Mary Miller Appointed To School Board

By Anne Trautner

Mary Miller is once again on the Kewaskum School Board after School Board President Mark Sette appointed her to the position.

Miller replaces Jay Fisher, who resigned from the board in July because he moved out

of the school district. Last month, the board narrowed the field down to Miller and Dennis Aupperle after four people had applied for the position.

As directed by board policy, it was then up to Sette to decide who would fill the vacancy. He met separately with

both Miller and Aupperle before making his decision.

At Monday night's board meeting, Miller became the board treasurer after Troy Hanson, Sue Miller, Sette and Mary Miller cast votes to approve Mary Miller in the position. Doug Gonring, Tim Ramthun

and Jim Leister all voted for Leister to be the new treasurer.

Sette also appointed Mary Miller on Monday to chair the policy committee.

Mary Miller's position on the board will be up for election in the spring.

Young Americans Coming To Kewaskum

– Host Families Needed

By Anne Trautner

Joy Koepke grew up in a musical family in Los Angeles.

Her father was a musician and played in big bands around the country. Koepke often traveled with him, and recalls spending more time in Chicago than she did at home.

When she was in high school, Koepke's orchestra teacher was a studio musician. Through his studio work, he knew Bill Lee, whose voice was dubbed over Christopher Plummer's singing in the movie *The*

Sound of Music.

Lee told Koepke's teacher about a musical group called The Young Americans, that Milton Anderson started in 1962.

When Koepke heard about the group, she auditioned, and made the group. She performed with The Young Americans from 1964 to 1966, and her life was never the same.

Through The Young Americans, Koepke performed with stars such as Henry Mancini, The Jackson 5, Johnny Mathis, Bing Crosby and Andy Williams. She ap-

peared in the August 1965 issue of *Life* magazine.

Her roommate during her travels with the program was Vicki Lawrence.

Koepke became a star herself. She went on to perform music and hosted a radio program in Colorado.

Now she wants to bring that opportunity to students in the Kewaskum area.

"This is an awesome opportunity for young people. It just is incredible. It will give them such a different outlook on who they are and what

they can do," Koepke said.

The Young Americans, which *Rolling Stone* magazine has touted as being the first show choir, will be coming to Kewaskum October 10-12 to offer a three-day performing arts workshop.

Four ambassadors for The Young Americans will visit students at Kewaskum High School and Kewaskum Middle School on September 19 to let them know about the upcoming workshop.

Legislators Propose To Remember 9/11

By Andrew Johnson,
Wisconsin 9/11 Board
member

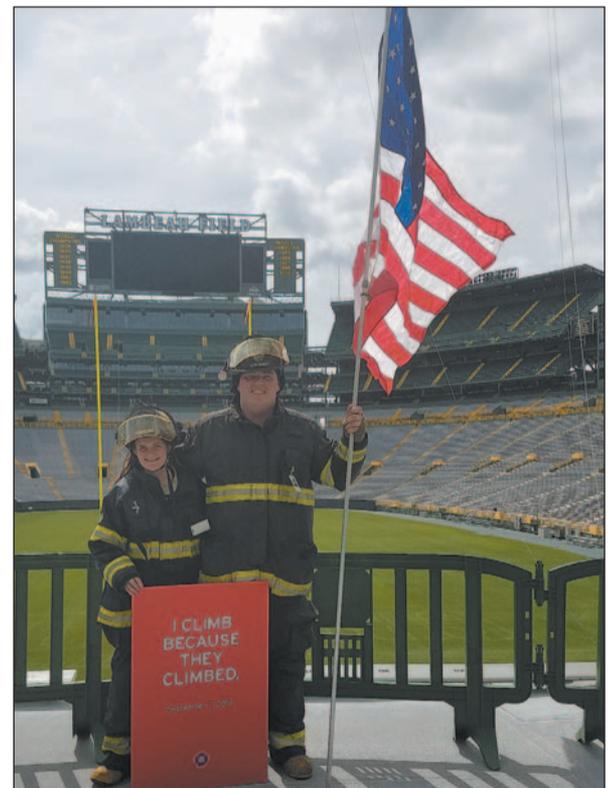

Washington County leaders and Wisconsin 9/11 Memorial volunteers joined Sen. Ducey Stroebel and Rep. Timothy Ramthun at 9:28 a.m. (the north tower collapsed at 9:28 a.m. CT) on Wednesday, Sept. 11, at the Wisconsin State Capitol to announce legislation relating to the recognition of the 9/11 terrorist attacks by the State of Wisconsin.

The proposed legislation known as the Wisconsin 9/11 Memorial Highway Bill (LRB 3943) would officially name part of Highway 28 the "Wisconsin 9/11 Memorial Highway." The part of the highway named starts at the interchange of Inter-

state 41 and State Highway 28. It proceeds easterly and ends at the intersection of State Highway 144. Kewaskum High School graduate Andrea Lyn Haberman was on the 92nd floor of the north tower of the World Trade Center when it came crashing down at 9:28 a.m. on September 11, 2001.

According to Gordon Haberman, Andrea's father and president of the Wisconsin 9/11 Memorial, the purpose of the legislation is to literally put the Wisconsin 9/11 Memorial on the map. Haberman said that the memorial "would then be on every DOT state map, official tourist guide, and state websites."

LETTERS TO THE EDITOR

Hello,

I was one of the four candidates who submitted a letter of interest for the position open for the Kewaskum School Board. A position opening that resulted by the departure of former board member Jay Fischer.

As there have been publishings with mention of myself while focusing on the support for Mary Miller, I feel that I must speak my concerns with regards of just how the interview meeting was conducted.

Potential candidates were required to submit a simple letter of interest, not a complete resume as Mary Miller did. I then found it odd that those of us who showed up for the interview were all in the room at the same time each of us were being questioned. Was this fair to Dennis Aupperle as he did not have the opportunity to hear other answers previously to the same questions as myself and Mary did?

I also found it odd that the order in which we were selected to be interviewed was out of character. Typically the order of interview would be alphabetical. This was not the case as Dennis Aupperle was first, I (Wayne Sargent) was second followed by Mary Miller.

If normal procedure was followed I would have been last. Why was Mary last? It concerns me as to why this was not conducted in typical fashion, or was it construed this way so Mary Miller was privy to our answers in preparation for her own?

Mary Miller also presented each board member with a copy of her resume prior to her answering the interview

questions, this was not asked of us, why did she? As a previous board member, wouldn't you think that in itself would have sufficed, did they not know her? After all, it wasn't the people of the community voting, that was reserved for board members only, so why elaborate? Dennis and I answered the questions quickly, direct and to the point, why did Mary Miller rant on about her past and her family and not just answer the questions?

After two candidates were nominated, vice president Troy Hanson spoke in depth while supporting Mary Miller. It was obvious that he previously prepared himself and took the time to research Mary's background as a previous board member, only to elaborate on her accomplishments as a past member. President Mark Sette and member Sue Miller also had comments supporting Mary Miller.

I was appalled that while my interview was ongoing and I was answering questions it appeared vice president Troy Hanson was texting and occasionally smirked as I answered my questions. As vice president, during the time of interview for such an important position, what could have been more important? I had concerns about submitting a letter of interest to begin with, but it was his actions then and there I knew the decision of who was to fill the vacancy was predetermined. The obvious became reality.

Please, let there be no mistake. I have absolutely no reservations that Mary Miller is not qualified to once again become a board member. What discourages

me is that during the elections, the people of this community voted her out for a reason. It's obvious that those three current board members who support her nomination don't pay attention to what the people of the community want.

Perhaps the same holds true when it comes to important decisions about our Schools. I'll let you to decide.

Concerned,
Wayne D. Sargent
District Member

To the Editor:

On Friday, Sept. 20, students around the world are striking for the climate. On this day the youth are calling for all of us to join them. If you cannot strike, you can support them in their strike.

In West Bend, we are gathering from 4 p.m. to 6 p.m. on September 20 at the labyrinth in Ragner Park near the Main Street entrance to support all those who are striking and who are demanding that our supposed leaders take real action to meet this challenge. We are tired of rhetoric. We will have information and we can discuss what more we can do.

As Hurricane Dorian becomes a memory along with Hurricanes Harvey, Irma, and Maria in 2017 and as we try to recover from the wildfires that devastated the West in 2018 and are burning around the world as I write, it is time to recognize that we can do something.

Humans have changed the world climate by our actions. We cannot do anything about our past, but we can affect our future. But right now on the course we are heading, the future looks grim and definitely warmer. And our governments are doing too little to help us avoid a worse future.

We need to see an end to fossil fuel use for transportation, electricity, and heating, an end to deforestation, and a

beginning to new paradigms that do not continue destroying our climate.

While some governments claim to be concerned, they still approve and support drilling for oil and natural gas. They still approve pipelines and open new fields for exploitation. And the Arctic dies as the countries surrounding it prepare to feast like a vulture at a road-kill.

We already know what must be done. We do not know what more can also be done. But we must make a beginning.

Sincerely,
Wes Weinhold

SHERIFF'S REPORT

Drug Trafficking Case

What started out as a deputy assisting a driver and passenger of a disabled motorist ended in the arrest of the two men on drug trafficking charges.

The incident occurred on September 3, at 7:17 p.m., when a deputy located two subjects, a 31-year-old Clintonville man and a 25-year-old Embarrass man, walking on Interstate 41 near Hillside Road in the Town of Polk. The deputy made arrangements to have a tow truck respond to the

scene of their vehicle at the request of the driver. During the conversation, the deputy became suspicious.

The Washington County Sheriff's Office K9 handler and narcotics dog, Ryker, responded to the scene. Ryker alerted on the vehicle and a search yielded two pounds of marijuana nuggets and other paraphernalia.

Both men were arrested for possession with intent to deliver and are currently in custody at the Washington County Jail.

OBITUARIES

Mary Ann Reigle

Mary Ann Reigle (née Branfield), 84, passed away peacefully on August 29, 2019 at Otterbein Senior Living, Lakeside OH.

She was born in Alliance, OH November 5, 1934 to Dr. Richard W. and Katherine Untch Branfield.

She is survived by her three children and two grandchildren, all of whom meant the world to her; children, Cynthia Reigle of Milwaukee, WI, Daniel Reigle of Tampa, FL and Carol Jo (Mike) Skivington of Houston, TX; grandchildren, Claire and Spencer Skivington. She is also survived by her three sisters, to whom she was close: Barbara (Joe) Caner, Kathie Bracy and Cynthia Kreiner (deceased husbands Carl Bracy and Chuck Kreiner); and a number of nieces and nephews. She was predeceased by her parents and her brother, Edward Branfield.

Mary Ann grew up in Alliance, graduating from Alliance High School in 1952. An alumna of Mount Union College (University of Mount Union), where she majored in elementary education, she was also a member of the Delta Delta Delta sorority. It was at Mount Union where she met her future husband of 23 years, Richard V. Reigle. After their marriage in 1955, they made their home in Kewaskum, WI where he worked for the family business, Regal Ware, Inc., and she worked full time as a loving and devoted wife, mother, homemaker and household manager.

Mary Ann was very fond of her parents and her in-laws, J.O. and Ruth Reigle, as well as her many close relatives in Wisconsin and Ohio. The family spent summers at their cottage in Green Lake, WI where treasured memories and lasting friendships were formed, as was the case throughout her life. The family gatherings at Green Lake with her children and grandchildren brought her much joy. She was particularly proud of her grandchildren, Claire (20) and Spencer (17), and loved hearing about their school and extracurricular activities, including theater and student government (Claire) and baseball, basketball, and youth group activities (Spencer).

After living in Jacksonville, FL for five years, Mary Ann returned to her native Ohio, residing in the Lakeside-Marblehead area for her remaining 35 years, where she enjoyed spending much time with her parents, her sisters and their families. Having been an active volunteer in Jacksonville, she continued her volunteer work with many charitable organizations in the Lakeside area. She was an active member of the Lakeside United Methodist Church; as an avid reader herself, she enjoyed her volunteer work in the church library.

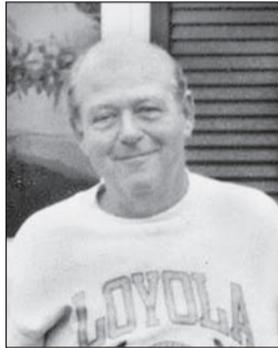

In the summer, her favorite activity was attending concerts by the Lakeside Symphony Orchestra, of which two of her sisters have been long time members. Mary Ann was popular among her many friends as a ready fourth for bridge games, often ending up the winner. She was also a familiar and friendly face behind the counter at the Wide World Shop in nearby Port Clinton, and in the gift shop at Otterbein Senior Living.

Special thanks to those at Otterbein Senior Living who genuinely cared for Mary Ann and assisted in her end-of-life care. Special thanks,

particularly, to her niece, Dr. Allison E. Kreiner, MD, who stayed nearby and went the second and third mile over many months to quietly advocate for her aunt's welfare, care and treatment, and see as best she could that Mary Ann received the best care possible.

Mary Ann, along with her delightful presence, her fun sense of humor and her genuine interest in and concern for others, will be greatly missed by her family and her many friends. Anyone who wishes may consider donating to the American Cancer Society or to any other charity of their choice.

Private graveside services in Alliance are pending.

Norman L. Walz

Norman L. Walz passed away on July 17, 2019 in Mexico.

Norman was born on March 27, 1936 in Milwaukee, the son of the late Gottlieb (Shorty) Walz, and Betty Walz of Kewaskum.

Norman is survived by his wife Martha (Trevino) of 50-plus years; two sons, Ed (Christine) Walz, and George Walz; one sister, Marian (Lloyd) Herriges; and two granddaughters, Georgia and Ava.

Norman graduated from Kewaskum High School in 1955, and a graduate of Devry Technical School in Chicago. Norman worked in Chicago, where he met his wife. They came to Kewaskum and Norman worked at Regal Ware until he purchased the A & W Restaurant from Zehrens. When they retired in the late 1990s, they moved to Mexico, near Martha's family.

The proposed bill also allows directional signs on Interstate 41, US 45, and State Highway 28 for the memorial the bill says that it will serve as a place of reflection for the entire state of Wisconsin.

The press conference was held in the senate parlor in the Capitol. Joshua Schoemann, Washington County administrator, welcomed and introduced each speaker.

Stroebel introduced what the bill does. He was followed by Ramthun, who explained why legislation should be involved with the memorial.

Haberman, the keynote speaker, then gave his perspective on the meaning of the memorial, followed comments by Andrew Johnson from the Kewaskum Statesman

about the memorial's importance to the region and Wisconsin Gold Star families.

The last speaker was Vicki Milbrath, owner of Family Resources and Ground Zero volunteer, who talked about the importance of the legislation for the entire state. Pastor Randal Schoemann, father of Joshua Schoemann, made the closing remarks for the press conference after the press was given opportunity for questions. Following the press conference, 9/11 volunteers distributed information about the bill to state senator and representative offices throughout the capitol.

The next step for the bill will be to obtain additional sponsors and then be considered at the committee level before the entire legislature considers the bill early next spring pending committee approval.

IN MEMORY

In loving memory of John "Jack" Zalewski, who passed away nine years ago, September 16, 2010.

We often sit and think about The years that have passed by And of the happiness and joy That we shared with you We think of all the laughter, The smiles and all the fun And, before we even know it, Our tears have once again begun. For, although it brings us comfort To walk down memory lane It reminds us how, without you, Life has never been the same.

**5 Years Ago
September 18, 2014**

The Wisconsin Department of Public Instruction has released their annual school report cards. Every school in the Kewaskum School District improved from their 2013 scores and the district as a whole exceeds expectations set forth by DPI.

A mix of seasoned seniors and talented underclassmen is helping to produce wins for this year's Kewaskum High School tennis team. Last week was a busy one for the Lady Indians, who finished 2-1 in the Brown Deer Tournament Saturday and topped Plymouth in a 4-3 thriller Thursday, two days after being out-classed by Sheboygan Falls, one of the leaders in the Eastern Wisconsin Conference.

Local gal Jane (Fechter) Muench had a good reason for being late to the Boltonville Fire Department's street dance. Muench and her sister Jean van Vorsehen qualified along with 85 others at a chance to win the grand prize from 102.9 The Hog radio station's Ultimate Party Garage prize valued at almost \$30,000. Muench was down to the last seven people and hit the lucky code to open the door. When the door opened up she didn't realize she won the prize until her sister ran up to her screaming.

Without a ground attack to cover the costly mistakes a coaching milestone would've been postponed by at least a week. Brandon Thull erased the misery, running for 247 yards and two touchdowns in a 22-12 Eastern Wisconsin Conference win over New Holstein, September 12, to give Kewaskum coach Jason Pittmann his 100th win.

Five village boys were hailed into Atty. L.W. Bartelt's office last week where each was fined \$3.00 to pay for the damage they had done to the garden of Mr. and Mrs. Al Runte on East Water Street. The youths entered the garden during the afternoon, stole all of the choice, ripe watermelons and cantaloupe and damaged the vines. Having more melons than they could eat they smashed the remainder against obstacles in the village park adjoining the Runte garden. The kids believed the Runte family to be gone but Mr. Runte was taking a nap in his home and woke up in time to catch the boys in the act. Some of these same boys were in the group that got into trouble a few weeks ago when they smashed the windows in a vacant house on the Louis Seefeldt farm east of Kewaskum. They boys were helping with the harvest of the bean crop on a nearby farm and damaged the windows on their way home.

Sensenbrenner Will Retire at the End of the 116th Congress

Congressman F. James Sensenbrenner, Jr. (WI-05) announced that he will retire from Congress in January 2021, at the end of his current term.

Sensenbrenner, 76, has served in the House of Representatives for 40 years and prior to his election to Congress, served 10 years in the Wisconsin State Legislature. His district covers portions of Milwaukee, Waukesha, Dodge, and Walworth counties, and all of Jefferson and Washington counties.

"When I began my public service in 1968, I said I would know when it was time to step back. After careful consideration, I have determined at the completion of this term, my 21st term in Congress, it will be that time.

"For 40 years I have held over 100 town hall meetings each year; I have helped countless individuals when they have encountered difficulties with the federal government; I've taken 23,882 votes on the House Floor; been the lead sponsor or co-sponsor of 4,299 pieces of legislation; ushered 768 of them through the House for passage, and watched as 217 of them have been signed into law by six different presidents.

"I think I am leaving this district, our Republican Party, and most important, our country, in a better place than when I began my service.

"It has been my privilege to serve the people of Southeast Wisconsin and I have found true fulfillment in all the challenges and many accomplishments that have peppered my long career. It is rare when life presents the perfect opportunity to make an impact in a way that has been so meaningful. I am forever grateful.

"I will have many more things to say as I serve out my final term, but I will start here by sincerely thanking, first, my family, along with my supporters, my colleagues, and my staff. The many people who have supported my career have mostly gone uncelebrated, but I will purposefully set out in the next year to say my thanks and let them know I could not have done it alone. I look forward to finishing strong and beginning my next chapter."

Sensenbrenner has had many named accomplishments in his tenure. Most notably, he led the passage of the USA PATRIOT Act, enacted shortly after 9/11. He subsequently modernized that law with the USA FREEDOM Act in 2015. He has also worked tirelessly in his support of the Voting Rights Act; his

work to reform immigration policy; protection of the rights of people with disabilities through the Americans with Disabilities Act; and his unwavering commitment to protecting the unborn. He is former chair of both the House Committee on the Judiciary, and the House Committee on Science; he is the second most senior member of the House of Representa-

tives; and the dean of the Wisconsin Delegation. At the end of the present term, he will have served in Congress longer than anyone in Wisconsin's history. He has been married to Cheryl Warren Sensenbrenner for 42 years and they have two adult sons, Frank (Margaret), and Bob (Diana), and a 2-year-old grandson, Kevin.

Letters Home...

Dear Ma, Pa, & Carol,

Well I just got done eating chow, so I will write a few lines before we fall out. Thursday we got our Dog tags, we got two tags on one chain, that's because if the guy dies they put one tag in the mouth and the other they send home. Harry & I just got done now with a Latrine detail, then we had P.T. Now we're back in the barrack writing. I bought a Speidel band for my watch, for \$6.50 its mark price is \$12.95. We were back all day of the 30th so we went to Hollywood. Where we went to a radio program, "Welcome to Hollywood" and we said our names and where our home is. Then we went on a free tour in Hollywood with Jack Breneman. The trip from home back to camp was very interesting. In N.M. they sure have a lot of desert and every little river has a dam or reservoir. I just saw a guy who has a band like mine but he paid \$12, three years ago. We stop in Cola Springs, Col, Alberquerque NM and El Centro California and from El Centro we hiked. At each place we waited about an hour. We started from Chicago Tuesday at 8:30. We were in a place in California where it's 200 feet below sea level.

We had a ride in a big diesel truck, it even had a blow out. We may ship out to VA-Norfolk in a week. Add these states Colo, Nebr. to see orange, date, grapefruit trees and many others. I picked an orange and started to eat it and it was a grapefruit. Send me my lock. Thursday I got a few papers and three letters from you, Oscar, and Mrs. AE. Mat T2, Sr.

It Was As Easy As 1-2-3 For Lady Indian Spikers

By Judy Harlow

There were years when the Kewaskum High volleyball team would fear Waupun. Those days are gone, however, and the tables appear to be turned as Kewaskum is dominating the series.

In their opening East Central Conference match of the year on September 5, the host Lady Indians defeated the Warriors three straight, 25-13, 25-17 and 25-22.

“Strong opening to our conference schedule. Waupun always brings match whenever they go into the gym,” KHS coach Laine Leitzke said about the victory. “They (Warriors) did a great job of spreading the ball around, and we did a nice job adjusting.”

No one player dominated the statistics. Lots of the Indians contributed to the effort. In kills, it was Kiley May at the top of the list with five, while Nicole Butz added four, and Jenna Butschlick and Holly

Henk each had three. The block leader was senior Carolyn Stockhausen with six, then came May with five and Butschlick three.

KHS got 10 aces from four players, led by Miller and Stockhausen, who each had three. Courtney Duren and Amayah Thomas chipped in with two apiece.

Thomas, who had a good all-around game,

also contributed a team-high nine assists, while Miller added four.

Turning to digs, Henk was the KHS leader with 20, ahead of Duren’s 16 and four by Jilian Rettler.

“Our defense could have been better, but overall we did what we needed to and got a feel for the season,” Leitzke said.

With the win, the Indians improved to 6-2 overall.

On September 10, the Lady Indians were scheduled to host Princeton/Green Lake. They are at Winneconne on September 12.

Cedarburg Claims Two More Firsts: Dreher Fires Season-Low 41

Cedarburg High officials might want to start thinking about a spot to put the trophy for winning this year's North Shore Conference girls golf title. The Lady Bulldogs won their fifth straight NS meet on September 7 with 12 strokes to spare.

Playing at the Washington County Golf Course, Cedarburg came in with 179 strokes while Hartford was second with 191, four shots ahead of Homestead and Whitefish Bay, which tied for third with 195s.

The combined Kewaskum-Campbellsport team, behind a sizzling 5-over-par 41 from Alyssa Dreher, finished fifth with a 204, followed by Slinger, 209; West Bend, 219; and Nicolet, 225.

Cedarburg's Elise Hoven won medalist honors with a fine 40, then came Dreher and Whitefish Bay's Izzy Mort with 41s.

Rachel Anderson was second among the Kew-Cats with a 52, then came Karissa Lange with 53 and Maddy Thull with 58.

"Alyssa had an amazing round, firing a 41. I

knew she was going to break through one of these meets, and I'm so happy for her," Kew-Cats coach Amy Uhlig said.

"Karissa and Rachel played very well also. This is a season best for Rachel thus far. Karissa was on pace to break 50, but unfortunately had a little trouble on No. 2 (the last hole to her round)," Uhlig said. "She was disappointed by that, but I know she'll come back even stronger in the next match."

Playing the back nine at West Bend Country Club on September 3, the Cedarburg team rolled to its third straight victory in North Shore action with a 181 behind 6-over-par 42s by Elise Hoven and Maddie Wilke, who shared medalist honors.

Hartford was 13 shots back at 194, one shot ahead of Homestead's 195. All the other five teams were over 200, led by Whitefish Bay with a 211; Slinger, 212; Kewaskum-Campbellsport, 215; Nicolet, 230; and the combined West Bend East/West team with 233.

Leading the Kew-Cats

was senior Alyssa Dreher in 11th with a 50. "Alyssa had a consistent round going, but unfortunately took an 8 on No.15 which really hurt and prevented her from breaking 50," Coach Amy Uhlig said.

The other Kew-Cat counters included Karissa Lange, who shot a 53, Maddy Thull with a 54, and Rachel Anderson, 58. "I was pleased with the way Maddy and Karissa stepped up," Uhlig said. "They shot very respectable scores at this difficult venue

KHS Soccer Team Third In Tourney; Cochran Hits Five Goals Against Wolves

By Judy Harlow

The Kewaskum High soccer team was nearly perfect in its games at the Berlin Invitational on September 7.

The Indians went 2-1 to take third place. In the final round, they beat the host school 2-1.

First, KHS (5-2) topped Random Lake 3-1, scoring all three goals in the first half. Isaiah Cochran led the scorers with a pair of goals. Will Jens got the other, in addition to contributing an assist. The other assist went to Trevor Geldnich.

Starting goal keeper Carter Curtin stopped five attempts by the Rams.

Game No. 2 saw the Indians lose a heartbreaking 1-0 decision to an old nemesis, Ripon. Tyler Granados scored the lone goal with 11:00 left in the 50-minute contest, according to KHS coach John Kenworthy. He said, "We've never beaten them," noting many times in the past six years, the score has been 1-0.

"That was probably our best game of the three," the coach said. "We controlled the game but couldn't buy a shot." KHS got off just two shots in what was a very

defensive battle.

The Indians came back to defeat Berlin 2-1, with Will Jens scoring one of the goals.

"Both against Random Lake and Berlin, the outcome was never in doubt," Kenworthy said, "I got to play a lot of the younger players."

Kewaskum has two tough assignments next on its schedule. The first was a home game against defending champion Kettle Moraine Lutheran on September 10. The other is September 12 at Plymouth at 4:30 p.m.

"No.1 and No. 2 .. We'll find out who we are after those games," Kenworthy said.

After the first six games, Cochran already has a dozen goals, with Jens, who was a marked man in the game against Berlin, scoring eight times. The assist leaders are Jens and Geldnich with six and two, respectively. Curtin has given up an average of just 1.49 goals in the six contests.

About Cochran, Kenworthy said, "He's doing very well. A lot of that comes out of our style of play." That is an aggressive front five who are producing opportunities for each other.

Kenworthy said his keeper Curtin has been "quietly fantastic. The last four games, he's only allowed one goal (in each)." Helping in this effort are defenders Hunter Koss and Kaeden Cappozzo. Kenworthy cited Andrew Bolek for his steady play.

On September 5, the Indians opened the East Central Conference with a bang, posting a 6-1 victory that featured the five-goal scoring effort of senior Isaiah Cochran.

While it was nice to win by a wide margin, KHS coach John Kenworthy said, "That may have been the worst game we've played all year." He added, "Victories are great. The score was fantastic, but there are things we have to work on."

Cochran, who played all but five minutes, took nine shots on goal and connected on nearly half of them. Speedster Will Jens added the other two goals and chipped in with a pair of assists. Sophomore Andrew Bolek had the other assist.

Carter Curtin played all 90 minutes in goal and stopped five of the six shots the Wolves got off.

College Sports News Of Kewaskum Grads

By Judy Harlow

Former Kewaskum High standout Tony Steger started at slot receiver for the UW-Oshkosh football team in its season opener against Carthage. He scored the first touchdown, which helped the Titans claim a 20-19 victory over the Red Men.

In the second quarter, Steger caught a 23-yard pass from QB Kobe Berghammer for his first collegiate touchdown. "It was an awesome feeling, just like I imagined," Steger said from the campus Monday evening, indicating he ran a little fade route to get open for the score.

Unfortunately, Steger left the game with an injury in the third quarter and did not return. "I have an MRI scheduled for later this week," he said, indicating he hurt his knee on a non-contact play.

In his collegiate debut, Steger had a team-high three catches for 34 yards, returned two kick-offs for 62 yards and rushed for six yards in three carries.

While he was disappointed he sustained the injury, Steger said, "I'm glad we won though."

Steger was "grey-

shirted" last year so he has four years of eligibility remaining.

Two other former KHS players, Beret and Faton Elmazi, both reported for pre-season camp but have left the team, according to Steger.

The Titans travel to Maryland this week for a game with Salisbury University on September 13.

Gabe Christenson, a 2017 KHS grad, drew his first start for the Concordia University football team when it faced Finlandia (MI) on September 7.

Christenson, a 6-foot, 200-pound defensive back, was credited with five team tackles in the contest from his position in the secondary. Concordia won the game, 38-7.

The North Dakota football team opened the season with a convincing 37-7 victory over Drake, but the Fighting Hawks were no match for defending NCAA Division 1A champion North Dakota State in a game played in the Fargo Dome on September 7, losing 38-7.

Kewaskum sophomore Cade Peterson, in his second year as starting punter, got plenty of opportunities to show his skills, punting six

times in the contest.

Peterson averaged 39.3 yards per kick, improving on his 34.5 average from the first game. His best kick of the day was a 44-yarder.

Turning to golf, The Concordia University men's team played in the Frank Wigglesworth Blugold Invitational in Eau Claire September 8-9, taking seventh out of 17 teams in the 36-hole event. The Falcons combined for a 622, two strokes out of the sixth spot.

Nebraska Wesleyan won the team title with 582 strokes, four fewer than the host UW-Eau Claire team.

Leading the Falcons was senior Sam Schlosser from Kewaskum. Schlosser carded a 74-76—150 to finish in 11th place out of the field of 92. Jordan Carlton, another former KHS golfer, wound up shooting a 155 on rounds of 75 and 80, good for a tie for 22nd place with seven other players.

The Kewaskum U7 Hornets beat the Slinger Rangers on Saturday morning 4-1.

The Hornets, led by Carson Butzlaff, had a back and forth match for most of the first quarter, until Asher Charlton and Bennett Bishop made nice passing plays to assist on each other's goals, making it 2-0.

Later in the third, leading 2-1, Asher scored another on a nice feed from Gavin Vandlen, who also had a great game.

September 7 Kewaskum U8 Dragons

This week we only had five players, so the players were TIRED! For two of five players it was their first soccer game ever. They played hard and well, but we lost with one goal scored by Carson Eilbes.

Hopefully next week they will have their full team.

Following a day of golf, the following Hon-E-Kor members were crowned as champions for the 2019 season. They include, from left, Don McCullough, senior champion; Brian Dreher, second flight; men's cub champion Jay Krueger; men's first flight winner Scott Leitheiser; and women's Rosie Volesky.

Butz, Lubner Come Up With Top 10 Finishes To Lead Indian Runners

By Judy Harlow

The Kewaskum cross country runners produced another good team effort in the September 5th Kiel Invitational. In a larger field, against several teams with strong traditions in the sport, the Indians girls finished fifth with 162 points while the boys wound up sixth out of 18 full teams, scoring 212 points from their top five place winners.

Going 1-2 in the girls' field were Kiel and Two Rivers with 68 and 74 points, respectively, while Valders ran away with the boys race, scoring an impressive 29 points.

"The entire top five ran very well," KHS coach Eugene Peterson said about his Lady Indians, pointing out all the times were lower than normal because "They ran a 4-k (kilometer) race instead of a 5-k."

In a field of 121 girls, KHS had three among the top 28, with junior Alyssa Butz leading the way, hitting the finish line

in sixth place with a time of 16 minutes, 30.6 seconds (16:30.5), 1:25 behind the winner, Anna Gallagher of Two Rivers (15:07).

Faith Mertzig placed 20th with a time of 17:39.6, while newcomer Andrea Butz was eight places back in 18:07.9.

The other KHS counters were Courtney Zarda and Lisa Bolek, who placed 62nd and 71st with respective times of 19:38.9 and 19:55.9, and Emma Penfield was several places back with a 20:01. "The numbers four through six girls did a good job of packing up in the race," the coach said.

"Alyssa had a strong race again," Peterson said. "Faith and Andrea are working on trying to catch up with her."

On the boys side, once again Isaiah Lubner was the best finisher. He toured the 5,000 meters in a fine time of 17:42.1, good for ninth place. Veteran Gannon Kreuser was

next, running an 18:54.7, which was good enough for 31st.

Concerning Lubner, Peterson said, "A ninth place was a really good race for him," and added, "Now it's a matter of getting him to keep his head up and work toward catching runners like Xavier (Lasee of North Fond du Lac, who was second)."

The other three counters included: Clayton Kappler (19:49.5), Lance Grosskopf

(20:03.2) and Logan Haydin (20:04.9) in 52nd, 64th and 66th, respectively. A total of 140 runners competed in the race.

Next up for the Indians is the annual Mike Hurlbert Invitational at Mayville on September 13.

"We're going to use this meet as a gauge of where we're at," Peterson said, pointing out sectional foes like Winneconne and Mayville will be there.

Indians Pile Up The Points In Victory Over Waupun

By Judy Harlow

This was just the kind of start Kewaskum football coach Steven Tennes hoped for in the East Central Conference — a victory that featured hard running, an explosive passing game and a defense that put pressure on the opposing quarterback and didn't give much yardage on the ground.

"We got off the mat and responded real well," Tennes said after his team posted a convincing 55-7 victory over an undermanned Waupun team. The Indians scored the first four times they had the ball to take a 28-0 lead after the first quarter.

What Tennes was referring to was last week's 39-3 loss to Victor J. Andrew High School and the fact school started on Tuesday, providing "a lot of distractions" from the previous practice schedules.

His concerns disappeared early as the Indians needed just three plays to cover 42 yards on their opening drive, following a Waupun punt. KHS scored on a short run by Sam Lemler. Jermaine "J.J." Thull gained 41 of the yards on runs of 17 and 24 yards.

Sophomore Andrew Bolek was successful on his first of six kicks, and the Indians were up 7-0 less than two minutes of the game.

The Indians got great field possession when they blocked a Warrior punt and recovered at the Waupun eight-yard line.

The Indians were whistled for an illegal formation on first down, but Thull sprinted around the right end and scored from the 13 on the replay. Bolek's kick increased the lead to 14-0.

Before the clock hit :00 in the first quarter,

Kewaskum tacked on two more scores, including a 23-yard pass to tight end Reagan Dricken and a one-yard run by Kannon Muckerheide. QB Ty Cook hit Dricken in stride for his first touchdown of the year. Dricken suffered a foot injury in the first week of practice last season and had his foot in a boot for better than six months.

A Waupun kick traveled just nine yards, giving KHS good field position at the Waupun 49-yard line. On first down, Cook stepped back to pass, finding Dylan Maechtle running down the right sideline and he gathered in the pass for a TD. Bolek's kick made the score 35-0, and there was still 9:11 left until halftime.

With 1:09 remaining before half and the score at 35-6, the Indians moved 85 yards in seven plays to add another seven points to their total. The drive featured five straight completions, including a screen pass to Thull, three passes to Joshua Bocher, one to Sam Schultz and finally a 34-yard strike to Jed Ermer for the score.

"Coming into the game, we wanted to get the passing offense going ... Ty (Cook), Michael Daniel and the receivers. It was obviously their best game ... Good to see," Tennes said.

Kewaskum played a lot of reserves in the second half, with a continuous clock. The Indians added two more scores, the first on a 27-yard sweep by Max Melzer and later a 29-yard scamper by Reagan Marx. Dillan Steger was good on 1x2 PAT kicks.

Thull led the Indians in rushing with 76 yards in five carries while Melzer added 73 in nine rushes.

The Indians wound up with 202 yards rushing

on 20 carries (8.1 yards per carry) Cook finished with 155 yards passing and three scores. Eight different Indians caught passes.

Tennes cited his offensive linemen for good games, praising Ben Leister, Trent Riekkoff, Jon Steger, Tucker Schmidt, Alex Steiner and noted "We were able to get Hunter (Brzozowski) back. That was good."

Leading the defensive charge, which limited Waupun to 37 yards rushing, were Mason Droese and Lemler, who was in on 11 tackles, with two sacks and a

"pick six," which was erased by a penalty.

"Everybody contributed ... We blocked a punt, had a lot of quarterback sacks," Tennes said. "It was an awesome, awesome start of the conference season."

While he was pleased to improve to 2-1, Tennes said, "I was proud of our guys picking their guys up (after plays), more proud of that than the score on the scoreboard."

Kewaskum Gridiron Indians Results 9/7/2019

All four Kewaskum Gridiron Indian youth football teams opened up their 2019 seasons this past Saturday, Sept. 7.

The eighth grade got things going with a 14-0 win over the New Berlin West Vikings. After a scoreless first quarter the Indians got some nice field position with a great 31 yard punt return by Bailey Ralph. On the ensuing drive quarterback Dawson Stahl hit wide receiver Bruce Penfield for an 18 yard connection and on the next play running back Nicholas Deheck opened the scoring for the season with a 13 yard touchdown run. The two-point kick was no good making the score 6-0 into halftime.

The Indians received the second half kickoff and marched it right down the field with some nice runs by running back Dylan Soyk and a 17 yard pass connection from Stahl to Ralph. Soyk capped off the drive with a four yard touchdown run. The two-point kick by Mitchell Becker was good to make the score 14-0.

After that the defenses controlled the rest of the

game resulting in the 14-0 final score.

The Indians offense was led by the running of Deheck who had 12 carries for 61 yards and Soyk who had 15 carries for 54 yards and each had a touchdown. Stahl completed six of 10 passes for 60 yards with his top target being Ralph who hauled in four catches for 40 yards.

The defense was relentless all day with Defensive Linemen Matthew Oelhafen and Matthew Miller setting the tone with several tackles for losses and quarterback pressures.

The seventh grade team struggled with the size and speed of the Vikings en route to a 34-6 defeat. The Indians touchdown was scored by tight end Cooper Pattermann on a pass from quarterback Andrew Reichert. Wide receiver Jesse Tesch also had some nice catches to help out the offense.

The sixth grade game was a tough battle between the Indians and Vikings, with the Vikings coming out on top 12-6. Running back Eli Ogi got the teams touchdown on a tough four yard run

after a long drive in the third quarter.

The defense was led by Alex Bayer and Gabe Halopka who stymied the Vikings run game the entire game.

The fifth grade team traveled to Whitefish Bay and played a solid defensive game but came up short by a score of 12-0. The de-

fense was led by Quin Dornacker and William Koch who combined for several sacks and tackles for losses.

All the teams will hit the road this Saturday with the eighth and sixth grades heading to Lake Geneva Badger and the seventh and fifth grades heading to Delavan.

Indians Have Rough Outing Against Top-Rated Kohler

By Judy Harlow

There were no weaknesses in any of their games. The Kohler tennis team, strong from No. 1 singles right down to No. 3 doubles, overpowered host Kewaskum 7-0 on September 5.

This was Kohler's third straight 7-0 victory against Eastern Wisconsin Conference teams, and Kewaskum's (2-1) first loss.

"Kohler showed once again why they are the perennial EWC champions," KHS coach Peter Garcia said, pointing out the Blue Bombers have also posted big wins over Madison Edgewood, Catholic Memorial and Xavier HS. "They are well on their way to the Division 2 state title. We did our best but were beaten by a great team."

Sabrina Lor won a single game at No. 2 singles, as did Sophie Marchello at No. 4 and the No. 2 doubles team of Liz Beine and Abby Kopffhammer.

"We identified weaknesses and will strive to correct them," Garcia said.

KOHLER 7, KEWASKUM 0

Doubles: No. 1 Okivia Grosel/Ava Hoffmann, KO def. Carly Meyer/ Sydney Ostranger, KE, 6-0, 6-0; No. 2 Erin Pellegrino/Lily Montes, KO def. Liz Beie/Abby Kopffhammer, KE, 6-0, 6-1; No. 3. Natalie Udovich/Hannah Shvartsman, KO, def. Annie Christenson/ Madysen Schlosser, KE, 6-0, 6-0.

The Kewaskum tennis team finished 2-2 in the annual Brown Deer Tournament held September 6-7. The Indians started with a 2-5 loss to Sheboygan Falls, then tipped Mayville 4-2 in a match that was halted by darkness.

On Saturday, the Indians trounced Brown Deer 6-1, then suffered a 0-7 shutout loss to Grafton of the North Shore Conference.

"The girl that really played well was Haley Densow," KHS coach Peter Garcia said, reporting his regular at No. 3 singles went 3-1 on the weekend. Densow's three victories were all in straight sets, and she improved to 6-2 on the year.

Playing in her usual No. 1 spot, senior Megan Krolski wound up going 2-2, and she gave a good account of herself in all the matches.

At No. 2, Sabria Lor finished 1-3, but Garcia pointed out Lor wasn't feeling well but went as long as she could to help the team.

Sophie Marchello was 1-2 and leads in her match against her Mayville opponent that will be finished when the two teams meet on September 17.

In doubles, Annie Christenson filled in at No. 1 for Sydney Ostranger, who was not available to play in the tournament. Christenson and Carly Meyer went 1-3 with a win over Brown Deer while Liz Beine and Abby Kopffhammer were also 1-3, losing a tough three set match against Grafton that ended 4-6, 6-1, 8-10.

At No. 3, Madysen Schlosser and Sammy Wirth were 1-3.

Local Firefighters Climb In Memory Of 9/11

By Anne Trautner

There were 110 flights of stairs in the World Trade Center.

That is how many flights of stairs participants walked during the 9/11 Memorial Stair Climb at Lambeau Field on Saturday, Sept. 7. Volunteers from the Boltonville Fire Department and Kewaskum Fire Department were among the over 2,500 people who took part in the walk.

"It was challenging, but it was rewarding," said Jada Rochwite, who is a 16-year-old cadet with the Boltonville Fire Department.

Jada agreed to do the walk with Stephen Schumaker, a Boltonville Fire Department volunteer. Together, the two raised over \$1,500 for the National Fallen Firefighters Foundation, which helps 9/11 survivors and families who have lost a firefighter.

Schumaker arrived at Lambeau Field about an hour before Jada. She was able to find him fairly easily because he was holding a large American flag that measured about six by 10 feet.

After registering for the walk, the two joined the other participants as newscasts from the morning of September 11, 2001, were played.

Each of the climbers was given a badge with a photo of a firefighter who died on September 11, 2001.

About three-fourths of the way around Lambeau Field, a bell was placed at the top of the 78th story. That was the highest point that a firefighter got to when contact was made with him on 9/11 before the building collapsed.

When they reached that point, each climber rang the bell in honor of the person on their badge.

The climbers were broken up into different waves, with 343 climbers in each wave, representing the 343 New York firefighters

that were killed on 9/11.

Jada and Schumaker were in the fifth wave of climbers.

"When we got in the stadium, Wave One had already gotten to the bell and were ringing it. After that it was a constant sound of the bell ringing — everyone rang it as they walked past. It was a very sharp, succinct sound; you could hear all over the stadium," Schumaker said.

Jada rang the bell for John Kevin McAvoy of New York City Rescue 2.

Schumaker rang the bell in remembrance of John P. Napolitano of New York City Ladder 3.

The climbers were people of all ages. About half of them wore firefighters' gear, according to Schumaker. There also were airline pilots, as well as people dressed in military uniforms.

"There were a lot of families and kids there, too," Schumaker said. "It was nice to see the amount of people who came out."

The climbers all talked as they made their way around the field, cheering on one another.

"There were a lot of people reflecting, but I think without the talking, it would have been a lot harder," Jada said.

When Schumaker stopped for a break, Jada kept forging ahead and she soon caught up with a group of firefighters from Kewaskum.

"They were cheering me on," Jada said. "I climbed up the last flight with them. We were all happy at the end, giving each other high fives and hugs. There were a bunch of kids and adults standing there, giving high fives. It was good at the end, because we all knew we were going home."

Jada never lost sight of Schumaker, though.

"It was nice of him to carry the flag because when I was going a few flights ahead of him, I always knew where he was. It was a gigantic marker so I always knew when he was taking an extra break," Jada

teased.

Jada finished the climb in about 90 minutes, and Schumaker completed it in about two hours.

"It was a good experience. It was a very reverent experience, too," Schumaker said.

They encourage other people to take part in the climb next year.

"It's not just for firefighters or EMS first responders," Schumaker said.

"At the end of the day, it is not about us competing; it is in memory of those who lost their lives on 9/11. I wasn't even born that day, and I feel so connected to it just because of stories, books, videos, just with my own guys in the fire department here, and I know how tragic it would be losing them," Jada said.

Kewaskum Fire Department volunteers (from left) Joey Pausma, Andrew Dahlberg, Dave Kletti, Amy McCartney and Scott Prim walked with all their gear in the 9/11 Memorial Stair Climb at Lambeau Field.

Young Americans Coming To Kewaskum

At the workshop, 45 college-aged performers from around the world will teach everything from vocal and dance to full stage performance.

After three days of performance instruction, the Kewaskum students will perform a show packed with choral, musical theater, rock and roll and more.

Instructors will be part

of The Young Americans, which is a two-year performing arts college, Koepke explained. Each year, members go on 70 tours, 20 of which are in the United States.

To make this possible, host families are needed to provide shelter for 45 Young Americans.

"They are college age, and they are all professionally taught and

trained. They are safe, they have all their insurance. They are outstanding," Koepke said.

Koepke, who is a chaplain for Fond du Lac Sheriff's Office and the Kewaskum Police Department, is volunteering her time to organize the Young Americans' visit to Kewaskum.

"I am passionate about a number of things. One

of those is music. It is such an enriching experience for a child," Koepke said.

To find out about more about The Young Americans, sign up to volunteer to host a family or to register for the workshop, visit [youngamericans.org/US](http://www.youngamericans.org/US) or email joynotes@skybeam.com.

Joy Koepke performed with The Young Americans in the 1960s. She is now bringing the group to Kewaskum.

Joy Koepke is a volunteer ambassador for The Young Americans. The group needs people to serve as host families for the group.
