Out Of The Ashes

—Camp Vista Chapel Being Rebuilt

By Andrea Hansen Abler

It has been two years since the chapel at Camp Vista was destroyed by fire. Now, there is new life in that area as construction of a new chapel is well underway.

Construction started in mid-March with hopes for it to be done around the end of the year. The new chapel is being built on the footprint of the

original one, which was built in 1972.

On October 24, 2018, people awoke to news of the devastating fire that completely destroyed the chapel. Someone had seen flames in a wooded area and called 911. The chapel at Camp Vista was fully engulfed in flames when members of the Campbellsport Fire Department arrived shortly after 5 a.m.

"We cried almost every night," said Andrew Fidziukiewicz, whose family owns and runs Camp Vista. "We had 11 fire trucks from different cities (fighting the fire)."

The idea of rebuilding the chapel was never a second thought for the family. They knew they would rebuild.

Campbellsport Native Named Lakeland University President

Lakeland University has promoted executive vice president Beth Borgen, D.B.A., a native of Campbellsport, to be the institution's 18th president. Borgen becomes the first female to lead the institution in its 158-year history.

Her selection was made by Lakeland's Board of Trustees on October 15 following a national search. Her first day in this new role will be January 1, 2021. She replaces David Black, who is retiring at the end of the 2020-2021 school

year.

In her 15 years at Lakeland, Borgen has quickly been promoted to more responsible positions. A first-generation college graduate who earned her master of business administration from Lakeland in 2011, she has led dramatic growth in Lakeland's fundraising efforts, as well as implementation of the university's award-winning Cooperative Education program.

"Change is constant, especially at a place like Lakeland," Borgen said.

"We are well positioned for the future thanks to our innovation, creative problem solving and collaboration, and I am prepared to make sure those strategies will continue to be part of our story."

"Lakeland has a long history of serving first-generation college students and working adults seeking their degree. I am a proud Lakeland graduate who understands the challenges of both of those populations."

Herriges Oil In Kewaskum Being Sold

By Anne Trautner

After 66 years of being in business in Kewaskum, Herriges Oil is being sold.

The full-service Sunoco gas station, located at 1245 Fond du Lac Ave. in Kewaskum, is being sold to Mike Dickmann, owner of Mike's Automotive Serv-

ice in Kewaskum. Dickmann plans to continue to operate the business as a full-service gas station.

The closing date is set for November 18.

A Family Business

Herriges Oil was started in 1954 by Raynor Herriges. The business started as an

oil delivery shop. In the mid 1963, Raynor leased a building on the northwest corner of Main Street and Riverview Drive, where he operated a gas station/auto repair shop as well as oil delivery business.

Herriges Oil

Kewaskum High School To Present *Bye Bye Birdie*

By Anne Trautner

Kewaskum High School will present the musical comedy *Bye Bye Birdie* in the Kewaskum High School theater on Friday, Nov. 13, at 7 p.m., and on Saturday, Nov. 14, at 2 p.m. and 7 p.m.

Because of the COVID-19 pandemic, the number tickets being

sold is limited to 54 people per show. The show is sold out for Friday, and there are limited number of tickets available for the Saturday shows at 2 p.m. and 7 p.m.

Tickets are \$10 each. Anyone who is interested must contact the Kewaskum High School office. Tickets will not be sold at Geidel's Piggly

Wiggly or at the door this year.

"Rest assured, we are following all the necessary precautions, restrictions and guidelines required. It's tuning up to be a wonderful show!" said Sara Lehner, who is assisting with the production.

Marsh Fire Near Campbellsport Burns 30-40 Acres

A marsh fire just north of Campbellsport on Wednesday, Nov. 4, needed six area fire departments on hand to help put it out. The fire burned about 30 to 40 acres.

The fire was called into the Fond du Lac County Communications Center at 7:10 p.m. It was in a marsh on County Highway W just north of Sunset Lane in the Town of Ashford.

A witness reported seeing a vehicle stopped on the shoulder prior to the fire starting. Deputies from the Fond du Lac County Sheriff's Office along with Campbellsport Fire Department responded to the scene.

Upon arrival of first responders, the fire had spread significantly

through the field, which consisted mostly of cattails and a small wooded area. Initial estimates are that the fire burned 30-40 acres. The land is owned by Donald Blatz. No injuries were reported.

The Campbellsport Fire Department was assisted by fire departments from Eden, Kewaskum, Mt. Calvary, Lamartine, and St. Cloud.

The fire remains under investigation by the Fond du Lac County Sheriff's Office and the origin of the fire at this time is unknown.

The day after the fire, the Campbellsport Fire Department released this statement, "Last night, the Campbellsport Fire Department responded to a marsh fire on County Highway W,

just north of Sunset Drive. As part of the investigation with the Fond du Lac County Sheriff's Office and the Wisconsin DNR, we are requesting the assistance of anyone that might have traveled this section of highway Wednesday night.

"If you traveled this section of road, in either direction between the hours of 6 p.m. and 7:30 p.m., we would like to hear from you. If you happen to have a dash camera in your vehicle that would be a plus.

"Please call the fire station at 920-533-5266 or message the fire department through Facebook.

"Thank you for your assistance," Craig Olson, fire chief.

Publisher's Letter Veterans Day

Dear Reader,

November 11th is Veterans Day. From defense.gov and va.gov we can learn some important historical facts about this day.

Originally Veterans Day was called Armistice Day and marked the 11th hour of the 11th day of the 11th month of 1918, when hostilities in World War I ceased. In 1919 President Woodrow Wilson issued a statement that asked Americans to use the day to reflect "with solemn pride in the heroism of those who died in the country's service, and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of nations."

"Armistice Day" became "Veterans Day" in 1954, in recognition of the heroic contributions of veterans in

World War II and the Korean War. Since then, Veterans Day has recognized and celebrated all veterans who served their country. Meanwhile, active-duty military are recognized on Armed Forces Day, and those who paid the ultimate price for our freedoms are remembered on Memorial Day.

Names change over time, but the gratitude we hold in our hearts for those who served is timeless and eternal. Let all of us pause on this day and remember that the freedoms and way of life we hold dear were bought with American courage, American daring, and American blood. Thank you, veterans.

And if you see a veteran, you know what to do: give honor, because honor is due.

Obituaries

Keith Arthur Brandt

Keith was preceded in death by his father, Arthur, his mother, Louella and sister, Louette. He is survived by his siblings, Patti (Seattle, WA), Tom (Santa Ana, CA), Jackie (Seattle, WA) and Jeff (Lacey, WA). He had one niece, Katie Brandt, who lives in Perth, Australia and two nephews: Greg Brandt in San Francisco and Ryan Leong in Spokane, WA and one grand nephew, Kelvin Leong (Spokane, WA).

Keith was a kind, quiet and gentle man who was deeply loved by his family. He chose his final resting place to be with his parents in Campbellsport, Wisconsin.

Twohig Funeral Home is serving the family with online guestbook and condolences at www.twohigfunerals.com

Keith Arthur Brandt was born on April 7, 1942 and passed away at age 78 on Friday, October 30, 2020. Keith fought a good fight for 15 days in the intensive care unit in Salt Lake City, Utah. The covid-19 virus overloaded his immune system causing infection after infection. Keith's siblings were very engaged with his medical team during his hospital care.

Keith resided in Salt Lake City for the past 11 years. Family was very important to Keith including his ancestors. After he retired, he moved to Salt Lake City to do genealogy research at the Family History Library at Temple Square renowned for their vast collection and links to international sources. Keith had previously lived in Seattle and had worked as a technical services librarian doing research for Microsoft. He had also resided in Honolulu, Milwaukee, WI and near the Cahokia Mounds State Historic site, Illinois where he was a member of an archeological team. Keith graduated from Marquette University in 1965 and attended graduate school majoring in archeology at University of Wisconsin, Milwaukee. He was a fountain of knowledge about history, genealogy and social justice issues.

Never Too Old To Vote

By Andrea Hansen Abler

Village of Campbellsport Deputy Clerk Shelby Sarauer accepts the absentee ballot drop off by 99-year-old Campbellsport citizen Jerry LaFleur. He was very excited to be able to cast his ballot again this year. Jerry has been voting in the presidential elections since 1944.

-photo submitted

Campbellsport's Jerry LaFleur was very excited to cast his vote last week in the Presidential election.

The 99-year-old received an absentee ballot in the mail, but he did not get it in the mail. So instead, his son Joseph drove Jerry to the Campbellsport Municipal Center during voting hours on Tuesday, Nov. 3, so he could hand-deliver his ballot.

"I told him you can still take it in," Joe said. "He was very talkative with Shelby (Sarauer, deputy clerk). He's been voting since the election in 1944."

That first election Jerry was to cast his

vote in was the one between Franklin D. Roosevelt and Thomas E. Dewey. Roosevelt easily won that election.

Jerry was in the Army Air Corp from 1942-1945. He served during the war in the Aleutian Islands. Jerry helped set up the air force bases and did training while there.

He moved to Campbellsport in 1969 when he became principal of Campbellsport High School.

According to Sarauer, Jerry was the oldest person to cast a vote in Campbellsport, but he was not the only one in his 90s. There were three others in their 90s who cast a ballot in Campbellsport — 94, 93 and 91 years of age.

Area Sees Record Turnout In Presidential Election

– Biden/Harris Declared Winners; Trump/Pence Ticket Leads Locally

By Anne Trautner

The 2020 Presidential Election was held on Tuesday, Nov. 3, and four days later, Joseph R. Biden Jr. was declared the president-elect, with Kamala Harris as the vice president-elect.

Voter turnout for the election was high across the nation. In Wisconsin, the total number of ballots cast for Biden/Harris was 1,630,503 (49.459 percent) and the number cast for Donald Trump/Michael Pence was 1,610,076 (48.84 percent), according to unofficial election results reported by the

Wisconsin Elections Commission.

That is a margin of 20,427 votes, or 0.62 percent. This is within the 1 percent margin required for a candidate to request a recount.

In Washington County, out of 93,451 registered voters on election day, there were 88,462 ballots cast, or a 95 percent voter turnout, according to the unofficial results. That was up from 89.57 percent voter turnout rate for Washington County in 2016.

In Fond du Lac County, unofficial results showed that a total of 57,451 ballots were cast for a 93 percent

voter turnout across the county for the 2020 election, according to Fond du Lac County Clerk Lisa Freiberg.

In Fond du Lac County, the Trump/Pence ticket led with 35,754 votes (62 percent) over Biden/Harris with 20,588 votes (36 percent), according to unofficial results.

In Washington County, the Trump/Pence ticket also led, with 60,235 votes (68.25 percent) being cast for the incumbents while Biden/Harris had 26,647 votes (30.19 percent), according to unofficial results.

Local municipal clerks

counted a record amount of ballots during last week's election.

In the Town of Farmington out of 2,687 registered voters, there were 2,519 ballots cast (94 percent), according to unofficial results. Of those, there were 1,967 (78.18 percent) votes cast for Trump/Pence and 523 (20.79 percent) votes cast for Biden/Harris.

In the Town of Kewaskum, unofficial results show that of 823 registered voters, 801 ballots were cast (97 percent). Of those, there were 624 (78 percent) votes cast for Trump/Pence, and 167 (20.88 percent) votes

cast for Biden/Harris.

The Town of Wayne had 1,576 registered voters and 1,500 ballots cast (95 percent), according to unofficial results. Of those, there were 1,206 (80.45 percent) votes cast for Trump/Pence and 279 (18.61 percent) votes for Biden/Harris.

The Village of Kewaskum had 2,707 registered voters and 2,597 ballots cast (96 percent). Unofficial results showed that of those, there were 1,875 (72.37 percent) votes cast for Trump/Pence and 676 (26.09 percent) votes for Biden/Harris.

Jury Trial And Status Hearing Set For Kewaskum Homicide

By Anne Trautner

Marie Bourget, a 50-year-old Town of Kewaskum woman, is scheduled for a jury trial and status hearing in a Washington County courtroom on November 10 at 8:15 a.m.

Bourget is charged with first degree intentional homicide with the use of dangerous weapon in the death of her 43-year-old husband, Benjamin J. Brich. Bourget is accused of cutting Brich's throat and stabbing him three times. If convicted, she

faces life imprisonment.

At the November 10 hearing, both sides are requested to have an explanation as to the number of witnesses that will be called at trial, who they are, any Miranda Goodchild issues, any unusual motions in limine or any other unusual motions that need to be decided in advance and how many days are anticipated for trial.

On November 4, Bourget appeared in custody in front of Judge James Poulos with Attorney Gillion Parham. Deputy District Attorney Stephanie Hanson, who appeared for the state, indicated that supplemental discovery has been pro-

vided. She also said there was a Motion to Compel that was filed over one month ago and requested that either a plea be entered or set for trial as it is very painful for the victim's family to drag the case out, according to court records.

Parham stated that Attorney Timothy Drewa is co-counsel and he had a family emergency and requested time to review the discovery just provided, according to court records.

Bourget initially appeared before Judge Todd Martens on March 27. The case was reassigned to Poulos on June 17.

Out Of The Ashes

—Camp Vista Chapel Being Rebuilt

“With a situation like this, we didn’t have a doubt,” Fidziukiewicz said. “Being a Christian mission, we had to rebuild it. It’s going to be on the same location in the same footprint.”

Though in the same footprint, the chapel will look different than the old one. It will still serve the same purpose with an updated look.

“People will recognize that it is a place to meditate and pray,” Fidziukiewicz said.

Unfortunately, one item that will be missing from the new chapel are the archives of the chapel and the camp. All the archives were housed in a room that was part of the chapel.

For the past two years, Camp Vista has been using a tent for their chapel in the summer months for the campers. Of course, this summer was a bit different than normal. They did not host all of their usual summer camps, but did still host a few with precautions taken because of COVID-19.

“Every group has been adapting to the situation with the chapel,” Fidziukiewicz said.

To pay for the costs of rebuilding the chapel, insurance will pay for part of it and the camp is raising donations for most of the rebuild. So far, people have been generous. The camp’s website has a place where people can donate to the rebuilding of the chapel.

History Of Camp Vista

Camp Vista was founded in 1961 by Father Joseph A. Fischer. He purchased 123 acres of farm land on Crooked Lake for \$17,500 from William Koch.

Father Fischer named the camp Vista Wee Yon Wa Untka, which means Our Lady of Hope in Sioux. The camp was incorporated on July 24, 1961.

The camp did not stay at the Crooked Lake location for long. The state condemned the land in 1962 with the intention of incorporating it into a state park.

A new home for the camp was offered on Cedar Lake, Camp Vista’s present home, near Dundee. A total of 98.5 acres was offered to Father Fischer for the camp.

It took a few summers to construct everything at the camp. Six dormitory cabins, one main lodge including kitchen and dining facilities and one ‘rectory’ cabin were constructed.

Vista Wee Yon Wa Untka was blessed and dedicated to Our Lady of Hope by Archbishop William E. Cousins on July 17, 1964.

In 1967, an adjoining 122 acre farm was purchased for Camp Vista. During this same year, Father Fischer was transferred from Our Lady of Good Hope Parish in Milwaukee to Our Lady of Angels

Parish in Armstrong, which brought Father Fischer closer to Camp Vista.

On August 16, 1970, Father Fischer received a phone call in the afternoon to tell him there was a forest fire at the camp. According to the archives, fire departments from four different communities responded along with people from the neighboring countryside. Everyone worked hard to help put the fire out.

The Chapel

One of the most exciting parts of the 50 year history of Camp Vista came in the early 1970s. Our Lady of the Vista Chapel was constructed in 1972 and 1973.

The chapel was built on a hill and was considered a constant reminder to the campers that the Lord is present in all they do. On August 15, 1973, Our Lady of the Vista Chapel was blessed by Archbishop William E. Cousins, the same one who originally blessed the camp.

The base of the main altar in the chapel was provided by Our Lady of Angels Parish member John Schwind, Sr. He also provided the altar in the Blessed Sacrament Chapel. The materials came out of his woods.

Tornado

About two months before the chapel fire in 2018, an unfortunate occurrence happened at Camp Vista and the surrounding area. Tornadoes ripped through the

This is the shell of what was left of the Camp Vista Chapel after an October 2018 fire destroyed the chapel. This is a view from where the entrance to the chapel was located.

photo by Andrea Hansen Abler

area on Tuesday, Aug. 28, 2018.

The tornadoes caused a lot of damage to the area. No buildings at the camp were destroyed, but lots of trees and branches were down throughout the property and some damage to windows.

“This fall we have experienced a lot of help from volunteers,” Fidziukiewicz said in November of last year.

He explained that many different groups had offered to help clean up the grounds from the tornado damage and the area of the chapel because of the fire. Youth groups, adult Christian groups, Team Rubicon, even prisoners from Waupun were brought in to help with clean up.

Other groups have done what they can to raise money to help the camp. Youth groups have held bake sales. Two young girls from Chicago held a garage sale and raised \$400 for the camp and the chapel.

One group of eight

men from a Rosary group showed up one day to help. “They just came unexpectedly and they cleaned the boat house,” Fidziukiewicz said.

This is the kind of love that has been shown to Camp Vista during these struggles.

“After a situation like this, good things come,” Fidziukiewicz said. “If you have that love in your heart, you don’t have to worry. It comes to your heart and changes you totally.”

Fidziukiewicz said that before these hardships many of these people were just users of the camp. Now they are totally invested as a part of the camp.

Team Rubicon

One year ago, Team Rubicon sent a group to Camp Vista to help clear some of the walking trails. Trees that had fallen down in the tornado made many of the trails unusable and dangerous.

Team Rubicon is an International non-government organization founded by U.S. Marines William McNulty and Jacob “Jake” Wood. Team Rubicon identifies itself as a disaster response organization that leverages the unique skill sets of veterans and first

responders to help disaster victims while using service and camaraderie to help veterans gain community, a sense of purpose, and identity to promote transition to civilian life.

A total of 15 volunteers spent a Saturday and Sunday in early November 2019 at Camp Vista cutting trees and clearing some of the trails.

“This is a follow-up from an operation last year,” Neil Kowalkowski said at the time. “We’re trying to cut the trees out of the way”

Kowalkowski explained that the group of volunteers do what they can to help out in any disaster situation. You can volunteer for a weekend at a time, a week or more.

“It’s on your own time,” Kowalkowski said. “We are all vetted. We go through a short training.”

This group was from all over the place, but coordinated through Green Bay. The volunteers love to help out and enjoy their time together too.

“You get that sense of community,” Kowalkowski said. “In the Wisconsin area, we have a lot going on.”

They all enjoyed their time working at Camp Vista. “This camp has been great to us,” Kowalkowski said.

Campbellsport's Glance Backward

5 Years Ago November 12, 2015

For 140 years, the School Sisters of St. Francis were a vital part of the Campbellsport community. They came to the area in 1874 and set up their Motherhouse in Campbellsport before moving it to Milwaukee, but kept their presence in Campbellsport with St. Joseph Convent. The convent will be closing its doors in February. The building will now be deconstructed, a process that should be finished by spring 2016. Although a buyer had been sought for nearly three years for the building and 14.2-acre site, there was no bona fide offer made.

Join your favorite bunch of Jungle Book characters as they try to catch a tiger by the tail when the Jungle Book will be presented in the Campbellsport High School auditorium Friday and Saturday.

Becky Scannell of Campbellsport and Anne Allmann of Kewaskum were two students who graduated from Moraine Park's Content Management Certificate program.

The opportunity for people to help light the Community Christmas Trees at Campbellsport's Mill Pond Park by purchasing a Love Light to remember someone special in your life has arrived.

Logging machinery that was being used to clear trees from the Mauthe Lake Recreation Area caught fire on November 4. The estimated loss of the vehicle, which is owned by a logging company out of Hancock, was around \$100,000, according to Kewaskum Fire Chief Mark Groeschel. The fire did not spread to the woods.

The Dundee Mill and Park announces their Love Lights tree lighting ceremony. Sponsored by the Partners of the Dundee Mill and Park, the event will be held December 12.

Irene D. Majerus, 85, Fond du Lac, passed away November 4.

15 Years Ago November 17, 2005

Ken Schmidt, a Campbellsport veteran

who wanted to make sure that all veterans are recognized, had the idea of a new Veterans' memorial. It was dedicated November 12 and is located in the St. Matthew's and Union Cemetery. Captain Michael Volz of Campbellsport was one of the representatives from the Marine Reserves on hand for the dedication service.

The Campbellsport Area Chamber of Commerce held a ribbon cutting ceremony for Curbside Radio on November 3.

A new event titled A Christmas Walk in Campbellsport will be held December 3, hosted by the Campbellsport Area Chamber of Commerce.

Matthew Koepke, president of the Partners of the Dundee Mill and Park, presented a \$1,000 check to the Osceola Town Board on November 14. The monies, raised by the mill partners at various fund raisers, are to be used toward the cost of repairing the dam at the south end of Long Lake.

A leak in the dam at the south end of Long Lake was repaired on October 24 with equipment from Lunda Construction Co. Industrial Division of Little Chute.

Members of the Campbellsport Elementary School Student Council signed a banner that will be delivered to Sanwar, Iraq, with school supplies the student council collected.

Zach Albert of Campbellsport took second place in the eight-year-old division of the Knights of Columbus Punt, Pass and Kick State Competition. The event was held in Marshfield on October 22.

Vivian M. Flood Baumann, 80, Campbellsport, passed away November 12. Joseph P. Fell, 77, Mequon, passed away November 8. Edgar H. Wondra, 76, Mayville, passed away November 10. Sr. Ger vase Lisner, Campbellsport, passed away November 3. Raymond M. Scheid, 85, Campbellsport, passed away November 8.

25 Years Ago

November 9, 1995

Construction began last week and continues as Campbellsport High School's Dan O'Brien Football Field is prepared to be recrowned. The Campbellsport School District Board had approved the project in its April 1995 five-year plan. The total cost of the project is estimated to be in the \$47,214 range and will include installation of six additional field drains, goal post replacement and reconstruction of the football field to add the proper crown for water runoff.

Three area youth will attend the National Catholic Youth Conference in Minneapolis, Minnesota November 16-19 for the largest nationally-sponsored gathering of Catholic teenagers in the U.S., with 9,000 attending. They are Chad Keller, Eve Dickmann and Nicole Elsinger.

Campbellsport Firefighters Auxiliary is celebrating 15 years of service.

Jennifer Krueger of Campbellsport received the Wis. Rural Rehabilitation Scholarship in the amount of \$850. She attends the University of Wisconsin-Stout.

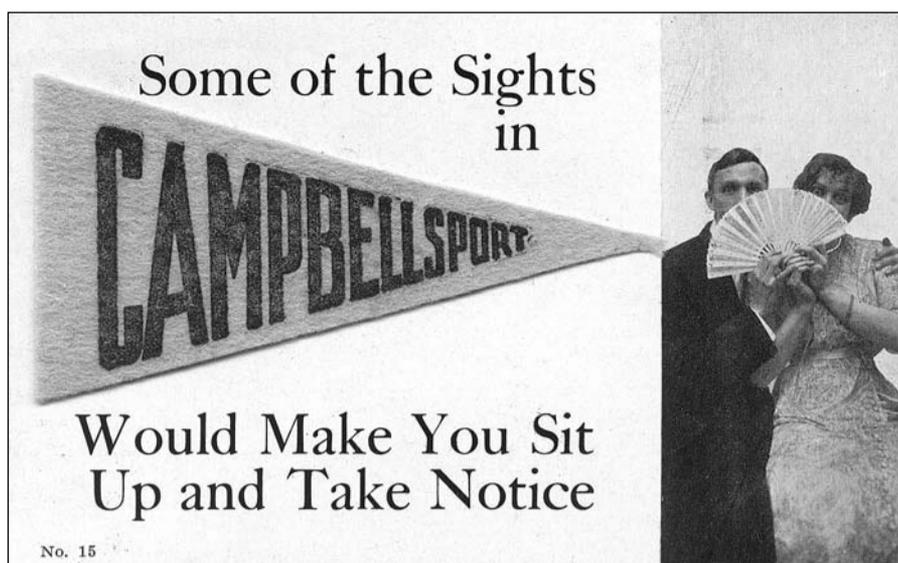

The Campbellsport School District Board held its Monday meeting at the Eden School. District resident Jeff Leininger approached the Board at the meeting to ask for their help in dealing with a day care problem. The day care his son now attends will be closing.

Motorists in the new subdivision area of the Village should be aware that additional stop signs are being installed at the corner where Paul Avenue and Elm Street meet.

Rose Baumann, 79, Kewaskum, passed away November 1. Sister Mary Bernarde Kloefer, 83, passed away October 29.

50 Years Ago November 12, 1970

A paper was not published this week. In the previous week's paper, this appeared: There will be no issue of the Campbellsport News next week, Nov. 12, due to the editor and wife

This is a fun postcard for Campbellsport that was produced in the early 1900s. The part that says Campbellsport is a piece of printed felt attached to the postcard.

taking a vacation. The News office will be closed until Monday, Nov. 16.

75 Years Ago November 15, 1945

Fire believed to have been caused by an overheated chimney, did considerable damage to the Richard Carter home on East Street. The first call came Monday evening. A second call came late Tuesday afternoon as flames were again creeping through the roof.

The annual meeting at which time taxpayers are especially invited to attend to discuss the village budget for the coming year will be held November 26. Although the proposed budget will make necessary an increase in the tax rate for next year, the projected activities anticipated by the board will justify the increase.

The people of Campbellsport came through again in surpassing their Victory Loan drive after only 16 days of selling without the aid of solicitors. A quota of \$29,594 was set for the village and by Wednesday evening \$20,387.50 worth of Victory Bonds had actually been sold.

Last Thursday evening, people came together for form plans for the coming hunting trip and it was decided to organize a local club and promote archery in the community. Joe Hasler was elected president and Math Schlaefer, secretary and treasurer.

Louis H. Mielke, T/5,

Campbellsport, received his honorable discharge from the Army at Camp Livingston, LA, on October 16.

Roy E. Loomis, town clerk of the Town of Ashford the past 14-1/2 years, passed away November 8.

100 Years Ago November 11, 1920

About 125 of the subscribers of the Campbellsport exchange of the Theresa Union Telephone Company, met in a mass meeting at the village hall last Tuesday. The discussion was the recent advance in telephone rates of the company. Officials of the Theresa Union Telephone Company, upon invitation of the club, were present at the meeting. No definite agreement was reached in a new adjustment of the rates.

Mrs. Edith Katter and Alex Hoffmann were arrested by Chief of Police Nolan, Detective Cosgrove and Officers Simon and Zimmerman in Fond du Lac Saturday night. The police assert that seven gallons of "moonshine" were found in the automobile and was intended for delivery in Fond du Lac. Nolan and Detective Fischer went to the old White farm, located east of Dundee, and confiscated two stills at that place. Twelve gallons of mash, which Nolan estimates would have produced moonshine valued at between \$1,400 and \$1,500, was destroyed by the officers. Nolan asked for

the arrest of Henry Johnson, proprietor of the farm. Also arrested were Tony Cracco and Peter Romalio.

The Highway Commission's program for road improvements for the year, calling for an expenditure of \$258,077.76 for 1921, was adopted at the Wednesday session of the county board. Of this amount, the sum of \$88,682.78 will be spent for the improvement by grading, draining and traveling the Campbellsport-Eden road, commonly known as the West Bend Road between this village and Eden.

Kewaskum's Days Gone By

5 Years Ago November 19, 2015

Faced with a \$171,849 shortfall from the village's Tax Incremental Financing District 2, the Kewaskum Village Board did not adopt a 2016 budget at its meeting on November 16. The board was to reconvene on November 18. The proposed budget includes a tax levy increase of about eight percent or \$156,737.

Kewaskum High School students and staff and community members got to shake hands with veterans following a Veterans Day ceremony held at the school. Staff Sgt. Eric Berry of the U.S. Marine Corps was the featured speaker, and Alexandra Krueger spoke about the history of Taps during the ceremony.

The Farmington Town Board decided on November 10 to continue using Accurate Appraisal, LLC to provide the town's assessments, even though the board questioned whether the firm had correctly classified all of the properties. If one property in the township is assessed incorrectly, the rest of the property owners pay more to cover the entire tax levy.

A total of 12 Thanksgiving dinners are being donated to the Kewaskum Food Pantry and the Youth and Family Project in West Bend after Mike's Automotive Service donated a turkey and all the fixings for every complete brake job. Geidel's Piggly Wiggly in Kewaskum and Bumper to Bumper helped sponsor the donations.

Kewaskum Public Library is losing two librarians. Library Director Steev Baker will become a librarian at the Sun Prairie Public Library after 15 years in Kewaskum. Krista Mullinnix is leaving after just a few months to return to her hometown in Indiana.

After 11 years in the Kewaskum School District, Tom Fischer will be leaving his position as Farmington Elementary School principal at the end of this school year.

An article and pictures were published about Tinker, a miniature horse that visited Kewaskum

Elementary School on November 13. Carol Takacs taught Tinker to do four tricks approximately six years ago, that included ringing the Salvation Army bell.

The Kewaskum School District is in better shape with its debt to equity ratio than it was last year, according to an audit presented to the school board on November 9. At the end of 2014, the ratio was \$1 to \$1. This year, the ratio was for ever dollar of available resources, the district owed 66 cents, a reduction of 34 percent.

Carl H. Meyer, 77, Town of Scott, passed away November 12. Kasandra L. Blum, 20, Hartford, passed away November 13.

15 Years Ago November 17, 2005

Washington County Planning and Parks workers have been working along a 12-mile stretch of the Eisenbach Trail that runs through Washington County on the old abandoned railway. The portion of the trail that runs from the Fond du Lac County line through Kewaskum remains under construction. Crews are now grading the surface course of three-inch limestone screenings that were layered last week.

A total of nine crashes were responded to by the Washington County Sheriff Department Wednesday due to winter weather conditions. Four injury-related crashes occurred within minutes of each other, three on Highway 45.

In an announcement made to media November 16, Kenneth Miller will not seek re-election in the spring. He has been a member of the Washington County Board of Supervisors for 24 years, the last 12 as chairman. He wants to spend more time with family and travel.

Linda Theisen, past president of the Kewaskum Area Chamber of Commerce, has been selected to lead the Christmas parade December 4.

Members of the Gateway Gobblers Chapter of the National Wild Turkey Federation took part in the NWTF's

Turkey Hunters Care Program by providing turkeys to families in the area to help complete the centerpiece of an All-American Thanksgiving dinner.

Although he nearly flunked out of college because he didn't know how to study, Kewaskum grad Dusti D. Howell, PhD, has a Ph.D major in educational technology (curriculum and instruction) and a Ph.D minor in educational psychology from two separate programs that were both ranked number 1 by US News and World Report. The former two-time conference chess champ returned to Kewaskum to talk about a program called SolidA. Checkmate, which unlocks the secrets for student success.

Kewaskum lost the Division 3 semifinal game against Wisconsin Lutheran, which earned a second straight berth in the WIAA finals.

A daughter, Alyvia Kaitlyn, was born November 1 to Elaine Barrentine and Eric Anderson of Kewaskum.

Katherine R. Beisbier, 51, Campbellsport, passed away November 7. Joseph P. Fell, 77, Mequon, passed away November 8. Robert A. Renner, 72, West Bend, passed away November 14. Raymond M. Scheid, 85, Campbellsport, passed away November 8. Vivian M. Flood Baumann, 80, Campbellsport, passed away November 12. Carole F. Whitfield, 86, Fredonia, passed away November 4. Milton J. Tischendorf, 81, Cable, passed away November 10. Wynard L. Paulus Jr., 68, West Bend, passed away November 8. Harry L. Enlich, 86, Germantown, passed away November 7.

25 Years Ago November 16, 1995

The Kewaskum School Board is waiting for word from Washington County District Attorney David Resheske on whether he will take action regarding a possible violation of the state open meeting law. Board member Ruth Schmitt filed a written complaint with the district attorney's office last

week, after a special school board meeting November 3 to approve requesting a one-year provisional license for new interim superintendent Charles Johnson.

A lot of history and some pictures about St. Michael's Church appeared in this issue. The church will be celebrating 150 years in 1996, making its parish one of the oldest found in Washington County.

Again this year, the Kewaskum FFA will sponsor the annual breakfast with Santa event. It will be held December 2.

Sue Daggett became District IV cross country 5000 meter NCAA Division 1 champion by crossing the finish line in Stillwater, Oklahoma in 17:40. She will run at the national championship November 20.

Benjamin J. Jerominski, 19, formerly of Campbellsport, passed away November 7. Walter Stange, 89, Kewaskum, passed away November 11. Robert B. Luedtke, 67, Cascade, passed away November 18.

50 Years Ago November 13, 1970

A phone call was received at the Regal Ware Inc. plant in Kewaskum last Friday saying there was a bomb in the factory. Regal Ware was the third area plant to close down due to a bomb threat last week. Police in Kewaskum and West Bend, as well as the Washington Sheriff's Department, have been investigating and checking out the bomb threat calls.

On recommendation of its consulting engineer, the village board had an adjourned meeting Tuesday and awarded the contracts for the extending sewer and water facilities to Bel-Ric Acres subdivision to the low bidders.

Fifty-six Kewaskum Community High School junior and senior students left Mitchell Field on November 4 and returned November 8 from a group trip to Washington, D.C. and New York. Students did not miss classes as the trip coincided with the teachers' convention held in Milwaukee.

An account of her experiences while she was in Germany last summer as an AFS student will be presented by Susan Behnke to members of the Kewaskum Woman's Club.

The eight-year-old grandson of Mr. and Mrs. Arthur P. Manthei of Kewaskum is in the cast of Brown Deer High School's production of "South Pacific" to be held November 13 and 14. Michael E. Tacke will play the role of Jerome, the Eurasian son of Emile de Bacque. Michael is in third grade at Alonquin School in Brown Deer.

John Shaske, graduate of Kewaskum High School, has completed a course at the Coastal School of Deep Sea Diving in Oakland, California. John went from earning around \$30 per day at his job to now making with his career move \$191.50 per day.

Mervin Thompson and Norman Koelasch are co-operators with the Washington County Soil and Water Conservation District with a conservation plan for their land. Thompson, from Kewaskum, and Koelsch, from Jackson, will receive the Washington County Wildlife Conservation award, sponsored by the West Bend Kiwanis.

Out of hundreds of high school football teams in Wisconsin, the Kewaskum Indians have been rated the 21st best team in the state among the larger schools.

A daughter was born November 7 to Mr. and Mrs. Chester Czoschke, Kewaskum.

Emma Lubitz, 74, Village of Kewaskum, passed away November 12. Nicholas Uelmen, 93 formerly of Town of Kewaskum, passed away November 8. Emma Fickler, 85, Fredonia, passed away November 4.

75 Years Ago November 9, 1945

Three current and two former area residents are among the 26 men to be inducted into the armed forces at the Chicago induction station on November 15. Included are Urban M. Schladweiler, Town of Farmington, Orin E.

Kirchner and Melvin E. Martin, Kewaskum, and Lester J. Borchert and Eugene P. Bingen, West Bend.

The front end of a Dodge four-door sedan owned and operated by Louis Bath Sr. of this village was quite badly damaged when it was struck by a freight car on the Division Street crossing in West Bend on Saturday. Louis Bath of this village was driving the vehicle. He escaped injury except for a slightly hurt left arm.

Alois Wietor, having received his discharge from the Marine Corps, will re-open his former barber shop in Kewaskum on November 14.

The Kewaskum American Legion post committee and the local Boy Scouts of America committee members held a dinner meeting at the Republican hotel Wednesday and made final arrangements for the Legion sponsorship of Kewaskum Troop 14.

Kewaskum Post No. 384, American Legion, is having an open house for all discharged veterans and G.I.s home on furlough, including their wives, on November 12.

Mrs. Peter J. Horn passed away November 4. Mrs. Herman Habeck, 76, Town of Kewaskum, passed away November 2.

FEATURE BUSINESS OF THE WEEK

K-B Lettering

Karen Breitman is ready to meet all your lettering needs through her business K-B Lettering. Karen has been in business for more than 35 years now. She has an associate degree in commercial art from Milwaukee Area Technical College.

Karen does lettering, both hand-painted or computer generated vinyl lettering. The recent purchase of a 54" printer allows her to do digital printing also. If you want to personalize your vehicle, she can custom pinstripe it for you too.

The start of her business was after making a sign for her husband Bill to use at the high school where he taught. Another coach suggested Karen go into business for herself.

As word of mouth spread, the business picked up and became a full-time job. She worked out of a shop behind their home in Campbellsport until 1996. The Breitmans then moved to St. Kilian where Karen was able to put up a bigger shop. This allows her to fit semis inside.

She specializes in vehicle lettering and graphics, pinstriping, signs, banners, decals and whatever else you may need lettered. In the past, Karen has painted race cars for Al Unser, Jr., Bobby Unser, Jr., and Alan Kulwicki.

"I was very fortunate to have my business by our home as the children (Becky and Rick) were growing up, Karen said. "It allowed me to be there for them. I've met many wonderful people and strive to give them a job they will be proud of. I thank God for the talent and abilities He has given me to be in this profession."

Check Karen out on the web: www.kblettering.com.

Campbellsport Native Named Lakeland University President

"We all look forward to finding new, innovative ways to serve our students. We will continue to grow our Cooperative Education program and student-run business venture, and we will also expand our relationships with the technical college system and regional employers as we continue to position Lakeland as a school of choice."

and Board of Trustees made a wise choice. They clearly understand that this university is moving in a different, more positive direction than three-quarters of other private institutions. They understand Beth Borgen's ideas and strategies is a major contributing reason. I am excited about the future of Lakeland."

Borgen was named

man classes in Lakeland's history.

Fundraising has grown dramatically under her leadership. Borgen moved into a fundraising role in 2007, and in 2015 was named vice president of advancement.

She led Lakeland's recent \$12 million campaign — one of the largest in the institution's history — that funded a dramatic overhaul of the Younger Family Campus Center, the region's first outdoor turf athletic field and funding to launch the co-op program. The \$12 million campaign goal was accomplished ahead of schedule and netted an additional \$3-plus million over its goal.

Under her leadership, Lakeland's Movers and Shakers Gala, which was among the most popular and well-attended Sheboygan County fundraisers, grew and found new ways to benefit community organizations.

Borgen will begin her tenure as Lakeland begins a \$26 million investment in its main campus, funded by a \$35.4 million low-interest loan from the U.S. Department of Agriculture (USDA) Rural Development division.

Lakeland will construct two new residence halls to serve freshman and sophomores, a water tower and related infrastructure, and use \$9.4 million to refinance the university's existing long-term debt. It represents the largest investment in the main campus in the institution's 158-year history. LU was the only university to receive a loan approval from USDA in 2020, and the co-op program was a decisive factor in the decision.

Borgen has always

maintained a strong commitment to personal improvement. Earlier this month, she successfully defended her dissertation through the Doctorate of Business Administration program at University of Wisconsin-Whitewater. Her research is titled "Self-efficacy and retention among first-generation college students," and focused on Lakeland students and ways LU can improve student retention.

She received a bachelor's degree in communication from St. Norbert College in 2001. She worked as an event manager at St. Norbert before joining Lakeland's staff in 2005.

Locally, she has served on the RCS Empowers, Inc. Board of Directors since March of 2016. During that time, Lakeland and RCS have partnered on a number of occasions, including the creation of summer programming at Lakeland for RCS participants.

Borgen and her husband, Jim, a captain with the Fond du Lac County Sheriff's Department, and their three children, Stella (11), Sydney (10) and Oliver (8), live in Fond du Lac. They are excited to move to the president's house located on the Main Campus.

Shepherd of the Hills Catholic School preschool student Fiona Ottery makes a Halloween ghost dance using static electricity during a recent science lesson.

Let's Light Up The Community

With the holidays fast approaching, we will not let the doom and gloom of all the politics and pandemic darken our holiday spirits. Let's light up the Campbellsport community trees with the "Love Lights for the Holidays."

Once again we will let the memories of the people of our life light up our lives this holiday season.

You can purchase a Love Light for \$5 each. The Love Light can be for anyone you would like to remember this holiday season. In memory of someone special past, present or in the military. Love Lights are

available to purchase by sending the form and payment to: Shirley Simon, 311 Windell Ave., Campbellsport, WI, 53010, by Tuesday, Dec. 1.

Lighting of the Love Lights for the Holidays on the community tress located at Mill Pond Park will be Saturday, Dec. 5. Watch for details of the lighting ceremony in the following weeks.

Monies collected are distributed to community programs. If you have any questions or would like more information, call 920-979-8704.

Let's light up our community this holiday season!

Beth Borgen

Barbara Gannon, who completed her tenure as chair of Lakeland's Board of Trustees on Thursday, said, "Beth has demonstrated excellent and seemingly tireless leadership skills, championed campus inclusiveness and personally understands the unique challenges facing first-generation college students. She is an ideal fit to lead our institution, and I look forward to supporting her presidency and her vision as a Lakeland trustee."

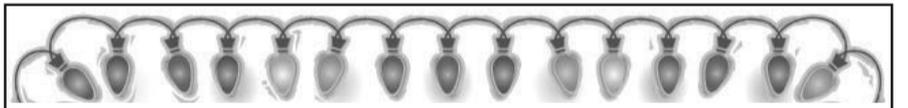

Jeff Spence, the chair of the Presidential Search Committee and the newly elected chair of the Board of Trustees, said, "Beth as our president puts us in a great position to continue our accelerated journey to Lakeland's future of serving our communities through our co-op program, the Kellett School, Lakeland University-Japan and our other innovative programs."

Lakeland President David Black said, "The Lakeland Community

executive vice president in July of 2018, a role that has seen her lead teams that manage Lakeland's enrollment, Cooperative Education program, financial aid, fundraising and external relations/marketing efforts. She has played a significant role in building relationships with key community stakeholders and employers, and her team has successfully launched several boards of advocates that provide valuable input for LU's academic programs.

She led Lakeland through the creation of its current strategic plan, which prepares to position the institution for declines in student populations by the middle of this decade that will challenge all institutions of higher learning.

She recently led a task force of key stakeholders to fully implement Lakeland's co-op program, which for the last three falls has generated three of the largest incoming fresh-

Continued From... Herriges Oil In Kewaskum Being Sold

In 1971, Raynor purchased the building at 1245 Fond du Lac Ave., where the business currently operates. Raynor's son and son-in-law, Mark Herriges and Doug Polzean, bought the business from Raynor in 1995. They, along with Ann Polzean, who is Doug's wife and Mark's sister, have run the business since then.

Other family members who have worked at Herriges Oil include: Joel and Tom Herriges (Ann and Mark's brothers); Jane Herriges Paul (Ann's and Mark's sister); Maggie Herriges Lijewski, Alex, Michael and Joseph Herriges

(Mark's and Jacky's children); and Kevin Polzean (Doug's and Ann's son).

Full Service Gas Station

Herriges Oil has been a full service gas station since its beginning. The family loves that it could still provide a service that isn't very common, especially because it was important to Raynor, who passed away in 2016.

More importantly, customers appreciate the service.

"We have our regulars who love the full service," Ann said. "They have been very happy

when we tell them that the plan is for the business to continue as a full-service gas station."

Many of the customers come to Herriges Oil simply for the fact that it is full-service. The company has not charged extra for the service.

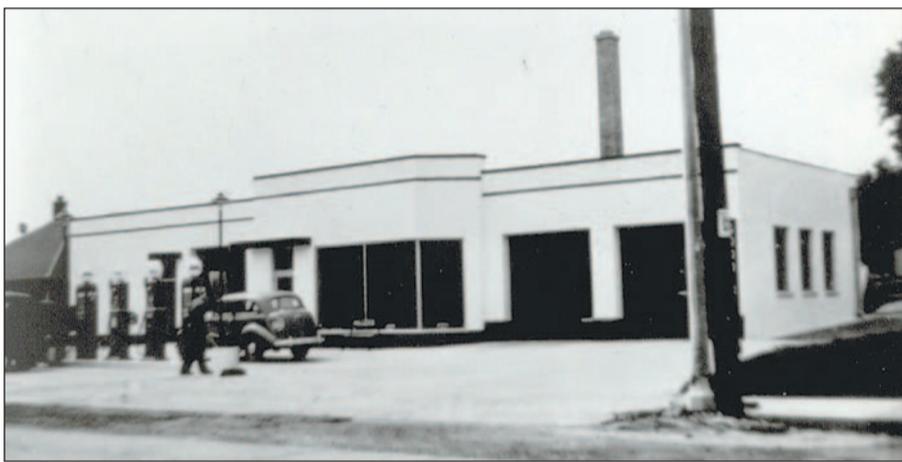

The service is something that newcomers and visitors to the area don't always expect.

"Sometimes they seem confused when we come out to fill up their tanks," Ann remarked.

In addition to the full-service gas station, Herriges Oil has offered an auto repair shop. A cou-

Herriges Oil in Kewaskum is being sold. Prior to becoming Herriges Oil, the building at 1245 Fond du Lac Ave. was owned by Carl and Harry Schaefer, who operated a Ford car and truck dealership at that location. This photo is dated circa 1925. **photo submitted**

The building where Herriges Oil is currently located in Kewaskum has had different looks over the years. This is a photo of when the property was a Ford dealership owned by two brothers, Carl and Harry Schaefer. **-photo submitted**

ple years ago, it started offering small engine repairs also, so customers have come there to have work done on their lawnmowers and snowblowers. In addition, the company fills liquid propane tanks, a service that Dickmann will continue.

Leaving A Legacy

By servicing the Kewaskum community for so many years, Herriges Oil has left its mark on the area. Many area residents remember working at the station when they were in high school.

It also was a place where a group of local men hung out every morning.

"There were six or eight of them that came down here every morning," Mark recalled.

"It basically was a kaffeeklatsch," Ann said. "They came down every morning, maybe at 6:30

or 7, and they would hang out for an hour. We had a coffeemaker and they would drink their coffee and talk."

She all too clearly remembers the time they were hanging out at the station when her car ran out of gas.

"I was taking our kids to school, and I was on my way back home. I ran out of gas and I had to walk back," Ann said. "The one time I ran out of gas there had to be eight men in there. I didn't hear the end of that for a long time."

History Of Property

The property at 1245 Fond du Lac Ave. in Kewaskum has a long history of being related to transportation services, even before Herriges Oil was located there.

Back in the 1800s, a tenement house and stable were built on the property. In 1900, a buggy shed was added, and, in 1911, a Maxwell Runabout was housed there to shuttle patrons. The property was used for stabling and transport services until 1917.

Carl Schaefer and his brother Harry Schaefer leased a garage at the property in 1921 before purchasing the property in 1923. The Schaefer brothers added a Ford car and truck dealership in 1925.

Selling The Business

The Herriges family had not planned on selling the business. However, in January, a real estate agent told the owners that someone was interested in purchasing a gas station in Kewaskum.

None of the owners' children wanted to take over the business, so it made Mark, Doug and Ann seriously consider the offer. They decided this would be a good move.

"So it has been in the works for a long time," Ann said. "Covid hit and things were kind of at a standstill, and all of a sudden things got going again recently."

Although the current owners, as well as a part time office worker, will no longer work there, some staff will continue working under the new management.

The fulltime mechanic who works at Herriges Oil will continue working at the business. The plan is for the five high school students who work part-time at the business to stay on the payroll as well.

Auction

A live auction will be held at Herriges Oil at 10 a.m. on Saturday, Nov. 14. The auction will include trucks, shop items, collectibles, and miscellaneous items.

The outdoor auction will be open to bidders only; no children under the age of 18 years. All purchases must be removed the day of sale.

For more information on the auction, visit the Ritger & Drendel website at www.ritgerdrendel.com.

BEYOND THE STANDARD

The mural on the building at 143 Main St. in Kewaskum has been completed. The colorful painting is a Kettle Moraine prairie scene that features native plants and insects from the area. The mural, which was painted by Irineo Medina, is bordered by a Potawatomi design as a tribute to the Native Americans who first lived in the Kewaskum area. The mural was the brainchild of Katie Markeland, who wanted to brighten up the area with a cheerful design.

Holiday Gift Fair At Campbellsport Alliance Church

Mark your calendar for a local holiday shopping event on Saturday Nov. 21, from 9 a.m. until 1 p.m.

Campbellsport Alliance Church is hosting a Holiday Gift Fair in order to bless the community with an occasion to shop local for the holidays, and to bless local vendors by providing an opportunity for them to sell their wares. Alliance Church is located at N1876 County Road V, Campbellsport, just north of the high school.

Sixteen local vendors will have a wide variety of merchandise for sale. Come browse two rooms full of quality items. You can purchase baked goods and

cookies, plus start your holiday shopping with a wide selection of wonderful handmade and sewn items for decorating or gifts including Christmas ornaments, shadow boxes, and wreaths; jewelry; candles; soaps; and unique upcycled and repurpose items from household things, natural materials and fabrics.

There will be hand sewn towels, masks, aprons, mittens, purses, and baby bibs as well as painted wood signs and boxes, burnt wood and fused glass novelties, and photographs. In addition, you can shop directly with local vendors of L'BRI, Norwex, Pampered Chef, and Natural Wellness products.

While you shop for these wonderful items you can enjoy free coffee, apple cider, pastries and bars provided by Campbellsport Alliance Church.

There is no entrance fee for shoppers. Parking is also free. Stop-in and shop local to support and bless the people who live in your neighborhood.

Braden Vande Boom is pictured with a pumpkin he decorated. He won second place in a pumpkin decorating contest that was held in his fourth grade class at Kewaskum Elementary School.

photo submitted

Jensen Stoffel, a third grade student at Shepherd of the Hills Catholic School, paints a pumpkin in class with her classmates. Dan and Karen Klumppan of Mt. Calvary, donated a pumpkin for each third grade student to decorate.

Christmas 2020 Angel Tree — COVID Brings Changes

—We Promised To Update You

Like all things COVID — 2020 will bring changes this year for the Campbellsport "Angel Tree" Christmas Gifts for Needy Families.

As we said in an earlier article, we would update you as changes occurred.

Because of limited access to previous Angel site locations; this year there have been requests to add a few more sites around the village. The new additional site locations will be the Campbellsport Library, Blue Door and Ty's Place. Angels should be available at those sites starting Monday, Nov. 16.

Timing is still dependent on when referrals are being received. Angels will be available as soon as referrals have been received, and contacted.

As always, families will be referred by the Salvation Army, social workers, counselors and pastors. The families are contacted for details on their needed items, and Angels are created for those items.

Angels can be selected and signed out at

the locations listed above. Please wrap the presents and attach the Angels to the gift. Place gift cards and money for cards in an envelope and seal.

Gifts will only be collected over two weekends. In an effort to try to eliminate multiple handling of gifts by donors and volunteers, this year there is a one-stop drop off.

Gifts and money donations for gift cards are to be returned on Saturday, Dec. 5, and Sunday, Dec. 6, and Saturday, Dec. 12, and Sunday, Dec. 13, from 10 a.m. to 12 p.m.

The Gift return location is St. Matthew's Parish Center on Mill Street in Campbellsport. Volunteers with bins will be available curbside for your gift drop offs.

COVID Guidelines

Again, as with all things COVID, please use special care when wrapping and transporting your gifts. Use sanitizer before handling gifts for wrapping and handling for delivery. Please wear masks.

Envision Greater Fond du Lac To Host Annual State Of The Economy

Envision Greater Fond du Lac will host their annual State of the Economy event, virtually, on Tuesday, Nov. 17, from 8 a.m.-10 a.m. This event is provided through the generous support of Mercury Marine and Agnesian HealthCare, a member of SSM Health.

The Trump Administration, beginning in 2017, embarked on an aggressive, and largely successful, trade policy. It caused fissures in the global trading system and caused tensions with our trade partners.

But these disruptions were minimal in comparison with the proverbial tsunami wave which the COVID-19 Pandemic has caused. It is not just disruptions of trade, but changes in virtually all aspects of lives of citizens in the U.S., and globally.

The presentation will address how business and industry representatives can anticipate, deal with, and hopefully thrive from newly increased trade diversion, as well as the impacts of the election on the economy and trade.

The presenter,

Ngosong Fonkem, is an attorney at Page•Fura, P.C., a Chicago firm that provides companies of all sizes with business-practical representation on all aspects of Customs & International Trade Law. He is a trade compliance lawyer with broad experience in diverse business sectors in the USA and internationally. He has worked on a variety of international trade related issues including US Customs litigation, energy consulting in Southeast Asia, and teaching as a full-time member of the law faculty at the oldest private university in Malaysia.

This event is free and open to the public, however, pre-registration is required. More information and a registration link can be found at <https://www.envision-greaterfdl.com/event/state-of-the-economy-trade-crash-surviving-and-thriving-in-pandemics-and-global-trade-disruption/>.

For more information on this event, please visit envisiongreater.fdl.com, call 920-921-9500, or email info@envisiongreaterfdl.com.

If you need to use a computer please give the library a call. Stay safe everyone!

Reading is GIGANTIC!

Children ages 3 - 17 join us in a lighthearted reading competition. A reading log can be picked up at the Library or download one from our website starting October 1st. If you have any questions about the contest or if you need reading suggestions or book bundles, please contact the Library.

Virtual Storytime

Miss Becca, the children's librarian at the Campbellsport Public Library, invites your little ones to join her for weekly virtual story hour events. A new preschool story hour program will be aired on the Library's Facebook page every Wednesday morning starting September 9th. Miss Becca will be reading stories, singing songs, suggesting activities, and leading children through a craft project. The supplies for the weekly craft project can be picked in the Library's entrance each Monday before the story hour session. Instructions for the craft projects will not be in the bag of supplies, you will need to follow along with Miss Becca so you what to do with the craft supplies.

Virtual story hours can be watched at any time! The November story time themes are as follows: Nov. 4th Night Time; Nov. 11th Friends; Nov. 18th Vegetables; Nov. 25th Pie. Please post photos of your kiddos making their crafts or watching the virtual story hour on our Facebook page. Miss Becca and everyone at the Library misses seeing the kids at library events.

Everyone is invited to the Campbellsport Public Library on Saturday, November 21st between 10 am and Noon to meet Santa Claus! You can tell him what you want for Christmas and have your photo taken with him in a winter scene. Weather permitting, this event will take place outside please plan on dressing for temperatures. Meet and greets with Santa will be properly socially distances for everyone's safety.

People who want to set up a time to meet with Santa and have their photo taken must call the Library at (920) 533 - 8534 Monday through Friday between 9 am and 6 pm or email director@campbellsportlibrary.org to schedule a time between 10 am and noon.

Photos will be taken by the professional photographers of SLS Photography LLC! The photos will be posted on the Campbellsport Chamber of Commerce Facebook Page.

This free event is sponsored by the Lion's Club and the Chamber of Commerce.

ACTIVITIES AT THE KEWASKUM LIBRARY

The Kewaskum Public Library, 206 1st St. in Kewaskum, is offering the following programs. For more information, contact the library at kewaskum@monarchlibraries.org or call 262-626-4312.

Adult Recipe Club in a Bag.

Ingredient for the month of November is: **Mace**. Kit includes container of mace blades, 2 recipe and information about the spice. Send a picture of your completed recipe to kewaskum@monarchlibraries.org or post to our Facebook page.

Storytimes

Join Miss Kim on Facebook Live Wednesdays at 10:30 am or view the video anytime during the week after. Craft kits available to pick up during the week of each story times.

Book Bundles Now At The Library!

Check out a themed bundle of 4 - 6 books on display throughout the library! Each bundle is for a specific age group / reading level from the young readers to adults. If you have a theme idea, let us know and we can create a bundle for you to check out.

Check It Out!

A Column By Kewaskum Librarian Lori Kreis

Librarians are great providers of information, supporters of literary needy people and proponents of inclusion. One thing we lack in is our publicity skills. Libraries have a lot to offer but letting the public know about these services is not our forte. I do use the media, social media, flyers, newsletters, and word of mouth. However, we are still not reaching everyone we could. Let me tell you about some little-known treasures of services we offer. I hope you will either take advantage of these or pass the information about them to someone you know that is in need.

Even though you can come in and pick up your holds, we are still offering curbside service for anyone that would like it. Call us in advance to arrange a time to pick up your held items and we will either deliver it to your car or put it in the lobby for you to take. You can also use the curbside service for our book bundles or any of our grab & go kits. Here is a nifty way to use our curbside delivery. From your own device in your car, connect to our wi-fi, locate our printer, and print your documents. We will charge your account for the print job and deliver the pages to you in your car.

If you or someone you know loves to read but has a difficult time with printed material either due to a visual handicap, a reading disability, or physical disability where holding a book is problematic you or they may be eli-

gible for a free service provided by the state; Wisconsin Talking Book and Braille Library. Once you are signed up for WTBB, they will send you books in Braille or audio. You will receive the audio player, headphones and any accessory you need for listening. There are hundreds of thousands of titles and their amazing staff will provide reader's advisory for your best choices. Did I mention this is completely free?

If you are homebound, you can still get books from our library. Outreach Services offered through West Bend Library is funded by both Washington County and your local library. If you cannot visit the library, our outreach librarian will bring the library to you. To sign up for this hidden gem of a service, you will need to first fill out an application which can be found online or in our library. Your application will be reviewed and when accepted, you will be contacted to both discuss your reader interests and then to arrange a drop off date for your items. Due to Covid restrictions, home visits are not occurring at this time, but items are still being delivered.

Now that you know about these great services the library provides, I hope you take advantage of them and spread the word. Any questions? Just ask next time you are in.

Hope to see you soon.

Craft And Vendor Expo To Be Held Sunday, Nov. 22

By Anne Trautner

The Kewaskum Area Chamber of Commerce is sponsoring a Craft and Vendor Expo at Kewaskum Middle School, 1676 Reigle Drive in Kewaskum, on Sunday, Nov. 22, from 9 a.m. to 3 p.m. Admission and parking are free.

This is one of the few things that is being held this year, and people are looking forward to it, according to Kelly Goeden, one of the event organizers.

"People are very excited to be a vendor or a crafter in the show due to the fact that they have had maybe only one other show this year. "Everything else has been canceled and they are ready to go," Goeden said.

The event is attracting crafters and vendors are coming from as far away as Clintonville, Milwaukee and Wausau. Currently there are approximately 60 crafters and vendors signed up for the expo.

"We are at about 80 percent crafters and homemade things. We do have vendors, but there are definitely more crafters this year, which is great," Goeden said.

Additional crafters are still being accepted. Anyone who is interested in selling their handmade crafts should send a message to organizers on the Kewaskum Area Chamber of Commerce Facebook page.

Because of the COVID-19 pandemic, attendees will be required to wear masks and hand sanitization stations will be available. The number of attendees will not be limited.

There will be a wide selection of products offered, from homemade canned goods, wood

signs and jewelry to dog treats and custom clothing. There will be handmade wreaths, gnomes, doll clothes, afghans and purses. There also will be succulent plants, soaps, oils and alcohol ink art.

"I thought we had a great variety last year, I think we have even more variety this year," said Goeden, who is co-chairing the event with Wendi Dreher.

American Legion Post 384 will sell Regal Ware cookware. In addition, there will be Tupperware, Tastefully Simple, L'Bri, Thirty-One Gifts and Norwex items will be sold. Shoppers will even be able to enjoy 10-minute chair massages.

Boy Scout Troop 744 will sell food and refreshments. Julie's Country Confections will sell kettle corn from a trailer outside the school as well as offer popcorn and sweet treats inside.

In addition, attendees can enter a raffle free of charge to win a grand prize.

"It is a place to get your crafting done," Goeden said.

Funds that the Kewaskum Area Chamber of Commerce raises from the event will go toward Reigle Family Park, as well as updating some of the Christmas decorations on the light poles in Kewaskum.

Funds will also go toward the Kewaskum Christmas Parade, which the chamber will host on Sunday, Dec. 6. Although there will be no Cookie Hunt this year, the parade will go on.

Chamber members are happy that the Craft and Vendor Expo will go on as planned.

"Come enjoy and support your local crafters, and support your local community," Goeden said.

Early deadline for the November 26th paper is Friday, Nov. 20 at noon. Office will be closed on Nov. 26 & 27.

We wish you a very Happy Thanksgiving!

Kewaskum High School To Present *Bye Bye Birdie*

Amanda Patino, who is the choir teacher at Kewaskum High School and Kewaskum Middle School, is directing the musical. This is her first year directing a musical in Kewaskum.

Prior to coming to Kewaskum this year, Patino taught music in Peoria, Illinois for two years.

"I love it. It's been very crazy, but it has been super fun," Patino said about directing the Kewaskum musical. "The kids are just the best to work with. There have been a million obstacles to jump through this year, but it's coming together."

Patino has enjoyed working with the Kewaskum students.

"It is an incredible group of kids. I had no idea what I was going to walk into and would have never imagined these kinds of singers who are so talented,"

Patino said. "They are hardworking. If I ask them to do something, they do it without complaining. Or they just joke about complaining and then they do it. They are wonderful...I am so lucky."

For the students, the show has been a good experience thus far.

"I'm just excited we can have a show this year with everything that is going on. It will be good to get people in the theater again for a live show, so it will be fun," said Jacob Hahn, playing the part of Albert J. Peterson.

This is Jacob's first time playing a lead role in a show, and he is having fun with the part.

"I enjoy being at rehearsals. Everyone here makes it a good time, so it is always a blast. I look forward to coming to rehearsals," he said.

Abby Prim, who portrays Rose Alvarez, has

Kewaskum High School students rehearse a song for the musical *Bye Bye Birdie*. The show will have limited audience seating in order to maintain social distancing.

photo by Anne Trautner

Kewaskum High School students will present the musical *Bye Bye Birdie* this weekend. Actors will wear clear face shields so the audience will be able to see their facial expressions during the show.

photo by Anne Trautner

had plenty of experience playing lead roles.

"It's coming along pretty well," she said about the show.

However, preparing for the show this year has had its challenges because of the pandemic.

"During rehearsal it is really hard for us to play off each other's actions because you can't really see each other's faces," Abby said.

So Abby did some research and found clear masks that each of the actors purchased for the show.

"They work really well. They don't fog up, so everyone will be able to see our faces and we will be able to wear microphones," said Abby, who plans to study music education at the University of Wisconsin-Green Bay next year.

She is looking forward to performing this weekend.

"It is going to be an interesting show, but at least we get to do it, so I am holding onto that," Abby said. "I really do like the show because it is one of the shows that we can do that is super family friendly but also has different themes for people of all ages to enjoy, which I really like."

Melody Humphreys, who plays the part of Kim MacAfee, also likes the show.

"I like the music...50s is my favorite. I love it, especially with the dance moves. It is all very boppy. It's going to be a good show," she said.

Melody agreed that the show is coming along well.

"It has taken a little longer. Just with corona and everything, it has put a little damper on things," Melody said.

Continued From Page 16...

For example, six of the cast members, including two leads, have had to miss practices because they were quarantined for two weeks because they had been exposed to a positive Covid case. Because of that, the students created a lot of videos, and some students have attended rehearsals virtually.

"Some of the students have been coming to our rehearsals via Google Meet, so that was crazy," Patino noted.

One student, sixth grader Brendan Safford stepped in and took a part just two weeks ago when another student was no longer able to perform the part.

"He has only been with us two weeks but he has already learned the whole part. He has been doing great and is ready to go," Patino said.

"I think for the circumstances we are doing really well in how we are handling it," Melody said. "There are a lot of down sides of corona. But it has also given us a lot of opportunities to learn how to do things in different ways and utilize technology that we've been blessed with."

Because not as many

tickets can be sold this year, the plan is to have a DVD of the show available.

"I am pretty happy with how everything has been going, especially with the bumps in the road we have with corona and everything else," said Chloe Vetter, who is playing Mr. Johnson and Margie. "I want people to just enjoy what we have put out with what we could do in what time we had, and the conditions of everything. No matter what, the actors and actresses in the show did a great job and did everything they could do."

Warmer temperatures, gusty winds and dry vegetation resulted in nearly 50 wildfires across the state this week. Winds are expected to increase going into the weekend — no rain expected until Monday.

"The last week or so has been unusually busy due to the dry fuels, increased burning activity and lack of snow statewide," said Catherine Koele, DNR fire prevention specialist. "While these fires have remained relatively small in size, fire control officials are concerned the forecasted winds over the weekend could result in increased fire occurrence and rapid fire growth."

The main causes of these wildfires have been leaf and brush pile burning, sparks from lawn and recreational

equipment, campfires and improper ash disposal from fireplaces. It is not uncommon to see the risk of wildfire rise in the fall.

Wildfires can occur any time of the year when the ground is not completely snow-covered. Things are especially vulnerable in the early spring and again in the fall after the leaves have fallen from the trees and the plants and grasses go dormant in preparation for winter.

Smoldering embers can remain hot for days, even weeks. If using a wood stove or fireplace, empty the ashes into a metal container with a tight-fitting lid or dump

the ashes onto bare soil then drown the ash with water and stir until the embers are completely cold.

The same goes for campfires, burn barrels and burned leaf and brush piles — before leaving the area, drown the ashes, stir and keep adding water until all smoke is gone.

The DNR recom-

mends holding off on conducting any debris burning until the ground is completely snow-covered. In addition, keep a close eye on the daily fire danger and know local burning restrictions before using any fire in the outdoors.

For more information on the fire risk in your county, visit the DNR website.

When Leaves Fall, Fire Danger Rises

—Dry Seasonal Conditions Lead To Increased Fire Risk

The Campbellsport News | Kewaskum Statesman is proud to announce our 2020

"SHOOT" YOUR DEER CONTEST

There will be 3 winners, so every hunter is eligible!
1 for the biggest spread/points combined and 2 winners picked randomly (Adult and 17 & under)

Indians Split The Last Two Weeks, Look To Post-Season

The Kewaskum High School Indians football team found the win column with a victory over Kettle Moraine Lutheran on Friday, Oct. 30.

The 23-13 victory was led by an explosive first-half offense and pre-

served by a stingy defensive effort in the second half. The scoring started in the first quarter with a one-yard quarterback sneak by senior Michael Daniel. The next two scores came through the air during

the second quarter, as Daniel hit junior Ben Butler with a 30-yard strike down the sideline and followed that with an 18-yard touchdown pass to senior Mason Droese. The last two scores were followed by junior Ben Poschmann making extra points, and the Indians took a 20-0 lead at halftime.

Poschmann added a 30-yard field goal in the third quarter to cap the scoring for the Indians. Meanwhile, the Indian defense was led by juniors Matthew Blank and Reegan Marx, who had seven and five tackles apiece. The defense forced two fumbles during its best performance of the season, one by Blank and the other by senior Kyle Elbe.

This past Friday, the Indians fought to the very end before succumbing 28 - 21 to the ECC champion Plymouth Panthers. The Indians scored 21 points in the fourth quarter, led by Michael Daniel, who

Maxwell Melzer runs the ball for Kewaskum in a home game against Plymouth on Friday, Nov. 6.

photo by Anne Trautner

photo by Anne Trautner

rushed for 113 yards and three touchdowns and passed for 142 yards. Mason Droese contributed seven catches for 84 yards and had a huge outside kick recovery late in the game.

The defense supplied lots of pressure on the Plymouth passing attack, supplying three sacks, one each from

seniors Nathan Heberer and Trenton Riekkoff and one by junior Max Melzer. Matthew Blank led the defense with 16 tackles, followed by Riekkoff with 10 and Heberer along with sophomore Hunter Loser with seven. The loss concluded the Indians' regular season with a 1-4 record.

Early Saturday morn-

ing, the Indians learned that they would host New London in a Level 1 post-season game in the WIAA regional tournament. The home game will take place on Friday, Nov. 13, at 7 p.m. at Doc Mitchell. If the Indians advance, they would face the winner of the game between Fox Valley Lutheran and Wau-paca on Friday, Nov. 20.

Kewaskum Gridiron Youth Football Finishes Season

All four of the Kewaskum Gridiron Youth Football teams were in action this past Saturday, with the eighth and sixth grades traveling to Greendale, the seventh grade traveling to Hartford and the fifth grade traveling to Lake Country.

The eighth grade players got off to a slow start and found themselves down 16-0 about half way through the second quarter. Before halftime they were able to put a good drive together, and quarterback Landon Daniel was able to escape the rush and score on a 25-yard touchdown run to make it 16-6 at halftime. In the second half the Indians were able to get a nice drive going with a nice pass play completed to fullback Everett Donath that helped set up a one-yard touchdown run by Daniel to make it 16-12. Greendale was able to add a touchdown on a pick six to make the score 22-12 before Daniel was able to break off another long touchdown run, this one from 75 yards out to bring the Indians within four points at 22-18. The Indians had one last chance after a defensive stop and worked the ball into Greendale territory, but they weren't able to score and were defeated 22-18.

Offensively, the Indians were led by Daniel and some nice catches by Donath and Austin Reichel. On defense, the standouts were defensive linemen Tyler Vetter and Aeden Chojnacki, along with linebacker Karter Fell.

The seventh grade team was very short handed and had a rough first half but continued to battle hard but were eventually defeated by Hartford 39-13. The Indians offense had touchdowns by Garon Brickner and Sean McElroy, and Ethan Immel had a couple nice pass receptions. The defense was led by solid play from Alex Bayer and Conner Giese.

The sixth grade team got off to a slow start against an undefeated Greendale team and trailed 21-0 at halftime. After half the Indians played much better both offensively and defensively but were defeated 27-13. On offense, Kingston Grisolono and Eli Ogi were able to score touchdowns, and Ogi ran the ball hard the whole game. On defense Cole Loser was able to recover a fumble, and William Koch played

a solid game.

The fifth grade team played hard but ended up being defeated by Lake Country by a score of 38-8. The touchdown for the Indians came on a long run by Jace Wichtoski, and then Jude Johnson was able to make the two-point kick on his only attempt of the season.

This past Saturday concluded the 2020 season for the Kewaskum Gridiron Club, and especially this year it couldn't have been possible without lots of hard work from so many people. We would like to recognize our league, the Wisconsin All-American Youth Football League for putting safety measures in place and dealing with ever-changing situations and schedules. We are grateful to the Kewaskum School District for the use of the great facilities we have in Kewaskum.

We want to recognize all of our great business sponsors, which include Modern Woodmen of America - Jeff Jaeger Agent; Materna's Maintenance, Inc.; Gruber Tool & Die, Inc.; Strobel Propane Gas Co.; Kettler Moraine Gardens; Sandpiper Inn; Hon-E-Kor Golf Course; Smith & Hatch Insurance - Dennis Butz Agent; Kohn's Filling Station; T.P. Concrete Inc.; Drexel Building Supply; Kewaskum Family Dentistry; LK Heating & Air Conditioning LLC; JJ's Cutting Edge LLC; Engelhardt Dairy of Wisconsin LLC; Kettle Moraine Appliance & Sleep Center; Heberer Bros. Home Improvements, LLC; Marketing Matcher; Geidel's Piggly Wiggly, and Preferred Electric.

We are grateful to all of the coaches for all the hard work, time and effort in these crazy times and the parents for the flexibility, the understanding, the volunteering and allowing your kids to play a sport that they love. The players went with the flow, always working hard and playing the game the right way.

We were so happy to be able to provide the opportunity to play this year and hope a lot of fun was had along the way! We are already looking forward to the Kewaskum Gridiron Club's 25th Season next year! Go Indians!!

Brady Bastian is ready to take the field for the Indians as Kewaskum High School hosts a game against Plymouth on Friday, Nov. 6. Kewaskum will host New London in a Level 1 post-season game in the WIAA Regional Tournament on Friday, Nov. 13.

photo by Anne Trautner

Early deadline for the November 26th paper is Friday, Nov. 20 at 12 p.m.

The News Office will be closed on Nov. 26 & 27.

Kewaskum High School TENNIS

Campbellsport Middle School Boys Cross Country Wins Flyway Title Again

The Campbellsport Middle School boys cross country team won the Flyway Conference title again this year, with a solid team effort to easily outdistance their Flyway competitors. Coach Michael Meilahn was very pleased with the results.

The Cougars also won the meet last year.

And although the girls did not win the title, they have had major contributions from several key runners all season long.

On the boys side, it was the Nolan twins, Logan and Brody, who finished a powerful 1-2 to lead the team at

Lomira's home course. Logan, who has more experience in cross country than his brother, easily dominated the Lomira course, finishing in an easy 11:02, with Brody second in 11:37.

Sawyer Dirmeier, Davin Rentmeester, and Aydryan Meilahn closed out a powerful Cougar quintet, with times of 12:19, 12:25, and 12:46, respectively. Sawyer and Davin had top 10 finishes, and Aydryan was close behind. The Cougars dominated this race.

Brody Manix ran 13:00, Trent Diekman 13:27, Connor Sitzberger 14:18,

Kyle Sanders 16:00, Abraham Poquette, 16:53, Sam Ellenbecker 17:20, and Mason Noren had 18:28, to close out scoring and timing for the champion Cougar team. Ollie Wettstein, Caleb Siebauer, and Aaron Engle did not run.

The girls finished seventh of 11 schools, and were hampered because one of their top three runners, Isabella Pickering, did not run, preventing a third or fourth place team finish.

Sienna Hewitt led the team, as she has all year, with an excellent time of 12:56 for the 3000 meters. Emma Muraski had

an exceptional race, right behind Hewitt in 12:59.

Megan Dickman ran 14:17, Emily Ohme 15:14, Rose Schommer 15:53, Alexandria Wolfgram 16:13, Madelyn Kreis 16:16, Emma Bat-

zler 16:47, Olyvia Haynes 18:49, and Lillee Thorn 21:15.

Isabelle Sperflage, Addison Stoffel, Lorelei Walker, and Hannah Stommel did not run.

All in all, it was a very

successful season for middle school cross country, in a difficult year because of Covid 19 restrictions.

The Cougars were coached by Michael Meilahn.

Logan and Brody Nolan run the cross country course at Campbellsport Elementary School. The Nolan twins led the CMS boys cross country team this year.

Coach P's Corner

It's In The Hole

This week the Master's golf tournament will take place at Augusta National Golf Club. The first major of the year is normally held in April but the coronavirus pandemic has pushed it back to the fall this year.

This is one of my favorite sporting events each year. I love the beauty of the course and all of the challenging holes. This tournament is filled with a rich tradition of great memories from some of golf's greatest players of all-time.

To honor this great sporting event, I compiled my top 10 favorite Master's shots of all-time:

#10 — In 1935, Gene Sarazen sank a 235-yard shot for an albatross (a two on a par five) to win the Masters. It's known as "The shot heard around the world."

#9 — Louie Oosthuizen used his Ping four-iron to sink an albatross on the second hole of the 2012 Master's. The fairway shot took 22 seconds total before it finally rolled into the cup.

#8 — The 2012 Master's had another great shot and it was by Bubba Watson. Bubba hit a miraculous wedge shot through a small opening of trees onto the green to beat

Louie Oosthuizen in a sudden-death playoff.

#7 — Tied going into the 18th hole, Sandy Lyle hit a remarkable shot out of a fairway bunker and landed it within eight feet of the cup and calmly drained the winning putt.

#6 — Arnold Palmer had one of the greatest comebacks in Master's history at the 1960 tournament. Arnie drained a long birdie putt at the 17th hole to tie Ken Venturi going into the final hole. At the 18th hole, "The King" slapped a six-iron from the fairway to within five feet of the pin, he would drain the clutch putt to win his second straight green jacket.

#5 — Phil Mickelson won the 2010 Master's thanks to perhaps the greatest shot of his life. Phil had hit a tee shot into the pine needles at the 13th hole. "Lefty" smashed a six-iron 200 yards through a couple big trees and over the creek and landed it five feet from the cup where he would make a birdie.

#4 — Jack Nicklaus sank a 40-foot putt uphill on the 16th green to break a tie with Tom Weiskopf and win his fifth Master's championship.

#3 — Larry Mize made one of the most impossible shots I

have ever witnessed at the 1987 Master's. In a sudden-death playoff hole, Mize chipped his shot in from 110 yards out and beat Greg Norman by one stroke.

#2 — Jack Nicklaus on the back nine at the 1986 Master's was simply magical, considering he was 46 years old. Jack hit a five-iron on 15 to set up an eagle putt-which he nailed. Then at 16 he almost rolled in a hole-in-one but settled for birdie. He followed that up with another birdie at 17 as he walked the ball into the hole with his putter held high. At 18 he got down in two for a par and his sixth green jacket.

#1 — Not only is this my favorite Master's shot but one of my favorite sports moments ever. Tiger Woods, on the 16th hole of the 2005 Master's, chipped in a shot that had me and two of my buddies falling off the couch going crazy! The chip looked like some type of trick shot as he rolled it up the hill and let it feed down towards the cup. The ball sat on the edge of the cup for at least three seconds before it dropped in, the celebration by Woods and his caddy was priceless.

The Piitt Stop

By Jason Piittman, KHS Athletic Director

We ARE Family!

One of my favorite "duties" as athletic/activities director at Kewaskum High School is when we have individuals or students qualify for State in their particular event(s). This afternoon (October 29), we recognized our girls cross country team and a boys cross country runner for qualifying for the State Meet Saturday, Oct. 31, in Colby.

We do what we call a "Walk of Fame" for our students and their coaches or advisors. We have students and staff line four hallways that create a square in our building. I introduce the kids and then play music as they walk through the halls and receive applause, congratulations, and

well wishes from their friends and classmates. It is a time when you see students come together to support each other. It is a remarkable sight and one that gives me goosebumps. Every Single Time.

This year I played the song, "We are Family" by Sister Sledge. Sports nuts, like me, will remember that was the theme song of the 1979 Pittsburgh Pirates when they won the World Series. Coach Peterson and the cross country teams have used the concept of family as a part of their program, and it shows that in the camaraderie and success they have had.

As a coach, I have

always tried to stress that importance of "family" when I have had teams. Honestly, many of the teams really latched on to that family concept and developed that camaraderie, and it showed in how they performed on the field.

Right now, I think the concept of family is more important than ever. In 2020, we have had many challenges and we have all endured a long election season. It is my hope, that as 2020 winds down, that we all come together as one family — in villages, towns, and cities; across the nation, and even around the world — so we can re-develop the camaraderie and the success that follows it.

Bowling Scores

Saturday Juniors Games Bowled Oct. 31
 Team 2 23-19, Team 1 14-28, Team 3 0-42, Team 4 0-42, Team 5 0-42, Team 6 0-42.

PUBLIC NOTICES

CAMPBELLSPORT REGULAR VILLAGE BOARD MEETING

September 14, 2020

1) The meeting was called to order at 6:01 pm by PR Krebs

2) Notice was posted at the Campbellsport News, Library, Municipal Center, and on the Village website.

3) Pledge of Allegiance

4) All Board members were present, Brandon Serwe attended via phone conference call

5) Motion by Zielieke, seconded by Wenzlaff to

approve the consent agenda Motion carried, 7-0.

6) No items removed from consent agenda

7) Motion by Hafemann, seconded by Jarmuz to accept 3 new operator licenses for 2020-2021 as presented. Motion carried, 7-0.

8) Motion by Zielieke, seconded by Reseburg to approve invoices for payment in the amount of \$164,276.20 Motion carried, 7-0.

9) Chief Dornbrook reported that the PD has taken possession of the new squad – it is being

detailed at KB Lettering. The new equipment is on order and it should be in service in early Oct. Officer Seely accepted the role as sergeant and will be given a 1.00 per hour raise. The crosswalks at St. Matthew School are in and being used – the school staff is pleased with how it is helping. Ken Schwartz expressed concerns that there is still a safety concern and wanted stop signs installed. The board felt that we should follow the recommendations of Chief Dornbrook, and that further action will be taken if

the safety plan is not followed.

10) Motion by Zielieke, seconded by Hafemann to allow Trick or Treating in the Village on October 31st from 2-4pm allowing residents and families the choice to participate or not. Motion carried 7-0

11) Motion by Reseburg, seconded by Jarmuz to approve line format publication of the Village agendas in the Campbellsport News which is the lower cost option. Motion carried 7-0

12) Public Works recommendations

A. All in favor of moving the 4" water lateral for the Volz Concrete building addition project

B. All in favor of allowing Gruber to get quotes from H. I. S. for the snow guards on the roof at Village Hall and the Library to protect the doorways and A/C units and Generator.

C. All in favor of allowing Stephanie Wagner to get quotes to repair/replace the gutters above doorways at the library. Cost would be included in the 2021 budget.

D. All in favor of allowing Gruber to have concrete poured in the 2 islands at the entry to Village Hall

E. All in favor of allowing Gruber to run an ad for 2 weeks in search of two public works employees. We will also advertise on the Village Website and Facebook page.

F. All in favor of allowing Gruber to repair the cluster box at 142 E Main and have it replaced during the Hwy. 67 re-construction project.

G. All in favor of applying for a simplified rate case increase in the water usage and base rate effective 1/1/2021 (The PSC declined our application at this time)

H. All in favor of a 3% increase in the sewer usage and base rate effective 1/1/2021.

I. All in favor of allowing Gruber to hire Lakeview Electric to install VFD for the Pond Blower at the WWTF.

J. All in favor of allowing Strand Engineering to put together a bid package with design options to upgrade the Barton Rd. Lift Station.

K. All in favor of allowing Gruber to create a specification list for quotes for a Snowplow Truck – with the plan to recommend purchase at the October meeting.

13) Motion by Zielieke, seconded by Hafemann to approve Resolution 20-18 Authorizing MSA as Representative to File Application for Financial Assistance from the State of WI Environmental Impr. Fund for the Hwy. 67 project. Motion carried 7-0

14) Motion by Hafemann, seconded by Reseburg to approve Resolution 20-19 Declaring Official Intent to Reim-

burse Expenditures for the Hwy. 67 project. Motion carried 7-0

15) Motion by Hafemann, seconded by Jarmuz to approve snowmobile routes presented allowing riders to reach the gas station and food and drink establishments in the village. Motion carried 7-0

16) President Krebs announced that Mr. Reser is planning to move the storage container on 9/16 from the location along the Post Office parking lot to behind his house.

17) Motion by Zielieke, seconded by Jarmuz to accept the resignation of Ryan Koll. Motion carried 7-0

18) Update on Feuerhammer easement – the attorneys are speaking hoping to come to an agreement on recommended changes to the wording of the easement. Gruber told the family that work would not be done until the easement is in place.

19) Announcements: The Personnel Committee is meeting on Thursday 9/17/2020 with the Library Board to resolve a number of issues.

There will be a Special Village Board meeting on 9/22/2020 for the full board to interview the candidate selected by the Personnel Committee for the Admin/Treasurer/Deputy Clerk position.

Brandon Serwe presented his resignation from the Board letter as he is moving outside of the Village on Oct. 9, 2020

Gruber announced that within the next 2 weeks the water tower would be taken out of service temporarily for a dry inspection. There may be a drop in water pressure.

20) Motion by Hafemann, seconded by Jarmuz to adjourn at 8:05 pm carried by voice vote.

Respectfully submitted,

Shelby Sarauer

Winter Awareness Week In Fond du Lac County

Don't let the warm temperatures we have been experiencing fool you. Winter is just around the corner. November 9-13 has been identified as Winter Awareness Week and is a great time to ensure you are prepared for the sometimes unpredictable and oftentimes severe conditions associated with winter weather in Wisconsin.

This week is a great time to check your emergency kits at home and in your vehicle and replace expired or used items. In winter, your ve-

hicle kit should also include a snow shovel, extra gloves and hats, face masks and kitty litter or sand for traction on ice roads in the event you get stuck.

According to the Wisconsin Department of Transportation, an average of 43 people were killed and 4,138 injured each year between 2015-2019 in crashes on ice or snow-covered roads in Wisconsin. Before traveling in winter, it is important to check travel conditions and be prepared for changing conditions.

511 Wisconsin is a great way to check the major roadways throughout the state and can be accessed through a 511 Wisconsin mobile app, @511WI on Twitter or www.511wi.gov. Be prepared for longer travel times and when needed, to change or modify travel plans based on the weather and road conditions.

For more tips on getting ready for winter, go to http://www.readywisconsin.wi.gov.
