Heavy Rain Causes Local Flooding

By Anne Trautner

The Milwaukee River rose above its banks in Kewaskum last week as heavy rains moved across the area last week.

A total of 5.3 inches of rain fell in less than 24 hours, according to village records.

“Last Wednesday we received a number of calls from residents asking, reporting that they had flooded basements,” Village Administrator Matt Heiser said

on Monday.

Heiser said he contacted county officials to see if there was any assistance being offered for residents.

“Unfortunately, this rain event did not reach the thresholds for FEMA state action,” Heiser said.

State aid occurs only if damage exceeds a certain dollar amount, and losses in the county from last week’s storms did not reach that amount, according to Heiser.

“We had very high flows at the treatment plant as a result of this event,” Heiser told the Kewaskum Village Board Monday evening. “Our treatment crews were there pretty much most of the night that night to make sure that nothing backed up in the basements; they did a great job. And our DPW crews were out that night, pretty much during the peak.”

The timing could not have been worse with garbage collection, ac-

ording to Heiser.

“Everybody had their garbage out in the bins that night, and the flow in the curbs knocked carts over, so all the trash was swept into the catch basins, which clogged them and impeded the flow of storm water, so crews were out that night cleaning catch basins to alleviate street flooding.”

The only village street that was closed due to flooding on Wednesday, Oct. 2, was Roseland Drive.

Village Accepts Land Donation For Library

By Anne Trautner

After a month of negotiations, the Kewaskum Village Board agreed on Monday, Oct. 7, to accept a donation of land from the Kewaskum Library Foundation to be used for a library.

located directly to the east of the Kewaskum Public Library. The Kewaskum Library Foundation purchased the land in 2014 to one day be used for a library expansion.

Land Donation

ATVs Not Allowed On Village Roads

By Anne Trautner

All-terrain vehicles (ATVs) and utility vehicles (UTVs) will not be allowed on village streets in Kewaskum any time in the near future.

The Kewaskum Village Board voted 5-2 Monday night against a

proposed ordinance that would have given people the right to drive the vehicles on village streets. Board President Kevin Scheunemann and Village Trustee Richard Laubach voted in favor of the measure.

ATVs Not Allowed

WASHINGTON COUNTY SHERIFF'S REPORT

Criminal Interdiction 141

On October 3, the Washington County Sheriff's Office reported that it did not allow the rain to stop it from conducting a focused criminal interdiction effort on Interstate 41 in the southern half of the county overnight.

This multi-agency effort included two K9 teams, drug recognition experts and investigators from the multi-jurisdictional drug task force, as well as commercial motor vehicle inspectors. The sheriff's office can combat criminal activity within the community in the most efficient and effective manner by utilizing the variety of law enforcement specialties it has within its agency.

The goal of the criminal interdiction effort is to identify, interrupt and hold accountable those that are engaged in criminal activity within Washington County. This can be accomplished by deputies conducting a high number of traffic stops within the interdiction area. All of the traffic stops are made after deputies observe violations of law.

"Interstate 41 is a major artery that is frequently utilized by criminals to transport illegal contraband directly into our communities and my goal is to disrupt those that choose to utilize Washington County's roadways to commit crimes and avoid apprehension by law enforcement," said Washington County Sheriff Martin Schulteis.

A 41-year-old Milwaukee man was arrested for fourth offense OWI and resisting arrest. The suspect was stopped after a deputy observed the vehicle registration was expired as of January 2019. The deputy learned that the driver did not have a valid dri-

ver's license and smelled the odor of intoxicants on the driver. It was learned that he was drinking "moonshine" while driving. After conducting field sobriety tests he was advised he was under arrest and immediately took off running. He was captured after a brief foot chase. He refused a breath test and a search warrant was obtained for a blood sample. He now faces felony OWI charges.

A 28-year-old Milwaukee man was arrested for Unlawfully Carrying a Concealed Firearm. He was stopped for having expired registration as well as a suspended driver's license. Prior to the K9 conducting a walk around of the vehicle, the suspect admitted he had a loaded handgun on the passenger seat underneath a bag and that he did not have a permit to carry the firearm.

In total, there were 54 traffic stops conducted during this effort. There was one felony arrest, two misdemeanor arrests, one arrest warrant served, three citations for controlled substances and 21 traffic citations issued.

The Washington County Sheriff's Office would like to recognize Cabela's for its continued support of allowing our agency to conduct interdiction briefings in their parking lot as well as the City of Hartford Police Department for the use of its K9 team. Partnerships like these are key to combatting criminal activity within Washington County. The Washington County Sheriff's Office will continue to deploy interdiction efforts similar to this one in the future.

Semi Tractor Trailer Crash

On October 3, at approximately 2:25 a.m.,

the Washington County Sheriff's Office was notified of a semi-tractor trailer accident, on Interstate 41 northbound, approximately one mile north of County Highway K, in the Town of Addison.

Upon arrival of deputies, a semi-tractor trailer was found lying on its side, partially in the median and in the southbound traffic lanes of Interstate 41. The truck driver was not injured.

In order to facilitate clean up and towing, Interstate 41 southbound had to be shut down to varying degrees. The left lane was shut down for approximately three hours. A full closure of Interstate 41 southbound started at approximately 5 a.m.

The incident remains under investigation; however, initial evidence revealed that the driver of the semi-tractor was northbound, and swerved off road to avoid collision with another vehicle. The semi then entered the median, and flipped onto its side, partially into the southbound lanes.

On Saturday, Oct. 5, 63-year-old Kevan McClintock's body was recovered from the Mullet River.

A group of kayakers contacted law enforcement at approximately 11:20 a.m. to relay they found a body in the water. The Plymouth Police Department responded to the area, and requested the assistance of the Sheboygan County Dive Team. The body was recovered from the river, and was positively identified as McClintock.

The Plymouth Police Department received a report on October 3 at approximately 1 p.m.

His family reported that McClintock, who was a Greenbush resident, had last been seen by the Mullet River in downtown Plymouth at 12:30 a.m. His dog had jumped into the river while he was in the downtown area. McClintock went to the river to retrieve the animal. The dog was later found by a friend in the area. No

one saw McClintock enter the water and initially it was presumed that he had gone to a local tavern.

Later in the morning of October 3, the friend who had retrieved the dog became more concerned as it was learned McClintock had not gone to the tavern and his car was still in the downtown area. The family checked his residence and other locations where he may have gone, and he was not located.

The Plymouth Police Department immediately started an investigation upon learning about the missing person complaint. The focus of the search had been along the river. The Plymouth Police Department requested the assistance of the Sheboygan County Sheriff's Drone Team and a helicopter from the Wisconsin National Guard to check the river on Thursday. Search teams did experience difficulties due to the high-water levels

and a fast-moving current. The Plymouth Fire Department also searched the river banks by foot. On Friday, Oct. 4, search efforts were ongoing, utilizing experienced drone teams to cover a much larger area than can be done on foot. Water levels had not receded since Thursday and continued to hamper search efforts.

The group of kayakers who found the body were made up of local friends and family. For them to locate their loved one in a larger area of water outside of the initial search area was nothing short of amazing, and humbling. The Plymouth Police Department thanks all of them for their efforts today.

The Plymouth Police also recognizes the Sheboygan County Dive and all the agencies that make up that team, as well as the Plymouth Fire Department for their assistance.

OBITUARIES

Bernadine M. Bodden

Bernadine "Bernie" M. Bodden (nee Straub), 83, of Kewaskum was called home to be with the Lord on Sunday, October 6, 2019 at Kettle Moraine Gardens in Kewaskum.

She was born on October 19, 1935 to the late Peter and Loretta (nee Deringer) Straub in Elmore, WI.

Those Bernie leaves behind to cherish her memory include her loving husband, Paul Bodden; five children, Richard Bodden, Randall (Barbara) Bodden, Brian (Susan) Bodden, Bruce Bodden, and Steven Bodden; four grandchildren, Ryan Bodden, Bradley Bodden, Nicole (William) TeWinkle, and Samantha (Scot) Messner; three great-grandchildren, Annabelle TeWinkle, Flora TeWinkle, and Olan Messner; two brothers-in-law, Barney Strobel and Raymond (Geraldine) Bodden; three sisters-in-law, Valeria Straub, Evelyn (Lloyd) Martin, and Mary Paulus; many nieces, nephews, other relatives and friends.

In addition to her parents, she is preceded in death by her six sisters, Irene (Alvin) Wietor, Marcella (Donald) Funk, Bernice (William) Voland, Alice Strobel, Rose (Clarence) Schmitt, Esther (Leo) Nigh; five brothers, twin brother Bernard Straub, Alvin Straub, Norman (Lois) Straub, infant brothers Kilian and Norman Henry.

A Mass of Christian Burial will be held on Friday, October 11, 2019 at 1 p.m. at Holy Trinity Catholic Church, 331

Main St., Kewaskum. Burial to follow after mass at Holy Trinity Cemetery.

The family will greet relatives and friends at the church on Friday from 11 a.m. until the time of mass.

The family would like to thank the staff at Kettle Moraine Gardens for all their help and care.

Memorial to the Alzheimer's association in Bernie's name is appreciated by the family

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Bernie's arrangements. Additional information and guest book may be found at www.myrhum-patten.com

Ramona L. Dreher

Ramona Lee Dreher, 82, passed away on Wednesday, October 2, 2019 at Advocate Condell Medical Center in Libertyville, IL.

She was born May 29, 1937 in Fond du Lac, WI. She was raised on a farm in Wayne, WI and was formerly of Madison, WI and Chicago, IL, living in Libertyville since 1969.

Ramona married her husband, Edward on September 14, 1957 and served as office manager at his accounting firm, Dreher and Company in Libertyville. She was a pianist and organist, playing at several churches in her life. She was a lover of music theatre, enjoying the shows at Marriott Theatre in Lincolnshire, and was a member of numerous theatre guilds in Chicago. After retirement, she and her husband traveled the world,

experiencing every cruise they could find. Ramona was an avid bridge player, knitter and will be sadly missed by her family and dear friends.

Surviving is her husband of 62 years, Edward Dreher; three children, Dean (Teresa) Dreher, Dawn (Tedd) Eastman and Sandy Bello; six grandchildren, Emma Dreher, Lindsay (Jason) Evans, Ryan and Andrew Shultz, Samantha (Alexis) Burgos and Tony Bello; three step-grandchildren, Charles (Mandy) Lewis, Kelton (Camille) Lewis and Hannah Eastman; six great-grandchildren, Sophie, Cooper, Carter and Anders Evans, Luna and Viggo Burgos; step-great-granddaughter, Ainsley Lewis; two brothers, Daniel (Wendy) Coulter and Timothy (Carole) Coulter; and by a sister, Sharon (Norbert) Rosbeck.

She was preceded in death by four brothers and sisters.

Private services and interment will be held at a later date. Arrangements by Burnett-Dane Funeral Home in Libertyville, IL. For info: 847-362-3009 or share a memory at www.burnettdane.com.

Rosemary E. Keller

Rosemary E. Keller, 94, of Little Chute, formerly of Kewaskum, passed away on Friday, October 4, 2019, in the arms of her family.

Rosemary was born on May 11, 1925, in Schofield, the daughter of the late William and Ann (nee Kaser) Dewsenberry. Rosemary attended St. Agnes, St. John de Nepomuc, and Engleburg Schools Menomonee Falls and

North Division High Schools. On May 19, 1946, she was united in marriage to Martin Keller at St. Boniface Catholic Church in Milwaukee. Rosemary and Martin then moved to West Bend in 1947 and eventually to Kewaskum. She was active at St. Frances Cabrini and Holy Trinity Catholic Church. Martin preceded Rosemary in death on March 22, 1998. She was employed at Enger Kress and Wisconsin Electric as an executive secretary. Rosemary loved sewing, knitting, crocheting, reading, oil painting, camping, and widely traveled.

Those Rosemary leaves behind to cherish her memory include two children, Karen (Nate) Glassman of Slinger and Michael (Tammy) Keller of Little Chute; six grandchildren, Natasha (fiancé, Kurt) Riley-Glassman, Zachary Riley-Glassman, Josh (Heather) Keller, Kayla (Ted) Wentz, Bryan Goll, Alex Keller, Sarah Klokow, and Andrew Klokow; three great-grandchildren, Caleb Springborn, Braylen Wegner, and Miriam Wentz; a brother, Willis Dewsenberry; other relatives and friends.

In addition to her husband and parents, Rosemary was preceded in death by two children, Jeffrey Keller and Linda (Carl) Keller; a daughter-in-law, Jill Goll-Keller; brothers-and sisters-in-law, nieces, and many friends.

A Mass of Christian Burial for Rosemary will be held at 11 a.m. on Thursday, October 10, 2019, at Holy Trinity Catholic Church, 331 Main Street, Kewaskum. Rev. Jacob Strand will officiate and entombment will follow at Washington County Memorial Park.

Rosemary's family will greet relatives and friends at the Myrhum Patten Miller and Kietzer Funeral Home, 215 Forest Avenue, Kewaskum on Wednesday, October 9, 2019, from 4 p.m. until 7 p.m. Visitation will continue at the church on Thursday from 10:30 a.m. until the time of Mass.

The Myrhum Patten Miller and Kietzer Fu-

neral Homes have been entrusted with Rosemary's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

Frank Krueger Jr.

Frank Krueger Jr. of Kewaskum passed away peacefully at the age of 86 on Monday, September 23 2019.

Frank was preceded in death by his loving wife, Mary Louise Krueger. He was also preceded in death by his parents, Frank and Almeda Krueger; sisters, Betty Jane Krueger and Marilyn (James) Komaromy; and two grandchildren, Julia Ruth Smith and Carlos Andres Krueger.

Survivors include Frank's children, Jane (Gifford) Smith, Kim (Gregory) Gutjahr, and Gregg (Hilda) Krueger. Treasured grandfather "Pa" of Michael (Jessica) and Paul Gutjahr, Rachel (Chris) Smith-Kozlowski, Kevin

(Megan) and Katherine Smith and Alexandra and Natalie Krueger. Also loved by sister, Janette (Edgar) Loomis, other relatives and friends.

Frank was a self-employed plumber who also did heating. He enjoyed his work and never thought of himself as retired. Frank had been a proud member of the Kewaskum Fire Department for many years. He was a current member of the West Bend Moose Lodge. Frank was an avid card player, who played with several card groups.

Frank's final wish was to donate his body to the University of Wisconsin Madison Medical School. The University will have a service for the family.

In lieu of flowers, memorials to KEYS, Kewaskum Youth Scholarship Inc. at: PO Box 124, Kewaskum; keys.scholarships@gmail.com, or the Kewaskum Fire Department would be appreciated.

Library Happenings

ACTIVITIES AT THE KEWASKUM LIBRARY

DAYS GONE BY

**5 Years Ago
October 16, 2014**

Students in Kewaskum High School's class of 2017 and those in years to follow will no longer be marked according to their cumulative grade point average (GPA). Instead, their achievements will be based upon the Laude System. The Laude System takes not only a student's GPA into consideration, but also his or her effort put in through choosing more challenging classes. It will be implemented in the 2015-16 school year.

There's nothing a coach likes better than seeing his team successfully scoring on a play it had recently worked on during a practice session. That being said, Kewaskum soccer coach John Kenworthy was grinning from ear to ear after watching his team score on two corner kicks in the first half of Saturday's Division 3 opening round matchup against the combined North Fond du Lac/St. Mary's Springs/Oakfield team.

The Kewaskum High School class of 1989 took part in the Indian's Homecoming parade Friday evening and proudly reminded everyone of their four straight years of building prize winning floats.

At Monday night's village board meeting, Kewaskum Police Chief Tom Bishop swore in two new officers. Justin Heschke has been hired full-time and TJ Schlice has been hired to fill a part-time position.

The Village of Kewaskum will be short one employee wearing three hats come Friday. Chad Cook, who has served as zoning administrator, building inspector and, most recently, department of public works director, will head to Washington County's Planning and Park Department.

Friday evening's football contest was not only Homecoming, but also Senior Night for the Indians' football team. Seniors included Matt Spoerl, Garrett Buth, Dylan Thull, Collin McCarthy, Everett Dean, Matt Hetebrueg, Adam Ratliff, Brad Petersen, Josh Limbach, Derek Voigt, Matt Elbe, LJ Pinchard, and Max Hardy.

Addison Elizabeth Klemme passed away October 11. She was born January 12, 2013. Thomas A. Toth, 57, passed away October 7.

**15 Years Ago
October 7, 2004**

On September 29, the Kohlsville Fire Department responded to a barn fire at 6386 CTH D in the Town of Wayne.

The property owner and employee escaped without injury. The fire quickly spread from the top level of the barn throughout the rest of the large barn and milking parlor. The structure and all the contents were a total loss.

Members of the Kewaskum Fire Department will be sporting a new piece of equipment to tackle grass and brush fires this spring. The much-needed piece of equipment will be replacing the 1977 Chevrolet brush truck. The village board gave approval to loan the fire department \$57,445 to purchase a 2005 GMC crew cab with a duramax diesel engine.

The Fillmore Fire Department will be breaking ground for its new 3,500-square foot addition to the fire station. The ceremony will begin at noon on October 10 at 8485 Trading Post Trail. Refreshments and fire prevention open house will follow.

Despite rain, the Kewaskum Homecoming celebration was held.

Garett Donath did everything but sell concessions at Friday night's Homecoming football game between host Kewaskum and Two Rivers. The 175-pound junior halfback/linebacker riddled the Raiders' defense for four touchdowns and a pair of two-point conversions, rushed for 162 yards in 18 carries, and intercepted a Jake Steinhauer pass at the goal line to turn back a scoring bid by the visitors in the second half. Kewaskum won 44-6.

A son, Brady James, was born to Kari Krueger and Jim Butzlaff, Kewaskum, on September 23.

A son, Donovan Daniel, was born to Sharyl and David Zillmer, Kewaskum, on September 28.

Wilfred E. Strack, 88 of Random Lake, passed away on September 29.

Priscilla M. Bowen, 87 of Campbellsport, passed away October 2.

Aloys J. Schladweiler, 87 of town of Sherman, passed away September 25.

**25 Years Ago
October 13, 1994**

Russell Wilson, Department of Natural Resources Conservation Warden at La Crosse, has been named the 1993-94 Mississippi Flyway Waterfowl Officer of the Year by the 12-state Mississippi Flyway Council and Ducks Unlimited. He is the son of Larry and LaVilla Wilson of Kewaskum.

Out of 318 sign-ups,

165 runners/walkers showed up for the KEYS 5K Run/Walk on Sunday at the Kettle Kountry Kolers Festival, braving the crisp autumn weather and threatening clouds. The benefit race earned approximately \$4,000 for KEYS Scholarships, Inc.

Channel 12's popular anchorman Jerry Taff attended the Kettle Kountry Kolers festival with a film crew. Excellent Kettle Kountry footage was seen on the 6 and 10 p.m. news on Sunday.

Town of Scott board members acted on a number of zoning changes at their recent meeting. In other news, Dallas Wixom and Gary Held have been reappointed to three-year terms on the Town Planning Commission.

Missy Rohrer and Margaret Feind advanced from their respective flights, earning sectional tennis berths. Rohrer made history by becoming the first Lady Indian tennis player to advance to the WIAA state tournament two days later.

Kewaskum football posted a 14-6 overtime victory over New Holstein in the annual Homecoming contest.

A Kewaskum couple lost their lives in a fatal car crash in Michigan's Upper Peninsula on October 6 when their car collided with a bus near Iron Mountain. Leroy, 75, and Marcella Bechler, 73, were returning home from a trip with friends, Raymond and Doris Degnitz of Random Lake. All four passengers in the car were pronounced dead at the scene. The driver of the empty bus, Becky Munn of Michigan, was taken to Dickinson County Memorial Hospital and treated for her injuries. She was later released.

Andrew Dettmann, 76 of West Bend, passed away October 6.

Ruth I. Borchert, 74 of West Bend, passed away October 6.

Bruce K Wolf, 68 of Slinger, passed away October 8.

Nicholas A. Fanzelter, 97 of West Bend, died October 4.

**50 Years Ago
October 10, 1969**

The school board of the Kewaskum Community schools, at a meet-

ing on Monday, decided to hold an informational meeting for the electors of the school district to discuss the future of the community swimming pool. The school board had expected the total cost of the project to be about \$300,000. Bids revealed the total to be \$390,000, although alternates could bring the cost down to \$350,000.

Capuchin Father Ralph Fellenz left for Cuernavaca, Mexico, on October 1. The son of Mr. and Mrs. Leo M. Fellenz of Kewaskum will live with a Mexican family for the four months he is studying language and cultural studies.

The Homecoming pep rally will take place on the high school grounds at 3 p.m. October 10 and the parade will begin at 6:15 p.m. The Homecoming dance will be held October 11. The theme is This Is Indian Country. Ron Theusch has been chosen king by his teammates and he chose Kathy Dorn as his queen.

Seven coeds have been named to the 1969-70 cheerleading team at the University of Wisconsin Washington County Campus, West Bend. Included are Kewaskum residents Debbie Rumsey, Nancy Nigh, and Julie Hron.

Mr. and Mrs. Norman Heberer were among the more than 1,000 Mobil dealers and their wives, wholesalers and company executives to attend the Mobil dealers' convention in Chicago.

The list of recipients of the National Safety Council's safe driver awards for August included Sgt. Erwin G. Bullette, Kewaskum District 2.

In one of their better games of the season, an inspired Kewaskum football team held previously unbeaten conference leading Grafton to a 6-6 tie on Friday.

Mrs. John Kern, 76, West Bend, passed away September 30.

**75 Years Ago
October 6, 1944**

Two 18-year-old Milwaukee youths who wrecked a car which they stole at Milwaukee on Highway 55 at Kohn's curve a short distance north of Kewaskum near the Fond

du Lac County line were returned to Milwaukee late Sunday by Fond du Lac detectives. The boys were arrested near Long Lake at about 10 p.m. on Sunday. That was about five hours after the accident.

Orville J. Petermann, town of Auburn and son of Mr. and Mrs. Arthur Petermann, was one of 22 men who left from Fond du Lac early Saturday morning for induction into the armed services at Milwaukee.

Boy Scouts and Cub Scouts from Kewaskum, Barton and West Bend will join for an evening of fun on October 7 when they will stage a parade and fun joust at West Bend. The joust events will be started at the school beginning at 7:45 p.m. with the public invited to attend. The Scouts promise an evening of hilarious fun.

On October 2, most of the banks in the United States started the system of cashing in eligible war bonds in the hands of individuals directly. Previously, the person had to take the bonds to the bank or post office for them to be sent to the federal reserve bank for redemption.

The Washington County Triple A office received the following official information: "War Food Administrator Jones has ended all WFA rationing and distribution control of farm machinery and equipment except corn pickers."

Mr. and Mrs. Joseph Weinert of Route 3, Kewaskum, are the happy parents of a baby girl born October 3.

A son, Loren Reed, was born September 29 to Mr. and Mrs. William Coulter of near Wayne.

Miss Myrtle Wilke, 47, New London, died recently.

John P. Funk, 67, Fond du Lac, died September 30.

Mrs. William A. Otto, whose husband is serving overseas, died October 5.

**100 Years Ago
October 6, 1919**

Herman F. Jandre, lifelong resident of New Prospect, died at the Ogden Hospital in Milwaukee from an infection resulting from an appendicitis operation.

His wife, the former Pearl Romaine, a son, three brothers, and four sisters survive.

Burglars entered the A.G. Koch store during the night and ransacked the place. The vault was entered but nothing was found missing.

The first of a series of welcome home greetings for the benefit of returned soldiers and sailors held at the M.W.A. hall under the auspices of the Kewaskum Advancement association was a grand success and rich treat from the servicemen. At 7:30 p.m. the Kewaskum 30th Separate Co., W.S.G.R., together with 25 returned soldiers assembled at the armory and marched to the M.W.A. hall. The program was opened with a welcome home address by Val. Peters, president of the Advancement Association, followed by a response by First Lieut. Maurice Rosenheimer. This was followed by vocal and instrumental solos and duets by some of the best talented people of the village. An address by Capt. John P. Fellenz and exhibition drills in the annual of arms by the guardsmen and soldiers concluded the program. Refreshments followed the program.

Mr. and Mrs. Carl Spradaw and son moved to Kewaskum from Elmore.

A district school contest was held at the library, consisting of spelling, reading and arithmetic. The program included readings, flash card drills, folk dances and community singing.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

Saturday, Oct. 12 - Creatures of the Night Fall Drop In. Uncover what animals are awake while we sleep at night and how they adapted to survive under the cloak of darkness. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 10 a.m. - 2 p.m.

Sunday, Oct. 13 - Creatures of the Night Fall Drop In. Uncover what animals are awake while we sleep at night and how they adapted to survive under the cloak of darkness. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 11 a.m. - 2 p.m.

Thursday, Oct. 17 - Before the Hunt. Before you head out to bag a pheasant, buck or other quarry, join Wildlife Biologist Josh Jackl to learn what work the DNR wildlife team undertakes to provide good habitat for game animals and wonderful hunting opportunities. Conservation Warden Nick Miofsky will also be on hand to share any changes to and answer any questions about the hunting rules and regulations. This program is most appropriate for people over the age of 10. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee), 7 - 8:30 p.m.

Friday, Oct. 18 - What's for Lunch? Nature Storytime, You may have a hamburger for lunch, but what do the animals eat? Find out what is on the lunch menu for the wild animals of the Kettle Moraine. This hour of nature fun awaits three to six year olds with accompanying adults, 9:30 - 10:30 a.m.

Friday, Oct. 18 & 19 - A Fair To Remember, Washington County Fair Park, Friday, 4 - 8 p.m., Saturday 9 a.m. - 4 p.m.

Saturday, Oct. 18 & 19 - Halloween Nature Hikes, Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect). Look for those things with wings! Traverse through the dark autumn woods to meet the fast-flying little brown bat, the radiant scarlet tanager, dazzling dragonfly, and many more. This is not a scary hike and is best for those over five years of age. Groups leave every six minutes. The last hour-long hike leaves at 8:30 p.m. While waiting for your hike, enjoy playing fun-filled games, making a craft to take home or snacking by the glow of a campfire. 6:30 - 9:30 p.m.

Saturday, Oct. 19 - Central Wisconsin Gun Collectors Show, Fond du Lac Fair Grounds, 520 Fond du Lac Ave., Fond du Lac, 8 a.m. - 5 p.m.

Saturday, Oct. 19 & 20 - Autumn Celebration, Wade House Historic Site, W7965 State Hwy 23, Greenbush, Saturday 10 a.m. - 5 p.m., Sunday 10 a.m. - 4 p.m.

Saturday, Oct. 19 - Ice Age Trail Alliance Fall Hike, Otten Preserve near Sunburst Ski Hill, Kewaskum, 2.5 mile hike and 1.5 mile hike available, 10 a.m.

All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.

920-533-8338

Believing The Lie That Makes God Too Small

By Darlene Stern

There's a lie we've been led to believe.

Don Moen in his song "Be Magnified" from the 1998 album, "Worship with Don Moen: God is Good," lays this lie out rather poignantly. Selected phrases from that song describe how we've been led astray. "I have made You* [God] too small in my eyes;" "I have believed in a lie, that You were unable to help me;" and "I have leaned on the wisdom of men and I have responded to them, instead of Your light and Your mercy."

It's easy to trust what teachers have told us about God. They're trained extensively, so they must know the truth right? For example, you'll find the current history textbooks used in public schools don't all agree with what the older generations learned about history.

That's because one person has undertaken to rewrite history from his perspective, often leaving out crucial details that reveal the back story. Just as prayer was evicted from the schools, so was God's hand taken out of history classes; only God's removal was much more covert, and often no one noticed.

Back to the lie: we've

been directed down the path over many years to believing that God really has no power anymore; that God doesn't really care about us; that God doesn't heal any longer; that much of the Bible is merely fabrication. NOT SO!!!

Once we've had an encounter with the living God our eyes are opened. Begin to read the Bible and we find the Word of God comes alive to us. Even simple translations like The Good News Bible tell the story of God's creation and Jesus' purpose so we now comprehend. Once we begin to study in depth, the rich meanings of the Greek, Hebrew and Aramaic languages reveal the true meaning of what we were meant to receive from God, even now 2,000 years later.

In "Be Magnified," Moen goes on to relate: "O Lord, forgive me," "But now, O Lord I see my wrong; heal my heart and show Yourself strong," and "You are highly exalted and there is nothing You can't do." Ephesians 3:20 tells us "God can do anything, you know — far more than you could ever imagine or guess or request in your wildest dreams! He does it not by pushing us around, but by working within us, his Spirit deeply and

gently within us." (The Message) Another translation says he does this by his power.

That word 'power' is dunamis — the same word dynamite comes from, but this form means constructive rather than destructive power. God is powerful. That has not changed in 2,000 years. He is able to make a way when there seems to be no way, something can be resolved successfully.

It is a lie to believe he cannot do what he promised he would do. As a matter of fact, he knew in advance doubt would be sown into our hearts and lives. In order to counteract that doubt he told us, "God is not human, that he should lie, not a human being, that he should change his mind. Does he speak and then not act? Does he promise and not fulfill?" (Numbers 23:19 NIV)

God keeps his word. He has never lost his power to work in our lives on our behalf. No one can take his love away from us, nor steal our inheritance and the plans he has for our lives — unless we allow them to. Therein lies the key! Don't allow anyone to steal God's intended blessings from your life! Don't let anyone make God too small in your life!

My Choice Family Care And Care Wisconsin To Merge

My Choice Family Care and Care Wisconsin are pleased to announce they have signed a letter of intent to explore the feasibility of merging into one entity. Any final merger would be subject to regulatory approval. This entity would provide a comprehensive array of services and network of integrated care throughout Wisconsin. Services will include Family Care, Family Care Partnership, SSI Managed Care, Medicare Dual Advantage and Badger Care Plus.

My Choice and Care Wisconsin have strong individual histories of care and service to their members and the communities they serve. My Choice began providing services as one of the original Family Care pilot counties in 2000. Care Wisconsin began as the first adult day care center in Madison, Wisconsin, in 1976 and in 1995 became the first Wisconsin agency to enroll people in the Partner-

ship program.

The organizations have a history of collaboration and are very excited to begin this new chapter together. This merger will build upon the established strengths of both organizations and enhance their ability to effectively coordinate acute, primary, community-based and long-term care services for members with a focus on quality outcomes, member satisfaction, and a robust provider network.

Care Wisconsin Interim CEO Amy Ackerman said, "The Care Wisconsin story began more than 40 years ago and we are excited that the next chapter includes merging with My Choice. Like us, they've been deeply rooted in and committed to the communities they serve. Our companies have a shared vision and passion for improving our members' lives."

This newly merged organization will continue to focus on members

first, ensuring continuity of care and services for them, and continued effective and positive relationships with its valued network of providers and community partners.

"My Choice was one of the first Family Care MCOs in Wisconsin," said My Choice CEO Maria Ledger, "but we always strive to be innovative and creative. Care Wisconsin has been a great collaborator over the years and we are very much looking forward to this merger with them. I know we have a lot to learn from each other and we are very excited to get started."

Dorst Family Helped By KHS Football Team

By Andrea Hansen Abler

Heavy rains last week reaked havoc on many area residents. With many areas getting three to four inches of rain on Tuesday, rivers were overflowing, sump pumps were running constantly and some basements were flooded.

One basement that sustained some water damage was the Dorst home on Redwing Court in Campbellsport. It wasn't a lot of water, but just enough to ruin the carpeting and force some repairs.

"Our sump pump didn't kick in," said Robin Dorst. "We didn't check it until Wednesday."

Their carpet was ruined and some other items sustained some water damage. They called a company to come help them, but the company could not get there for about a week.

So, the Dorst's didn't know what to do. They knew they couldn't pull the carpet up themselves and get it out of the basement.

The couple didn't have to look too far for help. Robin is a teacher at Kewaskum High School and she mentioned the situation to her fellow teachers. An announcement was made on Friday morning at the school.

Then on Saturday morning, a group of Kewaskum High School football players came to the Dorst home in Campbellsport to help their teacher. Coaches Steve Tennies and Jason Last organized the group.

"They helped us by bringing in 12 of the varsity football players," Robin said. "They had it all ripped out and done in 20 minutes. They also moved some of the furniture."

Robin said they will have to do some repairs

to the walls of the basement. This is why the players moved the furniture too.

The students came in without any fuss and quickly got the work done. All this was done right in the middle of their Homecoming weekend too.

Most of them told Robin that they would do anything for their teacher.

"They were great," Robin said. "A lot of them I've had in class. It was really sweet."

That same night Robin saw all of the football players again at the Homecoming dance. She was a chaperone for the dance. She said that players came up to her during the dance to make sure she didn't need anymore help.

"Many said, 'anything for you Mrs. Dorst,'" Robin said. "They really are nice kids. They just did it out of the kindness of their hearts. It is greatly appreciated!"

Main Street Philanthropy students in Casey Scheel's leadership class work with David Talbot and Neil Narveson from the Silbernagel Group to analyze 990 tax forms from charities.

KHS Students Learn About Main Street Philanthropy

Main Street Philanthropy is being taught at Kewaskum High School to inspire future generations to become passionate philanthropists. It leads small teams of students and their classroom teacher through a truly transformational experience that builds new philanthropic leaders for tomorrow.

Main Street Philanthropy began with an observation and a question. Founders Ryan Ponsford and Scott Farnsworth help wealthy families discover their relationship to wealth and to one another. In their work with families, they both observed that one of the most effective ways to make a significant posi-

tive impact in the lives of teenagers and young adults was through meaningful, hands-on involvement in charitable giving and community service.

This led to a question: Could the lives of students from "Main Street" be similarly changed by experiencing the giving side of philanthropy – by becoming "philanthropists in training?" The answer, it turns out, is a resounding yes.

Main Street Philanthropy creates a dynamic, real-world experience in charitable giving with passion and intelligence. The process brings together small teams of students, their classroom teacher, an outside financial

mentor (we call these volunteers our Ambassadors), generous donors, and front-line charities, all of whom benefit from this remarkable collaboration.

The Result: profound transformation. Minds are opened, possibilities are explored, imaginations are ignited, help is given, hearts are touched, and lives are changed – forever.

As one young participant commented at the end of his 10-week journey into the world of philanthropy, "I never knew giving away money could be so hard – or so much fun."

Visit MainStreetPhilanthropy.org to read student blogs each week and learn more.

Robin Dorst stands with the members of the Kewaskum High School varsity football team who helped clean out her basement. Heavy rains caused some flooding in the area last Tuesday and Wednesday. The Dorst residence on Redwing Court in Campbellsport had some water in the basement because their sump pump wasn't running. The football players came out on Saturday morning, Oct. 5, help rip up the carpet and carry it out of the basement. Dorst is a teacher at Kewaskum High School. Pictured above with Robin are players Ty Cook, Mason Droese, Jon Gill, JJ Thull, Alex Steiner, Jed Ermer, Kannon Muck-erheide, Jon Steger, Trenton Riekkoff, Ben Leister, Kyle Elbe and Brett Fahrenkrug.

Retailers Recognized For Not Selling Tobacco, Vaping Products To Youth

The Prevention Network of Washington County has completed its Wisconsin (WI) WINS compliance checks for the year, and 79 percent of retailers in Washington County did not sell to minors during 2019.

The goal of the WI WINS program is to prevent youth tobacco and electronic vapor product use by keeping it out of their hands in the first place. The program achieves this goal through retailer compliance checks in partnership with local law enforcement, and through retailer education.

Statistics show that 80 percent of adult tobacco users started before the age of 18, and our local retailers play a crucial role in keeping our youth tobacco free.

"It is so great to see so many retailers in our community supporting the effort to keep tobacco out of youth hands," stated Mikaela Becker, prevention coordinator for Elevate, "and while compliance rates have gone up over time, we still need everyone to do their part in keeping our youth drug free- especially with the emergence of electronic cigarettes and vapor products."

Retailers and their employees can access free training at WITOBACCOCHECK.ORG, which includes study

guides, a short quiz and a certificate of completion that employers can keep on file.

The Prevention Network of Washington County wants to thank local retailers who are committed to keeping tobacco out of youths' hands, and who did not sell to minors during our 2019 compliance checks. The organization is encouraged by the number of establishments who are stepping up to help Washington County's youth to live healthier lives.

The public is encouraged to learn more about the WI WINS program at WIWINS.ORG. Retailers and employees are also reminded that free training is available at WITOBACCOCHECK.ORG.

County Real Property Lister Receives Award Of Excellence

responsible for the county's real property listing and associated assessment functions, supplying parcel based land information to both land information professionals and to the general public. It also reviews parcel mapping activities, acts as a repository for the County Surveyor files and operates as a liaison between the county and the Wisconsin Department of Revenue. Braithwaite has served as the County's Real Property Lister for over 25 years serving as the WRPLA president twice, district VP three times and chair of the legislative committee for over 20 years.

"I believe that his knowledge of Real Property Listing History in Wisconsin is unparalleled, including related topics such as assessment practices and taxation," declared Jeremy Erickson GIS Specialist/LIO in his presentation of the award on September 26. "Brian is always willing to share his insight on industry related topics with his colleagues and remains approachable and thoughtful in his answers to our questions."

Washington County Real Property Lister Brian Braithwaite has received the Wisconsin Real Property Lister Association (WRPLA) President's Award for Excellence in 2019.

"This is a well deserved honor for Brian and I am thrilled for him," said Sharon Martin, reg-

ister of deeds for Washington County. "Brian continually depicts our values around collaboration, innovation, optimism and integrity, producing an unparalleled level of service for our constituents."

The Real Property Lister is an arm of the Register of Deeds and is

This volunteer helps out at the Halloween Nature Hikes at the Mauthe Lake recreation area last year. This year the annual hikes will be held on Friday, Oct. 18, and Saturday, Oct. 19.

Things With Wings At The Halloween Nature Hikes!

Meet those winged animals with the gift of flight at this year's Halloween Nature Hikes at the Kettle Moraine State Forest - Northern Unit.

The Forest Faerie waits to greet you as you begin your extraordinary evening adventure on Friday, Oct. 18, or Saturday, Oct. 19, from 6:30 p.m. to 9:30 p.m. A menagerie of costume characters including the fast-flying little brown bat, the bumbling black bottle fly, radiant scarlet tanager, and dazzling dragonfly awaits you and your friends as you stroll through the dark autumn woods.

The hikes take place

at the Mauthe Lake Recreation Area located at N1490 County Road GGG, Campbellsport which is south of County Road SS near New Prospect (approximately 20 miles north of West Bend and 20 miles south of Fond du Lac). Guided groups leave every six minutes with the last one going out at 8:30 p.m. Each hike lasts about one hour. These non-scary hikes are best for those over the age of five years old.

Before or after the hikes, play exciting games and create clever crafts. The Friends of the Kettle Moraine provide free apple cider and popcorn for all the hikers

to enjoy by a roaring fire. A Wisconsin State Park System vehicle admission sticker is required. A state resident daily sticker is \$8 per car. If you already have your park sticker, the event is free, but donations are always gratefully accepted.

Join us for a marvelous evening of fun educational entertainment for all ages! For more information, call the Ice Age Visitor Center staff at (920) 533-8322. The center is open Monday through Friday from 8:30 a.m. to 4 p.m. and on Saturday and Sunday from 9:30 am to 5 p.m.

ATVs Not Allowed On Village Roads

The village held a public hearing on September 16 to get feedback from residents on the issue. About 10 people at the public hearing expressed support of ATV use on village streets.

However, Kewaskum Police Chief Tom Bishop said at the public hearing that he was not in favor of the proposal.

“Do I think it is right for the village? No, I do not,” Bishop said. “Holistically, I don’t think it is the right move for Kewaskum. I don’t think it is safe to have these on Highway 45.”

To address Bishop’s concerns, some changes were made to the proposed ordinance that the board considered on Monday.

“Essentially we took the police chief’s criticisms and tried to meld them into the proposal,” Scheunemann said.

One change was that Fond du Lac Avenue would not be open to

any ATV/UTV traffic. However, Laubach said he felt that ATVs should be allowed on Fond du Lac Avenue.

“If we are going to open [the village to ATV traffic], I think we should open it all the way so all the businesses can benefit by it instead of just a handful,” Laubach said.

Another change in the proposed ordinance was that ATV operators would be required to have a valid driver’s license. Village Trustee Dave Spenner asked how police would enforce that restriction.

“The only way is to stop them for another violation and find out after the fact they don’t have a license,” Bishop explained.

Village Trustee Richard Knoebel said that he heard from six residents since the public hearing. All but one of those people was in favor of allowing ATVs in the village.

“One that was against

this was even a business man, so I will be voting no on the ordinance,” Knoebel said before the vote.

“Some people I talked to were concerned about the safety aspect of it. They were really against allowing it,” Village Trustee Jim Hovland said.

“Noise is another concern people had,” Knoebel added.

“Driving over snowbanks, doing circles, joyriding, cruising. These were all things that the community brought to my attention,” Spenner said.

Trustees also expressed concerns about the amount of traffic already on village streets. The Village of Kewaskum, which has a population of over 4,100, has 18,500 cars per day at its busiest intersection, Fond du Lac Avenue at Badger Road, according to Bishop.

The proposed ordi-

nance would have permitted ATVs and UTVs on village streets that have a speed limit below 35 mph.

Over the past year, a group of local ATV enthusiasts have been approaching town and village boards in the area, requesting they open roads to ATVs. The proposal has been well received by the majority of the municipalities they have approached, according to Tom Kempke of kettletrails.com.

ATVs are currently allowed on town roads in the Town of Scott, Town of Wayne, Town of Kewaskum and the Town of Farmington, as well as all roads in the Village of Campbellsport. The Town of Ashford, Town of Auburn and Sheboygan County have all approved ordinances that allow ATVs on certain roads, but the ordinances will not go into effect until signs are installed.

Before The Hunt

The Evening with Nature series at the Kettle Moraine State Forest - Northern Unit continues with the program “Before the Hunt.”

The program will be held on Thursday, Oct. 17, from 7 p.m. to 8:30 p.m. at the Ice Age Visitor Center. The center is located at N2875 Highway 67, Campbellsport, which is a half mile west of Dundee. The program is free, but donations are always gratefully accepted.

Calling all hunters from novices to seasoned veterans! Those who hunt quarry from squirrel and waterfowl to whitetail deer and all the game species in between! Join Josh Jackl, Dept. of Natural Resources wildlife biologist,

as he describes what work the DNR wildlife team undertakes to provide good habitat for game animals and wonderful hunting opportunities. He will explain the science that goes into determining hunting seasons, areas, and quotas.

Conservation Warden Nick Miofsky will also be on hand. This is the perfect time to learn about any changes to the hunting rules and regulations and get your questions answered.

For further information or directions contact the Ice Age Visitor Center staff at (920) 533-8322. The center’s hours are Monday through Friday from 8:30 a.m. to 4 p.m., and on Saturday and Sunday from 9:30 a.m. to 5 p.m.

ACTIVITIES AT THE KEWASKUM LIBRARY

The Kewaskum Public Library, 206 1st St. in Kewaskum, is offering the following programs. For more information, contact the library at (262) 626-4312.

Knit Wits

Join the Library's knitting, crochet and craft club. We are the Knit Wits and meet every Monday from 11 a.m. - 1 p.m. in the Community Room. Beginners and advanced crafters welcome. Bring your project to work on and meet other fellow artisans.

Saturday, Oct. 12 Family Fall Festival

Celebrate the beautiful fall season with Kewaskum Public Library's first ever fall festival. There will be hayrides by Kettle Moraine Carriages, a petting zoo, crafts and more. 10 a.m. - 1 p.m.

October Health Literacy Month

Come in to the library to check out our resources to help keep you and your family healthy.

Tuesday, Oct. 15 Crock Pot Cooking

Bring your crock pot filled with your ready-to-eat dish and a copy of the recipe. We will provide paper products and beverages.

Please RSVP in-person, by phone (262) 626-4312 or email to kewaskum@monarchlibraries.org, 6 p.m.

Thursday, Oct. 17 Kids Crafternoon - Candy Corn Creations

Join us to make crafts inspired by a favorite fall treat - Candy Corn! Open to kids of all ages. Registration is requested in-person, by phone (262) 626-4312 or email kewaskum@monarchlibraries.org, 4 p.m.

Tuesday, Oct. 22 Spooky Blackout Poetry

Create your own blackout poetry creations with a Halloween twist. Open for children in grades 2-12, no sign up necessary. 6 p.m.

Storytimes Wednesdays 10 a.m. and 6:15 p.m.

October 16 Fall Animals

October 16 All About Orange

October 30 Monster Mayhem

Increase In Deer Activity Requires Drivers To Slow Down, Be Alert

The Wisconsin Department of Transportation (WisDOT) and its Division of State Patrol are reminding motorists to be especially alert for the potential of deer darting across roadways over the next several weeks. Deer/vehicle crashes typically peak during the October and November "rutting" period when bucks pursue potential mates.

"Motorists can protect themselves and minimize the chances of hitting a deer by buckling up, slowing down and scanning the road ahead carefully," said David Pabst, director of WisDOT's Bureau of Transportation Safety. "Deer can be seen any time of day, but are especially active around dusk and dawn."

Last year in Wisconsin, law enforcement agencies reported 20,177 deer/vehicle crashes that resulted in injuries to 515 motorists

and four fatalities (all four were motorcyclists). Counties with higher traffic volumes and significant deer populations see the most crashes. A county-by-county breakdown of deer/vehicle crashes in Wisconsin indicates Dane County had the most deer/vehicle crashes last year with 1,033, followed by Waukesha County with 891 and Washington County with 816.

WisDOT offers the following tips to avoid deer crashes and motorist injuries:

- Slow down, eliminate distractions, and make sure all vehicle occupants are buckled up.

- If you see one deer cross in front of you, watch for more. One long blast from your vehicle's horn may frighten the deer away.

- If a collision with a deer is unavoidable, brake firmly and stay in your lane. Avoid sudden swerving which can re-

sult in a loss of vehicle control and a more serious crash. If you hit a deer:

- Get your vehicle safely off the road if possible and call law enforcement. Be prepared to describe your specific location.

- It's generally safest to stay buckled-up inside your vehicle. Walking along a highway is always dangerous as you could be struck by another vehicle.

- Don't attempt to move an injured deer.

The increase in deer activity this time of year also results in more car-killed-deer along Wisconsin roadways. WisDOT works with private vendors, county highway departments and law enforcement to manage deer carcass removal. To report car-killed-deer:

- Deer carcasses on the active, traveled portion of a highway represent an urgent safety

hazard and should be reported by calling 911;

- If the carcass is off the traveled portion of the roadway, contact the appropriate county sheriff's department using the agency's non-emergency phone number;

- Reporting the specific location of a carcass is essential to facilitate removal. Citizens should find a safe time and location to call. Be prepared to provide details such as: the specific highway; direction of travel; mile post; nearest intersecting highway, exit or mailbox number.

State law requires drivers to move over or slow down when approaching stopped emergency responders, tow trucks and highway maintenance vehicles - including crews removing deer carcasses. More information on the Car-Killed-Deer program can be found on the WisDOT website.

October is Cybersecurity Awareness Month

The internet has made everything from paying bills to staying in touch with family easier. It has also opened many new ways for criminals to target sensitive personal and financial information, making it essential that everyone learn how to protect themselves. To encourage everyone to learn more about their digital risk, Gov. Tony Evers has declared October Cybersecurity Awareness Month in Wisconsin.

"Cybersecurity is everyone's responsibility," said Maj. Gen. Don Dunbar, Wisconsin's adjutant general and homeland security advisor. "Our digital and virtual world continues to expand and evolve; and it is an essential part of our public and private lives. Protecting our digital profile and our personal information is of the highest importance from both a privacy and a property perspective."

"During the month of October, everyone should examine the security surrounding their digital profile and what they can do to improve it," said David Cagigal, chief information officer with the Wisconsin Department of Administration's Division of Enterprise Technology. "We want them to remember three key phrases this month - Own IT. Secure IT. Protect IT."

Own IT - Understanding your digital profile and how it can be accessed is key to learning

how to protect it. Cell phones, computers, and other smart devices in your home can all serve as potential access points for digital thieves. Users should keep track of where their personal information has been entered on physical devices, along with what online accounts they have created and what information is publicly viewable through them.

Secure IT - Most online systems include security measures that are meant to make it harder for unauthorized users to access your accounts. However, criminals have become very skilled at getting account information out of users. Make sure you are using

all the tools available for securing accounts by setting strong passwords, using two-factor authentication when available, and by watching for phishing scams.

Protect IT - Every action you take online leaves behind a digital trail, which cybercriminals can try to use to their advantage when attempting to access your digital profile. Make sure you are practicing good cyber hygiene by regularly reviewing privacy settings on any publicly viewable platform, while setting strong passwords for your accounts and changing them regularly.

"While the state remains vigilant to the

many cyber threats that exist, criminals are always finding new ways to launch attacks," Cagigal said. "It is vital that everyone do their part to help prevent them from gaining access to sensitive personal information."

Find more tips on protecting yourself from cyber crimes at <https://readywisconsin.wi.gov/cyber/>.

ReadyWisconsin will also be sharing tips on cyber security during the month of October on Twitter (<http://twitter.com/ReadyWisconsin>) and Facebook (<http://www.facebook.com/ReadyWisconsin>).

October 10, 2019

GREAT PUMPKIN DESSERT

makes about 24 servings

Adapted from www.allrecipes.com

INGREDIENTS

- 1 (15 oz.) can pumpkin puree
- 1 (12 oz.) can evaporated milk
- 3 eggs
- 1 cup white sugar
- 4 teaspoons pumpkin pie spice
- 1 (18.25 oz.) package yellow cake mix
- 3/4 cup butter, melted
- 1 1/2 cups chopped walnuts

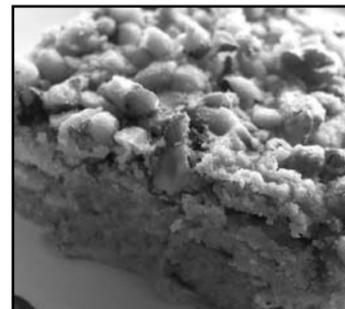

DIRECTIONS

Preheat oven to 350 degrees F (175 degrees C). Grease a 9x13 inch baking pan.

In a large bowl, combine pumpkin, milk, eggs, sugar and spice. Mix well, and pour into a 9x13 inch pan.

Sprinkle dry cake mix over the top, then drizzle with melted butter. Top with walnuts.

Bake at 350 degrees F (175 degrees C) for 1 hour or until a knife inserted near the center comes out clean.

continued from front Village Accepts Land Donation

"I am excited about the potential for an upgraded library. It is a good thing for the community, and it is an exciting thing for the library," Village Administrator Matt Heiser said.

Now, the village can move forward with a facility needs study of the village offices, the police department and the public library.

On July 15, the Kewaskum Village Board approved going forward with Phase One of a proposal by Zimmermann Architectural Studios, Inc. Phase One includes conducting a facility assessment and creating a conceptual design for the facilities.

"This means we are one step closer to a new library," Kewaskum Public Library Director Lori Kreis said.

Mugs McFadden, who is president of the Kewaskum Library Foundation, said the whole community will benefit from the agreement.

"We just think this is a wonderful way to use our foundation funds," McFadden said.

At the Village Board meeting on September 16, the board sent the

land donation agreement back to the library foundation with the instruction that it did not want any conditions.

"We needed some conditions, like it is going to be used for the library and for nothing else. That is part of the agreement now," McFadden explained.

The Kewaskum School District recently expressed interest in obtaining the land so that it could be used as a parking lot for the administration building, according to McFadden.

"I don't think that would have sat well with the IRS because it has to be used for library expansion, according to our charter," McFadden said.

There has been talk about the Kewaskum Public Library expanding ever since the parcel of land was acquired in 2014.

"We are glad that the village finally decided to agree to our gift and use it for the library, because that is the reason we bought it all those years ago," McFadden said.

"We are very happy with the outcome so far."

Departments Of Revenue And Workforce Development Assist Those Affected By Fraud By Payroll Company

Department of Revenue Secretary-designee Peter Barca and Department of Workforce Development secretary-designee Caleb Frostman are jointly reaching out to provide assistance to both workers and businesses impacted by the sudden closure of MyPayrollHR.

MyPayrollHR was an on-line provider of payroll and HR software that provided payroll deposit, paycheck, and withholding payment services to over 1,000 businesses throughout the US. According to press reports, in early September the CEO admitted to a massive \$70M fraud that has negatively impacted all of their business customers and individuals employed by their business customers.

The Department of Revenue identified approximately 180 Wisconsin businesses negatively impacted as a result of this massive fraud. Specifically, the September payments made on behalf of the businesses have resulted in insufficient funds, and

will potentially subject the businesses to late payment interest fees and penalties. The department is seeking to hear from businesses impacted by the fraud to assist them in avoiding costly fees and penalties for missing those payments.

"We are working to ensure that these companies who have already fallen victim don't get hurt further by late payments and fees," stated Peter Barca, secretary-designee of the Department of Revenue. "We encourage companies to contact us for assistance in navigating their options for avoiding costly penalties."

Employees facing wage related issues may contact the Wisconsin Department of Workforce Development Equal Rights Division at 608-266-6860 or fill out a Labor Standards Complaint form at: https://dwd.wisconsin.gov/dwd/forms/erd/lis_119_e.htm.

Certain Septic Systems Have New Maintenance Requirements

– Mound Systems, At-Grade Systems And In-Ground Pressure System Maintenance Cycle Changes From Two To Three Years

Effective September 1, property owners with conventional systems, mound systems, at-grade systems and in-ground pressure systems are required under state law to maintain their systems every three years. Previously, Washington County required a two-year maintenance cycle for mound, at-grade and in-

ground pressure systems.

"Property owners are still responsible to ensure that their systems are operational. Some may need maintenance sooner," recommended Phil Gaudet, land resources manager. "Please note, if you have already received notice from the county prior to September 1 and have

not had your system maintained, you are still required to complete maintenance this year."

Property owners impacted will receive notice of this change in early September by mail.

If a property owner is uncertain about the need to pump on a two-year cycle versus a three-year cycle or is

contacted by a hauler, they may call 262-335-4445 for information regarding the county's records and requirements for pumping.

Deadline for news items 2 p.m. Friday

FIRST NATIONAL BANK MAINSTAGE SERIES THE ART OF POLKA STARRING LYNNMARIE & STEVE MEISNER

Fri, Oct 18 7:30 pm

Join two legends of polka as they pay tribute to Wisconsin's official state dance! LynnMarie is a five-time Grammy nominated artist who has played the largest Oktoberfest stages, appeared on The Tonight Show with Jay Leno and collaborated with some of the industry's most respected artists. Son of legendary polka king Verne Meisner, Steve has been playing the accordion since the tender age of 5. His brand of traditional American polka has a fresh, modern swing while retaining the roots of the music. Prost!

"EXPECT THE UNEXPECTED"

2019 Statewide 9-1-1 Telecommunications System Assessment Report

The 2019 Statewide 9-1-1 Telecommunications System Assessment report is now available online. The report which was directed by the Wisconsin Legislature and produced by the Wisconsin Department of Military Affairs, Office of Emergency Communications and the 911 Authority, LLC, provides a current statewide assessment of 9-1-1 systems in Wisconsin.

The team began work on the report in November 2018 which included surveying the public safety answering points (PSAPs) across the state. It provides findings and offers recommendations as the state continues to move forward with Next Generation 9-1-1 (NG9-1-1).

There are three critical components needed to enable NG9-1-1 in Wisconsin. The first component is the development of an Emergency Services Internet Protocol Network (ESInet) that will serve as the backbone to interconnect PSAPs in order to implement NG9-1-1 statewide.

For the second component, the state will work to ensure that PSAPs have the equipment and connections to the ESInet needed to take and route emergency calls and multi-media messages to emergency responders.

The final component involves the use of geographical information system (GIS) data to support the routing of calls and messages to the correct PSAP and eventually enhanced dispatching capabilities.

The 2019 Statewide 9-1-1 Telecommunications System Assessment report was reviewed and approved by the Wisconsin Interoperability Council and the 9-1-1 Subcommittee. The information gathered from the report will help improve the development of a Request for Proposal (RFP) for the backbone network ESInet.

The report is located at: https://dma.wi.gov/DMA/divisions/oec/library/2019/2019_WI_Statewide_911_System_Assessment-FINAL-1.pdf.

Your Cancer Care Team

Cancer is the second leading cause of death across the globe. According to the World Health Organization, cancer was responsible for an estimated 9.6 million deaths in 2018. That statistic highlights just how serious a threat cancer can be.

While cancer claims the lives of millions of people each year, a cancer diagnosis is most definitely not a death sentence. In fact, five-year survival rates for various cancers detected in their early stages are very high. For example, the organization Cancer Research UK notes that more than nine in 10 bowel cancer patients will survive the disease for more than five years if it's diagnosed at the earliest stage. Five-year survival rates are similarly high among patients diagnosed with early stage breast and ovarian can-

cer. Men and women who have been diagnosed with cancer will work with various healthcare professionals as they begin and advance through treatment. The American Cancer Society notes that the following are some healthcare professionals who may form a cancer care team.

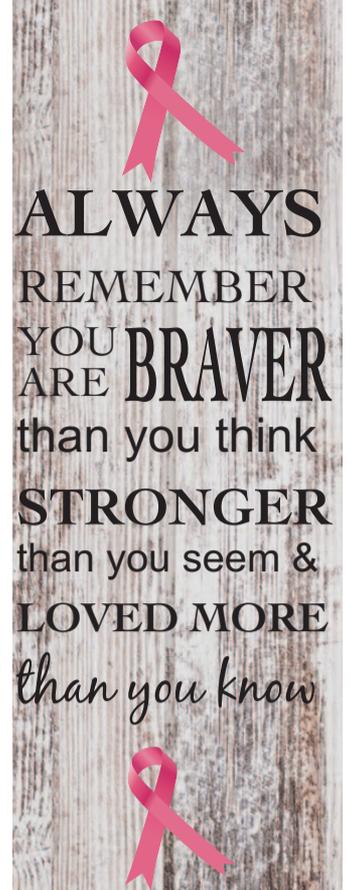

- Anesthesiologists: A professional who administer drugs or other agents, such as gasses, that can put patients into a deep sleep or alleviate pain. Anesthesiologists typically perform these tasks during surgical procedures.
- Case manager: Case managers coordinate patients' care throughout diagnosis, treatment and recovery. Case managers work in a liaison-type role between patients and their insurance companies.
- Clinical nurse specialist: A

clinical nurse specialist, or CNS, is a highly educated individual who works closely with the entire cancer care team. These professionals have advanced training and clinical experience in a certain area of medical and nursing practice.

- Discharge coordinator: Discharge coordinators are often nurses or social workers who help make sure patients have what they need to continue their recovery when they leave the hospital.
- Dosimetrist: A specially trained and certified individual who calculates and plans the correct dose of radiation therapy for cancer treatment.
- Medical oncologist: A doctor who specializes in diagnosing and treating cancer with chemotherapy and other drugs.
- Nurse practitioner: A nurse

practitioner, or NP, may be referred to as an advanced practice registered nurse. These professionals have a master's or doctoral degree and special certification and work closely with doctors, helping to diagnose and manage care.

- Oncologist: A doctor who specializes in diagnosing and treating cancer.
- Palliative care specialists or team: A group of healthcare professionals that may include doctors, nurses, pharmacists and others, who work together to help patients manage symptoms such as pain, nausea or fatigue.
- Pathologist: A doctor who specializes in diagnosing and classifying diseases through lab tests and examining tissues and cells with a microscope.

Dave Borchardt Named 2019 CFO Of The Year

The Milwaukee Business Journal selected Dave Borchardt as a winner of their annual "CFO of the Year" C-Suite Awards program. This prestigious award recognizes six Milwaukee-area chief financial officers who are making a difference within their companies and communities throughout South-eastern Wisconsin. The Milwaukee Business Journal (MBJ) received hundreds of nominations and the MJB editors selected the

winners.

"Dave is a passionate, creative leader of Commerce State Bank," said Joe Fazio, CEO and Co-Founder of Commerce State Bank. "He has developed and skillfully led the bank's financial strategies from start-up, through the financial crisis, and rapid growth periods to \$700 million in assets, with a profit in every full calendar year in business."

Dave is the founder of the Random Lake Advantage Committee that

is a subsidiary of the Sheboygan County Economic Development organization. He serves his industry as a member of the Wisconsin Business Development (WBD) Corporation Loan Committee and its Market Development Committee. Dave, his father, and brothers were diagnosed with Retinitis Pigmentosa and they raised \$162,000 to support Wisconsin's Vision Walk with proceeds going to the Foundation Fighting

Blindness. Dave inspires many to never give up or lose hope.

Opened in August 2005, Commerce State Bank is a full-service state chartered bank headquartered in West Bend with additional offices in Cedarburg, Elm Grove and Sheboygan. Today, the bank has total assets of more than \$702 million. The bank is dedicated to helping communities through its Random Acts of Commerce program.

I-41 Rehabilitation Project To Begin In Washington County

To invest in Wisconsin's transportation system, Governor Evers signed a \$21,800,000 contract to rehabilitate 22 miles of I-41 from the I-41/ US Highway 45 split to the Dodge County Line.

The contractor, Payne and Dolan, Inc. is expected to begin the first stages of this project this week and finish by mid-November 2019. Crews will then return next spring to complete the remaining work with an expected final completion date of fall 2020.

This schedule is weather dependent and subject to change.

Project Improvements

- Resurface 22 miles of I-41
- Install median cable barrier within the project limits
- Replace two smaller bridge structures along I-41 just north of WIS 33

Traffic Impacts

Single-lane closures and future short-term ramp closures will be implemented near where crews are working throughout the duration of this project.

More information can be found on the project website at: <https://projects.511wi.gov/41rehabilitation/i-41-us-45-split-to-dodge-co-line/>

Countdown To New Federal ID Requirement Begins

Get REAL ID By October 1, 2020

When enforcement of the REAL ID Act begins October 1, 2020, (one year from now) the regular Wisconsin driver license or ID will no longer be accepted identification for domestic air travel or to enter a federal building or military base. On October 1, 2020, travelers will need to present a REAL ID-compliant driver license or state ID card or another acceptable form of identification (such as a passport).

"Since a driver license or ID is the most convenient form of identification, Wisconsin DMV encourages travelers to prepare their paperwork then visit a DMV before the October 1, 2020, deadline," Wisconsin Division of Motor Vehicles (DMV) Administrator Kristina Boardman said. "Our customers are encouraged to visit the DMV sooner rather than later. Delay could mean longer lines at the DMV and travelers without a REAL ID will be denied boarding their plane."

What Documents Are Required To Get A REAL ID?

To obtain a REAL ID-compliant driver license or ID card, individuals must visit a Wisconsin DMV and bring the following original documents or a certified copy (not a photocopy, fax or scan):

- Proof of Name and Date of Birth
- Proof of Legal Presence in the U.S.
- Proof of Identity
- Proof of Name Change (if applicable)
- Proof of Social Security Number
- Proof of Address

For a complete list of acceptable documents, visit wisconsinidmv.gov/REALID.

DMV's interactive Driver Licensing Guide will help customers develop a personalized checklist of the required documents needed to bring to the DMV. It also allows customers to pre-

fill any required application(s), print and bring the forms or submit them electronically (if eligible), and print a checklist of required documents to bring.

Costs To Get A REAL ID

If it's time to renew a driver license or ID, DMV customers can receive a REAL ID-compliant card for no additional fee if the upgrade takes place at the same time as the renewal. Customers whose current driver license or ID will not expire before 2020, may obtain a REAL ID-compliant card for \$14 (the cost of a duplicate driver license), or \$16 for a duplicate ID card.

Wisconsin offers both REAL ID-compliant and non-compliant driver licenses and ID cards. The cards look similar; REAL ID-compliant cards are marked with a μ . Non-compliant cards do not have the star or are marked "NOT FOR FEDERAL PURPOSES." People may use other forms of ID, such as a passport. TSA offers a list of acceptable alternative identification cards: TSA.gov/REAL-ID

Wisconsin DMV has been offering REAL ID compliant driver licenses and IDs to customers since January 14, 2013. Since this time, nearly every Wisconsin customer has been given REAL ID information, and the opportunity to enroll in the federal program, as a part of their renewal notice. DMV is committed to helping residents who want the convenience of a REAL ID get one on their driver license or ID before the October 1, 2020 deadline.

Listen to DMV Administrator Kristina Boardman discuss the process for obtaining a REAL ID in WisDOT's October "Transportation Connects Us" podcast wisdot.libsyn.com.

For more information, visit wisconsinidmv.gov/REALID.

Washington County Named Wisconsin Active Together Community

Washington County has been recognized as a Wisconsin Active Together Community. Our dedication to active lifestyles and commitment to do more as a community is being celebrated statewide.

Two million Wisconsin live in cities, towns and counties recognized as Wisconsin Active Together Communities. Communities know small changes in the landscape and promotion of active lifestyles add up to lasting changes for everyone's benefit. Healthier communities equal healthier people and a healthy economy.

The partnerships built through the Well Washington Coalition demonstrate commitment to safe places to walk, bike and be active. Washington County now joins 23 others to be called a Wisconsin Active Together community. As a Wisconsin Active Together community we are now connected to resources, training, and a network of peer experts.

Wisconsin Active Together is proud to announce the other newly named Wisconsin Active Together Communities (#WIActiveTogether). Get to know Well Washington's Eat and Move Well efforts at WIActiveTogether.org.

Other communities that have received a designation are:

- Appleton; City of Appleton
- Cambridge; Cambridge Wellness Collaborative
- East Central Wisconsin; East Central Regional Planning Commission
- Fitchburg; Bike Fitchburg

- Fond du Lac; Living Well FdL

- Fort Atkinson; Fort Healthy Wellness Coalition

- Fox Valley Region; Weight of the Fox Valley Greater Green Bay / Brown County; Wello

- Jackson County; Jackson In Action

- Jefferson; City of Jefferson

- Kenosha County; Kenosha County Multi-use Trail Committee

- La Crosse Region; La Crosse Area Family YMCA

- Manitowoc County; Healthiest Manitowoc County

- Middleton; City of Middleton

- New Holstein; City of New Holstein

- Oregon; Oregon Area Chamber of Commerce

- Sheboygan; Mayor's Neighborhood Leadership Cabinet

- Sun Prairie; Sun Prairie Moves, Inc.

- City of Verona; City of Verona and the Verona Chamber of Commerce

- Walworth County; Walworth County Healthy Eating Active Living

- Watertown; Get Healthy Watertown Coalition

- Washington County; Well Washington Eat & Move Well Action Team

- Wausau; Wausau Bicycle and Pedestrian Committee

- Whitewater; City of Whitewater

"Bike Friendly West Bend is excited that our community is being recognized for this award," Jeff Puetz, president of Bike Friendly West Bend said, "We are happy to play a small role in the valuable work the Eat Well and Move Well committee is doing to improve the health of

Washington County residents through physical activity, advocating for and helping to fund projects which benefit cyclists and pedestrians."

Join Washington County in advancing local strategies for safe places to walk, bike and be active.

Brought together through the healthTIDE network and its Active Communities Team, statewide partners launched the effort to support local communities in their commitment to health. Support is shown by promoting places to walk, bike and be active through coaching, peer networks, and in person and virtual trainings.

Partners include healthTIDE, the League of Wisconsin Municipalities, the Wisconsin Active Communities Alliance (WACA), the Wisconsin Department of Health Services (DHS), the Wisconsin Department of Natural Resources (DNR), the Wisconsin Economic Development Corporation (WEDC) and Main Street Communities, the YMCA, 1000 Friends of Wisconsin, Rural Wisconsin Health Cooperative, the Wisconsin Bicycle Federation, and the American Planning Association Wisconsin Chapter. For a complete list, visit WIActiveTogether.org.

Funding to support the healthTIDE network and the development of Wisconsin Active Together is through a grant from the Wisconsin Partnership Program/School of Medicine and Public Health, University of Wisconsin-Madison as part of the Wisconsin Obesity Prevention Initiative.

CAMPUS NEWS

– University of Wisconsin-La Crosse

UW-La Crosse, founded in 1909, is one of the 13 four-year institutions in the University of Wisconsin System. UWL has more than 10,500 full and part-time students enrolled in 101 undergraduate, 28 graduate and two doctoral academic programs.

UW-La Crosse - www.uwlax.edu - is the state's top-ranked public or private higher education institution by U.S. News & World Reports for master's degree institutions and has been

ranked among the top four Midwestern public institutions for more than a decade. UW-La Crosse remains one of only two Wisconsin colleges to consistently make Kiplinger's Personal Finance's list of the top 100 best values nationwide in public colleges.

The following area students completed degree requirements at the University of Wisconsin-La Crosse in August:

West Bend

Matthew Fischer, Bachelor of Arts, English Major; Rhetoric and

Writing Emphasis; French Major

Lauren Neu, Bachelor of Science, Public Health and Community Health Education Major, Honors

Collin Reinke, Bachelor of Science, Recreation Management Major; Tourism Emphasis.

Cedar Community Board Of Directors Welcomes Three New Board Members

Sheri Katzer, Mary Kurer and Michael Wisnefske were recently elected to the Cedar Community Board of Directors.

"Cedar Community is blessed to have a group of diverse and talented new board members step forward. They join the current board to continue our support for the leadership team's work in strengthening the living experience our residents enjoy and expect as valued members of our community. We welcome them into our community as they bring their passion, skills, and energy to help us shape a bright future together," said Joe Carlson, Cedar Community board president.

serves on the planning committee for the annual Senior Enrichment Fair at the community center.

"I am looking forward to serving as a board member so I may positively influence the environment, care, and quality of life for older adults," said Katzer.

Mary Kurer

Mary Kurer works at Manitou Group as the Organizational Development manager. She holds a Bachelor of Science degree in education and human services from the University of Wisconsin-Oshkosh and a Master of Arts in adult education and organizational development from Alverno College. Kurer works in partnership with the CEO and executive team at Manitou performing a full range of duties to ensure the continued success of the company, including developing and managing training programs aimed at aligning talent management with organizational goals. She also serves as an adjunct instructor at the University of Wisconsin-Milwaukee, teaching continuing education classes in organizational development and succession planning.

"I am grateful to be able to lend my support

to Cedar Community. The organization is a gem in our community and fills an important need. This is a wonderful opportunity to work in partnership with others to help fulfill the organization's mission. Our senior citizens are an important population and I recognize they paved the way for my generation. I want to ensure they are well taken care of and able to live a purposeful, fulfilled life among family and friends," Kurer said.

Michael Wisnefske

Michael Wisnefske is the past owner and president of West Bend Machine Works, Inc. He attended Moraine Park Technical College, and has a degree in machining. Wisnefske served as a past board director for the Fond du Lac County Economic Development Corporation (FCEDC) and its loan and personnel subcommittees. He has been an active volunteer at Cedar Community for the last six years, which has given him the opportunity to meet and talk with team members and residents, providing a better understanding of Cedar Community's mission and future direction.

"It's a privilege to be part of a community that prides itself on the value of its stability with growth, residents, employees, and land," Wisnefske said.

Utility Work On Pioneer Road

The Washington County Highway Department will be reconstructing Pioneer Road between State Highway 175 and Richfield Parkway on the borders of the Village of Richfield and Town of Polk in 2020.

After the project is completed, a jurisdictional transfer of the newly built roadway and County Highway FD will take place making those roads an extension of State Highway 145.

In preparation of road reconstruction, there will be a series of utility relocations taking place in

fall and winter of 2019. We Energies Electric is planning on beginning its relocations during the week of October 7 and anticipates their work to take approximately four weeks. When We Energies Electric work is complete, AT&T and Charter Communications will conduct their relocations. We Energies Gas anticipates to begin their work at the end of October.

Please be conscious of the utility crews doing work in this area over the next few months. Traffic may be controlled by flaggers at

times, which could result in travel delays. The Washington County Highway Department appreciates your patience and extra caution as we improve and maintain Washington County's roadways striving for effective mobility and reliable infrastructure.

For more information, please visit www.co.washington.wi.us/hwy and click on "Road Construction & Projects" or call the Washington County Highway Department at 262-335-4435.

Schauer Arts Center To Host 'The Art Of Polka' Starring Steve Meisner And Lynn Marie

The Schauer Arts Center will host "The Art of Polka" starring Steve Meisner and LynnMarie on Friday, Oct. 18, at 7:30 p.m., when the pair pay tribute to Wisconsin's official state dance.

Meisner is a multi-talented musician, entertainer, composer and arranger. In Steve's 40 year musical career he has performed with the nation's top accordionists, polka icons and musicians including Myron Floren, Frank Yankovic, Joey Miskulin and Verne Meisner.

Meisner has performed nationally coast-to-coast and internationally averaging as many as 250 performances annually, including performances at the Lawrence Welk Theater in Branson, Mo., Stardust-Monte Carlo-Hacienda-Orleans and Plaza Casino's in Las Vegas. He has per-

formed at the Library of Congress, the Kennedy Center and the Smithsonian Folklife Festival on the National Mall in Washington, D.C.

"Music is a large part of the soul of our society and I want to touch that part of people's souls – that part of their soul that makes a difference in their lives and shows them that music and dancing can excite, motivate and heal. There is nothing more gratifying than meeting a new fan who has just discovered my music for the first time. The expression on their face is like a child's on Christmas morning – its priceless!" Meisner said.

LynnMarie is a five-time Grammy nominated performing artist who has been wowing audiences with her unique style of music, played on a rare instrument called a diatonic

button accordion. As the first female to be honored by the National Association of Recording Arts and Sciences with a Grammy nomination for Best Polka Album and also a National Polka Hall of Fame inductee, LynnMarie is a pioneer of modern polka music.

The musical blending of her traditional Slovenian roots with country, folk and pop music – with a high-energy performance – has garnered LynnMarie worldwide recognition as an established artist and a leading innovator of what is considered a new generation of polka.

Dubbed "The Dixie Chick of the Accordion" by Jay Leno, LynnMarie wows crowds everywhere, from Oktober-fests, to music festivals, bier halls and special events all over North America and Europe.

Chicken Wire Empire To Perform At Schauer Arts Center

The Schauer Arts Center will host *Chicken Wire Empire* on Saturday, Oct. 19, at 8 p.m.

Although band members Jordan Kroeger (bass) and Ryan Ogburn (mandolin) began their musical relation-

ship in the Wisconsin jamband scene, *Chicken Wire Empire* began as a four-piece traditional bluegrass band.

The band honed its traditional sound, encapsulating it in 2014 with their debut album "Chicken Wire Empire."

With half of the group rooted in bluegrass, and the other half steeped in jamband music, a change occurred when CWE performed an "Old and in the Way" tribute show.

With the addition of Jon Peik (banjo), Ernest Brusubardis IV (fiddle), and Greg Brundage (guitar), a new sound was found in Milwaukee, and *Chicken Wire Empire* joined the roster of

high energy jamgrass.

Chicken Wire Empire has been blessed with opportunities to share the stage with renowned musicians (Yonder Mountain String Band, 30db, The Big Wu, Horseshoes & Hand Grenades) and performing in many regional festivals (Blue Ox and Boats & Bluegrass).

With support from their local scene, friend, and families, *Chicken Wire Empire* looks to the future, with a goal to strengthen Wisconsin's bluegrass scene, and further the appreciation of acoustic music.

Sheri Katzer

Katzer has a Bachelor of Science degree in nursing and a Master's of Science in health administration. She is employed at Community Memorial Hospital in Menomonee Falls and St. Joseph's Hospital in West Bend. Katzer has 25 years of nursing experience, with the last 18 in leadership roles. She is clinically well versed in medical surgical care, with an emphasis in geriatrics. She volunteers at the Menomonee Falls Community Center, and

Recycle Your Paper For A Cleaner Environment

Letters Home...

Honoring Our Local Veterans

Gardner Field, Calif.
Sunday - March 15, 1942

Dear Hazel & family:

Received your letter in the mail this noon, which was pretty fast service. They must have speeded up somewhere along the line, because I received the two West Bend papers yesterday afternoon, otherwise I never receive them until Monday.

Didn't do any thing all day today, except read the paper, listen to the radio and write a letter to Frederic Schloemer at Fort Warren. It rained here yesterday afternoon and last night. It must have snowed a lot up in the mountains, because they are really white today, and very pretty. Sure would like to have a car and take a drive up there. It was cold here today. Last week-end I thought summer was here, it was actually hot. I imagine it will soon be getting hot. We are going to start wareing summer uniforms the first of April.

Well, Kay Kyser and his orchestra came up and put on that show Sunday afternoon. Boy, it was good, and lasted almost two hours. He brought Joan Blondell and Mary Martin along with him.

We bowled again last Friday night, and lost by almost two hundred points. Tomorrow night we bowl the medics from the hospital.

We had a dress parade review here yesterday morning, and movie star Carol Landis was in the reviewing stand. I don't know how she happened to be up here. Perhaps she is a friend of one of the top ranking Officers or something.

Yes, I saw in the paper that Elton won a theatre ticket. I get a kick out of those ads. I also saw in the paper that "Toby" Eimermann is working in an aircraft factory over in Michigan. I haven't heard from him in quite some time. Kurt West- enberger wrote and said that he and "Bobby" Goeden were thinking about joining up, because they will be drafted anyway. Sure would be dead around town for me if I could come home.

I heard they were going to do some more building here, maybe it's just another one of these rumors, but if they do, I suppose our outfit will be busy. An airplane from another field crashed up in the mountains near here Friday night. They went up with the wrecker from this field and picked it up, it sure was junk when they brought it in.

I am enclosing eight pictures with the negatives, and have wrote a little explanation of each on the back. There is also a negative from a picture that I sent when I was still at Fort Warren. When you and Albert are finished with them, please return the eight pictures and keep the negatives. No hurray. In a couple of days I will try and send you those Christmas dinner menus I told you about one time, please give Albert a copy. Will also try and send a copy or two of the post paper - you will not have to save any of this stuff for me.

Guess this is all I know. Don't suppose I will have anything to write about again now for awhile until I make another trip again. I am thinking about trying to get off a couple of days next month and go down to San Diego and see Homer Neff and Leander Willkomm.

Good luck.

Love,
Elmer

Elmer Albright, U.S. Army, Staff Sargent 1941-1953

With A Par On The Second Playoff Hole, Dreher Punches Her Ticket To State

By Judy Harlow

The 14-year wait is over! The combined Campbellsport/Kewaskum girls golf team will be represented at the WIAA State Girls Golf Tournament next week after Campbellsport senior Alyssa Dreher finished as one of the top three extra qualifiers in the Oshkosh West Sectional.

Playing on the par 72 Lake Breeze Golf Course on October 7, Dreher carded a 44-42-86, which put her in a tie for the third qualifying spot with Kimberly's Madeline Kiley.

The two had a playoff on the Nos. 17 and 18 holes, according to coach Amy Uhlig. Dreher won the spot on the second extra hole.

"I honestly didn't think I was going to be in the playoff ... I was surprised when they called my name," Dreher said after she got back home.

"On the first (extra) hole, I didn't think I was going to win it. The other girl had a real good drive," Dreher went on. Still, the two ended up with bogeys so it was off to the next hole, which was another par 4.

"I had a good drive, then I used my pitching wedge ... I was just over the green, so I used my sand wedge (to get it on the green) and putted it in," Dreher said, figuring her chip landed two feet from the hole while Kiley was five feet away and missed her putt.

"The girls from Kewaskum and Hartford were cheering for me,"

"I honestly didn't think I was going to be in the playoff ... I was surprised when they called my name," Dreher said.

Dreher went on, noting she was plenty nervous in the playoff and very excited after winning.

"Pretty cool! I think I was more nervous than she was," Uhlig, who has coached golf for 14 years and previously never had a player advance to state, said.

The only Kewaskum girls to qualify for state was Kate (Korth) Mueller, who now manages the golf operation at Hon-E-Kor CC, which is owned by her dad, "Jonesy" Korth.

The Kew-Cats went out with the first wave of players, and Dreher had a solid start with a 44, then came back with an even better 42, and Uhlig said, "The back was actually playing harder than the front."

"On the back, she had a lot of pars," Uhlig said. "Even when she wasn't on the green in regulation, she was able to get up and down for pars. I know she putted well. That helped her on the back."

As expected, the combined Sheboygan North/South team won the sectional, coming in with a 333, which was 14 strokes better than runner-up Cedarburg (347), the North Shore champion.

The Kew-Cats were last with 398, one stroke behind Menomonee Falls (397), four behind Homestead (394) and

five in back of Kaukauna (393).

Cedarburg's Elise Hoven captured the medal with an even par 72.

Maddy Thull shot a 49-53-104, with Rachel Anderson one shot back at 50-54-104, and Karissa Lange at 53-52-105.

The state meet is held on the University Ridge Golf Course near Verona. The tournament runs October 14-15.

Alyssa Dreher finished as one of the top three extra qualifiers in the Oshkosh West Sectional for golf. That qualified her to play at state October 14 and 15. photo by Anne Trautner

Dreher, Anderson Lead Kew-Cat Golfers To Third Straight Sectional

By Judy Harlow

The tournament was postponed for a couple days because of the conditions of the Rolling Meadows course, but the Kewaskum/Campbellsport golfers kept their focus and earned a berth in the sectional competition for the third year in a row by virtue of their fourth place finish in the Fond du Lacs Regional.

"It's been a pretty exciting run for us the past few seasons. I knew going into regionals, we would have a pretty good chance of advancing if we stayed consistent," veteran coach Amy Uhlig said about the effort of her Kew-

Cats on October 4.

As expected, powerhouse Sheboygan North/South captured the team title and did so by a whopping 61 strokes. Led by sophomore Ava Wittstock's excellent five-over-par 41-36-77, the Sheboygan team came in with a 332, far ahead of runner-up Kimberly, which posted a 393, one stroke ahead of Kaukauna. Kewaskum/Campbellsport was fourth in the field of eight with a 397 and a 13-shot advantage over Oshkosh North.

Four-year Kew-Cat starter Alyssa Dreher finished seventh overall, carding a solid 87 on nine of 41-46. Junior Rachel Anderson was

next low, firing a 44-51-95, which was good for 11th in the field.

"It was a bit of an up-and-down day with some tough holes out there, but Alyssa and Rachel really stepped up nicely. Their front nines were better than the back, but it was really helpful for them to get off to a nice start," Uhlig said.

Then came Karissa Lange with a 106 and Maddy Thull with a 109. Thull was humming along on the back nine with 38 going into the 17th hole when she took a 13, then regrouped to finish the final hole with a five.

"I was also very pleased with the other

three girls who battled through their rounds, despite having some high scores on a few holes. I'm proud of the fact that they did not get flustered and realized the importance of how every shot impacts the team," Uhlig said. "We faced adversity, but pulled through."

The sectional was scheduled to be played on the Lake Breeze Golf Course near Oshkosh on October 7. The top two teams and three individuals who are not members of a qualifying team advance to the WIAA State Golf Tournament on October 14-15 at the University Ridge Golf Course near Verona.

Junior Rachel Anderson was the second finisher for the Kew-Cat golf team, helping the co-op team of Kewaskum and Campbellsport to its third straight sectional. photo by Anne Trautner

KHS Uses Balanced Attack to Upend Cougars, Reclaim KM Trophy

By Judy Harlow

After sitting in the Campbellsport High trophy case for the past year, the Kettle Moraine trophy is coming back to Kewaskum after the Indians defeated the Cougars 28-6 in an East Central Conference football game played October 4, ensuring a successful Homecoming for Kewaskum.

"I didn't know the origin or the history of it (KM trophy)," KHS coach Steve Tennes said. He certainly knows now and is even more aware the win gives the Indians a 3-2 record in EC play and a 4-3 overall record, which means they have a good chance to earn a berth in the Division-3 playoffs.

Kewaskum scored one touchdown in each of the four quarters, and had another called back early in the game on a holding penalty. A couple plays after starting a drive from near mid-field, the Indians called Jermaine "J.J." Thull's number on a running play.

"It was a power play with J.J. and a pulling guard in front of him," Tennes said.

Thull scampered about 35 yards to the end zone, only to have the play called back.

Near the end of the quarter, the Indians successfully moved the ball to the CHS five-yard line, where Sam Lemler took a hand-off and blasted into the end zone. Andrew Bolek then connected on what would be his first of four point-after-touchdowns for a 7-0 KHS lead.

KHS went up 14-0 with just a little over a minute remaining in the first half when quarterback Ty Cook hooked up with Joshua Bocher for a 25-yard TD pass. Tennes reported the ball was underthrown, but Bocher came back to get the ball and turned it into a score.

"He caught the ball waist high, got around the defender and went into the end zone," Tennes said.

The Indians got the ball first in the third quarter and put together a nice drive that ended

with Cook hitting tight end Reagan Dricken with a 22-yard scoring strike. "Hex(Cook) threw a real nice ball to Reagan on a corner route," Tennes said.

Behind 21-0, Campbellsport was not about to give up, not in this rivalry game, and came back with a scoring drive early in the fourth quarter that ended with Dylan Urban, who rushed for 130 yards on 28 carries, scoring on a seven-yard run. The Cougars decided to go for the two-point conversion, but the run was unsuccessful.

KHS answered three minutes later with another score by Lemler on a one-yard run. Tennes was finally able to breathe a little easier. "Getting that last touchdown in the fourth quarter made us feel more secure," he said.

The Indians wound up with 379 yards of total offense, including 227 on the ground. Thull gained 80 yards, while Lemler had 68 and Kannon Muckerheide rushed for 57 with one fumble.

Michael Daniel passed for 105 yards, going 4x9, while Cook was 2x4 for 47 yards, with a pair of TD passes and one interception.

The Cougars rushed for 243 yards but mustered just 26 yards in the air as QB Drake Fleisichman was intercepted four times. Trevor Degnitz, Bret Fahrenkrug, Mason Droese and Jay Horning all had interceptions for the Indians.

"We were able to shut down their passing," Tennes said, reporting Muckerheide was a leader on defense with 10 tackles.

"It was a hard-fought game," Tennes said. "They (Cougars) were up for it."

The Indians hit the road October 11 to play Berlin in what has to be considered a must-win for both teams. Berlin needs a win to stay in the title race with unbeaten Plymouth while the Indians could secure a playoff berth with a victory and have an opportunity to move into a tie for second place.

"They'll present a

challenge for us," Tennes said, noting in addition to its fine running back, Alec Moriarity, who had rushed for over 1,200 yards, Berlin has a quarterback who is "very adept."

"I'm fairly optimistic," Tennes said, adding, "Two more wins in the conference might set us up for a home game in the playoffs."

KEWASKUM 7-7-7-28
CAMPBELLSPORT 0-0-0-6

Scoring: KEW, Sam Lemler, 5-yd. run (Andrew Bolek kick); KEW, Joshua Bocher, 25-yd.

pass from Ty Cook (Bolek kick); KEW, Reagan Dricken, 22-yard pass from Cook (Bolek kick); CAM, Dylan Urban, 7-yd. run (run failed); KEW, Lemler, 3-yd. run (Bolek kick)

In other EC games, Plymouth shut out KM Lutheran, 44-0; Ripon nipped Winneconne, 14-13; and Berlin defeated Waupun 60-0.

Current EC standings: 1. Plymouth, 5-0; 2. Berlin, 4-1; 3. (tie) Kewaskum and Winneconne, 3-2; 5. (tie) Campbellsport and Ripon, 2-3; 7. KM Lutheran, 1-4; 8. Waupun, 0-5.

Beine-Kopfhammer Duo Come Up With Big Win; KHS Tennis Team Claims Second Place

By Judy Harlow

By winning the first match and the last and a couple in between, the Kewaskum tennis team managed to hit the magic number of four to take down Plymouth 4-3 in a key Eastern Wisconsin Conference match held October 3 at the Kiwanis Park Tennis Courts.

With the victory, the Indians may have made history, taking second place in the EWC with an 8-1 record. The second is unofficially the highest finish Kewaskum has had in the sport.

"In the greater scheme of things, this victory may not mean much. In the future, this night at best will be nothing but a distant memory. When these young ladies look back at all the things they experienced and accomplished in their life, this night probably won't even come up," KHS coach Peter Garcia said. "But tonight, this victory for me is a testament to what hard work, effort and commitment to a team and its goals can be accomplished by a group that likes each other. For me at least, this night won't ever be forgotten."

Stepping up with an important and pretty impressive straight set win at number two singles was senior Sabrina Lor, who outplayed veteran Panther Liz Krueger 6-1, 6-2 to give the Indians a 1-0 lead. The first-year varsity player had some excellent serves and was able to score with wisely played crosscourt shots and returns down the line.

"Coach said I have to be more confident," Lor said afterward. "That was my biggest motivation today ... Be Confident!"

While Lor, who was celebrating her birthday, was happy to win her match, she quickly fo-

cused on her teammates, who were still playing. "We're hoping for second place ... If we could get second, that would be my best birthday present," she said.

Garcia felt the Indians would have a chance to beat Plymouth if they would win three out of four singles matches. They won two; the victories coming from Lor and freshman Sophie Marchello at number four singles, but there were surprises - pleasant ones - coming from two of the doubles groups.

Juniors Carly Meyer and Sydney Kopfhammer had only won one match in conference, but they "come out and play their best match of the year," winning 6-1, 6-2 to put Kewaskum up 3-2 in the match. Now all the team needed was a win at number two or number three doubles, but at about the same time number three doubles - Annie Christenson and Madysen Schlosser - won set one by a 6-2 score, number two doubles - Liz Beine and Abby Kopfhammer - dropped set one by a 4-6 score.

The dream was still alive, but things took a turn for the worse as Christenson and Schlosser lost 6-2, 4-6, 0-6 to tie the match at 3-3.

This leaves the match in the hands of Beine and Kopfhammer. With everyone watching and hanging on every point, they won set two 6-4. So the dream of becoming the first girls team to finish in second place in the history of Kewaskum High School hung on the shoulders of two seniors finishing out their third year together. The two prevailed, winning the rubber match 6-4.

"They had done it! In a three-set marathon, number two doubles wins 4-6, 6-4, 6-3 to end the year in sole possession of second place in

the EWC," Garcia said. He noted he, Beine and Kopfhammer were joined by the entire team as they ran onto the court to join in the celebration.

"Words cannot express my pride in this team and these young ladies. I am one lucky coach who had the opportunity to share this moment in time with these great girls," Garcia said.

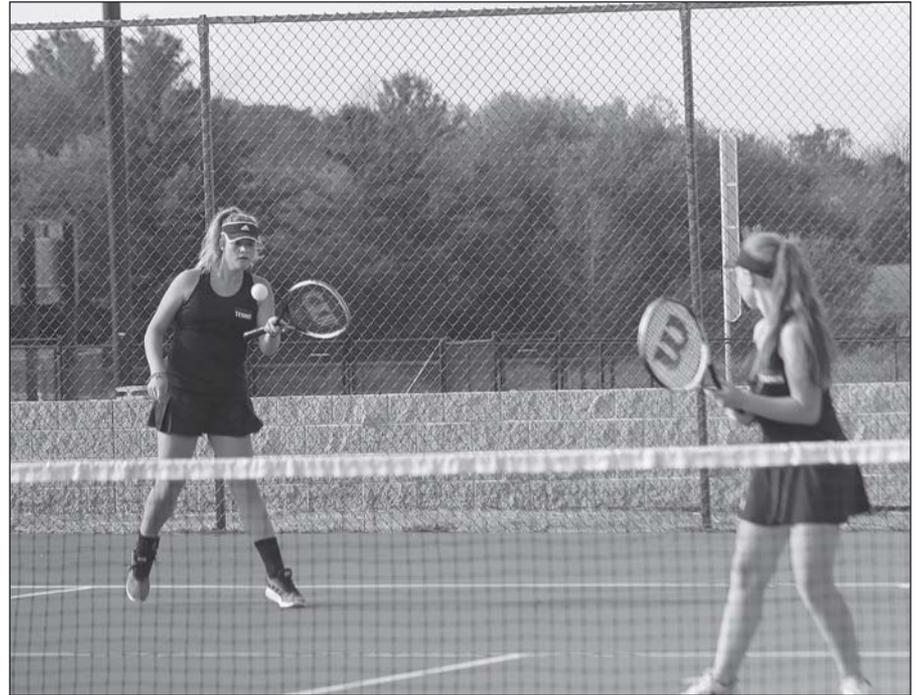

Final Standings: 1. Kohler, 9-0; 2. Kewaskum, 8-1; 3. Plymouth, 7-2; 4. Roncalli/Two Rivers, 4-4; 5. Ripon, 4-5; 6. Howards Grove/Elkhart Lake, 3-5; 7. (tie) Waupun, 3-6 and Kiel, 3-6; 9. Sheboygan Falls, 2-7; 10. Kewaunee, 1-8. Howards Grove vs. Roncalli/TR match rained out.

KEWASKUM 4, PLYMOUTH 3

Singles: No. 1 Alayna Wilderman, PL, def. Megan Krotski, KEW, 6-3, 6-2; No. 2 Sabrina Lor, KEW, def. Liz Krueger, PL, 6-1, 6-2; No. 3 Dallas Krelsa, PL, def. Haley Densow, KEW, 4-6, 6-0, 6-4; No. 4 Sophie Marchello, KEW, def. Ande Brinkman, 5-3, 6-4.

Doubles: No. 1 Carly Meyer/Sydney Ostranger, KEW, def. Cammi Nicolaus/Kennedy Arbuckle, 6-2, 6-2, 6-0; No. 2 Liz Beine/Abby Kopfhammer, KEW; def. Addy Hill/Riley Meyer, 4-6, 6-4, 6-3; No. 3 Mikki Haefs/Izzy Arbuckle, PEW, def. Annie Christenson/Madysen Schlosser, 2-6, 6-4, 6-0.

Writer's note: The Statesman reached out to Dennis Sempf, the commissioner of the Eastern Wisconsin Conference about this being Kewaskum's first second place. He said he does not have past records to help substantiate the fact.

Liz Beine and Abby Kopfhammer are pictured in a match earlier this season. The duo claimed an important win on October 3.

Local Mountain Bike Team Competes At Nordic Mountain

It was a very muddy day for the Trail Sharks (Washington County Mountain Bike Team) on Sunday at Nordic Mountain. It rained all night and all day. The athletes were racing in the mud and the course got worse as the races went on. They even had tractors pulling out the trucks and campers while the racers were pushing on.

Many athletes were running their bikes, slipping on the hills, and continuing to stop to pull mud and grass out of their gears. However, each one of the Washington County athletes did a great job completing the course with a smile and eating a lot of

dirt.

Race Medalists

Kewaskum Youth Soccer Results

**September 30
Kewaskum U10**

Fire 8

Slinger Ravens 1

U10 Kewaskum Fire played a great game against the Slinger Ravens on Monday, September 30.

The first quarter was action packed. Leviathan Whitfield zoomed the ball down the field for the first goal of the game. Carter Unger made an impressive long kick to score next. Landon Scheel also contributed two goals in the first quarter. Defensive player, Chayse Hall played aggressive and worked hard to keep the ball out of Fire Territory.

While many goal attempts were made in the second quarter, Sydney Brandt scored the lone goal with a great assist from Ellie Berres, leaving the score 5-1 at the half.

The third quarter was scoreless with the help of some awesome saves made by Landon Scheel.

At the beginning of the final quarter, Joel Maas scored with a perfect assist from Leviathan Whitfield. Caden Jaeger scored two consecutive goals, ending the game 8-1.

The Fire played hard, stayed aggressive, and dominated the field. Great game!

**October 5
Kewaskum U14**

Cyclones 4

Hustisford Impact 2

The U14 Kewaskum Cyclones took on the Hustisford Impact October 5, defeating them 4-2.

Lots of shots were

taken high with the wind but Madison Legate, Ayla Stuht, Elizabeth Erdmann, and Abigail Gerhartz were able to score for the Cyclones.

Emily Melzer played tough on defense and Rowyn Wiedmeyer aggressively kept the ball moving on offense.

October 5

**Kewaskum U7
Coed Wolves 8
WC Lightning 1**

The U7 Coed Wolves defeated the WC Lightning 8-1 on Saturday, Oct. 5.

They dominated offensively and defensively.

Oscar Cannestra had an amazing hat trick of goals, with one assist by Josie Whitfield. Bentley Kuhfuss scored two goals and Isaac Honeyager had an outstanding goal for his first of the season.

October 5

**Kewaskum U7
Jaguars 3**

The U7 Jaguars defeated the Hartford Orioles on Saturday.

Goals from Joey, Easton and Coralee along with assists from Ella and great defense, lead to a final score of 3-1. Way to go Jaguars!!

At the Erin tournament on Sunday, everyone enjoyed getting muddy. Though both games were tough, the Jaguars showed improvement in spreading out, passing and going for the ball.

October 5

**Kewaskum U10
Fire 10**

Richfield Bandits 2

U10 Kewaskum Fire took on the Richfield Bandits on Saturday,

October 5.

Cameron Jones was put to work right off the bat as goalkeeper, with several incredible saves. Quin Dornacker had an outstanding game, playing aggressive as defender.

Fire worked hard throughout the game to communicate, pass the ball, and set up for some great scores.

Leviathan Whitfield contributed four spot-on goals. Joel Maas had a sweet hat trick. Carter Unger followed up with two goals, and Owen Alles also met with the back of the net.

The entire team played a role in all the scores and ended the game with a victory of 10-2.

October 6

Kewaskum U10

Storm 1

Richfield Gunners 2

In a tough defensive game against the Richfield Gunners, the Kewaskum Storm lost 2 - 1.

Olivia Gurrola scored the lone goal. At goalie, Leeliuna Deleon had two saves.

October 5

Kewaskum U10

Storm 1

Slinger 3

On Saturday, the Kewaskum Storm played Slinger.

Stella Goebel had three saves. Olivia Forcier and Annie Chojnacki also had saves.

Ruby McCain had the lone goal in a 3-1 loss.

October 6

Kewaskum U10

Storm 1

Jackson Cyclops 4

In the Erin tournament, the Storm started

out with a 4-1 loss against Jackson Cyclops, Lexi Belyeu scored an unassisted goal.

October 6

Kewaskum U10

Storm 2

Slinger 3

In the final tournament game against Slinger, Kewaskum stepped up their offensive game.

Ruby McCain assisted Lexi Belyeu for a goal. Olivia Gurrola scored a big goal to bring the score within one.

Eleanor Korth had two saves and Annie Chojnacki had four at goalie. In addition to a save, Stella Goebel played aggressive defense.

The final score was Slinger 3, Kewaskum 2.

October 6

Kewaskum U10

Fire 5

Hartford Orange

Blasters 0

U10 Kewaskum Fire played hard in Erin's 2019 Leah Fenney Memorial Tournament, Sunday, October 6.

The Fire's first match was against the Hartford Orange Blasters. It was a pretty heated game to say the least. Quin Dornacker started off the game with a great shot to the back of the net. Joel Maas was up next, slamming one in the goal, pushing Fire into the lead 2-0 by halftime.

Fire didn't let up throughout the second half. Chayse Hall scored a great goal with assistance from Dana Jacobson. Ellie Berres was up next and shot one in with assistance from Landon Scheel. Quin Dornacker ended the game with a final

goal, leaving the Fire on top.

The entire defense worked hard and kept the ball out of Fire territory most of the game, shutting out the Orange Blasters 5-0.

October 6

Kewaskum U10

Fire 5

Hartford Cyclones 0

In their second game of the Leah Fenney Memorial Tournament on October 6, the Fire played a great game against the Hartford Cyclones.

Landon Scheel started off the game with an unbelievable goal shot from mid-field. Owen Alles was up with some fancy footwork and a goal, leaving Fire in the lead 2-0 at the half.

Kenley Yapp made some nice passes. Ella Schmidt and Carter Unger were forces to be reckoned, playing some amazing defense. Sydney Brandt scored two forceful goals, one with assistance from Ellie Berres. Dana Jacobson also contributed a strong goal, leading to a 5-0 Kewaskum Fire victory.

What a great day Fire! Way to represent Kewaskum and make us all proud!

October 6

Kewaskum U9

Rebels 2

Slinger Sharks 0

In the first game of the Erin Fenney Tournament the KYSO U9 Rebels played the Slinger Sharks. The team played a tough first half with many shots on goal but went into halftime 0-0.

In the second half, the team continued to work hard and Ryland Ciriacks and Veronica Hoell each scored to give the Rebels a 2-0 win.

October 6

Kewaskum U9

Rebels 3

Juneau Rage 3

In the second game of the tournament, the Rebels played the undefeated Juneau Rage in a well-matched battle.

The teams exchanged goals throughout the game as Ryland Ciriacks scored two goals in the first half and Veronica Hoell scored one goal in the second half.

Cailyn Beres showed her strong leg in the game with big defensive kicks to help the team's defensive effort.

The game ended in a 3-3 tie giving the Rebels a 5-1-1 overall record.

October 6

Kewaskum U14

Hurricanes 4

Richfield 2

Erin Tournament: In game 1, we played Richfield ... the fields were a wet mess and some had standing water... they

battled and battled but time ran out and a score of 0-0 lead to a shoot out.

Shoot out score was 4-2.

Diesel Fellenz scored one.

Sam Rinzel scored one.

Austin Janz scored one.

Zavier Chipman scored one.

Win 4-2.

October 6

Kewaskum U14

Hurricanes 1

Hustisford 2

Game 2 for the co-ed U14 Hurricanes was equally wet and hard to run or pass. Lots of people slipped and slid and fell.

The kids were all loving the wet, muddy mess.

The Hurricanes fought hard against the Hustisford team. They did not pull out a victory, but the score was 2-1.

Our goal was made by a splash of an assist by Alexander Severance. He had a break away and was out ahead of the defense. He hit a mud puddle and went down, but not before he tapped the ball over the puddle...Sam Rinzel was close behind him and ran past him to pick up the ball for a score. A wet muddy Alex stood up and rubbed the mud onto his own face and the two boys high fived their teamwork.

October 6

Kewaskum U7

Lions

The U7 Lions had their first double header at the Erin Tournament over the weekend.

Despite the wet, cold, and windy conditions, the team came out roaring and ready to play. The first game ended in a victory while the second game ended in a well-fought loss. Win or lose, there is always snack at the end though, so everyone walked off the field smiling!

Caleb Crass showed off some impressive corner kick skills. Brady Beck once again led the team in goals with a whopping five goals for the day. Harper Crass came within inches of scoring a goal in the second game, but the wind took it just left of the post. Mason Cornelius juked two defenders and scored a goal in the first game, and then met up with Connor Yapp at McDonald's between games to play in the play land.

Camille Miofsky and Easley Herriges teamed up on multiple goal kicks and played great defense in both games. The day was filled with great coaching and reffing. Thanks to Erin for hosting!

PHOTOS SOUGHT TO HONOR LOCAL VETERANS

The Kewaskum Statesman will be honoring local veterans by publishing their photos for Veterans Day. Veterans and/or their family members are encouraged to submit a photo of a local (who called this area home at one time) veteran who is currently active/honorably discharged that is living or deceased. Photos submitted last year will automatically be included in the section unless a different photo is submitted for the same veteran. There is NO COST.

Along with your photo, please submit the following (if available):

Name of Veteran, Branch of Service, Rank, Years Served (YYYY - YYYY), & Hometown (please include war if applicable)

WAYNE R. REMMEL

U.S. Army
Spec. 4
1958-1964
Kewaskum

SUBMIT YOUR VETERAN'S PHOTO & INFORMATION

BY OCTOBER 25TH TO BE PUBLISHED ON NOVEMBER 7TH.

You may submit your photo & information the following ways:

CC Coach Likes The Improvement His Runners Are Making

By Judy Harlow

It was difficult for the Kewaskum cross country runners to stay close to the D-1 schools who participated in the annual Slinger Owl Invitation, but the competition was good for the Indians in preparation for the upcoming East Central Conference and sectional meets.

Host Slinger swept both ends of the meet, held at Homestead Hollow Park near Germantown on October 3. The Owl boys came in with 34, 39 ahead of West Bend West, while the

Lady Owls posted a score of 65, which was 18 points ahead of runner-up, West Bend East.

Kewaskum's boys placed fifth in the field of seven full teams with a score of 130, while the girls also finished sixth with a score of 134.

"We continue to have strong races with our pack closing the gap on our top two. They are bringing the spread down, which will set us up nicely when we return to Mayville for the sectional meet on October 25," KHS coach Eugene Peterson said. "As the second smallest

large school, it was a great showing against mainly D-1 competition."

Once again, the Indians had two runners in the top 10, with home schooler, Isaiah Lubner placing seventh with a time of 18 minutes, 5 seconds (18:05), while junior Alyssa Butz finished in the eighth spot at 21:31.

All the runners were challenged by the course, which was far from being in ideal condition.

"The course was in the shape you would expect with the rain we got in the past week, with run-

ners running through six inches of mud and water up to a foot or foot and a half in places," Peterson said.

Gannon Kreuser placed 18th for the boys with another good effort, a time of 18:36, then came Lance Grosskoph, Logan Haydin and Clayton Kappler right close to each other in 45th, 47th, and 48th with respective times of 19:53, 19:56 and 19:58.

On the girls side, Faith Mertzig continues to run well, placing 11th with a time of 21:52. The other counters included: Andrea Butz, 29th, 23:08; Tierney Herman, 40th, 23:38; and Courtney Zarda, 46th, 24:17.

"The girls continue to show improvements from week to week with our top six, for the most part, within 15 seconds of their times at Hon-E-Kor last week," Peterson said. "Tierney Herman has really stepped up to close the gap on Andrea, which has drawn the rest of the girls in the pack forward."

The Indians were still missing Lisa Bolek, who was injured recently in another school activity.

KHS teams are at the Cougar Invitational on October 10th, then comes the EC Conference test on Saturday, October 19 at the Mascoutin Golf Course near Berlin.

Isaiah Lubner competes for Kewaskum in a cross country meet held at Hon-E-Kor on September 26.

photo by Anne Trautner

October 10 Gridiron Results

All four levels hosted the Cedarburg Dawgs this past Saturday.

The eighth grade team played a back and forth game against the Dawgs, coming up just short in a 20-18 defeat. The Dawgs received the opening kickoff but on their first offensive play, defensive back Dawson Stahl intercepted a pass. After some nice running plays by Dylan Soyk and Nicholas Deheck got the Indians down inside the 30 yard line on a fourth down play; Soyk hit wide receiver Bailey Ralph on a half back pass for a 27 yard touchdown to give the Indians an early 6-0 lead. On the Indians next possession they moved the ball well again with the run game with the offensive line blocking hard. This drive was capped off by a two yard touchdown run by Deheck giving the Indians a 12-0 lead. Cedarburg answered right back returning the ensuing kickoff 72 yards for a touchdown and made the two-point kick to make the score 12-8. On the last possession of

the first half Cedarburg was again able to get it into the end zone with a six yard touchdown run making the halftime score 14-12 in favor of the Dawgs.

To start the second half, the Indians had a nice drive going but unfortunately lost possession on a fumble. The defense held through and got the Indians offense back on the field. This time they were able to finish the drive off with Stahl taking a quarterback sneak in from a yard out to make the score 18-14 in favor of the Indians. Early in the fourth quarter the Dawgs used the air game to move the ball down the field and eventually capped it off with a 20 yard touchdown pass with the receiver making a great leaping catch. With the Dawgs now leading 20-18 the Indians had one last diver to try to win the game. They moved the ball inside the Dawgs 25 yard line, but on a fourth and long pass play came up a couple of yards short and turned the ball over on downs. The Indians

offense was led by the running of Soyk who had 20 carries for 135 yards, and Deheck who had 12 carries for 56 yards. The defense played pretty well all game with Matthew Miller, Jayden Choy, Deheck and Soyk leading the effort.

The seventh grade played a tightly contested game, coming up empty on a last minute drive for a 14-6 defeat. The Indians defense played well in forcing a fumble and also had interceptions by Brent Krejcarek and Andrew Reichert. Everett Donath scored the Indians lone touchdown of the day with a three yard run. The Indians last drive with time running out got inside the Cedarburg 10 yard line with two long passes to Jesse Tesch, one coming from Landon Daniel and the other coming on a halfback pass from Corbin Dexter.

The sixth grade played Cedarburg in a defensive battle that unfortunately ended with Cedarburg recording a safety with under five seconds to play, to es-

cape with a 2-0 victory. The Indians were able to move the ball pretty well with some nice running from Eli Steinbauer, Eli Ogi, Kingston Grisolono and Anthony Coleman. The pass game was also able to get some yards with Coleman throwing to Cole Loser, Johnny Hooker and David Brown. The defensive effort was led by Gage Halopka who again had several tackles for losses along with Ogi and Loser.

For the second consecutive week the fifth grade team was involved in a tough defensive game that ended in a 0-0 tie. The pouring rain throughout the game made it tough for the offenses to move the ball. They Indians offense was led by the running of Kyle Haim. Defensive standouts for the game included Bryston Scoles, William Koch and Anthony Verdic.

All four levels will travel to Slinger this coming Saturday, October 12.

MELINDA MYERS

There's no doubt that managing critters in the landscape can be a challenge especially as food supplies start to dwindle. If you are battling with rabbits, deer, groundhogs or other wildlife, don't let down your guard as the growing season begins to wind down.

Be proactive. Start before they get into the habit of dining on your landscape. It is easier to keep them away than break the dining habit.

Fence them out. Fencing is the best defense against most wildlife. A four feet tall fence around a small garden will keep out rabbits. Secure the bottom tight to the ground or bury it several inches to prevent rabbits and voles from crawling underneath. Or fold the bottom of the fence outward, making sure it's tight to the ground. Animals tend not to crawl under when the bottom skirt faces away from the garden.

Go deeper, at least 12 to 18 inches, if you are trying to discourage woodchucks. And make sure the gate is secure. Many hungry animals have found their way into

the garden through openings around and under the gate.

A five-foot fence around small garden areas can help safeguard your plantings against hungry deer. Some gardeners report success surrounding their garden with fishing line mounted on posts at one- and three-foot heights.

Break out the repellents. Homemade and commercial repellents can be used. Apply before the animals start feeding and reapply as directed. Consider using a natural repellent that's safe for people and wildlife.

Scare 'em away. Blow up owls, clanging pans, rubber snakes, slivers of deodorant soap, handfuls of human hair and noise makers are scare tactics that have been used by gardeners for years. Consider your environment when selecting a tactic. Urban animals are used to the sound and smell of people. Alternate scare tactics for more effective control. The animals won't be afraid of a snake that hasn't moved in weeks.

Combine tactics. Use a mix of fencing, scare tactics and repellents.

Keep monitoring for damage. If there are enough animals and they are hungry, they will eat just about anything.

Don't forget about nature. Welcome hawks and fox into your landscape. Using less pesticides and tolerating some critters, their food source, will encourage them to visit your yard. These natural pest controllers help keep the garden-munching critters under control.

And most importantly, don't give up. A bit of persistence, variety and adaptability is the key to success. Investing some time now will not only deter existing critters from dining in your landscape but will also reduce the risk of animals moving in next season.

Gardening expert, TV/radio host, author & columnist Melinda Myers has more than 30 years of horticulture experience and has written over 20 gardening books, including Can't Miss Small Space Gardening. She hosts The Great Courses "How to Grow Anything" DVD series and the nationally syndicated Melinda's Garden Moment seg-

Fencing, when installed properly, can be an effective tool in protecting gardens against animal damage. (Melinda Myers, LLC)

ments. Myers is also a columnist and contributing editor for *Birds & Blooms* magazine. Myers' web site, www.melindamyers.com, offers gardening videos, podcasts, and garden tips.
