## Eden Firemen's Picnic And Parade July 30-31, August 1

**BY ANDREA HANSEN ABLER**  
EDITOR

The 67th annual Eden Firemen's Picnic and Parade is taking place July 30-31 and August 1. Make sure you take the time to stop at Firemen's Park to join in the festivities.

Everything begins on Friday night with a fish fry. Members of the Eden Fire Department will be cooking and serving a traditional Wisconsin Fish Fry starting at 4:30 p.m. It is sure to be a real treat, but make sure you get there before it is all gone.

Inflatable climbs and slides by Fun Pros will be open all weekend for the young and the young-at-heart. You can also try your hand at one of the games to see if you can win a prize.

A Kids Bean Bag Toss tournament will take place on Friday night. Sign-up will be at 5:30 p.m. and the tournament will start at 6:15 p.m. Come out and cheer on those youngsters in this event.

The Campbellsport High School dance team will perform a routine and have a kiddie clinic

## American Legion Hall To Get New Roof

**BY ANNE TRAUTNER**  
JOURNALIST

American Legion Robert G. Romaine Post 384 is getting a new roof on the post's building located on Fond du Lac Avenue in Kewaskum.

Work is slated to begin this week on the project. The new flat roof will replace the roof that was installed in 1958. It will take about one week to complete the work, according to Frank Lopez of JF Lopez Roofing.

The old roof was made up of roll tarpaper that was covered with hot tar mix and not much insu-

lation. The roof has been patched several times and was cracking, sagging, ponding with water (adding extra weight) and leaking.

The Legion's original plan was to replace the old roof with a gabled roof. However, construction costs have gone up dramatically over the past year, so members decided that it was not affordable.

"What they thought was going to be a \$50,000 project turned out to be \$120,000. So, the post members made a motion and passed it to rethink

## On the Nature of Plants and People

Dear Reader,

We live in a fragile and complicated ecosystem governed by fallible men and women. When they vote and take action on issues and events in this country, politicians should have our collective best interests in mind. Sometimes they don't.

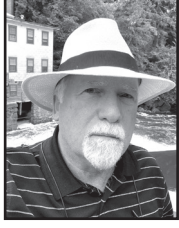

You can learn a lot about how things work – or could work – from nature. The natural world is full of communities working together within and even across species to meet their common needs. Let's take a look.

The foundation of life begins with plants. Chloroplasts in leaves take in sunlight and through photosynthesis generate oxygen and sugar, giving animals life-giving breath and nourishing meals. Trees and other plants form a cooperative of roots that generates twice the phosphorus and nitrogen that a single plant on its own can create. Larger trees support smaller ones; dying trees pass on their carbon to trees and other plants that are still growing; healthy trees attacked by animals or insects produce chemical defenses and signal other trees in the area to do the same.

In all of this majesty, we see harmony and balance, seemingly without conscious intention; yet somehow all provide for the needs of all in a beautiful dance. Which leads one back to the question of how well our politicians are doing on our behalf these days. Do they have the vision needed to nurture our ecosystem or to diminish it? Do they represent the needs of many or the desires of a few? Are they supportive additions to representation or bellicose partisans in the mostly self-inflicted chaos of politics? Our destiny is in our own hands if we choose to engage. While seemingly a spec in the overall design of this wondrous planet, we are still a part of the ecosystem; and our voices, should we exercise them, can still be heard.

## Rural Writes

BY G.A. SCHEINOHA  
CONTRIBUTOR

My father never hit the golf links. Not that he had time, working at Stella Cheese and then coming home to plant, till and reap a harvest of potatoes and other vegetables to feed his eight offspring. But even if he had idle hours, he probably wouldn't step onto the fairways, considering the game too upper class.

Growing up in the country, a person quickly got a sense of their place. You might get ahead... or not. The differences between us and them began with simple things.

We ate breakfast, dinner and supper. If you made it to the kitchen table late, you got what was left. Others eat breakfast, lunch and dinner. Though this may have less to do with income level than a variation between rural and town folks. My sisters, all who live in communities use the latter terms.

Then there's brunch. Must be for those to didn't eat a filling enough breakfast. In our house you waited

till the next meal. Perhaps the biggest disparity was we didn't have a dining room, a place set aside only for that.

Another telling detail was classmates who mentioned cable. We had a 12-inch black and white television with rabbit ears. If those broke, a coat hanger with tin foil proved an adequate substitute. Living in a farmhouse with a walk-in attic, later we had a full size roof antenna inside and it took a small team spread between the parlor and the stairs to holler out when the aerial was adjusted just right. Pulling in either Milwaukee or Green Bay stations, a grand total of six.

When my mother started doing cleaning jobs; for the First State Bank in Campbellsport and our church, Immanuel Lutheran, my parents bought our first color TV. I figured we must have made it; moved up from poverty to the middle class. Not rich, just better off.

**WASHINGTON COUNTY SHERIFF'S OFFICE REPORTS**

**Fatal Motorcycle Crash**

On Sunday, July 18, at 6:27 p.m. the Washington County Dispatch Center received a 911 call reporting a motorcycle versus tree crash in the 4900 block of Hubertus Road in the Village of Richfield. Witnesses reported the motorcycle operator was wearing a helmet but severely injured and began CPR shortly after locating the unconscious driver.

Deputies from the Washington County Sheriff's Office, along with members of the Richfield Fire Department, responded to the scene. The operator, a 23-year-old Washington County male resident, was transported to Community Memorial Hospital in Menomonee Falls and later flown to Froedtert Medical Center in Wauwatosa. The Sheriff's Office was later notified the operator of the motorcycle died due to the injuries sustained in the crash.

An initial investigation showed that the motorcycle was traveling eastbound on Hubertus Road at a high rate of speed when it failed to negotiate a sharp curve in the roadway. The motorcycle operator's name was not released at press time.

The crash remains under investigation by the Washington County Sheriff's Office and no further information will be released.

This is the fourth fatal motor vehicle crash for Washington County in 2021.

**Free Wellness Activities In Port Washington And West Bend Parks**

Free fitness and wellness classes for the whole family will take place in West Bend and Port Washington Parks throughout July and August in partnership with Froedtert & the Medical College of Wisconsin, Advocate Aurora Health Care, Port Washington Parks & Recreation, and West Bend Parks, Recreation, & Forestry.

The six-week summer series kicked off on July 14th. All ages and skill levels are welcome to come practice mental and physical wellness while enjoying the beauty that Port Washington and West Bend parks have to offer.

All events will take place from 6:30 p.m.-7:30 p.m. and residents should refer to the Port Washington Recreation Facebook page and the West Bend Parks, Recreation & Forestry Facebook page for updates in case of inclement weather. Attendance at each event will earn participants an entry in the August 18th drawing, where they will have the opportunity to win wellness-related gear and summer fun passes.

The schedule for the remainder of the summer is as follows:

**Port Washington**

**Church Like You've Never Experienced Before!**

**BY DARLENE STERN**

On Sunday, July 25, nine churches in Washington County will close their doors in favor of a demonstration of unity as they conduct a joint worship service at the Washington County Fair under the theme "The Supremacy of God." This is the first time more than one church will be conducting the Sunday morning service at the annual fair.

Leaders from these nine churches (Community Church, Kettlebrook Church, Bend City Church, New Life Church, Freedom Fellowship, Mosaic Church, Tree of Life Church, The River Church and Mission Christiana La Palabra En Accion) have been meeting on a monthly basis to pray for Washington County. Their heart is to work together to glorify God in this community and this church service at the fair is one model of how to

glorify God in unity.

The churches will begin the day at 8 a.m. by serving with cleanup of the main stage area from the night before. Worship commences at 9 a.m., led by a team composed of many of the nine churches teaming up for the service. From 9:30 a.m.-11a.m. leaders from each of the nine churches will deliver either a short message or prayer. Following the service, there will be individual prayer and ministry available for those who desire it.

This is a great opportunity for those who aren't part of a church to experience God in an outdoor venue with a diversity of local faith congregations. Nowhere else can you find what is being offered Sunday morning, July 25, at 9 a.m. at the Washington County Fair. Don't miss out!

**Music In The Park To Be Held Tuesday, July 27**

The "Music In The Park" free music series continues, with an Open Mic Night being held at River Hill Park in Kewaskum this Tuesday, July 27, 6:30 to 8:30 p.m.

Entertainers are encouraged to perform musical acts (one, two or three songs), poetry/prose readings, very short skits, magic acts, etc. The Kewaskum Area Arts Council will provide a sound system, electric piano and a lively emcee.

Anyone interested in performing may sign up at the park between 6 and 6:30 p.m. the night of the event. For more information about the event, contact Terry Christie at christieeric35@gmail.com.

In addition, Community Rivers Program from River Edge Nature Center is planning to set up an interactive/educational booth that evening at the park.

The Kewaskum Fire Fighter's Association starts selling concessions at 5:30 p.m. This week, the Kewaskum Women's Club also will be selling bars and cookies at the event.

The Kewaskum Area Arts Council is dedicated to providing a safe and entertaining night out for all who attend and encourages everyone to follow the current CDC guidelines. Some picnic tables are available for seating, but the Arts Council recommends that audience members bring their own chairs.

The Kewaskum Area Arts Council organizes the Music In The Park series every year. This year's sponsors for Music In The Park are: Geidel's Piggly Wiggly, Kewaskum Kiwanis Club, Kewaskum Firefighters Association, Kewaskum Area Chamber of Commerce, Drexel Building Supply and Gerhartz Studio.

All private or business donations of any amount, either specifically for Music In The Park or the Kewaskum Area Arts Council, are greatly appreciated. Donations can be placed in the donation bucket the night of the event or sent to the Kewaskum Area Arts Council, P.O. Box 605, Kewaskum, WI 53040.

**OBITUARIES**

**Jeanne Ann Staehler**

Jeanne Ann (Gill) Staehler, age 88 of Kewaskum entered eternal life on February 15, 2021 at Kettle Gardens Memory Unit where she had been a resident for nearly nine years.

Jeanne Ann Gill was born March 24, 1932 in Plymouth. She was the daughter of the late Leo B. and Agnes (McMullen) Gill.

Jeanne was a graduate of Plymouth High School, with the class of 1950. She married Robert "Bob" Staehler on May 9, 1953 at St. Michaels Catholic Church in Parnell.

She is survived by her husband Bob of 68 years; four children, Patrick (Deb) Staehler of Richfield, Kerry (Barb) Staehler of Wittenberg, Christine Staehler of Granger, IN, and Jack Staehler of La Grange Park, IL; nine grandchildren, Ryan (Pamela) Staehler, Adam (Jessy) Staehler, Scott (Tuesday) Staehler, Sarah (Jason) Fox, Brandon Koth, Joey Staehler, Samantha Staehler, Melisa (Matt) Britten, Matt (Kelly) Gray; and seven great-grandchildren.

Jeanne was employed in manufacturing at Regal Ware in Kewaskum for over 30 years and later was an associate at Kohl's Department Store in West Bend. She served her community in many ways over the years including delivering communion to

those unable to attend mass at Holy Trinity Catholic Church. She took great pride in her Irish heritage and was the granddaughter of Alexander McMullen, an immigrant who served in the American Civil War 27th Wisconsin Infantry from 1862 to 1865. She pursued a life-long dream traveling to Ireland to see the home of her ancestors and took the opportunity to go back to Europe for her eldest grandson's wedding in Valencia, Spain in 2005.

Like her husband, Jeanne was an avid snowmobiler and, along with Bob, carried the Torch for the Badger State Winter Games event in 1989. Together, they advocated for the advancement of the sport and traveled thousands of miles on trails across the state. She was an amazing mother, had a deep bond with her three sisters and many cousins, and enjoyed collecting vintage items and had a lifelong affinity for dogs. Jeanne greeted everyone with her warm and welcoming personality and was especially happy when surrounded by her family. She will be remembered as a strong woman with a soft touch whose beautiful smile and infectious laugh lit up the room.

A Memorial Mass will be held on Saturday, July 31, 2021 at 11 a.m. at Holy Trinity Catholic Church (331 Main St. - Kewaskum, WI 53040).

The family will greet relatives and friends on Saturday at Church from 9 a.m. until the time of Mass. Inurnment will be at Holy Trinity Cemetery following Mass.

The family would like to thank the staff at Kettle Gardens Memory Unit and Preceptor Hospice Care whose professionalism and compassion ensured Jeanne's days were filled with warmth and

caring. In lieu of flowers, the family asks donations be made to the Holy Trinity Catholic School in Kewaskum or the charity of your choice.

Please consider signing our online guest book ([www.myrhum-patten.com](http://www.myrhum-patten.com)) to share your condolences with the family. Cards addressed to the family may be sent in care of: Myrhum - Patten Funeral and Cremation Service, 1315 W. Washington Street, West Bend, WI 53095.

Myrhum-Patten Funeral & Cremation Service of Kewaskum has been entrusted with Jeanne's arrangements.

**Joan M. Petersen**

Joan M. Petersen (nee Ketter), 87, of Campbellsport, passed away peacefully at home on Friday, July 16, 2021.

She was born on May 4, 1934, the only daughter of Henry and Elsie Ketter (nee Bartelt) and was raised with seven brothers.

Joan worked as a homemaker for many years until her children grew up and then worked at the convent in Campbellsport for 34 years. She was a member of Immanuel Lutheran Church, where she was involved in the Dorcas Society and also attended bible study. Joan enjoyed bird watching, gardening, baking, and spending time with family, grandchildren and great-grandchildren.

Those left behind to cherish her memory include her children, Barb (Rick) Heisler, Jim (Lois) Petersen, Joe (Linda) Petersen, Bev (Randy) Kreif, all of Campbellsport, and Bonnie (Russ) Niemuth of Kewaskum; grandchildren, Hollie (special friend, John), Josh (Heather), Nate (Sarah), Jamie (special friend Brent), Mandy (Ben), Monica (Eric), Ashley (Fiancé Jeremy), Erin (Mike), Adam (Lind-

sey), Kevin (special friend, Katie), Matt (Steph), Andy (Kate), Kelli (Damien), Katie (Jeremy), and Emmy (special friend, Nic); 26 great grandchildren; brother, Duane (Peggy) Ketter of Mayville; and sisters-in-law, Rose Ketter, Alice Ketter, and Georgia Petersen. She is further survived by nieces, nephews, faithful friends, and caring neighbors.

In addition to her parents, she was preceded in death by one great-granddaughter, Maddison; brothers, Erwin, Elwyn (Cecelia), Elton, Wally, Loren, and Henry Jr., and brother-in-law, Duane Petersen.

Memorial service was held on Wednesday, July 21, 2021, at 5 p.m. at Immanuel Lutheran Church, 350 S Helena St Campbellsport, WI. 53010. Rev. Paul Cerny officiated and burial immediately followed at Union Cemetery in Campbellsport.

Visitation was held on Wednesday from 2 p.m. until the time of the memorial service.

In lieu of flowers, memorials are appreciated to Immanuel Lutheran Church.

Joan's family would like to thank the Campbellsport Rescue Squad, nurses at St. Agnes Hospital, Hospice Hope, and Rev. Cerny for their care and compassion.

Twohig Funeral Home is serving the family with online guestbook and condolences at [www.twohigfunerals.com](http://www.twohigfunerals.com).

**Jonathan R. Blatz**

Jonathan R. Blatz, 33, of Eden, passed away peacefully surrounded by his family at St. Agnes Hospital on Saturday, July 17, 2021.

He was born on April 14, 1988, the son of Donald and Carolyn Blatz (nee Krug). Jon worked at Brooke Industries and participated in many Arc activities. He enjoyed playing crazy 8's, word searches, telling jokes, and his infamous handshake.

Those left behind to cherish his memory include his parents, Donald and Carolyn Blatz; siblings, Holly (Trevor) Snyder and Jake Blatz (significant other, Kelsi Roschen); and nephew and niece, Lincoln and Allison. He is further survived by 22 aunts and uncles, many

cousins, and friends. He was preceded in death by his grandparents, Jerry and Bernadette Blatz and Carlton and Isabelle Krug; and uncles, Gerald "Skook" Blatz, Randal Krug, and Gary Smith.

Funeral service was held on Wednesday, July 21, 2021, at 1 p.m. at St. Paul's Lutheran Church, 2090 WI-23, Mt Calvary, WI 53057. Rev. Mark Barenz officiated and burial followed at Forest Cemetery.

Visitation was at the church from 10 a.m. until the time of the funeral.

In lieu of flowers, memorials are appreciated to St. Paul's Lutheran Church or the Arc of Fond du Lac.

Jon's family would like to thank the staff of St. Agnes Hospital and Agnesian Hospice for their care and compassion.

Twohig Funeral Home is serving the family with online guestbook and condolences at [www.twohigfunerals.com](http://www.twohigfunerals.com).

**Robert H. Grohall**

Robert H. "Bob" Grohall, age 86 years, of Campbellsport passed away looking at the lake he loved on Sunday, July 18, 2021, at his home with his family at his side.

Bob was born on October 22, 1934, the son of Bernard and Loretta (Liebl) Grohall. He was united in marriage to Judyth "Judy" Gruett on December 11, 1954 at Mount Carmel Catholic Church in West Allis.

Bob worked for Kearny & Trecker Co. in Milwaukee first as a machinist and later as a computer programmer before retiring. He served in the U.S. Army during the Korean War. Bob enjoyed swimming, fishing, campfires, dancing, boating and waterskiing with his homemade turnabout skis. Most of all, Bob loved the time spent with family especially his grandchildren.

Those Bob leaves behind to cherish his memory include his three children, Bonnie (Allen) Mielke, Robert "Mike" (Stacey) Grohall, and Roy (fiancée, Brenda Lee) Grohall; eight grandchildren, Andrew Mielke, Matthew Mielke, Chad (Brandy) Grohall, Sean Grohall, Lucas Grohall, Devin Grohall, Kelly (Jeremy) Hall, and Michelle (Devin) Denton; and six

great-grandchildren, Ian Evans, Carly Grohall, Lincoln Grohall, Maddox Hall, Khloe Denton, and Daxton Denton.

He is further survived by sister Gloria McCarty; brother Bernard Grohall; as well as nieces, nephews, other relatives and friends.

In addition to his parents, Bob was preceded in death by his wife, Judy, on November 9, 2020; daughter-in-law, Ruth Ann Grohall; in-laws, Leroy and Lillie Gruett (Hartel); two sisters, Bernice (Peter) Sparacino and Nancy Grohall; and brother-in-law, Jack McCarty.

Funeral Service for Bob will be held at 6 p.m. on Saturday, July 24, 2021, at Twohig Funeral Home (109 W Main St. - Campbellsport, WI 53010).

Bob's family will greet relatives and friends at the funeral home on Saturday from 4 p.m. until the time of service.

Bob's family extends their heartfelt appreciation to Mike and Stacey, Roy and Brenda Lee, as well as the staff at Agnesian Hospice for the loving care they provided.

Please consider signing our online guest book ([www.twohigfunerals.com](http://www.twohigfunerals.com)) to share your condolences with the family. Cards addressed to the family may be sent in care of: Twohig Funeral Home P.O. Box 710. - Campbellsport, WI 53010.

# Multistate Outbreak of Salmonella Typhimurium Includes Wisconsin

The Wisconsin Department of Health Services (DHS), Wisconsin Department of Agriculture, Trade, and Consumer Protection, the Centers for Disease Control and Prevention (CDC), the U.S. Food & Drug Administration (FDA), and local health departments are involved in an ongoing investigation of an outbreak of Salmonella Typhimurium.

Current public health data indicates that pre-packaged salad greens produced by BrightFarms, Inc. of Rochelle, IL, are the source of a Salmonella Typhimurium outbreak in Wisconsin and Illinois. Nine people are infected with one hospitalization (four in Wisconsin, five in Illinois). Illnesses started between June 10 to June 15, 2021.

“At this time, DHS urges consumers not to purchase, eat, or serve BrightFarms branded pre-packaged salad greens,” says DHS communicable diseases supervisor Ryan Wozniak. “Consumers and food service establishments who have BrightFarms salad greens with any ‘best-by’ date should not eat, serve or sell any of the recalled products.”

DHS also advises consumers to check their refrigerators for any leftover product and throw it away. Produce drawers and refrigerator surfaces should be cleaned thoroughly after throwing out the product. These packaged salad greens are sold in disposable plastic containers at various grocery stores, and are labeled with the phrase “fresh from Rochelle, IL.” BrightFarms salads from the IL farm are distributed to at least these four states: Illinois, Indiana, Iowa, and Wisconsin.

BrightFarms products associated

with a voluntary recall are currently:

- 50/50 Spring & Spinach
- Butter Crisp™
- Harvest Crunch®
- Lakeside Crunch
- Mighty Romaine™
- Nutrigreens™
- Spring Crunch
- Spring Mix
- Sunny Crunch®

Additional products may be added to the recall list of the FDA website as this investigations continue. CDC and DHS will provide updates.

Salmonellosis is caused by Salmonella bacteria that are spread by eating or drinking contaminated food or water, or by direct or indirect contact with fecal matter from infected people or animals. Symptoms of salmonellosis include diarrhea, abdominal pains, fever, and vomiting can start six hours after eating a contaminated product and last for several days. Bloodstream infections can occur, but are rare, and can be quite serious in young children and older adults. Most people recover from salmonellosis on their own, but some may require extra fluids to prevent dehydration.

If you have consumed any of the BrightFarms brand pre-packaged salad greens and are experiencing symptoms of salmonellosis, contact your health care provider. Consumers experiencing symptoms should also contact their local health department.

Specific advice for consumers, restaurants, and retailers can be found on the CDC outbreak website or the DHS Outbreaks and Investigations webpage.

# St. Lucas Lutheran To Host National Night Out

A National Night Out Block Party for the whole community will be hosted on Tuesday, Aug. 3, from 6:30 to 8:30 p.m., at St. Lucas Lutheran Church and School, 1410 Parkview Drive in Kewaskum.

Parkview Drive will be closed for displays, games and activities. Parking will be available in the St. Lucas Lutheran Church parking lot. Attendees may enter through the alley between Parkview Drive and Bilgo Lane. Bring a lawn chair and stay a while.

Food and refreshments will be available. Free entertainment for children will include a bounce house and various games.

The West Bend Community Band will perform at 7 p.m. on the lawn to the north of the school

building. In case of rain, the event will be held in the St. Lucas Lutheran School Gymnasium.

On National Night Out, neighborhoods nationwide are invited to join in and “give crime a going-away

party.” Over 38 million neighbors across 16,000 communities from all 50 states, U.S. territories and military bases worldwide are expected to celebrate this year’s National Night Out.

National Night Out is an annual community-building campaign that promotes strong police-community partnerships and neighborhood camaraderie to make neighborhoods safer, more caring places to live and work.

“This is a night for our nation to stand together and promote awareness, safety and neighborhood unity. National Night Out showcases the vital importance of police-community partnerships and citizen involvement. When law enforcement and the community work closely together, some amazing things can happen,” National Project Coordinator Matt Peskin said.

# Campbellsport United Methodist Welcomes New Pastor

Campbellsport United Methodist Church, 203 N. Fond du Lac Ave., is pleased to announce that Pastor Steve DeLano has been appointed to serve the church.

Pastor DeLano had already been serving Mayville UMC for over a year. As a life-long Methodist, he is humbled yet excited to serve God and the Campbellsport congregation.

Steve comes to Campbellsport UMC on August 1st as part of a two-point appointment as a Licensed Local Pastor. He began serving Mayville UMC on July 1, 2020, in his first appointment. This is his second career as he worked for 35 years in information technology at various

Pastor Steve DeLano

companies.

Steve has been married for 37 years to his wife Kris, married in 1984. Kris is the vice president of human resources at a company in Sheboygan. She plays the cello and enjoys participating in Bible study.

Steve and Kris have two children who both have careers in min-

istry. Lauren is an UMC Elder in Vilonia, AR, and Matt is a Discipleship Minister at the Church of Christ in Round Rock, TX. Matt and daughter-in-law Amber gave them their first grandchild (Avery Lynn) in March of 2020.

Steve and Kris grew up in Kansas, and have also lived in Texas and Arkansas. They have resided in Plymouth since relocating to Wisconsin in June of 2015.

Pastor Steve will officiate his first service in Campbellsport on Sunday, Aug. 1, at 9 a.m. Communion will be served and all are welcome! A coffee hour will be served before and after the service for all to enjoy.

our plan. They had been planning for years to put a gabled roof on this, to make it more aesthetically pleasing. But the prior goal was to preserve the building by securing the roof," Post Commander John Koerble said.

Before going forward with the new plan, Koerble sent letters to the major donors to get their blessing on the project.

"I got calls from half of them saying thank you," Koerble said.

Had the Legion members decided to build a gabled roof, they would have gone over \$60,000 into debt, according to Koerble. However, nobody wanted to go into debt.

"It was basically putting a toupee on the building, and not doing anything that you couldn't do for under \$40,000. Our mission is not to go into debt to put a toupee on this

place," Koerble said. "This way we will leave our seed money where it is and let it to continue to generate interest."

The Legion received a quote to replace the roof for under \$40,000 to replace the old roof and reflash the sides. When completed, the roof will be raised about 10 inches, according to Koerble.

"It was a hard decision, but we are not here to impress you with our building, we are here to impress you with our services to veterans," Koerble said.

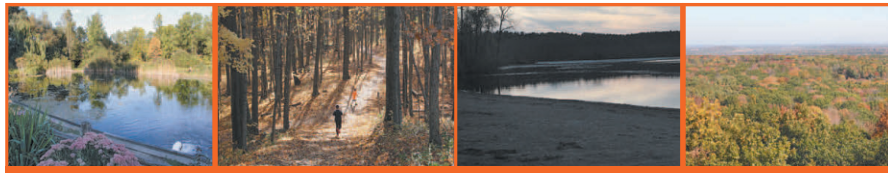

The post will use remaining funds to improve the facilities.

"The outside deck needs work, so we are going to fix that. And we are going to go through the inside with the eye of the bride's mother," Koerble said. "It is a rental hall, and we have weddings and things in there."

Campbellsport High School held its 2016 graduation ceremony on May 29. Jennifer Zimdahl earned the distinguished honor of Valedictorian and Samantha Jandre earned Salutatorian standing.

Two sixth grade girls from Campbellsport collected more than \$200 for the Puppyland Humane Society in West Bend. Macy Pawlowski and Hala King were inspired by a goal writing assignment in their study skills class at Campbellsport Middle School. The girls raised money by going door-to-door and setting out a collection can at church. They were pleased that so many people were willing to donate.

When you think of farming in the Kettle Moraine, you picture cattle wandering through pastures and rolling fields of corn and hay. South of St. Killian is another type of agriculture. Glenn and Sue Garbisch have begun growing and harvesting garlic on their 20-acre farm.

The Department of Public Instruction distributed \$7.5 million in aid to districts with above-average student transportation costs last month through the High Cost Transportation Aid program. The Campbellsport School District is receiving \$39,842.99 through this program.

A press release announced that Mike Wolfe and Frank Fritz from American Pickers will be returning to Wisconsin to film episodes throughout the region in August. The documentary series is looking for leads where the crew can explore hidden treasurers of private collections.

Klotz's Piggly Wiggly in Campbellsport received its first shipment of Jolly Good soda July 15. The soda is produced by Krier Foods Inc. of Random Lake, which announced earlier this month that the soda would soon be available through Piggly Wiggly Midwest stores after only being available in the Random Lake area.

Fire destroyed a home on Spring Drive near Campbellsport on July 20. No one was injured in the fire, but several pets were lost. Lightning is the suspected cause of the fire.

Wisconsin Power and Light Company announced that it has purchased development rights to the Cedar Ridge Wind Farm project. The proposed 80- to 100-megawatt wind farm is located in the Townships of Eden and Empire. It will consist of approximately 40 wind turbines across 12.2 square miles of land, which will generate enough electricity to power as many as 20,500 homes.

Steven Oumette was sworn in during the July 18 Eden Village Board meeting as the newest trustee. He is taking the spot left open by the resignation of Peter Capozzo, who moved out of the village.

The Campbellsport Community Theatre's production of Oklahoma! will be performed August 10-13.

Campbellsport School District residents had the opportunity to approve the 2006-07 tax levy. The few people (five area residents) who attended the meeting approved a \$6,166,670 tax levy. The esti-

The search for park land for the Village and Town of Eden continued to generate controversy when the Joint Village and Town Parks Committee met at the Eden Community Center on July 10. The Bengel property was explained as a good fit for what a park site normally would require, and would rank very high for grant funding. Residents attended who oppose this purchase. Possible park sites that are available in addition to the Bengel property include St. Mary's Church with seven to 10 acres, J.P. Grahl Farms with three acres, and Henry Pieper Land on Hwy. V with 47 acres. Joe Majerus, a former Fond du Lac County Board member and a member of the Park Committee, said a referendum should be held so the residents can make their feelings known.

Campbellsport School District will be going on the internet. On the recommendation of District Administrator Joe Bertone, board members agreed to contract with WiscNet as the internet provider. The start-up cost is \$22,000 and the annual cost is \$8,000. The system could be in operation by September 1.

In a heart-breaking loss that lasted 15 innings, the Campbellsport Varsity Softball Team lost the championship game of the Stars of Tomorrow Softball Tournament to LaCrosse Central 5-3. The Cougars posted a 3-1 mark in pool play and won a convincing 9-0 game over Wisconsin Rapids to advance to the championship game.

The Cougars baseball team won both Regional games, 8-1 over Oostburg and 3-2 over Random Lake, to advance to Sectionals

Marv Grahl helped design and then supervised the construction of the Little League diamond in Eden. He has maintained the diamond for many years. Marv was surprised on July 13 at an appreciation ceremony at the diamond, where he received a plaque.

A daughter, Brooke Alyssa, was born July 1 to Mark and Jamie Birschback of Eden. A daughter, Shelly Jo, was born July 8 to Guy and Christa VanGrinsven of Malone. A son, Alan Craig, was born July 9 to Alice Larson of Mt. Calvary.

The official assessment for the Village of Campbellsport was set at \$6,989,510. The new assessment represents an increase of \$151,660. Of the total assessment, personal property accounted for \$737,979. One person wanted his assessment reduced due to junk car repairs done on the street. The board assured him of having the condition declared a nuisance by resolution at the next meeting.

Following the trend as dictated by recent amendment to the Federal government, 18-year-old persons will be permitted to vote for school board members at the election Monday. Since voters do

not register in various precincts of the school district, it will be necessary for 18-year-olds to show proof of age.

Coach Weinerski announced this week that the annual high school athletic physical examinations will be given this Friday. The program is conducted under the terms of the WIAA insurance program.

## | KEWASKUM'S DAYS GONE BY |

### 5 Years Ago July 28, 2016

Ten Kewaskum High School students participated in a two-week Health Care Career Academy at St. Joseph's Hospital. Each student visited 10 of 16 departments. To become involved, students had to fill out an application. From there, students were selected to go through an interview process. The students didn't get any credit for attending the academy, but they said the lessons made the experience valuable.

The Kewaskum School District's Long Range Planning Committee is recommending that the district goes forward with a \$28.4 million plan to improve its middle school and high school facilities. Board members are expected to vote on the recommendation. If approved, the district will go to referendum on November 9. If the plan goes through, the impact on the mill rate is projected to be between 25 and 48 cents, and will most likely land around 36 cents.

United Way of Washington County is celebrating 80 years of improving lives and community conditions. During this anniversary year, the organization plans to feature stories about local residents who have been involved with and/or benefitted from United Way programs.

Vernon Jung of Kewaskum was one of three Moraine Park Technical College's district board members to be sworn in and reappointed on July 11.

Of the 230 notices that went to village residents regarding delinquent water and sewer accounts, 200 are now current and 30 signed payment agreements. Those who had been delinquent had received notice that water would be disconnected on July 11 if bills were not paid. An ordinance repealing and recreating the municipal code's section on delinquent water bills had been approved July 18. The article included that information.

The Mid-Wisconsin Federated Library System, representing Washington and Dodge Counties, and the Eastern Shores Library System, representing Ozaukee and Sheboygan Counties, are proposing to merge systems. The proposal is supported by all five libraries in the current Mid-Wisconsin System and was unanimously approved at the July 21 Administrative Committee meeting. A recommendation has been sent to the County Board for final approval at its August meeting.

Permanent basketball hoops will be added to one of the four tennis courts at Kiwanis Park in Kewaskum. The hoops will allow the court to be used as a basketball court during the summer months, while remaining a tennis court the remainder of the year. The village board had approved portable basketball hoops on June 20. The permanent basketball hoops will be mounted into the ground outside of the tennis court that is located furthest west.

Sam Schlossner, Jason Jahnke and Jeffery Anderson all played pretty well the first day of the Men's State Amateur Golf Tournament. But their second-round scores failed to be under the cut mark of 151. Schlossner is a Kewaskum High School grad.

Edna E. Reysen, 101, formerly of Adell, passed away July 19. Genevieve M. Kurtz, 91, passed away July 18.

### 15 Years Ago July 27, 2006

Taxpayers in the Kewaskum School District approved an \$8.55 tax rate for the 2006-2007 school year. However, they will save \$15,000 by not having to pay out board salaries for yet another year thanks to 12 of the electorate in the district who voted to suspend the salaries another year. The budget is \$18,039,439 and the total tax levy is projected to be \$9,145,882.

DNA testing positively identified Elizabeth Koser as the juvenile body recovered in a home that was on fire June 5, according to Kewaskum Police Chief Richard Knoebel. The youth had been murdered before the fire was started.

Lightning is believed to be the cause of a house fire in the rural hamlet of Elmore on July 20. The Campbellsport Fire Department responded, with mutual aid from the Kewaskum Fire Department and Lomira Fire Department. The home is a complete loss. There were no injuries at the scene. The family and the family's dog survived, but a cat and hamster perished.

An 8-1 victory over West Bend West in the Sectional Final put the Kewaskum High School Baseball Team in the WIAA State Tournament. In the first round of WIAA Summer Baseball Tournament, Kewaskum beat Random Lake 14-4 in five innings. The second round victory was a 13-1 score over Campbellsport.

Kewaskum's new village administrator has begun settling into his new position. Jay Shambeau, 35, has officially moved into his office, a week early. He recently left his job as Clark County's administrator of zoning, planning, and land information. During the short time in his new position, Shambeau saw things he would like to modernize, mostly from a technology standpoint.

Dakota Lawrenz, a student at Farmington Elementary School, has been involved in tae kwon do for two-and-one-half years. He has advanced to high red belt level. The AAU National Tae Kwon Do Championships was held recently in Knoxville, TN, and Dakota placed second in his class.

A newly formed group called Kewaskum Cares about Kids (KCK) focuses on children in the Kewaskum community. Members are excited to partner with the school district to offer a free workshop on raising healthy children and building healthy communities. The school district announced its receipt of the \$4,450 Drug Free Communities Grant in May.

The pretty little playhouse that has been traveling around Kewaskum and appearing at various sites since late May is a fund-raising project for Peace United Church of Christ. Several church members were involved in creating the playhouse. Emil Radeztsky, Clayton Stautz, and Howard Zemlicka built the playhouse in Howard's driveway. After construction, Mary Steinhardt, Sandi Radeztsky, and Laura Kirkegaard painted and trimmed the house.

Aaron Laatsch scored an ace while golfing at a Piggly Wiggly corporate outing on August 19 at Old Hickory Country Club near Beaver Dam. The hole-in-one was on No. 7. He doesn't know details, but Laatsch won a trip to Reno, Nevada, for the accomplishment.

Raymond M. Strade, 68, Campbellsport, passed away July 18. Ronald Walter Dins, Sr., 81, Lomira, passed away July 23. Jerome D. Thein, 73, Theresa, passed away July 19. Marion J. Topel, 90, formerly of Neuy, passed away July 15. Manly D. Zillmer, 69, West Bend, passed away July 21. Gregory G. Lavey, 55, Campbellsport, passed away July 22.

### 25 Years Ago July 25, 1996

Taxpayers of the Kewaskum School District will be paying more in 1996-97 than anticipated in a community effort to reduce the long term debt. The vote was 25-18 on a resolution that adds \$1 per \$1,000 of equalized value to the district's debt service levy. Several residents voiced their displeasure at having to give up a percentage of their tax relief during the annual meeting and budget hearing. The \$5,612,457 approved tax levy reflected a \$3 drop per thousand from last year's figures. Taxpayers will be seeing a tax rate of \$11.42 per thousand of equalized value, calculated at a seven percent increase in the value of district property.

It was announced at a meeting that 75,000 gallons of water was lost during the water main break at the Second Street railroad crossing on July 4. Almost all of the water in the number one tower was lost.

A 25-pound summer sausage in the shape of Wisconsin is being donated to the fifth annual Governor's Sweepstakes Meat Products

Auction at the Wisconsin State Fair. This the single, largest fundraising event of the year for the Wisconsin 4-H Foundation and provides essential funding for educational opportunities for over 150,000 4-H youth statewide.

Those who attended the 45th reunion of Kewaskum High School Class of 1951 included Elvira Meyer Nigh, Harriet Klumb Kolbe, Eleanor Seefeldt Ostrander, Joyce Coulter Wulff, Lucille Butzke Fellenz, Beverly Stahl Luedtke, Walter Bade (teacher), Cordell Stange Strack, Beulah Prost Hawig, Mary Martin Krueger, Shirley Birkholz, Marilyn Heberer Bohn, Mary Joyce Gruber Stutzman, William Reynolds (teacher), Ferdinand Buechel, Marion Coulter Schuster, Corinne Stange Koepke, Carol Schmidt Koth, Allyne Ramthun Rodenkirch, Allen Kempf, Edgar Loomis, Sylvester Hawig, Curtis Link, Thomas Rodenkirch, and Vincent Nigh.

The Beechwood Senior Girls took first place in the Girls Kettle Moraine Softball League. Coaches were Larry Krahn and Nancy Krahn. Team members included Holly Krahn, Erin Theusch, Nicky Vetter, Holly Cechovala, Erin Krueger, Alison Heise, Becky Heisdorf, Kelly Arndt, Tanya Krahn, Jenny Immel, Angie Bindrich, Misty Luedtke, and Kris Hafermann.

The Indians defeated Slinger in the first game of Sectionals and lost to West Bend West in the second game.

Wallace Cudnohoske, 64, Kewaskum, passed away July 22. Eugene Pesch, 54, Kewaskum, passed away July 19. Ruth E. Schmitt, 75, Town of Wayne, passed away July 22. John W. Welch, 63, West Bend, passed away July 18.

### 50 Years Ago July 23, 1971

One of the things people will be voting on July 26 is the two who will fill the available seats on the Kewaskum School Board. Those on the ballot include Richard L. Edwards, Thomas Gundrum, Richard A. Hensiak, Earl Howell, and David W. Mueller.

Another item on the ballot for the voters to decide is whether or not the money borrowed for a swimming pool should be returned. At the annual meeting two years ago, voters had decided to proceed with pool plans and borrowing \$155,000 for the project. That money is still held by the district. A subsequent referendum to borrow more money was defeated. The question on this ballot is whether to return the money and forget the project or retain the funds and continue to explore ways of providing a pool.

In WIAA baseball Regionals, the Indians defeated Cedar Grove in the first round and Mayville in the title game. At Sectionals, Kewaskum lost to Port Washington 7-4, with the Indians committing 11 errors.

Kewaskum firefighters were busy on July 16 fighting grass fires within four hours of each other.

**FLAG BEARER** from page 1

After accepting the flag, Pietschmann and a contingent of escort riders will depart from Ooga Brewing Company at 9:30 a.m. on Sunday, carrying the flag to its next Wisconsin stop in Fennimore.

Pietschmann, who lives in Kewaskum, enlisted in the Air Force to serve his country, he said.

"By luck of the draw, I served during peacetime," Pietschmann explained. "Now I have an opportunity to serve again, serving those who sacrificed so much more than me."

Pietschmann said he is honored to have been asked to accept and carry the flag during this leg of the Patriot Tour.

"I was blown away. They asked if I was interested and I kept asking if it was real," he said.

Serving in the U.S. Air Force from 1976 to 1980 as an avionics repair specialist, Pietschmann tested and repaired on-board radios and navigation systems for F-111D aircraft

stationed with the 27th Tactical Fight Wing at Cannon Air Force Base, New Mexico. A native of West Bend, Pietschmann has a history of involvement and service. He is a member of American Legion Post 36, Sons of the American Legion Squadron 36 and the American Legion Riders of Wisconsin District 2.

"I really believe in the Nation of Patriots organization because it is truly a grassroots entity. Strangers from around the country rally around the flag and deliver it from group to group. Patriotism and helping others, it doesn't get better than that," Pietschmann said. "It is still hard to believe I will be one of the few that get to carry the flag this year. It is truly an honor."

The Patriot Tour flag and rider escort from Milwaukee will arrive in Beaver Dam on Saturday morning, with additional riders coming from Fond du Lac and Madison, according to the day's agenda. These riders will gather with Dodge County-area riders at 6th Gear, W7771 Hwy.

33, for a 1:30 p.m. departure to and through downtown Beaver Dam, finally ending at Ooga Brewing Co. Riders departing 6th Gear will follow Hwy 33 West to 151 South to exit Hwy D, Madison St. where the parade route officially begins. The parade will head north on Madison Street, then right onto Front Street to a right turn onto South Spring Street, arriving at Ooga Brewing Company at 2 p.m.

Preceding its arrival in Wisconsin, the Patriot Tour flag will have traveled through 33 states, this year launching May 14 from Las Vegas. Transported by air to Hawaii and Alaska and across the 48 continental states by motorcycle, the flag and the Patriot Tour for Veterans will return to Las Vegas on Saturday, Sept. 11, having journeyed for the first time in its history through all 50 states, officials confirmed.

Nearly \$1.5 million has been raised and distributed to veterans in need through this grassroots effort since the Nation of Patriots' inception in 2009.

The Patriot Tour for Veterans flag has flown over the White House, on the USS Independence Aircraft Carrier, in an F-16 fighter jet over the Nevada desert and on the motorcycles of more than 1,000 proud flag bearers with escort riders numbering in the hundreds of thousands.

Founded by Bill Sherer in Milwaukee, the Nation of Patriots and its inaugural Patriot Tour launched in 2009. Nation of Patriots provides financial support to America's Armed Forces veterans and their families. Nation of Patriots is a 501(C)3 nonprofit, non-partisan organization that is 100 percent volunteer-driven and gives 100 percent of all donations directly to veterans in need.

To learn more about the Nation of Patriots or for event details, visit [www.nationofpatriots.com](http://www.nationofpatriots.com). Donations can be made at any of the tour stops, online at [www.nationofpatriots.com](http://www.nationofpatriots.com) or mailed to Nation of Patriots, P.O. Box 73, Sussex, WI 53089.

**EDEN** from page 1

performance with area youngsters. The performances will start at 6 p.m.

Music starts with Russ Drezdon from 4 p.m.-7 p.m.

To round out Friday night, the Dwellers will perform from 7 p.m.-11 p.m. They will be rocking and rollin all the party hits of yesterday and today. There is no admission charge for the band.

Saturday's events will start out with the 10th annual Eden Firemen's Two-Mile Walk/Run. It will be held bright and early on Saturday morning at 8 a.m. The race will start and

end on the East end of Firemen's Park on Elizabeth Street. For more information or to sign up, contact Mark Peterson at 920-960-5353.

The other events on Saturday take place starting at 4 p.m. with music by Austin Skalecki. He will perform from 4 p.m.-7 p.m.

Then watch the annual kids' pedal tractor pull and washer box tournament for the adults.

The weigh-in for the pedal tractor pull starts at 4:30 p.m. and the pull starts at 5 p.m. Children will compete in different weight classes.

The adult washer box tournament

returns for another year. This has been such a popular event for the department that they decided to keep bringing it back. Check-in is at 4:30 p.m. with the tournament starting at 5 p.m.

This competition is open to anyone who wants to give it a try, not just the firemen. You need some skill and great aim to be successful at this game. For pre-registration or to get more information, contact Shea Stahl at 920-539-9833.

The main music for the night will be by Driftwood. They will perform from 8 p.m.-11 p.m. This band plays great country rock. Again, no admission will be charged for the band.

Sunday events kick off at noon with the annual parade. Many area organizations, businesses, bands and groups participate in this parade. Thousands of people line the streets

of Eden for this popular event.

John Dietz and the Twin Lakes Trio will perform at the park on Sunday from 1:30 p.m.-4 p.m. This is a small band with a big sound. Featuring masterful concertina playing, sizzling drum beats, and spectacular fills, guaranteed to keep your event hopping.

A fish pond will be available for the kids.

All weekend, the fire department will be serving food and refreshments. Don't miss the home-made pies baked by the women of the Fire Association's Auxiliary. They will also be serving ice cream at their stand all weekend.

Admission to all the bands are free. Make sure you stop in Eden next weekend for all the fun and entertainment. This is sure to be a great weekend for everyone in the family.

## Dream Horse Playing At The Campbellsport Public Library

Join us at the Campbellsport Public Library on Monday, July 26, at 1 p.m. for a free showing of Dream Horse.

This funny drama tells the inspiring true story of Dream Alliance, an unlikely racehorse bred by a small-town Welsh bartender who has little experience and no money. She convinces her neighbors to chip in to help raise this Dream horse in hopes that it can compete in elite races.

This feature film stars Toni Collette and Damian Lewis. Anyone under the age of 18 needs to attend either of these showings with an adult. Free popcorn will be handed out. Please feel free to bring your own drink.

There are always great activities going on at the Campbellsport Public Library. Like us on Facebook or Instagram or go to [www.campbellsportlibrary.org](http://www.campbellsportlibrary.org) for more information.

If you have any questions about any Library program or service, please call (920) 533-8534 or email [director@campbellsportlibrary.org](mailto:director@campbellsportlibrary.org). The Campbellsport Public Library is located at 220 North Helena Street, Campbellsport.

The Library is open Monday through Friday from 9 a.m. until 6 p.m. and closed on the weekends. The online catalog is available 24/7. Download the library's app to place holds on books and DVDs that you would like to check out. Or you can borrow digital books, audio books, and magazines through Libby for free at any time of the day or night.

## Check It Out!

LORI KREIS  
KEWASKUM LIBARIAN

I have attended several events and meetings this summer where I was asked, "What can I do to help the library?" This is such a great question because we are always looking for support, even non-monetary. The best way you can support the library is to be an advocate for it. Advocating for the library is probably easier than you can imagine.

Here are some ways you can promote the library. Visit us. Get a card or update your expired one. Check out items, attend programs, and take a class online through one of our many databases. But most of all, talk, talk, talk about us. Advocates for the library are so important because they help promote our mission of providing programs and services to the community.

Our advocates are priceless, and a popular way to support your library is to join the library's Friends group. Friends of the Library are dedicated volunteers who, besides advocating for libraries; fundraise, support programs and events, and host the ever-popular book sales.

We do not currently have a Friends of the Kewaskum Public Library, but not from lack of trying. I know people have busy lives and adding one more to-do to their long list is not always welcome. Traditionally, Friends groups have been formally incorporated with regular meetings, membership drives and an executive board.

I am not looking to add a group like this currently. Right now, I am hoping to add to our list of dedicated volunteers. People like you, who love their library and want to help.

There are many openings where we could use assistance in promoting our mission. Some of these upcoming opportunities are lending a hand at our Summer Learning Program celebration picnic in two weeks, stopping by our brat fry later this summer and assisting in the organization of other fundraising events.

I promise, volunteering to support the library will not take up much of your time. Any support is appreciated, even if it is just one day a year in helping run a book sale, assist at a brat fry or work on a planned giving campaign. Furthermore, anyone interested in this would not be alone in their volunteering or be expected to work by themselves. I would be the guiding force behind it and schedule people to work together. Besides the reward of helping a deserving cause, you will meet others with a common interest, and I know you will make friends in our Friends.

I encourage you to contact me. Give the library a call, send me an email or stop on in. I am passionate about talking about library services and always look forward to having these conversations with our supporters. One goal I have is to instill a little bit of this passion throughout the community. If you could help me with that, you will be truly treasured.

Hope to see you soon.

## An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

**Thursday, July 22** — Climb a Kame Evening Exploration meet at the upper boat launch parking lot at the Long Lake recreation area, 6:30 p.m.-8 p.m. After the glaciers melted away, they left behind a very distinctive landscape. Join Jackie Scharfenberg, Forest Naturalist, to climb the Summit Nature Trail on Dundee Mountain to gain a better understanding of how the glaciers created kames, eskers, moraines, kettles and outwash plains. The trail is about one mile long and it does require hiking up and down a steep hill. This program is for people over the age of 12 years. In event of threatening weather, the program will be canceled.

**Saturday, July 24** — Saturday Morning Secret Finders at the picnic Shelters at the Mauthe Lake and Long Lake recreation areas, 10 a.m.-11 a.m. Calling all youth to discover secrets of nature by participating in the Wisconsin Explorer program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8 and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four top-ic areas of the books.

**Saturday, July 24** — Nature Up Close Drop In at the Beach at the Mauthe Lake recreation area beach, 1 p.m.-4 p.m. Gain a new perspective by taking a closer look at nature using a variety of magnifying tools and techniques. You'll be astonished by what we encounter. Bring your camera to capture your unique finds. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

**Sunday, July 25** — Nature Up Close Drop In at the Beach at the Long Lake recreation area south beach, 12 p.m.-3 p.m. Gain a new perspective by taking a closer look at nature using a variety of magnifying tools and techniques. You'll be astonished by what we encounter. Bring your camera to capture your unique finds. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

**Wednesday, July 28** — Trail Trekkers meet at the Mauthe Lake recreation area beach, 6 p.m.-7:30 p.m. Join us for a refreshing two-mile evening stroll around Mauthe Lake on the Tamarack Trail. Make sure to wear good footwear and bring drinking water and insect repellent.

**Saturday, July 31** — Saturday Morning Secret Finders at the picnic Shelters at the Mauthe Lake and Long Lake recreation areas, 10 a.m.-11 a.m. Calling all youth to discover secrets of nature by participating in the Wisconsin Explorer program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8 and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four top-ic areas of the books.

**Saturday, July 31** — Get Outdoors! Learn to Fish Rodeo at the Long Lake recreation area fishing pier, 1 p.m.-4 p.m. Let the fishing fun begin! The rodeo includes Backyard Bass Casting, Fill the Tackle Box, Fishing Regulations Quiz, Avoiding Hazards, Knots Tie-up, What's that Fish? and Bait Your Hook. After completing the rodeo, experienced anglers on the fishing pier will help hone your newly acquired skills. Special surprises and prizes await all who participate. Bring your own gear or fishing gear will be provided for those who need it. Participants

## FEATURE BUSINESS OF THE WEEK

## K-B Lettering

Karen Breitzman is ready to meet all your lettering needs through her business K-B Lettering. Karen has been in business for more than 35 years now. She has an associate degree in commercial art from Milwaukee Area Technical College.

Karen does lettering, both hand-painted or computer generated vinyl lettering. The recent purchase of a 54" printer allows her to do digital printing also. If you want to personalize your vehicle, she can custom pinstripe it for you too.

The start of her business was after making a sign for her husband Bill to use at the high school where he taught. Another coach suggested Karen go into business for herself.

As word of mouth spread, the business picked up and became a full-time job. She worked out of a shop behind their home in Campbellsport until 1996. The Breitzmans then moved to St. Kilian where Karen was able to put up a bigger shop. This allows her to fit semis inside.

She specializes in vehicle lettering and graphics, pinstripping, signs, banners, decals and whatever else you may need lettered. In the past, Karen has painted race cars for Al Unser, Jr., Bobby Unser, Jr., and Alan Kulwicki.

"I was very fortunate to have my business by our home as the children (Becky and Rick) were growing up, Karen said. "It allowed me to be there for them. I've met many wonderful people and strive to give them a job they will be proud of. I thank God for the talent and abilities He has given me to be in this profession."

## Open Road Harley-Davidson Raises More than \$1,200 for Nation of Patriots

Ahead of the Patriot Tour for Veterans' arrival in Wisconsin, Open Road Harley-Davidson is raising funds to contribute to the Nation of Patriots' overall mission to assist veterans in need. Open Road's fundraising efforts began in June and now total more than \$1,200. Funds have been raised by selling exclusive 2021 Patriot Tour t-shirts and tier-level stars for cash donations at the dealership, officials said today.

Open Road Harley-Davidson's connection to the Patriot Tour and the Nation of Patriots began through the Beaver Dam Area Chamber of Commerce, according to Open Road Marketing Coordinator Madison Smith.

Open Road became a chamber member earlier this year, Smith said, and "Executive director Tracy Propst welcomed us and provided an introduction to Nation of Patriots. We began a dialogue quickly, realizing Nation of Patriots' strength of

leadership and impacts in the veteran community and local commerce. Involvement and participation in the Patriot Tour seemed only natural for us."

In March, Open Road Harley-Davidson joined Nation of Patriots to support veterans and provide assistance to at-risk veterans and their families.

"Veterans are tough people who run toward danger at the risk of their own lives. By volunteering their own well-being, they preserve and protect the citizens of the United States," Smith said. "We can make a difference by raising awareness. It's our way of saying thank you."

Open Road Harley-Davidson plans to continue its work with the Nation of Patriots, providing increased awareness, growth of participation and support for local commerce, she said.

The Patriot Tour's July 24 stop in Beaver Dam includes a parade, flag transfer ceremony and community festivities as part of the nationwide, city-to-city 14,500-mile, 115-day fundraising event. Through this grassroots, 50-state flag relay, nearly \$1.5 million has been raised and distributed to veterans in need since the Nation of Patriots' inception in 2009.

**Patriot Tour Rider Participation Details**

On Saturday, July 24, riders will gather at Open Road Harley-Davidson, 24 S. Rolling Meadows Dr., beginning at 9 a.m. Following a 10:45 a.m safety meeting, riders will depart for 6th Gear, W7771 Hwy. 33 in Beaver Dam.

The Patriot Tour flag and rider escort from Milwaukee will arrive in Beaver Dam on Saturday morning, with additional riders coming from Madison, according to the day's agenda. These riders will gather with the Open Road contingent and Dodge County-area riders at 6th Gear for a 1:30 p.m. departure to and through downtown Beaver Dam, finally ending at Ooga Brewing Co.

Preceding its arrival in Wisconsin, the Patriot Tour flag will have traveled through 33 states, this year launching May 14 from Las Vegas. Transported by air to Hawaii and Alaska and across the 48 continental states by motorcycle, the flag and the Patriot Tour for Veterans will return to Las Vegas on Saturday, Sept. 11, having journeyed for the first time in its history through all 50 states, officials confirmed.

The Patriot Tour for Veterans flag has flown over the White House, on the USS Independence Aircraft Carrier, in an F-16 fighter jet over the Nevada desert and on the motorcycles of more than 1,000 proud flag bearers with escort riders numbering in the hundreds of thousands.

# Kewaskum Village Board Members Help Resident

BY ANNE TRAUTNER  
JOURNALIST

Carlotta Hanson has lived in the Village of Kewaskum since 1987 and has always paid her water bill on time.

Typically, her bill runs about \$120 a month. However, in June, she received a water bill for \$650.86.

Hanson, who is on a fixed income, did not know how she was going to pay that. Plus, she did not know why her bill was so much higher than normal. She had not used any extra water.

"I have lived the same as always," she said.

She had not done extra laundry or washed her car. Because of the pandemic, she had not even had any family members visit her.

Village employees tested the water meter to make sure it was working properly. Everything checked out. Dennis Aupperle, working foreman for the village's Department of Public Works, suggested that Hanson document the meter readings to determine if there is a leak anywhere in Hanson's home.

Hanson has been keeping a detailed log each day since.

But Hanson's bill was due on Tuesday, July 20, and she didn't know how she was going to make the payment. So, she came to the Village Board meeting on Monday, July 19, and pleaded her case.

Unfortunately, as Village President Scheunemann pointed out at the meeting, the board historically does not make exceptions for water bills if a homeowner's water meeting is working correctly.

The best that the board seemed to be able to do was to make an extended payment schedule for Hanson.

But Scheunemann was moved by Hanson's plight and wanted to help. So, he offered to personally pay the first down payment of \$250 for

Hanson's bill.

Village Trustee Dave Spenner quickly followed suit and offered to pay another \$250 to help cover Hanson's bill.

Grateful for the help, Hanson paid the remaining balance at Village Hall on Tuesday morning.

"I'll admit it was as much of a mercy to my soul as it was a mercy to Mrs. Hanson. At best, we would have gotten an extended payment plan out of the board. I hate denying fee waiver in these cases, but subjective waiver is difficult...when do you give it as a board? My Christian conscience would bother me if it was left at that," Scheunemann said about his act of kindness. "Trustee Dave Spenner deserves all the credit for matching the pledge. I do know he lives in Gospel grace."

## Other Village Matters

In other action at Monday's Village Board meeting, the board:

- Voted unanimously to approve the request of Larry Bayer/Stellar Abodes LLC to split and rezone the new parcels abutting Prospect Drive from M-1 Limited Manufacturing to RD-1 Two Family Residential the parcel of land located at 667 Trading Post Lane to allow for two duplex lots on Prospect Drive.

- Voted 5-1 to approve the request of St. Lucas Lutheran Church to combine the parcel located at 1410/1420 Parkview Drive with the parcel located at 1428 Parkview Drive and rezone the parcel located at 1428 Parkview Drive from RS-2 Single Family – Residential to I-1 Institutional. Village Trustee Richard Laubach voted no; Scheunemann abstained.

- Voted 5-1 to approve the request of St. Lucas Lutheran Church to combine the parcels located at Parkview Drive and 1433 Parkview Drive with the parcel located at 1417 Parkview Dr. and rezone the parcels located at Parkview Drive and 1433 Parkview Drive from RS-2 Single Family -

Residential to I-1 Institutional. Laubach voted no; Village Scheunemann abstained.

- Voted unanimously to approve paying \$5,000 to Zimmerman Architectural Studios to develop an option to build a new Village Hall/Public Library building onto Railroad Street, as well as razing the existing building. The analysis will be completed on July 29.

The new analysis will include a conceptual block floor plan and sequence scheduling to avoid as much disruption as possible. The analysis also will include a conceptual cost estimate including all sitework costs and soft costs for razing the building, new construction on the existing site, donated land and a portion of Railroad Street. Included in the complete cost estimate, the village's shared facilities committee would like to see costs associated with transitioning to temporary space if needed. The analysis also will include a soft cost estimate associated with transitioning to temporary space if needed.

The two following options to develop the project are in the fee proposed: a single-story building that may require utilizing portion of Railroad Street; and a two-story building contained completely on the current site is included in this fee.

- Unanimously approved paying \$36,707.41 to allow parking on both sides of Fond du Lac Avenue between Roseland and Knights Avenue when the Wisconsin Department of Transportation redoes Highway 45/Fond du Lac Avenue.

- Unanimously voted to authorize submission to the Department of Justice Body Camera Grant Program.

## Wisconsin Beachgoers: Be Aware Of Blue-Green Algae Risks

The Wisconsin Department of Natural Resources (DNR) is reminding beachgoers and their pets to watch for blue-green algae and know the risks. Blue-green algae can cause illness if swallowed or inhaled in water droplets, or irritation if rubbed on the skin under clothing.

Blue-green algae, or cyanobacteria, are photosynthetic bacteria often called "pond scum." Blue-green algae are most often green but can also be blue, tan, reddish-purple or brown. Blue-green algae generally grow in lakes, ponds and slow-moving streams when the water is warm and enriched with nutrients like phosphorus or nitrogen.

When environmental conditions are just right, blue-green algae can increase in number. Most species are buoyant and will float to the surface, where they form scum layers or floating mats known as a "blue-green algae bloom." In Wisconsin, blue-green algae blooms generally occur between mid-June and late September, although in rare instances, blooms have been observed in winter, even under the ice.

### Stay Safe On And Offshore

Since most lakes in Wisconsin are not tested for blue-green algae, it is important to know what it looks like and always assess conditions before swimming.

Stay safe by following best practices, including:

- Do not swim in water that looks like "pea soup," green or blue paint, or that has a scum layer or puffy blobs floating on the surface.

- Do not boat, water ski, etc., over such water (people can be exposed through inhalation).

- Do not let children play with scum layers, even from shore.

- Do not let pets or livestock swim in, or drink, waters experiencing blue-green algae blooms.

- Always take a shower after encountering any surface water (whether or not a blue-green algae bloom appears to be present; surface waters may contain other species of potentially harmful bac-

teria and viruses).

- Try to avoid swallowing lake water, no matter how clean it looks, since it may have bacteria, viruses, or parasites in it that could make you sick.

### Keep Pets Safe

Blue-green algae can have harmful effects on humans and pets. However, because dogs love to spend time in the water, they are not deterred by surface scum and often swallow a lot of water while swimming. If they consume large quantities of blue-green algae when they drink the water, and if those blue-green algae happen to be producing toxin(s), the animals can become very ill, and even die.

Symptoms of blue-green algal toxin poisoning may range from lethargy and loss of appetite to seizures, vomiting and convulsions. Dogs are particularly susceptible to blue-green algal poisoning because scums can attach to their coats and be swallowed during self-cleaning. To keep dogs safe, choose the clearest water possible for dogs to swim in and keep dogs out of areas with accumulations of blue-green algae or any dense particulate matter.

Follow these tips to keep pets safe:

- Do not let pets swim in, or drink, waters experiencing blue-green algae blooms or noticeably green water.

- Keep dogs out of shallow, stagnant waters where blue-green algae may be growing on the bottom and dislodged by disturbance. If people shouldn't swim there, dogs shouldn't either.

- Always offer fresh, clean water for pets to drink instead of lake water.

- Always wash dogs off with clean water immediately after they swim, so they don't lick any algae from their fur.

- Supervise pets when they are outside so they don't eat algal scum accumulated on the shore, floating mats of algae or drink lake water.

- If a pet eats grass, avoid using lake water for

lawn irrigation if blooms are present.

- If there's any doubt about what is in the water, keeping pets out is the safest course of action.

Symptoms of water intoxication (from swallowing too much water) and heatstroke in dogs include vomiting, diarrhea, lethargy, and loss of coordination. Give dogs plenty of breaks from swimming and retrieving in lakes, avoid having dogs bite at splashed water as a game and use flat objects for retrieval instead of balls. Always provide shade and fresh, clean water to drink.

The public is encouraged to report significant blue-green algae blooms to the DNR at [DNRHABS@wisconsin.gov](mailto:DNRHABS@wisconsin.gov). Please include the location of the bloom, the name of the water body, nearest town, county, the size and duration of the bloom and overall and close-up photographs for verification. The DNR is unable to test all reported blooms.

For more information on blue-green algae, including symptoms of exposure and environmental concerns, visit the DNR Blue-Green Algae webpage. More information is also available via the Wisconsin Department of Health Services.

## Festival Of Summer

Last year was the year of disappointment for a lot of people with the Covid-19 pandemic wiping out nearly every type of festival last summer. For the first time in the history of the event, Summerfest in Milwaukee was cancelled. For any music lover who enjoys seeing live shows, this was a major punch to the stomach.

Summerfest started in 1968 at the Henry Maier Festival Park along the shoreline of beautiful Lake Michigan. Billed as the "World's largest music festival," the Big Gig draws roughly 800,000 people annually to the event. This year Summerfest has decided to run things a little differently. Normally the event is held in late June and runs until around the fourth of July. Summerfest will be held in September this year over three weekends (Sept 2-4, 9-11, and 16-18).

Summerfest has drawn some of the biggest names and acts over its 50 plus years of existence. The list of music legends runs deep with the Summerfest acts that have headlined the main stages. Dolly Parton (1969), Johnny Cash ('74), The Beach Boys ('75), Eric Clapton ('83), Paul Simon ('87), Rod Stewart ('89), Cher ('90), Whitney Houston

('91), Metallica ('92), Stevie Wonder ('98), Britney Spears (2000), Prince (2004), Tom Petty and the Heartbreakers (2006), Rolling Stones (2015), and Paul McCartney (2016) are just a handful of greats that have rocked Summerfest over the past half century.

A couple of memorable Summerfest headliners left Milwaukee with some interesting stories. In 1970, Sly and the Family Stone played before 100,000 people, they were an hour late and the place almost turned into a riot. In 1972, comedian George Carlin was a headliner. After his set, he was escorted off the stage and arrested by police for using profanity during his act.

Personally I have witnessed some of my favorite concerts at Summerfest. I made a list of some of my favorites but I didn't rate them (which is rare because I love ranking things).

•Chruches in 2019. My daughter and a friend of ours scored VIP passes and watched this great band from the front row.

•Huey Lewis & The News in 1984. I drove my sister and three of her friends to see Huey during the peak of his career, a very energetic concert!

•Flock of Seagulls/Great White/Five Card Studs/ Rick

Springfield in 2018 with my brother and his wife. We had a blast just bopping from one act to another.

•The Eagles with my wife in 2013. My favorite band of all-time (seen them 10 times) closed out Summerfest with an incredible set of all their classic songs.

•Neil Diamond in 2012 with Cindy. We had lawn seats which weren't the best but we got to listen to one of the greatest musicians of all time.

•Journey & Def Leppard with my wife and kids on July 4th, 2018. We splurged for really good seats and sung our tails off all night.

•Justin Bieber in 2010 with Sean Kingston opening up. Cindy and I took our daughter Peyton and our niece Lexi because, yes — we had "Bieber Fever."

•Jimmy Buffett with Cindy in 1991. We scored 15th row tickets about an hour before the show from a scalper — money well spent.

•Kenny Chesney in 2003 with the wife and kids. Kenny was on the brink of stardom and the kids wanted to see him bad. So as any good parent would do, we took our 12 and nine year old to their first Summerfest concert.

John Krueger leads his calf around the ring at the Fond du Lac County Fair on Sunday, July 18. Those who are not old enough to exhibit in the regular competitions at the fair are able to get a taste of the show ring during the Little Britches competition. PHOTO BY ANDREA HANSEN ABLER

Kewaskum 1 Final Report- For the past three months "Baseball was life" and it was fun for both the parents (careful of those foul balls, parents, make sure you bring a big purse) and the kids of the Kewaskum-1 team to bond at the diamond.  
 The final game of the season was the showdown between the two Kewaskum Pony teams. For most of the game, the younger Kewaskum 1 team was down 7 to 0 and struggled at the plate, but in the last inning of the game made an attempt to come back by scoring two runs.  
 The team finished the season with two wins and seven losses; however, showed significant growth at bat, fielding, stealing bases, and on the mound.  
 Excited to see this team have fun next year when baseball is life once again.

Players/The Sandlot: Alex "Teapot" Bayer, Chase "Cookie" Cook, Ben "Bennyboy" Ebert, Parker "Parky" Gruen, Gabe "Flash" Halopka, Johnny "Pockets" Hooker, Xane "Xaner" Kleinke, Warren "War J" Korth, Bryce "Beast" Wildt, and Malachi "Mallet" Yttri. Coaches-Head Coach Jason Ebert-"2 we got!", Eric Bayer-"Get nasty!", and Jerry Halopka-"Back!"

**Team 2**

Pony League Team 2 finished their regular season with a win against Kewaskum Team 1 with a score of 7-2.  
 It was a team effort on offense with a combined 11 hits and six walks. They finished their season with an overall record of 6-3.  
 Pony League Team 2 will continue its season in the playoffs on the 31st in Eden. Best of luck boys.

**Rookies**

Tuesday, 7/13, Kewaskum Indian Rookies played an exhibition game against the Rubicon's Rookie team and won with a score of 9-5.  
 Kewaskum had 14 hits with Abby Pritchard go-

ing 3/3, which included a triple; Lacey Krejcarek and Tammy Kunath both going 2/2 with singles; and Taylor Popelier also going 2/2, scoring a home run with a beautiful rope into the outfield down first base line.  
 In the field, Sydney Bayer snagged a fly ball at short, and also scooped a grounder at second to get the out at first. Annabelle "AB" McElhatton had two unassisted outs at first; and Lacey Krejcarek fielded two grounders at second for outs at first.

**Minors**

Springs-1 Runs Away With Early Lead in Victory  
 KAA Indians Minors fell behind early and couldn't come back in a 17-4 loss to Springs-1 on Thursday. Springs-1 took the lead on a double in the first inning.  
 KAA Indians Minors put up three runs in the fourth inning. KAA Indians Minors batters contributing to the big inning included Dana J., Violet B., and Sybil G. all driving in runs in the frame.  
 Kylie V. started the game for KAA Indians Minors. The hurler allowed six hits and eight runs over three innings, striking out four. Kendal S. and Keira K entered the game as relief, throwing one inning and one-third of an inning, respectively.  
 Violet, Tess S., Daphne W., and Dana each collected one hit to lead KAA Indians Minors.

**Majors**

The Majors fell to Springs this week 18-0.  
 Kylie Van Beek, Madison Legate, and Malia Volesky pitched the game. Malia Volesky caught a popped up bunt for an out. Lia Piitmann threw out a runner stealing home and caught a pop fly for an out to end the inning. Jadelyn Stoltzmann fielded a grounder and tagged the runner out at third base. Mia Dornacker caught a pop fly for an out.  
 The Majors also fell to Laconia this week 14-6. Malia Volesky pitched the game. Katie Singer, Mia Dornacker, and Megan Armstrong caught pop up balls for outs. Mia Dornacker had a base hit. Katie Singer tagger a runner out in an attempt to steal third base and threw to first to get the batter out.  
 Jadelyn Stoltzmann hit a triple and stole home to score. Cassidy Krupp had multiple base hits and threw a runner out at second in an attempt to steal. Madison Legate tagged multiple runners out at first base and caught a pop up fly for an out.  
 Next week the Majors play at Fond du Lac 2.

# Former PDTR Champions Shine As McMullen, Schmidt, Sorce Jr., Green Claim A-main Wins

The cream rose to the top as former Plymouth Dirt Track Racing division champions swept all four A-main races Saturday, July 17, at The Plymouth Dirt Track at the Sheboygan County Fairgrounds in Plymouth.

In the PDTR 360 Sprint Car A main, two-time division champion Brandon McMullen of Oshkosh notched his second 25-lap Kristine Hartmann Pleasantview Realty 360 Sprint Car A-main victory of the 2021 campaign.

Three-time and defending PDTR Late Model champion Justin Schmidt of Cleveland notched his second consecutive and fourth overall 25-lap Sheboygan's County 93.7 Late Model A-main victory of the 2021 season.

Two-time PDTR Grand National champ Don Sorce Jr. of West Allis rolled to his first A-main triumph of 2021, while 2017 PDTR B Mod champion Justin Green of Sheboygan Falls made the most of a fill-in driving opportunity behind the wheel of Spencer Long's 59s machine to earn the victory in the 25-lap B Mod main event.

Polesitter Will Gerrits of Waupun grabbed the lead in turn one of the opening lap of the 360 Sprint Car A-main with 2018 PDTR 360 Sprint Car champ Justin Miller of Plymouth, who started second, and 2008 PDTR 360 Sprint Car champion Lance Fassbender of Burnett, who started fifth, moving into third.

The first of four caution flags appeared on lap five when Fassbender spun in turn three. On the restart, Brandon McMullen, who started seventh, used the outside groove to move into second on lap six.

Five laps later, McMullen powered around Gerrits and into the top spot along the outside line of the wide, smooth and slick racing surface exiting turn four.

On lap 13, point leader Travis Arenz of Sheboygan Falls stalled in turn four to bring out the second caution flag. Another caution flag appeared on the ensuing restart as Chris Clayton of Waldo, Doug Wondra of Lomira and Tyler Brabant of Waupun collided along the backstretch.

McMullen controlled the next restart with Gerrits in second and 2011 PDTR 360 Sprint Car champ Ben Schmidt of Plymouth, who started ninth, in third.

The fourth and final caution flag was displayed on lap 14 when Justin Erickson of Plymouth, Blake Wondra of Fond du Lac and Tyler Brabant made contact in turn four.

Following the restart, Schmidt slipped past Gerrits into second, while McMullen bolted away from the field along the cushion. McMullen pulled away from the pack over the final 10 laps en route to his 22nd career PDTR 360 Sprint Car A-main victory and 32nd career Midwest Sprint Car Association main event win.

The victory pushed McMullen past Donny Goeden into sole possession of third place on the all-time PDTR 360 Sprint Car A-main win list.

Schmidt placed second, 18th starter Kevin Karnitz of West Bend charged up to finish third, Gerrits took fourth and Tim Haddy of Waupun worked his way up from his 13th starting spot to finish fifth.

After a false start, outside front row starter Jayme Zidar of Greenfield led the opening lap of the 25-lap Late Model A main before the first of seven caution flags appeared on lap three for an incident involving Dan White and Turk Letizia of Milwaukee.

On the restart, Charlie Schmidt of Oostburg, who started sixth, worked the outside groove to power into the lead exiting turn two. The second caution flag appeared on lap four for a spin involving Brian Gerber. Another caution flag was displayed on the restart when Jayme Zidar spun in turn two.

On the ensuing restart, Justin Schmidt, who started ninth, flexed his muscle along the high groove to power his way into third on lap six. The race was slowed for the fourth time on lap seven when Wayne Freimund stopped in turn four.

Justin Schmidt utilized the high line on the restart to seize second entering turn one on lap eight before Wayne Freimund brought out another caution flag on lap nine when he stalled in turn one.

Two more caution flags followed in quick succession as Donny Singer of Random Lake and Chad Ludwigson of Sheboygan Falls collided in turn four and Jim Schmidt of Cleveland hit the turn one wall.

Justin Schmidt turned it up following the final restart to challenge Charlie Schmidt for the lead beginning on lap 12. Slower traffic allowed Justin Schmidt to move within striking distance on lap 19 and four laps later, he powered into the lead in turn two in heavy lapped traffic.

Justin Schmidt pulled away over the final two laps to secure his 17th career PDTR Late Model A-main victory to break a tie with his father Jim and move into sole possession of third place on the all-time PDTR Late Model A-main victory list.

The win was also Justin Schmidt's fourth in the last five PDTR Late Model A-main events.

Justin Ritchie, who started fifth, finished second, Charlie Schmidt placed third, 2008 PDTR Late Model champion Billy Rezutek of Big Bend, who started seventh, placed fourth and fourth starter Turk Letizia recovered from an early-race incident to place fifth.

Steven Ruh of New Holstein, who started second, jumped into the lead in turn two of the opening lap of the 25-lap Grand National A-main behind the wheel of the Bender Racing No. 89 machine before polesitter Luke Scholten of Oostburg gained the lead in turn four to lead the first lap.

Ruh battled back to seize the lead in turn two on lap two before Scholten again wrestled away the lead in turn four to take over the top spot. The first of three caution flags appeared on lap five when Derek Kaat of Howards Groove spun in turn two.

On the restart, Don Sorce Jr., who started sixth, seized second lap nine. Four laps later, Scholten made contact with the lapped car of Darren Meyer, which produced the second caution flag when Meyer spun in turn three on lap 13.

On the restart, Ruh batted back to assume the

top spot along the high groove on lap 14 just behind the third and final caution flag came out for Ryan Falk in turn two.

After the final restart, Scholten and Ruh engaged in a heated side-by-side duel before Ruh surged ahead. Meanwhile, Sorce Jr. moved into second and quickly moved in to pressure Ruh for the top spot.

On lap 18, Sorce Jr. ducked low to take over the lead in turn four. Sorce Jr. went on to notch his 14th career PDTR Grand National A-main triumph. 2019 PDTR Grand National champion Tyler Kulow of Plymouth placed second after starting fifth, Ruh wound up third, seventh starter Donny Kulow of Elkhart Lake placed fourth and third starter Steven Weber of Plymouth rounded out the top five.

Jim Fischer of Oostburg grabbed the lead on the opening lap of the 25-lap B Mod A-main from his outside front row starting spot with third starter Justin Green sliding into second in Spencer Long's 59s car.

On lap two, Green shot underneath Fischer to take the lead in turn four. The first of three caution flags appeared on lap three when Phil Campanella of Sheboygan Falls spun in turn four.

On the restart, fourth starter Steve Lorier of Sheboygan moved into second while Shane Long of Sheboygan Falls, who started fifth, took third. As Green pulled out to a sizable lead at the front of the field, Lorier brought out the second caution flag when he slowed to a stop along the backstretch on lap eight.

Green drove away from the field on the ensuing restart while eighth starter Trevor Frank of Sheboygan seized third on lap nine. By lap 13, Green had built up a full-straightaway lead over Shane Long before the third and final caution flag was displayed on lap 16 for a spin in turn two involving Michael Strean of Sheboygan.

Frank used a strong restart to take over the second spot before setting his sights on Green. Frank was able to cut into Green's advantage over the final nine laps, however, he was unable to wrestle the lead away from Green, who went on to notch his division-leading eighth career PDTR B Mod A-main victory.

Frank finished second, Shane Long took third, seventh starter Justin Bauer of Sheboygan Falls placed fourth and Rory Welch of Grafton charged from his 12th starting spot to finish fifth.

Brandon Berth of Cascade won the 15-lap 360 Sprint Car B Main.

The 12th PDTR program of the 2021 season, which was sponsored by Cupcake Wonders, drew 75 total cars, including 30 360 Sprint Cars, 18 Late Models, 16 B Mods and 11 Grand Nationals.

PDTR action is scheduled to resume on Saturday, July 24, with action in the 360 Sprint Car, Late Model, Grand National and B Mod divisions on Dave Deicher Tribute Night, which will also feature an appearance by the Vintage Modified division.

Spectator gates open at 4:30 p.m. with hot laps at 5:30 p.m. and racing at 6 p.m.

Hailey Rohlfs and Morgan Cooper traveled down to Madison with high anticipation to receive their sought after State FFA Degree. Both of these girls have spent numerous hours within the Campbellsport FFA program assisting in coordinating events and supporting fellow members. Each student created and executed their own supervised agricultural experience (SAE) that they have invested at least 1,000 hours in and out of the classroom while meeting the other listed and challenging criteria. It is an honor to have two students this year achieve their state degree, throughout the state 200 to 300 students qualify and earn this prestigious award. Both students could have the opportunity to pursue the highly coveted American FFA Degree.  
**PHOTOS SUBMITTED**

Campbellsport FFA members recently attended the State FFA Convention. After many months of not being able to travel, the Campbellsport FFA was excited to hit the road to Madison this summer. The members who attended spent time analyzing state level competitors and their tactics through multiple events, learning about other students' SAE projects, gaining ideas to bring back to and enhance our chapter, attending award and leadership sessions, and networking with other members from across the state. CHS members who attended the convention included, front from left, McKinley Krueger, Emma Ginard, Hailey Rohlfs, Emily Gatzke, Kaydence Hodorff; back row, advisor Shawna Henke, Jamie Reilly, Sebastian Meyer, Morgan Cooper, Hunter Jordan, and advisor Bryce Funk (new middle school ag instructor).

McKinley Krueger placed third overall in the Swine Entrepreneurship proficiency contest at the State FFA Convention. Proficiency awards are given to students that have recorded countless hours and financial investment into their projects. Typically state proficiency awards are given to upperclassmen that have had more time in their projects, it is a great honor for McKinley to be honored in the top three as a freshman. McKinley has spent countless hours and capital on her swine project as she travels the midwest showing in jackpot and high caliber livestock shows, gaining partners and investors while learning the value of livestock nutrition and genetics to improve the quality of her livestock. We are very excited to see how far she will go and anticipate further success as she continues to grow in her swine entrepreneurship project.
