A Time for Gratitude and Heartfelt Change

The Bridget Center of Kewaskum Plans to Host a Fundraiser to Support Expansion

BREANNA RICE
JOURNALIST

The Bridget Center of Kewaskum will be hosting a fall equinox fundraising event on Saturday, Sept. 21, from 2-7 p.m., to help support their plans to build a nourishing, retreat center and community space.

“Many are creating this community space in nature. We want people to come experience our location and land,” stated Peggy Kober, visionary and foundress of the Bridget Center. “This shall be common ground to grow on!”

The Center plans to have live music, food, dancing, yoga, speakers, presentations, vendors and a silent auction throughout the day.

The Bridget Center is a nonprofit organization that is here to celebrate our interrelationships with nature and nurturing connection to one’s self, each other, and the Earth. The educational and event programming will explore ways for us to improve our mind, body and spirit to better serve our greater communities.

“We want this to be a place for all people and traditions as we discover our common ground,” stated Kober.

The center has a big vision for the spaces that they plan to renovate. The property consists of two historic buildings created by those who gathered as a community for 144 years to celebrate the seasons of life.

“We have an old school building and a chapel on the property. We plan to make both of these spaces into areas that can be used for many purposes,” explained Kober.

The nonprofit group plans to use the school building as a location for overnight stays, meditation, yoga, cooking and more.

“We envision the second and third floors of the school building to serve as the quiet part of the space providing room to sleep eight to 12 people,” mentioned Kober.

She also explained that the second floor will have a meditation area with a big window facing east. The third floor is described to be smaller, with one extra bedroom and possibly an area for yoga.

“On the main level, we plan to have a large open gathering space with a kitchen, fireplace and glass doors that go out to a patio,” added the visionary.

As for the chapel on the acquired land, the Bridget Center plans to use it as a venue for live performances, educational programs and more.

The community intends to utilize the renovated Center in many ways. A few of the possibilities include family reunions, weddings and celebrations of life and death. Additionally, it is a space to reconnect with nature as the Center grows plants historically appreciated for their medicinal purpose to humans.

“We also want to continue to serve as a destination for those to come visit from other areas, either for the day, or as a retreat venue,” said Kober.

The nonprofit has experience hosting groups from outside of the community. Dennis Humphrey, lead therapist of The Sparta Project utilizes Bridget’s outdoor landscape and labyrinth for their program when in Wisconsin.

Campbellsport Loses Flyway Feud in Mayville on Friday the 13th

CLARICE CASE
EDITOR

In a “nail biter” Game of the Week, the Mayville Cardinals (2-0, 4-0) would turn the tables on the Campbellsport Cougars (1-1, 3-1) in the second half, after a scoreless first half for the home team, and win the game 15-9.

The kickoff went about as well as it could for the Cougars because Luke Pendowski returned the ball 85 yards for an immediate touchdown. The extra point attempt was blocked by the Cardinals leading to an early 6-0 lead for Campbellsport.

“To start the game with a kickoff return for a touchdown was big for us,” said Campbellsport Head Coach Todd Wondra. “Those are the type of things you hope set a tone for the game.”

The Cougars doubled down and performed a successful onside kick after the initial kickoff return.

“[I] Give Mayville kids huge props because that is enough to sink most kids but they stood in there and fought,” said Wondra. “We saw some stuff on film that looked favorable for an onside so I went for it after that huge kick return, but, unfortunately, we weren’t able to punch it in after the recovery.”

The Cougars did get close enough for a field goal, however, and all credit goes to Pendowski again for the 32-yard kick. Campbellsport bumped their lead to 9-0 midway through the first quarter.

Mayville was forced to punt on their first possession, forced a Campbellsport turnover on the

Cougars’ possession, and punted once more to close out the first quarter.

The Cougars had another field goal opportunity in the second quarter, but the ball seemed to be tipped causing it to fall short of the goal post.

Following the unsuccessful field goal, the Cardinals were able to work their way down to the 10-yard line with less than a minute in the half.

A whistle was blown on the next play causing some confusion on whether Mayville had driven it in for a touchdown. The referees decided the Cardinals hadn’t scored and they turned it over on downs to end their drive giving the Cougars little time to make a move before halftime.

Mayville came back out in the third quarter ready to receive.

The Cardinals were third and three when the ball was handed to Sawyer Hardesty who broke through the Cougars’ strong defensive line for Mayville’s first touchdown of the night. Elijah Mlsna’s kick was good. The Cardinals were now down by two, 9-7.

“Our defense played well most of the night, but, unfortunately, a couple missed tackles and a missed assignment gave them three big pass plays to set them up to find the endzone,” commented Wondra.

With three minutes to go in the third quarter, the Cougars were forced to punt it away.

The Cardinals kept things going into the fourth quarter where Joren Schlender had a seven-yard rushing touchdown. Mayville added

Oktoberfest at the Saxonia House, Sept. 21

FRIENDS OF THE SAXONIA HOUSE

Join us for the second annual Oktoberfest celebration at the historic Saxonia House in Fillmore, located at 421 Hwy H, Fredonia, WI 53090, on September 21, from 11 a.m. to 2 p.m.

The house and the beer cave will be open for tours. The public is invited and admission is free. The celebration includes beer tasting, polka music and sing alongs. Brats and beer will be available at Traditions Pub.

In other exciting news, the Friends of the Saxonia House (FOSH) have received a \$50,000 Tourism grant from Washington County for Agricultural Tourism. This grant will help FOSH

relocate an original log cabin from DeForest, Wis. and develop it as a gallery and welcome center with restrooms. We are grateful for this support.

In addition, a film crew from Discover Wisconsin, the award-winning travel series television program, came out during the July workday. The segment will air in October 2024. Details to come.

The Kohler Foundation has also been generous with grant dollars that will help adaptively restore the log house. We are also very appreciative for their support.

An Unusual Story That Might Possibly Be True

Dear Reader,

One summer day, my cousin Patrice texted me to say that Charles Gallagher, my third cousin, had passed away. She mentioned that a celebration of life would take place the following month, and she hoped I could join with some family members to honor him. Naturally, I thought of my brothers and sisters, who were also part of our shared lineage.

The celebration was set to take place in St. Ignace, Michigan—one of the ports to Mackinac Island, where we had spent many summers working and where our family reunited every year for 25 years at the Grand Hotel. We stayed at the hotel that weekend and reflected on those indescribably fun and magical memories that have lingered long after the summers ended.

It was nice to renew—or perhaps begin anew—our bonds with the rest of the family, even if a funeral wasn't the ideal occasion. There simply aren't going to be many other opportunities to do so. After paying our respects at the graveside

ceremony, we made our way to a celebration of his life at Nora Gallagher Massey's home, another cousin. With a live band and over 150 guests, the atmosphere was anything but somber.

As we talked and exchanged stories with the Gallaghers, we realized that they were fun, passionate folks—just like us. Had we known them in our youth, we would have had great times together. So often second and third cousins and other family grow apart; sometimes, the disparate members of the family tree never reunite. In this case we were able to reconnect with the long-lost cousins as one family.

We resolved that we would meet again soon, and not at a funeral. Why wait for a funeral? Should we not make the effort to stay close and in touch as often as possible? In a fast-paced world, doing this daily, weekly, or monthly is a challenge. But why not annually? Who knows, maybe next year we'll gather there again, not in mourning, but in celebration of life and family.

So, what's changed? Depends how long ago it was since the initial event. If that occurred 25 years back, a lot of water's passed beneath the bridge. And as Heraclites stated, "You'll never step in the same river twice."

Here and now in 2024, strode into Paddy's Pizza near the hilltop junction of County Roads B and V. Some folks remember when, still farther distant in the site's history, Miles Rahn ran a bar on the premises.

Needed to confirm scuttlebutt overheard. We newspaper columnists have egos bigger than all getup. Sure enough a piece I wrote for the *Fond du Lac Reporter* in '99 hangs near a door. Though the decades sand down the brashest bloviator poised at the Fourth Estate's edge. Age sharpens cheese. But maturity also melts iceberg pride to a cube.

What's different a quarter century later? The leprechaun's vanished. The gold is in those letters spelling the joint's name across the loft facade above the bar. Which now bears several planters with their leafy greens. That solid plywood top with polished surface where seven sit comfortably on stools with high forged iron scroll backrests serves as an anchor in the present. Nearby shelves high on the front wall hold bottles of Jameson, Tullamore D.E.W. and other Irish whiskey, as any good neighborhood pizza joint/pub should.

Otherwise, much remains the same. Tables with comfortable captain's chairs scattered across the wide-open dining room. A row of four booths on the far side. White stucco walls with oak wainscoting range from floor to midway up. Those deliciously taunting aromas – marinara sauce, cheese linger. Their menu is extensive, includes not just pizza but also pasta and grinders. Add friendly, smiling servers. What's not to savor after all the time since passed? A delightful mashup of yesterday with today.

Get Your Flannels Ready – The Ledge Games Return for Ninth Consecutive Year

Annual charitable event is back in 2024 to raise funds for local tech education

The Ledge Games (TLG), a local timber competition for charity, returns to Red Cabin at Green Acres on Saturday, October 5, for its ninth year of competition. The local lumberjack event is proud to welcome hundreds of spectators and more than 100 amateur competitors all vying for the titles of Man, Woman, and Mentor (ages 55-plus) of the Ledge.

Competition challenges competitors' strength and finesse with events including caber toss, hammer toss, recurve archery, keg toss, speed chop and axe throwing. The winner of each event will claim a TLG axe, and the winners of each division take home a new chainsaw and a year's worth of bragging rights.

New in 2024, spectators and competitors alike

can take part in a new public competition - the crosscut saw. Teams of two will test their skill as they race the clock to see how quick they can cut a log "cookie" for a chance to win fun prizes. This open competition joins TLG's annual "William Tell Apple Shoot," a long-standing fan favorite.

"We can't wait to welcome everyone back for our ninth annual event on October 5 at the Red Cabin at Green Acres," Tyler Oestreich, The Ledge Games co-founder, said. "We're ready to see who claims their axes, all while raising funds for a really worthy cause – local tech education."

Since 2016, The Ledge Games and its long list of dedicated local sponsors have raised more than \$66,000 to help make education more accessible and affordable for local students studying engineering, manufacturing, technology and related fields. Additionally, TLG continues to engage the community throughout the year with Engineer + Builder Meetups, networking events that allow local industry experts to showcase their personal and professional projects and skill sets.

The Ledge Games kick off at 8 a.m. with events running until approximately 4 p.m. In addition to the lumber competition, TLG offers food, drinks, raffles, entertainment and fun for the whole family. To learn more about The Ledge Games, The Ledge Games Scholarship, or to register to compete, visit LedgeGames.com.

Envision Greater FDL Launches Public Office Preparation Program

Envision Greater Fond du Lac launched the Public Office Preparation 101 (POP101) program in 2023. The 2024 cohort will take place on Wednesday, October 2, and Wednesday, October 9 – both sessions are from 4-7 p.m. Registrants are required to attend both sessions.

POP101 engages community members in local nonpartisan political processes by providing essential information and skills needed for success in public office. Participants will explore basic competencies, including how to navigate the paperwork process; fundraising and spending; campaigning; and building public persona.

POP101 is two evening sessions and features former state representatives and other experienced presenters on topics relevant to running for office in Fond du Lac County. The program extends upon the curriculum of Leadership Fond du Lac County, which explores boardmanship and how to run for local office within its curriculum. Completion of Leadership Fond du Lac County is not a requirement for attendance in POP101.

“Having business-friendly policy makers is a priority for us as a chamber of commerce and economic development organization,”

Sadie Howell, president/CEO, Envision Greater Fond du Lac, said. “The Public Office Preparation program provides the tools necessary to help candidates take a step toward starting a campaign in Fond du Lac County, whether it’s for a city or town council position or school board.”

Participants in POP101 will learn about best practices in building a public persona; putting a campaign team together and developing a campaign platform; finding out more about the paperwork and process requirements of Fond du Lac County; developing campaign fundraising and spending strategies; gain perspective on what happens once being elected to public office; and more.

Registration is open for the 2024 program and can be found on the Envision Greater Fond du Lac website, under the events tab. Further information about Envision’s Advocacy Committee and How to Run for Local Office can also be found on the Envision Greater Fond du Lac website.

To learn more about Envision Greater Fond du Lac, please visit envisiongreaterfdl.com.

Annette L. Flasch-Steger

Annette L. Flasch-Steger, 70, of St. Kilian passed away peacefully on Tuesday, Sept. 10, 2024, at her home with her beloved family gathered around her.

She was born on March 25, 1954, in Richland Center, the daughter of Lyman Glick and Keiko Oda Glick.

On November 11, 2017, Annette married Mark D.

Steger in St. Kilian.

Annette was a graduate of Cedarburg High School and Beauty School in Milwaukee. She worked as a hairdresser for many years, a short time at Regal Ware, and then at Stein Optical until retiring. Annette was full of life; she enjoyed karaoke and socializing with all the people she met. She interacted with many people on the internet who looked forward to Annette's morning posts. Annette had an extensive snowman collection and most important to her was her family and all the people in her life.

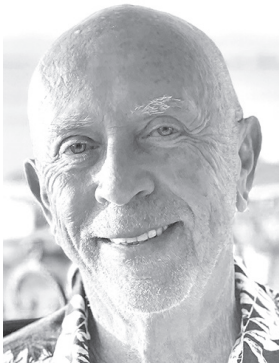

Those who are left behind to cherish Annette's memory include her husband, Mark; sons, Tyler Flasch, Brett Flasch, and Collin (special friend Julia Giese) Flasch; special son, Nathan Luedtke; stepchildren, Joshua (Jerad) Steger, Joseph Steger, Jordan (Jaime) Steger, and Kayla (finance Levi Burns) Steger; grandchildren, Harland and Audrey Steger and Emery Steger; brothers, Ronald Glick and Rick Glick; sister, Susie Glick Johnson, other relatives, and many friends.

Preceding Annette in death are her husbands, John Flasch and Thomas Flasch; father, Lyman Glick; mother, Keiko Turk; and sister, Karen Franzen.

The family extends a special thank you to the doctors and nurses at Froedtert West Bend Cancer Center and the nurses and staff of Horizon Home Care and Hospice of Milwaukee.

A Celebration of Life will be held at a future date; please watch for time, date, and place on the Twohig website.

Twohig Funeral Home is assisting the family with online guestbook and condolences at www.twohigfunerals.com.

Leo N. Neis

Leo N. Neis, 83, of Cedarburg passed away peacefully on Wednesday, Sept. 11, 2024, at Milan Estates Assisted Living in Saukville with his beloved family gathered with him.

He was born in Fond du Lac on December 11, 1940, the son of Anthony and Hilda (nee Wagner) Neis and raised in Campbellsport.

On August 23, 1963, Leo was united in marriage to Carol J. Raymond at St. Matthew's Parsonage in Campbellsport.

Leo served his country in the US Army from 1963 until 1965. He worked at Lowrance Company for many years before retiring.

Leo loved the outdoors, hunting, and fishing. He enjoyed traveling the country and Leo and Carol spent the last 30 years wintering in Puerto Vallarta, Mexico.

Leo was a great fan of the Brewers and Packers. He always enjoyed remodeling projects whether it was for himself or his family and friends. Leo was always the first to volunteer if someone needed help with anything.

Survivors include his wife of 61 years, Carol; son, Brent (Tori nee Theisen) Neis of East Newburg; grandsons, Connor Anthony Neis and Hayden Robert Neis, both of East Newburg; brother, Sylvester (Joan) Neis; nephews, Craig (Sarah) Neis and Corey Neis, all of Campbellsport; other relatives and friends.

Leo was preceded in death by his parents, Anthony and Hilda; grandson, Tyson Neis; brother and sister-in-law, Robert and Dee Neis; in-laws, Gordon and Edna Raymond; and brother-in-law and sister-in-law, Kenneth and Irma Raymond.

A graveside service with Military Honors will be held on Friday, Sept. 27, at 12 p.m. at Union Cemetery, Campbellsport, with Pastor Ashley officiating.

The family extends a special thank you to Dr. Kevin Goniou, and the nurses and staff of Milan Estates Assisted Living and Allay Hospice for the care and concern shown Leo.

Twohig Funeral Home is assisting the family with online guestbook and condolences at www.twohigfunerals.com.

Jeanne M. Bauer

The food journalism industry lost a respected professional, friend and mentor to many with the passing of Jeanne M Bauer on May 24, 2024, at home in her beloved New York City.

Born on September 5, 1939, in Campbellsport, Jeanne was predeceased by her parents, Floyd Thomas and Mildred (Schmitz) Bauer; brother,

John F Bauer, Sr.; nephew, Joel Bauer; and great-great-niece, Hope Bauer.

She is survived by six nieces and nephews, Gina Mohr, John Bauer Jr, Jill Carni (Albert), Jody Bauer (Laura), Jim Bauer (Shelly); and 16 great-nieces and nephews; and many cousins in Wisconsin and Germany.

Jeanne was a graduate of Alverno College, Milwaukee.

She worked for Unilever early in her career, and then following her passion for Journalism, she moved to New York City to become Equipment Editor at American Home Magazine. It was a job that helped define Jeanne's life in so many ways – from refining her passion for journalism to meeting co-workers who became life-long friends.

In 1978, she was recruited by the marketing firm Botsford Ketchum (now Ketchum Communications) and relocated to San Francisco, where she excelled at managing food marketing programs for clients ranging from The California Raisin Advisory Board and California Almonds to Norway Sardines, Dole Foods, and Chambord Liqueur.

Jeanne balanced work with her love of travel, theater, museums, and frequent weekend jaunts (in her bright red VW Bug convertible) to the wine country in Napa and Sonoma Valleys.

In the mid-1980s, Jeanne returned to her much-loved NYC and continued her food marketing career at Chiquita Brands.

Over the course of her career, Jeanne developed a special fondness for the foodservice industry. She found great joy in working directly with many top NYC chefs on behalf of her clients.

Ultimately, Jeanne left the corporate world and built her own business, serving as a consultant to clients in the food and beverage industry.

Throughout her career, Jeanne never hesitated to share her wealth of knowledge with others entering the industry, and became a valued friend and mentor to many.

Her creativity and innovative spirit melded seamlessly with her passion for food. She excelled at developing new and surprising ways of serving up her clients' food and beverage products.

Jeanne was a marvelous cook and took great joy in using fresh seasonal ingredients from New York's farmers markets as well as preparing recipes she learned from her mother. She loved to entertain, preparing delicious meals that she served up in a convivial atmosphere that celebrated her friendships as much as the food and wine she served. She frequently welcomed out of town friends and colleagues into her home, enthusiastically sharing the best NYC had to offer at that moment including food, culture and her latest shopping tips. Jeanne always relished the invitations from her American Home friends who lived outside the city and would regularly welcome her into their homes for weekends, holiday festivities and week-long retreat to the country.

Giving back to the city, she called home was very important to Jeanne. For many years, she volunteered through her church, St. John The Evangelist Catholic Church, to bring food and companionship to NYC shut-ins and seniors.

Donations may be made in Jeanne's memory to The James Beard Foundation's Women's Leadership Programs name as follows:

Virginia M. "Ginny" Backhaus

Virginia M. "Ginny" Backhaus, 92, of Kewaskum, passed away on September 11, 2024, at Ivy Manor in West Bend surrounded by her family.

Ginny was born on May 8, 1932, in West Bend, the daughter of the late Edward and Ella (nee Bauer) Haack.

On May 3, 1952, she was united in marriage to David Backhaus at St. Lucas Evangelical Lutheran Church in Kewaskum. Ginny and David lovingly raised four children. They enjoyed taking rides through the Kettle Moraine and road trips around the country, and spoke often of their trips to Hawaii.

Ginny adored spending time with her family and friends. In her later years, Ginny found joy in gardening and that passion earned her the prestigious Kewaskum Beautification Award in 2017, a recognition she cherished deeply. She loved sitting outside with friends and delighted in giving treats to the neighborhood dogs as they passed by. Ginny was a devout Christian, an avid reader, and a devoted Green Bay Packers fan.

David preceded Ginny in death on July 19, 2005.

Those Ginny leaves behind to cherish her memory include four children, Nancy (Stewart) Gurnee, Steve (Sue) Backhaus, Gary (Lyn) Backhaus, and Jim (Nancy) Backhaus; her grandchildren, Laura (Kyle) Lobner, Dr. Emily Gurnee (Dr. Terry Singhapricha), Tammy Backhaus (friend, Dan), Rachel (CJ) Garbisch, Paul (Cody) Backhaus, Debra Backhaus, Erik Backhaus (friend, Sarah), and Daniel (Renee) Backhaus; great-grandchildren, Jinda, Jaren, Tripp, Ben, and Gwen.

In addition to her husband and parents, Ginny was preceded in death by a brother, Howard Haack and numerous relatives.

VISITATION: Ginny's family greeted relatives and friends at St. Lucas Evangelical Lutheran Church, 1417 Parkview Drive, in Kewaskum, on Tuesday, Sept. 17, from 11 a.m. until 1 p.m.

SERVICE: A service for Ginny was held at 1:00 p.m. on Tuesday, Sept. 17, at St. Lucas Lutheran Church. Rev. Timothy Henning officiated and burial followed at Lutheran Memorial Park in Kewaskum.

The family would like to extend a heartfelt appreciation to the staff at Ivy Manor in West Bend and Preceptor Home Care and Hospice for all the care they provided to Ginny.

The Myrhum – Patten Funeral & Cremation Service has been entrusted with Ginny's arrangements. Additional information and guest book may be at www.myrhum-patten.com.

James "Jim" Jaeger

James "Jim" Jaeger, 89, of Campbellsport, passed away unexpectedly on Monday, Sept. 2, 2024.

He was born on August 27, 1935, to the late Kenneth and Evelyn (nee Schoepke) Jaeger in Campbellsport.

On Saturday, May 18, 1974, he was united in marriage to Judy Zehren at Holy Trinity Catholic Church in Kewaskum.

Jim worked various jobs before getting involved with the Singer Co. Then he owned and operated his sewing business, Jaeger Sewing in Kewaskum.

He was a member of the Kettle Moraine Car Club, the EAA Ultralight Chapter, and Holy Trinity Catholic Church. Jim enjoyed reading, traveling, and flying his ultralight, and was a pilot for over 45 years. He especially enjoyed spending time with family and friends and will be dearly missed by all who knew him.

Those Jim leaves behind to cherish his memory include his loving wife of 50 years, Judy Jaeger; two children, Jesse (Jackie) Jaeger and Jeanne Jaeger; brother-in-law, David Zehren; three sisters-in-law, Janet Jaeger, Diane Jaeger, and Mary (Dennis) Larsen; nieces, nephews, other relatives and friends.

In addition to his parents, he was preceded in death by his infant child, Julie Jaeger; his two brothers, Tom Jaeger and Jack Jaeger; and sister-in-law, Carole Zehren (nee Schultz).

VISITATION: Jim's family greeted relatives and friends at Holy Trinity Catholic Church, 305 Main Street, in Kewaskum, on Thursday, Sept. 5, from 10 a.m. until 11:45 p.m.

SERVICE: A Mass of Christian Burial for Jim was held at 12 p.m. on Thursday, Sept. 5, at Holy Trinity Catholic Church in Kewaskum with Father Patrick Magnor officiating. Burial was in St. Matthew Catholic Church Cemetery, Campbellsport.

The family would like to thank all the first responders for their service and care.

Myrhum-Patten Funeral & Cremation Service has been entrusted with Jim's arrangements. Additional information and Tribute Wall may be found at www.myrhum-patten.com.

LORI KREIS, DIRECTOR
KEWASKUM PUBLIC LIBRARY

Banned Books Week 2024 runs this year from September 22-28. The theme is "Freed Between the Lines." Please read the article below from the American Library Association shared below from their website at www.ala.org/bbooks/banned.

"Banned Books Week was launched in 1982 in response to a sudden surge in the number of challenges to books in libraries, bookstores, and schools. By focusing on efforts to remove or restrict access to books, Banned Books Week draws national attention to the harms of censorship. Typically (but not always) held during the last week of September, the annual event highlights the value of free and open access to information and brings together the entire book community — librarians, educators, authors, publishers, booksellers, and readers of all types — in shared support of the freedom to seek and to express ideas.

"In a time of intense political polarization, li-

brary staff in every state are facing an unprecedented number of attempts to ban books. ALA's Office for Intellectual Freedom documented 1,247 demands to censor library books and resources in 2023. The number of titles targeted for censorship surged 65% in 2023 compared to 2022, reaching the highest levels ever documented by OIF in more than 20 years of tracking — 4,240 unique book titles were targeted for removal from schools and libraries. This tops the previous high from 2022, when 2,571 unique titles were targeted for censorship. Titles representing the voices and lived experiences of LGBTQIA+ and BIPOC individuals made up 47% of those targeted in censorship attempts.

"The theme for Banned Books Week 2024 (September 22-28) is 'Freed Between the Lines.' We can find freedom in the pages of a book — but book bans and censorship threaten that freedom, along with many other rights and institutions. During Banned Books Week 2024 and beyond, let's share our love of the right to read and the freedom found in books. Let's be Freed Between the Lines!"

For further reading, check out this article from the American Libraries Magazine about the his-

tory of censorship at americanlibrariesmagazine.org/2024/09/03/censorship-throughout-the-centuries/. This is not something new and librarians, educators, parents and readers have been fighting the good fight for centuries.

In my mission to promote lifelong learning, this week is so valuable to me. Taking away someone's freedom to read what they choose based on someone else's agenda is horrific and should be stopped. At Kewaskum Public Library, we do our best to have a balanced collection and have a well-thought out and approved collection development policy to support it. During this week, we will have displays of banned and challenged books to be checked out. I have found that the best part of Banned Books week is to have discussions with people who are unfamiliar with the concept and enlighten them. I encourage anyone with questions about challenges, our collection or anything to do with intellectual freedom to seek me out and I would be happy to sit down and talk with you.

Hope to see you soon.

The Kewaskum Village Board met in the Kewaskum Annex on Monday, Sept. 16, because of an anticipated large turnout for a public hearing to gain feedback regarding a proposed ordinance that would allow ATVs on some village streets that have a speed limit of 35 mph or less. Approximately 31 people attended the public hearing. About 10 people in attendance expressed support of ATV use on village streets.

Kewaskum High School will celebrate Homecoming the week of September 30 through October 5. The community is welcome to take part by participating in some of the planned events. It all starts with a week-long food drive sponsored by the KHS Keys Club that benefits the Kewaskum Community Food Pantry. The Friday night football game will begin at 7 p.m. against Campbellsport.

Senator Duey Stoebel and Representative Tim Ramthun help present proposed legislation to rename part of State Highway 28 the Wisconsin 9/11 Memorial Highway during a press conference held in the state senate parlor in the capitol building. The event started exactly at 9:28 a.m. on Wednesday, Sept. 11 (same time the north tower was hit).

After two big East Central Conference victories last week, the Kewaskum boys soccer team reclaimed some of its confidence, especially senior forward Will Jens, who scored a total of four goals in the 6-0 victory over Berlin on September 19 and three in the 4-2 win over Campbellsport on September 17.

Fire hydrant maintenance arises on public versus private street debate. Public Works Director Jerry Gilles said the village has never flushed privately owned hydrants. That responsibility falls to the hydrant's owners, which could be a person or association or another entity, like a school district or private company like Regal Ware. The village is aware the Kewaskum School District and Regal Ware have been flushing their own hydrants. Regardless, the argument over public versus private hydrant flushing isn't going away. The board took no action on Monday as this was the first it heard of the issue.

St. Michael Parish in St. Michaels will hold their annual Fall Festival this weekend on Sunday, Sept. 27. Raffles, games, food and a polka mass make up the day of family fun in the beautiful Kettle Moraine.

stated Humphrey. “We have used the Bridget Center twice now and really appreciate the calmness of the Center as it provides a place of peace and comfort for our members.”

Working with Dennis and the Sparta Project is just one way the organization extends its reach outside of the Kewaskum area. Kober believes there will be many other mental health organizations, nutrition programs and youth groups that can benefit from the location, as well.

The Bridget Center is currently presenting their revision plans to the Town of Wayne and are seeking a shared vision for the safe, community buildings.

“Our Center strives to teach a remembered way of living and help others connect to the earth with a heart of reciprocity,” concluded Kober. “We ask for your personal blessing for the greatest good with our intentions.”

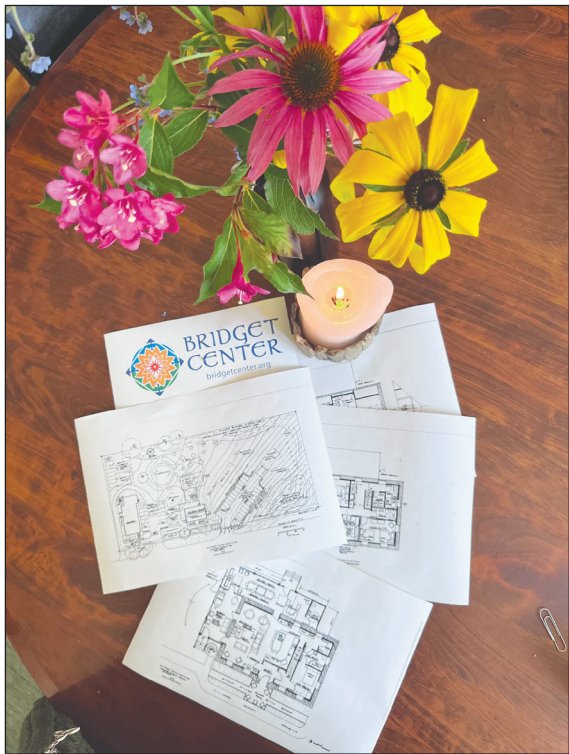

All community members are encouraged to attend the fall equinox fundraising event to check out the Center and join in on the activities.

Packers Seek Nominations for 'High School Coach of the Week'

PRESS TIMES STAFF

The Green Bay Packers are seeking nominations from high schools across the state for their “High School Coach of the Week” program.

“The program recognizes one outstanding Wisconsin high school coach on a weekly basis during the 2024 high school football season. Each honoree will be awarded several items and privileges, including a \$1,000 donation to the school’s football program from the Green Bay Packers and the NFL,” a release from the Packers stated.

The winning coach will receive recognition on packers.com, WisSports.net and Wifca.org, and mentioned in the Packers Gameday program.

“The Packers are seeking nominees who have an incredible impact either on the field or in the community. Nominees can be honored for how they have turned programs around, how the team has impacted the community or how the coach impacts the players and their families,” the release added.

“At the end of the season, one coach is named the WFCG/Green Bay Packers High School Foot-

ball Coach of the Year, selected by the Wisconsin Football Coaches Association, and is given a \$2,000 donation for his or her football program. The Coaches of the Week and Coach of the Year will also be recognized at Lambeau Field during the Week 18 Packers-Bears game in January.”

“We’re proud to recognize the hard work of high school football coaches with the Packers Coach of the Week program,” said Packers football outreach coordinator Jake Krueger. “As educators, mentors and leaders, both on and off the field, they serve as positive examples for young people in the community and give them the opportunity to learn and grow.”

Nominations can be submitted by 10 a.m. each Monday to Jake Krueger at coachoftheweek@packers.com.

Nominations should include the coach’s name, address, school, phone number and reason he/she is deserving of the award.

The first honoree of the season will be announced the week of Sept. 16.

Adventures at Flater's Resort

MARK WALTERS
COLUMNIST

Hello friends,

I have been friends with "Musky Joe" Flater, who is a fifth generation owner of Flater's Resort, for a good 20 years. Joe is hard to describe in less than a million words. Old school, hardcore, fun, disorganized, one of the few in the Fresh Water Fishing Hall of Fame, fond of beer, a Packer and Brewer die hard, trapper, smells like an old bear just coming out of the den etc.. etc..

I told Joe a while back I could help him, along with our very good buddy Dave Schmitt, with the seven bear hunters that Joe was guiding this fall. Flater's Resort has been owned by the Flater's for 86 years and is located where the Chippewa and Flambeau Rivers meet. If you have ever been in their very outdoor-oriented tavern, you are well aware that it is a fun place to enjoy a beverage.

Friday, September 6
High 61, Low 42

I have been here since Wednesday when the season opened and am staying in a cabin with Dave Schmitt who lives near Adams and Hartland. Of the seven hunters sitting over a bait, not a bear has been harvested but let me tell you, a lot of bear are being observed and there are some interesting stories. The first two nights, one hunter saw 11 and then eight bears, every hunter but one has had bear experiences, but the bear were either with cubs or just too small for the hunters to take this early in the hunt.

There are five guys from the Jefferson area, John Hauser and his 26-year-old son Alex, Mike Henningsen, Tom Ames and Brian Happ. These guys are rigged with the best of everything, very into the hunt, and when day becomes night, are a blast as we create a strategy in Flater's pub for the next hunt.

Wednesday, Dave was placing these guys in their stands, and one of them had a really good bear at his bait five minutes before they approached. Thursday, the cellular trail camera told the same story. Today, we placed them two hours earlier and it did not pay off. John Hauser did have two experiences with bear but no meat was made. On

MARK WALTERS PHOTOS

the other hand, Mike Henningsen, who shot his first buck with a bow last fall (and it was a dandy), passed on a bear early in the evening and did not pass later in the hunt and thus scored on his first black bear which made everyone in Flaterville very happy, even though the Pack and the Brewers lost.

A little sidebar story, Alex Hauser is 26 and had to leave camp as he was in a Friday wedding in southeastern Wisconsin. On Sunday, Alex would come back to camp, and on Monday, just before his hunting experience for this year was over, a 225-pound brute made the mistake of getting into Alex's sites and thus another happy night at Flaterville would take place.

Musky Joe has more friends than brain cells and that isn't saying much. One of them is Scott Stewart who lives near Bruce and is highly respected in this area. On Saturday night, Scott needed some help as he had whacked a real good bear, that after some extremely physical labor getting it out of the bush tipped, the scales at 345 pounds dressed.

Karen Wegerer and Laura Wegerer with a 64-inch sturgeon that Karen caught while fishing near Flater's Resort.

A couple of sidebar stories, Joe, Dave and I went for a drive down by Gilman to Tiny's Taxidermy. We became quite lost, the box is falling off Joe's truck, one of his tires has very little air in it, and when we got to Steven Gross's place in the woods, "Tiny," we had a lot of laughs. Joe had a 56-inch, 45-pound musky redone and it will be above the bar in Flaterville.

In closing, it is also sturgeon fishing season. Karen Wegerer caught and registered a 64-inch sturgeon at Flater's. Her gang, who is from Medford, stays at the resort, is very into sturgeon spearing and a heck of a bunch of fun.

As you can well imagine, Old MGW was mighty tired when he got home from Flaterville and literally was in bed 15 minutes after he parked the horse in the barn!

If you aren't having fun, do something about it!

Campbellsport Runs in First Night Race

COACH MIKE KULIBERT
CHS CROSS COUNTRY

For the first time, Campbellsport competed in the Neenah Nightfall Classic cross country meet. It was held at the Winagamie Golf Course last Friday, September 13. As it sounds, the meet was at night with large portable tower lights set up throughout the course and Christmas lights strung on posts along the course. Large and small schools ran together but were scored separately. There were over 350 runners in the boys' and girls' race.

In the large schools' boys' race, division one and state-ranked De Pere won with the low score of 69 points. Campbellsport finished in second place with 89 points, narrowly beating out third place Port Washington by only three points. Garrett Pickering, Gavin Pickering, and Caleb Siebauer had career best times. Aaron Engle, Ethan Beistle, and Lincoln St. Louis also had career best times.

In the large schools' girls' race, Little Chute (43) edged out Green Bay Preble (49) by six points to win the race. The Campbellsport girls finished in 18th place. Lorelei Walker, Payton Temperle, and Ryleigh Volz had career best times.

Campbellsport Varsity Boys Finish in Top Five at W.L.A. Invite

Campbellsport's boys' cross country team won the Winnebago Lutheran Academy Invitational last Thursday, September 12, with a perfect score of 15 points. The meet was held at the hilly Kiekhaefer Park in Fond du Lac. Garrett Pickering, Gavin Pickering, Logan Nolan, Caleb Siebauer, and Brody No-

lan finished first through fifth, respectively, to pull off the perfect score.

The varsity girls ran into some stiff competition and finished in sixth place. With a time of 27:03, Izzy Sperfslage finished 27th to lead the Cougars.

North Fond du Lac/Oakfield and Winnebago Lutheran tied with 54 points. Going to the tie-breaker, North Fond du Lac/Oakfield earned the win because their sixth runner finished higher than the sixth runner for Winnebago Lutheran.

In the JV boys' race, Washington County Homeschool was first with 34 points. Campbellsport was runner-up with 42 points. Aydryan Meilahn (2), Noah Bobb (3), and Mason Dirmeier (5) finished in the top five individually.

K.H.S. Tennis Takes a Win and a Loss

BREANNA RICE
JOURNALIST

Last week, the Kewaskum High School tennis team faced match ups on both Tuesday and Thursday.

On Tuesday, Sept. 10, the Lady Indians took on the challenge of facing Sheboygan Falls.

“We were beaten by an excellent team. Sheboygan Falls has lots of experience and is loaded with talent both in singles and doubles,” explained Head Coach Brad Preder.

Although Kewaskum’s results on the day do not reflect well, the coach stated that he was not disappointed by the girl’s effort because they played hard.

Sheboygan Falls took seven wins on Tuesday, defeating Kewaskum who had none.

On Thursday, Sept. 12, the tennis team traveled to Waupun.

“We bounced back with a convincing win at Waupun. I thought it was one of our best overall performances of the season,” said Preder.

The coach explained that singles players Liz Erdmann and Macy Milella led the way, each winning in straight sets, and each winning 6-0 in the second.

“We swept the doubles flights. The doubles team of Macy Sabish and Ella Drewitz won the first set then fell behind 4-1 in the second set. Macy and Ella stayed strong, winning six of the last seven games, to win the second set 7-5,” concluded

K.H.S. Boys Soccer has a Solid Season Start

KHS BOYS SOCCER

The first few games have proven to be a much better start to the season for the Kewaskum boys’ soccer program than in the past. Last year, the team had a rough start to a strong schedule and the boys’ soccer program was stuck playing catch up for most of the season. This year, the young men on the KHS team have jumped to a better record to begin the season. By achieving wins against West Bend East, Slinger, and Marinette, the boys are riding with some confidence going into the third week of the season.

Although the team lost a number of senior leaders from last year, our two returning seniors, Riley Kuehl and Tyler Kehres, have been able to carry the team’s momentum into this year’s season. Our talented junior, sophomore, and freshman classes have this team’s future, both immediate and long term, looking really bright.

Vs West Bend East

The opening contest of the season at West Bend East had both the senior leadership and youthful talent on full display. A dominating performance from the Kewaskum Indians didn’t really translate in the final score line but 24 shots and goals from Charlie Gambino, Oliver Grover, Blake Staral, and Kehres created a comfortable win on the road.

The final score ended up being 4-2 but it wasn’t really that close.

Gambino got the Indians started and ran with a beautiful left-footed finish just inside the

The Kewaskum girls’ volleyball team dominated through a busy week.

“Not only were the girls set up to play on four different dates, but they also had to take on the challenge of a tough non-conference game and an in-conference rival,” explained Head Coach Jimmy Burg.

On Tuesday, Sept. 10, the Indians traveled to

Laconia High School (LHS). Last season at LHS, the Indians’ volleyball program finished the year at 33-1. This year, the team returned their entire starting lineup but one player.

“In a back-and-forth battle of very different styles, the girls were able to gut out a late-night, five-set win on Tuesday,” said Burg.

Campbellsport Volleyball Sitting in First

CLARICE CASE
EDITOR

On Thursday, Sept. 12, the Campbellsport girls' varsity volleyball team (2-0, 5-3) defeated Winnebago Lutheran (0-2, 3-6) in three sets.

On Saturday, Sept. 14, the team participated in the Beaver Dam Invite where they won a match and lost a match against Valley Christian.

In the win, Campbellsport won the first set (25-

15) and third set (15-9) while losing the second set (17-25).

In the loss, Valley Christian won the first set (13-25) and third set (14-16) while losing to the Lady Cougars in the second set (26-24).

The team is currently first in the Flyway Conference.

Campbellsport has one match on the schedule for this week against Omro on Thursday, Sept. 19, at 7 p.m.

some insurance with a successful two-point pass from Ryan Clark to Hardesty to take the lead 15-9 with around nine minutes to go.

Schlender switched over to defense and intercepted a pass from Braden Bothe on the Cougars' fourth down.

Campbellsport forced Mayville to punt, but it backfired as the Cougars were starting their final drive from the one with just over a minute to score.

Emerson Mittelstadt would spoil the Cougars' last opportunity with an interception to close the game.

"We knew Mayville was going to be tough and well coached. Coach Hilber is a good coach and learned from his dad, who as well was a good coach. Mayville teams are always physical, disciplined and will play all four quarters no matter what," Wondra admitted. "We are now on to WLA which isn't going to be easy either. This conference is a fight week in and week out. You have to come ready every week and prepare to play four quarters of tough football."

As stated, Campbellsport will travel to Winnebago Lutheran Academy (0-2, 1-3) and Mayville will travel to Laconia (0-2, 2-2) on Friday, Sept. 20. Kickoffs are scheduled for 7 p.m.

far post of West Bend's goal. The ball bounced around a bit in the penalty area until it ended up right at Gambino's feet to break the scoreless game, pretty early on.

Eleven minutes later, before the 14 minute mark, Grover drove home a perfectly placed delivery from Gambino for a two-point lead very early in.

The Suns then steadied their defense and Kewaskum fell into a poor shooting stretch. This gave West Bend some confidence in their play.

Staral hammered home a cross from Colton Rabe later in the first half to extend the Indians' lead 3-0, which is how the half ended.

A touch of overconfidence was present heading into the second half. Eight minutes in, a defensive breakdown had the Suns scoring their first goal.

Next, Tyler Kehres put himself in the right place to finish another wonderful cross from Rabe to give the Indians a three goal lead with less than 10 minutes remaining.

West Bend tried to push forward and created some chances that senior goalkeeper Kuehl was able to stop. He had eight total saves in the contest.

Unfortunately, a lapse in concentration saw a ball played straight across the middle of the face of the goal where a Sun's striker was waiting to send it to the back of the net with 30 seconds left to finish the scoring.

It was a good win but also had shown the Indians work still needed to be done, but they were happy to take a 1-0-0 start.

Vs Slinger

The Indians kept the winning train rolling later that week with a strong victory against the division two Slinger Owls.

Some sloppiness was present from Kewaskum due to a relentlessly pressuring Owls team. This had both teams struggling to generate any consistency in possessions or attacking opportunities.

Slinger was able to expose a lack of uniformity in the Kewaskum offense. The boys struggled to move the ball from side to side on the field and open up the Slinger defense to create space and scoring potential. A number of turnovers from the Indians' attack put the young and inexperienced defense under a ton of pressure.

Center backs Braydin Gell and Grover, along with outside fullbacks Will Haydin and Staral, held up to the task as they and substitute Bryce Wildt kept Slinger away from Kuehl in goal.

The Kewaskum midfield also held out with controlled play from the Olla brothers, Luciano and Alessandro, as well as Mac Hasse. Hasse was able to push forward in the first half and was just about to receive a well-placed throw in from Eli Steinbauer in the penalty area when the Slinger left back lowered his shoulder and drove right through the attacking threat winning Hasse a penalty kick which narrowly blasted past the opposing goalkeeper.

A 1-0 lead at half was a little closer than the Indians would have liked but they seemed to be in control of the game. A strong start to the second half for the Indians saw that lead double to 2-0 with an awkward finish from junior forward Steinbauer off of a Gambino corner kick delivery.

From there on out, Slinger continued to try and generate attacking opportunities but Kuehl and the rest of the defense for the Indians shut them down.

A clean sheet win is always a good result and can only help build the team's confidence. Which

would be key in the next contest against conference rival Plymouth Panthers.

At Plymouth

The second road trip for the Indians' team saw them traveling to Plymouth in an attempt to break the bad history Kewaskum soccer has had against the Panthers.

The first 10 minutes really looked like it was going to be a tight game. No one was dominating in one direction or the other.

Kewaskum's defense was playing more organized with better decision making until a swing and a miss on a must-clear situation found the Plymouth attack one on one with Kewaskum's goalkeeper, who made a valiant effort to keep the shot out but it ended up re-deflecting into the goal.

Kewaskum didn't panic and tried to keep their composure. Unfortunately, a poor exchange deep in the Indians' defensive third saw another clear one-on-one opportunity for Plymouth.

A 2-0 halftime lead wasn't ideal but the team was playing well and a couple of bad bounces was the only difference in the contest.

Plymouth came out of halftime and increased their lead 15 minutes in.

It could have been an easy time to shut down and give up but the young men from Kewaskum rallied shortly after and earned a penalty kick which again was converted by captain Hasse.

Less than two minutes later, Plymouth re-established their three goal lead, taking the remaining wind out of the Kewaskum sails.

This opponent showed the boys that more improvements and strategies are needed for the future.

Vs Marinette

A controlling performance throughout the first 15 minutes frustrated the Indians as they took on Marinette High School at home.

The boys were not able to convert any of their numerous opportunities until Rabe streaked into the center of the box and placed a corner kick from Hasse over the opposing goalie's head into the far side of the goal.

More opportunities had it looking like Kewaskum should dominate this game but a complete defensive breakdown had Marinette get a one-on-one scenario with the keeper and they were able to convert.

The game went back and forth the rest of the way. Poor quality from the Indians and some disconnect in teamwork along with a composed and competent Marinette defense in the back field had Kewaskum starting to get a bit anxious as the time ticked away.

Changing some personnel around made no difference, and it looked like this game was going to end in a 1-1 draw until the Indians decided to show up.

Their intensity and effort jumped up a notch with about a dozen or so minutes left and they pinned their opponents back deep in their own end.

Steinbauer placed a well-touched pass right to an undefended captain who drilled a curving right-footed shot right around the defense, keeper, and into the side netting late in the game.

A late rally from the Vikings was eventually cleared out and ended all hope of an equalizer for the visitors.

A big week is ahead with games in Hartford and at home against conference foe Kettle Moraine Lutheran. With the improvements the team have been making, along with the return of some key players, the immediate future of the team and the season is looking solid.

K.H.S. Football Defeated at Home with a 47-0 Loss

BREANNA RICE
JOURNALIST

The Kewaskum High School football team (0-4) hosted Stoughton High School (4-0) on Friday, Sept. 13.

The boys put up a tough fight as they tried to remain in the game but, ultimately, couldn't keep up with the opponent's competitiveness on both offense and defense.

Stoughton came out strong putting up two touchdowns in the first quarter. The visiting team then dominated in the second quarter adding three more end zone scores to the board. The game was 33-0 at the half.

The Indians emerged into the third quarter with hopes to get points on the board but were shut down by Stoughton's aggressive defense. The visitors added a touchdown to the scoreboard but missed the extra point, making the match up 39-0 at the end of the third.

Kewaskum held Stoughton to one touchdown in the fourth quarter but the opposing team was successful in their two-point conversion attempt. This ended the game with a defeat of 47-0 on the Indians' turf.

Kewaskum's quarterbacks Eli Ogi and Andrew Reichert were held to only six combined completions throughout the entire game.

The Indians' struggled to make plays on offense. Everett Donath led the team with 34 rushing yards. Carter Unger had 26 receiving yards and Landon Daniel had 20.

The boys worked hard on defense and made some impressive tackles. Samuel Ciriacks led the team with 11 total tackles and Corbin Dexter followed with seven on defense.

Although the team struggled in the non-conference matchup, they played hard throughout the entire game and continued to keep their spirits up in all four quarters.

Kewaskum will host Watertown on Friday, Sept. 20, for a conference game at 7 p.m. at the Doc Mitchell Athletic Complex.

battles throughout the night.

On Thursday, Sept. 12, the program traveled to conference rival Kettle Moraine Lutheran (KML).

Burg explained that this match up held very high stakes.

"Besides the aspect of it being a rivalry game between two consistently strong programs, this match had big implications as to who could be favored to win the conference. It can also determine important play-off seeding for later on in the year," said the coach.

Kewaskum got off to a flat start in set one but came back in sets two and three to go up 2-1.

KML made some important changes that led them to a win in set four, taking the match to a fifth set.

In set five, Kewaskum went on to establish a large lead, never looking back. The Indians finished the fifth set 15-3.

"The team was anchored by a strong senior captain group the entire match. Also, sophomore Taylor Daniel came up with many big swings down the stretch to seal the victory," added Burg.

The KML match up concluded with an Indian victory of 3-2 on the night.

On Friday, Sept. 13 and Saturday, Sept. 14, the girls participated in the weekend-long KML varsity tournament. The schools in attendance were Kewaskum, Sun Prairie West, Appleton East, ECIL, Racine Case and Kettle Moraine.

"With very little fuel left in the tank from the busy week, the team was able to gut out a 3-2 record in the tournament. The team picked up some solid wins while playing some very tough competition," said the coach.

Burg expressed that he is proud of how the team worked together and fought throughout the long week.

"We continue to remind ourselves that there is so much left to do, improve upon and accomplish but the fight and heart this team showed during the week was very special. This team has the opportunity to accomplish some great things," concluded Burg.

The Indians are now 12-7 overall and 2-0 in conference. The ladies have this week off and will take on Campbellsport in their next match on Tuesday, Sept. 24.

Gridiron Indians Defeat Menomonee Falls in All Grades

KEWASKUM GRIDIRON

The Kewaskum Gridiron Indians continued a great start to the season this past Saturday, September 14, as all four teams were able to come away with victories over the Menomonee Falls Jr. Phoenix.

Eighth Grade

The eighth grade team got off to a slow start with the offense unable to score in the first half and allowing a touchdown on Menomonee Falls' first possession of the game enroute to a 6-0 halftime deficit.

The Phoenix then came out in the second half and scored on their first possession to take a 12-0 lead.

The Indians then got things going late in the third quarter with some nice blocking from the offensive line and wide receivers. RJ Ciriacks busted free for a 69-yard touchdown run. Kamden Derge was able to complete the two-point kick to cut the deficit to 12-8.

The Indians defense then came up with a couple of big stops, and then with just over two minutes left in the game, Ciriacks broke free again, this time for a 27-yard touchdown to give the Indians a 14-12 lead.

On the next possession for the Phoenix, Porter Reis was able to come up with an interception to seal the comeback victory for the Indians. Ciriacks led the way for the Indians offense behind some nice blocking from the offensive line as he finished with 12 carries for 147 yards and two touchdowns. The defense was led by Lucas Zeeb who recorded four tackles-for-loss and a sack, James Lawrenz with a tackle-for-loss, and Reis with the game sealing interception.

With the win, the eighth grade improved their record to 2-0 on the season.

Seventh Grade

The seventh grade team found themselves in a tight game throughout with the game remaining scoreless until the fourth quarter.

Even though there was no scoring in the first half, the Indians still had some standout offensive plays including a 25-yard run by Henry Ogi, 20-yard run by Kyle Spoerl, and a 25-yard catch by Carson Eilbes from Ogi.

Some key tackles and stops in the first half were made by Spoerl, Ogi, Paxten Boeldt and Raylan Jukubowski.

In the second half, both Eilbes and Cade Wichtoski made some nice catches, and then Ogi was able to find Micah Peck for an Indians' touchdown, and Ogi added the two-point kick to make it an 8-0 game.

The Phoenix were able to respond with a touchdown of their own, but the defensive line blocked the two-point kick to preserve the 8-6 victory. With the win, the seventh grade improved their record to 1-1 on the season.

Sixth Grade

The sixth grade team defeated the Menomonee Falls Jr. Phoenix in their second contest of the year 19-7.

Falls started off the game fast with a long kickoff return that gave them a short field. They opened the scoring on the day with a rushing touchdown and an extra-point run to make the score 7-0 early in the first quarter.

It didn't take long for Kewaskum to right the ship as their next drive took only three plays and was capped off by a Decker Schutz 8-yard touchdown run.

The offense once again worked quickly on their next possession needing only four plays to reach paydirt again. Charlie Ogi found the end zone on a 15-yard scamper. Brady Beck added the point after run to put the Indians up 13-7.

The Indian offense stayed hot in the second half, only needing four plays to find the end zone. This time, Schutz found Brady Beck streaking down the sideline for a 50-yard touchdown pass putting the Indians up 19-7.

Ogi led the offensive charge with 91 yards rushing. Beck added 59 yards receiving while Schutz threw for 73 yards. The defense was led by Caleb Thull with seven tackles, Aiden Bartelt with three tackles and a tackle-for-loss, and Oscar Cannestra with three tackles and a tackle-for-loss. The offensive line was the backbone of the team all day with strong performances from Mason Schulenberg, Rory McCain, Lincoln Flassig, Parker Koch, Wyatt Herman, Shane Guttmann and Bram Herriges.

With the win, the sixth grade improved their record to 2-0 on the season.

Fifth Grade

The fifth grade had their defense come up big in a close 8-6 victory over Menomonee Falls.

The defense had many contributors but was led by Jeffrey Logan who had several tackles, Benson Stahl with a key fourth down tackle, and Parker Max who had a great interception in holding the Phoenix to only six points on the day.

On offense, Marx was able to score the Indians' lone touchdown with a huge block downfield from Parker Hug. Beckett Boeldt added the two-point kick after the touchdown, which proved to be enough to seal the victory. Other contributors included Hug with a bubble screen catch and run for 25 yards and Boeldt with a great punt late in the fourth quarter to pin the Phoenix deep in their own territory with the clock running out.

With the win, the fifth grade improved their record to 2-0 on the season.

The Gridiron Indians will be in action again on Saturday, September 21, as all four teams travel to face Pewaukee. The eighth grade gets things kicked off at 9 a.m.

CAMPBELLSPORT JUNIOR FOOTBALL OFF TO GOOD START

CAMPBELLSPORT JUNIOR FOOTBALL

The Campbellsport Junior Football program (for fifth and sixth graders) is three games into their 2024 season and they're 1-1-1.

Campbellsport, the defending Dual County Conference champions, opened the season with an 8-0 loss to Waupun at home. Waupun scored the lone touchdown of the game on a halfback option pass on the last play of the first half. The Campbellsport defense played a solid game with Tuscan Schill providing several key tackles and a fumble recovery.

In the second game of the season, Campbellsport traveled to Fond du Lac to face Winnebago Lutheran Academy. The young Cougars got on the board first with a Parker Morgan 11-yard touchdown run. Mason Berg's extra point attempt was just wide as the Cougars took a 6-0 lead into the second quarter. WLA tied the game up late in the second quarter with a 40-yard run on a fourth and long. They also missed the extra point and the score was 6-6 at halftime. The second half was a complete de-

fensive battle of field position as neither team could find the end zone.

Campbellsport was finally able to secure their first win of the season when they knocked off Mayville 20-8 on the road. After a scoreless first quarter, Campbellsport's wingback Madden Gruber took a sweep around the edge for a 13-yard touchdown run. Mason Berg drilled the extra point to give Campbellsport an 8-0 lead (kicked extra points are worth two points). On the last play of the first half, defensive tackle Will Timblin ripped the ball out of the hands of a Mayville running back and raced 70-yards down the Campbellsport sideline for a huge touchdown. Both teams were held scoreless in the third quarter as Campbellsport took a 14-0 lead into the fourth. Campbellsport wingback Brody Steffen put the game on ice when he raced around the edge for an eight-yard touchdown run. Mayville would add a late consolation touchdown to make the final score 20-8.

Campbellsport will host Laconia this Thursday night, September 19, with a 6:00 p.m. kickoff.

Election Notices 7715

**VOTING BY ABSENTEE
BALLOT**

Any qualified elector who is unable or unwilling to appear at the polling place on Election Day may request to vote an absentee ballot. A qualified elector is any U.S. citizen, who will be 18 years of age or older on Election Day, who has resided in the ward or municipality where he or she wishes to vote for at least 28 consecutive days before the election. The elector must also be registered in order to receive an absentee ballot. Proof of identification must be provided before an absentee ballot may be issued.

You must make a request for an absentee ballot in writing or online at MyVote.wi.gov.

Contact your municipal clerk and request that an application for an absentee ballot be sent to you for the primary or election or both. You may also submit a written request in the form of a letter, or you may apply for an absentee ballot online at MyVote.wi.gov. Your written request must list your voting address within the municipality where you wish to vote, the address where the absentee ballot should be sent, if different, and your signature. You may make an application for an absentee ballot by mail, by fax, by email, in person or at MyVote.wi.gov.

Making an application to receive an absentee ballot by mail.

The deadline for making an application to receive an absentee ballot by mail is: 5 pm on Thursday, October 31, 2024.

Note: Special absentee voting application provisions apply to electors who are indefinitely confined to home or a care facility, in the military, hospitalized, or serving as a sequestered juror. If this applies to you, contact the municipal clerk regarding deadlines for requesting and submitting an absentee ballot.

Voting an absentee ballot in person

You may also request and vote an absentee ballot in the clerk's office or other specified location during the days and hours specified for casting an absentee ballot in person.

 9. Reports:
 a. District Administrator Updates
 i. WASB Fall Regional Meeting, September 24, 2024 in Kiel, WI
 ii. WASB Board workshop in October to review the new online superintendent evaluation tool and/or Board goal setting. This is scheduled for October 7, 2024 at 6:30 p.m. in the Eden Elementary School Library, Room 28
 iii. Mr. Wissink reviewed the parent welcome back letter
 iv. Mr. Wissink reviewed the staff welcome back letter and August in-service schedule
 b. Principal/Director Updates
 i. Mr. Wissink updated the Board on EES. Staff training on Bridges math curriculum will be in Eden this week; there is one (1) EES paraprofessional position that is still open; there is a back to school color run on September 13, 2024 for Eden Elementary students
 ii. Mr. Hamm updated the Board on CES. Mr. Hamm has been meeting with the PBIS Committee over the Summer; planning activities for the year with this year's theme "Game On! Be Your Best at CES!"; Bridges math training; meeting with the veteran Teachers; determining the Leadership Team for the building
 iii. Mr. Wissink updated the Board on MS and HS. MS/HS Shared Leadership Team met to review the spring staff and student survey data; the new MS/HS math curriculum training went well; the MS/HS is hosting a food and hygiene drive during our in-service PD days to help support families in the District; HS schedules are coming into form as any remaining conflicts or holes continue to be filed; Fall sports getting underway with scrimmages already happening and games starting this Friday.
 iv. Dr. Kellman mentioned that we were unsuccessful on hiring a Speech Pathologist for the school year. The District has contracted with "Teach Speech" for this virtual service. They will be servicing our MS, HS and private schedules within the District (the private schools were noticed in writing this last week that they will be getting virtual speech). There are approximately 100 students in our District that receive speech/language services (this does not include private schools). The Transition Resource Fair went very well and was well attended. There were 20 vendors that attended. This event had great feedback from the families. Tess O'Brien talked to the parents regarding their rights. Mr. Wissink gave a shout-out to Dr. Kellman and Heidi Retzer for their hard work on putting this event
