Boltonville Rain Days To Be Held This Weekend

By Anne Trautner

The picnic season is officially kicking off this weekend, as the 102nd annual Boltonville Rain Days is held this Friday, Saturday and Sunday, May 24, 25 and 26.

The weekend celebration is a fundraiser for the Boltonville Volunteer Fire Department. The weekend will be filled with live music, games, rides, food, refreshments and fun.

"We have people who come from all over the state once a year, just to get together at the Boltonville Rain Days," said Dennis Fechter of the Boltonville Fire De-

partment. "It is like a huge township reunion."

The event will feature entertainment all weekend on the fire department's grounds, located at 9336 Bolton Drive in Boltonville.

"Our picnic and our Street Dance get bigger and bigger every year. It is amazing," Fechter said.

The celebration will include:

Carnival

A carnival with rides, games, food, music and beer will be held through the weekend. Advance wrist bands will be available Friday, 6-10 p.m.; Saturday, 1-5 p.m.; and

Sunday, 1-5 p.m. at the R-Store in Boltonville, and at Kohn's Corner Mart and Filling Station in Kewaskum.

Fireworks

A huge fireworks display will be held Friday, May 24, at dusk, weather permitting.

Water Fights

Water fights will occur on Saturday, May 25, at 3:30 p.m. Registration will be at 3 p.m.

Parade

The annual Boltonville Prize Parade will begin on Sunday, May 26, at noon.

Bloody Mary Bar

A Bloody Mary Bar will be available on Sunday, May 26, before the parade starts.

Turkey And Ham Dinner

An all-you-can-eat turkey and ham dinner, including homemade desserts, will be served in the air-conditioned firehouse by the BFD Women's Auxiliary on Sunday, May 26, from 11 a.m. to 2 p.m. The cost is \$11 for adults and \$4 for children.

Duck Races

Pick a lucky duck and join the race on Sunday at 3:30 p.m.

Live Music

Friday, May 24- Copper Box, 5 to 8:30 p.m.; and Saving Savannah, 9 p.m. to 1 a.m.

Saturday, May 25- Shad Lads, 3:30 to 7:30 p.m.; and Bella Cain, 8:30 p.m. to 1 a.m.

Sunday, May 26- Acoustic with Bob and Andy James, 10:30 a.m. to noon; Pink Houses, 1 to 5:30 p.m.; Goodtime Dutchman/Carol & The Keynotes, 1 to 6 p.m.; and Rebel Grace, 8:30 p.m. to 12:30 a.m.

Local Heroes Recognized By Red Cross

By Anne Trautner

The American Red Cross of Southeast Wisconsin recently recognized heroes from across Southeast Wisconsin.

Two heroes from Washington County, Kim Wendelborn and 11-year-old Peyton

Theusch, were among those who received Brave Hearts Awards.

To select the heroes, a Red Cross subcommittee combs through news stories and nominations from the public to choose award winners based on a handful of categories. A banquet was held on May 9 to

recognize individuals who have prevented life-threatening situations from occurring, come to the aid of another, or contributed to the safety of the community through a single act or ongoing activity.

Gillie Enjoys Meeting People While Walking The Ice Age Trail

By Andrea Hansen Abler

If you were at the Coffee Corner Bistro in Kewaskum on Saturday morning, May 18, you probably saw a man

with a huge backpack having breakfast. He and his gear attracted a lot of attention.

Cameron Gillie of Madison made a stop in Kewaskum while on his journey on the Ice Age

Trail. He is in the process of hiking the entire Ice Age Trail, which runs through 31 Wisconsin counties.

"There is no starker image of the value of freedom and democracy versus dictatorship than the 38th parallel, an invisible line that today separates the North from the South," Victor Shier said about the Korean War. Shier and Jim Dieringer led the Memorial Day Ceremony at Turner Hall in Fillmore to honor those who fought in the Korean War.

A 22-year-old West Bend man is dead and two others were injured in a drunken crash early Saturday morning, May 24, in the Town of Scott.

The Fond du Lac County Sheriff's Office is investigating a situation in which a fisherman was struck by gunshot while fishing on Auburn Lake. Authorities say at approximately 4:50 p.m. Sunday, May 25, they responded to the Town of Auburn on the west shore of Auburn Lake, in the area of the Kettle Moraine State Forest, for a report of a male subject that was shot in the leg. The 51-year-old subject is a resident of Auburn Lake and was fishing when a small caliber bullet struck him. He was transported to St. Joseph's Hospital in West Bend, treated for a gunshot wound and later released.

Jim Hammes is still pinching himself a couple of times each day, just to make sure he isn't dreaming about the call his wife Ann received last week, telling her Jim had won a new home in Fond du Lac. "It's more like unbelievable," Hammes said Saturday from the Boar's Nest Tavern (on Highway 45 north of Kewaskum), which he and Ann have owned since 1987. Hammes wasn't home when the call about the winning raffle ticket in the Samaritan drawing came in. He wasn't even in the state. Still, it didn't take long for the good news to reach him. "They called Ann from the radio station," Hammes said, explaining the chronology of events on what has to be the most exciting May 12th of his life. Ann sent word out to Jimmy,

and, "I called her back on the cell phone" to hear the good news. At the time, Hammes was cruising down the highway east of Iowa City, Iowa, heading back to Wisconsin as part of his weekly runs for Quad Graphics. It's no wonder Hammes didn't drive right off the road. He was that excited.

Nikki Airaudi, an eighth grade science teacher at Kewaskum Middle School, recently returned from a two-week trip to Greenland. Here in Wisconsin we think of the "frozen tundra" as Green Bay Packers' land, but Airaudi is back to tell you differently. Since her trip, she is a walking encyclopedia of information about the REAL frozen tundra.

Cash bail has been set at \$25,000 for a 29-year-old Allenton man for his involvement in a crash that occurred the evening of Tuesday, May 11.

Steven L. Hesselgrave has joined the United States Army under the Delayed Entry Program. The recruit qualifies for a \$14,000 enlistment bonus. Hesselgrave, a 2002 graduate of Kewaskum High School, reported to Fort Sill, Lawton, Oklahoma, for active duty on May 18. He is the son of Mary Hitt of Campbellport, and Jack Hesselgrave of Kewaskum.

Newly elected officers of the Kewaskum Women's Club are President Jane Siegel, Vice President Gwen Dreher, Secretary Rosemary Keller and Treasurer Joan Wszalek.

Newly elected officers of the Kewaskum Junior Women's Club are President Karen Heberer, Vice President Karen Paul, Secretary Sharon Templeton, Treasurer Louise Martin and Historian Michelle Paul.

A 34-year-old Town of Wayne woman suffered a severely injured left leg as the result of a lawnmower accident while mowing grass at her residence on Wednesday, May 12, shortly after 5 p.m. The victim was operating a riding lawnmower cutting the grass near a concrete retaining wall. The outer wheels drifted off the edge of the wall causing her and the tractor to fall off a 3-4 foot ledge. While overturning, the cutting blades severed the victim's left leg near the ankle. Kewaskum Rescue, Kohlsville First Responders, and West Bend Rescue Intercept responded to the scene. A request was made for Flight For Life Helicopter, however they were not available. The victim

was transported to St. Joseph's Hospital in West Bend and then transferred to Froedtert by Lifestar Ambulance. The investigation revealed that the riding mower was equipped with a seat safety switch designed to turn the power off if the rider gets off or is thrown off. The switch had been purposely modified to circumvent this safety feature.

The New Fane School closed Thursday for the summer vacation with a picnic at the school. Minerva Martin of this village, teacher at the school for a number of years, has resigned from teaching. Miss Virginia Trapp has been engaged to teach the school next year. Donald Ehnert and Glenway Ehnert Jr. had perfect attendance for the entire year. Ronald Stange led in reading literary books. He read 68. Marilyn Heberer and Daniel Zanow had a perfect health record.

A popular Kewaskum young couple repeated marriage vows before the Rev. R.G. Beck in a lovely spring ceremony

May 14, in the Peace Evangelical and Reformed Church, when Miss Janice Elizabeth Koch, daughter of Mr. and Mrs. Ervin D. Koch, became the bride of Kilian A. Honeck Jr., son of Mr. and Mrs. K.A. Honeck Sr.

In a lovely solemn nuptial service, in Holy Trinity Catholic Church May 13, Miss Agnes Thull, daughter of Mr. and Mrs. John Thull of this village became the bride of Herbert Wollner, son of George Wollner of Newburg.

Joe Eberle last week purchased the two vacant lots between the Joseph Sukawaty and Mary Rimmel homes on First Street. Both lots are 120 x 60 feet. One of the lots was purchased from Walter Wesenberg and the other from the Rimmel Corporation.

Three more of Kewaskum's veterans have returned home, namely Fred Schaefer, son of Mr. and Mrs. Fred Schaefer, Sr., and Alfred and John Meinecke, sons of Mr. and Mrs. Chas. Meinecke, Sr., who were members of the Rainbow Division.

On last week Friday, one of the mares belonging to Wm. Wendorf residing two miles south of this village gave birth to twin colts both of them being healthy and in the best of condition, and are well matched. About two weeks ago, one of Gerhard Fellenz's mares gave birth to twin colts, both of them died soon afterwards. This is a rare occurrence and has created quite a stir

in this community. Born to Mr. and Mrs. Emil Backhaus of Kewaskum, a baby girl, last week Friday. Born to Mr. and Mrs. Rudolph Miske of Wayne, a little son, on May 14.

Saturday, June 1 - Nature Sensations. Join us as we use all our senses to decipher the extremes of nature by participating in the Wisconsin Explorers program! This program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. This hour of discovery is geared towards special needs youth with accompanying adults starting at 11:30 am and for special needs adults with chaperones beginning at 1:00 pm. Long Lake Recreation Area South Beach (located off Division Road north of County Road F near Dundee). 11:30 a.m. - 12:30 p.m. for youth or 1 - 2 p.m. for adults.

Saturday, June 1 - Fish Fest. Let the fishing fun begin! Learn how to fish at the Learn to Fish Rodeo. Marvel at the unique adaptations of fish. Create your own fish print T-shirt or bandana. Find out ways to impede the spread of aquatic exotics. Even drop a line in the water to try to catch a fish or two. Fishing equipment provided. No fishing license or State Park System vehicle admission sticker required as it is Free Fun Weekend. Long Lake Recreation Area Fishing Pier (located off Division Road north of County Road F near Dundee). Noon - 4 p.m.

Saturday, June 1 - Nature's Cuisine: Wild Edibles. Summer Saturday Evening Event. Sponsored by Friends of the Kettle Moraine. If you know where to look, nature can provide a whole smorgasbord of food. With Jackie Scharfenberg, Forest Naturalist, find out from a forest naturalist what plants are safe to eat and let your taste-buds decide which are "good" to eat. This program is most appropriate for people over the age of 8 years old. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 7 - 8:30 p.m.

Sunday, June 2 - Tour de Forest. Pick up your challenge sheet at one of the three locations and then begin your Tour de Forest. Travel from New Fane to Greenbush and several sites in between solving puzzles, acquiring clues, and making memories. Prizes awarded for those teams which complete the Tour by 4:00 pm and a grand prize for the team that finishes the fastest. Long Lake Recreation Area Entrance Station (located off Division Road north of County Road F near Dundee), Mauthe Lake Recreation Area Entrance Station (located off County Road GGG south of County Road SS near New Prospect), and Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee) 11 a.m. - 4 p.m.

All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.

The Sty And The Sky

By Darlene Stern

While shopping at a thrift store, a man spotted a hat that has become one of his prize acquisitions. The hat is white with red embroidery. A little red pig sits above the motto: "The Sty is the Limit." One's first thought upon seeing the hat is that this is a misprint of the saying, "The sky is the limit," which implies there is nothing the wearer cannot accomplish. But upon closer examination, the pig confirms the saying is printed correctly.

The Prodigal Son probably said, "The sky is the limit!" the day he departed from the family farm with his part of the inheritance burning a hole in his pocket. He purposed to follow the ways of the world to do whatever his little heart desired. It didn't take long, the Bible tells us in Luke 15:13, before he had squandered everything.

The son who had turned away from his roots to seek the sky soon found himself peniless in a sty (pigpen), taking care of unclean animals and eating their feed to stay alive. But then Luke tells us, "...he came to himself..." (verse 17). That means he realized how far he had come down from the sky to the sty.

In essence, he said, "The sty is the limit!" He was quitting this pigpen. He had been abased as far as he was willing to go in his rebellion against his father. It was time to go home and ask for forgiveness. Indenturing himself to his father would be a blessed trade for the stench of this sty in a foreign land.

When we come back to the Lord out of the

pursuits of the world, we're so happy to be back that we would gladly do anything to just serve Him. We have learned that being of the world really stinks compared to the sweet fragrance of being in the presence of God.

Father welcomes us with open arms, rejoicing in our return. He not only throws a party to celebrate our return, exchanging the filthy rags of what we thought was right for the priestly robe of what is right in His eyes, but reinstates us to our inheritance, thereby giving us '...exceeding abundantly far above all we can think or imagine...' (Ephesians 3:20).

Then, as a child of the King, we can claim, "I can do all things through Christ Who strengthens me" (Philippians 4:13) because it is Christ who paid the price for us to be saved from eternity in hell through His death on the cross. With Christ the sky becomes the limit; without Him we're sentenced to the sty.

What applied to the

Prodigal Son is a picture of our lives. God is always willing to take us back just the way we are. We don't have to clean ourselves up to be presentable before He will receive us. He has always loved us and eagerly looks for the time of our coming to Him. He's waiting for us to take the first step back to Him.

Father And Son

I thought I knew what I wanted.

Papa had other ideas. I had big plans for my life.

Daddy wanted me there with Him.

I insisted on leaving.

Pa gave me provision for the trip. I ran away far and fast.

Dad prayed for me to return.

I got down and out with nowhere to turn.

Abba searched the horizon for sign of me.

I came back home broken and smelling.

My Father celebrated my return.

Pre-June Dairy Month Dance Set For Saturday

The Mayville Lions Club is hosting the *Musical Brass Band* from Green Bay on Saturday, May 25, from 1-5 p.m. at the Mayville Park Pavilion, the final polka dance of the season.

Cost is \$10 for adults and \$5 for students, ages 18 and younger. Food and beverages will be available inside the handicapped accessible venue. Proceeds will benefit Lions club community projects.

The band is sponsored by Dodge Concrete and Ottery

Transportation, supported by Grande Cheese and The Wood Sampler.

The Lions will be kicking off June Dairy Month festivities, offering samples of a variety of dairy products from 20 cheese factories, as well as ice cream companies. Cheese raffles will also be held.

The *Musical Brass Band* consists of well-seasoned musicians who have been performing together for many years. Members of the band include Keith Gernerman on accordion;

Vern Pantzloff on trumpet and vocals; Dave Parmann on drums and vocals; newer band member Paul Backus on bass guitar, tuba, trombone, and piano; and band leader Dave Duescher who plays trumpet, guitar, dulcimer and performs vocals.

A fall dance is scheduled on October 27 for the Fond du Lac Lioness Club. The next Mayville Lions Club dance is set to be held on February 8, 2020. The 2019/2020 dance schedule will be available on or before

Little Folks School House

Little Folks School House is owned by Dodie Sargent. She brings 33 years of experience, receiving her training at U.N.H. and UW-Milwaukee. The Assistant Director, Jennifer Melzark has 16 years in the field and received her training at Marian College. Along with Dodie and Jennifer are 23 employees.

Little Folks is rated 5 stars by the Wisconsin Youngstar program and Nationally Accredited. The majority of the teachers have two or four year degrees and are dedicated to providing quality childcare.

Dodie provided licensed family childcare from 1983-1997 and opened the group center (Little Folks School House) in 1997 in the Town of Wayne. After outgrowing the Wayne building, they built a bigger center in Kewaskum which opened in 2006. There are five classrooms, three age separated fenced playgrounds, a coded secured entry and camera monitored classrooms. They also provide before and after school care at Little Folks and Kewaskum Elementary School. Little Folks also serves as a teaching center for Moraine Park Technical College. Students are placed with them every semester for their practicum experience where the Little Folks teachers mentor them.

Little Folks strives to form working partnerships with families. They respect the parent's insights and concerns and want them to feel comfortable leaving their children in their care, knowing they will be safe and nurtured as they help to develop and grow.

Gillie Enjoys Meeting People While Walking The Ice Age Trail

"I think I'm at 190 miles today," Gillie said. He started his trek on April 28th at Potawatomi State Park in Sturgeon Bay, the eastern endpoint of the trail. Gillie does not plan to hike the entire trail in one trip. His plan is to do it in segments when he has time.

The Ice Age Trail winds for about 1,200 miles, following the edge of the last continental glacier in Wisconsin from Interstate State Park on the Minnesota border to Potawatomi State Park on Lake Michigan.

Gillie will complete the 1,200-mile trail over the next two hiking seasons, stopping in communities to meet people and photograph the culture of Wisconsin. His plan was to finish this week and then go back home. Around Labor Day, Gillie hopes to get back out on the trail for a few weeks again.

The end product of this journey will be a photography book capturing the scenic beauty, culture, and people of rural Wisconsin with a blend of photojournalism and fine art photography. The project will be named "Around Wisco."

"The best way to create an intimate portrait

of Wisconsin is to explore the entire state on foot," Gillie said. "The interesting part of the trail isn't just the trail, it's the stops. This is the perfect blend of people and nature. Walking is the ultimate way to see things. I found driving around is a lot less productive than walking. I've discovered some places that I wouldn't have known before."

He is a photojournalist and fine art photographer and wanted to create a book of photos for everyone to enjoy. "Every photographer wants to do a photo book someday," Gillie said. "It's a going to be a portrait of Wisconsin. The Ice Age Trail is that thread (that brings it all together.)"

The idea for this trip came about a year ago. Gillie started working with the Ice Age Trail Alliance about three years ago. This helped him become very familiar with the trail.

"Part of my job has been to photograph people on the Ice Age Trail," Gillie said. "Working with them really opened my eyes."

He realized that he could get some great photos for his book and have a great adventure by walking the entire Ice

Age Trail.

Another added benefit would be the health-related aspects of this endeavor. About four years ago, Gillie had triple bypass surgery.

"Getting in shape became important," he said. "This is the perfect workout."

He was worried about his knees with all the walking he is doing. "It's probably easier than I thought," he said. "My body is holding up better than I thought. It's gone better than I thought it would. I'm feeling stronger than I did before."

Gillie admitted his pace probably not like most hikers. "I'm going at a slow pace, slower than most hikers," he said. "I probably do about 10 miles a day."

This pace helps him to get the shots he wants to in nature and gives him some time in the area towns. While going through the area north-east of Campbellsport, he spent the night at Holy Resurrection Monastery in St. Nazianz.

His stop in Kewaskum included picking up a package at the post office. Before he left on his hike, Gillie mapped out his route and estimated timeline. He then put to-

gether packages with meals and anything else he might need and had them mailed to post offices along his route.

Gillie did a lot of research on long hikes and the best way to be prepared. He even went on two test hikes last year — one in Florida and one in the Kettle Moraine. By doing this, he had a better idea of what he really needed and what type of gear was best suited for a hike like this.

The thing he spent the most time researching and preparing for was the food. When carrying everything you need in your backpack, have only the essentials and light weight items becomes very important. Gillie said his backpack weighs about 25 pounds on average, 20 if he has no food or water.

He researched the best foods to take on a long hike and which would give him a good amount of nutrients he would need for this endeavor, like protein.

"This I probably did the most research on," Gillie said.

He found dried foods that would meet his needs and made his own packets of meals. Gillie used ziplock bags to mix a meal together,

like quinoa, dried hamburger, oatmeal, dried fruit. He would pour water into his bag and use the bag as his plate.

Gillie is having a great time on his trip. He has met a lot of interesting and fun people and found some great new locations to continue to visit. He has also been grateful for how people along the way react to him and his photography project.

"People are open to being photographed," Gillie said. "I think I've photographed a lot of people who wouldn't normally want to do that."

He is also glad to have taken this journey along such a scenic trail in Wisconsin.

"Every section is beautiful," Gillie said. "I haven't found a spot I didn't like."

Madison photojournalist and fine art photographer Cameron Gillie is hiking the entire Ice Age Trail to document the landscapes, communities, and people of Wisconsin. "The best way to create an intimate portrait of Wisconsin is to explore the entire state on foot," Gillie said. He is naming the project "Around Wisco." Gillie was in the Kettle Moraine State Forest-Northern Unit last week. He stopped in Kewaskum on Saturday, May 18, for part of the day to enjoy breakfast at the Coffee Corner Bistro and pick up a package with supplies that he had mailed for himself to the Kewaskum Post Office.

Remembering Our Nation's Fallen

A TRIBUTE TO

Our Heroes

"Let us, then, at the time appointed gather around their sacred remains and garland the passionless mounds above them with the choicest flowers of spring time; let us raise above them the dear old flag they saved from dishonor; let us in this solemn presence renew our pledges to aid and assist those whom they have left among us a sacred charge upon a nation's gratitude..."

Local Memorial Day Services & Ceremonies

Kewaskum

The public is invited to share in Kewaskum's longstanding tradition of holding a Memorial Day ceremony on Monday, May 27.

A Memorial Day Parade will begin at 9:30 a.m. at Kewaskum High School. The parade route goes east on Third Street, south on Parkview Drive to Main Street. The parade will then head west on Main Street to Fond du Lac Avenue and north to the American Legion Hall at 1538 Fond du Lac Ave.

The Memorial Day program will immediately follow the parade at 10:30 a.m., outside the American Legion Hall, 1538 Fond du Lac Ave. in Kewaskum.

In case of rain, the program will be held in the Kewaskum Elementary School gymnasium.

The program will include: Master of Ceremonies and Welcome, Wayne Rimmel; Pledge of Allegiance, Everyone; National Anthem, Kewaskum High School Band under the direction of Josh Michlig; Invocation, the Rev. Joseph Brath; Memorial Day Address, Andrew Johnson; Gettysburg Address, Hannah Ly; In Flanders Field, Audra Hurt; Introduction of Gold Star Mothers, Wayne Rimmel; Honoring of War Dead, Firing Squad and Sergeant at Arms James Korth; Placing of the Wreath,

James Korth; Benediction, the Rev. Joseph Brath; Salute to the Dead, Legion Firing Squad; Taps, Andrew Beine; Presentation of Poppy Poster Contest Winners, Wayne Rimmel; and Dismissal, Wayne Rimmel.

Immediately following the program, members of the American Legion and the American Legion Auxiliary Unit 384 of Kewaskum will serve hamburgers, brats and refreshments.

Kewaskum Memorial Day Service

By Andrew Johnson

Last December, Kewaskum Legionnaire Wayne Rimmel asked me if I would give the Memorial Day address at the Legion's program on Memorial Day.

It took me several months to reply since my wife and I like to go to Arlington for the nation's service where our son is buried. Since the GSMT dedication was only a few days after Memorial Day, I decided I would stay and come to Kewaskum this year. I want our readers to know that I feel very

humbled and honored to go.

I have been thinking about what message to bring almost everyday since February. I do public speaking regularly, but this is different. It is very personal and at times painful for me. However, I look forward to speaking with the idea that my son's life can inspire or help someone else as well as honor all of our heroes who gave all.

Fillmore

The annual Memorial Day Program in Fillmore will begin at 12:30 p.m. on Memorial Day, May 27, at the Turner Hall. The public is invited.

Join us for "They Shall Not Be Forgotten," a unique and moving multimedia experience to honor Wisconsin's fallen soldiers in their own words, with pictures and music. The program includes the Honor Guard from VFW Post 1393, West Bend, the Kewaskum High School Band and the traditional fresh flower wreath procession to the cemetery.

The program is sponsored by the Farmington Historical Society. The traditional Memorial Day Program will begin at 12:30 p.m. Refreshments, brats and burgers will be available at 11:30 a.m.

WE WILL NEVER FORGET.

As we celebrate with our loved ones on Memorial Day, we take pause to remember the true meaning of this holiday: To honor the courageous men and women who made the ultimate sacrifice for this great nation. We are eternally grateful for your bravery.

From our family to yours,
Happy Memorial Day.

MEMORIAL DAY

Honoring Their Service & Sacrifice

May 27

Andrew Johnson

Vietnam Veterans Faces project.

What is Memorial Day? What does it mean? These are the two questions that have been on my mind as we approach this special day. Of course this year is extra special on the local level because of the dedication of the Gold Star Memorial Trail on June 1, the Saturday following Memorial Day, and National Trails Day.

Memorial Day is a day to remember. It is a day for the living to remember those who gave the ultimate sacrifice in military service for our great country. It should be noted that many of the recent sacrifices have been made after our military service members come home due to post-traumatic stress disorder (PTSD).

It is also a time we remember those veterans who served and have passed away. The pages of our Memorial Day section feature many of the local soldiers who were killed in action (KIA), as well as many veterans who are buried locally.

This year, we added a new page of names of soldiers killed in World War II from our county. We don't think this list is complete, but it is a good start. This year we also included the names of those KIAs from Wisconsin since 9/11. We thought this was appropriate since many of the families of the recent fallen will be coming to Mayville on June 1. We are also reporting on the progress made on the

still present in my life. I have come to realize that the hurt is never going to leave me. Instead, I as well as everyone who has lost someone we love has to learn to live life with a different perspective or a new normal. The loss of people killed in the military is different from most other deaths because they gave their lives for their country. We remember these special people on Memorial Day. Since 9/11, the deaths of police officers, firefighters, EMS workers, and people in other public service occupations have also been recognized for their sacrifices on Patriots Day. The meaning of Memorial Day for each American is slightly different. For me and other Gold Star families, we think of our sons or daughters. For others, it is remembering the loss of their battle buddy or a friend. Still for others, it is a patriotic time of recognition of sacrifices made and remembering those who have served. All are important. It is my hope that the public would be educated to know what Memorial Day is and realize that all of the special rights and privileges we have as citizens are because of the sacrifices made. Since the founding of our country, more than one million military service members have given their lives – a very expensive price. Memorial Day is for the living, not the dead. It is a time we can remember or grieve. It is also a time we can respond to the loss of our military heroes. For those who have not lost a loved one in the military, I would suggest reviewing this edition's pages and reflect on the local cost and go to one of the local Memorial Day ceremonies. I also invite you to walk with the Gold Star families to show your support for Wisconsin military families on June 1. The reason for Memorial Day should motivate every citizen to fully live each day. What Does Memorial Day Mean?

Individuals killed during military service are not more important than others who have passed away. Nearly every week we run obituaries in our paper which tell the life stories of a local people who have passed on. Each life is important and should be remembered. The pain of losing someone we love is the same for military families and non-military families. I personally have learned more about this with my experience in participating with the "Fathers Club," a group of local fathers who have lost children. I have come to realize that the pain of losing someone we love is directly related to the love we have for the person who passed away.

In general, the closer we are to the person, the more it hurts. It has been seven years since I lost my son and the hurt is

still present in my life. I have come to realize that the hurt is never going to leave me. Instead, I as well as everyone who has lost someone we love has to learn to live life with a different perspective or a new normal.

counseling from the Army after the loss of our son. The biggest thing that helped me was when the counselor asked me, "What do you think your son would want you to do with your life?"

David would have wanted me to live a full

We can all honor our heroes by living a full life doing things that truly make a positive difference for our families, communities and country. Everyone can do something even if it is small.

GSMT Dedication And Grand Opening June 1 Public invited to walk/ride on trail with Gold Star Families

There will be a special grand opening/dedication of the Gold Star Memorial Trail (GSMT) held on Saturday, June 1, starting in Theiler Park in Mayville. The trail is dedicated to the memory of Wisconsin military service members who gave their lives in service to the United States.

It is a free event and the public is invited. Starting at 9 a.m., there will be "The Fallen" truck display; Patriot Guard trailer, with photos of killed Wisconsin military members; and more than 300 pairs of boots representing Wisconsin fallen since 9/11 on display. There will be free face painting and trail keepsake and T-shirts to purchase.

At 10 a.m. there will be a brief ceremony anticipated to last approximately one hour. The keynote speaker will be U.S. Army Chaplain Col. Douglas H. Fleischfresser (commonly known as Chaplain Flash among the troops) who has served in three active duty deployments and has worked with Army Survivor Services with Wisconsin Gold Star families.

Gold Star families will lead a family-friendly walk/roll/bicycle ride along the trail from Theiler Park towards the Horicon Marsh Education and Visitor Center. People can travel as much or as little of the 2.1 miles as they want. The Explorium at the center will be free for Gold Star families and veterans on that day. The event will take place rain or shine.

A large part of the construction of future possible phases of the GSMT, as well as timing of construction, will be largely impacted by the June 1 ceremony. Creating the first phase of the trail was an incredible feat made possible by many generous donors, very determined committee members and the support of Dodge County.

The first phase was built through community effort, \$1 at a time. Other phases of the trail will cost much more and will need to be built with large grants to get it done. I hope that the right people from our state government and other Wisconsin foundations notice what has been done at the grand opening event and will take part in finishing the trail. It would be helpful for the future of the trail to have a large public turn-out on June 1. I encourage everyone to use the first part of the trail as much as possible in order to show officials it is used. It was designed to be free and to be used by people of all ages – from stroller, to bike, to wheelchair and everyone in between. The GSMT is for all the people of Wisconsin.

Heroes never die. They live on forever in the hearts and minds of those who would follow in their footsteps.

MEMORIAL DAY 2019

WASHINGTON COUNTY FALLEN VIETNAM VETERANS

VVMF Faces Project Update

Andrew Johnson

Vietnam veterans have a special place in my heart. Many Vietnam veterans have been especially kind to our family since the loss of our son. These veterans were often not treated well and did not get the honor and recognition they deserve.

The cost of the war was huge – 1,161 KIAs from Wisconsin alone. Several Gold Star families from our coverage area still bare the wounds of loss from this war. Time has passed but the wounds remain.

The symbol of all U.S. KIAs from Vietnam is the black wall located on the Mall in Washington D.C. It is a special place where the precious names of our beloved military members are etched in black granite to be forever remembered as they should be.

In January 2014, I

learned about an effort by the Vietnam Veterans Memorial Fund (VVMF) to find a photo to match every name that was on the wall. It is called the Faces Project.

I joined the effort by using my connections in the newspaper industry to help find many photos. Community newspapers both in print and online have the unique ability to help find the missing photos at the ground level. At that time, 24,000 photos were missing and only one state had found all of its photos. Each year I have been updating the progress of the project. Much progress has been made. As of May 10, there are just more than 1,064 photos missing from 11 states. I have been working with state newspaper associations in these states over the past few weeks in an effort to help find the remaining photos.

Originally, it was the intention of the VVMF to

display the photos in an education center to be built near the wall, in addition to having them available online. In September, I received a call from the communications director at the VVMF to let me know about a change in direction of the education center campaign. Its announcement stated, "That after a strategic review of the Education Center Project, the board is directing the staff to focus on online resources, hand-held technology, education staff, mobile exhibits and partnerships to teach visitors about the Vietnam War and honor those who names appear on the Memorial, and to terminate efforts to construct a physical building on the National Mall."

I have to admit I was devastated when I first heard the news. Fundraising was a challenge. Since 2001, the VVMF was able to raise

one third of \$130 million needed to complete the building project. However, I do think it was good that the new and realistic direction was to utilize technology to get information, including the photos of KIAs, to the public.

The importance of finding all of the photos still remained the same; to honor all U.S. veterans who gave all in Vietnam. Bricks and mortar of memorials will wear and even fade, but the pictorial memory of these heroes will live on as long as there is the United States of America. More about VVMF, is online at www.vvmf.org.

Staff Sergeant Todd R. Cornell
U.S. Army Reserve • Nov. 9, 2004

SSG Todd R. Cornell, 38, of West Bend, WI, died Nov. 9, 2004, in Fallujah, Iraq, when acting in an advisory support capacity and his Iraqi unit came under attack by enemy forces using small arms fire. Cornell was assigned to the Army Reserve's 1st Battalion, 339th Infantry Regiment, Fraser, MI – home unit is 2nd Battalion, 274th Regiment, 84th Division of Fond Du Lac, WI.

Lance Corporal Travis M. Wichlacz
U.S. Marine Corps Reserve • Feb. 5, 2005

LCpl Travis M. Wichlacz, 22, of West Bend, WI, died Feb. 5, 2005, as a result of hostile action in Babil Province, Iraq. He was assigned to Marine Forces Reserve's 2nd Battalion, 24th Marine Regiment, 4th Marine Division, Milwaukee, WI.

Captain Kevin M. Kryst
U.S. Marine Corps • Dec. 18, 2006

Capt. Kevin Kryst, 27, of West Bend, WI, died Dec. 18, 2006, from wounds received while conducting combat operations in Al Anbar province, Iraq. He was assigned to Marine Light-Attack Helicopter Squadron 267, Marine Aircraft Group 39, 3rd Marine Aircraft Wing, I Marine Expeditionary Force Camp Pendleton, CA.

The willingness of America's veterans to sacrifice for our country has earned them our lasting gratitude.

Opportunity To Request A Referendum: Soybean Promotion, Research And Information Program

The Agricultural Marketing Service (AMS) announces that soybean producers may request a referendum to determine whether producers want the secretary to conduct a referendum on the Soybean Promotion and Research Order (Order), as authorized under the Soybean Promotion, Research, and Consumer Information Act (Act). Participation in the request for referendum is voluntary. Producers should participate only if they wish to request a referendum on the program.

If at least 10 percent, not to exceed one-fifth of producers from any one state, of the 515,008 eligible producers determined by the U.S. Department of Agriculture (USDA) participate in the request for referendum, a referendum will be held within one year from that determination. If results of the request for referendum indicate that a referendum is not supported, a referendum will not be conducted. The results of the request for referendum will be published

in a notice in the Federal Register.

Soybean producers may request a referendum during the four-week period beginning May 6 and ending May 31.

To be eligible to participate in the request for referendum, producers must certify that they or the producer entity they are authorized to represent paid an assessment at any time between January 1, 2017, and December 31, 2018.

Form LS-51-1, Soybean Promotion and Research Order Request for Referendum, can be obtained from May 6 to May 31 by mail, fax, or in person from Farm Service Agency (FSA) County Offices, or can be downloaded from <https://www.ams.usda.gov/rules-regulations/research-promotion-soybean>. Completed forms and supporting documentation must be returned to the appropriate FSA County Office by fax or in person no later than COB on May 31. By mail postmarked by midnight on May 31,

and must be received in the FSA County Office by COB on June 6.

Contact Kenneth R. Payne, Director Research and Promotion Division Livestock and Poultry Program AMS,

USDA, Room 2610-S STOP 0251, 1400 Independence Avenue SW. Washington, DC 20250-0251. Telephone: (202) 720-1118. FAX: (202) 720-1125. E-mail: kenneth.payne@usda.gov.

Tour de Forest Challenge

Travel to the Kettle Moraine State Forest - Northern Unit for the Tour de Forest, a day of adventure solving puzzles, figuring out riddles, and locating unique spots. Teams will compete to see which one can complete the Tour the fastest.

The Tour de Forest runs from 11 a.m. to 4 p.m. on Sunday, June 2. Sign in at one of the following three locations: Ice Age Visitor Center, found off Highway 67 half mile west of Dundee; the Long Lake recreation area entrance station, located off Division Road, north of County Road F near Dundee; or the Mauthe Lake recreation area, located off County Road GGG south County Road SS near New Prospect.

It is Wisconsin's Free Fun Weekend, so no one needs a Wisconsin State Park System vehicle admission sticker.

The Tour de Forest is

a brand new event! Teams will travel along the Kettle Moraine Scenic Drive from New Fane to Greenbush, stopping to complete a variety of challenges at different locations along the route. Think of it as a forest-wide scavenger hunt.

This fun-filled family-friendly event will take you to special spots and test your knowledge of the Kettle Moraine State Forest - Northern Unit. Prizes will be awarded for those teams which complete the Tour by 4 p.m., and a grand prize given to the team that finishes the fastest with the most correct answers.

For more information, contact staff at the Ice Age Visitor Center (920-533-8322). The center is open from 8:30 a.m. to 4 p.m. Monday through Friday, and 9:30 a.m. to 5 p.m. on Saturdays and Sundays. Join us for a fun-filled day traversing the Kettle Moraine State Forest - Northern Unit.

Fish Fest In The Kettle Moraine

Venture to the Kettle Moraine State Forest - Northern Unit for a day of fantastic fish fun at the third annual Fish Fest!

The Fest will be held on Saturday, June 1, from 12 p.m. to 4 p.m. at the Long Lake Recreation Area fishing pier. The recreation area is located off Division Road, north of County Road F near Dundee.

It is Wisconsin's Free Fun Weekend, so no one needs a fishing license to drop a line in the water or a Wisconsin State Park System vehicle admission sticker.

How do fish swim? How do they breathe under water? How do they eat? Find the answers to these questions and much more as we wade through the Fascinating Wisconsin Fishes station.

At the Learn to Fish Rodeo through hands-on activities learn or brush up on your fishing skills. After completing the rodeo, experienced anglers will be stationed at the water's edge to help hone your newly acquired skills. Fishing gear and bait will be available for those who need it, or bring your own.

The College is celebrating some major achievements from two of our programs, CNC and Electricity. The programs both competed at the regional SkillsUSA competition and earned a place at the national competition. A group of Moraine Park's CNC students competed at the SkillsUSA regional competition. From left to right are Craig Seidel, Moraine Park instructor; Zach Rabideau of Jackson; Isaac Schrage of West Bend; Jarred Welnak of Germantown; William Kraus of Jackson.

Moraine Park CNC Students To Compete At SkillsUSA Nationals

Moraine Park Technical College CNC Tool and Die students recently participated in the 2019 Wisconsin SkillsUSA State Leadership and Skills Conference in Madison.

The CNC Tool and Die club representatives competed in two separate categories; Automated Manufacturing Technology and CNC Milling Specialist. Earning first place in the team Automated Manufacturing Technology category are William Kraus of Jackson, Zachary Rabideau of Jackson, and Jarred

Welnak of Germantown. Isaac Schrage of West Bend competed in the CNC Milling Specialist category and achieved fifth place.

Kraus, Rabideau, and Welnak will represent Moraine Park Technical College at the SkillsUSA National Leadership and Skills Conference (NLSC) in Louisville, KY this June. SkillsUSA is the showcase for the best career and technical students in the nation. The philosophy of the event is to reward students for excellence, involve industry in directly evaluating student

performance and keep training relevant to employers' needs. More than 16,000 people are expected to participate in the NLSC weeklong event.

Washington County Fair Park Appoints New Marketing Coordinator

Kellie Boone, executive director of Washington County Fair Park & Conference Center, announced that Iva Thelen of West Bend has been appointed as the new marketing coordinator.

"With Iva's unique background, passion and positive energy, we are very excited to have her as our new Marketing Coordinator. She will be a great addition to the Washington County Fair Park team," Boone stated.

Originally from Atlanta, GA, Thelen has been a resident of West Bend for the past 18 years. Her educational background includes a Master of Technology degree and Bachelor of Business Administration in marketing, both earned from Georgia Southern University.

After working in a wide variety of corporate marketing positions, she taught communication

courses at UW-M at Washington County and was the executive director for the Washington County Campus Foundation. More recently, she was the marketing and development director for Big Brother Big Sisters of Washington County.

Over the past 18 years, she built an outstanding record of achievement by creating, developing, and implementing successful strategic and innovative marketing concepts, plans, and materials.

She has volunteered in the community to build a special needs playground at Decorah Elementary School and volunteered in a wide variety of roles at St. Frances Cabrini Catholic School and Parish, where she is an active member.

Her community outreach and fundraising, combined with close ties to the Washington County community, make her uniquely suited for the marketing coordinator position for Washington County Fair Park & Conference Center. She is looking forward to furthering awareness of the Washington County Fair Park & Conference Center that includes promoting the Washington County Fair and other events at the facility.

Rep. Ramthun: New Estimates Show Even Greater Revenues

State Representative Timothy Ramthun (R-Campbellsport) issued the following statement in response to the nonpartisan Legislative Fiscal Bureau announcing an increase in projected new state revenues of \$753 million over the next three years:

"The fiscal responsibility of effective and smart budgeting by Wisconsin Legislative Republicans the past eight years continues to pay dividends once again. Today, the updated estimates of new state revenues show that number to be over three quarters of a billion dollars," Rep. Ramthun stated.

He continued, "These revenues are a result of efficiencies in tax cuts, pro-business policies, and prudent spending within our means that is leading to these increased tax revenues. Our economy is booming because of these policies, and we're seeing that reflected now."

"It is important that we continue to govern in this fiscally responsible way and that this 'new norm practice' continues in Wisconsin. I look forward to applying these tax revenues back to the taxpayers in the form of continued tax reductions to sustain continued revenues, to the rainy day fund for future use(s), and paying down debt." Ramthun added.

Annual "Click It Or Ticket" Seat Belt Campaign Begins Monday

With another busy travel season getting underway, law enforcement agencies across Wisconsin are teaming up to send motorists an important safety message: buckle up — every seat, every trip.

During the annual Click It or Ticket mobilization that began May 20 and runs through Sunday, June 2, law enforcement officers will work for longer hours and in greater numbers to ensure compliance with the state's mandatory seat belt law.

"Our top priority throughout the year is public safety, and wearing a seat belt is the single, most important way motorists can protect

themselves every time they travel," Wisconsin Department of Transportation secretary-designee Craig Thompson said.

The current seat belt use rate of 89 percent is among the highest ever for Wisconsin. Still, about half the car and light truck occupants killed in Wisconsin traffic crashes are unbuckled.

This year marks the 10-year anniversary of Wisconsin's primary enforcement law that allows law enforcement to stop and cite motorists solely for failing to buckle up. Drivers can also be cited for every unbuckled passenger in their vehicle. Failure to fasten a seat belt is

among the most common traffic violations in Wisconsin and resulted in 50,875 traffic convictions last year.

Over the next two weeks, WisDOT will use designated federal funds to support enhanced law enforcement efforts, TV, radio and other public education messages, many featuring Green Bay Packers' all-time leading receiver and Click It or Ticket spokesperson Donald Driver. Electronic message signs along major highways will also dis-

play buckle up reminders.

When Wisconsin's secondary seat belt law was enacted in December of 1987, the state's seat belt use rate was just 26 percent (under secondary enforcement, police can issue a citation for not wearing a seat belt only when there is another traffic infraction). The seat belt use rate was 74 percent when the state's current primary seat belt law was enacted in June of 2009.

Judge Martens Honored For His Role In Development Of Washington County Drug Court

Washington County Circuit Judge, the Honorable Todd K. Martens, received the first, "Elevate Our Mission" award from Elevate, Inc, at their annual dinner in Richfield on Wednesday, May 15.

Elevate honored Martens for his work in helping to establish the county's OWI and opiate treatment and diversion programs. In addition, Martens has been a strong supporter of the establishment of a Drug Court in Washington County, which is expected to be in place in early 2020.

The programs support individuals who, because of a substance use disorder, have become involved in the criminal justice system. They emphasize the importance of engaging in a treatment process and developing a sober lifestyle in addition to taking personal accountability and committing to program requirements.

Elevate's annual dinner also featured video

success stories of recent TAD program graduates.

Elevate is a Washington County nonprofit that provides prevention, intervention and recovery/support services in the areas of mental illness and substance abuse/addiction.

Martens is the judge for Branch 3 of the Washington County Circuit Court. Governor Jim Doyle appointed him on July 8, 2010. He won reelection in the general election on April 4, 2017.

Martens received bachelors and master's degrees from the University of Wisconsin-Madison. He earned his law degree from Harvard Law School.

He was the Washington County District Attorney from 1999 to 2010, and an assistant in the office from 1991 to 1999. Martens worked at the law firm of Quarles & Brady in Milwaukee prior to joining the Washington County District Attorney's office.

A Column By Kewaskum Librarian Lori Kreis

I like to laugh and especially enjoy when a book makes me laugh. That does not happen easily for me; my sense of humor can be a bit twisted. However, I recently read a book so full of dark comedy, I found myself laughing, sometimes uproariously. "White Elephant" by Julie Langsdorf came out earlier this year and I am glad I had a chance to check it out. It especially was an enjoyably bright read during a cold, wet weekend.

The setting of this novel is a suburb called Willard Park not far from Washington DC, an idyllic neighborhood of diverse families, great schools and beautiful parks. The post-war Sears kit houses are in abundance and each street is named after a tree. Trees are a huge attraction to this community as they are heavily populated throughout the Norman Rockwell like town. Willard Park really seems like a perfect place to live; Long-time residents greet new neighbors with baked goods and weekend barbecue parties are the norm.

Unfortunately, not all is as flawless as it seems. There is the white elephant; a

massive house overlooking the neighborhood. If that wasn't bad enough, the owner of the white elephant is also a developer and decides that cutting down precious trees will entice more buyers to the mansions he is building. Someone begins uprooting trees in the neighborhood and tempers flare. The reality of dysfunction is made clear when a sort of chaos erupts.

Langsdorf, a grant winner for fiction has written short stories that have been published in magazines with "White Elephant" as her first novel and what a debut this is. I think she captures the life of suburban America with a dark wit that I haven't read since John Irving's Garp. The characters are multilayered and frankly, quite funny. I like that they are not stereotypical and some surprisingly recognizable from my experiences.

If you like satirical fiction with excellent writing, "White Elephant" by Julie Langsdorf is a great pick. Check it out and stop back and let me know what you think.

Will news clippings of your family's weddings, anniversaries and births be around a hundred years from now on Facebook?

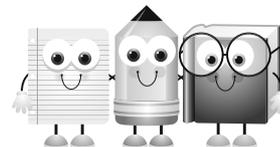

Maybe not. PROBABLY not.

We will publish it the old-fashioned way, so your friends and family can know about it now - and in the distant future.

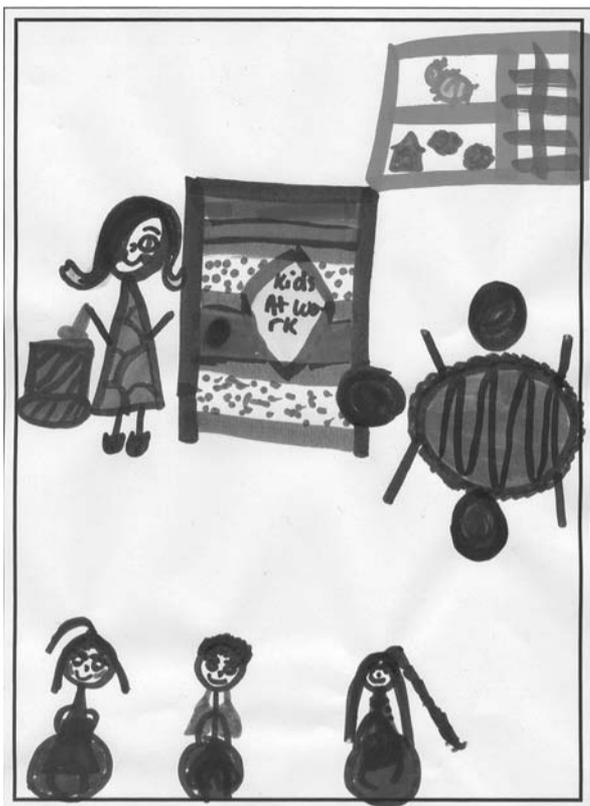

Don't let your great-great-grandkids down when they try to find out about you.

Heus, Meidls Lead KHS Track Teams To Second, Fifth In EC Finals

By Judy Harlow

The Berlin boys and girls track teams were not very hospitable May 14 as they "entertained" the other seven teams in the East Central Conference and beat them all to take the titles.

The Berlin boys powered their way to 162 points, 36 ahead of runner-up Waupun (126), with an improved Kewaskum team finishing third with 97.5.

On the girls side, the competition was a lot closer with Berlin eventually edging Plymouth by just two points, 147.5 to 145.5. Defending champion Winneconne was third with 110. Kewaskum scored 80 points to finish in the fifth spot for the second year in a row.

"I think we've got a little more depth this year," KHS co-head coach Kris Evans said about his boys coming close to the 100-point mark and the girls moving up two spots from last year.

As has been the case all season, senior Tyler Heus turned in outstanding performances, winning the 400 meter race and oh so close to doubling in the 200, losing by .01 of a second. In the 400, Heus turned in a sizzling 51 seconds (51.00) for the win. Berlin's Garrett Krueger was next, .45 back at 52:45.

"He had a p.r. in the 400," running pretty much by himself, Evans said, adding, "He's going to have his work cut out for him at the sectionals because three guys there have been under 50 seconds. He's a warrior ... If there are guys in front of

him, I expect the best from him."

In the 200, Heus had the best time in the prelims, a 23.27, then Ben Fisher of Waupun turned on the jets to win the title, 22.87 to 22.88, both personal bests.

Heus finished his team with a great anchor leg to give KHS a win in the 4x400 relay, which was clocked in 3:34.52. The lead trio included Ben Frase, Eli Bartelt and Jermaine Thull.

The Indians other first place came in the long jump, with Bartelt sailing 20 feet, 4.5 inches (20-04.50), 2.5 inches better than Trenton Hanseder of Winneconne.

KHS placed second in the 4x100 relay, behind the efforts of Jermaine Thull, Jed Ermer, Trevor Degnitz and Bartelt. The Indians were clocked in 44.96, 1.17 behind Waupun.

KHS scored major points behind their third places, four of them. Junior Ben Frase turned in another outstanding effort in the 800, running a 2:01.05, a personal best for him. Waupun's Josh McLinn dipped under 2:00 to win with a 1:59.22.

"A 2:01 ... unbelievable. He's been in a consistent downward trend (with his time)," Evans said.

The hurdlers improved greatly this spring, to the point juniors Sam Schultz and Dylan Maechtle took second and fourth in the 110s with times of 16:87 and 17.25. Schultz added a third in the 300s with a p.r. of 43.75 and another third in the high jump where he cleared a season-best 6-2.

Sam Melzer also garnered a tie for third in the pole vault by clearing 12-06.

Other top-six individual finishes by the Indians included: discus - Jon Leister, 5th, 126-00; pole vault - Kyle Toth, 5th, 11-0.

The girls were led by Abby Meidl and the distance runners. Meidl cleared 10-06 to win the pole vault by two feet. She was the Lady Indians' lone winner. Meidl's sister, Brenna, took third in the high jump with a jump of 4-08, losing out on second place due to misses.

"The Meidls, in some way, are responsible for about half of our points," Evans said.

KHS scored eight points from its second in the 4x400 relay where Courtney Butzlaff, Brenna Meidl, Anna Peterson and Lindsey Landvatter combined for a 4:14.55, a little over two seconds behind Plymouth. Brenna also contributed a fifth in the 400 (1:03.06).

"We were happy with the 4x400 relay," Evans said.

The Indians also did well in the 4x800, taking third place with a 10:28.83, thanks to the efforts of Romela Olla, Alyssa Butz, Faith Mertzig and Grace Marchello. Three of these girls also placed other events. Olla finished third in the 3,200 with a time of 12:31.49, while Marchello was fourth in the 1,500 (5:41.29) and Mertzig picked up a fifth in the 800 with a personal best 2:35.23.

Emily Halterman had a good day in the discus, placing third with a sea-

son-best 110-11.

Other top-six finishes included: 100 hurdles - Madelyn Thull, 3rd, 17.90, a p.r.; 4x100 relay - 3rd, Hailey Hasenberg, Jill Braatz, Abby Meidl, Saioa Carrascal, 54:12; 4x200 relay - 3rd, Peterson, Abby Meidl, Haley Den-

sow, and Brenna Meidl, 1:52.02; pole vault - 5th, Braatz, 8-0.

Kewaskum Youth Soccer Results

May 18 Kewaskum U9 Rays 5

What a game played by the U9 Kewaskum Rays to get their first win of the season. From the outstanding crosses provided by Tyler Rabuck, the great defensive positioning and effort from Claire Geiger and Isaac Nielsen, the relentless offensive pressure from Lily Prost and Olivia Gurrola (who got her first goal of the season), the awesome energy and support in the mid-field from Brady Wildt and Landon Riegler, Oliver Grovers tremendous goalie play (whose saves in a 10 second span earned him the muddiest player award), and Cam Kopf's amazing hat trick earned them a 5-3 victory.

With only two substitutes, all the athletes had to dig deep and work really hard. The teams work in training really is beginning to shine through in their

passing, positioning, and spacing. It was a total team effort.

May 17 Kewaskum U9 Fire 2 Comets 1

U9 Fire and Comets teams were anxious to play their make-up game on Friday, May 17. The competition was fierce, and all of the kids played an amazing game.

Kenley Yapp played very well, showing off all she's learned this season. Joel Maas and Caden Jaeger were especially quick on their feet and made some great passes.

The score was close throughout the entire game. Leviathan Whitfield scored the first goal in the third quarter. The Comets tied up the game with a shot on goal early in the fourth quarter. Then Ella Schmidt slammed one to the back of the net with an assist from

Leviathan, leaving the Fire with a victory score of 2-1.

May 18 Kewaskum U9 Fire 5 Slinger Ravens 1

U9 Kewaskum Fire was all fired up and ready to play the Slinger Ravens on Saturday, May 18. Players worked hard as a team making great passes and keeping the Ravens' defense on their toes. They took multiple shots on goal throughout the game.

Sydney Brandt was the first to make contact with the back of the net, scoring the first goal of the game. Leviathan Whitfield scored the next two goals with powerful shots, both assisted with great passes from Dana Jacobson. Next up were Landon Scheel and Ellie Berres, each successfully scoring goals. Fire took the win with a score of 5-1.

Indians Move Into Tournament Action After Finishing Third In EWC

By Judy Harlow

With sweeps in its final two matches on May 12 and 14, the Kewaskum tennis team finished third in the Eastern Wisconsin Conference behind Manitowoc Roncalli (6-1).

On the road, the Indians shut out Sheboygan Falls and Two Rivers to finish at 5-2 in league play. "I don't know how many years in a row this is, but eventually we need to start hanging banners for third!!" KHS coach Andrew Dahlberg said.

"What a way to end the season. Three hours on a bus for less than 60 minutes of match play. Kewaskum was dominant yesterday as we took out Two Rivers," Dahlberg said.

The coach said the bright spot of the day was a compliment from the coach for our number two doubles players, Aaron Singer and Conner Toth on the good sportsmanship they showed. "Coach Garcia and I always say

that wins are important but not nearly as important as building great men."

All four KHS singles players wound up with winning records, with Kyle Loehr at 8-4, Matt Krautkramer at 10-2, Bryce Halvorsen at 9-2 and Ben Read at 9-3. The number one doubles players, Isaiah Cochran and Bret Fahrenkrug ended up 7-5.

The Indians played in the Catholic Memorial sub-sectional on May 20 to determine sectional players, who competed May 22 in East Troy for the right to go to the WIAA Division 2 State Tennis Tournament in Madison.

KEWASKUM HIGH SCHOOL 7, TWO RIVERS 0

Sheboygan Falls Match

About the match at Falls, KHS coach Andrew Dahlberg said, "We finally had a great day for tennis and our guys took advantage. Kyle (Loehr) and two subs (Aaron Singer and Conner Toth) really overcame some early struggles to take their matches, and it was awe-

some to see the success that the team is having."

KEWASKUM 7, SHEBOYGAN FALLS 0

Singles: No. 1 - Kyle Loehr def. Tommy Murray, 6-4, 3-6, 6-2; No. 2 - Matthew Krautkramer def. Ethan Reschke, 6-3, 7-6 (4); No. 3 - Bryce Halvorsen def. Preston Kurtinitis, 6-1, 6-0; No. 4 - Ben Read won by forfeit.

Number One Doubles Team, Three Singles Advance To Tennis Sectionals

By Judy Harlow

After a day of tennis at the Catholic Memorial sub-sectional on May 20, Kewaskum scored 14 points and advanced three singles players and its No. 1 doubles team to the East Troy Sectional, which was held May 22.

The Indians No. 1 singles player, senior Kyle Loehr, punched his ticket to the sectional with a 6-1, 6-0 victory over Kyle Baumann of Grafton. (No.

1 singles players and No. 1 doubles teams need just one win to advance.) With the win, Loehr is 9-4 on the year.

At No. 2, Matthew Krautkramer (12-2) went 2-0 on the day, first defeating Bryce Ryan of St. John's/Northwestern Military Academy 6-2, 6-1, then moving into the semifinals with a 6-3, 6-3 victory over Gabe Keach of Waupun.

Similarly, Bryce Halvorsen went 2-0 to im-

prove his season record to 11-2. He opened with a 6-1, 6-1 win over Cooper Laper of Waupun. Then Halvorsen bested Josh Brown of Grafton, 7-6 (8), 6-3.

Isaiah Cochran and Bret Fahrenkrug qualified with a 6-4, 6-1 victory over Shawn Hughes and Patrick Walmsley of St. John's Northwestern Military Academy. They are now 8-5 on the year.

At No. 2 doubles, Aaron Singer and Conner Toth

won their first match, 6-4, 6-4 over a Grafton two-some before bowing out with a 1-6, 0-6 loss to Catholic Memorial's Peter Harford and Theo Horning.

Catholic Memorial Team Scores: 1. Catholic Memorial, 22 points; 2. Kewaskum, 14; 3. (tie) Port Washington and Wauwatosa Lutheran Prep, 12; 5. Grafton, 8; 6. Waupun, 7; University Lake School, 0.

Great Athletic Moments In Kewaskum High School History

By Judy Harlow

The 1976-77 Kewaskum girls basketball season didn't get off to the best start, but the Lady Indians made history in late February and early March, waltzing through Division 2 regional and sectional tournaments to become the first KHS team to qualify for the WIAA State Tournament.

The entire community got behind this band of young athletes, who were led by Julie Stoffel and guided through thick and thin by Mike Theiler, a young coach/guidance counselor at the school.

Other team members included: Yvonne Schacht, Janine Prost,

Kathy Mertz (who would go on to UW-Green Bay where she had a stellar career), Joan Petrie, Tami Edgar, Mary Schoofs, Mary Ryan, Kaye Weinreich, Bonnie Schmidt, Karen Wagner and Ann Weddig. Stoffel and Mertz were co-captains, and Robin Acker was the team's manager.

To earn a trip to Madison, the Lady Indians won 55-47 over Pewaukee, a team that had beaten them twice in the regular season and Clinton 49-38 in the sectional final.

As luck would have it, the Indians drew the defending champion and top seeded Cuba City for their first game at the

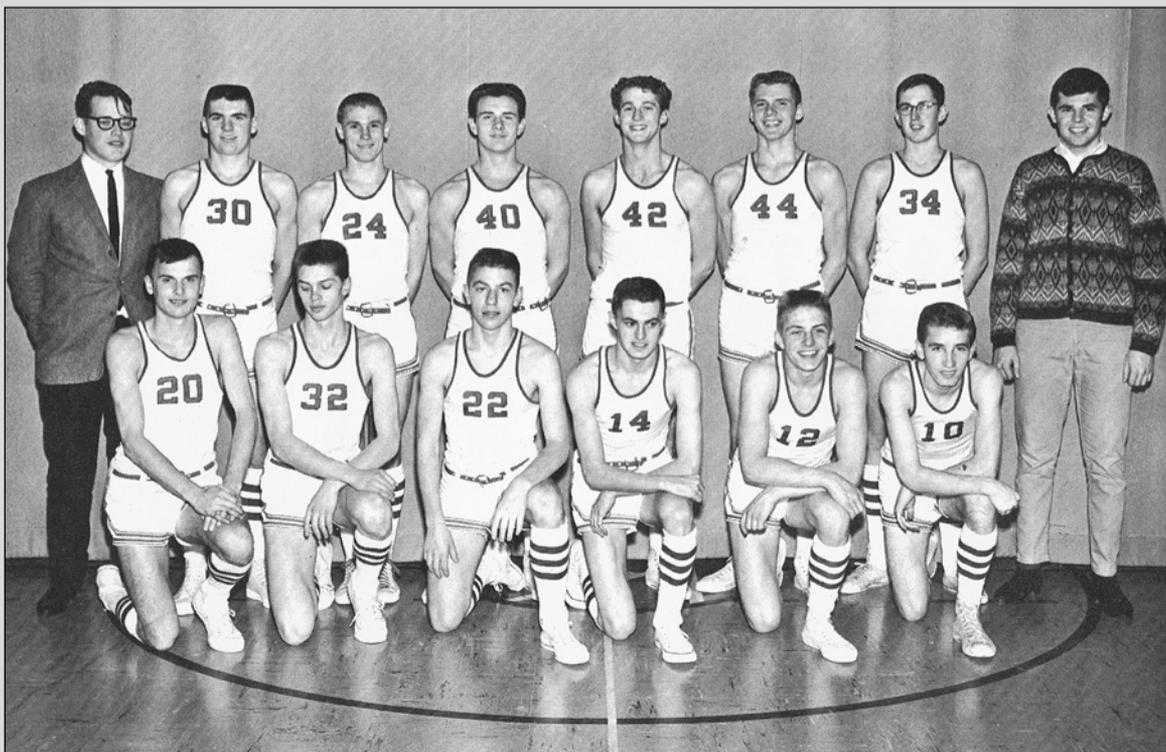

historic UW-Fieldhouse.

Undaunted by the fact they were the underdogs, the Indians led at half, 26-24 and at the end of three quarters, 36-30. The Cubans (23-0) came back, however, pouring in 23 points to win the game, 53-45. Kewaskum was just one point down with five minutes to go.

Stoffel led KHS with 15 points and 15 rebounds before fouling out. Schacht also hit in double figures with an even dozen, while Mertz and Prost chipped in with six and five, respectively. Bonnie Schmidt scored three points, while Mary Schoofs and Mary Ryan each added two.

Afterward, Stoffel urged her teammates not to be sad because they made history, becoming the first KHS basketball team, which finished 15-7, to advance to state in just the second year girls basketball sponsored a state tournament.

Writer's note: A committee is currently working on establishing a Hall of Fame at KHS. Interested parties are invited to an open meeting on June 12 at 6 p.m. in the KHS Library. Until then, the *Statesman* will be featuring accomplishments of former KHS athletes and teams.

This is a photo of the 1965 boys varsity basketball team from Kewaskum High School. They are the team that Judy Harlow wrote about last week in her Great Athletic Moments In The History Of KHS story. Golfers Are East Central Champs For Second Straight Year

By Judy Harlow

The news was good and bad in so far as the Kewaskum High golf team was concerned at the East Central Conference 18-hole tournament held on May 15.

The good outweighed the bad because even though the Indians had to settle for second place in the tournament at The Rock in Waupun, they had enough points from the mini-tour events to successfully defend their ECC title.

"We shot a 328, to finish six strokes behind Plymouth," KHS coach Casey Scheel said about the event, which had to be played on the back nine at the Rock because many of the fairways on the front nine were "washed out." The pins were re-set after the first nine holes of play, according to Scheel, who said the golfers played the White Tees for the first nine and the Blues for the second.

Plymouth came in with a 322, then came KHS, followed by Kettle Moraine Lutheran and Winneconne at 346 and 349. The other four were far back, with Waupun posting a 368, Campbell-sport, 379; Ripon, 384; and Berlin, 64 strokes back at 386.

Scheel reported his five counters were Brad Buechel with a 40-37-77, Jacob Schlosser at 39-42-81, Talon Ralph, 41-42-83 and Toree Ralph 45-42-87. The 88 by Travis Griesemer was the throw-away score.

Plymouth's Kyle Kraus was the medalist of the tournament, carding a 2-over-par 39-35-74 with birdies on number 14 and 17. Alec Nicholson of Plymouth finished as the runner-up with a 39-37-76, and then came Buechel in the number three spot. Schlosser finished in a tie for fifth with two others, while Talon Ralph was tied for eighth. Toree

Ralph and Griesemer wound up 11th and 13th.

"Brad played very well on the back nine. He was one-under par for the first six holes on his back nine. He kept the ball in play and scored very well the second time through," Scheel said. "He was able to finish the season as Player of The Year in the conference. He has been consistent all year long, has worked hard, and is very deserving."

Scheel indicated what made this special is Buechel is also playing baseball this spring, helping the Indians to a successful season.

"Jacob played well all day until the final few holes. He made a few mistakes late that cost him a few strokes. He's been the leader of our team all year long, and finished as runner up in player of the year for the third consecutive year," Scheel said. "I really wish it would have worked out that he and Brad could have been co-player of the year because they were both so deserving and really carried us all year long."

"Overall, we were still able to win conference as a team, which I am very proud of," Scheel said, indicating the team will have to eliminate mistakes to reach "their ultimate goal" of placing high at state.

Final EC Team points: 1. KHS, 12; 2. Plymouth, 16; 3. KM Lutheran, 31; 4. Winneconne, 33; 4. Campbell-sport, 49; 6. Waupun, 53; 7. Ripon, 63; Berlin, 67.

All Conference: First Team — Buechel, 71.5 points; 2. Jacob Schlosser, 62 points; 3. Alec Nicholson, Ply, 45.5; 4. Charlie Aschenbach, Ply, 39; 5. Kyle Kraus, Ply, 38.5; Second Team — Talon Ralph, 35; Nick Kraus, KML, 31; Andrew Carlton, 27; Ethan Draeger, KML, 23.75; Robert Grey, Win, 22.5. Travis Griesemer and Toree Ralph were honorable mention picks with 22 and 10.5 points, respectively.

Indians Share Softball Title With Waupun; Next Up The Tournaments

By Judy Harlow

The Plymouth softball team had little or no chance of beating Kewaskum in the May 14 regular season finale, not with the Indians fired up to tie Waupun for the East Central Conference title and to send the seniors out on a winning note.

Kewaskum exploded for seven runs in the second inning on six consecutive singles and a home run and cruised to a 13-3 victory in a game shortened to five innings via the 10-run "mercy rule."

With the win, KHS (17-3 overall) and Waupun ended up with identical marks of 13-1.

"That was one of the goals," KHS coach Jeff Gosse said about being conference champs and beaming about his club's power display for Senior Night. Tara Theusch and Abby Baumann both homered, Theusch's two-run shot coming in the second, and Baumann's three-run blast in the third with Kaitlyn Leitheiser and Leah Theusch aboard.

The Lady Indians also smashed three doubles, coming off the bats of Maddie Geidel, Ashley Clausing and catcher Leah Theusch, who went 3x3 with a run batted in (RBI). Geidel, Tara Theusch (2), Kennedy Lehn (2), Ashley Trapp and Baumann (3) all had RBIs.

Gosse went with his two senior pitchers in this game, starting Lehn, who gave up no runs and no hits in three innings, while striking out eight. Kaitlyn Miller (5-2) came in for the fourth and fifth, striking out two and walking none. She gave up three runs on four hits, including a double by Izzy Arbuckle.

Seniors honored before the first pitch were Geidel, Trapp, Tara Theusch, Leah Theusch, Lehn and Miller. Most of them have been three- or four-year starters.

May 18 Games
The Indians were

scheduled to play in the Oakfield Tournament on May 18, but after boarding the bus, KHS coach Jeff Gosse got word the Oakfield diamonds were under water. Still, there was an option, to play Horicon (19-0) in a doubleheader.

Gosse took it, and used the first game as a tuneup for the regional game (against Shorewood on May 21) and the second to give his younger players a chance to play against a very good opponent. The Indians lost both games, 3-0 and 23-8.

"It was a good game," Gosse said about game one, reporting the Lady Marshmen got seven hits off Kennedy Lehn but all their runs were unearned. Lehn, 11-2 on the year, struck out nine and walked three.

"They're the best team we played all year," the coach went on, indicating the Indians had just three hits off Allison Tillema, by Maddie Geidel, Kaitlyn Leitheiser and Kaitlyn Miller.

In game two, Gosse had Miller pitch for an inning, JV regular Anna Theusch for two innings and Sydney Kertscher for a couple innings. Miller was tagged for six runs, then Horicon scored 12 in the next inning against Ann Theusch. "She had six errors behind her," Gosse said.

Offensively, Ashley Clausing socked a grand slam home run and a single for six runs batted in (RBIs) and Kertscher, who played shortstop all year but didn't bat much, provided a single and double.

KHS is currently 17-5, and with a win over Shorewood, will face the winner of Grafton and Brown Deer this evening (May 23) at 5 p.m. The sectional will be played May 28 at the home field of the highest seed and May 30 at Plymouth at 4:30 p.m.

Game Got Away From Kewaskum Early In The Second Half

By Judy Harlow

It was a story of two halves. The Kewaskum girls soccer team played well in the first half of its East Central Tournament game against Winneconne on May 16, but with a couple regulars sidelined by injury or illness, the Indians may have run out of gas for the final 45:00 when the Wolves scored four times toward a 6-0 shutout win.

"The first half we were playing well, building our attack," and in the right position, KHS coach Luke Piwoni said, but, "Those two early goals in the second half ... That took the wind out of us, took away any momentum we had built up."

Left forward Kati Friedrich went on a scoring tear for the Wolves, scoring just two minutes into the second half (47:02) off a nifty pass by Emily Heyroth. Winneconne got the ball right back, and the same duo was responsible for a fourth Wolf goal at 47:41 after Friedrich took advantage of a one-on-one situation against KHS keeper Nicole Butz.

That goal was the 100th in Friedrich's high school career, and she wasn't finished, getting number 101 at 58:17. With Friedrich and Heyroth, who also reportedly has 100 goals, it's easy to see why Winneconne won the 2018 East Central title, is in good position to defend that title and do well in the tournament season, backing up its sixth place ranking among Division 2 schools.

Heyroth scored twice in the first half, the second on a penalty kick after Kewaskum's Lydia Stein-

bauer tackled Heyroth with a little too much force.

In the second half, Kewaskum had trouble getting the ball across the center line for the first 12:00. They did a little better after that but it was obvious the Wolves had too much speed and depth for the hosts. Kennedy Adams did get off a few shots, but they were wide of the mark.

"Oh yeah, they're quick," Piwoni said, and plenty physical. "That's who Winneconne is," Piwoni said.

Next up for the Indians (14-7) was KM Lutheran on May 21, and they end the tournament with a home game against Plymouth on May 23 at 6:45 p.m.

KHS was without defender Emma Penfield, and she probably won't play any more this season. "She sprained her ankle in practice," Piwoni said, adding Andrea Butz also missed the game because of illness.

May 14 Game

In a game played May 14 in Columbus, Kennedy Adams scored the lone goal, lifting the Lady Indians to a 1-0 shutout victory, their 14th win of the season.

"It's been the story of our season," KHS coach Luke Piwoni said, referring to the fact his team got off 18 shots but scored just once.

The score was 0-0 at half, then midway in the second half, Adams, with an assist from Lydia Steinbauer, put her stamp on the win at the 65:44 mark.

Goalie Nicole Butz had a relatively easy night as Columbus got off just two shots.

Split With Ripon Puts KHS Nine In Fourth Place In EC Action

By Judy Harlow

Two nights after pounding out 14 hits in a 6-3 win over Ripon, the Kewaskum baseball team was held to three hits and had only one base runner reach third base in a 4-0 loss to the host Tigers, thus ending the Indians' seven game win streak.

The win gave Ripon an 11-3 record, good for second place in Each Central Conference play. The Indians fell to 8-5-1 with the unfinished 4-4 game with Winneconne. (KHS coach Mike Heisdorf doesn't think the game will be made up and said Winneconne will get third place because the Wolves won the first game.)

Apparently the Tigers were not pleased with their loss to Kewaskum. In this game, they started fast and used a good pitching performance by

Max Husboe to get the victory. Leadoff man Cade Jahns hit the first pitch of the game over the fence for a home run and a 1-0 lead.

The Tigers scored another single run in the bottom of the second on a double by Sam Vanevenhover, a passed ball and a sacrifice fly by Hunter Auchtung, and added two more unearned runs in the fifth on an error, three walks and a wild pitch.

The Indians got a single from Brad Buechel to start the game but Husboe got Eric Bauer to strike out looking, Ryan Prochnow to ground into a fielder's choice and the third out when Ripon catcher Brice Peth threw out Prochnow trying to steal.

No KHS runner got to second base until the fifth when Peyton Donath reached on an error; Mason Pomeroy bunted him to second, and he arrived at third via a ground out to the pitcher. Husboe ended the inning when he got Cale Fransen to ground out to short.

"Their pitcher shut us down," Heisdorf said, reporting Buechel, Bauer and Block got Kewaskum's three hits. Jahns went 2x3 for the winners. Husboe picked up the win, striking out six and walking just one.

May 14 Game

On May 14, KHS batters combined for 14 hits to tame the Tigers 6-3. "The pitching was good. We had timely hitting, and we took advantage of some of their mistakes," KHS coach Mike Heisdorf said.

Leadoff hitter Brad Buechel went 3x4, while fellow seniors Eric Bauer and Ryan Prochnow both had two hits. Prochnow smashed a double to the wall in center field in the fifth and scored on Colten Miller's single. "I think it was within a foot of that one going over," the coach said. "He smoked that one."

Carson Dogs got the win. The left-hander gave up one run on two hits, striking out four and walking two in 3 1/3 innings. Prochnow finished up, giving up two runs on three hits, striking out five and walking one.

May 17 Game

On May 17, visiting Grafton (12-9 and fifth in the North Shore Conference) and Kewaskum were all tied at 4-4 at the end of regulation so they battled on for three more innings until the Blackhawks sent nine to the plate and scored three runs in the top of the 10th. Kewaskum got one back in its last at bats but lost 7-5.

The Indians had just six hits, including three by Eric Bauer. Defensively they committed four errors, including two in the 10th.

Hunter Schmidt was the winning pitcher, going 5 and 1/3 innings, striking

out five and allowing four runs on two hits. Reliever Lucas Block took the loss for KHS. Carson Dogs started and gave up four runs on seven hits in 4 and 2/3 innings.

Previous Games

Last week Coach Mike Heisdorf also added games against Random Lake and Brookfield Central. Below are capsules of those games.

KHS against Random Lake — win, 3-2; Kewaskum scored two runs in the second inning and the winning run in the bottom of the seventh after the Rams had tied the game. "Ryan Prochnow had a walk-off (single)," Heisdorf said, reporting Prochnow pitched all seven innings, giving up two runs (one earned) on four hits, striking out five and walking three.

Eric Bauer went 3x3, while Travis Block had a single and Mason Pomeroy a triple.

KHS against Brookfield Central — loss, 12-6. "That one got away early," Heisdorf said, reporting Brookfield scored nine runs in the first three innings, including five in the first when his starting pitcher, Cale Fransen, hit a batter, walked three and gave up two hits.

Brad Buechel came on in relief, and gave up four runs and five hits, and Kaeden Cappozzo didn't fare much better, giving up three runs on four hits. KHS pitchers gave up 10 walks.

Offensively, Kyle Bath was the only Indian with two hits. He went 2x4, driving in two runs.

KHS, 15-8, entertains Campbellsport this afternoon at 4:45 p.m. for the first tournament game. The winner will face the winner of Ripon/Sheboygan Falls on Tuesday May 28.

College Sports Notes

By Judy Harlow

By winning the Region IV Championship, the Madison Area Technical College men's baseball team is heading to the National Junior College Athletic Association Division II World Series this weekend in Enid, Oklahoma.

Kewaskum's Andrew Neu is a member of the WolfPack team that won three straight games over the past weekend to earn a second straight trip to the World Series. Madison Tech defeated Moraine Valley Community College 11-5 on May 17, then the following day eliminated McHenry County College 9-6 to advance to the finals.

Black Hawk College was no match for the WolfPack, who piled up 11 runs in the shutout victory.

Madison Tech takes a 40-9 mark into the World Series, The Series runs from May 24 to June 1.

Neu, a 6-foot, 1-inch left-hander, did not pitch in the latest three wins but takes a 3-1 record and one save into the tournament with a 3.20 ERA (earned run average).

***Cade Peterson, a freshman at North Dakota University, finished off his first year of collegiate track with two places in relay events at the Summit League Outdoor Track and Field Championships on the campus of Western Illinois University.

The best finish was a third in the 4x100-meter relay. James Hollister, Oluwaseyi Aguda, Peterson and Ethan Buckles combined for a time of 42.04, behind South Dakota State's 40.99 and North Dakota State's 41.36.

Peterson and three other NDU sprinters also posted a fourth place finish in the men's 4x400-meter relay. Peterson ran the third leg of the race, and - along with Hollister, Joseph Fenstermacher and Matt Russell - the Fighting Hawks were clocked at 3:19.24. The winning time of 3:12.73 was posted by Oral Roberts University.

Peterson turned in a time of 50.04 in the men's open 400, but a time of 49.09 was needed to make the finals.

*** Kewaskum's Jared Chesk wound up hitting

.294 for the Concordia University baseball team, which ended its season on May 11 with a 7-2 loss to Concordia-Chicago in the Northern Athletics Conference. Concordia finish with a 20-21 mark.

Chesak, a freshman catcher, saw action in 22 games, had 12 runs batted in (RBI), with two home runs and seven runs scored.

Spring Prescribed Burn Activity To Take Place On DNR Lands

Wisconsin Department of Natural Resources staff will be conducting prescribed burns on DNR properties throughout the state during a window of optimal conditions this week and into May.

Prescribed burning is one tool DNR uses to preserve and restore landscapes found within state-managed properties throughout Wisconsin. In fire-dependent habitats, these burns mimic the natural benefits fire historically provided: a decrease in dead grass (thatch) buildup, improved spaces for wildlife to feed, nest, and raise young, and an increase in native grass and wildflower growth.

A significant number of habitat types in Wisconsin have developed throughout history with periodic fire occurring across the landscape. Many of these habitat types, such as prairie, wetland, oak/pine barrens, and oak savanna, would not exist without fire occasionally restoring the balance between open grass and brush.

DNR staff make the decision to conduct prescribed burns only when weather and vegetation

conditions meet strict standards for safety, smoke management, and burn effectiveness. If prescribed burns are conducted near roads or recreational trails, signs will be posted to notify the public on the morning of the burn.

For public safety, people are asked to avoid these areas while the burn is being conducted. To view where DNR prescribed burns are occurring across the state, search the DNR website, dnr.wi.gov, for keyword "WisBURN," then click on "View Current Fires," and from the "show" dropdown menu select "Today's Prescribed Burns."

DNR staff spend months comprehensively planning each prescribed burn, and also begin pre-season preparations and refresher trainings in January. For burn safety and smoke management reasons, specific weather conditions are required for each prescribed burn to occur.

Staff assess weather forecasts (temperature, relative humidity, wind-speed and direction) and vegetation moisture to determine if fire behavior will be within the

desired range and meet the objectives of the burn. As weather forecasts can change leading up to the burn day, the decision to burn is re-evaluated in the morning and at the burn site. Where required, local law enforcement and fire officials are notified in advance when and where DNR prescribed burns will take place.

For more information regarding the benefits of prescribed burning in Wisconsin, visit dnr.wi.gov and search keywords "prescribed fire." Written or verbal comments are encouraged, and can be directed to Michele Witecha, DNR prescribed fire specialist, PO Box 7921, Madison, WI or at 608-333-3664.

BOARD OF REVIEW
TOWN OF WAYNE
WASHINGTON COUNTY
STATE OF WISCONSIN

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Wayne, Washington County shall hold its first meeting on June 5, 2019 from 5:00pm to 7:00pm at the Wayne Town Hall, 6030 Mohawk Road, Campbellsport, WI 53010.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

1. No person will be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view of such property being assessed.

2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact, or provide information to a member of the board about the person's objection, except at a session of the board. Open book shall occur no less than 7 days prior to the board of review.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require such objections to be submitted on forms approved by the department of revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who owe land and improvements to that

land and improvements to that land, but no person who owns land and improvements to that land. No person shall be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in writing, the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board, or by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor all the information about income and expenses, as specified in the assessor's manual under s. 73.03 (2a), Wis. stats., that the assessor requests. The Town of Wayne has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph, which provides exceptions for person using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (1), Wis. stats.

7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other person may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.

8. No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s. 70.47(3)(a), Wis. stats., that the person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

MONDAY, APRIL 8,
2019 MINUTES**

The meeting was called to order at 6:00 p.m. by President Hanson in the Kewaskum District Office Conference Room, located at 1455 School Street, Kewaskum, WI.

ROLL CALL

Board members present: Jay Fisher, Troy Hanson, Jim Leister, Mary Miller, Sue Miller, Mark Sette, Timothy Ramthun

Following a moment of silence, Mr. Smasal verified that the meeting had been posted pursuant to §19.84(1)(2)(3)(4).

JLeister/TRamthun motion to table item 8 a-c Policy Revisions and New Policy until May meeting. Motion failed 2-5.

MMiller/MSette motion to approve the agenda as presented. Motion passed. 5-2

JFisher led the Pledge of Allegiance.

Recognition

WCASS (Wisconsin Council of Administrators of Special Services) awards were acknowledged and congratulated by KES Principal Jody Heipp. Jenny Frank received the Paraprofessional Award. Dani McCain and Vicky Wojtanowski received the Team Integration Award and Sara Long received the Special Education Teacher Award. They were honored and received their awards Friday, March 22 at Menasha High School.

Sarah Moris presented and congratulated the KMS Destination Imagination Team "Who Lost a Snake/Turtle?" including team members Alexandra Taylor, Samantha Staffin, Isaiah Knaus, Madison Legate, Cassidy Krupp, Zachary Jacoby and managed by Tina Knaus. The team will attend the state competition April 13 in Green Bay.

Sarah Moris also presented and congratulated the i4L Destination Imagination Team "ZOSAJACK" including team members Claire Pamperin, Joel Maas, Anika Kreuser, Sarah Zeman, Autumn Geise, Zachary Oelhafen and Alex Bayer and managed by Brad & Heather Oelhafen. The team will attend the state competition April 13 in Green Bay.

KHS student, Courtney Zarda talked about her FUTP60 Superbowl Experience. She was one of two students linked nationally to FUTP60 that took part in the Superbowl Experience.

KHS student Alex Sette was acknowledged for his acceptance to Notre Dame and the recipient of the Mulva Merit Scholarship and Glynn Scholar.

Andrew Dahlberg congratulated and presented Hannah Lehner, Abigail Prim and Melody Humphreys on their acceptance into All State Honors Choir.

President Hanson thanked and presented a Board Member Service certificate to board member Mary Miller for her twelve years of passionate service to the Kewaskum School District Board of Education. Mary chaired the Policy Committee and was the WASB Delegate during most of her years on the board.

Mr. Smasal shared Upcoming Events that are taking place around the district. The events included: Summer School Registration is open through 4/12; Spring Plant Sales taking place at each school; 4/10 FES McTeacher Night; 4/11 i4L Grandparents Day; 4/12 8th Grade Band Festival; 4/12 - 13 KHS Play "Aladdin" and 4/27 KHS Junior Prom.

Public Comments

Public comments were received by two community members.

Consent Agenda

MMiller/JLeister motion to approve consent agenda including March 11, 2019, open and closed meeting minutes, Instruction Hire; James Hall, Secondary English Teacher; Extra-Curricular Hires; Wendi Becker, JV2 Volleyball Coach, and Eric Joslin, Video Board Coordinator. No discussion. Motion passed. All aye.

**Items for Discussion or Report
Superintendents' Report**

Mr. Smasal reported the Spring Election Results were included in member packets. WASB Spring Academy workshops are taking place. Members interested in attending should let him know for registration. A Field Project Update was given. The discuss case is being finished on KES field courtesy of CD Smith. Softball and baseball season opened on the fields. The concession stand is finished with some minor sprucing up still needed. Summer Board Meeting dates were included in the member packets. The Board Retreat will be held July 8 and the regular meeting moved to July 15. The Annual Board meeting will take place on August 26. As part of continued marketing of the district, an i4L Video was created and shared with the members. Future short videos will be created at each school location.

Student Learning Report

Dr. Bazata reported ACT testing is finished. Forward testing is currently taking place. ESSA just lifted the embargo on data. Our schools are not identified as a school in need. Summer Professional Development will include math curriculum training for elementary staff, AVMR training in August and Social Studies and English training at various times during the summer. The Safety Grant requires the district to complete threat assessment training and mental health training. Both are currently scheduled.

Business Manager Report

Ms. Thoreson presented the 2018-19 Financial Report with no concerns

at this time. Budget assumptions for the 2019-20 school year were included in the member packets. This included \$65,000 in equipment needs. Assumptions continue, per advice from advisors, of an increase of \$262 per student. Current assumptions show a net deficit of \$127,000. It is expected that a balanced budget will be presented at the May board meeting. The board will receive a follow-up email on the number of participants and the cost of the alternative benefit.

Nutrition Services Report

Ms. Miller reported on the participation rates for nutrition services this year. She presented data that showed increased participation at all schools and showed participation comparisons from local districts. Kewaskum is second in the percentage of students who participate in the nutrition program. The program continues to offer new meal options including grab-n-go and wellness options for all students, FuelUp to Play 60 activity, and food tastings in conjunction with Well Washington County and Geidel's Piggly Wiggly.

Otten Family Celebrates Huge Business Expansion

By Andrew Johnson

Local businessman Jim Otten celebrated an important milestone last week by celebrating the grand opening of his Kettle Moraine Appliance store in Cedarburg.

The new store has the largest appliance showroom in the state. Otten is known locally by his business at his other location just south of Kewaskum on Highway D in West Bend. He also recently renovated that

store.

He said the reason for his expansions is that his customers "want service, delivery, and to be taken care of after the sale." He said he knew it was an unusual time to make a large investment in retail expansion but that it is what his customers wanted.

Otten said that the newly renovated building in Cedarburg has a total of 72,000 square feet with a 32,000 square foot showroom and will benefit all of his

customers. The expansion will increase his buying power (offer better prices) for both of his stores and enable him to have more items available for immediate delivery even to the Kewaskum and Campbellsport areas.

Jim and his wife Julie have been in business for 33 years and reside in Beechwood. All of their children either are in or graduated from the Kewaskum School District.

Otten family members from Beechwood joined in the grand opening celebration and ribbon cutting of their new Kettle Moraine Appliance and Sleep Center store in Cedarburg last week. Pictured are, from left, Harrison (grandson), Melanie, Leo, Sophia, Jim, Julie, Allyson, and Kendra Otten.

The Otten family held a special ribbon cutting ceremony at their new Kettle Moraine Appliance and Sleep Center store on Wednesday, May 15. The store has the largest retail showroom for appliances in the state of Wisconsin. The Ottens also have a store on Highway D, just north of Kewaskum.

Local Heroes Recognized By Red Cross

"Peyton impressed us by applying the practical fire safety smarts he learned from his firefighter heroes (including his own father) to a dangerous situation in his own home. Kim was a hero to us because of the community spirit she brings to her growing community blood drives," said Justin Kern, communications officer for the American Red Cross of Wisconsin.

At the dinner honoring the local heroes, videos were shown to share their stories. Here are the stories of the heroes from Washington County.

Peyton Theusch

Ever since he was about 3 years old, Peyton Theusch would go with his dad, Allen Theusch, to the Kohlsville Fire Department. Allen has worked as a volunteer firefighter for the station for the past 28 years.

"I think Peyton enjoys the firehouse so much because everyone is so well received, and it is a small community, very tight knit. If you want to learn, they are going to teach you," said Dana

Theusch, Peyton's mom.

Kohlsville firefighters were the ones who taught Peyton how to use a fire extinguisher when they visited the i4Learning Community School during Fire Safety Week. It was a lesson that Peyton remembered.

The morning of February 15, 2018, started out like any normal day. Allen Theusch was at work, about an hour away. Peyton was getting ready for school.

Dana was having a cup of coffee when she heard a pop behind her in the kitchen and smelled something. Peyton went to say goodbye to his mom, and he saw flames in the corner cabinet.

He yelled to his mom that there was a fire. She grabbed her cell phone and called 911.

Peyton ran out and got the fire extinguisher and knocked the flames down.

At that point, they had to evacuate the house.

Peyton knocked the flames down, but because there was fire inside the wall the fire kept

burning. By the time firefighters got to the house, flames were rolling on the ceiling.

"I wasn't able to prevent the fire, but I was able to stop the whole house from burning down," Peyton said.

The kitchen was fully burned, but there was smoke and water damage throughout the entire house.

"We didn't think about what we lost or what we were going to lose. It was watching our friends go in to fight the fire," Dana said with tears in her eyes.

"I was scared because I have seen other places in our area that have lost their whole house because of a fire," Peyton recalled.

"I was in total amazement in what he did and where he learned it. It blew me away," Dana said.

"Part of fire prevention is knowing what to do ahead of time so if you do end up in a situation that you do have a fire, you always know where your fire extinguisher is, your escape route and you know your surroundings," Peyton said.

Peyton followed the PASS initiative:

Pull the pin.
Aim at the base of the fire.

Squeeze the handle.
Sweep back and forth.

By taking those careful steps, Peyton slowed the fire down. Then he and his mom grabbed their two dogs and went outside to safety. They waited there for firefighters to finish extinguishing the house fire.

"There were many heroes that day. He was the first of many. Peyton stepped up. He saved our house by learning what he saw his heroes do," Dana said.

Peyton, who is now a student at Kewaskum Middle School, hopes to one day be a volunteer fire fighter.

Kim Wendelborn

Kim Wendelborn has worked for West Bend as a police dispatcher since 2001.

"The best part of working for the police department is knowing that I am doing my part to make a difference," Wendelborn said.

She admits that it can be stressful, but says

that helping people on a daily basis is gratifying, knowing that she is making the community safer.

Wendelborn started coordinating blood drives in West Bend several years ago after losing her mother to cancer. "She needed blood. So this is a way to not only give back to my community, but to honor my mom as well," she said.

In February, Wendelborn coordinated her 10th blood drive with the Red Cross.

Wendelborn has actively tried to recruit new blood donors. She does whatever she can think of to bring in donors. She has even gotten the Texas Roadhouse mascot to wave people in off the street.

She has tried to create a welcoming atmosphere. When donors come, they get to see friends. There are home-baked treats and giveaways. She has even held people's hands on occasion as they give blood.

"I try to make them feel welcome and let them know that they are not going to go through

the donation process alone," Wendelborn said.

Her efforts have been paying off. At each drive, nine new donors have given blood.

That has helped to save lives. One pint of donated blood can help to save up to three lives.

Brave Hearts

The following people are the 2019 Brave Hearts Awards nominees for Southeastern Wisconsin:

•Community Safety, Security, and Resiliency Hero: Stephanie Mortensen, BSN, Walworth County

•Emergency Response Heroes: Lt. Steven Kaltenbrun and Firefighters Bruce Potochich, Antonio Gibilian and Samuel Knutson, Milwaukee County

•From the Heart Hero: Kim Wendelborn, Washington County

•Military Hero: Staff Sergeant Dan Newberry, Milwaukee County

•Youth Hero: Peyton Theusch, Washington County

•Hero of the Year: Natalie N. Barnes, Milwaukee County.

Peyton Theusch, 11, receives a Brave Hearts Awards from the American Red Cross.
