## Voters to Decide on Washington County Anti-Crime Plan

**ANNE TRAUTNER**  
JOURNALIST

Voters in Washington County will decide on Nov. 8 if the county will go forward with a \$3.6 million annual tax levy increase to fund the Washington County Anti-Crime Plan.

If the referendum passes, the county's levy for 2023 will increase by 9.89 percent, or \$40,018,760, and there will be an ongoing increase of \$3.6 million each fiscal year going forward.

If it is approved, the referendum will still result in a lower tax rate. Homeowners would see an estimated decrease of 9 cents per \$1,000 to the Washington County tax rate for 2023. This means that there will be an estimated reduction of \$27 annually for a home valued at \$300,000, compared to an \$81 annual decrease if the referendum fails.

If it passes, the referendum will fund 30 additional fulltime positions within the Washington County Sheriff's Office, a staff increase of approximately 15 percent. The proposed numbers are based on the results of studies of the sheriff's office workforce.

"Our average right now is 1.5 deputies per 1,000 residents. So, that puts us at dead last of staffing per capita of all the police agencies in Washington County. It's a little troubling to me

## On Politicians and Fear, Devoid of Bravery

Dear Reader,

To quote Pericles who can most truly be accounted brave are those who best know the meaning of what is set in life and what is terrible, and then go out, undeterred, to meet what is to come.”

Our politicians these days seem to be afraid. Maybe they should be since with responsibility comes accountability. Many seem to be more interested in their own ambitions and personal financial investments (that conflict with committees they serve on) than actually serving the needs of the people they are supposed to represent.

In the past number of years we have been witness to a pool of non-visionary and divisive politicians we have thoughtlessly allowed to come into power. Yes, there are crazy-town issues flooding out of the extremes in both parties. These need to be neutralized by a rational, civil, common-sensical middle ground for our Country to move forward. We need to force those who represent us to mean what they say without lying or cheating or threatening or bullying – and hold them accountable or

terminate their addiction for power in office.

Up until now, we have innocently been witness to all of this dangerous and unnecessary drama that has cost Americans much in terms of resources, focus, psychic energy and even lives. As a result, our senses are heightened and we are aware of how high the stakes are regarding this next election. We need to do our civic duty and honor that comes with a free society and vote. Our vote should be to put people of good character and integrity in office who will represent us and our Country with a sense of grace and nobility.

Those on the fringes caring mostly for their own welfare with little regard to the common man and woman, need to go. Vote them out while your vote still counts.

And for God’s sake, if you are a politician and you lose, have the class to congratulate the winner and go on your way. Graciously accept the will of the American people—even if they didn’t choose you.

If there’s a holiday that many kids and adults alike enjoy, it’s gotta be Halloween. Just look at all the Spirit chain stores which pop up in every city of any size come late September.

Back when I was a child, I’d get real excited at the cusp of October. Our teacher set the mood by stapling goblins on the bulletin board just outside the classroom and sometimes taped a spooky critter on the glass of the door. How could our imaginations not be kindled by such seasonal sparks? Not to mention the idea of getting more than your fill on candy of all kinds. Usually a huge bowlful just by walking a few streets in Campbellsport.

We weren’t always welcome though. At one house, an older lady who came to the door asked where we were from. After we told her on the outskirts of the village, a half-mile away on W, she said we should

trick-or-treat in Fond du Lac. Most everybody else was more friendly.

Perhaps that’s why we boomers get such a kick out of All Hallows Eve. All the good memories. Especially being able to come to town on your own...after dark. When it

was still safe to do so.

Then there are specific years which left deep impressions. Attending a Halloween party held in the old high school gym. Sixth grade when my friend, John Venski slept over and after leading my younger sisters and brother into town, hitching a ride back home with his brother Tom. That night John and I stayed awake late, writing stories. Till Dad hollered it’s time for lights out.

There’d be parties after I became an adult. Inviting friends over to share treats and watch a scary movie. With such a wealth of fun filled nights during our youth, is it any wonder Halloween remains a big hit for all ages?

## County Board Member Thankful for Residents’ Ears

I have attended several presentations providing information and data with respect to the Anti-Crime Referendum. The “town hall” format has been used, and I found the meetings to be very well done and informative.

So, first I would like to thank the County Executive and Sheriff’s Department for the presentations and all of the work that was put into this.

The meetings I saw were well attended, and I thank all of the citizens who took the time to join in, and for all the thoughtful questions and discussions that followed.

As was said several times, this is a big ask.

I live in Germantown, and we see the crime bleeding in from Milwaukee every day. I feel strongly that this issue touches every part of

the county, and we need to do everything we can to keep our communities safe.

Now quite a few citizens have all of the facts and background to make their decision on this important issue.

If you did not get the chance to see one of the town hall meetings, you can get all the information from the County website main page ([Washwisco.gov](http://Washwisco.gov)).

For all of you who have already studied this, thanks for your time and interest. Thanks for digging into the issue, so you have all the data to decide when you vote in a couple of weeks.

Sincerely,  
*Jeff Schleif*  
Washington County Board Chair

### A.T.V./U.T.V. Charity Ride May Produce Increased Traffic

Beginning Thursday, Oct. 27, and through Saturday, Oct. 29, people may see a larger than normal number of All-Terrain Vehicles (ATV) and Utility-Terrain Vehicles (UTV) traveling on authorized road routes throughout Dodge, Fond du Lac, Ozaukee, Sheboygan, and Washington Counties for the 15th annual ATV/UTV Charity Ride benefiting “Make-A-Wish® Wisconsin.”

Events are based out of the Washington County Fair Park and Convention Center located at 3000 CTH PV, West Bend. Heaviest traffic will be in Washington County on Saturday, Oct. 29, and dispersing on the North side of the City of West Bend. On Saturday, at approx. 9:15-10 a.m., the vast majority of riders will be traveling through the City of West Bend, crossing STH 33 (W. Washington St.) at Scenic Dr/Villa Park Dr. heading north to road routes throughout townships north, east, and west of there.

As this is only the second year the event will be in Southeastern Wisconsin, the excess of ATVs and UTVs could cause some confusion. Therefore, we want motorists and citizens aware of the event to eliminate any misunderstandings while attempting to keep everyone safe.

The event is hosted by the Kettle Moraine ATV Association (Washington County), the Wisconsin ATV/UTV Association (State of Wisconsin), and Lakeshore ATV/UTV Club (Ozaukee County).

# When Fr. Burelbach Returned to St. Kilian

**KARL MCCARTY**  
CONTRIBUTOR

There is a 1948 picture of a priest looking at the church he helped build – 38 years after he left its parish. His life revolved around beautiful landscapes, churches and the countryside – St. Andrew’s in Dodge County, St. Kilian in Fond du Lac County, St. Lawrence in Washington County and St. Coletta’s in Jefferson County.

## Origin in Knowles

Peter Burelbach was born in 1870 to Nicolaus (1825-1919) and Maria (Bier) Burelbach (1830-1906). According to *Findagrave.com*, his parents were both born in Germany; Peter was born in Knowles in the Town of LeRoy. The family worshiped at St. Andrew’s Church and the parents are buried along the main road through the cemetery.

According to information posted online with St. Andrew’s parish history, Peter entered St. Francis Seminary in September 1885. At that time, St. Francis would have also functioned as a high school, besides helping young men to the priesthood. By 1885, Burelbach would likely have finished eighth grade at St. Andrew’s. Accordingly, he was not ordained until June 17, 1894. These dates fill about four years of high school, and five years of becoming a priest. But a source has yet to be located which could elaborate on his education between those nine years. He was ordained by Archbishop F.X.

Katzer.

St. Andrew’s web information says Burelbach was “temporarily stationed in Mapleton.” Out of Theresa, Highway P follows one of the most relaxing drives in southeastern Wisconsin. Follow P south and it will take less than 25 miles to hit rural Mapleton, where a novice traveler wouldn’t know they are just on the outskirts of urban Oconomowoc. Burelbach was at St. Catherine of Alexandria in Mapleton, after which Burelbach was appointed as assistant pastor to St. Gregory’s at St. Nazianz and was there in Manitowoc County until July of 1895. After St. Gregory’s, he was assigned to St. Kilian of St. Kilian.

## Tenure at St. Kilian

Burelbach was about 25 when he came to St. Kilian, and stayed until he was about 40. There are many questions to consider. Did he feel far from his birth home of Knowles? Or was he close enough that locals in Ashford and Wayne were familiar of the young man raised near the Horicon Marsh? How did a young priest lead now-old settlers who had created St. Kilian out of thick forest nearly a half century before him?

There was a lot for Rev. Burelbach to do during his service in St. Kilian. At least two published accounts exist explaining what he accomplished there. First, according to the Centennial Jubilee book (1948), Fr. Burelbach started at St. Kilian in

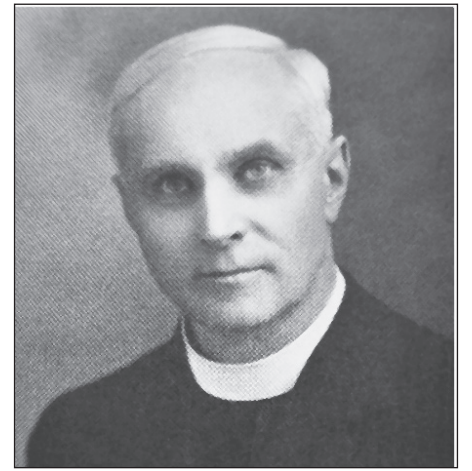

Fr. Burelbach became a priest in 1895. This picture likely coincides with the tie of his ordination or early years of the priesthood. In addition, the thick backing on the cabinet card matches the look of the 1890s. This was the decade when Fr. Burelbach finished his studies at St. Francis near Milwaukee, which might explain why a man from Knowles was photographed in the big city. The photo is courtesy of John Uhlman, who has dedicated much time to preserving images on Findagrave.com. **SUBMITTED**

July of 1895 and stayed until June, 1910. “Father Burelbach proved himself eminently successful in his pastoral work. It was under the able management of this zealous priest that the old frame church was replaced by a magnificent stone church adorned with most beautiful altars, with a large tuneful pipe organ, and with three well-sounding bells of larger sizes,” (p.27). That edifice was dedicated by Archbishop F.X. Katzer in October of 1896. In addition, Burelbach oversaw the construction of a new parsonage that replaced the old one. The 1948 parish book said in the period of 1910 when Burelbach left, a pastor of Theresa attended to St. Kilian until Fr. Ferdinand Falbisoner stayed for a decade. Meanwhile, Burelbach “was given a larger parish,” not named in the book (p.27).

Lyra Straub largely compiled and typed the 150th anniversary booklet for St. Kilian (1998). This publication clarifies that the previous priest before Burelbach was making plans to build the present stone church, then construction started under Burelbach. The book then sets the stage of what Fr. Burelbach must have witnessed in his twenties during the 1890s: “One hundred years later we cannot fully appreciate the effort and dedication put into the building of the church by the parishioners. The stone was quarried on land owned by parishioners in Section 5 in Town [ship of] Wayne, loaded by hand onto stoneboats and pulled by horses or oxen to the building site. To get stones to the higher levels of the church an incline plane was used, wetted down and through a system of ropes and pulleys the stones were raised to the top,” (p.5). Burelbach’s role in this process and witness to it would have been neat to have discussed with him in his later years.

## St. Lawrence of Washington County

It is unclear why exactly Burelbach moved on to a “larger parish.” Although St. Lawrence is north of

This picture appeared for Fr. Burelbach in the 1948 Centennial Book for St. Kilian Parish. He was listed as the celebrant for the mass honoring a century of the parish. This file photo (likely from the Archdiocese of Milwaukee) did not match the age of him in 1948. For example, Fr. Burelbach was already 78 years old and looks markedly older in the pictures taken the day of the festivities. The same aging could be said for other dignitaries who came to the centennial, and looked much older than their pictures published in the booklet. He entered semi-retirement in 1940, so it is possible this picture was taken prior. For this story, pictures of Burelbach coincided with noticeable balding on the top of his head by 1948, with younger pictures of him with a large comb over. Fr. Burelbach also consistently had darker pigmentation underneath his eyes which corroborated with other pictures. **SUBMITTED**

Hartford, today’s standards would suggest it is not necessarily bigger than St. Kilian. It was also interesting that the St. Kilian publications did not mention by name that he went to St. Lawrence.

There was scant information online about Burelbach’s placement in Washington County. A *Wisconsin State Journal* clip from November 11, 1918, covers the death of a priest, Anthony V. Mueller who had been born in St. Lawrence. Accordingly, as the priest of St. Lawrence at the time, Fr. Burelbach attended the service to honor his then-parish’s priest son who passed.

With the verification of Burelbach in St. Lawrence northeast of Hartford, another online source, “St. Lawrence Parish History,” suggested that Rev. Peter J. Burelbach was there from 1910 to 1921. This was important, as the source then documented an interesting situation in 1910, but did not mention the priest by name. The new pastor came to St. Lawrence, apparently that being Fr. Burelbach, who had the tavern keepers sign an agreement: “We the undersigned tavern owners of St. Lawrence promise and hereby obligate ourselves not to sell or give out any drinks Sunday mornings during time of church service, and furthermore, we will keep our saloons closed during the main church service Sunday mornings, as well as on church holidays. For every infringement, we obligate and promise to pay \$10 to the Congregation’s kitty/treasury.” Adjusted for inflation, the

**Saloons and St. Kilian**

Given the firm stance Fr. Burelbach took on alcohol as he started in St. Lawrence, it is a legitimate question to what his stance on alcohol was while he was at St. Kilian. His 1910 position is about a decade before Prohibition being a constitutional amendment, but the national movement was strong for decades through pockets of the country. When looking at the plat maps of the Township of Wayne, one can see there were at least two saloons in St. Kilian in the 1890s to 1910s. And both of them were in the intersection of the hamlet of St. Kilian on the Wayne Township side. Today that would be in the vicinity of Swede's parking lot and the existing, unusually wide intersection of W & St. Kilian Drive. This count of two saloons does not take into consideration when Strachota's (which became Swede's) eventually sold alcohol on the Ashford side of St. Kilian.

Furthermore, St. Kilian parish was heavily influenced by those descending from German speakers and Irish ancestry (more so in Wayne Township). If a priest was openly against alcohol in St. Kilian, it is plausible a few patrons of the saloons would have been annoyed by the opposition. The job of a turn-of-the-century priest couldn't have been easy. Besides the daily masses, tending to the school, and fixing the infrastructure of a parish, it's a wonder what moral stances in the pulpit were easy or hard to sell in St. Kilian. It is not sure we will ever know Burelbach's stance on alcohol in St. Kilian, but it is interesting to put yourself in the shoes of a 25 year old running a parish in 1895 with at least two taverns in the center. Then Burelbach left to start anew in St. Lawrence in 1910, where a published position on alcohol exists on record.

Rev. Peter J. Burelbach's story began in the Town of LeRoy and St. Andrew's when he was born to German immigrants, who are buried on the west row touching the main drive through the cemetery. COURTESY PHOTO BY KARL MCCARTY

**A Return to St. Kilian**

A previous article published covered the historic pictures of St. Kilian Church at its centennial, but there is one picture that justifies why Fr. Burelbach got his own story here. When it comes to the dozen or so 8 X 10 photos of the celebration in 1948, there is a photo of the Milwaukee Archbishop Moses E. Kiley and other dignitaries walking toward the church. It is not clear what the photographer's angle of the photo was, as many of the clergy are not even looking the camera. It

This postcard has a hard-to-read postmark from the 1910s. However, it is likely made to honor the new improvements achieved at St. Kilian at the turn of the century. Many of those changes occurred during the era of Fr. Peter J. Burelbach. Just 25 when he commanded his own parish, Fr. Burelbach oversaw the construction of a new church, a new parsonage, and the 50th anniversary of St. Kilian Parish. He stayed 15 years.

This postcard was mailed to a priest in Milwaukee from Sr. Regina Flasch of St. Kilian while on summer break from her position in Milwaukee. POSTCARD COURTESY OF KARL MCCARTY

seems as if the image was taken only to encapsulate the entry of the dignitaries coming to the church.

Interestingly, the most perceptive is the shot of Charlie Straub, a then eight-year-old who is serving as a page to the Archbishop. Both Straub and Donald Sarauer (another page) are holding the Archbishop's attire as the clergy walks into the church. But as much as Charlie is watching the camera, Fr. Burelbach, ready to celebrate the mass, had his hands folded pondering distantly. Thirty-eight years had passed since he left St. Kilian, and Burelbach was now 78.

See **ST. KILIAN** page 6

Fr. Peter J. Burelbach returned to St. Kilian 38 years after he left it. He is walking into St. Kilian Church, with the Archbishop Moses E. Kiley behind him. The aging priest is looking to his left of the camera. Behind both is page Charlie Straub—the only one smiling at the photographer. Straub (left corner) was the son of Hugo Straub, who received first communion from Fr. Burelbach at the beginning of the century. Hugo's father was a parishioner of the church when Fr. Burelbach oversaw the new construction of the stone church in the 1890s. PHOTO COURTESY OF DON FELIX

# St. Lucas Student Places Second in National X.C. Championship

Garrett Pickering, an eighth grader at St. Lucas Lutheran School in Kewaskum, placed second in the 12th Annual National Lutheran Cross Country Championships 2022 held at Concordia University on Oct. 22.

Garrett is in his fourth season of cross country (2018-2022) at St. Lucas. He is a multi-sport athlete who also plays soccer, basketball, runs track and wrestles.

In addition to placing second in the nationals, Garrett's accomplishments during the 2022 cross country season include:

- Sept. 7- Pilgrim Grade School Invite - 2500M - first place with a time of 8:44, also set a personal record.
- Sept. 14- Crown of Life Colts CC Invitational - 2500M - first place with a time of 8:54.
- Sept. 28- Crusader Warriors CC Invitational - 3200M - first place with a time of 11:40.
- Oct. 5- KMLHS Grade School CC Meet - 3200M - first place with a time of 11:23 and set a personal record for that distance.
- Oct. 8- LSA State CC Championship at Concordia University - two mile - took first place with a time of 11:25.
- Named "First Team, All State, Boys Division Champion."

## ST. KILIAN from page 5

Although there was a stark contrast between the young Straub and priest's age, it would have been neat if they could have compared notes. Charlie was the fourth generation on his farm over a mile east of the church. He came from Casper Straub who had a son Casper (1852-1933), the latter being Charlie's grandpa. Like his dad, the second Casper Straub dairy farmed. The second Casper was also in his 40s when Fr. Burelbach oversaw the construction of the stone (and present) St. Kilian Church. He and his wife Susan (Engel) had many children, one of which was Hugo (1897-1967) who stayed on the farm. Hugo had his first communion courtesy of Fr. Burelbach. It is Hugo's son Charlie who is smiling behind the returning priest in the 1948 picture.

It would have been great if they compared what they knew about the Straub family history, as Burelbach would have known the farm family well. But given repeated comments from those now elderly talking about their childhoods, and the lack of communication between elderly and young children back then, it seems likely the 78-year-old priest may not have gotten into that much detail on Straub family history with Charlie that September day in 1948.

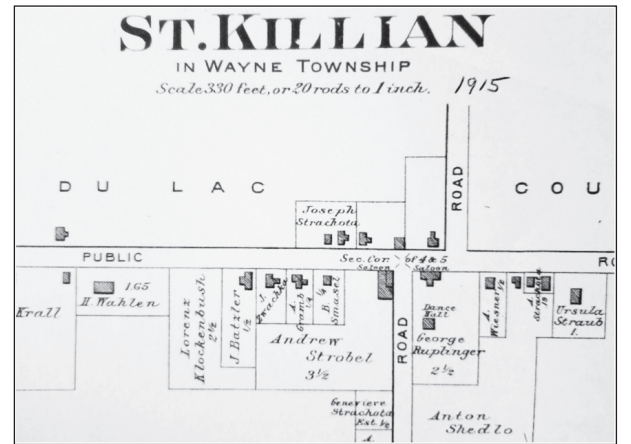

### Remembering Fr. Burelbach

Fr. Victor Kemmer, a later resident priest of St. Kilian, said more than once in his homilies to "Remember our priests." In my memory, Fr. Kemmer read the names of previous men who dedicated portions of their lives leading St. Kilian parish.

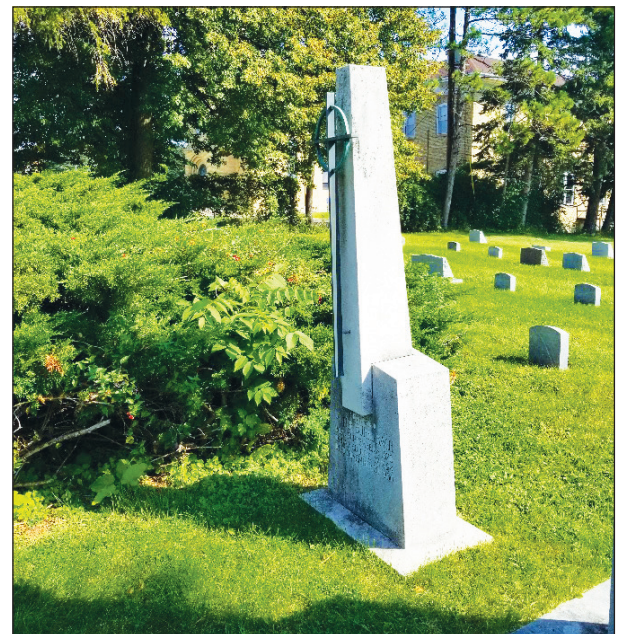

Fr. Burelbach had a life vocation worth remembering. After St. Lawrence of Washington County, Fr. Burelbach established himself well in Jefferson at its St. Lawrence parish and nearby St. Coletta School for Exceptional Children. In the case of Fr. Burelbach, one hopes there is more information that will rise to the surface.

When it comes to St. Kilian, recalling Fr. Burelbach asks us to put ourselves in the shoes of being a young leader of a parish building a church in 1895, or questioning the morality of drinking in 1910. And in between all of this is a knowledge of the landscape from Knowles, St. Kilian, St.

Lawrence and Jefferson. If only his experiences were written. Nonetheless, even if his stories are almost narrowed to a contemplative picture that captured him off focus by happenstance in 1948—it still leaves a lot to think about. Not just for him, but for us.

"Going to St. Kilian" has different meanings to different people. For some it means going to church in Ashford Township. To others it means going to the tavern on the county line. Given this 1915 plat map, locals had at least two choices for saloons to attend near the time Fr. Burelbach left for St. Lawrence in Washington County. **PLAT COPY COURTESY OF DON FELIX.**

At the end of his career, Father Burelbach spent 19 years (1921-1940) at St. Lawrence in Jefferson after leaving St. Lawrence in St. Lawrence. He spent the 1940s and 1950s in semi-retirement, but served as chaplain of the Alverno cottages at St. Coletta's School for Exceptional Children. His time at St. Coletta's meant he would have seen Rosemary Kennedy, future U.S. Pres. John F. Kennedy's sister, who was placed at St. Coletta's after a failed lobotomy in the 1940s. Multiple children who eventually spent much of their lives at St. Coletta shared that they were fond of Fr. Burelbach's attention and service at St. Coletta's at mid-century. He was buried at St. Coletta's small cemetery southwest of St. Lawrence Church, and east of St. Coletta's original buildings in Jefferson. **COURTESY PHOTO BY KARL MCCARTY**

## Mississippi Duck Hunt/The Best of Times

**MARK WALTERS**  
COLUMNIST

Fifty-one opening days of duck hunting ago, I was a very young boy in a very low income, single-parent family, and my dad was raising my brothers Mike, Tom, myself, my sister Lynn and sometimes my brother Bob.

We lived kind of like I do now, which is a very busy life that is often centered around the next outdoor experience.

One of our annual "can't miss" trips was living on an island on the Mississippi River near Ferryville and hunting ducks.

I am now 61, low income, running hard, and still on that "can't miss" trip.

**FRIDAY, SEPT. 30**  
**HIGH: 75. LOW: 52.**

By the time I hit the cot two days after today, 17 people will have camped together and all of that is due to my dad.

Though there is no ringleader anymore, I am the guy that is always here and now much of our group is 15-year olds to age 34.

My daughter Selina and I hunt out of a canoe; we kind of suck when it comes to bagging ducks, but we have a great time with our golden retrievers – Ruby and Red being the center of our attention.

Today was a great day. We all converged on the island as we could,

A good haul of woodies on the Mississippi.

Selina takes a snooze with Red as Ruby keeps a watchful eye.

**MARK WALTERS PHOTOS**

built our camps, checked out our spots and, as always, tonight was a campfire, excellent food and lots of happy talk.

**SATURDAY, OCT. 1**  
**HIGH: 72. LOW: 48.**

When shooting began, Selina dropped a hen wood duck and now the pressure was off.

In reality, Selina does not care about duck hunting, and she will only do this hunt all season. With a double major at UW-Stevens Point, and a minor, a job working in the Aquatic Biomonitoring Lab and lots of weekend events that are related to school, this hunt and three weekends at deer camp are the best she can do.

So, I drop a goose and a drake woody, it becomes very warm. Selina takes a net and catches aquatic insects, puts them in a mason jar that has alcohol in it and, in the end, she will take them to school and do research. A person catching insects in your decoys does not help when it comes to ducks being attracted to your decoys, but neither of us cared.

At about noon, we paddled back to camp had lunch and a two-hour siesta.

The evening hunt was very enjoyable, but I have to tell you, I love the campfire time on this particular trip. On Saturday night everyone cooks duck. A half dozen hunting dogs are exhausted, and, for myself, I can look at every one of these kids in camp,

and I am well aware that they are here because of my dad and, in reality, because of me, as my dad passed away before most of them were born.

I will give you one example.

Grant Wandler is around 30, he grew up with my stepson Joey Dushek and started coming here when he was in high school. Conrad Wandler is two years younger; Vlad Wandler is 20 and Silver is 15. Grant is a lineman as is Conrad and soon Vlad will be. Grant lives in California and flew to Wisconsin for this hunt.

When Grant and Conrad were 16-22, all of their gear was junk, but what they had was a love for this trip and now they have the latest, greatest gear and these boys put a hurting on the ducks, and they are a hoot around the campfire.

On this particular hunt, there were 13 kids. I could say that I have all of them beat in age by 30 to 46 years.

The following morning, Selina and I, as well as everyone else in camp, were on the water before daylight and many ducks fell out of the sky.

Selina Walters picks bugs from the water to conduct research at UW-Stevens Point.

Sunday is always kind of sad for me, because Selina has to go back to school and our three-day gab session is over.

For myself and my nephew, Trent Schuster, it was a new beginning. Trent's dad, Dick Schuster, and my brother, Mike, came to camp for 24-hours as they generally put a hurting on the local perch population.

The perch were not hungry, but Trent and I had a great hunt, and his two-year-old golden retriever, Ivy, had a light turn on and it became very obvious that she's going to be a duck dog.

I am ahead on my deadline; In real time, as you are reading this, I should be on top of the Rocky Mountains near Bozeman, Montana on a solo, go-for-it elk and mule deer hunt.

Get them kids outside and keep it fun!

**Jerry A. LaFleur**

Jerry A. LaFleur, 100, of Campbellsport went to his Heavenly Home on Sunday, October 23, 2022, with his beloved family gathered around him.

He was born in Green Bay on November 5, 1921, the son of Jerome and Selma (nee Thomson) LaFleur.

Jerry grew up in the Wabeno area of Forest County and was attending West Point when the United States entered WWII. Jerry enlisted in the US Army and actually went through basic training three times (including prior to attending West Point) and served in the Army Air Corp and then as an air traffic controller in the Aleutians, where he served overseas for over 18 months.

After the war, Jerry was on the football team, played in the band and graduated from UW Stevens Point; there he met the love of his life, Monica Regina Gill. They were married on June 24, 1950 at St. Michael's Catholic Church in the Town of Mitchell, Sheboygan County. Jerry taught history at Stevens Point High School and was an assistant coach for football and basketball, with the basketball team winning a state championship in 1954. He received his Masters Degree in Administration from Marquette University. Jerry then was the superintendent of the school districts of Westboro, Wild Rose and Pittsville before coming to Campbellsport in 1969, where he was High School Principal until his retirement in 1991. In retirement Jerry joined the South Shore Officials and officiated football, basketball, track, cross country, baseball and softball. He was a member of the Campbellsport VFW Post #8339 and was part of many Military Honor Guards for deceased veterans. Jerry was also a member of St. Matthew Catholic Church and the 4th Degree Knights of Columbus; he was a lecture at church for many years. Jerry and Monica were very involved members of the Campbellsport community and will be greatly missed.

Those left behind to cherish Jerry's memory include his children, Joseph (Catherine), Nadine, Peggy, Ann (Scott) and John (Julie); grandchildren, Michael Jerry LaFleur, Jacqueline Regina (Steve) Carlin, Adam Louis LaFleur and Monica Mae LaFleur; other relatives and many friends.

Jerry was preceded in death by his parents; wife, Monica on July 8, 2018; great-granddaughter, Brynn Carlin; sisters, Ellen (Ray) Donahue and Marjorie LaFleur; and brother, James (Shirley) LaFleur.

Visitation will be Friday, November 4 from 4 to 7 p.m. at the Twohig Funeral Home, 109 W. Main St., Campbellsport, and Saturday, November 5, from 10 to 11 a.m. at St. Matthew Catholic Church, 406 E. Main St., Campbellsport.

A Mass of Christian Burial will be Saturday, November 5, at 11 a.m. at St. Matthew Catholic Church. Rev. Neil Zinthefer will officiate and burial will follow in St. Matthews Cemetery, Campbellsport, with Military Honors. A light lunch will follow at the Church.

In lieu of flowers, memorials are appreciated to St. Matthew Catholic Church. The LaFleur family extends a special thank you to the nurses and staff of SSM Home Care and Hospice.

**Barbara Ann Maurer**

Born 12 November 1936, at St. Agnes Hospital in Fond du Lac, where she and her mother stayed for ten days with a total bill of \$48. Barbara was the third of four children born to Roland and Alice Buslaff Ro-maine.

Barbara attended Division Street Grade School just a few blocks from their home on First Street, adjacent to an orchard belonging to the St. Agnes Nuns and she and her friends were often chased from the orchard while enjoying some of that forbidden fruit. It was about 1946 when the family moved to the original Buslaff family homestead in the little community of Waucousta, situated at the river on Highway 45 between Kewaskum and Eden in Fond du Lac County. At the time Barbara was just 10 years old and had to make the adjustment from city living to no running water and an outdoor privy. Here, she and her siblings walked the quarter mile to the Waucousta Grade School where, along with the essentials, she learned how to hit a darn good softball, always being the first one picked for a team.

After graduating there, Barbara attended Campbellsport High School where her goal was to become a teacher. At a high school dance her plans were changed with the chance meeting with her husband-to-be, Johnny Maurer. After dating for two years, they were married on August 15, 1953, at St. Andrew Catholic Church in Delavan. It was then that Barbara was able to pursue her dream of teaching with the birth of their six children over the course of the next ten years where she became the best loving mother any child could ever hope for. Barbara literally grew up with her children, loving them beyond measure, teaching them all the important things they would need to fulfill their growing years. She taught them how to have fun, to play fair, to pray, to respect their elders, and she hit the best darn "pop flies" to her three sons to whom she also gave the freedom to spend their early years just being boys, with much of their summer school vacation exploring at the local mill pond, often following the river all the way to the Delavan Lake outlet. Her three girls also enjoyed the freedom of just being girls, but with just a bit closer supervision. Their yard and street at 311 South 5th Street in Delavan was like a playground with all the young children in the neighborhood.

Barbara also cared for several other children during the day, back when \$2 a day was the norm for child care. No matter how busy she was before Johnny was due home, she would check her appearance and meet him at the door with a hug and a kiss. Barbara's home and family were her life. She loved, and lived the song, "I Am The Happiest Girl In the whole USA." Our annual summer vacations to Clam Lake brought the entire family to a time of relaxation and were some of the most treasured and memorable times in our lives.

Through all this, Barbara supported Johnny through the many work and business decisions and John's job changes that were made. Then there was their disastrous three-month move to San Diego, CA with their two sons, Dave age 2 and Dan age 1, when Barbara was seven months pregnant with their daughter, Linda. Everything they owned was loaded onto a small trailer and they headed out on "Old Route 66" (when it was still only two lanes) where they barely survived the trip, encountering sub-zero temperatures along with treacherous snow storms in the Texas Panhandle. They arrived with \$8. After two weeks, John found a position with Solar Aircraft. After ten weeks, the government contract was fulfilled and the job ended. Their daughter Linda was born there in March 1956, and with no job prospects, two weeks later the family once again packed up their trailer and headed for Wisconsin, driving 2,350 miles non-stop and arriving in Delavan without a single penny to their name. It is so difficult for those of us who survive her to even absorb the strength that Barbara must have had to make this journey with a two and one year old, along with a 2-week-old baby. Remember, this was 1956.

While Johnny was on the Sheriff Department, Barbara was there to encourage him with the purchase of the Traveler Coffee Shop in Elkhorn, and a year later the Country Traveler north of Elkhorn, and finally opening the Traveler Coffee Shop in Delavan, encompassing 25 wonderful years in the business with her husband John and their six children, Dave, Dan, Linda, Ron, Mary and Patricia, all of whom worked in the business at one time or another. Barbara was a regular employee at the family restaurant and, for several years, with her three daughters, operated the Slenderizer Body Toning business at Park Place in Delavan. For over 40 years, she enjoyed league bowling up until 2017. In retirement Barbara has endured several serious health conditions but has thoroughly enjoyed crocheting, knitting, working on puzzles, reading and the visits from their large family.

On September 24, Barbara said she was ready to go to Heaven. She got her wish and her funeral service took place on October 7, at St. Andrews Catholic Church in Delavan. Barbara was preceded in death by her brothers, Ralph and Alvin, and sister, Donna.

Barbara is survived by her husband, John, of 69 years; and six children, Dave, Dan (Cathy), Linda (Jim) Kraayeveld, Ron (Betsy), Mary (Scott) Atwell, Patricia (Jerry) De Leon, 18 grandchildren, numerous great-grandchildren and great-great-grandchildren.

Services were held at 11 a.m. on Friday, October 7, 2022, at St. Andrews Catholic Church, 714 E. Walworth Avenue in Delavan. Visitation was held from 10 a.m. until the time of the service on Friday at the church. Burial took place at St. Andrews Cemetery. Flowers are appreciated and donations can be made to St. Andrew Parish School.

**The Fall Election is Ahead, Ensure You Have an I.D. to Vote**

Wisconsin driver licenses or IDs are the most common form of identification used for voting purposes. A federally compliant REAL ID card is not required to show at the polls. The Wisconsin Elections Commission notes other forms of identification are valid for voting, such as military or student ID cards. To see if a card meets the requirements, visit the Wisconsin Elections Commission website.

Voters looking to get their first Wisconsin ID can turn to DMV for help. To obtain an official ID card, there are documentation requirements such as a birth certificate. If all documentation is not readily available, the ID Petition Process (IDPP) may be used to obtain a receipt valid for voting while the remaining documents or verifications are obtained.

DMV offers this service and ID cards for voting purposes free of charge. DMV's toll-free Voter ID hotline at 844-588-1069 is available for questions on obtaining an ID to vote.

DMV's website has a locator to help find the nearest DMV and check wait times at [wisconsinidmv.gov/centers](http://wisconsinidmv.gov/centers).

## OBITUARIES

### Jeffrey L. Clark

Jeffrey L. Clark, 74, of Campbellsport, passed away on Monday, October 24, 2022.

He was born on May 23, 1948, in New York, a son of Roy Clark.

Jeff was an avid fisherman in Florida, owned a gun store, and also was a guitar player in bands.

Jeff is survived by his sons, Morgan Legate and David Clark; grandson, Brandon Dean Jacobson; and other relatives and friends.

He was preceded in death by his parents.

Per Jeff's wishes, cremation has taken place and no services will be held.

Twohig Funeral Home is serving the family with guestbook and condolences at [www.twohigfunerals.com](http://www.twohigfunerals.com)

### Jim Durand

Jim "The Barber" Durand was called to eternal life on Thursday, October 20, 2022, with his family by his side.

Jim was brought into this life on December 8, 1935, by Ernest and Mary Durand (the granddaughter of the Cattle baron of Iowa). Jim was known in Iowa as Jimmy "DU" rand from "DU" mont. He spent his youth in Dumont, IA, riding dirt bikes, playing baseball and basketball, fishing by the river with his Uncle Floyd, and raising hell.

He graduated from Dumont High School and earned the class superlative of "Best Physique." Jim decided that farm life was not for him, and enlisted in the U.S. Marines. He served his country before moving to California, where he met his wife, Patricia "Reinke" Durand.

Jim and Patricia were married at Our Lady of Sorrow parish in Milwaukee on May 7, 1960. A marriage that would last for 62 years, where they were blessed with eight children, Scott (Carla) Durand, Sandy (Tim) Sarauer, Sue Durand, Sheri Durand, Stacey Durand, Steve (Kelly) Durand, Sean (Jennifer) Durand and Sam (Kim) Durand. Jim and Pat have 14 grandchildren and nine great-grandchildren and many nieces and nephews who will carry on his legacy.

Jim's passion in life was barbering. He started his barber career when he bought a barbershop with his Dad in Arizona in 1963. He continued his career when they moved to Milwaukee and partnered with his friend "Rusty" at the Butler Barber Shop. He spent many years at the Butler Barber Shop, handing out tootsie rolls and letting his kids run across the street to buy pixie stix and candy to keep them busy while his magic shears were at work.

In 1972, Jim and Pat moved to Campbellsport, where he opened Jim's Clip Joint. Behind the chair, Jim had a knack for telling stories about his family, travels, gambling successes, and many of his jokes (both good and bad). His favorite joke was the "meatball" joke. We have no doubt his barber shop will continue in its new location upstairs!

Jim finished his career as a salesman for Roffler Industries, selling barber supplies and then moved into insurance sales at Rural Insurance and lastly, at Ernie von Schledorn.

Outside of barbering and raising his family, Jim lived the good life dancing the jitterbug, having backyard parties, being a Scout leader for his kids, and always being there to support his family in any way he could.

Jim will be reunited in death with his sister, Norma; his parents, Ernest and Mary Durand; his mother and father-in-law, Ed and Helen Reinke; niece, LeAnn; his brother and sister-in-law, Carl and Audrey Schmitz; and his nephew, Robert Schmitz.

Join us in sharing his life story and jokes on Sunday, October 30, at St. Matthew Church, 406 E. Main St., Campbellsport, as we "salute" Jim "The Barber" into eternal life. Visitation will be from 2 p.m. – 3:30 p.m., with a Mass following at 4 p.m.

Thank you, Dad, for the lifetime of memories, stories, jokes, and mostly love.

Twohig Funeral Home, Campbellsport, is serving the family with online guestbook and condolences at [www.twohigfunerals.com](http://www.twohigfunerals.com)

### ANTI-CRIME from page 1

capita is also on the low end compared to other sheriff's offices in Southeast Wisconsin. Fond du Lac County currently is lower, with about 1.4 deputies per 1,000 residents.

If the referendum passes, it will bring the number of law enforcement officers in Washington County up to 1.8 per 1,000 people served, which still is on the low end compared to counties in Southeast Wisconsin. Waukesha, Ozaukee, Kenosha, Jefferson and Walworth counties all have higher ratios. The average U.S. ratio is 2.4 officers per 1,000 people served.

Washington County Executive Josh Schoemann wants to increase law enforcement staff so the county will be better equipped for emergencies.

"When the Slinger Middle School active shooter hoax happened, it was like someone punched me in the gut, and I thought we have to do something now," Schoemann said at the Kewaskum Town Board meeting on Sept. 27, referring to an incident that happened earlier this year.

The hoax led to a discussion between Schoemann and Schulteis. They agreed that there is a need to increase staffing to be best prepared to protect the public. That resulted in the decision to have a referendum.

### ELECTIONS from page 1

elections be conducted impartially and uniformly, and without interference from those who would seek to manipulate the process for personal gain.

The referendum is a result of 2021 Resolution 87, which the Washington County Board passed unanimously on March 9. The formal signing took place on March 21.

According to County Board President Don Kriefall, who initiated the resolution for the county, "Elections must be secure, transparent and administered uniformly with proper safeguards that will ensure that the public faith in our election system remains strong. We cannot conduct our elections in a manner that has our citizens questioning their validity. By adopting uniformity in election laws, elections will defend, preserve and uphold the sanctity of our most sacred right as citizens."

locations.

Improvements will include, but not be limited to, advanced manufacturing facilities at the Fond du Lac and West Bend campuses, a health and human services facility at the Fond du Lac Campus, and a regional fire training facility. Updates would target career areas of robotics/automation, public safety, manufacturing, technology and health care.

If approved, the projected tax impact of the \$55 million facilities enhancement plan is estimated to be \$21 per year per \$100,000 of property value for the next 20 years. That means that for a house valued at \$300,000, taxes will increase by approximately \$63 per year for the next 20 years for residents living in the Moraine Park District.

The Moraine Park District includes Green Lake, Fond du Lac, Dodge and Washington counties, as well as portions of Waushara, Marquette, Winnebago, Columbia, Calumet and Sheboygan counties. Moraine Park Technical College has campuses in Fond du Lac, West Bend and Beaver Dam and serves approximately 12,000 students.

The college strives to provide innovative learning experiences to provide lifelong learning for residents, according to Carrie Kasubaski, vice president of finance and administration for Moraine Park Technical College.

"Making sure that we are being responsive to our district and our employer needs is really important to us," Kasubaski told the Kewaskum Village Board during a presentation she made with Pete Rettler, dean of the West Bend Campus, on Oct. 17.

The county could increase the levy without going to referendum because the amount is under levy limit provisions. However, Schoemann said that he and the county board wants community members to decide whether they want the increase.

"We have been frugal and cautious with taxpayer money, living within our means, because it's not the county's money, it's your money. That's why you have the choice to fund this proactive plan of protection," Schoemann said.

Schoemann and Schulteis have been giving presentations about the referendum at municipalities throughout the county. They also held five town hall meetings at locations throughout the county to provide details about the Washington County Anti-Crime Plan.

According to plan documents, as the population has grown nearly 50 percent since the 1980s, the Sheriff's Office patrol staffing minimums have been steady.

The Anti-Crime Plan calls for a daily presence of a deputy in schools under county jurisdiction. Staffing would be increased in the following departments: patrol, crisis team, detective bureau, jail operations, communications center, emergency management, and administration and records.

As part of the resolution, the following question was added to the Nov. 8 ballot as an advisory referendum: "Should the Wisconsin Legislature prepare and place on the statewide ballot a Constitutional Amendment requiring that election administration, access to ballots, and counting of ballots be nearly uniform as practicable?"

"This is not a partisan issue," said County Executive Josh Schoemann. "In Wisconsin, we have a constitutional guarantee to taxation uniformity. Washington County is leading by example and by adopting Resolution 87, giving the people the opportunity to tell their elected officials if they believe in constitutional election uniformity."

Waukesha County also will have the same referendum regarding uniformity of elections on its Nov. 8 ballot.

Through the referendum, the college is striving to keep up with facility and technology demands. Within the next 10 years, the district is expected to have approximately 14,000 job openings in advanced manufacturing and 10,000 job openings in health care, according to Kasubaski.

Statutorily, the technical college does not need to go to referendum if it expands its campuses every two years without going over \$1.5 million.

The referendum includes:

- Enhancement of Moraine Park's manufacturing and trades wing on the Fond du Lac Campus to create classrooms and specialized labs to address local workforce shortages and provide enhanced spaces for instruction in software training, programming, product design, manufacturing and robotics. ESTIMATED COST: \$13.7 million.

- Expansion of Moraine Park's West Bend Campus facilities will add a Manufacturing, Automation and Robotics Lab to support advanced manufacturing, welding, metal fabrication and robotics for apprenticeship degree programs and job training. ESTIMATED COST: \$18.5 million.

- Purchase of land and construction of a new fire training facility in the Moraine Park District to help meet the current demand for firefighters and paramedics at the 50 fire departments in the region. ESTIMATED COST: \$9.3 million.

- Enhancement of Moraine Park's Health and Human Services wing on the Fond du Lac campus to add simulation spaces that model real-world clinics and labs, and update labs and classrooms for radiography, surgical technology and respiratory therapy programs. ESTIMATED COST: \$13.3 million.

Two Campbellsport styling salons have made some changes in recent weeks. Reflections Salon has moved and the Charles Hair Salon sign has been replaced by the Mirror, Mirror Salon sign. When Tracy Retzlaff, who worked out of Reflections, saw as she was driving around on Memorial Day that Charles and Rosie Carlson were selling their house, she and her husband stopped to talk to the couple. Within an hour, the four had a deal for Tracy and her husband to buy the house and use the salon on the first floor. Charles and Rosie would buy the condo unit that Tracy and her husband were living in at the time.

In the last week, one person was sentenced and two pleaded guilty for their parts in a Campbellsport-Kewaskum area drug ring. Rachel Kreif, 25 of Kewaskum, was sentenced to three years and six months in prison and five years of extended supervision. Andrew Simons, 33 of Campbellsport, and Katlyn Spagn, 23 of Kewaskum, each pleaded guilty on October 18 to a charge of possession of heroin with intent to sell in an amount less than three grams. Each faced several charges.

The Eden Chapter of Wings Over Wisconsin Inc. continues to be a major 4-H sponsor, which it's been for the past two decades. During the 4-H Achievement program on October 16, Ray Maurer, representing the Eden Chapter of Wings Over Wisconsin, presented a \$1,000 check to the Fond du Lac County 4-H.

Members of the Campbellsport 4-H Club who attended the Fond du Lac County 4-H Achievement Night held October 16 included McKinley Krueger, Paige Jordan, Caitlin Oelke, McKenzie Oelke, Andrea Yahr, Aaron Olson, Rebecca Volz, and Morgan Yahr.

The Campbellsport Board of Education approved the tax levy for the 2017-18 school year during the October 23 meeting. A levy of \$9,726,935 was approved, a 3.48 percent increase from last year. This gives taxpayers a mill rate of \$10.85, which is a two cent decrease from last year.

Governor Scott Walker announced that local governments received quarterly payments totaling \$108,187,044 for General Transportation Aids, Connecting Highway Aids and Expressway Policing Aids from the Wisconsin Department of Transportation. Local municipalities received the following: Fond du Lac County, \$514,808; Town of Ashford, \$34,269; Town of Auburn, \$24,558; Town of Byron, \$24,035; Town of Eden, \$21,563; Town of Empire, \$27,426; Town of Forest, \$27,140; Town of Osceola, \$23,512; Village of Campbellsport, \$23,028; Village of Eden, \$3,166; Village of Mount Calvary, \$2,092; and Village of St. Cloud, \$1,894.

The Campbellsport High School Drama Club will be performing Pointless as its one-act competition play. The show will be held October 28. The play was written by two current CHS students - Savannah Cousert and Luis Mendoza.

Alyssa Dreher and Amanda Goeman have been announced as Academic All-State honorees for the 2017 Golf Coaches Association of Wisconsin. The two are students at CHS.

The 2017 cross country season ended at Sectionals for Campbellsport High School runners. Calla Loehr was the first CHS girls finisher, placing 22nd with a time of 21:53. Ike Grahl crossed the finish line in 19:21, giving the first finisher on the boys side 58th place.

Ruthann D. Grohall, 53, Town of Osceola, passed away October 18. Bo Candee, 67, Fond du Lac, passed away October 16.

For the second time, Village of Eden residents addressed the board about postal delivery con-

cerns. The meeting was held October 18. About 40 residents attended the meeting. They are upset with an increase in the rate for post office boxes and asked if the board could change its policy on mail boxes or consider installing cluster boxes. The village ordinance of not allowing curb-side mailboxes is because there wouldn't be room to pile snow if the boxes were allowed. Residents understood the reason. It would cost approximately \$100, maybe more, per residence to purchase and install a cluster box; and the residents would have to pay for the installation. Although many in attendance said they would not mind paying the one-time fee for installation, Village President Bob Goebel suggested a committee be formed by residents to look into the idea and find out how many people in the village favor that idea. Some questions will need to be answered by the post office.

The Fond du Lac County 4-H Dairy Cattle Judging Team finished fourth at the National 4-H Dairy Judging Contest held September 17 at Harrisburg, PA. Team members included Kyle Zimdars, Brandon Ferry, Ryan O'Leary, and Paige Vossekuil. Zimdars placed fifth as an individual.

Artwork created by students in the Campbellsport School District are on display at Agnesian HealthCare's Campbellsport Clinic on East Sheboygan Street. Artists include Marina Andrade, Trisha Oestreich, Jessica Dallmann, Taylor Pelot, and Katherine Schrank.

Gary Grahl, an author and school counselor who is formerly of Eden, gave a presentation on his first book titled *Skinny Boy: A Young Man's Battle And Triumph Over Anorexia*.

Campbellsport's newest eatery celebrated its grand opening weekend with a ribbon-cutting on October 26. In the picture were employees of Bean Street Cafe as well as members of the Campbellsport Area Chamber of Commerce.

Steve Rose was going to Los Angeles on business October 12 and 13, and invited his father and uncle to travel with him. They visited the set of *Wheel of Fortune*

Kewaskum's Willie Goeden is among 20 former racers who are being inducted into the newly-formed Southeastern Wisconsin Short Track Hall of Fame on November 3.

There were many photos in this week's paper that were taken during trick-or-treating or the Halloween Caper.

A daughter, Madeline Rose, was born October 17 to Mike and Mary Abler of Mt. Calvary. A daughter, Hailey Elizabeth, was born September 23 to Jason and Dawn Wolf of St. Cloud.

Lucille T. Knauer, 91, Fond du Lac, passed away October 22. Sister Leora Lammers, 87, Campbellsport, passed away October 21. Sister Emilita Michael, 77, Campbellsport, passed away October 23. Sister Kathleen Swain, 78 Campbellsport, passed away October 24.

Ed Costello from the Village of Eden reported to the village board that the phosphorus removal system is up and running. Water is being run through to test all the connections and overall operation of the system.

SRI has evaluated the roofs of the Campbellsport School District schools and let administrator Joe Bertone know what needs to be done. Bertone asked for approval from the board for a summer 1998 reroofing project that would cost \$192,960. But that was as far as it went as the recommendation was defeated. A number of reasons were mentioned.

The Bishop Salvator Schlaefter Council 11301 of the Knights of Columbus of Campbellsport is a Colombian Award winner for the 1996-97 fraternal year. The award is presented for excellence in

the sponsorship of programs that serve families, church, youth and community, as well as council members.

A break-in occurred over the weekend at Eden Elementary School, with \$100 taken from the school office and \$10 from a classroom.

Davy Dins successfully defended his title of Junior Dragster Champion. He won the title three consecutive years - 1995, 1996, and 1997.

Running inspired races for the second week in a row, the Campbellsport High School Boys Cross Country Team established 11 personal records and tied Mayville for second place in the final Flyway Conference Meet of the season last Thursday. For the first time, Jesse Muench broke the 18:00 barrier, finishing sixth in 17:59. He won first team honors. Earning second team honors were Mike Meilahn, Nick Martiny, and Scott Rademann.

The Campbellsport Girls Cross Country Team is Flyway Conference co-champions. Four Cougars placed in the top 10: Kim Walloch, who earned her second individual conference championship, Kelly Kleine and Chris Berner. Each of the three earned first team honors, with Kleine finishing fourth and Berner eighth. Second team honors went to Shannon Kleine, who placed ninth.

North Fond du Lac stunned the Cougars 29-7. Campbellsport still has a chance at earning a play-off berth if the football team can win the game with Markesan.

A daughter, Emily May, was born October 9 to Nancy and Tom Loehr of Mt. Calvary. A daughter, Jennifer Lee, was born October 10 to Kathryn and James Zimdahl of Campbellsport.

Sister Adre Schouten, 86, Campbellsport, passed away October 15.

Army veterans of World War II in the Campbellsport area who are eligible for Victory and American Defense Medals can now obtain them at the Army and Air Force Recruiting Sub-Station, Post Office Bldg, Fond du Lac. All former GIs who served in the Armed Forces between December 7, 1941, and December 31, 1946, have earned the right to wear the Victory Medal. The American Defense Medal is awarded to veterans who saw honorable service between September 8, 1939, and December 7, 1941, under orders to active duty for a period of 12 months or longer.

A closer check of inventories following the disastrous thievery raid on the village last Thursday in which three known business places were forcibly entered, revealed the loss was doubled the first estimate of 1,300. Places looted were Lueders Jewelry, C.J. Kleinhans Implement Store, and the Buechel Implement Company. Investigation into the robberies was made by Undersheriff Sook and assistants, who took fingerprints. Sheriff Hardgroves believes there is some connection between the Campbellsport burglaries and a recent wave in several counties in the central and east central section of Wisconsin.

An unidentified person took a shot at Train No. 121 Monday. It was just pulling out of Campbellsport when the incident occurred. No damage was done to the engine, and the engineer was uninjured.

The local fire department was called out Wednesday to assist the Eden Fire Department in a barn blaze at the Mrs. Anna Robson farm, located east of Eden. The fire destroyed nine head of cattle, several tons of grain, and some machinery that were housed in the barn.

Jacob Raether, 50, Town of Auburn, passed away October 27.

Matthew Krautkramer will portray Frank Abagnale, Jr., a master of disguises in *Catch Me If You Can*. The high school junior and his Kewaskum High School castmates will be on stage November 10 and 11.

Fire destroyed one home and damaged another on Moraine Court in Kewaskum on October 25. Jennifer Wuensch thought someone had left the light on in the detached garage, but when she opened the door, smoke escaped. She looked through a window and saw flames. Jennifer called for help, but the fire spread quickly. Fortunately, she was able to safely get her two grandchildren and pet dog out of the house. No one was injured. Five fire departments responded. The Wuensch home is a complete loss, and the neighboring home is still liveable although the exterior was damaged.

A 37-year-old West Bend man who was walking on County Highway D in the Town of Wayne was struck and killed by a 53-year-old Town of Trenton man. The driver was taken into custody for OWI and homicide by intoxicated use of a motor vehicle.

Members of the Kettle Moraine Detachment 1203 of Marine Corp. League raised \$1,338 for Kewaskum's 9/11 memorial.

Last year, the Kewaskum Key Club decided to help raise money for the Stars and Stripes Honor Flight, and raised \$985. The club is again selling the paper airplanes for \$1 to raise funds this year.

A congratulatory page for the varsity football team was published this week. The team was East Central Conference Champions for the second consecutive year and it was the 20th conference title in school history. This was the 13th consecutive year in the playoffs for the Indians. The 2017 team was the 11th team in school history with 10 or more wins. The team included Matthew Buss, Jack Paul, Reagan Dricken, J.J. Thull, Dylan Romaine, Eli Bartelt, Dawson Bastian, Josh Dreher, Patrick Krier, Coach Chris Neesemann, Coach Josh O'Brien-Flasch, Coach Jason Piittmann, Coach Bobby Bannasch, Coach Bryon Vandlen, Logan Goetti, Tyler Degnitz, Brice Matthies, Lucas Christenson, Dan Kreis, Shawn O'Keefe, Jaymion Martinson, Dawson Fox, Jared Rex, Faton Elmazi, Tony Steger, Cole Suprenant, Cade Peterson, Evan DeValk, Will Walters, Jerod Otto, Gabe Christenson, Hunter Grady, Jon Leister, Riley Donovan, Colten Miller, and Thomas Klemme. The Indians lost to Green Bay Notre Dame 12-7 to end Kewaskum's football season with a 10-1 record.

Ashley Trapp from the Kewaskum High School golf team is an Academic All-State honoree for the recently concluded 2017 girls' golf season, receiving a designation of high honors.

For the second consecutive year, Amanda Krolski earned a third-team honor for the All-Eastern Wisconsin Conference tennis team. Also earning third-team status was the double duo of Sydney Donath and Kallie Hoefl.

Placing 37th out of 152 runners at the Division 2 State Cross Country Meet held October 28 was Justin Reck with a time of 17:13.62. Andrew Carolton placed 67th in 17:41.35. Placing 125th in the girls race was Alyssa Butz. The Kewaskum runner had a time of 21:68.23.

Roger J. Jacobs, 84, formerly of Kewaskum, passed away October 29.

In a Level 2 Division 3 playoff game played at Jefferson, the Indians won 42-13. Kewaskum will host Madison Edgewood. The game will be played at 2 p.m. so it won't interfere with those who

plan to go to the annual musical. Coach Jason Piittmann had a play of the game. Defensive end Michael Bunkelman hit the Edgewood quarterback who had dropped back to pass. The ball was fumbled and Jonathon Komp scooped it up and ran 30 yards to the 20-yard line of the Eagles.

Although no formal presentation will be made, project staff will be available to answer questions and record comments during a public information meeting regarding plans for improvements slated for 2011 on State Highway 28.

Students from the fifth grade classrooms of Mrs. Hubbard and Mrs. Schultz at Kewaskum Elementary School visited Riveredge Nature Center on October 5 to learn about pollination.

During National School Bus Safety Week, which was October 21-27, Johnson School Bus congratulated its school bus drivers who have achieved a year of safe driving. Seven Kewaskum drivers are in the Safe Driver Hall of Fame. They include John Schmidt, 31 years; Irene Gnacinski, 22 years; Howard Fischer, 15 years; Norbie Gau, Dawn Reksten, and Chesty Pesch, 12 years each; and Betty Koehler, 11 years.

The Kewaskum Area Chamber of Commerce recently donated \$2,500 toward the cost of the new Kewaskum Theater. The Kewaskum Chamber donated a portion of the proceeds from this year's golf outing held July 21.

In a Wisconsin Intercollegiate Athletic Conference football game last Saturday, Dave Wicklund and the rest of the UW-Eau Claire team defeated Corey Darmody and his UW-Platteville team. The two are former players for the Kewaskum Indians.

Jill Wittmann and her UW-Stevens Point volleyball teammates had quite a weekend, going 4-0 last Friday and Saturday to win the annual Stevens Point Invitational. Wittmann played high school volleyball at Kewaskum High School.

Kewaskum's soccer team made history in the opening match of the WIAA Division 2 Regional Tournament. Number 5 seed Kewaskum had never won a Regional Tournament match nor defeated Kiel. A 1-0 victory changed that as Daniel Parker slammed home an assist from Nate Wendelborn. Unfortunately, the season came to an end on Saturday when Grafton beat the Indians 4-0.

Tyler McElhatton was the first Indian to finish the conference cross country meet, placing 17th with a time of 18:41. Other finishers were Aaron Monte, 27th, 19:18; Tim Hall, 39th, 20:13; Dan Justman, 48th, 20:58; and Matt Butzke, 50th, 21:00. Tonya Janssen was the first Lady Indian to finish the race, placing 32nd in 18:04. Other finishers were Vanessa Schellinger, 38th, in 18:34; Krystal Brackman, 41st, 18:53; Kassie Legate, 58th, 20:10; and Kelsey Koller, 62nd, 20:58.

Dwayne Ashauer, 13, Greenville, passed away October 26. Sylvia K. Heinecke, 95, Allenton, passed away October 28. Hildegard M. Minninger, 93, Jackson, passed away October 22. Sister Kathleen Swain, 77, Campbellsport, passed away October 24. Sister Emelita Michael, 77, passed away October 23.

Village board members heard information regarding the preliminary budget for 1998 for the library board. According to trustee John Kenworthy, who is the representative to the library board, the big thing is that the board wants director Shellie Anderson to become full time. This would allow the library to be open on Tuesdays. Anderson told the board that the library would open later in the day because there isn't much traffic during that time. The total expenditure proposal is \$107,300. The 1997 budget

was \$100,500. No action will be taken until the public hearing but before that, the board will decide on any adjustments to the library budget.

Three people have been inducted into the 1997 Safety Is No Accident Driver Hall of Fame at Johnson Bus. The new program recognizes the drivers who have been accident-free for at least 10 years. The Kewaskum drivers are John Schmidt (20 years), Joe Sekeres (15 years), and Irene Gnacinski (11 years). Several others have been accident-free for at least five years.

Kewaskum Area Chamber of Commerce ambassadors recently welcomed the new owners of Amoco of Kewaskum, Myron and Becky Strobel, to the community.

Kevin Pamperin and Amy Liepert have been named Kiwanis Students of the Month for October.

With a personal best time of 16:05, Carol Neumann finished third overall at the WIAA Sectional Cross Country meet held at Ripon. This qualifies her to run in the State Meet.

Shirlee Gaffke, 70, formerly of Kewaskum, passed away October 21. Adeline C. Tomascek, 87, formerly of Batavia, passed away October 25. Helen A. Seefeld, 87, formerly of Campbellsport, passed away October 25. Josephine A. Allen, 82, Campbellsport, passed away October 22. Marie K. Zingsheim, 88, West Bend, passed away October 25. Henry W. Since February 1966, Des Smith of Kewaskum has had 24 operations (including amputations of both legs above the knees) or surgical procedures, plus eight other non-surgical hospital stays. A letter from a committee asking people to donate funds to "Hospital Fund for Des" was published in this week's paper. Committee members would like to lessen the financial burden of medical expenses to help Des and his wife, Valeria.

Lester P. Strobel of Kewaskum is the new Standard Oil agent for the village. He is succeeding Norman Jaeger, who served as agent during the past 38 years. Jaeger is retiring November 1.

Excitement and tension is mounting as production night approaches for Kewaskum High School's presentation of Rodgers and Hammerstein's *The King and I*. The show will be presented November 10 and 11.

Kewaskum was the victor in all statistics, but the Indians lost the football game to Mayville 15-12.

Minnie Grace Prescott, 81, Kewaskum, passed away October 22.

# Check It Out!

**LORI KREIS**  
KEWASKUM LIBRARIAN

Nannies, assassins and romance in adult fiction. Friends, first ladies and classical cooking in adult non-fiction. Minecraft, Pokémon and Bad Kitty in children's literature. All coming to you this November in new releases at the library.

Starting with the kid's items, Minecraft has a huge following at the library and those fans will not be disappointed with a couple of new books coming out. *Minecraft Epic Inventions* contains a dozen new builds such as an ancient temple and an intergalactic space station. It seems early, but *Bad Kitty Does Not Like Valentine's Day* by Nick Bruel explains why Bad Kitty is not happy with this holiday. *Minecraft: Mob Squad: Don't Fear the Creeper* by Delilah Dawson is an official Minecraft novel featuring the Mob Squad outwitting a mysterious new enemy. For Pokémon followers, look for a new visual companion and a graphic novel. Some other forthcoming graphic novels for youth include *The Tryout* and *Cat Kid Comic Club #4*. For teen readers, Rainbow Rowell will come out with her first short story collection, *Scattered Showers. Five Survive* by Holly Jackson is a spine-tingling thriller and author Kiera Cass releases a stand-alone novel, *A Thousand Heartbeats*.

Read about the Lindbergh kidnapping through the eyes of the Nanny in *The Lindbergh Nanny* by Mariah Fredericks. In *A Wish for Winter*, Viola Shipman takes the reader on a journey with Susan and her friends in a search for a mysterious Santa. The third in Philippa Gregory's Fairmile series is *Dawnlands*. Alinor and her family get caught in palace intrigue in 17th-century England. *Small Game* is a gripping novel about a survival reality show gone wrong written by Blair Braverman. Debut novelist, Onyi Nwabineli brings us *Someday, Maybe*. This is an amusing novel about a young woman's emotional journey through an unimaginable loss. Look for the latest Stephanie Plum adventure in *Going Rogue: Rise and Shine Twenty-Nine* by Janet Evanovich. Also, on the shelves will be new releases by Danielle Steel, James Patterson, Jeffrey Deaver and Colleen Hoover.

Actor Matthew Perry brings us his autobiography, *Friends, Lovers, and the Big Terrible Thing: A Memoir*. In this tell-all, Perry takes us behind the scenes of his hit sitcom and his addiction struggles. *The Light We Carry: Overcoming in Uncertain Terms* is Michelle Obama's follow-up to *Becoming*. She shares her wisdoms and strategies in keeping it all together in today's ever-changing world. Best-selling author, Lysa TerKeurst's latest release is *Good Boundaries and Goodbyes*. In this, she helps readers stop the unhealthy relationships by showing them biblical ways to set boundaries without losing who they are.

Place your holds now for these and other new releases coming to you in November.

# Library Happenings

## Activities at the Campbellsport Public Library

220 North Helena St.  
P.O. Box 405  
[www.campbellsportlibrary.org](http://www.campbellsportlibrary.org)  
920-533-8534

Greetings from the Campbellsport Library! The library is excited to announce that we will be hosting our first ever BOOOOOKTACULAR HALLOWEEN Event! Join us on Friday, Oct. 28, from 10 a.m. until 6 p.m. for a day of Halloween fun!

The day will kick off at 10 a.m., as we host Magician Glen Gerard. He will perform a fun Halloween magic show that is sure to delight everyone. Beginning at 11:30 a.m., we will have two face painters here as well as Jean the Balloon Lady. The balloon artist is provided by the Campbellsport Chamber of Commerce. All patrons 18 and younger who wear a costume to the library will be entered into a drawing to win a prize, prizes sponsored by Piggly Wiggly.

The day will also feature crafts, story time, and a selfie booth sponsored by SLS photography. Cookie treats will be available at the library on a first come first serve basis, one per customer and will be provided by Blue Door Coffee Company.

We are also excited to announce that we will be serving food in the basement from 11 a.m. to 3 p.m. Stop in the basement for a hotdog, or walking taco, or grab a cup of cider or hot chocolate.

Check out the Campbellsport library Facebook event page for a full list of activities and times.

### Tinker Tuesdays

Join us for Tinker Tuesdays at the Campbellsport Library! From 3:45-5:45 p.m. children and young adults can stop in to build with LEGOs®, Zoob and straw builders and other manipulatives!

### Fused Bead Necklace Class

On Tuesday, Nov. 8, the library will be hosting a class led by Expressions Jewelry of West Bend. This class is open to adults ages 18 and older, with and costs TBD. Patrons who sign up will create a fused bead necklace. The class has limited space and is open to the first 20 individuals who sign up. To sign up for this class you may contact the library by phone at 920-533-8534, message us on Facebook or stop in at the library. To see a sample of what the piece might look like, check out the library Facebook page.

### Monthly Board Game Night

The library is excited to announce the start of a monthly board game night at the library. The first meeting of this group will be on Wednesday, Nov. 16, from 5:30-7:30 p.m. in the library basement. People who are interested in being a part of this group are invited to join us for this informal meeting to discuss which games may be played, times that work best for the group and dates for future events. This game night will be sponsored by the library and headed up by Sharon McCarty. Currently, game night is open to able-bodied players ages 18 and up. Those who are interested in joining the group can sign

up at the front desk of the library, call or send us a message on Facebook.

### Story Time at the Library

Children ages 3-6 are invited to join Ms. Azra at the library for story hour every Wednesday from 10:30-11:30 a.m. Children will enjoy reading stories, making crafts, and participating in other themed week activities. Story hour offers the opportunity for young children to socialize with others and also encourages growth in language development, motor skills, and helps to promote a love of learning. Children and families are welcome to stay after story hour to play and explore at the library.

The themes for the first month of story hour are as follows:

- Nov. 2 – Fall Animals
- Nov 9 – Leaves
- Nov. 16 – Sharing
- Nov. 23 – Saying Thank You
- Nov. 30 – Fall Animals (Part 2)

## An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest

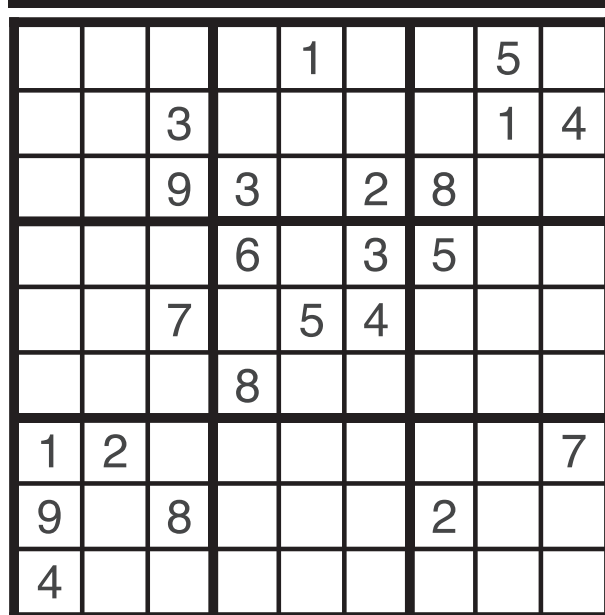

Information about the Northern Kettle Moraine State Forest or the upcoming naturalist programs is available by contacting the forest staff at the Ice Age Visitor Center at 920-533-8322. Most of the events are free

except some locations require a Wisconsin State Park System vehicle admission sticker. The events are held within the Kettle Moraine State Forest — Northern Unit at the specific locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.

**Creatures of the Night Exploring Nature Program**

Saturday, Oct. 29, 10-11:30 a.m. at the Ice Age Visitor Center (N2875 Hwy 67, Campbellsport — half mile west of Dundee). Whoo's awake during the hours of darkness? Join us as we delve into the world of nocturnal animals. This program is best for families/groups with children between the ages of 6 and 12 years.

# D.M.V. Offers New Practice Test Tool

Wisconsin Department of Transportation Division of Motor Vehicles (DMV) launches a new tool to help novice drivers prepare to get their driver license. The online Knowledge and Road Signs Practice Test helps users better understand what's being tested, become familiar with the various question types, and understand how DMV scores the results.

"Having safe drivers on our roads is our goal. Giving novice drivers another tool to help them understand their roles and responsibilities can only help in improving highway safety," Kristina Boardman, DMV administrator said. "Having confidence that they know the rules of the road and, equally important, reviewing what they don't know will improve their skills before they get behind the wheel."

The questions are similar in format and structure to the actual Knowledge and Road Signs test administered at select Wisconsin DMVs. After

users answer 20 questions, the correct answers will be provided and their overall score available. Some questions have images from the Wisconsin Motorists' Handbook and reference the page covering the topic.

Three, free knowledge test versions, geared to the specific driver test, are available:

- Regular drivers can find their practice test at [wisconsin.dmv.gov/teendriver](http://wisconsin.dmv.gov/teendriver) on Step 2: Pass the Knowledge and Signs test.

- CDL drivers can access their practice test, along with other requirements to become a professional driver, at [wisconsin.dmv.gov/trucking](http://wisconsin.dmv.gov/trucking).

- Individuals working with a Wisconsin driving school to become an instructor also have their own version of the practice test.

The previous version of the practice test, available on mobile app stores, will be decommissioned now that the online option is available.

Micah Peck also had some nice runs for the Indians offense.

The team had lots of contributors on defense with Henry Ogi and Malahki Schneider recording quarterback sacks.

Other contributors for the defense with nice tackles were Charlie Ogi, Cooper Norville, August Vorwerk and Wichtoski.

The Kewaskum Gridiron Club would like to thank all the sponsors for the 2022 season, and offer a "thank you" to the Kewaskum School District and their facilities staff for the use of the game and practice facilities and a final "thank you" to Athletic Trainer Emily Anderson who does a great job taking care of our kids and getting them safely back on field after an injury happens.

**KHS SOCCER** from page 23

Riley Kuehl stopped any of the offensive shots, corners and crosses to preserve the clean sheet and earn a well-deserved 2-0 victory.

This game was a major milestone for the Kewaskum young men's soccer program.

It wasn't the first playoff game the Indians have hosted, but it is the first home playoff game the Indians won. It also carried only the second opportunity to play in the regional finals for the program.

The victory earned the Indians a trip to the regional title game at Plymouth on Saturday, Oct. 22.

**October 22**

Well, folks, it is with a heavy heart that I inform you that the Kewaskum High School (KHS) men's soccer team has played its final game of the season.

Though they played valiantly through the final whistle, the Indians proved to be no match for their regional finals foes, the Plymouth Panthers.

Another 9-0 loss drubbing from a bigger, stronger, faster and better-coached team proved to be the end of the Indians impressive season.

Kewaskum started off better than they did a month earlier when they played Plymouth in the regular season.

Plymouth did pressure Kewaskum's defensive line relentlessly but the back four of Austin Loehr, Noah Nanz, James Maas and Jayson Maas held up to the challenge for the first part of the half. Some shots got through only to go off target or to get reined in by sophomore goalkeeper Riley Kuehl.

The Panther attacks that were turned away by Kewaskum's defense were sent ahead to the supporting duo of captains Carter Curtin and Hayden Johnson who – when having the time – were able to build a counter attack through the outside play of wings Charlie Gambino and Dylan Strankowski, or up through the middle to Eli Stienbauer and

Denali Fellenz.

Plymouth's huge defensive back line was just too dominating for the Indians to infiltrate and put any real pressure on the goalie.

Plymouth finally broke through with a one-on-one opportunity and was able to break the 0-0 tie around minute-17 of the game and never looked back. Putting two more goals in before halftime had Kewaskum down 3-0 but holding out hope of a comeback.

With some alignment and personnel changes, Kewaskum came out of halftime with some fire, creating some offensive pressure of their own and getting a couple of pressures deep into Plymouth's defensive area.

That ended up being unsustainable as Plymouth was able to hold off the initial second half push from Kewaskum and added two more early second half goals, which ended the fight in Kewaskum's efforts.

Four more goals were scored by the Panthers.

It was an unfitting way to send off a senior class that proved to be one of the most successful in Kewaskum history.

Captains Denali Fellenz, Carter Curtin, James Maas and Dylan Strankowski, along with returning senior Noah Nanz (who took a hiatus his junior year after suffering an injury his sophomore season), proved to be the solid leadership the team needed to carry them to a great season that saw a lot of accomplishments.

The senior boys helped Kewaskum beat Ripon for the first time, they won the Berlin Invitational Tournament and helped secure one of the programs highest playoff seedings for a home playoff game. They also took part in winning the first ever home playoff game, advancing to only the second regional final in program history and capturing one of four winning seasons in the last dozen years.

Thank you seniors for a great season, a great career, a great legacy and all the entertainment!

Even with the loss of the senior class, the future still looks very bright.

A big junior class has returning captain Hayden Johnson, along with starters Austin Loehr, Hudson Curtin and Jayson Maas, and a host of other contributors. There are many young talents on the team as well including: Charlie Gambino, Eli Steinbauer, Luciano Olla and other freshman and sophomores ready to step into bigger roles to carry this seasons success into next year and beyond.

It's exciting to watch this program and sport grow in Kewaskum and build on the successes of past players and coaches.

The program is fortunate to have a community, a fan base and a school that supports and encourages these young men, this team and the new levels of accomplishments.

Well done, Kewaskum!

*Congratulations to the 2022 KHS men's soccer team on a tremendous season!*

## Cougars Moving-on-up to Level 2

*The Campbellsport football team defeated Sheboygan Falls, 61-28, in round one of the Wisconsin Interscholastic Athletic Association (WIAA) Division 4 tournament*

**CLARICE CASE**  
JOURNALIST

Thanks to the efforts of Mitchell McCarty, Ben Timm and Cole Kaehne in a high-scoring, 34-point second quarter, the number-four Campbellsport Cougars defeated the five-seeded Sheboygan Falls Falcons, 61-28, in a WIAA Level 1 playoff game in Campbellsport on Friday, Oct. 21.

It was late in the first quarter when Timm ran for a 12-yard touchdown to get things started.

With 21 seconds left in the first quarter, the Falcons were able to sneak in a responding touchdown to tie the game 7-7.

Initially a close match up, it seemed the two teams would keep up with each other as the second quarter started.

McCarty passed to Kaehne for a nine-yard score with 10:39 to go in the first half to regain the lead, but the Falcons evened it up again to 14-14 with a two-yard touchdown run about two minutes later.

After this, the Falcons' defense seemingly broke down, and the Cougars broke away.

McCarty connected with Kaehne, this time, for a 59-yard touchdown. Luke Pendowski had his third of what would be seven successful extra-point attempts in the game to take a 7-point lead.

Although the Cougar offense may have stole the show in the second quarter, the defense had their moments, too.

The Falcons' offensive line was doing their job well all night long, but Jack Dreikosen was able to breach the line and sack the quarterback in the middle of the second quarter.

With 4:51 left in the first half, Timm punched in another score, this one a 45-yard run.

On the Falcons' next possession, they turned it over on downs allowing McCarty to pass to Kaehne for a 44-yard touchdown just seconds later.

With just over one minute and a half to go, the Falcons were stopped again by the Cougars' defense when Mason Willacker hauled in an interception.

McCarty closed out the first half with an eight-yard run for six and Pendowski was good with the PAT (point-after-touchdown), which made it a 41-14 game at halftime.

After getting beat down in the first half, Sheboygan Falls came back out ready to change the game.

Cole Kaehne runs it for Cambellsport. He had three touchdowns in the WIAA Level 1 playoff game against Sheboygan Falls last week.

They scored with 8:20 left in the third quarter, minimizing the Cougars' led to 20-points.

On the kickoff, the Cougars never managed to get possession of a bouncing football, and the Falcons could recovered it. Fortunately for the Cougars, the Falcons possession was thwarted by the Campbellsport defense.

With just under five minutes to go in the third quarter, Timm, despite getting tripped up by the Falcons' defense around midfield, stayed on his feet to reach the end zone in an exciting 96-yard touchdown, which sent the Cougar's sidelines roaring.

The Falcons scored less than one minute later, but, before the end of the quarter, Sam Koth responded with a short two-yard score.

At this point, the Cougars had nothing to be worried about with the score 54-28.

Timm had just enough left in the tank for a modest five-yard touchdown before the end of the game.

"Friday night, I thought we played fairly well," said Head Coach Todd Wondra. "Offensively we were able to move the ball both on the ground and through the air."

As the coach, Wondra still sees room for improvement, though.

"We haven't put together a complete game in all three phases this season," Wondra noted.

One thing the team will work on this week is pass defense communication in an effort to resolve some of the problems.

"The things we will stress all week again are to play to the whistle on both sides of the ball and to worry about doing your job," Wondra added. "We tell them to do your individual job and everything else falls into place. We struggle when we have breakdowns in assignments and some-

The Campbellsport cross country team competed in the Portage Sectional last Saturday, Oct. 22.

The meet was held at Wyona Park in Wyocena. Unusually warm temperatures affected runners from several teams, including CHS.

In the boys' race, Winneconne won with 54 points and Kettle Moraine Lutheran too second with 81 points. Both qualified for the Wisconsin Interscholastic Athletic Association (WIAA) 2022 State Boys Cross Country Championships next Saturday in Wisconsin Rapids.

Port Washington had 91 points to finish third, followed by Campbellsport with 122, Grafton (140), Portage (154), Waupun (156), Omro (216), Lomira (258), Columbus (258), Berlin (277), Ripon (315), Kewaskum (316) and Wautoma (321). Mayville did not have a complete team.

For the Cougars, Brody Nolan had the best race of his career and qualified for the state championship as an individual. The sophomore runner finished in fourth place out of 96 runners with a career best time of 17:15. Nolan was the top runner of the five individuals that earned a trip to the state meet.

Aydan Meilahn also had his best race ever. Seeded 36th coming into the race, Meilahn started strong and maintained his pace throughout the race. The junior runner crossed the finish line in 14th place, with a career best 18:04.

Logan Nolan and Sawyer Dirmeier were affected by the warm temperatures.

Logan Nolan, who is usually the team's top runner, started strong, but was not able to maintain his pace throughout the race. He finished in a respectable 15th-place with a time of 18:09.

Sawyer started strong as well and was on pace for the best race of his career. The junior was in the top 12 for most of the race, but was forced to drop out after being overcome by the heat.

Trent Dieckman, Jon Thelen and Ahdryan Meilahn all finished in the upper half of the race. Dieckman took 41st with a 19:13. Thelen ran the 5,000 meters in 19:40 and finished 48th. Ahdryan Meilahn was 50th in 19:44.

In the girls' race, Port Washington (59 points) and Kewaskum (70 points) were the top two teams and earned a trip to the championship meet.

Kewaskum and Winneconne actually tied with 70 points, but Kewaskum was awarded second place based on the higher finish of the team's sixth runner.

Berlin was fourth with 128 points followed by Lomira (149), Grafton (164), Ripon (170), Wautoma (195), Waupun (274), Kettle Moraine Lutheran (282), Omro (286), Mayville (292), Campbellsport (327) and Columbus (352). Portage did not have a complete team.

In 13th place, Campbellsport finished two places higher than what they were seeded before the race.

Lydia Toshner was the top Cougar in 41st with a season best 22:47. Sienna Hewitt took 55th place with a time of 24:00. Emily Ohme was 72nd in a career best 25:13.

Izzy Sperfslage just missed a personal best. She finished 73rd in 25:19.

Hannah Thelen ran her final race. The senior runner started cross country in eighth grade and continued all through high school. Thelen just missed her season-best time taking 89th in 29:04.

Katrina Ohme ran a 30:11 and finished in 88th place.

Brody Nolan will be competing in the WIAA Division 2 race at the Ridges Golf Course in Wisconsin Rapids on Saturday, Oct. 29th.

The race will begin at 2:35 pm.

The boys had about one day to celebrate and rest before going back to work on Sunday in preparation for their game against Racine St. Catherine on Friday, Oct. 28.

"We will travel there knowing it's going to be a tough game," said Wondra. "St. Catherine's is a good team finishing second in their conference this season. They have plenty of team speed and play physically. We'll continue to prepare like we have all season and travel Friday night to Racine for a 7 p.m. kickoff."

The game begins at 7 p.m. on Friday, Oct. 28 in Racine.

## K.H.S. Soccer Wins First Playoff Game, Loses in Round Two

COACH CHUCK GROVER  
KHS SOCCER

October 20

Thursday, Oct. 20, had the number seven seed Kewaskum Indians hosting the number 10 seed Luxemburg-Casco Spartans at Doc Mitchell for the opening round of the high school playoffs.

It was a very entertaining game with a quick start for the Indians, which created a number of offensive chances. Constant pressure from Kewaskum had the Indians seemingly on their way to a runaway victory, but Luxemburg had different ideas.

Even though Kewaskum was continuous with its attack in the early stages, the Spartans did not let the ball breach the goal line.

We had the feeling that the Luxemburg-Casco goalkeeper was going to have a busy but super night.

Each shot that was pushed aside, which frustrated the Indians.

That was until senior captain Dylan Strankowski was able to redirect a deflection into the back of the net.

During the first half, Kewaskum was up 1-0 with a bunch of confidence.

That confidence struggled to stay high as Luxemburg continued to mount counterattacks

and stall out the Indians chances.

Goalkeeper Riley Kuehl wasn't tested frequently in the first half and the few shots fired off by Luxemburg went quite off target.

Their one big play was sending the ball long over the top of the backline and sending their speedy striker to chase it down.

The Kewaskum defense was up to the challenge and did not allow them to make the runs through

the line to get opportunities. The back line of Austin Loehr, Noah Nanz, Luciano Olla and Hudson Curtin kept their positioning and worked together to help keep the sheet clean for the first half.

The 1-0 score line at halftime wasn't nearly what the Indians hoped for, or maybe even deserved, but that's what it was.

The coaching staff had some work to do to make the slim lead stand in the second half.

During halftime, the coaches offered a few tactical alterations, one of which was to force a few shots from distance.

The new tactics were added to open the middle and allow the team to operate more freely. It was a clever idea because, just over five minutes into the half, freshman winger Charlie Gambino laced a left-footed zinger from 30-yards out that beat the keeper to the far side of the goal.

2-0 and the Indians were flying high.

Towards the end of the second half Luxemburg really poured on the attacking pressure. Some quality long ball crosses from the outside positions of the Indians helped relieve some pressures.

The leadership of Carter Curtin and Hayden Johnson in the defensive midfield positions held the team up to the task.

## ROUNDUP: Gridiron Football

KEWASKUM GRIDIRON

**Eighth Grade**

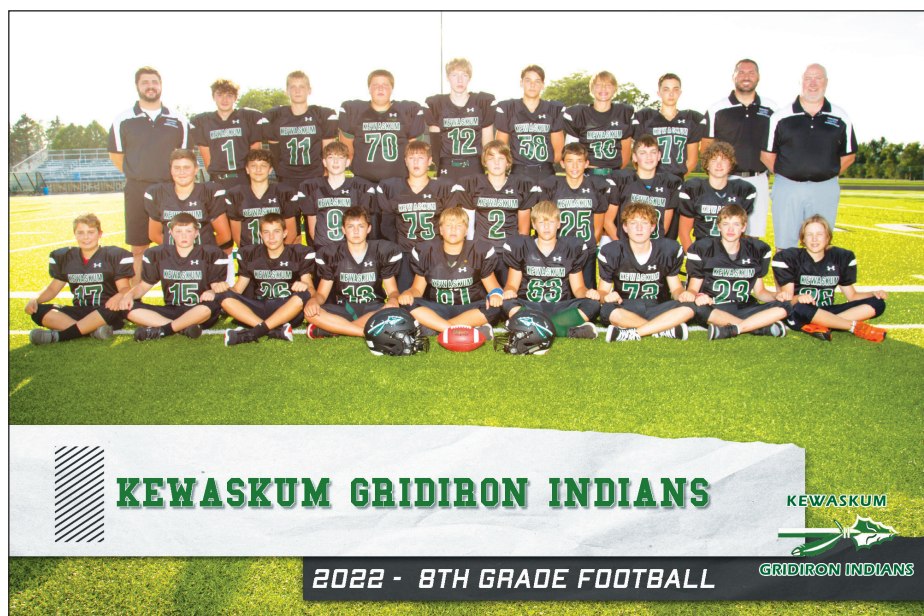

The eighth grade played a very physical Greendale team and came up short while suffering a 32-22 defeat to finish the season with a 3-5 record.

In the first half Greendale was able to score twice and convert both two-point kicks while the Indians couldn't get the offense going, as they went into halftime with a 16-0 deficit.

The Indians got the ball to start the second half and a couple of plays later they got on the scoreboard with Kyle Haim hitting Anthony Coleman for a 30-yard touchdown pass. Kingston Grisolono made the two-point kick to cut the deficit in half, 16-8.

Unfortunately, every time the Indians scored, Greendale had an answer for it with a score of their own.

Later in the third quarter, Haim was able to connect with William Koch for a 52-yard touchdown pass.

The final Indians' score came on a fumble recovery by Carson Anderson who took it back 64-yards for a touchdown. Offensively, the Indians were led by Haim who completed 8/14 passes for 124 yards and two touchdowns, while Koch had four catches for 77 yards and a touchdown.

On defense, Kage Weseman had a forced fumble while Cole Loser and Anderson each had fumble

recoveries.

Koch added three tackles for losses while Anderson, Weseman and Ben Weller also each had one as well.

**Seventh Grade**

The seventh grade team played a thrilling game against Sussex Hamilton that came down to the last minute with the Indians coming away with a 28-25 victory to finish their season with a 6-1-1 record.

The Indians were

trailing 25-20 with less than a minute to play when, on a trick play, Levi Whitfield was able to connect with Landon Scheel for the game winning touchdown. Scheel was also able to score another touchdown earlier in the game for the Indians.

Another touchdown was scored on a run by Jace Wichtoski.

Ezra Stuht had a fumble recovery for a touchdown as well.

Blake Staral was able to convert on a

pair of two-point kick attempts.

On defense, Quin Dornacker and Easton Sabish led the way in tackles, and AJ Droese had an interception.

**Sixth Grade**

The sixth grade team played a great all-around game and came away with a 40-12 victory over Greendale to finish the season with a 4-4 record.

Touchdowns were scored by Ryland Ciriacks, Brodee Groeschel, Rocco Cannestra, Kaiden Wagner and Greyson Cook for the Indians.

Porter Reis, Bowen Nass and Ciriacks all had long runs for the Indians offense, as well.

On defense, Sam

Vang had a fumble recovery, while Ciriacks, Reis, Lucas Zeeb, Gavin Vandlen and Kamden Derge all contributed tackles for a loss to help the Indians seal the victory.

**Fifth Grade**

The fifth grade team finished off their undefeated season with a 28-6 victory over Greendale to finish with an impressive 8-0 record on the season.

The Indians offense was led by Henry Ogi who scored two touchdowns and also threw for another with Carson Eilbes catching the touchdown pass.

The other Indians' touchdown was scored

## Kewaskum Shines in Level 1, will Host Two Rivers on Friday

The Wisconsin Interscholastic Athletic Association (WIAA) Division 4 playoffs came to Kewaskum last week Friday, and it was the (#2) Indians ahead of (#7) Kohler/Sheboygan Lutheran/Christian (KLC) cooperative after four quarters, 31-6, as the Local 11 sets its sights on Two Rivers in Level 2 this Friday at Doc Mitchell.

Neither team scored in the early going, as the scoreboard read "0-0" with less than five minutes remaining in the first quarter.

Then, senior Kewaskum quarterback Ryan Cook connected with classmate Owen Parish for an 11-yard touchdown. The following point-after-touchdown was good, and Kewaskum took a 7-0 lead. The Indians would not relinquish that advantage for the rest of the contest.

In the second quarter, Cook found Carson Rolf for a 34-yard pitch-and-catch score, which pushed the lead to 14-0 after the successful PAT.

KLC did get on the board a few minutes later after a long drive culminated in a four-yard touchdown. It was the only score of the day for the visitors, and it brought the score to 14-6 with 3:49 remaining in the half.

Not to be outdone, the Kewaskum offense

quickly went to work. With less than one minute remaining in the frame, the Indians were inside the KLC red zone and knocking on the door of another score.

It was Dylan Soyk who finally broke the plane for Kewaskum, from four-yards out, which gave the Indians a commanding 21-6 lead at the break.

In the second half, Kewaskum's defense finished the night, as the unit shutout KLC in quarters three and four.

Kewaskum added two scores to cap off the win: a 19-yard run by Cook and a 28-yard field goal by Carter Curtin.

Cook led the way in rushing for Kewaskum. He had 82 yards and touchdown on 13 carries.

The senior also had 119 passing yards on eight-for-13 passing. He threw for two touchdowns.

The defense managed two interceptions on the night, as Kewaskum won the turnover battle.

Due up, the Indians will host former in-conference rival (#3) Two Rivers. The Raiders were undefeated champions of the Eastern Wisconsin Conference this year.

*Kickoff for that game is scheduled for 7 p.m. at Doc Mitchell Athletic Complex in Kewaskum.*

## K.H.S. Volleyball Continues to Dominate in Playoffs

*Kewaskum earned a WIAA Regional title on Saturday, Oct. 22, and will play Sauk Prairie in the sectional tournament this Thursday*

**BREANNA RICE**  
 JOURNALIST

The two-seed Kewaskum Indians volleyball team (33-3) hosted the first round of playoffs on Thursday, Oct. 20, and handled seven-seed Campbellsport in three straight sets – 25-17, 25-10, 25-17 – to keep their winning streak alive.

Winning this match qualified the Indians for the Wisconsin Interscholastic Athletic Association (WIAA) Regional final contest.

That game took place on Saturday, Oct. 22, with Kewaskum hosting for the second straight affair. The Indians welcomed Luther Prep (Watertown), who came into the tournament as a three-seed.

The Indians kept their momentum strong and won all three sets against Luther Prep – 25-15, 25-15, 25-18 – improving their record by yet another win.

Kewaskum is now set to travel to Sauk Prairie High School on Thursday, Oct. 27, to face off against the one-seed Eagles.

Both teams have placed first in their conference, as Sauk Prairie stands at an overall record of 44-3.

First serve for that game is schedule for 7 p.m. in Prairie du Sac.

The winner of Thursday's game will play in the sectional final on Saturday, Oct. 29, against the winner of Edgewood (#1) and McFarland (#3).

Natalie Sebo, #8, sets the ball for Maddie Dogs, #10. **BREANNA RICE PHOTOS**
