**Successful River Clean-up in Kewaskum!**

This clean up day is part of an annual river clean up organized by Milwaukee Riverkeeper and locally by Bridget Center of Wisconsin. "We are the northern branch of the Milwaukee River, so clean up here matters downstream, where all waters lead to Lake Michigan." said Peggy Kober, one of the organizers. 'Let Our Rivers Unite Us' was this years theme as more than 35 people showed up with their contagious, positive spirits to care for the sacred waters that run through Kewaskum. If you would like to be a part of the many volunteers that care for Kewaskum's mighty river, call 414-333-3689 for more information. **SUBMITTED PHOTO**

## County Task Force on UW-Extension Issues Group's Results

Josh Schoemann, Washington County executive, commissioned a task force earlier this year to address the role of UW Extension programming in the county and review how best to meet the changing needs of our local community. The task force was chaired by Washington County Supervisor Carroll Merry and included representatives from the ag community, the non-profit community, and supervisors serving on the Washington County Land Use and Planning Committee.

After holding five meetings from February through April, the task force sent its findings and recommendations to County Executive Schoemann, including:

- UW Extension services historically provided in the community have changed and Extension educators are not being used as they once were;
- UW Extension programming has redundancy in the community;
- 4-H continues to hold great value in the community and should be enhanced and expanded by working with community clubs in STEM, and educational institutions;
- Current UW Extension educator vacancies should not be filled, yet Regional Crops Educator position should be retained, and the vacant Dairy educator position should be discussed;
- The County must honor its contractual obligations with UW Extension which run through December 31, 2025.

Upon presenting these recommendations to the county executive, Carroll Merry, task force chair said, "County Executive Schoemann tasked us

with taking a hard look at UW Extension programming and ensuring the taxpayers, ag community and businesses are getting the best bang for their buck. I am particularly pleased with the consensus that we enhance 4-H. 4-H is something many of us grew up with and would like to see continue for our grandkids. It has played an integral part in the history of Washington County, and I want to see it continue to provide the invaluable service more focused on the needs of our citizens."

Schoemann commented, "I appreciate the work of this task force and especially the input from our community stakeholders. I see the many opportunities ahead of us - to grow 4-H; to connect with Moraine Park Technical College (MPTC) in educating through STEM programming; and to listen to the local community about their needs. There has been a concerning departure from The Wisconsin Idea with the UW more focused on itself, moving focus away from the real needs of our businesses and communities. Meanwhile, UW campuses are closing, staff are being laid off, programs are ending, and culture wars and antisemitism are undermining our values. Washington County has had enough. The recommendations from this task force offer a great start at reprioritizing UW funding and returning our focus to provide opportunities for our students, businesses, and community."

Members of the UW-Extension Task Force included:

## Campbellsport Public Library Opens Story Walk

CLARICE CASE  
EDITOR

On Saturday morning, May 4, the Campbellsport Public Library held a ribbon cutting for their new story walk outside behind the library.

"The idea to create a story walk came from visiting other communities in the area with my children," explained Director Alison Capoyianes. "My children love walking the paths and reading the stories with me, and I wanted to bring that joy and excitement to the Campbellsport community, as well."

The first story to be featured in the walk is "If You Plant a Seed" by Kadir Nelson. Also featured along the story walk is a separate stand remembering Elizabeth "Lizzy" Weiland's life and "dedication to learning and reading." The stand was placed next to the Lizzy Learning Tree, a sycamore tree, and Bench donated by her family in 2023.

The project cost \$18,345 and was funded through gifts and memorial funds.

"Monies donated to the library in 2022-2023 by the following contributors helped to make this possible," said Capoyianes.

Monetary gifts were received from the Campbellsport Jaycees and Chris and Sally Candee. Memorial funds were received from Gloria McCarty,

A friend, Tom Pyle once said, "Mothers are the closest thing we have (on Earth) to God." While none can match the ultimate sacrifice He made by offering up His only Son, I'm still mindful of what tradeoffs Mom did.

Often doing without in lieu of her young'uns. Such as not having a decent pair of boots to wear in winter so that my oldest sister had some to go to school daily. As it was, she gave up her youth and vitality to raise us.

Also her dreams... of becoming a singer, Supreme Court justice or preacher. Despite a couple being merely wistful fancies, she made good on that last one. Becoming the itinerant kind. Never ashamed to share how deeply Jesus Christ impacted her own life. And it made a difference not only in our existence, laying a solid founda-

tion of faith but also to anyone she met. They often thanked her for the testimony.

Then there was the physical toil, baking four loaves of bread a day in addition to laundry three times a week. Done in a wringer wash-tub long after the advent of automatic (higher priced) machines. No dryer, just heavy loadfuls carried out to the clothes lines.

When we grew older, able to shoulder some of the household burdens, she started working as a charwoman; a cleaning lady for a few village businesses, the First State Bank, Henry Straub's insurance agency, Stella Cheese offices and the church, Immanuel Lutheran. Just shifted her laboring efforts to ease the single wage earner weight on Dad. Thanks to the extra income, we moved up to the middle class, getting our first color television set.

None of which was lost on any of us eight. Wasn't how hard she worked – as much as the love involved. Though she passed seven years ago, it's a lesson not quickly forgotten.

## Grow Fruit in Containers

MELINDA MYERS  
CONTRIBUTOR

Have fun and enjoy picking fresh fruit right outside your door thanks to compact varieties you can grow in containers. Just clear some space on your patio, deck, balcony, or front steps that receives at least six hours of sunlight and get busy planting.

Consider starting with strawberries. They provide seasonal interest with their white flowers, red berries, and brilliant fall color. Day-neutral and everbearing strawberries produce fruit throughout the summer and grow well in strawberry pots, containers, and hanging baskets. Place the containers where you can enjoy their beauty and easily harvest and enjoy a few berries on your cereal, as an afternoon snack, or atop your favorite dessert.

Include a few of the relatively new compact berry bushes suited to containers and small spaces. Raspberry Shortcake® grows two- to three-feet tall and wide and is thornless which makes harvesting a breeze. They produce a bumper crop on new plant growth each season.

Baby Cakes® blackberry is another thornless space-saving berry plant. Like Raspberry Shortcake® it grows two- to three-feet tall and wide and is thornless. The white flowers and tasty fruit that form on old growth make Baby Cakes® a nice addition to any outdoor space.

well-drained acidic soil that many of us do not have in our gardens but can provide these ideal conditions when growing in containers. You only need one plant to have fruit but growing two will more than double the harvest.

Use narrow and columnar dwarf apples as a living screen or vertical accent. The Urban Apple® series, Spire® apples, North Pole®, and Sentinel varieties are all suited to growing in containers and small spaces. The trees grow about eight- to ten-feet tall and only several-feet wide. The trunk is loaded with short branches and lots of fruiting spurs for easy harvesting. You will need two different varieties of most apples, including these, for cross-pollination to occur and fruit to

## Honoring Mothers on Mother's Day

Dear Reader,

As we approach Sunday, May 12, we prepare to celebrate Mother's Day, a cherished occasion established in 1907 to honor the profound sacrifices mothers make for their children. This day serves as a poignant reminder of the immeasurable love and dedication that mothers selflessly provide.

Motherhood is a journey marked by both joys and challenges. From sleepless nights to tender moments, mothers navigate a myriad of experiences in raising their children, often facing daunting circumstances with unwavering strength and resilience.

As we commemorate Mother's Day, let us pause to express our gratitude to the remarkable women who have shaped our lives. Whether through words, gestures, or simply spending quality time together, let us honor the profound impact mothers have had on our paths to success and self-discovery.

For those fortunate enough to still have their mothers by their side, may this day be filled with warmth, laughter, and cherished memories. And for those whose mothers are no longer with us, may their legacy of love and guidance continue to inspire us each day.

Wishing all mothers a day filled with love, appreciation, and the recognition they truly deserve. Happy Mother's Day!

## Thank You to Our Campbellsport School District Teachers and Staff

This week, May 6-10, the Campbellsport School District is joining with our community to celebrate Teacher and Staff Appreciation Week.

This annual event gives us an opportunity to recognize and express our gratitude for the hard work, dedication, and achievements of our outstanding educators. It's also a time to reflect on everything our teachers and staff have done and continue to do to support our students throughout the 2023-24 school year.

Teaching and supporting our students is challenging, demanding and rewarding work, requiring patience, dedication, and a commitment to our students' growth and wellbeing. Teachers and staff serve all students, no matter their background, socioeconomic status, or ability, providing a level playing field for children from all walks of life. They show up every day with enthusiasm and passion for helping our students grow and succeed.

Teachers play a critical role in shaping the future of our society. They are actively preparing the leaders, innovators, and thinkers of tomorrow for the opportunities and challenges that lie ahead. Our teachers and staff make our schools places of hope and joy. They make our community and our world a better place.

With this in mind, we ask our community to join the Campbellsport School District in celebrating Teacher and Staff Appreciation Week. Please take a moment to thank a teacher, counselor, para, food service worker, custodian, coach, advisor or other staff member who has made a positive impact on your life or on the life of your child. Write a heartfelt note, send an email, or make a post on social media expressing your gratitude. Every small gesture of appreciation can make a big difference.

We're incredibly grateful for the outstanding efforts of our teachers and staff, each and every day. Please join us in thanking our teachers and staff for all they do!

**Remembering Our Civil War Veterans – Monument Dedication**

A dedication ceremony for the Washington County Civil War Veterans Monument will be held on Tuesday, May 14, at 10 a.m., at St. Boniface Cemetery. St. Boniface Cemetery is located at W204N11940 Goldendale Rd. in Germantown.

The public may join in remembering the service of Peter Adler, Leonard Hauser, George Knetzger, John Knetzger, Philip J. Schmidt, John G. Schuster, Jacob Wasserburger, George Wierl, and Adelbert Wilhelmi.

Why are we doing this? In an effort to ensure that they are not forgotten, our goal is to place a monument at each of the cemeteries where our Civil War Veterans are buried. Many of the headstones or grave markers are deteriorating or are no longer legible.

There will be a short dedication ceremony including the Color Guard, and 21-gun salute.

Further information is online at [rocwv.org](http://rocwv.org) or [washcowisco.gov](http://washcowisco.gov).

**Robert A. Staehler**

Robert A. (Bob) Staehler, age 93 of Kewaskum entered eternal life on May 2, 2024, at Kettle Gardens Assisted Living Facility where he had been a resident for a short time.

Bob was born August 29, 1930, in Kewaskum. He was the son of the late Alois and Margaret (Karius) Staehler. Bob was a graduate of Kewaskum High School, with the Class of 1948. He married Jeanne Ann Gill on May 9, 1953, at St. Michaels Catholic Church in Parnell.

He was preceded in death by his wife, Jeanne. He is survived by his sister, Kathy (Staehler) Boegel of Niles, IL; four children, Patrick (Deb) Staehler of Richfield, Kerry (Barb) Staehler of Wittenberg, Christine Staehler of Granger, IN, and Jack Staehler (Wendy) of Deer Park, IL; grandchildren, Ryan (Pamela) Staehler, Adam (Jessy) Staehler, Scott (Tuesday) Staehler, Sarah (Jason) Fox, Brandon (Debra) Koth, Joey Staehler, Samantha Staehler; and step-grandchildren, Melisa (Matt) Britten, Matt (Kelly) Gray; and several great-grandchildren.

After high school, he entered the Navy as a seaman and became member of VF133 Fighter Squadron supporting the Military Air Transport of the Berlin Airlift, then a Flight Deck Director on the USS Midway Aircraft Carrier on tours across the Atlantic and into Mediterranean. He was very proud of his naval service, and in 2018, along with his sons, walked with pride across the flight deck and throughout the entire USS Midway Museum in San Diego.

After four years in the Navy, Bob was literally a jack-of-all-trades and held various jobs, appliance and electronics repair, bartender, heating oil delivery, carpet layer. He was employed for over 20 years at Weasler Engineering yeand retired in 1992. He was very active in local fund raising for volunteer social clubs: American Legion, Lions and Kiwanis as well as a rescue squad lead on the Kewaskum Voluntary Fire Department. Since 1970, Bob was a very dedicated advocate for the advancement of the sport of snowmobiling in Wisconsin, having served as the founder, instructor and president Kewaskum Snow-Chiefs and president of the Association of Wisconsin Snowmobile Clubs. He also represented the sport as a member of the Wisconsin Governor's Council. He continued riding snowmobiles and ATVs until he was 91 years old!

In retirement, he was an avid wood worker, having built cradles, clocks and furniture and was a relentless problem solver, learner and deeply curious about mechanical and electronics. He attended deer hunting camp with generations of friends and family through 2023. He loved big band music so much he had his own Pandora station ready to go upon voice command – he loved that!

He continued to make new friends wherever he went and welcomed new members of his family with love. Of all the things Bob had undertaken over the course of his life, his greatest joy was spending time with people and was happy to tell everyone his most profound accomplishment is his family.

A Memorial Mass will be held on Saturday, August 24, 2024, at 12 p.m. at Holy Trinity Catholic Church (331 Main St. - Kewaskum, WI 53040). The family will greet relatives and friends on Saturday at Church from 10 a.m. until 11:45 am. Inurnment will be at Holy Trinity Cemetery following Mass.

The family would like to thank the staff at Kettle Gardens Assisted Living in Kewaskum and Preceptor Hospice Care whose professionalism and compassion ensured Bob's last days.

For full notice see [www.myrhum-patten.com](http://www.myrhum-patten.com).

**Thomas Joseph Fay**

Thomas "Tom" Joseph Fay, 68 of Boltonville, passed peacefully on Wednesday, May 1, 2024, at The Kathy Hospice, West Bend.

He was born on August 7, 1955, to the late Thomas and Mae (nee Riley) Fay in West Bend.

Tom grew up in the Town of Farmington, where he attended elementary school. He graduated from Kewaskum High School. Tom honorably joined the United States Navy. He worked at Weasler Engineering for 47+ years until retirement, 2022. He was a proud Union member, where he served as the Stewart and Vice President for many years. He was the President of the Washington County Snow Mobile Club. Tom was a long-time member and Vice President of the Boltonville Sportsman Club, where he enjoyed cutting the grass at the pond and observing the geese. He served on Kewaskum and Boltonville Volunteer Fire Departments. Tom was big into racing, being a part of several race car crews, most importantly the Maas Race Team. He loved sports, Milwaukee Bucks, Milwaukee Brewers, Green Bay Packers, Wisconsin Badgers, and NASCAR. He enjoyed hunting, fishing, snowmobiling, and four wheeling with his son, Joe. They were looking forward to going on a bear hunt together this fall. Tom especially loved spending time with family and friends while serving his community.

Those Tom leaves behind to cherish his memory include his son, Joe (Kimberly W.) Fay and their two dogs Mc & Zeb; a sister, Kathy (Gene) Wenzlaff; two brothers, Kevin (Chris) Fay and Kerry Patrick Fay; three nieces, Holly (Steve) Feucht, Shannon Schill, and Carissa (Mark) Jacox; four nephews, Barry (Renee) Wenzlaff, Shad Wenzlaff, Korey Fay, and Colton (Jaclyn) Fay; other relatives and friends.

He is preceded in death by his parents, Thomas Francis Fay and Mae Catherine (nee Riley) Fay.

**VISITATION:** Tom's family will greet relatives and friends on Friday, May 10, 2024, from 2 p.m. until 3:45 p.m., at St. John of God Catholic Church, 1488 Highland Dr., Kewaskum.

**SERVICE:** A funeral service will follow the visitation at the church at 4 p.m. Burial to follow in the church cemetery.

**RECEPTION:** All are welcome to join the family at the Boltonville Fire Department for Dinner, Drinks, & Stories after the service. Dinner will be catered by The Great Outdoors Supper Club. The family asks that if those who wish to donate any funds to please do so to the Boltonville Sportsman Club in Tom's honor.

Myrhum-Patten Funeral & Cremation Service has been entrusted with Tom's arrangements. Additional information and Tribute Wall may be found at [www.myrhum-patten.com](http://www.myrhum-patten.com).

**Craig E. Thull**

Craig E. Thull, 72, of Campbellsport, entered eternal life on May 4, 2024.

He was born on April 17, 1952. Craig was known for his kind, hard-working, and selfless nature. He was generous with his time and talents, and always quick with a joke, making him a joy to be around. He cheered proudly at his children's and grandchildren's sporting events and was the original GPS well before smartphones.

Craig grew up on his family's farm in St. Michael's and graduated from Kewaskum High School. He married Lois Strupp on August 30, 1974, and was devoted to his family from that point forward. He had a successful trucking career at Level Valley Dairy and UPS, retiring in 2017 with over 3,000,000 miles on the road. He will fondly be remembered by many as "Rebel Streaker." Craig was a member of St. Matthew's Catholic Church, serving the parish in countless roles across the years, most recently as an usher and a ticket taker at fish fries. He found joy in simply being with family and friends, going for ranger rides, hunting, shooting, winning nickels playing sheephead, telling Ole and Lena jokes, vacationing in Shawano, roasting pigs, drinking a cold beer, throwing the bumper for his puppy, Lucy, and listening to polka music and classic country tunes.

Craig is survived by his children, Matthew (Erin) Thull, Andrew Thull, Jessica (Peter) Brundage, and Daniel Thull. He was "Papa" to Dalton, Lilah, Taylor, Isaiah, Katelynn, Cyrus, Franklin, and August. **Marie Lena Cochran**

Marie Lena Cochran of Kewaskum, Wisconsin, passed away in her sleep on May 1, 2024, at the young age of 90.

Marie, an only child, was born on November 17, 1933, in Milwaukee to Henry and Mary Tschurwald.

Marie had a spirit like no other. She held many different titles in life from cat lover to business manager; however, her favorite titles of all were mom, grandma, and great-grandma.

Marie's fondest memories were with her late husband, Wayne. Marie married Wayne in May of 1955 after having met in summer school....although most of you may have heard that story already. Marie lost Wayne, her true love, on April 29, 1997.

Marie loved sharing her faith in Jesus, spending time surrounded by her family, and the Brewers. Marie's greatest accomplishments were being an exceptionally generous, compassionate, and strong woman. Even at the end, Marie found a way to laugh with her family. She carried herself with dignity and strength. Marie will be remembered for her fervor for life and all its opportunities.

Marie is survived by her sons, Vincent (Rebecca) Cochran, Chris (Sally) Cochran, Paul (Melissa) Cochran; and her daughter-in-law, Joan Cochran. She is also survived by 14 grandchildren and 17 great-grandchildren.

Marie is preceded in death by her sons, Steven, Andrew and Anthony Cochran; as well as her parents and many extended family members.

In each one of us is Marie's spirit. It is a happiness with life. It is a passion for people, and it is a love you can't explain. Marie will truly be missed by all.

A grave-site service was held at Washington County Memorial Park. The family would like to thank the wonderful caregivers at Kettle Moraine Gardens and Preceptor Hospice for the loving care provided to Marie.

**Weinreich 75th Wedding Anniversary**

Virgil and Gloria (Reiland) Weinreich recently celebrated their 75th wedding anniversary. They were married on April 30, 1949 at St. Martin's UCC Church in Fillmore. They joined Virgil's parents, Dewey and Selma, in the family business, Weinreich's General Store and Tavern, and were the third generation to run the business. Their retirement in 2002 was the end of an era that ran over 100 years. The establishment was well known not only for beverages and camaraderie, but Gloria's Fish Fries and coleslaw were unsurpassed.

**Spring Picnic and Raffle at Shepherd of the Hills**

Mark your calendar for Sunday, May 19, and plan to join the fun at Shepherd of the Hills (SOTH) Catholic Church for its inaugural Spring picnic. This picnic event will begin at noon and run until 3 p.m. in the school gym. Shepherd of the Hills is located at W1562 County Road B, just outside Eden.

What is a picnic without delicious food? You will be able to purchase hot turkey or pulled pork meals which include mashed potatoes and gravy, green beans, and relishes for \$8. Hot turkey and pulled pork sandwiches with relishes can also be bought for \$5, as can hotdogs for children.

How about desserts? A dessert bake-off will also be held. Judges will select the best desserts in each category (tortes, pies, cake and cupcakes, and bars and cookies), and picnickers will get a sample. If you have a prize-worthy dessert you want to enter in the bake-off, please go to [soth-parish.org/](http://soth-parish.org/), scroll down to the picnic post and enroll.

What picnic doesn't have good music and fun? Request Entertainment will DJ music for enjoyment and dancing. If weather permits, there will be a Gaga Ball tournament for children.

In addition, you can try your luck at a 50/50 raffle. Plus, SOTH will hold its first Spring Raffle drawing at 2 p.m. for the grand prize of \$10,000. Second and third prizes are \$1,000. Fourth and fifth prizes are \$800. Sixth and seventh prizes are \$500 each. And the eighth-place prize will be \$400. Tickets are still available for purchase from the SOTH Church office at 920-477-3201. Tickets cost \$100 each and can also be purchased at Dotyville Hardware, American Family Insurance in Campbellsport, and Baumhardt Sand and Gravel in Eden. Only 300 tickets will be sold for the Spring Raffle, so hurry before they are gone. You do not have to be present to win.

More information about the Spring picnic or to sign-up to enter a dessert in the dessert bake-off, is available at [sothparish.org/](http://sothparish.org/).

To purchase raffle tickets, please call the Shepherd of the Hills Parish office at 920-477-3201 ext. 2.

**American Legion Poppy Days is May 17-18**

American Legion Auxiliary Unit 384 volunteers will distribute the familiar red hand-crafted poppies honoring America's war dead on Friday, May 17 and Saturday, May 18, at local businesses in the Village of Kewaskum.

Planned to coincide with the Memorial Day holiday on Monday, May 27, this annual event pays tribute to the sacrifice that our armed forces have made to preserve freedom and to honor past and current service members.

The poppy also honors Wisconsin disabled veterans at the Zablocki VA Medical Center in Milwaukee, where the red crepe poppies are made by the veterans. All monies collected for poppies is given back to the veterans.

Campbellsport officially received a new postmaster last week. Gail Sauer was sworn in on May 1 in front of the Campbellsport Post Office. She began working there on February 2. Gail has worked for the postal service for 28 years at 13 different post offices. The first 20 years were as a carrier in Horicon. After that, she served as a clerk at different locations before deciding to apply for the postmaster position at Campbellsport Post Office.

Last week, students from the South Eden Robotics Team 4410C Technocracy Charlie traveled to Louisville, KY, to compete in the 2019 Vex Robotics World Championships. More than 800 high school teams from 40 countries took part. The South Eden team finished with a record of seven wins and four losses. Team members included Connor Hamm, Ike Grahl, Mitchell Gonzalez, and Henry Hathaway.

The Malone Area Heritage Museum will continue the tradition of honoring those from the Holyland who served our Country. A ceremony will be held May 18 to honor those who served from January 31, 1955, through January 15, 1975.

Members of Taft 23 4-H donated pet oxygen masks to the Campbellsport Fire Department. The masks will help give oxygen to family pets who are in house fires and overcome by smoke.

About 30 volunteers planted new trees at Long Lake Recreation Area on May 4. The trees are replacing some that have been lost to emerald ash borer and the storm that hit the area last August.

To celebrate April being National Welding Month, Kondex Corporation made donations to the technical education programs at four local high schools. Receiving a \$500 check were the high schools of Mayville, Kewaskum, Lomira, and Campbellsport. These resources will be used to acquire steel, general department supplies, or additional welding helmets.

Garrett Roehl, Nick Timm, Amber Thompson, and Kylie Lepage are the Students of the Month for April at Campbellsport High School.

Campbellsport High School's art club will be hosting an art show on May 15. New members will be inducted into the National Art Honor Society during the art show.

The Campbellsport Village Board approved a five-year contract for garbage pick-up in the village with Veolia Environmental Services. In March, the village's contract with Waste Management ended. The new contract was quite a bit more expensive, so the board decided to check out other companies for quotes before making a decision. Each residence will get a 95-gallon roll-out cart for trash and another for recycling.

Wings Over Wisconsin donated \$1,000 to the Campbellsport High School trap team. The team was formed this year at the high school to give students more options for extra-curricular activities. The season takes place during the spring months, and the first season was a success. The money will be used for supplies that the team needs for the future.

A ribbon cutting ceremony was held May 9 for the dedication of the Lake To Lake Bike Trail. The trail runs from the Mauthe Lake recreation area through Dundee and ends at the Long Lake recreation area. It is 6.5 miles. The idea was brought forward in the 1980s. The trail was added to the master plan for the Kettle Moraine State Forest - Northern Unit in 1991. The portion of the trail from Mauthe Lake to Dundee was constructed in 2007.

The first ever spring carnival will be held by the Campbellsport Elementary School PTO on May 30.

Victoria Ziebert has been selected to receive a \$1,000 scholarship as part of the Badgerland Financial cooperative's annual scholarship program. She is a senior at Campbellsport High School.

## I KEWASKUM'S DAYS GONE BY I

### 5 Years Ago

May 16, 2019

Last Thursday, Village of Kewaskum workers were seen hanging new banners from light poles along Main Street in Kewaskum. The banners, which identify Kewaskum as the "Gateway to the Kettle Moraine," were created in anticipation of the village's 125th anniversary in 2020. The banners display Kewaskum's new logo, which depict the Kettle Moraine State Forest in the background. The feathers and arrowhead on the logo are a subtle nod to Chief Kewaskum of the Potawatomi nation, whom the Village of Kewaskum was named. In the foreground is a farm field, which represents Kewaskum's rich agricultural past and present. There is a parent and child in a canoe, representing the many outdoor activities of modern day Kewaskum. Jennifer Sterr designed the winning logo in a contest held by the Kewaskum Historical Society.

There was standing room only in the district office conference room as the Kewaskum School Board met Monday for the first time since the April election. Board members cast written ballots to elect officers. Mark Sette is the new board president, replacing Troy Hanson, who was voted as the new vice president. Sue Miller is the new clerk and Jay Fisher remains board treasurer.

The Washington County Sheriff's Office has announced a new addition to its team, a canine named Ryker. He is trained in narcotics detection, tracking, and area searches. Deputy Jonathan Doran was selected to be Ryker's handler.

Kewaskum Middle School has been announced as a recipient of a 2019 Riding For Focus Grant from The Specialized Foundation. Riding For Focus is a school-based program designed to provide schools with everything they need to get middle school students riding. Kewaskum Middle School was awarded 21 bikes, 21 helmets, and basic maintenance tools.

Roger, Norm, and Bill Heberer started fixing up houses in their free time. They would work on projects during the week after they finished their regular jobs and on weekends. Pretty soon, the three brothers had built up quite a business, and they quit their regular jobs to work full-time doing home improvements. That was 50 years ago. Norm's sons, Randy, Mike, and Tim now own the business. A third generation is coming up the ranks of Heberer Bros. Home Improvements with Jerod and Austin working full-time.

Although the win streak of the Indian golfers came to an end on May 9, the team bounced back and is still in first place in the conference; holding a six-point lead over Plymouth.

With a 13-5-1 record, the Kewaskum soccer team will open East Central Tournament play by hosting Winneconne. The team participated in the Kiel Tournament on May 11, going 2-1. Kewaskum lost 6-5 in a shootout with Sheboygan Lutheran Christian, but earned 4-0 victories over Mayville and Ozaukee.

After splitting a doubleheader with Waupun, the softball team faced Lomira and Wauwatosa West on May 11 to finish the regular season. The Lady Indians won the Lomira game 7-3 and the West game 9-5. Going into Regionals, Kewaskum has a 16-3 record and receives a first-round bye.

Carl G. Hohlweck, 96, West Bend, passed away April 30.

Residents will continue to decide how their garbage gets collected as the Town of Farmington Board unanimously agreed during Tuesday's meeting that now is not the time for a change in the system. The Town had undergone a months-

long study on whether or not to pick up garbage itself and include it on residents' tax rolls. A meeting last month drawing 100 people resulted in an unofficial hand vote of 3-1 to leave the system alone. Tuesday's meeting drew less than half that crowd, but still most were in favor of not changing garbage pickup.

Kewaskum High School's Junior Prom will be held May 16. The court includes Haylie Hansen, Steven Chapman, Morgan Gradinjan, Caleb Olla, Brandon Zolp, Andie Hoss, CJ Bowe, Erika Koffke, Monica Dehler, Lauren Gonring, Erika Heberer, Abbi Simonis, Ashley Faber, Haley Gregoriou, Hannah Reysen, Cody Lemke, Kyle Wegner, Brian Bottleman, Candace Beine, Ryan Gibson, Collyn Sprinkman, Cody Seibel, Scott Steldt, and Timmy Boettcher.

Officers for the Kewaskum Board of Education were re-elected. John Kenworthy is president, Bill Kesting is vice president. Mary Miller is the clerk. James Leister is the treasurer.

Two projects in the Northern Unit of the Kettle Moraine State Forest were completed last year for more than \$1.1 million. Both projects officially opened to the public this spring. A grand opening for the new bike trail covering 6.5 miles connecting the Long Lake and Mauthe Lake recreation areas was held.

Linda Theisen of Kewaskum recently celebrated 40 years of banking at National City Bank in Kewaskum. The bank's names, buildings, and technology has changed, but Linda's smiling face and willingness to help her customers has remained constant. She began working part-time at the bank while a senior in high school, moving to full-time after graduating.

The Kewaskum Lions Club, in cooperation with the Kewaskum High School Counseling Department, has announced that Morgan Gradinjan and Rachel Rieden will be attending the 32nd annual World Affairs Seminar.

# Turkey Hunt/Puppy Watch

**MARK WALTERS**  
COLUMNIST

I am currently in a simply crazy, busy, but positive section of my life. This week I hunted hard for turkey during the second season in Zone 1, and I did all of my hunting in a large, oak forest directly behind my house in northern Juneau County. Along with turkey hunting, my two-year-old golden retriever Red was due to give birth to her first litter.

**Wednesday, April 24**

**High 53, Low 31**

Here is my goal: hunt turkey with my compound bow and, by the end of my seven-day season, have a litter of pups and, hopefully, put an arrow in a gobbler. I would hunt the first three days in a food plot behind my house, and that is an entire different story. I created this food plot four years ago with the goal of having a place for my daughter Selina and, just as importantly, for my girlfriend, Michelle Chiaro, to hunt for both deer and turkey. The food plot was literally carved out of an oak forest/hazelnut brush with a chainsaw and a roto-tiller. For two years, Michelle and I loved the food plot and then, on 6-15-22, Michelle passed away unexpectedly, and I have not been able to spend time in it. This turkey hunt would be where I attempted to get past that demon.

Hunt 1. Up at 4:00, set up in my blind at 5:00, I saw one hen and there was very little gobbling. I was at peace and that was more important than harvesting a turkey with my bow.

Hunt 2. Thursday - I did not see a turkey today but had an incredible experience in the after-

This is about as big as turkey get in Wisconsin.

Red loves her litter of pups.

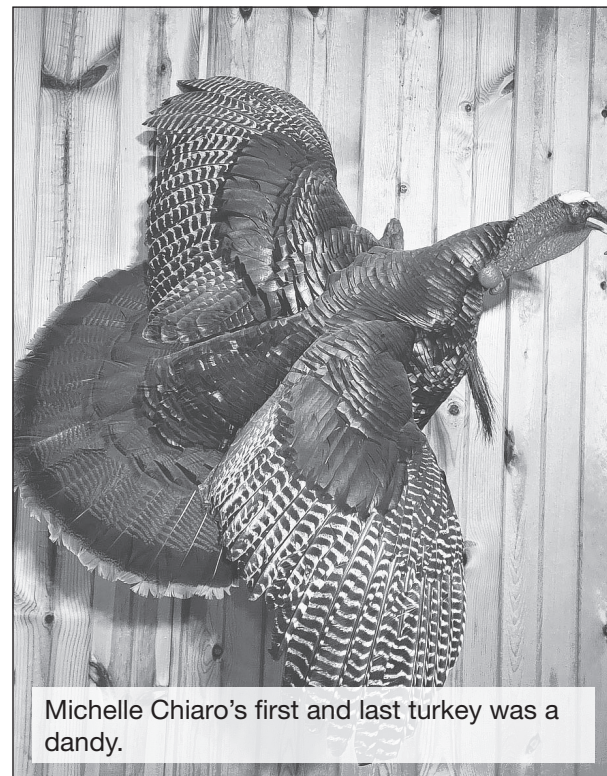

noon with 15 high schoolers from Necedah as we worked on a fishing area for our community. We cleared brush, hung bird houses and I think everyone enjoyed the experience.

Hunt 3. Friday - I called a jake in and was too hungry for a tom experience to fling an arrow at it. So far, three hunts, only two birds spotted.

Hunt 4. Saturday - Red is swelling up so fast that it is almost unbelievable; this will be my 16th litter. I started when I was 22. I truly do raise and create a quality golden retriever and am proud of that. I relocated about three-quarter's of a mile south of the house in the same forest. This is where Selina has harvested seven toms and many others have been whacked, including Michelle's first and only bird which was a 25-pound gobbler and an incredible memory. We did a full body mount on it, and it is in my livingroom; Michelle passed away before the taxidermy work was complete. I did not see or hear a turkey today.

Hunt 5. Sunday - Lots of rain. Cold weather. I love it. Mother Earth is coming back to life; it would be so cool to see a normal summer weather-wise. Red is now uncomfortable and, on my mind, all the time.

Hunt 6. Monday - I am worn down from either hunting, doing hobby farm work or concern about Red. I saw a hen this morning, not a single gobbler. When I came home from my afternoon hunt, I heard whimpering in my living room, next to the turkey mount but on the floor. Red had given birth to two pups. Sleeping would not be a part of this night, once again. When I left to go hunting at 4:45 a.m., my mood was excellent but very wore down.

Michelle Chiaro's first and last turkey was a dandy.

There was six bundles of gold in my living room. When I returned after a pretty cool hunt where I saw four turkeys, there was another pup! Six males and one female.

If you are interested, I have some quality golden retriever pups! My busy season is here and will last until December, Life is positive. I miss Michelle!

develop.

Grow your compact berry bushes in pots 12- to 16-inches in diameter and at least 10-inches deep. As the plants grow and mature, move them into larger, 20- to 24-inch containers. Your columnar apples will appreciate a bigger container that is 20-inches wide and deep.

Use pots with drainage holes and fill them with a quality potting mix. Check soil moisture daily and water thoroughly whenever the top few

inches of soil are starting to dry. Reduce ongoing maintenance by incorporating an organic moisture-retaining product like Wild Valley Farms wool pellets (wildvalleyfarms.com) into the potting mix. This sustainable product reduces watering by up to 25% and increases air space for healthier growth.

Supplement the nutrients in Wild Valley Farms wool pellets as needed with a low nitrogen, slow-release fertilizer and eliminate weekly fertilization. Add the slow-release fertilizer soon after planting and again mid-season if needed. Do not fertilize in late summer as that can stimulate late-season growth that can be damaged in winter.

Those gardening in cold climates will need

to provide extra winter protection. Insulate the roots by grouping plants together and surrounding them with bales of straw, bags of potting mix, or similar materials. Or move plants to an unheated garage for winter and water whenever the soil is thawed and dry.

Another option is to grow these plants in nursery pots and set them in decorative containers for summer. When winter arrives, move the potted plants out of the decorative containers and sink the nursery pots in a vacant part of the garden. Lift the plants out of the ground in spring and set them back in their decorative containers for the growing season.

As you master these fruit plants, and if space allows, expand your small-scale orchard to include citrus, figs, dwarf cherries, plums, and peaches. You'll enjoy the flowers, shade and of course the tasty fruit.

**KEWASKUM CUB SCOUT PACK 3744**

In April, we continued on the race to our District Pinewood Derby! We had 10 scouts attend from our pack. Five scouts for show cars and five scouts for speed. We were fortunate to have three scouts place for awards this year!

This month with the nicer weather we moved our meeting outside. This group of lions (Kindergarteners) had their meeting in the park where they went on a small hike and discovered lots of taxidermy animals we had set up.

In April, we celebrate Earth Day by getting together and picking up trash. We headed to a local park and spread out picking up trash in the area. The kids had a great time in the spring weather and, of course, who doesn't love a giant rock to climb on.

As we move forward in to May, we will be working on Scouting for Food for our local food pantry. If you find a bag on your door during the week of May 11-16, please feel free to fill it with non-

At April's outdoor meeting, scouts found the large coyote that is almost the same size as some of them, which is their personal favorite!

# Battle to Save Haskell Noyes Woods

## FRIENDS OF THE KETTLE MORAINE

Join the Friends of the Kettle Moraine in the battle against garlic mustard, an extremely aggressive invader, at the Haskell Noyes Woods State Natural Area. This State Natural Area protects a classic example of an old-growth sugar maple/red oak mesic forest, which was never heavily logged and supports a rich spring flowers and diversity of ferns.

The ideal time to pull garlic mustard happens in May and early June when it's easy to identify while in bloom. Please join us on the following dates to help beat back this non-native, destructive invasive species. In case of severe weather, we will cancel that workday. In this event, please call 920-533-8939 at least two hours prior to the scheduled workday to check on arrangements.

- Wednesdays, May 1, 8, 15, 22, and 29 4:30-7:00 p.m.
- Thursdays, May 2, 9, 16, 23, and 30 4:30-7:00 p.m.

## COLLEGE NEWS

- In May, Kewaskum student Anna Peterson will graduate summa cum laude with a bachelor's degree in risk management and insurance from **Missouri State University**.

Peterson's contributions and achievements while at MSU have not gone unnoticed. In 2023, she represented MSU at The Institutes Chartered Property and Casualty Underwriters (CPCU) Society's annual meeting in Washington, D.C. Peterson also volunteered for Habitat for Humanity, which enabled her to give back to the community in a meaningful way. She received the Outstanding Graduating Senior in risk management and insurance award.

Following graduation from MSU, Peterson will work as a commercial underwriter with Acuity Insurance in Sheboygan.

**NATIONAL  
POLICE  
WEEK**  
**MAY 12-18, 2024**

**May 12-18 is National Police Week.**

Please take a moment to say

**THANK YOU**

to a police officer for their brave and dependable service to our community.

We encourage parents to teach their children that police officers are here to protect and help them. Law enforcement professionals serve us in many ways every day, and we honor them during National Police Week.

**Why Law Enforcement is Essential for the Community**

Law enforcement officers who don the uniform each and every day routinely put others first in the name of public safety. According to the National Law Enforcement Memorial Fund, there are now more than 800,000 sworn law enforcement officers serving in the United States, which is the highest figure ever. Officers often step up to serve despite the risks associated with working in law enforcement. A total of 1,627 law enforcement officers died in the line of duty over the past 10 years.

Law enforcement personnel serve many important roles in the communities they serve. Here's a closer look at the integral roles of police and other law enforcement personnel.

- **Maintain law and order:** The police force is made up of many different departments with the collective goal of maintaining law and order. Traffic police are responsible for enforcing the rules of the road and minimizing the chance of accidents. Other departments canvas the streets ensuring that residents' civil liberties are not being compromised.
- **Save lives:** Whether they're preventing a life-threatening crime or administering emergency medical care at a car accident until an ambulance can arrive, law enforcement officers save lives every day.

- **Assist in adverse situations and provide crisis support:** Police officers often fill the role of counselor or friend to people who find themselves in difficult situations. An officer can play a part in helping people make better life choices in the future. Training in situational de-escalation also means police officers are capable of defusing difficult situations before they snowball into serious, potentially life-threatening confrontations.

- **Investigate crimes:** Police are the first people to respond when crimes have been committed. These individuals investigate the situation and find the perpetrator.

- **Foster strong communities:** Law enforcement officers share a unique solidarity with other officers, peers, community leaders, and even medical professionals, which helps to create a strong fabric for a community. Officers frequently have each other's backs as well as the respect and support of the public for putting their lives on the line.

Law enforcement is an essential component of orderly, safe and supportive communities. Recognizing and respecting the important role law enforcement officials play is a great way to show them how much their efforts and sacrifices are appreciated.

# Library Events

## Activities at the Campbellsport Public Library

220 North Helena St.

[www.campbellsportlibrary.org](http://www.campbellsportlibrary.org)

920-533-8534

### Greetings from the Campbellsport Public Library!

Are you ready for an Adventure? Join us at the library this summer for our reading program Adventure Begins at Your Library! Beginning on June 1, visit our library, and any of the 30 other libraries in the Winnefox Library system, to collect stamps in your Library Explorer Passport. During your visit check out what makes each library special. The more stops you make, and the more stamps you collect, the more chances you earn to win fun prizes!

Pick up your passport starting June 1. Visit the library to learn more. How many libraries will you explore? This passport adventure is sponsored by the Winnefox Library System.

### Summer Reading Program Sign Up

Summer reading program sign up for children, youth, and adults will take place Monday, June 10-Friday, June 14. Children ages 11 and younger will receive a free goodie bag with sign up (while supplies last). When you register for the summer 2024 reading program, you'll also receive

a reading log to keep track of time spent reading this summer. Using suggested reading times for your age group, mark off each day you read. Read at least three times during the week to get a raffle ticket and a small prize. If you read all seven days, you can receive an extra ticket for that week.

Teens and adults will complete punch cards to receive their tickets for raffle prizes. Read five books and return your card for a new one all summer long!

### Summer Reading Events

Summer reading events for kids will take place on Wednesday – more details to come, but here is a sneak peek of a few things you won't want to miss!

- Tuesday, June 11, at 1 p.m., – Amazing yo-yo tricks with Mark Hayward. Join us for comedy magic and yo-yo tricks! Yo-yos will be available for purchase at the event.

- Monday June 24, from 5-7 p.m., Family Fun Night! New this year (weather permitting) we will have a bouncy obstacle course, games, free snow cones, bake sale, and brat fry. Touch a truck event and much more!

### Monday Movie of the Month

The Monday Movie of the Month for Monday, May 20, will be "Ordinary Angels." Based on a remarkable true story, "Ordinary Angels" centers on Sharon Steves (Hilary Swank), a fierce but struggling hairdresser in small-town Kentucky who discovers a renewed sense of purpose when she meets Ed Schmitt (Alan Ritchson), a widower working

hard to make ends meet for his two daughters. With his youngest daughter waiting for a liver transplant, Sharon sets her mind to helping the family and will move mountains to do it. What unfolds is the inspiring tale of faith, everyday miracles, and ordinary angels. Run time is one hour, 58 minutes, and is rated PG. The movie will be shown at 1 p.m. and 6 p.m. Popcorn will be provided. Please make note, due to the Memorial Day Holiday, our movie will be showing one week earlier than normal this month.

### Library Hours

The library is open Monday-Friday, from 9 a.m. until 6 p.m. Note that the library will be **CLOSED** on Monday, May 27 in observance of Memorial Day.

## Check It Out!

LORI KREIS, DIRECTOR  
 KEWASKUM PUBLIC LIBRARY

Several years ago, my husband and I discovered jigsaw puzzles. This started one winter when we were missing camping and looking for something to do besides watch TV. We spent much time shopping for the first puzzle to put together. I honestly can't remember what it was, but for some reason I think it featured cats and books and was very difficult.

As any new hobby in my household, we (ok, he) went overboard. He stocked up on puzzles, bought a board, glue and frames for our completed masterpieces. About 90% of the puzzles purchased featured muscle cars and I believe we bought every available box in the city.

We had the puzzles, a board to assemble them on and the time to put them together. We set up an area on the bar in the family room and got to work. It was quickly noted that things were not ideal. For one, we worked on these at night, so there was no natural light. The bar area is a dark space with lighting not suited for aging eyes to fit together 1,000 small pieces of cardboard. We used a light swiped from an antiquated treadmill in the basement for reading while walking. It was not as bright as we would have liked and small, so we ended up using our phones, a flashlight or just peering very closely at each piece and crossing our fingers.

We both have a very different style

of solving puzzles. My husband is extremely visual and needs to have the box in sight at all times so he can view the picture while putting it together. Then he sorts pieces that look like the area he is working on. That is not how my mind works. For me, it is analytical and about the shapes of the pieces. I do like to sort by color first, but then I work on fitting the puzzle pieces together by what forms fit where. Because we have different styles, working together does not always bode well. The issue is the organization. The puzzle board my husband bought has sorting drawers. If I had my way, I would sort by color, but he arranges according to the picture. With little light and difficult access to the pieces I think I need; it has been a challenge. We did not work on any puzzles this past winter.

Now that winter is over and no desire to complete any more puzzles for a while, we are done. My husband has lent the library the use of the puzzle board. This is set up right next to our new puzzle swap. Drop off a puzzle, pick one up. All sizes accepted and just be sure the puzzle you donate is in good condition and all the pieces are there. While you are here, spend some time at our puzzle table. Check out what puzzle we are building this time. Feel free to sort as you prefer, I won't judge.

## Indian Softball Pick up Three Wins for the Week

### KHS FASTPITCH

Kewaskum Varsity Fastpitch overcame the mid-season hump, by going 3-1 last week. The week started by double bumping Kettle Moraine Lutheran in a double header at home. Kewaskum then headed to Ashwaubenon to face Bay Port High, then Union Grove, and they would go 1-1 in Aaron Stecker's hometown.

#### Kewaskum 15, KML 1 (double header game 1)

Tuesday, April 30

Kewaskum took control early in this game and jumped out to a 7-0 lead in the first. They would pile on three in the second inning, then add five more in inning four to end the game by run rule in the fifth inning. Offensively, Julia Prochnow, Ellie Calliari, and Hannah Galasinski all had multiple hits. Galasinski and Calliari led the way with three RBI each. Maya Beistle and Millie Kreif also had multiple RBIs each. Lauren Rettler led the team with three runs scored, and Calliari also crossed the plate twice. Macy Sabish earned the win on the mound for Kewaskum. She gave up three hits and one

run over five innings pitched, while striking out seven.

#### Kewaskum 6, KML 2 (double header game 2)

Tuesday, April 30

In a more tightly contested game in the second one, the game was 2-1 going into the fifth inning in favor of the Indians. Kewaskum came to bat in the fifth and started the inning with a pop out and a strikeout. Kyli Baka came to the plate and roped a double to the left center gap. The next batter, Lauren Rettler then tripled to left center scoring Baka to take the score to 3-1. The lead would jump to 4-1 when Rettler scored on a wild pitch shortly thereafter. Kewaskum would not look back from that point as Megan Clausing and Baka would score insurance runs. One courtesy of an RBI groundout by Olivia Beck and one via wild pitch, respectively.

Offensively, the Indians were paced by Baka, who doubled and tripled in the game and scored two runs. Rettler, Beck, and Izzy Wollner each chipped in with one RBI each.

On the mound, Beck got the start, pitching four solid innings while giv-

ing up zero earned runs and striking out two. Millie Kreif came on in relief and pitched three strong innings and gave up one earned run and struck out three.

#### Kewaskum 12, Bay Port 5

Saturday, May 4

Kewaskum started the game down 3-0 in the first inning as Bay Port came to hit, but the Indians would pour it on in the third inning by sending 11 batters to the plate and crossing it eight times. Hannah Galasinski, Ellie Calliari, and Millie Kreif led the team with two hits each. Galasinski and Macy Sabish both had three RBI each in the contest. Lauren Rettler scored three times and Sabish scored twice to lead Kewaskum. Kreif started the game and earned the win thanks to the offensive output. Kreif gave up five runs in four innings while striking out three. Olivia Beck came in relief and shut down the Pirates in three total innings, giving up zero runs and striking out four.

#### Kewaskum 4, Union Grove 8

### Saturday, May 4

Kewaskum fastpitch closed out the week with a tough defeat against a tough Union Grove team, taking the team's record to 14-6 overall after the contest. Union Grove took an early 2-0 lead in the second inning, but K-town would battle back and take a 3-2 lead at the end of the fourth. Union Grove stormed back and put up three more runs in the fifth inning and would never look back.

Offensively, Ellie Calliari, Kyli Baka, Macy Sabish and Izzy Wollner all chipped in with one hit each. Baka and Calliari had the lone RBIs. Macy Sabish got the start and went five innings and gave up three earned runs while striking out three. Millie Kreif entered the game in the sixth inning and gave up three runs and struck out one.

The 14-6 Indians look to close out the season strong over the next two weeks and keep their hopes alive for a conference championship as they are one game behind the Waupun Warriors in the conference standings.

# Kewaskum Lefty Determined to Get a Victory

## KHS BASEBALL

Monday, April 29

One week earlier, against the same opponent, Kewaskum (7-9, 3-3) freshman Kingston Grisolono took a no decision in a 2-1 victory over the Plymouth Panthers (4-5, 2-4). This time around, the lefty was determined to get a victory. After allowing a run in the first, that was all the Panthers were able to get as Grisolono allowed just four hits on the day while striking out 12 and walking two. A lead-off double in the top of the third was the last runner on base for the Panthers as Grisolono was able to retire the next 15 batters consecutively.

All the Indians' offense came in the third inning. With two outs and one runner on (courtesy of a wild pitch on a strikeout that allowed him to advance to first), Austin Reichel and Andrew Reichert drew walks to load the bases, once again, for Tyler Densow who delivered with a bases-clearing double to the fence in center. He would score on a Liam Stoffel single and Stoffel would score on a Grisolono triple for the five-run third which proved to be enough.

### Indians Drop Home Game to the Tigers

Tuesday, April 30

The Indians (7-10, 3-4) dropped a home game 11-9 Tuesday night to the Ripon Tigers (3-12, 2-6). After taking a 2-0 lead after the bottom of the first inning, Ripon was able to capitalize on Indian errors and clutch hitting to score nine runs in the bottom of the second.

Kewaskum answered with one in the bottom of the third, but two more by the Tigers in the fourth inning were enough to secure the victory and withhold the Indian comeback.

Offensively Kewaskum was led by two hits from Kingston Grisolono (3B, 3RBI), Cale Heinonen (2B, RBI), Austin Reichel (RBI), Andrew Reichert and three hits from Everett Donath (2B, RBI).

### Indians Bounce Back to Take the Tigers

Wednesday, May 1

The Kewaskum Indians (8-10, 4-4) bounced back to beat the Ripon Tigers 4-3 on Wednesday, May 1, largely due to the bottom of the lineup. Austin Reichel, Everett Donath, Andrew Reichert, and Tyler Stray combined for seven of the nine Indians' hits.

After a scoreless top of the first inning, the Tigers thought they were going to score a runner from second base on a single, but center fielder Kingston Grisolono had different plans as he threw a dart home from the outfield to cut down the runner.

The Indians took that momentum into the top of the second inning. The visitors started a two-out rally with a Reichel single. an RBI double by Donath, and back-to-back RBI singles from Reichert and Stray to put the Indians up 3-0.

The next scoring would come on an RBI single by Donath to put Kewaskum up 4-0. However, Ripon scored two in the bottom of the fourth and one in the bottom of the fifth inning to make the score 4-3.

Josh Koenig shut the door for the Indians on the mound. After allowing a pair of one-out singles, he was able to strike the next two batters out to earn the save.

Cooper Petermann earned the victory going four and one-third innings allowing three runs on seven hits while striking out two.

### Indians Drop One to the Cougars

Friday, May 3

The Indians (8-11) dropped a tough one versus the rival Campbellsport Cougars Friday night. It was a back and forth game with the Cougars taking a 1-0 lead after one, but in the top of the second inning, Kewaskum tied the game on a Tyler Stray RBI single.

The host Cougars would score one run in the next two frames but it was just

like the second inning when Tyler Stray hit his second two-out RBI single of the day scoring Donath for the second time who reached on another single.

A Dylan Soyk single in the top of the fifth would tie the game up at three. That score remained until the bottom of the sixth when the Indians had to switch pitchers, due to pitch count, and the Cougars capitalized on a few Indian miscues to score four and eventually win the game.

Sam Ciriacks pitched five strong innings allowing two earned runs while striking out two and walking one. Offensively, the Indians were led by a three-hit game from Donath (2B) and a pair of singles from Stray (2RBI).

### Indians Win at Home in Game Against the Rockets

Saturday, May 4

In a game with strong pitching on both sides, Kewaskum (9-11, 4-4) utilized some timely base running to defeat Cedar Grove Belgium (11-5, 9-1) 3-2 on Saturday. With two outs and runners on the corners in a 2-2 ballgame, Coach Heisdorf had Dylan Soyk break hard for second but stop halfway and get in a rundown. As soon as Kingston Grisolono saw the throw he broke for home and scored before Soyk was out for what proved to be the winning run.

Grisolono started on the mound and threw five solid innings allowing two hits and two runs (both unearned) while walking three and striking out seven. Austin Loehr was solid in relief allowing just one hit in two innings of work, along with picking off one runner at first.

The Indians were led offensively by a two-hit performance from Soyk along with a single from both Grisolono and Donath (RBI). Kewaskum is back in action Tuesday, May 7, at Berlin and Thursday, May 9, at home versus Berlin, before traveling to Ozaukee on Friday, May 10.

The U8 Cyclones took on Slinger on Saturday, April 27. It was warm but very windy. The Cyclones did amazing defending the ball and made lots of attempts on goal. Carter Jacobson did well defending the goal. Weston Kahene hustled hard and got a goal. The Cyclones were aggressive and worked well together but came out with a 5-5 tie with Slinger.

# Campbellsport Baseball has Five Game Winning Streak

**BEN PRIESGEN**  
JOURNALIST

On April 30, Campbellsport baseball beat North Fond du Lac (NFDL) 12-2 on the road.

Campbellsport (10-6, 6-4) scored two runs in the first inning, highlighted by a RBI single by Brody Nolan to give them a 2-0 lead.

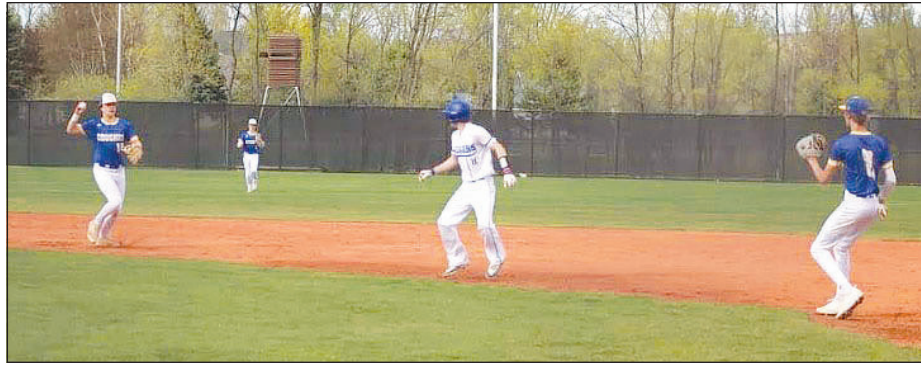

Braden Bothe's two-run RBI single in the third inning gave the Cougars a 4-0 lead.

NFDL(2-9, 1-9) and Campbellsport traded runs to make the score 5-1 in favor of the Cougars going into the fifth inning.

The Cougars added four runs in the fifth inning, featuring RBI sin-

gles by Kyler Bowe and Jace Goebel to give Campbellsport a 9-1 lead.

Campbellsport added three runs in the seventh inning to finish with a 12-2 conference win.

### Vs NFDL

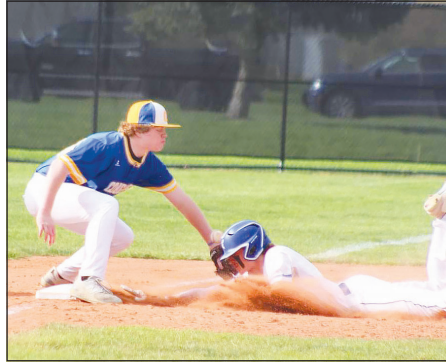

On May 2, Campbellsport baseball beat NFDL 17-3 in five innings at home.

Campbellsport(10-6, 6-4) got off to a fast start by scoring four runs in the first inning, featuring a Braden Bothe two-run RBI single.

The Cougars' bats stayed hot in the second inning by scoring eight runs, started off by a Kyler Bowe triple and finished off by a Bowe two-run RBI double to give Campbellsport a 12-0 lead over NFDL (2-9, 1-9).

Campbellsport's offensive surge continued in the third inning with five runs, capped off by Jace Goebel's two-run RBI double for a 17-0 lead after three innings of play.

Gage Kohlmann completed the game on the mound after five innings to secure the 17-3 win.

Gage Kohlmann puts the tag on the Ledger runner at third base.

### Vs Kewaskum

On May 3, Campbellsport baseball beat Kewaskum 7-3 in their non-conference matchup.

Kewaskum (8-11, 4-4) had a 1-0 lead in the second inning before Kyler Bowe's RBI double tied up the score at 1-1 for Campbellsport (10-6,6-4).

Gage Kohlmann's RBI single in the third inning gave the Cougars a 2-1 lead.

The two rivals were tied up at three after five innings of play before

# More Track Records Broken at Campbellsport

**DEREK TOSHNER**  
CHS TRACK & FIELD HEAD COACH

While last night's (April 30) meet was just a simple quadrangular, Cougar track performances were off the charts! Here are some highlights from last night, as well as from last week.

Congratulations to the following new school record holders:

Josh Onwunili ran the 100m in 10.14 (second fastest performance in the nation by a high schooler this season), and the 200m in 21.69. Josh was also part of the 4x100m relay team that broke the school record at 43.42. The other three relay members were Emmett Homuth, Mason Willacker, and Evan Wilcox. Their time ranks them third in the state! As long as the WIAA rules Josh eligible, once his mom arrives later this month, we will be able to watch these performances again during the championship season. These races were all run at the JV level, and this would be Josh's last high school meet if the WIAA

does not rule in favor of him competing on varsity this year.

Sienna Hewitt broke her sister's pole vault record by jumping 11-9. The rest of the meet had concluded at this time, so the entire team got to cheer her to making history. This performance ranks her second in the state!

The girls' 4x200m relay team of Capri Constantineau, Kameron Rohlf, Sienna Hewitt, and Lydia Toshner tied the school record for the second year in a row at 1:50. We're hoping they can take sole ownership of this record as they are all coming back next season.

Last Tuesday, the boys' 4x200m relay team of Kaden Taddey, Logan Nolan, Evan Wilcox, and Josh Onwunili smashed the school record with a time of 1:31.96. This time ranks them fourth in the state!

Amongst these performances were many other lifetime personal bests from other team members. The team is working very hard and proving them-

Logan Nolan is awarded the male breakout athlete of the meet at the Waupun Invitational. He took first place in all the events he ran (400m, 800m, 4x400 relay). **SAM NOLAN PHOTO**

selves across all events. Please consider coming out to Campbellsport on Friday, May 10 to cheer on the Cougars as we host the Flyway Conference Championships.

# Campbellsport Softball Wins Three More Games

**BEN PRIESGEN**  
JOURNALIST

On April 30, Campbellsport softball beat Omro 10-0 in six innings on the road.

Campbellsport (10-9, 7-4) got on the board with a Megan McCarty RBI single and she scored on a passed ball to take 2-0 lead in the third inning.

The Cougars scored six runs in the fourth inning after having two outs, highlighted by a M. McCarty two-run RBI single and a Megan Truse three-run home run to cap off an 8-0 lead over the Foxes.

M. McCarty got a RBI double and Truse got a RBI single to close out the 10-0 win over Omro (0-13, 0-10) in six innings.

Paige Jordan pitched a complete game shut-out by allowing only one hit and striking out eight batters on the mound.

### Vs NFDL

On May 2, Campbellsport softball beat North Fond du Lac (NFDL) 6-2 in their Flyway conference matchup.

Campbellsport's (10-9, 7-4) offense got off to a fast start with four runs in the first inning, highlighted by a Megan McCarty RBI single and Alyssa Koebel two-run RBI double.

The Cougars scored two more runs in the fifth inning, featuring a RBI by Lilli Twohig to give Campbellsport a 6-0 lead over NFDL (8-9, 4-7).

"Lilli's double broke open the

game for us," said Head Coach Dan Heisdorf.

Peyton Hall pitched a complete game on the mound to seal the 6-2 conference victory for Campbellsport.

### At Chilton

On May 4, Campbellsport softball traveled to play two games at Chilton High School.

Campbellsport (10-9, 7-4) won their first game 7-1 over Chilton (8-5, 6-1) for their fifth consecutive win.

The Cougars got on the scoreboard with two runs in the fourth inning, highlighted by Emma Muraski RBI single to take a 2-0 lead.

Campbellsport scored five runs in the sixth inning with two outs, featuring RBI doubles from Sam Schodrow and Megan Truse.

Peyton Hall was able to hold the Tigers to only one run in seven innings for the 7-1 non-conference win.

"We were able to keep the explosive Tigers offense in check behind Peyton's pitching performance on the mound," said Heisdorf.

### Game Two

Campbellsport lost their second game of the day 5-3 to Marshall (12-4, 6-1) in their non-conference matchup.

The Cougars got their offense going in the first inning with a Megan Truse RBI double to take

a 1-0 lead over the Cardinals.

Campbellsport had RBI singles from Emma Muraski and Sam Schodrow with two outs in the second inning to push their lead to 3-0.

Marshall scored two runs in the third inning and tacked on three more runs in the sixth inning to take home the 5-3 victory over Campbellsport.

Campbellsport softball hosted Mayville on May 7 and travels to Lomira on May 9. Games start at 5 p.m. Then, they travel to Oakfield on May 11 at 10 a.m. and host Laconia on May 13 at 4:15 p.m. during the upcoming week.

### NOTICE OF MEETING OF BOARD OF REVIEW TOWN OF OSCEOLA

**NOTICE IS HEREBY GIVEN** that the Board of Review for the Town of Osceola of Fond du Lac County, Wisconsin, shall hold its first meeting on Wednesday, the 22nd day of May, 2024, from 12:00 a.m. to 2:00 p.m. at the Osceola Town Hall, W1476 County Road F, Campbellsport. A formal objection must be filed; these forms are available from the Clerk. Appointments must be made with the Clerk to appear at the Board of Review. Call 920-979-8651 for an appointment.

**Please be advised of the following requirements to appear before the Board of Review and procedural requirements if appearing before the Board:**

No person shall be allowed to appear before the Board of Review to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to enter onto property to conduct an exterior view such property being assessed.

After the first meeting of the Board of Review and before the Board's final

adjournment, no person who is scheduled to appear before the Board of Review may contact or provide information to a member of the Board about the person's objection, except at a session of the Board.

The Board of Review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the Board's first scheduled meeting, the objector provides to the Board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the Board shall waive that requirement during the first 2 hours of the Board's first scheduled meeting, and the Board may waive that requirement up to the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the Board of Review during the first 2 hours of the first scheduled meeting.

Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the Board of Review within the first 2 hours of the Board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the Board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The Board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the Board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the Board in support of the objections and made full disclosure before the Board, under oath, of all of that person's property

liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the Board.

When appearing before the Board, the person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

No person may appear before the Board of Review, testify to the Board by telephone or object to a valuation if that valuation was made by the Assessor or the Objector using the income method of valuation, unless the person supplies the Assessor all of the information about income and expenses, as specified in the assessor's manual under Sec. 73.03(2a), Wis. Stats., that the Assessor requests. The Town of Osceola has an ordinance for the confidentiality of information about income and expenses that is provided to the Assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or of the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under Section 19.35(1) of Wis. Statutes.

The Board shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, surgeon or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.

No person may appear before the Board of Review, testify to the Board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the Board, or at least 48 hours before the objection is heard if the objection is allowed under s. 70.47(3)(a), Wis. Stat., that person provides to the clerk of the Board of Review notice as to whether the person will ask for the removal of a member of the Board of Review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

Notice is hereby given this 9th day of May 2024.
