Kewaskum Joint Review Board Approves Creation of New T.I.D.

EDITOR

After months of legwork, the Village of Kewaskum took its first step in officially creating a new tax incremental district (TID), as the village's Joint Review Board met on Monday, April 24, and approved Resolution 2023-24, which introduces TID 4 to village boundaries.

According to village officials, the creation is still pending state approval, however, no objections were anticipated.

TID 4 comprises the newly annexed village territory just south of Highway 28 and just west of Fond du Lac Ave. on the village's north side. Last winter, the location was announced as a future Drexel Building Supply campus with the Village

of Kewaskum annexing parts of the Town of Kewaskum and creating the TID to accommodate the project.

Tax incremental districts, sometimes called tax incremental finance districts, allow a municipality to pay for public improvements and other eligible costs within a designated area, called a TID or TIF, using the future taxes collected on the TID's increased property value to repay the cost of the improvements. In essence, TIDs are set up to help fund and encourage future private and public development in a specific area.

The creation of the TID is one of the final steps in the process of bringing the future

Campbellsport Man Charged with 14 Criminal Counts Following Dundee Incident

NEWS & STATESMAN STAFF

Law enforcement agencies were called to Dins Garage and Mini Mart in Dundee the afternoon of Wednesday, April 12, to respond to an intoxicated subject making threatening statements and loading firearms into his truck from a residence attached to the gas station.

Jonathan McClanathan, 52, of Campbellsport, according to Sheriff's Office and Fond du Lac County Courts reports, was apprehended at the scene on April 12 and charged in Fond du Lac County on April 14 with a total of 14 criminal charges stemming from the incident, which includes a charge of making Terrorist Threats.

According to the Fond du Lac County Sheriff's Office:

"On April 12, at 2:37 p.m., the Fond du Lac Sheriff's Office was dispatched to a report of an intoxicated male at Dins Garage and Mini Mart who was in possession of multiple firearms and threatening to cause damage to Downtown Dundee. Law Enforcement Officers responded to the area and located the male, a 52-year-old Campbellsport man, in the residence attached to the gas station. Prior to the deputies' arrival, the subject was removing firearms from the residence and loading

Kewaskum E.M.T. Roster Shrinking, Village Plots Path Forward

MITCHELL BRADLEY KELLER

It was information the village board needed, but assuredly did not want to hear, as Kewaskum Fire Department Chief Mark Groeschel spoke in plain terms about the dire situation regarding the volunteer emergency medical technicians (EMTs) numbers at last week's regular village meeting.

"We've been sustaining, but we're struggling," he said, as the Kewaskum Village Board considered creating a special committee meant to figure out the department's declining numbers for first responders.

Groeschel said volunteer staff, which has historically more-than-adequately serviced the village for decades, are resigning in bunches, and there is not enough personnel or new volunteers taking up the hours needed to provide full emergency medical services.

"We lost a total of five EMTs from our squad [in 2022]," detailed Groeschel, who said just earlier this month another quit. "[On] the sixth of April, I came in... and there was a letter on my desk stating she was resigning from the departments."

He added that two more current EMT volunteers

Everything

Dear Reader,

We live in a world that seems to have everything. And yet, we don't always feel that way. So here's a question to ask those you love: "What is the one thing that I can do for you that would help you over the next three years?"

If you could grant a wish to the ones you love, those who are most special and closest to you, what would they ask of you? How could you help their lives be better and easier? What would they say?

And the next question is, would you grant their wish? That is the true test of love: The offer of giving, and then the gift.

On Climate Change Policy

The International Panel on Climate Change 2023, along with several other reputed scientific studies, have concluded that global temperatures are rising, and rising greenhouse gas emissions are resulting in catastrophic geological events, with more to come.

These studies present scientific facts and a timeline of how these changes will affect us geologically and economically.

Wisconsin Gov. Tony Evers has offered several proactive options in his current budget proposal. Among other things, he introduced a Clean Energy Plan, which would lower energy bills for families, create jobs, reduce reliance on out-of-state energy sources and provide greater use of electric vehicles. He offers resources to communities to build on climate resilience and flooding prevention through infrastructure and environmental safeguards. All paid for by \$34.5 million in federal funding and potential state funds.

It's a plan.

I reached out to Wis. Sen. Duey Stroebel and State Assembly Rep. Ty Bodden to consider this plan.

Sen. Stroebel's canned response was that "observed global emissions and future emissions estimates have largely plateaued," adding: "I do not believe the basis for environmentalism should be grounded in public policy making."

I inferred from his response that he has no plan or civic responsibility to address the problem.

Perhaps Mr. Stroebel might benefit from reading any number of reputed scientific studies on this issue, or just watch the nightly news.

Rep. Bodden's office responded with a promise to share my email with Rep. Bodden.

We can see the effects of climate change in our lives, they are obvious.

Shouldn't our legislators be proactive, or if they have no solutions, work with our governor?

G.A. SCHEINOH
CONTRIBUTOR

Every year, Campbellsport grows farther distant, leastwise for those of us who moved away. Even if we only lived on its outskirts, the village left an indelible mark on us. Despite the relatively short haul, just nine miles north, sometimes the gulf seems infinite.

While much of this has to do with the steamroller of time which flattened once familiar sights, the millpond's tumble of water over the boulders of the dam, seeing kids playing hockey on the ice above and the razing of the St. Agnes convent, growth sprang up elsewhere.

The renovated high school is only a preview of greater things to come. Though most of our alma mater changed beyond alumni recognition, education forges ahead with computer labs and the STEM system that takes learning in whole new directions. Yet even the once traditional changed.

'Where's the Flood?': Everywhere

MITCHELL BRADLEY KELLER
EDITOR

Has anyone asked you, "Where's the flood?" If so, they were probably mocking you for the length of your pants (and suggesting they are "too short").

I always thought teasing someone on the length of their pants was particularly petty; even needlessly antagonistic. Sometimes revealing what insignificant details occupy one's own mind shows more about the teaser than the person being teased, and I think "Where's the flood?"-folks fit this bill.

I understand this phrase is usually used among friends in a light-hearted way, a practice and tradition I have no qualms with, assuming everyone is in on the joke.

However, I have genuinely heard folks ask "Where's the flood?" almost like an insult. If this is you, dear reader, feel free to write me a letter as to why the shortcomings of one's pant legs are so offensive. I am very curious.

The last few days and weeks, though, across this great state and a few others, the flood has

Immanuel Lutheran on the crest of Helena Street proves the most startling example. After they remodeled, gone are the three domes in its long roof which represented the Trinity. Along with a complete reversal of the altar and choir loft, entirely flipped end for end. The church now hemmed in by a maze of surrounding lanes and houses.

Perhaps though, what's most different about Campbellsport is the disappearance of well-known family names. The recent passing of Lorraine Bauman affirmed this isn't where we grew up. My deepest condolences to her family. As woven into the fabric of Immanuel as any other parishioners. She held almost a second mother reverence among our young.

On confirmation day (50 years ago in early June) she invited Mom, Dad and me to her home on Ladwig Street, where she ironed the wrinkles out of my gown. Also borrowing her son Wayne's hymnal as we confirmands posed for a photo. Such kindness ensures memory of her, a vital part of the village lives on.

been in basements, backyards and some downtowns. For a good portion of last week, I imagine most people asking about floods were actually discussing pooled-up water.

I took a bus ride from Milwaukee to Minneapolis to visit my goddaughter last weekend and, my goodness, there was plenty of wet stuff from our neck of the woods all the way to the Twin Cities.

The Wisconsin River, where it winds through Wisconsin Dells, had deluged several nearby forests and islands, with trees now appearing to grow straight out of the water. In Hudson, Wis., on the Mississippi River, and Lakeland, Minn., just across the Mighty from Hudson, the riverside parks went the way of Atlantis, with caution tape and cones cutting off the now submerged park entries.

Farm fields, creeks and front lawns along 300 miles all turned into lakes, rivers and swamps.

With warmer weather will likely come a drying out, but there will be more wet days ahead, as well.

As such, the next time someone's pants are resting above their ankles, perhaps after asking, "Where's the flood?" add afterward: "And how can I help?"

See you next week.

National Newspaper Association Supports Journalism Competition and Preservation Act Introduction

NATIONAL NEWSPAPER ASSOCIATION

National Newspaper Association (NNA) expressed its support for the reintroduction of the Journalism Competition and Preservation Act. Sens. Amy Klobuchar, D-MN, and John Kennedy, R-LA, brought the bill back to the 118th Congress after nearly completing Senate approval in the 117th Congress.

The legislation would provide a limited exemption from antitrust laws for news organizations to band together in negotiations with large social media platforms-like Google and Meta-to secure compensation for the platforms' use of news and information culled from material produced by journalists. A similar system is in place in Australia. European governments, Canada and the United Kingdom either have such payment systems in operation or are expected to soon require them.

Similar bills, (S. 673 and H.R. 1735), were considered for enactment in December 2022 as part of the National Defense Authorization Act but were omitted after heavy lobbying by the social media platforms.

NNA Chair John Galer, publisher of the Journal-News, Hillsboro, IL, thanked the sponsors for their commitments to local journalism.

"The wisdom of providing local newspapers a path to secure payment for the news that others use to raise revenues is so obvious to me. If a giant tornado came through America and wiped out all of the newspapers at once, the federal government would jump right in with disaster assistance to protect Americans from losing its journalists. But Congress has given a blank check to the social media platforms to exploit the news we create and simultaneously put local journalism organizations at risk. Yet, Congress has neglected to act to keep journalism alive. It is time to fix this problem. It really is," Galer said. "We appreciate the continued support from Senators Klobuchar and Kennedy."

National Newspaper Association represents small, local newspapers. Its members are generally family-owned weekly and community daily publications serving small towns and neighborhoods. NNA has served local newspapers since 1885.

Richard P. Sabish

Richard P. Sabish, 83, of Campbellsport went to his heavenly home on Tuesday, April 18, 2023, at his home.

He was born in Lomira on February 5, 1940, the son of Paul and Adelia "Dolly" (Wagner) Sabish. Dick served in the U.S. Army National Guard and on active duty during the Cuban missile crises. On October 16, 1999, he was united in marriage to Geraldine "Gerri" Zingsheim Pesch at St. Matthew's Catholic Church in Campbellsport.

Dick worked at Regal Ware for many years retiring in 2003. He belonged to the Lomira American Legion Post #347, Amvets, the 127th Infantry of the 32nd Red Arrow Division and the 25 Year Club at Regal Ware. Dick loved hunting, fishing, and their camper at Lake Puckaway. He also enjoyed playing sheephead, the casinos, going to gun and car shows, cruises, their trip to Germany, and reading.

Survivors include his wife, Gerri; children, Bambi (Bob) Huck, Scott (Chip) Sabish and Jason Sabish; step-children, Sharon (Mark) Beck, Mary (Scott) Rammer, and Gene (Deb) Pesch; grandchildren, Meckenzie Sabish, Jacob Sabish, Kate Sabish, Josh (Cassie) Shaudvitis, and Jamie Shaudvitis; step-grandchildren, Chad Nagel, Erin (fiancé, Kevin Rood) Rammer, Erica Rammer, and Justin (Amy) Pesch; great-grandchildren, Nevaeh Shaudvitis and Jayce Shaudvitis; sister, Sandra (Dan) Massie; sisters-in-law, Patricia Rosenthal, Kathy (Rich) Diels, and Janet Zingsheim; other relatives and friends.

He was preceded in death by his parents, stepson Gerald Pesch, brothers-in-law and sister-in-law Jim Schwefel, Joanne Bakes, Bill Zingsheim, and Gordon Rosenthal.

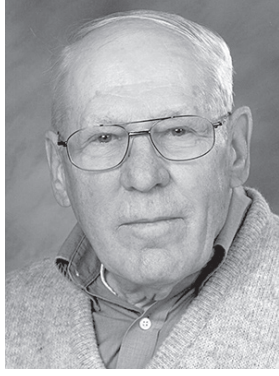

Visitation will be Thursday, April 27, from 1 p.m. until the time of Mass at St. Matthew's Catholic Church, 406 E. Main Street, Campbellsport.

A Memorial Mass of Christian Burial will be held Thursday, April 27, at 4 p.m. at St. Matthew's Catholic Church. Rev. Mark Jones will officiate and burial will be at St. Michael's Catholic Cemetery.

The Sabish family extends a special thank you to Quality Cab for transporting Dick to dialysis at Davita, and Larry Sabish and the neighbors for their help during Dick's illness.

The Twohig Funeral Home is serving the family with online guestbook and condolences at www.twohigfunerals.com.

Norman E. Martin

Norman E. Martin, 97, formerly of Kewaskum, passed away on Friday, April 14, 2023, at Hope Nursing Home in Lomira.

Norman was born on February 22, 1926. He was the son of Eleanora (nee Griepentrog) and Edward Martin. His mother passed away when he was 1½ years old, and he was then raised by his foster parents, Louis and Alma (nee Martin) Benedum.

Norman never married, and at a young age worked for farmers. He took over Louis and Alma's farm near Kohlsville on Hwy W and Beechnut Dr. and farmed with his foster father, Louis. After Louis passed away, the farm was sold, and he and Alma moved to Kewaskum. Norman worked at Maysteel in Allenton and the Boston Store in West Bend. Norman has been a faithful member of Zion Ev. Lutheran Church of Allenton.

Norman is survived by a sister-in-law, Marilyn Martin; nephew, Craig (Kathy) Martin; half siblings, Marion (Robert) Dieringer, Ethel Martin, and Winston (Geri) Martin.

Norman is preceded in death by his parents, Eleanora and Edward Martin and Louis and Alma Benedum; his brother, Wallace Martin; infant sister, Lucille Martin; half siblings, Lyle Martin, Lois (Elroy Kutty) Martin; Leroy Martin and nephew, Mark Martin.

The Martin family would like to thank all the caring nurses and staff at Hope, and especially Amy, who Norman called "The Boss." Also, a special thank you to St. Croix Hospice for their loving care, Pastor Bode for his many visits with Norman and to John Rigotti at Transporation Connection Inc. for his transport services, which allowed Norman to attend church services.

Visitation: Norman's family will greet relatives and friends on Saturday, May 6, 2023, from 10 a.m. until 11:45 a.m. at Zion Ev. Lutheran Church, 6438 Hwy. D, Allenton.

Service: A funeral service in remembrance of Norman will take place at 12 p.m. on Saturday at Zion Ev. Lutheran Church, 6438 Hwy. D, Allenton. Burial to follow at the church cemetery.

Myrhum Patten Funeral & Cremation Service has been entrusted with Norman's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

Kevin Matthew Weare

Kevin Matthew Weare passed away unexpectedly on April 9, 2023, at Marshall Medical Center in Placerville, California. He was 56 years young.

Kevin was born on December 22, 1966, in West Allis.

Kevin is survived by his loving mother, Joan Hall; his adoring children, Brandon Weare and Stephanie Weare (Dustin Biersack); grandchildren that he cherished and loved, Mariyah, Elijah, Janiyah and Mason. His grandchildren lit up his world.

Forever loved and remembered by his siblings, Kim (Gerard) Hutchins, Brian Puffpaff, Steven (Colleen) Puffpaff, Misty (Bill) Perkins; nieces, Tabitha (Dan) Poppy,

Chrystal Kutschenreuter, Brook Puffpaff and Ayla Puffpaff; nephews, Kyle (Ally) Huckstep, Joshua Huckstep, Justin Puffpaff, T.J. Puffpaff, Liam Puffpaff, and Connor Puffpaff.

Kevin is also loved and remembered by many aunts, uncles, cousins, great-nieces, great-nephews, friends, and his pup, Ruby.

Kevin was preceded in death by his father, John Hall; grandparents, Donald and Laverne Weare, Francis and Blanche Albers; uncles, Douglas Weare, Kenneth Weare and David Albers; infant sibling, Kristina Weare.

Kevin was loving and kind to all that knew him. He was extremely talented in many areas including automobiles, building homes and remodeling to fixing almost anything. Kevin was fun to be around and had an amazing sense of humor. Kevin had a zest for life and a love for adventure. Riding on his Harley Davidson was a part of that adventurous spirit. Kevin loved and adored his family and friendships. He was always there with a giant bear hug, a huge smile and contagious laugh. His memory will be forever in our hearts.

A memorial service will be held at Crossroads Community Church, 4315 S. Moorland Rd., New Berlin, WI 53151, on Saturday, June 3. Visitation will be at 10:30 a.m. and the church service at 11:30 a.m. Lunch to follow.

National Day of Prayer is May 4

The National Day of Prayer calls America to seek God in prayer. Throughout the history of our country, Americans have lifted up fervent prayers to God on behalf of our nation. The National Day of Prayer tradition predates the founding of the United States of America, evidenced by the Continental Congress' proclamation in 1775 setting aside a day of prayer. In 1952, Congress established an annual day of prayer and, in 1988, that law was amended, designating the National Day of Prayer as the first Thursday in May.

Last year millions of people attended more than 60,000 local, state, and federal observances. They meet at state capitols, county court houses, schools, businesses, churches, homes and on the steps of city halls to pray for our nation.

The theme for the National Day of Prayer 2023 is "Pray Fervently in Righteousness and Avail Much." It comes from the promise in scripture found in James 5:16b NKJV that says, "the effective fervent prayer of a righteous man avails much."

Our nation has seen the hand and heart of God move, and therefore Americans come earnestly and expectantly to pray for the nation, gathering in love and unity throughout communities on Thursday, May 4, to pray in faith and celebrate the prayers that are prayed throughout the year.

"Our humble, fervent, heartfelt, and passionate prayers put God's abilities in action," said Kathy Branzell, National Day of Prayer Task Force president. "These are the prayers that we want to pray with our eyes wide open, so we don't miss a moment of God's heart and hands moving. Even as our words hang in the air, He is already answering, touched just as Jesus was on earth by the faith with which someone asks and believes. He takes our intercession and impacts not just the course of time, but the course of souls and the Kingdom. God uses our prayers to write the history books of tomorrow."

The annual National Broadcast, co-hosted by Rev. Samuel Rodriguez and Branzell, will air on television and radio, and will be streamed through social media at 7 p.m. CT. Station and social media information can be found at www.nationaldayof-prayer.org.

Campbellsport Event

A local National Day of Prayer event will be held Thursday, May 4, at noon in front of the Campbellsport Municipal Center, 470 Grandview (just north of Piggly Wiggly). The half hour observance provides an opportunity to pray for America, its leaders (local, state and national), current issues facing our country, its future and our families. There'll also be time to thank God for his blessings and ask him to continue to bless our nation.

In case of bad weather, the event will move inside the Municipal Center. More information is available by calling Campbellsport Alliance Church at 920-533-5123.

West Bend Event

Please join us on May 4, from 12-1:30 p.m. at Riverside Park Pavilion (800 Kilbourn Ave. in West Bend) for the annual National Day of Prayer event in West Bend as we gather to pray for God's grace and mercy revealed in our city, state and nation. Worship and prayer for our community and nation will be led by local pastors, leaders and intercessors. We will pray for Jesus to bless those who lead and those in need throughout our country.

This event is free and open to the public, sponsored by Aglow International. Inquiries may be directed to Laurel Harmon at 262-266-0727.

Lorraine R. Bauman

Lorraine R. Bauman (nee Wendlandt), 86, of Fond du Lac, passed away on Tuesday, April 18, 2023. She was born on September 24, 1936, a daughter of the late Reinhard and Ruth Wendlandt (nee Wheeler). Lorraine attended St. Peter's Lutheran Elementary School and graduated from Winnebago Lutheran Academy. After High

School, she graduated from Moraine Park Technical School with her degree in Nursing.

On January 28, 1956, she married Allen Bauman at St. Peter's Lutheran Church. Lorraine was the church organist for Immanuel Lutheran Church in Campbellsport and sang for many church services, funerals, and weddings. She played the piano for the WELS Worship Service at the Lutheran Home and taught piano lessons out of her home for many years. Lorraine worked as an LPN and also in Medical Records for Hope Nursing Home in Lomira. She enjoyed sewing, painting, gardening, and crafting.

Those left behind to cherish her memory include her children, Wayne Bauman, Wendy (Tom) Treleven, John (Michele) Bauman, and Joanne (Duane) Giese; grandchildren, Sara Treleven, Ryan Treleven, Molly Treleven, Jon Treleven, Scott Treleven, David Ziegel, Justine Ziegel, Derek Giese, Alyssa Giese, Rachel Bauman, and Blair Bauman; numerous great-grandchildren; and sister, Kathleen (Eugene) Netzel. She is further survived by nieces, nephews, other relatives and friends.

In addition to her parents, she was preceded in death by her husband, Allen; grandson, Eli Bauman; and nephew, Joel Netzel.

Funeral service was held on Friday, April 21, 2023, at 11 a.m. at Faith Lutheran Church, 55 Prairie Rd, Fond du Lac, WI 54935. Rev. Mike Weigand officiated and burial followed at St. John's Lutheran Cemetery.

Visitation was at the church on Friday from 9 a.m. until the time of the service.

In lieu of flowers, memorials are appreciated to Faith Lutheran Church or the Winnebago Lutheran Academy.

Dorothy Isabelle Buddenhagen

Dorothy Isabelle Buddenhagen (nee Vorpahl), 95, of Florence, formerly of West Bend, passed away on Sunday April 16, 2023, at Florence Health Services in Florence.

Dorothy was born on June 10, 1927, in the Village of Kewaskum to the late Dorothy K. (Theusch) and John A. Vorpahl, Sr.

Dorothy was united in marriage to Floyd F. Buddenhagen in a double wedding on December 23, 1944, in Waubeka, along with Dorothy's sister, Dolores, who married Allen Kertscher.

Dorothy and Floyd, after many years, both retired from the West Bend Company and then moved to the home they built together in Florence for their retirement years.

After 74-½ loving years of marriage, Floyd passed away on May 27, 2019.

Dorothy is survived by her three sons, Floyd F. "Butch" Jr., Richard (Charlene) and Robert (Mary); eight grandchildren, Timothy (Shelly), Christopher, Amy (Timothy), Steven (Tracy), Megan (Dante) and Malea, Ann (Brian) and Julie (Brian); 12 great-grandchildren; three great-great-grandchildren; one sister, Theresa; and two sisters-in-law, Ann and Teresa. Dorothy is also survived by many other relatives and friends.

Dorothy was preceded in death by her husband, Floyd; her parents and Floyd's parents; her daughter-in-law; her siblings; two sisters-in-law; three brothers-in-law.

Special Thank You to: Sharon Johnson and Marion Wilson for their love and support of our family, Fran and Tony Mitchem for being great neighbors and all the caregivers at Florence Health Services for their love and care.

In accordance with Dorothy's wishes, private funeral services will take place.

David John Kasten

David John Kasten, age 75 years, of West Bend passed away on Monday April 17, 2023, at home surrounded by his loving family.

He is survived by his wife, Marilyn; two sons, Michael Kasten and Craig (Ashly) Kasten; three grandchildren, Cooper, Croix, and Penelope.

To honor David's wishes, no service will be held.

Memorials will be put aside for his grandchildren and can be sent in care of Myrhum-Patten Funeral Home - 1315 W Washington St. - West Bend, WI 53095.

Myrhum-Patten Funeral & Cremation Service has been entrusted with David's arrangements. For additional information or to leave an online condolence on the tribute wall, please visit <http://www.myrhum-patten.com>.

Small Talks Campaign: Encourages Parents to Talk to Their Kids about Underage Drinking

FOND DU LAC COUNTY HEALTH DEPARTMENT

April is Alcohol Awareness Month. The Fond du Lac County Health Department is partnering with the Wisconsin Department of Health Services to release more detailed tips and tools as part of Small Talks, a campaign to prevent underage drinking in Fond du Lac County. This effort encourages adults to have short, casual conversations with kids frequently, starting at age eight on the dangers of drinking alcohol before the age of 21. Age eight is the age at which children start to form their earliest opinions about alcohol and alcohol use.

In Fond du Lac County, one in four students reported a parent/guardian talked to them about alcohol in the past month according to the 2022 Fond du Lac Area Student Health Experiences and Attitudes Survey. Additionally, one in five youth reported recent alcohol use with the average age of onset being 12.8. April is a great month to start the conversation with your child.

Small talks toolkits provide help to parents to answer some of their kids' toughest questions. When you explain to kids that drinking can be harmful, it's natural for them to ask why adults

sometimes drink alcohol. And as a parent, it can be tricky to know how to respond. In addition to providing common questions and answers, the new materials provide guidance on how to teach kids to say "no" to alcohol in peer-pressure situations.

Small talks do not require much planning; just choose the alcohol-free moment that feels right to you. Small talks can happen while watching a TV show, over homework, while playing video games, at the store, while listening to music and while scanning social media. Help a child sort out what they hear from friends or see on TV before someone hands them a drink.

Research supports the effectiveness of conversations between children and trusting adults. There is no right or wrong way to have a small talk. Having a lot of talks (even do-overs) is the point. Every attempt shows you care and are paying attention.

Visit the Small Talks campaign website, SmallTalksWI.org, for underage drinking talk facts, tips, and more.

Share your small talks moments on social media using #SmallTalksWI.

Gardening Gifts for Any Occasion

MELINDA MYERS
CONTRIBUTOR

Look to the garden when struggling to find the best gift for Mother's Day, Father's Day, birthdays, or other occasions. A gift of plants, seeds, or gardening tools and accessories provides months and years of beauty and enjoyment.

With so many options it is easy to match the gardening gift to the recipient and your budget. Plants are always a great choice for gardening enthusiasts. Small, more affordable plants are fun for gardeners to tend, nurture, and watch grow. Giving larger plants or unique varieties provide a gift the recipient may be reluctant to purchase for themselves.

Do-it-yourself gardening gifts are good choices for both beginners and experienced gardeners who like the process as well as the results. An attractive container, some seeds or plants, and potting mix is a good place to start. Consider giving a self-watering pot to increase success and reduce maintenance. Add some plant tags you purchase or put your artistic talents to work creating your own.

People who like to cook and garden will appreciate gifts that help them grow their own fresh herbs. Plants and seeds are always a good choice. Combine these with containers like the Provence self-watering planter that is compact and spill-proof for indoors. An elevated garden like the VegTrug® herb planter or the VegTrug® Self-Watering Herb Planter Box is a great way to grow, tend and harvest herbs in a sunny spot on the patio, deck, or balcony.

For people who like to garden outdoors, containers, stakes, trellises, and tools are always welcome

This all-in-one basket, stool and seat, the Bamboo Garden Stool and Basket Combo, allows gardeners to carry tools, plants, and veggies or turn it over to sit on for weeding or planting.

gifts. A tool caddy that holds pruners, plant tags, and other small garden accessories is an easy way to store and transport hand tools to the garden. Consider a cart like the Mobile Tool Storage Caddy that allows easy transporting of long-handled tools, space for hand tools, and a basket for other supplies.

Make gardening more accessible with a gift of a kneeler, kneeling pad, or garden bench. Protecting joints and making kneeling and reaching into the garden easier reduces fatigue and extends the time and enjoyment of gardening. The Bamboo Garden Bench and Basket offer dual functions, allowing gardeners to sit and weed or easily carry their harvest from the garden to the house.

Vegetable and flower gardeners will appreciate a harvest basket like the Garden Hod. Hods were originally used by Maine clam diggers to hold and rinse their catch. The oil-finished pine-and-maple frame and food-grade vinyl-covered mesh of the Garden Hod lets you rinse dirt and debris from your veggies right in the garden.

Help your gift recipient bring in the birds with gifts of bird feeders and birdbaths. Adding these items to their landscape can help increase the number and variety of winged visitors. Bird watching and gardening provide enjoyment while also boosting our spirit and mood.

Consider adding the gift of time. Help assemble, place, or plant the gardening gift. Spending time together makes any gift more special and enjoyable for you both.

them into his pickup truck."

The press release went on to say that the subject was taken in without further incident.

"The subject was out on bail in Fond du Lac County for Resisting or Obstructing an Officer and Disorderly Conduct," continued the press release.

McClanathan, according to the Sheriff's release, was booked into the Fond du Lac County Jail for the following charges: Terrorist Threats, Misdemeanor Bail Jumping, OWI 2nd, Felon in

Possession of Firearm (four counts), Disorderly Conduct, Armed with a Firearm while Intoxicated (four counts), Possession of Cocaine and Possession of Drug Paraphernalia.

All persons charged with crimes are innocent until proven guilty.

A cash bond of \$75,000 was set on April 14 and posted on April 17. According to the court text on bond parameters, McClanathan is not to possess any weapons, not to enter bar/taverns (or possess/use alcohol), maintain absolute sobriety and not use/possess any controlled substances (with-

out prescription) or possess drug paraphernalia.

Representing McClanathan, the Defendant, as of April 20, is Attorney Kirk William Everson. Representing the State of Wisconsin as Plaintiff in the case (2023CF00029) is Attorney Catherine A. Block.

The Defendant plead not guilty at the preliminary hearing and a plea hearing is scheduled for Aug. 7 in Fond du Lac.

Agencies assisting at the scene were the Wisconsin State Patrol, Campbellsport Police Department and Campbellsport Ambulance.

plan to let their licenses expire at the end of this year.

“For the month, 920 hours need to be covered,” explained Groeschel, noting that each remaining volunteer is responsible for a much larger chunk of time than previously demanded. “You’re talking volunteers that have to volunteer 50-60 hours a month, and they’re just not doing it anymore. A lot of our EMTs are fed up with it.”

He noted that call volume, along with village growth, has also increased.

“We’re running close to 600 calls [a year],” said Groeschel, noting that when he started in 2006 that the department responded to less than 300 calls annually. “It’s become a real struggle.”

Groeschel said neighboring municipalities have turned away from using volunteer EMT services and have hired full-time first responders. He cited Jackson, Richfield and Hartford as nearby examples where the call volume to volunteer staffing ratio eventually forced the villages’ and city’s hands. At present, according to Groeschel, Kewaskum Fire Department has three paid part-time EMTs.

“I don’t foresee us bouncing back from this one,” said Groeschel, noting that the issue is systematic across the state and some parts of the country. “Volunteerism isn’t what it used to be.”

Village Administrator Adam Gitter said he had conversations with the Village of Campbellsport and Lifestar EMS LLC, but that no immediate cooperative is in the works. Included in the discussion was a motion before the board on creating an ad hoc “EMT Committee”, which would organize to help plot a path forward to ensure the stability of emergency medical services in the village.

“It’s my hope that this committee can come up with creative solutions on how we turn that around,” said Village President Fuzz Martin, noting a resolution to a problem that took time to compound will take time to resolve. “I know it’s not going to happen overnight.”

The board voted unanimously to form the ad hoc committee with more details expected in the coming months.

Village Matters

- The Community Investment Committee (CIC) was replaced by the Economic Development and Advisory Committee (EDAC). The same members of the CIC will remain with the EDAC.
- An update to village policy allowed for the Village President to also chair the Plan Commission.
- Regarding a vacant trustee seat (left by Martin taking the president seat), the Kewaskum Village Board made the motion to approve Marne Parse to the village board. Parse was present for the April 18 meeting and was sworn-in following an open session vote to appoint her to the vacancy.

Campbellsport High School Forensics Team Competes at State Tournament

MICHELLE ROCKELMAN AND STACY ZOCHER
CHS FORENSICS COACHES

The State Forensics competition was held last weekend, and the Campbellsport school’s team has made us proud with their remarkable performances. The team has come home with an impressive collection of medals, including a Gold Critics Choice medal, two All-State medals, and a bronze medal.

Noah VanderGrinten, one of our many talented students, won the bronze medal for his exceptional performance. He showcased his incredible public speaking skills and impressed the judges. Noah’s achievement is a testament to his hard work and dedication to the art of forensics.

Katie Waddle and Natalie Coon were both awarded All-State medals for their outstanding performances in the competition. These two exceptional students have demonstrated their exceptional public speaking skills and their ability to captivate the audience with their speeches.

However, it was Aydrienne

Jaeger who stole the show with her impeccable performance, which earned her the Gold Critics Choice medal. The audience was left speechless as she delivered a flawless performance, showcasing her remarkable talents and skills.

Aydrienne’s achievement is a testament to her hard work and dedication to the art of forensics. She has shown that with determination and practice, anything is possible. We

congratulate Aydrienne and her coach for this remarkable accomplishment.

Overall, the State Forensics competition was a great success for our school’s team. We would like to extend our congratulations to all the team members and their coaches for their remarkable performances. They have made us proud, and we look forward to seeing what they achieve in the future.

Drexel campus to the village. On Tuesday, April 25, after print time, the Kewaskum Plan Commission was scheduled to rezone the territory from Agriculture zoning (A-1) to General Manufacturing (M-2). The Plan Commission was also scheduled to approve an amendment to the village’s Comprehensive Plan through 2050.

The amendment would make the village’s future plans for the TID/annexation site up-to-date as an industrial zone.

A public hearing on the zoning request and the amendment was scheduled to be held prior to the Tuesday Plan Commission vote.

More information on the rezoning decision will be in next week’s paper.

Members of the Eden Village Board, during their April 17 meeting, approved an increase to the sewer rates. This increase is necessary to pay off a loan that will be taken out this year to pay for the sewer system improvements that will be done during the Highway 45 road construction project. The State is completely redoing the roadway, so the village will be replacing all sewer pipes in the area at that time. The project is scheduled to begin this summer. The new rate will be \$171 per quarter for residential customers and \$228 for businesses with less than 10 employees. For light commercial businesses with more than 10 employees, the rate will be \$306; and for heavy commercial businesses with more than 10 employees and heavier water use, the charge will be \$879.

Campbellsport High School held its Prom on April 21 at The Golf Club at Camelot. Members of the 2017 Campbellsport Junior Prom Court included Abby Ruplinger, Princess Brianna Flitter, King Gabe Goebel, Queen Janie Hodny, Prince Cade Heisdorf, Megan Streat, Olivia Burich, James Carroll, Elijah O'Laughlin, Nick Narges, Hayden Lackas, and Cullen Perron.

As part of the ongoing investigation to determine the identity of Jane Doe, the Fond du Lac County Sheriff's Office is releasing a newly updated facial recognition reconstruction of her and will be utilizing new forensic technology to try to determine who she was. The remains will be exhumed on April 26. Jane Doe was approximately 15-21 years old, stood 5'1, and weighed around 120 pounds. The body was found near St. Kilian in 2008 by hunters.

A large group of students from the Campbellsport High School Forensics Team competed at the WHSFA State Speech Festival on April 20. The team had a lot of success. Rachel Baumhardt and Lilly Lindgren earned a gold for their playacting. Earning silver medals were Joseph Krahn, Amber Thompson, Renn Vnuk-Uhrman, Dalton Casey, and Emily Ellenbecker.

Campbellsport High School has announced the Students of the Month for the month of March. They are Jon Ward, Kegan Bartell, Ethan Quackenboss, and Gabe Goebel.

Campbellsport native Amanda Daniels was always active in sports growing up. So it's no surprise she was drawn to new sports when she moved to Milwaukee for college. She earned bachelors and masters degrees in social work at UW-Milwaukee and is now a school social worker in the Milwaukee County Juvenile Detention Center. And she competes in roller derby as a member of the Brewcity Bruisers.

Several art students from Campbellsport High School created artwork for the Visual Arts Classic state competition at UW-Madison on April 13. Students who received awards for their art were Layton Stoffel, Lily Lindgren, Rachel Baumhardt, Tessa Zocher, Ashley Dreikosen, Jayson Johnson, Grace Krahn, and Catrin Homuth.

Darlene R. Gross, 89, Beechwood, passed away April 22. Patricia Ann Serwe, 77, Campbellsport, passed away April 20. Helen J. McCarty, 86, passed away April 18. Leah Jane Reigle, 36, Logan, Utah, passed away April 12.

It has taken a few years, but the Village of Campbellsport and the union employees of the village have come to an agreement on a contract. This contract covers 2004, 2005, and 2006. Negotiations had ceased for approximately one-and-one-half years, then a mediator was brought

in to get things going again. The union ratified the contract and the board approved it 5-1, with Janet Hafemann voting no. Village Clerk Diane Lemke estimates the village will need to pay out \$80,000 in back pay. This money will most likely come out of the fund balance. The village and the union will now begin working on the contract that starts with 2007.

The Campbellsport High School Drama Club will have two performances this weekend of Alice In Wonderland.

Sixth graders from Eden Elementary School were given the opportunity to work with the Cornerstone Drama Theater to create their own skits. During the workshop, the students learned some staging techniques and acting methods.

School library aid totaling \$35 million will be distributed next week. With the passage of legislation of the 2007-09 budget, schools for the first time will be able to use a portion of that aid to purchase computers and related software in addition to books and media materials acquired traditionally. Campbellsport School District will receive \$74,925 in aid. This is estimated at \$28.09 per child.

The Ice Age Center in Dundee held an Earth Friends Nature Storytime on April 18. Youngsters from the age of three to six years old listened to the stories, then everyone enjoyed picking up some litter around the Ice Age Center.

At the Oriole-Ledger Invite on April 24, the Campbellsport golf team tied for first place with Lomira and Kewaskum with a score of 353. Lomira won in sudden death by shooting a 26 to Campbellsport's 27 and Kewaskum's 28. The other teams in that division were Milwaukee King, Ripon, Mayville, and Omro.

The 15th Annual King Pin Junior Bowler Scholarship Tournament was held April 12. Kristina Ertel won first place in the junior-senior division, Alicia Kreis won second place, and Dillon Abhold won third place. In the bumper division, Cole Kreis was first, and Brandon Schreffler and Skylahr Murphy tied for second. Jordan Dreikosen was first in the pee wee division, Justin Dittloff was second, and Michael Krahn was third.

A daughter, Kaitlyn Rose, was born April 22 to Brian and Pamela Koehler of Malone. A son, Benjamin Lee, was born April 14 to David and Jenell Buss of Campbellsport.

Eugene B. Fuhrmann, 89, New Holstein, passed away April 21. Paul V. Koffman, 65, Albia, passed away April 10. George J. Stephany, 79, St. Cloud, passed away April 23. Lois A. Backhaus, 72, Plymouth, passed away April 24. Isaiah Van Beek, 3, Campbellsport, passed away April 29.

At the Campbellsport School Board meeting Monday, the board decided not to further challenge the conference realignment plan which would send the Cougars to the Eastern Wisconsin Conference beginning with the 1999-2000 school year. Administrator Joe Bertone and High School Principal Wayne Thuecks met with WIAA officials on April 17 in a last ditch effort to stay in the Flyway. Even schools that spent money on legal challenges to conference realignment issues were not successful.

A tentative agreement has been reached between the Campbellsport School District and the Campbellsport Education Association. The two-year contract covering 1997-98 and 1998-99 is expected to be ratified by both sides this week.

During its April 6 meeting, the Campbellsport Village Board accepted the petition for annexa-

tion of 35 acres of the Theisen property on the north side of the village. It will be zoned RS (residential with duplex).

One of the items on the long agenda of the Eden Village Board's regular session on April 16 involved switching job positions. Clerk/Treasurer Dolores Joan Feucht will now be the deputy clerk/treasurer and Sheila Zook will now be the clerk/treasurer.

Perfect scores were earned at the State Forensic Meet by Jon Koch, Staci Barutha, Kayla Lackas, Jenny Reese, and Kristin Konitzer.

With 22 of 23 runs scoring in the fourth inning, the Cougar softball team defeated Lomira 23-0 in five innings.

A daughter, Cassandra Lynn, was born April 9 to Lynn and Russell Theisen of Campbellsport. A son, Brady Matthew, was born April 12 to Jaemy and Troy Halbach of Mt. Calvary. A son, Ty Timothy, was born April 13 to Gail and Tim Lindsley of Campbellsport.

Marie Frances Anders, 79, passed away April 14. Thomas B. Letz, 68, Fond du Lac, passed away April 15. Maria H. Anderson, 59, Dundee, passed away April 20.

Reigning over the Junior Prom will be Prom King James Fuller and his chosen queen, Anne Hughes. The court of honor consists of Virginia Thiel and William Otte, Evelyn Janous and Joseph Pesch, and Margaret Weiland and Wilbur Whitty. The Serenade of the Belles is the prom theme, taken from the song of the same name.

The district music festival, the first part of which was held April 3, will be resumed in West Bend on May 8. More than 3,000 musicians from schools in this area of the state, including Campbellsport, will compete as participants comprising 30 bands, 33 choruses, and two orchestras. The festival there will be one of 17 held in the state that day, under the auspices of the Wisconsin School Music Association and the West Bend event will be the largest of all. Winners in the 17 district affairs will compete in the Association's finals in Madison on May 22.

A combined meeting of the Town Boards of Ashford, Auburn, and Osceola, the Village Board, and a committee of the fire department was held Monday to discuss further means of providing fire protection to the towns. Much was talked about, but no definite action was taken. Those attending felt more information was desirable. The general trend of thought was for the towns to purchase the equipment and the village be responsible for housing and manning it.

Known as a home-town boy, having been born and raised in the village, Alfred Van De Zande, Assemblyman from the 2nd Fond du Lac County District, announced that he would be a candidate for the Republican nomination for State Senator from the 18th district in the September primary.

The fanfare of marching bands, speeches by notables, presentation of the village key, free lunch, etc. were absent for the coming of television to Campbellsport. Unobtrusively Jake Kleinhans and Roman Anders of the C.J. Kleinhans firm have, for the past few weeks, experimented with the setting up of a television set in the C.J. Kleinhans show rooms. This set is now ready for public inspection.

| KEWASKUM'S DAYS GONE BY |

5 Years Ago
May 3, 2018

For her 14th birthday, Grace Lee had a special request. Instead of getting gifts for her birthday, she decided to request donations to the Kewaskum Fire Department. Grace enjoys helping others and that is how she likes to spend her birthday. She's been donating her birthday money to good causes for the past five years. The donation to the Kewaskum Fire Department was \$200. Grace's first donation was on her ninth birthday - 20 children living in a Guatemalan shelter received shoes. The Humane Society, Children's Hospital, and the Kewaskum Police Department have been the others to benefit from Grace's donations.

Fire destroyed two houses and damaged four more homes on Odawa Circle in Kewaskum on April 30. High winds played a role in spreading the blaze. During the height of the fire, a house approximately four blocks away caught fire. That fire was brought under control with an estimated damage of \$5,000. The homeowner of an eighth affected house extinguished a deck fire with a garden hose. No people were injured in any of the fires. The firefighters remained on the scene for approximately five hours, with eight fire departments, the Kewaskum Police Department, and the Washington County Sheriff's Office assisting the Kewaskum Fire Department. The fire cause is still under investigation. Dollar loss is still undetermined.

The Kewaskum Lions Club, in cooperation with Kewaskum High School, announced that Jillian Braatz and Kathryn Vorwerk will be attending the 41st annual World Affairs Seminar.

Berit Kirkegaard and Leroy Strowing are the Kewaskum Kiwanis Students of the Month for April.

Cade Peterson won the 100m dash in 11.12 and the 200m dash in 22.24 at the Washington County Meet. Peterson, Cole Surprenant, Tony Steger, and Cameron Dodge won the 4x100 in 43.5. Riley Donovan won the discus with a toss of 146 feet. Winning the high jump with a mark of 6'1 was Sam Schultz.

The Kewaskum softball team continues to do well with wins of 7-2 over Whitnall, 8-4 over Mosinee, 9-1 over Plymouth, and 11-0 and 3-1 over Campbellsport.

Kewaskum's soccer team lost a 7-2 game to Mayville in non-conference action.

In winning the first competition of the East Central Conference golf schedule, Kewaskum's score was 157, five shots ahead of Plymouth's 162. Other schools competing were Kettle Moraine Lutheran, Waupun, Winneconne, Campbellsport, Berlin, and Ripon.

By a 4-3 score, Kewaskum's boys tennis team beat Ripon. Winners included number three singles player Matthew Krautkramer, number four singles player Bryce Halvorsen, number one doubles Jared Chesak and Brent Goeden, and number two doubles Chris Long and Andrew Redmond.

The new Kewaskum Tribe U10 boys had an undefeated first tournament this past weekend as the team beat Mequon Heat 15-6, Merton Mavericks 22-6, and Mukwonago Tribe (no score given). The new team is comprised of youth from Farmington and Kewaskum.

Earl L. Flom, 84, Fredonia, passed away April 27. Eleanore A. Schultz, 98, passed away April 24. Althea S. Kempf, 87, Fond du Lac, passed away April 26.

Kewaskum School District will be leasing 6,000-square feet of office space from Regal Ware, Inc. By a vote of 47 to 40, those electors who attended the special meeting were in favor of the

\$60,000 per year lease for a period of five years, not to exceed 10 years. The space is needed because the school officials approved the start of an alternative school in the district and the Kewaskum Career Academy will be located inside the current administration building. Remodeling of that space for the alternative school is estimated at \$40,825. The move of administrative offices to the Regal Ware building is expected to cost \$52,235. Business Manager Paul Reichert said the money has already been budgeted for the entire project and will not raise the tax levy.

Members of the 2008 Junior Prom Court at Kewaskum High School include Joe Paulus, Jessica Liniewski, Aaron Monte, Cassie Prom, Josh O'Brien, Jordan Hoss, Matt Prunty, Liz Staeger, Travis Justman, Taylor Bocher, Brandon Conroy, Brittany Aupperle, Nik Olla, Megan Ogi, Michael Herriges, Nelli Baum, William Uttech, Kelsey Goetsch, Brandon Peter, Nichole Kison, Melissa Prunty, and Eric Shaske.

John Kenworthy will continue as president, Bill Kesting will continue as vice president, and Mary Miller will continue as clerk, but the Kewaskum School Board has a new treasurer. Jim Leister is new to the board and has the treasurer duties.

Dick Knoebel of Kewaskum received an award from the Department of Natural Resources for 20 years of service as a hunter safety instructor.

Although the rest of Kewaskum's boys track and field team struggled at the Washington County Outdoor Track and Field Meet as they finished seventh, Ben Boettcher was an exception. Not only did he win the discus competition, his toss of 166 feet was 30 feet more than the toss of the second place finisher. Boettcher's toss is the best in the state, in any division, this spring.

Kewaskum's tennis team swept the singles competition when the boys visited Dominican High School for the first match of the season. Winners were Dan Parker, Chris Larson, James Wiedmeyer, and Nathan Bandy.

The Indian golfers won the Cougar Scramble on Saturday, coming back from a third place tie after the first nine holes to edge St. Mary's Springs by a single shot.

A son, Benjamin Allen, was born April 17 to Angela and Jason Ebert of Beechwood.

Frieda M. Backhaus, 79, St. Michaels, passed away April 23. Milton O. Schuster, 87, Town of Farmington, passed away April 25. Edwin A. Junk, 79, Town of Barton, passed away April 26. Harry L. In the reorganizational meeting of the Kewaskum School Board, new officers were elected. They include President Jean Goeden, Vice President Tom Timblin, Clerk Mary Andera, and Treasurer Jon Downs.

Fire caused substantial damage to a residence on Fairview Drive in the Town of Wayne on April 22. No one was home when the fire occurred at the two-story house owned by Diana and Frank Tutas. The cause of the fire is still under investigation, but it is not believed to be suspicious.

An open house was held last weekend at Lost Nation Estates, the new 63-unit condominium community. It's located on 67 scenic acres at the intersection of the Highway 45 bypass and Beaver Dam Road.

Melissa Theusch and Matt Hammen have been selected as the April Kiwanis Students of the Month.

The boys Pioneer group from St. Lucas Lutheran Church in Kewaskum had eight boys represent the school at the Wildgoose District Pinewood Derby

race held at Jackson. David Gust placed first, Lee Schacht placed fourth, and Justin Ethier placed sixth out of more than 100 participants. Each will be racing in the Lutheran Pioneer International Pinewood Derby Race in Madison.

Donald J. Hlavaty, 59, Kewaskum, passed away April 21. James Edward Gillard, 59, Kewaskum, passed away April 24. Raymond M. Gerlach, 62, Beechwood, passed away April 22. Verna W. Giedd, 83, West Bend, passed away April 25. Rita Martin, 67, passed away March 29.

The final resolution leading to installation of curb and gutter in the Bel-Ric Acres subdivision was approved by members of the village board.

Paul's Shoe Corner on Main Street will be moving to a new location. It will tentatively begin occupying the building at 1269 Fond du Lac Ave. on May 4. The shoe repair department will also be maintained there. Mr. and Mrs. Paul Blumer own Paul's Shoe Corner and have another location in Grafton. At that location, they are in business with Mr. and Mrs. John Fellenz and The Carousel will be added in Kewaskum. Ladies sportswear will be sold there.

Nine teenagers received \$200 scholarships and 30 others won an A rating at the first ever University of Wisconsin-Stevens Point Writers' Workshop for Secondary Students. One of the nine recipients was Dana Acker, Kewaskum Community High, in playwriting.

Wayne R. Rimmel of Kewaskum has qualified as a certified manufacturing engineer. He joined Regal Ware in 1959 and is coordinator of product engineering at the company.

A Bike Hike to raise funds for gym equipment is being sponsored by Kewaskum High School's Student Government. It will be 33 miles.

Mrs. Walter Bade, chairman for the Village of Kewaskum, has announced that the final amount contributed to the Wisconsin Heart Fund from the Kewaskum area is \$770.21.

Procedures for reviewing proposals were discussed by the Board of Education at its Monday meeting. It was announced at the meeting that the two recent snow days will be made up, but the dates will be left to the discretion of the administrative and teaching staff.

The third annual Kewaskum Indian Golf Invitational had been postponed on April 13 because of snow. It was almost postponed again, but it was decided to confine play to the driest holes on April 23, and the golfers played those holes twice in what became a 12-hole Invite. Kewaskum placed second, two strokes behind Plymouth.

A son was born April 23 to Mr. and Mrs. Ralph Raether of Kewaskum.

Olga M. Rosenthal, 83, West Bend, passed away April 28.

Among the business transacted by the Washington County Board of Supervisors last week was the appropriation of \$400 for reconstruction of the Dobke Bridge in the Town of Kewaskum. An additional \$400 in costs will be borne by the township.

In a baseball doubleheader, Kewaskum High School won both ends against Oakfield, 3-1 and 3-2.

Regal Ware is to be known and advertised throughout the land in a half-million dollar advertising program by Lever Bros of Cambridge, Mass.

A son was born April 20 to Mr. and Mrs. Harold Krueger of Kewaskum.

Infant Ronald Eldon Ebert passed away April 24.

Gov. Evers Signs First Enacted Bill of Second Term to Help Curb Reckless Driving

Gov. Tony Evers on Monday, signed the first bill of his second term, enacting a law to help prevent reckless driving. Senate Bill 92, now 2023 Wisconsin Act 1, aims to curb reckless driving in Wisconsin by allowing counties and municipalities to enact ordinances authorizing law enforcement to impound a vehicle if its owner is cited for reckless driving and has a prior conviction for reckless driving and has not paid the imposed forfeiture for that offense.

"Everyone deserves to feel safe in our communities and on our roads and streets, whether they're taking their kids to school or driving home from work, but reckless driving and other dangerous behaviors are putting folks at risk across our state," said Gov. Evers. "I'm glad reckless driving is the first issue we're addressing this session, but our work cannot stop here. I call on the Legislature to support my budget initiatives that will build on this bill and make our roads safer by taking a statewide, multi-pronged approach to urgently addressing reckless driving and dangerous behavior on our roads."

The governor's 2023-25 biennial budget proposal includes investments to increase safety on Wisconsin's roads, including:

- Improving the safety of travel on Wisconsin's highways by providing 35.0 full-time equivalent (FTE) positions for additional state troopers and 10.0 FTE positions for motor carrier inspectors;
- Providing \$60 million to establish a new traffic calming grant program;

- Providing \$16,000 to develop and implement electric vehicle license plate stickers to assist first responders in emergency response for electric vehicles;
- Implementing Driver Licenses for All, regardless of documented status, to improve the safety of Wisconsin roads for everyone in Wisconsin;
- Restoring roadway design considerations in state law that support non-motorist infrastructure known as "Complete Streets," empowering local communities to safely integrate all modes of transportation;
- Investing \$6.5 million to cover the cost of comprehensive driver education for economically disadvantaged students;
- Requiring that courts order the use of an ignition interlock device (IID) for all offenses involving the use of alcohol and operating a motor vehicle while intoxicated, joining 30 other states and D.C. in requiring all offenders, including first-time offenders, to install an IID; and
- Increasing Wisconsin's seatbelt violation penalty from \$10 to \$25 to match neighboring states.

Additionally, Gov. Evers has previously announced more than \$100 million in investments to support violence prevention and community safety efforts statewide, including to support the work of local and Tribal law enforcement across the state and, notably, to prevent reckless driving through environmental design and upgrades to local roads in Milwaukee.

Boltonville Firecrackers April Report

ELLIE STEINERT
BOLTONVILLE FIRECRACKERS REPORTER

Hello again!

We had a busy meeting with lots of planning. This month we talked about collecting aluminum cans at Boltonville Rain Days and Party on the Pavement. The cans will be turned in for money that our club can use for activities and events.

John and Calie also proposed the idea of collecting soda tabs for the Ronald McDonald House. We will be putting out containers at local businesses to collect the tabs. We are excited to give back to the community!

We also made plans to be in two different parades this summer. We will work on a float. Finally, we discussed our decoration theme for the animal barns at the fair. We picked a beach theme!

The Boltonville Firecrackers will also be selling baked goods at a bake sale on May 6. Stop in at the R-Store in Boltonville for some tasty treats! We hope to see you there.

That's all for now. Talk to you next month!

Fond du Lac County Fairgrounds Community Testing Ends

Tuesday, April 11, was the final day for COVID-19 testing at the Fond du Lac County Fairgrounds. The site has been the host for COVID-19 community testing since October 2021, in partnership with Accelerated Clinical Laboratories' for providing vital testing services to the public.

Individuals can access a COVID-19 test by:

- Visiting a community testing location such as at Walgreens.
- Purchasing self-tests through pharmacies, retail outlets or online.
- Ordering free self-tests online with Department of Health Services.
- Contacting a healthcare provider.
- Using health insurance, Medicaid, or Medicare plans to cover the costs of purchasing additional test kits.

Free tests are available at city/county buildings and county libraries while supplies last.

Individuals may find additional testing within Fond du Lac County by visiting its website, or throughout the state by visiting the DHS website.

Local Runners Participate in 55-mile Relay

On April 15, Prevea Health sponsored its 11th annual Run Away to the Bay 55-mile relay race.

“Starting on the shores of Lake Winnebago in Menomonee Park in Oshkosh, runners will head north along the lake towards the Fox Cities before crossing the countryside of Calumet County and finally entering the Fox River Trail just north of Forest Junction. Runners will stay on the trail until reaching the waterfront finish line on The City Deck, in Downtown Green Bay,” stated the event info.

A Kewaskum running group formed by Heather Lettow during the pandemic participated in the event. Twenty-two members of the group divided into four teams completed the race.

It took roughly nine to 10 hours to finish the race.

“A crazy group of people from the small town of Kewaskum, who have all formed friendships because of our love of running, all went and cheered each other on and supported each other through a very challenging and rewarding event,” said one of the runners, Candice Butzlaff.

Four of the Kewaskum runners pose at the finish line of the race. Left to right are Tracey Ebert, Tricia Landvatter, Candice Butzlaff and Kayla Knies. **SUBMITTED**

**LORI KREIS, DIRECTOR
KEWASKUM PUBLIC LIBRARY**

May is just around the corner and with it comes warmer weather, many flowers and new books for you at the library. Look for new releases by your favorite authors and check out several notable debuts.

One of my favorite suspense writers, Megan Abbott, comes out with *Beware the Woman*. In this thriller, a pregnant woman undergoes a health scare that brings up whispered conversations about her husband’s complicated family history and long dead mother. *No Two Persons*, by Erica Bauermeister is a story about a story. From the publisher, “When a devastating event breaks her heart open, aspiring writer Alice creates a stunning debut novel in which her words find their way to readers, from a teenager hiding her homelessness to a widower rent by grief, who, due to her book, find new paths forward.” James Patterson will release the next installment in The Women’s Murder Club with *The 23rd Midnight*. Fans of Danielle Steel will rush to get their hands on her latest, *The Wedding Planner*. Look for the highly anticipated *Yellowface* coming in mid-May. It contains white lies, dark humor and deadly consequences as author R. F. Kuang involves the reader in a novel that is timely and set to be a best seller. Look for additional new fiction releases by Ivy Pochoda, Tom Hanks and Jude Deveraux.

For new non-fiction for adults, we will have biographies, self-help and books covering historical events. *Camera Girl* by historian Carl Anthony follows the life of Jacqueline Bouvier Kennedy

as a single woman before she met the senator of Massachusetts. Her college years into her early career life are chronicled and helps us understand the woman she became. Kwame Alexander releases his ground-breaking memoir, *Why Fathers Cry at Night*. In this intimate look at his life and those close to him that have made an impact, he uses poetry, letters and other personal artifacts to paint a picture of who he is. Dr. Gladys McCarey is a centenarian still-practicing doctor and shares her secrets to her long and happy life in *The Well-lived Life. To the End of the Earth* is John McManus’ final volume on the U.S. Army in the Pacific War.

In children’s literature, look for new releases by best-selling authors that will soon be one of your child’s favorites. Ruby the elephant is back and is the featured character in Katherine Applegate’s *The One and Only Ruby*. In this novel for middle-readers, Ruby recounts her life before the circus when her caretaker from the elephant orphanage in Africa comes for a visit. Your tots will laugh along to the adventures of the crayons in *The Crayons Go Back to School*. Drew Daywalt will delight readers while each crayon is excited about their favorite subject and meet new friends. There will also be new reads featuring the Very Hungry Caterpillar, Pete the Cat, and Daniel Tiger.

Warmer weather is coming so be sure to come in and check out a new book to enjoy as you smell the spring flowers.

Kewaskum Public Library is now "dementia friendly" after staff training with the ADRC of Washington County. **SUBMITTED**

Chambers Replaces Meltz on Kewaskum Library Board

NEWS & STATESMAN STAFF

Kevin Chambers will replace Teresa Meltz on the Kewaskum Library Board following the latter's removal from her position which took place at the regular village board meeting held last week Tuesday, April 18.

Meltz was serving as the president of the Library Board at the time of her replacement.

Trustee Jim Hovland abstained from the vote to remove Meltz and appoint Chambers with the other five trustees voting in the affirmative.

Village President Fuzz Martin, who addressed the change after the conclusion of the meeting, cited the importance of the relationship between the

Kewaskum Village Board and Library Board, and he believed a change was needed to help foster better discussions.

Both groups have been working toward a new library space as all village entities plan to move into the Regal Ware facility in the future.

Meltz wrote the following in response to her removal from the board:

"I would encourage residents to make a public records request to the Village for the recording of the Joint Village Board and Library Board meeting that took place on January 9, 2023."

The January 9 meeting was also covered in the January 12 edition of this paper.

personal property if the person has refused a reasonable written request by certified mail of the assessor to view the property, the Town of Auburn, due to a decision by the Wisconsin Supreme Court and recommendation by the Department of Revenue, will allow a person who has denied a request to appear and will address the lack of access and the credibility of evidence offered as an evidentiary issue at the hearing.

2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and

Meetings and Public Hearings 7720

improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person no later than 7 days before the board's first meeting supplies the assessor with all the information about income and expenses, as specified in the assessor's manual under s. 73.03 (2a), Wis. stats., that the assessor requests. The Town of Auburn has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court.* The information that is provided under this paragraph, unless a court determined before the board's first meeting that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (1), Wis. stats.

7. The board may allow the property owner or the property owner's representative, at the request of either person, to appear by telephone, under oath, before the board or to submit written statements, under oath, to the board. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, osteopath, physician assistant, or certified advanced practice nurse

prescriber that confirms their illness or disability.

8. No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s. 70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

9. At the request of the property owner or the property owner's representative, the board may postpone and reschedule a hearing, but may not postpone and reschedule a hearing more than once during the same session for the same property.

Notice is hereby given this 25th day of April 2023.

TOWN OF WAYNE WASHINGTON COUNTY, WISCONSIN

Notice of Public Hearing On Application for Conditional Use Permit

NOTICE IS HEREBY GIVEN that a Public Hearing will be held at the Town Hall, located at 6030 Mohawk Road, in the Town of Wayne, before the Town Board/Park and Planning Commission, on Wednesday, May 17, 2023 at 6:30 p.m. for Haag Living Trust, Owner to consider the issuance of a Conditional Use Permit for the following purposes:

Construction of a 250 foot self support communication tower within a 100' by 100' leased area as per Section 17.0 of the zoning ordinance. The Tower will be located within a seventy-five foot by seventy-five foot (75' x 75') fenced compound, which is within a one hundred foot by one hundred foot (100' x 100') lease area on the Property ("Lease

Meetings and Public Hearings 7720

Area"). Additionally, a thirty foot (30') wide access and utility easement will run between the Lease Area and Hwy 28 to provide access to the Tower. The Project site is designed to meet all setback requirements. An eight foot (8') chain link fence will surround the compound. The Tower is approximately one thousand one hundred fifty feet (1,150') from the nearest residence to the north. Because the location of the Tower is in a farmland, no landscaping buffer is being designed as there are no requirements for this by the Town or Washington County.

Upon the following described property:

6915 Hwy 28, Tax Key T12-0169, Town of Wayne, Washington County, WI
Dated: April 20, 2023
Carol Gonwa
Town Clerk

NOTE: Notice to be published as a Class 2 Notice.

Notice to be sent to all abutting property owners, all property owners within five hundred (500) feet, and all property owners of opposite frontages.

– Ripon College held its Spring 2023 Catalyst Day on April 19. Held each fall and spring, Catalyst Day is designed to showcase Ripon College's Catalyst curriculum and celebrate the achievements of students who are completing the junior-level collaborative capstone. Throughout the day, attendees had the opportunity to watch teams of students present problem-solving projects that tackle worldwide issues.

Nikolaus Johnson, a 2023 student from Kewaskum, participated in a catalyst presentation titled "Reconnecting Ripon: Our History as a Catalyst for Change."

– Gracie Hughes from Kewaskum, a marketing major, was a contributor to the University of Wisconsin-Whitewater 2023 American Marketing Association International Chapter of the Year Award, held March 30-April 1 at the organization's collegiate conference in New Orleans, La.

To win chapter of the year, UW-Whitewater students submit an annual report addressing their professional development activities and competitions, social impact, chapter communications, fundraising, member recruitment, retention and engagement, operations, and the presentation of their program. Judges score each section, and the points are tallied. This year, UW-Whitewater AMA scored 99 out of 100 possible points.

This is the 19th time that UW-Whitewater AMA has held or shared this title – and the 12th time in a row.

Kewaskum's Dogs Named One of Wisconsin's Top 32 Scholar Athletes

ELIZABETH KNIGHT
WIAA DIRECTOR OF MEDIA RELATIONS

Sixteen senior girls and 16 senior boys from Florence to Racine have been selected as finalists to receive the prestigious 2023 Wisconsin Interscholastic Athletic Association's (WIAA) Statewide Scholar Athlete Award, presented by We Energies Foundation and Wisconsin Public Service Foundation. More than 1,181 Scholar Athlete finalists have been recognized since the program began in 1984.

To determine the top 32 finalists, four boys and four girls were selected (based on both athletic and academic achievement) from each of the four WIAA divisions

One of those finalists is Madilyn Dogs from Kewaskum High School.

"Madilyn has lettered eight times in volleyball, basketball and track and field. She is a member of a state championship basketball team, has earned all conference honors six times, and was a state finalist in track and field," her bio reads.

"Each of these remarkable student athletes has excelled in academics and athletics," said Tom Shafranski, Assistant Director of the WIAA. "Fifteen of this year's 32 WIAA Scholar

Athlete finalists have a grade point average of 4.0 to date. All 32 scholar athlete finalists have already earned a total of 294 varsity letters during their first three-and-a-half years of high school. That's an average of nine letters per athlete, and we have not yet completed our spring sports season."

This year more than 841 seniors were nominated for the 2023 WIAA Scholar Athlete Award by 454 high schools throughout the state.

The 2023 WIAA Scholar Athlete Finalists will be recognized at an awards ceremony Sunday, May 7, at the Hilton Garden Inn in Wausau. Keynote speaker will be Anne Marie Anderson, Emmy award winning sports broadcaster and one of the most experienced female play-by-play announcers in the country.

Of the more than 841 high schools submitting nominations this year, three schools had a finalist for the first time in the 38-year history of the WIAA Scholar Athlete program, including: Mya Hartjes, University School of Milwaukee; Joey Perry, Winneconne High School, and Lucy Strey, Sun Prairie East High School.

A Webcast of the awards ceremony will be available at wiaawi.org after the ceremony on May 7.

KHS BASEBALL from page 32

The Rockets did not give up and took advantage of a combination of walks, hits, and an error to score their first run. A double play for the Indians saved it from being more.

The Indians got one back in the bottom of the fifth on a sacrifice fly from Austin Reichel.

Cedar Grove-Belgium utilized the same combination as they did in the fifth to score two more in the sixth and seventh inning to tie the game up.

With one out in the seventh, Loser was hit by a pitch. He proceeded to steal second base and advanced to third on a Reichert ground-out which set up an oh-too-familiar situation. Dylan Soyk went up to bat with two outs and the winning run at third. He delivered for the second time in as many days to send the Indians home with a walk-off victory.

Austin Loehr started the game going four innings, allowing one run on one hit while striking out five and walking four.

Cooper Petermann and Hunter Loser (W) both came to pitch in relief, combining to allow just three hits in the final three innings of the game.

Soyk led the Indian offense going 3-4 (2B RBI), while Donath (2B, 3RBI) and Loehr both added hits on the day.

Indians Split Saturday Triangular

It was a tough, frigid start to the day on Saturday for Kewaskum, who lost 10-3 to Hartford High School, but rebounded to defeat Lake Country

Lutheran 6-5 later in the afternoon.

Game 1 Recap

The Kewaskum Varsity Indians got on the board in the first inning thanks to a single by lead-off hitter Andrew Reichert followed by a Hunter Loser triple. The Indians took a 2-0 lead capitalizing on a throwing error on a pick-off followed by a fielding error.

The next few innings would be all about the Orioles as they retired nine straight Indian batters and scored 4,3,2,1 runs in the fourth through seventh innings, respectively.

The Indians were able to score one in the seventh inning when Derek May hit a double and then scored on a Karter Fell ground-out.

Derek May was on the mound for the Indians. The right-hander went four innings, allowing four runs (two earned) on four hits, striking out three and walking one. Josh Koeing, Dylan Soyk and Loser each contributed in relief for Kewaskum.

Game 2 Recap

The Indians played six solid innings of baseball against Lake Country Lutheran, but one less than ideal inning caused the Indians to have to play catch-up in the seventh to come back to win the game on a two-out, two-strike Dylan Soyk single.

Pitching was the strength in game two as starter Donny Zillmer went four strong innings allowing just two hits and no runs. Austin Loehr and Josh Koenig (Win) came in relief and only allowed three hits in as many innings. Despite giving up

five runs in the game, there were zero earned runs.

The game was scoreless until the bottom of the third when Karter Fell led things off with a single. A pair of ground-outs moved Fell to third which set up a RBI single by Zillmer to take the 1-0 lead.

The one run lead held until the Indians put together a two-out rally to score three more in the fifth. Ciriacks singled followed by Everett Donath getting hit by a pitch bringing up Zillmer who hit a double to the fence in left center scoring two. The final run of the frame scored when Austin Reichel hit a double to score Zillmer.

A pair of errors, a few hits, and a hit batter allowed the Lightning to score five in the sixth and erase the four run Indian lead to take a one run lead into the bottom of the sixth where the Indians threatened, but a double-play ended their hopes of coming back... in the sixth inning, anyway.

The seventh inning started with back-to-back singles by Ciriacks and Donath. With runners on the corners and no outs, Zillmer hit a hard ground ball to second to which Donath was out, but Ciriacks scored to tie the game. A throwing error trying to double up Zillmer led to him advancing to second with one out. Lake Country Lutheran decided to then intentionally walk Austin Reichel to face Hunter Loser with runners on first and second with one out. A fly-out resulted in the runners staying put. Following a Zillmer steal of third base, Soyk delivered his second game winning single of the year to lift the Indians to victory.

Kewaskum Sharks Win 5-1 Over Slinger

KEWASKUM YOUTH SOCCER ORGANIZATION

The Kewaskum U9 Sharks started off the spring soccer season playing the Slinger Strikers on Saturday, April 15.

It was a gorgeous, sunny day, and the teams were well-matched and played hard.

With several attempts on goal, the first quarter

was intense and scoreless. Parker Hug worked hard as goalkeeper, blocking all shots headed for the Kewaskum goal.

The Strikers started off the second quarter with a goal on Kewaskum. Hug then made a great pass to Benson Stahl, who slammed the ball into the net, tying the score, 1-1, at half.

Emslee Rabuck and Abigail Schultz showed some exceptionally great defense in the second half.

On the offensive side, Logan Watzlawick swept the ball up the field and tapped the ball into the net, putting the Sharks in the lead. Hug was quick on his feet and scored another goal at the end of the third quarter, putting the Sharks ahead, 3-1.

While the sun was beaming down, the Sharks didn't let up.

Louie Berres worked hard to stop the Strikers' several attempts on goal.

After several close attempts, Harper Kenworthy connected with the back of the net with a long, sweet shot, ending the game with the Sharks in the lead, 5-1.

What a great start to the season!

Way to go Sharks!

The Toro Company's Annual Product Donation Program

Making an impact by helping customers, communities and industries throughout the world to thrive and care for their outdoor environments is what drives us at The Toro Company. To demonstrate our commitment to help support nonprofit organizations in communities where employees live and work, we are proud to announce our Annual Product Donation Program.

"Many nonprofit organizations within the communities where we operate are in need of equipment and irrigation products to maintain their facilities to provide safe environments for those in need," said Heather Hille, managing director, Corporate Affairs at The Toro Company. "Through our Annual Product Donation Program, we can help contribute to and strengthen many nonprofits by providing quality products, minimizing their costs and enabling them to do what they do best."

Each year, The Toro Company supports nonprofits worldwide by donating turf and landscape maintenance products to help in maintaining the organization's facilities and in furthering their missions. Job skills training, family crisis centers, schools, equestrian services, arboretums and zoos are just a few examples of the nonprofit sectors that have benefited from this program in the past.

Qualifying organizations must be located within 40 miles of

an office, manufacturing or distribution location of The Toro Company and be a 501(c)3 nonprofit organization. Applications for 2023 must be submitted by May 15, 2023, at 12:00 p.m. (CDT). Applications are currently being accepted www.thetorocompany.com/product-donation-guidelines.

About The Toro Company

AN Outdoorsman's JOURNAL

Dodge County Turkey Hunt

MARK WALTERS
COLUMNIST

I wrote about my good friend, Rod Bensley of Burnett, at least a dozen times over the years.

The last one-and-a-half years it was about his battle with rectal and prostate cancer and his will to live as long as possible (and to be active, as well).

Rod spoke with me on several occasions about making me responsible for getting some kids hunting on his and, his wife, Wendy Vick's 212-acres of land after he passed, and I assured him I would do that.

Rod passed away on Nov 29, and the world lost a good man.

Two years ago, I met Tyler Thiede who was a very good friend of Rod and Wendy's. I have been hunting with his 11-year-old son, Conner, and 12-year-old daughter, Carsyn. I was with Carsyn last fall when she whacked an eight-pointer and with Conner when he put a hurting on a two-and-a-half-year-old buck that had already lost its horns last December.

For the youth turkey hunt, I sat

Thirteen-year-old Joey Reifschneider with his first turkey, which his father, Chad Reifschneider, called in for him.

with Carsyn, and Conner sat with Tyler and his life-long buddy, Justin Braun, on Rod and Wendy's land near Burnett.

SATURDAY, APRIL 15
HIGH 83, LOW 52

This story is all over the map. We are staying at Tyler's hunt-

ing camp, which is near Burnett. It includes a bunch of kids as well as Justin Braun, Chad Reifschneider and his son 13-year-old son Joey, as well as Kyle Zilsdorf. The adults in this camp have been buddies all their lives, and their kids love camp very much. Last night we had a cookout and, today between hunts, the kids shot BB guns.

Carsyn and I were set up long before daylight; it is 60-degrees, and we can hear toms gobbling in the trees. Night became day, and we had deer, geese and lots of ducks for company. The turkey quit gobbling by 6, and I put Carsyn in charge of some wildlife photos.

A few years back Rod and Wendy put a pond on the property, and it is now loaded with waterfowl. What was really cool is that I taught Carsyn about wood ducks and told her about the two wood duck houses that were within a stone's throw of us. Both houses would have hens fly on top of them and go inside. This knowledge would have made Rod very happy.

About 7, we had an experience with five jakes and two hens. They did not come into our setup, and Carsyn wanted a tom if she was pulling the trigger this early in the hunt.

Meanwhile, Conner, Tyler and Justin had a very cool experience with a red fox that was hunting a squirrel. The fox gave them a great show and, when the squirrel treed, Tyler gave it a mouth-squeak and it came very close to them.

Story of the day for our three groups of hunters: the birds that we saw had no desire to come to our setups, and it was so hot that we were steaming in our blinds.

SUNDAY, APRIL 16
HIGH 44, LOW 33

There was a dramatic change in weather – as in a 40-degree drop in the high – and a very cold rain.

For the most part, the turkey we saw simply had very little desire to come to our set-ups and spending a day in an unheated turkey blind was a true test.

We hunted hard and, as I have

Cougars Fall to Laconia, Beat N.F.D.L.

COACH DAN HEISDORF
CHS SOFTBALL

The Cougar softball team played Laconia on April 18, and could not get the sticks going, losing 7-0.

The Cougars could only muster four singles achieved by Megan McCarty, Maia Morgan, Kylie Krueger and Kinsley Homuth.

McCarty pitched 3.2 innings allowing seven hits and six earned runs.

Peyton Hall pitched the final 2.1 innings, allowing two hits and one earned run, while striking out one.

The Cougars rebounded on Friday, April 21, by beating North Fond du Lac (NFDL) in the bottom of the seventh inning 5-4.

In the bottom of the first, Sam Schodrow led off with a single, got to third on a throwing error and scored on a RBI ground-out by Kinsley Homuth.

NFDL took the lead again at the top of the second, 2-1, and the score remained that way until the bottom of the third when the Cougars put three runs on the board. Kylie Krueger singled and Homuth reached on an error. With two outs, Kaitlyn Goebel lined a two-RBI single to right center. Maia Morgan singled and Alyssa Koelbl singled to left center to score Goebel.

NFDL tied things up at four in the fifth inning and stayed knotted up until the bottom of the seventh. McCarty singled to left and reached second on a ground-out. Morgan was intentionally walked to set up the force. Koelbl hit a shot to the third baseman that she couldn't handle and that would load the bases. After a fielder's choice forced out the runner at home, Ava Sippel stepped to the plate with two outs and lined the first pitch she saw down the left field line that landed dead center of the chalk to win the game 5-4.

McCarty pitched all seven innings, allowing six hits, one earned run, while striking out seven.

Campbellsport moved to 4-2 overall and 3-1 in the conference.

Kewaskum Victorious in Battle of the Undefeated

KHS SOFTBALL

Kewaskum and Winneconne came into the game undefeated in conference play, and the Indians would leave as the only undefeated conference team left.

Kewaskum cruised to a 7-1 victory behind a strong pitching performance by Macy Sabish.

“I still don’t think we’ve seen the best Macy can pitch yet, but she’s consistently putting us in a position to win. She pitched really good tonight”, said Coach Craig Rosine. He added, “Winneconne came in with a very high team batting average. I don’t know what it dropped, but Macy made it drop tonight.”

Sabish started and went the distance, earning the win, while striking out 10, giving up only five hits, with zero walks and allowing one earned run.

Kyli Baka led off the first with a single, stole two bases and scored on an RBI ground-out by Lauren Rettler to take a 1-0 lead.

Winneconne hit a solo homer in the second inning to tie it, but it was all Indians after that.

In the bottom half of the second, Aubrey Magray singled and stole second base. Sabish doubled, scoring Magray. Later in the inning, for the second time in the game, Rettler would drive in Baka, this time with an RBI single to take the score to 3-1.

The third inning would see the Indians take command of the game. Sadie Clausing and Mikaela Marquardt started the inning with back-to-back singles. Maya Beistle doubled to right center to drive in both Clausing and Marquardt. Beistle would later score on an error which allowed Magray on base. Magray crossed the plate and scored the final Indians run on a single by Isabelle Thomas to finalize the scoring for the day at 7-1.

Sabish shut the door the rest of the way only allowing two hits in the final four innings.

“I still don’t think we’ve seen our best ball yet”, said coach Chris Sabish. He added, “We had 10 hits, but a high number of them are more lucky than good. I’ve seen these girls hit...like really hit, and when they do that in a game, the fireworks will be blinding. Chico Leitheiser, our stats guy,

A Message to K.H.S. Players, Parents and Girls Basketball Fans

Mark Maley retires as KHS girls’ basketball head coach after state-title season

**COACH MARK MALEY
KHS BASKETBALL**

In October 2022, I was offered an old coach’s dream opportunity: coaching a previously-winning team of high character, caring and smart young women.

The twin goals at the beginning of last season were: win the conference and win the last game of the season, which is a lot of high school teams’ goals.

Incredibly, they did both.

I can’t thank the players, my assistants, the Kewaskum High School (KHS) administration, the custodians and facilities folks, the Kewaskum Youth Basketball coaches (especially former coach Russell Thull), the local community and the new “Kewaskum Nation” formed in part by the technology that allowed a viewing audience across Wisconsin, the U.S. and a few foreign countries [to watch the title run].

I will never forget the Wednesday Walk of Fame, seeing the elementary students and townspeople cheering us on our trip to Green Bay and the ride back into town.

Special thanks to our trainer, Emily Anderson,

who was my co-“boss” (along with the incredibly supportive athletic director Jerry Halopka) and who had the 100%-trust of my players and staff.

I especially want to thank the parents of my players. They allowed me to coach their daughters absent the noise that 99.9% of high school coaches deal with in any season. Their daughters do the right thing, even when no one is watching. A former player of mine wrote a note about how those players are role models for her daughters.

She’s right! They are role models in every possible way.

I retired as head coach effective April 16.

I have committed to help next year’s varsity and JV this summer with summer league participation, skill work (especially shooting mechanics), shooting clinics for the Kewaskum youth and will mentor the new coach as requested.

My time as the head coach was brief, but I will always cherish my time with the finest group of young women a 25-year-coach could ever imagine coaching.

May you all have a great day, week, month, year and life.

Signed,

“Uncle” Mark Maley

Proud coach of the 2023 Kewaskum girls basketball state champions

Kewaskum Loses to Kiel in Nine Innings

KHS BASEBALL

The Kewaskum Indians (2-4) fell to the Kiel Raiders (3-1), 4-3, in nine innings on Friday, April 14, on the final play of the game.

Kewaskum got things started in the first inning with two outs when Hunter Loser hit a solo home run to right field and got their second run of the game in the second inning on a two-out ground rule double by Austin Loehr that went underneath the fence, otherwise the Indians would have been able to take a three-run lead.

The Indians' 2-0 lead held until the bottom of the third when the Raiders capitalized on a two-out error and later scored on a single. They tacked on a pair of runs in the next inning, but an Indians' double play kept the game tied.

The Indians' only other threat to score, until the seventh, came in the fifth inning when Loser smoked a ball to dead center that the Raider centerfielder timed perfectly, jumped, and caught the ball above the fence robbing him of what would have been his second home run of the day.

The score remained 3-2 in favor of Kiel until the seventh inning. Following a Loehr single and a "questionable attempted steal that resulted in a balk" according to Coach Heisdorf, the Indians had the tying run at second with no outs.

After a bunt by Reichert, the Indians tried to steal a run on a suicide squeeze that the runner got tagged out on resulting in two outs and a runner at first.

Kiel decided they did not want to face Loser

and intentionally walked him which led Coach Heisdorf to call to his bench. Down by one with two outs and the tying run in scoring position, Dylan Soyk came through with a hard hit single to tie the game.

Unfortunately, this was as close as the Indians would get as they were retired 1-2-3 in both the eighth and ninth innings.

Derek May started and was great for the Indians. The righty allowed five hits and three runs (two earned) over six and two-thirds innings, striking out seven and walking one.

Josh Koeing threw one and one-third innings in relief out of the bullpen.

Austin Loehr went 3-4 (2B, RBI) at the plate to lead Kewaskum.

Clutch Hitting from Donath and Soyk leads Kewaskum to Victory

After watching a four-run lead disappear, the Kewaskum Indians (3-4) prevailed to beat Cedar Grove-Belgium (1-5), 6-5, on Saturday.

The Indians were able to score first in the second inning thanks to a wild pitch that scored Dylan Soyk who led the inning off with a double and stole third base.

The one-run lead held until the fourth inning. The Rockets walked three Indian hitters which set the table for sophomore Everett Donath to smoke a bases-clearing two-out double to the fence in left-center to push the lead up to 4-0.
