St. Matthew School Principal Joan Schlaefer, left, with Archbishop ListECKI at the Archbishops Catholic Schools Dinner on March 5. **SUBMITTED**

**St. Matthew School Principal  
Receives Elizabeth Ann Seton Award**

Joan Schlaefer, principal at St. Matthew School in Campbellsport, has been chosen as this year's recipient of the Elizabeth Ann Seton Award for educators.

This award is in recognition of outstanding individuals for their dedicated commitment and the impact they have made on Catholic education in the Archdiocese of Milwaukee. The award was presented to Ms. Schlaefer at the Archbishops Catholic Schools Dinner on March 5, at the Baird Center in Milwaukee, by Archbishop ListECKI.

Ms. Schlaefer has been the principal of St. Matthew School for the past 27 years. She graduated from St. Matthew School in 1980, St. Mary Springs High School in 1984, earned a BA in Music Education, K - 12, from Viterbo University, La Crosse, and MA in Leadership and Principal Licensure from Marian University, Fond du Lac, in 2002. Ms. Schlaefer currently serves on the Superintendent's Advisory Council for the Archdiocese of Milwaukee. She has served on the MAPA Board (Milwaukee Area Principals Assoc.), Chaired Accreditation teams, and serves on numerous boards and committees. The most recent project is the addition and renovation of St. Matthew School and Daycare, which just began construction this spring.

The Archbishop Catholic Schools Dinner has raised more than \$1 million in grants the past five years. The funds make an immediate impact on the students and help fund projects and programs at the local schools. The event began with a Mass officiated by Bishop Haines, followed by a cocktail reception, and Dinner and Program/Awards by Archbishop ListECKI.

**Highway 45 Construction Update**

As of Wednesday, April 17, crews were working on installing water and sanitary sewer laterals from north to south along Main Street. They are also working south towards the creek by the firehouse on installing water mains. Once that section is complete, they will continue working towards Highway H west. People are encouraged to use Forest, North, or Knights Street to get to First or Second Street to cross Highway 45 and access the downtown area. Crews from Vinton Construction are working from Monday through Friday, 6 a.m. to 5:30 p.m.

**KHS Principal Position is the Right Opportunity for Kevin Bryant**

**GAYLE RYDSTROM  
JOURNALIST**

Kevin Bryant has never adhered to career timelines, education wasn't even his initial thought for a career. The Racine native has always believed in staying where he is unless the right opportunity comes along. Currently the Associate Principal at Slinger High School, Kevin found that right opportunity.

"When I learned about the opening in Kewaskum, I sought advice from trusted individuals who confirmed what I already suspected," said Kevin. "Kewaskum is an exceptional district with strong leadership."

Throughout the selection process, Kevin was consistently impressed by Dr. Mark Bazata, the school board, the leadership team, and the staff at Kewaskum High School

"To me, the appeal of any job boils down to the people you work with, for, and alongside," said Kevin. "In Kewaskum, all of these elements align perfectly, making it an opportunity I couldn't pass up."

Kevin began his career in North Carolina in 2000 while in college. He was the assistant athletic director and rec-

reational league director for Concord Academy in Concord, N.C., until 2003. Kevin's passion for working with students and athletes was ignited, but he couldn't pass up an opportunity, a position in marketing and public relations with NASCAR after graduating from the University of North Carolina at Charlotte with a Bachelor of Arts in public relations and marketing.

"I couldn't resist the opportunity," said Kevin. "It was an incredible experience. Despite the excitement, I couldn't shake the feeling that something was missing."

Kevin continued, "I realized that what truly fulfilled me was the daily interactions and the sense of purpose I found in education."

That realization prompted Kevin to pursue a career in education, where he could make a difference in the lives of students.

As a teenager, Kevin didn't particularly enjoy the academic side of high school. He

## Navigating the Medication Maze: Finding Balance in Health

Dear Reader,

In today's world, medications have become ubiquitous, with many of us relying on pharmaceuticals to manage various illnesses and conditions. Whether it's a daily vitamin, a painkiller for a headache, or a prescription medication for a chronic condition, the use of drugs to address health concerns has become ingrained in our daily routines. However, with this reliance on medication comes the delicate balance of managing our health without succumbing to potential side effects or dependencies.

It's important to have a personalized treatment plan tailored to your unique needs, preferences, and medical history. Patients and healthcare providers need to collaborate in finding the right balance of medications and therapies to achieve optimal health outcomes while minimizing potential risks.

Patients need to advocate for themselves in discussions about medication with their healthcare providers, including asking questions, expressing concerns, and exploring alternative options. It's essential to have open communication and ongoing dialogue between patients, caregivers, and healthcare professionals to ensure comprehensive and holistic care.

As we steer through the complex landscape of medication and health management, it's essential to approach the journey with a sense of balance and mindfulness. By staying informed, engaging in open communication with healthcare providers, and embracing a holistic approach to wellness, we can strive to optimize our health while minimizing the potential pitfalls of medication. Ultimately, it's about finding the right balance that allows us to lead healthy, fulfilling lives.

Publisher

Author of "Reflections" a new book now available on Amazon.

There are benefits of medication in treating illnesses and improving quality of life. However, there are potential risks and side effects associated with certain drugs, emphasizing the importance of informed decision-making and monitoring by healthcare professionals.

There is a growing interest in complementary and alternative medicines, such as herbal supplements, acupuncture, and mindfulness practices. Some of these therapies can provide additional support or alternatives to traditional pharmaceutical treatments, promoting a holistic approach to health and wellness.

Some of us live in five and dime dreams. We remember when a trip to Fond du Lac meant a stop at either Kresges or Woolworths. Inside the former, mirrored pillars hurled confusing reflections, when seen out of the corner of your eye.

safe from big box retailers.

When Lewis Smith asked for an example of urban renewal during a sociology class at Campbellsport High School, a student quipped, "The Ben Franklin downtown." The Schanen family back then built a much more spacious layout, at its present site. But, after a number of years, perhaps they too saw the future. No longer a dime store. Now it's a True Value. End of story, right? Not quite.

A Ben Franklin still thrives... in Ripon. The store smacks of a small town, leisurely browse through aisles of a bygone era. Including prices on a few items low enough to roll back the years. As with other stores which bore the same name, they carry an extensive section of crafts. And the bonus of a former Radio Shack in one corner to supply electronic needs.

No telling how long this harbinger of days past will continue a 20th century tradition in a faster paced, less time to stop and gawk present. Though for a trip into a few decades ago, it's a perfect time machine.

### Letter To The Editor Policy

Letters to the Editor must include the writer's full name, address, and other contact information (only your name and town will appear in print and online).

We will not accept a letter from an unidentified source.

- Letters should be no more than 500 words and may appear in our weekly print issue.

- Letters may be edited by our staff for length, clarity and facts.

- The *Campbellsport News* and *Kewaskum Statesman* will only print letters that address a specific issue or article that may be of interest to the bulk of the readers.

- Submit Letter to the Editor to Clarice Case, editor, at [ccase@mmlocal.com](mailto:ccase@mmlocal.com), 920-583-8338, 106C S. Milwaukee St., PO Box 277, Theresa, WI 53091.

**We will not print letters that:**

- Contain potentially libelous material. Libel is any malicious, unsubstantiated or untrue statement about someone that damages their reputation. Submissions must have facts to back up all claims.

- Support discrimination on any grounds. This includes, but is not limited to, discrimination based on age, ability, gender, sexual orientation, religion or culture.

- Are vulgar, profane, obscene, or otherwise offensive.

- Make explicit or implied threats. This includes personal

- attacks, intimidation, bullying or threat of harm against a person or organization.

- Contain copyrighted material or that have been printed in another publication. All Letters must be an original writing by the signer and exclusive to the *Campbellsport News* and *Kewaskum Statesman*.

- Identifies another person, unless that person has given their explicit consent. We assume that any person identified in a letter has consented to be mentioned in the letter.

**Copyright and Reprint Permission**

The writer of a Letter to the Editor maintains copyright of their letter. Any other individual or organization must seek permission from the writer if they wish to reprint a letter to the editor.

**Political Letters to the Editor**

All letters submitted as an endorsement for a political candidate, referendum or political agenda will carry the same guidelines as above; however, they will be charged \$40 for the first 250 words and an additional \$10 per additional 50 words. All political letters must be prepaid prior to printing. Some submissions may be referred to our advertising department to be run as ads.

| LETTER TO THE EDITOR |

The November election cycle is beginning, and I am excited that the new Wisconsin district maps will be enforced, resulting in fair maps, no longer gerrymandered to favor one political party over another. That's progress.

The national election is also gearing up, too. It's fun to see people displaying their candidates in yard signs or flags. Enthusiasm in elections should be encouraged. However, flags with crude and vulgar messages like "F\*\*\* Biden," flying under the American flag, is a disservice to all freedom-loving Americans. Our community is based on good-hearted people but hateful, mean-spirited displays neither represent American values or community pride.

My hope is that in the upcoming presidential election we will proudly display our preferences without resorting to hate and division. We all want a country and a leader we can be proud of.

Sincerely,  
*Anne Sesing*

## Born to Seek Reelection to State Assembly

Mark Born (R-Beaver Dam) announced on April 8 that he will seek reelection, to the Wisconsin State Assembly, and issued the following statement:

Rep. Mark Born

"It has been an honor representing our communities in the State Assembly. I look forward to spending time with the constituents of the 37th Assembly District discussing our recent accomplishments and hearing their thoughts on the work yet to be done. I appreciate the trust the voters placed in me with their strong support in past elections. I respectfully ask for their votes again as we continue to move Wisconsin forward.

"The new legislative maps will bring a new district number and some changes to the areas I have historically represented. I will now be running in the 37th Assembly District. Although, I am certainly sad to be losing parts of Dodge County that I have represented for years, I am excited to be adding new communities such as Waupun, Randolph, Fox Lake, and parts of southern Fond du Lac County."

This session, the Wisconsin Legislature accomplished important initiatives including historic investments in public schools, local roads, workforce development, and efforts to reduce the rapidly growing costs of healthcare. The Legislature also enacted a major reform to shared revenue to help local governments provide public safety and the other services residents expect.

"I am proud of our accomplishments this session, as we invested in our future financially and continued our efforts to reduce taxes and reform government. We have also built on existing efforts to assist our communities and families dealing with significant challenges with healthcare costs, drug addiction, and dementia."

As the Assembly co-chair of the Joint Finance Committee, Rep. Born led the way in crafting the 2023-25 state budget. Mark prioritized important investments in education, healthcare, and local roads and championed the state's historic investment in corrections and public safety. He also continued to advocate for tax relief despite the Governor's opposition to returning portions of the state surplus to the taxpayers.

Born continues to be active in the community by

# WASDA Child Advocacy Awards

## KEWASKUM SCHOOL DISTRICT

The Kewaskum School District honored recipients of their WASDA (Wisconsin Association of School District Administrators) Child Advocacy Awards at the April 11, school board meeting. Laatsch's Piggly Wiggly was nominated in the business category, while the Boys and Girls

Clubs of Washington County received a nomination in the community-based organizations category. These entities play crucial roles in supporting children's education by sharing resources. They were acknowledged for their ongoing efforts and collaboration with the District, benefiting the welfare of all students.

# SSM Health St. Agnes Hospital President Departing for New Leadership Role

After 14 years of service, Katherine Vergos, SSM Health St. Agnes Hospital president, is leaving SSM Health in May for a new professional opportunity as the market president for CommonSpirit Health in Las Vegas.

Katherine Vergos

"I'm grateful for the opportunity to serve this ministry and this community and am most grateful for all the love and support I have received over the years from SSM Health, the employees, the physicians and the Fond du Lac and Ripon communities," according to Vergos. "I will forever cherish the time I have spent here. It has shaped so much of who I am as a leader and as a person."

Vergos has provided steady leadership during her tenure, first as the chief operating and nursing officer for SSM Health Ripon Community Hospital and then as president of St. Agnes Hospital. She was instrumental in the opening of the new Ripon Community Hospital facility in December 2014, helping to integrate Ripon Community Hospital into Agnesian HealthCare, and then in working to integrate into the larger SSM Health Wisconsin family.

"During her tenure as president, Katherine has overseen several important facilities expansions, continuing our focused investment in the communities throughout the Greater Fond du Lac area," according to Kyle Nondorf, regional vice president, SSM Health Wisconsin vice president, Acute Care Operations. "She led her teams through the challenging days of the COVID pandemic, forging wonderful relationships with community partners that she and her local team have continued to foster."

Recruitment efforts are underway.

"We appreciate Katherine's dedication to our patients and team members, as well as her efforts in leading us in providing exceptional health care services that so beautifully reflect the mission of SSM Health," according to Nondorf.

**Agnes Bird**

Agnes Bird, age 94 of West Bend, passed away on April 19, 2024, at Ivy Manor in West Bend.

Agnes was born on July 2, 1929, in Campbellsport to the late Elmer and Evaline (nee Schmidt) Nigh. She attended Holy Trinity School, and was later united in marriage with Virgil Bird on September 8, 1948, at Holy Trinity Catholic Church in Kewaskum.

Together they raised four sons in West Bend. Aggie worked at The West Bend Company for 37 years, and loved to knit, crochet, and win at cards whenever she had the chance. She was an avid Brewers fan and was always thrilled when they were number one in the standings, no matter how early in the season!

Those Aggie leaves behind to cherish her memory include three sons, Mark (Bonnie) Bird, Jim (Sue) Bird, and Al (Colleen) Bird; one daughter-in-law, Linda Bird; seven grandchildren, Dan (Steph) Bird, Sheila (Shawn) McDonald, Sarah (Jeremy Hallmeyer) Bird, Tim (Becky) Bird, Pam Bird, Cindy (Michael Fry) Bird, and Jenny (Matt) Nettesheim; 10 great-grandchildren, Evan Bird, Lilliana Bird, Bristol Bird, Matthew (Krystal) Gonia, Kyle Gallow, Alyssa Bird, Ashley Bales, Kali Fry, Annie Nettesheim, and Hattie Nettesheim; and two great-great-grandchildren, Emilee Gonia and Emersyn Gonia; her siblings, Jerry (Beverly) Nigh, David Nigh, and Barb (Dale) Timmler; her brothers and sisters-in-law, Laura Nigh, Jerry Darmody; and other relatives and friends.

Agnes preceded in death by her parents; husband, Virgil; her son, Roger; and her brothers and sisters, Vincent (Elvira) Nigh, Gregor (Anna) Nigh, Alban (Dorothy) Nigh, Marion Darmody, Marge (Willard) Blanke, Leo (Esther) Nigh, Lawrence Nigh, and Barb Nigh.

The visitation will be held on Tuesday, April 30, 2024, from 9:30 a.m. until 11:15 a.m., with a service of Christian Burial at 11:30 a.m., at Phillip Funeral Home, 1420 W. Paradise Dr., West Bend. Interment to follow at Washington County Memorial Park.

**Colleen Held Messana**

Colleen Held Messana was born June 30, 1946, in Fond du Lac, and passed away on March 12, 2023.

She is preceded in death by her parents, Norman W and Ruth A (Heppe) Held, and Frank and Nora Heppe, maternal grandparents; and survived by her children, Christopher A. Messana (Kate) and Linda D. Messana; and grandchildren, Grace, Marais and Elise.

Colleen attended Kewaskum Public Grade School and High School, graduating in 1964. Music was a lifelong passion. She started piano lessons at age five and never stopped playing. She started lessons with Mrs. Winifred Walvoord in Kewaskum, adding organ lessons from her when Colleen's legs were long enough to reach the pedals. In late grade school, Colleen continued piano lessons in West Bend with Mrs. Ida Kuss and organ lessons on the 3-manual pipe organ at the Fifth Avenue Methodist Church in West Bend with Mrs. Hron through high school.

Colleen was organist at St. John's Evangelical and Reformed Church in Beechwood, her father's church as he grew up, in seventh grade where she learned the beautiful, soulful hymns of her dad's generation. She became the organist at Peace Church in Kewaskum when she was a sophomore until graduation from high school. Living only two houses from the church, she was not only active in its youth activities but also spent many hours during the week practicing music on the church's organ. Colleen felt her roots in Peace Church throughout her life. As an adult, Colleen studied piano for several more years with Julius Chajes in West Bloomfield, Michigan. She also taught piano to young children, cultivating her passion in the next generation.

Colleen earned a Bachelor of Arts at Lawrence University in Appleton in 1968. She sang in the Messiah Chorus all four years and was President of her national sorority, Pi Beta Phi. Her loyalty and dedication to Lawrence was lifelong. The university awarded her its award for outstanding service at her class' 30th reunion, recognizing her years of volunteer work which included, along with many other key roles, serving for six years on the Board of Directors of the Lawrence University Alumni Association.

In addition to music, Church and Lawrence, Colleen loved to learn! She was passionate about history, understanding her heritage, advocating for women's rights, and raising good children and grandchildren who appreciate music, education and hard work.

At Colleen's request, a private burial service was held in Kewaskum at Peace Cemetery. May her soul find eternal peace in heaven.

**Kenneth Robert Bird**

Kenneth Robert Bird, age 77 years, passed away Sunday, April 7, 2024, at New Perspectives, West Bend.

Ken was born on February 2, 1947, in Milwaukee to the late Kenneth and Theresa Bird. He was the youngest of six children. He is survived by his older brother, Allen Bird (Arlen); his older sister, Allene Friede (Ken); and

twin sister, Kathleen Hudson. He is preceded in death by his sisters, Beverly Juech and Barbara Bird; his brothers-in-law, Harry Juech and Bill Hudson; and his beloved nephew, Steve Juech.

Ken started his education at Mount Calvary Lutheran School and went to Milwaukee Lutheran High School before transferring to Kewaskum High School. He was a graduate of the University of Oshkosh. He had an amazing work ethic and started his career early, tidying shelves and cleaning for Mrs. Devorken in their hardware store to get quarters that he would use to go to the movies with his friends on Saturday. He spent his career at several companies in sales and marketing, retiring at the age of 72 from Mitchell Furniture Systems as their Sales and Marketing Director.

Ken married Linda Bird (Maglio) and they had two daughters, Melissa Arps (Dan) and Katie Ingham (Mark). Later in life, he married Carol Bird (Woolhouse) and had two more daughters, Theresa and Rebecca. Ken was very proud of his five grandchildren, Kailyn, Nick, Cody, Brandon and Tyler.

Ken loved to garden and spent many hours planting beautiful flowers, tending to his vegetable garden, or sitting on his John Deere mower. He was also a gifted carpenter, renovating antique furniture and working on various projects in his home in Hubertus. Ken had a great passion for sports, especially his beloved Brewers and Packers. He also had a great love for history, for reading and listening to classical music. He was a man of strong faith and was very involved in his church as an elder, usher, and in many leadership roles over the years. Above all, Ken loved to sing and was a dedicated member of the church choir for many years.

Ken will be missed by his wife, daughters, grandchildren, siblings, and many nieces, nephews and friends. He will always be remembered for his caring nature, his wonderful smile, his great stories, and his faithful devotion to his Savior.

VISITATION: Ken's family will greet relatives and friends on Monday, April 29, 2024, at Northbrook Church (4014 WI-167, Richfield), starting at 10 a.m. until 11:45 a.m.

SERVICE: A memorial service will be held following the visitation at Northbrook Church, beginning at 12 p.m.

In lieu of flowers, Ken requested that donations be made to the American Parkinson's Disease Association or to Northbrook Church.

Myrhum-Patten Funeral & Cremation Service has been entrusted with Ken's arrangements. Additional information and Tribute Wall may be found at myrhum-patten.com.

new district alignment, essentially means the seat is an open seat. In no fashion should the electorate within a redrawn District feel obligated to vote for a newly placed member now residing within the revised District boundary, by default or otherwise.

"A multitude of expressions statewide, concentrated primarily within my residential area central to the 20th Senate District, demanded my reengagement of, by, and for the people, has been overwhelming. As such, with thoughtful discussion and deep prayer, it became crystal clear that action was required. It has not been an easy decision in any way, however:

"To that end, I humbly announce my candidacy for Wisconsin's new 20th Senate District in 2024. This option is the best for the people as it provides opportunity to give the Legislature the inspiration it needs. The new 20th Senate District is comprised of municipalities within Fond Du Lac, Dodge, Washington, Ozaukee, and Sheboygan Counties. Yes, five counties, a large area of citizenry seeking the capabilities and attitude about service they know I possess and have proven within multiple levels of the public service arena. Constitutional Conservative, Christian values, principal conviction, fearless courage, unbridled

passion to serve, exceptional communication and service skill, leadership skills that never waivers to status quo, a fighter for results, a public servant who embraces servanthood entrusted upon me by those I serve. I do so look forward to meeting and exceeding your expectations.

"There will be an August 13, Primary Election for the 20th Senate seat. My many friends in Cedar Grove, Belgium, Saukville, Newburg, West Bend, Jackson, Richfield, Kewaskum, Theresa, Campbellsport, Eden, and Fond Du Lac will have the direct responsibility of electing a citizen servant. Success for the people depends on the people. It falls on you, the people, to be the ones that dictate the type of legislator you seek, the one choice, your best choice, who will help raise the bar of accountability and efficiency within the body and get the work of the people done.

"Between now and the respective election dates, there will be ample opportunity with multiple events to meet and greet to set the priority agenda you wish to see fulfilled. Interested people will be able to track our 'Truth Train' campaign progress via Ramthun Report videos and eUpdate postings found at [Ramthun-For-WI.com](http://Ramthun-For-WI.com) and [RamthunFor-WI](http://RamthunFor-WI) on the social Media links of Rumble, Facebook, X, and Telegram."

**Donna L. Ogi**

In the early morning hours of April 17, 2024, Donna L. Ogi (nee Mowrer), our Mom was called to her Eternal home, reuniting and reaching for the hand of the love of her life. She left this earth surrounded by the love of her family in the home we grew up in.

Mom was born on November 5, 1928, to the late Floyd and Edith Mowrer and raised on a farm in Burbank, Ohio, along with her three brothers and two sisters. Following high school, she went to business school. She met our Dad when she was on a double date. For the cute story behind this, ask any one of us! They married on May 1, 1949, and spent the next 71 years together, raising Ken, Mitch, Greg and Liz, and building the Kewaskum Veterinary Clinic, which they ran out of their home. Mom was the office manager and handled a huge portion of the business side to enable Dad to be the best veterinarian around! She made our house a home.

Mom's biggest pride and joy was being involved and loving her husband, four children and spouses, her 17 grandchildren and their spouses, and her 32 great-grandchildren. She was loved by all who crossed her path.

What better way to know who Mom was than through the words from her grandchildren. She was: "a vibrant woman, had pride for all of her family, pretty in pink, completely her authentic self, determined, compassionate, her hugs felt like a warm blanket, faithful servant, depth and genuineness, silly but strong, humor that could make your belly laugh, just her presence, charming, but didn't need to try, she just was, the person you wanted to be near, because she cared about everyone, she made you feel like you were the only person in the room, classy, stylish, beautiful, thoughtful and so loving, how she tucked us in at night and gave us kisses, with her, we got time."

Mom lives on through her children, Ken and Linda Ogi, Shirley Ogi and the late Mitch Ogi, Greg and Julie Ogi, Liz and Todd Dock; her grandchildren, Brett and Anooshka Ogi, Kellen and Amanda Ogi, Matthew and Amy Ogi, Emily and Matthew Welt, Ryan and Anna Ogi, Rebecca and Clint Herrick, Bob and Kallie Ogi, Tom and Michelle Ogi, Kaitlyn and David Lerdahl, Eric and Shrestha Ogi, Megan Ogi, Rachel Ogi, Charlie Ogi, Jessica and Zach Rieger, Ashley Dock, Andrew and Lauren Dock, Melissa and Dustin Laatsch; great-grandchildren, Alara, Braven, Abigail, Annah, Caleb, Eliana, Judah, Lila, Thane, Hudson, Tessa, Lacey, Kristen, Esme, Julia, Charlie, Nelle, Isaac, Eli, Henry, Sam, Aubrie, Benji, Rosalie, Eliyas, Livi, Ella, Goldie, Ava, Blakely, Emma.

Celebrate Mom on Saturday by wearing her favorite colors of pink, aqua/turquoise, purple, or anything vibrant that honors this amazing woman!

SERVICE: A Celebration of Life service will be held on Saturday, April 27, 2024, at 1 p.m. at Peace United Church of Christ, 343 First St., Kewaskum.

Thank you to those who provided her with compassionate long-term care in her home: Kim Hutchins, Brooke Smith, Tabitha Poppy, Dani Rodenkirch, Barb Breitag, and Sherryl Anklam, and to anyone who filled in as needed. Thanks to the granddaughters, who lovingly spent many nights with Mom. She was blessed. She and Grandpa know.

The topic of cats was discussed again when the Village of Eden board met on April 16. The issue was discussed at the December meeting. A homeowner has been feeding and providing a warm place to live for the stray cats, which has prompted neighbors to contact the village about the situation. According to the village board, the homeowner has been asked to stop feeding and providing shelter for the cats. At the December meeting, it was estimated there are 20-30 cats around this property. Village ordinance allows only three pets per household and all pets need to be licensed with the village. After much discussion and a presentation from Critter Junction, the board unanimously approved moving forward with Critter Junction to trap, treat, and return the cats. It costs \$55 per cat and the homeowner would be responsible for this cost.

With the disaster alarm sounding around 4:20 on Sunday afternoon, Campbellsport firemen patrolled the area with the ambulance, pumper, and squad car. They used loud speakers to sound a warning, telling people to take cover due to a tornado approaching. The tornadoes, with winds of great velocity, struck a four-county area near Ripon and headed toward Oshkosh, where 10 blocks of residential buildings were demolished. A separate storm cell with funnel clouds did its havoc at Lomira, Brownsville, and Campbellsport areas, moving toward Sheboygan County. Fifteen houses were affected in Lomira. Many area farm homes, barns, and outbuildings suffered extensive damage. Total loss in the area is expected to reach one million dollars. Mrs. Frances Whitty lost her life when the storm destroyed the mobile home she occupied near Eden.

Campbellsport Boy Scout Troop 119 received first place honors at the Bay Lakes Council District No. 11's 1974 Scout-O-Rama held April 20.

The village board met in special session Monday night to pass a resolution giving up service use easement on the driveway between the Community Center and Maggie D Cafe in exchange for an easement for construction and service of a sewer and water connect to the Center. In other business, the board did not take action on the letter of resignation read from village attorney Arthur G. Brandt that indicated his desire to resign as village counsel. He suggests the village retain a younger lawyer who is more familiar with municipal law.

The Kewaskum Elementary School PTO has raised \$50,000 to purchase new playground equipment for the school. The new equipment should be in place for students to use when school starts in the fall, according to PTO President Jessica Steiner. The equipment was made in Wisconsin, and has a larger capacity than that of the school's current playground. A total of 143 students will be able to utilize the new playground at one time.

Kewaskum High School celebrated Prom last weekend. The Prom Court included Arianna Krueger, Madelyn Thull, Kaitlyn Leitheiser, Emma Penfield, Megan Winkler, Jed Ermer, Eli Bartelt, Tyler Cook, Sam Lemier, and Reagan Dricken.

The Village of Kewaskum is moving forward with developing a plan to upgrade its municipal building, which encompasses the Village Hall, police department, and library. The building hasn't been updated since 1985. Village Trustee Dave Spenner said many of the systems are close to the end of life.

Over the past several months, scammers have used the names of at least four priests in the Milwaukee Archdiocese in an attempt to swindle money. The Rev. Jacob Strand, pastor of Holy Trinity and St. Michael parishes, is one of those priests. Rev. Strand said he would never ask for money with a text or an email, which is how the scammers are contacting people, including local parishioners. The Kewaskum Police Chief tells people they should never give money right away, research and ask for a follow-up.

Staff at the Kewaskum School District who recently retired or will retire at the end of the school year were recognized by the district for their years of service. They include Vicky Wojtanowski, Janis Chapman, Steve Backhaus, Mary Holfeltz, and Nancy Dreher.

At the April 15 meeting, Village of Kewaskum trustees discussed the ordinance for cluster mailboxes. The daughter of an elderly couple contacted WTMJ to lodge a complaint because the couple was struggling to reach the cluster mailbox. Village Administrator Mat Heiser and Village President Kevin Scheunemann spoke to the reporter, explaining that the post office decides how delivery will be made; so even if this board passed an ordinance for curbside or house mailboxes, it wouldn't matter because that is not how the postmaster wants delivery.

A brat fry and bake sale was held at Holy Trinity in Kewaskum to benefit the Lettow family.

The public is invited to a grand opening of the new softball and baseball fields located at Kewaskum High School. The event takes place May 4.

Kewaskum's baseball team won both games against Plymouth last week, 5-2 on April 23 and 13-5 on April 25.

With a 5-2 victory over Ripon and 4-3 win over Howards Grove, Kewaskum's tennis team has a 3-0 record.

Although losing 6-2 to Campbellsport halted Kewaskum's nine-game winning streak on the softball field, the Lady Indians started a new streak on April 26 with a 5-3 victory over Plymouth.

Collin R. Clark, 22, Kewaskum, passed away April 13. David D. Dorn, 66, Kewaskum, passed away April 21. Margaret A. Giese, 74, Town of Auburn, passed away April 17.

At the April 23 meeting, members of the police and fire commission heard a plan for a bike patrol for the police department. Police Chief Dick Knoebel attributed that enforcement idea to the amount of vandalism occurring on Eisenbahn Trail and in

village parks. Currently, the plan is to outfit a patrol vehicle with a bike carrier. At times, the officer will park the patrol car and use the bike. Three officers are being trained for the bike patrol.

Kewaskum High School Business Education Teacher Tim Rohlinger found a new way to teach outside of the classroom: a school store. Nick Olla and Josh Harbin are in charge of the store's operation. The store opened its doors to the public recently, with hours during lunch time and the half hour after school. In addition to school supplies, the store also has Indians clothing.

Founded on January 13, 1913, when Mrs. David M. Rosenheimer invited a group of women to her home for an organization meeting, the Kewaskum Women's Club is currently celebrating its 95th year of community service. The club received proclamations from both the Senate and Assembly. Mrs. Rosenheimer became the first president of the club.

Shaylah Haire and Kelsey Guth were named Kiwanis Students of the Month for the month of April.

Coming home from the State Forensics Meet with a perfect score of 25 and a gold medal was Sarah Reis, who competed in the Prose category. Jocelyn Chambers, Katie Oscar, Jessica Hall, and Vanessa Schellinger earned silver medals. The forensics season is complete for this school year.

Garett Donath plays rugby for the University of Wisconsin. The Kewaskum High School graduate and his teammates advanced to the semifinals of the Men's Division 2 College Rugby Championship. Also on the team but not able to play due to an injury is Ross Stockhausen, who graduated from KHS.

The girls soccer team posted its first victory of the season by defeating Campbellsport 2-1 last Thursday. Christine Bohn knocked one into the net to break the 1-1 tie. Christine was named the Indian of the Week.

Nick Olla has become the first Kewaskum Indian to receive the honor of being named a Wisconsin Interscholastic Athletic Association Scholar Athlete. He will be recognized May 3 at an awards ceremony.

A son, Anthony Francis, was born April 12 to Angelica Jimenez-Kern and Nick Kern of Kewaskum.

# West Bend Chapter of Guitars for Vets Launched

Washington County Veterans Services, in coordination and partnership with volunteers from the Hartford and West Bend American Legion Posts, Sons of the American Legion, and the West Bend Music Academy, has launched the West Bend Chapter of Guitars for Vets.

Guitars for Vets (G4V) started in Milwaukee and is now a national organization with more than 200 chapters. The program aspires to help Veterans, by providing 10 free guitar lessons and after graduation, a new guitar to continue their musical journey. G4V covers all the costs for this program and all participants, including instruc-

tors, are volunteers.

"I am so proud to participate in this program," commented Kurt Rusch, Washington County Veterans service officer. "Opportunities like these are crucial for Veterans struggling from their service and in need of a positive and creative outlet."

The West Bend Chapter currently has two instructors and a capacity of four students at a time. "There will be a waiting list," said Rusch, "but that's OK, over time we will get more instructors on board, it will be worth the wait."

Josh Schoemann, county executive said, "Wash-

ington County believes that the citizens who live, work, and play here deserve the best care and resources we can provide. Between our Veteran-focused mental health initiatives and positive community organizations such as Guitars for Vets, we are truly living up to our core values of compassion, collaboration, and innovation."

If you or someone you know is interested in volunteering as an instructor or participating as a student or committee member, please have them contact [wi.westbend@guitarsforvets.org](mailto:wi.westbend@guitarsforvets.org). For more information visit [guitars4vets.org/](http://guitars4vets.org/).

## Library Events

Greetings from the Campbellsport Public Library!

We are busily preparing for our upcoming summer reading program "Adventure Begins at Your Library!" The Summer Reading Program helps children to maintain their reading habits, build confidence in reading, and gives children and families fun and educational opportunities to attend themed programs on Wednesdays all summer long. It's also a great way for teens and adults to stay connected to the library for enjoyment, learning, and enrichment.

In the past, the library has handed out prizes to children, teens, and adults who participate in the Summer Reading Program and turn in documentation (books marks, punch cards etc.) to show their reading journey. This year that tradition will continue; however, we will be giving out prizes in the form of gift baskets, as a larger incentive to participate and read.

The library will be supplying larger gift items for the baskets and is seeking donations from community members to help supplement the prizes. These items include things such as markers, play-dough, games, crafts supplies, Legos, beach toys, etc. Here's how interested people can help - located in the window of the library lobby are groups of tags for items we hope to put into the baskets. Simply take a tag, buy the item, and return both tag and item to the library desk by May 17.

Monetary donations are also being accepted and will be put toward purchasing any prize items still needed. For questions, please contact the library. We appreciate your consideration and continued support.

### Story Hour

Children ages 3 to 6 and their families are invited to join us every Wednesday for Story Hour with Ms. Katey. Story hour runs from 10:30-11:30 a.m., and is a time for children and their caregivers to learn, grow and explore at the library. Each

week will focus on a theme and incorporate stories, songs, crafts, and other learning activities. For more information about story hour please visit the Campbellsport library Facebook page.

- May 1 - Kites
- May 8 - Flowers (This will be the final story hour until Fall!)

Stay tuned for information on our upcoming summer events!

### Monday Movie of the Month

The Monday Movie of the Month for Monday, April 29, will be "Priscilla," Sofia Coppola's riveting film about the explosive love affair between Priscilla Beaulieu and Elvis Presley. When teenage Priscilla meets Elvis at a party, the man who is already a meteoric rock 'n roll superstar becomes someone entirely unexpected in private moments - a thrilling crush, an ally in loneliness and a vulnerable best friend. The movie will be shown at 1 p.m. and 6 p.m. and is one hour, 53-minutes-long and is rated R. Popcorn will be provided.

### Mini Book Sale

It's time for a Mini Book Sale! Beginning on Monday, April 29, and running through Friday, May 3, this sale will feature adult fiction, nonfiction, and magazines. The sale will take place on the first floor of the library and will be open from 9 a.m. to 6 p.m. each day. We will not have any children's books available at this time.

### 'Indian Burial Mounds of Wisconsin' Presentation

On Tuesday, April 30, at 6 p.m., the library is hosting Naturalist and Wildlife Educator Bill Volkert as he presents a talk entitled, "Indian Burial Mounds of Wisconsin." This presentation is an overview of Mr. Volkert's recently published book on the subject. The discussion will cover the prehistoric mound building periods in Wisconsin, how and perhaps why burial mounds were constructed and the tremendous concentration of Indian mounds in this region of Wisconsin.

The Horicon Marsh represents one of the greatest concentrations of effigy mounds found anywhere in the world! This program will also delve into the many sources of information that were relied upon to develop this book from unpublished historic journals to modern LiDAR imagery. The presentation will examine the unique archeological evidence that was discovered in Dodge County and greatly expanded our understanding of the Effigy mound building period in Wisconsin.

About our presenter - Bill Volkert is a natural-

ist and wildlife educator. He worked with the Wisconsin Department of Natural Resources at Horicon Marsh for 27 years, where he conducted more than 3,700 education programs for over 220,000 people. His broad audience included professional training for 66 delegations of scientists from 43 countries. Bill will have copies of his book, which has become the definitive word on Indian Mounds of Dodge County available for purchase at his presentation.

## Check It Out!

**LORI KREIS, DIRECTOR**  
KEWASKUM PUBLIC LIBRARY

We have been in the season of spring for more than a month now, but for me, it has not felt like it. The weather is a large factor, however the lack of rituals I usually perform is the real reason. A ritual is defined as an act or way of behaving that is a custom for people in particular situations. This is derived from the Latin word ritualis which means a type of ceremony. Religions relies heavily on rituals, but they can also be quite secular, especially if a familial tradition. Think of all of your holiday traditions, which may have been carried down through generations or something new you instilled in your family. Whether or not they are religious in nature, they are very much rituals. Spring cleaning is what comes to mind to many when a spring ritual is mentioned. Opening windows and bringing in fresh air is what I look for-

ward to. Cleaning the yard from what was buried under the snow for months, mulching gardens and picking up sticks, I may not anticipate with pleasure, but it is required.

This ritual of spring cleaning occurs in many cultures. Before the Lunar New Year, it is a Chinese custom to rid the house of bad luck. Your house must be spotless for the new year because you cannot clean during the several weeks celebration. Otherwise, you would be cleaning away all the new, good luck. In Iran, their tradition involves “shaking the house” (not literally) to keep evil away before the first day of the Bahá’í calendar year. The Passover celebration in Judaism, which is ingrained in me, occurs mainly in spring and in commemorating the Jews freedom from slavery, each house needs to eliminate all the chametz, any grain food that involves fermentation and rising.

I have not yet partaken in my routine of spring cleaning which is why it does not feel it is here yet. My ritual involves a thorough cleaning from top to bottom, inside and out. I have to get those win-

dows streak-free if I want to open them. Carpets get cleaned, rugs replaced, and cabinets emptied for scrubbing.

My favorite part is the ritual of moving my clothes. Being empty nesters provides extra closets in the uninhabited bedrooms. I previously stored seasonal clothing and shoes in storage containers in our lower level. Now, I can just shift armloads of clothes from room to room. I also enjoy weeding out apparel not worn in the last year. Filling bags for donations gives me a great sense of accomplishment and empty closet space to possibly fill with new purchases. Spring cleaning and spring shopping go hand-in-hand for me.

Although we have been in spring for a month, I hope the coming days give us the opportunity to spring clean and enjoy this new season.

# Campbellsport High School Forensics Team Competes at State Tournament in Madison

Campbellsport participated in the State Forensics competition last weekend in Madison, receiving a handful of medals. Pictured from left are Isabelle Sperfslage, Kaitlyn Vant Hoff, Genevieve Grahl, Evie Glover and Cali KneEVERS. **SUBMITTED**

## MICHELLE ROCKMAN AND ALEXANDRA SCHREIBER

The State Forensics competition was held April 19-20, and the Campbellsport team has made us proud with their remarkable performances. The team came home with an impressive collection of medals, including a Gold Critics Choice medal, two All-State medals, and two bronze medals.

Kaitlyn Vant Hoff, one of our many talented participants, won the bronze medal for her exceptional performance. She showcased her incredible public speaking skills and impressed the judges with a Special Occasion speech on Weighted Grades. Vant Hoff's achievement is a testament to her hard work and dedication to the art of forensics.

Isabelle Sperfslage commanded her competition room's attention with her prose performance. The audience was impressed with her dramatic performance as she created characters with voices and mannerisms that made them feel like the characters were in the room. Bringing the story to life, Sperfslage reminded the audience of the duality of the world; humanity is a tapestry of light and shadow. She has worked at the all-star level throughout the season.

Cali KneEVERS and Evie Glover were both awarded All-State medals for their outstanding play-acting performance in the competition. These two phenomenal students performed a humorous One-Act. Throughout the season they learned how to tap into the comedic delivery and the joy of making the room laugh.

However, it was Genevieve Grahl who won her judge's heart with her impeccable prose performance. She earned a perfect score and the Gold Critics Choice medal. The audience was left speechless as she delivered a flawless performance, showcasing her remarkable talents and skills.

The team's achievements are a testament to their hard work and dedication to the art of forensics. They have shown that with determination and practice, anything is possible. We congratulate the team for their remarkable accomplishments.

Overall, the State Forensics competition was a great success for our school's team. We would like to extend our congratulations to all the team members for their remarkable performances. They have made us proud, and we look forward to seeing what they achieve in the future.

## BRYANT from page 1

maintained good grades, but his motivation stemmed more from the desire to pursue his passions in basketball and baseball as well as the necessity of securing a college education.

In addition to the previously mentioned degree, Kevin earned a Master of Arts in teaching from UNC-Charlotte in 2007 and a Master of Science in education-administration from the University of Wisconsin-Superior in 2019.

Looking back at his high school days, Kevin wonders if not having a single individual having a profound impact on his journey may have fueled his passion for what he does now.

"I am driven by the belief that every student deserves to feel seen, heard, and valued," said Kevin. "Regardless of their background or circumstances, I am dedicated to creating an environment where every student knows that we care deeply about their success. It's about more than just academics – it's about fostering a sense of belonging and providing unwavering support as they navigate their path to success."

Kevin got back into education in 2007 when he became assistant director/teacher at Northwest Cabarrus High School in Concord. In 2012, he took the position of athletic director at Central Cabarrus High School in the same municipality. The next job was a change in location. Kevin, his wife, Anna, daughter, Olive, and son, Colt were heading to Wisconsin.

"I always jokingly say that convincing Anna, who is from Concord, to move from the South to Wisconsin was my greatest accomplishment," said Kevin.

The close-knit family ties played a significant role in the decision to return to Wisconsin after 17 years in North Carolina.

"My parents, brother, and sister still reside in Racine," explained Kevin. "With three nephews and two nieces close in age to Olive (12) and Colt (10), family bonds remain an essential part of our lives."

Kevin was hired in 2017 at Christian Life School in Kenosha, first as advancement director and then promoted to Upper School principal. Two years later, he became the athletic director at West Bend East High School. He's been in his current position since 2021.

"Throughout my 17 years in education, I've consistently enjoyed cultivating a positive culture in every position I've held," said Kevin. "My passion lies in collaborating with students and staff to create environments where everyone looks forward to coming to school each day."

Instilling a sense of enthusiasm and belonging, ensuring that both students and staff thrive in a supportive and engaging atmosphere is

Kevin Bryant will be the new principal at Kewaskum High School beginning July 1. **SUBMITTED**

Kevin's goal. He is devoting his life to making a positive impact in the lives of students and fostering environments where they could thrive academically and personally.

Physical education has always held a special place in his heart. The joy of staying active and the sense of accomplishment that comes from pushing physical boundaries have been constants in his life. Kevin maintains a consistent workout routine because of the pleasure he finds in being active.

During the summer months, Kevin can often be found on the golf course.

Kevin has a love for social studies, especially government and American history.

"Exploring the intricacies of our nation's past and understanding the mechanisms of government have always fascinated me," he said.

Spending quality time with family and friends is something Kevin cherishes. Coaching Colt's club basketball team and supporting Olive in club volleyball allows the family to spend many of their weekends in gyms.

The Bryant family also includes two rescue dogs. Peter Pan, a lab mix, and Izzy, a spirited Chihuahua, which Kevin said is head of the household even though she is the smallest due to her larger-than-life personality.

With a deep affection for Washington County, the Bryant family currently lives on the north side of West Bend. The position of KHS principal will allow the family to continue living in the area they plan to call home for years to come; that may include moving closer to the school.

"The allure of the Kewaskum area's natural beauty is undeniable; it's truly one of the most picturesque areas in the state," said Kevin. "While we're currently settled in West Bend, we're excited about the prospect of potentially building our future in Kewaskum."

The incoming principal is excited to begin working alongside school personnel and the community members who are passionate and proud of the Kewaskum School District.

"While no district is flawless, our goal is to strive for excellence and ensure that every stakeholder, whether they're a student, parent, staff member, or community member, can proudly represent Kewaskum High School wherever they go in the state," said Kevin. "Together we'll work tirelessly to uphold the values and spirit of our school, fostering an environment of pride and excellence for all."

Success is important to Kevin, but his true passion lies in meeting the needs of the students and staff.

"Together, we can achieve great things, and I am eager to embark on this journey with each and every one of you," he concluded.

## Pints & Polka Scheduled for May 18

### KEWASKUM FRIENDS OF PARKS

In fall of 2023, a group of Kewaskum area residents came together to form a new group with a big purpose: Kewaskum Friends of Parks.

The goal for the group is to help raise funds and awareness for projects, big and small, in all of the Kewaskum Parks.

Kiwanis Park has been identified as the initial focus point, as the group feels fundraising towards the proposed Biergarten Community Building will bring great excitement and community connection to Kiwanis Park. The proposed Biergarten building, which will be built near the site of the previous swimming pond, will offer a year-round community room and an outdoor shelter that can be used for hosting private parties, community events, music and entertainment.

The Kewaskum Friends of Parks is planning Pints & Polka, a free kick-off event to introduce our group and it's mission at Kiwanis Park on May 18 from 2 p.m.-8 p.m. This event will showcase some of the improvement

work already being done at Kiwanis Park and raise funds that will be donated to aid in the construction of the future Biergarten.

Please join us for the Pints & Polka event, which will feature accordion player Polka Jack Rindt (set up-3 p.m.) and Polka Fusion (3:30 p.m.-7:30 p.m.), beer and beverage sales, and local food vendors, including The Great Outdoors Supper Club, The Coffee Corner Bistro, NOSH NOOK, The Antidote (Carnivore Craig's), Kate Boss, and Sippie Hippie.

Thanks to our event sponsors: All-Phase Electric, Marx Masonry, Heberer Bros. Home Improvement, Roger & Dan's Auto Service and Blue Leasing Corporation.

Thanks to our community partners: JK Rentals, Laatsch's Piggly Wiggly and Trend Setters Sign Shop, Drexel Building Supply, Great Outdoors Supper Club, Wild Artistree.

If you wish to get involved with the event or donate towards the cause, please contact our group at [kewaskum.fop@gmail.com](mailto:kewaskum.fop@gmail.com).

## Enjoy and Protect Hydrangeas from Hungry Deer

Low maintenance, beautiful flowers, and plenty of varieties have made hydrangeas a favorite landscape plant. It seems you can't visit a garden center or nursery without being tempted by one of the traditional favorites or newer hydrangea varieties.

Despite their easy-care nature, hungry deer can make it difficult to fully enjoy these plants. Rutgers University rates landscape plants based on their susceptibility to deer damage. According to Rutgers, hydrangeas are occasionally severely damaged by deer, meaning they are a plant preferred by deer and protection is advised. Your experience may be different and can vary from year to year, but it is always wise to be prepared to protect key plants in your landscape.

Deer like to browse leaves, tender shoots, flower buds, and blossoms. Damage is worse when populations are high, food is scarce, and when environmental stresses like cold and deep snow are present. Once deer find a place to dine, they tend to return. Their damage has a rough or torn appearance as opposed to a clean cut like that made by a pruner. Preventing damage is always the best way to maximize your enjoyment. Even if your plants have escaped damage in the past, continue to watch for deer tracks, droppings, and plant damage.

Fencing is one option but not always the most attractive or practical. An eight-foot fence is the recommended height for protecting large areas. The University of Minnesota found deer can be kept out of small gardens that are 8- x 16-foot or smaller with much shorter fences. Sturdy decorative posts and somewhat invisible deer fencing tend to make a less obtrusive fence. Always check with your local municipality for any fencing restrictions.

Many gardeners report success using high-test fishing line. Create a barrier using strong five-foot posts with the fishing line spaced at two-foot intervals.

Scare tactics may provide some short-term help. Motion-sensitive sprinklers, noise makers, and smells are often used. Several gardeners reported success placing colorful wine bottles inverted over rebar posts. The rattling helped discourage deer browsing and added an ornamental element to the garden. Change scare tactics to increase success.

home, in the back of large beds, or surrounded by less susceptible plants. Making it hard to reach the plants can help discourage damage to hydrangeas.

Repellents are another option. Treat susceptible plants before the deer start browsing for the best results. Look for a rain and snow-resistant product, like organic Plantskydd ([plantskydd.com](http://plantskydd.com)), which does not need to be reapplied as often. That means you'll save time applying and spend less money.

Maximize results by treating new growth according to the label directions. Most liquid repellents need time to dry and can only be applied when temperatures are above freezing. Always check the label for the product being applied and follow the directions for the best results.

Continue to monitor the landscape for signs of deer presence and damage and adjust your management strategies as needed. Be persistent so you can increase your success.

## Watch for Adopt-A-Highway Crews on Wisconsin Roadsides

Volunteers remove tons of trash and recyclables each year

The Wisconsin Department of Transportation (WisDOT) is reminding drivers to stay alert and give space to Adopt-A-Highway volunteers, who routinely collect trash and recyclables along state highways.

"Each year, Wisconsinites generously take time out of their schedules to pick up trash and recyclables along the roadside," WisDOT Secretary Craig Thompson said. "Last year, we saw a phenomenal increase in participation in the Adopt-A-Highway program as nearly 15,000 volunteers helped clean Wisconsin

roadsides. We are grateful for their commitment and pride to keep our state beautiful, yet we still urge all drivers to properly dispose of trash."

In 2023, Wisconsin Adopt-A-Highway groups collected 180 tons of trash and recyclables. Nearly 15,000 volunteers helped pick up trash last year, which is a significant increase from 11,000 volunteers in 2022. WisDOT encourages more people to get involved. # Washington County Executive to Sign Letter of Intent to Sell Samaritan

At a meeting of the Washington County Board held on April 3, Josh Schoemann, Washington County executive, announced the receipt of a letter of intent from EOM Healthcare Group LLC for the purchase of Samaritan Health Center. He was joined by EOM Healthcare Group owners Jacob Jeidel and Ben Shkop. After the closed session, the board voted to effectuate the sale 16-2.

"I am excited to announce that we have found a company that is so closely aligned with our Washington County values and goals in this transaction," said Schoemann. "Saving our county nursing home ultimately will entail selling our county nursing home to ensure the best possible care for our campus residents."

Throughout the process, Washington County remained focused on ensuring compassionate care of its elderly citizens while remaining accountable to the taxpayers. Three factors were imperative for Washington County to have in place before any sale agreement could be reached, and EOM Healthcare Group ensures that all of these considerations would be met:

Ensuring that the current resident population remains cared for now and during the transition, and the facility will be available for future Medicaid-entitled residents as one of their choices for placement.

Keeping a skilled nursing facility in the West Bend area.

Providing an opportunity for the

staff to continue with the new owner.

Jacob Jeidel said, "Our vision and philosophy is focused on when staff is happy, ultimately the residents are happy. We don't come in and cut expenses, we set standards at or above what they were."

Jeidel said the acronym EOM stands for "Every One Matters," because he wanted to have a name that "would remind me every day to

stay true to our mission. Everybody knows that the residents come first. Unfortunately, what gets neglected along the way are the staff. They don't get the attention they need. I don't think people understand that it's not a 9-5 job. The focus of the company, and what we've successfully accomplished, is very much employee focused."

## Explore Wisconsin's Natural Wonders with Natural Resource Foundation Field Trips

### WIS. DEPT. OF NATURAL RESOURCES

The Wisconsin Department of Natural Resources (DNR) encourages the public to explore Wisconsin with a Natural Resources Foundation (NRF) field trip.

The Natural Resources Foundation of Wisconsin is a nonprofit that protects our state's lands, waters and wildlife and connects all people with nature.

This year is the 31st season of Natural Resources Foundation field trips, and 275 trips are scheduled from April through early November. Field trips are expert-led adventures that explore Wisconsin in a variety of ways, from paddling in Door County to steep, off-trail hiking in Green County. These trips often offer a behind-the-scenes look at Wisconsin's natural treasures, many of which are not usually open to the public.

Some examples of the 275 field trip opportunities include:

- Frogs and Toads of Sandhill Wildlife Area
- Introduction to Foraging
- Effigy Mounds at Nitschke Mounds Park
- Birding the Cedarburg Bog: Canoe and Hike

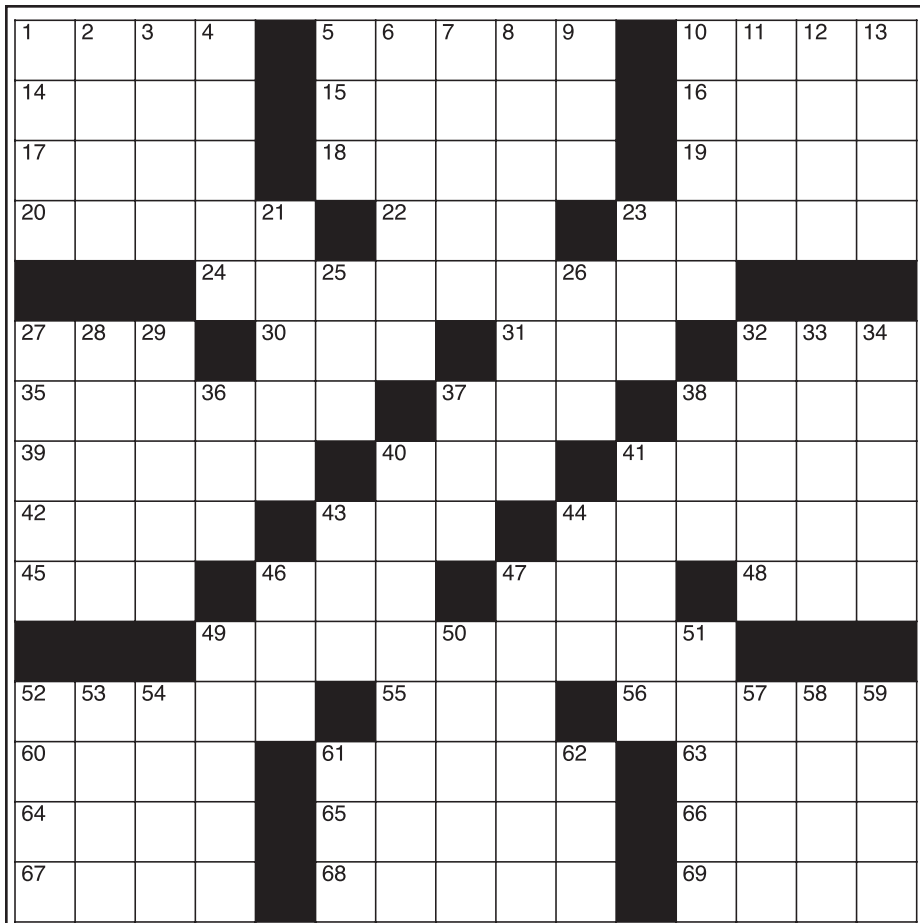

• Namekagon River: Wood turtles and Wildflowers

• Seeds for Pollinators at Dewey Heights State Natural Area

The entire field trip list is available in the Natural Resources Foundation Field Trip Guidebook ([www.wisconservation.org/field-trips/guidebook/](http://www.wisconservation.org/field-trips/guidebook/)). Each trip is labeled to indicate the physical demand and if it is family-friendly. The annual tradition is open for all ages and abilities, including 24 trips accessible for standard wheelchairs.

"We just want people to get out and explore Wisconsin," said Christine Tanzer, NRF Field Trip Program Director. "Not only is it a joyful thing to do, and good for you – it also starts people thinking about all the conservation work going on around them and how they can help."

Registration is only available online starting April 4, 2024 and is only open to for Natural Resources Foundation members. Those interested are encouraged to sign up soon, as trips can fill up quickly. Field trips are non-refundable and expected to run rain or shine. No dogs are allowed on trips.

Notice is hereby given that the Board of Review for the Village of Eden, Fond du Lac County shall hold its first meeting on May 20, 2024. The time of this meeting is 6:00pm until 8 pm. The meeting will be held in the Village of Eden Office, 104 Pine Street, Eden, WI 53019.

**Please be advised of the following requirements to appear before the Board of Review and procedural requirements if appearing before the Board:**

No person shall be allowed to appear before the Board of Review to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to view such property.

After the first meeting of the Board of Review and before the Board's final adjournment, no person who is scheduled to appear before the Board of Review may contact, or provide information to, a member of the board about the person's objections except at a session of the Board.

No person may appear before the Board of Review, testify to the Board by Telephone, or contest the amount of assessment unless, at least 48 hours before the first meeting of the Board or at least 48 hours before the objection is heard if the objection is allowed because the person has been granted a waiver of the 48 hours notice of an intent to file a written objection by appearing before the Board during the first two hours of the meeting and showing good cause for failure to meet the 48 hour notice requirement and files a written objection, that the person provides to the Clerk of the Board of Review notice as to whether the person will ask for removal of any Board members and, if so, which member will be removed and the person's reasonable estimate of the length of time that the hearing will take.

When appearing before the Board of Review, the person shall specify, in writing, the person's

estimate of the value of the land and the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

No person may appear before the Board of Review, testify to the Board by Telephone or subject or object to a valuation: if that valuation was made by the Assessor or the Objector using the income method; unless the person supplies the Assessor all of the information about income and expenses, as specified in the manual under Sec. 73.03(2a), that the Assessor requests, the Village of Eden has an Ordinance for the Confidentiality of information about income and expenses that is provided to the Assessor under this paragraph which provides exemptions for persons using information in the discharge of duties imposed by law or of the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under Section 19.35(l) of Wis. Statutes.

The Board shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, surgeon or osteopath that confirms their illness or disability. No other persons may testify by telephone.

Respectfully Submitted,

Kari Schlefke Clerk/Treasurer 4/25 WNAXLP

**WIAA Task Force Advances  
Changes to Remanded  
Realignment Plans**

The Wisconsin Interscholastic Athletic Association (WIAA) Conference Realignment Task Force reconvened at the executive staff office Tuesday, April 9, to finalize plans that were remanded by the Board of Control at its March 5 meeting for further consideration.

Schools and conferences associated with those remanded were re-evaluated by the Task Force, resulting in recommendations that include 54 schools assigned to six conferences.

Following its deliberations, the Task Force recommends...A new conference, yet to be named, was formed with Kettle Moraine Lutheran, Kewaskum, Plymouth, Port Washington, Sheboygan South, West Bend East and West Bend West.

Conference configurations for the remanded realignment plans, as well as all the original realignment proposals submitted, are

available on the Conference Realignment Requests and Proposals page of the WIAA Website at [www.wiaawi.org/Schools/Conferences/Conference-Realignment/Requests-and-Proposals](http://www.wiaawi.org/Schools/Conferences/Conference-Realignment/Requests-and-Proposals).

The Task Force's recommendations were advanced to the Board of Control for final consideration at its meeting Tuesday, April 23. The Board will have the options to approve or reject the realignment recommendations. If approved, the modifications will be implemented for the 2025-26 sports seasons.

*The WIAA, as defined by its Constitution, is a voluntary, unincorporated, and nonprofit organization. The membership oversees interscholastic athletic programs for 514 senior high schools and 43 junior high/middle level schools in its membership. Wisconsin's 3,000 Adopt-A-Highway groups, but more than 2,300 miles of state highway are still available for adoption.

Adopt-A-Highway workers are asked to clean up their assigned two-mile state highway segment at least three times per year. County highway crews gather the bagged materials for proper disposal. Automated forms on the Adopt-A-Highway website streamline reporting cleanup efforts. As part of the program, WisDOT furnishes safety vests, highway worker signs, a safe-

ty training video, trash bags, and two permanent signs identifying the group. Each group must provide one adult supervisor for every five or six volunteers. Groups do not work in dangerous areas like medians, bridges or steep slopes.

WisDOT reminds drivers to buckle up, put the phone down and follow speed limits on Wisconsin highways, especially when these volunteer groups are working along the roadside.

# An Excellent Youth Turkey Hunt

**MARK WALTERS**  
COLUMNIST

This week's column is chalk full of interesting experiences, so I have to be vague, if you know what I mean. Carsyn and Conner Thiede are the 13- and 11-year-old children of Tyler and Patsy Thiede of Mayville. I met this family through my very good friend, the late Rod Bensley, and we have become very good friends and do at least one deer

Eleven-year-old Conner Thiede with his first tom turkey.

hunt and one turkey hunt together in the Burnett area at what is called The Foul Mouth Hunt Club. Each hunt, I switch kids and have witnessed them shoot deer and turkey.

Justin "Beamer" Braun is part of this group and one of Tyler's lifelong friends from growing up in the Burnett area, and Justin is very good at helping people to harvest turkey.

Chad Reifschneider is also a part of this gang, and this weekend his children Kensie and Joey would be hunting as well with Chad and Tanner Weber.

To close out our gang, we would have Jim Klug and his 8-year-old son Jameson. Jim grew up with Beamer and Tyler, is now a fire chief in Greely, Colorado, and came home to introduce his son to hunting and see his buddies. Jim and Jameson would be guided by Beamer.

**Friday, April 12**

**High 66, Low 40**

I would like to add that since getting to know these guys, Chad and Tyler and their children have become very active in The Dodge County Chapter of KAMO. So, today I arrived at "The Lodge" and there is an immediate problem. The land I was going to take Conner hunting is no longer available. I had to do some hard thinking and came up with Jeff Pausma. Jeff and his wife Melissa are local dairy farmers. I had never met Jeff, but he reads this column, and when Michelle passed away he contacted me and said some very nice things. I just happened to put Jeff in my phone, made a call, and just like that we had the green light.

Conner, Tyler and I headed over to the Pausma farm which I fell in love with as soon as I saw it. Jeff gave us the tour and all was perfect in our world.

and Tanner Weber would be hunting public land near Beaver Dam, and these guys would see 13 toms, but they were on private land.

Tyler and Carsyn would have lots of deer experiences while hunting private land adjacent to the Horicon Marsh.

Jim, Jameson and Beamer would have an excellent hunt as they all realized that Jameson loves to hunt.

The afternoon hunt was where big memories were made. Beamer did an excellent job calling in a beautiful tom and Jameson whacked his first

## NEWS REPORTER

MMC

Dodge County Pionier, Campbellsport News & Kewaskum Statesman

Are you community-minded with talent in writing and photography? Join our award-winning team!

The Dodge County Pionier, Campbellsport News & Kewaskum Statesman weekly newspapers – published by Multi Media Channels (MMC) – are seeking a part-time or full-time community and news reporter who will produce hyper-local content for all three papers.

The ideal candidate will have journalism experience, but training will be provided.

Coverage areas include, but are not limited to, Campbellsport, Horicon, Kewaskum, Lomira and Mayville.

The news reporter will work autonomously, as well as within a team, to produce entertaining, engaging and educational content across all five markets. Duties include coverage of local municipal meetings, board of education, community events and producing profiles, human-interest stories and photographs in the coverage areas. History buffs are encouraged and welcome to apply.

A journalism degree or equivalent experience is preferred, but not required.

Must be available to work evenings and weekends and provide own transportation. Mileage reimbursement is available.

MMC offers a competitive salary. Send resume and writing and photography samples to Clarice Case at [ccase@mmclocal.com](mailto:ccase@mmclocal.com)

bird and, without a doubt, a hunter was born. Conner and I had moved our setup to where I thought the birds had roosted the night before and had hundreds of amazing experiences watching ducks and geese.

With 30 minutes of legal hunting left, I heard a bird fly into its roost. The problem was it was on private land and we were hunting a marshy pasture. No problem, we would get one in the morning. Over the next 15 minutes, we watched 13 hens and toms fly into trees 25 to 40 yards away.

Our luck switched. A hen appeared

as it had crossed the marsh. We could not shoot it, but it was fun to watch. I kept working the call, there were six minutes left to hunt. A very large tom made a mistake and came on our side of the fence but out of range. The hen flew up to the roost. The tom was furious with my jake decoy. Four minutes left, he got in range. Conner made an excellent shot and whacked a humongous turkey.

Tyler had made a bet hours earlier with me that if I did not get my hunter a turkey both my hunter and I would have to jump into a very cold stream. Tyler and Carsyn would go swimming, not Mark and Conner!

## Zitlow Rolls 300 in Route to 810 Series

On March 25, Kevin Zitlow soared to the top of the honor board rolling two honor scores in one night. Kevin has been throwing the ball well all season in both his Monday and Friday night leagues at King Pin Lanes in Campbellsport while patiently waiting for a big honor score to fall.

Not one, but two of those scores fell during the Monday Night Uptown League when Kevin shot a 277, 300 and 233 to finish with a monster 810 series. During his big night Kevin kept his composure and told himself to continue to make good shots and let the pins fall as they wish.

“Congratulations on another great bowling season Kevin!” said a representative of King Pin Lanes.

# Campbellsport Baseball Wins Three out of Four Games

**BEN PRIESGEN**  
 JOURNALIST

On April 16, Campbellsport baseball beat Omro 4-3 in eight innings on the road in their conference matchup.

Campbellsport (5-5, 2-3) held a 1-0 lead until Omro (6-2, 3-2) tied it in the third inning at 1-1.

The Foxes took a 2-1 lead in the fifth inning before Trenton Schladweiler's RBI double tied the score in the sixth inning.

"We were able to escape a bases loaded jam in the bottom of the seventh inning to force extra innings," said Head Coach Jim Krug.

Riley Kohlmann helped his cause on the mound with a two-run single to right field to give the Cougars a 4-2 lead at the top of the eighth inning.

Omro was able to score a run before Campbellsport brought in Gage Kohlmann to close out the 4-3 win.

R. Kohlmann got the win after going 7 2/3 innings on the mound for the Cougars.

#### Vs Omro

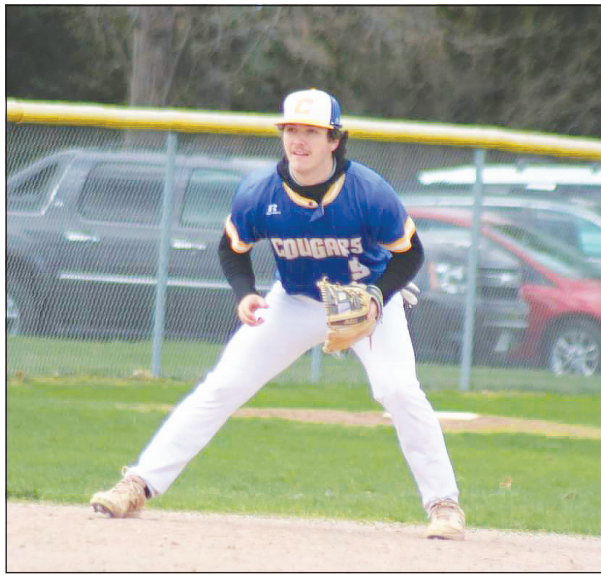

On April 18, Campbellsport baseball lost 3-2 to Omro in eight innings at home.

Omro (6-2, 3-2) and Campbellsport's second game in three days was a back-and-forth affair during the first seven-plus innings of baseball.

take a 3-2 lead over the Cougars.

Campbellsport (5-5, 2-3) was able to get the tying run into scoring position, but Omro was able to secure the final out in the game.

Brody Nolan led the Cougars with three hits during the extra innings contest.

#### At Ripon

On April 19, Campbellsport baseball beat Ripon 6-1 on the road in their non-conference contest.

Campbellsport (5-5, 2-3) scored the first run of the game with an RBI double by Brody Nolan in the first inning.

Tyler Sachen hit a three run home run to put the Cougars ahead 6-1 of Ripon (2-7, 1-4) at the top of the seventh inning.

"Bradon Bothe pitched a great six innings for us," said Head Coach Jim Krug. "Tyler's home run was a game clinching dagger for the team."

#### At Chilton

On April 22, Campbellsport baseball beat Chilton 10-5 on the road in their non-conference matchup.

Campbellsport (5-5, 2-3) started the game with six runs in the first inning to take an early 6-0 lead over Chilton (7-3, 5-1).

"We were able to capitalize on offense with our walks, hits, and their errors during the inning which was highlighted by Brody Nolan's double," said Head Coach Jim Krug.

The Cougars scored a run each in the second, fourth, fifth, and sixth innings which helped withstand a rally from the Tigers in the seventh inning.

"Owen Bong took care of business on the mound leading us to a 10-5 victory on the road," said Krug.

Campbellsport hosted Lomira on April 23 and travels to Lomira on April 25 with the game starting at 5 p.m.

## Campbellsport Softball has Three Close Losses during Busy Week

### BEN PRIESGEN JOURNALIST

On April 16, Campbellsport softball lost 4-3 to Mayville in a highly contested Flyway matchup.

Campbellsport (4-5, 3-3) scored two runs by a two-out RBI single by Megan Truse at the top of the seventh inning to get a 3-2 lead over Mayville (7-1, 6-0).

The Cardinals responded with a two-run home run to walk off with the win between the Flyway rivals.

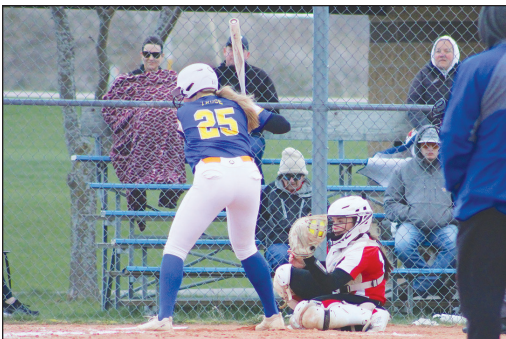

“It was a heartbreaker after we got the lead, but it didn’t last long as Mayville responded in the bottom of the seventh,” said Head Coach Dan Heisdorf.

Peyton Hall led the way with six innings of pitching with six strikeouts in the matchup.

#### Vs WLA

On April 18, Campbellsport softball lost 6-5 to WLA in a tight Flyway conference game.

Campbellsport (4-5, 3-3) was down 6-1 entering the bottom of the seventh inning, but Megan McCarty’s two-run RBI double got the score to 6-3.

The Cougars got a two-out two-run RBI double from Emma Batzler which was hit high off the outfield fence to bring the score to 6-5 in favor of the Vikings.

WLA (4-5, 2-4) was able to induce a groundout to end Campbellsport’s rally in an exciting seventh inning.

“Our defense let us down with four errors which led to five unearned runs in the game,” said Heisdorf.

Campbellsport was led by Peyton Hall’s sixteen strikeouts on the mound.

#### Vs Lomira

On April 19, Campbellsport softball lost 8-0 to Lomira in a home Flyway contest.

Lomira (11-2, 5-1) took a 1-0 lead over Campbellsport (4-5, 3-3) at the top of the second inning with neither scoring over the next two innings.

The Lions notched four runs at the top of the fifth inning and added three more runs in the seventh inning to cap off an 8-0 conference victory over the hosting Cougars in a cool and windy game.

Campbellsport’s Lilli Twohig had a double to pace the Cougars’ hitters.

#### At KML

Players pose for a picture during a break in the game.

On April 22, Campbellsport (4-5, 3-3) lost 8-7 to KML (3-5, 2-4) in their non-conference matchup.

Emma Batzler had three hits and Paige Jordan had a home run with four RBIs to lead the Cougars’ offense.

Campbellsport traveled to Laconia on April 23, and travels to WLA on April 25. Games start at 5 p.m. They go to New Holstein on April 27 and play at 9 a.m.

# Kewaskum Girls Thump Ripon to Move to 9-1 on Season

**KHS FASTPITCH SOFTBALL**

Kewaskum fastpitch bats came alive in Ripon as the Indians defeated the Tigers 17-3 and moved their record to 9-1 (2-0 conference) on the season.

A single by Lauren Rettler put Kewaskum on the board in the top of the first, but the Indians would flip the game on its head in the top of the second, scoring six runs to take a 7-1 lead. The biggest blow in the inning was a single by Ellie Calliari that drove in two.

Kewaskum extended their lead with three runs in the top of the third thanks to RBI singles by Julia Prochnow and Calliari.

Macy Sabish drove in five runs on three hits and hit a three-run home run to center field in the fifth inning. The inning also saw Kyli Baka and Meghan Clausing drive in runs.

Kewaskum accumulated 14 hits in the game. Sabish and Calliari each collected three hits and Prochnow had two. Baka reached bases three times (2 hbp), stole two bases and scored three runs. Izzy Wollner, Morgan Vetter, Rettler, Prochnow, and Calliari all scored multiple runs on the day.

Sabish toed the rubber and earned the win. The righty allowed two hits over five innings, striking out seven and walking none.

The girls are in the middle of conference action as they take on rivals Berlin, Winneconne and Plymouth over the next week.

**KHS BASEBALL** *from page 24*

the lead after scoring one in the first on a Dylan Soyk single and one in the second on a Tyler Densow single.

Freshman Kingston Grisolono earned the victory on the mound allowing one hit and one run (zero earned) over three and two-thirds innings striking out five and walking five. Cooper Petermann went one and two-thirds innings of no-run ball in relief while allowing one hit and striking out two. Josh Koenig came in relief but had to get pulled with the bases loaded up by three and two outs, as he reached his pitch count in order to have him available for a double header on Saturday. In came starting shortstop Sam Ciriacks to record the final out. After a wild pitch, the host Vikings were a hit away from tying the game as they had runners on second and third, down by two. Off the bat, it looked like extra innings were about to happen, but Grisolono tracked the ball into the right center gap and made a diving catch to secure the 4-2 victory for the Indians.

Soyk, Densow, and Austin Reichel had RBI's for the Indians, while Cale Heinonen led the way with two hits in three at bats.

**Indians Tough Loss to the Bulldogs**

**Thursday, April 18**

After tying the game at one in the bottom of the first inning on a Karter Fell single, the Indians (2-6, 1-1) struggled to get three outs in the top of the second inning giving up 13 runs, utilizing four

different pitchers en route to a five-inning defeat 20-4. The bright spot pitching was junior Sam Ciriacks who threw two scoreless innings allowing no runs or hits and striking out three.

In addition to Fell's RBI single, Kewaskum was led by Andrew Reichert (2B), Kingston Grisolono (2-4, RBI), and Dylan Soyk (RBI).

**KHS Baseball Falls to Kiel**

**Monday, April 15**

Despite a solid performance from starting pitcher Cooper Petermann, the combination of errors and leaving 10 runners on base led to the Indians (2-5) falling to the Kiel Raiders by a score of 6-3. After giving up one run on a sacrifice fly in the first inning, it looked promising as Andy Reichert singled and Kingston Grisolono walked, but a diving snag by the Raiders' third baseman resulted in a double play.

The second inning looked just as promising as Dylan Soyk walked and Karter Fell got hit by a pitch to start the inning. After an Austin Reichel sacrifice bunt, the Indians had two chances with runners in scoring position but came up empty with a strikeout and flyout.

The visitors scored their second run of the game in the third inning, and the host Indians were able to get one in the fifth inning on a wild pitch. The score remained 2-1 until the seventh when Kiel scored four, but Kewaskum did not give up as they scored two of their own and had the tying run up to bat before the Raiders got the final out.

## Kewaskum Saturday Double Header

### KHS BASEBALL

April 20

#### Game One

In game one, the Indians were unable to utilize a strong defensive game and outing on the mound from starting pitcher Tyler Stray, as he kept the game within one run until the seventh inning. Kewaskum had opportunities to drive in runs all game, but, unfortunately, everything was hit directly to the New Holstein defense. Kewaskum lost 5-1.

Austin Loehr (3B), Andrew Reichert, and Austin Reichel led the way offensively with two hits apiece, while Cale Heinonen contributed with a triple.

#### Game Two

The Indians (4-7, 1-1) came back and won the second game 9-5 after dropping the first game 5-1. They were able to find gaps and scored in all but

one inning en route to the victory.

It was a breakout game for sophomore Liam Stoffel as he was just a home run shy of the cycle.

After Cooper Petermann gave up a single to start the game, he was able to retire the next three batters. The bottom of the first started with a Stoffel single and steal of second base. After a Grisolono walk and a double steal, a wild pitch scored Stoffel, and Austin Loehr was able to bring in Grisolono on a sacrifice fly for a 2-0 lead.

The Huskies cut the lead in half in the top of the second, but Kewaskum was able to get a second run courtesy of three walks and a hit batter. Off the bat, it looked like Austin Reichel was going to bust the game open with a bases-loaded shot up the middle, however, the Huskies were shifted up the middle and it resulted in an inning-ending double play, keeping the score at 3-1. A Tyler Densow single and steal of second base allowed Stoffel to score him with a double to the fence and

extend the lead to 4-1. A Loehr double and Dylan Soyk single scored one while Austin Reichel drew a walk and eventually scored on a wild pitch to extend the lead to 6-1.

The visiting Huskies did not go away as they scored four in the top of the sixth to make it a one-run game. However, the Indians bounced back with three of their own in the bottom half, highlighted by a Stoffel triple, a RBI double by Brett Hackert, and a RBI single by Soyk to extend the lead. Josh Koenig was able to get the final three outs and secure the victory.
