This year the Air Program offers a webpage for the public designed to provide information, activities and resources, all focused on reducing air emissions and improving air quality in Wisconsin.

The Air Program has worked on many projects this past year targeted at interacting with the public and ensuring

businesses have better options available that provide quality interactions with the department. Those projects include:

- The operation permit renewal backlog has decreased significantly in the last several months, while the construction permit issuance timelines have remained steady. The peer review process, implemented in 2017 continues to improve consistency and permit quality.

- Compliance inspectors are utilizing a new, streamlined report format in a pilot project designed to improve consistency statewide and allow inspectors to be in the field more

often.

- The launch of the Air Program's Wisconsin Air Monitoring Data Acquisition System (WAMDAS). The system includes a new air quality mapping tool for the public to get up-to-date air quality information, new air quality report options and specific monitor information. In association with the new WAMDAS system, the Air Program has also launched the WisconsinAQM mobile app for android devices (the Apple version will be available early this summer). The app, available now in the Google Play Store, allows the public to receive air quality updates from anywhere using their mobile device.

- The launch of the department's first e-Signature reporting option for facilities in Wisconsin. E-Signature gives facilities the option of reporting, submitting and signing Air Program compliance and monitoring reports electronically to DNR, removing the time-consuming mail-in option.

- The 2018 Air Quality Trends Report, released in October 2018, again showed positive trends in air quality throughout the state in the past year. The Air Program's Air Quality Monitoring Network collects information, program staff then draw that data from the year and produce an annual report for the public on air quality trends around the state. The Trends Report can

be found at DNR.wi.gov search: trends report

- The Air, Air Everywhere Poetry Contest made its annual return in March. The contest encourages third, fourth and fifth grade students across the state to learn about Wisconsin's air quality and create poems about the air. Winners will be announced May 20.

"There are exciting projects being worked on in the Air Program, geared toward providing increased streamlining and transparency," said Gail Good, Air Program Director.

Good would also like the public to know that Bike to Work Week pedals off on May 13. To highlight the event, the Environmental Management Division will kick off the agency's internal Commuter Challenge that same day. The 15-week event challenges division employees across the state to record their vehicle miles traveled (VMT) saved by taking alternative forms of transportation (biking, busing, carpooling, and walking) to work. "Not only are these great options for our air quality, but they help promote healthy lifestyles as well," said Good.

To learn more about Clean Air Month and how to reduce air emissions, search the DNR website, dnr.wi.gov, for Clean Air Month, or contact Craig Czarnecki at 608-267-3137.
