## Introducing the Drexel Sports Pages

*New weekly section will include a "Back Front Page"*

**MITCHELL BRADLEY KELLER**  
ACTING EDITOR

On behalf of all the staff of the *Campbellsport News* and *Kewaskum Statesman*, I want to share how excited we are to introduce, in this week's papers, the Drexel Sports Pages.

These weekly pages were created and developed with Drexel Building Supply, which has graciously agreed to sponsor our featured "Back Front Page" and a regular Student Athlete Spotlight.

The pages will feature varsity programs from Campbellsport and Kewaskum schools, as well as amateur clubs and coverage of unique, local sporting events throughout the entire year – not just the school year.

For Drexel, developing this partnership with our papers was, in large part, about helping solidify a vital part of our local culture, and residents' time-honored tradition of checking box scores and searching for photos of family and friends in the local pages.

See **DREXEL SPORTS** page 15

## A Beginning, An End, Another Beginning

*The 154-year history of the United Christian Church in Campbellsport came to an end on Easter Sunday*

On Easter Sunday, April 17, 2022, the United Christian Church (UCC) in Campbellsport held its final worship service, ending its mission and ministry in the village after 154 years.

Those 154 years spanned the 19th, 20th and 21st centuries.

Here is the story of how it all began:

### The Beginning

*The following is a brief history of the German Reformed Church, which became UCC. The words were translated from German to English, with some editing for space and clarity:*

In the 1840s, a great number of Swiss and German citizens left their homeland to settle in America and made their home in the State of Wisconsin.

See **UCC CHURCH** page 11

## Lomira Community Theater to Present 'The Wizard of Oz'

Take a delightful trip over the rainbow. The Lomira Community Theatre presents "The Wizard of Oz," complete with all the music and magic that has captured hearts and imaginations for decades.

Directed by Michael Detert, performances will be held in the Lomira Elementary School Gymnasium on Friday, April 22, and Saturday, April 23, at 7 p.m. There will be a matinee performance on Sunday, April 24, at 1 p.m. Tickets will be sold at the door and seating will be first-come first-serve. Standard admission for adults (19-plus) is \$12. Special ticket prices for young children, stu-

## | PUBLISHER'S LETTER |

## A Pause and Recalibration

Dear Reader,

Have you ever wanted to take a pause – just stop everything and have time stand still? Maybe you wanted to squeeze more time out of a happy event like a wedding, birth of a baby, or being with someone you're attracted to. Maybe you wanted more time to grieve for a loved one, perhaps someone who died suddenly or way too young. Maybe you wanted to figure out who you really are as opposed to who others may think you are.

**PATRICK J. WOOD**  
PUBLISHER

Author of "Dear Reader" and "Tapestry of Love and Loss"

We may not have a magic wand to exercise that option, but we can slow ourselves down and take a slower pace, maybe catch a breath or two and wander off the beaten path. To stop and pause and think about what you are doing and where you are on the continuum of life may recalibrate your direction to something better—certainly not something worse.

## | RURAL WRITES |

**G.A. SCHEINOHA**  
CONTRIBUTOR

Maybe I've just lived out here too long, gotten settled into a country boy's ways. But little as I understood city folks before, now I'm even more confused. Perhaps it stems from my having to spend more time in the city than I'd like. Recent health issues, including a couple surgeries have found me boarding with a family member.

Out walking the hood one night I noticed small details. How could a person miss them? Foremost was the sheer noise level. This relative's home probably isn't more than a quarter mile, as the crow flies, from the freeway. That steady rumble of trucks and hum of car tires thrashed the ears something fierce. Having hearing in only one ear added to the misery.

The walk down a few blocks brought up a prime source for error. In the country it's easy to judge distance. Pretty near too, far as accuracy goes. But then, that may have to do with a simple fact. Out here things are spread apart a bit more. Shuffling down uneven sidewalk past ranch style houses or an occasional bungalow, all of them on postage stamp lots which make my own tenth of an acre look like a vast estate, I can't fathom a half mile from three quarters.

Much less come to terms with how or why anybody could live this bunched in, same as sardines squished into the tin. Or want to. It's enough just to work in a factory all night. Or cruise into town to get groceries because there isn't a store any closer. By the time I leave, the nerves are stretched taut.

Does that make me sound backward or (high falutin' word) provincial? Not ungrateful the family member chose to let me stay with them. Though it'll be much better once I'm back where I belong.

## | FIND THE RIGHT PRICE |

## Price It Right

**AL WISNEFSKE**  
BROKER/OWNER, LAND & LEGACY GROUP LLC

When you price a property too high you're bidding against yourself; your listing goes stale.

The days on market increases past the average time it takes for properties to sell.

Buyers have time and are keeping tabs on that, but you don't know who and what their thoughts are.

Believe it or not, questions start to creep in their

heads, like:

- Are they getting motivated?
- What's wrong with the property?
- Should I make a low-ball offer?

And you will get low-ball offers – offers you think are low, because you wanted to test the market.

This is a recipe for disaster.

Put simply – don't do it.

Take quality information and cater it to your situation.

Price your property right – right off the bat.

This is a recipe for success.

## | AS IT SEE FIT |

## Willpower?

**ROY SMALLEY**  
CONTRIBUTOR

I was overweight.

In fact, I was obese.

After spending a number of years watching the numbers on the scale – and on my waistband – grow steadily, I knew I needed to make a change.

I had tried a few times before to do just that – but at age 35, standing roughly five-ten and weighing in at around 250 – I had come to realize that my willpower just wasn't cutting it.

I didn't understand, at the time, that there was anything other than willpower to rely on.

Now at age 51, having lost (and kept off) more than 1/3 of that original bodyweight, and having run footraces as far as 50 miles, I know that relying on "willpower" alone is a failing strategy.

This week, I want to share three strategies that I, personally, know work better than willpower alone.

**First, tell someone.** Share your goals with friends, family and co-workers you trust to echo your enthusiasm. When my goal was losing weight, and again, when my goals became completing marathons, triathlons or ultra-marathons, inviting "my tribe" to provide support and hold me accountable helped me feel "on the hook," keeping me more motivated.

Pro tip: Make your goals specific and realistic.

For example: "I'm going to lose 20 pounds before Labor Day" or "I'm training to run a 5K on Thanksgiving."

For those with a competitive streak, turning your health or fitness goal into a "friendly competition" with a friend or spouse can be an even greater motivator; (in an upcoming week, I'll share ideas on how to better structure "friendly competitions" to help you achieve a health goal).

**Second, plan ahead** to make choices you want easier. For years, now, in our house, we've planned out a two-week "dinner calendar." This helps us avoid wondering at 6 p.m. what we're going to eat (which is a sure-fire way to have willpower fail you). It also helps us control our grocery budget, because we can shop once from a list of needs, limiting all those little trips to the store that inevitably include extra "splurge" purchases.

Planning ahead can also make choices you

don't want harder. I know I'm a stress/emotional eater, so when a friend or relative gifts me a plate of cookies or – my favorite – brownies, I make it harder to binge them by packing a couple at a time into separate baggies, then storing them in a locked cabinet or in the basement freezer.

Not only does this keep them out of sight, but it makes them inconvenient to get to – forcing a "gap" between a stress "trigger" and my reactive eating.

**Third, practice awareness.** This includes awareness of what you're eating, drinking and doing.

Are you getting plenty of water during the day?

Under-hydration makes it harder for your body to use stored blood sugar, which can increase food cravings – especially cravings for sweets.

Do you get enough sleep?

When you don't, your body's levels of leptin – the hormone that signals "I'm full" – drop lower, which can make you more likely to overeat (especially "comfort foods").

Are you spending too much time staring at a TV, computer monitor or phone?

Studies show a correlation between excess screen time and excess body weight.

Next week, we'll talk more about the many benefits of cutting back on daily screen time. For now, though, you can do yourself a *huge* favor by focusing more on your food and less on your phone or TV when you eat – mealtime mindfulness helps you eat less and enjoy your food more.

If you consistently struggle with "willpower" and feel like goals (weight loss or otherwise) are always just out of reach, these tips might provide a little boost to nudge you toward success.

If you need more than a little boost, though, you might want to consider talking to a coach who can help you with the strategy,

structure and accountability you need to see consistent progress toward your goal.

Ditch the "quick fix" – success in weight loss or any goal relies on cultivating lifelong habits. Like I say each week, we don't decide our future: We decide our habits, and our habits determine our future.

## XYZ Card Results

The XYZ winners on Wednesday, April 13, were: Mary Ciocarelli, Leon Schmidt, Norb Lipenski, Joy Neuenfeld, Carol Lipenski, Athleen Butzke and Rita Justman.

Leon Schmidt had a perfect hand: four queens and two black jacks!

Sheepshead is played on Wednesdays, from 8:15 to 11:15 a.m., at Peace United Church of Christ in Kewaskum. All senior citizens are welcome.

## Tuesday Night Sheepshead Winners

Winners from the Sheepshead tournament on Sunday, April 10, were: Dave Dayton, 87; Bernice Hahn, 69; and Bob Thurow, 68.

Winners from Tuesday Night Sheepshead on April 12 were: Gerald Stern, 84; Darlene Baerber, 79; Bob Miller, 78; John Butzlaff

and Karen Espitia, 76; and Jerry Rosenthal, 74.

Tuesday Night Sheepshead is played every Tuesday at 7 p.m. in the United Steel Workers 850 building at 1230 Fond du Lac Ave. in Kewaskum. New players are always welcome. Come one, come all!

**THEATER** from page 1

dents and seniors are available by visiting [lomiracommunitytheatre.com](http://lomiracommunitytheatre.com).

An impressive cast that includes seasoned theatre participants and more than 25 youth from the Lomira, Campbellsport and surrounding areas will bring beloved characters and unforgettable settings to life. Follow the yellow brick road to Lomira. The fantastical adventures of Dorothy (and Toto, too) await.

“Wizard of Oz” cast members Rob Peterson as the Scarecrow, Alessandria Gourlie and Dorothy, Steve Berres as the Tin Man and Rosie as Toto endure a scary trek through the Wild Forest during a rehearsal. **SUBMITTED**

**Special events:**

- Thursday, April 21 — Rain Barrel

Workshop from 6-7:30 p.m. at the Riveredge Nature Center Barn. Riveredge Nature Center and the Community Rivers Program wants to help our communities take action to manage storm-water and improve water quality. Families are invited to learn about some backyard green infrastructure through the use of rain barrels. Simple step-by-step instructions on how to set up and then put your rain barrel to use will be provided. One barrel per household. Pre-registration is required and can be found at the Community Rivers Program webpage or Facebook Events Page.

- Sunday, May 1 — The 88th State Welsh/English Hymn Sing on Sunday, May 1, at the historic Cathedral Church of St. Paul, located at 51 W. Division St. in Fond du Lac at 2:30 pm. It will be directed by Rev. Tom White of North Fond du Lac with Steve Jensen of Milwaukee on the pipe organ. Included will be special numbers by area musicians and a properly prepared Te Bach: tea and refreshments. The event is sponsored by the Welsh Gymanfa Ganu Association of WI, Inc.

- Thursday, May 5 — National Day of Prayer event sponsored by West Bend Aglow. From 12-1 p.m. at the Riverside Park Pavilion, 707 Kilbourne Ave., West Bend. Free and open to the public. More information by calling Mary Stalker, Aglow president, at 262-305-0608.

- Saturday, May 7 — Boltonville Firecrackers 4-H Club Bake Sale from 8:30 a.m.-2:30 p.m., at R-Store in Boltonville.

- Saturday, May 14 — Fond du Lac County Master Gardener Plant Sale, MG Shop and Garden Fair held from 9 a.m. to 3 p.m. in the Cow Palace Building at the Fond du Lac County Fairgrounds, 520 Fond du Lac Avenue. Cash and personal checks are welcomed. Indoor event, rain or shine. No admission fee.

- Wednesday, May 18 — Roots and Branches special program featuring nationally known garden expert Melinda Myers. The event is a The Historic West Bend Theatre, located at 125 N. Main St. in West Bend. Tickets are \$15 and registration is highly recommended by going to [www.rootsbranches.org](http://www.rootsbranches.org) to register.

**An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest**

Information about the Northern Kettle Moraine State Forest or the upcoming naturalist programs is available by contacting the forest staff at the Ice Age Visitor Center at 920-533-8322. The Henry S. Reuss Ice Age Visitor Center is located 1/2 mile west of Dundee off Hwy 67. The center is open seven days per week.

**Trail Trekkers**

Wednesday, April 20, 6-7:30 p.m.

Meet at the Zillmer Trail System Picnic Shelter (located W833 County Road SS, Campbellsport, which is between County Road SS and Hwy 67 near New Prospect)

Join us for an invigorating 1.8-mile hike on Green Loop of the Zillmer Trail System. Make sure to wear good footwear and bring drinking water and insect repellent. A Wisconsin State Park vehicle admission sticker is required.

**Spring Symphony Night Hike**

Friday, April 22, 7:30-9 p.m.

Zillmer Trail Area (located at W833 County Road SS, Campbellsport, which is between County Road G and Hwy 67 near New Prospect)

Nature awakens from its long winter slumber with a symphony of sound. Journey through the darkening spring woods to locate the members of the spring choir. This hike is

most appropriate for adults and children older than 6.

**Earth Week Litter Pick Up**

Sponsored by the Friends of the Kettle Moraine  
Saturday, April 23, 8:30 a.m.-12 p.m.

Meet at the Forest Headquarters (located at N1765 County Road G, Campbellsport, which is south of County Road SS near New Prospect)

Help give the Kettle Moraine Scenic Drive and additional forest locations a spring cleaning. Join others for a morning of camaraderie and litter pick up. Community groups are encouraged to participate. Bring your own gloves. Garbage bags will be provided. Meet at the Forest Headquarters off County Road G to get your road/area assignment. After cleaning up, return to the Headquarters for snacks and refreshments. To register groups, call 262-626-2116.

**Trail Trekkers**

Wednesday, April 27, 6-7:30 p.m.

Meet at the Butler Lake Trailhead (located at W8831 Butler Lake Road, Cascade — one mile east of Long Lake Recreation Area)

Join us for a lovely 3.1-mile evening walk along the Butler Lake Trail. Make sure to wear good footwear and bring drinking water and insect repellent. A Wisconsin State Park vehicle admission sticker is required.

**Easter Basket Giveaway**

Trinity Lutheran Church and School in Campbellsport holds a free Easter Basket Giveaway on April 9. Children ages newborn to 9 years old were invited to attend. **SUBMITTED**

**Ireland, Scotland Trips Kick-off 'ToursMMC' Excursions**

**MIKE WARREN  
CONTRIBUTOR**

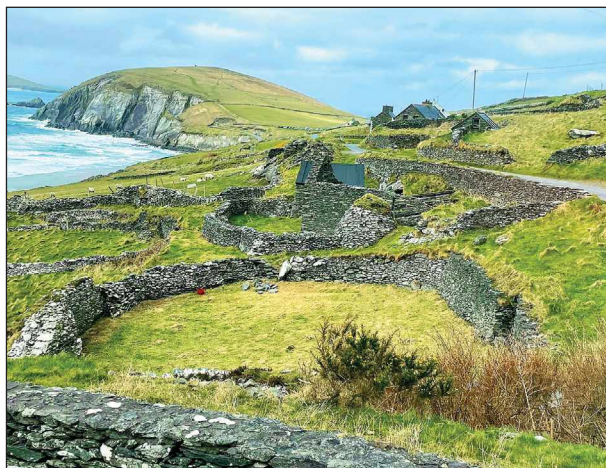

If you're anything like me, you enjoy traveling, but don't enjoy making all of the necessary arrangements that go with planning and preparation. I found the solution in the latest venture by this newspaper's publishing company, Multi Media Channels (MMC).

ToursMMC was launched in mid-March, when I and 40 other readers joined two MMC representatives on a week-long visit to Ireland, and a smaller group - myself included - enjoyed a three-day stop in Scotland prior to that. More on that in a moment.

Leading up to the trip, there was a lot of anxiety, in our rapidly-changing COVID environment. However, ToursMMC, in conjunction with Chamber Discoveries, took care of everything and kept the group well-informed prior to departure, with constant COVID-related updates on required testing and documentation, and payment deadlines.

Once all of the negative COVID-19 tests came back, and all of the necessary paperwork and passports were signed and stamped accordingly, we were cleared for takeoff and free to have fun. And we did.

The pre-Ireland tour group - 18 of us - endured an eight-hour flight from Chicago to Frankfurt, Germany, followed by a one-hour flight to Edinburgh, Scotland, where we were met by our Chamber Discoveries

The Emerald Isle is everything that you've seen and more. **MMC STAFF PHOTO**

Tour Director Colin Birkbeck. We liked him immediately. Not only was Colin's native tongue entertaining to listen to, but so was his vast knowledge of Edinburgh.

As soon as we arrived at our hotel, we embarked on a one-hour bus tour of the city, which gave us all ideas of what to explore on our own.

The next morning, our first stop was the city's main attraction - Edinburgh Castle. This centuries-old fortress dates back to the Iron Age, and stands atop

Castle Rock, which is actually a volcanic plug overlooking much of the city. Our self-guided tours of the grounds took us through the castle's Great Hall and St. Margaret's Chapel, Edinburgh's oldest building. We also viewed the Honours of Scotland, the oldest crown jewels in Britain. The visit also allowed for some of the most spectacular views of the city below.

From Edinburgh Castle, we ventured north to the seaside town of St. Andrews, which features a castle

of its own. But with St. Andrews Castle temporarily closed for renovation, we headed straight for lunch at Forgan's, a very chic, skylit restaurant.

I opted for the herb-crusted salmon with baked potatoes in a mussel cream sauce - one of the best meals my normally-picky palate has ever experienced. I followed up the main course with a delectable warm sticky toffee pudding, some-

thing the Scots do very well.

After lunch, some of us took the short stroll down to the Old Course at St. Andrews Links, considered the birthplace of golf. I even managed to persuade a club house attendant to let me knock around some golf balls on the practice green for a few moments. Don't worry Wisconsin, I represented the Badger state well, complete with my Ryder Cup pullover

from Whistling Straits.

The following day, March 15, we were left to tour Edinburgh on our own. Most of us used the time to do some shopping while also enjoying a few of the city's many restaurants.

The next day's itinerary had us departing Edinburgh bright and early on a short, 45-minute plane ride to

# Kewaskum Kiwanis April Students of the Month

## Elena Vlotho

“My name is Elena Vlotho and I am a senior at Kewaskum High School. I acquired an academic letter my sophomore year and have a cumulative GPA of 3.9. During high school, I’ve been participating in plenty of clubs and extracurriculars. Some of my favorites are Spanish Club, Key Club, and high school soccer.

“Ever since I started playing soccer at 8 years old, I have been playing every year through clubs like KYSO, WCFC (currently SC Wave), and North Shore United. I have been on the Kewaskum Girls varsity soccer team for all four years of high school, and I plan to continue soccer in college.

“Second, through Key Club, I discovered many volunteer opportunities within the community. This included raking leaves for the elderly, feeding the homeless with Family Promise, and providing respite for students with disabilities through Citizens Advocate. I not only volunteered through Key Club directly, but I found chances to serve others through other organizations as well.

“Lastly, I have taken Spanish language courses each year. Once I started, it really sparked my inter-

est in Spanish culture and language. Then, I joined Spanish Club, where I learned more about culture in Spanish-speaking countries and got opportunities to serve in our community. The most memorable for me was volunteering at Fiesta Latina, where I met many incredible individuals and took part in sharing and learning about the diversity of Latin American culture. Currently, I am also a tutor and a Student-Teacher Aide (STA) at the Kewaskum Middle School. I am able to use my Spanish skills and help students achieve their best.

“When I graduate, I will go to the University of Wisconsin - Stevens Point, majoring in Spanish Education with a minor in Teaching English as a Second Language. My goal is to get my degree and become a Spanish teacher or travel to a different country and teach English there. I hope to see the world and experience all the wonderful things this life has to offer!”

## Genevieve Zernia

“My name is Genevieve Zernia and I am both proud and honored to have been chosen as Kiwanis Student of the Month this April.

“During my time at Kewaskum High School, I have been involved in various clubs and initiatives including but not limited to Spanish Club, Peers 4 Peers, National Honor Society, and Social Change Club. I currently work at the Kewaskum Veterinary Clinic as a customer service representative and in my free time, I enjoy knitting, watersports, and cooking.

“After graduation, I plan to continue my education at UW-Milwaukee

majoring in International Relations with a focus on economics and development and minoring in Spanish. With this major, I hope to continue toward international business working to strengthen trade and business relationships. I am extremely grateful for the opportunities that have been made available to me through Kewaskum High School and am excited to begin this upcoming chapter of my life.”

## Little Folks School House Celebrates Week of the Young Child

The week of the young child is an annual celebration sponsored by the National Association for the Education of Young Children (NAEYC), the world’s largest early childhood education association with 60,000 members.

Little Folks School House took part in celebrating children and their families by hanging a banner across the hallway and offering something different and special each day.

On Monday, Parents were given a 3-inch button with a picture of their child on it and encouraged to wear it each day.

On Tuesday, Professional child music entertainer Randy Peterson visited and put on a concert for the children and the parents who were able to sneak away from work.

On Wednesday, the daycare held

a Muffins with Mom and Donuts with Dad day.

Parents were invited to come in and share morning snack with their child.

Thursday was Popcorn and Gift day. Families were offered hot popped popcorn and a gift bag at pick-up time.

On Friday, The Easter Bunny showed up to visit classrooms and take photos with the children.

Little Folks School House participates in Week of the Young Child every year because they think it’s important to celebrate the early learning of young children, their teachers, families, and community. “We believe that the Early Childhood years lay the foundation for children’s success in school and later life,” said Dodie Sargent of Little Folks School House.

# Get to Know YOUR Marsh Open House

Saturday, April 23 from noon to 4 p.m. at the Horicon Marsh Education and Visitor Center

Celebrate our earth and bring your family out to the Horicon Marsh Education and Visitor Center for an afternoon celebrating the incredible wildlife that makes YOUR marsh such a special place.

Families can complete a free self-guided scavenger hunt with hands-on activities in and around the Education Center to be entered for a Flyway Gift Shop prize drawing.

Examine animal artifacts, meet hard-to find critters in-person and even take a look under the water as you learn about all kinds of

Wisconsin wildlife.

At 2 p.m., we are excited to welcome Renee Wahlen from Marsh Haven Nature Center for an in-person birds of prey program featuring live animal ambassadors.

This even is free and no registration required.

Reduced Explorium admission rates of \$2 per person all day; children four-and-under are free.

Join us at the Marsh as we explore special creatures in a special place!

For more information please contact Liz Herzmann at 920-387-7893 or [elizabeth.herzmann@wisconsin.gov](mailto:elizabeth.herzmann@wisconsin.gov).

The Horicon Marsh Education and Visitor Center is located at N7725 Highway 28 in Horicon.

## Moraine Park Apprentices Receive Scholarships

A total of 38 Moraine Park apprentices will benefit from a \$1,500 Tools of the Trade scholarship offered by Ascendium Education Group, including Kewaskum apprentices Logan Bonlender (electrician), Anthony Gonring (electrician) and Jacob Hahn (electrician).

Currently, both the construction and industrial trade industries have a high demand for skilled workers. An apprenticeship offers up to five years of real-world work experience while attending school, and

businesses gain access to skilled workers with legitimate on-the-job experience. However, financial pressure can make it hard to complete an apprenticeship, and students are often juggling the demands of school, work, and family. Additionally, apprentices incur substantial costs beyond tuition, such as purchasing tools, clothing, and other supplies. The Tools of the Trade scholarship provides funding to help cover those

### 'TOURSMMC' from page 5

Dublin, Ireland, followed by a two-and-a-half hour bus ride to Limerick, where the Savoy Hotel became our temporary home for the following six days. A good night's sleep had us all ready for the country's big holiday the following day, St. Patrick's Day.

The main event - the city's annual St. Patrick's Day parade - went right past our hotel, so we didn't have far to go to get a good spot. The parade featured the usual floats, fire and police vehicles, and bands. The rest of the day was ours, and some used the free time to shop, while others got a great view of the city from the Panoramic Wheel. Situated on the banks of the Rivers Shannon and King John's Castle in Arthur's Quay Park, the ride gave those of us who took advantage breathtaking views of the rivers, the castle and the city itself.

The following day, we met our Ireland tour director, Donal Culloty, who also doubled as our bus driver. As was the case with Colin in Scotland, Donal was very entertaining and a wealth of knowledge. He guided us to the Dingle Peninsula, where we shopped, ate, and took in the magnificent scenery along the southwestern coastline of the Emerald Isle.

The following day's excursion also featured spectacular views of Ireland's western coastline, during stops at the Cliffs of Moher and then Galway further north. We were back in Limerick for the evening to enjoy

The main event - the city's annual St. Patrick's Day parade - went right past our hotel. **MMC STAFF PHOTO**

some of the city's finest eateries.

My group headed for The Locke Bar & Restaurant, in the heart of Limerick's Medieval Quarter, where the Abbey River meets the Shannon. The Locke also sits on the original site of one of the city's oldest pubs dating back to the early 1700s. The Locke is where yours truly enjoyed his first taste of one of Ireland's other great treasures, Guinness.

Our March 20 adventure took us to the "Rock of Cashel" and Kilkenny Castle.

On our final full day in Ireland, some of us took advantage of the

opportunity to visit Blarney Castle near the country's southern shores. Most in our group also opted to kiss the infamous Blarney Stone.

That evening, the entire group got back together to enjoy a medieval dinner event at Bunratty Castle, just to the west of Limerick.

The next day, most of us departed

Limerick for home, while some opted for a brief, post-tour visit to Dublin.

As you might guess, Ireland is even more picturesque in person as it is in the history books, magazines, and online.

Now, for those of you who may have seen the ads for this Ireland trip but were not able to join us, your chance awaits. ToursMMC intends to offer these bucket-list type vacations in the years to come, with a spring and a fall trip each year. I can now speak from experience when I say this hassle-free, door-to-door service really is the way to go, especially for an overseas visit.

The next ToursMMC adventure begins Oct. 18 in Sorrento, along the Amalfi Coast of Italy. The group will stay in Sorrento for eight days, and the entire trip is within very close proximity to the hotel, with minimal bus travel. The itinerary includes stops in Pompeii and the Island of Capri, with an option to venture into Rome.

Go to [www.ToursMMC.com](http://www.ToursMMC.com) for more information or to register online. For a personal contact, call or email our travel leader from Adelman Discoveries/Chamber Discoveries, Sarah Van Elsen Dunn, at [svanelsen@adelmantravel.com](mailto:svanelsen@adelmantravel.com) or 599-244-6600.

## | CAMPBELLSPORT GLANCE BACKWARDS |

5 Years Ago  
April 20, 2017

The main item on the agenda of the special school board meeting held April 17 was the acquisition of property by the school district. In order for the district to purchase property, a resolution has to be approved by the electorate during an annual or special meeting. The property at 325/327 North Railroad St. in Campbellsport needs to be purchased to proceed with the building project that is scheduled to start as soon as classes are finished this school year. The electorate approved, on a 37-6 secret ballot, a purchase price of \$190,000.

Everyone is invited to the Campbellsport Elementary School Spring Carnival, scheduled for April 22.

People are invited to join the Friends of the Kettle Moraine for the 28th annual Earth Day litter pick up along the Kettle Moraine Scenic Drive through the Kettle Moraine State Forest - Northern Unit and other locations.

Area youngsters in Eden and Campbellsport had fun at their respective Easter hunts. Eden's event was sponsored by the Eden Fire Department Auxiliary. Campbellsport Area Chamber of Commerce sponsored the Campbellsport event.

Fifty schools participated at the state Visual Arts Classic in Madison on April 7. Campbellsport High School was represented in the individual long term and on-site competitions. There were five pieces of artwork made over the winter that competed at the state level and three individual students created artwork in a timed event that was 2-1/2 hours. First places were earned by Lily Lindgren in photography, Abby Ruplinger in photography, and Jayson Johnson in drawing. Also earning a medal was Autumn Erickson, a second place for her sculpture.

Ken Depperman, Fond du Lac County board supervisor and Town of Auburn chairman, was part of a Wisconsin delegation attending the 2017 Public Issues Leadership Development Conference in Washington, DC. More than 200 representatives from across the nation attended. Depperman met with Representative Glenn Grothman's senior legislative assistant and Senator Ron Johnson's legislative assistant.

St. Matthew's Catholic School met a goal it had set for this year - get technology into the hands of every student, kindergarten through eighth grade. This was accomplished through fundraising and generous donations. Each student now has his or her own Chromebook to use for educational purposes.

For the sixth consecutive year, Fond du Lac County has been named as one of the "Healthiest Companies in America" by Interactive Health. This year, Fond du Lac County is one of 156 companies across the country being recognized for embracing the mission of employee wellness and valuing the overall health and wellbeing of its workforce.

Although Kewaskum scored the first goal, the Campbellsport girls soccer team scored four unanswered goals to open ECC action with a 4-1 victory over the Indians.

The Cougar baseball team has won five games in a row: beating Berlin 10-0, Mayville (score not given), Kettle Moraine Lutheran (score not given), Ripon 2-1, and Omro 13-2.

Campbellsport's softball team continues to do well as the Lady Cougars defeated Kettle Moraine Lutheran 11-0 and Plymouth 8-3. Campbellsport has a 4-1 overall record and 3-1 conference record.

Velma Mae Haynes, 97, formerly of Campbellsport, passed away April 11. Joan Frances Vandermar, 83, Anderson, SC, passed away April 11.

15 Years Ago

April 26, 2007

Ken Schwartz was appointed to the Campbellsport Village Board during a reorganizational meeting held April 23. He is filling the vacant seat that occurred when Pat Twohig became the village president. The president cannot be a board member. Schwartz had previously decided he wasn't running for re-election. With his appointment, Schwartz will serve for one year.

Students from Waucousta Lutheran Grade School's fifth through eighth grades stayed overnight on the U.S.S. Cobia, a World War II-era submarine that has been reconditioned and is part of the exhibits at the Wisconsin Maritime Museum in Manitowoc. The students spent the day touring the museum. Some students spent the night in the officers' quarters and others on bunks over torpedoes.

Candy Land was the theme for the 2007 Campbellsport High School Junior Prom. Members of the court included Bekah Smith, Evan Kelley, Casey Soyk, Ashleigh Galligan (princess), Quinn Hundertmark (prince), Kate Salter (queen), Amanda Bauer, Alec Kumrow (king), Maggie Mueller, Ryan Zommers, Hayley Serwe, Jacob Schumacher, John Williams and Tonisha Atkins.

Marissa Uher of Campbellsport has been chosen as a state finalist in the National American Miss Wisconsin Teen Pageant. She is 18 years old.

Nikki Gilster, a graduate of both WLGS and Campbellsport High School, has become a published poet, both nationally and internationally. She recently visited the students at WLGS. After reading some of her own poems, she assigned the students a poem of their own.

The Shepherd of the Hills combined seventh and eighth grade basketball team finished first in the Kettle Moraine Catholic School League with an 8-2 record.

A daughter, Lillian Grace, was born April 11 to Peter Pecus and Lianne Parsons-Pecus of Campbellsport. A son, Samuel Mark, was born April 11 to Lawrence and Melissa Preston of Eden. A daughter, Madison Therese Gruber, was born April 15 to Andrew Gruber and Katie Benike of Campbellsport.

Edward W. Schneider, 90, St. Michaels, passed away April 16. Abigail Giza passed away April 16. Jeannette A. Waegerie, 78, Lomira, passed away April 20. Wilmer G. Felten, 72, Campbellsport, passed away April 22. Arlene M. Zills, 72, Eden, passed away April 22.

25 Years Ago

April 17, 1997

The official groundbreaking of the new Campbellsport Public Library was held April 14. The building site is located on Helena Street just south of the Campbellsport Post Office and in the former St. Joseph Convent apple orchard. St. Joseph Convent made the land available after the previous building site was found to be too small for the proposed building. The completed project will carry a price tag of \$700,000 as approved by voters in a referendum last fall. The Sisters of St. Joseph Convent offered a special blessing at the conclusion of the groundbreaking ceremony.

Campbellsport School District's head custodian, Ray Vandermar, presented a five-year maintenance plan to the school board for both the Campbellsport and Eden schools. The plan numbered the items with some having prices associated with them. At the end of each year, numbers were listed to show the priority projects.

Earth Day Cleanup in the Kettle Moraine State

Forest is being sponsored by the Friends of the Kettle Moraine. The fifth annual event is scheduled for April 19.

It's finally going to happen. Participating members of the Block Watch Program has been planning to build a memorial for Officer Bob Wilke at Columbus PARC. At 8 a.m. on April 19, the project will begin. Two trees will be planted just to the west of the snowmobile bridge. The tribute will include a stone and plaque and a flower bed to be planted by the Campbellsport 4-H Club.

Victoria Lochen of Campbellsport was awarded a Music Performance Award from Marian College.

A son, Travis John, was born April 3 to Renee and David Komosa of St. Cloud. A daughter, Rachel Lauren, was born April 3 to Cindy and Jerry Pitzen of Mt. Calvary. A daughter, Rachel Lee, was born April 5 to Valerie and Scott Bunkelman of Campbellsport. A son, Joseph Adam, was born April 6 to Janice and Richard Vollmer of Mt. Calvary.

Donald Scheid, 58, West Bend, passed away April 15. Infant Wyatt James Galligan passed away April 11. Leona Louise Wunder, 85, West Bend and Kewaskum, passed away April 12.

50 Years Ago

April 20, 1972

In one of its shorter meetings, the Board of Jt. School District 23, board members approved a contract for Mrs. Lewis Trapp to teach German in the coming school year. She had taught in Germany before coming to the United States with her GI husband, after which she taught in the West Bend grade schools. Also at that meeting, Peter C. Senn, a member of the State Vocational School Board and sub-committeeman on Vocational Agriculture, appeared to make suggestions as to how to upgrade the local agriculture course in order to better fit into the community.

Starting July 1, Donald Koch will be the new president of the Lions Club, according to the results of an election held Tuesday night when the club had its regular meeting. Other officers include Ronald Moos, first vice president; Lee Anderson, second vice president; Rolland Jacak, third vice president; Everett Miller, secretary and treasurer; Robert Huspen, Lion tamer; and Ray Ackman, Tail Twister.

Officers elected for the 1972-74 term of the Woman's Club included Mrs. Clyde T. Smith, president; Mrs. Hilton Danielson, vice president; Mrs. Art Brandt, treasurer; and Mrs. Donald Koch, secretary.

Village residents were reminded that their cars must be off the streets Monday mornings, as this is the day the streets are swept by village crews.

The Cougars had a 74-53 victory over the Indians in the first outdoor track meet of the season. It was a non-conference engagement.

75 Years Ago

April 17, 1947

An enthusiastic group of citizens of the community met Monday at the Village Hall to discuss plans of forming a corporation to build and operate a bowling establishment in the Village of Campbellsport. An interesting discussion was entered into and the committee was encouraged to continue with plans and directed to contact as many people as possible and interest them in subscribing to stock in the new venture. Stock can be subscribed to at \$100 per share, with no present limit on the amount, but a tentative plan has been suggested to limit the amount to \$2,000.

John J. Pesch of Pesch Implement Sales, local dealer for Ferguson System farm equipment, left Wednesday to join over 100 Wisconsin and Upper Michigan Ferguson System dealers who are traveling by special train to Cleveland to inspect the 62.5-acre plant recently acquired by Harry Ferguson, Inc.

100 Years Ago

This information is not available.

**KEWASKUM'S DAYS GONE BY**

**5 Years Ago  
April 27, 2017**

Ballparks at Kiwanis Park are so crowded that as young athletes play baseball on the diamonds, other youngsters play soccer simultaneously in the outfield. To alleviate the overcrowded situation, members of the Kewaskum Athletic Association and the Kewaskum Youth Soccer Organization are banding together with plans to create more field space. A conceptual drawing was included with the article showing the plans of what could become a new park on a 24-acre plot of land. But Kiwanis Park will not be abandoned.

High schools from across the county have been working throughout the school year to develop a theme for an anti-drug campaign that students could relate to. The brainstorming efforts culminated with a competition and high school students from Kewaskum, Slinger, West Bend, and Germantown all presented ideas for campaigns before a panel of judges. The new campaign is called T.R.U.T.H.S., which stands for To Resist Using The Harmful Substances.

Joshua Michlig has been invited to be the percussion coach for the 2017 Middle Level State Honors Band. He was chosen for this volunteer position because of his exemplary teaching abilities, performing talents and commitment to young musicians. This is a three-year appointment. Based on this unique professional growth experience, Michlig will bring back new ideas to share with his own music students.

Ken Depperman, Fond du Lac County board supervisor and Town of Auburn chairman, was part of a Wisconsin delegation attending the 2017 Public Issues Leadership Development Conference in Washington, DC. More than 200 representatives from across the nation attended. Depperman met with Representative Glenn Grothman's senior legislative assistant and Senator Ron Johnson's legislative assistant.

Kewaskum had five first place winners at the Indian Track Invitational on April 21. The 4x100 (Tony Steger, Kyle Pamperin, Trevor Degnitz, Cameron Dodge) finished in 45.35. The 4x400 team (Derrick Brock, Jake Hrica, Tyler Heus, Cade Peterson) finished in 3:33.71. Brock won the 300 hurdles in 41.71. Peterson's 23.10 was the winning time in the 200 dash. Riley Donovan won the discus with a mark of 143-05.

Behind the no-hitter by Kennedy Lehn, the softball team beat Plymouth 15-0. She struck out 12. The Lady Indians had 17 hits.

The Kewaskum tennis team has three new singles players, each an underclassman. They and two of the doubles teams lost to West Bend West. Only the doubles duo of Brent Goeden and Jared Chesak was successful. The duo was also successful against Roncalli. The other victorious tennis player against Roncalli was Bryce Halvorsen. The Indians fell to Roncalli 5-2.

Bonnie Jean Kassechert, 79, Kewaskum, passed away April 17. Marvin A. Perkins, 79, Kewaskum, passed away April 19. Louise A. Hafermann, 87, formerly of Dundee, passed away April 19.

**15 Years Ago  
April 26, 2007**

The Village of Kewaskum Department of Public Works has had a busy week so far after two road construction projects got underway. Western Avenue from North Avenue to Brookland Drive received some improvements. Work also began on replacing the parking lot in Kiwanis Park.

Kieth Kriewaldt, Kewaskum School District's director of elementary education, announced that according to the latest numbers, approximately 840 students will walk through the district's elementary schools on the first day of school this upcoming school year. This is an increase of eight

students with the breakdown being 433 at KES, 242 at FES and 165 at WES. The district is thinking of redrawing the boundary lines to ensure balanced class sizes and best use of the district facilities.

Kewaskum firefighters were busy earlier this week as they responded April 22 to a fire in a corn stubble field in the Town of Auburn and on April 25 to a chimney fire on Kettle Moraine Drive.

On April 20, the barn and shed owned by Edward H. Farris were total losses. Over 100 firefighters from Beechwood, Random Lake, Batavia, Cascade, Silver Creek, Kewaskum, Boltonville, and Campbellsport responded.

Wayne Graczyk, former Kewaskum School superintendent, is reportedly one of five finalists for the district administrator job in Richfield.

Kewaskum Frozen Foods earned two awards at the state meat convention: reserve grand champion for uncured cooked bratwurst and champion for fine cut ring bologna.

Kelly Uelmen finished first in 13.89 in the 100 dash at the annual Indians Invitational. The 4x100 team of Uelmen, Jessica Forbes, Jess Liniewski and Nichole Kison won in 54.09. They finished first in the 4x200 in 1:54.78. As a team, the girls were edged by Kiel by three points.

Logan Staeger had the only first place for Kewaskum boys in the Indian Invitational. He won the discus event with a toss of 150-5.

Shooting an even par 35 on the Red Nine at Hon-E-Kor, Ethan Geidel's first place helped the Indians take second in the first Eastern Wisconsin Conference meet of the season.

Kewaskum High School officially dedicated its athletic complex, formerly known as the track and football field, on April 20. "Doc" Mitchell Athletic Complex was dedicated during the Kewaskum Invitational track meet. Doc Mitchell passed away April 9, 2004. He was a former district educator, principal, and coach.

Janine E. Alvarez, 42, New Fane, passed away April 22. Wilmer G. Felten, 72, Campbellsport, passed away April 22. Abigail Giza passed away April 16. Edna E. Glander, 95, Plymouth, passed away April 19.

**25 Years Ago  
April 24, 1997**

Taxpayers are being invited to Speak Out on what they feel are the pros and cons of the ideas presented by school board members concerning future facilities and overcrowding issues. In a break from the norm, the Statesman has agreed to publish anonymous letters and comments regarding these issues, but only these issues. Submissions still need to have a name and phone number so verification can be made, but taxpayers can request their names be withheld. Comments should be brief.

Hiring of new employees took up a big chunk of this month's school board meeting. Three new athletic coordinator positions, a .5 elementary principal position, a second grade teacher, a fifth grade teacher, a social studies teacher, a .5 tech ed teacher, a .5 business or phy ed teacher, and an intern position were approved. Two secretarial positions were sent back to the finance-transportation-buildings and grounds committee for further discussion.

April 26 is spring clean up day in the Village of Kewaskum. Residents are encouraged to clean up trash and debris left around the village or their homes.

Kewaskum High School and Farmington Elementary School had teams competing at the 15th Annual Odyssey of the Mind competition. The high school team of Heather Maas, Dan Zuehlke, Jessica Schultist, Henrik Lorenz, Brad Oelhafen, and David Kletti brought home a second place trophy.

Jessica Schultist and Nicole Reindl are the April Kiwanis Students of the Month.

Andrew Degnitz of Fredonia joined young farm leaders from Illinois, Iowa, Wisconsin, and Ontario, Canada, for the GROWMARK, Inc. - Young Farmer Communications Conference.

Shelly Marie Kuhnke, 21, Campbellsport, passed away April 20. James F. McKee, 75, Farmington, passed away April 21. Norman R. Ott, 68, Pound, passed away April 20. Gertrude A. Meyer, 78, West Bend, passed away April 20.

The new St. Michael's Catholic Church at St. Michael's has been completed and ready for use. Rev. William B. Bonesho, pastor of the congregation, said last weekend only some work on the heating system remained. The old church was destroyed by fire on January 4, 1971, when it was struck by lightning during a freak winter thunderstorm.

Campbell's Village Inn, Kewaskum, reopened on April 17 after being closed for 10 days for extensive remodeling and enlarging of the restaurant. The owners, Sylvester and Ruth Campbell, recently purchased the building. The restaurant can now seat 52 customers at one time, doubling the former capacity. The exterior will be remodeled in the near future.

The Kewaskum Kiwanis Club will celebrate its 25th anniversary at the Wigwam April 24.

Kewaskum firemen answered a call on Monday for a blaze that was caused by a rubbish fire which spread into nearby grass and burned a small area.

More than 400 students from the Kewaskum Community Schools competing in the Concert Events Festival at Mayville on April 15 returned with excellent records. Concert Band (Class A), Concert Band (Sight Reading), A capella Choir (Class A), Junior High Band (Class C), and Junior High Girl's Glee Club all received first awards.

Kewaskum High School students, under the direction of Kathy Spencer, will sing Spanish songs as part of the program of a Foreign Language Fair at the University of Wisconsin-Whitewater.

In a dual track meet Tuesday afternoon, Kewaskum defeated Slinger 72-54.

A son was born April 15 to Mr. and Mrs. Anthony Butschlick of Kewaskum.

Emma Doms, 87, Kewaskum, passed away April 15. Harvey B. Becker, 56, West Bend, passed away April 14.

**75 Years Ago  
April 25, 1947**

The state conservation commission's plan to purchase 198 additional acres of land in the Kettle Moraine Forest in Sheboygan and Fond du Lac Counties was approved by Gov. Rennebohn last Wednesday. The land will cost \$19,900.

Reigning as king and queen for the annual Kewaskum High School Junior Prom to be held May 2 will be Edward Koepke and Audrey Degner. Members of the King's Court and their partners include Delmar Gatzke and Carol Becker, Eugene Fay and Eugenia Brabender, Alvin Jeske and Diane Schaefer, and Robert Staehler and Delores Schmitz.

A son was born April 23 to Mr. and Mrs. Harold Eggert of New Fane. A daughter was born April 20 to Mr. and Mrs. John Heisdorf of Kewaskum.

Arnold Schoenbeck, 32, West Bend, passed away April 23. Peter Stellpflug, 82, St. Michaels native, passed away April 16.

# CHS March Students of the Month

Campbellsport High School is proud to announce its Students of the Month for March. All high school students are eligible for this honor. Teachers make their selections based upon attitude, effort, character, interest and achievement as exhibited in the classroom and school community.

Administration, faculty, and staff are committed to developing future leaders in our community and want to honor students who are striving each and every day to be those future leaders who demonstrate this by their positive actions and behaviors.

Congratulations to Ava Wornardt, Daniel Jaimes-Perez, Jacob Bowe, Katrina Ohme, and Kaleb Eggers for being selected as the CHS Students of the Month in Month.

### Ava Wornardt

The Campbellsport High School Science Department is nominating Ava Wornardt as one of March's Students of the Month. Ava is an outstanding student in the classroom and outside the classroom. Within the classroom Ava leads the class by paying attention, asking questions, and helping her classmates. She has a curiosity that sparks scientific discussion and continues to improve our classroom atmosphere. After school hours you can find Ava cheering on her classmates in all matter of events and showing support for our community. We cannot wait to have Ava in further science courses in the future. Congratulations, Ava! (Submitted by Ms. Soyk)

### Daniel Jaimes-Perez

The Spanish Department would

CHS March Students of the Month from left are Daniel Jaimes-Perez, Katrina Ohme, Ava Wornardt, Jacob Bowe and Kaleb Eggers. **SUBMITTED**

like to nominate Daniel Jaimes-Perez as the Student of the Month for March. Daniel is a ninth grade Spanish 1 student who is a joy to have in class. Daniel speaks Spanish and is learning the grammar with above average skills. It helps that he excels in the English language as well. Daniel always comes to class ready to learn and sometimes ready to explain how "nobody would say it that way" in Spanish as we are learning basic grammar-based book Spanish. Daniel has a great sense of humor and is willing to help others with their understanding. Daniel will go far with his bilingualism, welcoming personality, and superior work ethic. For these reasons, we are proud to select Daniel as the Spanish Department's Student of

the Month for March. (Submitted by Ms. Schulze)

### Jacob Bowe

The Campbellsport High School Technology & Engineering Department would like to nominate Jacob Bowe for one of March's Students of the Month. Jacob has been a prime example of a responsible, determined, and hardworking student in all of his Technology & Engineering courses. Jacob asks great questions, pays attention to detail, and has become a real leader in his classes. There is no doubt that Jacob's future is bright and we are positive he will do big things in and out of school. He is a great representative of a model student at Campbellsport High School. Congratulations, Jacob! (Submitted

by Mr. Davis)

### Katrina Ohme

The CHS Business Department is happy to nominate Katrina Ohme as one of March's Students of the Month. Katrina is a fantastic student of business education. As a sophomore she has gone above and beyond in all of her classes. She is on a constant quest for knowledge and understanding. Earning MOS certifications in Word, PowerPoint, Excel, and Access are just some of her many accomplishments from the first semester. She is currently working on the Adobe certifications for InDesign and Photoshop. Along with these academic accomplishments, Katrina is an amazing person to have in class. She is kind and incredibly helpful with her classmates! It is my honor to nominate Katrina for Student of the Month! (Submitted by Mrs. Waldschmidt)

### Kaleb Eggers

The Campbellsport High School English Department is happy to announce that freshman Kaleb Eggers has been nominated as one of March's Students of the Month. Kaleb has been outstanding this semester in English class. Whether it is achieving high quality grades or always participating in class, Kaleb is certainly working hard and makes sure his assignments are completed on time. Kaleb is a pleasure to have in class. I appreciate his fun sense of humor and willingness to work well with others! For these reasons along with many more, we are happy to select Kaleb as a student of the month. (Submitted by Mr. Elliott)

## Campbellsport High School Forensics State Meet Results

Members of the 2022 State CHS Forensics Team with medals back row from left are Aydrienne Jaeger, Hala King, Aidan Jacobs, Mykala Fabry and Danielle Wettstein. Front row from left are Aidan Polzin, Nolan Carpenter, Amber Jacobson, Tessa Homuth, Hannah Thelen and Natalie Coon. Not pictured are Mercedes Herrmann and Morgan Yahr. **SUBMITTED**

### MICHELLE ROCKELMAN AND STACY ZOCHER

On Friday, April 8, the Campbellsport High School Forensics Team traveled to DeForest High School for State competition. Campbellsport team members did an outstanding job performing in each of their eight entries.

Aidan Polzin won a bronze medal in Moments in History. Silver medals were awarded to Morgan Yahr in Moments in History. Aidan Jacobs and Aydrienne Jaeger in Play Acting, Natalie Coon in Prose, and Nolan Carpenter and Hala King in Solo Acting, humorous. Gold medals were awarded for perfect scores to Amber Jacobson in Farrago, Mykala Fabry, Mercedes Herrmann, Hannah Thelen and Danielle Wettstein in Group Interpretive Reading, and Tessa Homuth in Storytelling. Tessa Homuth also earned the State Cumulative Critic's Choice in Speech award for winning gold medals at State all four years of high school.

Thank you to our whole team this year for a fantastic season. We wish the best of luck to our seniors, you will be missed next year, and to the rest of the team, we can't wait to continue our forensics journey with you.

The 2022 State Campbellsport High School Forensics Team top row from left are Aidan Jacobs, Aydrienne Jaeger, Aidan Polzin, Mykala Fabry, Mercedes Herrmann, Danielle Wettstein and Tessa Homuth. Front row from left are Asst. Coach Stacy Zocher, Hala King, Nolan Carpenter, Hannah Thelen, Amber Jacobson, Natalie Coon and Head Coach Michelle Rockelman. Not pictured is Morgan Yahr. **SUBMITTED**

# Lomira Community Theater Presents: The Wizard of Oz

**BREANNA RICE**  
JOURNALIST

This weekend, April 22-24, the Lomira Community Theater will be performing *The Wizard of Oz*.

The group has been working on this production for the past two years due to continuous COVID rescheduling.

Debbie Serwe, the president of the theater group, explained that the show was almost ready to be performed when COVID suddenly hit in 2020. The pandemic put a pause on the play for some time.

“We have been doing fundraisers on our time off, along with singing in the Lomira Park to stay safe during the pandemic,” said Serwe.

She said, however, the group is excited that they are finally able to perform again in a conventional space.

Now that the performers are able to get together, Serwe expressed that quite a few things have changed since practicing for the pre-COVID show: The cast has lost members,

changed directors and had to undergo various costume changes over the past two years.

“It has been hard to correlate with everyone’s schedules and accommodate times to get onto a stage for practice,” stated Serwe. “It would be impossible to run this production without the wonderful group of people we have supporting us.”

She added that the Lomira Community Theater typically has about 25 core members who participate in most productions that the group performs. The current play has roughly 70 individuals in the show.

“We love to get children involved and I love to mentor kids,” Serwe added. “Theater helps with self confidence and public speaking. Everyone is always welcome, experience or not, we would love to have you!”

Stop by the Lomira Elementary School gym this weekend to see the group’s hard work come to life on the stage.

*More information at lomiracommunitytheatre.com.*

## Join Junior Master Gardeners

Looking for a free interactive, educational program for your child this summer? If you answered yes, then you’ll want to check out UW-Extension’s Junior Master Gardener (JMG) Program. It is a summer-long gardening/cooking program for youth, ages 8-12 years, that teaches them to “dig in the dirt,” care for plants, cook in the kitchen and eat healthy fruits and vegetables. Beyond gardening and cooking, your child will take field trips in the community, learn about insects and “dirt” from the experts, play fun games, and create lifelong friends (just to name a few).

Sessions are held twice a month from 4-5:30 p.m., during the school season (May-June), and then weekly from 1-2:30 p.m. during the summer season. Youth who attend at least five consecutive sessions will receive a JMG T-shirt, a field trip and certificate of completion. The JMG season begins May 5, from 4-5:30 p.m., in the “Garden of Eatin’” gardens by the UW-Extension Building (UWO-Fond du Lac, 400 University Dr.). All sessions open to parents, grandparents, and younger siblings accompanied by an adult. Registration is completed by contacting the UW-Extension Office at 920-929-3171. The deadline to register is Monday, May 2.

### UCC CHURCH *from page 1*

Most of them came from Kanton, St. Gallen, in Switzerland and from various other places; all-in-all, about 50 families. More followed in 1847, '48 and in '52.

After having settled down, they felt somewhat lost without the spiritual help they had enjoyed at home. They had no friends of the same faith, which they found very hard.

Therefore, in 1854, the family heads resolved to make known their difficulties and find means and ways to change this. A group of people back home in St. Gallen heard their plea for help and were instrumental in sending a preacher in the person of Rev. Gottlieb Stein from Wurttemberg. He arrived in 1855.

Rev. August Winter, who belonged to the Sheboygan group, came as a visiting preacher, and took over shortly thereafter.

#### Timeline

July 1868: Twenty-seven men assembled in the district school house in New Cassel (now known as Campbellsport) and organized: “Die Deutsche Evangelische Reformierte New Cassel Gemeinde.”

That summer, a house of worship, solidly constructed of field-stone and costing about \$3,000, was built on the hill where the convent of the Sisters of St. Joseph was once located. At first, the New Cassel church was yoked with the mother church, Elmore Reformed.

1883: The New Cassel Church became independent of the Elmore church.

1892: The Ladies’ Aid Society (later renamed the Women’s Guild) was formed; \$250 was raised for a new church bell, which has been in continuous use ever since.

1907: The decision was made to hold occasional services in English.

1917: Services in English are held once per month.

1929: As the area changed and people assimilated, the congregation voted to have German worship services only once per month.

1931: The church constitution was translated into English and the church’s name changed to the Campbellsport Reformed Church. A building fund was established. The original church and lots were sold to the Schools Sisters of St. Francis in December for \$6,000.

January 1932: The last service in the old church was held.

November 1932: The new church – at 228 Forest St. – was dedicated. Construction cost \$10,000.

November 1939: A new parsonage built next to the church was dedicated. By this time, the Elmore church had dissolved and more than 40 members joined the Campbellsport church.

August 1961: The church changed its name once more to the Campbellsport United Church of Christ.

January 1964: A Christian education wing was constructed containing church and pastor offices, eight flexible Sunday school rooms and a renovated chancel, fellowship hall and kitchen.

1968: The church celebrated its 100th anniversary.

The 1980s: Church membership peaks with roughly 300-400 members (2022 membership is 11).

1993: The church celebrated its 125th anniversary.

1997-2001: The Campbellsport UCC united with the First Baptist American Baptist Church. The constitution was rewritten and the name changed to the United Christian Church, United Church of Christ. After five years, the churches went their separate ways.

October 2018: The church celebrated its 150th anniversary.

**The End**  
On February,

27, 2022, a special congregational meeting was held to discuss closure of the UCC-UCC. At that meeting, the following summary of the situation and the process of arriving at the decision to close was provided:

“For 154 years, this church has been part of the community. So many lives have been touched by its efforts to minister and serve others. In the course of its long presence in this community, there have been mountaintop and valley experiences aplenty.

“And now it seems that a crossroads has been reached. A decision needs to be made on the future of this church and its ministry due to an aging and dwindling congregation coupled with increasing costs in maintaining the church and parsonage.

“It is time to consider a different path for this church, this house of God, a different way of fulfilling the great Commission by being a resources for other churches, other communities of faith.”

That summary was followed by a unanimous vote to close the church and give the property and assets to the Wisconsin Conference of the United Church of Christ.

And so, on Sunday, April 17, 2022, the final worship service brought closure. We traded stories, a number of people rang the bell for the last time and we all had some good laughs. It was a good ending. There were 17 people with some from out of town, which made it

special.

#### Another Beginning

At the Feb. 27 meeting, the following was unanimously passed:

“The United Christian Church UCC of Campbellsport gifts all physical and financial assets as of April 18, 2022, to the Wisconsin Foundation UCC to create the United Christian Church of Campbellsport Legacy Fund to support rural and small town ministry in Wisconsin.”

There are various programs that will be assisted by such a fund: Lay leadership development, the Damascus Fund, continuing pastoral education, grants for small churches with technological needs, merger of congregations, etc.

Finally, a prayer for the congregation:

*Almighty God or mercy,  
You have nourished and sustained your people in this place through Word and Sacrament. May you continue to be present among us so that we may serve you, love our neighbors and spread the Gospel of your Son, Jesus Christ our Lord. Amen.*

**A Pup Named Red & A Happy Ending**

**MARK WALTERS  
COLUMNIST**

This week I have some very positive news mixed in with what, at times, was a difficult situation.

Back in 1981, I purchased my first golden retriever and, the same year, I rented a farm and worked on a neighboring farm. I raised hogs, steers, chickens, market rabbits and my golden retriever, Ranger, would be the start of what has been non-stop goldens in my life since day one.

Ranger gave birth to Ben in '85 and, in '89, I started writing this column.

In '91, I hiked 1244-miles of the Appalachian Trail (AT) with Ben, and he carried a 12-pound pack.

When I returned from the AT hike, I purchased Star, who I had intended on eventually breeding with Ben. The day after I purchased Star, the three of us left for a canoe trip of the Wisconsin river. That trip was filled with adventure; paddling hundreds of miles and doing 20-something portages with a seven-to-eleven week-old pup and Ben creating hundreds of memories.

Star and Ben eventually gave birth to Pearl who would eventually create Ice who died at the age of seven due to anaplasmosis (a form of Lyme's). I had purchased Fire, which was a golden pup, and my plan was to get a pup from her and Ice and keep my line going.

My line came to an end with the loss of Ice.

I would eventually have Fire bred with Duke, who was a field-trial champion from Waupun, and the pups that they created were second-to-none.

Ruby and her pups. **MARK WALTERS PHOTOS**

I kept Ruby, who is the toughest female golden retriever that I have ever known, as she has fine, dark red hair and likes to talk to people. Ruby likes to sleep on the ice as much as she does a couch, is addicted to being in the truck and, like me, loves the canoe. My chickens love Ruby, because she is free roaming and does her best to protect them from coyote, coon, opossum and feral cats.

Last June, at the age of five, I had Ruby bred and was super excited all summer for a litter of pups and to keep a young female. But, Ruby went into what was a false pregnancy, and she gained 14-pounds and grew breasts. I was completely convinced that she was pregnant, and became concerned at day 63 when no pups were born.

An x-ray showed that there were no pups, and I was very bummed out and embarrassed.

This past January, Ruby went into heat, and I had her bred with Tango. Ruby and Tango had a litter three

One of Ruby's litter. This little guy was named "Red."

years ago, but I did not keep one. I have been seeing the pups from this incredible pair and wanted one. Tango's bloodline is tough dogs with lots of field trial background, and Tango's owner, Dave Robel, loves his buddy.

So, naturally, Ruby is due when I am scheduled to be on a four-day trip to Red Lake, Ontario for my buddy Pete Hagedorn's 84th birthday.

I gave my word, and I was going.

I have a backup plan of Michelle Chiaro and her daughter, Kylie, covering for the first 36 hours and my

daughter Selina covering for the last 48.

Calamity/stress strikes when Ruby gives birth to two beautiful golden pups but not a third.

From Canada, I call two vets, and I am advised to get her in for a look. This is not an easy process for Michelle and Kylie. I am given a call by the veterinarian and am advised that she needs a c-section; a pup is blocking the birth canal and there are two behind it.

Ruby is in tough shape.

Michelle is an ICU nurse, and she worked the night before and has to sleep.

Selina cuts out from an important afternoon at UW-Stevens Point.

Mark Walters is super stressed out!

Three hours later, I get the call: There is a total of four living pups, two males and two females.

Ruby and her litter are on their way home, both Michelle and Selina are very worried about Ruby, as she has simply lost too much blood.

Meanwhile, back in Red Lake, I have several friends to visit with from my days of working in the fly-in fishing business. I do my best to be "Mark Walters the fun guy" – I felt very guilty and slept very little.

I drove home two days after the pups were born. For the most part, there was no longer any health issues for Ruby or the pups.

When I opened the door to my house, Ruby was in her nest box, and it was obvious that she was beat up and mad at me.

By 10 a.m. the next morning, she would wag her tail when I came around and, now, ten days later, she lays on her back and whines and moans, which is her way of talking to me.

I purchased my first golden forty-one years ago, and it was the best decision that I have ever made!

-Sunset-

P.S., My pup's name is Red!

## Activities at the Campbellsport Public Library

220 North Helena St.

P.O. Box 405

[www.campbellsportlibrary.org](http://www.campbellsportlibrary.org)

920-533-8534

### Monday Matinee

The Campbellsport Public Library invites you to join us for the Monday Matinee on April 25, at 1 p.m. We will be showing "A Journal for Jordan." Based on a true story, while 1st Sergeant Charles Monroe King is deployed in Iraq, he keeps a journal of love and advice for his infant son. Popcorn will be provided – please feel free to bring your own water or soda.

### Story Hour

The library hosts story hour each Wednesday from 10:30 -11:30 a.m. with Mrs. Monica. Each week features several themed stories along with a craft and various other activities. Children ages 3 to 5 are welcome to attend with an adult. Masking for story hour is optional, however we do ask that you continue to use hand washing practices and your best judgement when joining in the fun. If you have a cough or cold-like symptoms, please stay at home until you feel better.

Here's what's coming up:

- April 27 – Join us as we get in the Spring Spirit and read *The Tiny Seed* and *Spring is Here*. We will be making a flower craft and playing a bean bag toss game!

## Activities at the Kewaskum Public Library

### New Kits for April (while supplies last)

Kids – Spring suncatchers

Teens – Scratch art

Adults – Blackout poetry

### Preschool Storytimes

Preschool Storytimes are held on Wednesday at 10:30 a.m. Join us for stories, a fun craft and playtime with friends. Check out our upcoming guest readers!

- April 20 – Cats and Kittens.

- April 27 – Garbage and Recycling.

### Poetry Month Celebration for Teens

On Thursday, April 21 at 4 p.m., visit the library to celebrate National Poetry Month. Write some of your own poetry, create new proj-

ects and add to the library's poet-tree. Suitable for ages 12 and older.

### Let's go Fly a Kite!

On Saturday, April 23, from 10:30-12:30 p.m. learn about East Asian kites, make one with your family and fly it in the sky on the library lawn, weather permitting. Family program!

### Bookies Book Discussion Group

On Tuesday, April 26, at 9:30 a.m. in the Annex, the book to be discussed will be *Moonglow* by Michael Chabon.

### Introduction to Chinese Calligraphy

On Tuesday, April 26, at 4 p.m., take an intro class about Chinese Calligraphy taught by teachers from the North American Chinese School. Use authentic tools to create characters of your own. Please register in advance in-person, by phone at 262-626-4312 or email at [kewaskum@monarchlibraries.org](mailto:kewaskum@monarchlibraries.org). Suitable for adults and older children ages 14 and older.

### Gale Courses

Aspire to learn new things. Explore 350-plus online courses from accounting to technology to personal development. Six-week courses led by expert instructors. New courses begin every month. Access this free resource from the library's website and start learning today!

## 2022 Herb Kohl Foundation Excellence Scholarship, Initiative Scholarship, Fellowship, Leadership Award Recipients Named

The selection committee for the Herb Kohl Educational Foundation Student Scholarship, Teacher Fellowship and Principal Leadership program has announced recipients of the 291 Herb Kohl Foundation awards for Wisconsin students, teachers, and principals. Awards of \$6,000 are being made to 100 teachers, 17 principals, and their schools, and \$10,000 scholarship will be given to 174 graduating high school students. Two students from Kewaskum High School, Colin Duren and Sierra Heipp have been awarded Student Excellence Scholarships.

Student Excellence Scholarship recipients have demonstrated excellence in the academic arena and high motivation to achieve, have displayed a broad range of activity and leadership outside the academic setting, and have shown strong promise for succeeding in college and beyond.

The Kohl Foundation award program was established by Herb Kohl, philanthropist, and businessman. Since 1990, the foundation has awarded more than \$28.3 million to Wisconsin educators, principals, students, and schools. "Education is the key to the future of Wisconsin and our nation," Kohl said. "I am very proud of the accomplishments of these students, teachers, and principals and look forward to the great contributions they will make in the future."

## Check It Out!

**LORI KREIS**  
DIRECTOR, KEWASKUM PUBLIC LIBRARY

I know it is spring, the calendar states that it is. However, the weather is not corroborating with that fact. As I sit in my heated sunroom and watch the leafless branches bending in the cold wind with impending snow, it is difficult to believe that it is approaching the month of May. There is another indication of spring in my household and that is the beginning of deep spring cleaning. I am no domestic goddess like my grandmother was, but with warmer weather on the horizon and the thought of open windows, I do my part in ridding the house of winter dust.

I began deep spring cleaning a few weeks ago when a rod in my closet broke. I really didn't have that many dresses on it, but the bracket gave. I had to empty it so my husband could fix the rod because when I tried to repair it, the rod bonked me on the head more than once. Taking the dresses out and choosing which to keep and which ones to give away became a larger project that included two closets of not just clothes, bags, and shoes, but other items I had stored. I am glad I had purchased a larger car, because the back of it was filled with donations.

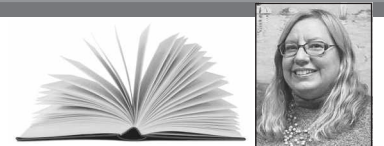

Now that I had started, I wrote down my strategy for several weeks. Yes, I over organize, but hey, I am a librarian. I work long hours during the week so needed to plan my

weekends to complete the cleaning I wanted to do. My goal is to complete these chores before it is nice enough to be outside and probably go camping. The next weekend was bathroom and kitchen weekend and I sorted and emptied cupboards and drawers, the pantry and the refrigerator. Surprisingly, I did not have too much to give away although I am sure my husband with disagree with that. But it is better organized. A deep cleaning day at my house usually includes an injury. That day, a frozen chicken fell out of the freezer on my toe.

The past weekend was all about furniture, floors and wood. We have a lot of wood in our 40-year-old house, and I like it polished and gleaming. I do dust often, but this chore included the walls, baseboards, and ceiling beams. We have wicker furniture in our sunroom and the previous weekend my granddaughter was grossed out by a spider web under it when she picked up a toy that had fallen. So, I flipped those pieces and cleaned in between all the rattan. Oh, and dropped the chair on my toe, other foot though.

The last on my list are windows and our yard outside. I am not sure what injury I will incur with those tasks, but I will let you know.

Enjoy your own spring cleaning and be sure to stop in the library for a book break.

### SCHOLARSHIPS from page 7

expenses.

"As electricians, we need to supply our own tools for our jobs, and in order to be the best we can be, we need to be prepared for whatever may come our way," Jenny Conrardy, Moraine Park electrical apprentice, said. "Receiving the Tools of the Trade Scholarship has been a great opportunity for me to be able to grow as an electrician

because I have been able to purchase some much needed equipment. I am very grateful for the opportunity to build a stronger foundation as I move forward in my career."

Each student receives a total of \$1,500 for the 2022-23 school year. A total of \$375,000 in scholarships were awarded to 250 construction and industrial trades apprentices from 15 Wisconsin Technical College System institutions.

# CHS Seniors Pass SolidWorks Professional Exam

Eleven Campbellsport High School seniors have passed the SolidWorks Professional (CSWP) Certified SolidWorks Professional exam. The CSWP exam is designed specifically for professionals who have several years of hands-on mechanical design experience in industry and the workforce.

The CSWP exam indicates a high level of competence in the use of the SolidWorks 3D CAD program and the thorough understanding of mechanical design and parametric part model-

ing. The exam is a three-hour and 20-minute-long exam and consists of three tests in the areas of part modification, configurations, and assemblies.

The SolidWorks certification database lists a total of 44 students from the state of Wisconsin that have passed this exam. Of those 44 students, 27 are from Campbellsport High School. A majority of the students pictured are enrolled in an Engineering and Mechanical Design program next year.

Eleven CHS seniors receive certifications of passing the SolidWorks Professional exam. Front row from left are Jacob Mader, Morgan Yahr and Killian Poquette. Back row from left are Garrett Roehl, Braden Heltemes,

Alec Harrison, Joseph Gardner, Lucas Hodny, Cullen Beisbier, Connor Lemke and Nathan Seefeld. **SUBMITTED**

**DREXEL SPORTS** *from page 1*

“One of the biggest things that keeps our communities excited about getting the paper each week is seeing their kids, grandkids, nieces, nephews, or whoever it may be, excelling and excited to participate in what they love,” read a press release from Drexel, which added that the high-level talent coming out of the area has increased regional attention on the two schools. “We are fortunate to have so many successful teams between Campbellsport and Kewaskum and to be able to help provide consistent coverage on everything those teams are doing.”

In addition to regular features written by our newsroom, the Drexel Sports Pages will also have consistent space for weekly stats, standings and team leaders. The pages will also provide ample room for coach and fac-

ulty submissions, something in recent years we have received plenty of positive feedback on (thank you coaches, parents and faculty for contributing!).

The Back Front Page – a *sui generis* newspaper strategy where the final section of the newspaper works in reverse order – also serves as an example of this publication’s gratitude for Drexel’s partnership: We hope to have dedicated the final section of our papers to this mission in perpetuity, or as long as we have a partner as committed to these communities as Drexel is.

As for this acting editor, personally, the Drexel Sports Pages are the completion of several years of hard work – covering local sports while woefully understaffed, driving hundreds of miles to celebrate with state finalists, doing our best to provide equal and equitable coverage –

and I could not be more excited about the possibilities.

While our newsroom is still small, we are an eager bunch, and Drexel’s commitment to our coverage means a permanent place for this content our readership enjoys so much.

So, win, lose, draw or postpone (especially as of late), we will be there, and just like the folks at Drexel, we are thrilled to see what positive impacts these celebratory pages will bring to the communities.

“Youth sports, and really all extracurriculars, are a great way to build connections and growth, which we value tremendously at Drexel,” stated the company in its release. “Drexel is super excited to be involved with this partnership and hope both the Campbellsport and Kewaskum communities enjoy it as much as we do.”

formal objection must be filed, these forms are available from the Clerk. Appointments must be made with the Clerk to appear at the Board of Review, call: 920-533-5053 for an appointment.

**Please be advised of the following, requirements to appear before the Board of Review and procedural requirements if appearing before the Board:**

No person shall be allowed to appear before the Board of Review, to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to view such property.

After the first meeting of the Board of Review and before the Board's final adjournment, no person who is scheduled to appear before the Board of Review may contact, or provide information to, a member of the Board about the person's objection except at a session of the Board.

No person may appear before the Board of Review, testify to the Board by telephone or contest the amount of assessment unless, at least 48 hours before the first meeting of the Board or at least 48 hours before the objection is heard if the objection is allowed because the person has been granted a waiver of the 48-hour notice of an intent to file a written objection by appearing before the Board during the first two hours of the meeting and showing good cause for failure to meet

**Meetings and Public Hearings 7720**

the 48-hour notice requirement and files a written objection, that the person provides to the Clerk of the Board of Review notice as to whether the person will ask for removal of any Board members and, if so, which member will be removed and the person's reasonable estimate of the length of time that the hearing will take.

When appearing before the Board, the person shall specify, in writing, the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

No person may appear before the Board of Review, testify to the Board by telephone or subject or object to a valuation; if that valuation was made by the Assessor or the Objector using the income method; unless the person supplies the Assessor all of the information about income and expenses, as specified in the manual under Sec. 73.03(2a), that the Assessor requests, the Town of Ashford has an ordinance for the confidentiality of information about income and expenses that is provided to the Assessor under this paragraph which provides exemptions for persons using information in the discharge of duties imposed by law or of the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under Section 19.35(1) of Wis. Statutes.

The Board shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, surgeon or osteopath that confirms their illness or disability. No other persons may testify by telephone.

Respectfully submitted,  
Town of Ashford,  
Tracy Flasch, Clerk

**NOTICE OF MEETING OF  
BOARD OF REVIEW  
FOR THE VILLAGE OF  
EDEN  
2022**

Notice is hereby given that the Board of Review for the Village of Eden, Fond du Lac County shall hold its first meeting on May 9, 2022. The time of this meeting is 6:00pm until 8 pm. The meeting will be held in the Village of Eden Office, 104 Pine Street, Eden, WI 53019.

**Please be advised of the following requirements to appear before the Board of**

**Meetings and Public Hearings 7720**

**Review and procedural requirements if appearing before the Board:**

No person shall be allowed to appear before the Board of Review to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to view such property.

After the first meeting of the Board of Review and before the Board's final adjournment, no person who is scheduled to appear before the Board of Review may contact, or provide information to, a member of the board about the person's objections except at a session of the Board.

No person may appear before the Board of Review, testify to the Board by Telephone, or contest the amount of assessment unless, at least 48 hours before the first meeting of the Board or at least 48 hours before the objection is heard if the objection is allowed because the person has been granted a waiver of the 48 hours notice of an intent to file a written objection by appearing before the Board during the first two hours of the meeting and showing good cause for failure to meet the 48 hour notice requirement and files a written objection, that the person provides to the Clerk of the Board of Review notice as to whether the person will ask for removal of any Board members and, if so, which member will be removed and the person's reasonable estimate of the length of time that the hearing will take.

When appearing before the Board of Review, the person shall specify, in writing, the person's estimate of the value of the land and the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

No person may appear before the Board of Review, testify to the Board by Telephone or subject or object to a valuation: if that valuation was made by the Assessor or the Objector using the income method; unless the person supplies the Assessor all of the information about income and expenses, as specified in the manual under Sec. 73.03(2a), that the Assessor requests, the Village of Eden has an Ordinance for the Confidentiality of information about income and expenses that is provided to the Assessor under this paragraph

**Village of Campbellsport**

Regular Village Board Meeting Minutes

**Monday, March 14, 2022 - 6 pm**

Campbellsport Municipal Center  
Community Room - 470 Grandview

The meeting was called to order at 6:00 pm by PR Krebs.

Notice was posted at the National Exchange Bank, Campbellsport Library, Municipal Center & Village website.

Pledge of Allegiance  
Board members present, Krebs, Hafemann, Zielieke, Reseburg, Wenzlaff, Jarmuz, Schwai

Matt Schwai was sworn in by Clerk Sarauer for the open 1-year Trustee term

Motion by Hafemann, Wenzlaff to approve the consent agenda, Motion carried, 7-0.

Motion by Hafemann, Wenzlaff to approve operator licenses for Sarah Doubeck & Rylee Ruplinger, Motion carried 7-0

Motion by Zielieke, Jarmuz to approve payment of invoices totaling \$517,228.48. Motion carried, 7-0.

Resolution 2022-1 postponed, final costs have come in and loans are being finalized for July approval

Motion by Hafemann, Jarmuz to approve

**Minutes 7725**

Resolution 2022-3 to amend the Organization and By-laws of the East Central Wisconsin Planning Commission Motion carried, 7-0

Chief Dornbrook reported that the home at 422 E Main St. has been sold to a person that intends to restore it. Dornbrook will touch base with him soon to let him know the repair expectations of the Village. The County IT dept. will be here on 3/16 to begin migrating the village e-mails to the county system.

Dornbrook explained the noncompliance of safety reporting by the School District and the lack of cooperation with the School Administrator regarding Safety concerns. Dornbrook will be attending tonight's school board meeting to address these concerns.

Kudy presented a conceptual plan for a TID #2 that would overlay a portion of the current TID. This would allow the village to capitalize on additional revenue that would help support the current TID and allow the village to take advantage of extended growth in the village. Public hearings will begin in May.

Announcements: The Re-organizational meeting will be held on April 11th before the Regular Board Meeting. The auditors are finished and will let us know when they are ready to present their findings.

Motion by Zielieke, Jarmuz, to adjourn at 7:01 PM. All in favor

Respectfully submitted,  
Shelby Sarauer Clerk - Treasurer CMTW

## COUGARS BASEBALL

from page 22

Omro at bay on the mound, and Campbellsport scored one in the third when Nerat led off with a single and later scored on a sacrifice fly by Mitch McCarty.

Kaehne carried a no-hitter into the sixth before surrendering a pair of singles, but kept the shutout intact without allowing a runner to reach third base the entire game.

Campbellsport added two insurance runs in the sixth highlighted by Cullen Beisbier's two-out RBI single.

Nerat took over on the mound in the seventh and promptly struck out the side to seal the victory.

Kaehne's line for the evening on the mound was six innings pitched, two hits, no runs, and seven strikeouts.

**Campbellsport, 9 at W.L.A., 0**

The Cougar boys' baseball team traveled to Winnebago Lutheran Academy (W.L.A.) on Monday, April 11, and earned a 9-0 victory over the

## Combined Two-hitter

Campbellsport senior Zachary Mrochinski was one of three pitchers to take the mound in a game against Mayville on Tuesday, April 12. The trio of Mrochinski, Mitch McCarty and Cole Karweick allowed just two hits to the opposing Mayville Cardinals as the Cougars cruised to an 18-2 run-rule, conference victory.

### CLARICE CASE PHOTO

Vikings.

Joey Nerat got the Cougars on the board in the first with an opposite field home run into a stiff wind.

Jalen Gellings got the nod for the Cougars, and gave up his only hit of the evening on an infield single in the bottom of the first.

With Gellings dealing and a solid defense behind him, W.L.A. did not get a runner as far as second base the en-

tire game.

The Cougars were up 1-0 entering the fifth when they added four runs on five hits, including two-out singles by Alec Harrison, Cullen Beisbier and Braden Heltemes. Nerat put the game out of reach in the seventh with another home run, finishing 3-4 for the evening with two home runs and a double.

Gellings also had a strong night at the plate going 2-4 with a double, as he finished with 14 strikeouts on the mound.

## Campbellsport, 18 vs Mayville, 2

Campbellsport improved their record to a perfect 4-0 on Tuesday, April 12, with an 18-2 victory over the Cardinals of Mayville.

Mitch McCarty, Zach Mrochinski and Cole Karweick combined to al-

low a total of two Mayville hits, and the Cougars played error-less ball behind them once again.

The Cougars got on the board in a big way in the first by putting up a nine-spot.

Garrett Roehl had two hits in the inning, Noah Fleischman delivered a big blow with a double and Joey Nerat topped it off with a triple.

The Cougars scored in every inning and finished it off by the run rule.

Cullen Beisbier had three hits on the evening, and Fleischman had two singles to go along with his double.

Campbellsport was scheduled to host Lomira after print time on Tuesday, April 19. Due up, the Cougars will head to Rosendale on Thursday, April 21, to play the Laconia Spartans. First pitch at William N. Taylor Park is scheduled for 5 p.m.

## COUGARS SOFTBALL from page 22

Despite the loss, Goebel is happy to be playing.

"After watching how far our team has come these past few weeks in practice, I'm excited to continue to work towards our main goal of winning conference and making it to state," she said.

Heisdorf finished with three hits and Goebel had two.

Flitter and Kylie Zehren combined to strike out seven.

## Campbellsport, 6 vs Mayville, 0

The Cougars came right back on Tuesday to face another tough conference foe, the Mayville Cardinals, on a very windy night. Campbellsport would prevail in this contest despite the elements, and earned the Cougars' first win and shutout of the season, defeating Mayville by a score of 6-0.

With the score knotted at zero in the third, Carissa Heisdorf got things started by lining a double down the line. Kylie Krueger followed that up with a double to the gap scoring Heisdorf. After Kylie Zehren lined a single to right, Kaitlyn Goebel put one over the left fielder's head for the third double of the inning, which scored Zehren and courtesy runner Brianna Thompson to make the score 4-0.

In the fourth, Heisdorf would reach on an error and would later score on another Goebel hit.

The Cougars would add their final run in the sixth when Heisdorf and Krueger would single and Goebel hit a sac fly scoring Heisdorf.

Campbellsport finished with 11 hits, led by Goebel - who had three hit and four runs-batted-in (RBI).

Heisdorf scored three runs, while Krueger and Kinsley Homuth each had two. Kylie Zehren and Morgan Yahr each scored once.

After having games cancelled the past two weeks and, after holding many inside practices, senior Carissa Heisdorf said it was a relief playing the game in the elements.

"It's nice to finally be able to get outside and play," she said. "This month of practicing inside has been hard, but seeing the progress that we have made as a team is really rewarding to see."

Zehren got the complete game win, getting out of a second inning and third inning one-out-jam by striking out consecutive batters (in both frames). She would finish with 10 strikeouts, allowing five singles.

"The wind was definitely not in my favor, but I pitched through it and at times I was able to use it to my advantage with the movement on my pitches," stated Zehren.

The Cougars were scheduled to play Lomira on April 19 at at home after print time and have a double-header scheduled at Laconia starting at 4:30 p.m. on Thursday, April 21.

Campbellsport junior Kaitlyn Goebel (#24) stares down the pitcher in a game against Mayville.

## KEWASKUM BASEBALL from page 24

against the Ozaukee Warriors (0-1). Kewaskum defeated Ozaukee, 18-8, in six innings.

Kewaskum got things started in the first inning when an error scored one run.

The Indians kept it going and put up five runs in the second inning. Kewaskum's Lucas Block, Donny Zillmer, Jacob Brzozowski, Hunter Loser and Alec Cappozzo all drove in runs in the inning.

Despite being down 12-3, the Ozaukee Warriors did not go away and scored four runs in the fifth inning.

Cappozzo was the winning pitcher for Kewaskum. He went four innings, allowing one run on three hits and striking out four. Block and

Zillmer entered the game out of the bullpen and helped to close out the game in relief.

The Indians scattered 15 hits in the game. Loser, Zillmer, Carter Curtain and Cappozzo each managed multiple hits. Zillmer and Loser each collected three hits to lead Kewaskum.

## Kewaskum, 6 at Plymouth, 4

The Kewaskum Indians scored more runs than the Plymouth Panthers taking victory on Tuesday, April 12, to the tune of 6-4.

The Panthers fired up the offense in the first inning. Jackson Nieltz drove in one when Nieltz singled.

In the top of the second inning, the Indians tied things up at one when Derek May singled on a 1-0 count, scoring one run.

The Indians pulled away for good with one run in the third inning.

Jacob Brzozowski got the win for Kewaskum. The right-hander allowed four hits and two runs over six innings, striking out eight.

Donny Zillmer threw one inning in relief out of the bullpen. Zillmer recorded the last three outs to earn the save for Kewaskum.

Peyton Sass took the loss for the Panthers. The pitcher went six innings, allowing six runs on six hits and striking out seven.

Alec Cappozzo, May, Brzozowski, Matthew

Buechel, Zillmer and Matt Blank all had one hit to lead the Indians.

Jake Shutter went 2-for-2 at the plate to lead the Panthers in hits.

## Kewaskum, 13 vs Plymouth, 2

A seven-run third inning led the Kewaskum Indians (4-2, 2-2) to a 13-2 victory in five innings last Thursday, April 14, over the Plymouth Panthers (0-3, 0-2).

In the first inning, the Panthers got their offense started when John Steinhardt doubled on a 0-1 count, scoring one run. Plymouth was able to score another run to take a quick 2-0 lead.

However, the Indians got one run back in the bottom of the first, and then pulled away for good with seven runs in the third inning and five runs in the fourth.

Kewaskum totaled eight hits in the game.

Alec Cappozzo and Donny Zillmer both collected multiple hits for Kewaskum Varsity Indians.

Derek May pitched Kewaskum Varsity Indians to victory. The righthander went five innings, allowing two runs on five hits, striking out seven and walking one.

Ethan DeMunk took the loss for the Panthers. He lasted three innings, allowing seven hits and eight runs while striking out five.

 "Make Me Wanna" by Thomas Rhett.  
**Favorite meal:**  
 Steak and potatoes.

## Koenigs Takes Fourth at Indoor State for Shot Put

*The Campbellsport junior competed against athletes from all divisions*

**MITCHELL BRADLEY KELLER**  
 ACTING EDITOR

The Wisconsin State Indoor Track & Field Championships, an early-season culmination event meant to lessen the challenges enigmatic spring weather, were held at the University of Wisconsin-Whitewater at D.L.K. Kachel Fieldhouse on Saturday, April 9, and Campbellsport Cougar thrower Aubree Koenigs, a junior, took fourth place in the shot put competition with a toss of 37-feet, nine-inches.

Koenigs was just two inches shy of tying the third-place finisher,

Jessa Alderman of J.A. Craig High School (Janesville), but four feet short of the first-place thrower, Ella Puls of Lodi, who launched a 41-foot, 11-inch toss.

Prior to her state finish, Koenigs threw her personal record (outdoor) at the Kettle Moraine Lutheran invite on April 5. She took first place at that meet with a 38-foot, nine-and-a-half-inch toss.

Also qualifying and competing in the indoor state meet from Campbellsport were Lydia Toshner (60m hurdles), Joseph Gardner (long jump, 11th place, 20-09.5), Santana Ryan (400m, 10th place, 1:02.22) and the 4x400m relay team of Ryan, Sienna Hewitt, Amber Jacobson and Lydia Toshner (26th place, 4:33.63).

**Koenigs the Cougar Takes Fourth**

Aubree Koenigs, a junior at CHS, is pictured at fourth podium position. Koenigs recently took fourth place in the shot put at the Wisconsin State Indoor Track & Field Championships at UW-Whitewater.

**SUBMITTED**

## Cougar Boys Win Markesan Invite, A First in 20 Years

**CLARICE CASE**  
 JOURNALIST

After earning a total of 190 points, the Campbellsport varsity boys track team took first at the Markesan Invite on Thursday, April 14. The team victory, according to coaches, is the first for the CHS boys in two decades.

Senior Joseph Gardner took first in the 100-meter dash, long jump and the 4x100 relay along with junior Devlin Delegard, and sophomores Ben Timm and Mason Willacker.

Other first place finishers included freshman Logan Nolan in the 1600m, senior Skyler Fryman in the 3200m and senior Ethan Kohlmann in the shot put. The 4x800m relay team consisting of senior Jerid Waddle, sophomore Aydan Meilahn, Fryman and Nolan also took first place.

Second place finishers included Waddle in the 400m, senior Nathan Seefeld in the 1600m, senior Nicholas Timm in the 300m hurdles (with a 46.25 personal record [PR]) and sophomore Caleb Smith in high jump with a 5-08.00 (PR).

Sophomore Evan Wilcox had second place finishes in the 110m hurdles and shot put with PRs in both – 18.30 in the hurdles and 36-03.00 in shot put.

The 4x400 relay consisting of seniors Ryan Kiesner and Josh Bath, Timm and Meilahn also placed second.

Third place finishers included Meilahn in the 400m, Seefeld in the 800m and Smith in the 110m hurdles, wherein he earned a second PR with a time of 18.37.

**First Place for First Time in 20**

The Campbellsport Cougars boys track and field team celebrates a first-place finish at the Markesan Invite held last week. CHS coaches believe this is the first boys' team victory in more than two decades for the program. **SUBMITTED**

According to CHS Track Head Coach Derek Toshner, the boys track team had not placed first at a meet in the last 20 years.

The Cougar girls placed fifth at the invite with

77 points.

Senior Santana Ryan placed first in the 200 and 400-meter dashes.

Freshman Lydia Toshner placed second in the 100 and 300-meter dashes and had a 17.84 PR in the 100.

Junior Aubree Koenings placed second in shot put and third in discus.

The 4x400 relay team consisting of freshman Sienna Hewitt, junior Ella Goebel, Toshner and Ryan placed first.

The 4x800 team consisting of freshman Anna Batzler, junior Elli Scannell, senior Alayna Meilahn and Goebel placed second.

**ROUNDUP: Cougars Softball**

*The Campbellsport Cougars were 1-1 heading into the week of April 18-22*

**DAN HEISDORF**  
CAMPBELLSPORT HIGH SCHOOL, VARSITY SOFTBALL COACH

**Campbellsport, 4 at W.L.A., 5**

The Cougar softball team finally started their season after Mother Nature cancelled their first seven games. On April 11, they played the defending Flyway champions, Winnebago Lutheran Academy (W.L.A.), and fell 5-4.

The Cougars got things going in the first inning when Carissa Heisdorf singled and later scored on a Kinsley Homuth single.

The Vikings would tie the score in the bottom half of the first.

In the top of the second, Kaitlyn Goebel led off with a

Campbellsport junior Kinsley Homuth (#12) is ready to make the tag at first during a game against Mayville. **CLARICE CASE PHOTO**

double. Brooke Flitter laid down a sacrifice (sac) bunt and would reach on an error, which scored Goebel. Heisdorf came to the plate and stroked an RBI-single to left and would eventually score on two throwing errors to make the score 4-1.

In the bottom of the fourth, W.L.A. strung together a few hits along with some well-placed

balls in the infield that the defense couldn't make a play on and would score four runs to take a 5-4 lead.

The Cougars had opportunities to tie or take the lead in the fifth and seventh innings, but could not get the big hit.

**INDIANS SOFTBALL** *from page 24*

thanks to a strong start from freshman Macy Sabish on the mound and some hot bats by the Lady Indians.

Waupun scored in the bottom of the first on a walk, passed ball and a single. That would be the only lead of the game for the Warriors.

Kewaskum pulled away for good with three runs in the second inning. In that frame, the bases were loaded when Aubrey McGray was hit by a pitch, driving in a run. Next, Sadie Clausing singled on a 0-2 count, driving in two more runs.

The Indians would add two runs in the fourth, three in the fifth, one in the sixth and four more in top of the seventh.

The offense in the seventh inning came from a couple of walks by McGray and

Clausing, an error on a ball put in play by Macy Sabish, a single by Maddie Boelte and a scorching double by Emilia Lang.

Sabish toed the rubber for Kewaskum, and she lasted seven innings, allowing four hits and two runs while striking out nine.

Kewaskum racked up 12 hits, as Isabelle Thomas, Sadie Clausing, Mikaela Marquardt and Aubrey McGray each collected multiple hits for the Indians. Lauren Rettler, Maddie Boelte, Emilia Lang and Julia Prochnow each logged one hit.

As of this week, the Indians moved to 1-1 in conference and 1-2 overall.

*Kewaskum was scheduled to play in Winneconne after print time on Tuesday, April 12. Due up, the Lady Indians will host Ripon on Thursday, April 21, with first pitch slated for 4:45 p.m.*

**Kewaskum Track Places Third**

**CLARICE CASE JOURNALIST**

The Kewaskum boys and girls varsity track teams placed third at the East Central Conference Waupun Quad on Tuesday, April 12.

The girls' team scores were:  
1. Waupun, 65 points (pts);  
2. Berlin, 65 pts;  
3. Kewaskum, 52.

The boys' team scores were:  
1. Berlin, 70 pts;  
2. Waupun, 58 pts;  
3. Kewaskum, 57.

Junior Julia Steger placed first in the 200-meter race with a 27.67 personal record (PR), second in long jump behind senior Brenna Meidl and second in the 4x400m relay along with Meidl, and juniors Miranda Bastian and Josey Curtes. Meidl also placed first in triple jump while Curtes placed second with a 30-10.50 (PR).

Sophomore Bella Hooker placed first in high jump and logged a 6:24.24 (PR) in the 1600, placing her in second.

The girls' relay teams

placed first and second in the 4x800m. Placing first were Bastian, Hooker, and sophomores Avalon Olla and Abigail Gerhartz. Placing second were Curtes, junior Hannah Frase, and sophomores Macy Fleischman and Sarah Hill.

Isaiah Lubner placed first in the 400m with a 53.09 (PR), and the 4x400m relay team of Lubner and fellow seniors Isaac Schmidt, Maxwell Melzer and Damareyon Taylor placed first.

Taylor placed first in the 300-meter hurdles while sophomore Bruce Penfield placed third.

Brady Bastian placed second in both shot put and discus with a 35-04.00 (PR) for shot and 97-10 (PR) in discus.

Senior Reegen Marx placed first in pole vault while junior Carson Rolf placed second with a 10-00.00 (PR).

Sophomore Mitchell Becker placed second in triple jump and also had a PR of 40-03.00.

Senior mid Emma Rinzel makes a play to the ball during last week's 9-0 rout of the Random Lake Rams. The Lady Indians set the tone early with six first-half goals. Lydia Steinbauer finished with four scores, Jadin Czuppa scored two and Mia Vetter, Natalie Newman and Molly Freund all scored one. Vetter led the team in assists with three, while Newman added two. **BREANNA RICE PHOTO**

## ROUNDUP: Indians Softball

**KHS SOFTBALL**

**Kewaskum, 1 vs Lomira, 10**

The Kewaskum Indians watched the game slip away early and couldn't recover in a 10-1 loss to Lomira on Monday, April 4, which turned out to be Kewaskum's first game of the new season.

Kewaskum struggled to put runs on the board and had a tough time defensively containing Lomira, giving up 10 runs.

Lomira fired up the offense in the first inning, when Bloohm homered on a 2-1 count, scoring two runs.

Lomira scored three runs in the second inning.

Lomira batters contributing to the big inning included Litterick and Sitterberger, who each drove in runs that inning.

Hannan took the win for Lomira. The hurler went four innings, allowing zero runs on two hits, striking out four and walking zero.

Anna Theusch took the loss for Indians. She lasted four innings, allowing eight hits and seven runs while striking out three.

Macy Sabish came in relief allowed three runs on two hits while striking out three.

Lomira tallied two home runs on the day. Bloohm went yard in the first inning, and Frea had a long ball in the fifth inning.

In all, the Indians racked up five hits in the game with Sadie Clausing and Macy Sabish each recording two hits to lead the team. Freshman Maya Beistle added one hit.

**Kewaskum, 3 vs K.M.L., 5**

Samantha Kohl pitched the Kettle Moraine Lutheran (K.M.L.) Chargers to victory on April 5, as Kewaskum fell in its second game of the year by a score of 5-3.

Kohl, the Chargers' starting righty, lasted seven innings, and she allowed five hits and three runs while striking out eight.

Macy Sabish took the loss for the Kewaskum Indians. She went five-and-one-third innings, allowing five runs on seven hits and striking out four.

Anna Theusch started the game for the Indians. The right-hander went one-and-two-thirds innings, allowing zero runs on one hit and striking out one. Theusch exited the game after a collision near the mound.

Emilia Lang led the Indians with two hits in three at-bats.

Lauren Rettler, Aubrey McGray, and Isabelle Thomas each had one hit.

The Chargers totaled eight hits, with Ryen Pagano and Kohl each logging multiple hits for KML. Pagano went 4-for-4 at the plate to lead the Chargers in hits.

**Kewaskum, 13 vs Waupun, 2**

The Kewaskum Indians, on Tuesday, April 12, defeated the Waupun Warriors on the road, 13-2,

## ROUNDUP: Indians Baseball

**MICHAEL PROCHNOW**  
 ASSISTANT COACH, KHS BASEBALL

**Kewaskum, 9 vs Cedar Grove-Belgium, 3**

After a back and forth game for the first three innings played at home on April 4, Cedar Grove-Belgium tied the game at three in the top of the fifth inning until the Indians exploded for six runs, thanks to runs-batted-in by Matt Blank, Derek May, Austin Loehr, Trent Halvorsen and Matthew Buechel.

Those insurance runs were enough as Kewaskum held on to win their first game of the season, 9-3.

Jacob Brzozowski started the game and allowed one unearned run on one hit, one walk and two strikeouts over one-and-one-third innings.

Alec Cappozzo earned the victory on the hill for Kewaskum. The right-hander allowed five hits and two runs over three-and-two-thirds innings, striking out two.

May threw two hitless innings in relief out of the bullpen, striking out five.

The Indians tallied nine hits in the game.

Hunter Loser and Donny Zillmer each had multiple hits

for Kewaskum.

**Kewaskum, 1 vs Kettle Moraine Lutheran, 7**

The Kewaskum Indians (1-1, 0-1) fell behind early and couldn't come back in a 7-1 loss to Kettle Moraine Lutheran (K.M.L.) (1-0) on Tuesday, April 5, at Kewaskum High School.

Jack Rechlicz earned the victory on the mound for K.M.L. He allowed four hits and one run over six innings, striking out two and walking one.

Landon Hagenow threw one inning in relief out of the bullpen.

Derek May took the loss for Kewaskum. He allowed three hits and four runs over three innings, striking out four.

The Chargers totaled six hits, with Hagenow and Ben Zylka both logging multiple knocks. Hagenow went 3-for-4 at the plate to lead the Chargers in hits.

Matt Blank, Donny Zillmer, Alec Cappozzo and Hunter Loser each collected one hit to lead the Indians.

**Kewaskum, 1 at Kettle Moraine Lutheran, 3**

Both teams were strong on the pitcher's mound, but K.M.L. was just a little bit stronger at the plate in a victory over the Kewaskum Indians

on Thursday, April 7.

Jacob Brzozowski started the game for Kewaskum and threw all six innings giving up six hits and three runs (one earned) while walking four and striking out two.

Landon Hagenow earned the win for K.M.L. The Chargers' pitcher lasted six innings, allowing five hits and one run while striking out nine and walking zero.

Ben Stern relieved Hagenow as the pitcher for the seventh inning and recorded a 1-2-3 inning for the save.

Kewaskum had five hits on the day. Donny Zillmer went 2-for-3 at the plate with a triple while Hunter Loser, Trent Halvorsen and Matt Blank all recorded one hit a piece.

Kettle Moraine Lutheran racked up six hits on the day. Logan Hennen and Ben Zylka each had multiple hits for K.M.L.

**Kewaskum, 18 vs Ozaukee, 8**

The base paths were crowded Monday, April 11, for both offenses in a high-scoring game where the hosting Kewaskum Indians (2-2) were able to score in every inning and came out on top in a non-conference game

# Kettle Moraine State Forest Northern Unit

## Designated Trails and Public Use Areas

# Kettle Moraine Great Area To Visit

The Kettle Moraine area is a great place to visit. It boasts some of the best physical features in the state and some of the most friendly neighboring villages.

Known as the Kettle Moraine State Forest-Northern Unit, this area can thank the glaciers for the unique characteristics. The northern unit of the forest is only a portion of what is sometimes called the Kettle Range.

This range was created when the Green Bay Lobe of the glacier on the west, collided with the Lake Michigan Lobe of the glacier on the east, depositing sediment. The western glacier formed the Bay of Green Bay, Lake Winnebago and the Horicon Marsh while the eastern one formed Lake Michigan.

This area contains very hilly terrain and glacial landforms, such as kettles, kames and eskers. The forest is divided into two large and three small units, which are spread across a hundred miles.

The Kettle Moraine State Forest-Northern Unit consists of an area covering the western part of Sheboygan County, the southeastern part of Fond du Lac County and the northern portion of Washington County. It includes more than 29,000 acres. The forest itself was established in 1937 to help preserve this unique area and its features.

The forest is managed for multiple uses, including recreation management, sustainable forest products, water quality and soil protection, terrestrial and aquatic wildlife, native biological diversity, and aesthetics.

The forest headquarters is located near Campbellsport. Features of the Northern Unit are the Greenbush Recreation Area, with a group camping area and hiking trails; Parnell Observation Tower; the Long Lake Recreation Area, with a campground, a beach and boat launch; Henry S. Reuss Ice Age Visitor Center; and the Mauthe Lake Recreation Area, with a campground, a beach and boat launch.

About 145 miles of trails can be found in the northern unit. These trails are used for biking, hiking, horseback riding, cross country skiing and snowmobiling.

Other facilities in the area include 336 family campsites with modern facilities, nine group campsites, six backpack shelters, a horse riders campground, three swimming beaches, five boat launches and an observation tower.

It is estimated that approximately 800,000 people visit the forest every year. Annual camper nights equal about 91,599.

You will definitely be able to find something fun to do in the Kettle Moraine State Forest-Northern Unit. There is something for everyone.

To find out more information, go to the DNR website at [www.dnr.state.wi.us](http://www.dnr.state.wi.us). You can also call the forest headquarters at 262-626-2116 or call the Ice Age Visitor Center at 920-533-8322.

The forest is open from 6 a.m.-11 p.m. daily. The forest headquarters is located on Highway G and is open 8 a.m.-4:30 p.m. Monday-Friday.

The Mauthe Lake recreation area entrance station is open from 10 a.m.-7 p.m. Saturdays-Thursdays and 10 a.m. to 9 p.m. on Fridays from Memorial

Biking is one of the many fun activities for everyone who visits the Northern Kettle Moraine State Forest.

Day through Labor Day. These hours will vary during the off-season. Call 262-626-4305 for more information.

The Long Lake Recreation area entrance station is open from 10 a.m.-7 p.m. Saturdays-Thursdays and 10 a.m. to 9 p.m. on Fridays from Memorial Day through Labor Day. The hours vary during the off-season. Call 920-533-8612 for more information.

The Henry S. Reuss Ice Age Visitor Center is open seven days-a-week April through October from 8:30 a.m.-4 p.m. Mondays-Fridays and 9:30 a.m.-5 p.m. weekends. Winter hours vary and run from November through March. The center is one-half mile west of Dundee on State Highway 67 and offers forest information, interpretative displays, and a 20-minute Ice Age film.

### Area Villages

Don't forget to visit the area villages and towns that surround the Kettle Moraine Forest. They are all welcoming and helpful.

- Campbellsport is on the west side of the forest. You can get to Campbellsport by taking Highway 67.
- Kewaskum is on the southwestern side of the forest. You can get to Kewaskum by taking Highway 45 or Highway 28.
- Dundee is within the forest on the western side. It is located along Highway 67. The Henry S. Reuss Ice Age Visitor Center is just outside of Dundee on Highway 67.
- New Prospect is a small town located within the forest. You can get there by traveling along Highway 55. The horseriders camp is located in New Prospect.
- Greenbush is near the northern portion of the forest. You can get to Greenbush by taking County Highway A.
- Glenbeulah is also on the northern corner of the forest. It can be found by taking County Highway A.
- Plymouth is a short drive to the east of the forest. You can take Highway 67 to get to Plymouth.
- Cascade is also a short drive to the east of the forest. You can get to Cascade by taking Highway 28.
- Eden is a short drive to the northwest. You can get to Fond du Lac by taking Highway 45 north.
- Fond du Lac is a short drive to the northwest. You can get to Fond du Lac by taking Highway 45 north.
- West Bend is a short drive south of the forest. You can get to West Bend by taking Highway 45 south.

# Ice Age Center

The Henry S. Reuss Ice Age Visitor Center is a great resource for anyone visiting the Kettle Moraine State Forest-Northern Unit. It is located just outside of Dundee on Highway 67.

Its purpose is to introduce and orient visitors to the forest about the area and the special features of the area. The glaciers that covered this area about 10,000 years ago left some unique terrain and features in this area.

The Kettle Moraine was created when the Green Bay Lobe of the glacier, on the west, collided with the Lake Michigan Lobe of the glacier, on the east, depositing sediment. The western glacier formed the Bay of Green Bay, Lake Winnebago and the Horicon Marsh while the eastern one formed Lake Michigan.

As the glaciers melted and moved, they left behind many different features like moraines, kames, eskers, drumlins, and kettles. The Ice Age Visitor Center explains these features, how they were formed and gives examples of these features in the area.

"You can get a good idea of how the glaciers affected this area and the treasures it left," said Jackie Scharfenberg, DNR naturalist at the Ice Age Center. "A lot of groups come here as a jumping off point."

View exhibits to learn about the frozen history of Wisconsin and the gifts of the glacier. There is a great view of the landscape from the nature center and a naturalist is available to answer your questions.

The Ice Age Visitor Center is a great place to visit to learn more about the Kettle Moraine State Forest and how it was formed. You can also take part in educational programs, find a trail, and just enjoy the beauty of the forest from the center. Many of the educational programs held in the forest are hosted at the Ice Age Center.

After visiting the center, you can then go out into the forest to see these different formations. Many trails can be found in the forest to get you to these features. A short trail is also accessible from the Ice Age Visitor Center.

Another feature of the center is the information you can receive about the forest activities. The center has maps of all the trails in the forest, campgrounds, information about Mauthe and Long Lakes and the campgrounds in the forest.

"We can provide information about the forest and its multitude of things to do," Scharfenberg said.

Become a Wisconsin Explorer and discover the natural world. Pick up a booklet at the nature center. The booklets are full of hands-on, exciting and educational activities for days on the beach, rainy days at home or starry nights. Complete at least half of activities and return it to any state park, forest or recreation area. Receive a patch and certificate for completing the activities.

The Henry S. Reuss Ice Age Visitor Center was opened in January of 1981 and dedicated in May of 1981. It was named after a Wisconsin congressman. The Zillmer Trail was also named after a Wisconsin

congressman

"They got some of the initial money passed (for the center and trails)," Scharfenberg said.

The center is open year-round. From April through October, it is open Monday-Friday from 8:30 a.m.-4 p.m. and on weekends from 9:30 a.m.-5 p.m. During the months from November through March, the hours will vary, so please call ahead at 920-533-8322. About 25,000-30,000 people stop at the Ice Age Visitor Center every year.

Educational programs are held at the center every week. These programs teach young and old about the forest wildlife, vegetation and other fun nature-related things. Programs are generally free to the public, with some exceptions.

Throughout the year, the forest naturalists present a wide array of fun-filled educational programs. The programs are held at the Ice Age Visitor Center, Mauthe Lake Recreation Area, Long Lake Recreation Area or at other spots within the forest. There are programs for all interests and age levels.

The Henry S. Reuss Ice Age Visitor Center is a great place to start your visit to the Kettle Moraine State Forest-Northern Unit. It will help educate you about the forest and give you information about more opportunities in the forest.

A gift shop offering books, clothing and other souvenirs can be visited. The gift shop is operated by the Friends of Kettle Moraine - Northern Unit. All proceeds support the forest.

## Experience the

# Trails In The Kettle Moraine

One of the great things about the Kettle Moraine State Forest-Northern Unit is the many trails that are available within the forest. You can walk, bike, picnic, ride horses and have a lot of fun on these trails.

There are several miles of hiking trails within the forest. The Ice Age National Scenic Trail travels for 31 miles through the length of the forest. Hiking is also available at the Greenbush recreation area (13.5 miles), New Fane loop system trails (7.7 miles), Zillmer loop area (11.4 miles), Butler Lake loop (3 miles), Parnell Tower loop (3.5 miles), Tamarack loop (2 miles) and the Lake to Lake Bike Trail (6.5 miles).

Pets are allowed on all hiking trails except the nature trails, as long as they on a leash eight feet or shorter at all times.

■ **Butler Lake Loop:** On Butler Lake Road, 1.5 miles east of the Long Lake Recreation Area, the Butler Lake Trail winds more than three miles through the 158-acre Butler Lake and Flynn's Spring State Natural Area.

A portion of the loop trail is shared with the Ice Age Trail. Interpretive displays are set at the base of the esker and overlook Butler Lake. A picnic table, grill and drinking water are at the trail head.

■ **Greenbush Recreation Area Trails:** On Kettle Moraine Drive, 2.5 miles north of State Highway 67, the Greenbush recreation area has two trail systems: four loops of challenging mountain bike trails totaling nine miles, interwoven with five loops of hiking trails totaling 13.5 miles.

Hikers and off-road mountain bikers share this multiple-use trail system in season. For safety reasons, these trails are use-specific: hiking is not allowed on the bike trails and biking is not allowed on the hiking trails.

A heated picnic shelter, picnic tables, grill, drinking water and vault toilets are near the trail head. There is also access to the Ice Age Trail.

A state trail pass is required for all bike riders and skiers age 16 and older.

■ **Ice Age National Scenic Trail:** About 31 miles of the Ice Age National Scenic Trail travels the length of the forest. The moderate to difficult course follows sinuous eskers and tumbled moraines descending into bogs and deep kettles.

Five rustic backpack shelters are reservable

Many trails can be found in the Kettle Moraine State Forest-Northern Unit. They provide great recreational opportunities in this area. You walk or bike on these trails during the spring, summer and fall months.

for camping along the trail. The Ice Age Trail includes various portions of other forest trails.

The Ice Age Trail is a National Scenic Trail located entirely within Wisconsin. The trail is also one of 42 designated Wisconsin State Trails, and the only one specifically designated as a "State Scenic Trail." From Interstate State Park on the Minnesota border to Potawatomi State Park on Lake Michigan, the Ice Age Trail winds for more than 1,000 miles, following the edge of the last continental glacier in Wisconsin.

One of only 11 National Scenic Trails, the Ice Age Trail is intended to be a premier hiking trail and conservation resource for silent sport and outdoor enthusiasts. The trail traverses some of Wisconsin's most scenic landscapes and helps tell the story of the last Ice Age by highlighting Wisconsin's unique glacial features.

■ **Lake to Lake Bike Trail:** This 6.5-mile limestone surfaced trail connects the Mauthe and Long Lake recreation areas and passes by the village of Dundee.

This gentle trail winds through hardwood forests, prairies, conifer plantations, and lowland swamps. The trail includes a boardwalk over low areas east of Dundee Mountain.

■ **Moraine Nature Trail:** This 0.75 mile, easy nature-trail loop begins at the Ice Age Visitor Center. A self-guided booklet links to the numbered posts along the trail and identifies the common trees of the Kettle Moraine.

Picnic tables are available at the trail head. Pets are not allowed on this trail.

■ **New Fane Loop System:** On County Line Road, 1.5 miles east of Kettle Moraine Drive, the New Fane area has two trail systems: four loops of moderately-challenging mountain bike trails totaling 5.5 miles, interwoven with four loops of hiking trails totaling 7.7 miles. A short connector trail allows access to the Ice Age Trail (bikes are not allowed on the connector trail).

Hikers and off-road mountain bikers share this multiple-use trail system in season. For safety reasons, these trails are use-specific; hiking is not allowed on the bike trails and biking is not allowed on the hiking trails.

An open-air reservable shelter is located near the trail head and drinking water and vault toilets are available year-round. A state trail pass is required for all bike riders age 16 and over.

■ **Parnell Tower Loop:** On County Highway U, one-quarter mile west of County Highway A, the Parnell Tower Trail begins its 3.5-mile loop with a series of steps leading to the highest point of elevation in the forest. There a 60-foot observation tower rises above the treetops for a birds-eye view of the glacial landscape.

The trail follows the Ice Age Trail near a rustic

Many trails can be found in the Kettle Moraine State Forest-Northern Unit. They provide great recreational opportunities in this area.

# Lakes Of The Kettle Moraine

The Kettle Moraine State Forest-Northern Unit has more than a dozen lakes and ponds — mostly kettles, but also two impoundments of the Milwaukee River.

The eight lakes listed below range in size from 477 acres (Long Lake) to less than seven acres, accounting for a total of 786 acres. A state park vehicle admission sticker is required at some boat landings.

Anglers of any age may check out basic fishing equipment free of charge at the Mauthe Lake and Long Lake recreation areas entrance stations, when open. This equipment was donated by the Tackle Loaner Program.

Several private vendors within the forest sell licenses, bait and other fishing supplies.

The primary fish species in these lakes include largemouth bass, bluegill, crappies and northern pike. Mauthe Lake and Long Lake recreation areas have fishing piers that are accessible to people who are mobility-impaired.

■ **Auburn Lake (Lake Fifteen)** — A medium-sized kettle lake, Auburn Lake provides a diverse fishery. A paved boat launch and trailer parking area are across from the Forest Headquarters entrance road. Access to launch is a narrow gravel road not suitable for large boat trailers. A local wake ordinance, posted at the landing, is in effect. State park vehicle admission sticker required.

Expect to catch: bluegills of average size; crappies - present, but generally not quality size; northern Pike - often found near outlet stream mouth and on north end across from boat landing; yellow bass - abundant, but small; and largemouth bass are present, some of quality size.

■ **Butler Lake** — Butler Lake is the smallest of the easily-accessible Kettle Moraine Lakes. It is a kettle lake with an emergent wetland fringe around most of the lake. The Ice Age Trail meanders through the Butler Lake area and there is a loop hiking trail system near the lake. Butler Lake is spring-fed and the water remains fairly cold and oxygenated.

There is a paved parking lot and gravel launch area for canoes or small rowboats. Gas motors are not allowed. A water pump is available near the parking lot. State park vehicle admission sticker required.

Expect to catch: bluegills - small, but abundant; and largemouth bass - present and average in size.

■ **Crooked Lake** — This medium-sized kettle lake has relatively clear water and a diverse aquatic plant community. A gravel access road, boat launch and parking area are off of County Highway SS. The launch, suitable for canoes and small boats, is shallow and weedy.

Expect to catch: bluegills - common and average in size; yellow perch - common but small; crappies - population fluctuates widely with very good fishing some years; northern pike - present and average in size; and largemouth bass - present and of quality size.

■ **Forest Lake** — Forest Lake is a small kettle lake with a mostly-developed shoreline. A marked and fairly steep walk-in public access is off of County Highway GGG. The lake is only suitable for canoes, small rowboats or paddleboats. No motors are allowed.

Game fish, such as northern pike, walleyes, and bass, are catch and release only.

Expect to catch: bluegills - abundant, but small; crappies - present; northern pike - present, catch and release only; and largemouth bass - quality population, catch and release only.

■ **Kettle Moraine Lake (Round Lake)** — The second-largest lake in the area, Kettle Moraine Lake has relatively clear water. Many parts of the lake are weedy and shallow. There is no state forest access available, but the public can launch at Tiki Beach Resort on the east side. Obey the local wake ordinance posted at landing.

Expect to catch: bluegills - abundant, but few of quality size; yellow perch - present but generally small; crappies - present, quality size at times; northern pike - large population for a lake this size, commonly found in the 17-inch to 21-inch

Outdoor enthusiasts can find many different activities to do on Long Lake in the Kettle Moraine State Forest. It is a fun place to be on a beautiful summer day.

Mauthe Lake has many recreational opportunities throughout the summer months. Check it out while you are visiting the Kettle Moraine State Forest.

size range; walleye - present, some of quality size; largemouth bass - common and of quality size; and bullheads - bullhead fishing is the highlight of Kettle Moraine Lake in summer.

■ **Lake Seven** — This small, mostly undeveloped kettle lake has clear water and a diverse aquatic plant community. It is historically known as a tremendous bluegill lake.

No gas motors allowed. Fairly shallow gravel boat launch for canoes and small rowboats.

Expect to catch: bluegills - abundant and of average size; and largemouth bass - very abundant, but small in size.

■ **Long Lake** — Long Lake is a three-mile long impoundment of the East Branch of the Milwaukee River. The lake has relatively clear water and is stocked by the DNR and the Long Lake Fishing Club. Heavy recreational use in the summer may make fishing difficult.

An accessible fishing pier and shoreline fishing opportunities are found in the Long Lake Recreation Area.

It has a developed boat launch and parking for more than 20 vehicles and trailers. The boat launch fills on summer weekends. Obey the local wake ordinance posted at landing. State park vehicle admission sticker required.

Expect to catch: bluegills - six- to seven-inches common in summer, best fishing along mid-depth weed lines and in deeper water on vegetated mid-depth flats; crappies - present; walleyes - present with some of quality size; northern pike - good population with some larger fish; largemouth bass - common in summer, the lake has a very good population with a nice size structure of fish available; and bullheads - one of the most popular summer fish to catch, especially near boat launch area.

■ **Mauthe Lake** — Mauthe Lake is a 78-acre impoundment of the East Branch of the Milwaukee River and is entirely within the state forest

boundaries.

Accessible fishing pier, trail to dam, and shoreline fishing opportunities are within the recreation area. Paved launch for canoes and small boats. No gas motors allowed; electric trolling motors are allowed.

State park vehicle admission sticker is required.

Expect to catch: bluegills - abundant, but small; crappies - occasionally the highlight of the fishery; largemouth bass - common and of quality size; and northern pike - although not a large lake, some pike in the 30-inch range are caught.

## Boating

Rental boats are available from a private concessionaire under agreement with the state forest. Several private vendors within the forest sell fishing licenses, bait and other fishing supplies. For more information or current boat regulations, visit one of the forest offices or check out [dnr.wi.gov](http://dnr.wi.gov).

For information on boat registration, contact the DNR Call Center; 888-936-7463 or visit [gowild.wi.gov](http://gowild.wi.gov).

Lake Seven, Mauthe, Forest and Butler Lakes prohibit the use of gas-powered motors.

Other boating restrictions may apply. Check at landings for posted information regarding wake/no wake rules and whether or not a state park vehicle admission sticker is required.

All watercraft must be equipped with a wearable Coast Guard approved personal flotation device for each person on board. Consult the Wisconsin fishing and boating regulations before going fishing.

For more information or for boat regulations and registration forms, visit one of the forest offices or the DNR website.

## Swimming

The state forest has three swimming beaches, one at Mauthe Lake and two at Long Lake. Swimming areas are designated by marker buoys. Lifeguards are not provided.

Pets, soaps, food and beverages are prohibited in marked swim areas. Picnic tables, grills and toilets are available near the beaches. A carry in, carry out policy applies at these day-use areas.

Mauthe Lake and Long Lake Recreation Areas are open from 6 a.m. to 11 p.m. year round.

Mauthe Lake's beach area and Long Lake's south beach include playground equipment suitable for young children and a reservable picnic shelter.

Water quality is tested regularly from Memorial Day to Labor Day and any advisories will be posted at the beaches.

**TRAILS** from page 5

backpack shelter reservable for camping. Picnic tables, grills, drinking water and vault toilets are adjacent to the trailhead.

■ **Spruce Lake Bog Trail:** This 0.25-mile, easy boardwalk trail takes visitors through a unique open-lake bog community to Spruce Lake. This site was designated as a National Natural Landmark by the National Park Service and one can expect to see sundews, pitcher plants and other rare plant species.

Visitors are requested to stay on the boardwalk, due to the fragile nature of the habitat and the presence of poison sumac.

■ **Summit Trail:** Accessed from the Long Lake Campgrounds (upper 900s loop), the Summit trail is a one-mile nature trail loop which scales Dundee Mountain. Glacial geology interpretive signs mark this challenging trail to the top of the highest kame in the forest, with panoramic views of the Campbellsport drumlins and other ice age topography.

Pets are not allowed on this trail.

■ **Tamarack Loop:** This trail can be accessed near the forest headquarters off County G or from the Mauthe Lake recreation area off County GGG. This two-mile nature trail is entirely within the Mauthe Lake Refuge and loops around the lake.

This area is closed to hunting and pets are prohibited on the trail. Flush toilets are available year-round on the headquarter's side.

■ **Wade House Access Trail:** A 1.7-mile linear trail that connects the Old Wade House State Historical site in Greenbush to the Ice Age Trail. The trail travels through hardwood forests, a meadow and the Kettle Moraine Red Oaks State Natural Area.

Limited parking is available at the Wade House parking lot (no overnight parking). Walk one block east on Washington Street to the trail head.

■ **Zillmer Loop System:** On County Highway SS, one-quarter mile west of County Highway G, the Zillmer Trail Area consists of four loop trails for a total of 11 miles. The south trail head has a heated shelter, vault toilets, picnic tables, grills

and drinking water.

Visitors can also access the trail from the Ice Age Visitor Center. A rustic backpack shelter is reservable for camping along the trail from April through November.

■ **Bridle Trails:** Equestrians enjoy 41 miles of bridle trail which are traditionally open late April through mid November depending on trail conditions. The main bridle trail winds the linear length of the forest of 33 miles. Two loop trails, Crooked and Forest Lake, provide shorter routes totaling seven miles.

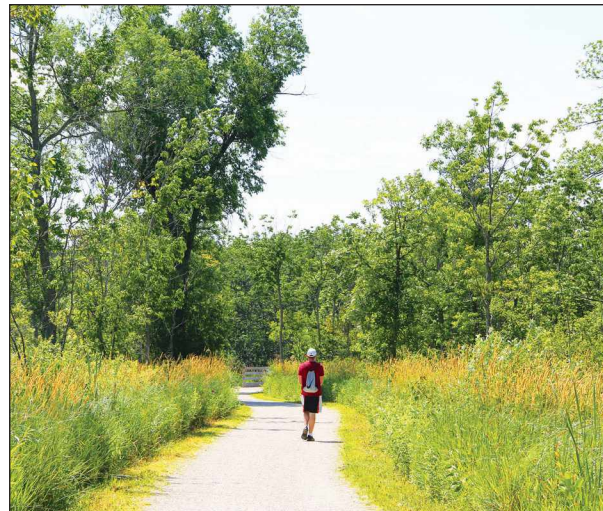

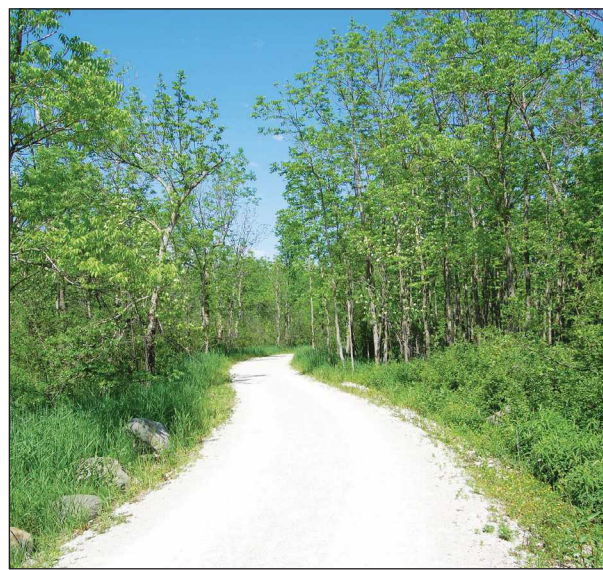

A state trail pass is required for riders 16 and older. See the current conditions page on the DNR website and/or call ahead to check trail conditions and to make sure trails are open.

■ **Eisenbahn Trail:** The Eisenbahn Trail, which opened in 2006, runs from West Bend, in Washington County, to Eden in Fond du Lac County. The trail is on an old railroad track. It is paved through West Bend and unpaved the rest of the way.

The trail has kiosks placed along the way. These serve as markers for information on the area. Trail users can also rest on benches placed by various service organizations.

*\*Pets allowed on designated trails and must be on a leash (no longer than eight feet long).*

Many trails can be found in the Kettle Moraine State Forest-Northern Unit. They provide great recreational opportunities in this area. You walk or bike on these trails during the spring, summer and fall months.

# Kettle Moraine Area Campgrounds

## ■ Benson's Century Camping Resort, Inc.

250 sites with water and electric, separate tenting areas, seasonal sites, and overnight sites. Services offered include limited groceries, LP gas, two dump stations, two shower buildings, wood for sale.

For recreation, the grounds offer a swimming beach, two playgrounds, horseshoe pits, volleyball court, recreation hall, game room, lake boat launch, and fishing. Boats and canoes available to rent.

For more information, go to their website at [bensonscampground.com](http://bensonscampground.com) or call 920-533-8597 or 920-533-8150. N3845 State Road 67, Campbellsport.

## ■ Mr. Ed's Campground

Over 500 feet of lake frontage. Offers 100 seasonal-only sites on three levels with full hookups including 30- and 50-amp electric, water, sewer, limited accessibility for people with disabilities, call for specifics.

These scenic campgrounds offer a swimming beach, horseshoes, basketball, nature trails, boat launch, fishing, camper get togethers, private docking and launching for campers only.

For more information, go to their website at [www.mredscampground.com](http://www.mredscampground.com) or call 920-533-4342. N3554 Highway 67, Campbellsport.

## ■ Hoeft's Resort and Campground

125 seasonal sites and 55 campsites with four different grassy and wooded areas including lake-front sites and the most popular and unique sites on a peninsula. Some sites with water and electric (20-, 30- and 50-amp service); some tent sites with no electric hook-up.

On-site services include WI-FI hotspot, laundry facilities, showers, firewood and bait for sale, concession stand, and bar. There is a swimming beach, playground area, horseshoes, basketball, recreation hall, trails, and lake boat launch. Rental items include six housekeeping cottages (some on

waterfront), boats, paddle boats and canoes.

Call 262-626-2221 for reservations or go to [www.hoeftsresort.com](http://www.hoeftsresort.com) for more information. W9070 Crooked Lake Drive, Cascade.

## ■ Breezy Hill Campground

Breezy Hill offers 172 total sites, 70 with full hookups (30/50 amp), 47 seasonal sites, 53 water/electric hookups, 40 pull through sites, separate tenting areas, and eight cabins. Amenities include heated pool, hot tub, general store, pavillion and arcade, basketball, tetherball, volleyball, playground, jumping pillow, walking trail, swimming pond and beach, weekend movies, wagon rides, themed weekends, catch and release fishing pond, laundry facility, dishwashing station with hot/cold water, and campsite-wide WIFI.

Breezy Hill Campground is a family oriented campground near Eden. Owners, Jon and Jennifer Wiltzius, offer fun activities for campers of all ages.

For rent, there are eight camping cabins, one rental unit, bikes and paddle boats. Bring your own linens.

Breezy Hill also offers a full-service overnight horse boarding facility. Hay, water, large stalls, pasture and paddocks are available.

Call 920-477-2300 or visit [www.breezyhillcamp.com](http://www.breezyhillcamp.com) for more information. N4177 Cearns Lane, (off County Road B in Eden) Fond du Lac.

## ■ Mauthe Lake Campground

The campgrounds at Mauthe Lake have 135 sites, including 51 electrical sites. There is one shower building with flush toilets and several vault toilets throughout the campground. Campsites accessible to people with disabilities are available.

The beach area has playground equipment and vending machines with snacks and beverages. Concessions are available for watercraft rental. A sanitary dump station and recycling/garbage station are provided for registered campers.

A private concessionaire provides firewood

when the entrance station is open. Don't move firewood! Due to the potential of carrying harmful tree pests and diseases, Wisconsin has restrictions for moving firewood.

An authentic Native American plains tepee is available for rent. Enjoy the unique opportunity to camp in a canvas reproduction of a Native American plains teepee from mid-May through September.

Mauthe Lake is open for camping year round. For more information call 262-626-4305.

Reservations may be made online at <https://wisconsin.goingtocamp.com/>. For reservation questions, contact Wisconsin State Park System Reservations at 1-888-947-2757.

## ■ Long Lake Campground

The campgrounds at Long Lake provide 200 sites, flush and vault toilets, and showers. Campsites are available for campers with disabilities. A sanitary dump station and recycling/garbage station are provided for registered campers.

A private concessionaire provides firewood when the entrance station is open. Don't move firewood! Due to the potential of carrying harmful tree pests and diseases, Wisconsin has restrictions for moving firewood.

Long Lake Campground is open for camping the first weekend in May through mid-October.

For more information call 920-533-8612.

Reservations may be made online at <https://wisconsin.goingtocamp.com/>. For reservation questions, contact Wisconsin State Park System Reservations at 1-888-947-2757.

## ■ Greenbush Group Campground

The Greenbush Group Campground offers nine outdoor sites which accommodate groups up to 40 individuals. Only tent camping is allowed on the actual campsite. Sites are near the Greenbush Trails, where campers can enjoy hiking or off-road biking.

An enclosed shelter building, drinking water,

There are no shower facilities in the campground. Greenbush group campground is open for camping April through November. N5854 Kettle Moraine Dr., Glenbeulah.

Reservations may be made online at <https://wisconsin.goingtocamp.com/>. For reservation questions, contact Wisconsin State Park System Reservations at 1-888-947-2757.

## ■ Backpack Shelters

Five backpack shelters are available year-round for rustic camping along the 31 miles of the Ice Age National Scenic Trail. One backpack shelter is available from April 1 through November at the Zillmer Trail area.

Each site offers a roofed trail shelter, fire ring, and pit toilet. Drinking water is available less than a mile from each site.

These sites are not accessible by vehicle. All camping equipment must be backpacked in and all refuse packed out. A camping permit is required and you must camp at a designated shelter campsite.

Only one reservation (camping party) is allowed per site per night. Reservations are limited to 10 persons per site and are limited to one night per site. Another site may be reserved for a second night and a third night at a third site.

You must call 888-947-2757, to make backpack shelter reservations. Backpack shelter reservations cannot be made online. Reservations are required for all backpack sites.

If all the backpack sites are reserved for a weekend night on your hiking trip, consider staying one night at the Mauthe Lake campground.

## ■ New Prospect Horse Riders Campground

The New Prospect Horserider's Campground has 22 family campsites with 20/30/50 amp electric service and three group sites. Campers must be accompanied by a horse to stay at the campground.

In the family camping area, each site has a pic-

nic table, fire ring and a 30-by-30-foot graveled area with picket posts and/or pipe corrals where horses are to be kept. The camp area has one drinking water source, an open air picnic shelter, vault toilet, covered stable with 24 box stalls and manure pits. There is no shower facility in the campground.

In the group camp area, each site has a drinking water source, fire ring, four picnic tables and a manure pit. Group sites A and C each have nine, 10-by-10-foot metal pipe corrals. Group Site B has two tether post areas and 12 pipe corrals. The group camp has a vault toilet. No more than 20 people may occupy a group site.

Campers are responsible to place all hay and manure in the manure pits which are located throughout the campground; wheelbarrows and forks are provided. Horses are to be kept in designated areas to protect the green space of the campground.

The campground is centrally located in the state forest and provides easy access to the 33-mile bridle trail which traverses the length of the forest. There also are two loop trails, the 2.5-mile Crooked Lake Loop and the four-mile Forest Lake Loop. All horse riders 16 years and older must have a state trail pass while using the designated bridle trails in the state forest.

The campground opens the first weekend in May and closes the last weekend in October.

For more information call 262-626-2116. N1765 Highway G, Campbellsport.

## ■ Lake Lenwood Beach and Campground

130 total sites, 130 water/electric hookups, 10 pull through sites, dump station, pay showers, off-site storage, credit cards accepted.

There are trailer and tent sites encircling the lake, some set back and some on the lakeshore. Available are sites with 20, 30 and 50 amp electric, water and sewer hook-ups. Free Wi-Fi at your site. Also available is cable hook-up for seasonal and long-term campers.

Recreation, swimming beach, playground, kid-

die beach with slide. Fishing boats, paddle boats, hydro-bikes, canoes, kayaks and tubes are available to rent.

7053 Lenwood Dr., West Bend, 262-334-1335, [www.lakelenwood.com](http://www.lakelenwood.com).

## ■ Lazy Days Campground

79 acres for summer fun and recreation, 313 extra large sites in 3 different grassy or wooded areas.

Spring fed lake for great swimming and great fishing — bass, northern, crappie and perch waiting to be lured onto your hook. Live bait and tackle available.

Amenities include, grocery store, sandy beach with open swimming area, two rafts in the lake, volleyball, park area, arcade, mini golf, firewood, ice, LP gas, bike rental, laundromat, shower building, boat and trailer rentals, and a community garden. Kids fun days and live bands.

We are a pet friendly campground! 1475 Lakeview Road West Bend, 262-675-6511 or email [lzd@charter.net](mailto:lzd@charter.net).

## ■ Timber Trail Campground

Timber Trail contains spacious campsites providing unusual privacy beneath a canopy of maple and beechwood trees. We are geared toward family camping with an emphasis on fun, 120 acres of fun. The picturesque hiking trails are included as part of the Kettle Moraine Ice Age Trail.

Amenities include whirlpool and heated swimming pool, recreation building with a fireplace, snack bar and ice, hot showers, bottled gas, playground, dumping station, firewood for sale, laundry and groceries, big screen TV and video games, ping pong and pool tables, basketball and tennis courts, ball field and sand volleyball, hiking and fishing, and horseshoes. Nearby are golfing, museums, county fair grounds and the Eisenbahn Trail.

7590 Good Luck Lane, West Bend, 53090. Call 262-338-8561 (during season), 414-235-4247 (off season) or email [timbertrail7590@aol.com](mailto:timbertrail7590@aol.com).

# Dundee Mill And Park

An interesting site to see while visiting the Kettle Moraine State Forests-Northern Unit is the Dundee Mill & Park. It is located in Dundee, near Highway 67 just down the road from the Ice Age Visitor Center.

The Dundee Mill & Park is owned by the Town of Osceola. Restoration of the old mill began in 1990 when a group of volunteers had the goal of restoring an old mill. Their aim was to preserve a part of Wisconsin's heritage for future generations so they may learn about a time when life was without modern technology.

In 1996 the mill was declared a Town Historical Site and the Partners of the Dundee Mill and Park, Inc. was created by the town as non-profit, non-stock, tax exempt, corporation to maintain, restore, and preserve Dundee Mill and Park.

They have restored the turbine that was in the mill and by using the water in Long Lake (a renewable source) they produce electricity and pump it into the lines for Alliant Energy. This is a clean method of producing electricity as well as a great lesson for groups who tour the Mill.

The inside of the Mill is somewhat of a museum. Old artifacts hang from the beams and adorn the walls. An old "pot belly stove" provides warmth for the building. Those involved with the mill are also able to demonstrate the actual operation of the grain mill.

To date they have done many improvements to the building, including a new roof, gutters, siding, and windows. They have rebuilt the stone wall in the lower level of the Mill and the walls of the tailrace have also been restored. A water wheel and trough have been added.

The park provides two fishing ponds for children and handicap to enjoy the outdoors as well as practice their fishing skills. Fishing seminars are conducted yearly at no charge. The Partners sponsor an Easter egg hunt every Spring and have a Christmas Love Light tree and ceremony every December.

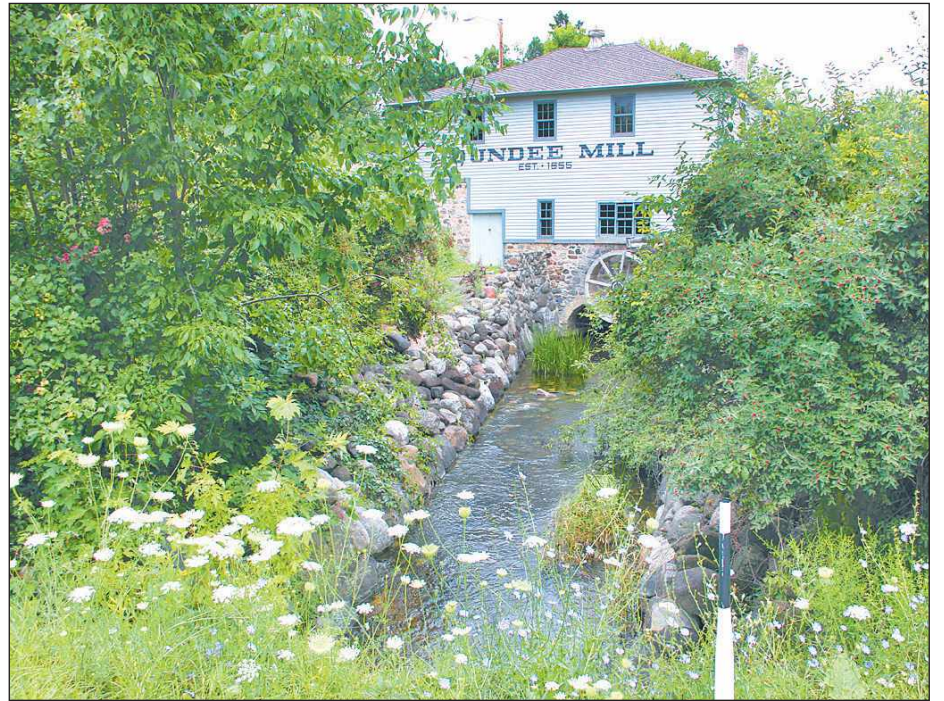

An exciting time for the Partners of the Dundee Mill was in 2006 when the television show Extreme Makeover: Home Edition was in town to make over a home. The television show also took on the Dundee Mill as one of its projects. The family who received the makeover is very involved with the mill, so the television show also wanted to feature the mill.

The restored turbine was installed during taping of the show. They also helped add display cases and other items to the inside of the mill.

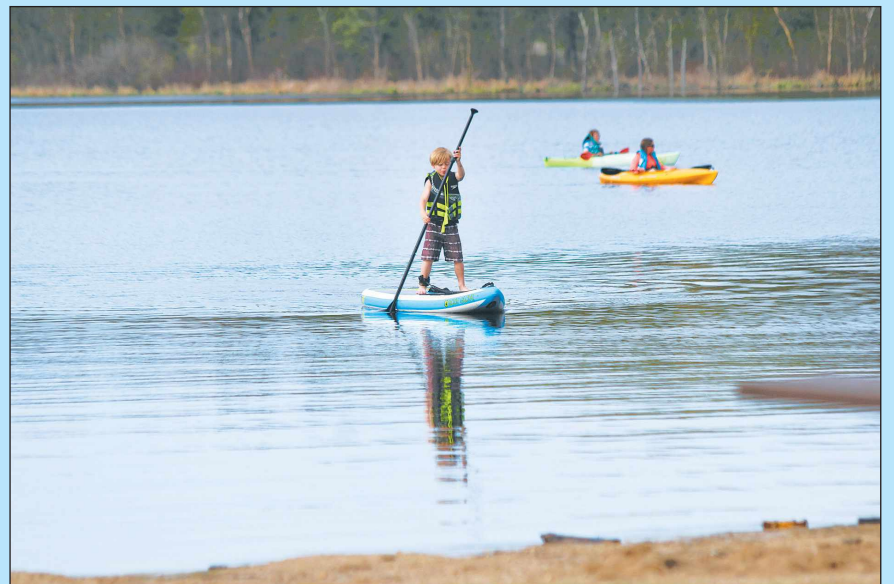

The Dundee Mill really is a gem of the Kettle Moraine area, so make sure to stop by and check it out while you are in the area. Check out the Mill and see when it is open for tours. The park area is always open to use.

The Dundee Mill is an active mill that creates electricity for the power company and serves as a museum. It shows how the mill used to be run and people can see how the turbine still works and creates electricity.

## GOLD AWARD-WINNING LANDSCAPE DESIGNS

Paddleboarding is one of the many fun activities you can do while visiting the Northern Kettle Moraine State Forest.

Fishing is a very popular activity on the lakes in the Kettle Moraine State Forest. People go out on their boats, like above, or fish off the piers in the area.

# Friends Of The Kettle Moraine

The Friends of the Kettle Moraine is a non-profit organization dedicated to promoting a greater appreciation and enhancement of the Kettle Moraine State Forest-Northern Unit.

The group was created in the mid 1980s to inform and educate the public. The general goal was to develop a greater appreciation and environmental awareness of Wisconsin natural resources. Specific goals were to enlist public involvement in the activities and future direction of the Forest and to provide financial assistance directly to the Kettle Moraine State Forest – Northern Unit for new programs and activities.

The first meeting of the Friends group, held in July 1984 at the Ice Age Center, was hosted by William Moorman of the DNR Bureau of Parks and Recreation. Local press releases resulted in a large turnout of local citizens who were very receptive. The group elected Gus Christ, Byron Gessner, Jerry Ninnemann, William Stoffel, Irene O’Laughlin, Jerry Schanen, and John Zillmer as the first group of board members.

The Northern Unit of the Kettle Moraine State Forest is located 45 minutes north of Milwaukee. The group’s mission is to aid in the understanding of the human and natural history of the forest, so that visitors can enjoy and appreciate the heritage of the Kettle Moraine area.

The Friends of the Kettle Moraine has more than 100 individual members and around 10 business members. They are always welcoming new memberships.

The group holds three or four meetings a year and a large year-end informational meeting that includes a meal. Representatives from the DNR are also in attendance at the year-end meeting. The group, along with the DNR, discuss any upcoming projects for the next year.

The Friends have volunteers called trail watchers, who also walk the many trails and relate any concerns or trouble spots back to the DNR. These trail watchers are a valuable resource for the DNR.

Visitors can explore 30,000 acres of rolling hills, lakes, forests, grasslands,

Canoeing is a popular activity in the summer in the Kettle Moraine State Forest.

and parks. There are many trails open all year round for your enjoyment. A great place to start your outdoor adventure is at the Henry S. Reuss Ice Age Visitor Center. You may purchase a state park sticker and park merchandise from the center’s gift shop. Your purchase helps support the Friends of the Kettle Moraine Forest. The forest hosts approximately one million visitors a year.

The Friends of the Kettle Moraine inform people about the Northern Unit by volunteering at the Ice Age Visitor Center. They help publicize the unique recreational and educational opportunities available within the forest.

They assist with recruiting volunteers for special events and give input for the future direction of the forest. The group raises funds to provide financial assistance for educational programs, invasive species control, and special projects.

Some of the projects the Friends group has completed include the heated shelter at the Zillmer Trails, playground equipment at Mauthe Lake, wood sale sheds at both Mauthe and Long Lakes, prairie plantings near Long Lake, and the butterfly garden at the Ice Age Visitor Center. The next big undertaking for the group will be raising the funds for new exhibits at the Ice Age Visitor Center.

The Friends of the Kettle Moraine provide a variety of events in the Northern Unit. Many of these events are held at the Ice Age Center. They sponsor a yearly Candlelight Ski in January and Earth Week Litter cleanup in April. They also provide a Halloween Hike in November at Long Lake. This is an educational hike for young children.

The Friends are continuing with many improvements in and around the Ice Age Center. They also have a Land Fund set up. This fund will help with the purchase of more private land in the Kettle Moraine Forest when the land becomes available.

For more information about the Friends of the Kettle Moraine, contact a Northern Unit staff member, write the Friends at P.O. Box 143, Campbellsport, WI 53010, or visit [www.fwsp.org/fotkm](http://www.fwsp.org/fotkm).

## For The Horseriders

The Northern Kettle Moraine Horse Trail Association (NKMHTA) was established in 2003 to provide area equestrians an opportunity to make an impact working with the Wisconsin Department of Natural Resources preserving, improving, and developing equestrian facilities in the Northern Kettle Moraine State Forest.

The Northern Kettle Moraine State Forest is dedicated to serving horseback riders and is known throughout Wisconsin as one of the most beautiful natural areas.

Trails are designated for horseback riders but you may see some hikers. Vehicle passes are required and trail passes are required for all riders 16 years and older. Trails get muddy and slick when wet. Riders are urged to wait four to six hours after rain to ride.

### New Prospect Horseriders’ Campground

The New Prospect horseriders’ campground has 22 family campsites with 20/30/50 amp electric service and three group sites.

In the family camping area, each site has a picnic table, fire ring and a 30-by-30-foot graveled area with picket posts and/or pipe corrals where horses are to be kept. The camp area has one drinking water source, an open air picnic shelter, vault toilet, covered stable with 24 box stalls and manure pits. There is no shower facility in the campground.

In the group camp area, each site has a drinking water source, fire ring, four picnic tables and a manure pit. Group sites A and C each have nine, 10-by-10-foot metal pipe corrals. Group Site B has two tether post areas and 12 pipe corrals. The group camp has a vault toilet. No more than 20 people may occupy a group site. Campers are responsible to place

all hay and manure in the manure pits which are located throughout the campground; wheel barrows and forks are provided. Horses are to be kept in designated areas to protect the green space of the campground.

The campground is centrally located in the state forest and provides easy access to the 33-mile bridle trail which traverses the length of the forest. There also are two loop trails, the 2.5-mile Crooked Lake Loop and the four-mile Forest Lake Loop. All horse riders 16 years and older must have a state trail pass while using the designated bridle trails in the state forest.

The campground opens the first weekend in May and closes the last weekend in October.

### Bridle Trails

Equestrians can enjoy 41 miles of bridle trails which are traditionally open late April through mid November depending on trail conditions. A state trail pass is required for all riders age 16 and over on these trails.

The main bridle trail winds the linear length of the forest for 33 miles. Two loop trails, Crooked and Forest Lake, provide shorter routes totaling more than seven miles.

Trails are rolling with a few steep hills, some rocky places, well-maintained and generally kept clear of debris.

Volunteers from the Northern Kettle Moraine Horse Trail Association, in cooperation with the state forest, partner working on projects and special events to enhance the horseback riding experience in the state forest.

For more information, go to the Northern Kettle Moraine Horse Trail Association’s website at [www.nkmhta.org](http://www.nkmhta.org).

# About The Kettle Moraine Northern Unit

The Kettle Moraine State Forest – Northern Unit owes its unique landscape to glaciers of the Wisconsin Stage of the last Ice Age, which ended approximately 10,000 years ago.

## ■ Geological History

Some 20,000 years ago, two lobes of a great ice sheet met along a line extending northeast from Richmond in Walworth County through the Oconomowoc Lake country to Kewaunee County. One lobe moved down what is now the Green Bay-Lake Winnebago area. Spreading under tremendous pressure, the two lobes met and in the encounter, large blocks of ice were broken off and buried in the glacial deposit or till. As the ice melted, “kettles” were formed, some only a few yards across, others 100 to 200 feet deep.

The ice moved under great pressure, changing shape rather than sliding across the face of the land. As it changed shape, large amounts of rock, gravel, sand and silt were picked up and carried along by the glacier. When the ice melted, this material was deposited, in some instances, across glacier-formed valleys. Some “kettles” were formed this way.

The Kettle Moraine is an area of varied topography — parallel, steep-sided ridges, conical hills and flat outwash plains, mostly composed of sand and gravel. Many of the conical hills are conspicuous. Holy Hill reaches an elevation of 1,361 feet above sea level and some 340 feet above the stream valley to the east. Sugar Loaf or Pulford Peak (elevation 1,320 feet) is 320 feet above Pike Lake. Lapham Peak (elevation 1,233 feet), where there is a picnic area and observation tower, is 343 feet above Nagawicka Lake.

Similar detached sand and gravel conical hills, called kames, characterize the moraine throughout much of its extent. Some of these kames are cones formed beneath the glacier by surface streams which fell through holes in the ice. The undulating level-topped, narrow ridges called eskers were probably deposits in open cracks (crevasses) in the ice. In some areas the outwash terraces are pitted due to the melting of buried ice masses.

The Kettle Moraine area rises to 300 or more feet above the lands to the east and west yet is not a continuous divide. Maximum thickness of the drift is not known because few wells reach bedrock. It is possible that the drift reaches a thickness of 500 feet in some places.

Limestone underlies much of the Kettle Moraine. This formation is 450 to 800 feet thick and dips gently eastward. Its western edge or escarpment extends from Washington Island to the Illinois line near Walworth. It lies 20 miles to the west of Kettle Moraine at Greenbush, is completely covered by the moraine in the Waukesha County area, and is eight miles east of the moraine at Elkhorn. Because of the cover of drift,

The beach at Mauthe Lake is always a popular spot during the summer months in the Kettle Moraine State Forest. Long Lake also has a beach for visitors to relax and swim.

Fishing on Mauthe Lake in the Northern Kettle Moraine State Forest is a popular activity in the summer months.

Mauthe Lake is a beautiful place to visit in the summer time. It is one of the many lakes in the Northern Kettle Moraine State Forest.

there are few outcrops in the moraine.

Lakes, of several origins, add greatly to the attractiveness of the Kettle Moraine. With the exception, of Pewaukee Lake, which lies in a preglacial valley blocked on the west and east by drift, all lakes in the Oconomowoc area occupy kettles. Long Lake, Big Cedar Lake and Elkhart Lake occupy preglacial valleys between morainic ridges. These valleys were probably occupied by ice blocks and escaped being filled by glacial drift.

## ■ State Forest History

After the period of glaciation, most of the highland surface became forested with fine hardwood timber and the swampy or low areas with softwoods.

Before the 17th century, small bands of roving Indians inhabited the area. With exploration and development of the area during the 18th and 19th centuries by the white settlers, a great change took place.

Fifty percent or more of the land in the northern Kettle Moraine was cleared and turned into farms. Sixty to 70 per cent of the land in the southern Kettle Moraine was farmed. A substantial proportion of the cleared land was submarginal.

Over the years plantings of conifers, such as white and red pine and spruce, have been made in all units of the forest. The pine and spruce will convert to northern hardwood species of maples, cherry, ash and basswood.

# About The Kettle Moraine Northern Unit

Learning to canoe is one of the many educational programs offered through the Department of Natural Resources in the Kettle Moraine State Forest.

Fishing on Mauthe Lake in the Northern Kettle Moraine State Forest is a popular activity in the summer months.

There are many recreational activities to take part in while visiting the Northern Kettle Moraine State Forest.

With the increase in Wisconsin's population, particularly in the southeastern 16 counties, the need for a large acreage devoted to public outdoor recreation and forestry became evident as early as 1920.

In the 1920s, there were horrific floods in the city of Milwaukee and the city's population was rapidly growing. A group of foresighted people thought that if they could protect the headwaters of the Milwaukee River, this would help reduce the flooding in Milwaukee. They also wanted to provide a large tract of public land for Milwaukee's growing population.

After almost a decade, legislation along with funding became available for the creation of the Kettle Moraine State Forest. In 1936, the Conservation Congress (predecessor to the Department of Natural Resources) acquired 850 acres around Moon Lake (now Mauthe Lake) from the Milwaukee Chapter of the Izaak Walton League. This marked the start of the Northern Unit. Today, the Northern Unit encompasses nearly 30,000 acres within its 36,000 project boundary.

In the 1950s a lawyer from Milwaukee, Ray Zillmer, began a campaign to bring his dream of a National Park protecting the glacial features of Wisconsin to life. With the help of his friends, Congressman Henry S. Reuss and Senator Gaylord Nelson, his dream came to fruition with the creation of the Ice Age National Scientific Reserve and the Ice Age National Scenic Trail. On a sad note, Ray Zillmer died before he could see the creation of the reserve and the Ice Age Trail.

A 1964 Act of Congress established the Ice Age National Scientific Reserve to "assure protection, preservation, and interpretation of the nationally significant values of Wisconsin continental glaciation... and other reminders of the ice age." The reserve consists of nine units scattered throughout the state and the northern 20,000 of the Northern Unit is one of those reserves. Each reserve site protects a unique glacial feature. The Northern Unit contains some of the finest features of continental glaciation in the state and the world including the interlobate moraine, kame fields, eskers, dry and wet kettles and crevasse fills.

In 1980 the Ice Age Trail was designated as a National Scenic Trail and later as a State Scenic Trail. The trail follows the southern extent of the last glaciers in the state of Wisconsin and is the only National Scenic Trail that is found entirely in only one state. Today about sixty percent of the 1000 mile trail is now complete. The nucleus of the Ice Age National Scenic Trail was the 30-mile "Glacial Trail" that ran through the Northern Unit from north to south.

The Northern Unit's glacial features set the ground work for wide diversity of biological communities and the geographical position of the forest adds to this diversity. The Northern Unit is situated along the "tension zone" which runs in a diagonal path from near Eau Claire to northern Milwaukee. The tension zone marks where the northern forest meets the southern and eastern forest, and the prairies and oak savannahs of the south and west.

A person traveling through the area will encounter such natural communities as northern red oak forests, eastern hardwoods with beech trees, cedar swamps, flood plain forests, kettle wetlands, remnant prairies and northern bogs. The Northern Unit also supports one of the largest intact forests in southeast Wisconsin. This wide array of communities leads to rich diversity of plant and animal life including many threatened and endangered species and species of special concern. Twelve areas within the forest have been set aside as State Natural Areas protecting ten biological communities that were not or slightly disturbed by European settlement and two outstanding geological landmarks.

Today, it takes a team of managers and forest staff to manage all the resources found in the Northern Unit from forestry to fisheries, wildlife, endangered resources and water resources. But, the number one management goal is providing outdoor recreational opportunities with minimal conflicts for the nearly 900,000 annual visitors to the forest. People come to the Northern Unit to participate in a plethora of outdoor pursuits including hiking, hunting, camping, picnicking, swimming, horseback riding, snowmobiling, snowshoeing, cross-country skiing, fishing (year-round), canoeing, boating, geocaching, backpacking, wildlife observing, off-road biking, dog training, spirit renewing, and learning.

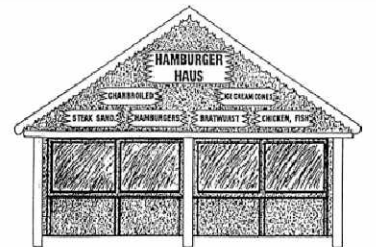

## Pets Can Enjoy The Kettle Moraine At Suggested Areas

Staff at the Kettle Moraine State Forest-Northern Unit often receive questions asking whether pets are allowed in the area.

Pets are permitted in all campgrounds, most trails, roads and outlying areas. Mauthe Lake and Long Lake Recreational Areas provide designated pet picnic areas for pet owners. Buildings, picnic, beach areas, playgrounds, marked "nature" trails and cross-country ski trails are off limits to pets, except disability service animals. Pets must be on a leash no longer than eight feet, under control and attended at all times, unless in a designated area that allows pets to be off-leash.

The forest has two areas designated as dog training areas. Dog training means teaching a dog to retrieve, point, flush and/or track game for the hunting or dog trail competition. The wet dog training area, on Division Road just south of County Highway F, is recommended for water skills training; while the dry dog training area, on County Highway U just east of County Highway A, should be used for developing upland bird skills. Consult Wisconsin dog training and trialing or contact forest headquarters to determine if a permit is required for the type of training you plan to do.

## HAMBURGER HAUS

In the ♥ of the Kettle Moraine

- CEDAR CREST ICE CREAM • CHARBROILED BURGERS
- BRATWURST ON FRESH HARD ROLLS

## Special Interest Areas In The Kettle Moraine

The Kettle Moraine State Forest has a lot to offer in its almost 30,000 acres. Approximately 800,000 people visit the forest each year.

The forest can thank the glaciers for its unique characteristics. Wisconsin lent its name to the most recent series of glacial advances and retreats: the Wisconsin Glaciation that lasted from about 100,000 to 10,000 years ago. Massive lobes of ice (up to two miles thick) collided here, causing tremendous pressure, friction and buckling of the land surface. As the glacier retreated, moraines, drumlins, kames and eskers were formed. Many lakes, bogs, wetlands and potholes are also a direct result of glacial activity.

Explore and enjoy the many state natural areas and geological landmarks on and near the Kettle Moraine Scenic Drive. These features listed from north to south along the drive, include:

■ **Haskell Noyes Memorial Woods** — On County Highway GGG just south of Highway SS. A historical marker greets visitors to this 67-acre State Natural Area. This area is designated as a Wisconsin Wildlife Viewing Area and is included in the national “Watchable Wildlife” program.

Haskell Noyes Memorial Woods is a classic example of southern dry-mesic forest dominated by sugar maple and red oak, with smaller amounts of basswood, white ash, bitternut hickory, and ironwood. The site lies on an interlobate moraine formed between the Green Bay and Lake Michigan lobes of the Wisconsin stage of glaciation with numerous kames, kettles, and ridges.

The forest was never clearcut or heavily harvested during the logging era of the 19th century leaving red oaks that established during the 1860s and 1870s. And unlike other forests, fire has not occurred on these moist soils for the past several hundred years.

The forest understory is open, with few shrubs but a rich spring flora and diversity of ferns. Plants include maidenhair, fragile, cinnamon and lady ferns, hepaticas, clustered black snakeroot, large flowered trillium, red trillium, may-apple, large-leaved shinleaf, large-leaved bellwort, and wild geranium. A small area to the north is composed of swamp hardwoods and tamaracks. A high percentage of gravel is found in the soils and steep slopes are thus prone to erosion.

The land was purchased in 1947 to prevent imminent logging. Haskell Noyes Memorial Woods is owned by the DNR and was designated a State Natural Area in 1952.

■ **Milwaukee River Tamarack Lowlands & Dundee Kame** — On County Highway F, a quarter mile east of Dundee. The kame is known throughout the world by geology students and is often pictured in geology textbooks because of its near perfect form.

Milwaukee River Tamarack Lowlands and Dundee Kame features a large wetland complex occupying both sides of the river with southern hardwood swamp, northern wet-mesic forest, northern wet forest, southern sedge meadow, shrub-carr, and a warm, slow, hard water stream. Several small kames, irregularly shaped mounds of sand, gravel and till, are present within the natural area boundary.

Also protected within the state forest proper is Dundee Kame, a conical shaped hill rising 250 feet above the surrounding landscape. The kame is known as a moulin kame, actually a pile of glacial till left behind when a glacial stream loses its gradient and velocity and then deposits the till into a pile.

This natural area is important for the protection of an extensive watershed and for its value as wildlife habitat. Many animal species of concern are found here. Milwaukee River Tamarack Lowlands and Dundee Kame is owned by the DNR and was designated a State Natural Area in 1992.

■ **Spruce Lake Bog State Natural Area** — North of Dundee on Airport Road, one-half mile west of Vista Drive. Spruce Lake Bog features an undisturbed shallow seepage bog lake situated in one of the many kettle holes characteristic of the interlobate glacial deposits scattered throughout the area.

The Kettle Moraine State Forest has many lakes to utilize for boating, fishing, canoeing and swimming throughout the summer months.

The 35-acre lake has moderately hard water with a pH of 7.5 and supports a dense, floating-leaved aquatic flora of water shield and water lilies. The site is particularly rich in plants more characteristic of northern Wisconsin sphagnum bogs and greatly resembles them in appearance.

Black spruce, which is common in the swamp forest, is near its southern range limit in Wisconsin. Distinct vegetation zones encircle the lake with a floating sedge mat of cotton grass, three-fruited sedge, royal fern, pitcher plant, round-leaved sundew, moccasin flower, wintergreen, and small cranberry grading into a bog forest of tamarack and black spruce.

An outer zone of swamp hardwoods includes tamarack, black ash, red maple, yellow birch, and white cedar and contains species more commonly associated with northern coniferous forests including three-leaved gold-thread, American starflower, partridgeberry, common winterberry, and yellow blue-bead lily.

The diversity of shrubs on the sedge mat and in the forest is indicative of the area's high quality. Species include speckled alder, black chokeberry, willow, round-leaved and red-osier dogwood, Labrador-tea, bog birch, leather-leaf, bog-rosemary, poison sumac, mountain holly, meadow-sweet, huckleberry, cranberry, and blueberry.

Several bird species with northern affinities nest here, including northern waterthrush, Nashville warbler, Canada warbler, and white-throated sparrow.

Spruce Lake Bog has been designated a national natural landmark by the US Park Service. Spruce Lake Bog is owned by the DNR and was designated a State Natural Area in 1968.

■ **Butler Lake and Flynn's Spring** — East of Long Lake on Butler Lake Road. Butler Lake and Flynn's Spring features a seven-acre shallow hard-bottom lake surrounded by sedge meadow.

Previously, the site contained a tamarack hardwood swamp but a few years of high water levels has killed off most of the trees. Although the groundlayer has also been flooded, the aquatic vegetation and geologic features are still intact.

Nearby Flynn's Spring is a small, spring brook flowing into the south end of Butler Lake. Chara covers the marl-bottomed Butler Lake while the dominant submerged aquatic species is Illinois pondweed.

Emergents include white water-lily, bull-head pond-lily, and hard-stem bulrush. A small zone of sedges and bulrushes on the north end is the only open wetland. Older tamaracks, which formerly surrounded the lake, have died but the species is reproducing well along the northwestern and southern shores.

Adjacent to the lake is Parnell Esker, a geologic feature known worldwide and used extensively for education. The esker is five to 35 feet in height and runs northeast southwest for about four miles. The

lake and wetlands provide habitat for some uncommon invertebrates.

Butler Lake and Flynn's Spring is owned by the DNR and was designated in 1992.

■ **Milwaukee River And Swamp** — This area is along the Milwaukee River north of Mauthe Lake.

Milwaukee River and Swamp features an unusual combination of southern and northern wet-mesic forests situated along 0.75 mile of a slow, meandering warm water stream with accompanying shrubs zones and communities including lowland hardwood forest, conifer swamp, and a small bog lake.

The river bottom is mucky with sand and gravel and there are good populations of northern pike, black crappie, walleye, and several smaller forage species. Aquatic plants include water-lilies, water-milfoil, coon's-tail, waterweed, giant duckweed, water nymph, and several pondweeds.

One large spring, 1,000 feet long, feeds the river in the north portion of the site. Bordering the river is a dense shrub zone that changes abruptly to a yellow birch, white birch, American elm, black ash, and basswood lowland forest.

East of the small lowland forest is a more dense conifer swamp of mainly white cedar but also tamarack and black spruce. A good representative understory is present. A small bog lake occurs in the eastern portion of the natural area.

Milwaukee River and Swamp is owned by the DNR and was designated a State Natural Area in 1971.

■ **Spring Lake** — Southwest of New Prospect west of County Highway G.

Spring Lake is a clear, alkaline lake surrounded by fen and northern wet forest with an unusual flora and fauna. Aquatic vegetation is sparse and consists of yellow water-lily, bladderworts, pondweeds, and chara.

The shoreline is an undercut bog shelf under which fish find refuge. Northern pike, large mouth bass, perch, bullhead, and green sunfish are found in spite of a maximum water depth of 1.5 feet.

An open mat of vegetation dominated by narrow-leaved cat-tails and bulrushes surrounds the lake, and many sedges and forbs characteristic of both acid bogs and calcareous fens occur together. The narrow mat gives way to a tamarack forest on the east; to the south the swamp forest is composed of elm, red maple, yellow birch, and tamarack.

Along the northwestern shore is a shrubby region of bog birch, willows, dogwood, and elder. Poison sumac is abundant throughout the site. Breeding bird surveys have shown an abundance of warbler species including blue-winged, golden-winged, black and white, Nashville, mourning, and yellow.

Spring Lake is owned by the DNR and was designated a State Natural Area in 1971.

■ **Crooked Lake Wetlands** — East of New Prospect on the north side of County Highway SS.

# Special Interest Areas In The Kettle Moraine

Crooked Lake Wetlands is a diverse complex of communities including northern wet forest, southern dry-mesic forest, southern sedge meadow, shrub-carr, open bog, and two shallow seepage lakes.

The 65-acre Crooked Lake is one of the larger natural lakes in the county and has a maximum depth of 34 feet. The inlet provides a spawning ground for northern pike while the outlet forms a small tributary of the East Branch of the Milwaukee River.

On the west side of Crooked Lake is a shrub-carr of diverse composition and structure. White meadowsweet and bog birch are dominant with openings of blue-joint grass, tussock sedge, and long-bracted tussock sedge. Red-osier dogwood and willows dominate some areas while speckled alder, common winterberry, nannyberry, and poison sumac characterize others.

The herbaceous layer is equally diverse with royal fern, marsh fern, meadow-rue and marsh pea. Also present are two shallow, hard water, seepage lakes - Cedar Lake and an unnamed lake. Cedar Lake is surrounded by swamp hardwoods of yellow birch, black ash, and red maple and a mature stand of sugar maple, basswood and red oak. The unnamed lake has numerous emergent aquatics including wild rice and is surrounded by a boggy shrub forest with tamarack.

This area is home to a diverse community of birds including nesting and migratory waterfowl, swamp sparrow, yellow, golden-winged, and Nashville warblers, veery, gray catbird, and American woodcock.

Crooked Lake Wetlands is owned by the DNR and was designated a SNA in 1992.

■ **Kettle Hole Woods** — Northeast of New Fane on County Highway S, then north on Forest View Road.

Located in southeastern Wisconsin's glacial kettle topography is Kettle Hole Woods, an isolated hill forested with southern mesic and dry-mesic hardwoods. Ephemeral ponds are scattered throughout the site.

The mature forest features an excellent canopy of very large trees, primarily red oak and sugar maple with associated beech, basswood, white ash, white oak, and bitternut hickory. Most saplings are sugar maple and beech suggesting that the red oaks will eventually be replaced by other more mesophytic species.

The shrub layer is variable in density with witch hazel, American hazelnut, viburnums, and gooseberry. Mayapple, Pennsylvania sedge, interrupted fern, lady fern, round-lobed hepatica, and wild geranium characterize portions of the groundlayer while scattered open areas with pockets of gooseberry support maidenhair fern, blue cohosh, bent trillium, and violets.

Kettle Hole Woods is owned by the DNR and was designated a SNA in 1992.

■ **Kewaskum Maple-Oak Woods** — Southeast of Kewaskum via State Highway 28 and South Mill

Road, two parcels with interesting wild plants and birds.

Kewaskum Maple-Oak Woods consists of two parcels separated by old field and pine plantation that contain southern dry-mesic and mesic forest dominated by sugar maple, red oak, white ash, and basswood with some beech. Located just east of the Milwaukee River, the southern tract is hilly with southern, eastern, and western exposures and contains a very rich herb layer.

Uncommon and interesting species include large-fruited snakeroot, dog violet, smooth bank cress, showy orchis, and putty root orchid. The northern tract is flatter and generally lower, containing very large red oak, white oak, sugar maple, and black cherry. Both parcels have kettle depressions that hold water seasonally.

Common nesting birds include the black-billed cuckoo, great-crested flycatcher, eastern wood pewee, wood thrush, blue-gray gnatcatcher, and scarlet tanager.

Kewaskum Maple-Oak Woods is owned by the DNR and was designated a State Natural Area in 1977.

■ **Kettle Moraine Red Oaks** — The Ice Age Trail goes through this area southeast of Greenbush. It has more than 100 kinds of trees, shrubs, and other plants.

Kettle Moraine Red Oaks is a mature second-growth southern dry-mesic forest which originated in 1889. Composed of red oak, basswood, sugar maple and white ash, it is one of the richest oak forests in the region and contains over 100 species of trees, shrubs, and herbs.

Other canopy species present include big-tooth aspen, white oak, black cherry, and shagbark hickory while the subcanopy is composed of ironwood, sugar maple, basswood, and ash saplings. The forest is situated on the high interlobate moraine and contains several outstanding dry kettle holes, which provide some diversity in exposure.

The groundlayer contains characteristic dry-mesic species with three species of bedstraw, numerous sedges, downy Solomon's seal, mayapple, maidenhair fern, American squaw-root, large-flowered trillium, sweet cicely, and Canada mayflower. This large tract provides important habitat for rare forest interior birds.

Other species include ovenbird, barred owl, and wood thrush, wood pewee, and scarlet tanager. Kettle Moraine Red Oaks is part of the most extensive hardwood forest located within the region and forms the core of a larger proposed Habitat Preservation Area.

Protection of this site is vital given the harvest pressure and the loss of red oaks across the landscape. As this site ages, it will become a prime candidate for research on old-growth red oak forests.

Kettle Moraine Red Oaks is owned by the DNR and was designated a State Natural Area in 1992.

■ **Johnson Hill Kame** — South of Highways 67

and U near Woodside and Shamrock roads.

Johnson Hill Kame is a "moulin" kame, a conical hill of sand and gravel formed near the edge of the wasting glacial ice sheet by subglacial meltwater streams that poured downward through cylindrical holes in the glacier. The swirling motion of the debris-laden water reminded early French mountaineers of a moulin (mill in French).

Hundreds of spectacular glacial features can be found within the Kettle Moraine and the Northern Unit contains one of the best displays of moulin kames in the country. Surrounding the kame is both southern and northern dry-mesic forest.

The southern slope is composed of red oak, big-tooth aspen, beech, ironwood, sugar maple, butternut hickory, basswood, white oak, and eastern hop-hornbeam. The cooler north slope consists of basswood and sugar maple with beech, red oak, and eastern hop-hornbeam.

Johnson Hill Kame is owned by the DNR and was designated a State Natural Area in 1992.

## Other Points Of Interest

■ **Greenbush Kettle** — On Kettle Moraine Drive, a mile north of State Highway 67. An outstanding example of a glacial kettle hole, it has a scenic overlook, viewing deck and interpretive display just a short walk from the parking lot.

■ **Kame Field** — Near the intersection of Highway V and Deer Road looking north. The mile-wide view of this spectacular kame field is breathtaking. Visitors can view and experience the rock and rubble and gravel "insides" of a kame up close.

■ **Visita Trail Overlook** — At the Henry S. Reuss Ice Age Visitor Center, State Highway 67 south of Dundee. A short climb up some stairs and you arrive at a viewing platform overlooking a beautiful vista from which you can see drumlins, eskers and ground moraines. The visitor center offers forest information, interpretive displays and a 20-minute film explaining how the glaciers shaped most of Wisconsin's landscape. You can buy nature books, clothing, admission stickers and trail passes there. Public programs are scheduled throughout the year and group programs on request.

■ **Jersey Flats Prairie** — On County Highway SS, a quarter mile west of the village of New Prospect. This restored prairie is a glacial outwash plain. This area is designated as a Wisconsin Wildlife Viewing Area and is included in the national "Watchable Wildlife" program.

■ **Little Mud Lake** — On County Highway SS, a half mile east of County Highway GGG. This site is a State Habitat Preservation Area and is vital for the long-term survival of the red-spotted, blue-spotted, spotted and tiger salamanders that thrive here. A picnic table and grill are provided at the small parking lot.

**BOWLING, FAMILY, FOOD & FUN!**

**Bumper Bowling for kids and  
Spin & Win Bowling for the late nighters.**

**Great weekly specials, sandwiches and pizzas too!**

# Calendar of Events

■ **Tuesday, May 3** – Garlic Mustard Pull at the Haskell Noyes Woods State Natural Area, 4-7 p.m. Join forces to fight back the garlic mustard invasion into the Haskell Noyes Woods State Natural Area, a premier old-growth forest. Bring your garden gloves, water, and insect repellent and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. In case of inclement weather, the pull will be canceled.

■ **Wednesday, May 4** – Trail Trekkers meet at the Ice Age Trail, County Road P parking lot (about one mile east of Glenbeulah), 6-7:30 p.m. Come for an invigorating 3.45-mile hike along the Ice Age Trail between County Road P and Hwy 23. A shuttle will be available between the starting and finishing spot.

■ **Thursday, May 5** – Garlic Mustard Pull at Haskell Noyes Woods State Natural Area, 4-7 p.m. Join forces to fight back the garlic mustard invasion into the Haskell Noyes Woods State Natural Area, a premier old-growth forest. Bring your garden gloves, water, and insect repellent and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. In case of inclement weather, the pull will be canceled.

■ **Thursday, May 5** – Solving Bird Nest Mysteries, an Evening with Nature Program at the Ice Age Visitor Center, 7-8:30 p.m. How do birds make nests without arms and hands? What materials do they use? Which bird made what nest? With Beth Goepfinger, Naturalist, discover the answers to these questions and more as we work to solve the mysteries surrounding bird nests. This program is most appropriate for people over the age of 12 years.

■ **Friday, May 6** – Slither by Snake Nature Storytime at the Ice Age Visitor Center, 9:30-10:30 a.m. With a fast flicking tongue and no legs, a snake quickly slithers by. Join us as we unravel the mysteries of snakes. This hour of nature fun awaits 3 to 6 year olds with accompanying adults.

■ **Saturday, May 7** – Garlic Mustard Pull at the Haskell Noyes Woods State Natural Area, 9 a.m.-12 p.m. Join forces to fight back the garlic mustard invasion into the Haskell Noyes Woods State Natural Area, a premier old-growth forest. Bring your garden gloves, water, and insect repellent and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. With inclement weather, the pull will be canceled.

■ **Saturday, May 7** – Frogs, Toads, and Salamanders Oh My! Exploring Nature Program at the Ice Age Visitor Center, 10-11:30 a.m. Frogs, toads, and salamanders abound in the Kettle Moraine. Learn about their unique life cycles and the species that call this area home. You may even get to meet some live amphibians. This program is best for families/groups with children between the ages of 6 and 12 years.

■ **Tuesday, May 10** – Garlic Mustard Pull at the Haskell Noyes Woods State Natural Area, 4-7 p.m. Join forces to fight back the garlic mustard invasion into the Haskell Noyes Woods State Natural Area, a premier old-growth forest. Bring your garden gloves, water, and insect repellent and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. With inclement weather, the pull will be canceled.

■ **Wednesday, May 11** – Trail Trekkers, meet at the

Greenbush Group Camp parking lot (N5854 Kettle Moraine Drive, Glenbeulah, between Hwy 67 and County Road T near Greenbush), 6-7:30 p.m. Come for a brisk 3.18-mile hike along the Ice Age Trail between Hwy 23 and the Greenbush Group Camp. A shuttle will be available between the starting and finishing spot.

■ **Thursday, May 12** – Garlic Mustard Pull at the Haskell Noyes Woods State Natural Area, 4-7 p.m. Join forces to fight back the garlic mustard invasion into the Haskell Noyes Woods State Natural Area, a premier old-growth forest. Bring your garden gloves, water, and insect repellent and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. With inclement weather, the pull will be canceled.

■ **Saturday, May 14** – Garlic Mustard Pull at the Haskell Noyes Woods State Natural Area, 9 a.m.-12 p.m. Join forces to fight back the garlic mustard invasion into the Haskell Noyes Woods State Natural Area, a premier old-growth forest. Bring your garden gloves, water, and insect repellent and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. With inclement weather, the pull will be canceled.

■ **Saturday, May 14** – Get Outdoors! Go... Learn to Geocache at the Ice Age Visitor Center, 1-3 p.m. Learn how to use a hand-held GPS device and compass, and how to read a topographic map. Then practice your new skills as you search for hidden treasures at selected geocache locations. This program is best for people over 8 years old.

■ **Tuesday, May 17** – Garlic Mustard Pull at the Haskell Noyes Woods State Natural Area, 4-7 p.m. Join forces to fight back the garlic mustard invasion into the Haskell Noyes Woods State Natural Area, a premier old-growth forest. Bring your garden gloves, water, and insect repellent and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. With inclement weather, the pull will be canceled.

■ **Wednesday, May 18** – Trail Trekkers, meet at the Greenbush Group Camp parking lot, 6 p.m.-7:30 p.m. Come for a refreshing 2.1-mile hike along the Ice Age Trail between the Greenbush Group Camp and Hwy 67. A shuttle will be available between the starting and finishing spot.

■ **Thursday, May 19** – Garlic Mustard Pull at the Haskell Noyes Woods State Natural Area, 4-7 p.m. Join forces to fight back the garlic mustard invasion into the Haskell Noyes Woods State Natural Area, a premier old-growth forest. Bring your garden gloves, water, and insect repellent and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. With inclement weather, the pull will be canceled.

■ **Friday, May 20** – Slow Poke Porcupines Nature Storytime at the Ice Age Visitor Center, 9:30-10:30 a.m. Listen! Do you hear that mumbling? It's a slow-poke porcupine. You'll be surprised as we uncover amazing facts about these forest dwellers. This hour of nature fun awaits 3 to 6 year olds with accompanying adults.

■ **Saturday, May 21** – Garlic Mustard Pull at the Haskell Noyes Woods State Natural Area, 9 a.m.-12 p.m. Join forces to fight back the garlic mustard invasion into the Haskell Noyes Woods State Natural Area, a premier old-growth forest. Bring your garden gloves, water, and insect repellent

## Corn Roast In Dundee

Every year the Northern Kettle Moraine Crooked Trails Snowmobile Club hosts a Corn Roast at the Dundee Sportsmen's Park on the second Saturday of August.

Specific details about the event were not available at publication time.

Every year the event offers free sweet corn on the cob, usually available starting at 12:30 p.m. and available until it is gone. The corn tastes great every year!

Kids games and activities and other food and refreshments are available during the day. Music either live or by a DJ is also available throughout the day.

The club uses the profits of the event to keep the trails in the area and around the forest well-groomed during the snowmobiling season.

As the day of the event gets closer, check the club's website and Facebook page for more details.

You can locate the Dundee Sportsmen's Park Pavilion on Highway 67 across from the Exxon gas station in Dundee. Just follow the large yellow signs in the area. Since everyone is welcome at this free event, why not come and enjoy the day while supporting the trails in and around Dundee.

Sisters enjoy some delicious sweet corn at the annual Dundee Corn Roast, hosted by the Crooked Trails Snowmobile Club. The event is always held in August.

and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. With inclement weather, the pull will be canceled.

■ **Saturday, May 21** – Spring Wildflower Walk Exploring Nature Program, meet at Ice Age Trail County Road P parking lot, 10-11:30 a.m. Join a Master Naturalist to explore the woods for spring wildflowers. Get help on to how to identify these spring beauties and learn about their lore.

■ **Tuesday, May 24** – Garlic Mustard Pull at the Haskell Noyes Woods State Natural Area, 4-7 p.m. Join forces to fight back the garlic mustard invasion into the Haskell Noyes Woods State Natural Area, a premier old-growth forest. Bring your garden gloves, water, and insect repellent and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. With inclement weather, the pull will be canceled.

■ **Wednesday, May 25** – Trail Trekkers, meet at the Greenbush Picnic Area/Trailhead, 6-7:30 p.m. Come for a calming 1.5-mile or 3.6-mile hike along the Red Loop or Green Loop of the Greenbush

Bring your garden gloves, water, and insect repellent and come dressed for the weather. If you cannot make the entire three hours, directions will be posted as to where to meet the group. With inclement weather, the pull will be canceled.

**Saturday, May 28** – Extreme Saturday Morning at the Picnic shelters at Mauthe Lake Recreation Area and Long Lake Recreation Area, 10-11 a.m. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. A naturalist will work with youth on activities from one of the first four topic areas of the books.

**Saturday, May 28** – Who Flew There? Drop In at the Beach at the Long Lake recreation area south beach, 1-4 p.m. Did you see that bird fly by? What was it? Learn tricks and tips for identifying our feathered friends. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

**Saturday, May 28** – Nature’s Cuisine: Wild Edibles Summer Saturday Evening Event at the Ice Age Visitor Center, 6:30-8 p.m. If you know where to look, nature can provide a whole smorgasbord of food. Find out from Jackie Scharfenberg, Forest Naturalist, what plants are safe to eat and let your tastebuds decide which are “good” to eat. This program is most appropriate for people more than 10 years old. Sponsored by Friends of the Kettle

Moraine

**Sunday, May 29** – Who Flew There? Drop In at the Beach at the Mauthe Lake recreation Area Beach, 12-3 p.m. Did you see that bird fly by? What was it? Learn tricks and tips for identifying our feathered friends. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

**Wednesday, June 1** – Trail Trekkers, meet at the Ice Age Trail crossing at County Road U, 6-7:30 p.m. Come for an energizing 2.56-mile hike along the Ice Age Trail between Hwy 67 and County Road U. A shuttle will be available between the starting and finishing spot.

**Friday, June 3** – Fish Tales Nature Storytime at the Ice Age Visitor Center, 9:30-10:30 a.m. Swim on over for some fun-filled fish activities. We’ll even share a fish tale or two. This hour of nature fun awaits 3 to 6 year olds with accompanying adults.

**Saturday, June 4** – Extreme Saturday Morning at the Picnic shelters at Mauthe Lake Recreation Area and Long Lake Recreation Area, 10-11 a.m. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. A naturalist will work with youth on activities from one of the first four topic areas of the books.

**Saturday, June 4** – Get Outdoors! Go... Learn to Fish Rodeo at the Mauthe Lake Recreation Area Fishing Pier, 1-4 p.m. Let the fishing fun begin! The rodeo includes games and activities such as Backyard Bass Casting, Fill the Tackle Box, Fishing Regulations Quiz, Avoiding Hazards, Knots Tie-up, What’s that Fish? and Baiting your Hook. After completing the rodeo, experienced anglers on the fishing pier will help hone your newly acquired skills. Special surprises and prizes await all who participate. Fishing gear will be provided for those who need it or bring your own gear. No fishing license required as it’s Free Fun Weekend.

**Saturday, June 4** – Dinner and Shady Grove Bluegrass Band Summer Saturday Evening Event Fund raiser for the Friends of the Kettle Moraine at the Mauthe Lake Recreation Area Picnic Shelter, 5:30-7 p.m. dinner; 7-8:30 p.m. con-

cert. Enjoy a delicious alfresco meal (pulled pork, grilled chicken, potato salad, baked beans and fruit salad) followed by a toe-tapping evening with the Shady Grove Bluegrass Band. Purchase your meal tickets (\$15/adult, \$12/children 5-12, under 5 free) by June 1 through the Ice Age Visitor Center. Bring cash to purchase a tasty, sweet treat for dessert. A free will offering will be taken for the concert. This is an outside concert, so remember to bring your lawn chairs and blankets. In case of inclement weather, the evening events will be moved to the Ice Age Visitor Center.

**Sunday, June 5** – Fascinating Fish Drop In at the Beach at the Long Lake recreation area south beach, 12-3 p.m. How do fish swim? How do they breathe under water? How do they eat? Come find the answers to these questions and much more as we wade through the world of Wisconsin fishes. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

**Wednesday, June 8** – Trail Trekkers, meet at Parnell Tower parking lot, 6-7:30 p.m. Come for a stimulating 3.5-mile hike along the rugged Parnell Trail.

**Thursdays, June 9, 16, 23, and 30** – Fishing for Dinner Adult Day Camp at the Mauthe Lake Recreation Area Picnic Shelter, 6-8:30 p.m. In Wisconsin’s waters, there are plenty of opportunities to catch fish of many different varieties. Through this four-week course for adults, learn how to land a fish on your dining table for a tasty, healthy meal, harvested from waters in your very own backyard. We will cover gear, tackle, shore fishing, boat fishing, regulations, safety, identification, preparing fish, and of course eating fish. There will be plenty of opportunities to try out your new fishing skills. No equipment or prior knowledge required. You will need a valid fishing license to fish. To register call (920) 533-8322 by June 1.

**Saturday, June 11** – Extreme Saturday Morning at the Picnic shelters at Mauthe Lake Recreation Area and Long Lake Recreation Area, 10-11 a.m. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program! The program involves completing a re-

See **CALENDAR** page 18

## Eden Firemen’s Picnic And Parade

The annual Eden Firemen’s Picnic and Parade will take place August 5-7. If you are in the area at this time, this would be a great event to attend. All activities are held at Eden Firemen’s Park.

Everything begins on Friday night with a fish fry. Members of the Eden Fire Department cook and serve a traditional Wisconsin Fish Fry. It is sure to be a real treat.

To round out Friday night, an area band will entertain those at the event.

On Saturday, carnival rides and food are available all day. The main events kick-off later in the afternoon. A kids’ pedal tractor pull and musical entertainment end the Saturday festivities.

Sunday kicks off at noon with the annual parade. Many area organizations, businesses, bands and groups participate in this parade.

Musical entertainment will be available all afternoon. Bingo is always played on Sunday afternoon during the picnic.

All weekend, the fire department will be serving food and refreshments. Don’t miss the pies cooked every year by the women of the fire association auxiliary.

Admission to all the bands is free.

For more information about the event, check out the fire department’s Facebook page.

Make sure you stop in Eden this weekend for all the fun and entertainment. This is sure to be a great weekend for everyone in the family.

The villages and towns around the Northern Kettle Moraine State Forest host many festivals and parades throughout the summer months.

The annual Eden Fire Department Picnic and Parade are a fun event held every year the first weekend in August.

## Campbellsport Firemen's Picnic And Parade

If you are looking for something fun to do while you are in the Kettle Moraine area over the Fourth of July holiday, take the drive to Campbellsport. The Campbellsport Fire Department's (CFD) annual picnic and parade are always celebrated on July 3rd and 4th. Fireworks, food, music, and a large parade are just a few of the traditions passed down from generation to generation.

Some of the events will include fire department waterfights, children's waterfights, bands, games for the kids, food and refreshments.

The events usually kick-off on July 3rd with children's waterfights. Teams of three to four children compete against each other to see who can move the barrel the farthest. They will definitely get wet, but they always love every minute of it.

The adult waterfights always follow. Area fire departments test their skills to see which department will come out on top.

End the night listening to a popular Wisconsin band and watching a great fireworks display.

The festivities are just as exciting on the Fourth of July. A car show is held at the park during the picnic.

The July 4th parade begins at noon and marches down Main Street. More musical entertainment will take place in the park throughout the day.

For a complete event listing or for more information on all the events, go to fire department's Facebook page or website.

Area youth concentrate on their task of pushing a barrel to the other side during the kid's waterfights at the annual Campbellsport Fire Department picnic. The picnic is held every year on July 3rd and 4th.

## Calendar of Events

### CALENDAR from page 17

quired number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. A naturalist will work with youth on activities from one of the first four topic areas of the books.

■ **Saturday, June 11** – Alien Attack Drop In at the Beach at the Long Lake recreation area south beach, 1-4 p.m. We're being invaded, not by outer space aliens but by alien plants and animals. Find out what foreign species can take over our native communities and what people can do to help control their spread. Make several clever crafts including a smashed-plant bandanna. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Saturday, June 11** – Purple Martin Colonies Summer Saturday Evening Event at the Ice Age Visitor Center, 7-8:30 p.m. Purple Martins, the largest member of the swallow family, are unique in that they nest in colonies using special bird houses. With Les Rhines, President of the Wisconsin Purple Martin Association, discover their intriguing life history and ways to cultivate a colony in your neighborhood. This program is most appropriate for people more than 10 years old. Sponsored by the Friends of the Kettle

■ **Sunday, June 12** – Alien Attack Drop In at the Beach at the Mauthe Lake recreation area beach, 12-3 p.m. We're being invaded, not by outer space aliens but by alien plants and animals. Find out what foreign species can take over our native communities and what people can do to help control their spread. Make several clever crafts including a smashed-plant bandanna. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Wednesday, June 15** – Trail Trekkers, meet at the Ice Age Trail crossing at County Road U, 6-7:30 p.m. Come for a lovely 3.06-mile hike along the Ice Age Trail between County Road U and County Road V. A shuttle will be available between the starting and finishing spot.

■ **Friday, June 17** – When I Grow Up Nature Storytime at the Ice Age Visitor Center, 9:30-10:30 a.m. We know what babies look like when they grow up. But what do goslings, fawns, and polliwogs become when they grow up? Join us as we uncover the answer to that question and more. This hour of nature fun awaits 3 to 6 year olds with accompanying adults.

■ **Saturday, June 18** – Extreme Saturday Morning at the Picnic shelters at Mauthe Lake Recreation Area and Long Lake Recreation Area, 10-11 a.m. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. A naturalist will work with youth on activities from one of the first four topic areas of the books.

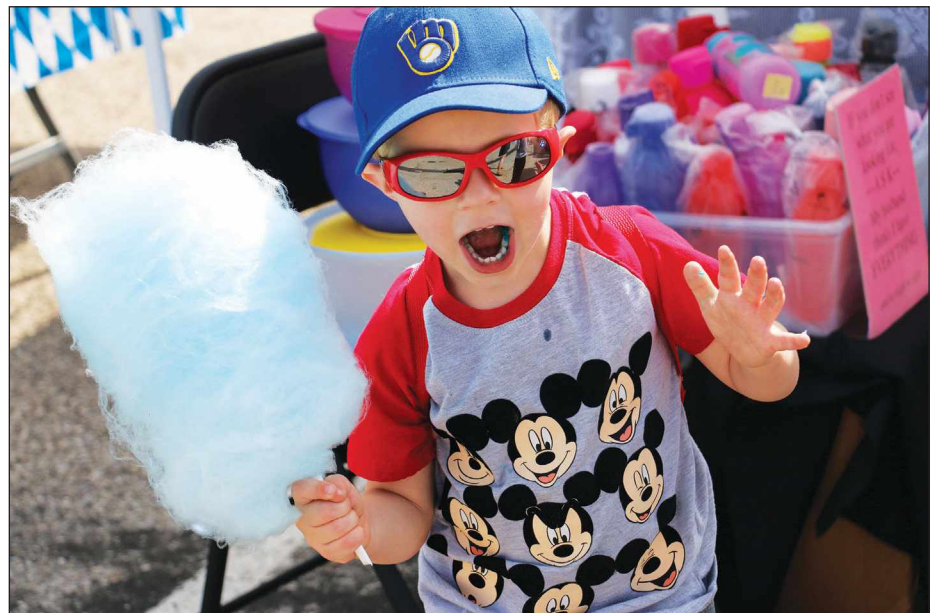

■ **Saturday, June 18** – Hurray for Herps! Drop In at the Beach at the Mauthe Lake Recreation Area Beach, 1-4 p.m. Many snakes, turtles, frogs, toads and salamanders make Wisconsin their homes. Meet several of these marvelous creatures up close and learn about their unique adaptations. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Saturday, June 18** – Wisconsin Snakes Summer Saturday Evening Event at the Ice Age Visitor Center, 7-8:30 p.m. A wide variety of snakes calls Wisconsin home. Join Randy Hetzel, Naturalist, to uncoil the unique adaptations of these remarkable reptiles and what habitat requirements they need to survive. You may get to meet a few live snakes. This program is most appropriate for people more than 10 years old.

■ **Sunday, June 19** – Water Wonders Drop In at the Beach at the Long Lake Recreation Area South Beach, 12-3 p.m. Dive into the wonders of water. Become a scientist as you try several wild and wet experiments to discover the amazing properties of water. Figure out how plants and animals use these properties to survive. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Wednesday, June 22** – Trail Trekkers, meet at the Butler Lake Trail parking lot, 6-7:30 p.m. Come for a casual 3.1-mile hike along the Butler Lake loop trail.

■ **Saturday, June 25** – Extreme Saturday Morning at the Picnic shelters at

This three year old was having a great time at Party On The Pavement in Kewaskum. The event is always held on the last Tuesday in June.

## Calendar of Events

Mauthe Lake Recreation Area and Long Lake Recreation Area, 10-11 a.m. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. A naturalist will work with youth on activities from one of the first four topic areas of the books.

■ **Saturday, June 25** – Nature Recyclers Drop In at the Beach at the Long Lake Recreation Area South Beach, 1-4 p.m. Nature has been recycling for millions of years. Uncover what organisms help recycle all the dead stuff of nature. It's sure to be a creepy crawly experience! Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Saturday, June 25** – Twilight Paddle Summer Saturday Evening Event at the Mauthe Lake recreation area boat launch, 6:30-8:30 p.m. Join Jackie Scharfenberg, Forest naturalist, for an evening canoe trip around Mauthe Lake and up the Milwaukee River. As we paddle, we will keep our eyes and ears open for evening birds and other wildlife. Basic canoe skills will be covered. No experience is necessary. In the event of threatening weather, the program will be canceled. This program is most appropriate for people More than 10 years old. To register call (920) 533-8322 by June 23. Sponsored by Friends of the Kettle Moraine.

■ **Sunday, June 26** – Nature Recyclers Drop In at the Beach at the Mauthe Lake recreation area beach, 12-3 p.m. Nature has been recycling for millions of years. Uncover what organisms help recycle all the dead stuff of nature. It's sure to be a creepy crawly experience! Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Wednesday, June 29** – Trail Trekkers, meet at the Ice Age Trail intersection with Division Road, 6-7:30 p.m. Come for an unwinding 3.43-mile hike along the Ice Age Trail between County Road V and Division Road. A shuttle will be available between the starting and finishing spot.

■ **Friday, July 1** – Twinkle, Twinkle Little Bug Nature Storytime at the Ice Age Visitor Center, 9:30-10:30 a.m. Look out your window on a summer evening and you may see twinkling lights floating around your yard. It may seem like magic, but they're fireflies! Find out how fireflies glow and why they do. This hour of nature fun awaits 3 to 6 year olds with accompanying adults.

■ **Saturday, July 2** – Extreme Saturday Morning at the Picnic shelters at Mauthe Lake Recreation Area and Long Lake Recreation Area, 10-11 a.m. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. A naturalist will work with youth on activities from one of the first four topic areas of the books.

The Empire Threshing Association's annual Thresheree is always a fun event for the entire family. You will learn how farmers did their work about a century ago and see some of the equipment they used to use.

■ **Saturday, July 2** – Upcycled Fun and Games Drop In at the Beach at the Mauthe Lake recreation area beach, 1-4 p.m. Let your creative juices flow! Using materials usually thrown away, fashion several fun toys including a T-shirt jump rope and CD spinner. Everyone is invited to drop in for a few minutes or more than an hour for artistic, playful fun. Adults are encouraged to participate with their children.

■ **Saturday, July 2** – Nature's Fireworks – Fireflies Summer Saturday Evening Event at the Long Lake recreation area picnic shelter, 8-9:30 p.m. The silent display of blinking lights of fireflies brings a special brilliance to summer evenings. Join Jackie Scharfenberg, Forest Naturalist, as she enlightens you about firefly facts and takes you on an evening expedition in search of these summer flashers. This program is most appropriate for people more than 8 years old.

■ **Sunday, July 3** – Upcycled Fun and Games Drop In at the Beach at the Long Lake recreation area south beach, 12-3 p.m. Let your creative juices flow! Using materials usually thrown away, fashion several fun toys including a T-shirt jump rope and CD spinner. Everyone is invited to drop in for a few minutes or more than an hour for artistic, playful fun. Adults are encouraged to participate with their children.

■ **Wednesday, July 6** – Trail Trekkers, meet at the Mauthe Lake Recreation Area Entrance Station, 6-7:30 p.m. Come for a stimulating 3.3-mile hike along the Ice Age Trail between Division Road and County Road GGG. A shuttle will be available between the starting and finishing spot.

■ **Thursdays, July 7, 14, 21, and 28** – Comprehensive Learn to Kayak Adult Day Camp In Cooperation with Silent Wake Kayaking at the Mauthe Lake Recreation Area Picnic Shelter, 6-8:30 p.m. Through this four week course, you will learn the ins and outs of flat water kayaking. American Canoe Association instructors will cover selecting a kayak, paddle and other gear, transporting kayaks, flat water strokes, water rescues, places to kayak, and much more. Each evening will provide time on the water to paddle. No equipment or experience required. Cost: \$175/person. For more information and to register go online to <https://silentwake.com/event/mauthe-lake-state-park-comprehensive-kayak-class/2022-07-07/>.

■ **Saturday, July 9** – Extreme Saturday Morning at the Picnic shelters at Mauthe Lake Recreation Area and Long Lake Recreation Area, 10-11 a.m. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. A naturalist will work with youth on activities from one of the first four topic areas of the books.

■ **Saturday, July 9** – Ssssnakes Drop In at the Beach at the Long Lake recreation area south beach, 1-4 p.m. Slithering across the ground with their tongues flicking, snakes arouse our curiosity or sometimes our fears. Find out truly astonishing facts about these legless reptiles and the habitats where they live to gain an appreciation of their role in nature. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Saturday, July 9** – Dinner and an Evening of John Denver Music Summer Saturday Evening Event Fund raiser for the Friends of the Kettle Moraine at the Mauthe Lake Recreation Area Picnic Shelter, 5:30-7 p.m. dinner; 7-8:30 p.m. concert. Purchase a yummy alfresco meal from a food truck vendor followed by a concert of John Denver music provided by Brett Hall. Bring some extra cash to purchase a tasty, sweet treat for dessert. A free will offering will be taken for the concert. This is an outside concert, so remember to bring your lawn chairs and blankets. In case of inclement weather, the evening events will be moved to the Ice Age Visitor Center.

■ **Sunday, July 10** – Ssssnakes Drop In at the

## Boltonville Rain Days

The Boltonville Volunteer Fire Department holds its annual Rain Days celebration over Memorial Day weekend. This year it will be held May 27-29.

The event will feature entertainment all weekend on the fire department's grounds, located at 9336 Bolton Drive in Boltonville.

The celebration always includes a carnival with rides, games, food, music and beer will be held through the weekend. A huge fireworks display is always held on Friday at dusk, weather permitting. Water fights are held on Saturday.

The annual Boltonville Prize Parade is held on Sunday at noon.

For more information, go to [www.facebook.com/BoltonvilleFD/](http://www.facebook.com/BoltonvilleFD/).

The Boltonville Volunteer Fire Department's annual Rain Days celebration is always a fun event. Check out the picnic and the parade.

Beach at the Mauthe Lake recreation area beach, 12-3 p.m. Slithering across the ground with their tongues flicking, snakes arouse our curiosity or sometimes our fears. Find out truly astonishing facts about these legless reptiles and the habitats where they live to gain an appreciation of their role in nature. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

## Area Fairs Provide Lots Of Entertainment

If you are visiting the Kettle Moraine State Forest Area this summer and are looking for some fun family entertainment, check out one of the nearby county fairs. The state forest borders three counties that all host fairs in the summer months.

Each one usually offers games, rides, food and refreshments, animals and lots of other family-friendly activities. Area youth exhibit their animals and projects for judging.

■ **Fond du Lac County Fair** — The Fond du Lac County Fair will be held July 20-24. It is held at the fairgrounds in Fond du Lac, just 16 miles north of Campbellsport at 17th Street & Martin Avenue.

This year, the fair will host headliners Bella Cain on July 21, Seether on July 22, and Collective Soul and Switchfoot on July 23. The popular Tractor and Truck Pull will take place on July 20. Watch professional Bull Riding and Barrel Racing on July 19. The demolition derby is scheduled for July 24.

For more information on this fair, go to [www.fonddulacountyfair.com](http://www.fonddulacountyfair.com).

■ **Washington County Fair** — The Washington County Fair will be held July 26-31. It is held at the Washington County Fair Park in West Bend, at 3000 Pleasant Valley Road (Hwy PV), West Bend. The Washington County Fair will feature headliners Tyler Farr with special guest Warren Zeiders on July 28, and Justin Moore on July 30. It will also feature the always popular tractor and truck pulls and fireworks. As of publication time, not all headliners were announced.

For more information, go to [www.wcfairpark.com](http://www.wcfairpark.com).

■ **Sheboygan County Fair** — The Sheboygan County Fair is always held Labor Day weekend, September 1-5. It is held at the fair park in Plymouth, just 20 miles east of Campbellsport at 229 Fairview Dr., Plymouth.

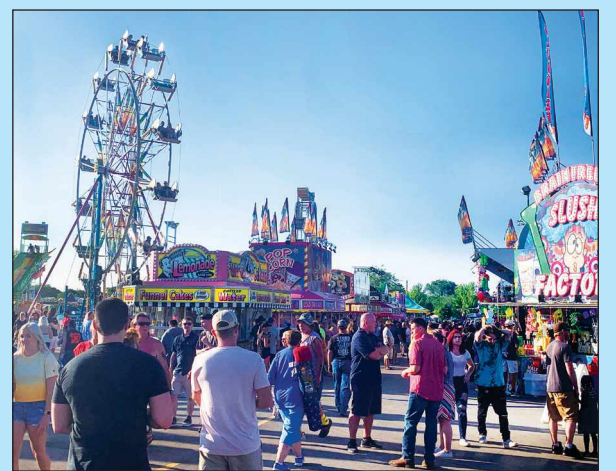

The Sheboygan County Fair features a farm tractor pull, a demolition derby, IRA Sprint Car and PDTR 360 Sprint racing and Badger State Tractor Pulls.

As of publication time, the specific line up of events had not been released.

To find more information and the names of the headlines, go to [www.shebcfair.com](http://www.shebcfair.com).

A youth watches the judge while showing her calf at the Fond du Lac County Fair. The fair is a great event to attend in the summer months.

The Fond du Lac County Fair is held in July at the fairgrounds in Fond du Lac. It is a great event to attend while visiting the area.

The Washington County Fair is a great event to attend in the summer months while visiting the Northern Kettle Moraine State Forest.

# Calendar of Events

the first four topic areas of the books.

■ **Saturday, Aug. 6** – Fascinating Fish Drop In at the Beach at the Mauthe Lake recreation area beach, 1-4 p.m. How do fish swim? How do they breathe under water? How do they eat? Come find the answers to these questions and much more as we wade through the world of Wisconsin fishes. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Saturday, Aug. 6** – Dinner and Concert with Fox and Branch Summer Saturday Evening Event Fund raiser for the Friends of the Kettle Moraine at the Mauthe Lake recreation area picnic shelter, 5:30-7 p.m. dinner; 7-8:30 p.m. concert. Purchase a scrumptious alfresco meal from a food truck vendor followed by the lively, folk music of Fox and Branch. Bring some extra cash to purchase a tasty, sweet treat for dessert. A free will offering will be taken for the concert. This is an outside concert, so remember to bring your lawn chairs and blankets. In case of inclement weather, the evening events will be moved to the Ice Age Visitor Center.

■ **Sunday, Aug. 7** – Get Outdoors! Go... Learn to Fish Rodeo at the Long Lake recreation area fishing pier, 12-3 p.m. Let the fishing fun begin! The rodeo includes games and activities such as Backyard Bass Casting, Fill the Tackle Box, Fishing Regulations Quiz, Avoiding Hazards, Knots Tie-up, What's that Fish? and Baiting your Hook. After completing the rodeo, experienced anglers on the fishing pier will help hone your newly acquired skills. Special surprises and prizes await all who participate. Fishing gear will be provided for those who need it or bring your own gear. Drop in at any time. People 16 years old or older need a Wisconsin fishing license to fish.

■ **Wednesday, Aug. 10** – Trail Trekkers, meet at the Ice Age Trail parking lot off Hwy 28, 6-7:30 p.m. Come for a lovely 2.79-mile hike along the Ice Age Trail between Kettle Moraine Drive and Hwy 28. A shuttle will be available between the starting and finishing spot.

■ **Thursday, Aug. 11** – Learn Basics of Archery Adult Day Camp at the Mauthe Lake recreation area picnic shelter, 6-8:30 p.m. Learn from experienced archers the differences between shooting with a re-curved, compound, and cross bow and about the other need archery equipment. Get coached on proper technique as you practice shooting. To register call (920) 533-8322 by August 8.

■ **Saturday, Aug. 13** – Extreme Saturday Morning at the Picnic shelters at Mauthe Lake Recreation Area and Long Lake Recreation Area, 10-11 a.m. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. A natural-ist will work with youth on activities from one of

Fishing is a very popular activity on the lakes in the Kettle Moraine State Forest. People go out on their boats or fish off the piers in the area, like above.

the first four topic areas of the books.

■ **Saturday, Aug. 13** – Learn Archery Drop In at the Beach at the Mauthe Lake recreation area beach, 1-4 p.m. What do Robin Hood, Katniss Everdeen, and Hawkeye have in common? Bows and arrows! BEACH & CAMPGROUND

# Calendar of Events

## CALENDAR from page 21

ation area beach, 12-3 p.m. Let your creative juices flow! Using materials usually thrown away, fashion several fun toys including a T-shirt jump rope and CD spinner. Everyone is invited to drop in for a few minutes or more than an hour for artistic, playful fun. Adults are encouraged to participate with their children.

■ **Wednesday, Aug. 24** — Trail Trekkers, meet at the Ice Age Trail parking lot off County Road H, 6-7:30 p.m. Come for a casual 2-mile hike along the Ice Age Trail between County Road H and the Eisenbaun Trail where it crosses Hwy 45. A shuttle will be available between the starting and finishing spot.

■ **Thursday, Aug. 25** — Wildlife Tracking and Nature Journaling Adult Day Camp at the Ice Age Visitor Center, 6-8:30 p.m. With a forest naturalist, hone your observation skills and learn tricks to figuring out animal tracks and other signs. End the evening by fashioning your own nature journal for recording your findings. Call (920) 533-8322 to register by Aug. 23.

■ **Saturday, Aug. 27** — Extreme Saturday Morning at the Picnic shelters at Mauthe Lake Recreation Area and Long Lake Recreation Area, 10-11 a.m. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. A naturalist will work with youth on activities from one of the first four topic areas of the books.

■ **Saturday, Aug. 27** — Ssssnakes Drop In at the Beach at the Mauthe Lake recreation area beach, 1-4 p.m. Slithering across the ground with their tongues flicking, snakes arouse our curiosity or sometimes our fears. Uncover some truly astonishing facts about these legless reptiles and the habitats where they live to gain an appreciation of their role in nature. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Saturday, Aug. 27** — Join the Drumming Circle at the Mauthe Lake Recreation Picnic Shelter, 3-4 p.m. Come celebrate community and life through the rhythm and music of a drumming circle. This noisy, fun, family-friendly event draws people of all ages and backgrounds together into an eclectic percussion ensemble. Bring your drum or borrow one from drumming leader, Ryan Meisel. In case of inclement weather, the event will move inside the picnic shelter.

■ **Saturday, Aug. 27** — S'more Contest at the Mauthe Lake recreation area picnic shelter, 5-6:30 p.m. Let your imagination run wild and create your most unique and delicious s'more. A panel of judges will award prizes to the best s'mores of the evening just before the start of the concert. Official contest rules available by Aug. 1 at a Forest office or on the Friends of the Kettle Moraine website. A campfire will be blazing for folks to make their own tasty treats. In the case of inclement weather, the contest will be canceled. Sponsored by Friends of the Kettle Moraine.

■ **Saturday, Aug. 27** — Ryan Meisel's Wandering Spirit Concert Summer Saturday Evening Event at the Mauthe Lake Recreation Picnic Shelter, 6:30-8 p.m. Meisel's presentation of acoustic music blurs the lines between performance, meditation, and soulful exploration. His presentation of World Sounds is inspired by his travels to our state parks, lakes, streams, and other natural settings. This is an outside concert, so remember to bring your lawn chairs and blankets. In the event of inclement weather, the concert will be moved to the Ice Age Visitor Center.

■ **Sunday, Aug. 28** — Ssssnakes Drop In at the Beach at the at the Long Lake recreation area south beach, 12-3 p.m. Slithering across the ground with their tongues flicking, snakes arouse our curiosity or sometimes our fears. Uncover some truly astonishing facts about these legless reptiles and the habitats where they live to gain an appreciation of their role in nature. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Wednesday, Aug. 31** — Trail Trekkers, meet at Mauthe Lake Recreation Area Pet Picnic Area, 6-7:30 p.m. Come for about a 3-mile hike north on the

# Independence Day Celebration In Kewaskum

Fireworks will be held at dusk on Saturday, July 3, at River Hill Park, located between Parkview Drive and Riverview Drive in the Village of Kewaskum. The rain date is July 4.

People can begin laying down blankets at the park to reserve their spots for the fireworks at 6 a.m. on July 1.

On July 3, music will be performed at 7 p.m., in the large shelter on top of the hill. The band will play again after the fireworks display, until about midnight.

Food and beverages will be served at the park, beginning at 5:30 p.m. Hamburgers and beer are among the offerings. Proceeds benefit the Kewaskum Firefighters Association.

No carry-ins are allowed, and sparklers are prohibited.

Traffic will be directed for about an hour after the fireworks ends.

The Kewaskum fireworks on July 3rd are always a great show.

Lake to Lake Trail to the halfway point to the Long Lake Recreation Area. A shuttle will be available between the starting and finishing spot.

■ **Friday, Sept. 2** — The Chirping Choir Nature Storytime at the Ice Age Visitor Center, 9:30-10:30 a.m. Who are the members of this evening choir? Listen and learn about crickets and their noisy relatives. This hour of nature fun awaits 3 to 6 year olds with accompanying adults.

■ **Saturday, Sept. 3** — Extreme Saturday Morning at the Picnic shelters at Mauthe Lake Recreation Area and Long Lake Recreation Area, 10-11 a.m. Calling all youth to come explore the extremes of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. A naturalist will work with youth on activities from one of the first four topic areas of the books.

■ **Saturday, Sept. 3** — "Tree"mendous Trees Drop In at the Beach at the Long Lake recreation area south beach, 1-4 p.m. Stop in to find out how "tree"mendous trees touch almost all parts of our lives. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Saturday, Sept. 3** — Celestial Sights of the Summer Sky Summer Saturday Evening Event at the Ice Age Visitor Center, 7:30-8:30 p.m. Lazy summer nights are perfect for stargazing, but there's more up there than meets the eye! With Jeff Setzer, Northern Cross Science Foundation member, discover how to find fantastic planets, amazing stellar nurseries, and spectacular star clusters in the summer sky during this family-oriented presentation. Learn how to use a basic star chart (provided free at the event) and then put your new knowledge into action by looking through large telescopes (weather permitting). This program is best for everyone more than 10 years old. Sponsored by the Friends of the Kettle Moraine.

■ **Saturday, Sept. 3** — Summer Star Gazing Summer Saturday Evening Event at the Ice Age Visitor Center, 8:45-11 p.m. Look through a telescope or binoculars to bring into focus the wonders of the night sky. With the help of experienced night sky observers from the Northern Cross Science Foundation, spy distant planets, dumb-bell nebulas, globular clusters, and so much more. The program will be held only if the skies are clear. This program is best for anyone older than 8 years old. Drop in any time and stay as long as you like. Sponsored by Friends of the Kettle Moraine.

■ **Sunday, Sept. 4** — "Tree"mendous Trees Drop In at the Beach at the Mauthe Lake recreation area beach, 12-3 p.m. Stop in to find out how "tree"mendous trees touch almost all parts of our lives. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

**Offering boarding, riding lessons, and horse showing;  
we also offer our property for weddings and private parties.**

**HORSE CAMP FOR KIDS**  
**6 years - 16 years**  
**Offering 3 Summer Camps**  
**and 1 Christmas Camp**  
**June 13-17, July 11-15,**  
**August 8-12, and December 27-30**

Horse camp is from 9am-3:30pm daily.  
On Friday of camp, we will have a horse show with prizes for the campers. Campers will typically ride 4 hours per day and also have some classroom instruction. We also play games, hide-n-seek, go on a treasure hunt, do tie-dyed t-shirts and much more.  
On Friday of camp, campers will compete in a horse show with prizes; there will also be a cook-out on Friday in which parents and grandparents are invited.  
Cost is \$500 per week. Campers bring your own lunches.
