Westbury, K.P.D. to hold Fraud Seminar

The community event will take place at KHS on Wednesday, Feb. 22, from 4 to 5 p.m.

WESTBURY BANK

Westbury Bank is committed to helping readers learn about fraud and scams that are happening in your community.

Our fraud squad has partnered with local law enforcement agencies to offer Fraud Awareness Seminars in your neighborhood.

See **FRAUD** page 3

Campbellsport Goes Mobile

VILLAGE OF CAMPBELLSPORT

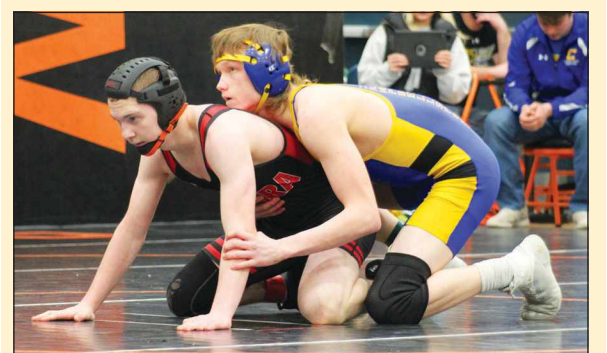

The Village of Campbellsport has been looking for better ways to communicate with Campbellsportians.

In attempt to reach more members of the community, the village created an app called "The Campbellsport Now".

The app can be downloaded through the App Store and Google Play Store.

The village will still be communicating through Facebook, its website, the *Campbellsport News* and posting locations.

Updates are still being made to the program but now you will have access to instant notifications, election information, the ability to pay your water bill and information about village departments.

Campbellsport's Chris Meyer wrestles Lomira's Conor Koch at regionals last Saturday in Portage. Meyer pinned Koch in 3:34 in the quarterfinals, and he finished third overall at 120. He and five other Cougars will compete at sectionals this weekend. **CLARICE CASE PHOTO**

1,100 and Counting, 'ACT' Closes K.H.S. Career as All-Time Scorer

Kewaskum's Antoine Coleman-Thull has scored 1,187 career points as of print time, which is the most in program history

MITCHELL BRADLEY KELLER
EDITOR

"To be honest, as a kid first starting basketball, I wasn't the greatest," said Kewaskum High School (KHS) senior Antoine Coleman-Thull at the onset of an interview focusing on his waning four-year varsity career as an Indians basketball player. "I definitely did not see myself becoming an all-time scorer for a program. It just seemed too farfetched to me at the time."

The admission comes from a place of humility and respect, and an immense amount of pride – not just for his own accomplishments – for all the folks who helped him achieve his current status as of mid-January. During a home game against Lomira in January, "ACT" (as he's affectionately known by teammates) broke the all-time scoring record and was recognized on court for his accomplishment. Joining him were fellow 1,000-club Indians Charlie Witek (class of 2016) and Matt Parent (class of 2007).

Now, with just a handful of games remaining, every point Coleman-Thull scores will make it that much more difficult for the future ballers of Kewaskum High.

And for Indians Head Coach Don Gruber, there couldn't be a more deserving player – on and off the court – as Coleman-Thull.

"He's like a coach out there," said Gruber, crediting Coleman-Thull's maturity and knowledge of the game, which was certainly aided by being a four-year varsity contributor. "[His

Senior Antione Coleman Thull moves the ball down the court. "ACT" became the KHS boys basketball program's all-time leading scorer in January. **FILE PHOTO**

teammates] thrive off what he's saying. The team relies on him a lot... and he knows what's going on out there at the tender age of 17-years-old."

For Coleman-Thull, the journey all started with what draws most to the game of basketball: the love of the game.

"My favorite part of basketball would easily have to be the emotion, competitiveness and bonding behind it," he said. "Basketball teaches you how to become a family with the guys on your team and those are the best teams; [the] ones that play for each other."

While he maintains he wasn't the "greatest" as a kid, there were plenty of supporters who saw his potential, and he credited youth coaches for fostering his drive early on.

"My earliest memory [of playing] would have to be my first tournament, which introduced me to basketball for the first time," he recalled. "It

“Cuba Libre”

Dear Reader,

Recently I visited Havana, Cuba with a few friends. I traveled there five years ago and was interested in seeing how things had changed. From what I could see, things were not better for the people living there for a number of reasons, starting with the peso's devaluation against the dollar last year.

A peso doesn't buy what it used to, and the people are suffering from the decline. The devaluation resulted in a huge drop in pay for ordinary people trying to get by on an average income of just \$40 to \$60 dollars a month. That's not a typo; that's what an average Cuban makes in a month.

Because Cuba is a communist country, it doesn't matter if you are a highly trained doctor working in a medical center or an unskilled laborer toiling in the tobacco fields. Most of the people – 90% of the population – work for the government, because nearly all employment is regulated and controlled by the state. It's even illegal to go fishing. You get the feeling that the dictatorship would regulate the use of air if they could.

We hired a car and driver who had his own business to help us navigate. He had been a doctor but was unable to prescribe medicine because none was available. The \$60/month he made helping tourists get around was more than he could

make as a doctor. Similarly, a woman who had a degree in finance was making \$3/day for cleaning rooms, which was more than she could get if she had worked in her field.

Cigars were offered by hotels, which were government businesses, at \$60 to \$80 per cigar. That also is not a typo; one cigar costs \$60 to \$80. Obviously the Cuban people can't afford to pay a month's wages for a cigar from their own country, unless they buy it on the black market. But that is a risk that many do not want to take.

I would recommend going there to see how this vibrant culture still flourishes under the thumb of a few selfish authoritarians. The people living there make possessions last for a long time; dishes of paella were creative and delicious; our

driver ferried us around in a 1957 Chevy Belair; music groups sang beautiful harmonies; and the jazz and salsa dancing were exceptional. Yes, the Cubans are not free. But they are masters of the workarounds needed to survive and even celebrate life.

I learned two lessons from this trip. First, that a person can make a happy life with whatever one has on a beautiful country island. And second, that we must appreciate the abundance of riches we earn in this beautiful land of opportunity. We must not take our freedom for granted. Not everyone has the opportunity to live with the individual self-determination and personal autonomy that we do.

PATRICK J. WOOD - Publisher
Author of "Dear Reader" and "Tapestry of Love and Loss"

| RURAL WRITES |

G.A. SCHEINOH
CONTRIBUTOR

Nearly 50 years since obtaining a driver's license, more than four decades of operating vehicles small as a Ford Pinto, up to an 18-foot straight box truck, nothing surprises anymore, right? Not unless you're slow on the uptake or have a very low learning curve.

Yet with maturity and an increased level of experience, making the commute anywhere without a whole lot of thought, come the impediments of age. Not as sharp reflexes. A decrease in swift thinking.

No problem, eh? We've driven for so long, it's child's play.

But with the increase in population, for example, in Fond du Lac, there's a greater volume of motorists and too, pedestrians and bicyclists. This isn't the community we traveled to with our parents or even by ourselves as young adults. Traffic patterns changed. Not least being that import from Europe; the roundabout.

A lot of folks appear naive about how to navigate through the circle. Either they forget to yield to the left. Quite the opposite of a four-way stop intersection. Or simply don't care. Risking collision to be first through the interchange. Which might lead to anger, belligerence or even, road rage. It's then when a cool, calm head is most needed. Along with a measure of what our parents taught us; defensive driving. In short, never underestimate another driver. Or second guess their probable actions.

Expect the unexpected. Be prepared, ready for it. Some people consider themselves self-important, VIPs behind the wheel. Be wary but wish them a safe journey. And forgive the occasional blunder. If stupidity was a crime, many of us would be locked away. We all have our foolish moments. Maybe we don't text/talk on the phone while underway. Though a temporary distraction can divert anyone's attention. Bear that in mind and it'll be a safer passage for everyone involved.

Top 5: Records for the Love Holiday

MITCHELL BRADLEY KELLER
EDITOR

With Valentine's Day coming and going on a Tuesday, and this newspaper's print date also a Tuesday, it made for awkward timing to weigh in on the "holiday of love."

So, I'm a little late to offer the suggestions, but since two-days-into-the-work-week might be too early to celebrate, perhaps some folks can spin a few of these albums during the weekend dinners and Valentine's celebrations.

In no particular order, here's my top five records to share with your loved ones this week:

1. *Talking Book* by Stevie Wonder

This album starts with "You Are the Sunshine of My Life" and it ends with "I Believe (When I Fall in Love It Will Be Forever)" – I really shouldn't have to write anything else, but I will.

Released in 1972, this album is best known for one of Stevie's biggest hits "Superstition". In addition to playing keys and singing, Wonder also played guitar, drums, bass and sang his own backup vocals on nearly every track. He did, though, get some help from venerable musicians like Jeff Beck and Ray Parker Jr.

While there are some heartbreak tunes on this one, the album as a whole is an homage to love.

Wonder said so himself in an interview about the record in 2000.

"I want to just express... emotion and love that

I felt, compassion, the fun of love that I felt, the whole thing in the beginning with a joyful love and then the pain of love."

2. *Astral Weeks* by Van Morrison

We all know (and love) "Brown Eyed Girl" but it is arguably the worst song on this 1968 masterpiece. The recording sessions, which started in September just two months before the album was released, were told to be abnormally loose with Morrison encouraging the session musicians to "play exactly what we felt," according to one's retelling.

A running time of 47 minutes, songs like the title track (which is seven minutes long on its own) and the nearly-10-minute ride that is "Madame George" serve as highlights to each side (for those listening on record).

Probably a perfect album, there are plenty of rich illustrations of love and being in love throughout Morrison's prose.

3. *Moonlight Sinatra* by Frank Sinatra

This 1966 release doesn't seem to pop up as much as it should. It's not a collection of Frank's most popular songs, but it's 32-minutes of pretty incredible musicianship with a fun twist.

All of the songs are centered on the Moon, and it's exactly what you might think it would sound like.

Beautiful.

Particularly on bright Full Moon evenings, this album pairs great with dinner-for-two!

4. *Ain't That Good News* by Sam Cooke

The mega-hit was "A Change Is Gonna Come"

but there were massive singles from the rest of this 1964 12-track behemoth.

"Ain't That Good News" is a song about a narrator thrilled that his "baby is coming home tomorrow." "Good Times" is a fun little tune about enjoying present company and the effort closes with "The Riddle Song", a 15th-century traditional some might know by the name "I Gave My Love a Cherry".

Cooke died roughly 10 months after this album came out, but these songs have become staples in romantic comedies on the silver screen and small screen long after his passing.

5. *Harvest Moon* by Neil Young

This was The Canadian's 19th studio album, and it hit the shelves in November of 1992 after more than one year of recording and mixing.

Slow, deliberate and described by one music critic as "positively gorgeous", this album is one of Young's most universally pleasing (in my opinion).

The first track is a love letter to an "Unknown Legend" – as it is titled – who we know through narration has long blonde hair, used to work in a diner, grew up in a small town and rides a Harley Davidson.

Young's sincerity and age are apparent in this album, both of which greatly benefit the listener's experience.

"Harvest Moon" is a stunning single, while "Such a Woman" is secretly one of the rockers best songs (let alone love ballads).

See you next week.

OBITUARIES

Mary J. Menzel

Mary J. Menzel (nee Williams), age 87 years, of Beechwood entered Eternal Life on February 12, 2023, at her home surrounded by her loving family.

Mary was born on November 5, 1935, in Elgin, Illinois to Owen and Mabel Williams (nee McAuliffe). She was united in marriage to Lester L. Menzel, Jr. on

April 6, 1957, in Woodstock, Illinois.

Mary graduated from Woodstock Community High School. She worked at National Bank and Woolworths in Woodstock before relocating to Beechwood and becoming a full-time stay at home mom. Mary enjoyed bowling, supporting her family's many activities, gardening, bird watching, playing Pinochle, and cheering for the Brewers.

Those Mary leaves behind to cherish her memory include her husband of 65 years, Lester; six children, David (Vicki) Menzel, Debbie (special friend, Doug) Feuerhammer, Denise Nowakowski, Donna Reilly, Dan (partner, Cortez) Menzel, and Don (Lori) Menzel; 9 grandchildren, Jason Menzel, Andrea (Chris) Harmsen, Katie (Tom) Schellinger, Haley Nowakowski, Aric (Nicole) Reilly, Lindley Reilly, Bryan (Rachel) Reilly, Emma Menzel, and Ben Menzel; 10 great-grandchildren, Ryleigh, Nolan, Josh, Violet, Autumn, Noah, Isaac, Eleanor, Audrey, and Natalie. She is further survived by brothers-in-law, sisters-in-law, nieces, nephews, other relatives and friends.

In addition to her parents, Mary was preceded in death by her two brothers, William (Harriett) Williams and Jack (Virginia) Williams; grandson, Samuel Nowakowski; and son-in-law, Edward Reilly.

A Private Family Funeral Service will be held.

Private Family Interment will be at McHenry County Memorial Park at a later date.

Memorials in Mary's name can be directed to Beechwood Fire Department / First Responders (W8451 Hwy S - Adell, WI 53001) or Alzheimer's Association Wisconsin Chapter (620 S 76th St. #160 - Milwaukee, WI 53214).

The family would like to thank Denise for the loving care for her mother for the final years of her life, and to the doctors, nurses, and staff of the Beechwood First Responders and Horizon Hospice for their care and compassion.

Myrhum-Patten Funeral & Cremation Service has been entrusted with Mary's arrangements. Please consider signing our online guest book (www.myrhum-patten.com) to share your condolences with the family.

Dolores A. Heisler Spradau

Dolores A. Heisler Spradau, 94, of Campbellsport, passed away peacefully on Monday, February 6, 2023, at the Serenity Villa in Campbellsport.

She was born on May 31, 1928, in the Town of Ashford, a daughter of the late Mathias and Johanna Thelen (nee Schill). She married James P. Heisler on April 30, 1949, at St. Martin's Catholic Church

in Ashford. He passed away on September 19, 1977. On November 12, 1988, she married Eldon "Buck" Spradau at St. Matthew's Catholic Church. Buck passed away on December 24, 2001.

Dolores was a dedicated employee at the West Bend Company, where she worked for over 40 years. She was an active member of St. Matthew's Catholic Church, where she was involved with the St. Matthew's Christian Women and funeral lunches. Dolores enjoyed fishing, gardening, watching the birds, her dogs and cats, and walking her dog, Mack. She was a social butterfly and loved socializing with her friends. Above all else, she cherished the time spent with her children and grandchildren.

Those left behind to cherish her memory include her son, Richard (Barb) Heisler; grandchildren, Hollie Heisler (special friend, John Ruys), Josh (Heather) Heisler, Nate (Sarah) Heisler, Jamie Heisler (special friend, Brent Anderson); great-grandchildren, Sawyer and Spencer Immel, Maddie, Josie, and Allie Heisler, Ella and Aubrey Heisler; sister, Ruth Lehner; and sisters and brother-in-law, Laura Heisler, Leo Heisler, and Mary Heisler. She is further survived by Buck's children, grandchildren, and great-grandchildren, nieces, nephews, other relatives and friends.

In addition to her parents and her husbands, she was preceded in death by her siblings, Math (Chris) Thelen, Elizabeth (Leander) Weiland, and Eleanor (Hubert) Sippel; and brothers and sisters-in-law, Gibbie Lehner, Marie (Warner) Hug, John Heisler, Virginia Heisler, and Marge Heisler.

Visitation was held on Sunday, February 12, 2023, from 2 p.m. until 4 p.m. at St. Martin's Chapel, 1271 Minnie Lane (on Hwy 67 in Ashford), Campbellsport, WI 53010. Mass of Christian Burial began at 4 p.m. on Sunday with Rev. Mark Jones officiating. Burial was held on Monday, February 13, 2023 at 10 a.m. at St. Matthew's Cemetery in Campbellsport.

Dolores' family would like to thank Preceptor Hospice for their care and compassion. Dolores loved her time at the Serenity Villa and her family is so thankful for their special care and dedication. There were so many family members and friends who spent time with Dolores in her last years and we cannot thank you all enough.

Twohig Funeral Home is serving the family with online guestbook and condolences at www.twohigfunerals.com.

Ruthanne C. Feucht

Ruthanne C. Feucht, 77, of rural Mayville, passed away peacefully on Wednesday, Feb. 8, 2023, at St. Agnes Hospital in Fond du Lac with her family at her side.

Ruthanne was born the daughter of Mathias and Angeline (Beck) Schladweiler on September 29, 1945. She was a 1963 graduate of Kewaskum High School.

Ruthanne was united in marriage to Jerome Feucht on May 7, 1966, at St. Michael's Catholic Parish in Kewaskum.

After many years of farming, Ruthanne held various administration roles including 17 great years at Marian University in Fond du Lac in the Nursing department. Most recently, Ruthanne worked at Heier Insurance in Beaver Dam.

She was a faithful member of St. Mary Catholic Church in Mayville.

In her spare time, Ruthanne enjoyed quilting, sewing, gardening, baking, and cooking. She was well known for her green thumb and her beautiful flowers. Ruthanne also showed her flowers, baking and sewing projects at the Dodge Co. Fair. Many people were recipients of Ruthanne's cooking, baking and overall kindness, including her many kind and encouraging posts on Facebook.

Ruthanne is survived by her husband, Jerome of Mayville; her children, Jerome Jr. (Becky) Feucht of Mayville, Paul 'Stubby' (Candy) Feucht of Mayville, Fred Feucht of Burnett, Ed (Shelley) Feucht of Lomira, Matt (special friend April) Feucht of Mayville, Anne Marie (Lee) Peterson of Lake Mills, Greg (Michelle) Feucht of Fond du Lac, and Mary (Richard) Gundrum of Hartford; her grandchildren, David, Evan, Derick (Sarah), Josh (Desi), Tyler (Lindsay), Brent, Grace, Sam, Charlie, Jack, Austin, and Alex; her great-grandchildren, Milly, Riley, Jayden, and Audrey; her sister, Rita Peters of West Bend; her sisters-in-law, Caroline Sternat and Charlotte Feucht; her brothers-in-law, Norbert (Louise) Feucht, Clem (Elaine) Feucht, Clarence (Sharon) Feucht; further survived by nieces, nephews, other relatives and many friends.

She was preceded in death by her parents; sister, Helen Doll; and brothers-in-law, Leroy Doll, Norbert 'Nubby' Sternat, Francis Peters, John (Charlene) Feucht, and Louis Feucht (in infancy).

A Mass of Christian Burial took place on Wednesday, Feb. 15, at 11 a.m. at St. Mary Catholic Church in Mayville with the Rev. Fr. Joe Dominic and Rev. Fr. Tom Biersack presiding. A visitation was held on Tuesday, Feb. 14, from 4 to 7 p.m. at the Koepsell Funeral Home in Mayville and again on Wednesday, Feb. 15, from 10 a.m. until the time of the service at 11 a.m. at the church in Mayville. Interment took place at St. Mary Cemetery in Mayville.

The family would like to thank the staff at St. Agnes/SSM Health Cancer Center and Hospital of Fond du Lac for their kindness, compassion and loving care.

Memorials in memory of Ruthanne may be directed to Marian University in Fond du Lac, St. Lawrence Seminary in Mt. Calvary, or a charity of your choosing.

Koepsell Funeral Home in Mayville is serving the family. www.KoepsellFH.com

Library Board Wishes to Explore PNC Bank Building for Future Home

At a Monday afternoon, Feb. 13, Kewaskum Public Library Board meeting, the group discussed - with Village Administrator Adam Gitter present - the possibility of purchasing the PNC Bank building as a future site for the library.

The PNC Bank branch building, located at 1225 Fond Du Lac

Ave., is expected to go up for sale later this year.

The group voted to recommend to the Kewaskum Village Board that the former bank building be considered as a future library.

The topic was up for discussion earlier this year, as a joint meeting between the Library

Board and Village Board illustrated a breakdown between the two entities regarding the shared-facilities building project.

More information, as this story develops, will be available in future editions.

OBITUARIES

Marie E. Thull

Marie passed peacefully surrounded by her family on February 8, 2023, at the age of 77 in Zephyrhills, Florida, after a courageous battle with Parkinson's.

Marie was born in West Bend. She attended Holy Angels School and later attended West Bend High School. Out of high school, she worked at Amity and then Enger

Kress, eventually retiring from there.

Marie was the daughter to Elizabeth and Sylvester Jacak. She later married Richard Thull in 1964 and had five children.

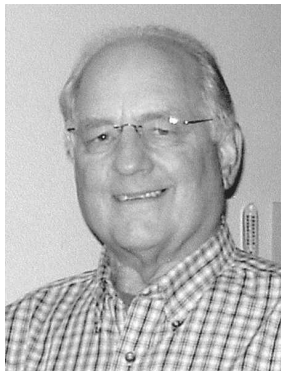

Marie loved her children and grandchildren and can't forget her love of dogs. Marie never missed the opportunity to watch her grandchildren play their sports.

Survivors include her husband, Richard, of 58 years; children, Tracy (Bill) Zeeb, Todd (Angie) Thull, Tricia (Duayne) Vancha, Terri (Jeff) Miller and Travis (Joy) Thull; 13 grandchildren, Jamie (Chris) Jamieson, Sarah Zeeb (special farmer, Julian Popp), Tyler Zeeb, Bryce Thull, Crystal (Joey) Bond, Justin (Holly) Vancha, Amanda (Stefan) Maldonado, Jordan (Kendra) Vancha, Michael (Becca) Vancha, Colten and Jaidan Miller, Madelyn and Carson Thull; 17 great-grandchildren, Franklin and Henry Jamieson, Lucas, Landon and Lexi Zeeb, Madisyn and Carter Bond, Owen, Braelyn, and Bennett Vancha, Aidan and Nolan Lara, Olivia Maldonado, Bryson and Kinley Vancha, Malachi and Sophia Vancha; sisters, Pat (Tom) Hron, Doris (Tom) Hebert and Diane (Steve) Liegl; and nieces and nephews.

She was preceded in death by her parents, Elizabeth and Sylvester Jacak; infant sister, Kathryn; in-laws, Joseph and Helen Thull; beloved pets, Tiny, Pepper and Midnight.

Celebration of life will be in Wisconsin at a later date.

Ronald Joseph Johann

Ronald Joseph Johann, 83, of Kewaskum, was called home to the Lord on February 11, 2023.

Ronnie was born on April 5, 1939, in Jackson to the late Marvin and Agnes (nee Uelmen) Johann. Ronnie was united in marriage to Karen Jean Oelhafen on August 29, 1970. He loved the Brewers, Packers, and being with his grandchildren.

Ronnie enjoyed going up north, fishing, traveling, golfing, bowling, and playing cards. Ronnie graduated from Kewaskum High School, Class of 1958. He was a proud partner in the family-owned business Johann Plumbing & Heating. In his retirement, Ronnie was a 10+ year member of the Village of Kewaskum Plan Commission.

Those left to cherish Ronnie's memory include his wife, Karen Jean Johann; three children, Michael (Donna) Johann, Lynn Johann, and Steve (Katie) Johann; four grandchildren, Lauren, Dominic, Christian, and Kaydence; five siblings, Richie Johann, Claude (Kerri) Johann, Jane Johann, Mary (David) Neckuty, and Jennifer (Jeff) Funk; brother-in-law, Russell (Janice) Oelhafen; sister-in-law, Betty Oelhafen; many nieces, nephews, cousins, and friends.

In addition to his parents, Ronnie is preceded in death by five siblings, Roger Johann, Robert Johann, Billy Johann, Diane Schmidt, and Barbara Hill.

Visitation: Ronnie's family will greet relatives and friends on February 16, 2023, at 9 a.m. until 11 a.m. at Holy Trinity Catholic Church, 305 Main Street, Kewaskum, WI.

Mass Of Christian Burial: A Mass of Christian Burial will take place at 11 a.m., after visitation. Father Jacob Strand will officiate, and burial will take place following at Holy Trinity Catholic Cemetery in Kewaskum.

The family requests that memorial donations be made to Holy Trinity Catholic Church. You can donate at www.wesharegiving.org/app/giving/WeShare-1758?tab=home or send donations to 305 Main Street, Kewaskum, WI 53040.

Myrhum-Patten Funeral and Cremation Service has been entrusted with Ronnie's arrangements. Additional information and guest book can be found at www.myrhum-patten.com.

School Board Approves F.E.S. Engineering Project

**BREANNA RICE
JOURNALIST**

The Kewaskum School District Board of Education held a meeting on Thursday, Feb. 9, with all board members in attendance.

A major item of discussion on the agenda was the Farmington Elementary School (FES) Civil Engineering project.

The building and grounds committee has been working on the logistics and funding aspect of this project for awhile and presented the details to the board.

Board member Richard Leitheiser gave a run-down of the project.

"This project involves helping improve the parking flow in the parking lot, resurfacing the playground on part of the property and will help with the overall safety," stated Leitheiser.

The civil engineering project will add parking spaces, help get a busing routine down, allow for smoother parent drop-offs and improve sidewalks.

Leitheiser mentioned that the board received six different bids for the project and decided to go with BNCI Construction (West Bend).

It was stated that some of the financial balance will be pushed into the next fiscal year and will come out of the budget from Fund 10 (General Fund).

After some discussion of the project took place, Board Vice President Tim Ramthun presented some questions.

"Is this a need issue or a want issue?" challenged Ramthun. "The facility has been functioning this way for years, so why now?"

President Leister responded by saying this is something that should have been done 30 years ago but has been pushed back because the district never had the money.

It was also mentioned that - after closing i4L-earning - there are a lot more students attending FES this year, which contributes to the parking lot issue.

Following discussion, the board made a motion to approve the FES Civil Engineering project.

Board member Bradley Petersen applauded the board for their hard work and dedication to making this project come to life.

"This board can approve a project of nearly one million dollars without having to go to referendum, that is truly a team effort," stated Petersen.

Other News

• Towards the beginning of the meeting, the school board received the audit results for 2022. A representative went over the district's funds and balances of accounts. Members were told that the information being relayed to them was just a report and there were no significant findings or areas of concern found in the audit.

• District Administrator Dr. Mark Bazata stated that summer school registration has been moved up to March 27 this year and will remain open until April 14.

"Summer school will start on June 7 and run

through June 30," said Bazata. "Classes will be held at the middle school and teachers are currently working on the courses they wish to offer."

• Bazata reflected on the board tours that recently took place. Members of the school board were given the opportunity get a glimpse of student learning and watch day-to-day operations in real-time. Board members sat in on classes and interacted with students and teachers in a variety of different grade levels. Everyone who participated seemed to agree that this was a great opportunity and a helpful experience for the board.

"This is something we definitely plan to do again," remarked Bazata.

• Following the administrator's report was an assessment update. It was stated that state assessment season is coming up and high school students will partake in state generated tests designed for their grade level. Juniors will be taking the ACT on March 9. It was noted that this year the test will be online. Bazata mentioned that this means students will get their results faster than they have in the past.

• Board member Stephanie Bird gave a WASB delegate report. The Wisconsin Association of School Boards (WASB) is a yearly convention that usually takes place in January. Educators gather and participate in workshops, listen to speakers and help make decisions regarding public schools. This year, Bird was in attendance for Kewaskum and spoke to the board about her experience.

"It was a really cool thing to be a part of," stated Bird.

Bird explained all of the amendments and resolutions that were discussed and voted on at the convention.

"Fifteen of the 16 amendments passed. The only one that didn't was in regards to universal free school meals," said Bird. "All of the voting takes place in the moment."

The board thanked her for participating as a delegate this year.

• The final item for discussion was the student representative report given to the board by Avery Liddicoat. Liddicoat is a junior who was given the opportunity to sit with the board during meetings and speak on behalf of the students. During her report, Liddicoat spoke more about the upcoming ACT test and the practice the juniors are doing to prepare.

"We have ACT prep on Tuesday and Thursday mornings and some teachers offer to help students after school," said the junior.

Liddicoat mentioned that one of the most common complaints that she hears from students is that the temperature in the building is too cold, and it is distracting some kids from learning.

"Students are complaining and would like to see the school stay at a constantly warmer temperature during the day," remarked Liddicoat.

Kewaskum Team Advances to Nationals

JILL FURMAN

FIRST LEGO League (FLL) is a STEM competition that involves building and programming an autonomous robot out of LEGO bricks, creating and sharing an innovative community impacting project and demonstrating FLL core values.

Team Anonymoose is a first-year team of three Kewaskum students who took the initiative to form their own team and find a coach. The girls' hard work and dedication has earned them third overall in the state of Wisconsin out of 240 teams. Additionally, they placed third in Robot Performance and first place in Core Values.

Team Anonymoose coach Jill Furman said, "These young ladies are an inspiration to their peers considering STEM fields. They designed and built a robot, coded it to

run autonomously using Python and, additionally, created a working bicycle-powered cell phone charger for their innovation project. I am incredibly proud of their work and accomplishments. I hope that other young Kewaskum students are inspired by their classmates success."

Team Anonymoose has been awarded the opportunity to represent Wisconsin in international competition at the Western Edge Open in Long Beach, California. Team Anonymoose needs to raise \$6,000 to pay for flights, hotel and entry fee to the competition. They have started a GoFundMe to help raise the necessary funds. A generous donor is covering all the GoFundMe fees, so 100% of your donation will benefit the children.

Contact Jill.M.Furman@gmail.com for more information.

KSD BOARD from page 5

Bazata replied to this issue by stating that the heating system turns on between 6 a.m. and 6:30 a.m. every morning. He made a note to staff to submit a help desk ticket if they are cold so the board can see if teachers are having the same concern.

It was also stated that schools are required to keep temperatures at 65 degrees, and Kewaskum keeps its temp between 70 and 72 (Fahrenheit) during the school day.

• During the policy section of the meeting, the laude system was discussed. Next year, it will be more difficult for incoming freshman to become a part of the laude system. There will be new criteria to follow that will only allow for roughly 25 to 30 percent of the student body to qualify.

Currently about 50 percent of students are a part of the laude system (sometimes called "honors"), so expectations need to be revised to make the system more challenging.

• Prior to adjournment, the board went into closed session, specifically to conduct a superintendent evaluation.

Check It Out!

LORI KREIS, DIRECTOR
KEWASKUM PUBLIC LIBRARY

Book challenges have been around, well, since books have been around. Before procedural challenges, there were book bans and burnings which

fall within the same grouping as challenges. People become dissatisfied with a book, most likely the content conflicts with their personal

beliefs and they are determined to censor the book.

According to a research guide at Harvard, the first book ban in the United States took place in 1637. Thomas Morton's *New English Canaan* was abolished by the Puritan government as it was considered a harsh and heretical critique of Puritan customs and power structures. Since then, ways that books have been challenged include removal from the library, prohibited from publication, barred from entrance to a country, physically destroyed such as the case of book burning during Nazi Germany and the demand of author deaths.

Challenges to books in libraries have continued and at Kewaskum Public Library, there are policies in place to handle any challenges that arise. Last week Library Legislative Day was held in Madison and the Wisconsin Library Association provided library staff with handouts for their meetings with legislators. One document provides the life cycle of a library book, which is important when dealing with a material challenge. Here is a shortened version of that document.

Library users are community members/taxpayers who help support the library. Based on data from WLA, 90% of Wisconsin libraries' incomes come from municipal governments which is a factor in paying for the books we purchase. Patrons make requests for materials that they find out about in different ways. This could be from word of mouth,

media mentions in print, television, streamed or electronic or in-house library displays. If the library doesn't have the book, we get it for them either from our consortium or through an interlibrary loan throughout the state.

The library's part in selecting a book is covered in the Library Board's approved Collection Development Policy. Staff selects the items based on reputable sources. Here, we use professional journals and blogs, qualified peer reviews, best-seller lists and staff expertise from our Master's-degreed librarians. We then purchase the books, usually from one of our approved vendors. When we receive the materials, they get unpacked, inspected, catalogued, processed by adding labels and covers and then finally put on the new shelves or in the case of more popular items, held for patrons. Reports are run to see if there are high demands in the community for titles not owned and we will add those to our collection.

Just as in the life cycle of living things, library books eventually die. Following our Collection Development Policy, items are weeded from the collection and depending on its condition, either put in our book sale, donated to a variety of places, or recycled. Much thought goes into our library collection and any challenges we may face. Feel free to stop in and view the Life Cycle of a Library Book document and let me know what you think.

PLEASE JOIN US FOR CAMPBELLSPORT SCHOOL DISTRICT'S CHILD DEVELOPMENT DAY

The Campbellsport School District will be screening children ages 3 or 4 years old who have not been previously screened and are not currently attending a Campbellsport School District program.

Wednesday, March 8, 2023 at Eden Elementary School and Campbellsport Elementary School

This screening is important because it helps us to:

- identify children who may need early intervention services prior to entering school.
- confirm the progress of, or possibly identify children who may show a need for follow-up assessment.
- provide parents with recommendations about preparing their child to begin school successfully.
- further educate families about child development and activities to promote early learning.
- promote awareness of programs and services in the community that can assist families.

The following are the screening dates for the 2022/2023 school year:

March 8, 2023 8:15am—3:15pm

Eden Elementary School
210 N. Elizabeth St., Eden, WI 53019

Or

Campbellsport Elementary School
751 Grandview Ave., Campbellsport, WI 53010

*If your child is 3 or 4 years old and has not been previously screened by the Campbellsport School District, please contact Erica Soyk at 533-4811 x 1243 or esoyk@csd.csd.k12.wi.us to set up a screening time.

Greetings from the Campbellsport Library!

In case you missed the big announcement at the beginning of the month, The Campbellsport Public Library is now offering Hoopla to our patrons. Hoopla is an app that can be downloaded onto your mobile device or smart TV. With the use of your library card, you can get instant access to thousands of books, movies, TV shows, magazines, CDs and more. Each library card user has eight checkouts available to them each month! Read below to find answers to some common questions about Hoopla.

- How is Hoopla different than Libby or Overdrive? (There are no wait times for most of the items offered on Hoopla.)

- Can my kids use it? (Yes they can, there is a Kids Mode with tons of stuff available for them too!)

- How much do I have to pay? (Nothing, it is free to use, as long as you have a library card.)

- What if I don't have a library card? (Then stop at the library and we can help you get one, all you need is a valid drivers license. It only takes five minutes to get you started.)

More information on Hoopla is available by checking out the Campbellsport Library Facebook page for information and tutorials.

Library Temporary Closure

On Tuesday, Feb. 14, the library will close temporarily from 1-2:30 p.m. for a training session. We will reopen after the session for the rest of our regular work day.

Story Time at the Library

Children ages 3-6 are invited to join Ms. Azra at the library for story hour every Wednesday from 10:30-11:30 a.m. Children will enjoy reading stories, making crafts and participating in other themed week activities. Story hour offers the opportunity for young children to socialize with others and also encourages growth in language development, motor skills, and helps to promote a love of learning. Children and families are welcome to stay after story hour to play and explore at the library.

- Feb. 22 – Making Books
Story Time themes in March will be all about colors!

- March 1 – Red and Orange
- March 8 – Yellow and Green
- March 15 – Blue and Purple
- March 22 – Rainbows
- March 29 – My Favorite Color

Foodie Friday

Foodie Friday will take place on February 24, from 2-3:30 p.m. This month we will be having a cupcake war. Children are invited to join us to decorate a cupcake and then vote on their favorites. All supplies will be provided. Suggested ages for this program are 10 and older, however all are welcome to join us! Sign up for this program is mandatory. You can sign up by calling the front desk at 920-533-8534 or stopping at the library to let us know.

Monday Movie of the Month

The Monday Movie of the Month for February 27, will be "Ticket to Paradise," starring Julia Roberts and George Clooney. They play divorced parents who can't stand each other. The couple heads to Bali after their daughter, Lily, announces her plans to marry a local islander she just met while on holiday. They decide to put aside their differences and work together to stop the wedding, believing that doing so will keep Lily from making a dreadful mistake similar to their own. This month we will have two show times for our Monday Movie – 1 p.m. and 6 p.m. Popcorn will be provided at both show times!

Campbellsport Art Market and Vendor Fair

Attention shoppers! We will once again be hosting the Campbellsport Art Market and Vendor Fair. Stop in the library basement to check out home-made products such as soaps, jewelry, signs, kitchen wares, and health products. Additionally, you will be able to check out vendors including Loretta's Originals, L'BRI, Pampered Chef, Family Affair, Uniquely Yours by Jenny, Thirty-one, Avon, Epicure, Monat, Crafts by Mabel, Norwex, Potter Design, and Tastefully Simple.

The market is held in the lower level of the library, please enter using the marked entrance, located on the side of the building. Elevator access is available. There is no entrance fee for shoppers. Additionally, if you are interested in being a vendor at

the market, please contact Jenny Thomson at 920-960-3254 for more details. Market dates are as follows:

- March 11, from 9 a.m.-noon
 - April 29, from 9 a.m.-noon
- Stop in and shop to support the people who live in your neighborhood!

Activities at the Kewaskum Public Library

206 1st St.

www.kewaskum.lib.wi.us
kewaskum@monarchlibraries.org
262-626-4312

Preschool Storytimes

Preschool Storytimes are held on Wednesday, at 10:30 a.m., with Miss Kim. Join us for stories, songs and crafts.

- Feb. 22 – Welcome Home

Tax Forms Available

The 2022 State and Federal Tax forms have arrived at the library. We have the most common forms, schedules and instructions available. You can request additional forms to be printed at \$0.15 a side. Please be aware that library staff cannot answer any tax-related questions.

Magazine Sale

Buy bundles of your favorite magazines. Includes 2021 copies of subscribed titles and 2021/2022 titles that are no longer being published. Costs are \$4 a bundle, \$1 individual copies. Bundles cannot be separated.

Celebrate Library Lovers

Month in February

Check out five or more items in one visit and enter to win a gift card from a local business. Stop in for special pop-up treats all month long.

We Love the Library Celebration – Afterschool Kids

On Thursday, Feb. 16, at 4 p.m., join us for a celebration of the library and our favorite books with crafts, games and a special snack! No registration is required. Program is open to all children and their families.

Recipe Club

On Tuesday, Feb. 21, at 1:30 p.m., join other foodies as we exchange recipes, sample homemade dishes and talk about food. February's food is **CHOCOLATE**. Please register in-person, by phone, email or online at kewaskum-wi.whofi.com/calendar/event/8467. Please note, due to the election, the Recipe Club will be held inside the library this month.

End of Life Planning #3 - Pre-planning your Funeral – DATE CHANGE

On Monday, Feb. 27, at 11 a.m., join Kelly Pretty, preplanning specialist and Family Service coordinator at Myrhum Patten Funeral Home and learn about pre-planning your funeral. Please register in advance in-person, by phone at 262-626-4312, email to kewaskum@monarchlibraries.org on online at kewaskum-wi.whofi.com/calendar/event/9955.

D.N.R. Confirms C.W.D. in Second Wild Deer Harvested in Sheboygan County

Baiting and feeding bans renewed.

WIS. DEPT. OF NATURAL RESOURCES

The Wisconsin Department of Natural Resources (DNR) confirms that a second wild deer tested positive for chronic wasting disease (CWD) in the Town of Lyndon in Sheboygan County. The deer was a hunter-harvested 4-5 year-old doe taken during the 2022 gun deer season.

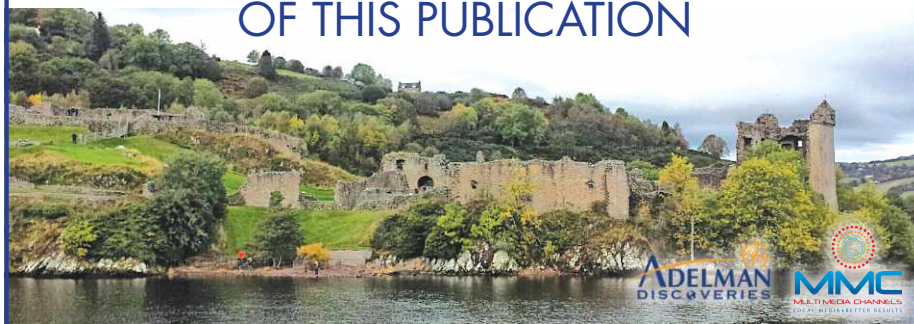

As required by law, the DNR en-

acts three-year baiting and feeding bans in counties where CWD has been detected and two-year bans in adjoining counties that lie within 10 miles of a CWD detection.

The previous state-issued ban in Sheboygan County was lifted in December 2022 because the designated time had passed without any new additional CWD positive detections as required by state statute. This re-

| CAMPBELLSPORT GLANCE BACKWARDS |

5 Years Ago
February 15, 2018

The Campbellsport BP gas station and convenience store has changed ownership. On February 8, Brandon Kohn officially took over as the new owner of the business from Fred Pieper and Don Spangenberg, who had owned the station for many years. It will now be called Kohn's Filling Station 259, Inc. Kohn also owns two other gas stations in the Kewaskum area. Brooke Anderson is the general manager.

Campbellsport High School Dance Team placed fourth in the hip hop category at the State dance competition recently. The final performance of the team this season will take place February 18.

Police Chief Tom Dornbrook gave Campbellsport Village Board members a report about the small remodeling project in the police department offices. The project was done to give the public a better way to get to the police department in the new Campbellsport Municipal Center. A small window was added to one of the walls and office space was created for the police secretary so when someone is in the office, a resident can walk up to the window to talk to the secretary or an officer. Dornbrook said he is happy with the remodel and believes the public will also be happy with the area. The cost was very close to the estimate.

It was another great day of competition for South Eden Robotics on the weekend of January 27, as all three 4410 Technocracy teams came away with trophies at the Fond du Lac Vex Robotics event. The 4410A Technocracy Alpha team received the Robotics Skills Finalist trophy. The 4410B Technocracy Bravo team received the Create Award trophy. The 4410C Technocracy Charlie team received the Robotics Skills Champion and Excellence Award. The teams have one more competition in February in Appleton before they head to State in March.

The Campbellsport High School Show Choir, known as the Campbellsport Rhythm Rockers, competed for the first time in a show choir invitational. The group earned second runner up (third place), which is excellent for a first-time participant. The invitational was held February 10 at Fort Atkinson High School. The Rhythm Rockers competed in the prep division, which is a group of 25 members and under.

On February 10, the Campbellsport High School forensics team competed against 29 other schools. A total of 290 entries were judged by 87 judges. Campbellsport had 10 entries. The playacting team of Rachel Baumhardt and Lily Lindgren earned a fourth place medal for their rendition of The Blueberry Hill Accord by Daryl Watson.

January Students of the Month at Campbellsport High School include Ashtyn Jungers, Alexa Majerus, Rachel Streat, and Josh Walters.

Champion of the Eden Elementary School Geography Bee is fourth grader Brittany Reilly. Nash Krcmar was second and Justin Westphal was third.

Fifth graders at Campbellsport Elementary School participated in a math contest that had 684 participants. Kailie Carbanjal placed first, Madeline King placed 16th, and Aydon Schmidt placed 23rd.

The Campbellsport wrestling team will compete at Sectionals after placing second at Regionals. Eight individuals are advancing to Sectionals: Taylor Heltemes, Devyn Urban, Roman Skorupa, Matt Koelbl, Joe Lindsley, Logan Kreuser, Cade Heisdorf, and Dylan Bublitz.

Marianne Wondra, 87, Ashford, passed away February 11. Mary C. Siesner, 83, Lomira, passed away February 10. Lois Patricia Floyd, 96, passed away February 9.

15 Years Ago
February 21, 2008

Donald Driver was in Campbellsport on Saturday, signing autographs and meeting resi-

dents for almost four hours. The Green Bay Packers wide receiver is one of the new owners of Donald Driver Chevrolet Buick, which is located in Campbellsport.

On February 11 at the Auburn Planning Commission meeting, discussion was held regarding a special exception application proposed by Stephanie Molitor and her son, Steve. The Molitors are planning on purchasing the Boar's Nest in the Town of Auburn and would like to remodel the existing bar and add a dining room that would seat 52 patrons. The only comment during the public meeting was a concern for parking. The Molitors said the existing parking lot is large enough because the new building would not be built into the parking lot; it would expand to the south and west. The motion for the special exception was granted.

Campbellsport Fire Chief Jeff Lindsley asked residents to dig out fire hydrants. He said if a resident is unable to remove the snow from around the hydrant, they should contact the department and someone will be sent to do so. Clear access to the hydrants is needed during a fire.

Members of the Snowball Dance on Saturday included Gena Cannestra, Billy Mayer, Matt Firkus, Brittney Smit, Cassie Goulais, Evan Kelly, Megan Roltgen, Neil Scannell, Andrew Walsh, Heather Russell, King Donny Broske, Chelsea Schmidt, Queen Steph Ninnemann, and Andy Crovetto.

If you drove down Mill Street this week, you saw three huge caterpillars made of snow on three lawns. One family started the creatures and the others followed suit. It was great fun for the families to make these huge snow sculptures and the kids are having a great time playing on them.

Campbellsport Junior High/High School Principal Tom Hercules has announced his retirement from the Campbellsport School District effective June 30. The school board accepted his resignation at the regular meeting held Monday night. Hercules served as principal for seven years.

Eden Pack 3730 held its annual Pinewood Derby recently. Winners of the derby were Tommy Walker (first), Collin Shurpit (second), and Gage Zahradnik (third).

The Lady Cougar bowlers finished their season on February 11 and 12 with meets in Cedarburg and West Bend. They finished the regular season with a 19-1 record.

Senior Billy Mayer is etching his name into the Campbellsport wrestling record books week after week. Mayer won his third Sectional title last Saturday and will make his third trip to the WIAA State Wrestling Tournament this week. Mayer was the only one of the eight wrestlers qualifying for Sectionals to advance to the State competition.

Although the Lady Cougar basketball team was scoreless in the first quarter against Kewaskum, Campbellsport made up for it the rest of the game and defeated the Lady Indians 67-43.

A daughter, Raeann Elizabeth, was born February 11 to Ryan and Stephanie Lueck of Campbellsport. A son, Alexander Clemens Bente, was born February 7 to Thomas Bente and Jamie Grambow of Campbellsport.

Alois A. Bleuel, Fond du Lac, passed away February 10. Marie Rentmeester, 89, passed away February 15. Peter P. Cappozzo, 77, Eden, passed away February 17.

25 Years Ago
February 12, 1998

It is becoming more and more evident to Campbellsport school officials that continuing requests for some form of soccer program is not going to go away. That request was on the school district board agenda earlier this month and is sure to be back in the not too distant future. Supporters of such a program recognize that a cost is involved and that space to play and prac-

tice is at a premium. In a very detailed study, District Administrator Joe Bertone reported that as of January 27, 82 citizens requested the start of a school soccer program. Each soccer team (girls and boys) initially would conservatively cost approximately \$3,500 to \$4,500.

The popular Zillmer Trail drew a huge crowd on Saturday evening under ideal weather conditions for the annual Candlelight Ski/Hike, which took place nearby in the Kettle Moraine State Forest. The Friends of the Kettle Moraine group and the DNR co-sponsor the annual event. An estimated 600 to 700 enjoyed this year's trail.

The Campbellsport High School Cougar Cheer Team earned fourth place in Division II at the State Cheer Competition held January 24. The team placed eighth overall out of the 43 teams at State. The Cougar Cheer Team will compete at the National Competition later this month.

For the 31st straight year, the Campbellsport Wrestling Team brought home the conference title. In addition, Travis Ebert, Nick Wenger, Jason Spanbauer, and Dustin Drexel each won individual titles.

A daughter, Courtney Mikayla, was born January 28 to Amy and Mark Thompson of Campbellsport.

Mary Ann Gruber, 94, Kewaskum, passed away February 3. Robert E. Roehl, 68, Fond du Lac, passed away February 9. Sylvester L. Serwe, 71, West Bend, passed away February 4. Donald E. Giese, 72, North Fond du Lac, passed away February 4. Nora Wiesner, 96, passed away February 6.

About 40 members of the Campbellsport Sportsmen Club met at the village hall February 10 and elected officers and directors. Clarence Kudek was elected president. Other officers elected included A.E. Berge for vice president and Roderick Reese as secretary and treasurer. Directors elected were Lewis Schwandt, William Meyer, and Lester Butschlick.

Directors of the Campbellsport Chamber of Commerce met Monday evening at the Berge Furniture Store in continuation of the annual meeting for the purpose of electing the officers for the coming year. Willard Fischer was elected president and Peter J. Hilbert was elected secretary. Leon Carpenter was elected vice president and M.O. Barnes was elected treasurer. Dues for the year were set by vote at \$10, the same as the past year. The year's activity of the association almost depleted the funds of the Chamber of Commerce in spite of a membership of 31 last year. Since memberships have not come in voluntarily as anticipated, Fischer appointed Harlow Roate, Gordon Ellis, and Chas. Romayko on the membership committee.

The Legion Lakes team played its best game of the year when they defeated Cedarburg in the biggest upset of the Land O'Lakes season by a score of 58 to 50. Dick Koenigs led the scoring with 17 points and Jim Ketter had 15. This was the final home league game for the Lakes Five, but they still have a game to play at Thiensville. The Rivers Five play at Horicon and Port Washington here, and games with Mequon and Mayville may be rescheduled.

The American Legion Auxiliary is sponsoring an essay contest with the subject: Our Great American Heritage; Liberty. Essays must be 500 words or less and the entry deadline is March 15.

A daughter, Judith Ann, was born February 10 to Mr. and Mrs. Jos. Karoses, Jr.

Edward Senn, 78, Campbellsport, former village trustee, passed away February 15. Mary Nystrom, formerly of Campbellsport, passed away February 17.

February 22, 2018

Juveniles under the age of 18 are no longer allowed to purchase or possess electronic nicotine devices in the Village of Kewaskum. The village board approved a new ordinance Monday night that regulates the purchasing and usage of electronic nicotine delivery system (ENDS) vapor products by minors. The ordinance prohibits the sale of ENDS products to anyone under the age of 18. There was no discussion before the vote on February 19. Richard Laubach was the only trustee to vote against approving the ordinance. The fine for a juvenile smoking in the Village of Kewaskum begins at \$124.

Two area families were displaced this week after house fires occurred in the towns of Wayne and Farmington. A third home was saved after an alert neighbor noticed fire coming from a house in the Town of Wayne. The fire on Broadview Lane in the Town of Wayne is an active investigation at this time. The damage estimate is in excess of \$100,000 with the fire confined to the kitchen area. However, there is smoke and water damage as well. There were no reported injuries. The fire on Tomahawk Drive in the Town of Farmington is under investigation, but early indicators point to electrical in nature. The four occupants were able to safely escape the home that suffered severe damage from fire, smoke, and water. A neighbor used a fire extinguisher and threw snow on a Town of Wayne home while his wife called 911. The homeowner was not home at the time of the fire. It is believed the fire started from fireplace ash in a garbage can outside the home.

Life Of Hope is a nonprofit suicide prevention program in Washington County that recently celebrated its three-year anniversary. Since the program's inception, it has reached more than 4,000 people.

Kewaskum American Legion Post 384 presented a \$2,000 check to Kewaskum Remembers 9/11, Inc.

The Main Street Philanthropy program has been incorporated into Casey Scheel's leadership class at Kewaskum High School. During the 10-week program that teaches high schoolers meaningful giving, the students investigate charitable organizations and qualify them by examining and analyzing their tax forms. Students sold wrist bands and suckers, and raffled Bucks tickets to raise funds to donate to the nonprofit organizations. The following donations were made: more than \$1,300 to the local VFW, \$510 to the Kewaskum Athletic Association to benefit Reigle Family Park, \$210 to the Kewaskum Community Pantry, \$384 to the Variety Children's Charity, and \$733 to the On The Spectrum Autism Group.

Six members of the Kewaskum High School Wrestling Team have advanced to State competition. Eric Bauer (138) and Tanner Goeman (152) won the championship in their weight classes. Taking second place was Mason Pomeroy (120). Also heading to State with third place finishes are Adam Buss (113), Braden Maertz (132), and Alex Deheck (145).

The Kewaskum Lady Indians finished the regular season on February 16. The basketball team did not win a game this season, finishing 0-11 in conference games and 0-21 overall.

Kewaskum's boys basketball lost a heart-breaker to Winneconne 60-59 on February 16.

Charles F. Meyer III, 64, Kewaskum, passed away February 13. Belinda H. Reith, 94, Kewaskum, passed away February 9.

15 Years Ago
February 21, 2008

The Village of Kewaskum has found itself in the middle of a federal lawsuit over a 1983 village or-

dinance. Administrator Jay Shambeau confirmed that the village was served with court documents on February 11. He said the matter has been handed over to the village's insurance carrier, who in turn has hired legal counsel to represent the village. Shambeau added he was obligated to defer all comments to the attorney who is handling the case. The attorney said he was unable to comment at press time because he was just assigned the case on February 15. In part, the ordinance says no person shall distribute any printed matter or literature on public or private property or place the same on motor vehicles. On April 25, 2007, Michael Foht went to two neighborhoods to place flyers sharing his Christian beliefs on door handles of residences. After receiving a complaint, a Kewaskum police officer informed Foht that a local ordinance prohibited him from distributing the information. Foht went to another Kewaskum neighborhood and the officer informed him of the possible fine and arrest. Foht asked for a copy of the ordinance and complied. Attorneys with the Alliance Defense Fund filed the lawsuit in federal court, stating they wish to strike down the ordinance that "severely restricts the constitutional right to free speech and religious freedom."

Five Kewaskum wrestlers are heading to the WIAA State Wrestling Tournament. Jared Koffke, Bo Seibel, and Cody Seibel won championships at Sectionals; Matt Buker and P.J. Krueger placed second.

The Kewaskum School District is in the third year of its textbook replacement cycle that is being funded by money from a 2004 referendum. The district has reported spending \$259,866 in this budget cycle on textbooks and staff training. Another \$182,663 is expected to be spent before the end of this budget cycle, but will be carried over to the next budget if it is not.

A Village of Kewaskum official stated that 887 residents voted in the presidential primary. This is almost twice as many as the last presidential primary.

On February 11, American Legion Robert G. Romaine Post 384 presented its annual awards. Alvin Barutha received the Legionnaire of the Year Award, Amy Garbisch received the Emergency Technician Award, David Kletti received the Firefighter Award, and Officer Kevin Kohn received the Police Officer of the Year.

Just when you thought there was enough drama in Kewaskum High School, a drama club has been established. There are approximately 20 students committed to the club and they meet every Monday.

Tyler McElhatton has been named a finalist in the 2008 National Merit Scholarship Program. He is one of 15,000 finalists to possibly be selected for some 8,200 awards worth \$33 million.

A son, Mason John, was born February 4 to Brenda and Kevin Kempf of Adell. A daughter, Aleisha Breanne, was born February 7 to Matthew and Trina Biertzer of Kewaskum.

Babbette L. Erickson-Moericke, 84, passed away February 12. Catherine A. Hahn, 90, Butler, passed away February 15. Marie H. Lisko, 84, Hartford, passed away February 16. Marie Rentmeester, 89, passed away February 15.

25 Years Ago
February 19, 1998

In honor of National FFA Week, the Kewaskum FFA Chapter, under the guidance of Advisor Dave Rizzardi, is sponsoring the eight-page supplement included with this week's issue. The FFA officers and other chapter members were instrumental in soliciting the advertising, writing captions and information, and the preliminary layout. The Statesman did the final typesetting, page make-

up, photo layout, proofing, and pasteup.

Peace United Church of Christ announced that Rev. J. Eric Kirkegaard has answered the call to ministry at the church. He and his wife, Laura, are expected in mid-April.

Members of the 1998 KHS Sadie Snowball Court include Mike Kertscher, Jamie Schultz, Keith Novotny, Megan Morell, Brad Hermann, Aggie Friedel, Josh Gaffke, Kathryn Schneider, Brian Prost, Laura Klemme, John Immel, Cassandra Steffen, Andy Luedtke, Erin Theusch, Tim Vetter, Carrie Wiesner, John Warnecke, and Ally Link.

Lucas Marin of Kewaskum was inducted into the National Honor Society at St. Lawrence Seminary.

Dennis Hall, a world-class Greco-Roman wrestler from Hartford, visited Kewaskum Middle School and talked about the ups and downs of his life. Hall's numerous medals were circulated among the students as the Olympian spoke.

Josh Dieringer and Mike Kertscher have advanced to the WIAA Wrestling Sectionals.

Martha Keller, 86, formerly of Kewaskum, passed away February 14. Jeannette Kurriger, 89, West Bend, passed away February 16. Henry W. Lemke, 83, West Bend, passed away February 10. James L. Kincade, 72, West Bend, passed away February 14. David P. O'Brien, 30, Escanaba, MI, passed away February 7. Sandra Lee Blaine, 54, Kewaskum, passed away February 10.

50 Years Ago
February 16, 1973

The Kewaskum Board of Appeals has denied the application for a variance in the old zoning ordinance that would allow construction to continue as planned on the 16-unit apartment building at the corner of Railroad and First Streets. The decision of the five man-board was unanimous.

Kewaskum's forensics team traveled to West Bend on Saturday. Twenty students participated. Kris Meilahn, Jane Krueger, Nancy Proeber, Rick Edwards, and Glennis Beduhn received A ratings.

Maggie Roder, a KHS senior, won third place honors at the district American Legion Oratorical Contest.

The Kewaskum Indians have been selected to host a Sub-Regional round of basketball games in the WIAA Class A Division. Kewaskum will take on Random Lake in the first game of the night and Campbellsport will play Plymouth in the second game on February 27. The winners will play each other on March 2.

A daughter was born February 8 to Mr. and Mrs. Carl Koepke of Kewaskum. A son was born February 10 to Mr. and Mrs. Larry Sabish of Kewaskum. A son was born February 10 to Mr. and Mrs. Richard Leider of Kewaskum.

75 Years Ago
February 20, 1948

In a business deal completed on February 6, Miss Elvira Ramthun of New Fane purchased the Kewaskum Sandwich Shop property.

The Kewaskum Fire Department announced July 11 as the date for its annual picnic and celebration in the village park.

The Kewaskum Fire Department answered a chimney fire call to the farm home of Mr. and Mrs. Wesley Haug on Highway 28 on Thursday. Although the blaze was fanned by a very strong and cold wind, the firemen put out the fire with no damage.

A daughter was born February 18 to Dr. and Mrs. F.E. Nolting of Kewaskum. A son was born February 13 to Mr. and Mrs. Fred Spoerl Jr. of Kewaskum.

Edward Senn, 78, Campbellsport, passed away February 15.

Office located at 106C S. Milwaukee St. in Theresa

ACT from page 1

was around the end of fourth grade, and Coach Chris Cook asked me to help play for his tournament team and, from there, I fell in love with the game, and he's helped me every step of the way."

Coleman-Thull turned heads while playing for Holy Trinity Catholic School. Gruber recalled seeing him as an eighth grader.

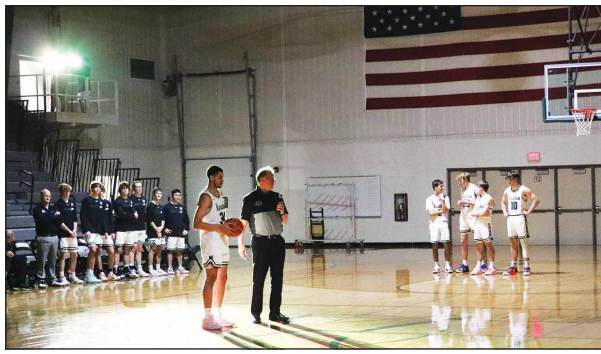

"I saw him play in eighth grade for Holy Trinity. [He] dribbled the ball down the court, did a Euro-step and then smoothly put the ball up over his right shoulder," said Gruber, detailing Coleman-Thull's unique skill-set. "I was like, 'wow, is that smooth for an eighth grader!' Right then and there I thought he had the potential to play varsity his freshman year."

And that he did: 23 times in his inaugural varsity season. He averaged 5.5 points and 3.6 rebounds-per-game. That season, the team finished 6-8 in the East Central and lost in the regional tournament.

In his sophomore year (during which basketball was played with facial masks), Coleman-Thull made a big leap: he averaged 12.2 points-per-game while hauling in 6.4 rebounds-per-contest.

A game at Kettle Moraine Lutheran (KML) that season, according to Gruber, was an early showcase of ACT's talent.

"That's a tough team to play," said Gruber of KML. "We were in the game, and Kettle decided to defend Antoine with just one player in the post, and he scored like 20-some points. [From that point on] if teams didn't double him, he was going to have one heck-of-a-night."

Kewaskum senior Antoine Coleman-Thull receives a game ball and recognition for scoring his 1,000th career point as a varsity basketball player. He accomplished the feat on Tuesday, Dec. 13, at Cedar Grove-Belgium. Recognizing the accomplishment is Kewaskum Head Coach Don Gruber. **FILE PHOTO**

Antoine Coleman-Thull drives hard to the hoop in a game played earlier this season. **FILE PHOTO**

Coleman-Thull scored 21 and had eight rebounds in that 48-46 upset of KML.

His career high for rebounds and points in a season was his junior year (8.7 rebounds and 18.1 points).

While those figures have dipped his senior year (14.6 points-per-game and 5.4 rebounding average) his growth in other stat categories point the picture of a well-rounded basketball player, and one who is gelling with his present teammates.

For the 2022-23 campaign, Coleman-Thull is averaging a career-high 4.1 assists-per-game and one block-per-contest, as well. He is also a semi-finalist for the Wissports.net top-defender award. The final selection, which will be made during the state tournament week, is between ACT and 14 other Wisconsin high school players (across all divisions).

Combined with a deep and talented Indians squad, last season and this have been some of the best finishes for the program in recent de-

cadec. Kewaskum was one KML loss away from earning a share of the East Central last year. This season, the Indians have a slim (but not impossible) chance of earning a share of the title (as of print time).

All things considered, with ACT on the team, there has been a huge progress for the KHS boys' program.

"His feel for the game is superb," said Gruber, getting into the Xs and Os of what makes the senior so special. "He knows how to set up the defender for misdirection... and his knowledge and footwork. That's something you really can't teach; a feel for the game."

Added to what Gruber called "God-given talent," he said Coleman-Thull is diligent in preparation.

"His post moves; he's worked hard on those. He studies them," said Gruber, noting, however, most of what folks see on the court is all Antoine. "It's 80 percent Antoine and 20 percent coaching."

For the player, while there's still

plenty for which to compete this season, it's a bit surreal looking back at the ride. He listed the growth of the program as one of his most distinct memories playing four years at KHS.

"Seeing this program get better every year means the world to me," he said, who said he's learned to adjust and mature his goals as he got older. "My original goal coming into high school was to win conference but, as time went on, I realized the most important step each year is moving forward and bringing the program forward along with us."

He's confident his Indians will make a deep tourney run this season, and he credited Coach Gruber and Coach Cook with preparing this team, not just for this season, but for their lives after basketball, too.

"My coaches, for sure, helped with making the commitment. [I had] the kind of encouraging, uplifting people [around me] on and off the court," said ACT, thanking Gruber, Cook and youth coach Joel Fleischman. "[Some people] have been here with me every step of the way in my basketball journey starting all the way back around fifth grade."

He gave a specific thanks to Gruber, who has been his only varsity head coach over the last four years.

"Thanks to Coach Gruber for putting up with me on my worst days and best days the past four years and believing in me no matter what," he said. "He has put up with my childish ways as a freshman to now being a senior and a leader, and he's the best coach I could possibly ask for."

Of course, there was one person above all else who Coleman-Thull

ACT from page 10

wanted to be on the record thanking: his mom.

"She has raised me and my siblings on her own while balancing her job at a nursing home, which is tough work, as is," said Coleman-Thull. "She has made her busy life, even more busy, just so I can play the game I love."

As for his future, Gruber said Kewaskum's all-time leading scorer can play at the next-level: "no question."

"It's up to him," said Gruber, who added that the teen is still weighing his options for the future. "I know there's interest. He's a very good student of

the game, and he'd also make a great coach."

ACT said he plans to spend his summer working; he has a job at a local nursing home. As for basketball, just as his head coach suggested, he's considering how to play, coach and continue his basketball journey.

"After graduation, I hope to attend either a junior college and transfer up... or decide if I want to go straight to a four-year university and play," he said, adding that "helping coach our school-based AAU team" was also on the docket "because coaching is something I'd want to do in the future."

Until then, however, Kewaskum fans have a few more

games to watch the Indians' all-time scorer do what he does best.

Hopefully, according to ACT, it includes playing deep into March.

"We have two really strong sophomores starting and even a freshman, and I believe with our talent and coaching anything is possible and nothing is too crazy of a goal," he said, adding a final note of gratitude for everyone who helped, watched and supported through the years. "[Your] endless encouragement and belief in me made it easy to believe in myself and my teammates and my future in basketball."

AN Outdoorsman's JOURNAL

Destination: Blade's Bait & Tackle in Kipling, Mich.

MARK WALTERS
COLUMNIST

This week's column is about a very progressive and hard-working couple that, over the last three years, has created Blade's Bait & Tackle out of Kipling/Gladstone in Michigan on Little Bay de Noc.

As you are about to find out, Paul and Lacy Bloedorn, formally of New Glarus, are about as busy as two people can be and also quite successful.

A week ago, I was checking out the website for this shop, and I had the thought that I should give Paul and Lacy a call and ask them if I could hang out at both their shop and on the ice, as they also have rental shacks and do a column about what they do to pay their bills.

Today, even though I had never spoke to Paul (and most of our communication was by text), I was driving north on Interstate 41 in an ice storm with dozens of accidents.

FRIDAY, JAN. 27
HIGH 30, LOW 23
So, I arrive at the shop at about 2 p.m., and Lacy forgot I was coming.

The lodging I was going to stay at was given out to a group of fishermen that, at the very last minute, lost the original lodging that

Lacy and Paul Bloedorn at the helm of Blade's Bait & Tackle. Five points to anyone who saw the dog before reading the outline.

At age 74, Chris Boche of Oxford is an excellent ice fisherwoman. She is pictured here with a large northern pike. **MARK WALTERS PHOTOS**

they were supposed to have.

I didn't care, as I had a sleeping bag, and I could sleep in the office of Blade's Bait & Tackle.

To describe this business would be like this: everything an ice fish-

erman or woman needs is here, and the place is so busy it is almost unbelievable.

What was just as interesting is that one person is spending \$6 and the next is spending \$2,200.

Shortly after I ar-

rived, I met Paul - A.K.A. "Blade" - who spends much of his time on the ice with their sleeper shack customers; as in moving shacks, maintaining shacks and transporting people and gear.

Most of my weekend was spent on the ice and in Paul's Honda 1000 Pioneer, which is a UTV on tracks. I was a grunt laborer and observer of a man that generally has his mind on at least a dozen separate thoughts and every part of the day was go, go, go.

It was a weekend, and fishermen from Wisconsin, the UP and their rapidly growing customer base of lower Michigan, generally start their adventures on Friday.

A bit on the UTV: we drive it hard, move shacks that are literally 16-foot trailers with a tent over the top of them, a porch that adds 8-feet, a separate trailer that has a bathroom and the entire setup can be moved easily.

The shack is made by

CAMPBELLSPORT SCHOOL DISTRICT

NOTICE OF BOARD OF EDUCATION WORKSHOP MEETING

Eden Elementary School Library, Room 28
Enter Through Door "J"
210 North Elizabeth Street * Eden, WI 53019
Monday, February 20, 2023 • 7:30 p.m.

This is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda.

1. Call to order
2. Public notice of the meeting was provided in accordance with Chapter 19.84 of Wisconsin Statutes
3. Pledge of Allegiance
4. Public Comment: The Board recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on District matters. The school board may ask questions for clarification, and briefly discuss the matter as permitted in accordance with State Statute, but may not take any action on an item unless it is on the agenda. All citizens are asked to sign in and identify themselves before speaking. Public comments will be limited to two minutes.
5. Announcements/Recognitions
 - a. Campbellsport High School updates by student representative Brady Bania
 - b. Review and acceptance of donation from the Campbellsport Booster Club to the high school football team for training equipment in the amount of \$6,645.59.
6. Presentation:
 - a. Dr. Sally Kellman and the Mental Health Team present Behavioral and Emotional Screening System (BESS) results and coinciding parent night that will support families.
7. Approval of meeting minutes
 - a. February 6, 2023 Board meeting
8. Approval of expenses, payroll, and receipts
9. Reports:
 - a. District Administrator
 - i. School Updates
 - ii. Director Updates
 - b. Board Committees
 - i. Curriculum and Technology - tbd in March/April
 - ii. Facilities - met on Feb 2, 2023
 - iii. Finance - met on Feb 2, 2023
 - iv. Personnel - next meeting on Feb 20, 2023, 6:00 pm at EES before Board meeting
 - v. Policy - schedule meeting in March
 - vi. Safety and Transportation - schedule meeting in March/April
 - vii. Confirm Board workshop on March 2, 7:00 pm.
 Agenda Items: Board/Supt communication and funding recommendations for state representatives.
 - viii. Confirm Board members that will be attending the 2023 WASB Day At The Capitol on Wednesday, March 22, 2023, 8 am - 4:30 pm.
Attending: Danielle Neitzel, any others?
10. Unfinished Business:
 - a. Discussion with appropriate action regarding the approval of Mrs. Waldschmidt's Entrepreneurship class vending machine business plan, leadership and management proposal presented at the February 6, 2023 Board meeting.
11. New Business:
 - a. Discussion with appropriate action regarding approval of:
 - i. Resignations/retirements
 - ii. Hires
12. Items for Future Agenda and/or Research:
 - a. Board Member Requests for Information
13. Closed Session - the Board will convene into closed session pursuant to §19.85 (1); 19.85 (1) (c), Wis. Stats. for the purposes of:
 - a. Approval of the following closed session meeting minutes:
 - i. February 6, 2023 Board meeting
 - b. Discussion considering the employment, compensation, or performance of an employee over which the Board has jurisdiction or exercises responsibility.
 - c. Deliberating the investing of public funds or conducting other specified public business, whenever competitive or bargaining reasons require a closed session
14. The Board will reconvene to open session and may take appropriate action as a result of discussion in closed session
15. Adjourn

This notice may be supplemented with additions to the agenda that come to the attention of the board prior to the meeting. A final agenda will be posted and provided to the media no later than 24 hours prior to the meeting or no later than 2 hours prior to the meeting in the event of an emergency.

Upon request to the District Administrator, submitted twenty-four (24) hours in advance, the District shall make reasonable accommodations including the provision of informational material in an alternative format for a disabled person to be able to attend this meeting. 2/16 WNAJLP

R. 19 E., and those lands previously conveyed to Fond du Lac County in Warranty Deed, recorded in Volume 411, Page 57, Records, said Register of Deeds Office As Document No. 159911, being a part of the Southwest 1/4 of the Northwest 1/4, Section 4, T. 13 N.- R. 19 E. Town of Auburn, Fond du Lac

See LEGALS page 12

Notice of Spring Primary and Sample Ballots

February 21, 2023

Office of the Washington County Clerk To the voters of Washington County:

Notice is hereby given of a spring primary election to be held in Washington County on February 21, 2023 at which the officers named below shall be nominated. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

Information to Voters

Upon entering the polling place and before being permitted to vote, a voter shall:

- state their name and address
show an acceptable form of photo identification*
sign the poll book**

*If a voter does not have acceptable photo identification, the voter may obtain a free photo ID for voting from the Division of Motor Vehicles.

**If the voter is unable to sign the poll book due to disability, a poll worker may write the word "exempt."

If a voter is not registered to vote, they may register to vote at the polling place serving their residence if the voter provides proof of residence.

Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot.

Upon being permitted to vote, the voter shall enter a voting booth or go to a machine and cast their ballot. The vote should not be cast in any manner other than specified here. Sample ballots or other materials to assist the voter in marking their ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

A voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward.

An election official may inform the voter of the proper manner for casting a vote but the official may not advise or indicate a particular voting choice.

Assistance for Voting

A voter may select an individual to assist in casting their vote if the voter declares to the presiding official that they are unable to read, have difficulty reading, writing, or understanding English, or that due to disability are unable to cast their ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

Where Optical Scan Voting is Used

The voter shall fill in the oval next to the name of the candidate of their choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote and fill in the oval next to the write-in line. On referendum questions, the voter shall fill in the oval next to "yes" if in favor of the question, or the voter shall fill in the oval next to "no" if opposed to the question.

When using an electronic ballot marking device to mark an optical scan ballot, the voter shall touch the screen or use the tactile pad to select the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of their choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen or use the tactile pad to select "yes" if in favor of the question, or the voter shall touch the screen or use the tactile pad to select "no" if opposed to the question.

Spoiled Ballots

If a voter spoils an optical scan ballot, they shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initiated by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

After Voting the Ballot

After an official optical scan ballot is marked, it may be inserted in the security sleeve, so the marks do not show. The voter shall insert the ballot in the voting device and discard the sleeve or deliver the ballot to an inspector for deposit. If a central count system is used, the voter shall insert the ballot in the ballot box and discard the sleeve or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

The following is a sample of the official ballot:

ASHLEY A. REICHERT 432 E. WASHINGTON ST. WEST BEND, WI 53095

Washington County - February 21, 2023 JUDICIAL Justice of the Supreme Court Janet C. Protasiewicz Daniel Kelly Everett D. Mitchell Jennifer R. Dorow Ballot ID: 1018 Official Primary Ballot Nonpartisan Office February 21, 2023 Village of Kewaskum WI-5 Notice to voters: If you are voting on Election Day, your ballot must be initiated by two (2) election inspectors. If you are voting absentee, your ballot must be initiated by the municipal clerk or deputy clerk. Your ballot may not be counted without initials (see end of ballot for initials). General Instructions If you make a mistake on your ballot or have a question, ask an election inspector for help (absentee voters: contact your municipal clerk). To vote for a name on the ballot, fill in the oval next to the name like this: To vote for a name that is not on the ballot, write the name on the line marked "write-in" and fill in the oval next to the name like this: Judicial Justice of the Supreme Court Vote for 1 Janet C. Protasiewicz Daniel Kelly Everett D. Mitchell Jennifer R. Dorow write-in SAMPLE Page 1 of 2-sided ballot. Ballot continues on other side. 2/16 WNAXLP

Sample Ballot**

February 21, 2023

OFFICE OF THE FOND DU LAC
COUNTY CLERK

TO THE VOTERS OF FOND DU LAC
COUNTY:

Notice is hereby given of a spring primary election to be held in Fond du Lac County, on February 21, 2023, at which the officers named below shall be nominated. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, in the sample ballot below.

Information To Voters

Upon entering the polling place and before being permitted to vote, a voter shall:

- state their name and address
- show an acceptable form of photo identification
- sign the poll book

If a voter does not have acceptable photo identification, the voter may obtain a free photo ID for voting from the Division of Motor Vehicles.

If a voter is not registered to vote, they may register to vote at the polling place serving their residence if the voter provides proof of residence.

Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall enter a voting booth and then proceed to the machine to cast their ballot. The vote should not be cast in any manner other than specified here. Sample ballots or other materials to assist the voter in marking their ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked. A voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote but the official may not advise or indicate a particular voting choice.

Assistance for Voting

A voter may select an individual to assist in casting their vote if the voter declares to the presiding official that they are unable to read, have difficulty reading, writing, or understanding English, or that due to disability are unable to cast their ballot. The selected individual

rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

Where Optical Scan Voting is Used

The voter shall fill in the oval next to the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote and fill in the oval next to the write-in line.

When using an electronic ballot marking device to mark an optical scan ballot, the voter shall use the tactile pad to select the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of their choice in the space provided for a write-in vote.

Spoiled Ballots

If the voter spoils an optical scan ballot, they shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

After Voting the Ballot

After an official optical scan ballot is marked, it shall be inserted in the voting device.

The voter shall leave the polling place promptly.

NOTICE OF PUBLIC HEARING AND JOINT REVIEW BOARD MEETING VILLAGE OF KEWASKUM, WISCONSIN

NOTICE IS HEREBY GIVEN that the Village of Kewaskum will hold a Joint Review Board meeting on February 28, 2023 at 4:00 p.m.

The meeting will be held at the Kewaskum Village Hall, located at 204 First St.

The purpose of the meeting is to organize the Joint Review Board for further consideration of the Village's proposal to create Tax Incremental District No. 4.

NOTICE IS HEREBY GIVEN that the Plan Commission of the Village of Kewaskum will hold a public hearing on February 28, 2023 at 7:00 PM.

The meeting will be held at the Kewaskum Village Hall, located at 204 First St.

The hearing will be held to provide the public a reasonable opportunity to comment on the proposed creation of Tax Incremental District No. 4, its proposed boundaries, and its proposed Project Plan.

The District's proposed boundary is identified on the map included in this Notice.

Washington County, Wisconsin

Based on the planned use of properties within the proposed District boundary the Village expects to designate the District as suitable for industrial development

Projects to be undertaken within the District and costs to be incurred (Project Costs) will be for the purpose of promoting industrial development and may include acquisition of property, rights of way or easements, site preparation, installation or rehabilitation of utilities and streets, payment of cash grants as development incentives to owners, lessees, or developers of land located within the District, professional services and organizational costs, administrative costs, financing costs and other costs as may be necessary to implement the District's Project Plan. Projects may be undertaken within the District's proposed boundary and in areas located in the Village within 1/2 mile of that boundary.

All interested parties will be given a reasonable opportunity to comment on the proposed creation of the District, its proposed boundaries, and its proposed Project Plan. A copy of the proposed District Project Plan, including a description of the proposed boundaries, is available for public inspection and will be provided on request during normal business hours at the office of the Village Clerk at the Kewaskum Village Hall, located at 204 First St. This information can also be viewed on the Village's website at <https://www.village.kewaskum.wi.us/>, if applicable.

CWD from page 7

cent CWD positive reinstates a three-year baiting and feeding ban in the county, effective Feb. 1, 2023 and does not impact the baiting and feeding ban implemented by Sheboygan County. This recent positive also renews the two-year baiting and feeding ban already in place in Fond du Lac County.

Baiting and feeding encourages deer to congregate unnaturally around a shared food source where infected deer can spread CWD through direct contact with healthy deer or indirectly by leaving behind infectious prions in their saliva, blood, feces and urine.

More information regarding baiting and feeding regulations is available on the DNR webpage.

CWD is a fatal, infectious nervous system disease of deer, moose, elk and reindeer/caribou. It belongs to the family of diseases known as transmissible spongiform encephalopathies (TSEs) or prion diseases. The DNR began monitoring the state's wild white-tailed deer population for CWD in 1999. The first positives were found in 2002.

Celebrate National FFA Week with the Kewaskum FFA!

February 18-25, 2023

**CELEBRATING 72 YEARS OF THE KEWASKUM FFA CHAPTER
1951-2023**

We are the Kewaskum FFA Chapter, and we are so excited to share the amazing opportunities we get to experience year-round within FFA and with all of our community members. The FFA is an American 501c3 youth organization, specifically career and technical student organized, based on middle and high school classes that promote and support agricultural education. It establishes many leadership qualities and teaches students across the country how to help their local communities through volunteering and educating their communities with positive ideas.

We are excited that this year in the Kewaskum FFA Chapter we have been back to normal. We were able to go to multiple different leadership conferences, travel all the way to Indianapolis for the National FFA convention, and we got to participate in many other leadership conferences. Many of the members got to travel around the state getting to know other FFA members, and they got to work on different leadership skills, as well as finding better ways to interact with the members in our club.

FFA has a meaningful mission statement and an inspiring FFA motto. The mission of the FFA is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. It is our mission as the Kewaskum FFA to honor and support our community. To accomplish its mission, we have participated in multiple different volunteer service projects such as the Kewaskum Vet Rabies Clinic, Highway Cleanup and many others. As the FFA motto states, "Learning to Do, Doing to Learn, Earning to Live, Living to Serve," members gain valuable skills working together and serving others.

The Kewaskum FFA would like to thank all of the families of our loyal FFA members in Kewaskum. Without the support and contributions from many generous people, the FFA's success would not be possible. We also want to give a huge thank you to all the businesses and families that advertised in the Kewaskum FFA's supplement.

There is FFA for adults as well; the FFA Alumni & Supporters offers the same number of fun activities and opportunities as FFA for middle school and high school. Read in this supplement about the Kewaskum FFA Alumni & Supporters year in review.

If you have any interest in learning more about agriculture, the Kewaskum FFA, or the Kewaskum FFA Alumni & Supporters, check out this supplement that the 2022-2023 Kewaskum FFA Officer Team put together. You can also find out more information by contacting the FFA Advisor, Shelly Oelhafen, at 262-626-8427, extension 4602.

KHS FFA**

Meet the FFA Officers

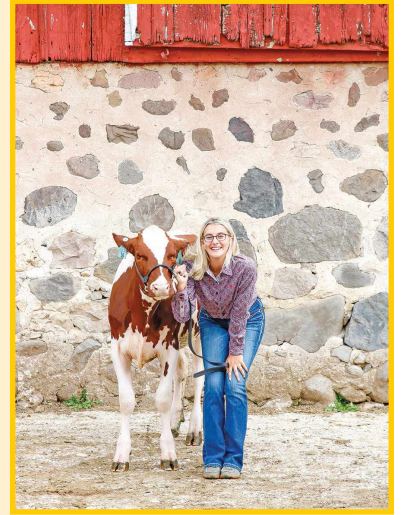

Adrianna Cherubini

Adrianna Cherubini is the 2022-2023 Kewaskum FFA president. This is her second year as an officer and fourth year in FFA. Adrianna is currently a senior at Kewaskum High School and transferred from Slinger High School at the beginning of her sophomore year. She is currently a youth apprenticeship student at the Kewaskum Veterinary Clinic. In the summer, Adrianna likes going to rodeos and will be continuing this year with her horse, Reno. After high school, she will attend college at University of Wisconsin River Falls for either Agriculture Education or her undergraduate degree in pre-veterinary medicine. Adrianna is thankful for all the experiences and life lessons FFA has provided her throughout the years.

Shelby Falk

Shelby Falk is the 2022-2023 Kewaskum FFA vice president. This is her second year as an officer and fifth year in FFA. Shelby is currently a senior at Kewaskum High School and is currently working at Woodridge Chiropractic. She will be starting college at Moraine Park Technical College in January 2023 to pursue a degree in chiropractic radiology. This will be her eighth year showing dairy cattle at the Washington County Fair. She shows through her 4-H club but is still a large part of the Kewaskum FFA. FFA has taught her many things over the past five years such as leadership, teamwork and many different life skills, and it also has helped her meet many new people. FFA has pushed her out of her comfort zone in many areas, which will help her in the future. As a senior, she is very happy that she got the experience to be a part of FFA starting her eighth-grade year. Shelby is looking forward to the 2023 Washington County Fair as she enjoys working with her animals, as well as her parents and everyone else who makes the Washington County Fair possible for her.

Oliver Luedtke

Oliver Luedtke is the 2022-2023 Kewaskum FFA sentinel. He is a freshman at Kewaskum High School. He joined FFA during the 2021-2022 school year as a member during his eighth-grade year. During the warmer seasons of the year, among activities on the farm, Oliver likes to hunt turkeys, fish and play a little baseball. During the colder seasons, Oliver enjoys hunting deer, skiing, ice fishing and snowmobiling. Being only a freshman, Oliver is still undecided on exactly what he wants to do after high school but is thinking about the skilled trade lines. FFA has taught him many things even in the two years he has been a part. He will continue to learn and grow from his FFA experience throughout high school.

Zoey Reysen

Zoey Reysen is the 2022-2023 Kewaskum FFA reporter. She is a freshman at Kewaskum High School. This is her second year in FFA and her first year being an officer. She enjoys raising pigs as well as other livestock for her family and friends. She also spends most of her free time restoring old tractors and plans on entering one of her tractors into an antique tractor pull this summer. She also enjoys horseback riding when she is given the opportunity. Zoey is very thankful for what opportunities FFA has given her over the past two years. From trips in the school vans to exploring the beautiful Indianapolis, she loves it all. She is also thankful for what FFA is teaching her: leadership, independence, teamwork and how to get out of her comfort zone. As a freshman she has a lot more amazing opportunities ahead of her which she really looks forward to.

Matt Oelhafen

Matt Oelhafen is the 2022-2023 Kewaskum FFA treasurer. He is a junior at Kewaskum High School, and this is his second year as an FFA officer and fifth year as a member. Matt shows beef cattle at the Washington County Fair. This will be his 11th year showing, two of which were years showing half-pint calves. He had a very successful fair last year; he received Overall Grand Champion Dairy Steer. He lives on his family's hobby farm which raises beef cattle as well as chickens. Matt helps his parents around the farm and also enjoys playing football in the fall and snowmobiling in the winter. Still undecided on what he wants to do after high school, he knows he will carry with him many things that FFA has taught him.

Zach Oelhafen

Zach Oelhafen is currently the 2022-2023 secretary of the Kewaskum FFA chapter. Zach is a freshman here at Kewaskum High School. He also has been enjoying his second year of being an officer, and with that, teaching the new additions to the officer team the ropes. Zach first joined the FFA three years ago to show at the Washington County Fair; however, he has since realized how much the FFA offers for fun new events and has been willing to go on most of them. While he has been in the Kewaskum FFA for only a couple years, he has been showing at the Washington County Fair for eight. He really enjoys showing dairy steers at the fair and the preparation that occurs on his family's business, Nordic Beef Farm. Nordic Beef Farm has been owned by his family since 1962 and has granted the opportunity for three generations of Zach's family to show animals at the fair. Once again, he looks forward to the next fair this summer, looking to follow the success the animals from his farm have had this past year.

A Word from Your President and Advisors

A Word From Your FFA President

Hello all, my name is Adrianna Cherubini and I am this year's Kewaskum FFA president. I would like to thank everyone for your continued support and appreciation for the FFA and for taking the time out of your busy day to read this! FFA is not just for those who have an agriculture background, FFA is for everyone. Within the FFA organization there is something for everyone to enjoy and experience. I have been involved in FFA for the past four years and I can wholeheartedly say that it has given me several opportunities to grow as a person, a leader and an FFA member, and prepare me for the "adult world" to come. From meeting new people to gaining new leadership skills, memories gained at group outings to providing me a path for my future, FFA has impacted my life in the best possible ways and I cannot imagine my life without it.

This year we are fully back to normal. We have had several opportunities to go to conferences, conventions and chapter outings, and be able to experience things in person. Community service is a large part of the Kewaskum FFA Chapter, and we are back to doing our regular in-person community service. Some examples of the activities that we do are; highway cleanup, various petting zoos, Kewaskum Veterinary Rabies Clinic, our annual fruit sale and our Food For America event to educate the elementary school students about agriculture.

Every year, six FFA members have the opportunity to go to the National FFA convention. This is an opportunity of a lifetime. This year the Kewaskum FFA Chapter was awarded the Three Star National Chapter Award. With inspiring keynote speakers, tours of farms, seeing the latest and greatest technology, rodeos, and meeting people from all over the country, from Alaska to Maine, and Hawaii to the Virgin Islands, there is always a new face

to meet. With all of this excitement, there is never a dull moment at the National FFA Convention. I will forever remember and cherish the moments from these experiences for years to come.

Many of our members put in hard work and showcase their dedication to their livestock at the Washington County Fair. It is a week-long way to showcase all of the efforts that our members have put into their livestock to the community and is a way to teach the community about raising and preparing livestock for the fair. With rounding out all of the hard work comes the livestock judging and junior livestock auction, where the dedication and preparation are rewarded. The Kewaskum FFA would like to thank the community and all of the supporters of the Washington County Fair and livestock auction because without you all none of it would be possible. The constant sense of support and community involvement is what makes the world go around at the fair!

FFA teaches many lessons through practical experiences and opportunities that are not offered in the classroom. It provides a place for members to have their voices heard, to be the voice for those who can't, and to advocate for agriculture and the community. If the need for help arises, we spring into action and do all that we can to assist. We are more than just a bunch of farm kids, we are growers and showers, leaders and achievers, learners and servers, teams with dreams, the future of agriculture. We are Kewaskum FFA.

-Adrianna Cherubini, 2022-2023
President of the Kewaskum FFA Chapter

Greetings From The FFA Advisor

Hello Everyone,

My name is Shelly Oelhafen, and I am the agriculture instructor and head FFA advisor at Kewaskum High School. I am so proud of the Kewaskum FFA members and their accomplishments this past year, especially the National Chapter Award. After completing a 20-page application, we earned a Gold placing at the state level, which qualified us for the national level competition. Our chapter received a "3 Star" rating, which is the highest star rating at the national level. Representatives from our chapter accepted our award on stage at the 95th National FFA Convention held in Indianapolis in October. We were all very proud to accept the National Chapter Award for the first time in Kewaskum FFA history.

Shelly Oelhafen, FFA Advisor
PHOTO COURTESY OF
NETWORK PHOTOGRAPHY

We are very happy to be back to our very busy schedule again this year. We have been able to attend several conferences and conventions. Many new members have taken part in the conferences and have enjoyed the chance to travel and meet new people. Members have been actively serving their community by participating in the Adopt a Highway program, operating a petting zoo at Kewaskum's 125th Celebration, and offering fresh fruit through the annual Fruit Sale. Members also have scheduled social events, like snow tubing and attending the Professional Bull Riding event in Milwaukee.

As the agriculture instructor, I am currently teaching the following classes throughout the school year: Agriscience, Dairy Production & Food Processing, Small Animal Care, Modern Livestock Production, Wildlife I, Wildlife 2, and

Horticulture & Landscaping. I provide many unique learning experiences in all of my classes, which include: interesting projects, labs, guest speakers, animal visitors and field trips. I look forward to working with agriscience and horticulture students in the greenhouse this spring and having another FFA Spring Plant Sale. I enjoy working with all of my students and FFA members to make a positive difference in our school and community.

We still have many fun events to come this spring, which include: National FFA Week Celebration, Career Development Events

(judging contests), Annual Awards Banquet, Plant Sale, Food for America Program, State FFA Convention and, of course, the Washington County Fair.

It is extremely satisfying to watch all the FFA members work well together at all our events. New members have been welcomed by all in the membership and have found their place within our awesome leadership organization. All members seem to have a good time, no matter if they are working at a community service event or attending one of our fun "outings," which makes me very proud to be the advisor of such an amazing group.

I would also like to thank everyone in our community for your continuous support this past year. Your contribution to the success of our young leaders is greatly appreciated.

I look forward to the rest of the school year with the entire Kewaskum FFA Chapter.

-Shelly Oelhafen, FFA Advisor

A Note From The Assistant Advisor

Hello Everyone,

My name is Lindsey Ross, and I am the assistant FFA advisor at the Kewaskum High School.

In this role I have had the opportunity to assist with fundraisers and conferences, and be a chaperone to some of the events. I am very excited to be able to help out the FFA again this year!

Lindsey Ross,
Assistant Advisor
PHOTO COURTESY OF
NETWORK PHOTOGRAPHY

I am currently one of the high

school art teachers, but I am also licensed to teach agriculture. This year I have the opportunity to teach one of the Small Animal Care classes in the third trimester! I am also a teacher for Wisconsin Virtual Learning and teach two different agriscience classes virtually. I really enjoy working with all of my students and FFA members.

I live in Random Lake with my husband, Ben, and our three children, Everly Maverick and Ransom. In addition to being a family of five, we have two dogs (Cash and Walker) and a few beef steers. As a family we enjoy all kinds of outdoor activities as well as going to cattle shows.

Living to Serve

FFA members bring tractors for the Food for America event.
SUBMITTED PHOTOS

Food for America

On May 25, the Kewaskum FFA hosted a Food for America event in the Kewaskum Elementary School recess area. We brought different assortments of animals, booklets, flyers and tractors. We all chose a station and slowly but surely, each class from kindergarten to fifth grade came out and looked at each station. The main purpose of this event is to educate the youth of Washington County on where their food comes from and how it is gathered.

Cale Fedorski, Colby Neuman and Noah Shellinger tell the kids of Kewaskum Elementary School how tractors are used to plant and harvest their food.

FFA members enjoyed their time with the animals at the Food for America event, too. Pictured are Oliver Luedtke and Zoey Reysen with Reno.

Zachary Oelhafen and Oliver Luedtke inform the students about proper calf care.

Many Kewaskum Elementary School students enjoyed learning about the chickens.

Classes from Kewaskum Elementary School come outside to learn about the animals and tractors that members brought to share.

Kewaskum Elementary School students enjoy getting to know Scarlet, a mini-mule.

Highway Cleanup

On Sept. 28, FFA officers and members volunteered to clean up Highway 28, west of Kewaskum. The Kewaskum FFA has been cleaning that section of highway for a long time, and we love keeping the community clean and looking the best.

FFA members work together to clean up Highway 28. **SUBMITTED PHOTO**

Rabies Clinic

The Rabies Clinic will be held March 15 at the Kewaskum Veterinary Clinic. This will be the second Rabies Clinic we were able to hold in the last couple of years due to Covid. The Rabies Clinic is held to raise the funds for the Kewaskum Veterinary Clinic Scholarship that is offered every year to deserving FFA members.

FFA members (from left) Zoey Reysen, Megan Johnson, Emily Butzlaff, Sam Fischer, Shelby Falk, Maggie Bartelt and Tierney Herman help the public get registered for the rabies clinic. **SUBMITTED PHOTOS**

FFA members pose for a picture at the state convention before watching the hypnotist show.

State FFA Convention

From June 13 to 16, 2022, six FFA members, Shelby Falk, Samantha Fischer, Zachary Oelhafen, Zoey Reysen, Oliver Luedtke and Matt Oelhafen, attended the 2022 Wisconsin State FFA Convention in Madison. At the convention they explored the college and career fair, and had lots of fun meeting new people and going to the sessions. At this convention we got to watch Samantha Fischer receive her state degree! After the convention we went out to eat at a red robin as a chapter, and then watched a hypnosis show for entertainment. Overall, the trip was so much fun and quite an adventure.

Schreiber Foods is proud to sponsor the Kewaskum FFA.

We appreciate your leadership and dedication to the agricultural community.

Looking for a place where you can make a difference at work and in your community? Check out manufacturing opportunities at our West Bend plant on www.SchreiberFoods.com. We make delicious cream cheese for some of the biggest restaurants and retailers in the world.

Half-Time Conference

On January 13 and 14, two FFA members attended the Half-Time Conference in Stevens Point. At this conference members learned about how to strengthen the other half of the year by partaking in more community service and finding creative ways to increase the amount of membership. They also learned about strategies to prepare for CDEs and LDEs. With this conference being smaller than others, members were really able to talk to the state officers and get their input or their ideas on how to improve the next half of the year. On Friday night after the two workshops, Corissa Bosselman and Zoey Reysen attended the dance and FFA social. This was a great opportunity to meet new people and have lots of fun.

Alex Lenzendorf, Zoey Reysen, Samantha Ficher, Shelby Falk, Adrianna Cherubini, Olivia Golner and Colby Nuemann enjoy time at the Cornerstone Bread Company before attending the second day at the National FFA Convention and Expo.

National FFA Convention

From Oct. 26 to 29, six Kewaskum FFA members traveled to Indianapolis to attend the 95th National FFA Convention. They traveled in a coach bus with a couple other FFA chapters from our area. On the way they stopped for tours, such as the Universal Technical Institute in Lisle, Ill. The next stop they made was a RMD shrimp Fowler, Ind. Then, their last tour was Cornerstone Bread in Indianapolis. At the convention, they took part in a session in which there were a lot of fun activities about how to grow leadership skills. They also spent a large portion of the day exploring the college and career fair, as well as the huge shopping mall. The Kewaskum FFA chapter of members and their advisor was just seven people out of 70,000 others, and one chapter out of almost 9,000 other chapters!

FFA members stand in front of a greenhouse at RMD Shrimp Farm after their tour while on the way to the National FFA Convention.

FFA members pose in front of Harry and Larry's Restaurant in downtown Indianapolis.

I Am and Connect Conference

Seven members attended the I Am and Connect conference, which was held Nov. 10 through Nov. 12 in the Wisconsin Dells. The members left Thursday after school to head to River Falls to attend a college tour the next day. After the tour they then traveled to the Chula Vista Resort for the conference later that day. Friday night and Saturday morning they attended the conference sessions. At the conference they learned many helpful ways to better themselves and to better their connection to others. Members stayed later after the conference to enjoy the waterpark.

FFA Banquet

Every year the Kewaskum FFA holds a banquet to honor all the hard work and efforts that the members have put in. At this banquet several scholarships, awards, degrees and recognitions are given to our members. The past year of events is reminisced upon as memories and stories of all of the activities that the members got to participate in over the last year are shared. As the banquet wraps up the year, the new officers are announced, and the past year's officers give their retiring speeches to soon pass their positions on.

Kewaskum FFA Alumni representative Cody Oelhafen (right) presents Maggie Bartelt with an annual Alumni Scholarship.

Sam Fischer is awarded the Outstanding Senior Award.

Matt Oelhafen is awarded the Outstanding Sophomore Award.

Mikayla Uhlig, Sam Fischer, Emily Butzlaff and Maggie Bartelt are joined by Mrs. Shelly Oelhafen for their senior awards. Not pictured are Rachel Etta and Tierney Herman.

Adrianna Cherubini, Matt Oelhafen, Samantha Fischer and Maggie Bartelt take a group picture after receiving their Agricultural Proficiency awards from Mrs. Shelly Oelhafen. Their respective projects include: Equine, Poultry, Swine and Lamb Production. To earn this, these individuals have put hours of hard work and dedication into their Supervised Agricultural Experiences. They all had to have detailed records of expenses and hours invested into their projects. They all also had to talk about the things that they have learned through their projects.

Mrs. Shelly Oelhafen awards the Vet Science team (left to right) Sam Fischer, Shelby Falk and Adriana Cherubini for placing in career development events.

Sam Fischer is awarded with her State FFA Degree. To get this award, Sam previously received her Greenhand Degree and her Chapter Degree. She also had to fill out an extensive application and meet several different requirements. Some of the requirements include two different public speeches, 25 hours of community service, 360 hours of agricultural instruction, and either invested \$1,500 or 1,000 hours into her Supervised Agricultural Experiences.

Celebrating Our Accomplishments

Emily Butzlaff receives the annual Kewaskum Foods scholarship at the 2022 banquet.

Zach Oelhafen is awarded the Star Chapter Discovery Award.

Colby Newmann is awarded the Outstanding Freshman Award.

The officer team awards Mrs. Lindsey Ross the status of the annual honorary member of the Kewaskum FFA chapter.

Kewaskum FFA Alumni representative Cody Oelhafen (right) presents Tierney Herman with an annual Alumni Scholarship.

Sam Fischer receives the Leon Thull Memorial Scholarship at the 72nd Kewaskum FFA Awards Banquet.

Adrianna Cherubini is awarded the Outstanding Junior Award.

Many members of the Kewaskum FFA take a group picture after receiving their Greenhand Degree. Pictured are: (front row, from left) Emily Butzlaff, Shelby Falk and Maggie Bartelt; and (back row) Cale Fedorski, Noah Schellinger, Dillian Steger, Matt Oelhafen, Rylie DaMico and Colby Neumann.

Leadership Development Event

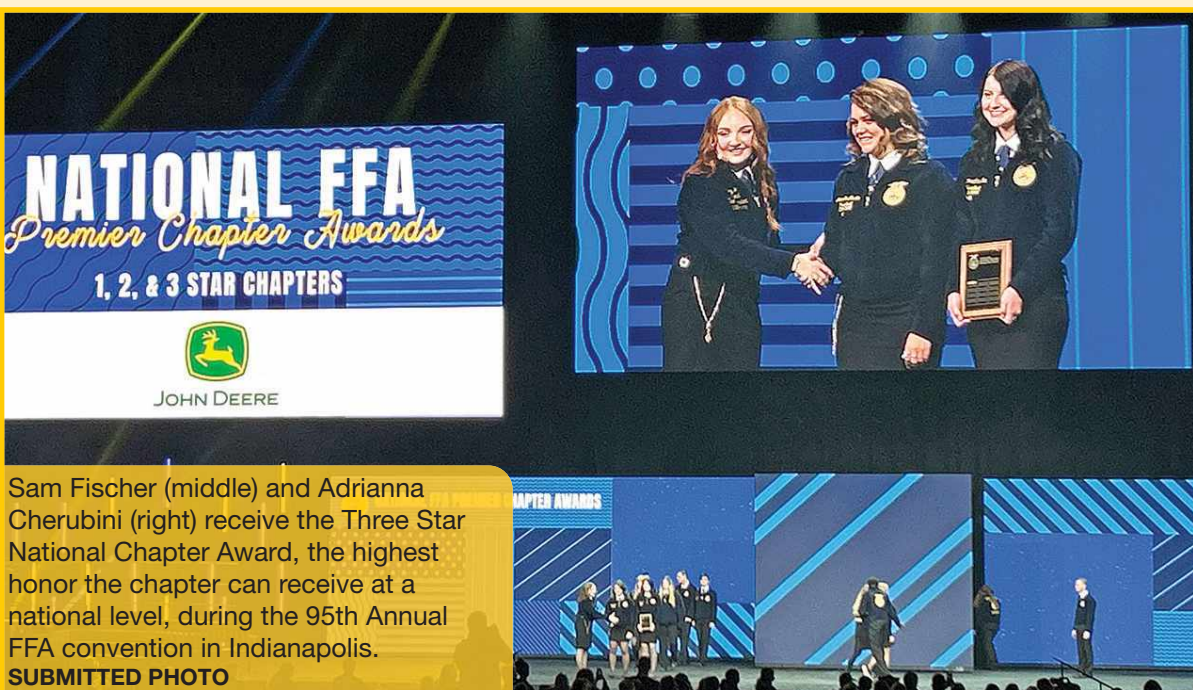

Four members of the FFA competed in the District 28 Leadership Development Event (speaking contest) on Jan. 23 at Hustisford High School. Matt Oelhafen and Corissa Bosselman competed in the Employment Skills category, which is a job interview simulation area. Zach Oelhafen and Zoey Reysen chose the Creed Speaking area to compete in. Matt and Zach finished well, both receiving fourth place. Corissa and Zoey gained valuable experience to try again next year. Congratulations to all participants.

Matt and Zach Oelhafen are awarded for being the high sellers at the annual Kewaskum FFA fruit sale.

Sam Fischer receives the Kewaskum Vet Clinic Rabies Clinic Scholarship. The Annual Rabies Clinic raises the money that goes into the scholarship that has been awarded to many seniors over the years.

Sam Fischer (middle) and Adrianna Cherubini (right) receive the Three Star National Chapter Award, the highest honor the chapter can receive at a national level, during the 95th Annual FFA convention in Indianapolis. SUBMITTED PHOTO

3 Star National Chapter Award

Over this previous year, our past president Sam Fischer filled out the extensive application to be recognized at the National FFA convention for all of our achievements from recent years. We thank Sam for taking the time to fill out the 20-page application to receive this reward, as it is the highest honor the chapter can receive at a national level. This reward reflects the awesome effort of all of our members, advisors, alumni and community that ultimately keeps our 72-year-old chapter alive.

Learning to Do, Doing to Learn

Washington County Fair

A large majority of our FFA members take part in SAEs. SAEs are Supervised Agricultural Experiences. Our members' fair animals fall under this category. Kewaskum FFA members take pride in their livestock for the county fair. The Washington County Fair is one of our biggest events that our members participate in. Kewaskum FFA members spend many hours working with their livestock so they are prepared for the fair. Members manage the consumption of feed and water of their animals to help them be more aware of what they are gaining per day. They spend various hours training their livestock to behave positively on show day. On Tuesday, the first day of the fair, all species are brought to the barns. The meat animals are weighed and then put into weight classes for the show. After all the meat animal shows are finished, if eligible, our members are able to sell in the Washington County Fair Livestock Auction. The auction is held on Thursday of the fair at 6 p.m. The Kewaskum FFA is beyond grateful for the opportunity for our members and happy to be back showing for yet another great year. We hope for another great year at the fair in July 2023!

Career Development Events

Last year, four members signed up for the Vet Science Career Development Event (CDE). They had to pass a virtual screener test to move on to the in-person contest at the Fox Valley Technical College (FVTC) in Appleton. The team did well at FVTC and took another virtual screener test to qualify for the state competition but did not qualify.

Members of the Vet Science team included: (from left) Savannah Baumhardt, Sam Fischer, Adrianna Cherubini and Shelby Falk. **SUBMITTED PHOTOS**

Vet Science team members enjoy ice cream at Kelly's Country Creamery as that was on their way home from the Vet Science Career Development Event.

Vet Science team members had fun celebrating their hard work and accomplishments on the way home from the contest. A stop for lunch at the Mineshaft for good food and games was enjoyed by all.

Fun For All Activities

Ag Olympics

Each year the FFA holds an assembly in which each grade level creates a team and competes while the other students watch. They compete in a relay-race type of event with different “stations” put together by the FFA officers. There is also a Teacher Team that competes each year. The Junior Team members were the champions last year. Students always have a lot of fun with this event.

Ag Olympics. SUBMITTED PHOTOS

National FFA Week

In 2022, National FFA Week was Feb 21-25. The FFA planned different dress-up days for the students and staff for the week. At lunch, students spent time doing different activities and playing games. It is always fun watching the participation in the dress up days as well as at lunch.

Homecoming Parade

On Oct. 7, the Kewaskum FFA walked in the 2022 Homecoming Parade. Members brought in a heifer, a lamb and a goat. For other elements, members made a sign and drove three tractors through the parade. The animals all cooperated and walked through the parade fairly well. The parade itself was an overall success.

Cale Fedorski, Noah Shelling and Conner Scaffidi drive tractors in the Homecoming Parade. SUBMITTED PHOTOS

Several FFA members dressed up for our theme, “This ain’t our first rodeo, so tackle the Tigers,” and walked in the Homecoming Parade with their animals.

Professional Bull Riding

Members attend the very exciting Professional Bull Riding event at the Fiserv Forum in Milwaukee last February. **SUBMITTED PHOTOS**

Members enjoy watching the Professional Bull Riding event at the Fiserv Forum in Milwaukee last February.

The FFA group was recognized on the big screen at the Professional Bull Riding event. Members all enjoyed the bus ride there and back as well as the event itself. Some members even purchased souvenirs to remember the trip.

World Dairy Expo

The Kewaskum FFA attended the World Dairy Expo on Oct. 4. Members spent the day walking around and engaging with the different booths and things the world's top dairy, tractor and equipment manufacturers had to offer. People from around the world gather in Madison to attend this six-day event. The Kewaskum FFA is very lucky to be able to attend this event with ease due to the convenient location of our chapter.

The following FFA members are pictured at the World Dairy Expo: (from left) Mason Raether, Colby Neumann, Cale Fedorski, Kiley Goslinowski, Zach Oelhafen, Shelby Falk, Peyton Theusch, Adrianna Cherubini, Alex Lenzendorf, Zoey Reysen, Grace Shultz and Oliver Luedtke. **SUBMITTED PHOTO**

The Kewaskum FFA will host hypnotist Brian Imbus on Tuesday, March 14, at 7 p.m. in the Kewaskum High School Theater.
SUBMITTED PHOTO

Kewaskum FFA To Host Hypnotist

The Kewaskum FFA will host the entertaining professional hypnotist Brian Imbus on Tuesday, March 14, 2023, at 7 p.m. in the Kewaskum High School Theater. The public is encouraged to attend this action-packed, very funny show. Volunteers will be selected to be part of the show and be hypnotized on stage. This show is part of the extended celebration of National FFA Week, and we feel by March everyone is looking for some extra fun in their lives. Mark your calendars and watch for more information on posters, in the newspaper and on social media as the date approaches. This event will be super entertaining for the entire family.

FFA members have fun at the Kalahari resort in Wisconsin Dells. Pictured are: (from left) Haley Wollemann, Rylie D'Amico, Shelby Falk, Samantha Fischer, Adrianna Cherubini, Zachery Oelhafen and Zoey Reysen.
SUBMITTED PHOTOS

Kalahari Trip

On June 23, the FFA went to the Kalahari resort in Wisconsin Dells. Members and officers spent the day at the waterpark. They went swimming at both the indoor and outdoor waterpark. They went down all the water-slides they could and, all in all, had a great time. It was a day of much needed fun and relaxation.

Members spent the day at the waterpark in Wisconsin Dells.

Sunburst Tubing

Last year's winter fun event was held at Sunburst Tubing. There were two tubing sessions, each two hours long. The members tied tubes together and all ride down the hill together in order to try to go faster and farther. All in all, it was a very enjoyable and fun event for the Kewaskum FFA.

Earning to Live

Fruit Sale

The Annual Kewaskum FFA fruit sale is one of the biggest fundraisers held by the Kewaskum FFA, and this fundraiser has been going on for more than 40 years. The Kewaskum FFA chapter would like to thank everyone again who purchased items from our fruit sale, as it is sincerely appreciated. This was the fifth year the Kewaskum FFA has held the fruit sale in our newly built greenhouse. We can't wait to use the greenhouse again for the annual plant sale this spring!

A group of FFA members stands in front of the rapidly decreasing supply of fruit. Not pictured are the customers with rapidly increasing smiles on their faces. **SUBMITTED PHOTOS**

A group of students helps set up for the fruit sale.

The fresh grapefruit and oranges have arrived!

FFA member Noah Schellinger helps load up an order with FFA officer Matt Oelhafen.

Plant Sale

The Kewaskum FFA started doing a plant sale to share the plants grown for classroom experiences with the community and to raise money for the FFA. The plants are grown and managed by the Horticulture & Landscaping and Agriscience students. This is one of many fundraisers that the FFA does. The Plant Sale is scheduled for May 11 and 13, 2023. Watch for advertisements closer to May.

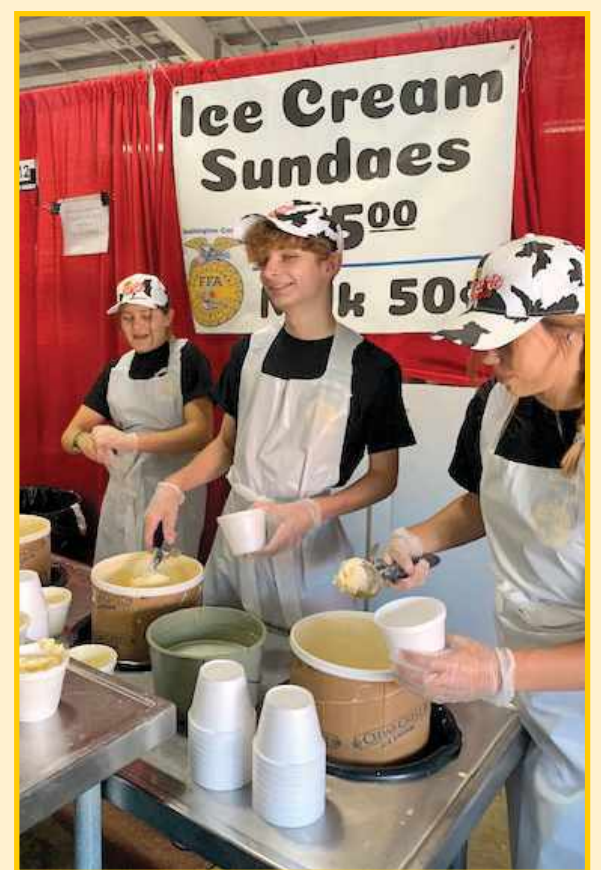

Customers browse through the tables of plants as FFA members are ready to assist as needed. **SUBMITTED PHOTOS**

The students create an attractive entranceway to the plant sale in the greenhouse.

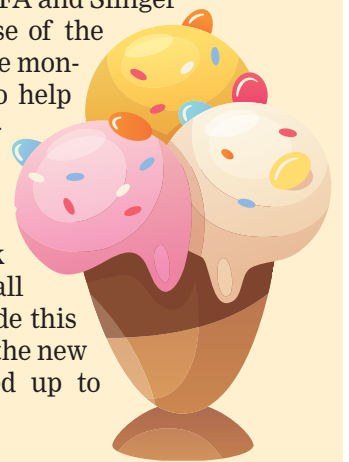

FFA members are kept busy during the plant sale as they check out customers.

State Fair Ice Cream Booth

Each year a group of FFA members travel down to the Wisconsin State Fair to volunteer at the State Fair Ice Cream Booth. Our members take on 12-hour shifts either in the morning or night to serve the visitors at the Wisconsin State Fair. This is the FFA's biggest fundraiser. The Kewaskum FFA works with both the Hartford FFA and Slinger FFA over the course of the State Fair week. The money raised is used to help fund different leadership conferences that members participate in throughout the year. Thank you goes out to all the people who made this possible again and the new people who stepped up to help us.

Agriculture Class Adventures

Ag. Class Adventures

The Kewaskum High School Agriculture classes offer many different types of adventurous experiences every year. Students have many opportunities to learn through hands-on experiences. Each class enjoyed an all-day field trip that included four to five stops at local businesses to experience many class topics in the real world. While on these field trips, students can make many connections for job shadowing, volunteering or even future job opportunities.

While in the classroom, students are highly engaged through a variety of instructional activities, assignments and projects. There is never a dull moment in the Ag. room. Students work together to enhance their teamwork, problem-solving and leadership skills. The Ag. department offers many opportunities to experience real-life scenarios in plant management in the greenhouse, animal management in the animal lab and hydroponics management right in the classroom. Students can explore many career-related options in any one of the seven agricultural classes and enjoy many exciting adventures along the way.

We had Mary Schrieber, our Section 10 State FFA officer, visit the classroom on Nov. 31. Students participated in many different group activities in the classroom and in the greenhouse. Students practiced leadership in a couple of activities; teamwork and goal setting were objectives in the other activities. Everyone enjoyed an adventurous day in their Ag. class as we started our second trimester classes. **SUBMITTED PHOTOS**

Mary Schrieber, our Section 10 State FFA officer, taught us about leadership and how to use teamwork to complete the task at hand and we had fun doing it!

The hydroponics systems are exciting additions to the Ag. Department. The Horticulture & Landscaping students did a majority of the management of the system with some help from the Agriscience B class. Each unit holds 144 lettuce plants, which grow to maturity in 25 days. This is about half of the time of lettuce grown in soil in a fraction of the space as well. The two hydroponics systems produce about six pounds of lettuce each week, which is harvested and used by the KHS cafeteria so that all students can enjoy it at lunchtime. These systems give the students the chance to be a part of the food supply chain right in the classroom.

Students help package the lettuce for delivery to the KHS kitchen to be processed further and then offered to all KHS students as a food choice for their lunch each day. Students also monitored the water quality of the hydroponics system by taking samples daily and testing them for pH and total dissolved solids to ensure the best growth of the lettuce plants.

Students engaged in problem solving, teamwork and communication-based activities, which also resulted in plenty of fun.

Horticulture & Landscaping students worked hard to plant and manage many types of flowers and vegetables during their plant unit. The greenhouse is a unique learning space that allows students to have many hands-on experiences.

By the end of the school year, the greenhouse is full of beautiful flowers and garden vegetables. All students are very proud of their hard work and management success.

Students in Horticulture & Landscaping class enjoy working outside in the spring while completing maintenance projects around the high school and middle school building.

Small Animal Care & Management students take their turn cleaning the classroom rabbits' cage. All students rotated through the responsibilities of caring for the rabbits. "Learning by doing" is a big part of the Ag. class experience.

Small Animal Care & Management students take their turn cleaning the classroom rabbits' cage. All students rotated through the responsibilities of caring for the rabbits. "Learning by doing" is a big part of the Ag. class experience.

A therapeutic riding lesson observation is part of the stop at Rides & Reins Therapeutic Riding facility. Several students also participated in the lesson as volunteer helpers.

At Western Trails Equestrian Center, students toured the large horse business where they learned about horse boarding, riding lessons and horse behavior.

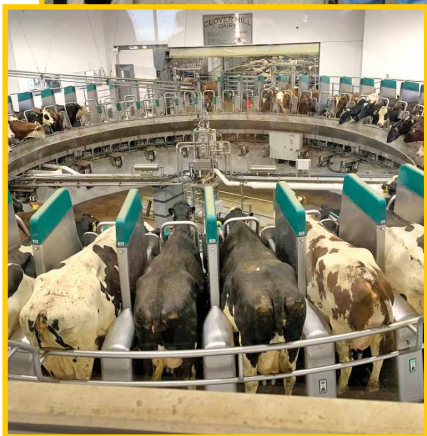

A field trip to Dawg's In Motion gave the students in Small Animal Care & Management class the opportunity to see the services offered at this doggy day care, training and physical therapy facility.

Students in Small Animal Care & Management class received a "behind the scenes" tour at the Wisconsin Humane Society in Saukville. All were excited to meet a very friendly dog awaiting adoption.

Creating animal science displays in Agriscience B class is one of the students' favorite projects, which allows them to teach others about their information in a unique and engaging way.

At Clover Hill Dairy, students toured the large dairy farm that is home to a 50-cow fully robotic rotary milking parlor. Students learned about the care and management of the dairy animals as well as how the manure digester turns manure into natural gas.

Agriscience students enjoyed a busy day on their fieldtrip with five stops in the area. Stops included Clover Hill Dairy, Farmers' Grain & Feed, Farmers' Implement, Western Trails Equestrian Center and Schmidt Century Farm.

Agriculture Class Adventures

Students learned about the daily operations of ST Genetics, a unique business in the world of cattle. Biosecurity is a concern during the tour, so students had to wear these interesting outfits.

SUBMITTED PHOTOS

At Farmers' Grain & Feed, students received a tour of this very modern feed mill near Allenton. Students learned about the daily operations of the mill and also were informed of the many career opportunities within this business.

Modern Livestock Production students were creative with their Safety Projects by bringing in live animals and building models to simulate safety concerns on livestock facilities. FFA members Zach Oelhafen and Oliver Luedtke built a model to simulate dangerous conditions while operating farm machinery on a steep hill.

Agriscience students spend a beautiful fall day outside collecting soil samples from around the school property. These samples will be used for a Soil Science Lab in the classroom.

Students in the Dairy Production & Food Processing class traveled to the Fond du Lac area for an interesting day of tours. They visited Rosendale Dairy, ST Genetics and LaClare Family Creamery.

CAMPBELLSPORT FFA

Introducing the 2022-2023 FFA Officer Team

Jamie Reilly

My name is Jamie Reilly, and I am serving as the 2022-2023 Campbellsport FFA President.

Growing up on a small grain operation and showing pigs, which is my SAE project, for the past 10 years has led me to develop a passion for all things ag!

Through my involvement in the FFA, I have gained valuable life skills such as leadership and organization as I plan, lead and execute a variety of tasks and events with my fellow officers.

One of my biggest events this year was organizing our annual Food for America event. It was a program I originally spearheaded last year, and I loved watching how the program has expanded.

My passion for agriculture has led me to be an advocate for those who are not as fortunate to be around animals and other facets of the ag industry that I was exposed to on a daily basis, so Food for America was the perfect event for me to be a part of! I was able to teach children all about how their food is produced in a fun, hands-on way.

As a member of the FFA, I also enjoy participating in the CDE and LDE contests. This year, I am participating in the livestock judging team, where the team will be judging several classes of livestock to determine the best quality animal, and I also participate in Extemporaneous Speaking and the Discussion Meet LDEs as well.

I would strongly encourage any high school or middle school student to join FFA because it not only builds character and skills that are crucial to a successful future, but friendships that are sure to last a lifetime as well.

Caitlin Neitzel

My name is Caitlin Neitzel and I am serving as the 2022-2023 Campbellsport FFA Vice President.

At a young age, I experienced FFA through my older brother who was very involved in FFA as well as my parents with the Alumni.

I joined FFA for all the opportunities such as Leadership Development Events and also Career Development Events which will help me after school.

My Supervised Agricultural Experience is Dairy Placement.

From early on, I have always been involved in the dairy industry by working on the Neitzel Farms and on other various farms in the Campbellsport School District.

I encourage others to join FFA; your background does not matter, you don't have to live on a farm or live in the country. There are lots of opportunities for any kids that join FFA that will help you in the future no matter what you plan on doing.

My most favorite part of FFA is meeting all the new people from other chapters.

Next year, I will be attending the University of Platteville for a dual major of soil and crop science and agricultural business.

Hadlee Rohlf

My name is Hadlee Rohlf, and I am serving as the 2022-2023 Campbellsport FFA Treasurer.

I have been involved in the agriculture industry since I was a little kid through my family farm. I have experience with beef cattle as well as cash crops.

As I grew up, I got more involved with FFA through my older sister.

Throughout middle school, I participated in several different events that the FFA organized and it drove me to apply to be an officer. After participating, I wanted to make a difference and help improve our events as well as implement new ideas that can spread the world about agriculture!

My favorite FFA event that I have helped put together is Food for America simply for the fact that I get the opportunity to educate younger students in our community about the importance of agriculture and how it is a part of their daily lives.

Emily Gatzke

Hello, everyone!

My name is Emily Gatzke, and I am serving as the 2022-2023 Campbellsport FFA Reporter.

Now a junior in high school, my FFA journey began in eighth grade when I joined to help build advocacy for the agriculture industry. Agriculture has been my passion ever since.

Since my first year in FFA, my life has been influenced so much by the organization not only building my confidence, but also building me as a leader.

I enjoy participating in Leadership Development Events like Prepared Public Speaking to further my abilities and communication skills. I also participate in Career Development Events as a member of the Dairy Judging team!

My SAE involves working at 3 Sweets Bakery and Cafe in Dundee; working as a cook in the kitchen and a barista in the coffee area. I make food and drinks to serve to customers.

My favorite FFA event that we have is Ag in the Classroom. I absolutely love going to the first grade classrooms to teach them small lessons about agriculture, not only sharing my knowledge with them, but also watching them get excited about agriculture!

Kaydence Hodorff

My name is Kaydence Hodorff, and I am serving as the 2022-2023 Campbellsport FFA Secretary.

I have been in the agricultural industry since I was little, and it has shaped my involvement with agriculture.

I joined FFA to help improve my knowledge of the industry and participate in Career Development Events.

My SAE includes raising dairy cattle for showing at district, county, state and national levels.

I would encourage people to join FFA by telling them about all the opportunities that it has to offer, such as leadership opportunities, going to conventions and building relationships as well as character.

My favorite FFA event is Ag in the Classroom. Being able to teach the younger kids about some of the different parts of the agricultural industry is a cool opportunity. Teaching these kids about agriculture is one of the best parts for me because it allows for them to begin thinking about different opportunities that they can have in the agricultural field.

Austin Flasch

My name is Austin Flasch. I am serving as the 2022-2023 Junior Advisor. I am a junior at Campbellsport High School.

Starting in eighth grade, I joined FFA because I believe that FFA will help me in my

career choice in being a DNR warden to further my knowledge in the natural resource field.

I love the outdoors, from hunting to snowmobiling and more. I do it all. My favorite outdoor activity is snowmobiling because I get to travel all across the state and ride to look at the scenery in the beautiful State of Wisconsin.

I am a member of the Landscaping CDE team through the FFA as well. This competition helps further our understanding of plants, blueprints, structure building and other landscaping ideas.

PROUD TO SHOW OUR
SUPPORT FOR THE
CHS FFA

CAMPBELLSPORT FFA

Plant Science: From Seed to Blossom to Sale

Last spring, we had some amazing students create some amazing masterpieces.

Students in the Ag Departments Plant Science classes worked hard to grow plants in the greenhouse as a part of their everyday curriculum.

Students learned the anatomy of each plant and how to identify its needs based on its appearance. They also were taught how to properly care for each individual plant and quickly learned the names of each plant species in the green house. They worked to grow these plants until they were big and blossomed.

Once plants were fully grown, we were able to sell them at our annual plant sale around Mother's Day!

A huge thank you to all of our plant science students and to the community who supports us year after year.

Brat Fry

On July 29, 2022, Campbellsport FFA had the pleasure of hosting a brat fry sponsored by Grande Cheese at the Campbellsport Piggly Wiggly.

Thanks to everyone who came and supported us!

We had a handful of members participate in the grilling, prepping and serving at the brat fry for the community to enjoy.

A huge thank you to Grande Cheese for sponsoring this event and to the Campbellsport Piggly Wiggly for allowing us to hold it there!

CAMPBELLSPORT FFA PHOTO

Officer Training and Preparing an Exciting Year!

To kick off the year this year, the 2022-2023 Campbellsport FFA Officer Team traveled to the United Church Camps, Daychola Center in Ripon.

They spent three days of their summer vacation in July 2022 to plan out the upcoming year.

While they were there, they participated in multiple activities to help build leadership, decision making, teamwork and critical thinking skills. Activities like a "lava feet race", "snowball questionnaire," "thank you's," "etiquette" and "16 personalities tests and problem solving" and many more brought the fun while allowing the officers to build skills and memories to last forever.

Throughout the trip – while having fun – the team also worked together to plan out the POA for the new year.

The officers met again on January 22 this year to plan even more while enjoying new bonding time!

2022-2023 FFA Officer Team

Hunter Schultz

My name is Hunter Schultz. I am serving as the 2022-2023 Campbellsport FFA Sentinel.

I am an avid outdoorsman and always enjoy hunting, ice fishing, ATVing or snowmobiling any chance I get.

I joined FFA in seventh grade because I had some family members who convinced me to join. Joining the FFA is a choice I won't ever regret making.

FFA has introduced me to so many new experiences including National FFA convention and State FFA convention.

I am also part of the Landscape CDE team.

All of my FFA experiences have made me a better person, leader and peer to those around me. Not only teaching me to take the first step sometimes, but also opening my eyes to a world of opportunities.

McKinley Krueger

My name is McKinley Krueger, and I am currently a sophomore serving as your 2022-2023 Campbellsport FFA Parliamentarian.

I have been involved in agriculture since a very young age; the joke in my family is that I was taken out to the barn at a week old and I haven't left it since.

I have been in FFA since I was in sixth grade.

I joined FFA to follow in my family's footsteps since both of my parents were very active members when they were in high school.

I have grown up on a farm where my SAEs are swine production, beef production and diversified livestock. I show both cattle and show pigs at the county, state and national levels throughout the year.

My favorite FFA events to participate in are the CDE and LDE contests. This year I participated in Prepared Public Speaking for my LDE, which is where you write and memorize a speech that is six-eight minutes long.

I am also a member of the livestock judging team where we judge different classes on all four species of livestock and give a set of oral reasons on why we placed the class the way we did.

I encourage people to join FFA because in FFA it is so much more than just farming and showing livestock. You get to meet some of the best people in the country at different events and make so many new friends.

Trusted Experts.

District L.D.E.s

This year, on January 23, four of our high school members and six of our middle school members traveled to Hustisford to compete in district Leadership Development Competitions (LDE).

Our six middle school members competed on two teams for the Quiz Bowl Competitions.

Team one – Chase Jordan, Maxwell Monte and Jacob Scannel – worked together and gave it their all but came up just a little short.

Team two – Grace Walsh, Paige Meyer and Brooklyn Krueger – persevered through several rounds of overtime questions in both rounds and took home second place.

We are so proud of all of our Quiz Bowl members as they shape the future for success!

High school members also worked using their communication and leadership skills.

Kaydence Hodorff competed in Employability Skills presenting a resume to the judges and giving it her all to communicate her skills.

Jamie Reilly competed once again in Extemporaneous Speaking but also used her agricultural skills and knowledge in Discussion Meet. McKinley Krueger wrote a heartfelt Prepared

CHS FFA at the LDE in Hustisford. Pictured: Paige Meyer, Grace Walsh, Brooklyn Krueger, Kaydence Hodorff, McKinley Krueger, Emily Gatzke, Jamie Reilly, Max Montie, Jacob Scannel and Chase Jordan. **CAMPBELLSPORT FFA PHOTOS**

Public Speaking speech about leaving a legacy to create a topic of interest in the agriculture industry, while Emily Gatzke competed in Prepared Public Speaking as well. Emily wrote a piece on advocating for agriculture education and took second place.

Both of our second place winners will be moving on to sectionals this year in March.

We are so proud of all of our LDE competitors for putting themselves out there to demonstrate their perseverance, communication skills and leadership abilities!

Landscaping Team, pictured from left, Jacob Jordan, Austin Flasch, Hunter Schultz and Hunter Jordan.

Dairy Evaluation Team, pictured from left, Caitlin Neitzel, Kaydence Hodorff, Maverick Grahl and Emily Gatzke.

Livestock Team, pictured from left, Hadlee Rohlf, Jamie Reilly, Sebastian Meyer, McKinley Krueger and Mr. Funk.

Return to Clover Hill Dairy

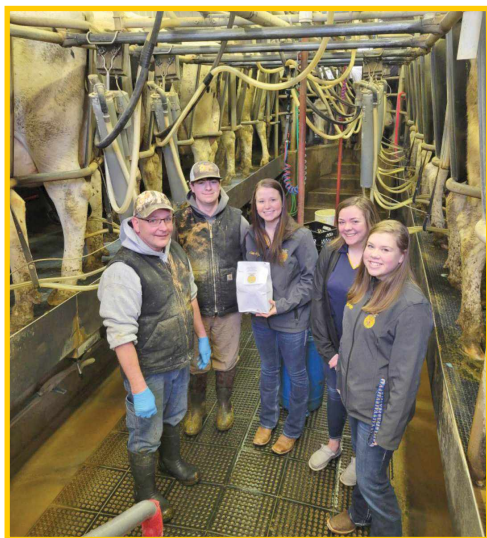

Our chapter returned to Clover Hill Dairy to bring fourth graders from Campbellsport and Eden Elementary schools out to the farm to widen their knowledge about agriculture, specifically the dairy industry.

At Clover Hill in the Town of Ashford, the students learned about things ranging from TMR (total mixed rations), the farm's robotic rotary and the breed of cows they use to even their manure storage and removal.

These kids also participated in some trivia and other activities while touring.

Austin Flasch, Jon Thelen, Jacob Jordan, Hunter Schultz, Mason Hettwer, On a field trip to Clover Hill Dairy are Maverick Grahl, Jamie, Reilly, Chris, Meyer, Hadlee Rohlf, Caitlin Neitzel, Paige Jordan, Kaydence Hodorff, McKinley Krueger, Emily Gatzke, Hunter Jordan and Sebastian Meyer.

Successful C.D.E.s

This past spring, our Career Development Event (CDE) teams worked hard to make a trip to Madison.

First competing at regional levels, our Landscaping, Dairy Judging and Livestock Judging teams persevered through late night practices, new learning challenges and other bumps along the way to make it to the State competitions.

Campbellsport FFA is forever grateful for the perseverance and dedication of its members. Always pushing themselves to the limits and learning to work as a team, they have been able to accomplish so much and hope to continue that again in this year's competitions!

Awards are as follows: Dairy Evaluation took 11th overall with Kaydence Hodorff as a high individual placing second. Livestock Judging took sixth overall, and the Landscaping team took fourth overall with Hunter Jordan as a high individual placing sixth.

Campbellsport FFA is supported by Tom's Quality Millwork

Tom's Quality Millwork was founded in 1978 on the premise that quality construction materials and principles should be the standard. Service afterwards has always been a part of our tradition and continues to this day. We have the right people, the right products and the right services.

Lilli Schneeburg, Chris Meyer, Jamie Reilly, Aubree Koenings, Kelise Hearden, Jacob Jordan and Jon Thelen at the Mission/Impact Conferences.
CAMPBELLSPORT FFA PHOTOS

Mission/Impact Conference

Seven members of Campbellsport FFA attended the Mission/Impact Conference hosted in Wisconsin Dells this past fall.

Members attended workshops run by State and National FFA speakers, where they learned how to apply principles such as purpose and time management to form attainable goals.

Students can use these concepts in their everyday lives to become better students and leaders in their community.

Enjoying the parade season are Mr. Funk, Aubree Koenings, Caitlin Neitzel, Emily Gatzke, Jon Thelen, Chris Meyer, Hunter Schultz, Austin Flasch, Jacob Jordan, Ms. Henke, McKinley Krueger, Hadlee Rohlfs, Kaydence Hodorff, Grace Cochenet, Paige Meyer, Brooklyn Krueger and Jacob Scannel.

Parades

Campbellsport FFA had the privilege of not only attending one parade this summer, but two!

Starting with the Campbellsport Fourth of July parade, the members turned up the tunes and rode the newly decorated float through the parade. They threw candy to friends, family and members of the community while exhibiting pride for our organization

to those who we would not be able to function without: our supporters.

Next, they headed to the Eden Parade in August and, once again, cranked the music as they rode the float.

The members tossed candy to the Eden community and watched the support grow with shouts from the crowd of, "Go, FFA!"

Halftime

At the 2023 Halftime Conference, two of our members, Kaydence Hodorff and Emily Gatzke, participated in numerous workshops which taught about building their brand, confidence and improving FFA events and leadership.

Emily Gatzke and Kaydence Hodorff at Halftime.

This spring, the chapter took on a large project of putting in a flower bed in front of the Campbellsport FFA sign. The chapter brought together other members and students in the Advanced Plant Science class to help assist with this large project. This project was a good learning activity for the kids due to the work needed to be put into the flower bed. New Record!

Fruit sale continues annual growth

We had a fantastic turnout for our annual fruit sale! Collectively, we broke a record, once again, selling more fruit than all of the years prior.

Thank you to all of our supporters who buy fruit and all of our members who sold fruit this year. We couldn't do it without you!

Logan Birschbach enjoying the record numbers during the CHS FFA fruit sale.

Helping at the fruit sale are McKinley Krueger, Hunter Schultz, Austin Flasch and Jordan Ebert.

Thank you to our Future Farmers!

Crave proudly serves local cheese, beef, and produce when available. Eat local and taste the difference!

McKinley Krueger in the beef show at the 2022 Fond du Lac County Fair.

Fond du Lac County Fair and Fun

The 2022 Fond du Lac County Fair ran from July 20-24, with several Campbellsport FFA members winning in beef, dairy and swine and shows.

Beef

This past summer, we had eight FFA members working hard in the barns with their calves.

We had a total of 12 calves this year between our market and breeding animals.

As a group overall, we had a great year.

We had one white ribbon, two red ribbons, five blue ribbons, Champion Beef Steer, Reserve Champion Dairy Cross Steer, Champion Overall Steer and Champion Bred and Owned Steer.

In the breeding stock show we got three blue ribbons and Reserve Champion Breeding Heifer.

All of our students did a great job in showmanship. We received one pink ribbon, two white ribbons, three red ribbons and two blue ribbons.

We also received Reserve Showman Grades 7-8, Champion Showman 9-10 and Champion Overall Showman.

We all worked hard on herdsmanship throughout the week.

Dairy

In the dairy barn, we had five members that had shown at the Fond du Lac County Fair, with a total of 11 animals.

We had a great year, with three red ribbon heifers, seven blue ribbon heifers and a Reserve Junior Champion heifer in any other breed.

We also had a good year in showmanship, earning three red ribbons, one winning the class and one getting Grand Champion Showman.

We had two members that had the opportunity to judge Little Britches due to their success in showmanship.

We also had a member sell in the Quality Milk Auction.

Last year, we had two alumni members show in the Agromatic Holstein Futurity.

The dairy showers also worked hard in herdsmanship.

Swine

Jamie Reilly in the swine show.

Campbellsport FFA is proud to announce we had a record breaking number of exhibitors in the swine barn this year.

Our nine exhibitors earned a total of seven blue ribbons, six red ribbons, two white ribbons and one pink ribbon in the ring with additional awards for Reserve Champion Gilt, Champion Showman Grades 9 and 10, Champion Showman Grades 7-8, Grand Champion Showman and Reserve Overall Breeding Stock.

Congratulations to all of our swine showmen for the hard work they put in this year!

FFA Alumni Sponsors Jackets of the Future

The Campbellsport FFA Alumni are huge supporters of our organization, always willing to help and offer opportunities to our members.

For many years, our Alumni have offered a program that allows students to be involved and receive some awards for their hard work.

As students participate in Alumni events and opportunities they keep track of the hard work members put in.

Their hard work and dedication pay off when they receive an alumni-sponsored jacket! As they wear these jackets, members can remember their hard work and show off how proud they are to be a part of the National FFA Organization!

Clothing Drive

Campbellsport FFA wants to provide all our high school and middle school students with access to what they need to be successful.

By partnering with the CMS Clothing Closet, we can supply students in need with necessities such as clothing, shoes, jackets and hygiene supplies.

The event met with much support from students and staff, and we hope to host another clothing and hygiene drive open to the community this coming April.

Campbellsport FFA Alumni & Supporters

Are you interested in helping the Campbellsport FFA members grow in premier leadership, personal growth, and career success? Consider joining the Campbellsport FFA Alumni and Supporters! We are always looking for new members who are excited about Ag Education and FFA! Contact Ms. Henke @ shenke@csd.k12.wi.us for more information.

Rockin' it at the State Convention

In early June, the officer team went to Madison to attend the State FFA Convention.

After arriving, our first stops were leadership workshops. At the leadership workshops, we learned how to further execute the year ahead.

We wrapped up day one with dinner at Cracker Barrel.

The next day we spent at the expo hall. While there, we talked to multiple different booths from colleges, businesses and other agriculture-related industries.

During both days, officers attended sessions that taught them about leading the chapter.

That night, we listened to our keynote speaker Amberly Snyder, who spoke not being limited by self-imposed boundaries.

We also attended a session where two former Campbellsport officers were awarded their hard-earned state degrees.

Jacob Jordan, Aubree Koenings, Jamie Reilly, Maddi Volz, Austin Flasch, Lilli Schneeberg, Emily Gatzke, Paige Jordan, Kaydence Hodorff and McKinley Krueger were among the 10 CHS FFA members to attend the National FFA Convention in 2022.

Ten at National F.F.A. Convention?!

In October 2022, we took 10 members to the FFA National Convention. These members toured Universal Technical Institute, where they learned about diesel mechanics, welding and much more.

They also toured the RDM Shrimp Factory, where they learned how shrimp are grown landlocked.

Cornerstone Bread Company was their next stop, where they learned how they make their bread.

They then attended the opening ceremony when they got to participate in a pre-session dance party.

The third day was the Expo and the Rodeo. They learned about many new career opportunities the agriculture industry can provide.

Driving Our Way to a Clean Highway 67!

On October 22, 2022, Campbellsport FFA took some time to clean part of Highway 67.

The members grabbed bags and safety vests and headed to both sides of Highway 67.

Both high school and middle school members spent the morning together talking and laughing while cleaning up the sides of the roads to better the environment and community.

After the members cleaned the two-mile stretch, they went to King Pin for lunch and to bowl.

They all had a great time and built new friendships and bonds while benefitting the community that supports them!

Food for America 2.0

After the success of the first annual Food for America, the event reappeared bigger and better this past fall.

We were able to open up the program to several other schools in the surrounding area to reach even more students.

Students were educated on many topics relating to the agriculture industry such as food production and specialized Wisconsin food products, farm safety and thanking our farmers in a hands-on manner sure to have a long-lasting impact.

We are so grateful for a successful event and hope to expand even more in the years to come.

Emily Gatzke gives a presentation during Food For America 2.0 in 2022. CAMPBELLSPORT FFA PHOTOS

Dairy Expo

Seventeen Campbellsport FFA members took a trip to Madison, for the World Dairy Expo.

Members competed in competitions and walked around the expo center learning about different companies that support the ag. industry, while stopping every now and then to go watch dairy cattle shows.

The Dairy Products Evaluation team included Austin Flasch, Hunter Schultz and Jacob Jordan.

Paige Jordan, Jamie Reilly and Brittany Reilly used their skills on the Forage Judging team.

The Dairy Cattle Evaluation team included Kaydence Hodorff, Hadlee Rolfs and Emily Gatzke.

At the Dairy Expo are Jacob Jordan, Hadlee Rohlfs, Jamie Reilly, Hunter Schultz, Chris Meyer, Patrick Coon, Maddi Volz, Carson Reis, Austin Flasch, Jon Thelen, Kaydence Hodorff, Paige Jordan, Tamra Hettwer, Brittany Reilly, Emily Gatzke, McKinley Krueger and Emma Ginard.

Fall Leadership Workshop

Our officer team traveled to Fall Leadership Workshop in 2022 to kick off the new school year.

At Fall Leadership, each officer attended workshops. In these workshops, students learned how their offices worked and how to execute their duties properly. They also learned how to be problem-solvers on their teams to help benefit the chapter.

Officers brought back fun stories from their workshops that showed just how much they learned from leadership skills to executing their duties, and learning how to be a team player!

Caitlin Neitzel, Hadlee Rohlfs, Hunter Schultz, McKinley Krueger and Kaydence Hodorff at the STRIDE Conference.

'STRIDE' Conference

Campbellsport FFA had five members go to the PDPW STRIDE conference in Dodge land.

There they heard Michael Hoffman talk about how the decisions made now will affect their lives forever and how to present themselves.

They also heard from the past State President Ben Styer, about leadership and what a leader is to us.

They finished out the day touring Nehls Bros. Farm and did some hands-on activities with calf care and management techniques.

Crop Show and Pork Chop Dinner

On October 8, 2022, the Campbellsport FFA hosted the annual Crop Show and Pork Chop Dinner.

This annual event takes a large amount of time and effort to execute successfully.

This year, we were able to provide 220 meals and had an extraordinary turnout of community members and supporters of our program.

The members of our chapter displayed valiant effort in organizing, planning and seeing both the

crop show and pork chop dinner through.

We were fortunate to have a considerably large number of quality auction items that were donated by local businesses, Alumni members and FFA members alike.

Thank you to everyone who donated, attended and planned this event! Also, a huge thank you to O'Brien Auctioneers for volunteering their time to help make our auction possible.

Operation Christmas Child (with a Spooky Twist?)

This past year, at our Halloween party, we did some new things: We decided to take part in Operation Christmas Child.

Operation Christmas Child is a program where you can pack a box with school supplies,

Brooklyn Krueger prepares to carve a pumpkin during the Halloween season.

hygiene items and fun toys for kids in impoverished countries where kids don't always receive Christmas gifts.

At the Halloween party, we packed eight boy boxes and seven girl boxes.

We also carved pumpkins and watched "Hocus Pocus" while enjoying tasty snacks!

Ag in the Classroom

Ag in the Classroom is an event put on for first graders at Campbellsport and Eden Elementary schools.

This brings the students closer to the agriculture industry. The students are able to learn more about agriculture and explore different aspects of it as well. This year, these students were taught about pollination and the importance of it in the agriculture industry. They finished out the day with some fun activities including trivia, a book reading and even planting their own seeds.

Hunter Schultz participates in Ag in the Classroom.

PRESENTS Athlete Spotlight Caitlin Neitzel – Campbellsport Cougar

Name: Caitlin Neitzel
School: Campbellsport High School
Sport: Basketball
What has been your greatest high school accomplishment?
 I got a gold medal in my Dairy Production Proficiency in FFA.
What are your college aspirations?
 UW-Platteville for Soil & Crop Science
What is your dream job?
 Seed Salesman/Crop Tester
Favorite TV show:
 Yellowstone
Favorite song?
 "Mr. Mom" by Lonestar

Favorite after school snack?
 Sour cream & cheddar Lays
Who is your favorite coach?
 Brad Sibley
What is your favorite hobby outside of school?
 Showing dairy cattle because I love spending the time with the calves.
What is one place you would like to visit?
 Greece
Sweet or sour?
 Sweet
What advice would you give to the freshmen?
 Take daily naps.
Least favorite chore:

Sweeping floors
Celebrity crush?
 Pat Connaughton
Early bird or night owl?
 Early bird
Favorite cereal:
 Special K
Do you have any nicknames?
 Neitz-Out. Mr. Elliott gave it to me my junior year basketball season.
What is your pre-game ritual?
 Screaming "Mr. Mom" in the locker room.
What makes a good leader?
 Someone with a positive attitude and who stands out to others.

Cougars Wrestlers Qualify Six for Sectionals, Volz gets 100th Win

DAN HEISDORF
ASST. WRESTLING COACH, CHS

The Cougars wrestled in the 13 team super regional last Saturday, crowned four champions and qualified six wrestlers to sectionals.

Ostin Blanchard, Sam Koth, JJ Ksioszk, and Joseph Volz all won regionals titles, while Karsten Krueger and Chris Meyer each took third. The top four place winners advance to this weekend's sectional.

As a team, the Cougars took third finishing 2.5 points behind Kewaskum. Kewaskum overtook Campbellsport on the last match of the evening.

Ostin Blanchard (126) got to the finals by pinning his first opponent and then winning 17-5 in the semi-finals. This put him up against Garrett Marks (40-11) of Winneconne. Blanchard used three takedowns, an escape and a three-point near fall to earn a 10-2 major decision. Ostin will face Layne Fry (26-18) of Gale-Ettrick Trempealeau/Melrose-Mindoro in the first round of sectionals.

Sam Koth then followed with the 132-pound title. He pinned his first opponent, then won a 9-7 decision over Chase Sternard of Winneconne. This put him against the one seed, Joey Williams of Ripon who was 30-4 at the time. In what was one of the most exciting finals matches of the day, Koth would find himself down 10-7 with under a minute left. Koth would then score a reversal and then let Williams go to make the score 11-9. Koth would find himself in a late scramble situation and would get the takedown just before the buzzer went off to tie the match. In overtime, Koth got in on a single, Williams countered with a hard whizzer. Koth would then use a limp arm to secure his takedown and get the win. Sam will face Ryder Koenig (27-11) of Prairie du Chein for his first round sectional match-up.

JJ Ksioszk (152) kept things rolling by pinning his way to the championship. JJ didn't wrestle past the first period all day as he pinned his first opponent in 1:08, his second in 1:59 and then in the championship against Zeke Kelly (23-9) of Waupun he got his quickest pin of the day in just 35 seconds. JJ will face Trevyn Thielmann (29-16) of Richland Center on Saturday.

The Cougars final champion was Joseph Volz (220) who also pinned his way to the championship. Volz earned a pin his first match and then in the semi-finals with the whole team watching, Joseph pinned Pierce Kristoff of Portage in 44 seconds to earn his 100th career win. In the finals Volz pinned Desmond Walker of Winneconne (28-13) in 3:16. Joseph will face Alex Wiczorek (32-14) of Gale-Ettrick Trempealeau/Melrose-Mindoro on Saturday in the first round.

Karsten Krueger (106) won his first match by pin and then lost in the semi-finals. In his first wrestle back he beat Cole Beckett of Portage 8-2. He then got a wrestle back for second and lost 4-1. Karsten will face Ethan Hady (41-6) of Richland Center in his first match Saturday.

Chris Meyer (120) also took third place. He won his first match by fall over Lomira. Then he would lose to the eventual champion in the semi's. He would then win his first wrestle back by medical forfeit and get another wrestle back for second place, where he lost by technical fall. Chris will

Junior Joseph Volz earned his 100th career win on Saturday, Feb. 11, at the WIAA Division 2 Regional Wrestling Tournament in Portage.

Five Indians Place First at Regionals, Kewaskum Going to Team Sectionals

**CLARICE CASE
JOURNALIST**

Brent Krejcarek (106), James Racer (113), Ethan Immel (120), Braeden Scoles (160) and Dylan Soyk (195) placed first at the regional tournament in Portage on Saturday, Feb. 11, qualifying them for the individual sectional tournament in Wisconsin Dells on Saturday, Feb. 18.

Also placing in the top four to join the others at sectionals were Nic Deheck (145), Dominic Eversmann (285) and Brayden Loehr (126).

Braden Gissal (182) placed sixth, and those that did not place were Peyton Bednar (132), Aeden Chojnacki (220), Matthew Perales (152), Casey Schmidt (138) and Oliver Voight (170).

Kewaskum earned a total of 212.5 points. They placed second with just a 2.5 point difference between them and Campbellsport meaning they will be competing at the team sectional in Lodi on Tuesday, Feb. 14. Wrestling will begin at 6 p.m.

285: 3rd Place Match - Dominic Eversmann (Kewaskum) over Andyboi Hernandez (Omro), (Fall 2:48).

OUTDOORS from page 11

Canvas by The Stitch.

Here is the advantage to this set up: the ice on Little Bay de Noc has not been friendly for pickups or large sleeper shacks that have a lot of weight. The group that was staying in the cabin that I was going to sleep in hooked up with Paul and Lacy and because their original outfitter could not get his shacks on the ice.

**SATURDAY, JAN 28
HIGH 28, LOW 19**

The shop opens at 5 a.m. every day of the ice season until March 15 and then The Bloedorns head down to Florida to stay at their comfortable getaway on an island north of Tampa.

Until four years ago, Paul was earning a living as a financial advisor for Thrivent Financial and his office was in Monroe.

Now, Blade, who is 54, is burning the candle as hard as I have ever witnessed and is starting to have some serious thought of making Blade's Bait & Tackle a year-round business.

Today, we were on the ice two hours before daylight, and we had a very unique task of transporting a few of the 27 women and their gear. They were spending the weekend on the ice that are with a group called Wisconsin Women Fish. We met these hardcore ice enthusiasts at the landing at Kipling, and I was impressed from the moment I met them until we said goodbye two hours after dark.

Several of the group were staying overnight on the ice in Blade's sleeper shacks, and quite a few had pop up ice shacks that they were sleeping in.

At least eight of them had either a UTV, snowmobile or ATV, and every one of their rigs was

setup for ice travel and fishing. These gals travel all over the map fishing year-round, and they take their fishing very seriously.

For me and, most of you know, I run hard from January 1 to December 31, but it was awe inspiring to watch Paul and Lacy Bloedorn do what they do as many hours a day as they do.

Having been doing my outdoor gig since May of '89, I will say this: eat well, find some getaway time and keep on trucking.

This shop rocks!
Sunset

KHS BASKETBALL from page 48

down the stretch to help preserve the victory.

Due Up

Kewaskum will wrap its regular season in Plymouth on Thursday, Feb. 16. A win would get a long-overdue conference championship banner up on the wall of the Kewaskum Fieldhouse.

The Wisconsin Interscholastic Athletic Association (WIAA) released team seeding and the brackets for the postseason tournament on Sunday, Feb. 12.

Oostburg earned the #1 seed in the sectional tournament.

Kewaskum has the #2 seed and a bye for the first round of regionals. The Indians will face the winner of next Tuesday's Chilton/Denmark contest.

Kewaskum will host the regional semi-final on Friday, Feb. 24. Should Kewaskum win, the regional final will be the following day at the Fieldhouse.

The sectional is filled with ranked teams, and the path to state will be challenging with Brillion, Oostburg, Kettle Moraine Lutheran and Freedom all vying for a state-tournament berth.

Lady Indians One Game from History

A win against Plymouth this Thursday guarantees Kewaskum a share of the East Central title

ASST. COACH MIKE DREWNIAK
KHS GIRLS BASKETBALL

About two weeks ago, the Kewaskum girls were two games behind Waupun and it looked like they were playing for second place.

On January 30, however, a door cracked open.

The Winneconne Wolves had shocked Waupun on their home court and handed the Warriors their first conference defeat. Having Waupun one more time on the schedule, the Indians had a path to get at least a share of the conference title.

That path was simple: Win out in conference.

Kewaskum did just that leading into last week's contests with Berlin and Waupun.

At Berlin

The Indians visited Berlin on Tuesday, Feb. 7.

Kewaskum was expected to win this game despite missing their senior floor general, Grace Leitheiser, who was out with an illness.

Berlin played zone most of the game, and at times Kewaskum struggled to secure the ball, turning it over 11 times each half.

Most of the game was played with Kewaskum having a 10-14 point advantage.

The result of this game never really seemed in question, but Kewaskum didn't really show that killer instinct in this contest.

The final score was 45-36, Kewaskum.

Senior Madi Dogs seemed to find her stride again after her ankle injury. She finished with a game-high 23 points to go along with six assists, as she took on a bigger ball-handling role.

Julia Steger chipped in with 11, and Morgan Adams continued her solid play, as well, with seven points, seven rebounds and four assists.

To close out the regular season, Adams and Dogs are doing an outstanding job of looking for one another inside.

V. Waupun

Friday night, Waupun was in town. Since the turn of the century, there hasn't been a more important regular season game for the Kewaskum Indians girls basketball team as this

Senior Juila Steger goes up for a left-handed lay-up. BREANNA RICE PHOTO

LEADERBOARD

STANDINGS

Girls Flyway Conference

Waupun 10-1
 Kewaskum 9-2
 Kettle Moraine Lutheran 8-3
 Winneconne 6-5
 Ripon 2-8
 Plymouth 2-8
 Berlin 1-10

one. A win would get the Indians tied in the loss column with Waupun and give Kewaskum it's first shot at a conference title.

Also, for the seniors who have played varsity all four years, it was a chance to break the eight-game skid against the Warriors.

Madi Dogs battled foul trouble in the first half, picking up three fouls, and was held scoreless while only playing about five minutes.

Her frontcourt mate, Morgan Adams, stepped up. She did so, not only in a bigger offensive role, but also accepted the daunting task of trying to slow down future Marquette

Golden Eagle Kayl Petersen.

Adams and the rest of the Indians did an outstanding job despite the circumstances, and took a 19-17 lead into halftime with help from a late Leitheiser triple.

Neither team went very deep into the benches in the first half, and it appeared some of the players were tired. With Dogs on the bench most of the first half, she had fresher legs than most of the girls on the court in the second half. She got two quick baskets to help push the lead out to six.

In the last eight games against Waupun, the Warriors would go on one of their explosive runs. It looked like they were about to do just that until Dogs buried a wing three-pointer to stop the Warrior's spurt.

As the half went on, Waupun had

BOX SCORE

Kewaskum, 45 at Berlin, 36
Tuesday, Feb. 7 | Berlin High School
TEAM STATS—Kewaskum: 14 FG (3p: Steger 2, Adams, Dogs), 5-14 FT, 18 PF. Berlin: 7 FG (3p: Boegh 2, Hoffman), 13-17 FT.
SCORING—Kewaskum: Dogs 23, Steger 11, Adams 7, Gerhartz 4. Berlin: Kurczek 12, Hoffman 11, Boegh 8, Bartol 4, Kurczek 1.
REBOUNDS—Adams 7, Steger 6, Dogs 6, Butshlick 3, Gruen, Gerhartz.
ASSISTS—Adams 4, Gerhartz 3, Steger 2, Butshlick.
STEALS—Dogs 3, Adams 3, Steger, Butshlick, Czuppa.
BLOCKS—Dogs 3, Adams 2, Steger.

Kewaskum, 52 vs Waupun, 44
Friday, Feb. 10 | Kewaskum High School
TEAM STATS—Kewaskum: 17 FG (3p: Dogs, Leitheiser), 16-23 FT, 9 PF. Waupun: 18 FG (3p: Petersen 2, Vandestreek, Gopalan), 4-7 FT, 17 PF.
SCORING—Kewaskum: Dogs 15, Adams 13, Steger 11, Leitheiser 7, Gerhartz 4, Czuppa 2. Waupun: Petersen 22, Gopalan 8, Aalsma 7, Vandestreek 6.

ASSISTS—Leitheiser 3, Dogs 2, Gruen, Adams, Gerhartz, Steger.
STEALS—Leitheiser 3, Dogs 2, Steger.

to start taking chances to apply pressure.

Kewaskum had answers.

The Indians found some easy baskets, and were making free throws down the stretch. Kewaskum held a 12-point lead with 80-seconds left, and relief began to set in. Final score: Kewaskum, 52, over Waupun, 44.

Junior Abby Gerhartz did a tremendous job of keeping Lydia Aalsma to seven points (well under her average). Dogs scored all 15 of her points in the second half. Adams finished with 13. Senior guard Julia Steger also played a big part in closing this one out, as she finished with 11 points (including seven-for-eight at that free throw line).

Steger also grabbed several key defensive rebounds (11 of her 13 total)
