Campbell'sport High School celebrated its Homecoming last week with many fun events like dress-up days, Powder Puff football, Macho Man volleyball, a pep rally, the Homecoming parade, and it all culminated with the Homecoming dance on Saturday night, Sept. 25. After going a year without a Homecoming, it was a fun week for everyone. Reigning over the activities all week were court members, front from left, Tessa Homuth, Hala King, Carissa Heisdorf, Laci Lindsley, Maddie Ferguson, Samantha Zimdahl, Cheyenne Sache, Morgan Yahr; back row, Davion O'Laughlin, Nick Timm, Joseph Gardner, Nathan Waldschmidt, Braden Heltemes, Cullen Beisbier, AJ Koltz and Skylar Fryman. **PHOTO SUBMITTED**

Campbell'sport Superintendent Leaving At End Of School Year

BY ANDREA HANSEN ABLER
EDITOR

The Campbell'sport Board of Education, during its Monday, Sept. 27, school board meeting approved the resignation of district administrator Paul Amundson at the end of this school year. He will be leaving the district on June 30, 2022.

Amundson wanted to give the district time to find a replacement before he done. The school board will start discussing the process to find a new district administrator at the next school board meeting.

In other business, the board approved getting a certified surveyor map of the land south of Campbell'sport where the "school forest" is located. A question came up with the actual lot lines for that piece of property.

"You received a letter about the school forest," Amundson said. "It might be prudent just to get a

Local Fans Attend Ryder Cup

BY ANNE TRAUTNER
JOURNALIST

In what many have called a "once-in-a-lifetime opportunity," some local golf fans attended this year's Ryder Cup, which was held at Whistling Straits September 24-26. The U.S. team won the prestigious golf tournament, defeating the European team 19-9.

Some of the lucky fans volunteered their time working at the Ryder Cup, getting a close-up view of the world's top golfers as they competed in the tournament.

"Just hearing those guys talk to each other is fun. The camaraderie between those guys is pretty cool," said Ryan Finger, a Kewaskum resident who volunteered at the tournament along with his father and father-in-law.

This was not Finger's first time volunteering at a professional golf tournament. In 2012, he volunteered at the U.S. Women's Open, and he volunteered at the 2015 PGA Championship. At this year's Ryder Cup, he worked as a marshal.

"We, as marshals, have to make sure that nobody runs out on the hole, and that people are quiet and not on their phones while the golfers are nearby. And if they were to hit a wayward ball, we have to protect the ball, clear people away so that no one steps on the ball or moves the ball," Finger explained.

Nearly 4,000 people volunteered their time to work at the Ryder Cup. They worked

at a variety of jobs, with duties ranging from serving as marshals to putting scores on leader boards and working in the merchandise tent.

Fans came from all over the world to volunteer their time and to cheer on their favorite golfers.

The Wager

Dear Reader,

Those who truly practice the Christian faith strive to be Christ-like in our daily living. Jesus' two commands in the New Testament are to love God, and to love others as much as we love ourselves. Following His guidance helps us connect positively to those we meet on a daily basis – we try to accept others for what they are, help people in need, and treat others as we would have them treat us.

The question is, are His teachings true? More fundamentally, is there a God Who has found us through a speck of space and time, and does He actually give a damn? Or are we merely contriving our own religions and evolving spirituality throughout the ages to make ourselves feel good? This is the true test of faith – what to believe in the seeming absence of irrefutable evidence that we can see, hear, and feel.

If you are a betting man or woman, you might consider Blaise Pascal's theory on this. Pascal lived and wrote in the seventeenth century and came up with a novel thought. Suppose you had to place a bet on whether Heaven and Hell exist. What happens with each half of this wager? (I use the word "wager" intentionally, because that was the name of his essay: The Wager.)

• Option 1: You bet that Heaven and Hell exist, and you live a good, moral life. If you are right, then your reward is going to Heaven – a good outcome. And if you are wrong, at least you led a good life.

• Option 2: You bet that Heaven and Hell don't exist, and you pack your life full of sin and selfishness. If you are right, then you aren't punished by going to Hell, because Hell doesn't exist; but in a way you are punished, because everyone will avoid you and your evil stream of wreckage. And if you are wrong, and Heaven and Hell exist, well, guess where you are going.

It's a good argument for doing what is right. As for the larger question of God's existence... each of us must answer this in the quiet of our own soul. At the end of the day, perhaps we can truly believe that God is the ultimate datapoint of all universes, with infinite and universal power; that He will bring us to an electric, indescribable field of love in an afterlife that we can't even begin to imagine now... a love so omnipotent that even Satan can't resist.

Boltonville Firecrackers September Meeting Minutes

BY EDISON JAYCOX, AGE 8 CLUB REPORTER

The roll call question was, "How was your first day of school?"

We had a nature hike at Lions Den. It was fun and there were lots of mosquitoes.

Sunday, Sept. 26, our 2021 was our end of the 4-H year picnic, award ceremony and auction. We voted on our charter smart goal. We chose our goal. It was number 3, and that was our members will help new members feel welcome and create a feeling of belonging. We had officers nominated and elected. Kim is our new president, Edison is our new vice president, Molly is our new trea-

surer and Ellie is our new reporter. We voted on our club budget and our club charter.

We started talking about our club fall and winter activities. Next month is National 4-H week; our club will be celebrating by wearing our club shirts or the color green to our next meeting. We'll have a candy guessing jar and will be inviting a friend to join us at our next meeting.

Our next meeting is going to be Tuesday, Oct. 19, at 6:30 p.m. at the Boltonville Fire Station. We are having an ice cream social afterwards; please join us if you are interested in learning about 4-H. **THIS IS MY LAST REPORT, BYE!!!**

LAW & ORDER

Washington County Sheriff's Office Reports

Fatal Crash

On Sunday, September 26, at 2:39 p.m., the Washington County Sheriff's Office was notified of a single vehicle crash at County Highway A and Indian Lore Road in the Town of Farmington. Deputies responded along with personnel from Kewaskum and Boltonville fire departments, and West Bend Intercept.

Upon arrival, life-saving efforts were performed on the driver, a 71-year-old man, but were unsuccessful. A 64-year-old woman passenger was transported to Froedtert West Bend with non-life threatening injuries. Both occupants are from the Town of Farmington.

The crash remains under investigation, although a preliminary investigation revealed the driver had lost consciousness just prior to the crash, went off the road and struck a tree.

Crash With Injuries

On Saturday, Sept. 25, at 3 p.m., the Washington County Sheriff's Office was notified of a two-ve-

hicle crash located at the intersection of County Highway K and Addison Road in the Town of Addison. Deputies responded along with personnel from Allenton and St. Lawrence fire departments, Hartford Rescue and Lifestar Rescue.

The first vehicle was occupied by an adult male and female from Illinois. Both of them had to be extricated and suffered minor injuries. The second vehicle was occupied by an adult male from Hartford. He was transported to the Hartford airport, in order for a Lifenet helicopter to transport to Aurora Summit. His injuries are unknown.

The crash remains under investigation, although a preliminary investigation revealed that the offending driver had failed to stop at the intersection.

Infant Death Investigation

The Washington County Sheriff's Office is investigating the circumstances surrounding the death of a four-month-old female infant at a campground in the Town of Farmington on September

21. The mother, a 38-year-old Washington County woman, called 911 at 7:34 a.m. and reported her infant was not breathing and she was attempting to drive her infant to a medical facility. Deputies were able to meet the mother on Lakeview Road at County Highway A and take over CPR from a family friend and good Samaritan until medical responders arrived on scene.

The infant was transported to Froedtert West Bend where she was subsequently pronounced deceased. The preliminary investigation suggests the baby had been sleeping in bed with the mother overnight. Washington County detectives continue to investigate the exact circumstances leading up to the tragic death.

The sheriff's office would like to extend its gratitude to the good Samaritans, the responding deputies, Fillmore First Responders, Newburg Rescue and West Bend Intercept, all of whom attempted lifesaving efforts on the infant.

OBITUARIES

Rosemary Barth

Rosemary Barth (nee Slavik), age 91, passed away on Tuesday, September 21, 2021, at the Kettle Moraine Gardens in Kewaskum with her family present.

She was born on October 5, 1929, in Young America to Wenzel and Marie (Gruber) Slavik.

She married Roman Barth on October 6, 1948, at Holy Trinity in New-

burg. Prior to marriage, she worked at Enger Kress as an inspector. After marriage, she worked as a house and farmer's wife.

She was a member of St. Mary's Little Kohler altar committee. She also served with the Christian Mothers Organization, taught CCD and sang in the choir. Rosemary belonged to the Veterans of Foreign Wars Waubeka Auxiliary and served as an election official for many years.

Rosemary is survived by her children, Gerald (Susan), Allen (JoAnn), Philip (Penny), Kathy (Allen) Broecker, James (Darci), Donald (Jill), Robert (Monica), Steven (Diane); grandchildren, Ryan (Rachel), Travis (Sara), Matthew (Robin), Austin and Aaron (Kristin) Barth, Tracy (Rachelle) and Cliff (Shannon) Broecker, Vicki (Adam) Arentz, Rachel (John) Krebs, Rose (Ben) Dotson, Riana (David) Lovelady, Roman Barth, Robin (Chris) Pekarek, Cassandra (Brandon) Friese, Amanda (Rob) Kuen, Olivia (Justin) Ernst, Elizabeth (Zeek) Collins, Jacob, Ellie, Samantha and Brynne Barth; 33 great-grandchildren; siblings, Elizabeth Mapes, Eileen Steger, Richard Slavik, Pat Mueller, Janice (Joe) Klahn, Jean (Sylvester) Krahn, Robert (Carol) Slavik, Raymond (Diane) Slavik; and brother-in-law, Bernard (Dorothy) Barth. She is further survived by Aunt Johanna Fischer; many nieces, nephews, other relatives and friends.

Rosemary was preceded in death by her husband, Roman; parents; parents-in-law; two infant siblings shortly after birth; sister, Laverne (Kenny) Schoebel; sisters-in-law, Joan Slavik, Judy (Leonard) Barth; brothers-in-law, Lloyd Mueller, Joseph Steger and Harold Mapes.

A Mass of Christian Burial was held at 12 noon on Tuesday, September 28, 2021, at St. Mary's Immaculate Conception Catholic Church (Barton) (406 Jefferson St., West Bend, WI 53090) with Fr. Nathan Reesman presiding.

Visitation was at church on Tuesday, September 28, from 10 a.m. until 11:45 a.m.

Private family interment at St. Mary's Cemetery Holy Rosary in Little Kohler.

In lieu of flowers, memorials are appreciated to American Heart Association, Alzheimer's Association, or Arthritis Foundation.

A special thank you to Angie, Jenni and all the wonderful staff at Kettle Moraine Gardens for the companionship and care given to Rosemary. They would also like to thank the staff of Preceptor Hospice for all of the help and care they provided.

Maureen Ann Dickmann

Maureen Ann Dickmann, 71, of Eden passed away Thursday, September 23, 2021, at St. Agnes Hospital with her family gathered around her.

She was born on March 6, 1950, the daughter of Reilly and Ardella (nee Salter) Flaherty. On November 28, 1970, she married Allen K. Dickmann at St. Mary's Catholic Church in Eden.

Maureen worked as a Teacher's Aide for Campbellsport School District and also Kohl's Department Store. She was a member of S.A.P.P.S. (School Aides Past and Present) and enjoyed going out to lunch with the members. Maureen was always up for a game of cards, especially "Sheephead" or Euchre. Maureen was a voracious reader and enjoyed going to book club with her friends. She never had enough books for her children and grandchildren, and cherished time spent reading to them. Along with reading, she had a deep love for gardening, hosting holidays, home cooking and baking. Maureen loved having her grandchildren help her cook and bake; your belly was always warm and full when you went to visit her. Everyone was welcomed into her home with a heart-warming smile and a home cooked dessert.

Maureen couldn't wait to spend time with her family, watching her grandchildren's activities and playing sports. She treasured being able to watch them grow and was unbelievably proud of who her children and grandchildren became. The only thing Maureen ever bragged about was her family, and more recently her corn hole victories. She was the life of the party and was the prankster of the group, although she never enjoyed retribution for her pranks. Maureen's laugh was incredibly warm and infectious and from the moment you met her, you could feel her beautiful personality. She lit up every room with her warm, kind heart and smile. Maureen would do anything for the special people in her life and was an amazing, caring, compassionate, empathetic, wife, mother, grandmother, sister, and friend.

Those left behind to cherish her memory are her beloved husband of 50 years, Allen Dickmann; her son, Jeffrey (Lisa) Dickmann; and daughter, Julie (William) Bradley; and her grandchildren, Drew and Tyler Dickmann and Aidan and Claire Bradley. She is further survived by her sisters, Kathleen (Raymond) Salm and Deborah (Richard) Martiny; and brothers, Michael (Patricia) Flaherty and Timothy (Roberta) Flaherty; her brother-in-law, Thomas (Beverly) Dickmann; and many nieces, nephews, other relatives, and friends.

In addition to her parents, Maureen was preceded in death by her brother, Terrence Flaherty.

Visitation was held Tuesday, September 28, from 4 to 7 p.m. at Shepherd of the Hills Catholic Church, W1562 County Road B, Eden.

A Mass of Christian Burial followed at 7 p.m. at Shepherd of the Hills Church. Rev. Mark Jones officiated.

In lieu of flowers, a memorial in Maureen's name will be established.

The family extends a special thank you to the doctors, nurses and staff of St. Agnes Hospital ICU.

Twohig Funeral Home, Campbellsport, is serving the family with online guestbook and condolences at www.twohigfunerals.com.

Joseph Kurer

Joseph "Joe" Kurer, age 26, of Fond du Lac, passed away September 22, 2021.

He graduated with honors in 2013 from Saint Mary's Springs Academy where he received the Sister Michaela O'Brien Servant Leadership award for his service to others. Joe was very patriotic and took great pride in tending to the American flag while

attending school at St. Mary's Springs.

Joe majored in Criminal Justice and Homeland Security at Marian University graduating with honors in 2017. He also attended Fox Valley Technical College where he obtained his Wisconsin Law Enforcement Officer Certification in 2018.

Joe married his wife at St. Mary's Catholic Church in Appleton on August 17, 2019. It was one of the happiest moments in both of their lives and they were blessed to be able to celebrate the beautiful moment with their closest family and friends.

Joe's sense of duty and compassion for others led him to his career in law enforcement and the military. As a teenager, he participated in the Civil Air Patrol as a Cadet Non-Commissioned Officer, where he received the Air Force Sergeants Association NCO of the Year award. Joe was also currently serving as an Aviation Operations Noncommissioned Officer (Sergeant) with the United States Army, Wisconsin National Guard. He was awarded an Army Commendation Medal and Army Achievement Medal during his time of service.

Joe served as a Community Service Officer at the West Bend Police Department where he began his career in law enforcement while attending school. One of Joe's proudest days was August 6, 2018, when Joe was sworn in as a Police Officer for the Fond du Lac Police Department. His roles included membership to the Domestic Violence Intervention Team, Tactical Field Force Team, the Honor Guard Unit, and served as a Field Training Officer. Joe also received the City of Fond du Lac Police Department Life Saving Award while working for the Police Department.

Both on and off the clock, Joe made his commitment to others a top priority and never hesitated to help someone when they were in need. Joe's most valued moments were the times that he spent with his family. He took greatest pride in all of his son's accomplishments and watching him grow into an incredible young man. With his wife and son, they would enjoy cooking together, listening to music, and laughing over stories. He was also looking forward to raising his daughter and seeing what kind of woman she would become. He would talk about the lessons he would teach her and the moments he would cherish. When Joe did finally take time for himself, he would spend most of his time being outdoor either at the woods or in his garage. He was always working on projects and using his hands to fix or create something for those he loved. He will be remembered for his strong faith and his desire to make a difference by serving others.

Joe is survived by his wife, children, parents, and sister. He is also survived by many family and friends that poured out their endless love and support during Joe's illness. Joe was preceded in death by his paternal grandfather, William. We are forever grateful for all of you that supported Joe and us during these difficult times in addition to all of the health care workers that cared for him.

Joe's family invited relatives, friends and fellow officers for visitation to Holy Family Catholic Church, 271 Fourth Street Way, Fond du Lac on Tuesday, September 28, from 3 p.m. to 8 p.m. and again on Wednesday, September 29, from 9 a.m. to 10:30 a.m. A Mass of Christian Burial was celebrated Wednesday at 11 a.m. Masks were required. Law enforcement honors and military honors followed Mass. Joe will be laid to rest at a private burial service.

Heroes Of The Holyland — Ambrose Lisowe, Sr.

Ambrose Lisowe, Sr. was born in Brothertown on April 26th, 1926, the oldest child of Irene and Leo Lisowe. He grew up during the Great Depression, helping his family on their farm.

Ambrose had three brothers, Claude, Martin, and Marvin, and one sister, Mary. When he got to school age, he walked the one-and-a-half miles (both ways) to school in Jericho. Occasionally if they were in town, or the weather was too cold, his dad or a neighbor would give him a ride home. After graduating eighth grade, he went back to helping his family on their farm.

Ambrose was drafted into the US Army on January 4, 1946. His parents, fearful of losing their oldest son, decided to have another child so they wouldn't have time to think about his death if he did not come home. Mary was born while her 20-year-old brother was serving in the Army.

Ambrose went to basic training at Camp Crowder in Minnesota. After basic training, he served as a hospital orderly at Oliver General hospital in Augusta, Georgia. He was discharged on May 6, 1947.

In 1951, Ambrose's brother Martin was drafted in the Army and served as a cook in Korea until being discharged in April 1953.

Besides his brother, Ambrose had four brothers-in-law who served in the military:

- David Heller was drafted into the Army in 1966, serving in Vietnam as a truck driver until being discharged as an E5 specialist in 1968.
- Wilbert Stecker was drafted into the Navy, serving from 1945-1946 in maintenance as a fireman 2nd class. He was stationed in the port of Oregon.
- Herman Stecker enlisted and served in the Navy in 1952 serving on the USS Gilmore.
- Allen Stache was drafted into the Navy from 1952-1955, serving as Fireman I on the USS Marion County.

Ambrose met his future wife while driving his best friend, Pat Amel and his date, Lorna Stecker home from a dance. After Pat fell asleep in the back seat, Ambrose talked to the pretty redhead as he drove her home to Hilbert, asking her out on a date, and the rest was history.

They dated a few years, and were married on February 8th, 1950, in Potter. Ambrose and Lorna have 10 children: Jim, Don, Jerry, Karen, Rosemary, Chuck, twins Mariann and Marilyn, Ambrose, Jr., and Joe.

In the early 1960s, Ambrose saw a farm he really liked and told himself that one day he was going to buy that

farm. In 1965, he and Lorna bought the 200-acre Paul Langenfeld farm, one of the bigger farms of that time.

In 1971, Ambrose and Lorna's oldest son, Jim was drafted in the army, driving truck on convoys in Thailand and Cambodia for five months before being assigned to drive the colonel's jeep. He was discharged in April of 1972, as an E4 Sargeant.

Ambrose and Lorna's daughter Karen married Duane "Jack" Heller who was drafted into the Army in 1969, serving as a Mortar Combat Sargeant. He was discharged in July of 1971 as an E5 Sargeant.

As their family grew to include spouses and grandchildren, Ambrose and Lorna bought neighboring farms, and all three generations could be found working on the farm. In 1979, Ambrose and Lorna consolidated the farms by forming A&L Lisowe and Sons, Incorporated. By this time they did custom work for area farmers, besides their own field and farm work.

Ambrose has always loved farming. As a true farmer, it's still his favorite subject to talk about. While

Ambrose managed the operation of the farm, Lorna handled all the bookwork, oftentimes working late into the evenings, accounting for every penny.

Ambrose has three grandchildren who enlisted in the service. His grandson, Allen Lisowe (Jerry) enlisted in the Army from 1992-

1995, and was discharged as an E4 Specialist, serving as a cook in South Carolina.

ciated the patriotism at the event.

“That was really cool seeing people cheer for their countries. Fans were there from Europe, all cheering on their guys even when they were behind,” Uhlig said.

But the U.S. fans outnumbered the fans who traveled from abroad. Many U.S. fans wore Uncle Sam hats, and chants of “U.S.A.!” could be heard across the course.

“I watch it on TV every year, but being there in person is totally different, like the Fourth of July times 100. I saw more red, white and blue than I have seen in years. The U.S. fans were just awesome,” Uhlig said.

Highlights for Uhlig were seeing Steve Stricker (U.S. captain) and Freddie Couples (U.S. vice-captain), as well as watching Patrick Cantlay and Xander Schauffele golf. Uhlig, who coaches the Kewaskum High School girls golf team, also enjoyed the teamwork that developed during the Ryder Cup tournament.

Fans cheer on the U.S. team at the Ryder Cup, which was held at Whistling Straits this past week. Even Abraham Lincoln and an old-time baseball player showed up at the event.

Ryan Finger of Kewaskum is one of the local volunteers who worked at the Ryder Cup, which was held at Whistling Straits this past week. He is pictured standing in front of the grandstand that surrounds the first tee.

“The Ryder Cup gives the players a sense of teamwork as they come together for their country. It is one of the few team events that they have in the professional golf scene,” she said.

Stricker, who hails from Wisconsin, led the

U.S. team as captain.

“It’s been the greatest honor of my career to represent the United States as @RyderCupUSA Captain. I can’t wait to get started on Friday and watch this special group of players com-

pete in front of my fellow Wisconsinites,” Stricker tweeted last Wednesday, Sept. 22.

The European golfers commented throughout the week about the welcoming reception they received.

“I would definitely say the Wisconsin people are really nice. We have been well received here,” Pádraig Harrington, captain of the European team, said.

Even with last week’s loss, European golfers expressed how much they valued the experience.

“It has been a tough week. The more and more I play in this event, I realize that it is the best event in golf, bar none. And I love being a part of it. I can’t wait to be a part of many more. It is the best,” an emotional Rory McIlroy told reporters after finishing his final round for the European team on Sunday.

To accommodate the influx of people who assembled in the area over the past week, JK Rentals, which is based in Kewaskum, provided tent structures.

“We had one tent at Whistling Straits that the European team used, we had a bandshell-type structure with a stage in downtown Kohler for concerts, and then we had other tent structures at various locations throughout Sheboygan for corporate parties and other gatherings,” said Rich Green, controller and account executive for JK Rentals.

JK Rentals, which has been in business for 35 years, provides tents for events across the U.S., according to Green.

“Over the years we have been growing, and

A Day of Music for All Ages

Join us on Saturday, Oct. 16, for a day of music and merriment at the Halloween Fall Fest running from 3 p.m.-9 p.m. The Fest will be held at the Mauthe Lake Recreation Area of the Kettle Moraine State Forest - Northern Unit, which is located at N1490 County Road GGG, Campbellsport (south of County Road SS near New Prospect). A Wisconsin State Park System vehicle admission sticker is required.

Ken Lonnquist

Inside the Mauthe Lake Picnic Shelter from 3:30 p.m. to 5:30 p.m., Ken Lonnquist will perform his Pumpkinland concert filled with original songs for the season. This award-winning songwriter and entertainer hails from Madison.

He performs for audiences all ages in a wide array of musical styles. His kids' songs are flat-out unique — insightful, rib-tickling and literate — even old codgers and hard-bitten young teenagers love them. Ken doesn't just write for the younger crowd, but also for adults who chuckle at his sharp wit and empathize with his heartfelt ballads. His gift for improvisation engages audiences from audience interaction and songs made up right on-the-spot.

To top off the evening from 6:30 p.m. to 8:30 p.m., the Shady Grove Bluegrass Band will take the stage. This Fond du Lac band will get your toes tapping with their lively bluegrass tunes. You may be inspired to jump up and dance to a tune or two!

For more information about these wonderfully entertaining family concerts, the fest, or directions, contact the staff at the Ice Age Visitor Center. The staff can be reached at (920) 533-8322. The center is open Wednesday through Friday from 8:30 a.m. to 4 p.m., and on Saturday and Sunday from 9:30 a.m. to 5 p.m.

Fond du Lac County Farmer To Hold Hands-On Soil Health Clinic

Local farmer Dale Theel, of Greendale Farms, in partnership with Between the Lakes Demonstration Farm Network, is holding a soil health field day at his farm on Wednesday, Oct. 20, from 10 a.m. to 2 p.m. and the public is invited to attend.

Come out to the farm to see soil health practices in action, and to learn from farmers, agronomists, and soil health educators about how you can put soil health practices to work on your land. This field day will provide attendees the opportunity to see a variety of different cover crops, view soil and roots through a soil pit, and to watch a native prairie installation with a prairie strips planting

demo.

This event is free to the public, with coffee and baked goods from Higher Grounds Coffee Shop in Beaver Dam provided in the morning and lunch from Eden Catering provided in the afternoon. Please register by October 13th for an accurate count for lunch. To register, visit <https://go.wisc.edu/soilhealthclinic-register> or call (608) 590-5758. The largest event that JK Rentals provides tents for annually is the Mecum Auto Auction held in Kissimmee, Florida, every January. JK Rentals transports at least 27 semi loads of equipment for that event each year.

The Ryder Cup is held every two years, with the United States and Europe alternating turns hosting the tournament. The 2023 tournament is scheduled to be played in Rome, Italy.

She was stationed in Hawaii next to Pearl Harbor, where she met her husband Tim, who worked on the flight line unloading cargo from C130's. Between the two of them, they've had tours of duty in Australia, Japan and Korea. Tim, who enlisted in 1992 was discharged as an E4 in 1997, while Jenny was discharged as an E4 in 1998.

Ambrose's grandson Zackary Lisowe (Ambrose, Jr.) is currently serving in the Air force in North Dakota.

In 1999, Ambrose and Lorna moved off the family farm to a small ranch-style home. At the time, Ambrose was still very active in farming, spending most of his days at the farm, mostly driving tractor. As the book work became more complicated, much of it was turned over to an accountant, with Lorna still doing payroll.

Crews started tearing down St. Joseph Convent in Campbellsport last week. The past year was spent clearing items, including those that could be reused, from the building before final demolition began. It brings the end of an era in the Campbellsport community. The School Sisters of St. Francis had been in the community for more than 150 years and moved out of St. Joseph's almost two years ago.

Steve and Maggie McCullough of Mt. Calvary were not expecting it when the notice came to them. Maggie was simply thinking she would receive a kneeling pad. But, the couple found out they were the lucky recipients of \$5,000 worth of landscaping through the American Transmission Company's Grow Smart Sweepstakes. In July, the couple met with horticulturist and gardening expert Melinda Meyers as well as representatives from Stuart's Landscaping and Garden Center to discuss options. The project is now finished.

Jeremiah Zook of Eden was selected to attend the Citizenship Washington Focus trip through the National 4-H organization. It is a week-long 4-H citizenship program for youth ages 14-19. It is meant to strengthen their communication, leadership, and citizenship skills on a national level; understand the importance of civic and social responsibilities as they relate to the development of better citizens and leaders; exchange ideas, practice respect, and form friendships with other youth from diverse backgrounds; and experience hands-on learning using the historical backdrop of Washington, DC.

A 40th anniversary/reunion of the Campbellsport girls cross country team will be held October 6. The team began its existence in 1976 with Jill Bauer (Carini), Sonja Fritsche (Covington), Anita Meyer (Day), Julie Hensen (Rasmussen), and Cory Carlson.

The Campbellsport football team beat Kettle Moraine Lutheran 28-0.

It was a once-in-a-lifetime wake-up call for the Koepke family of Dundee. Ty Pennington, host of ABC's Extreme Makeover: Home Edition, was screaming at them to wake up and come outside. The family had been chosen as the Wisconsin family to receive an Extreme Home Makeover. Along with the designer team, there were 500 construction workers who volunteered their time as well as more than 1,000 volunteers for other jobs around the site. The family was sent to San Diego for a one-week vacation. The old house was demolished in about a half hour and the new home was scheduled to be completed in a week.

Campbellsport High School students celebrated Homecoming last week. Court members were Travis Duley, Jordan Gonring, Ryan Galligan, Alli Zurn, James Stukenberg, Brittany Schmidt, King Tim Geiger, Queen Kaitlin Mueller, Brett Stageman, Maggie Karoses, Austin Sarauer, Samantha Hull, Tate Schill, Randi Erdman, Nate Denzin, and Arielle Bauer.

Sr. Emmalin Recker celebrated her 100th birthday September 21. She credits her work making books out of religious Christmas cards for her longevity. The only surviving member of her 10 siblings, Sr. Emmalin wrote her biography.

Rory Thelen, a sergeant at the Kettle Moraine Correctional Institution, will be the recipient of the Boyd Spikerman Award presented by the Wisconsin Correctional Association. He was nominated by Captain William Pollard. The award recognizes the recipient for dedication to the mission, goals and programs of corrections and for bringing credit and honor to the profession. Thelen will be promoted to the rank of captain effective this month.

At the Eden Village Board meeting, wording for the official referendum ballot regarding the Bengel property was presented to the board for approval. The board approved the following wording with a box of YES or NO to check beneath: Shall the Village of Eden be authorized to borrow an amount not to exceed \$25,000 for the acquisition of the Bengel property for a public park?

St. Matthew's Junior High has been a part of the Wisconsin Adopt-a-Highway project for the last several years. Sixth, seventh and eighth grade students clean a one-mile section of Highway 45 three times a year. They did so at the start of the 1996-97 school year.

First place winners in the Bishop Salvator Schlaefter Council 11301 of the Knights of Columbus Punt, Pass & Kick Competition have been announced. For the boys, the first place winners include Justin Schmidt of Campbellsport for the eight- and nine-year-olds, Tim Volz of Campbellsport for the 10- and 11-year-olds, and Quentin Hanson of Kewaskum for the 12- and 13-year-olds. The first place winners for the girls were Sarah Glass of Eden for the eight- and nine-year-olds, Abbey Russell of Campbellsport for the 10- and 11-year-olds, and Kim Ketter of Eden for the 12- and 13-year-olds.

Campbellsport's volleyball team has won three tournaments this year. The most recent was an undefeated result at the Weyauwega Tournament.

Enough parents were present Monday night at a Boy Scout organizational meeting at the Scout Center in Firemen's Park to make it possible to continue Cub Scouting in the village and also add help for the Boy Scout troop. Forty-two boys age eight through 10 came wanting to be Cub Scouts and another 10 indicated they want to be.

Lester Strobel, a member of the Town Board of Ashford for past 17 years and chairman for the past five, has sold his farm in the Town of Ashford and will be moving to Kewaskum. He has resigned as chairman.

Chief Joe Thelen, first assistant Dude Feuerhammer, and engineers Bob Breitzman and

Sylvester Wenzlaff of the local fire department, were in La Crosse Saturday and Sunday attending a fire fighting school on gas and gasoline fires.

On September 25, Campbellsport's cross country team travelled to Albany, near the Illinois border, where many of the strongest small and medium-sized state cross country teams met in the original relay-style cross country meet. When the smoke cleared, the Cougars emerged as champions of the medium school class.

A son, Jason Jon, was born September 21 to Mr. and Mrs. Duwayne Wolf.

Agnes Wenzel, 75, former local resident, passed away September 25.

Legion and Auxiliary members will hold a meeting at the club rooms on October 3. The Legion has been notified by the Navy Department that they will send a representative here for this meeting to make a presentation of an air medal to one of Campbellsport's veterans.

Three Campbellsport men were chosen as officers or directors for the Pure Milk Products Co-Operative's Kewaskum local at the annual meeting. Donald Koch is the secretary/treasurer and Gregor Weis and Lewis Hendricks are two of the directors. Arthur Vohs of Campbellsport was one of the two men named as delegates to the state convention. He was chosen to sit in on convention by-laws and resolutions committee. Hendricks is an alternate.

The newly-organized VFW post held its second bi-monthly meetings Tuesday night. Having received the proper authority, the green light was given to elect permanent officers who will govern the post until April 1947 when annual elections are conducted. All members are urged to attend so the best qualified veterans are installed.

The Community Fair and Baby Prize Contest held yesterday at the New Opera House, under the auspices of the Campbellsport Community Center, drew a large crowd and the exhibits were much more numerous than those in charge had anticipated. Elizabeth Hartman was the winner of the Babies - over one year category. James Foley was the winner of the Babies - under one year.

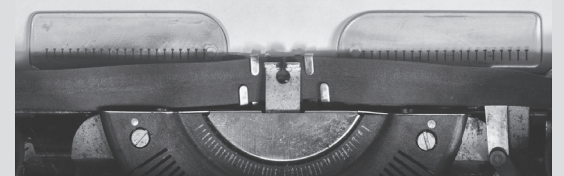

In a hotly contested and exciting game of baseball at Waucousta last Sunday, the Random Lake team defeated the Waucousta boys by a score of 9-3.

The Brooklyn Dodgers, runners-up in the National Series a year ago, will visit Fond du Lac on October 8 to play an exhibition game with the Rueping Athletic Club. The St. Louis Cardinals visited a year ago. It is a big expense to bring the Dodgers here, and every effort will be made to bring out a crowd in order to break even.

Wm. Martin of Campbellsport was elected secretary of the Fond du Lac Rural Letter Carriers' Association. He and Richard Hodge of Campbellsport were two of the delegates named to the state convention to be held in Wisconsin Rapids next year.

KEWASKUM'S DAYS GONE BY**5 Years Ago****October 6, 2016**

Farmington resident Gordon Haberman is one step closer to bringing Saudi Arabia to justice for any role it may have played in the terrorist attacks that killed his daughter. Andrea Haberman was in the World Trade Center on September 11, 2001. Congress on September 28 resoundingly voted to override President Barack Obama's veto of the Justice Against Sponsors of Terrorism Act. New legislation allows families of those killed in the terrorist attacks that day to sue Saudi Arabia. Haberman is one of 19 people who served on the national JASTA family committee that developed and presented the anti-terrorism bill to U.S. legislators. The committee represents more than 9,000 family members and survivors of the 9/11 attacks.

For years, Isabelle Muckerheide routinely sent in articles to the Statesman about her family reunions. The most recent submission was published two weeks ago. Isabelle passed away September 20 at the age of 96.

Area residents came out in full force on September 24 as more than 700 participants turned out to support the Walk To End Alzheimer's at Regner Park in West Bend. This year's event saw a 33.17 percent increase in money raised over 2015 and a 16.67 percent increase in participants, making it an all-time record-breaker in the event's five-year history.

The Kewaskum Village's zoning map has been updated to reflect approved village rezoning amendments, conservancy zoning for primary environmental corridors, and isolated natural resource areas. Last month, letters went out to 250 village residents to alert them on the rezoning.

Students at Farmington Elementary School were excited to take part in a Mini KEYS Run/Walk at the school on Monday. The event gave the students a taste of what it would be like to compete in the actual KEYS 5K Run/Walk, which is scheduled for Sunday.

The Allenton Fire Department welcomed a new fire truck, Engine 1361, to its fleet with a "wet down" ceremony on September 28.

Kewaskum's volleyball team had a great run at the annual Cedar Grove-Belgium Invitational as the Lady Indians made it to the championship match. Unfortunately, Kewaskum lost 18-25, 25-21, 12-15 to the host team.

In the Homecoming game against Kettle Moraine Lutheran, the Kewaskum Indians won 56-0, scoring in the first, second, and third quarters. The victory gave Kewaskum a 4-1 conference record and a 6-1 overall record.

Doubles partners Kassidy Lange and Hannah Preder qualified for the Division 2 Tennis Sectionals. The duo defeated Dominican's Kyle Thompson and Syd Jenkins in straight sets at sectionals by the scores of 6-4 and 6-2.

The season has ended for the combined Kewaskum/Campbellsport golf team. The team finished sixth at Regionals.

Kewaskum's soccer team had a 6-1 win over Winneconne on September 29. Two days later, the Indians traveled to the annual Denmark Tournament and played three games. Kewaskum won the first game 5-0 over the host team, tied Random Lake 1-1, and lost 3-0 to Clintonville.

Janet M. Rohlinger, 78, Kewaskum, passed away September 30. Bernice R. Krueger, 86, West Bend, passed away September 29. Mary E. Biersack, 82, West Bend, passed away October 1.

Procedures used in obtaining signatures in Kewaskum School District's first ever recall election are under the microscope. Findings of a more than nine-month investigation into how circulators obtained over 500 signatures to oust board

member Neal Weare will soon be made public. Weare stated that he brought the matter to the Washington County District Attorney's office after he found between 60 and 70 questionable signatures. He contends that he did this before losing that election by a 3-2 margin in mid-December. Washington County Sheriff Brian Rahn states that a detective has concluded his investigation and has requested charges for eight individuals, one a Kewaskum School Board member. The district attorney's office will now decide if there is enough evidence to charge the individuals.

About 400 volunteers charged down Highway 67 in Dundee on September 29 as Extreme Makeover's staff got ready to redo the home of the Koepke family. Thousands of people watched as the demolition began the following day.

Kewaskum Police Department requested charges of fleeing an officer, failure to stop, reckless driving causing bodily harm and operating while revoked (third offense) on Wednesday for Ryan Wendland, 19, of Germantown. Kewaskum police were called dispatched by the Washington County Sheriff's Department to watch for a vehicle that was reported to be driving recklessly and almost causing an accident on State Highway 28 in the Town of Wayne on October 2. They found it and a pursuit began.

Businesses have been warned against a printing company that may contact them to advertise, claiming a percentage of the proceeds go to the Kewaskum schools. Kewaskum High School Associate Principal Thomas Fischer stated school officials learned that an Ohio printing company named HR Graphics has been doing just that. Fischer wants businesses to know that is not true.

The Kewaskum Public Library was recently a recipient of a book rack donated by the Kewaskum Women's Club.

The new leaf vac has arrived in time to relieve residents the work of placing leaves in bags for curbside collection. The new leaf vac will suck leaves off the grass next to the curb. A bin is still available for those residents who want to continue bagging their leaves. Residents can empty the bags into the bin at the public works yard.

Lines are being memorized, songs are being rehearsed, and many new dance steps are being learned by the cast of "42nd Street."

By placing fourth in the Division 2 Regional competition at Oakwood Golf Course in Franklin, the Kewaskum High School girls golf team qualified for a spot in the Sectional competition.

The Kewaskum volleyball team bounced back after a loss to Kettle Moraine Lutheran earlier in the week to defeat host Kiel 25-12, 25-23, and 25-19.

Homecoming was successful for the football team as the Indians defeated Sheboygan Falls 21-7.

A son, Jaxson Danger, was born September 24 to Ryan Liersch and Geri-Beth Stigen of Kewaskum.

The Distinguished Flying Cross for heroism with First Oak Leaf Cluster for heroism, the Air Medal for heroism, and the Purple Heart will be awarded posthumously to Warrant Officer James Manthei of Kewaskum, who was killed in action March 21, 1971. The 20-year-old was co-pilot and gunner on a military aircraft that was shot down over Southeast Asia. He had entered military service September 17, 1969.

Police Chief Donald Hlavaty cited the need for a third full-time police officer to the members of the village board Monday night. He did not expound of the facts behind his request but told the board members they could look at his log book. The matter was referred to committee for recommendation. He also presented a proposed schedule under which the three full-time and two part-time officers would work.

The board of education decided Monday night to call for figures on the tax impact that could be expected from a building expansion program on which it hopes to call another referendum "as soon as we have all the answers - no later than the first of the year." This will be the third attempt this year to put through a bond issue.

In another Saturday afternoon game away from home, the Kewaskum Indians again came through with a victory by defeating Grafton 18-6.

Jacob Janz, 80, Kewaskum, passed away September 29. Louis J. Riesch of West Bend passed away September 26.

Kewaskum Kiwanis Club Turkey Shoot Is This Saturday

BY ANNE TRAUTNER
JOURNALIST

The Kewaskum Kiwanis Club will hold its annual Turkey Shoot this Saturday, Oct. 2, from 10 a.m. to 4 p.m. The event will be held at the West Bend Barton Sportsman's Club, 3450 Trapshoot Lane in Kewaskum.

The Turkey Shoot is the club's largest fundraiser it holds each year. Because of the pandemic, the Kiwanis Club was not able to hold a Turkey Shoot last year.

"I'm very happy that we will be able to hold our 70th annual Turkey Shoot this year. In talking with people around town and in the area, they are also excited that the event is making its return this year," said Mark Yanke, who is heading up the event.

Yanke also is becoming the Kewaskum Kiwanis Club's new president, beginning in October. He will replace Bret Richards, who has been involved with the club for about 10 years.

"We have a really good board right now. I am leaving the club in really good hands," said Richards, who served as vice president before becoming president in 2017.

During Richards' tenure as president, the Kewaskum Kiwanis Club, which has no political affiliations, has donated to many different causes, all to benefit children. To meet that end, Richards said he has enjoyed working with different business leaders in the community.

"The businesses have been very generous with the Kiwanis Club," Richards said. "And I appreciate all the support we have received from leaders in the community. The village president is very helpful to work with, and the club is looking forward to working with the new village administrator. And we appreciate all the support we get from the village trustees."

Richards feels his biggest accomplishment, though, perhaps is that club membership has grown under his leadership.

"That is an extremely hard thing to do. And probably the thing I am the proudest of is that the new members are young," Richards said.

Richards would like to see membership continue to grow.

"The club is such a unique group, from school-teachers, to businesspeople, to retirees. It is a good mix of like-minded people who are all driven to make the community and the kids in the community better. I see it working, I really do," Richards said.

Yanke hopes to help continue the club's legacy of helping young people.

"I am looking forward to becoming the new Kewaskum Kiwanis Club president as we start our 75th year as an organization," Yanke said. "I have always enjoyed working with kids. Whether it was coaching Little League while I was in high school, 'Y' soccer for nine years once my girls started school or being on our Kiwanis scholarship committee, I enjoy seeing them grow and succeed. I feel through this organization I can still help that happen. We have a dedicated group of individuals who truly believe in the Kiwanis motto, 'serving the children of the world,' not only in this community, but those that surround us also."

Donations

Since the first Kewaskum Kiwanis Club Turkey Shoot was held in 1952, the Turkey Shoot event has raised over \$500,000, all of which has been given back to the community. A few of the community projects the Kewaskum Kiwanis Club has supported are:

- Purchasing iPads to help children with autism.
- Sponsor Missoula Children's Theatre each year in Kewaskum.
- Donated \$75,000 to purchase land to develop Kewaskum Kiwanis Community Park and a further donation of \$30,000 for a new shelter building.
- High School Students of the Month program

in which two students are honored each month during the school year.

- Purchased two "Jaws of Life" extraction equipment and defibrillator equipment for the Kewaskum Fire Department.
- Longtime sponsor of Boy Scouts of America and Girl Scouts programs—sponsored Boy Scouts of America since 1949.
- Donated matching funds of up to \$7,500 for a thermal imaging camera for the Kewaskum Fire Department.
- Contributed \$10,000 to the construction of the Kewaskum Community Pantry.
- At River Hill Park, donated \$25,000 to rebuild the new kitchen (hamburger stand), \$15,000 to remodel the ice cream stand and \$3,200 to update the bandstand.
- Donated \$10,000 toward the building of the Kewaskum Theater.
- Donated \$7,500 in the memory of Wayland Tessar to the Kewaskum Athletic Association for a new "gator" for diamond use.
- Donated \$8,000 to the Kewaskum Athletic Association for improvements of the concession stand at Kiwanis Park.
- Donated \$8,000 to the Kewaskum Youth Soccer Organization for the construction of a concession stand at Reigle Family Park.
- Awards four scholarships totaling \$7,500 to Kewaskum High School students each year.

Want To Join?

The Kewaskum Kiwanis Club is always looking for new members; membership is open to everyone. The club has a dinner meeting from 6 to 7 p.m. at El Pig Butts in Kewaskum every Monday except the second Monday of the month. Attendance is not mandatory. Annual membership dues are \$120, plus a meal cost for meetings attended. To become a member, contact any current member or email kewaskumkiwanis@gmail.com.

survey. I am checking that out and have calls out to several surveyors.”

Board members agreed with that thinking.

“It’s a good idea for us to have it,” said Danielle Neitzel. “I don’t think it is an unnecessary cost on our end.”

The board also approved the bus contract with Johnson Bus for the school year. They also approved an FFA field trip to Indianapolis for the National FFA Convention.

Eden Elementary School principal Jenni Tamblingson presented the board members with bags of flavored popcorn as a treat to say thank you for their service to the school board. She did that in recognition of the upcoming school board convention.

“It’s important that we honor and recognize your service to the community,” Tamblingson said. “On behalf of the administration, our staff and our students, we thank you.”

COVID-19

During the annual meeting on Monday, Sept. 20, Amundson gave residents an update on the district’s plan with the ongoing Coronavirus pandemic. He explained that things are going well so far this school year. There are some staff and students out right now either testing positive for COVID or quarantining because of exposure.

“We are attempting everything we can to keep students in school,” Amundson said. “We depend on parents keeping their students home if they are sick and our staff staying at home if they are sick.”

He reiterated those comments at this week’s meeting.

“Our numbers in the school still fluctuate,” he said (about 13 percent of the student body was sick last Thursday). “This is low even for flu season. Numbers at the state and county level seem to be plateauing. We’re not there and we’re not recommending that (mask mandate) at this time.”

He explained that the district is currently work-

ing with the Department of Public Instruction to set up COVID-19 testing in the school district.

“One other thing we are going to do in the district, we are going to be providing testing in our schools,” Amundson said. “It will take a couple weeks to get going. That will be available for students, staff and family members. We’re looking at two people in the district set up to give those vaccines to students with parent consent or to adults.

“We are still asking parents to keep the kids home if they are sick. We are also getting more of the testing kits so we can test in the school district.”

2015 Referendum

During the annual meeting, Amundson also gave a summary of the 2015 building referendum. This referendum saw its completion this year. The first bond of \$10,000,000 was taken out in 2017. The second bond of \$13,400,000 was taken out in 2018. All money for this project had to be used by June 30 of this year.

Amundson explained that all three phases of the referendum were completed. The first was the replacement of the 1935-1938 portion of the middle/high school building along with remodeling and updating in other portions of the building. The next phase was changing the HVAC system at Eden Elementary School.

The final phase was changing the HVAC system in the north hall of the high school. This portion was completed this summer.

The amount the district borrowed for the project was \$23,400,000. The actual costs for the three projects was \$22,503,764.66. This left \$1,058,999.55 not used on the project.

“The board is going to have to deal with this,” Amundson said. “Once we get this audited, the board will be paying down the debt service as recommended by our financial advisors. Not all of it was spent, but we will turn it around and pay off debt service with that.”

The electorate set Monday, Sept. 19, as the date for the 2022 annual meeting.

LORI KREIS
KEWASKUM LIBRARIAN

I get excited about new book releases as I am sure many of my library friends do. Here are some awesome books and media coming out in October!

Let’s start with movies and music since we are seeing more being released for libraries to purchase and lend. Look for the following on DVD — Space Jam, Free Guy, Crime Story, Snake Eyes, The Green Knight, Old and The Suicide Squad. In new music, CDS by Melissa Etheridge, Coldplay, and a duet CD with Lady Gaga and Tony Bennett will be coming your way.

Now to adult fiction where I must rein myself in to keep my spending within budgetary means. October is always a huge month for book releases and this year there are many more releases than usual due to the publishing hold last year. From authors we know, John Grisham comes out with The Judge’s List, a story about judicial conduct and corruption. The Unheard by Nikki French is a psychological thriller about a mother trying to protect her daughter who witnessed a horrific crime.

For a fun read, check out The Party Crasher. Sophie Kinsella introduces us to Effie, a woman searching for a lost childhood treasure while breaking into the family home during a party. Elizabeth Strout follows up her novel My Name is Lucy Barton with Oh William!, a recount of

Lucy’s relationship with her husband. Alice Hoffman’s final installment in the Practical Magic series is The Book of Magic a conclusion to the Owens family saga.

A new series by Wicked author Gregory Maguire called Another Day begins with The Brides of Maracoor. Elphaba’s granddaughter is featured in the series, a green-skinned girl named Rain.

Be on the lookout for more new novels by James Patterson, Lee Child, Jenny Colgan, Alexander McCall Smith, Danielle Steel, Beatriz Williams and Amos Towles as well as newer authors Violaine Huisman, James Han Mattsson and Scott Carson.

Adult non-fiction also has some wonderful picks this October. In biographies, look for Katie Couric’s Going There a tell all memoir about her behind-the-scenes life in the media. The Storyteller by musician Dave Grohl is pure and raw rock and roll. Ron and Clint Howard wrote The Boys, a look into how the siblings survived childhood acting and have become very successful and fulfilled adults.

Are you a Godfather aficionado? If so, be sure to checkout Leave the Gun, Take the Cannoli: The Epic Story of the Making of the Godfather. Mark Seal explores the dramatic making of this classic film series.

There are a couple of interesting reads about dogs coming out. The Forever Dog by Rodney Habib reveals new science to teach pet owners how to help prolong their best friends’ lives. Rick Bragg’s memoir The Speckled Beauty is more an elegy to the owner’s dog who helped him through a troubling time.

All this and more coming to you from the Kewaskum Public Library this October.

Hope to see you soon.

KHS Volleyball Team Picks Up Two More Wins

Kewaskum Defeats Plymouth

The Kewaskum High School girls volleyball team 14-5 (5-1) defeated Plymouth on September 23: 25-9, 30-25, 17-25, 13-25, 15-9.

“Errors overtook us in sets 2-4. We gave early leads and had to spend a lot of time playing perfect and recouping those lost points. We lost the first two points of the fifth set, but with the help of the crowd and some big plays, we energized and pushed through to the win. Steger and Rochon did a lot for us tonight. With two starters out injured, we had to learn what we could do in new situations,” Kewaskum High School girls varsity volleyball coach Laine Leitzke said.

Both the Kewaskum JV2 team and the Kewaskum JV1 team won 3-0 against Plymouth.

Kewaskum Defeats Princeton/Green Lake

The Kewaskum girls volleyball team 13-5 (2-1) defeated the host Princeton/Green Lake on September 21: 25-13, 25-20, 25-11.

“We had a little trouble getting going. We were able to force errors all night, however, there was part of our game where we just lost focus. On a long drive like that and at an away match, the team needs to find a way to get going a lot faster,” Leitzke said.

The Kewaskum JV2 team defeated Princeton/Green Lake, 3-0; the JV1 team had no match.

Cougar Boys Edged Out By One Point At Horicon

The Campbellsport High School cross country teams competed in the Horicon River Run Cross Country Meet on Thursday, Sept. 23. Nineteen schools participated in the meet that was held at River Bend Park in Horicon.

The battle for first place in the boys' varsity race could not have gotten any closer. Only four points separated the top four teams. Watertown Luther Prep edged Campbellsport by one point to claim the victory. Luther Prep had the low score of 116 to Campbellsport's 117.

CHS in turn edged North Fond du Lac/Oakfield (118) by only one point. Waupun was fourth with 120 points. With 188 points, St. Lawrence Seminary was fifth, followed by Horicon 190, Deerfield/Cambridge 195, Wayland Academy 225, WCHA 251, St. Mary's Springs 253, Omro 267, Rio/Fall River 281, Racine Lutheran 291, Markesan 305, Johnson Creek 368, Mayville 386, and Lomira 393. Dodgeland and

WLA had incomplete teams.

The Cougars placed four runners in the top 26. Skyler Fryman led the way in 12th place with a time of 18:17. Logan Nolan crossed the line in 18th with a time of 18:25. Brody Nolan beat two runners at the finish line to claim 23rd in 18:50.

Jerid Waddle had his best race of the season finishing 26th in 18:59. Garrett Roehl finished the 5,000 meter course in 51st with a time of 19:59. Sawyer Dirmeier took 53rd also with a time of 19:59. There were 120 runners in the race.

There were seven complete teams in the boys' JV race. Campbellsport placed seven runners in the top 15 to come away with the victory with the low score of 34 points. Watertown Luther Prep took second with 62 points, and North Fond du Lac/Oakfield was third with 69. Horicon 129 was fourth followed by St. Lawrence Seminary 133, WCHA 140, and Omro 148.

Jon Thelen finished in second

place with a time of 19:57. Thelen crossed the finish line only six-tenths of a second behind the individual winner from Luther Prep. Max Engle took fourth place with his time of 20:32. Davin Rentmeester and Nick Timm finished eighth and ninth. Davin ran a time of 20:43, and Nick had a time of 21:00.

Brody Manix and Trent Dieckman had PRs. Manix was 11th in 21:18, and Dieckman 13th in 21:20. Josh Dontchenko and Owen Blevins finished two seconds apart in 14th and 16th with times of 21:26 and 21:28. Wyatt Blevins and Kilian Poquette were 27th and 28th in 22:08 and 22:09. Isaac Timm ran his first race of the season and finished 38th in 22:39. Andrew Jenkins was 39th in 22:43, Aidan Polzin was 68th in a PR time of 26:24, and Sam Ellenbecker was 79th in 29:54.

The Cougar girls' varsity team finished eighth among the 18 schools that participated in the race. Only five points separated Watertown Luther Prep and North Fond du Lac/Oakfield for first place. Luther Prep won with 53 points while NFDL/Oakfield scored 58 for second. Dodgeland was third with 77 followed by Lomira 109, Deerfield/Cambridge 134, WLA 137, Omro

173, CHS 247, Racine Lutheran 247, Horicon 279, Markesan 285, Mayville 295, and Johnson Creek 356. The remaining schools did not field complete teams.

The Cougars were a little short-handed on Thursday with several runners out with injury or illness. Sienna Hewitt was the top runner for the team in 45th place with a time of 23:45. Lydia Toshner and Morgan Yahr were 50th and 51st in 23:57 and 23:58. Megan Dickman had a PR finishing 72nd in 25:54. Elli Scannell took 74th in 26:18, and Hannah Thelen was 88th in 28:30.

Watertown Luther Prep was the only school to have a complete JV girls' team. The Cougars had two runners compete in the race. Ashley Sanders finished in 25th with a career best time of 30:43. Makayla Stommel took 32nd in 35:00.

Campbellsport will next compete in the Slinger Owl Invitational on Thursday, Sept. 30. The meet will be held at Heritage Trails County Park near Slinger with the first race starting at 4 p.m.

The 50th annual Cougar Invite will be held on Thursday, Oct. 7, at Campbellsport Elementary School. It starts at 4 p.m.

Coach P's

What A Day...What A Weekend!

This past weekend will certainly go down in the record books as one of my all-time favorites.

Friday night I got together with a bunch of classmates from high school as we celebrated our 40th class reunion from Goodrich in Fond du Lac. I graduated in 1980 but we were unable to hold it last year because of the Covid-19 situation.

It's always so fun to catch up with old friends and share stories from the past and get caught up on our current lives. One of my buddies was in town from California, he brought his laptop to the bar and we were watching his son's baseball game. His son (Luke Williams) plays for the Philadelphia Phillies, a team the Brewers could face in the MLB playoffs.

Saturday was a bittersweet day as we celebrated the life of my dad and my uncle who both passed away last November. It was a beautiful sunny day at Lakeside Park in Fond du Lac and we were floored by the turnout of family and friends who came to pay tribute.

Many of my dad's old work and softball buddies were there as well as a great turnout of old Fond du Lac Wrestling Club people. The night ended with some Joes Fox Hut pizza and games at my nephews' house, which was my dad's old house.

Sunday was quite the day for sports fans in Wisconsin. I started the day out by watching the Ryder Cup. What an incredible display the American team put on as they dominated Europe in record fashion. It was so exciting to see the great crowds at Whistling Straits and Captain Steve Stricker (a Madison native) bring home the cup for the United States.

After the Ryder Cup, I switched over to watch

the end of the Milwaukee Brewers game. The Brew Crew clinched the NL Central Division championship in front of a sellout crowd at American Family Field. On a weekend where they celebrated the retirement of Ryan Braun and the 50th year of Bob Uecker, you couldn't have scripted a more perfect scenario. Watching the celebration on the field and the champagne bath they gave Craig Counsell in the clubhouse brought chills to my spine.

I forgot to mention, while all this great sports action was going on, I was following NFL football games. One game in particular was the Detroit Lions/Baltimore Ravens game. You ask why would I be watching this of all games? Well as many locals do, I get in a winner's pool where you have to select a winner each week and if your team loses you're out of the pool.

I had the Baltimore Ravens this week and boy did they play games with my heart rate. Down by one point with three seconds in the game, the Ravens kicker Justin Turner (who is my new favorite player) booted a 66-yard field goal to win the game and keep me alive in my pool. The kick bounced off the crossbar and hopped over for an NFL record.

As if my heart and blood pressure could take any more abuse, the Green Bay Packers won a thriller on Sunday Night football. In a game that looked like Green Bay was in total control, things started to slip towards the end.

But if you give Aaron Rodgers 39 seconds left on the clock, you still have hope. The Pack drove it down to San Francisco territory and the veteran Mason Crosby drilled home a winning 51-yard field goal at the buzzer. I went to bed a very happy man Sunday night.

The Piitt Stop

BY JASON PIITTMANN | KHS ATHLETIC DIRECTOR

From My Perspective

First off, I have never claimed to be one to know it all — about ANY subject. However, I have made observations over the years in my chosen professions of education and athletics. I would like to share a few of those with you in this column.

To begin with, perspective is everything. In my positions I am always having to remind myself to try to put on the other person's shoes or see through their eye glasses so I can have an idea of where they are coming from if they have a dialogue with me. I think that is important for everyone to do.

Today I will look mainly at coaching. I think it is important that everyone involved in an athletic program look through the same glasses. Being in Kewaskum I always refer to green-colored glasses. If we have some people looking from a personal perspective and some through the glasses of the team or program, there is the distinct possibility of disagreement.

That is where it is important for us to have as many people as possible looking from a similar perspective. Does this mean that everything will be without issue and there will be zero problems? Of course not, but it does help people to give pause before saying things, because they need to look at a different perspective.

Sometimes I hear complaints of favoritism. For many years I have told my students and athletes that I do have "favorites." I am human. My favorite students and athletes are those that are on time (early, in my book), prepared, give their best effort, and be a good person. None of the four things I listed are things that I personally impact for any of the students I've worked with over the years. They have 100 percent ownership of those categories. I would venture to guess that any employer asks for the same three things from anyone they hire.

The last part of this column will deal with the responsibilities of the students. If a student has a question about playing time, I believe it is incumbent upon them to initiate a conversation if they are not sure why the situation is what it is. It is their experience and I want them to take ownership of it.

I hear from people that it is hard to put a student in a position like that. I agree that it can be daunting for some, but that it is also an opportunity for growth. It is a chance for them to spread their wings as a young adult and learn how to have a conversation like that now, instead of the first experience being when in the "real world" as an adult.

About Between The Lakes Demonstration Farm Network

The U.S. Department of Agriculture, Natural Resources Conservation Service (USDA NRCS) and Calumet County Land & Water Conservation Department, in partnership with Fond du Lac, Sheboygan and Manitowoc counties have launched the Between the Lakes Demonstration Farm Network. This is the fifth demonstration farm network in Wisconsin.

The Between the Lakes Demonstration Farm Network supports a network of producers to address erosion and non-point source pollution challenges at the ground level and provide solutions that can be implemented on a large scale

throughout the Sheboygan and Manitowoc watersheds. Producers voluntarily join the BTL Demonstration Farm Network, then select conservation agricultural practices to apply on their operation. In this way, the Network tests and demonstrates the best conservation practices to reduce nonpoint source pollution and sediment entering the Great Lakes Basin.

Kewaskum Falls To Berlin In OT

The Kewaskum football team lost 25-28 on Friday night at Berlin. Played in a steady rain and wind, the game was a back-and-forth affair until the very last play. The hosts got on the board first, midway through the first quarter with a 10-yard touchdown run, and the extra point attempt made the lead 7-0. Kewaskum answered back as senior quarterback Matt Buechel found senior running back Max Melzer in the flat for a 42-yard touchdown pass. Senior kicker Max Melzer kicked the extra point, and the game was tied 7-7. The game remained tied at 7 through most of the third quarter until Berlin found the endzone again with a five-yard touchdown run. On the ensuing kickoff, senior wide receiver Ben Butler returned his second kickoff for a touchdown this season. Matt Buechel snuck in the two-point conversion and the visiting Indians had their first lead 15-14. Berlin would score again early in the fourth quarter and have their

own successful two-point conversion to regain the lead 15-22. Kewaskum answered once again as Buechel found Butler deep down the sideline to set up the visitors inside the 10-yard line. Junior fullback Hunter Loser crossed the goal line, this time from six yards out. Bolek added the extra point, and the game was tied at 22. The game remained knotted at 22 and proceeded to overtime. Kewaskum's only drive in overtime ended with a booming 39-yard field goal by Bolek. However, the game would end as Berlin found the endzone from eight yards out on fourth down to seal the victory 25-28. The hosts outgained Kewaskum 478 - 228, but Berlin lost the turnover battle 0-4 as Kewaskum recovered three fumbles and recorded one interception. Senior linebacker Matt Blank recorded 18 tackles and Butler had 14 himself. Kewaskum will celebrate homecoming this week as KHS hosts Ripon at 7 p.m.

**VILLAGE OF KEWASKUM
 ORDINANCE NO. 21-05
 ORDINANCE TO AMEND
 95-74(a)(4) OF CHAPTER
 95 OF THE MUNICIPAL
 CODE PRIVATE
 SWIMMING POOLS**

THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM, WASHINGTON COUNTY, WISCONSIN, DO ORDAIN AS FOLLOWS:

Section 1. That Sections 95-74(a)(4) of the Municipal Code of the Village of Kewaskum, relating to Private Swimming Pools, should be amended as follows:

Sec. 95-74. - Accessory use regulations.

Accessory uses are permitted in any district as may be specified in the appropriate district regulations or herein. An accessory use building permit shall be required where specifically noted in this section. Accessory uses are permitted only after their principal structure is present or under construction. The use and/or location requirements stipulated elsewhere in this Ordinance may be modified for accessory uses as follows:

(a) *Accessory uses and detached accessory structures.* Accessory uses and detached accessory structures shall be permitted in the rear yard only, unless otherwise specified. Accessory structures shall not occupy more than 20 percent of the rear yard in all districts except the business and manufacturing district where such structures shall not occupy more than 50 percent of the rear yard.

4. *Private swimming pools.* Private swimming pools, upon the issuance of a building permit, provided that:

a. All private swimming pools shall be surrounded by a fence or wall not less than four feet or more than six and one-half feet in height designed to prevent unguarded entry to the pool. There shall be no opening in said fence or wall larger than six square inches. The space between the bottom of a

Ordinances 7740

fence and the surface underneath shall not exceed four inches. Sidewalls of aboveground pools which are at least four feet high may be used in lieu of a fence.

b. Access to private swimming pools shall be controlled to prevent unguarded entry into a pool. Access to inground pools shall be controlled by a self-closing and self-latching gate and all such gates shall be kept securely closed and locked at all times when the pool is unattended. Latches shall be located at least three and one-half feet above ground, deck, or stairs. When not completely fenced, all ladders, steps, or other means of access to an aboveground pool shall be removed and/or designed to prevent access, such as a tip-up ladder, when the pool is unattended.

c. Swimming pools shall not be constructed directly under or over electric transmission lines or within 15 feet of such lines. If the electric lines are underground, this separation distance may be reduced to five feet. All electrical connections to a swimming pool shall be properly grounded so that no electrical current can be discharged into any part of the swimming pool or surrounding fence. All electrical installations shall comply with the National Electric Code or these regulations, whichever are more restrictive.

d. All pools shall be maintained in such a way as to not create a nuisance, hazard, eyesore, or be a detriment to public health, safety, or welfare. The drainage of any pool may not be discharged onto adjoining property. The pool may, however, be drained into village streets or gutters which empty into the village's storm sewer.

e. Equipment shall be provided for the disinfection of all pool water. No gaseous chlorination shall be permitted.

f. No lighting installed around swimming pools shall throw any rays onto adjacent properties.

g. Heating units, pumps, and filter equipment shall be adequately housed and muffled in such a manner as not to create a nuisance. Such equipment shall be located no closer than ten feet to a lot line.

h. There shall be an unobstructed areaway around all pools of at least three feet in width.

i. No private swimming pool shall be located closer than ten feet to a lot line and detached structures, with the exception of air conditioners, playsets, patios, and compost bins. The zoning administrator

Ordinances 7740

may grant a waiver from the requirement that a swimming pool be located at least ten feet from a structure and permit such swimming pool within five feet of the structure. The zoning administrator shall consider the health, safety, general welfare, and aesthetics of the proposed construction before granting such a waiver.

j. Private swimming pools, together with other accessory structures regulated by section 95-74, shall not occupy more than 50 percent of the rear yard area.

k. Exempt pools. Storable swimming or wading pools with a maximum dimension of 10 feet and a maximum wall height of 24 inches, and which are so constructed that it may be readily disassembled for storage and reassembled to its original integrity, are exempt from the provisions of this section provided they are securely covered or emptied when not in use.

Section 2. Severability. The several sections of this Ordinance are declared to be severable. If any section or portion thereof shall be declared by a court of competent jurisdiction to be invalid, unlawful or unenforceable, such decision shall apply only to the specific section or portion thereof directly specified in the decision, and shall not affect the validity of any other provisions, sections or portions thereof of the Ordinance. The remainder of the Ordinance shall remain in full force and effect. Any other Ordinances whose terms are in conflict with the provisions of this Ordinance are hereby repealed as to those terms that conflict.

Section 3. This Ordinance shall take effect immediately upon passage and publication as provided by law.

Passed and adopted by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, this 20th day of September, 2021.

KEWASKUM GRIDIRON YOUTH FOOTBALL CLUB RESULTS

The Kewaskum Gridiron Club returned to action on Saturday, Sept. 25, with the eighth-, sixth- (against Cedar Grove-Belgium) and fifth- (against Hartford) grade teams playing at home and the seventh-grade team playing in a triangular at West Bend East against Hartford and West Bend East.

The eighth-grade team opened up the action for the day and got the offense rolling and playing stout defense in building a 30-0 lead and ending up with a 30-14 victory over the Cedar Grove-Belgium Broncos. The Indians offense played well all game and built a 22-0 halftime lead with a great passing game from quarterback Chase Cook to wide receivers Johnny Hooker and Liam Stoffel. Cook threw three first-half touchdowns with Hooker catching a 58 yarder and then a 75-yard strike as time expired in the first half and Stoffel adding an eight-yard touchdown catch. In the second half Hooker was able to add another score on a pass from Cook for an eight-yard touchdown. The Broncos were able to add two late touchdowns to bring the final score to 30-14. Cook finished the game 13/17 for 211 yards with Hooker catching five of those passes for 157 yards and three touchdowns. The offensive line provided some great pass protection throughout the game. Other highlights of the game included a fumble recovery by defensive lineman Alex Bayer, a quarterback sack by Hooker and Stoffel going three for four on two-point conversion kicks. The eighth-grade team now has a 3-1 record on the season.

The seventh grade played in a triangular against Hartford and West Bend East. In this format they play a half against each team. There was plenty of action in each game as Kewaskum scored a 32-14 win against Hartford and then got a touchdown as time expired to tie the score at 12-12 against West Bend East and then were able to convert the two-point conversion kick for the 14-12 victory. In the win against Hartford, quarterback Kyle Haim was able to score on a rushing touchdown and then also tossed a touchdown pass to wide receiver Cole Loser. Running back Kingston Grisolono was able to score the other two touchdowns on the ground. Grisolono was also able to convert on all four of his two-point conversion kicks. Offensive linemen Marcus Perondi and Brendan Safford did a great job of blocking up front for the team. After the Hartford matchup the Indians had a thrilling game against West Bend

East, coming out on top 14-12 with the winning score coming as time expired. The Indians were able to get on the board with a touchdown pass to Grisolono from Haim. West Bend East played a very good game and held a 12-6 lead with one second left and the Indians with the ball on the 40-yard line. The Indians ran a halfback pass play where Grisolono was able to find Loser at about the five-yard line, and Loser was able to break a tackle and get into the endzone to tie the game at 12-12. The Indians had great success on two-point conversion kicks on the day and decided to try that for the win. Grisolono came through putting it through the uprights for a thrilling 14-12 victory. The seventh-grade team now has a 3-2 record on the season.

The sixth-grade team played a great game and came away with a 32-6 victory over the Cedar Grove-Belgium Broncos. The ground game led the offense with Jace Wichtoski scoring two rushing touchdowns, and Landon Scheel was able to get into the endzone for another rushing touchdown. Wichtoski was also able to get into the endzone with a 55-yard punt return for a touchdown. Blake Staral was able to convert on all four of his two-point conversion kick attempts. On defense, Cade Jaeger led the way with five tackles and Nolan Marx added a late interception to close out the game. The sixth-grade team now has a record of 3-1 on the season.

The fifth-grade team continues to show improvements each week and put together its best performance of the year but came up a little short against Hartford in a 31-22 defeat. It was a back-and-forth game with big play after big play, and the Indians held a 22-19 lead before Hartford was able to score the last two touchdowns of the game bringing the final score to 31-22. Henry Ogi scored two of the Indians touchdowns and Porter Reis scored the other one on a long touchdown run. Ogi was two for three on two-point conversion kicks on the day. The Indians defense was able to force a couple of turnovers, and Lucas Zeed, James Lawrenz and Ryland Ciriacks were the defensive standouts for the team. The fifth-grade team now has a record of 0-4 on the season.

All the teams will be playing at home this Saturday, Oct. 2, with Parents' Day being celebrated and the Gridiron raffle ticket prize drawings taking place around noon. The eighth grade will get things kicked off at 9 a.m. Come on out and cheer on the Kewaskum Gridiron Indians.

KEWASKUM YOUTH SOCCER

Kewaskum U7
Kewaskum Galaxy 11 | Juneau Rage 3
 U7 Kewaskum Galaxy started strong and held their lead against the Juneau Rage with a final score of 11-3 on September 18.

While most Galaxy players scored at least once during the game, Myles could not be stopped and contributed four goals in total. Mya had two goals, while Payton, Levi, Conrad, Simone and Emery all scored once.

Levi led the Galaxy in stops, blocking at least three attempts by the Rage to score. Oliver had a great passing game and an assist. Conrad, Mya, and Payton also had an assist.

It was a mighty effort by all, resulting in an exciting win for their second game of the season.

Kewaskum U12 Girls
Kewaskum Fire 9 | Hustisford Hurricanes
 The Kewaskum Girls U12 Fire matched up against the Hustisford Hurricanes on Saturday, September 25.

Sydney Brandt was up first, scoring the first two goals of the game. Katelynn Reichert was next to connect with the back of the net. Dana Jacobson was on fire, scoring three goals, one sweet shot before the half, and two right at the start of second half.

Lily Prost powered up, making some great assists. Lily slammed in two goals of her own, followed by a goal from Kinsley Fochs, with a nice assist from Isabelle Piwoni. Sydney Brandt scored one final shot for the Fire.

Hustisford was able to sneak one past the Fire, leaving the final score with the Fire on top 9-1.

Kewaskum U8
Kewaskum Sharks 15 | West Bend Sharks 0
 The U8 Kewaskum Sharks faced off against the West Bend Sharks on Saturday, September 25, for their first game of the season.

Kewaskum dominated the field, scoring goal after goal. Louie Berres, Harper Kenworthy, and Logan Watzlawick each scored a goal. Noah Herriges scored two goals. Benson Stahl and Parker Hug scored five goals each.

Bailey Steinmetz and Maisie Beres played aggressively, showing some awesome footwork and ball control.

Way to go Sharks on your 15-0 victory.

Kewaskum U12 Co-ed
Kewaskum Flash 7 | Hustisford 1
 The U12 coed Flash team played against Hustisford Saturday.

The defense did amazing and completely shut down Hustisford's offense and kept the ball on the opposite side of the field consistently.

Dennis score three goals in the game. Great corner kicks and passing.

Just a wonderful game and all working together as a team leaving the score 7-1.

Kewaskum U12 Co-ed
Kewaskum Flash 7 | West Bend 2
 The U12 Flash team played against West Bend Thursday night and had an amazing game.

Kenneth had a goal and started us off strong. Bryce played absolutely amazing as goalie with a lot of great blocks.

We had subs from the Comets and Lightning to help out our team. Cailyn Beres made a goal along with Declan, one from Brady and one from Mathew.

In the second half, Erin Michlig and Xander played awesome defense to give the Flash a win, 7-2.

Kewaskum U9 Coed
Kewaskum Jaguars | Jackson
 The Jaguars traveled to Jackson this weekend and came away with a big win.

Bentley K. and Cori F. shared goaltending duties and didn't let anything by to record a shutout win. Beckett M. was playing at about 43 percent when his dad, who is also a coach, calmly asked him to ratchet it up to 100 percent and then he took it from end to end and scored the first goal of the game.

Jackson S. followed with a couple of shots on goal that were blocked by a stellar Jackson goal tender, but then Jackson S. took the advice of the coaching staff and started shooting from further out and scored on several breakaways. Dawson S. and Bentley K. also scored during the match. Elijah H. scored the final goal of the game off of a magnificent crossing pass from Beckett M.

It was the type of play coaches coach and hope to see during a game!. While she did not score on one of her many, many shots on goal, Ella H. displayed impressive footwork to keep the Jackson offense on their heels the entire game. Great game Jaguars.

Kewaskum U12 Girls
Kewaskum Fire 6 | Jackson Valkyries 0
 The newly formed all girls U12 Fire started off the season playing a great game against the Jackson Valkyries #1.

Dana Jacobson was first to connect with the back of the net in the beginning of the first half. Katelynn Reichert and Abigail Pritchard each scored next.

Kenley Yapp had some great saves as goalkeeper, leaving Fire in the lead 3-0 in the first half.

The girls kept the pressure on throughout the second half. Dana Jacobson slammed two additional goals, earning a hat trick for the game. Lily Prost dominated as goalkeeper for the second half, keeping the Valkyries scoreless. Kinsley Lemmer snuck one in right before the end of the second half, leaving the Fire with their first victory of 6-0. Awesome teamwork ladies!

Kewaskum U10 Coed
Kewaskum Dragons 5 | Juneau Rage 1
 The Dragons brought home their first win of the season 5-1 against the Juneau Rage.

Three goals scored by Carson Eilbes and one by Jakob Mass with an assist by Carson Eilbes.

Great goalkeeping by Paxten Boeldt, Oliver Fideler, and Justin Droese.

Our forwards Owen Herbolsheimer and Carson Butzlaff did a great job passing the ball and being aggressive.

Riley Jenkins a Dominic Pintor played great defense, always getting the ball down the field when we needed it most.

It was a great first game and we are all very excited to see what this season brings.

Kewaskum U12 Girls
Kewaskum Flash 11 | Richfield 0
 Saturday, the U12 Flash co-ed team played against Richfield. They did an outstanding job.

In the first half, Logan Honeyjager and Dennis Goetzinger each scored two goals as well as Jack Watson and Bryce Shirley each scored a goal as well.

We had some amazing subs that we borrowed from the U12 Lighting team and both of them also scored a goal as well Declan and Keegan.

We had amazing passing throughout the game in the second half and lots of attempts on goal. Subs Cailyn and Erin swallowed up the Richfield offense playing defense and didn't let them score.

Amazing performance from everyone such an awesome game with the score being 11-0. Way to go Flash team.

Kewaskum U12
Kewaskum Fire 8 | Jackson Valkyries 0
 The Kewaskum Girls U12 Fire faced off against the Jackson Valkyries on Wednesday, Sept. 15.

Just minutes into the game, Sydney Brandt took off like a bullet, stealing the ball, taking it down the field, and scoring the first goal. Dana Jacobson was up next, kicking high over the Valkyries goalkeeper into the net.

Kenley Yapp had some great saves as goalkeeper for the Fire. Izzie Piwoni held her position as offensive wing and had some great crosses. Katelynn Reichert scored the next two goals, leaving the score 4-0 at the half.

Dana Jacobson started off the second half by slamming one into the net. Lily Prost worked hard as the Fire's goalkeeper, keeping the Valkyries at bay.

Ellie Berres played some tough offense and was able to sneak one in for the Fire. Dana Jacobson and Abby Pritchard also added goals to the score, leaving the Fire with a victory of 8-0. Great game ladies.

Kewaskum U12
Kewaskum Fire 5 | Hartford Hurricanes 2
 The Kewaskum Girls U12 Fire took on the Hartford Hurricanes in a great match on Saturday, Sept. 18.

Dana Jacobson led the way with two clean shots into the back of the net in the first half. Lexi Belyeu was a powerhouse defender throughout the game, keeping the ball out of Fire territory. She sure had some great boots down the field.

Abby Pritchard tried her hand at goalkeeper and was able to keep the Hurricanes scoreless in half, putting the Fire in the lead 2-0.

Hartford turned up the heat in the second half, scoring right off the bat. Eva Lemmer worked hard as goalkeeper and had some awesome saves. Bryn Schairer, Ruby McCain, and Chayse Hall played some aggressive defense, not letting the ball past them.

Dana Jacobson scored two more goals, followed by a goal from Hartford. Katelynn Reichert took the ball the field, shot, and Kinsley Fochs tapped it in, claiming a well deserved victory for the Fire of 5-2.

Kewaskum U7
Kewaskum Stars 1 | Tarantulas 16
 The U7 Stars played hard on Saturday but fell 16-1 to the Tarantulas.

Colton, Penny, Troy, and Croix all did great on defense and blocked a few goals each.

Dawson made the goal for our team.

The team had a great attitude considering the score.

The U7 Stars lost the previous week 3-1. The defenders did a great job of blocking goals. Dawson scored the goal.

Kewaskum Predators 9 | Hartford Tornados 1
 The Predators beat the Hartford Tornados 9-1.
