## Trinity Lutheran Breaks Ground for New Church Building in Waucousta

Trinity Lutheran Church, located in Dundee, last Saturday, Sept. 30, broke ground for a brand-new facility, which will be located on the same site as Trinity Lutheran School (W2011 County Road F) in Waucousta, as members of the congregation gathered in ceremony to celebrate the occasion.

According to Trinity Lutheran Building Committee Chairman Clay Hardenburger, "There are many reasons to build. The church is experiencing growth, the current building is 120 years old and not handicap accessible and having the church and school on the same campus is ideal."

Pastor Robert Oberg spoke, read passages and led the group in prayer prior to a ceremonial gold-shovel groundbreaking. He noted that the site they chose to move the first dirt was the projected location of the future chapel's altar.

The proposed timeline for the 10,000 square-foot building project has a start date in October of this year with completion in July of 2024. Excel Engineering of Fond du Lac provided architect and engineering services with Catalyst Construction of Milwaukee and the Fox Cities/Green Bay serving as construction manager.

Located in the heart of the Kettle Moraine, the new facility will enjoy plenty scenic views.

"When you come to Trinity, you will experience coun-

try church charm as you gather with others just like you who need to hear God's encouraging message of love and salvation," said Pastor Oberg prior to last week's groundbreaking.

Hardenburger noted that the growth will not just serve the congregation.

"Having improved visibility and accessibility for the church on the new site allows our ministry to be more visible and viable to our surrounding community," he added.

Trinity is a part of the Wisconsin Evangelical Lutheran Synod (WELS), which is the third largest Lutheran Church body with 1,250 churches worldwide. Trinity's congregation was formed in 1878 with the present-day church structure being built in 1903. Trinity added a Lutheran school for grades K4 through eighth grade in 1981

and completed a school addition in 1987. The school is currently undergoing the WELS School Accreditation process (WELSSA), which is recognized by the National Council for Private School Accreditation (NCPSA) in association with their acceptance into the school choice program starting in the 2023-24 school year.

Trinity worship services will continue to take place at the Dundee location until the new church is ready for occupancy in 2024. Service times are Mondays at 7 p.m. year-round. From Labor Day through Memorial Day, Sunday service times are 8 and 10:30 a.m. with Sunday School, Teen Bible Study and Adult Bible Study between services.

## Water Rate Increase Expected in Kewaskum

**MITCHELL BRADLEY KELLER**  
EDITOR

At the Monday, Oct. 2, regular Kewaskum Village Board meeting, the trustees approved a Wisconsin Public Service Commission (PSC) Simplified Rate Case increase, which will raise water rates by eight percent.

"Last year, the board suggested we do a rate case every time the PSC allows us," said Village Clerk Tammy Butz.

Butz said the village was behind on raising rates from 2015 until last year, and some members lamented that a lack of gradual increases during that time frame have made for larger increases in the present to "play catch-up."

"We weren't changing our oil from 2015 until last year," said Village President Fuzz Martin, using the allegory to illustrate the point. "Now we're getting hit with these costs because we put it off."

Butz noted that the average water user in the village will see roughly a five-to-eight dollar increase per bill, although figures will vary per household.

She also added that upcoming road and infrastructure projects in the village means Kewaskum can't afford to discount its water utility services.

"We have the Highway 45 project and other street projects that we need to be able to pay for," she said, also adding that village pump stations are due for updating as well. "We're putting [costs] on the user as opposed to putting it on the taxpayer."

While all expressed reluctance in doing so, the board approved the eight-percent increase unanimously.

## Kewaskum Village Using Eminent Domain to Obtain Former PNC Bank Building

**MITCHELL BRADLEY KELLER**  
EDITOR

The Village of Kewaskum is moving forward with an eminent domain claim, as negotiations to purchase the former PNC Bank building – at 1225 Fond du Lac Ave. – fell apart, according to officials, after PNC (which owns the property) backed out of a non-binding letter-of-intent to sell to the village.

"This isn't something you often see on a village agenda," noted Kewaskum Village Administrator Adam Gitter at a special village board meeting held last week Tuesday, Sept. 26.

He went on to explain the circumstances that brought about the relatively rare use of governmental authority.

"The Village of Kewaskum had an agreed-upon purchased price with PNC Bank," he told the Vil-

### An open letter to the Senators and Representatives of the United States

Dear Senators and Representatives,

I write to you today as a concerned citizen and a newspaper publisher who believes in the importance of a functioning government that serves the interests of all Americans. It deeply troubles me to witness the recurring threats of government shutdowns due to your inability to reach a consensus and your unwillingness to put aside partisan differences for the greater good.

It is imperative that you remember your duty is to the American people, and this duty should always come before your own political squabbles and differences. Shutting down the government has dire consequences for millions of Americans, causing economic hardships and eroding the credibility of our nation on the world stage. You may not feel the immediate impact of such actions, given your financial security, but it is the ordinary citizens who bear the

**G.A. SCHEINOH**  
CONTRIBUTOR

Ah, on a waning September day, Homecoming beckons to alumni. Better still school days; a pregame tour through the once familiar, now recently renewed campus. School daze indeed! Naught remains except a few remnants of the original digs, those well-known passages through CHS, a journey in tandem with our teen years.

Three other former students completed the party of five – a young'un from this side of the century matriculation, a member of the Class of '63, his father, and a Bicentennial grad. Led by a thirty-year veteran teacher who gave the blow, er, room by room commentary. What was then versus today. An encyclopedic recital of renovation.

No matter how disliked, it's about the only certainty in a malleable world. "Change is painful," confessed Mandy Hale, "but nothing as painful as being stuck somewhere you don't belong."

Mind you, we prior pupils should've had such nice academic surroundings. Beyond the large half rotund entrance to a comfortable commons area and farther along, a deja vu corridor which ended at a remembered corner. The enormous bulk of the study hall converted to class space and opposite, gone is the display window of Roger Turchany's Marketing, now a downsized fire room.

Onward to the previous German and Spanish language area, then the bygone path past a bricked-up principal's office, since moved next to the A Door coming into the building. Hard left lay the most recognizable section, a "lockers on both sides" tunnel, where mine; No. 1111 was a straight shot to either exit or the stop at disciplinary domains.

The cafeteria retained its appearance, minus fold into the wall tables. Sheer culture shock bloomed into epiphany, an intersection where the past meets the future. As John D. Rockefeller said, "Don't be afraid to give up the good to go for the great." We have no other choice but move forward. That is the only true direction towards growth.

### Ope!

**MITCHELL BRADLEY KELLER**  
EDITOR

Several weeks ago, I was looking at five-year-old archives of this newspaper, as the content pertained to our "goings-on" in a present-day edition.

In scouring the eEdition, I had to pause (and it took me a minute) to notice my name on the front page of what was an August 2018 edition of the *Campbellsport News*.

It struck me as odd, because it would mean I have worked for the papers (the *News*, *Kewaskum Statesman* and *Dodge County Pionier*) for more than half a decade.

*Ope! This couldn't be!*

Well, it was, and it is, and now I'm reminded of an interview I conducted with Campbellsport educator Jane Gurno, who needed her spouse to confirm that, yes, she had in fact been teaching for 50 years.

While it is far more understandable that Jane lost count over a half century of teaching, it is not surprising that I've already lost count of my newspapering.

Not for lack of recognition, either, as our publishing company listed my anniversary in a newsletter earlier this year.

I imagine, at some point in May or June (I believe my first day was somewhere around there), I probably noted that date as upcoming or approaching, but it came and went without my own acknowledgement.

I lost track of the date and the moment because, with this job, there's always another newspaper. While part of our service is helping record the cel-

ebrations and be there for the big moments, once completed an editor and journalist must move on. Sometimes it feels we're constantly apologizing for brevity.

I'll admit, it's not always the easiest thing. Sometimes I wish I had more time to savor the picnics and parties, but to be fair to our broad coverage area, I am almost always "onto the next."

In a way, we help create and log memories without ever really being apart of them. That's not at all meant in a cynical sense, it's just an honest assessment.

Caught in the middle of what was, what's happening and what's coming up, we do tend to lose track of time in this profession (mostly in our personal lives), which is kind of askew considering we're (in a way) logging it.

A prime example of time's elusiveness for me: I actually wrote this column back in August, but I did not know how to finish it. I waited so long that I actually blew through another anniversary (when I was named editor).

I won't bore you (yet) with my "reflections" and (certainly) none of my "feelings" – I can save that for the end of the year, maybe. But, I will thank everyone for reading these last five years and, especially, the last two.

While I'm sure I'll lose track of the clock again soon, I'll just keep doing what a lot of Wisconsinites do best: Say, "Ope!", apologize and move on.

*See you next week*

## Celebrating School Board Week in Campbellsport

**CAMPBELLSPORT SCHOOL DISTRICT**

The Wisconsin Association of School Boards has designated Oct. 1-7 as Wisconsin School Board Week as a time to build awareness and understanding of the vital function an elected board of education plays in our communities.

The Campbellsport School District is joining all public school districts across the state to celebrate Wisconsin School Board Week to honor local board members for their commitment to Campbellsport and its children.

"It takes strong schools to build a strong community, and our board members devote countless hours to making sure our schools are helping every child learn at a higher level," Tom Wissink said. "They make the tough decisions every month and spend many hours studying education issues and regulations in order to provide the kind of accountability our citizens expect."

Tom Wissink said the key work of school boards is to raise student achievement by:

- Creating a vision for what the community wants the school district to be and for making student achievement the top priority;
- Establishing standards for what students will be expected to learn and be able to do;
- Ensuring progress is measured to be sure the district's goals are achieved and students are learning at expected levels;
- Being accountable for their decisions and actions by continually tracking and reporting results;
- Creating a safe, orderly climate where students

can learn and teachers can teach;

- Forming partnerships with others in the community to solve common problems;
- Focusing attention on the need for continuous improvement by questioning, refining and revising issues related to student achievement.

"School board members give the Campbellsport citizens a voice in education decision making," added Wissink. "Even though we make a special effort to show our appreciation in October, their contribution is a year-round commitment."

*The members serving the district and their years of service are as follows: Mike Weiss, President (16 years); Danielle Neitzel, Vice President (8 years); Deborah Senn, Treasurer (13 years); Sharon Gazzola, Clerk (9 years); Maureen Koch, Board Member (3 years); Keith Peters, Board Member (7 years); and Jessica Strand, Board Member (1 year).*

### Support for E.R.I.C.

I read an article from the *Milwaukee Journal Sentinel*, dated Sept 22, that makes me question who Sen. Dudy Stroebel and Rep. Ty Bodden are representing.

The Electronic Registration Information Center (ERIC) is a non-partisan national organization which identifies voters that have cast ballots in two states, which is voter fraud.

It also identifies eligible voters who are not registered, allowing the state to reach out to these residents with registration information, increasing voter access.

Oddly, twice-impeached former President Donald Trump has requested Republican lawmak-

## LETTER TO THE EDITOR *from page 2*

ers to withdraw membership from ERIC, perhaps fearing that more people would register and vote, and those people may include Democrats.

Sen. Stroebel and Rep. Bodden have complied, proposing legislation that would remove Wisconsin membership.

Neither Wisconsin legislator has offered a plan on how to catch double voting without ERIC's data.

Any effort to allow easier voter access and remove fraud from our election system should be utilized and supported. Wisconsin, according to some measures, is a heavily gerrymandered state, and Sen. Stroebel and Rep. Bodden can run a campaign without an opposing candidate, ensuring their re-election.

Until fair districts are drawn, I would like to see voter access encouraged and fraud discouraged.

And our legislators should want the same.

## EMINENT DOMAIN *from page 1*

lage Board of Trustees. "They cancelled... stated they were going to package this up into a portfolio and send it to an acquisition company."

A representative from PNC did not respond to this newspaper's request for comment.

Gitter said, as the village intends to use the building for a public-use facility – in this case, the future home of the library – he believed using eminent domain would be successful given the state's statutes regulating the power.

"This is for the public good," said Gitter at the meeting.

Approval from the village board was necessary to continue the eminent domain process, which was provided unanimously.

### What is Eminent Domain?

Put simply, eminent domain is a power granted to governments that allows obtaining private property for a public purpose with payment of just compensation.

Eminent domain regulations vary across the country, but in Wisconsin, the stated purpose and result of an eminent domain claim must be for the public good. This has been translated several different ways over the years, but generally the power

is used to build parks, needed infrastructure for municipal operations or to build libraries and community centers.

Municipalities enacting eminent domain must also demonstrate how the current use of the property is, at minimum, sub-optimal. "Obsolescence" – for example – allows governments wide latitude to plead a case for eminent domain seizures.

The PNC Bank branch has been closed and empty as of February of this year.

### Examples

Some famous, historical uses of eminent domain in the U.S. include the development of the Hoover Dam, New York's Central Park and even AT&T Stadium (home of the National Football League's Dallas Cowboys).

While Wisconsin's laws make it difficult for government to seize private residential property, not all cases are cut-and-dry. Recently, the use of eminent domain by the Village of Mount Pleasant has come under fire as it relates to the controversial Foxconn project. In those instances, the municipality had argued that the development of a manufacturing facility would be in the public's interest even though the entity meant to occupy the space (Foxconn) is a private

entity.

### What's Next?

Eminent domain claims can take more than one year to process with litigation often lasting as much as half of that timeframe.

Gitter said PNC was informed of the village's decision and, as of print time, next steps were forthcoming.

"The eminent domain process is long," assured Gitter, adding that he will be in discussion with the city attorney and will update the public on a timeline when capable.

### Will the Village Win its Case?

As for the village's ability to win its claim, Gitter felt optimistic.

He said, so far, the property and

its suggested use check all the boxes for village officials to feel justified in their action.

In addition, Gitter felt the optics could be troublesome for PNC.

"PNC is a corporate giant in the banking world," he pointed out, getting the sense that the structure on Fond du Lac Ave. means little to them, but a lot to the village. He said when PNC backed out of the non-binding agreement, it felt like they were needlessly "sticking it to a small community."

PNC reported a net income of \$5.7 billion in 2022.

*More information, as this story develops, will be printed in a future edition.*

# OBITUARIES

## Nancy Lee Hovland

Nancy Lee Hovland, born Nancy Lee Schwobe on March 1, 1950, she passed away peacefully on September 23, 2023. She was surrounded by her loving family in her final moments.

Nancy, lovingly known as "Nurse Nancy," dedicated over 30 years of her life as a Registered Nurse, making a profound impact on the lives of many. Her selflessness and compassionate nature were evident in her work, always prioritizing the care of others above her own needs. Before retiring, she worked as a Public Health Nurse for Fond du Lac County.

Throughout her lifetime, Nancy faced and conquered numerous health challenges, demonstrating her resilience and determination to be with her family. Despite these obstacles, she remained a kind, loving, and strong-willed woman with a heart of gold. Nancy's unwavering love for her family was evident in everything she did.

Nancy is survived by her devoted husband, James Hovland; and her children, Beth and Carrie Hovland. She was also a loving grandmother to Matthew Hovland. Nancy will be dearly missed by her three brothers, Tom (Judy) Schwobe, Steve (Carole) Schwobe, Scott (Darlene) Schwobe; and her sister, Brenda (Richard) Ludwig, along with many nieces and nephews. She was preceded in death by her parents, Leroy Schwobe and Betty Lou (Burg) Schwobe.

Outside her career, Nancy had a passion for collecting antiques and enjoyed going on family vacations. She cherished spending time with her siblings, often going on outings to the casinos together. These shared experiences created precious memories that will live on in the hearts of her loved ones.

A memorial service to honor Nancy's life will be held Saturday, October 14, at Peace United Church of Christ. The church is located at 343 1st St., Kewaskum, WI 53040. The service will begin at 11:30 a.m., followed by a potluck lunch at 12:30 p.m. In memory of Nancy, please bring a dish to pass and join the family in celebrating her life.

Nancy's legacy as a dedicated nurse, loving family member, and resilient fighter will forever be cherished by those who had the privilege of knowing her. Her kindness and caring nature will continue to inspire others for years to come. May her soul rest in eternal peace.

## Jerome E. Geiger

Jerome E. "Jerry" Geiger, 93, of Fond du Lac, passed away at Edenbrook Fond du Lac on Tuesday, September 26, 2023.

He was born on March 3, 1930, to Ernest and Lorena (Kiestler) Geiger in Fond du Lac. He attended Daniel Boone School in the Town of Empire. On January 26, 1957, he married Marjorie Immel at St.

Paul's Lutheran Church in the Town of Forest. They were married for 66 years.

Jerry was a life-time member of St. Peter's Lutheran Church, where he was baptized and confirmed. He drove truck for Motor Transport and Zinke Company. Jerome and Marge bought a farm in the Town of Empire in 1962. He enjoyed farming, playing sheephead, bingo, and polka music.

He is survived by his wife, Marjorie; daughter, Janet (Alan) Ramthun and their son Craig (friend Bridget Murphy); son, Randall (Amy) Geiger and their children Sarah (Justin) Hamilton and their son Landon, Rebecca (Julio) Alonzo and their expected baby boy due in November. Jerry is further survived by sisters-in-law, Delores Mielke, Barb Immel, Carolyn Immel, and Verna Immel; brother-in-law, Vernon (Lila) Immel; and many other family members and friends.

He was preceded in death by his son, Jerome Jr., on April 5, 1975; his parents; father and mother-in-law, Walter G. and Dora Immel; sister-in-law, Mildred (George) Keys; brothers-in-law, Raymond (Charlotte) Immel, Fred Mielke, Myron (Susan) Immel, Lyle Immel, Gordon G. Immel, and Harlan Immel.

Visitation was held on Saturday, September 30, 2023, from 10 a.m. until 12 p.m. at St. Peter's Lutheran Church, 1600 S Main St., Fond du Lac, WI 54937. The funeral service began at 12 p.m. with Rev. Luke Boehringer officiating. Burial was at Rienzi Cemetery.

In lieu of flowers, memorials are appreciated to St. Peter's Lutheran Church.

Jerry's family would like to thank the nurses and staff at Edenbrook and SSM St. Agnes Hospital 6th floor, Twohig Funeral Home, and Rev. Luke Boehringer for their comfort and care.

Twohig Funeral Home is serving the family with online guestbook and condolences at [www.twohigfunerals.com](http://www.twohigfunerals.com).

## PLEASE JOIN US FOR CAMPBELLSPORT SCHOOL DISTRICT'S CHILD DEVELOPMENT DAY

The Campbellsport School District will be screening children ages 3 years to 4 years old on **Wednesday, October 11, 2023 at Eden Elementary School**

This screening is important because it helps us to:

- identify children who may need early intervention services prior to entering school.
- confirm the progress of, or possibly identify children who may show a need for follow-up assessment.
- provide parents with recommendations about preparing their child to begin school successfully.
- further educate families about child development and activities to promote early learning.
- promote awareness of programs and services in the community that can assist families.

Eden Elementary School • 210 N. Elizabeth St., Eden, WI 53019

\*If your child is not already in school and has not been previously screened by the Campbellsport School District, please contact Erica Soyk at 920-533-4811 ext. 1243 or via email at [esoyk@csd.k12.wi.us](mailto:esoyk@csd.k12.wi.us) to set up a screening time.

**October 4, 2018**

What was once called the annual Man of the Ledge competition for its first two years will take place again this year, but under a new name. The Ledge Games will be held October 13. The Ledge Games is the creation of Eden native Tyler Oestreich, who is a graduate of Campbellsport High School. He was inspired by a similar event when he lived in Colorado that he participated in called Man of the Cliff. When he and his wife, Katy, moved back to the Fond du Lac County area, Tyler decided to come up with something similar.

Although Bob Paluso is a Milwaukee native, he got his taste for country life and being around horses from his grandfather. The two bonded over the joys of horse raising and both looked forward to time spent together on Fredrick Muck's farm. About 20 years ago, after working for several years as a police officer in inner-city Milwaukee, Bob purchased a farm near the Kettle Moraine State Forest. He recently opened the property as a bed and breakfast.

The Campbellsport FFA Alumni has been raffling off a tractor every fall for a few years now. This year, there is a special tractor added - a 1960 Farmall 340 gas with a two-bottom plow and an Arps blade. The tractor was originally owned by Tommy and Bev Goebel of the Eden area.

Waucousta Lutheran Grade School held its Rocking With The 80s event on September 21. Members from the congregation who were 80 years old and older enjoyed a special meal and entertainment. The Pioneer Ladies from church made and served the meal. The 4K-seventh graders provided the entertainment. Fifth through seventh graders told jokes and did a magic trick, the entire school sang a few songs together, the 4K and kindergartners showed off their listening skills using some rhythm sticks, and the first through fourth graders read poems, played handbells, and sang a couple songs.

Get ready to Fall Into Fun at the Dundee Annual Fall Color Car and Craft Show scheduled for October 13.

Last Friday, the Cougar football team traveled to Waupun with the hopes of spoiling Waupun's Homecoming game. Campbellsport came out quickly, scoring on the first drive of the game. The Cougars took advantage when Waupun fumbled the ensuing kickoff and scored again. Campbellsport had a 24-0 lead after the first quarter and a 30-6 lead at halftime. The Cougars won the game 50-12.

Campbellsport's cross country team ran in the small school division of the annual Slinger Owl Invitational on September 27. The Cougar boys took second place, with Lomira edging Campbellsport by five points. Skyler Fryman finished in fourth place with a time of 18:22. Campbellsport's girls were third with Calla Loehr placing 10th in 22:15.

Led by Alyssa Dreher from Campbellsport, the combined Kewaskum-Campbellsport girls golf team placed seventh in the 15-team Hartford Invitational on September 21. Alyssa tied for seventh place with a 14-over-par 88.

Campbellsport High School's Homecoming Court included King Bryan Kohlmann, Queen Abby Kruck, Brittany Narges, Andrew Walsh, Jared Lindsley, Kaitlyn O'Brien, Heidi Kelley, Ryan Blackmore, Amy Narges, Drew Gellings, Neil Scannell, Heather Russel, Cora Floyd, Tyson Baughman, Dani Stukenberg, and Ethan Sippel.

The Campbellsport FFA and FFA Alumni will be holding the annual Crop Show and Chili Supper on October 11.

Campbellsport High School Class of 1958 held its 50th class reunion on September 27 at Auburn Bluffs Golf Course. Twenty-seven classmates at-

tended, seven were unable to attend, and six did not respond.

Paul Fellenz of the Kewaskum American Legion presented the Blue Star Banner to Terry and Kim Garbisch of rural Campbellsport in honor of their son, Nick, who is in the Marines, aboard a ship in the Mediterranean. The couple's nephew, Brandon Luedtke, is also in the Marines. Nick's fiance, Kate Lange, was also at the presentation. Her father and uncle were in the Navy and both of her grandfathers were in the Marines.

Wisconsin bicyclists, runners, walkers, snowmobilers, ATV users, and others now have an easy way to access information about Campbellsport when traveling on the Eisenbahn Trail, thanks to funding from Fond du Lac County and Campbellsport Building Supply. A new kiosk on the Eisenbahn Trail near Campbellsport Building Supply will include information about the area: history of Campbellsport, a map highlighting businesses and points of interest, and other items.

Waupun scored first in the soccer game at Campbellsport, but the Cougars came back to win 3-1. Kevin Flood tied the game with a direct kick. Brandon Miller's first goal of his career proved to be the game winner. Neil Scannell made it 3-1 when he scored his 16th goal of the season.

The Cougar defense stepped up on October 3 against a solid Kiel football team. Campbellsport did not allow a single point to be scored and won the game 18-0. Taylor Pelot got the scoring going as he took the opening kickoff 89 yards for a touchdown. Chris Weiland scored on a two-yard run in the first half. Taylor finished the scoring, running into the end zone from six yards out.

At the Slinger Owl Invitational, the Campbellsport girls placed seventh in the 10-team competition.

The Campbellsport Minor League Blue Team took first place at the LeRoy Tournament this year. Team members were Courtney Norton, Aisha Ullius, Katie Konen, Sierra Newburry, Bridget Schlaefel, Nicole Hepp, Allison Bauer, Hayley Emmer, Brianna Gruenwald, Hailey Zangl, Hailey Hall, Gillian Pollpeter, and Abby Gierach.

On September 27, seven local youth participated in the Diocesan level of the KC Punt, Pass and Kick competition at St. Bruno's in Dousman. Five of the seven are moving on to the State competition, which will be held in Marshfield. Those who participated were Koy Walsh, Kaitlyn Schill, Dylan Shelly, Halle Walsh, Hailey Zangl, Spencer Johnson, and Peyton Feucht.

A son, Trevin Lawrence Henry, was born September 24 to Gavin and Tracy Shea of Campbellsport.

Fred A. Limberg, 78, Glenbeulah, passed away September 30. Jerold J. Mielkie, 65, passed away October 1.

The Campbellsport School District Board voted on September 21 to not participate in a Fond du Lac Area Charter School Consortium. Grahl and Ninnemann voted for the Charter School; Callaway-Roznik, Heimermann, Marking, McCarty, and Rentmeester voted against.

Kathi Kramasz has been appointed assistant superintendent for the Northern Kettle Moraine State Forest in Campbellsport. She joined the DNR in 1988 as a water regulation and zoning specialist. She worked most recently at the DNR Plymouth office, where she processed permits for waterway and wetland projects in Sheboygan, Washington, and Ozaukee counties.

Celia Krewald turned 100 years old on September 15. Her family and friends held a birthday party on September 20 to celebrate the occasion. Celia was born September 15, 1898, in the Town of Osceola. She married Walter Krewald on September 17, 1919. They had 11 children, 23 grandchildren, and 29 great-grandchildren.

The death of a 33-year-old Sheboygan man who sustained a gunshot wound to the head on September 12 while hunting in the Kettle Moraine area near the Zillmer Hiking Trail has been ruled a hunting accident. A hunter had fired at a squirrel and missed, striking Ge Lor.

Sixth grade students from the classrooms of Mrs. Dahlinger and Mr. Fendrick teamed up with Mrs. Soyk's Tuesday/Friday kindergarten class to clean up the school grounds. The sets of partners walked the area with buckets, collecting litter.

The Cougars lost a 13-6 football game to Lomira last Friday night.

After a slow start to the volleyball season, the Lady Cougars are on a roll. Campbellsport got past Mayville 15-11, 15-0, 10-15 last Tuesday. Two days later, the Cougars traveled to Horicon to face the undefeated Marshladies. With the Cougars focused and determined, Campbellsport won 15-10, 9-15, 15-12.

At the Laconia meet last Thursday, four of the Flyway teams finished within 12 points of each other. Campbellsport placed third. Nick Martiny set a personal record with a time of 18:00, giving the Campbellsport runner fifth place.

A son, Dakota Scott, was born September 22 to Lisa and Scott Benike of Campbellsport.

John P. Meyer, 82, Campbellsport, passed away September 23. Gordon A. Gassner, 61, Campbellsport, passed away September 24.

Several bids were received by the Board of Jt. School District 23 for a new three-quarter ton truck with attached snow plow and they were reviewed at the Monday meeting. It was decided to defer action until the next meeting in order to study and evaluate the bids, some of which were incomplete.

Established in 1933, Bauer Feed and Grain, Inc. came to an end on Monday with the signing of final papers turning over the business to the Winnebago County Farmer Cooperative. That company has also taken over the Washington-Waukesha Farmer Supply Company at Kewaskum. Bill Meyer will be the branch manager in charge of the Campbellsport and Kewaskum locations. The sale of Bauer Feed and Grain will in no way affect Bauer Soil Service, with headquarters at Byron.

Reliable Knitting Company of Milwaukee has leased the former Gilbert Shoe plant on East Main Street and will begin operations in the near future.

The identity of the Homecoming Queen will be kept secret until Friday night. The five vying for the honor are Mary Candee, Suzie Marchant, Sue Leider, Sue Schanen, and Margie Loehr.

Jacob Paul Kleinhans, 57, Fond du Lac, passed away September 27.

Since most of the materials were on hand, the village board at the regular monthly meeting decided to begin putting in the water and sewer extensions on Washington Street. However, at the close of the meeting, both village employees announced their intentions of taking vacations this month.

Beginning October 29, local business places will change to Friday night opening instead of Saturday night. A meeting last week of all businessmen was called to discuss the merits of Friday night and all agreed on the plan. First State Bank will join the merchants, opening from 7 to 9 p.m. every Friday.

Warden Schlumpf of Fond du Lac County attended the general meeting of the Campbellsport Sportsmen Club last Thursday and answered questions on fall hunting.

Majorie Beck, Campbellsport, passed away October 6. Julia Norton Mullen, 73, Port Washington, passed away October 1.

## | KEWASKUM'S DAYS GONE BY |

### 5 Years Ago

**October 11, 2018**

Beer will not be allowed to be sold on school grounds in Kewaskum. After nearly 30 minutes of discussion on the topic, the Kewaskum School Board voted Monday night on a proposal to allow the sale of beer during Kewaskum A's men's baseball games played on the high school's new baseball field. The proposal failed after a tie vote. Jim Leister, Timothy Ramthun, and Jay Fisher voted against the proposal. Troy Hanson, Mary Miller, and Mark Sette voted for the measure. Sue Miller was absent from the meeting. The board had been discussing the issue for several months.

The Kewaskum School District will hold a grand opening for its new middle school and refurbished high school on October 29. The new facilities opened at the beginning of the school year in September, but final touches were still needed. It is hoped that the painting of the gym floor and putting in bleachers will be complete by then.

Kewaskum's Homecoming Court included Max Melzer, Maebel Green, Nick Goettl, Kennedy Adams, J.J. Thull, Maddy Thull, Ellee Spalding, Jon Leister, Luke Christenson, and Leah Theusch.

Hunter Sabish, 12, has been creating haunted houses for his family and friends to go through for the past three years. This year, Hunter decided he wanted to do more. He partnered with a group of other youngsters from across the area to create a haunted house in order to collect food donations for the Kewaskum Community Pantry. The group calls itself SkareKrew. The group will also be collecting toys for Children's Hospital.

The 25th annual KEYS 5K Run/Walk is scheduled for October 14.

Kewaskum's football team amassed 463 yards of offense in the 45-7 victory over Waupun. The only score for the visiting team was a 51-yard run with seven seconds remaining in the first half. This was the second straight victory for the Indians, which has a 2-4 conference record in the East Central and a 4-4 overall record.

The volleyball team from Kewaskum had been dominated by Waupun for years. During the October 4 East Central Conference matchup, the Lady Indians won 3-1 over the Lady Warriors with scores of 25-16, 19-25, 25-18, and 25-13.

Going up against golf teams from Arrowhead, Cedarburg, Oconomowoc, and other large schools, Coach Amy Uhlig knew the WIAA Sectional Meet would be tough for her Kewaskum-Campbellsport co-op team. But she didn't think the Kew-Cats would finish last. The coach said it was a disappointing end for the team that had been solid during the regular season.

Sub-Sectional action was not kind to the girls tennis team. The Lady Indians had two victories, but the play-in matches did not earn the team any points. Megan Krolski won her play-in 7-5, 6-1, but then she went up against the number one seed and lost 1-6, 1-6. The doubles duo of Elizabeth Beine and Abby Kofphammer won the play-in 6-0, 6-0, but lost by the same scores against the number one duo.

The energy of the crowd cheering on the Kewaskum soccer team helped the Indians to a 4-1 victory over Berlin. The team is currently 10-8-3.

Donald F. Nowak, 75, Campbellsport, passed away October 3.

Once again Farmington town supervisors were at the center of neighbor complaints regarding noise from ATVs and motorbikes. Over half of the 58 people in the audience were there regarding ATVs and dirt bikes used at the track at Howard Bruss' property on Harbor Court. Bruss and Ben Carlson said they wished those with concerns would have come to talk to them about it. Resi-

dents were also made aware of a pending lawsuit, filed by Gordon and Kathy Michaels, residents of the town. The lawsuit is against the town, chairman, supervisors, and Board of Appeals members. Town Attorney Phillip Eckert will accept the summons. This is the second lawsuit brought to the town from Gordon and Kathy Michaels.

At the Town of Farmington meeting, Chairman Gary Schreiber announced that his time working with FEMA will pay off as Farmington will receive about \$40,000 from FEMA for damage done in the June rainstorms.

A large pickup truck drove into the south side of the Fifth Quarter structure on October 2. The crash completely destroyed the bar and parts of the back bar as well as coolers behind the bar and a television. Chief of Police Richard Knoebel stated the driver, Dennis D. Noel, 64, Campbellsport, passed out while driving and hit the structure.

Aaron Laatsch, of Piggly Wiggly and member of the Kewaskum Area Chamber of Commerce, presented a \$1,500 check to Kewaskum High School Athletic Director Jason Piittmann to go toward the Fitness Center. The money was a portion of the funds raised at the annual Chamber Golf Outing.

Kenneth Theusch of Robert G. Romaine Post 384 Kewaskum presented a Blue Star Banner in honor of David Muellenthin to the serviceman's daughter, Cecily, and wife, Joanna. David just returned from Iraq and is stationed in Georgia.

On September 30, Mr. Gonwa and Mr. Casey's Kewaskum Middle School advisement class planted a garden for the Kewaskum Habitat for Humanity house on Stark Street in Kewaskum. Gonwa explained that after seeing the dedication of volunteers and the future owner, led by a solid core of talented leaders, build the Habitat for Humanity home, he wanted to teach his students the great benefits of cooperation and citizenship.

Kewaskum High School has been involved with a German exchange student program since 1992; Slinger since 1994. The two schools send students to Germany every other year. This is the year Kewaskum hosted the German exchange students. Families around the community are playing host to seven 15-year-olds and two faculty members from Germany.

Heather Zuehlke qualified as an extra individual to the Sectional Golf Meet. Kewaskum finished sixth in the first year in Division 1.

The football Indians are alone atop the conference standings after beating Plymouth 35-7. The two teams were tied going into last Friday's game.

# T.L.S. Students Visit Little Farmer

Trinity Lutheran School K4-fourth grade students went on a field trip to the Little Farmer on September 21. Students learned about how apples grow, how to pick apples, went on a hay-ride, received a pumpkin and of course played on the playground. They also made a stop at Lakeside Park to play on the park's playground.

brunt of this instability.

It is disheartening to observe the radical and often ignorant actions and rhetoric from both sides of the aisle. As the next election approaches, we, the American people, should remember those among you who put your personal agendas before the well-being of our nation. We must exercise our right to vote and elect Senators and Representatives who prioritize the interests of their constituents and the nation as a whole over their own partisan interest.

If you are willing to entertain the notion of a government shutdown, I propose a simple solution: Fine each of you for every day the government remains closed, and suspend your salaries until you do what is right for the American people. Perhaps this financial consequence will serve as a reminder of your responsibility to your constituents.

In closing, I urge you to reflect on your roles as public servants and the trust that the American people have placed in you. It is time to set aside your differences, engage in respectful dialogue, negotiate, and compromise in order to prevent further harm to our great nation. The welfare of America should always come first.

# Drivers, Farm Vehicle Operators Each Play a Role for a Safe Harvest Season

WISCONSIN DEPARTMENT OF TRANSPORTATION  
DEPT. OF PUBLIC AFFAIRS

Farmers across Wisconsin are preparing to harvest the crops we all depend on. Together with the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP), the Wisconsin Department of Transportation (WisDOT) reminds drivers and farm vehicle operators to be patient and alert on Wisconsin roadways this harvest season.

"It's harvest time in Wisconsin fields and drivers will see more farm implements on our roadways," Craig Thompson, WisDOT secretary said. "There have been more than 2,000 crashes involving farm vehicles in Wisconsin over the past five years and these crashes are often preventable. Drivers and farmers must be aware of their surroundings and share the road to ensure we have a safe harvest season."

Agriculture supports more than 435,000 jobs and contributes more than \$104.8 billion annually as a cornerstone in Wisconsin's economy. With 64,100 farms on 14.2 million acres, drivers and farm vehicle operators are likely to encounter each other on roadways in all 72 counties. Each can do their part to make roads safer this harvest season.

"Farmers are working hard to get their crops from farm gate to dinner plate," Randy Romanski, DATCP secretary said. "Motorists should drive with caution and anticipate slow movement from farm implements. Ag vehicle operators should check their machinery to ensure the appropriate lights, signage and signals are working."

**Driver responsibilities:**

- Scan the road ahead and be ready to slow down when you see slow-moving farm vehicles.
- Be patient and very cautious if you decide to pass. In Wisconsin, it is illegal to pass an ag vehicle or "implement of husbandry" in a no passing zone.
- When passing, consider the possibility of the farmer turning left onto a roadway, driveway or field entrance.

**Ag vehicle operator responsibilities:**

- Know the lighting and marking requirements for ag vehicles. These requirements draw attention to the unique size, shape and speed of ag vehicles and alert motorists that caution is required. When traveling on a roadway, stay as far to the right as safely possible.
- Be familiar with road weight restrictions. DATCP provides a statewide map with information about weight limits. More information about related permits, exemption and weight limits can be found on the WisDOT website.

Last year, there were 136 reported crashes involving motorists and farm vehicles in Wisconsin resulting in 50 injuries and two fatalities.

# C.A.A. Gets Help in PARC from C.S.V.M

On Thursday, Sept. 21, Campbellsport Athletic Association (CAA) volunteers along with St. Matthew students put in new wood chips around trees in Campbellsport's Columbus PARC.

The work was done with the assistance of the CSVSM Group (Community Service Volunteer Ministry), which are students from St. Matthew Parish.

"These students are mentored by Joanne Theisen, Sara Mowry and teacher Julie Dotzler who provide outstanding guidance and direction in building community pride and character in the students," said CAA board member Rick Heisler. "It was a pleasure working with these community-minded individuals to accomplish the wood chips being placed around 35 trees."

Heisler reported that 24 UTV boxes of wood chips were used, and he thanked village crew for their assistance.

"The results were very gratifying in providing positive maintenance to several of the beautiful trees and memorials in the park," he said.

Students from St. Matthew, on Thursday, Sept. 21, help CCA board member Rick Heisler place mulch around trees in Columbus PARC.

## Washington County Commuter Express Bus Service Ends

The Washington County Commuter Express (WCCE) bus service had its last run on Friday, Sept. 29. The Washington County Board voted to eliminate the service at their June meeting.

County staff recognizes some residents will still need access to downtown Milwaukee, and there are alternatives listed below as well as on the county's website (Washington County Transit Services).

• Use Washington County Shared Ride Taxi Service to Woodman's Market in Menomonee Falls, then use MCTS Blue Line to downtown Milwaukee.

• Collaborate with WCCE riders to initiate a vanpool as WCCE park and ride lots will still be available.

• Register online for the DOT RideShare

program or the regional rideshare program CommuteWISE.

• Connect with Ozaukee County Express at park and ride locations to downtown Milwaukee.

• Commute to Watertown Plank Road lot to connect with Milwaukee Connect 1 Service.

• Interfaith Caregivers provides transportation to eligible seniors (age 60-plus) to medical appointments.

• Eligible Veterans can request transportation through Veterans Affairs at [va.gov/milwaukee-health-care/dav-vans-transportation-for-veterans/](http://va.gov/milwaukee-health-care/dav-vans-transportation-for-veterans/).

Washington County Shared Ride Taxi service requires advanced notice to ride. Please call 262-338-2908 or 888-285-TAXI (8294) to make a reservation.

## Greetings from the Campbellsport Public Library!

### Tinker Tuesdays

Tinker Tuesdays are back at the Campbellsport Library. Join us at the library any time after 3:45 p.m., to build with Legos, Zoob and straw builders, and other manipulatives. This is a weekly drop-in activity and kids of all ages are welcome to attend to build and create. Stay for a little while or all afternoon, we are happy to display your creations around the library!

### Story Time Returns

Story time at the library will begin on Wednesday, Oct. 4. Join Mrs. Alison and special volunteer guests throughout the month of October as we learn about Apples, Pumpkins and Halloween. Story hour is for preschool children ages 3-6 and is held every week from 10:30-11:30 a.m. Story hour is a time for children and their caregivers to learn, grow and explore at the library. Each week will focus on a theme and incorporate stories, songs, crafts, and other learning activities. More information about story hour is available on the Campbellsport library Facebook page.

### A Taste of Fall

Are you looking to bring some new recipe ideas to your table this fall? Well, look no further, you all loved our taste of summer series so much that back by popular demand we will continue the series with "A Taste of Fall."

Join Lois Zingshiem on Tuesday, Oct. 10, from 6-7:30 p.m., to create fall salads using seasonal vegetables. The evening will feature four salads including mixed greens with apple, pear, and hazelnuts with a maple hazelnut oil vinaigrette; spiced orange and fennel salad with spiced orange vinaigrette; shaved cauliflower salad with date-dijon vinaigrette; and roasted butternut squash salad with balsamic mustard vinaigrette.

Participants in the class will be learning how to make the different vinaigrettes and will take part in the preparation techniques of several different seasonal vegetables. Cost for this class is \$10 per person. Class size is limited to 20 people and registration is required. You can register for this wonderful class by calling the library, signing up at the front desk, or by clicking on the google sign up link on the library Facebook page.

### 'The Case for South Eden'

On Wednesday, Oct. 18, at 6 p.m., Karl McCarty will be at the library to do a presentation titled, "The Case for South Eden." This presentation will cover the significance of South Eden and explain why it should be on the official Fond du Lac County map. The conversation will include historical evidence on the use of South Eden, define the location, and explain key families that are central examples to South Eden's past. The work is part of five years of research and interviews and foreshadows the upcoming book coming out about South Eden and the surrounding area.

### Halloween Boooooktacular Event

Save the date for our Second annual Halloween Boooooktacular Event to be held on Friday, Oct. 27, from 1-5 p.m. At 1 p.m., we will be having the Mischief and Magic show from Green Bay performing an hour-long performance. At 2 p.m., children are invited to wear their costumes for a costume parade around the building. After the costume parade, stick around for crafts, a glow stick dance party, face painting, balloons and more. A full event description can be found on the Campbellsport library Facebook page under events.

### Monday Movie of the Month

The Monday Movie of the Month for Monday, Oct. 30, will be the romantic comedy "Love Again." After her fiancé's death, a young woman named Jenny (Priyanka Chopra Jonas) tries to ease the

pain of her loss by sending romantic texts to his old cell phone number. The number has since been reassigned to a man named Jason (Sam Heughan), and the two of them begin to form a connection through their text exchanges. The movie will be shown at 1 p.m., and popcorn will be provided.

### Library Hours

The library is open Monday-Friday from 9 a.m. until 6 p.m.

**LORI KREIS, DIRECTOR**  
 KEWASKUM PUBLIC LIBRARY

Hello October with boxes of new, exciting books arriving in our workroom ready to be processed and checked out by our patrons! October is a big month for holiday books, so be on the lookout for those.

In children's literature, the classic story of the night before Christmas gets a humorous twist in *Red & Green*, an engaging holiday picture book filled with die-cuts from the acclaimed and beloved picture book creator, Lois Ehlert. Daniel Tiger makes holiday gifts for friends and family in *A Gift from Daniel*. *Otto the Ornament* is a picture book by Troy Cummings where Otto looks for a tree where he can shine the brightest. For adults, look for Lucy Score's *The Christmas Fix* with reality star Cat hoping to perform a Christmas miracle in a town devastated by a hurricane. *Christmas Presents* by Lisa Unger is a thriller featuring a podcaster opening up a cold case on the holiday. Jenny Colgan's bookshop series has a new release, *Midnight at the Christmas Bookshop*. See what other new holiday book releases can be found at the library this October.

There are not only holiday books out this month, but a large assortment of many others. For adult readers, *Let Us Descend* is about an enslaved girl prior to the Civil War years. It is by National Book Award winner Jesmyn Ward and is slated to be a classic. Amanda Peters, *The Berry Pickers*, is a highly recommended book about a missing four-year-old Mi'kmaq girl from the blueberry fields of Maine, a case unsolved for nearly 50 years. *The Exchange* is an After the Firm book by John Grisham and marks the return of Mitch McDeere. There will also be new releases by Janet Evanovich, Lee Child, Jean Kwok and Jhumpa Lahari.

In non-fiction, Britney Spears anticipated biography, *The Woman in Me* will be arriving at the library. Other biographies we have will be from John Stamos, Arnold Schwarzenegger and Jill Duggar. A look into women in the CIA will be released as *The Sisterhood: The Secret History of Women at the CIA* by Liza Mundy. Mundy is the author of *Code Girls* and this volume covers three generations of the CIA and its powerful women. Are you a cat person? If so, *The Hidden Language of Cats* may be your next read. Renowned cat behavior scientist Sarah Brown reveals the previously unexplored secrets of cat communication.

For children and their caregivers, we just received a brand-new shipment of Wonderbooks! You may wonder what these treasures are. Wonderbooks are for young readers and consist of a printed book with illustrations and an easy, ready-to-play audiobook. Kids can press play to read along with their favorite books and then switch to learning mode for literacy learning and fun. We have 10 new to us Wonderbooks ready for you to take home and enjoy.

Come on in soon to check out all our new October reads.

## Albrecht Free Clinic to Transition Care and Operations to Lakeshore Community Health Care

Albrecht Free Clinic released the news in late September that it will transition all patient care and operations to Lakeshore Community Health Care in January 2024. This change will allow the clinic to provide more consistent, streamlined care to patients. All services will continue to be provided at the same location at 908 W Washington St. in West Bend.

Founded in 1996 by Dr. James E. Albrecht, Albrecht Free Clinic has provided free medical and dental care to uninsured and underinsured patients in Washington County through a volunteer staff of doctors, nurses, and dentists. However, a shortage of volunteers intensified by the COVID-19 pandemic raised concerns about the clinic's ability to sustain care long-term.

In September 2022, dental services were transitioned from Albrecht Free Clinic to Lakeshore Community Health Care. Since then, they've seen success in their ability to care for more patients. With this new transition, Lakeshore will also continue all medical care and provide additional mental health and pharmacy services starting January 1, 2024.

"We are deeply grateful to our volunteers for their years of generous service. Our community is healthier because of their incredible contributions," said Ruth Henkle, Albrecht Free Clinic's executive director. "Lakeshore Community Health Care impressed us with their dental program and they will continue Dr. Albrecht's mission of caring for our community's most vulnerable."

Lakeshore Community Health Care serves anyone in the community, with a focus on patients at or below 200% of the federal poverty level, including uninsured and those with insurance, Medicaid or Medicare. The transition will provide Albrecht's patients with access to comprehensive, integrated care.

"We are committed to carrying on Dr. Albrecht's legacy of compassionate care," said Kristin Stearns, Lakeshore CEO. "This transition will help expand our capacity to serve people in need throughout Washington County."

Once the transition is complete, the Albrecht Free Clinic will become Lakeshore Community Health Care. More details will be announced in coming months.

then watching him bury a shot to the far back corner of the goal in the 33rd minute.

Kewaskum's goal scoring was not complete for the first half finish. Four minutes later, Hayden Johnson scored on an excellent through ball from sophomore David Brown.

Less than three minutes later, Johnson connected to assist on a goal with Steinbauer who assisted on the first Indians' goal. Johnson, outpacing everyone to the ball, streaked down the left side of the field and rolled a cross through the box for a crashing Steinbauer to jam home right under a diving keeper.

A fantastic finish to a tough half had Kewaskum flying high coming into halftime. The trouble with coming into halftime peaking so

emotionally is it is very difficult to maintain those levels of intensity.

The second was quite a bit like the first. Kewaskum came out a bit flat and Lake Mills was again able to start the scoring again with a goal less than five minutes into the half and another shot a couple minutes later that would have tied the game if not for the crossbar turning it away.

Lake Mills had all the momentum and had the Indians chasing.

Once again, in a season that has seen Kewaskum fall behind and then rally to prevail, the young men from Kewaskum turned the tides and were able to score three more goals.

Gambino once again was able to beat everyone down the field and put a blast on a ball to the near post that had the keeper either guessing the wrong way or getting out of the way of a rocketed shot.

Soon after that, Johnson deftly put one home after another blasted shot from Gambino was pushed away by the Lake Mills keeper right to Johnson's right foot. The final nail from the Indians was a brilliantly chipped shot over the charging goalie from Mac Hasse through ball from freshman Ali Olla.

A great offensive performance coupled with a steady defensive performance finally got Kewaskum on the winning side with a 6-5-1 record.

With only two more weeks of the regular season, the Indians are firing right now with seven straight unbeaten games, which consist of six wins and one tie. If they continue to perform for the remaining schedule, the Indians hope to host a regional game or two.

**Turtle Flambeau/The Longest Day**

**MARK WALTERS  
COLUMNIST**

For several years, I have been enjoying myself immensely while hunting ducks for the northern Wisconsin opener on the backwaters of the Flambeau Flowage and living out of my boat and my canoe.

This year's companions were my golden retrievers Ruby and her pup Red.

**FRIDAY, SEPT. 22  
HIGH 66, LOW 53**

This trip started out in a very stressful way; 48 hours prior, when my pup, Red, who has never left the property without her mother Ruby (and that has not happened in a long time), kind of vanished.

Wednesday night, I was working on my pond, which, in reality, is the logistical moving of a lot of sand (this project started in May and has now sucked up over 300 hours of hard but inspiring work).

My home is surrounded by forest, and Red is always exploring but back within seconds when I call her name. Wednesday afternoon she did not come back, or that evening, and the next morning she still was not home. I was worried and bummed about her missing an excellent opportunity for some duck hunting training.

I put the word out and looked and called her name a lot, Thursday evening I was throwing sand with a shovel when I thought I heard a whimper in the forest. I looked as hard as I could and found my pup, she had dug a hole underneath a 22-foot Gruman canoe that I plan on rebuilding someday, and the hole had collapsed and she was stuck, but I got her out.

So anyways, this was kind of a trip of doom as the forecast was for solid rain the entire adventure. I did not care, as I knew I would whack ducks, train dogs and spend time in an area that I first explored when I was nine years old.

I had just enough daylight to trail my canoe behind my boat to paradise, check out my duck hunting spot, and then do the crazy thing of setting up to sleep in my boat. In this

Red required a rescue after getting stuck underneath this canoe.

**MARK WALTERS PHOTOS**

case that meant putting up a cot, a sleeping bag on top and a tarp over my body.

For some odd reason, Ruby was not feeling well and kept eating grass like a steer and with her head close to mine as well as Red's, she was belching almost constantly.

There was steady rain and a flock of 10,589 mosquitoes liked it underneath my tarp as well.

**SATURDAY, SEPT. 23  
HIGH 65, LOW 58**

I was out of my cot at 3:30 a.m. and off to duck paradise, which in this case means slogging through the mud to a marsh and watching the world; it was dark, raining and it was neat to watch as other hunters slowly but steadily arrived, but everyone had plenty of space.

My goals on this trip were to train the pup as, last year, when she was six months old, she received very little training. My girlfriend, Michelle Chiaro, had just passed away, and I was not a hunting dog trainer after that.

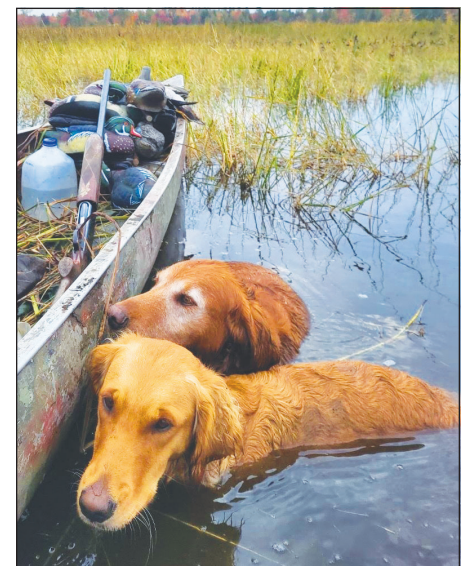

So, night becomes day, some hunters are getting lots of shooting, some not so much. I am foolishly passing on everything but drake wood duck

and greenheads. Long after daylight I changed my mind, dropped a hen wood duck. Ruby was sound asleep and did not see the duck fall, some instinct in her told her where it was. She swam a good 50-yards from my canoe, grabbed the duck and came back to me.

I put in many hours in the rain, paddled back to my boat at dark with two drakes and a hen wood duck and remade the same setup that I had the night before for sleeping. The rain and mosquitoes were steady and that was when I came to the conclusion that this adventure was a never-ending day.

The next morning, I was well adjusted to my world, it rained and then it stopped.

Though my pups were not perfect, Ruby and Red found three ducks of which two never would have been

Red and Ruby on the hunt. The life of a "duck dog" can include a lot of time in the water.

Duck hunters headed back to the landing after a rain-soaked hunt.

found. Red did an outstanding job of finding one that had somehow got well into a root ball of a tree and without her nose, never would have been found.

When I got back to the landing, I loaded up my "kind of new 2017 GMC" and I was stupid-tired until the Packers came back on the Saints and, as usual, everything in life worked out.

# Gridiron Teams Win All Three

## KEWASKUM GRIDIRON

This past Saturday the Kewaskum Gridiron Indians eighth and seventh grade teams traveled to Slinger while the sixth grade went to Sussex-Hamilton and the fifth grade team had a bye. It was a successful day as all three teams were able to come back home with victories.

### Eighth Grade

The eighth grade Gridiron Indians were able to

win their third game in a row with a 32-12 victory over Slinger Blue.

Slinger got the ball first, but Easton Sabish stepped in front of a pass for an interception and returned it 55 yards all the way for an Indians' touchdown. Blake Staral added the two-point kick for an early 8-0.

The Indians defense forced a punt and then on their first offensive play the offensive line opened up a nice hole for Jace Wichtoski who took it 50 yards for another Indians' touchdown. Again, Staral added the two-point kick for a 16-0 lead.

Slinger answered with a touchdown on their next drive to make the score 16-6, but the Indians were again able to score on a one-yard plunge by Camden Petermann. This touchdown was set up by a 35-yard pass from Levi Whitfield to Landon Scheel. Staral again added the two-point kick making the score 24-6 at halftime.

In the second half, Slinger added the first score to make it 24-12, but the Indians were able to put another touchdown on the board with Wichtoski, again, finding the endzone from eight yards out. Another two-point kick by Staral concluded the scoring and gave the Indians a 32-12 victory.

Wichtoski was the offensive leader on the day, rushing the ball 10 times for 85 yards and two touchdowns.

The Indians' defense was led by Sabish with his pick-six as well as a tackle-for-loss. Other con-

tributors included Easton Derge and Quin Dornacker with two tackles for a loss a piece, Brady Wildt with a sack, Jude Johnson, Wichtoski, Superior Torres and Evan Soyk all having tackles for losses. Wyatt Luedtke blocked a two-point kick attempt by Slinger.

The eighth grades' record improved to 4-1 on the season.

### Seventh Grade

The seventh grade Gridiron Indians played an exciting back-and-forth battle and came away with a 36-25 victory over Slinger Blue.

The explosive offensive performance was led by Ryland Ciriacks, who contributed three offensive touchdowns and also added a kickoff return for a touchdown right before the first half ended.

One of his touchdowns was via the pass with the throw coming from Sam Herman. The other Indians' touchdown was from a one-yard run by Logan Zak.

Kamden Derge made three two-point kicks for the Indians as well.

On the defensive side of the ball, Lucas Zeeb had several tackles for a loss, and both Weston Ciriacks and Zak had interceptions for the Indians.

The seventh grades' record improved to 2-3 on the season.

## KEWASKUM YOUTH SOCCER ORGANIZATION

### Saturday, Sept. 9

**Kewaskum U14 Comets, 3**  
**Waubedonia U14 Boys, 2**

The Kewaskum Comets won, 3-2, against the Waubedonia U14 boys team.

Bradley Gugg, Camden Legate and A.J. Droese scored goals.

Matthew Calliari played great offense and had an assist.

### Goalkeeper Evan Bird

did a nice job protecting the goal.

### Thursday, Sept. 14

**Kewaskum U14 Comets, 4**  
**Jackson U14 Wolves 2, 4**

The Kewaskum Comets tied, 4-4, with the Jackson Wolves 2.

Brady Flood and A.J. Droese scored a goal each, while Bradley Gugg scored twice.

Evan Bird and Joel Maas shared goalkeeper duty.

### Saturday, Sept. 16

**Kewaskum Sharks, 1**  
**Slinger Unicorns, 5**

It was another warm, sunny day for soccer. The Kewaskum Sharks played the Slinger Unicorns at home on Saturday, Sept. 16.

The teams were very well matched.

Both teams played amazing defense in the first half.

We saw some especially aggressive defense from Jenna Thull and Parker Hug. Parker Hug scored the only Sharks goal.

The Sharks struggled to get the ball past the Unicorn goalies no matter how hard they tried.

Matthew Brown and Louie Berres had some amazing stops as goalies.

The teams were tied, 1-1, at half time.

The Sharks were hanging on and playing their hearts out.

In the second half, the Unicorns came out ready to score. They

quickly scored four more goals.

It was an intense game with both teams giving their all.

The intense defense caught up to the Sharks and they couldn't quite keep up.

The game ended in a tough loss for the Sharks with a final score of 5-1.

### Saturday, Sept. 16

**Kewaskum U12 Phoenix, 7**  
**Erin U12 Girls, 2**

The Kewaskum Phoenix U12 girls team played tough against Erin, winning 7-2.

The girls either did not get a rest in each 25-minute half or it was only one quick break as we had many out sick, injured, or arriving late due to another sport.

We may have picked up a sub partway through the game, Josie Schoneman who plays on the U12 co-ed team. She adapted well to our defense and had some great stops to regain possession for our team.

Eisley Enright, Grace Thill and Lauren Enright have been a strong wall on defense continuing to have each other's back and continuously stopping just about every attack.

Any attack coming through had to face Ella Herman the first half and Joanna the second half.

Ella has really learned a ton in two games with many saves and stops. She comes

out of the goal to attack now.

Joanna saved many with one diving save that to most would have been out of reach. The coaches from the opposing team even came over to say, "Wow, that was an impressive save, she is really talented."

Alivia Piwoni and Sara Steier each had a hat trick (three goals each) along with assists to continuously extend our lead.

Athena attacked the goal. No one was going to stand in her way, as she was coming in hot to score one right in the bottom left corner, almost running herself into the goalpost.

Addisyn Kumrow and Coralee Flood, both had some great chances at goals and played well on the outside regaining possession of the ball for our team. They both played tough considering they were both not feeling the greatest with all the back-to-school colds that everyone is catching.

### Saturday, Sept. 16

**Hartford U14 Lightning, 7**  
**Kewaskum U14 Comets, 1**

The Kewaskum Comets lost, 7-1, against the Hartford Lightning.

Keirran Stogbauer showed great speed on the field.

A.J. Droese scored the lone goal.

Everyone on the team contributed as they went up against a tough team.

# NATIONAL FIRE PREVENTION WEEK

October 8-14

## Help Extinguish the Risk of Home Fires

Take these simple steps to help protect your household.

- Install smoke alarms on every level of your home, inside bedrooms and outside sleeping areas. Test alarms monthly, and replace batteries at least once a year.
- Keep curtains, towels and any flammable items or materials at least three feet away from anything that gives off heat.
- Extinguish fires and candles, and unplug heating appliances while sleeping, in another room or away from home.
- Clean out the lint screen every time you use your dryer.
- Don't overload electrical outlets, and replace any electrical cords showing signs of wear.

## Campbellsport's Peterson Receives Citation from State Assemblyman

On Monday, Sept. 25, Wisconsin State Assembly Rep. Ty Bodden provided the following citation to Campbellsport School District coach and educator Mark Peterson:

"WHEREAS, Mark Peterson has distinguished himself as a great teacher and a great coach. Over his 35 year career he has positively impacted the lives of thousands of students and athletes. His leadership, positive attitude, service, humility and character are inspiring! Mark Peterson is a role model and respected by all for the difference he has made for our youth and community.

"WHEREAS, Mark Peterson, a.k.a. 'Mr. or Coach P', retired this year after 35 years of teaching Physical Education and coaching for the Campbellsport School District. He has been nominated by the Campbellsport School District three times for 'Teacher of the Year', winning the award in 2005.

"WHEREAS, Mark Peterson coached football at CHS for 20 years and started the 5th and 6th grade tackle football program in 1999. He served as the Head Track Coach six years and the Head Girls Soccer Coach five years. Mark also wrote a weekly sports column for the *Campbellsport News* for 16 years called 'Coach P's Corner.' Even in 'retirement' Mark continues to coach youth football and supervise the Campbellsport High School weight room.

"WHEREAS, Mark Peterson began teaching at Campbellsport High School in 1988, joining his college teammate Steve Engelland on the wrestling coaching staff. Mark served seven years as an assistant to legendary Hall of Fame Coach Jerry "Sarge" Marking. Upon Marking's retirement Mark was named Head Coach of the Campbellsport Cougars and served 24 years in that position.

"WHEREAS, Mark Peterson compiled a 306-119-1 record. His teams won 14 Conference Championships

and crowned 81 individual Champions. Mark also led the Cougars to 12 WIAA Regional titles and four State Tournament appearances. Mark coached 10 of Campbellsport's 18 State Champions and 38 of his 81 State qualifiers placed. In 2003 he took a school record eight wrestlers to the State Meet and was voted Wisconsin Wrestling Coaches District 6 Coach of the Year. Mark was inducted into the Wisconsin Wrestling Coaches Association George Martin Wrestling Hall of Fame on November 4, 2022.

"WHEREAS, Mark and his wife Cindy have been married for 32 years and have two children, son Parker and daughter Peyton.

"NOW, THEREFORE, Representative Ty Bodden and Senator Duey Stroebel, on behalf of the Wisconsin State Legislature, hereby extend their heartfelt recognition to Mark Peterson for his dedication to his community, school district, and students."

# Cougars Run Well at Portage Invite

**COACH MIKE KULIBERT**  
CHS CROSS COUNTRY

Campbellsport's varsity boys finished second to Division 1 DeForest last Tuesday, Sept. 26, at the Portage Invite. Pardeeville (ranked ninth in the state in Division 3) was a close third.

Logan Nolan had a season best time, and Garrett Pickering tied his best for the third time this season. Sawyer Dirmeier rebounded from what he thought was a subpar race at Horicon to one of his best races of the season.

With Caleb Siebauer not running yet due to sore knees, the Cougar junior varsity struggled to compete. Aydryan Meilahn (10th), and Trent Dieckman (11th) were the front runners for the team. Isaac Timm (28th) continues to be a very consistent runner from meet to meet.

The varsity girls beat their goal by two places by finishing seventh. Morgan Flasch finished fourth out of 81 runners, and teammate Sienna Hewitt who missed her personal best by one second took 15th. Lydia Toshner (34th) had her best race of the season.

# Cougars Keep Spartans Win-less with Homecoming Victory

**CLARICE CASE**  
JOURNALIST

After handing St. Mary's Springs a homecoming win last weekend, the Campbellsport Cougars were ready for one of their own.

"After the Springs game, we were hoping to bounce back offensively and get something going," said Head Coach Todd Wondra.

Noting homecoming week can be challenging with all that is going on, it seemed the Cougars remained focused as Wondra hoped and were able to defeat the Laconia Spartans 31-6 on Friday, Sept. 29.

"Friday night we ran the ball pretty well and will continue to work at it," Wondra said.

With no need for much passing according to Wondra, except for a pass from Braden Bothe to Brett Theisen for a 40-yard gain, it was all about the rushing game.

Benjamin Timm led the team with 242 yards on 25 attempts and scored one touchdown. Evan Wilcox, Blake Heltemes and Theisen also scored touchdowns on the ground.

"Defensively, we continue to play well and held Laconia to only two field goals," Wondra said.

Those field goals game in the second and fourth quarters.

Notably, Heltemes led with 11 tackles on the night, Brock Bentz had eight tackles and one sack, and Carson Reis had five tackles and an interception.

This week's contest against the Lomira Lions marks not only another homecoming game Campbellsport will participate in, but a rivalry game with a fireman's axe on the line.

The Cougars will make the short trip to Lomira to take on the Lions on Friday, Oct. 6.

Wondra said, "We've been able to keep the trophy at our place the past two seasons and

# K.H.S. Boys Soccer Earns First Conference Win

## KHS BOYS SOCCER

With their best performance of the season, Kewaskum's men's soccer team won their fourth straight. It was a dominant effort by the boys in black, Tuesday, Sept. 19, against the visiting Waupun Warriors. With maximum effort from all, Waupun struggled to generate scoring opportunities throughout the game, while Kewaskum hammered away at the visitors' defense.

The game began as a back-and-forth affair, but neither team was able to generate anything meaningful.

Around fifteen minutes in, Kewaskum began to exert their dominance in the game keeping the ball on Waupun's half of the field and pounding shots from distance that had Waupun's goalkeeper seeing as many touches on the ball as a number of their field players. That goalkeeper was up to the task, unfortunately, as nothing on target was able to get by him. Plenty of shots went just by, just over, caught or pushed away but the pressure was relentless from the Indians.

Kewaskum's Athletic Director, Jerry Halopka, told the coaches after the game, "It was obvious you guys were in attack mode from the beginning."

Halftime arrived with a nervous energy as the game was still sitting at 0-0. Though Kewaskum was the better side, Waupun held together just enough to keep it tied, and as any sports fan knows, one bad bounce, missed call, mental lapse, or stellar play from the other side can turn the tides.

Right out of the gates in the second half it was more of the same, winning all the 50/50 balls and controlling everything in the midfield with a tremendous play from Eli Steinbauer, Mac Hasse, and senior captain Hayden Johnson.

Waupun couldn't get anything building as Kewaskum was first to most everything and the Indians' precision passing and well timed long balls had the Warriors chasing.

It took less than five minutes for Charlie Gambino to turn a ball played to the outside in towards the center of the field and blast it near post for Kewaskum's first score.

Just four minutes later, Steinbauer charged through the middle of Waupun's defense and slotted one into the side netting for an Indians' 2-0 lead.

Six minutes after that came the third; a great individual effort from Hayden Johnson down the right side culminating in a cross that passed across the face of the goal and drilled home by a waiting Gambino.

Kewaskum was flying high and the pressure continued and more opportunities were generated.

This saw Kewaskum pushing a little too aggressively looking for that fourth goal which may have caused a lack of defensive presence in the 76th minute that resulted in a breakaway for Waupun that ended in a goal moving the score to 3-1.

Another near goal by Waupun that went just wide and may have even clipped the post had Kewaskum reeling a bit, but the senior leadership of Austin Loehr and Hudson Curtin in the back steadied the crew as the Indians held on for the team's first conference win.

## Kewaskum Ties with Kiel

A back-and-forth contest on Thursday, Sept. 21 had both the visiting Kewaskum Indians and home Kiel Raiders creating chances at different points in the game. A quick start from the Indians had Kewaskum pushing forward from the open whistle. It looked as if Kewaskum's pressure was going to make for a long evening for Kiel.

Kewaskum generated quick turnovers on Kiel's half of the field, but were unable to maintain any possession or build great scoring chances. The same shot

selections that worked in previous games didn't have the same quality or results in this competition. Any time Kiel was pressured, they would back overload numbers in front of the goal to make the driving shots from distance extremely difficult to get to goal and any small, intricate

passing lanes were easily clogged up and balls intercepted.

Kiel repelled the initial onslaught from the Indians and were able to turn the tide when Kewaskum ran out of gas a little.

The Raiders adopted an all-too-common game plan against Kewaskum with constant long balls over the top of the Indians' defense.

It was pretty evident the Indians have been working on their defense and recovery efforts as the defensive line of Luciano Olla, Hudson Curtin, Austin Loehr, and Jett Schreiber held firm and were able to get in to stop any attack thrown at them making for a pretty boring first half for goalkeeper Riley Kuehl.

An uneventful first half had both teams frustrated and unable to break the scoring barrier and it ended in a 0-0 scoreline.

Kewaskum seemed to control the flow of the game, but Kiel's defensive game plan of dropping everyone back proved to be a tough nut to crack.

The second half was more of the same.

The frustration of Kiel's constant repelling of attacking pressure got Kewaskum out of form and pushing a bit too aggressively and that led to breakdowns through the midfield that allowed Kiel's long ball attack to slowly push Kewaskum into a defensive shape.

The whole game began to look like a track meet with both teams sending long balls; Kewaskum down the sides and Kiel through the middle.

Both defenses held together just enough, and each team started to get their scoring chances closer and closer.

Kiel and Kewaskum were able to drive one off the post in the last ten minutes of the game.

A rare chance from Charlie Gambino speeding down the left side of the Kewaskum attack drove a thunderous left footed shot that Kiel's keeper parried away and landed near a crashing Mac Hasse who drove a shot over the downed goalie but just off the post.

A short time later Kiel had their own flirtation with a potential game winner when Kewaskum's defense got a bit out of sorts and had a clearance end up falling right in front of their own goal with a Raider attacker awkwardly try to push home a high bouncer that rattled the frame.

A 0-0 score may suggest a boring affair, but it really wasn't. Tense moments on both ends had each team experience highs and desperations.

In the end, it was a fair result as neither team really dominated, and to their credit neither defense collapsed to allow a cheap goal to sneak by.

## Kewaskum Boys Soccer Earns First Win in Ripon

Kewaskum's defense shuts down conference rival Ripon with a clean sheet performance. Ripon has always been a tough place to play for the Indians with the best result before Tuesday, Sept. 26 being a draw. The Tigers always make it very difficult to score against them and wait for an opportunity to capitalize on their opponents getting over aggressive, then counter attacking to get a lead, then sitting back and "parking the bus" in front of their goal to sit on a lead and wind the clock down.

Knowing this, the Kewaskum coaching staff had the Indians playing with defensive discipline, which was executed on the field with the senior captain leadership of Austin Loehr and Hudson Curtin. Throughout the game the defensive back line of the Indians frustrated and shut down the Ripon counter attacks, not allowing them many opportunities and nothing of significant concern. Riley Kuehl, the Kewaskum goalkeeper, had an uneventful eighty minutes with only being called on to make three saves.

Kewaskum controlled throughout, and through the first 15 minutes, figured it was going to be another difficult grind to generate goals.

That changed with another successful corner kick effort, though a bit different than their past successes. Charlie Gambino lined up to take the kick as he usually does from the right side, but

this time instead of finding the head of one of his teammates in front of the goal, he, with some help from the breezy night, was able to do it himself. A lofted ball that kept drifting nearer and nearer to the back post eventually slipped through the backpedaling goalkeepers hands and into the goal.

As they continued, the defense continued to shut down anything Ripon threw at them and easily turned our defensive position into offensive transition.

The senior leadership in the middle of the defense and the sophomore wingbacks, Luciano Olla and Jett Schreiber, continually made the right decisions on when to send long balls to our attack or when to build play up with precision touches and passes. Their efforts were able to hold onto the first half lead of 1-0 going into halftime.

The second half began like the first ended - solid defensive play and patient offensive attack.

Fifteen minutes into the second half, Kewaskum began to open it up a bit and began firing more shots and attacks towards Ripon's goal.

It paid off with Hayden Johnson's tremendous individual efforts getting goals five minutes later then another four minutes after that to give Kewaskum a commanding 3-0 lead. If the defense could hold off Ripon's attack, which was sure to increase, Kewaskum could leave Ingalls Field with their first ever victory.

Well, the guys were up to the task. No matter who was substituted in, Jacob Parodo, Isaac Morales, or Bryce Wildt, the defensive line held Ripon at bay.

It was a great effort from the whole team that got the historic win in Ripon and a 3-0 final that was a no-fluke winning score.

This pulled Kewaskum's conference record back to .500 at 2-2 and has them on a six game unbeaten streak. At a 5-5-1 overall record, the Indians look to increase to a winning record and continue that unbeaten streak.

## K.H.S. Defeats Lake Mills

A long trip to Lake Mills for a non-conference contest for the Kewaskum men's soccer team proved to be worth the trip.

With continued pressure from Lake Mills, the Indians figured it was going to be a long night fending off an aggressive team. After falling behind again, Kewaskum held their composure and did not panic with the best closeout to a half that they've had all year.

Lake Mills broke the scoring open with a poorly cleared cross into the Kewaskum box that first went off the post then rebounded and passed right to the back of the net past a desperately diving goalkeeper.

The game went back and forth with a great deal of pace from both sides, some might even say sloppy. There were chances by both, but nothing all that scary either way.

The Indians then appeared to feel the half slipping away and didn't care to be on the trailing end when it did. They picked up their intensity that the Lake Mills side could not match.

With a flurry of offensive pressure and persistence, Kewaskum scored with a great one-two combination between Eli Steinbauer and Charlie Gambino that released Gambino towards the goal with Lake Mills frantically trailing to no avail and

## Kewaskum Girls Tennis Splits a Pair of E.W.C. Matches

### KHS GIRLS TENNIS

On Tuesday, Sept. 19, Kewaskum hosted Howards Grove in a match that had been postponed due to extreme heat earlier in the season.

Kewaskum had the hot hand in this matchup, winning all four varsity singles matches and all three doubles matches.

Singles winners for Kewaskum were Liz Erdmann, Rowyn Wiedmeyer, Macy Milella and Olivia Beck.

Beck, a sophomore, earned the victory in her first varsity singles match.

On the doubles side, Kewaskum got victories from the teams of Kaitlyn Blank and Audrey Grensavitch, Hannah Galasinski and Izzy Wollner, and Lauren Ford and Zoe Heiser.

The final result was a 7-0 victory for the Indians.

Kewaskum traveled to Plymouth on Thursday, Sept. 21 to face one of the top teams in the Eastern Wisconsin Conference (EWC), and Kewaskum gave the hosting Panthers a very challenging match.

Four of the seven varsity matches would go to match tiebreakers.

At number one doubles, Kaitlyn Blank and Audrey Grensavitch split the first two sets with their opponents. Blank and Grensavitch won the tiebreaker 10-5.

Unfortunately, Kewaskum wasn't able to come out on top in the other close matches.

Rowyn Wiedmeyer (#2 singles), Kyli Baka (#4 singles), and the number three doubles team of Zoe Heiser and Lauren Ford were defeated in their tiebreakers. Plymouth earned the dual meet victory, 6-1, although the meet was actually closer than that score indicates.

Kewaskum's record fell to 5-2 in conference.

Kewaskum played their final two regular season matches last week. The girls competed in the Wisconsin Interscholastic Athletic Association subsectionals on Oct. 2.

# Indians Get much needed Win at Ripon

### KHS Football

The Kewaskum varsity football team scored early and often in their road game at Ripon on Friday, Sept. 29, coming home with a 49-0 victory over the hosting Tigers.

Kewaskum scored two touchdowns out of their first three offensive plays of the evening. Senior Dylan Soyk had runs of 24 and eight yards early in the game to put the green and white ahead 14-0, with the PAT (point after touchdown) kicks by Hayden Johnson. Soyk added a third touchdown to his impressive first quarter with another eight-yard run to give the Indians a 21-0 lead after one frame.

Senior Bailey Ralph had a one-yard touchdown reception on a pass from quarterback Andrew Reichert and Soyk followed with his fourth touchdown of the game to give Kewaskum a 35-0 lead going into halftime.

The running clock (35 point margin) sped up the game in the second half, yet Kewaskum added two more scores - a four-yard run by Reichert and a five-yard plunge by junior Erik Krier. Johnson remained perfect on PATs to make the total score 49-0.

Kewaskum gained a season high 366 total yards - 239 rushing and 127 passing. Rushing leaders were Nick Deheck with four carries for 87 yards and Soyk with six carries for 82 yards. Reichert was efficient in the passing game, going eight-for-nine for 127 yards with one touchdown pass and one interception. Receiving leaders were Ralph with four catches for 71 yards and a touchdown. Landon Daniel had two receptions for 28 yards.

Defensively, the Indians were led by Mitchell Becker with five tackles. Corbin Dexter had three tackles including a tackle-for-loss (TFL) and a sack. Oliver Voight had three tackles and a fumble recovery. Matt Perales also recorded a fumble recovery. Gabe Halopka had four tackles, one TFL,

Kewaskum improves to 2-5 on the season and 2-3 in East Central Conference play.

To make the Wisconsin Interscholastic Athletic Association playoffs, teams need to have a .500 or better record in conference games. The Indians need to win out to make the playoffs.

The next step in that journey is Friday, Oct. 6 as they host the Sheboygan Falls Falcons in their 2023 Homecoming Game. Kickoff is at 7 p.m. at the Doc Mitchell Athletic Complex.

Kewaskum senior Bella Hooker races against the clock as she takes a third-place finish at last week's home meet at the golf course. Hooker led the team to a first-place victory with a time of 20:23.

Kewaskum freshman Carter Heimerman finishes strong at the home meet held at Hon E Kor last week Tuesday, Sept. 26. He ran a 18:59.2 as his Indians finished in third as a team.
